Rivercrest Rebels Fall To Tough Maud 14 - 7

By Diana Eudy

The Rivercrest Rebels fell to the Maud Cardinals last Friday night at Johntown 14-7. The field was a soggy mess of mud but the two teams didn't let that stop them. The stands were not very full for the last Rebel home game with fans expecting more of the typical Friday night rain we have experienced this season.

The Cardinals controlled the first quarter scoring with 4:19 left. Maud started from their 34-yard line for the scoring drive. The extra point kick bounced off the crossbar leaving the score at 6-0.

The Cardinals second score came with 1:54 remaining in the first quarter on a 19-yard TD pass. The two point conversion was good. The Cardinals led 14-0.

The second quarter was defensive action all the way. The Rebel defense pulled together to hold the Cardinals down. The Maud team could niether pass no rrun against the determined Rebel squad. The halftime score stood at 14-0 in favor of Maud.

Fumbles hurt the Rebs in the third period. The muddy condition of the field made it hard to hold on to the ball. With the clock at :48, quarterback Bobby Thomas lofted the ball to senior Kyle Roland who sprinted for the endzone. The play went a combination total of 70 yards for the score. John Easley's kick was good, the Rebels were on the board. The quarter ended with Rivercrest trailing 14-7.

The Rebels tried to keep their momentum going in the fourth quarter, but costly penalties and fumbles held them back. Rivercrest threatened to score on their last possession as Thomas on his own 35 threw a pass to Roland on the Cardinal 35 for a 30 yard gain. The drive was stopped when a Maud Cardinal stepped in front of a Thomas pass and gathered in the interception. The clock ran out leaving the Rebel team short.

The Rebels made 22 first downs and rushed for 15s yards. They completed six of 18 passes for a total of 200 yards. There were three interceptions. Rivercrest's total yardage was 352. The team had four fumbles and punted twice for 77 yards. The Rebels drew 68 yards in penalties.

The Cardinals made 18 first downs and rushed for 137 yards. They completed one of eight passes for 19 yards. There was one interception. Maud had a total of 146 yards. The team had four fumbles and punted six times for 194 yards. The Cardinals were penalized for ten yards.

Rivercrest will travel to New Diana Friday night, gametime is 7:30 p.m.

Cleanliness....it's a very strang thing, and hard to achieve. Take housekeeping for instance. The windows in a home can just be freshly washed, the floors waxed to a healthy shine, the carpets vacuumed and the table tops polished until they reflect images, but let one magazine be out of place and the whole effect is ruined!

Really, a tiny spot of clutter, or a crooked window shade can make a room someone spent hours on look less than perfect.

Hardly seems fair, does it?

Yards are yet another of those hard to perfect things. The grass can look like a professional golfer's dream, the shrubs can be so even it looks like someone has used a level on them, and the fences can be trimmed as straight as an arrow, but let one tough, stubborn little stem of weed raise it's head back up after the lawn mower has passed, and bingo.....it looks messy!

Cars, yet another example. After an afternoon of washing, cleaning, polishing and waxing, scrubbing whitewalls and wheel covers, cleaning the inside, but step back and take a long look and somewhere, somehow, there will be a streak or smear!

The list seems to be endless...something always mars our attempts at perfection.

Of course, it really doesn't matter, because the first time the kids tear through the house, it rains and the grass grows, or the car splashes through a puddle, the whole effort pretty well goes down the drain anyway.

So don't worry about a messy house, lawn or car, or anything else...hey, mankind wasn't meant to achieve perfection, even in cleaning!

