Contracts Extended

School board members, meeting in regular session Monday evening, unanimously approved new two-year contracts for principals Robert Sivley, Carl McClure and Ray Kinnison and renewed athletic director and head football coach Larry Shackelford's contract for two years.

The three principals and Superintendent Joe Turner were given $100 per month increases in salary supplements.

Dana Duncan, kindergarten teacher, was granted a maternity leave and Janet LaFrance was employed to fill that vacancy.

Board members also approved a change in the grading system. All quarters will be averaged at the end of the school year.

In other action, board members voted to send the auditorium curtains to Texas Scenic Company in San Antonio for cleaning, re-dyeing and flame proofing treatment.

CALLED MEETING

In a called meeting Thursday night, board members approved the employment of Terry Connally as CVAE teacher, replacing Dennis Black, who resigned to manage an antique store in Lubbock.

ALL REGION BAND MEMBERS from Olton High School who will be performing with the elite band are pictured (back row, left to right) Scott Parker, Rob Sivley, Jimmy Kinser, Barbara Leathers and Barry Giles. Middle row, left to right, are Kerry Jones, Gregg Smith, Mike Williams, Tim Franks, Dana Houston and Michelle Boone. Front row, left to right, are Gregg Cannon, Kim Coen, Celia Garcia, Melissa Hair, Tanya Brooks and Cathy Prentice.

Area Men Attend Briefing

DeWayne Brown of Hart and Fred Bruegel Jr. of Dimmitt were the Texans invited to attend breakfast last Friday in the State Dining Room of the White House and a briefing session which followed.

Representatives of some 15 or 16 country elevators across the Nation were asked to attend the event attended by President Jimmy Carter and cabinet members including the Secretaries of State, Commerce, Energy and Agriculture.

Brown said the meeting pertained to the "breakdown of the Iranian-Afghanistan crisis and the grain situation and the steps taken - explaining the embargo."

"We were allowed to ask questions of cabinet members - the President wasn't questioned."

"Of course, the embargo was our concern. The President said he realized the economic sacrifice to agriculture and said he'd do 'everything possible to scatter that sacrifice among the total U.S. population, making minimum sacrifice to each one."

Brown added, "To this date, there's been no announcement of any program to scatter such sacrifice."

"There's no question, the blunt end is on agriculture."

Brown said that four million metric tons of wheat have been isolated and removed from the market for food security purposes. Ten million metric tons of corn, slated for shipment to Russia, were cancelled and as yet, is "unsettled and thus far, definitely not isolated from getting back on the market, thus further depressing local corn prices."

"One million metric tons of soybeans seem to be totally ignored by the USDA," Brown added.

"There's talk in Washington," he said, "of paid diversion program to producers for the 1980 crop year. The diversion will probably be only minimal and not sufficient to secure our immediate problems."

"The gasohol program was announced Friday afternoon while we were in Washington but construction of facilities for the production of gasohol are too distant in the future to aid our immediate market prices."

"There has been an announcement of a raise in the support prices - 10 cents per bushel for corn and 15 cents on wheat - for the 1979 crop. These are only insults to the producer and by no means will this minimal rise in support prices play a part in the correction of problems in the markets."

Brown said he believes "some action definitely needs to be taken to protect the farmer from such a depressed market situation because they are definitely the backbone of American economy."

Brown returned to Washington Tuesday to attend a 10 a.m. meeting Wednesday morning with Dr. Hathaway, Under Secretary of Agriculture.

17 Named 'All-Region'

Seventeen members of the Mustang Band were selected for All-Region Band Saturday. Try-outs were held for the first time ever in Olton. Some 250 students in Class B, A and AA bands in this region participated.

Gregg Smith placed first chair baritone sax. Kerry Jones and Gregg Cannon placed second chair cornet and percussion, respectively.

Others selected to the honor were Michelle Boone, flute; Tanya Brooks, Kim Coen, Celia Garcia and Melissa Hair, clarinets; Dana Houston, bass clarinet; Cathy Prentice, contrabass clarinet; Jimmy Kinser, cornet; Scott Parker and Tim Franks, trombones; Barbara Leathers, baritone; Rob Sivley and Mike Williams, Tuba; and Barry Giles, percussion.

Rehearsals will be Jan. 24-26. The All-Region Concert will be Saturday, Jan. 26 in Monterey High School in Lubbock.

Clinician for the band is James Keene, director of bands, East Texas State University in Commerce.

Dixie Griffin Promoted OSB Assistant Cashier

Olton State Bank announces the promotion of Miss Dixie Griffin as an officer. In their January meeting, the Board of Directors elected her to the position of assistant cashier.

A member of the Olton State Bank staff since August, 1974, Miss Griffin has served as teller and bookkeeper. She has served as executive secretary to the president, Dale Cary, the past two years and will continue in that capacity.

Miss Griffin was reared in the Olton community, the daughter of Mrs. Cecil Griffin and the late Mr. Griffin. She graduated from Olton High School in 1970 and attended South Plains College in Levelland and also Texas Tech University.

She is a member of Alpha Rho Delta chapter of Beta Sigma Phi.

DIXIE GRIFFIN

Representative Bill Clayton Announces Re-Election Bid

State Rep. Bill Clayton of Springlake said today that he will seek re-election to the District 74 seat he now holds in the Texas House of Representatives.

The district includes Bailey, Castro, Cochran, Deaf Smith, Lamb, Oldham and Parmer Counties.

In making the announcement, Clayton said it has been a distinct honor to serve the people of this district the past several years.

As a member of the House of Representatives, Clayton has established a historical first by serving three consecutive terms as Speaker of the House.

"Serving as state representative for District 74 and as Speaker of the House of Representatives, I have worked double duty at addressing the needs of the citizens of this area in their dealings with government.

"I have attempted to maintain a direct line of communication with all the people of our seven counties and as a result a great many of the problems we have faced have been resolved.

"We have been successful in dealing with short-term problems of energy for agriculture, in helping with improvement of our roads and highways, with providing tax relief for both homeowners and farmers and ranchers, and providing an economic climate that is inducive to bringing new business and industry to Texas."

"In the upcoming session of the Legislature it is imperative that through redistricting we see that the strong voice of our area is not diminished in Congress, the State Senate and the House of Representatives," Clayton said.

Clayton added that he intended to continue every effort possible to keep him in daily contact with all areas of the district.

BILL CLAYTON

Bill Sarpalius Announces Candidacy For Senate Post

Hereford's Bill Sarpalius has authorized The Olton Enterprise to announce his candidacy for state senator, District 31, subject to the May Democratic Primary.

Sarpalius lived at Cal Farley's Boys Ranch for seven years and after graduating in 1967 he attended Clarendon Junior College. In 1968 he was elected State President of the Future Farmers of America and traveled over 76,000 miles in the State of Texas representing the 50,000 members of the FFA.

During this time he spoke to approximately 140,000 people. After serving as President of the FFA Bill was married and returned to Clarendon College and graduated in May of 1970.

