## Conference To Plan Requirements For Community Recreation Program

**NEW LOADING RACK** — Three employees of Texas Natural Gasoline Corporation stand atop the company's new loading rack located one mile north of Silver on Highway 208 (to Robert Lee). The rack is used to load products from the Texas Natural Plant onto railroad cars to be shipped on a new Santa Fe Railway spur extended from Maryneal. The employees, left to right, are Bud Fulkerson, plant superintendent; L. R. Hatfield and E. B. Willbanks. (Record Staff Photo).

## City, Schools To Send Participants

A conference between representatives from city, school and at least two community agencies is planned within the next few days to advance plans for a community recreation center and program.

The special meeting was planned after trustees of Colorado Independent School District expressed interest in the proposed recreation project.

Participating in the conference will be representatives from City Hall and the school board, officials from Mitchell County United Fund and the Chamber of Commerce civic improvements committee.

It is the civic committee that has conducted three meetings and appeared before City Council and school trustees during the last seven days to initiate the recreation center project.

Interest in the community-wide program was expressed by school board members at a meeting Friday night between four members of the board—Supt. Ed Williams and the civic committee.

At that time—W. R. (Jinks) Powell said school trustees would give serious consideration to the proposed program.

However, he explained that more details were needed for the board to study.

Dr. R. D. Bridgford, representing the civic committee, told the trustees—Powell, Johnny Moore, Warren Costin and Thurston Smith—that plans have been proposed for acquiring the Shell Pipe Line office facilities on E. 10th St. and converting the air-conditioned building into a recreation center and headquarters for a year-around youth recreation program that would be carried out with the aid of park and school playground and gym facilities.

Assistance from the city, school board and United Fund has been proposed, he said, to provide finances for obtaining the property, hiring trained personnel to operate the center and conduct the program and paying the operating budget.

Representatives of the Chamber committee emphasized that cooperative assistance had been proposed because the project is

Under terms of the contract proposed by Snetthen the property owner would pay the cost for installing the water and sewer facilities, but would be repaid the amount as houses are built in the area.

Total cost for extending water and sewer to the 32-lot area, according to the city manager, will be about \$4,118. That includes six-inch and two-inch pipe and 380 feet of sewer line.

Cost of the original installation—\$4,118—would be prorated over all the lots in the addition, according to terms of the proposed contract.

Repayment would be made to the developer as residences are connected to water and sewer lines with a prorated amount repaid for each house.

If two-thirds of the area is developed, then the remaining portion of the cost would be repaid in a lump sum.

The proposed contract was approved by City Council Monday night with a five-year limit. Only change suggested by council was to make the prorated repayments on the basis of all lots in the addition instead of 21—approximately two-thirds.

## Selcraig Named To Baptists' State Post

Rev. Jack Selcraig has been appointed to the appropriations committee of the executive board, Baptist General Convention of Texas.

The First Baptist Church pastor is one of seven ministers and laymen selected for the committee from a wide area of the state.

Other committee members are Dr. John M. Wright, pastor of First Baptist Church in Port Arthur, chairman; A. C. Anderson, layman of Mt. Pleasant; Rev. Lloyd M. Chapman, pastor of Martin's First Baptist Church; V. S. Marett, Gonzales layman; Rev. Daroff Morgan, Sulphur Springs; First Baptist pastor; and Rev. Levi Price, pastor of Monahan's First Baptist Church.

The appropriations committee is responsible for recommending expenditures of general and direction mission and promotion funds for the convention.

"The convention's 3,264 churches rely heavily upon this committee's recommendations," according to Dr. Arthur B. Rutledge of Dallas, chairman of the executive board, "for division of funds appropriated for missionary work in Texas.

"This year those appropriations will amount to \$1,750,000 out of a nine million dollar cooperative program missions budget."

## City Employees Attend Surface Water Course

Four municipal employees are attending a two-week course in surface water production in Big Spring.

They are Bill Oyler, water superintendent; I. M. Austin, filter plant operator; Jack Wagner and Buford Rich.

The course, sponsored by State Health Department, is being taught by Leon R. Holbert, engineer with Texas A&M Extension Department. Taste and odor control in water supply is one phase of the 20 hour course.

The group will complete the schooling, scheduled for city staffs in this area, Thursday.

## Developers Contract Okayed for Addition

A developer's contract for extending water and sanitary sewers to a 32-lot residential area has the approval of city officials.

The water and sewer extension has been okayed for Park Place Addition between E. Eighth and E. 10th streets.

City manager Rollin K. Snetthen proposed the developer's contract after D. D. Myers requested that water and sewer facilities be furnished for the undeveloped area.

The city manager said he expects to know within the next few days whether the city's proposed terms for water and sewer extension are accepted by the property owner.