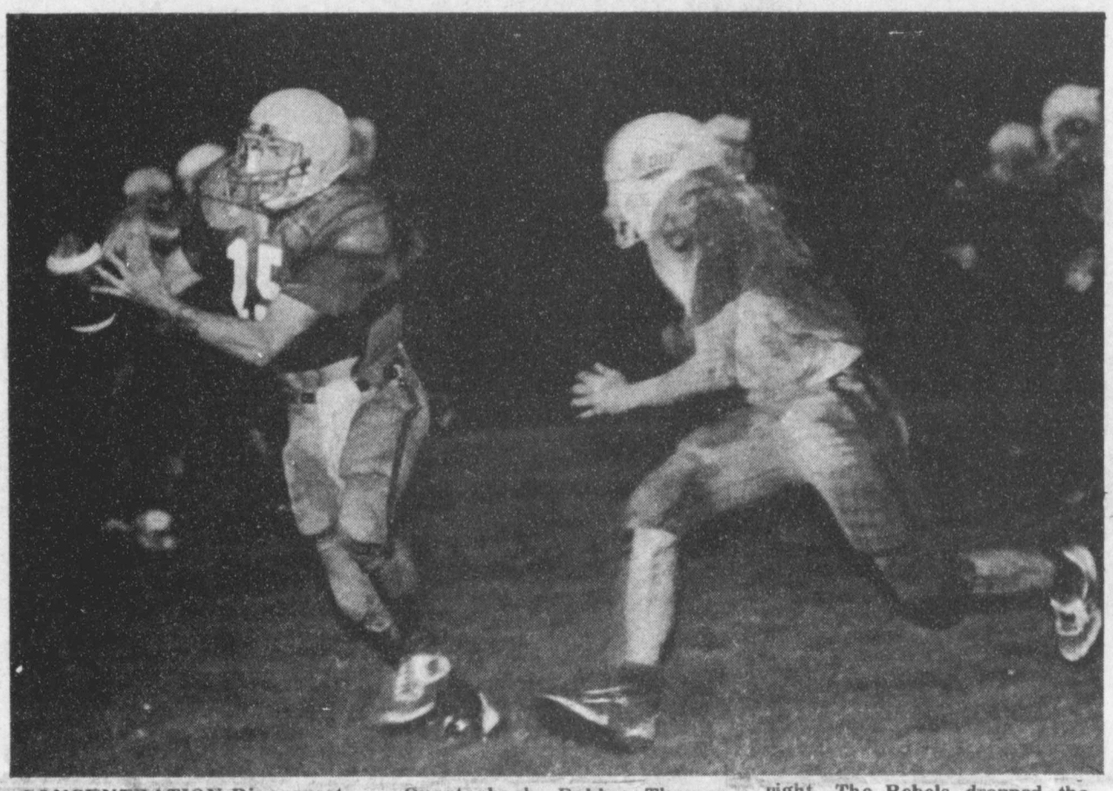

Bangs Vaccination Clinic Set

On November 10 at 7:30 a.m., a Bangs Vaccination Clinic will be held at the Red River County Livestock Auction Barn reported Bob Moody, county extension agent. The clinic is being conducted by the TAHC and there will be no charge to the producer for these vaccinations. Moody states that regulations going into effect January 1 are:

1. Heifer calves born after January 1 of this year which are between 4 and 12 month of age and acquired and used for breeding, grazing, dairying or confinement in a dry lot not under quarantine must be officially vaccinated according to amended regulations.

2. Heifer calves born after January 1 of this year which are unvaccinated when they are over 12 months of age may change ownership only after being spayed or consigned to a livestock market to be spayed or "S" branded prior to sale; or consigned directly to slaughter, quarantined feedlot or quarantined pasture.

Anyone desiring more information are asked to contact Joe Kelsey, Texas Animal Health Commission at 632-4168.

Red River Haven Has Halloween Carnival

Witches, clowns, gypsies, Care Bears, mice, pirates, Cabbage Patch kids, Gremlins and a few that defy description were in attendance at Red River Haven's Halloween Carnival on Monday evening.

The crowd of young and old, estimated at over 150, enjoyed the evening at the following booths: Penny Pitch, Basketball Throw, Fishing Pond, Dart Throw, Grab Bag, John Throw, Cookie Walk, Picture Taking, Fortune Telling and Pumpkin Guess.

Participating in the carnival fun were residents, their children and grandchildren and employees and their families. The games were free to all and the prizes were a donation from Red River Haven.

Refreshments of orange witche's brew and homemade cookies, prepared by the kitchen staff, were served with halloween placemats and napkins.

The carnival would not have been possible without the help of the following employees and volunteers: Betty Dodd, Shirley Vickers, Shirley Allums, Mary Wood, Bertha McCall, Becky Rolen, Rina Williams, Mikel Ann Williams, Donnie L. Williams, John Haynes, Ruth Varner, Bessie Roberts, Virginia Hunter, Wretha Watkins, Inez Montgomery, Jewel Rowe, Alice Perry, Mary Belcher, Willie Gray, Willie Topping, Naomi Smith, Ginger Foster and the dietary and housekeeping departments of Red River Haven.