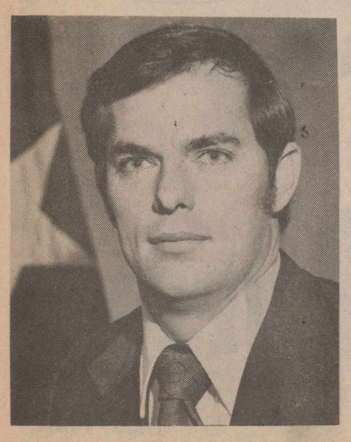

He was President of Student Body at Clarendon College, received Who's Who in American Junior Colleges, and served as Chairman of the Youth Advisory Committee to the Selective Service, being appointed by the Governor. Bill graduated from Texas Tech University in 1972 with a degree in Agriculture Education.

In 1972 Bill was selected as an Outstanding Young Man of America and went to work for Cal Farley's Boys Ranch where he worked for two years as Assistant Director of Admissions and taught vocational agriculture in high school at the Ranch for three years.

In May of 1978 Bill received his Master's of Agriculture Degree from West Texas State University. Bill worked as Assistant to Bill Clayton, Speaker of the House of Representatives, for more than two years.

While working for Bill Clayton he traveled throughout the seven-county district and helped people with problems or who needed advice about state government operations as well as helping with community problems. In addition to helping people with their problems, Bill worked with the Speaker during the legislative sessions.

Bill is currently employed as Field Representative for Center Plains Industries, Inc., and has one son named David.

BILL SARPALIUS

Appreciation Dinner To Fete Clayton

A great number of people from throughout the seven counties of the 74th Legislative District are involved in planning and carrying out five appreciation events honoring Representative Bill Clayton of Springlake.

The first Appreciation Dinner will be Saturday, Jan. 19, in Dimmitt at the Exposition Building and a crowd from

Continued to page 4

Jack Young Seeks Re-Election To Post

Jack Young has announced that he will seek re-election as District Attorney of the 154th Judicial District of Texas, which is composed of Lamb, Bailey and Parmer Counties.

Mr. Young said, "I would like to take this means and opportunity to announce my candidacy for re-election as District Attorney for the 154th Judicial District of Texas. I appreciate the confidence that the people of Lamb, Bailey and Parmer Counties have shown me in the past by electing me their District Attorney, and pledge my continued effort in the fight for law and order."

Jack Young is a candidate in the Democratic Primary to be held May 3, 1980.

Gasohol Seminar Set

Olton Young Farmers are sponsoring a local community "mini-seminar" on gasohol. It will be held in the Olton Ag Center Thursday night, Jan. 24 at 7 p.m.

Joe Cook, a farmer from Paducah, will speak on the alcohol from grain production. Cook has built his own still and has experimented with different types of grain combination inputs. He has been mixing alcohol and gas in a 50/50 mixture and using it in his pickup.

Young Farmers invite everyone in the area to attend and hear Cook speak and answer questions on the subject. Refreshments will be served following the meeting.

Methodist Revival Begins Sunday

Bill and Melanie Beachy, full time music evangelists, will direct revival services at First United Methodist Church Sunday, Jan. 27 through Wednesday, Jan. 30.

Sunday's services are scheduled for the regular worship hours at 11 a.m. and 6 p.m. Weekday services include the congregation's traditional 7 a.m. breakfast-devotion time and 7:30 p.m. worship.

Some of the music featured in the revival series will be original and other numbers will feature contemporary Christian music by composers such as Bill Gaither and Dallas Holm.

The Beachys also devote a special part of each service to the appeal of children and offer a story time with "Dilly Downs", a talking duck.

They have an evangelistic association called "Rainbow Ministries, Incorporated" with headquarters in Abilene and have released an album titled "Rainbow Colored Love."

Mrs. Beachy is the daughter of Rev. Bruce Parks, minister of First United Methodist Church of Tulia. Beachy is a native of Plain City, Ohio.

They met at McMurry College where both were graduated, he with a music degree and Mrs. Beachy with a degree in English and physical education.

Beachy pastored Wylie United Methodist Church in Abilene and St. John's United Methodist Church in Plainview. He served one year as associate pastor of First United Methodist Church in Abilene.

Mrs. Beachy taught English and coached basketball and track at Eula and taught English last year at a private school in Nashville, Tenn. While they were there, they felt a calling to go into evangelistic work and returned to Texas to begin that work. They have traveled to Ohio and Kansas and throughout Texas with their ministry.

The Rev. Olin Cosby, pastor, invites everyone in the community to attend.

BILL & MELANIE BEACHY

MR. AND MRS. STEVE JOHNSON

Donice Quigley-Steve Johnson Exchange Twin Ring Vows

Wedding Vows were recited recently in First Methodist Church for Miss Donice Quigley and Steve Johnson.

Officiating was Dr. Travis Hart, minister of First Baptist Church. The double ring vows were pledged before an altar decorated with white candles in an arch candelabra and flanking spiral candelabra entwined with pittesporum, baby's breath, leather leaf and emerald greenery. At the center was an arrangement of burgundy and rose carnations with baby's breath. White potted mums completed the altar decor. Pews were marked with burgundy carnations, baby's breath and leather leaf with big white satin bows.

Nuptial selections were presented by Mrs. Mark Hodges, organist, and Mrs. Dewey Hukill, pianist. Mrs. Hodges sang "Evergreen," accompanied by Mrs. Hukill. Mark Hodges sang the "Wedding Prayer."

Parents of the couple are Mr. and Mrs. Dan Quigley and Mary Johnson of Plainview and Ershel Johnson.

Given in marriage by her father, the bride wore a candlelight gown of qiana and Venise lace fashioned with moulded bodice featuring a Queen Anne neckline adorned with lace and enhanced with seed pearls. The long fitted sleeves were detailed with Venise lace insets. Flowing from the fitted waistline, the A-line skirt featured a vertical insert of accordian pleats in the center front and swept to back fullness forming a chapel train.

Her waltz length mantilla veil was accented with Venise lace. She carried a cascade of cymbidium orchids, white daisies, ivory and rose carnations with accents of baby's breath and white satin streamers.

Judy Quigley was her sister's maid of honor. Bridesmaids were Mrs. Mark Gunter, sister of the bridegroom, and Vonda Roden of Electra, niece of the groom. They wore formal dresses of rose qiana styled with fitted bodices and accordian pleated skirts with matching jackets. They carried nosegays of ivory and rose colored carnations with baby's breath surrounding a burgundy rose.

Mark Gunter, brother-in-law of the groom, was best man.Groomsmen were Darryl Quigley, brother of the bride, and Brad Kelley. Guests were seated by Martin Brown, cousin of the bride, and Brad Bridges brother-in-law of the bride.

The groom wore a candlelight tuxedo. Groomsmen and ushers wore burgundy colored tuxedos with candlelight shirts.