Under terms of the contract proposed by Snetthen the property owner would pay the cost for installing the water and sewer facilities, but would be repaid the amount as houses are built in the area.

## Rev. McDonald Succumbs to Long Illness

Rev. Otto Dallas McDonald, 68, died Thursday in a Big Spring hospital following a lengthy illness.

Rev. McDonald was a retired Methodist minister who had lived here since 1951.

Funeral services were held Saturday at 2:30 p.m. in First Methodist Church. Officiating was Rev. Jack Ellzey, pastor, assisted by Rev. U. S. Sherrell of Lorenzo and Rev. A. B. Armstrong of Clyde.

Burial was in the Colorado City Cemetery.

Rev. McDonald was born May 23, 1887 in Troy, H. married Rutilla Mitchell in Abilene, Sept. 30, 1915.

He had served pastorates in Newlin, Venus, Granbury, Roaring Springs and in a number of other Texas towns. He had been active in Masonic work for many years.

Survivors include his wife; two brothers, Marsh McDonald of Marshall and Walter McDonald of Oakland, Calif.; three sisters, Mrs. Verlee Warner of Marshall, Mrs. Gladys King of Los Angeles, Calif. and Mrs. Ila Wheeler of Lubbock.

## FOR NEW RECRUITS

## Battery Schedules One-Day Campaign

Colorado City's National Guard Battery C will stage a one-day recruiting drive here Wednesday.

The drive will be part of a statewide campaign by the 49th (Lone Star) Armored Division for 300 new recruits.

Battery C is a unit of the division's 68th Armored Field Artillery Battalion.

The recruiting campaign is being scheduled the same day of George Washington's birthday observance. Washington, the nation's first commander-in-chief, inspired the militia system known today as the National Guard.

Mayor Trevor Crawford in a special proclamation urged citizens to support whole heartedly the one-day recruiting drive. Crawford emphasized that the National Guard deserves support because it serves both as an efficient and economical part of national defense and as a valuable relief force in time of natural disasters such as floods, fires and storms.

Lt. Forrest D. Yancy, Battery C commander, said the recruiting campaign will be aimed at youths between the ages of 17 and 18 and a half years of age.

"These young men," Yancy said, "are eligible for deferment from active duty training providing they maintain satisfactory service in their National Guard units.

## County Gains Trio Of Oilers, Offset

Completion of three wells and staking of an offset drilling site to a lone Clear Fork producer highlighted Mitchell County oil activity during the week.

The new oilers were finished in the Westbrook and Sharon Ridge-1700 fields.

Adding to Westbrook Field production were Norma Producing Company No. 4 Morrison and Standard Oil Company No. 3 Bond. Completed in Sharon Ridge Field was Stanley Oil Company No. 3 Mills.

Spotted as a north offset to Duncan Drilling Company No. 1 Turner-Gregory, lone producer in Ridge-1700 fields.

Discovery well for the field, No. 1 Turner-Gregory, was completed last Jan. 10 with daily pumping potential of 76.18 barrels of 25 gravity oil, plus five per cent water, from perforations between 2,668 and 2,750 feet.

Norma No. 4 Morrison, one of two Westbrook completions during the week, was finished for daily potential of 217.17 barrels of 26.4 gravity oil, plus two per cent water, after fracturing with 12,000 gallons of oil and 18,000 pounds of sand.

Production was from perforations between 2,668 and 2,750 feet.

## BULLETS HIT VICTIM TWICE

## Wife Charged in Shooting of Woman Here Friday Afternoon

A 23-year old woman faced assault to murder charge here Saturday as another woman, Jerline (Tiger Jim) Brown, 30, was in serious condition at Root Memorial Hospital with pistol wounds.

Charged was Mrs. Dorothy Russell, 23, wife of Nolan Russell, who gave herself up to Police Chief Leon Yeager a few minutes after the shooting Friday afternoon.

The shooting took place about 4 p.m. at the Russell house, located on Front St. in the city's Negro area just north of the city warehouse and east of State Highway 101 (to Sterling City).

"Tiger Jim," as the victim is known in the community, was shot as she entered the Russell house. She lives in the "Sands," area of mostly Latin-American residences in the city's northwest area.

She was struck twice in the body by bullets from a .380 automatic pistol.

County Attorney Frank Ginzler filed the assault with intent to murder charge against Mrs. Russell Saturday morning after written statements were taken from her, the husband and a witness, Bobbie Hart.

A charge of unlawfully carrying a pistol also was filed Saturday against the husband, Nolan Russell.

The pistol carrying charge, however, was in connection with an incident about 4 a.m. Friday in the "Sands," according to the county attorney.

Chief Yeager said Mrs. Russell surrendered to him shortly after 4 p.m. Friday at the intersection of E. Third and Elm St.

