Boll Weevil Control Gets StateApproval

The Fall Diapause Spray Program to control the cotton boll weevil in Mitchell County has been officially approved by the Texas Department of Agriculture as over 97 per cent of the county's cotton producers have signed agreements to participate in the effort.

The approval means that the state will supply matching funds to help pay for the spray program on a percentage basis.

Mitchell County Producers Association Board of Directors met with representatives of the Texas Department of Agriculture Wednesday night and finalized plans for the program.

The total cost for each producer will be $6 per ground acre, said Mitchell County Extension Agent Bob Benson.

"This will include five spray applications beginning in early September, salary for scouts and administrative costs," Benson said.

The Texas Ag. Dept. must have a pledge of $1 per ground acre from each producer before June 21 in order to purchase the necessary chemical, Benson said.

"Pledge forms will be mailed to each producer this week," Benson pointed out, "and should be returned to P. O. Box 1029 or brought by the Association office which is located next to the Mitchell County Farm Bureau office."

The Board of Directors has hired a secretary and the Farm Bureau has donated office space, he said. The secretary, Kathy Goode, will begin work June 1. Mrs. Goode's husband, Greg, is employed by the Soil Conservation Service in Mitchell County.

"The Board of Directors requests the cooperation of each producer in meeting the June 21 deadline," Benson emphasized.

It was first thought that 100 per cent of the county's producers would have to sign up for the program in order to obtain state funds but as there are only 13 producers still needed to sign up, Benson said the program has been approved.

When the sign up was in full swing earlier this spring, Benson said that the loss to the county's agricultural production from the boll weevil damage in 1975 amounted to about $3 to $4 million.

"About one-third of bolls inspected last year had suffered boll weevil damage," Benson said, "and since the county produced about 45,000 bales of cotton valued at about $9 million, the loss was tremendous."

Adding to the problem, according to the county agent, is the fact that a mild winter, which the county had this past winter, causes the weevils to build up in the soil as they can overwinter if the temperature does not fall to sub-zero degrees for a sustained period of time.

Add to this wet fields that have kept farmers out of fields for planting until the past week, most farmers are expecting the boll weevil depredation to be greater this fall.

The producers assocation was begun by a group of farmers with Benson's aid following harvest this year and filed a charter with the state, drawing up a set of by-laws and electing officers and a board of directors.

Elected as officers of the group are Pete Hester, president; Cliff Etheredge, vice president and Ronnie Feaster, secretary-treasurer.

Board representatives, from nine gins in the area, are as follows: Pete Hester, Producers Coop; Cliff Etheredge, Inadale; Ronnie Feaster, Planters; Roy Petty, Buford Coop; Rex McKenney, Colorado Gin Co; Roscoe Hudgins, Loraine Coop; Lindy Merket, China Grove Coop; J. R. Erwin, Farmers and L. N. Gray, Mitchell Co.

Pipes, Plants Other Items Confiscated

Colorado City Police Chief Jesse Browning said that the police department confiscated the biggest haul of marijuana paraphernalia that officers have ever found located in one place when they made three arrests early Friday morning.

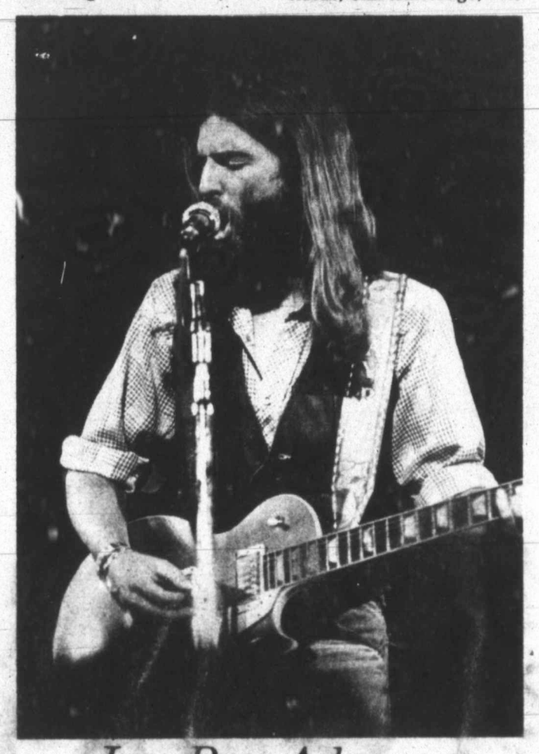

Police officers Jerel Lynch, Ai Eagle of Loraine, Sergeant Pat Fuller, Assistant Chief L. C. Devorce and Chief Browning arrested three men after receiving a phone call from Truck Town Cafe that some hitchhikers had had some of their belongings and money stolen by some local men who picked them up.

