SAFETY RULES For Drivers:

- 1 Give full protection to children crossing the street not only at school intersections, but elsewhere.
- 2 Know that your car is absolutely safe mechanically; brakes, tires, horn and lights. All should be dependable.
- 3 Remember the law regarding the right of way, and of coming to a full stop when children are entering or leaving the buses.
- 4 Keep your car under control at all times when nearing a school bus.
- 5 Don't gamble a few minutes of your time against the safety or the life of a school child.

A PROCLAMATION

WHEREAS, the Lamesa and Dawson County Schools will soon be in full swing, with hundreds of school children making their way to and from these schools.

And, WHEREAS, special attention is herein called to the law regarding the full recognition of the rights of the school and of the children, that all vehicles shall come to a complete stop while children are getting on or off a school bus. That all motorists shall drive slowly and carefully during the period when children are going to and from school; that all motorists shall adhere to the speed law within the confines of all school zones.

And, WHEREAS, all school children must respect the rights of the motorists and all school children are requested not to cross streets except at regular street crossings and as near the school grounds as possible. That no child should run into the street just in front or just behind a parked car or other obstruction that might hide their appearance from on-coming motorists.

Now, WHEREAS, this is a proclamation issued only for the safety of our children and for the welfare of our motorists.

Signed: JACK PHINIZY,
Chief of Police.

SAFETY RULES For Children:

- 1 Remember to cross the streets at school intersections only. Never run when crossing the street or road.
 - 2 Don't loiter in crossing the street when a motorist is waiting for you to get safely over.
 - 3 Remember streets and curbs are not play-grounds. Do not use them for that purpose.
 - 4 Do not walk out into the street or highway between parked cars or other obstructions.
- As you step from the curb . . . look to your left. As you near the center of the street or road . . . look to your right.

Drive Carefully Don't Trust Your Life and the Lives of Others to Any Tire Except the Safest Thing On WHEELS

Will you be one of the unfortunate motorists of the United States who will this year experience the sickening thud of steel against flesh, the cry of anguish that will mean the injury or death of some child? We sincerely hope you are among the fortunate who will escape such an experience.

Don't take any unnecessary chances . . . drive carefully . . . and above all see that your car is in A-1 shape in every respect. One of the greatest dangers to modern motoring is slick, worn tires. You are not only constantly threatened with accidents due to blow-outs, but when brakes are applied to smooth tires, your chances of stopping in any emergency is greatly lessened. With the new patented tread of Goodrich Silvertown Safety Tread, you are guaranteed a smooth, even, quick stop, without danger of swaying or skidding.

And Yet You Will Find That Goodrich Silvertowns Cost No More Than Any Ordinary First Line Tire!

CHECK YOUR BRAKES

Drive in and let us check them on our dynamic brake-testing machine. Be Sure!

CHECK YOUR WHEELS

Faulty wheel alignment is dangerous. Let us inspect them now - without delay!

CHECK YOUR LIGHTS!

Be sure that your lighting system is in perfect condition for school days!

CHECK YOUR MOTOR

Make certain that your motor will respond to every emergency. Don't guess!

The schools are doing great work educating children in the rules of safety. You'll find lots of parents who caution the youngsters constantly about crossing streets. But when it comes right down to it, it depends on you - the MOTORIST. All the safety rules in the world can't make up for faulty brakes. The most careful youngster in town hasn't a chance when he's crossing your path in a blinding rain with your windshield wiper out of order.

Let's make up our minds now that this will be a safe year in Lamesa. Let's make up our minds that we'll think of these youngsters . . . who may be careless at times . . . and their parents too, by driving a car that is mechanically sound and as safe as it can possibly be. Drive a SAFE CAR. Give the youngsters the right of way. You may save a life!

Miss Margaret Chumbley Becomes Bride Of Mr. Sam Cates In Home Ceremony

In a simple ceremony in the home of the bride's mother, Saturday evening at the twilight hour, Miss Margaret Chumbley, daughter of Mrs. Nell Chumbley, became the bride of Sam Cates, son of Mr. and Mrs. W. F. Cates of Jefferson, Texas. The Rev. T. C. Willett, pastor of the First Methodist Church, read the marriage vows, using the double ring ceremony.

The bride was very attractive in a black and white pin stripe suit with a white blouse and black and white accessories. She wore a shoulder corsage of American rosebuds.

Coming from Dallas about five

years ago, Mrs. Cates has made her home in Lamesa where she has been connected with the Southwestern Telephone Company, and for the past year has been bookkeeper at the Taylor-McCall Drug Store.