"I just shot Tiger Jim," the police chief quoted the woman as she came to his police car.

She said she didn't know whether the victim was dead.

Yeager and the woman then rushed to the shooting scene. An ambulance already had been summoned and Deputy Sheriff Bass Hines joined the investigation.

Investigators said statements by the husband and the witness, Bobbie Hart, substantiated Mrs. Russell's version of the shooting.

The Russells were inside their residence when "Tiger Jim," accompanied by Bobbie Hart, knocked at the door.

Mrs. Russell told officers she instructed the woman not to enter the house. And she claimed "Tiger Jim" replied:

"I'm coming in anyway."

Mrs. Russell told investigators she then reached into a dresser drawer for a pistol.

One shot from the automatic was fired before the pistol was removed from the drawer, according to Yeager, as "Tiger Jim" entered the room.

Another bullet struck "Tiger Jim" under the right breast and left her body near the hip. A third bullet entered the victim's body in middle of the stomach and emerged at the left side.

Both the Russells and the Hart woman ran from the scene immediately after the shooting, according to police.

The husband, who had returned to Colorado City Thursday night from the Odessa-Midland area, ran to a service station to phone for an ambulance. A person at the station put the call through, he said.

A crowd had gathered at the See AFTERNOON Pg. 7

## Local Kiwanis Leads Division

Latest report of Kiwanis Division 22 shows Colorado City Kiwanians leading all other clubs in the division.

The report was for month of December and lists the local Kiwanis Club with a score of 90, an increase of one over the previous month.

In addition to leading in total score, the local organization tied with Big Spring for tops in activity score, tied for the lead in records and reports, tied with Snyder in attendance leadership and trailed only Midland in membership.

Behind Colorado City in total score were Snyder, Lamesa, Odessa, Big Spring, Midland and Brownfield.

## APRIL 3 ELECTION

## Three Places Open In Council Voting

Three council places will be at stake in the annual city election here April 3.

Councilmen whose terms expire this spring are Mayor Trevor Crawford, Jeff Taylor and Sie Hamm, who was appointed in January to fill the unexpired term of Walter Grubbs, resigned.

City Council Monday night appointed Roy E. Warren as judge for the election and named Mrs. R. B. Baker and Mrs. Roy Porter as election clerks.

Candidates for the council places must file request for ballot places not later than 30 days before the election date.

In last year's municipal election Councilmen R. B. Baker, L. J. Taylor, O. L. (Doc) Simpson and Lawrence Ruddick were

renamed to the council without opposition. Only 57 ballots were cast.

Council in additional business Monday night approved a sprinkler installation for the parkway at E. 12th and Austin, a beautification project of Colorado City Garden Club.

City Manager Rollin K. Snetthen told council the installation of the sprinkler system—including additional pipe and larger water tap and labor—would cost the water department about \$67.

Garden Club members requested the sprinkler system so that permanent shrubs and other plants could be planted there.

During the last summer the club planted and watered flowers in the 3,000 square foot area.

## Sure Sign of Spring

## LONE STAR FARMER

# Caution Advised For Plant Peddlers

By JOHN WHITE, Agriculture Commissioner.

This is about the time of year when a plant enthusiast's thumb turns a bright shade of green, making the season ripe for the annual crop of unscrupulous nursery stock salesmen.

In previous years, many Texas housewives have been "victimized" by door-to-door nursery stock peddlers with misrepresented merchandise and high-pressure sales tactics. While there are many reliable door-to-door salesmen in the nursery business, it is advisable to buy from such sources with caution, and if a contract purchase is recommended, read it well before signing.

The "shyster" plant salesman usually paints a rosy picture of beautiful landscapes with no money down, or a payment on delivery plan. The person who signs such an order may find himself bound to a non-cancellable contract loaded with fine print. And the plants which arrive in the mail may be a far cry from those shown in the salesman's glossy color print examples.

One good thing to remember in planning your spring planting is to buy plants which are native to, or grow best in, your native soil. Locally-grown nursery stock is most likely to prove successful.

Also, there's no such thing as bargain basement prices on good quality nursery stock. Prices may be high this year on some of our better decorative plants due to cold weather cutbacks. But, by careful budgeting and wise selection, good, hardy ornamentals can be found.

Most firms pushing doubtful nursery stock operate just barely within the law. Misrepresentation is hard to prove, so a few precautionary measures may prevent being "taken in" by unscrupulous promoters.

1. Check all door-to-door salesmen's standing with the Better Business Bureau nearest you before making a purchase.

2. Compare the salesman's prices with a local nurseryman on stock of similar age and size.

3. By all means, do not sign anything without careful examination.

4. Report any case of fraud or misrepresentation to the Better Business Bureau and the Texas Department of Agriculture immediately.