Police received the call at 11:35 p.m. Thursday from Charles Ezell at the cafe and an investigation followed.

They then arrested Johnny Lee Williams, 20, of Rt. 1, Box 1, Loraine, charged with theft over $20 and under $200 and possession of less than 2 oz. of marijuana; Johnny Lee Williams, 19, same address, also charged with theft over $20 and less than $200 and possession of marijuana; Jesse Rene Garcia, 17, 1712 Peach in Colorado City, theft over $20 and less than $200 and possession of marijuana.

A juvenile was arrested for the same offense later in the day Friday.

Officers confiscated two tubs of growing marijuana plants, one a gasoline tank cut in half, nine pipes, three holders and a thing used to separate the marijuana leaves from stems of the plant.

Tickets for Friday's concert are $5 each and can be purchased at the door or at City National Bank, Bowers Z Bar B, Woods Boots, Stereo Corral, Colorado Floral and Jay Adams Chevrolet.

In addition, a special fund has been started at City National Bank to help the Morgans with medical expenses which are extremely high in intensive care. Anyone may make a contribution to the fund at City National Bank.

Jay Boy will be accompanied in the performance by his band which includes Danny Raines, bass guitar; Davis McLarty on drums; Cal Freeman, steel guitar, and Paul Culver, keyboards.

It is also hoped that a folk singer will perform for the benefit show.

Jay Boy was a member of the ZZ Top as that group was on its way to the top before splitting to form his own band. Prior to that he performed with USO tours and for two years was in the road show, Promises, Promises.

His manager is Bill Ham.

Everyone is invited to attend the program, bring sandwiches, cookies or a cake and dress in old fashioned clothes or as an Indian or cowpuncher.

Westbrook Holds Joint Graduation

Westbrook Seniors, the Class of '76, were graduated Thursday night in commencement exercises held in the new auditorium, a switch from past years when graduation ceremonies were held in the school gym.

Both Eighth Grade graduates and Seniors marched in to their places on the stage, decorated with Bicentennial colors of red, white & blue, to the Processional played by Mrs. Charles Ranne.

Following the Invocation led by the Rev. Bob Manning, pastor of Westbrook Baptist Church, the audience was addressed by Eighth Grade Valedictorian Jana Shackelford and Senior Valedictorian Julia Sweatt.

Principal speaker, the Rev. Caddo Matthews, pastor of Plainview Baptist Church and also county school superintendent, was introduced by Westbrook Superintendent L. M. Dawson. Matthews challenged the graduates to "know where you're going, how you're going to get there, and make a good start in the right direction."

Presentation of diplomas was made by Dawson and Westbrook school board President Jerry Webb and then Dawson officially declared the Seniors graduated as they turned tassels from right to left.

Certificates of perfect attendance and citizenship were presented by Dawson and the American Legion awards, made to an outstanding Eighth Grade boy and girl, were given to Jana Shackelford and Ronald Hudgins.

Graduating Senior Mary Alvarez, speaking on behalf of the class, presented the school with a trophy case in memory of Jeanne Gregory, who was a member of the Class of '76. The gift was accepted on behalf of the school by Superintendent Dawson as he said it would be placed in the newly redecorated library area of the school.

Following closing remarks by Eighth Grade Salutatorian Lisa Anderson and Senior Salutatorian Pandora Moore, the audience was led in singing the Westbrook School Song by Dana Dorn, Georgeann Smith and Linda Anderson and then the graduates marched out to the Recessional, also played by Mrs. Charles Ranne.

A reception followed in the cafeteria.

Penny Cooley, Phillip Brannan Wed In Double Ring Ceremony May 29

Miss Penny Diane Cooley became the bride of Phillip Loyd Brannan in a double ring ceremony at 7 p.m. Saturday May 29 at First Baptist Church of Colorado City. Officiating was Rev. Lee Castro of Fort Worth.

The bride is the daughter of Mr. and Mrs. Clyde L. Cooley, 1202 Elm Street. Parents of the groom are Mr. and Mrs. Ira Lee Brannan of Andrews.