Mr. Cates has made his home in Lamesa for the past several years, working at the Cates Service Station, where is a co-owner.

After the wedding trip the young couple will make their home at 400 North Travis.

Those attending the wedding were the bride's mother, Mrs. Nell Chumbley, and Mr. and Mrs. Oliver Cates.

Miss Madge McClendon Becomes Bride Of Wayne McClintock Last Sunday

Of interest to their many friends was the wedding of Miss Madge McClendon, daughter of Mr. and Mrs. T. N. McClendon, to Wayne McClintock, son of Mr. and Mrs. W. C. McClintock, which took place Sunday, August 27, at 8:15 a. m. Rev. T. C. Willett, pastor of the Methodist church, read the single ring ceremony.

The bride was attractively attired in a tuscany crepe dress with black accessories. Her shoulder corsage was of pink sweetheart roses.

Mrs. McClintock is a member of a long time resident family of Dawson County and is a graduate of Lamesa High School. Since 1935 she has been employed with the Farm Security Administration office in this city.

Mr. McClintock is also a member of a pioneer Lamesa family and is employed at the Green Hut Cafe.

After a short wedding trip to Carlsbad and other points in New Mexico the couple will return to Lamesa to make their home and continue their work.

The only attendants at the wedding were Roberta Thurman, Jimmie Britt and Lois Thorp.

Buck Wynne of Wills Point is here this week attending to business and visiting with friends.

Mr. and Mrs. L. Berry and family returned this week from a visit with relatives and friends in Paris and other points in East Texas.

Picnic Supper And Pictures Enjoyed Wednesday Evening

The Woman's Missionary Society of the First Methodist Church sponsored a picnic supper which was held at the church Wednesday evening, honoring Mrs. Bill Wallace and children of New Orleans, formerly of Lamesa.

After the picnic supper Mrs. Wallace showed a group of pictures that were made during the time that Brother Bill Wallace was pastor of the First Methodist Church here. Other pictures which were made during a visit in Old Mexico were also shown.

About 150 guests attended.

Turnbow-Stephens Reunion Held Sunday

The Turnbow-Stephens reunion met at the Lamesa City Park, Sunday, August 27th, for the first time. Lunch was served on the grounds. After the delicious lunch an enjoyable afternoon was spent playing and talking.

Members of the family were present from Abilene, Weinert, Goldsmith, Oklahoma, Patricia and Lamesa, and totalled around fifty.

Marshall Middleton Honored On 9th Birthday

Marshall Dean Middleton was honored on his 9th birthday on Monday afternoon at 4:00 o'clock at his home, 312 North Wason.

Various games were played during the afternoon. Presents were presented and at 5:00 o'clock refreshments were served to Billie and Gloria Womack, T. J. Womack, Betty Cope, Richard Wayne McKuen, Harland and Clarence Nolen, Billie Thurman, Helen and Harold Whitley, Corene Middleton.

Bill Roberts Honors Out of Town Guest Monday Evening

On Monday evening Bill Roberts entertained at their home on North First Street for Bob Wallace of New Orleans with an informal get-together for their many friends.

Various out door games were enjoyed during the evening.

Those attending were Misses Helen Ruth Cope, Nadeline Fisher, Elwanda Gilbert, Della Mae Wood, Peggy Elland, Ernestine Gambill, Sarah Elland, Katheline Webb, Ann Coleman, Elmerine Barron, Messrs. Bob Wallace, Bill Wallace, Malcolm Harp, Jack Vaughn, Bob Crawley, Chuck Jacobs, Skeet Norret, Marion Key, Edwin Forrest, Braswell Gilbert, and Bill Roberts.

Interesting Program Presented At First Baptist Church

A program of unusual interest was given at the First Baptist Church, Monday afternoon by the Young People's organizations. Mrs. R. F. Nix, the Young People's leader, presided at the meeting which took the form of an oriental party. The devotional, music, and program were based on Matt. 9:36 presenting the children of the Orient as "Sheep Without a Shepherd."

The Sunbeams in oriental costume were first presented, each carrying a Japanese doll, the gift of the Junior Girls Auxiliary. This group, sponsored by Mesdames Roscoe Holton, and Tarter, are doing definite missionary work in supporting a native girl in Nigeria, Africa, and contributing to refugee work in China.