Candles were lighted by Vicki Roden of Electra and Stan Burleson of Sweetwater, niece and nephew of the groom. Jeremy Roden of Electra was ring bearer. Guests were registered by Mrs. Brad Bridges, sister of the bride.

A reception was held in fellowship hall. The bride's table was draped with a floor length cloth of white satin and centered with an arrangement of rose and burgundy carnations, white daisies, baby's breath and leather leaf.

The three-tiered wedding cake was accented with burgundy roses and topped with three large wedding bells. Rose colored fruit punch was served. Presiding at the table were Misses Pam Nafzger, Nancy Britton, Mary Lee Smyth, Lisa Brimhall and Sherri Hutson.

Members of the houseparty were Mmes. Joe Harrell, Willie Green and A.J. Spain.

Following a honeymoon in Florida, the couple is at home at 5520 58th St., Lubbock. Both bride and groom are students at Texas Tech University.

Special guests attending were Mmes. Ben Quigley of Hinton, Okla. and Ruby Brown, grandmothers of the bride and Mmes. LaDell Evans of Plainview and Mrs. Annie Johnson, grandmothers of the groom.

Day Lilies Are Described For Garden Club Members

Mrs. B.C. Cooner shared devotional thoughts Thursday when Olton Garden Club met in Women's Clubhouse. Citing scripture from Genesis, she "welcomed" the new year. She said January was named for a mythical Roman god, Janus, who had two faces with one turned back to see "where going had trod."

The program was on day lilies, the club's chosen flower. There are 12 basic varieties of day lilies. They have been propagated in almost every color and hue.

Day lilies get their name from a trait of the flower, that its blooms last only one day. Some day lilies bloom early in spring and are short lived. Some bloom in both spring and fall. Mmes. Juanita Adams and Lester O. Kennedy showed color slides obtained from the State Garden Club in Fort Worth.

Members participated in a "Show and Tell About a Pot Plant."

Mrs. Tom Smith showed a hoya plant; Mrs. A.D. Melton, pin cushion cacti; Mrs. Jack Allcorn, grape ivy; Mrs. Pearl Schreier, beaver tail cacti; Mrs. M.G. Fisher, green ivy and Mrs. L.G. Elkins, especia.

Mmes. Smith, Schreier and Elkins were named to a committee to determine a site and to recommend a variety of tree or shrub for the club's annual arbor day project. In past years, club members have planted a tree at the post office, shrubs at the city historical marker, roses at the cemetery, bulbs at Granbery Park and a tree in Granbery Park dedicated to the late Stella Cowart. Refreshments of chocolate pie and cake, coffee and orange punch were served.

Others attending were Mmes. LeaBelle Hooper, Della Hackler, Maude Lambright, V.Y. Jefferies, Raymon Carson and Doyle Pinson.

Next meeting of the club is Feb. 14 with devotional by Mrs. Schreier. The program, "This and That", will be presented by Mmes. Cue Giles, Jack Snider and Jefferies. Mrs. Carson will provide the arrangement and roll call will be "a birth month flower."

Senior Citizen Meeting Held

Olton Area senior citizens held a regular meeting Thursday night at the agriculture building.

A sing-song was led by Basil Sherman with Mrs. Sherman at piano. Table games were played, and birthday greetings were sung to Sherman. Cookies, coffee and tea were served.

The fourth meeting of the month, Jan. 24, will be a luncheon hosted by Alpha Rho Delta Sorority. Bingo will be played during the afternoon. Prizes for the game will be appreciated, according to Mrs. Tom Smith, sponsor.

Demonstration Held At Club Meet

Olton Extension Homemakers met Tuesday afternoon in the agriculture building. Mrs. Malcolm Ogletree was hostess.

Mrs. Melvin Souter presented devotional thoughts. Roll can was answered with "One important thing I hope to accomplish in 1980."

Program of the day was hobby sharing time. Mrs. Ogletree showed how to make place mats from dish cloths. Mrs. Leona Martin demonstrated how to make alligators from felt and rings from pop top cans.

Plans were made for Friendship Day Jan. 28 in Littlefield. Held in the Willie Room, the meeting will begin at 10 a.m.

Attending were Mmes. Souter, Martin, Ray Gabehart, Ordie Gentry, J.E. Huckabee, Alva Kersh and Miss Theo Hackler.

Next meeting will be Feb. 4 in the community room.

There are about 300 species of holly shrubs and trees throughout the world.

Out of town guests were Mr. and Mrs. Steve Burleson of Sweetwater; Mr. and Mrs. Sam Roden of Electra; Mr. and Mrs. Banard of Albuquerque, N.M.; Mr. and Mrs. Melvin Schwab of Plainview; Robert Quigley and Mark Quigley of Oklahoma City, Okla.; Mary DeSpain of Hinton, Okla. and Janet Merg of Canute, Okla.

MRS. DAVID NEINAST

Miss Knox & Mr. Neinast Pledge Vows In Littlefield

A double ring ceremony in the chapel of First Baptist Church of Littlefield recently united in marriage Miss Donna Jo Knox and David Neinast. The Rev. Charles Broadhurst directed vows.

The bride is the daughter of Mr. and Mrs. Garvin Knox, Littlefield. Mr. and Mrs. Wesley Neinast are parents of the groom.

Centering the altar area was a white wrought iron archway entwined with greenery and baby's breath. Flanking candelabras, fitted with burgundy tapers, were decorated with lemon leaves and pink satin bows.

Mrs. Dale Thurman, organist, presented musical selections. Kathy Howell, pianist, accompanied Eddie Knox, brother of the bride, as he sang "Through the Eyes of Love", "One Hand, One Heart," and "The Lord's Prayer."

Presented in marriage by her father, the bride wore a formal wedding gown of white chantilace designed with a Queen Anne neckline. The fitted bodice was enhanced with clusters of seed pearls and the full sleeves gathered to long cuffs closed with tiny satin buttons. The high rise waistline extended into a six tier ruffle skirt with scalloped edge. The hemline swept into a Cathedral train. Falling from a profile cap appliqued and edged with matching lace and pearl braid, her cathedral length veil of silk illusion was encircled by peau-de-soie lace.

Her bridal bouquet, nosegay of multi-shades of pink carnations and white daisies with lemon leaves, was tied with streamers of pink and burgundy satin ribbons tied in love knots.

B.J. Sewell of Shallowater served as matron of honor. Bridal attendants were Terri Bell of Lubbock and Shea Lyn Knox, sister of the bride, Littlefield.

Christi Neinast, niece of the groom, was flower girl. Rings were carried by Steven Neinast, nephew of the groom. Candles were lighted by Dean Sies. Kerri Sue Knox of Big Spring, cousin of the bride, registered guests.

Feminine attendants wore formal gowns of cranberry colored organza fashioned with fitted bodices featuring capulet collars. Their long bishop sleeves were cuffed with tiny buttons and ruffled flounces encircled the hemlines of their full flowing skirts. They carried long stemmed pink carnations and white daisies with pink and burgundy ribbons.