The bride, given in marriage by her father, wore a traditional style gown of white silk organza, overlaid with alecon lace and bridal pearls and crystals. It was an A line fashion with fitted sleeves.

The chapel length train was adorned with motifs, pearls and crystals. The mantilla length veil of silk illusion fell from a Juliet headpiece fashioned from identical lace and enhanced with seed pearls.

She carried a bouquet of white roses and starburst poms centered with a white Cattleya orchid accented with blue satin hearts and ribbons.

For something old she carried a lace handkerchief sent to the groom's grandmother from France during World War II. Her something new was her wedding gown. For the traditional something borrowed she wore earrings borrowed from her sister and the something blue was her garter.

Maid of honor was Mary Lou Cooley, of Odessa, sister of the bride. Matron of honor was Connie Penland of Levelland, also sister of the bride. Bridesmaids were Jean Ann Gray and Margie Ballard both of Colorado City. They wore floor length dresses of blue and white printed Swiss dot fashioned from the bride's gown trimmed with blue organdy ruffles. The square neck sleeveless dresses were edged with blue lace. In their hair, they wore three white starburst poms accented with blue ribbon. Each carried white fireside baskets of blue roses and carnations accented with babies breath adorned with blue ribbon.

Flower girl was Wendy Kay Cooley of Arlington, niece of the bride. She wore a floor length dress identical to the bridesmaids. She carried a white fireside basket of white rose petals.

Best man was Ira Lee Brannan, father of the groom. Groomsmen were Steve Brannan of Odessa, David Brannan of Andrews, both brothers of the groom, and Tommy Kionute of Levelland. Ring bearer was Brad Phillips of Levelland, cousin of the groom.

Greeting the guests was Lewis Riley of Andrews, cousin of the groom. Ushers were Leon Cooley, of Arlington, brother of the bride, Kim Coats of Morton and Mike Black of El Paso.

The pianist, Donna Mills of Colorado City, played a prelude of "Brian's Song." Miss Mills accompanied Rev. Lee Castro and his guitar while he sang "There Is Love." She also played "Because" while Keith and Greg Phillips of Levelland, cousins of the groom, lit the candles. Traditional wedding music, "Bridal Chorus" and "Wedding March" were played.

They stood before a heart shaped arch of greenery entwined with clusters of blue and white carnations. One either side were fifteen branch and seven branch candelabras adorned with blue and white flowers.

Finishing the setting were large baskets of blue and white flowers. The parents pews were marked with blue and white carnations and ribbons. Every other pew thereafter was marked with ribbon and bells.

Present was paternal grandmother of the groom, Mrs. Willie Belle Griffin of Amarillo and maternal grandfather of the groom L. G. Harris of Enochs. Honorary grandmother of the bride was Mrs. Ione Watkins of Colorado City.

The bride's parents hosted a reception following the wedding in the fellowship hall. A large candelabra adorned the bride's table which held a blue and white fountain cake set on a large round mirror.

Punch was served from a silver punch bowl with silver and crystal appointments. The groom's table held a floral arrangement around a miniature Firestone tire where cheese, crackers, ham, turkey and coffee were served.

Registering guests was Carol Brannan of Odessa, sister-in-law of the groom. The registery table held a horseshoe arrangement with two white tapers and the traditional memory candle which the bride and groom lit before leaving the reception.

The houseparty included Marlene Cooley of Arlington, sister-in-law of the bride, Karen Dunnam of Lubbock, Sharon Prince of Jayton, Susan Culwell of Olton and Lacretia Gary of Lubbock.

For the wedding trip to San Antonio the bride chose a two piece blue dress trimmed with material from the bride's mother's dress with white accessories.

After their honeymoon, the couple will reside at Five Acres Mobile Home Estates in Levelland where the groom owns and operates Firestone of Levelland and OK Tires in Farwell, Texas.

The groom is a 1973 graduate of Andrews High School and attended South Plains College in Levelland.

The bride is a 1975 graduate of Colorado High School and is a sophomore art major at South Plains College.

Out of town guests were from Andrews, Amarillo, Stratford, Odessa, Fort Worth, Arlington, Levelland, Olton, Lubbock, Jayton, Morton and Portales, New Mexico.

The groom's parents hosted a rehearsal dinner Friday May 28, at the Villa Inn Restaurant.