The Junior G. A. in costume then represented the "Ladies of the fan in the Sunrise Kingdom." Each carried a fan as a gift from the Intermediate G. A. These girls are sponsored by Mesdames R. E. Speck and Max Gray.

The Intermediate G. A. gave a very interesting and instructive presentation of the "First Ladies in China." Their president, Mary Mallory Kelly, represented China's First Lady, Mme. Chiang-Kai-Shek, and others impersonated leading women in China. Mrs. R. F. Nix, sponsor of this group, presented each girl with a small hand sketch which came from China.

At the close of the program the guests were served tea and wafers in true Japanese style. An interesting feature of the "tea room" was a beautiful picture and vase which Dr. and Mrs. Bledsoe brought from China and gave to Dr. and Mrs. Nix. Each guest received a small pencil sketch of a scene in the Orient as a gift from the Intermediate G. A.

Elizabeth Lee Davis entertained Monday evening for a group of her friends with a slumber party.

Various games were enjoyed during the evening.

Those attending were Misses Ramona Eager, Nina Pay Bennett, Virginia Ann Hillard, Virginia Lindsey, Kathline Webb, Elmerine Barron, Mary Louise Tinkler, Thelma Jo Gray of Dumas, Carol Jacobs and the hostess Miss Davis.

Ginners-Buyers In Saturday Meet

A meeting of the Ginners and Cotton Buyers of Dawson County and representatives of the office of the Dawson County A. C. A. was held at 2:00 o'clock p. m. in the district court room Friday. The purpose of the meeting was to discuss the regulations pertaining to the ginning and marketing of cotton this year.

A discussion was also held on the procedure to be used in filling out the various forms required in the ginning and marketing of cotton. It was brought out at this meeting that farmers are urged to be careful this year in presenting the right marketing card to the ginner in order that the farm on which the cotton was produced may be given credit, also that any producer who has carryover cotton should notify the county office immediately and receive instructions as to how to market this cotton without being subject to penalty.

Fortytwo Credits Now Offered By Lamesa Schools

Ranks Among Better Schools of the State

Lamesa high school is accredited for FORTY-TWO annual credit courses, which are fairly evenly distributed for the four years. These subjects are thought to be balanced as to regular school and vocational content. Parents and pupils whose opinions are not formed as to selections are invited to confer with the Principal regarding subject choices in the light of the pupil's ambitions after completing high school.

The following subjects are intended for the school year indicated and deviations are permitted only in unusual circumstances. Four annual courses make the maximum pupil load with some pupil activity to be chosen on non-credit basis.

FIRST YEAR: Algebra 1, English 1, General Science, Home Economics, Physiology-Commercial Geog., Ancient History, Music-Vocal, Music-Band, Latin 1, General Mathematics.

SECOND YEAR: Algebra 2, English 2, Biology, Home Economics, Modern History, World History, Typing, Music-Vocal, Music-Band, Latin 2.

THIRD YEAR: English 3, American History, Chemistry, Home Economics, Plane Geometry, Typing, Shortland, Texas History, Music-Vocal, Music-Band, Diversified Occupations, Spanish 1, Latin 1.

FOURTH YEAR: English 4, Civics, Physics, Home Economics, Home Nursing, Typing, Shortland, English History, Music-Vocal, Music-Band, Diversified Occupations, Spanish 2, Latin 2.

Misspelled Word Contest Winners Named For Week

NOTE: Subjects marked * are required for graduation. Pupils intending to attend college should take two years of a foreign language, and two years in natural sciences. Pupils for engineering colleges should take four years mathematics. Students nurses must have chemistry. Typing is pre-requisite to shorthand.

Final Contest Will Be Held This Week

Once again there are five winners in the Courier's big Misspelled Word Contest which closed Tuesday at noon.

There was more interest this week than has been manifest since the contest started and more entries.

First place and \$125 cash goes to Mrs. Toney Holt, Box 22, Lamesa. The other winners are Wayne Crawford, Star Route 4, Earl Moore 712 South Fifth, Sarah Land, 1106 South Fourth, and Jimmie Stanfield, 511 South Houston. The last four named winners will be awarded tickets to the Palace and Majestic Theatres. If the winners will call at the Courier office they will receive their awards.

Your attention is called to the final ad which appears in this issue of the paper. This is your last opportunity to win as this is the last ad in this series.

Look up the ad, get out your pen-

cil and paper and try your hand at reading proof. You will find it interesting and entertaining and you might be one of the winners. There will be \$125 in cash and four theatre tickets awarded the winners again this week.

