Carla Heads For Texas Coast Winds Now 125 M. P. H.

FIRST WINNERS—Miss Texas, Linda Jacklyn Loftis, of Fort Worth, left, and Miss Minnesota, Nancee Ann Parkinson, of West St. Paul, pose with their trophies after they were named first night winners in the Miss America pageant at Atlantic City. Miss Loftis won the talent portion with her vocal numbers while Miss Parkinson was adjudged best in the preliminary swim suit competition. (AP Wirephoto)

Louisiana Homes Are Evacuated

NEW ORLEANS (AP)—Residents of low-lying areas along the Louisiana coast began evacuating their homes today as hurricane Carla—its winds increased to 125 miles an hour—howled up the Gulf of Mexico.

The New Orleans Weather Bureau, in a 10 a.m. advisory, said Carla—the season's third storm—has become a major hurricane.

Carla's course veered during the early morning, and it is now headed in a northwesterly direction. At 10 a.m. the center of the hurricane was near latitude 23.5 north and longitude 88.8 west, or about 460 statute miles south of New Orleans.

The Weather Bureau said Carla would continue its northwest movement at about 10 m.p.h. for the next 12-18 hours.

The hurricane watch was extended to include the entire Texas coast and now is in effect from Brownsville, Tex. to Apalachicola, Fla.

Police at Morgan City, La., 50 miles southwest of New Orleans, ordered evacuation of all areas outside the city, which is completely sealed by levees.

No immediate evacuation plans were issued for Cameron Parish, where over 500 persons died in 1957's hurricane Audrey. Cameron's low lands lie next to the Texas border.

Residents of Grand Isle, La., some 40 miles south of New Orleans on the Gulf, began making preparations to evacuate. The low-lying island is flooded during abnormally high tide.

"The high tide early today flooded parts of the highway," said Grand Isle Town Marshal Frank Bradberry in a telephone interview. "I expect we will get an evacuation order later today."

In New Orleans, brick winds kicked up whitecaps on Lake Pontchartrain, and police began sealing off low roads surrounding the lake.

Red Cross centers throughout the upper Gulf Coast began planning for possible disasters.

The Weather Bureau said winds will gradually increase along the northern Gulf Coast today, reaching gale force along the Louisiana Coast tonight.

Powers May Be Released

NEW YORK (AP)—Soviet Premier Khrushchev today said Gary Powers may be released before his 10-year sentence is up.

Khrushchev told C. L. Spillinger, the New York Times' chief Soviet correspondent, in an interview published today that "Powers himself is not of such value that we would consider it necessary to make him serve his full sentence."

Powers was shot down over the Soviet city of Sverdlovsk on May 1, 1960, and subsequently convicted as a spy. His case contributed to the breakup of the Paris summit conference several weeks later, with Khrushchev demanding that President Eisenhower apologize for the flight.

PLANS FOR SURVIVAL—Engineers for a bomb shelter manufacturer, Vincent Corubio, left, and Edward Klein, study specifications for a fiber glass dome shelter being installed on an estate in Locust Valley, N. Y. The dome is designed to cover an excavation, being dug in the background, which is to be floored, walled and outfitted for emergency living. (AP Wirephoto)

Krush Is Ready For 'Businesslike Talks'

MOSCOW (AP)—Soviet Premier Khrushchev said today he was ready for "businesslike talks" with President Kennedy on urgent world problems.

At a friendship meeting for Indian Prime Minister Nehru, he went on to denounce President Kennedy's decision to resume nuclear testing, and declared "man-kind is on the brink of another military tragedy."

"Aggressive forces want to plunge the world into another war," he said, "as a pretext for this they are using the question of the peace treaty with Germany."

"Our aim is to put out the remaining fires of war by concluding a peace treaty with Germany. All sober-thinking people realize that on the question of the peace treaty one must proceed from the fact of existence of two German states."

He warned that the Soviet Union "has enough strength to give a destructive blow to any aggressor."

Khrushchev said that the most vital item to be taken up was the conclusion of a German peace treaty.