ROYAL -Jennifer Bond, daugher of Mr. and Mrs. Sidney Bond, and Gavin Barnett, son of Bro. and Mrs. Terry Barnett were crowned king and queen of elementary school, while junior high king and queen were Dawn Stephenson, daugher of Mr. and Mrs. Fred Stephenson, and Bradley Woods, son of Mr. and Mrs. Wayne Woods at the Talco Halloween Carnival. Talco Halloween Carnival Is Big Success

The annual Talco PTO Halloween Carnival and fund-raising event was held Saturday October 27 at the Talco Elementary School.

Activities of the evening began with a turkey dinner with coffee, cold drinks, pie and cake prepared by local ladies.

Following the supper, Halloween queens were crowned at the coronation in the school auditorium.

Master of Ceremonies was Mrs. Linda Ballard. Crown bearers were Kristin Kuhl, daughter of Mr. and Mrs. Bobby Kuhl, escorted by Joey Taylor, son of Mr. and Mrs. Tim Taylor, Jr. High crown bearers were Brandi Gaddis, daughter of John Gaddis and Lisa Gaddis, escorted by Danny Miliner, son of Mr. and Mrs. Miliner.

During the coronation, Jennifer Bond, daughter of Mr. and Mrs. Sidney Bond, escorted by Gavin Barnett, son of Bro. and Mrs. Terry Barnett were crowned king and queen of the elementary school. Junior high king and queen were Dawn Stephenson, daughter of Mr. and Mrs. Fred Stephenson. Her escort was Bradley Woods, son of Mr. and Mrs. Wayne Woods.

The queen's court included princess and their escorts from each class, kindergarten through eighth grade. They were Mitzi Reed, daughter of Mr. and Mrs. Lyndon Reed and Clint Gage, son of Mr. and Mrs. Stephen Gage. Natosha Cole, daughter of Mr. and Mrs. Bobby Cole and Brian Hambric, son of Mr. and Mrs. John Hambric. Misty Deming, daughter of Mr. and Mrs. Michael Deming, escorted by Chris Yount, grandson of Mr. and Mrs. Garth Ottinger. Kennette Taylor, daughter of Mr. and Mrs. Kenneth Taylor and Jeremy Belyeu, son of Mr. and Mrs. James Hall. Tiffany Parish, daughter of Mr. and Mrs. Scooter Parish and Corey Gable, son of Mr. and Mrs. Johnny Gable. Felecia Hood, daughter of Mr. and Mrs. Johnny Hood and Grant Barnett, son of Bro. and Mrs. Terry Barnett. Sharmaine Phelps, daughter of Mr. and Mrs. James Bo Phelps and Samuel Ross, son of Mr. and Mrs. Harvey Ross.

Best dressed spooks from kindergarten through second grade were Jennifer Bond for the most original costume and Sara Jones for the most scary. Mary McKelvey and Ricky Bean both won for being most scary in grades three through eight. Lucky winners of the ham and turkey were J.C. Fail and Johnny Hood. Mary Lou Hall won the dream baby.

In appreciation for the faithful efforts of many persons, the PTO expresses their thanks.

Television Schedule Changes

This week's paper will have a different format for the television schedule. It will no longer be in a seperate "tabloid" size, but instead will run on two pages inside of the regular paper.

This new format is being done with an eye towards increasing the economic feasibility of the television schedule, and still pleasing our readers, many of who have expressed a definite desire to have a television schedule.

The style is still the same, and two channels that have not been widely available in this area have been dropped from it, so that it is now easier to read.

We hope this new style is satisfactory with everyone.

Remember....these are your papers, so feel free at any time to contact us with suggestions on what will make them better!

Youth Choir Practice Scheduled

On November 4, all youth of the community churches of Bogata, Lone Star, Cuthand and Johntown are invited to come practice for a combined youth choir at the First Baptist Church from 4:30 to 5:30 p.m. The youth choir will sing at the community Thanksgiving service to be held November 18 at 7 p.m. at the First Baptist Church in Bogata.

Also, if your church has a group or soloist that would like to sing for the service, please contact Gary Koerner at 632-5218 or 632-4427, home.

Get the Nite-Liter
The Ultimate in Nighttime Security and Convenience

TNP Employee Louise Parker installed the Nite-Liter at her home . . . and you can too!

When the sun goes down and darkness falls, you need extra light to enjoy your outdoor activities. The Nite-Liter is a very economical way to provide that extra light you need. The mercury vapor unit provides up to a 100 yard diameter of usable light more efficiently than ordinary incandescent lighting, so you get more light for your money.