## DESPITE DROP IN FARM INCOME

# Cost-Price Squeeze Plus Investments by Non-Farmers Keep State Farm Values High

Factors other than farm income have been keeping farm land values high during the past two years.

In the past, according to John G. McHaney, extension economist, the value of farm land and buildings has risen when farm income rose and dropped when farm income declined, showing a definite relation between the two.

Since 1953, contrary to the usual pattern, farm land values have slowly and steadily risen to a new record-high peak, despite declining farm income. U. S. Department of Agriculture figures, based on regular reports from 16,000 farmers and 10,000 real estate reporters, show this to be a nation-wide trend.

McHaney cites these important developments as probable causes for this unexpected strength in land values:

Farmers themselves are strong bidders for additional land to enlarge their farms. Caught in a cost-price squeeze, many farmers see increased use of machinery and more land as a means of increasing their production efficiency.

Too, credit to finance farm purchases has become more readily available. Several large lenders reduced interest rates and raised appraised values for loan purposes in 1954, and a booming nonfarm economy has encouraged investment in farm land by urban people.

Despite the influence of these three factors on land values during the past few years, the specialist believes that over the years farm land values will depend, as they have in the past, upon the general level of farm earnings.

Some current investments in farm land may be inspired by the expectation that it will develop "scarcity" value as our population continues to increase. McHaney discounts this possibility on the basis that technical advances in prospect for agricul-

The University of Texas Board of Regents announced that prospecting and leasing for production of minerals other than oil, gas, sulphur and potash will be permitted on West Texas endowment lands of the Permanent University Fund.

Procedures and requirements will be outlined in a bulletin to be published about April 1. The bulletin may be obtained from the geologist in charge of University lands, whose office is in Midland.

No applications for prospecting permits will be accepted before issuance of the bulletin and no applications for lease will be accepted prior to July 1.

Ninety day prospecting permits will be issued for a \$500 fee. Applications for mineral leases will be received on completion of an exploratory survey. Lease will be issued on the basis of bonus, royalty, annual rental and a performance requirement.

Bonus will be \$55 per acre and rental \$1 per acre per year. Royalties will be based on the market value of production, ranging from 5 per cent on ores or minerals with a market value of \$10 per ton or less to 30 per cent on a market value in excess of \$60 per ton.

Minimum size of a lease will be 80 acres and maximum size will be one section or its equivalent. Performance requirements will conform to "good mining practice."

The 4-H club program is directed by the Agricultural Extension Services of the Land Grant Colleges of the United States in cooperation with the U. S. Department of Agriculture.

Locally, 4-H programs and activities, are directed by the county agricultural agents and home demonstration agents with valuable assistance from both adult and junior 4-H leaders.

by Truman Black, Manager

### MIGHTY MITE

In the telephone business, we must look beyond tomorrow and into the future for new ways to improve service. And the Bell Transistor, a new electronic gadget, is one of the most exciting developments in many a day.  
It's so new that it was an unknown word in my vocabulary not so long ago. But the Bell Transistor is in actual telephone operation already in a few places, helping Long Distance operators to dial direct to distant cities.  
Invented by telephone scientists, the Bell Transistor— which consists of a tiny piece of metal sprouting a couple of hair-thin wires—is the first practical replacement for many present vacuum tubes. But it can do many things that a vacuum tube cannot do and takes far less power to do it. It can, for example, amplify sound waves one million times their original strength—Transistors won't get hot, won't burn out, and have a life expectancy of 50 years.  
Tiny transistors—an ordinary thimble will hold seven—are also helping modernize the communications equipment field. They are being used in radio and television sets, hearing aids, military equipment, and in many other electronic devices.  
The telephone company is proud of its mighty mite. With good reason. More than anything else, the Bell Transistor represents another step forward in a continuing effort to bring you the best telephone service possible.

### CALL BY NUMBER

You know, there are a number of expressions which used to be just "telephone lingo" but have now become familiar terms to everyone who uses the telephone.  
First came "Long Distance" which people learned to associate with calls to other towns. Now you've adopted "Call by Number" as a familiar term. That's good news for us and for you, too.  
By placing your calls by number whenever you make a Long Distance call, you're really saving time. Call go through twice as fast. Talking about Long Distance, anytime is a good time to call your family or friends just to keep in touch. Why reserve Long Distance calls for holidays or special occasions. Make Long Distance a habit at your house—it's the most personal way to keep in touch.  
How about calling tonight? Remember: Rates are lower after 6 p.m., and all day Sunday.

Four Colorado High Students Participate in All-State Choir

Four students of Colorado High School last week end sang in an All-State Choir at the Texas Music Educators convention in Dallas.