He warned President Kennedy not to use negotiations to delay signing a treaty and again said: "If the Western powers do not sign the treaty will be signed between the German Democratic

Republic and such other states as wish to do so."

Khrushchev said that "if the Western powers are ready for businesslike talks" on the German problem, "the Soviet government welcomes talks which would result in the conclusion of a peace treaty."

"It is impossible," he asserted "to postpone the German settlement any longer."

"The peoples will not forgive us for any more postponements." Speaking earlier at the meeting in the Kremlin, Nehru called "on the great powers who hold the key to war and peace to remove the threat of war and lead the world to peace."

Nehru, on a three-day official visit to the Soviet Union, came from the conference of nonaligned nations in Belgrade, Yugoslavia, which urged talks between the U.S.S.R. and the United States.

The conference, Nehru said, "expressed the minds of hundreds of millions of people. Every effort must be made to settle these problems. Only talks can lead to fruitful results."

"Today we face the last possibility. A wrong step could wipe out the future for mankind," Nehru said that if the danger of war could be removed in talks between the two major powers,

"the way would be opened toward examining the problem of disarmament."

"We call for the discontinuation of nuclear tests. If the military considerations for these tests, they increase the danger of mankind."

Young German Crashes Into West Berlin

BERLIN (AP)—A young East German crashed his speeding station wagon through Communist barriers today and flashed through the Brandenburg Gate to West Berlin and safety.

Spindled wood felled and Red guards jumped for their lives as the driver gunned the engine for the sport through the stone gate that symbolizes the city's division. The car strained against a thick coil of barbed wire, then snapped through and crossed the border.

It was the most spectacular escape in Berlin since the Communist fences went up Aug. 13. It took place at the most heavily guarded section of the border, under the noses of a dozen patrolling sentries with orders to shoot to kill.

The car came roaring down the famous Unter den Linden and slipped between two of the stone columns with just inches to spare on either side.

Once through the divide, the car, a Volkswagen Beetle, was spotted by a Soviet patrol car, which stopped it to check the driver's papers.

At the checkpoint, a check point on the West German border, four East German soldiers, five persons attempting to flee East Germany, were not so lucky in another spectacular break for freedom Thursday night.

Their truck smashed into a car before it could cross the border. The driver of the car was killed and a passenger was injured. Communist police led the would-be gate crashers away at gunpoint.

J. Kenneth Robinson, who is directing music for the revival will be the guest "Judgment Morning." The Sunday School attendance goal is 700 and the Training Union goal is 275.

Witnesses Back From Assembly

"This generation is seeing the fulfillment of Bible prophecy with blessings of life to those who obey the divine will." Nineteen delegates from the local congregation heard W. L. Mackey, special representative of the Watchtower Society make this statement during a final session of the three-day "Walk In The Name of Jehovah Forever" circuit assembly of Jehovah's witnesses at Pecos on Sept. 13.

The public ministry is the most effective way of reaching those who long for instruction in God's Word and all ministers assembled here are encouraged to expand his feature of activity in your respective communities," Mackey said.

J. D. Cook, presiding minister, who headed the local group, termed the meeting a grand success. One of the highlights of the assembly was reached at the Saturday afternoon session when 26 persons were immersed as ministers of Jehovah's Witnesses in a simple mass baptism.

Cook said many whole families attended, most of them traveling by car. "We received practical instruction in Bible educational methods that will help us to be of greater assistance to our neighbors in our house-to-house ministry and home Bible study method of teaching," he remarked.

"We all returned home with a more serious outlook on our ministry and the future," he said, adding, "We must be doers of the divine will."

5 In Plane Crew Killed

JACKSONVILLE, Fla. (AP) — A twin-engine Navy Neptune bomber, on its last night flight of a two week training mission, crashed Thursday night in Lake George, 48 miles south of Jacksonville, killing 5 of the 11 crewmen aboard.

Two of the survivors—Dean Coffman and William Estel were in Putnam Memorial Hospital at Palatka. They were not believed seriously injured.

The pilot, identified as Lt. Cmdr. Thomas C. Thompson of Napoleon, Ohio, was not badly hurt.