TNP Employee Louise Parker of Tularosa, New Mexico especially enjoys the Nite-Liter's added convenience of automatically turning itself on at dusk and off at dawn—throughout all kinds of weather, all year long.

Enjoy the added convenience and increased security of the Nite-Liter at your house. Call our office today for all the details.

Helping you make your home secure and accessible after dark as well as helping you get the most from your electric service, is just one more way we are . . .

FOOTBALL CONTEST

WIN FIRST PRIZE **$12**

WIN SECOND PRIZE **$7**

WIN THIRD PRIZE **$5**

RULES OF THE GAME

CLIP OUT THIS PAGE AND MARK YOUR CHOICE OF WINNERS OF THE GAME THAT APPEARS IN EACH OF THE ADS ON THIS PAGE.

Do not guess the score, just the winner. If you predict a tie, so indicate with the word "Tie" written across the ad.

GUESS BOTH THE WINNER AND THE SCORE FOR THE GAME MARKED "TIE-BREAKER", THAT APPEARS ON THIS PAGE.

Tie-breaker game winner will be counted with other games but tie-breaker game score will be used only to break ties among contestants, with the game winner first, margin of victory second, total game points third and total points by winner fourth. If still tied, the prize money will be divided equally.

Fill in your name, address and phone number (if any) and either mail or bring this page, or a reasonable facsimile of the list of games, to either The Deport Times or The Bogata News.

Entries brought to either of the newspaper offices, must be in that office no later than 5 p.m. Friday of this week. If mailed, entries must be mailed to either The Deport Times, P.O. Box 98, Deport, Tex., 75435; or The Bogata News, P.O. Box 306, Bogata, Tex., 75417. All mailed entries must be mailed in time to arrive with the Saturday morning mail.

It is requested that only one entry per person be submitted. In event of more than one entry from a contestant, that person will be eligible for only one prize in that contest week.

Everyone eligible except employees of The News-Times newspapers and their families. Decision of judges will be final.

Mud Turtles And Kids

By Wm. C. Barnard

One time, I think it was about 1915, we were living on Granddad Barnard's place south of Deport. Mustang Creek ran nearby, and Osie, Ed and I spent a lot of time playing along its banks.

One day we found a small mud turtle. We had been told that if a mud turtle got a hold of you, he wouldn't turn loose until it thundered. We played with, and teased the little turtle for a while, and he became very unhappy and cantankerous about it.

He would snap and bite at everything that came near him. I attempted to pick him up by the tail, and in the process he grabbed me by a finger. He clamped down real hard and wouldn't let go. After giving some thought to the situation, we decided to go home and let Mother get him loose.

We started out and the turtle held on. It didn't hurt so bad unless I shook him or jarred him, then he would clamp down real hard. I was tiptoeing along slow and easy so as not to excite the little scamp and make him bite harder, when all of a sudden, Ed, in as loud a voice as a five year old boy could make, cried out, boom! boommmm! Blammmm! rummmble! boom! boommm!

He was running along by my side and watching the turtle. I asked what he meant by all the noise and he said, "I am trying to make the turtle think it's thundering so it will let go."

It didn't help but, when we got home, Mother cut his head off with a butcher knife. That relaxed his steel trap jaws.

Thank you for the tremendous support you have given me for more than eight years as your representative in Congress. I will strive always to merit your confidence in me, and I am asking for your continued support in the General Election on Tuesday, November 6.

What Do The Major Political Parties Of Our Nation Believe?

Democratic party: | **Issue:** | **Republican Party:**

Right To Work

The Democratic Party is seeking the repeal of any and all "Right-To-Work" legislation.

Section 14 B of the Taft-Hartley Act is the federal law that permits state "Right-To-Work" legislation. The Texas "Right-To-Work" law provides any individual the freedom to work in the job he or she desires without being forced to join or pay dues to any organization.

The Republican Party supports section 14 B of the Taft-Hartley Act and urges state governments to retain their "Right-to-Work" laws.

Prayer

The Democratic Party believes the first amendment to the constitution created a wall between God and Country called "Separation of Church and State"; thus the Democratic Party supports the 1963 Supreme Court decision which outlawed voluntary, silent prayer in our public schools.

Should voluntary, silent prayer be allowed in our public schools?

The Republican Party believes the purpose of the first amendment to the Constitution is to prevent an official state religion and to guarantee all Americans the freedom to worship God without government interference or restraint thus the Republican Party supports the passage of a constitutional amendment which would allow voluntary silent prayer in public schools.