Mark Neinast was his brother's best man. Groomsmen were Tom Conrad of Colorado Springs, Colo. and Jim Sewell of Shallowater. Guests were seated by Rickey Hodges of Canadian, Don Parkey and Greg Smith.

A reception was held in the church parlor. The bride's table was covered with white chantilace over white satin and decorated with a floral arrangement and burgundy candle. The three tiered wedding cake was accented with burgundy flowers. Presiding at the table were Linda Baker of Levelland and Dianna Wheeler of Fieldton.

The groom's table was presided over by Kay Neinast, sister-in-law of the groom, Brenda Conrad of Colorado Springs, Colo. and Karen Smith. Graced with a silver candelabra with burgundy candles, the table featured German chocolate cake and coffee.

Members of the houseparty were Mmes. John Breedlove, Lloyd White, Arlen Simpson, Gene Spies, Tom McDole, Mack Campbell, Leon Holley, Don Trotter, Norman Know and Lonnie Perkins and Misses Becky Campbell, Dana McDole and Teffany Simpson.

For their wedding trip, the bride chose a dress of pink suede and double knit with white accessories.

The couple is at home in the Hart Camp community.

Lullaby Shower To Fete Infant

Mrs. Danny Howell and infant son, Derek Lee, will be complimented Saturday, Jan 26 with a lullaby coffee in the home of Mrs. John Norfleet. Calling hours are 10 to 11:30 a.m.

Friends and relatives are invited.

Infant Daughter To Be Honored

Little Miss Keashla Dawn Russell, infant daughter of Mr. and Mrs. Roger Russell, will be honored with a layette shower Tuesday afternoon, Jan. 22 in the home of Mrs. Don Huguley.

Friends and relatives are invited to call at 4 p.m.

MRS. FRANK RUTLEDGE

Recipe Revue

Entering "sweepstakes" contests is a fun thing for Mrs. Frank Rutledge.

"Frank teases me about it but that's how I'm going to go to Hawaii someday," says Patsy Rutledge with a big smile. "I enter them all and someday I'm going to win something."

Patsy says that while Frank reads his motoring magazines at night, she's scanning the mail for the day for new contests and "lucky numbers".

The Rutledges moved to Olton three years ago when Frank opened his own business, "Frank's Truck & Tractor". Patsy was "Girl Friday" for the business until December when she replaced herself. She is looking forward to getting out more in the community and becoming better acquainted.

Patsy grew up near Abernathy and met Frank in Freeport. They lived in South Texas until 1970 when they moved to Plainview. They are parents of four children, Jennifer of Houston, Patsy Jane of Godley, Sharon of Plainview and Robert of Honolulu. They are proud grandparents of a little 14-months-old boy, Joseph.

Reading is one of Patsy's favorite pastimes. She also loves to bowl but moving away from a bowling alley has curtailed that hobby.

Patsy likes to cook and shares some of her family's favorite recipes. Frank recommended she submit the instructions for preparing beans his favorite way.

FRANK'S FAVORITE

Wash 1½-2 lbs pinto beans. Place in slow cooker and add water. Add summer sausage (as much as desired) and cook overnight. Season with salt and pepper to taste and turn off cooker. Dinner is ready when needed.

Variations: Cook with chopped green onions, chopped onion, bacon or ½ pkg chili mix.

TACO SALAD

1 lb ground beef
1 sm can tomato sauce
1 med can Ranch Style Beans
1 sm head lettuce
1 sm tomato, chopped
1 sm onion, chopped
¼ c sweet pickles, chopped
1 c cheese, grated
1 sm pkg Frito corn chips

Brown beef and onion. Add tomato sauce and simmer till done. (This can be done ahead). Reheat mixture and drain off fat. Add beans and reheat. Make salad of lettuce, tomato, onion and pickles. Just before serving, add corn chips. Serve meat mixture atop salad and top with grated cheese.

VERY EASY BROWNIES

⅓ c butter or oleo
¾ c sugar
½ c honey or white syrup
2 t vanilla
2 eggs
½ c flour
⅓ c cocoa
½ t salt
1 c nuts

Cream margarine and sugar. Blend in syrup and vanilla. Add eggs, beat well. Combine flour, cocoa, and salt and gradually add to creamed mixture. Stir in nuts and pour into greased pan. Bake 25-30 mins. in 350° oven, or until brownies pull away from pan. Cool and frost if desired.

ICING

1 c powdered sugar
½ stk margarine
2 T cocoa
cold coffee, as needed for spreading consistency

Patsy also shares her recipe for a different beverage for winter evenings.

INTERNATIONAL COFFEE

¼ c instant coffee
⅓ c cocoa mix

Mix with 4 c boiling water. Pour into cups or mugs and top with Cool Whip. Serve while hot.

STUFFED PEPPER CUPS

6 med. green peppers
1 lb ground beef
½ c onion, chopped
1 T fat
2 c tomatoes
¾ c quick rice
2 T Worcestershire sauce
salt and pepper to taste

Brown meat and onions in fat. Add tomatoes, rice, Worcestershire, salt and pepper. Cover and simmer, until rice is tender (about 5 mins.) Add cheese and stuff peppers with mixture. Bake uncovered, in 350° oven 25 mins.

Patsy also shares a helpful hint. Instead of tear-off paper fabric softeners, buy large size bottle of most inexpensive liquid softener. Pour onto clean wash cloth and place in loaded dryer. Start immediately to keep from spotting. Hang up clothes while hot and they're wrinkle free.

Card Of Thanks

'Thank you' are such inadequate words to say how much we appreciate your love and concern. We are so grateful for every wonderful thought and deed. God bless you.

Tom and Floy Sluder

Variety Show Slated Here

Music for everyone will be featured in a variety show musical Feb. 23 in the high school auditorium. Sponsored by Olton Police Department, Tom Bigbee Enterprises will present the family style program which will feature Charlie Raye.

Raye, from Tupelo, Miss., home of the late Elvis Presley, will present a salute to Elvis. Billed as an all-around family show, the program will offer both country and western music.

Advance tickets will sell for $2.50 each; at the door admission will be $3.

Persons will be contacting local merchants in the immediate future to sell advertising space in the souvenir programs to be distributed that night. A percentage of this revenue will also be returned to the OPD.

Proceeds of the show will be used by the police department to purchase equipment for the Olton Boxing Team and for drug abuse educational materials.

IN AMARILLO

The Rev. Raymon Carson, was guest evangelist during Sunday morning and evening services in the Amarillo Reorganized Church of Jesus Christ of Latter Day Saints and was honored with a noon luncheon by members of the church. Carson and his wife were afternoon guests in the home of Mr. and Mrs. Don Brooks.

SBA Office Schedules Revised

The Small Business Administration Disaster Loan Office in Lubbock has revised the schedule of locations and times for some of its satellite offices. Locally, representatives will be at Olton State Bank Thursdays from 2 to 3:30 p.m.