Family Killed In Crash Of Plane

GRANT, N.M. (AP)—A Santa Barbara, Calif., couple and two children were killed Thursday when their single-engine airplane crashed 50 miles southwest of here.

They were A. C. Menzies, 34, his wife, Phyllis, 26, a girl about seven and an infant boy. Menzies was a freelance photographer.

State Police said the plane was out of fuel.

Negro First Grader Hesitant About Attending New School

The Negro first grader hesitated a moment and then said, "Well it's all right," when told by his mother that he was going to school with white pupils in New Orleans.

The hesitant acceptance typified the reaction of many a youngster faced with a new situation created by the gradual, peaceful spread of public school desegregation this year.

The little boy was one of 12 Negro children who walked into six New Orleans schools on the first day of the second year of token integration.

Blondes Are Still Tops In Pageant

ATLANTIC CITY, N.J. (AP)—Blondes are continuing to lead their brunettes and red-haired competitors in the Miss America Pageant with Miss Utah and Miss Arkansas the winners in the second round of preliminary competition.

Carolyn Lasater, Miss Utah, won the talent contest Thursday night with a pantomime dance. She wore a dress which she designed, that converts from a nightgown to a business dress to an evening gown.

Miss Arkansas, Frances Jane Anderson, caught the judges' nod in the swimsuit contest as she strolled down the 120-foot runway before an audience of 7,157.

Both girls are 19, they're listed as 5 feet 9 inches tall, and they are blondes. Miss Anderson said she's really 5'9 1/2."

Blondes also won in the swimsuit and talent categories in the first round of preliminary competition Wednesday night. Miss Minnesota, Nanette Parkinson, received the swimsuit honors and Miss Texas, Linda Loftis, won the talent award with an operatic aria.

The third and final round of the preliminary judging will be completed tonight. Then 10 semifinalists will be selected to enter the finals. Miss America of 1962 will be crowned Saturday night.

The selection of semifinalists is based on overall competition plus interviews with the 11 judges, and a preliminary winner is not assured of being among the final 10.

Winners in the evening gown competition are not announced to increase the mystery about the final selection of the nation's beauty queen.

Miss Utah, from Salt Lake City, said she had worked on her pantomime act for two years while touring as a dancer with a theatrical group.

Miss Arkansas, from Pine Bluff, Ark., has completed her sophomore year at Randolph-Macon Woman's College in Virginia but she plans to transfer to the University of Arkansas this fall unless she's named Miss America.

Junior Highs Score Sweep

Close games proved to be the order of the day the past evening as junior high football made its debut and all three of the local teams seeing action racked up victories.

Travis 9th traveled to Lamesa, where the Blue Devils came from behind to score late for an 18-14 Travis win.

The Blue Devils hit paydirt initially when a 15 yard pass and run play from quarterback Richard Waters to halfback Leslie Brown clicked for a first quarter marker. Lamesa tied it up at 6-6 on a first quarter counter play good for 30 yards, after which Blue Devil fullback Gary Bergeron tallied the only second quarter touchdown on a right end skirting covering eight yards.

Lamesa came roaring back in the third stanza to score on another counter play from 45 yards out, then ran over the points to go ahead for the first time, 14-12. The Travis defenses tightened in the final quarter, however, and a 50-yard toss from quarterback Jimmy Featherston to halfback Robert Force—aided by a timely block as thrown by Brown—served to put the game on ice for the Blue Devil eleven.

Coach Wayne Tyrone was "fairly well pleased" with his team's maiden outing, but stipulated that "we've still got a lot of work to do."

Schoolboys Blasting Off

Football reaches every nook and cranny Friday night as the Texas schoolboy football campaign opens on all fronts.

Class AAAA, the big one, swings into action, joining the other six classes that inaugurated the race last week.

From Panhandle to Gulf and from the piney woods to the Far West there'll be interdistrict and interclass games giving an index of what's to come in the forty-second campaign of the world's largest football organization.

Wichita Falls, Corpus Christi Ray, San Antonio Jefferson, Austin and Fort Worth Paschal, the five top-rated powers, swing into action with important games.