Balanced Budget Amendment

The Democratic Party opposes the passage of a "Balanced Budget and Spending Limitation" amendment to the constitution due to the severe restrictions it would place on congress.

Should Congress adopt the "Balanced Budget and Spending Limitation" amendment to the Constitution which would require congress to operate within a balanced budget and would limit congressional spending to anticipated available funds.

The Republican Party supports the passage of a "Balanced Budget and Spending Limitations" amendment to the constitution.

Abortion

The Democratic Party supports the 1973 Supreme Court decision which legalized abortion on demand. The Democratic Party supports the funding of abortions with taxpayers dollars. The Democratic Party opposes a constitutional amendment which would protect the "Right To Life" of unborn children on the basis that this amendment would violate a woman's "Right-to-Choice".

Abortion is the induced termination of a pregnancy resulting in the death of the premature developing child. The Supreme Court decision of 1973 not only legalized "abortion on demand" but also has resulted in the use of taxpayers dollars to fund thousand of abortions each year.

The Republican Party supports the passage of a constitutional amendment that would restore protection of the "Right-to-Life" for an unborn child. The Republican Party opposes the use of tax payer dollars to fund abortions.

Homosexuals

The Democratic Party supports Homosexuals, Gays and Lesbians in their effort to attain the legal status of "minority group".

Should homosexuals be granted minority status – should homosexuals receive special legal entitlements and privileges based upon their sexual orientation?

The Republican Party believes the Homosexuality is a perversion of the natural law and opposes the granting of special legal entitlements or privileges based upon their sexual deviancy.

Communism in Western Hemisphere

The Democratic Party believes the answer to Central and South America's political problems will be found only through political negotiations and opposes the continued military aid to these countries.

Should the United States government continue providing military aid to countries of Central and South America in an effort to help these neighboring countries stop the spread of communism in our hemisphere.

The Republican Party believes that our country should respond to the request of military aid by the Central and South American nations in their efforts to halt the spread of communism in the western hemisphere.

Democratic party: | **Issue:** | **Republican Party**

E.R.A.

The Democratic Party is in support of the passage of the "Equal Rights Amendment" (E.R.A.) to the constitution. The Democratic Party believes that our nation has a deep rooted problem of sexual descrimination which can only be removed by a powerful constitutional amendment.

Should our nation adopt the "Equal Rights Amendment" (E.R.A.) to the constitution?

The Republican Party believes that passage of the "Equal Rights Amendment" would have many undesirable consequences on life in our nation. The Republican Party believes that women are guaranteed equality of rights not only by the constitution but also by state and federal laws that have already been enacted. The Republican Party reaffirms its committment to "Equal Opportunity For All Citizens" and urges that NO further consideration be given to E.R.A.

High Tech Defense

The Democratic Party opposes funds for the development of the current administration's proposed "Star Wars" system.

Should our nation proceed to develop a non-nuclear, space based defensive system which would have the capability of destroying enemy missiles in space before they strike our country?

The Republican Party believes that our nation should take advantage of it's advanced technology and proceed to build this "High Frontier" non-nuclear space based defense system.

Right To Keep and Bear Arms

The Democratic Party believes that due to the alarming number of crimes involving firearms in our society, our nation has reached a point in it's history where the constitutional right granting it's citizens the right to keep and bear arms may no longer be relevant. The Democratic Party supports legislation which would impose further restrictions and regulations upon the ownership of firearms by citizens of the United States.

Should the constitutional right of United States citizens to "keep and bear arms" be revoked in an attempt to reduce criminal use of guns?

The Republican Party believes the penalty paid by the criminal has always been and always will be the most effective way to control criminal use of guns; thus the Republican Party opposes government regulations which would interfere with the constitutional right of citizens to keep and bear arms.

Hiring Quota

The Democratic Party supports Federal laws requiring "Hiring Quotas" and Promotion Quotas" in business, industry, and government, believing that it is the way to eliminate descrimination in employement.

The Federal government has enacted laws which control the hiring and promoting of employees by business, industry, and government based on gender, race, religion, national orgin and age. These laws are referred to as "Hiring Quotas" and "Promotion Quotas" and it is another attempt by the Federal government to eliminate discrimination in employment.

The Republican Party believes that one of the great attributes of the United States is the freedom of its people to aspire and to achieve based on INDIVIDUAL ABILITY. Whereas, discrimination on the basis of race, gender, religion, national orgin, or age is correctly forbidden by law in the United States, therefore, the Republican Party opposes any system of quotas allotting employment and/or promotion on any basis other than personal competence, qualification and performance.