UNION-

(Continued from Front Page)

Addition of the gymnasium-auditorium unit, which was completed late last spring, will make possible for the first time adequate facilities for the promotion of social and physical education programs, which have been decidedly handicapped in the past. Other improvements added this year are a football field, set up in an adjoining pasture, and swings and a merry-go-round for the elementary grades.

Sodding of the front part of the campus in grass, and growing of flowers and shrubs have added greatly to the appearance of the campus.

Members of the faculty are P. K. Humes, superintendent; Ray Culp, high school principal; B. F. Sumner, elementary grade principal; J. Logan Green, vocational agriculture; Mrs. L. R. Pittman, vocational homemaking; Lynn Alford, social sciences and coach; Mrs. Gertrude Day Eldridge, elementary grades; James A. Cowan, grade school; Catherine Troxell, public school.

schol music and art; Loraine McMillon, second grade; Mrs. Lela Seal Gandy, primary; Mrs. Lynn Alford, grade school. Mr. Green, Mrs. Pittman and Miss Troxell are the new teachers in the faculty. Pupils enrolling, particularly those who are transferring from other schools, are requested by the superintendent to have book cards and report cards. Particular attention is also called to the recent interpretation of the new transportation law, which appears in another article in this paper. This law makes clear who is eligible under law to ride school buses.

CHANGES-

(Continued from Front Page)

(C) Any pupil living less than two and one-half miles must pay their own way.

The penalty attached to this bill is that any school not abiding by the provisions forfeits all aid and the driver of the bus carrying students who are ineligible must be discharged by the county board.

Confusing reports have reached this county as to how this law would be enforced. A letter giving this interpretation was received this week from the State department which reads as follows:

"In answer to your letter of Aug. 16, I regret to say that to my knowledge it is not possible to make any sort of arrangements for a child to ride the school bus unless either the State or the child pays the transportation. Since the State cannot pay transportation on these children within the two and one-half mile zone, then it is necessary that they pay their own way."

TORNADOES-

(Continued from Front Page)

With the completion of the commodious new grandstand and the fine sod of grass which has grown over McCollum Field this summer, fans are looking forward with a great deal of anticipation to a most interesting and exciting season.

As has been announced before, the Tornados will go into District Three this year, to compete with Abilene, Sweetwater, San Angelo, Big Spring, Midland and Odessa. It is felt that the local fans will have a much better chance in this district than in District One which they played in last year, and which incidentally, is considered one of the toughest districts in the State.

A detailed schedule of the season will be given at a later date in the Courier. Season tickets may be purchased at Taylor-McCall Drug Store, it was announced.

FARMERS-

Farmers can assist by checking through their recent mail from this office. If they have the crop summary sheet—bring it in immediately. Provided the sheet has been lost—and the farm was measured prior to August 15, 1939, the farmer should call at the office and have a copy made immediately.

TO LEAVE FOR SCHOOL

Arlee Gowan, who has been employed with the Lamesa Reporter, will leave next week for Lubbock, where he will enroll in Texas Tech. He has accepted a position with Wood Printing Company of Lubbock, where he will be employed outside of school hours during the winter.

Lamesa Lions Go To Lubbock Meet

Several members of the Lamesa Lions Club attended a meeting of Zone 4 at Lubbock last Tuesday evening.

A. G. Bearden, District 2-T Governor, addressed the body, as did Guy Weekes and Mayor W. L. Marr. Bearden told of the districts program for increase of membership and clubs this year. Guy Weekes discussed club membership.

It was voted to hold the next quarterly meeting at Plainview. The date for the meeting, however, has not been announced.

Six of the eight clubs that compose the zone were represented at the meeting. Only Brownfield and Dimmitt, failing to register any representatives.

Lamesa Rotary Will Organize Club At Snyder

The Lamesa Rotary Club held a most interesting and entertaining meeting last Friday at their regular noon session.

Mrs. W. J. Beckham entertained the group with songs and renditions on the accordion. These were greatly enjoyed as she is an accomplished and talented musician.

Hon. Carl Rountree addressed the club on living conditions abroad as compared with those in America. His talk was interesting as well as very educational.

Joe Pierce, who has charge of the attendance at the local club, again warned the membership that a true Rotarian attended, not because of compulsion, but simply because he loved Rotary.

Plans were also discussed relative to the organization of a club at Snyder. Carl Rountree heads a committee from the Lamesa club to assist in that organization.