The offices formerly located in Matador, Vernon, Kress and Crowell will now be combined with the office in Floydada; the office in Friona and Memphis are combined with the Hereford office; offices formerly in Childress and Hale Center will now be combined with the office in Plainview; and offices that formerly served Crosbyton, Spur, Aspermont and Knox City will now be serviced by the Lubbock SBA Disaster Office.

This revision of schedules has become necessary in the interest of economic expediency and for better use of available manpower according to William E. Glennon, Branch Manager of the SBA Disaster Loan Office in Lubbock.

Nebraska is the only state in the U.S. with a one-house legislature, called the State Senate.

Jackie Clark Named Secretary For National Dealers Council

Jackie Clark has recently returned from Sarasota, Fla., where he attended a sales meeting of Valmont Industries.

During the sessions he heard discussions of past business practices and conditions and outlooks for the future.

He stated that several new products were introduced, among them Low Profile machines, only five feet off the ground; High Profile machines, 17.5 feet off the ground; Linear machines, that move straight across the field and drag a hose or pick up water out of a ditch.

Clark says that VALI was one of the ten dealers in the United States recognized for outstanding achievement. VALI received an award as being the Outstanding new dealer in the use of Valmont sponsored financial programs. VALI, Inc., used these programs on 40 percent of all the machines they sold in 1979.

During the meeting, Clark was elected to serve as secretary of the Valley Dealers-Dealer Council. He will represent Texas Dealers on this body.

The Council is composed of ten members, representing ten different areas in the nation. Clark will serve for a two-year term.

Lewis Issues Warning Of One-World Government

J.C. Lewis, a Guymon, Okla. farmer and retired Air Force lieutenant colonel, was featured speaker Saturday at an American Agriculture Movement-sponsored seminar on alcohol fuel. Lewis warned the seminar audience of the dangers from the influence and power of multinational corporations. He is waging a personal war, saying that leaders of these corporations are striving for a limited one-world government.

Plainview Daily Herald's Doug McDonough authored the following report in Monday's issue of the Herald:

"... J.C. Lewis took the stage for the second time in a year at Hale County Agriculture Center to say two organizations, the Trilateral Commission and the Council on Foreign Relations, are working toward a one-world government by 'controlling energy, food and an international monetary system.'

"He explained that the Trilateral Commission, with a total of 200 members from Western Europe, Japan and North America, including 65 from the United States, is influencing the direction of American policy control of economics, politics and the national news media. The commission was formed in 1973, he said, and Jimmy Carter and many of those in the executive department are members or former members of the organization.

" 'The Council on Foreign Relations, formed in 1922, has between 1.600 and 1,800 members and the same leadership and goals as the Trilateral Commission,' Lewis again charged. He said every major party presidential nominee, in the past 50 years, with the possible exceptions of Lyndon Johnson and Barry Goldwater, have been members of CFR.

"Again coming under verbal assault by Lewis in his 2½-hour address was David Rockefeller and the Rockefeller family. He specifically charged that the family controls three of the top four banks, most major industries and energy companies through interlocking directorships and stock ownership. He also asserted that 70 percent of the top 130 U.S. industries have interlocking boards of directors.

"Their control is being extended in three areas, Lewis said, education, national news media and a national police force, the necessary elements to control a society. Working through foundations, Lewis charged that the nation's corporate and financial leaders have, in a large part, gained control of higher education through massive college grants and authoring textbooks on agriculture and economics.

"In pointing to what he charged was evidence of the Trilateral Commission's program toward their aims, Lewis pointed to the continuing problems surrounding the American dollar. 'An international money system already has been printed and is just waiting to be distributed.'

"Saturday he issued a new charge, directed at the Aspen Institute for Human Relations. Lewis said the institute is promoting humanistic studies, which maintain that nationalism is a prime cause of wars. 'They are rewriting the U.S. history books to take out all the heros, are teaching our children in the schools that there is no diety and promoting the idea of interdependence, which in turn promotes one-world government.'

"Attacking the grain embargo as a move to gain control of the world's food supply, Lewis said, 'In the last few days the government announced that it is going to buy 14 to 15 million tons of grain outright. If that is not a big step toward food control, I don't know what is.'

"Under a one-world government, Lewis warned that Americans would be easily outvoted by the communists and socialists. 'I like to call the form of government we have as a democratic republic, but just a look at the United Nations shows that there won't be much of a chance of getting such form of government. We would be outvoted eight or nine to one by the socialists and communists.'

"Lewis listed several measures that Americans can take to combat this threat of takeover. 'The reason these people are fighting parity is because if we farmers get parity, underdeveloped nations will want parity for their products and raw materials, and they deserve it. If everyone got parity, we wouldn't need to borrow our operating capital and underdeveloped nations wouldn't need to borrow billions, and that would hurt the multinational banks which get their income from interest on loans.'

"Also, he said, Americans have to begin electing people to government on all levels that will represent the electorate, not special interest groups; make the CFR and Trilateral Commission so unpopular that people will be fearful of belonging to the organizations and set up some type of recall procedure to recall unworthy lawmakers; pass a Constitutional amendment to restrict the life terms of federal judges; support local independent businessmen and bankers; know what school children are being taught in the schools 'because that is where the future is' and know what these children are watching on television and have some control over those programs coming into the homes.

" 'A lot of farmers will be going broke in the next month, so if we don't do something this election year, we might as well forget it', Lewis concluded."

Thomas Jefferson once smuggled rice seed out of Italy for planting in South Carolina and Georgia.

Getting better?

It's easier to do without the worry of bills.

Emergencies happen every day. The unexpected illness can interrupt your life at any time. With the mounting costs of hospital bills and medical treatment, few people are prepared. The unexpected becomes the unmanageable.

For your protection, Union Bankers offers the Variable Individual Protection (VIP) plan. It tailors health insurance coverage to fit your budget.

Union Bankers VIP helps you plan things better. Call today.

LION BOSS WILLIE GREEN presents a check in the amount of $1350 to Phil Hughes, member of Olton Volunteer Fire Department. The money will be used toward the purchase of an emergency van for the department.

Eye Bank Presentation Given Tuesday To Lions Club

Olton Lions saw a film presentation on the High Plains Eye Bank during their luncheon meeting Tuesday in the agriculture community building.

Approximately 3,000 persons have registered their desire to become donors in the eye bank program. Only about 20 percent of the persons who need help are being aided. Persons who would like to donate their eyes do not always make their desires known.

Time also plays a deciding role. Eyes must be removed within six hours after death if they are to be used by the Eye Bank. Corneal transplants must be made within 48 to 72 hours.

ATTENDS MEET

Mr. and Mrs. Tom Smith attended a Camper Caravan Club meeting Saturday night at Harmony Community Center.

Corneal transplants fail in about 15 percent of the cases because of the body's rejection. Glaucoma or the occurrence of original disease and infection rarely occur.

Eye Banks serve three basic needs - corneal transplantation, research and education and scleral transplantation.

Lion Boss Willie Green presented Fire Chief Phil Hughes a check for $1,350 to be used towards the purchase of an emergency van for Olton Volunteer Fire Department. The money was raised in December when Lions sponsored a Sunday turkey dinner.