Life in this part of the twentieth century is not always easy. I know there have always been problems. I know mankind has always lived in a world that is not always friendly. But, it seems to me that the ever increasing speed of the merry-go-round of life, the confusion about proper roles, and the revolution of moral values have complicated life considerably. Increasingly the burdens of living seem to be more than humanity can bear.

It is for the man who realizes his frailty and his inability to cope with the complexities of life that Jesus speaks: "Come to me, all whose work is hard, whose load is heavy; and I will give you relief. Bend your necks to my yoke, and learn from me, for I am gentle and humble-hearted; and your souls will find relief. For my yoke is good to bear, my load is light" (Matt. 11:28-30, New English Bible).

I read a story which has a moral. Since so many do not, I found this one particularly refreshing.

It seems a workman in New York City was carrying on his shoulder a long, heavy plank. A strong wind was blowing, and the gusts kept swinging the plank from side to side. The man struggled along slowly with his heavy burden. Then another man came along behind the workman and saw his perdicament. Without a word he eased his own shoulder under the back of the plank. The workman, ignorant of what had happened behind him, steadied his step and quickened his pace. When he reached his destination, and while his undetected helper slipped from under his load and walked on, the workman lowered the plank to the sidewalk. He probably never knew that all the time, someone else was silently giving him aid. There are times in our lives when the burdens of life weigh heavily upon us. We struggle along under the load, and fret about our troubles. It is at such times that our Lord quietly comes and slips His shoulder under our burden. We may not be aware of His presence; we may not be conscious of His help, but we may become aware of the fact that suddenly our burden is lighter and more easily managed.

However, it is not only our Lord who silently lifts our burdens. They are often made lighter by the efforts of our fellowmen. We are all indebted to the many people who quietly go around lifting the burdens of those they see in need.

We should endeavor to join the ranks of those who are willing to assist their burdened neighbors. We should not need men's praise to motivate us to acts of kindness and service. Our knowledge that we have been the recipients of the goodness of others should provide the stimulus necessary to challenge us to "step in behind our brothers" and help them lift their load.

Entertainment is the name of the game at the Palace Theatre. Working hard to provide the best in movies as well as treats at the concession counter are, left to right, Betsy Arispe, Patsy Walls, John Williamson and Ed Walls.

Have Fun--Take In A Movie At The Palace

Good entertainment is something everybody is looking for.

That entertainment can be found at Colorado City's Palace Theatre.

The Palace is owned and operated by Ed Walls and his wife, Patsy.

Ed is an employee of the Post Office. He spends endless hours of his off-duty time working to improve the theatre, booking films as well as attending to the endless details of running a theatre.

The Palace Theatre was first built in the late 1920s and was remodeled extensively in 1938.

Walls took over the theatre three years ago.

Since that time, he has endeavored to fill the entertainment needs of Mitchell County residents. Among the things he tries to do is to book a movie suitable for young people on Thursday, Friday and Saturday nights. Then for Sunday, Monday and sometimes on Tuesday, he has a movie of interest to adults.

However, this isn't always possible as the films Walls may want to get aren't always available. However, he makes a concentrated effort toward this end as well as trying to get new movies as soon as possible.

Some of the movies coming to the Palace in June will be *The Sunshine Boys, Dixie Dynamite* and Walt Disney's *No Deposit, No Return.*

Among the improvements at the Palace in addition to complete redecoration since Walls took over include the installation of a cry room for mothers with young children and the sectioning off of an area for smokers.

Ed expressed his appreciation for everyone's patronage since he has operated the Palace and invites you to come by and enjoy a movie. The concession stand has refreshing drinks, candy, popcorn and hot dogs. Workers at the Palace in addition to Ed and Patsy are John Williamson, Betsy Arispe and Belinda Vann.

The box office opens at 7:30 p.m. with the show starting at 7:45 p.m. For complete information on what's showing, consult the Record or phone 728-2605. The Palace is located at 137 Walnut.

...Mr. And Mrs. Don Smith Wed In May

Laura Lotspeich, Donald Smith Exchange Nuptials In Evening Ceremony In Fort Worth

Laura Lee Lotspeich and Donald Allen Smith were united in marriage in an evening ceremony May 23 in the Handley Seventh-Day Adventist Church of Fort Worth at 6 p.m.

The bride is the daughter of Donald Ray Lotspeich and the late Mary Lotspeich of 4313 Hampshire Boulevard, Fort Worth and Smith is the son of Mr. and Mrs. Charles Ross Smith of Colorado City.