Mattress Factory In New Building

With the construction of a new frame building going forward at a very rapid rate, the Quick Service Mattress Factory will soon move into their new quarters. The building is located just south of Roberts Grocery. It is of frame construction and is 24x40 feet. Mr. and Mrs. E. B. Carlisle are the owners. They are now located on the Stanton Road in the outskirts of Lamesa.

Commissioner Bryant moved that the ordinance pass the third and final reading, seconded by Commissioner Sanders and carried by the following vote:

AYES: Three
NOES: None

Carried; ordinance passed third and final reading.

Commissioner Bryant then declared the ordinance finally adopted.

THE ORDINANCE IS AS FOLLOWS:

An ordinance by the City Commission of the City of Lamesa, Texas, closing hearing and levying assessments for a part of the costs of improving a portion of Dallas Street and sundry other streets in the City of Lamesa, Texas, and providing for the collection of such assessments, and for the issuance of assignable certificates in evidence thereof, and declaring an emergency:

WHEREAS, the City Commission of the City of Lamesa, Texas, has heretofore ordered that the below mentioned portions of streets in said city be improved by raising, grading and filling, and by installing concrete curbs and gutters, and arrangements for the making and construction of such improvements was entered into with the City of Lamesa, said streets being as follows:

East and West sides of Dallas Street from N 1st to N 14th, East side of Dallas Street from South 1st to alley between S 4th and S 5th. West side of Dallas Street from South 1st to S 4th. South 1st Street from Houston St. to Bryan Street, finishing paving in the center of this street and filling in gap in front of Lot 2 Block 1 of Depot Addition. Main Street from S 2nd to S 3rd on North and South sides. South 2nd Street from Dallas to Main on North and South sides. Austin Street from N 3rd to N 4th on East and West sides. Austin Street from S 2nd to South side of Lee Street, on East and West sides. South 3rd Street from Dallas to Main on North and South sides. North First Street from north side in front of Lots 7 and 8 in Block 20 Original Town.

WHEREAS, the City Engineer prepared rolls or statements for the improvements in each District or unit, showing the amounts to be assessed against the various parcels of abutting property, and the owners thereof, and showing other matters and things, and same were examined by the City Commission and approved, and a time and place was fixed, for a hearing to the owners of such abutting property, and to all others in any wise interested, and due and proper notice was given, and such a hearing was had and held at the time and place fixed therefor, to-wit: on the 14th day of May, 1938, at the City Hall in Lamesa, Texas, and at such hearing all desiring to be heard were fully and fairly heard, and evidence was received and considered, and all protests and objections made were in all respects held in the manner provided by law, and the following protests were made concerning the improvements:

THAT THE FOLLOWING DISPOSITION SHOULD BE MADE OF SUCH MATTERS, AND THAT ASSESSMENTS SHOULD BE MADE AS HEREIN ORDAINED. THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF LAMESA, TEXAS: That,

I. All protests and objections, whether herein specifically mentioned or not, shall be and the same are hereby overruled and the said hearing with respect to each and all of said units of paving is hereby closed.

II. The City Commission, from the evidence finds that the assessments herein levied shall be made and levied against the respective parcels of property abutting upon the said portions of streets, and against the owners of such property, and that such assessments are right and just, and establishes substantial justice and equality and uniformity between all parties concerned, considering benefits received and burdens imposed, and further finds that in each case the abutting property assessed is specially benefited in the enhancement value thereof by means of the improvement in the unit upon which the particular property abuts, and for which assessment is levied, in a sum in excess of the assessment levied against same by this ordinance, and further finds that the apportionment of the costs of the improvements is in accordance with the proceedings heretofore taken and had with reference to such improvements and is in all respects valid and regular.

III. That there shall be and is hereby levied and assessed against the parcels of property, hereinbefore mentioned and against the real and true owners thereof, whether such owners be correctly named herein or not, the sums of money below mentioned and itemized shown opposite the description of the respective parcels of property; the descriptions of such property, and several amounts assessed against same, and the owners thereof, being as follows:

The City of Lamesa shall pay all costs of paving the portion of said streets intersecting alleys and other unpaved streets except where hereinafter specified:

IV. That the assessments so levied are for the improvements in the particular Unit upon which the property described abuts, and the assessments for the improvements in one Unit are in nowise related to or connected with the improvements in any other Unit, and in making assessments and in holding said hearing the amounts so assessed for improvements in one Unit have been in nowise affected by any fact in any wise connected with the improvements, or the assessments thereof, of any other unit.