Welfare

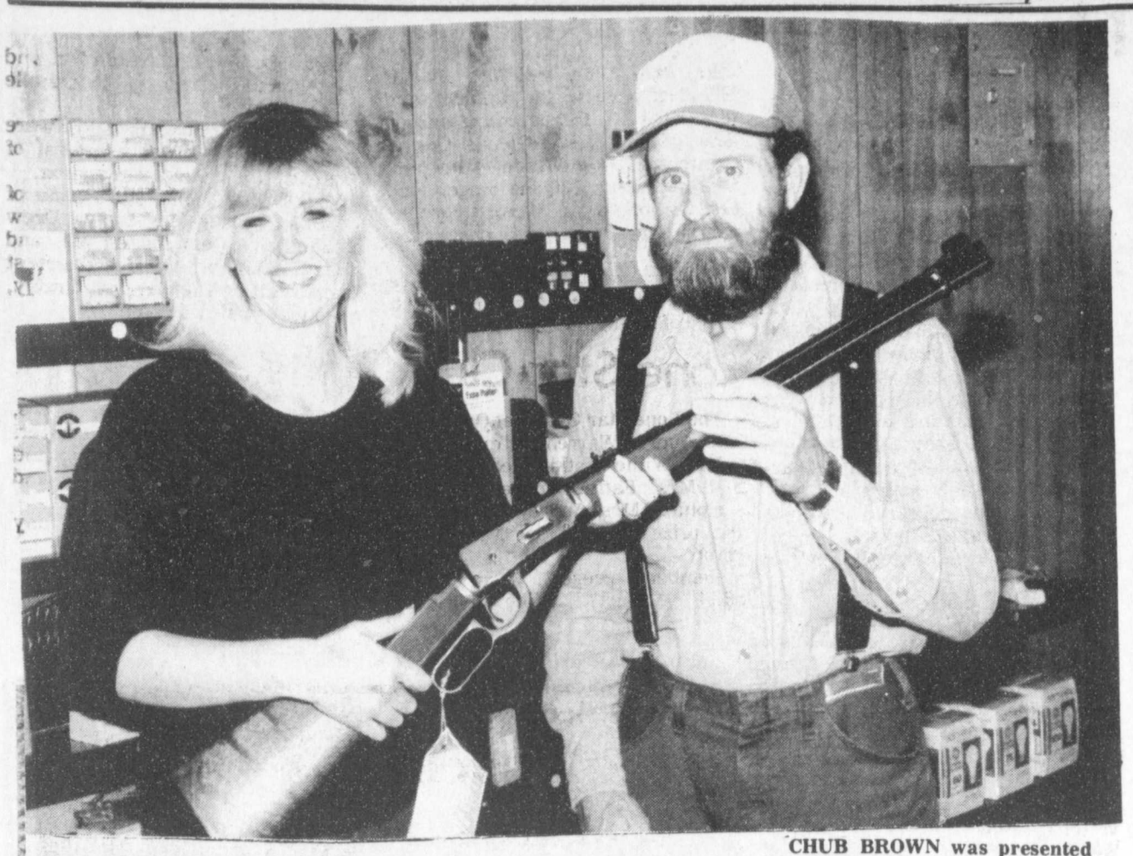

The Democratic Party opposes the proposed "WORKFARE" idea as part of our governments welfare program.

In an attempt to reform our nations welfare program, should "WORKFARE" – a program providing able bodied welfare recipients a means to WORK for their government assistance – become part of our nations welfare program?

The Republican Party supports the "WORKFARE" idea of providing the able bodied recipient a means of earning his or her government assistance as an alternative to the current governmental "give away" programs that encourage laziness, promote dependency, and foster generations of non-workers.

Fall Testing Underway At Talco-Bogata CISD

The fall testing program, under the direction of Bonnie Huddleston, counselor, has been underway during the past few weeks in the Talco-Bogata schools.

Talco and Bogata elementary and junior high students were given SRA Achievement Tests on October 9, 10 and 11 with Rivercrest ninth through eleventh grades being tested on October 24.

The testing program consists of Science Research Associates tests for Grades 1-8. Grades nine and eleven take the Iowa Test of Educational Development and Grade ten takes the Differential Aptitude Test.

On each campus, the classroom teachers administered the tests and will be able to use the information gained from tests results in many ways. Test scores will be returned to the schools from the computer center, where they are scored, in approximately six weeks. Parents and students alike may see these test results by appointment, as the information is processed and placed in each student's permanent record.