They were Nell Webb, Sandra Bobo, Jenny Lynn Massad and Joe Ed Underwood.

The group was among 32 participants chosen from the local region bordered by Colorado City, Mineral Wells, Munday and Junction.

The choir consists of the 284 best voices in all schools in the state, according to Curtis L. Baker, high school music director. Choir clinician was Peter J. Wilhousky, an arranger, conductor and director of New York City. Enrollments in high school this

week include four sophomores—Donald Davis from Odessa, Nelson Layfield from Snyder, Nancy Patterson from Hamlin and Edna Massingill from Rung.

Dates of District contests for the choral and instrumental organizations of CHS were announced this week by Baker. The choral group will be in Abilene March 23 for their contest.

The Wolf Band will participate in the annual contest April 29-28 in Abilene.

The Brownwood High School choir, directed by Miss Dorothy McIntosh, will present a concert at the high school March 2-2 at 2:45 p.m. A concert by the Cisco Junior

choir is also scheduled for a high school assembly program in March.

Mona Billings, president of the local Future Teachers Association, has been selected to serve as chairman of a panel at the Texas FTA meeting March 23 in Denton.

Assistant chairman of the panel is Juanell Bynum. The panel will consist of high school FTA members from schools all over the state.

Future homemakers began a series of cookie sales at high school.

Cookies, being made each week by homemaking girls in the home economics department, will be on sale between classes each Friday. Proceeds from the sale will help to send two delegates to the state FHA convention in April.

IN ALL-STATE CHOIR — Participating in an all-state choir last week end at the annual Texas Music Educators Convention in Dallas were, left to right, Nell Webb, Sandra Bobo, Jenny Lynn Massad and Joe Ed Underwood. FOR HESPERIANS

Russia is Topic Of Club Program

Discussion topic for the Hesperian Study Club last week in the home of Mrs. C. E. Cogswell was "Russia".

Presenting the program were Mrs. J. W. Watson and Mrs. G. A. Horton. Program leader was Mrs. F. N. Thomas.

Mrs. Watson reviewed reports of four young American students who recently were permitted to tour Russia.

The four students—training for diplomatic service—were granted permission to go anywhere they wished unchaperoned. They visit-

ed Moscow University, talked with groups of young people about their own age and answered questions asked them by Russian youths.

In answering the question, "Is Russia planning to communize the world by a new kind of aggression?" Mrs. Horton quoted five general statements of William O. Douglas, associate justice of United States Supreme Court.

His statements were as follows:

(1) The Russian people want peace.

(2) Russian officials are sincerely anxious to avoid war.

(3) The ultimate aims of communism have not changed.

(4) Russia has moved into a position of increased strength in Asia and Europe as a result of its change in policies.

(5) Peaceful coexistence will involve a degree of political competition which to date we have never experienced in international affairs.

In reviewing Russia today, Mrs. Horton explained consumer goods, its housing problems, industrial power, agriculture, education, sports and economy.

Reporting for the General Federation of Women's Club, Mrs. J. D. White said that 12 states have passed laws prohibiting sale of crime comics and four more are working on laws. Mrs. Raymond Perdue, civil defense chairman, briefly reviewed the organization of a civil defense program in another town.

After the program salad plates were served to Mrs. Arthur Barry, Mrs. Lynn Halbert, Mrs. J. E. Hale, Mrs. Horton, Mrs. J. F. Jones, Mrs. E. M. Majors, Mrs. Perdue, Mrs. Bennett Scott, Mrs. V. V. Shropshire, Mrs. Thomas, Mrs. Watson, Mrs. White, Mrs. E. H. Winn, Mrs. O. F. Jones and Mrs. Cogswell.

Eighth Grade Class to Present Play

The 8-E speech class of Colorado Junior High School is to present a one-act comedy Wednesday afternoon at 2 p.m. in the school auditorium.

The play, "Shock of His Life", was written by Donald Payton and is directed by Mrs. Arnel Smith, speech instructor.

Announcer will be Anna Lee Root.

It is the story of Wilbur, an atomic teenager, who has a knack for being misunderstood. Wilbur is played by Bobby Joe Phillips.

Other characters are Jay Allen as Mr. Maxwell; Betty Bearden as Mrs. Maxwell; Lynda Jones as Connie, Wilbur's 17-year-old sister; Ann Pierce as Betty Lou, his 15-year-old sister, and Joe Scott as Hercules, Wilbur's friend.

Play begins as Mr. Maxwell arrives home from his yearly physical check up feeling fine until he reads telephone messages made by his 13-year-old son, Wilbur.

Mrs. Wakefield Presents Devotion

Devotion for the Myrtle Barber Ware Circle of the First Baptist Church Monday afternoon was directed by Mrs. Charles Wakefield.