Gayland Richardson, pastor of the Handley Seventh-Day Aventist Church officiated at the ceremony assisted by Glenn Sackett, brother-in-law of the bride, pastor of the Nacogdoches Seventh-Day Adventist Church.

The bride, given in marriage by her father, wore a gown, designed and made by herself. The empire bodice was overlaid with lace and re-embroidered with pearls. The long sleeves ended in ruffles and a ruffle bordered the skirt.

The veil was caught on a lace-covered cap and, trimmed in lace, it formed the cathedral-length train.

Her bouquet consisted of roses and gardenias.

Mrs. Glenn (Donna) Sackett, sister of the bride of Nacogdoches served as matron of honor. Bridesmaids were Cindy (Mrs. Glenn) Andersen of Arlington, Miss Jana McCoy of Fort Worth and Lynda (Mrs. Loyd) Whitehead of Cleburne.

The bride's attendants wore blue gowns designed with a sweetheart neckline and puffed sleeves. A ruffle bordered the skirt. They carried bouquets of mixed spring flowers.

Ron Smith, brother of the groom from Lenexa, Kansas, was best man and the groomsen were Frank Hopps of Euless, Dexter Jung of Euless and Bill Lucas of Keene.

Kathy Sackett, niece of the bride from Nacogdoches, was the flower girl at the wedding.

Wedding music was provided by Barbara (Mrs. Dennis) Carlile of Keene, organist. She accompanied Miss Karen Cariker, soloist, on the song "Whither Thou Goest." Miss Cariker joined by Glenn Sackett sang a duet "Your Gift."

A reception followed the wedding ceremony in the reception room of the church.

Mrs. Charlie Smith, mother of the groom made both the bride's and groom's cake for the reception. The bride's cake, adorned with a live arrangement of mixed spring flowers, was in the form of a Tea House, complete with lattice work and flowers.

The groom's cake was in the shape of a four leaf clover with a decorative scene in each of the four leaves. In the first leaf was sunshine, rain was in the second, roses occupied the third leaf and a photograph of his bride was on the fourth leaf of the clover to carry out the theme of the song I'm Looking At A Four Leaf Clover.

The couple left on a trip to California for their honeymoon. The bride wore a blue and white floral print dress with white accessories.

A rehearsal dinner was given by the groom's parents in the bride's grandfather's home in Arlington where the bride and groom will live when they return from California.

The dinner was prepared by the groom's grandmother, Mrs. George E. Smith of Glendale, California and the groom's mother, Mrs. Charlie Smith. Featured was a German style menu.

The bride graduated in May from Southwestern Union College in Keene with a B. S. in home economics and business administration. She will be employed by the Texas Conference of Seventh-Day Adventists. The groom graduated from Southwestern Union College in 1972 with a B. B. A. in business administration and is self-employed.

Out-of-town guests were from many towns in Texas as well as several from California, Alabama, Arizona and Kansas.

Hit Wins For Rangers

A hit into right field knocked in the winning run in the bottom of the sixth inning as the Rangers won over the Indians in a battle of top teams in the Little League Friday night.

Rangers won the game by the final score of 14-13.

Earlier Friday night, the Astros won over the Giants 21-11.

In a makeup game Wednesday, the Tigers stayed in a tie for first with a 13-9 win over the Pirates. The game was rained out Monday.

Farm League teams played Saturday night.

Action set for Monday at 6 p.m. will be between Astros and Tigers and at 8, the Rangers will play the Dodgers. Tuesday, the Pirates face the Giants and the Indians play the Yankees in another battle between two league leading teams.

A protested game will be finished from the point of a violation in the top of the eighth inning Wednesday between the Tigers and Indians. Earlier it had been ruled that the Indians had to forfeit because of using too many 12-year-old pitchers in one game.

However, that ruling was changed and the tied game will be played until there is a winner. The game will start at 6 p.m. Wednesday. Both teams share the lead in the Little League.

"WEDDING DAY '76"

Bridal gift that meets many needs

A THOUGHTFUL GIFT for newlyweds is a lightweight vac for love nest keeping. The Regina Electrikbroom® makes floor care easy. An exclusive rug pile dial is adjustable for efficient carpet or bare floor cleaning, gets under low furniture and with its edge cleaning feature gets into nooks and crannies for a thorough job. A space saver too, the under 7 lbs. slim line Electrikbroom will hang on a closet hook for convenient, compact storage.