Lions Queen Melanie Witten was recognized for having been selected as the Lubbock Avalanche-Journal's Player of the Week.

Kelli Smith, OHS senior, was also a guest of the club.

Thomas Jefferson sold his 10,000 books to the U.S. government to replace the collection burned by the British. The books became the nucleus of today's of Congress.

Increasing Fertilizer Prices Makes Re-Evaluation Important

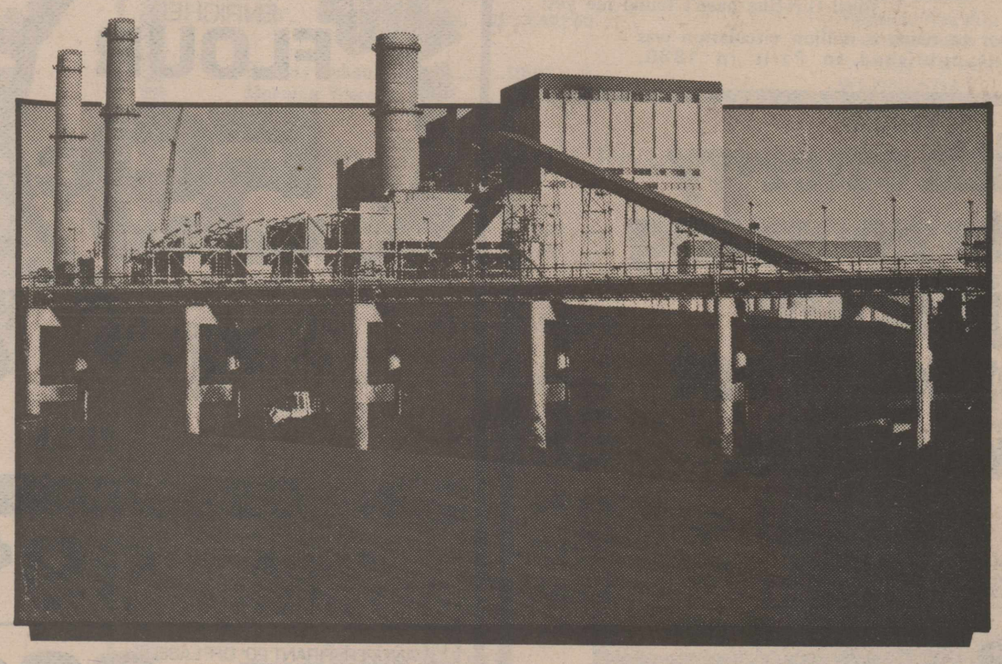

"Fertilizer prices have increased, and this situation requires the producer to re-evaluate 1980 fertilizer practices. Reports are that fertilizer costs will be from $20 to $30 per ton higher for 1980. Increases in energy costs and transportation costs are responsible for this new price schedule. With this information on hand, the producer must become more keenly aware of crop fertility needs and the residual soil fertility levels.

Soil testing offers two methods to manage fertility inputs for 1980. Having a good understanding of what fertilizers are required allows the producer to apply only what is needed. This knowledge prevents unneeded production inputs. Secondly, a good soil testing program provides the farmer information on residual or carry-over fertility levels in soils. Taking advantage of residual nitrogen or accumulated phosphorus often allows the producer to reduce fertility inputs during a given year.

Anyone interested in soil testing can obtain information sheets, information sampling, and mailing cartons at the Lamb County Extension Office.

ELECTRICITY FROM COAL...

It's good to know there's something we can depend on.

Almost all of us depend on electricity in our homes, factories, and offices to provide for more jobs. . .greater productivity. . .and a higher standard of living. Yes, electricity plays a big roll in the scientific and technological developments that make these things possible.

The constant striving for these innovative and advanced ideas and achievements of tomorrow means we will need more electricity. That's why Southwestern Public Service is continuing the building program of new electric generating plants that use coal as fuel. **Because it's good to know there's something we can depend on.**

Chesna Sullivan Is Named Counselor With MH/MR Center

Mrs. Chesna Sullivan has recently accepted a position as pyschotherapist with Central Plains Mental Health/ Mental Retardation Center.

Serving Hale and Lamb Counties, she will be working through the MR/MH Center, whose administrative offices are located at 2700 Yonkers, Plainview. Mrs. Sullivan also offices at Central Plains Family Service Center, 128-B East 10th St., Littlefield.

Since Jan. 3, she has been serving as therapist in the Plainview Center each Tuesday, Thursday and Friday; and at the Littlefield Center each Monday and Wednesday. Office hours are 8:30 a.m. until 5 p.m.

As a therapist Mrs. Sullivan deals with persons of all ages. her assignment is to help persons who come to her with problems or concerns

MRS. BRYAN SULLIVAN

growing out of the adjustment process to marriage, adolescence, changes in life style (such as death in the family) family maladjustment, behavioral problems or other concerns that are preventing them from functioning as capable and satisfied individuals in our society.

She states that persons come to her as referrals from lawyers, law enforcement officers, educational counselors, members of the medical profession or individuals who simply come seeking help in problem solving.

Treating in group therapy, family therapy or individual therapy, she seeks to provide them with more effective tools for coping with any given situation.

Mrs. Sullivan is enthusiastic about services provided through MH/MR Center which serves a nine county area, including Lamb County. Raymond (Cotton) Lewis represents Lamb County on its Board of Directors.

Statistics show that social problems affect as many people as all other diseases combined, that in fact emotional disorders affect one out of ten Americans right now.

"Psychotherapy," she states, "helps people understand their own problems, helps them develop a more positive feeling. Bringing the problem out in the open through discussion often helps the individual to realize how he can better approach or handle it."

Through education and training, the young counselor is well qualified for her new position. Graduate of Olton High School, she holds a BS degree in Guidance and Counseling from Hardin-Simmons University, a master of arts degree in Speech Communication from Texas Tech University and is presently engaged in graduate level studies to meet requirements for Doctorate of Education in Counselor Education.

She is author of a thesis entitled, "Communication Discriminators Between Juvenile Delinquents and Non-Delinquents." She presented a paper at Texas Speech Communication Association Convention, Arlington, entitled, "Persuasion in the Counseling Setting." She also presented a paper at International Communication Association Convention In Philadelphia, Pa., and is a member of Texas Mental Health Counselors Association.

She is the wife of Bryan Sullivan, who farms locally. Mr. and Mrs. Sullivan make their home in Olton where both were reared.

She is the daughter of Mr. and Mrs. W.B. Dickenson Jr., and is a member of First Baptist Church.

Melanie Witten A-J Player Of The Week

Melanie Witten was selected for "Player of the Week" honors by the Lubbock Avalanche-Journal after an outstanding performance Friday night.