Scene of the regular meeting was the home of Mrs. E. Barber.

Mrs. Newt Miller led the opening prayer, Mrs. E. L. Henderson was elected Bible teacher to fill a vacancy created this week by the resignation of Mrs. Roy Rhodes, who moved to Anson.

Mrs. Clarence Peck taught the mission study from the book, "The Tribes Go Up".

Guest for the afternoon was a daughter of the hostess, Mrs. Herman Salley.

Refreshments of pecan cake squares, valentine candies, coffee and tea were served after the meeting.

Members attending were Mrs. Paek, Mrs. Wakefield, Mrs. Chester Hart, Mrs. M. M. Iglehart, Mrs. Sam Bullock, Mrs. Earl Webber, Mrs. J. O. Dockrey, Mrs. Henderson, Mrs. E. L. Tiller, Mrs. Mary Lynch, Mrs. Miller and Mrs. Barber.

Mrs. Bullock will be hostess for the next meeting.

Mrs. Griffin Is Host To Merry Matrons Club

Mrs. O. I. Griffin Tuesday was hostess to the Merry Matrons "42" Club.

After games refreshments were served to Mrs. George Slaton, Mrs. Ludie Wilson, Mrs. Georgie Phillips, Mrs. Green-DeLaney, Mrs. B. L. Buchanan, Mrs. Hall Jarman, members; and a guest, Mrs. C. B. Martin.

Next meeting will be Feb. 28 in the home of Mrs. F. L. King.

Bridal Shower Fetes Miss Connie Sherman

Miss Connie Sherman, who is to become the bride of Ralph Harris March 4, was honored recently at a shower in the home of Mrs. John Henry.

Co-hostesses for the occasion were Mrs. Henry, Mrs. M. A. Morgan, Mrs. Robert Waugh, Mrs. A. T. Broadwell, Mrs. R. V. Hock, Mrs. A. A. Free, of Colorado City; Mrs. D. L. Matlock of Westbrook and Mrs. B. L. Richards of Loraine.

Guests were greeted by Mrs. Henry who introduced the receiving line composed of Mrs. Oscar Sherman, the honoree's mother; Miss Sherman and Mrs. Loyd Harris, the prospective groom's mother.

The honoree wore an imported Chantilly lace dress over taffeta. Mrs. Sherman was attired in a dress of black taffeta. Mrs. Harris wore a navy blue tulle dress.

Miss Helen Jones of Abilene and Miss Lou Ann McAliley of Comanche presided at the serving table.

A valentine motif in pink and white was carried out in decorations for entertaining rooms.

A large arrangement of pink stock and a miniature bride and groom marked the serving table, which was covered with a white lace cloth over pink.

Appointments were silver and crystal. White napkins were engraved with the betrothed couple's names. White cake squares and pink punch were served. Favors were miniature herats inscribed with the names "Ralph and Connie".

The registry was accented by a small heart, a carnation and a musical bride's book. Recorded music was played during calling hours.

Reykjavik is the only large town in Iceland.

Hutchinson PTA Sets Date for Open House

Plans for open house at the Hutchinson School were begun Wednesday afternoon during a monthly meeting of the Parent-Teacher Association in the school auditorium.

Date for the fete was re-set for March 6 to correspond with the Primary School open house the same evening.

Calling hours at the school will be from 7:30 until 9 p.m. The public is cordially invited to attend the open house which will be one of the activities during Public Schools Week.

Mrs. Ray Noble, president, appointed Mrs. Bob Robinson as chairman of the nominating committee for next year's officers.

Mrs. P. H. Pace, Mrs. Carl Echols and Mrs. William Lan-

dau were appointed to serve with Mrs. Robinson.

The president recognized the day as being Founder's Day.

Room count was won by students of Olson Sweet.

"The Family Assumes Civic Obligations" was topic of program for the meeting. It was presented by students of Mrs. Everett Yelding and Mr. Sweet.

C. B. Underwood led the opening prayer.

Both rooms sang "February". Brenda Bell was announcer for a choral reading by students from Mrs. Yelding's room. Announcer for a play, "Valentine Fashion Parade", presented by Mr. Sweet's room was Lynette Spivey.

## IN FELLOWSHIP HALL

### Mrs. Carlock Named WSCS Secretary

Mrs. Edwin Carlock Monday afternoon was elected as secretary of the Woman's Society of Christian Service of the First Methodist Church.

Mrs. Carlock fills the office which was recently vacated by Mrs. J. C. Garrett.

Mrs. J. S. Craddock Sr., president, presided during the regular monthly meeting in Fellowship Hall. Opening prayer was said by Mrs. J. D. Norman.

The group voted to send clothes to Korea.