Who pays what, where and when

So many details go into your wedding -- and each one is important. Deciding who pays for each of them can be confusing. The following list of expenses should help. In general, unless the groom's family offers to help with the reception costs, the whole wedding ceremony is the responsibility of the bride's family.

Optional expenses include:

Bachelor dinner — may be given by the groom himself or his attendants or friends.

Rehearsal dinner — either the groom's family or the bride's family and friends give it.

Bridesmaids' luncheon —given either by the bride or by her family or friends.

Attendants' dresses — usually bought by the attendants themselves, but the bride may buy them.

Bride's bouquet — usually a gift from the groom, but the bride's family may buy it.

Corsages for mothers and grandmothers — usually provided by the groom, but the bride may want to buy them herself.

Busy modern brides gain their freedom with work-saving household devices

It's a plus to be getting married in the 1970's. Opportunities for combining home and career, and for balancing home, recreational and educational interests, are more plentiful now than during any other period in history.

The modern bride takes advantage of the many home conveniences and work saving devices available to her so that she can spend the time saved doing the things she enjoys most.

Here are some of the ways you can use multiple use appliances and aids to your best benefit:

• *Dishwashers* — when choosing a dishwasher, pick one which will dry as well as wash dishes. Many models will clean pots and pans, too. These new-style dishwashers allow the bride to get the whole job done in one step, instead of two or three.

• *Frost-free refrigerators* — by selecting a frost-free model, you will avoid the unpleasant, messy and time-consuming task of defrosting the freezer.

Many refrigerators now come with larger freezer sections, too, and this is a bonus for three reasons: a larger freezer provides extra room for storing food so that you need not shop as often; it allows you to buy meats and other foodstuffs in large quantities to save money; and it gives you the opportunity to cook and freeze dishes ahead, saving time in a crunch!

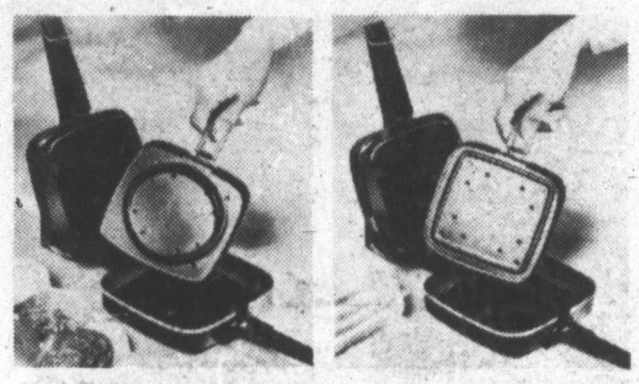

• *Multi-purpose cleaners* — use a versatile cleaner such as Glass*Plus,® a glass, appliance and cabinet cleaner, which allows you to clean virtually all washable surfaces around the house with one spray cleaner and a clean cloth or sponge.

The cleaner can be used on both glass and non-glass surfaces, allowing you to zip through housework without having to tote a large assortment of different cleaning products.

• *Trash compactors* — garbage is messy, but with a trash compactor the mess is out-of-sight, less cumbersome, and deodorized. In addition to the aesthetic advantages, with trash compactors the garbage needn't be emptied as often.

Freed from many of the drudgeries of housekeeping, women today are able to be whoever and whatever they want to be. If you're lucky, you're marrying a man who will share your burdens and encourage your successes so that the pluses of the '70s can belong to you both.

St. Lucia offers 'paradise' for out-of-this-world honeymoon

If you and your spouse are in search of a honeymoon in paradise, then St. Lucia, a small island in the Caribbean will not disappoint either of you!

With the weather, scenery, accommodations, cuisine, sports and entertainment facilities, shopping and the hospitality of the natives just what it should be, the most discriminating visitors are assured of an out-of-this-world honeymoon.

Harmonizing with nature's breath-taking hills and beaches is the luxurious resort complex, La Toc, situated on a large, unspoiled white beach about two miles from Castries, capital of St. Lucia.

Considered to be one of the finest facilities in the Caribbean, the Hotel La Toc and La Toc Village of 60 private cottages is as continental in taste as it is British in hospitality and Caribbean in ambience.

Each of the hotel's 150 air-conditioned bedrooms has a balcony with a tropical view and the ground floor rooms each have private patios for easy access to the beach.