V. That the several sums above mentioned assessed against said parcels of property, and against the real and true owners thereof, and interest thereon at the rate of six per cent per annum, together with reasonable attorney's fees and cost of collection, if incurred, are hereby declared to be and made a lien upon the respective parcels of property against which the same are assessed, and a personal liability and charge against the real and true owners thereof, whether or not such owners be correctly named herein, and such liens shall be and constitute the first enforceable claim against the property assessed, and shall be a first and paramount lien, superior to all other liens and claims, except State, County and Municipal Taxes, and the sums so assessed shall be payable as follows, to-wit:

In fine equal installments, the first payable on or before ten (10) days after the completion and acceptance by the said City of the improvements in the unit upon which the particular property abuts, the second installment due on or before one year from said date of completion and acceptance, the third installment due on or before two years from said date of completion and acceptance, the fourth installment due on or before three years from said date of completion and acceptance, the fifth installment due on or before four years from said date of completion and acceptance, and such assessments shall bear interest from the date of such completion and acceptance at the rate of 6 per cent per annum, payable annually with each installment, so that upon completion and acceptance of the improvements in a particular unit assessments against the property abutting upon such completed and accepted unit shall be and become due and payable in such installments, and with interest from the date of such completion and acceptance, provided that any owner shall have the right to pay off the entire assessment, or any installment thereof, before maturity, by payment of principal and accrued interest, and provided further that if default shall be made in the payment of any installment promptly as the same matures, then the entire amount of the assessment upon which such default is made shall, at the option of the City of Lamesa, or its assigns, be and become immediately due and payable, and shall be collectible with reasonable attorney's fees and costs of collection, if incurred.

VI. The City of Lamesa shall not in any manner be liable for the payment of any sums hereby assessed against any property and the owners hereof but said City of Lamesa shall look solely to said property, and the owners thereof, for payment of the sums assessed against the respective parcels of property; but said City shall exercise all of its lawful powers to aid in the enforcement and collection of said liens and assessments, and if default shall be made in the payment of any assessments, collection thereof shall be enforced by sale of the property by the Tax Collector and Assessor of the City of Lamesa as near as possible in the manner provided for the sale of property for the non-payment of ad valorem taxes, or at the option of the City of Lamesa, its assigns, payment of said sums shall be enforced by suit in any court having jurisdiction.

VII. For the purpose of evidencing the several sums assessed against the said parcels of property, and the owners thereof, and the time and terms of payment, and to aid in the enforcement thereof, assignable certificates shall be issued by the City of Lamesa upon the completion and acceptance of the work in each Unit of improvement as the work in such Unit is completed and accepted, which certificates shall be executed by the Mayor in the name of the City, attested by the City Secretary with the corporate seal, and shall be payable to City of Lamesa or its assigns, and shall declare the said amounts and the time and terms of payment and date of interest and date of completion and acceptance of the improvements for which the certificate is issued, and shall contain the name of the owner as accurately as possible, and the description of the property by lot and block number, or front feet thereof, or such other description as may otherwise identify the same, and if the said property shall be owned by an estate, then to so estate the description thereof as so owned shall be sufficient, or if the name of the owner be unknown, then to so state shall be sufficient, and no error or mistake in describing any property, or in giving the name of any owners, shall in any wise invalidate or impair the assessment levied hereon or the certificate issued in evidence thereof.

The said certificates shall further provide substantially that if default shall be made in the payment of any installment of principal or interest when due, then, at the option of City of Lamesa, or its assigns, the whole of the said assessment evidenced thereby shall at once become due and payable, and shall be collectible with reasonable attorney's fees and costs of collection, if incurred. And said certificates shall set forth and evidence the personal liability of the owners of such property and the lien upon such property, and shall provide in effect if default shall be made in the payment thereof the same may be enforced either by the sale of the property by the Tax Collector and Assessor of the City of Lamesa, as above recited, or by suit in any court having jurisdiction.

The said certificates shall further recite in effect that all proceedings with reference to making said improvements have been regularly made in compliance with the law in force and proceedings of the City of Lamesa, and that all prerequisites to the fixing of the lien and claim of personal liability evidenced by such certificates have been regularly done and performed, which recitals shall be evidence of the matters and facts so recited, and no further proof thereof shall be required in any court.