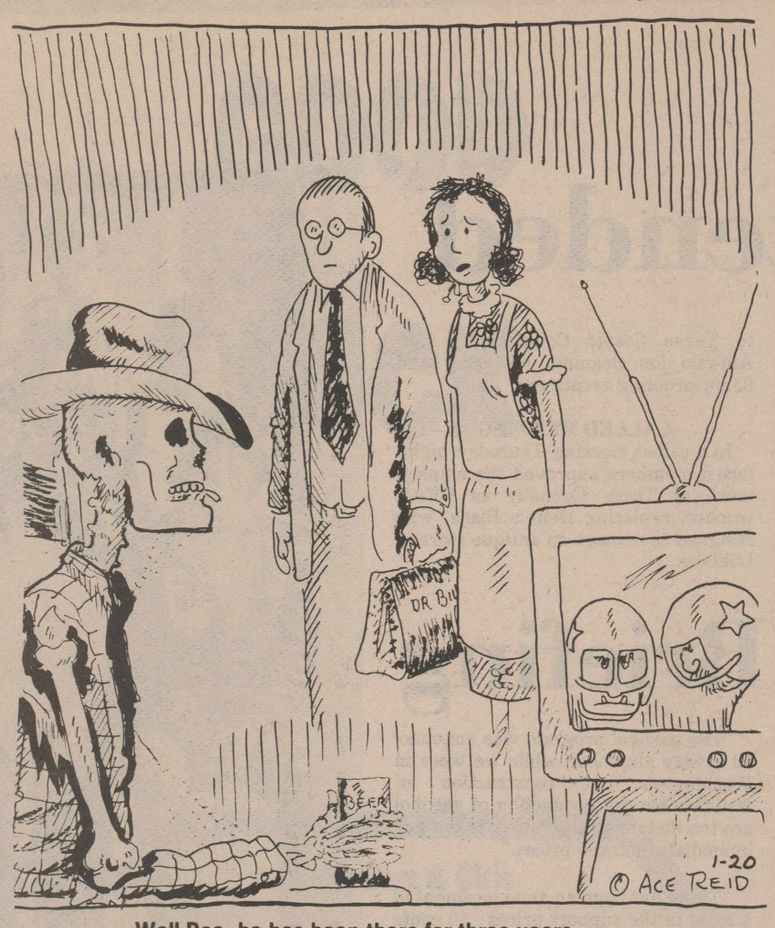

Despite a 54-47 loss by the Fillies in their district opener in Dimmitt, Miss Witten was picked as the first girl player of the week. Mike Hood of Lorenzo was also chosen for the honor.

Miss Witten scored 38 points.

"She's been our high scorer in all but three games," said Coach Lisa Risinger. She's played very, very well. She's a strong rebounder, she's had about nine or 10 a game, and about five assists. She knows how to pass the ball and she plays a good all-round game."

In early England, a man's surname generally grew out of his occupation.

COW POKES — By Ace Reid

Well Doc, he has been there for three years without moving. I just thought he liked them football games.

Free Fruit Trees Offered By Arbor Day Foundation

National Arbor Day Foundation is offering free fruit trees as part of its 1980 campaign to encourage tree planting.

Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life in communities throughout the country by encouraging tree planting. The Foundation will give three fruit trees to new members contributing $10 or more. Each tree wil be three to four feet tall. All trees will be ready for planting and will be sent postage paid.

The foundation says that if the trees are planted according to the enclosed instructions they will provide years of enjoyment and will add to the foundation's goal of a greener America. And they will bring fruit to the table year after year.

To become a member of the foundation and to receive the three free fruit trees, a contribution of $10 or more should be sent to the National Arbor Day Foundation, Arbor Lodge 100, Nebraska City, NE 68410. The donation should be sent along with a choice of any three of the following trees. Any combination or as many of any one variety may be specified.

Apples - Red Delicious, Yellow Delicious, Stayman Winesap, Red Rome Beauty, Red Jonathan.

Peaches - Belle of Georgia, Elberta, J.H. Hale, Golden Jubilee, Hale-Haven.

Cherries - Montmorency, Early Richmond.

Apricots - Moorpark, Early Golden.

Pears, Bartlett, Kieffer.

Plums - Damson, Burbank.

Concrete Spillway Construction Finished

Construction has been completed on the concrete principal spillway on Site 1 of the Lower Running Water Draw Watershed located 4½ miles east of Sunnyside, according to Monnie Edwards, USDA Soil Conservationist of Littlefield.

Later this year, the earthen dam will be constructed across the 8 x 10 foot box shown in the foreground. Floodwaters will be stored above the dam and be released through this spillway, from left to right in the photo, at a slow rate. This structure will help protect farmland and roads in the Running Water Draw north of Olton from floodwaters and sediment while also reducing the flooding problems in the City of Plainview.

Say What?

Idealism, Realism....And Bogie

BY FREDDY STOCKDALE

Before turning to the trivial answers to last week's not-so-important questions, I'd like to get some important thoughts out of the way.

When President Carter mentioned a possible boycott of the 1980 Olympic Games in Moscow, the head of the International Olympic Committee, as well as other Olympic officials, promptly argued that athletics should be placed above politics.

From an idealist's point of view, the argument sounds good. But I think it's about time the IOC and USOC took a more realistic view of the Olympics.

The simple notion that politics and the Olympics are two different babies no longer holds water. The Games are not for just the athletes any more. They are for the host nation and the thousands of Olympic "sponsors."

It's certainly no secret that the Soviets intend to use the Games in Moscow to "showcase" their political system. And sponsors are shelling big bucks just so they can carry a tag such as "official vacuum cleaner of the Olympics." I still haven't found the official drain cleaner of the Olympics, but I'm sure one will turn up.

Answers to the boycott situation? A total boycott of the Summer Olympics would be an international embarrassment to the Russians. A short-term answer might be to move the Games to Montreal or Munich. A long-term answer would be to build a complete Olympic village in Athens, Greece, where the Games originated, and keep that as the permanent site.

Whatever the answer turns out to be, I hope Olympic officials will finally admit that the words "Olympics" and "politics" will always be intertwined.

And now that we've gotten rid of the important business, let's turn to more un-important thoughts, namely the answers to not-so-important questions.

I hope you save the questions as I requested. Here we go:

1. The key of F.
2. The indentation is called philtrum. No one knows what purpose it serves.
3. The first three numbers show what part of the country you applied from. The next two numbers show, in coded form, what year you applied. The last four indicate your citizen's number.
4. They do NOT stand for "respond very promptly". They are an abbreviation for the French "repondez s'il vous plait" (please respond.)
5. Kuwait, $15,480. U.S. is fourth, $7,890.
6. Bogie was known as "the Mellins Baby" (not Gerbers). His portrait was used as the trademark for Mellin's baby food.
7. All were famous lawyers. None ever attended law school.
8. Thirty-one days after he was inaugurated, William Henry Harrison died of pneumonia.
9. That period (.) following the S in last week's questions was a typographical error, because "S" was Harry's middle name.
10. A result of bad publicity. Philadelphia newspapers labelled them "Pirates" after they allegedly stole a player away from Philadelphia. The name stuck.
11. No one really knows.
12. True. However, the bull is not killed.
13. True. Women, on the average, do have slightly higher IQs than men.