Rivercrest Seniors, Juniors, Take Tests

Rivercrest seniors took part in a testing program on Wednesday, October 24, called the Armed Services Vocational Aptitude Battery, provided by the Department of Defense. The tests were administered at the high school by representatives from the Armed Services with the help of Bonnie Huddleston, high school counselor and guidance director.

The Department of Defense has developed and offers this service to interested schools both as a means of sharing extensive service experience on aptitude testing and occupational information. It can also serve as a means of stimulating student interest in exploring their own aptitudes for occupations. Experience indicates that the results of this testing can be a valuable tool which can be used in counseling both career oriented and college bound students. A career information program was also presented that day to seniors, with speakers fro PJC, ETSU and the Southeastern University in Oklahoma.

On Tuesday, October 23, fifteen juniors from Rivercrest were given the Preliminary Scholastic Aptitude and National Merit System Test by Mrs. Huddleston. This test was sponsored by the College Entrance Examination Board and National Merit Scholarship Corporation for the purpose of helping schools obtain information helpful to students in planning their education beyond high school and furnishign students the opportunity to enter scholarship competition. Rivercrest juniors taking the test were Marilyn Curlee, Kim Parsons, Misty Foxworthy, RaNell Burns, Ricky Kennedy, Jay Roberts, Cathy Jones, Kelly Anschutz, Deanna Damron, Jeanie Hanks, Shontyl Thompson, Bo Brown, Chris Eudy, Tony Jasso and Donna Jo Davis.

WMA Meets At Macadonia Baptist

The Woman's Missionary Auxiliary to the Fellowship Association met Thursday at the Macedonia Baptist Church near Pittsburg.

After congregational singing, a call to prayer was led by Mrs. Willa Jo Mills of Talco. Mrs. CAtherine Campbell, president, gave her welcome, reading Isaiah 40:31. She also introduced Mrs. Lucille Smith of Pittsburg who brought the devotion. She gave a testimony of her salvation and told of some of the weaknesses in her life giving scriptures that helped her overcome them.

Mrs. Janet Shoffner, program chairman introduced the honorable Belenda White to preside over the installation of new officers for the 1984-85 church year. Each officer appeared before Judge White to receive her sentence for the year. Mrs. Ovaline Combs gave the dedication prayer.

Officers installed were: president, Mrs. Catharine Campbell, Bethel, Pittsburg; first vice-president, Mrs. Peggy Barnett, First Baptist, Talco; second vice-president, Janet Shoffner, South Jefferson, Mt. Pleasant; third vice-president, Mrs. Jewell Kirkley, Macedonia, Pittsburg; secretary-treasurer, Mrs. Billie Jean White, Bethel, Pittsburg; assistant secretary-treasurer, Mrs. Margie Burns, South Jefferson, Mt. Pleasant; historian, Barbara Attaway, Bethel, Pittsburg; pianist, Belenda White, South Jefferson, Mt. Pleasant; song leader, Mrs. Barbara Attaway, Bethel, Pittsburg; youth director, Jan Pearson, South Jefferson, Mt. Pleasant; reporter, Joyce Alexander, First Baptist, Talco; and assistant reporter, Juanice Hadderton, Macedonia Baptist, Pittsburg.

The next meeting will be with the First Baptist Church of Talco on January 24, 1985.