And the said certificates may have coupons attached thereto in evidence of each or any of the several installments thereof, or they may have coupons for each of the main certificates for the fifth, said certificates may further provide substantially that the amounts payable thereunder may be paid to the Collector of Taxes of the City, who shall issue his receipt therefor, which receipt shall be evidence of such payment upon any demand for the same, either by virtue of the said certificate or any contract to pay the same entered into by the property owners, and that the Collector of Taxes will deposit all sums so received by him forthwith with the City Treasurer, and upon the payment of any installment with interest upon the surrender of the coupon therefor, receipted in full by said Contractor, or other holder of said certificate, the City Treasurer shall pay the amount so

collected and due thereon to said Contractor, or other holder, which coupons so receipted shall be the Treasurer's Warrant for payment. And the said certificates shall further provide in effect that the City of Lamesa shall exercise all of its lawful powers, when requested so to do by the holder of said certificates, to aid in the enforcement and collection thereof, and said certificates may contain other and further recitals pertinent and appropriate thereto. It shall not be necessary that said certificates shall be in the exact form as above set forth, but the substance and effect thereof shall suffice.

VIII. The assessments levied by this ordinance for the improvements in each Unit are altogether separate and distinct from assessments in each and every other unit. The assessments for improvements in one unit are in nowise affected by the improvements in any other unit, and in making and levying assessments the costs of the improvements in each Unit, the benefits by means of the improvements, and all other matters and things with reference to the improvements in each Unit, have been considered and determined altogether without reference to any such matters in any other unit, and the omission of the improvements in any unit shall in nowise effect or impair the validity of assessments for the improvements in any other unit. The omission of improvements in any particular unit in front of any property exempt from the lien of such assessments shall in nowise affect or impair the validity of assessments against other property in that unit.

IX. No mistake, error, invalidity, or irregularity in the name of any property owner, or the description of any property, or the amount of any assessment, or in any other matter or thing, shall in any wise invalidate or impair the assessment levied hereon or any certificate issued, and any such mistake, error, invalidity, or irregularity, whether in such assessment or in the certificate issued in evidence thereof, may be corrected at any time by the City.

X. All assessments levied are a personal liability and charge against the real and true owners of the premises described, notwithstanding such owners may not be named, or may be incorrectly named.

XI. The fact that the City of Lamesa, Texas, is in urgent need of street improvement in order to serve the best interests and general welfare of its citizens, creates an emergency and an imperative public necessity that the rule requiring ordinances to be read at more than one meeting of the City Commission before final passage, be suspended, and such is hereby suspended, and it is ordained that this

ordinance shall take effect and be in force immediately upon its passage and approval. Passed and approved this 22nd day of August A. D. 1939.

W. L. Marr, Mayor.

Attest: B. D. Wiggins, City Secretary. (SEAL)

REMOVAL ANNOUNCEMENT

We wish to announce to our friends and customers that after this week we will be in our new location in the

Skipworth Building

On Highway 87 Across Street From Lamesa City Hall

There has been circulated certain rumors that Sherrod Bros. were going to close their business in Lamesa. This is entirely unfounded, as we are making future plans which will further insure the permanency of our business here.

We feel that we will be in better position to serve you in this new location and we invite you to come to see us.

We will continue handling Butane Products, including gas systems, all kinds of appliances, and radios.

You will find that we can save you money on the installation of a Butane Plant in your home, as well as the appliances you will need. Come to see us!

MEETING AT WELCH

Announcement was made this week that beginning Saturday night September 2nd, Elder G. B. Shelburne of Abilene, will conduct a meeting at the Church of Christ at Welch, north of the west gin. Prof. A. D. Talley, of Barstow, will conduct the singing. The general public has a cordial invitation to attend these services.

MINISTERIAL ALLIANCE

The committee for selecting Saturday preachers has chosen Brother J. B. Wharton, local pastor of the Assembly of God, to speak on the Court House lawn this Saturday at 3:00 o'clock. This type of service has been highly praised by visiting ministers. Let the people of Dawson County realize this is a good thing and gain spiritual help from these messages.

CHRISTIAN CHURCH

ACKERLY BAPTIST CHURCH

Our services were well attended last Sunday with 83 on time. We had three additions to the church Sunday morning: one conversion in the evening service and two young married people dedicating their lives to the service of the Lord and one in the morning service. This brings our additions to the church up to 99 during the past 16 months. Our annual Association meets at Seminole the 5th and 6th of September with the First Baptist church of that place. We hope every church in the Association will elect and send representatives to this meeting. The meeting promises to be inspirational and informational, and we are to have some denominational speakers on hand.