Wichita Falls hosts Ada, Okla., Ray takes on Jacksonville, Jefferson gets Abilene at San Antonio, Austin plays San Antonio Highlands and Paschal tackles Dallas Sunset.

Brownwood, a big favorite to repeat with the Class AAA championship, starts the season against Class AAAA Dallas Jefferson.

Sweeny, the rated team of Class AA, plays Dickinson, Jackboro, another top one, engages Decatur, Albany, given No. 1 billing in Class A, where it ruled as champion last year, tackles Merkel.

There will be 378 games in the four classes that play to state championships, with the bulk of them coming Friday night. There will be a scattering of games on Saturday.

Three games were played over the state Thursday night. Victor of Class AAA beat Port Arthur Bishop Byrne 8-6. Port Acres of Class AA lost to Pineville, La., 20-8. Port Isabel of Class A walked Lajoya, B 38-0.

A record 1887 golfers entered the 1961 Junior Amateur championship.

Coach Wayne Tyrone was "fairly well pleased" with his team's maiden outing, but stipulated that "we've still got a lot of work to do."

Travis 9th traveled to Lamesa, where the Blue Devils came from behind to score late for an 18-14 Travis win.

The Blue Devils hit paydirt initially when a 15 yard pass and run play from quarterback Richard Waters to halfback Leslie Brown clicked for a first quarter marker. Lamesa tied it up at 6-6 on a first quarter counter play good for 30 yards, after which Blue Devil fullback Gary Bergeron tallied the only second quarter touchdown on a right end skirting covering eight yards.

Lamesa came roaring back in the third stanza to score on another counter play from 45 yards out, then ran over the points to go ahead for the first time, 14-12. The Travis defenses tightened in the final quarter, however, and a 50-yard toss from quarterback Jimmy Featherston to halfback Robert Force—aided by a timely block as thrown by Brown—served to put the game on ice for the Blue Devil eleven.

Coach Wayne Tyrone was "fairly well pleased" with his team's maiden outing, but stipulated that "we've still got a lot of work to do."

SET FOR SEASON OPENER—The Snyder "B" team of coaches Bill Hartfield and Jim Gafford will lock horns with the always-tough Sweetwater "B" delegation here in Tiger Stadium tomorrow night at 7:30 in the locals' initial outing of the season. Left to right, first row, are Gale Potter, Jim Marcum, Bob Lieb, Edward Schulz, James Nance, Johnny Wharry, Glen Banks, and Mitchell Duke. Second row: Ygnacio Benitez, Robert Thomas, Jim

TIGERS TREK TO BORGER

Action Abundant In Area Tonight

The first big weekend of Texas schoolboy football rolls into prominence on all near and far - flung fronts tonight, with the "big one" from a local standpoint being the Snyder Tigers opening just in Borger against the highly-rated Bulldogs of District 3-4A.

The 33-man Tiger squad departed Snyder this morning at 7 a.m. along with Coaches Horace Bostick, V. V. Shearburn, and Jim Stenley. They will have lunch in Amarillo prior to taking the last leg of the trip into Borger. Plans call for them to spend the night at the Lincoln Motel in Amarillo.

Spirit And Attitude Of Tiger '11 Cited

"The spirit and attitude of our boys are the best of any bunch I've ever seen," Tiger Coach Horace Bostick informed the Snyder Optimists during their noon meeting held at Salie's Bestaurant yesterday. "Every boy who has been able to make every workout, a record of which we can all be proud," he added.

"We're not as ready as we would like to be for Borger," he went on, referring to tonight's game, "but it's the best we've ever had at this time of year."

He also commented on the Lamesa club, with the opinion voiced being that that team is a probable "stealer" within the district. He cited that next to Lake View, Lamesa has a greater number of returns than any other team within the 3-AAA circle, and that even though the Tornado offensive machine is a sputtering one, defensively they make up one of the toughest outfits in this part of the state.

Gene Westmoreland, the starting Lamesa quarterback over the past season, has decided against playing this year, and Bostick also made note of that fact during his talk to the club.