Dining in any of the resort's restaurants is a gourmet's delight. The accent in the formal dining room is elegantly French and many French specialties fill the menu.

An alternative is the informal grill room and bar, a favorite night spot, where entertaining and dancing continue until the wee hours of the morning. The other restaurant, in the village, is an ideal place to cap the night.

YOU'LL FIND British hospitality, Caribbean ambience, and beautiful surroundings at the Hotel La Toc, St. Lucia.

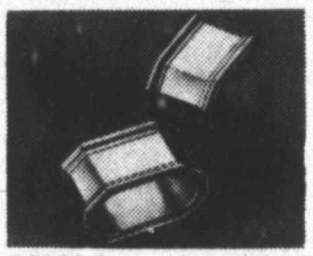

To work off the calories, one will have to choose between the nine hole par 32 golf course, the championship Har-Tru surface tennis courts complete with floodlights or the sailing, swimming and fishing for which the Caribbean is noted.

La Toc Village is adjacent to the hotel but different in concept. Designed to provide accommodations for those who want the most informal living without sacrificing comfort, the seaside cottages, ready for instant occupancy, come in one and two bedroom styles and depending on size, with a built-in pool.

And when the two of you think you've had enough of paradise, you might want to take a side trip to Barbados, 40 minutes away . . . or head back home—although we guarantee it will be reluctantly!

PEWTER plates by Gorham are ten and twelve inches in diameter, are beautiful and practical bridal gift suggestions.

BOLDLY stated octagonal napkin rings by Gorham are an attractive, inexpensive bridal gift idea.

See professional early for portfolio of wedding photos to suit any budget

Some are grand and extraordinarily expensive. Others are simple and modestly priced.

Whatever type of wedding you are planning, it deserves to be preserved in professional photographs. A bride must decide to economize on some things, but not on photographic coverage of this all-important occasion. For it is the photographs that will keep the day's events alive in years to come.

Kodak experts advise prospective brides to book a professional photographer as soon as the date is set, especially if she is getting married on a weekend during one of the more popular bridal months — June, August, or December.

Several weeks before the occasion the bride and groom-to-be should sit down with the photographer and plan the type of photos they'll want. Most ask for a formal bridal couple portrait, one of the bride alone, one of the bridal party and immediate families, and several informal photographs of the wedding ceremony and reception.

Look at your photographer's portfolio of other wedding photos he's made and consider different styles you'd like. Wedding portraits can be formal, dramatic and romantic with special photographic effects and props; or they can be informal, casual, even candid, if you prefer.

If you are planning a budget wedding, check the photographer's package prices. It is always best to have him photograph from start to finish for you'll never be able to recreate the event at a later date.

For a more complete set of wedding photographs, perhaps your relatives may wish to give you additional prints as wedding gifts. Your photographer has gift certificates for this purpose. And, you might wish to order additional prints later for your six-month's anniversary.

Wedding photographs make ideal gifts from the newlywed couple to their close friends and relatives. You may wish to have the photographer frame large color prints of the bridal party for holiday gifting. And consider the photographer's collection of Kodak Special Moments cards — a portrait and card all in one for you to express thanks for the wedding gifts you received.

Economical or extravagant, your wedding should be recorded in professional photographs.

MOMENTS TO REMEMBER in professional wedding photographs. Even for a budget wedding, plan to have a photographer on hand all day. You may buy additional prints over a period of time, building your wedding album and collection.

Marriage-saving money tips to ensure a greener future

Marriage can be mighty expensive, especially in the beginning when you're trying to stretch a budget to cover both everyday living expenses and new home furnishings.

Don't let tight money mar the foundations of your new lifetime partnership. Instead, work out a reasonable budget, figure out mutual priorities where money should be spent, and take advantage of money-saving tips whenever possible.

Here are some ways you may be able to economize without feeling the "pinch":

• Whenever possible, cook from scratch. Convenience foods generally cost more than the basic ingredients needed to cook the same meal. And your personal culinary efforts are sure to produce a better tasting meal, as well.

• If you have a choice between washing or dry cleaning a garment, do wash it — it costs less. (Check the clothing manufacturer's sewn-in permanent care label to be sure.)

Dry cleaning bills can eat away at your budget, so skimp on this "luxury" whenever possible. You can easily do this on dry cleanable items too, if they are only spotted or slightly soiled. Apply K2r® Spot-lifter to the dirty spots; when the spot-lifter dries, just brush the remaining white powder and the spot away.