CHURCH OF THE NAZARENE

LAMESA CIRCUIT NOTES

As we enter the fall quarter of our church year, we are thankful

for a good summer season. Our revivals have been well attended and of great blessing to our hearts. With the month of September we get back on our regular schedule of preaching appointments. Next Sunday, September 3rd, Nolan Chapel. September 10th, Welch. September 17th, Hancock. September 24th, Welch. Short Serious Services. Soul Saving Sincerity. Rev. Jack Thompson, Pastor.

WOODY W. M. U.

The Woody W. M. U. will meet Monday afternoon, September 4th, instead of Tuesday, September 5th. The Association meets Tuesday and Wednesday. There is a large number expected to attend. Please keep this in mind and meet with us.

THEREFORE, BE IT RESOLVED BY THE CITY OF LAMESA, TEXAS; THAT,

I. Said rolls or statements be and the same are hereby adopted and approved.

II. That a hearing be given and held by and before the City Commission of Lamesa to the owners of property abutting upon said streets and alleys to be improved, and to all others in any wise interested or affected, concerning said improvements, the amounts of the proposed assessments against abutting property and the owners thereof, concerning the apportionment of the cost of said improvements and the descriptions of property, names of owners, regularity of proceedings, and concerning all other matters and things in connection with such rolls or statements as which anyone is entitled to be heard under the Law and Charter with amendments in force in said City, and the proceedings of the City with reference to said improvements.

The portions of streets and alleys to be improved and in connection with such rolls or statements are adopted being set forth in the form of notice herein below prescribed.

III. Said hearing shall be held in the regular Commission meeting room of the City Hall in the City of Lamesa, Texas, on the 12th day of September, 1939, at 2 o'clock P. M. and may be continued from time to time until the purposes thereof are in the opinion of the Commission fully accomplished and such hearing shall in all respects be conducted in accordance with said charter with amendments, law and proceedings.

IV. The City Secretary is directed to give notice of the time, place and purpose of such hearing by causing notice in substantially the form hereinbelow prescribed to be published at least three times prior to the date of said hearing in a newspaper published in and of general circulation of the City of Lamesa, Texas, the first of which publications shall be at least ten days before the date for such hearing, and the form of which notice shall be substantially as follows:

NOTICE
To the Owners of Property Abutting upon the Hereinbelow mentioned Portions of Streets, and to All Others Affected:
The Governing Body of the City of Lamesa has heretofore ordered that the following portions of streets, in said City of Lamesa, Texas, be improved by raising, grading and filling and paving and by installing concrete curbs and gutters, and otherwise to-wit:
Wasson Street from North First Street to North Fourth Street.
South First Street from Bryan Street to Roosevelt Street.
Main Street from North Second Street to North Fourth Street.
North First Street from the East End of the present pavement to Connor Street.
South Fourth Street from Dallas

Street to Connor Street.
Connor Street from South Fourth Street to South Fifth Street.
and arrangement for the making and construction of such improvements with pavement of triple course asphalt surface treatment (inverted penetration type) on a Six (6) inch compacted cutiche base has been made and entered into by the City of Lamesa, Texas, and rolls or statements showing the proposed amounts to be assessed against abutting property and the owners thereof have been filed with the City, such rolls or statements showing other matters and things, and have been approved, and the City Commission of said City has fixed a time and place for hearing to the owners of property abutting upon said portions of streets, and to all others affected, at which hearing the amounts to be assessed against the respective parcels of abutting property and the owners thereof for improvements in the units upon which the particular parcels of property abut, the amounts of benefits to the respective parcels of property by means of the improvements in the unit upon which the particular property abuts, the regularity of the proceedings with reference to such improvements, the apportionment of the cost of such improvements, and other matters and things will be determined, and after such hearing assessments will be made and levied, and such hearing will be had and held by and before the City Commission of the City of Lamesa, Texas, in the regular Commission meeting room in the City Hall, in the City of Lamesa, Texas, on the 12th day of September, 1939, at 2 P. M. o'clock. The rolls or statements showing the proposed amounts of such assessments are on file in the office of the City Secretary and copies thereof are in the office of the City Engineer of the City of Lamesa, and open to inspection of any interested parties at any time, and of all said matters and things all such owners of property, as well as any others in any wise affected or interested, will take due notice.

PASSED AND APPROVED this 22nd day of August, A. D. 1939.
W. L. Marr, Mayor.
Attest:
B. D. Wiggins,
City Secretary.