Guard Bob Smith and center Joe Robinson accompanied Bostick to the meeting and were recognized by president Bill Teaff. Bostick praised both boys for the spirit and leadership as displayed, and made mention of the fact that each are playing a big part in keeping the Tiger morale high.

Club business included a report by committee head Tommy Ivson concerning the Friend of the Boy Day activities. He reported that 72 boys have signed up for this weekend's Optimist sponsored "Double Trip" with home town expected by Saturday.

The group, composed primarily of Boy's Club Pee Wee footballers, will go by bus to Dallas in order to view the American Football League opener in the Cotton Bowl matching the Dallas Texans and the San Diego Chargers.

Bostick went on to mention that a grand total of five broken bones have smitten team members since the start of practice the middle of August. In addition to the usual sprains, bruises, and an unexpected influenza-bug, one time slightly over a week ago a dozen boys were forced out of action due to injury and illness, all with the exception of Marcum and Grimmitt who were able to see at least part-time duty against Borger.

Larry McNair, the strapping 200-pound senior tackle of the team and a boy being boomed for all-state honors, is slated to start on defense tonight and will see offensive duty although he is not listed as an offensive starter. He has been slowed by a flu siege and 180-pound Riley Booth, a junior has been granted the starting nod.

"Borger is a team that really believes in keeping the pressure on," Bostick further related. "They'll hit you hard and stay after you. They've got two colored boys (J. P. and L. T. Tillman) who run the halfbacks, and both have a lot of speed. They're good defensive boys, too, at the corner linebacker positions."

Concerning the Tiger passing

Feather, Jackie Watson, David McKinney, Terry Williamson, Rob Hall, Mike Welsh, and Manager Johnny Best. Third row: Manager Morris Sturdivant, Danny Aycock, Richard Smedley, Jimmy Wilson, Larry Lee, Ronnie Anderson, Jerry McDowell, and Carl Bailey. Not present for the picture are Ronnie Williamson, Kirby McCravy, Carroll Stevens, Ronnie Fisk, and Tommy Shelburne.

homa, 7-9.

The Gail Coyotes, a perennial eight-man powerhouse coached by Eddie James, are to entertain Nazareth tonight, also. The Coyotes took it on the chin the past Friday, when Sterling City bounced them in their opening game of the season, 28-6.

Coach Robert Ryan's six-man Ira Bulldogs open their season tonight when they travel to Hobbs to engage the Panthers of that community in a District 5 (Region II) district contest.

All other District 3-AAA members in addition to Snyder will see action tonight. Lake View plays host to San Antonio Edgewood, the San Antonioans representing the first Class 4A team in history that the Chiefs have played. Sweetwater is to open at home against Breckenridge in another headliner. And rounding out the family slate are Colorado City, which travels to Post, and Lamesa, which tackles Midland High in Midland.

Lake View is the only 3-3A member having tasted action to date, as the Chiefs got themselves upset by Winters Saturday, 22-14.

Featured Saturday action will see the Snyder Tiger "B" team opening the season against Sweetwater "B" at Tiger Stadium beginning at 7:30. Following that game as engaged in by the local charges of Bill Hartfield and Jim Gafford, the team will play three road encounters prior to returning home again on October 7 for a game against Lamesa.

Jim Johnson San Francisco 49er halfback and the team's No. 1 draft choice is the brother of Olympic decathlon champion Rafe Johnson.

the Academic and God

The Great Teacher once said, when the fig tree buds it is spring. We might add, when the youngsters go back to school, it is fall. What a challenge back-to-school brings. It is time to learn more about math, and science, and citizenship, and God. How necessary to our American way of life are these basic requirements in our educational system. Our curriculum must include some precepts of Jesus if we are to have sufficient moral and spiritual stamina to endure. It has been said, education without a knowledge of God is dangerous. Our teachers, our preachers, and all loyal Americans should see to it that our basic education be broad enough to include both the academic and God. Of course our youngsters should be loyal to their colors, to their school, but they should also be faithful subjects of the Great God. They should worship in church every week.