• Plan ahead when buying furniture. Unless your first apartment or house is the one you intend to live in for several years, it may be more practical not to purchase expensive furnishings right away. Keep future plans in mind, and try to choose furniture you know you'll be able to use later on.

• Do leave room in your budget for entertaining and evenings out. After all the work of setting up a new household, both you and your new husband deserve time to play and enjoy being married.

Bridal showers forecast

Looking for an unusual theme for a bridal shower? Think about a garden shower, whether or not the future bride will really have a garden out of doors. Clusters of potted plants in an apartment need lots of TLC and will bring many hours of delight.

Guests can bring seeds, flowering bulbs, unusual plants, handsome pots, plant stands, planting tools, books on growing greens and flower arranging.

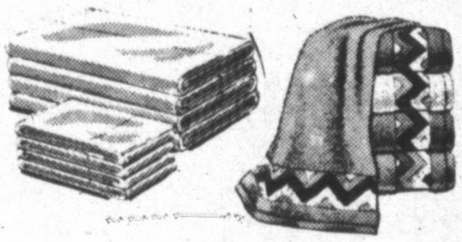

Another unusual idea would be a wine shower with an assortment of wines, wine glasses, graceful carafes, pitchers and even cheese boards.

Imagine the delight of the novice cook, being feted with a recipe shower. Each guest brings her favorite recipe or two and a suitable dish in which to prepare it. The possibilities are endless.

Appliance advice: Brides, think twice!

Now that you're making plans to furnish a home for the first time, here's some timely advice: think about your future needs when you buy kitchen appliances, especially a refrigerator or a dishwasher.

For example, your immediate needs may call for only a moderate-size refrigerator. But you should consider the many advantages of a unit which has freezer space adequate to your future needs as your family grows.

Government studies show that most families keep their refrigeration products anywhere from 14 to 20 years, so it's apparent that you can realize savings from being able to buy bargain quantities of foods to store in your freezer section.

Moreover, buying a refrigerator with energy-saving and convenience features also can save money and increase the long-range usefulness of the appliance. Many models from Hotpoint, for example, have a "Power Saver" switch to help save electricity, and dual temperature controls so that you can set your own temperature for either section.

These refrigerators also roll-out on adjustable wheels for easy cleaning or decorating, and have door stops to prevent damage to adjacent walls and cabinets. Of course, they never need defrosting.

Another appliance for which you should keep future needs in mind is the dishwasher. Many Hotpoint models move easily on wheels, making them convenient for apartment use, or where kitchen space is at a premium. But they're also convertible, so you can build them in under the counter when you remodel your kitchen or move at some later date.

These "Whisper Clean" dishwashers are sound-insulated, and the two Dish-Potwashers have a special cycle that can scrub away, with brushless water action, stubborn soil on pots, pans and casserole dishes. But they also can wash fine china and delicate crystal.

Of special interest on the two Dish-Potwashers is a power-saver option. It lets the dishes dry without added heat after the wash cycle is complete. Hotpoint engineers point out this can mean savings in electricity to operate the dishwasher in a normal cycle.

MIDDLE EAST CUSTOM

Why do we throw shoes after the bride? Probably it dates from the ancient Middle East, where men would exchange their sandals to symbolize the exchange of property. So shoes signify transfer of authority from the bride's father to her husband.

ORANGE BLOSSOMS

The orange blossom has been a bridal flower since ancient times. The goddess Juno gave Jupiter a "golden apple" on their wedding day — some say the golden apple was an orange; thus its blossom became associated with happiness in marriage.

Family meeting initiated by the groom's family

The first contact between the bride's and groom's families should be initiated by the groom's parents. This can be done by a simple telephone call or letter extending an invitation to dinner at home or in a restaurant.

The bride and groom may wish to attend, if only to perform the necessary introductions.

Should the groom's family not make the initial overture, it is perfectly proper for the bride's parents to do so.

In those cases where the parents live at too great a distance from each other for a convenient get-together, a congenial letter from the mother of the groom is acceptable.

Dates for dates

If your rehearsal dinner is to be a big splashy cocktail and dinner affair, it is perfectly proper for your attendants to bring their dates. In that case make sure that invitations are sent out to all your guests, including their dates.

In any case, whether you're having a dinner or a barbecue, the final decision on bringing dates will be up to the host of the evening.