Mrs. Craddock read a letter and pamphlet from the Navajo

Indian Reservation near Farmington, N. M., urging the WSCS to write to Congressman George Mahon concerning the Colorado River project.

The project, Mrs. Craddock explained, is to provide money to build necessary dams for irrigation purposes in New Mexico. The group voted to write Mahon.

Mrs. Carlock, secretary of children's work, announced that the junior fellowship of the church had voted to send \$10 a month to Care and to adopt a Korean boy or girl through the organization.

Circle reports were presented by Mrs. Jesse Bradley, Belle Bennett; Mrs. Luke Long, Arnett Wulfjen; Mrs. Carlock, Joyce Hill; Mrs. W. W. Westervelt, Mary-Martha, and Mrs. Dee Basham, Susannah Wesley.

Mrs. John B. Blackman was welcomed as a new WSCS member. Dismissal prayer was by Mrs. W. W. Rhode.

Parents of the prospective groom are Mr. and Mrs. Fred K. Scaife of Tiffin, O.

The couple will exchange wedding vows March 29 in both civil and church rites in Germany. The church ceremony will be in the Hahn U. S. Air Force Base chapel.

They are in honeymoon in Switzerland.

The bride-elect is the granddaughter of the late Mr. and Mrs. J. W. Smith, a pioneer ranching couple who were the first persons to be married in Mitchell County.

Her great-grandfather, the late O. F. Rogers, organized the First Presbyterian Church which is the oldest church in Colorado City.

She was graduated from Colorado High School and Sullins College in Bristol, Va. Miss Ramsdell received her bachelor of science degree from the University of Texas and a master of education degree from the University of Houston.

Before going to Germany last year she taught in Midland High School.

Mrs. Ramsdell, who has been in Germany visiting with the bride-elect since June, plans to return home after Easter.

**Third Grade Students Present PTA Program**

Program for the Primary School Parent-Teacher Association Tuesday afternoon in the school auditorium was presented by third grade students of Mrs. Bill Craig.

An original story, "The Dancing Princesses," written by Mrs. Craig's students was presented. The group also drew and painted their scenery for the presentation.

Speaker for the program was Judy Carter. Principal players were Andrew Rivera, the king; Ronny Shoemaker, Old Soldier; Martha Lambeth, the old woman; Alvie Stephens and Jackie Burkhalter, guards.

Princesses were Lizzie Fowler, Karen Halkins, Martha Putman, Finker Cox, Alicia Hamrick, Eddie Lou Phillips, Mary Ellen Ed

ward, Kathy Hill, Pamela La Fortune, Patsy Smith, Beverly Box, Doyleene Morgan and Judy Carter.

Acting as princes were Mike Mundy, Billy Harris, Larry Johnson, Chris Cooper, Cal Girvin, Billy Laster, Buddy Perry, David Salter, Earnest Davis, John Beasley, Larry Lawless, Stanley Hardecastle and Dick Richardson.

Following the program members of Cub Scout Den 4, Pack 22 presented the pledge of allegiance. Jeff Taylor, cub master, discussed the Boy Scout organization here.

Taylor emphasized the necessity for more mothers to become interested in Boy Scout work.

Mrs. Luther Brashears, president, reported a proposed school ground beautification. PTA members voted to purchase playground equipment and music for the school.

Room count prize was won by students of Mrs. Craig.

A Valentine motif was carried out on the refreshment table.

**Cubs Observe National Boy Scout Week**

Cub Scouts in Den 2, Pack 8 observed National Boy Scout Week with three special meetings.

Cubs hiked to the Looney Community home of their den mother, Mrs. J. A. Martin, last Wednesday where they were honored at a barbecued-weiner supper.

Mr. and Mrs. N. L. Rogers called for boys at 6:30 to return to their homes.

Last Sunday the pack joined Den 2 in attending the First Christian Church where they heard their cub master, Rev. Frank Pickett, speak on "Race Relations". They also went to the First Baptist Church where they saw a home mission movie.

Tuesday afternoon Mrs. Rogers hosted a weiner roast at the Martin home for Den 2. Mrs. Rogers and Mrs. Martin led the group in learning songs and

making place cards for the blue and gold banquet.

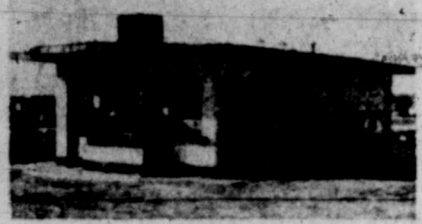

Those attending were Charles Rothwell, den chief; Travis Cawthron, Robert Davis, Ricky Rogers, Winston Smith, Ronnie Rothwell, Phil Ball, Robert Martin, Don Thomas, Dianne Rogers, William Rogers, Mrs. Rogers and Mrs. Martin.