Agricultural Briefs

By Herb Brevard

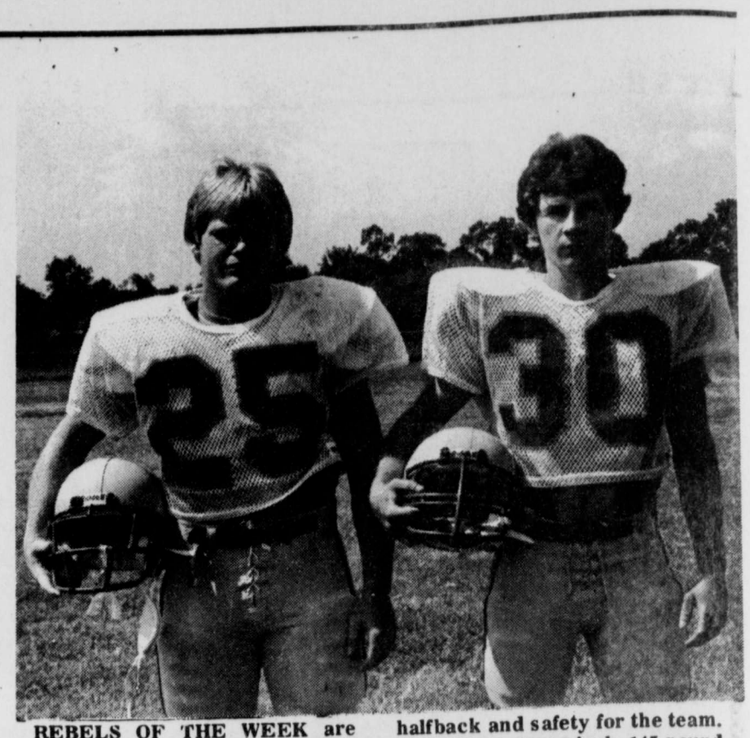

Recent rains have been a boost to most winter pastures in East Texas, with small grains, ryegrass and clovers growing well in most areas. Dr. Sim A. Reeves, Jr., cautions producers against turning cattle into the pastures too early.

The plants need to develop a good root system and be well anchored in the ground before grazing begins. Generally, plants are six to eight inches tall before the root system is adequately developed. If the soil is wet and boggy, cattle will pull up many of the plants during grazing. Reeves suggests watching the cattle when they are first turned on winter pastures to determine if they are pulling up the plants. If the plants are being pulled up, take the cattle off and wait until the soil is a little drier and the plant roots are firmly attached.

If the temperature warms considerably, producers should watch for armyworms. A few isolated cases have been reported.

If the winter pasture was not fertilized when planted, Reeves suggests applying fertilizer as soon as possible. A rule of thumb is 50 to 60 pounds each of actual nitrogen, phosphorus and potassium per acre.

If fertilizer was applied at planting, keep following soil test recommendations and watch the plants. If areas around manure piles remain green and other plants are light green or yellow, an application of nitrogen is probably needed.

REBELS OF THE WEEK are Charley Roberts, 25, and Jerry Belcher, 30. Charley is a 5 foot 7 inch, 165 pound senior. He plays halfback and safety for the team. Jerry is a 5 foot 7 inch, 145 pound junior. He plays halfback and cornerback for the Rebels. (Staff Photo by Diana Eudy)

NEIGHBORS:

Be Sure To Cast Your VOTE Tuesday!

The pollsters haven't called me, but win, lose or draw, I'm going to vote DEMOCRATIC.

Can we afford four more years of record deficits, increasing at half a BILLION DOLLARS a day?

As you look up and down our Main Street, do you conclude we are better off after four years of Reaganomics?

I will vote for a President and a Senator who will protect Social Security, and who (unlike Congressman Gramm) oppose toxic waste dumps of the kind that have threatened our local water supply.

Win, lose, or draw I will vote for a vigorous Walter Mondale and for Texan Lloyd Doggett, who (despite lies to the contrary) has never voted for gun control or toxic waste dumps, and promises he never will.

This Political Ad Paid for with local funds by local people. John Howison, Precinct Chairman

VOTE DEMOCRATIC!

WHY POUR MONEY DOWN THE DRAIN?

Get a high-efficiency gas water heater.
It heats water for half the cost of non-gas heaters. Really.
But cold cash isn't the only reason you should get a gas water heater.
Gas heats water fast. So fast you'll have plenty for showering, washing dishes, doing laundry and every job that takes lots of hot water.
Don't drain the budget. Get a gas water heater.

Farm Credit Initiatives Set

Regulations for implementing President Reagan's Farm Credit Initiatives have been completed and are being distributed to Farmers Home Administration field offices, Charles W. Shuman said recently.

The regulations provide for a one-time debt set-aside program for FmHA borrowers and loan guarantees for non-FmHA borrowers.

In addition, Shuman has developed guidelines which County Supervisors will use in signing contracts with local non-Government lenders and farm management specialists. These specialists will provide additional advice and assistance to financially distressed farm borrowers.

In both cases, the action will restore farmers to a positive cash flow position.

"With field office training underway, we will have everything in place for the successful launching of this program," Shuman said.

Under the plan announced recently by the President for farmers experiencing serious financial difficulty, FmHA can set aside up to 25 percent, to a maximum of $200,000, of a borrower's debt for five years without interest.

For non-FmHA borrowers, the agency can guarantee up to 90 percent of a loan if the lender is willing to write off a minimum of 10 percent of the debt.