That's okay. I'll take a little male common sense any day.

4 Forgery Cases Keep Police Busy

Four separate cases of forgery have kept officers busy this week.

One incident occurred last summer but was not reported at that time. Chief of Police Ronnie Mitchell issues a plea this week for persons to notify the department promptly.

Mitchell said it would "make it a lot easier" if merchants would obtain as much identification as possible when accepting checks from persons they do not know. He recommended all merchants obtain a rubber stamp and make it routine to get driver's license information and vehicle registration when cashing checks.

A two vehicle accident was investigated Jan. 10 on Highway 70. A 1975 Chevrolet pickup, driven by Thomas Dyer of Dimmitt, struck the back end of a 1979 Ford pickup driven by Jackie Burkhalter. Minor damages resulted.

Earlier this month, officers investigated a juvenile's accidental shooting. Injuries caused by the 22 guage rifle were minor.

Approximately $20 in change was taken earlier this month in a burglary of Hall Lumber Company.

IS HOSPITALIZED

James Carson, son of Mr. and Mrs. Raymon Carson, is hospitalized in an Auburn, Neb. Hospital. Having suffered some irregularity in heart condition, he is being monitored in intensive care unit.

ENTERPRISE PRESENTS - Mandi Reigh Weick, 10-months-old granddaughter of Mr. and Mrs. Benny Moore. Pictured here at six months, the little miss is the daughter of Mr. and Mrs. Micheal Weick of Umbarger. Mr. and Mrs. John L. Weick of Umbarger are her paternal grandparents. Great-grandparents are Mr. and Mrs. Ed Moore and Mrs. Beatrice Marshall. Mrs. Eula Watson of Denton is her maternal great-great-grandmother.

Appreciation

throughout Castro County is expected.

Dates for the other dinners will be Saturday, Feb. 2, in Morton for Cochran County; Monday, Feb. 11, in Hereford for Deaf Smith and Oldham Counties; Monday, Feb. 11, in Hereford for Deaf Smith and Oldham counties; Monday, Feb. 18, in Friona for Parmer and Bailey Counties; and Saturday, **Feb. 23, in Olton for Lamb County.**

"These events are not to raise funds for Representative Clayton," Dr. B.W. Armistead of Littlefield, coordinator for the events, said. "The sale of tickets are to cover the costs incurred. They are intended to honor a man who has given a great deal of his life in public service for this area. It is our way of publically showing how we feel about the sacrifices he has made on our behalf.

"In every instance these are home county events with local people in charge and conducting their own appreciations," Armistead added.

For the Castro County event Saturday, co-chairmen will be Bob McLean and Jim Werner. Others on the committee are Maxine Childers, secretary; Stanley Schaeffer, treasurer; James R. Horton, arrangements; Don Nelson and Jerry Marvin, public relations; Jimmy Ross, greetings and registry and master of ceremonies; Mrs. Maurice Carson and Wanda Black, decorations; Robert Ryan, program chairman and Ed D. McLeroy, food chairman. Ticket sales will be conducted by Joe Josselet, Rita Welch (Dimmitt), Jerome Brockman (Nazareth), Rita Book (Dimmitt), Jim Werner (Hart) and June Brown (Hart).

For the Lamb County event Feb. 23, Dale Cary will serve as a co-chairman. Others who will be involved are soon to be selected.

Newcastle, England, was built on the site of an old Roman fort that defended the eastern end of the wall Hadrian built across Britain.

4-H Offers Worthwhile Experiences For Youth

4-H brings parents and their children together in a partnership that can lead to many worthwhile experiences.

4-H is a program for youth aged 9 to 19 and is administered by the Texas Agricultural Extension Service of the Texas A & M University System.

Through 4-H, parents get involved with their youngsters by helping them with one or more of over 100 projects. By getting involved with projects, parents help their youngsters learn basic skills and information and help them to fulfill an obligation. The "partners" then build on these successes in areas of projects work, leadership, community service and many other character-building experi-

By spending time with their sons and daughters in 4-H, parents can overcome problems commonly referred to today as the "communication gap" or "generation gap". 4-H projects serve as a beginning to start the parent-youth partnership. This relationship can grow through mutual understanding and trust between parent and child.

With an understanding relationship, parents and 4-H'ers learn to share the joys of winning and the disappointment of losing and to jointly work out solutions to problems as they arise.

To learn more about the 4-H program, contact the County Extension office.

LARRY DAVID HOBRATSCHK & CAROL DUDENSING

Wedding Plans Announced

Wedding vows will be solemnized Saturday, March 29 in Faith Lutheran Church in Sagerton for Miss Carol Ann Dudensing and Larry David Hobratschk.

Miss Dudensing is the daughter of Mrs. Wallace L. Dudensing of Sagerton and the late Mr. Dudensing. Mr. and Mrs. V.J. Hobratschk of Littlefield are parents of the prospective bridegroom.

Homemaking teacher at Olton High School, Miss Dudensing graduated from Rule High School and received a B.S. degree in home economics education from Texas Tech.

Hobratschk is a graduate of Littlefield High School with a B.S. degree from Texas Tech University in mechanized agriculture. He is engaged in farming near Littlefield.

The first newspaper to reach a million circulation was *Le Petit Journal* published in Paris in 1886.

With energy costs zooming just any center pivot won't do.

The whole equation changes. The few hundred you can save buying a cheaper pivot can be eaten up in the first year by rising energy costs alone. That's why the right match-up of power, pipe sizes and pressures can make all the difference in the world.

At Valley®, we have the latest technology. We'd like to talk to you and show you before you buy any center pivot. Because just *any* center pivot won't do, especially if rising energy costs are a concern.

Valley dominates the field.

Zimmatic Low Pressure waters down overhead

Cutting overhead is one of the keys to profitable irrigation. With a Zimmatic Low Pressure System over your crop you can unlock the door to big savings. Start by cutting horsepower requirements by as much as one-third and keep saving because your system will likely be more efficient and use less water.

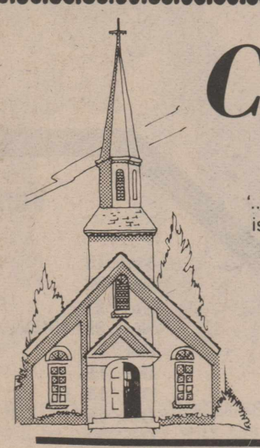

And choosing Zimmatic Low Pressure gives you more than an economical center pivot You get the company that pioneered low pressure in center pivot irrigation. Lindsay developed Zimmatic Low Pressure to cut horsepower without cutting performance. Your pivot is still 100% Zimmatic with all the dependable features and top-quality material that Lindsay is known for.

If you're considering center pivot irrigation, consider Zimmatic Low Pressure, the pioneer. Come in soon and find out how to water down your overhead while you pump up your profits.