**Church Women List Delegates To Meeting**

Delegates of the All Saints' Episcopal Auxiliary to the convocation in Midland were elected Monday afternoon in Parish House.

Women chosen to represent the local auxiliary at the meeting March 9-11 at the Trinity Episcopal Church were Mrs. Lois Prude Bennett, Mrs. Harry Gary, Mrs. Don Guitart, Mrs. Ronald Services, Mrs. Stewart Cooper and Miss Martha Earnest.

Alternates elected were Mrs. W. R. (Jinks) Powell, Mrs. Viola Erwin and Mrs. Landon Dorn.

Mrs. Anna Mary Morgan, vice president, presided during the monthly business meeting.

Plans for visitation and special study during Lent were made. The local church is to be open for prayer and meditation each Wednesday until Easter.

**Club Studies Asiatic Religions**

"Our Asiatic Neighbors" was topic of program for the afternoon meeting of the Self Culture Club Feb. 10 in the home of Mrs. A. A. Harrington.

Mrs. Charles Wakefield was program leader.

She reported on religion in the land of Confucius. Mrs. Wakefield explained that he was married at the age of 19 and was a store keeper until he was 22. At that time he began teaching.

"Kindness was his main object in life," the speaker said, "and the Golden Rule was his main religion."

In Mrs. R. M. Reed's talk about Hinduism in India, she reviewed the caste system. She said that there were more than three million gods which were worshipped in India.

Cohostess for the afternoon was Mrs. Tom Grant. Opening prayer was led by Mrs. C. P. Gary. Mrs. John Brown and Mrs. Roy Davis Coles reported on the January meeting for the Mitchell County Federation of Women's Club.

Carmel nut cake and coffee were served to Mrs. Brown, Mrs. Coles, Mrs. D. H. Davis, Mrs. Gary, Mrs. J. L. Jones, Mrs. Reed, Mrs. L. J. Taylor, Mrs. Wakefield, Mrs. Willie Whitmore, Mrs. L. A. Keith, Mrs. L. A. Strain, Mrs. Grant and Mrs. Harrington.

scene by the time the ambulance and officers arrived.

At the hospital "Tiger Jim" told the police chief:

"Don't do nothing to that girl. If I live, I'll take care of her."

Investigators said the pistol used in the shooting was brought by Russell—Thursday night, from Odessa. He is alleged to have been in the "Sands" about 4 a.m. Friday brandishing a pistol in an incident that resulted in a charge being filed against him.

County Attorney Ginzal said an investigation was being made Saturday into another angle of the case—the alleged disappearance of money belonging to "Tiger Jim."

The shooting victim told investigators she had about \$50 in cash in a purse she was carrying at the time of the shooting. When the purse was checked after the shooting, only \$1 was inside it, Ginzal said.

Bond for Mrs. Russell was set at \$3,500. Bond for Mr. Russell was set at \$500.

FIRST ROUND OF REGIONAL

Westbrook, 16-B Champions, Play Trent in Sweetwater, Tuesday

Westbrook High's boys basketball team — champions of District 16-B — makes its second consecutive bid for the regional crown when they meet Trent, Tuesday, 7:30 p.m. in Sweetwater Gym.

Coach Herman Parsons' Wildcats cagers — with a 25-1 record this season — are rated an even chance to defeat Trent High.

The game counts as the first round of the regional Class B tournament. If the Wildcats beat Trent, they advance to the second round of the regional at West Texas State College in Canyon, Friday and Saturday.

At Canyon, they would play the winner of the Aspermont-Weinert game. Champion of the regional advances to the state tournament at Austin, March 1-23.

It was Trent High that knocked Westbrook out of the regional last week by the score of 56-41. And the Wildcats will be out to even the count Tuesday at Sweetwater.

Westbrook — loser only to Reagan County High of Big Lake — walked through the District 16-B schedule and whipped Fluvanna twice in the district playoffs.

The second playoff game Thursday night at Fluvanna was a close affair with the Wildcats winning by one point, 26-25.

It marked the seventh time this season the Wildcats have whipped Fluvanna.

Westbrook has had amazing success this season despite losing three starters since the season began.

Early in the season, Curtis Rich, a one-year starter and Bob Curtis, a two-year letterman and high scorer from last season, both dropped out of school.

That was a real blow to coach Parson's plans.

Then about three weeks ago, high scoring 6-2 center Trinidad Rotan with 21.

Rosas moved to another school. But that still didn't stop Westbrook. They continued on to win six more district games without the star center.

Loss of Rosas left Parsons without a tall boy, but didn't seem to dampen the spirit of the other boys.

Parsons now has only two seniors on the starting lineup since
