City may lose doctor

By TOM JAY GOSS II

The Mitchell County Hospital Board met Tuesday night to receive an audit report, discuss the possibility of losing a doctor, hear the unpleasant news that new Medicare laws are costing the hospital \$600 per case and receive recommendations from the active medical staff.

The possibility of losing Dr. Thomas Aguillon was of immediate

concern, and discussion thereof consumed much of the three hour long session. New Medicare regulations are requiring that a backup physician be scrubbed and standing by when surgery is performed by the leading surgeon. Attention focused on the possibility of acquiring a new physician to assist Dr. Aguillon.

Dr. Aguillon says that "it is premature to com-

ment." What he does not say is probably as important as what he does say. He does not say that he is leaving Colorado City next week or next month nor does he say that he is going to stay forever.

Part of the discussion centered on the possible sale of the Sun Oil Building in order to raise cash to build a new doctor's office, a project that Board Chairman

Bobby Lemons says would help the hospital attract young doctors. The Sun Oil Building was given to the Mitchell County Hospital District and is presently only partially occupied. Tenants include the Coltex Credit Union and the Cable Company.

The Hospital Board gave hospital administration Ray Dillard the authority to begin the search for a new doctor

at once.

The Active Medical Staff (Mitchell County doctors) named the following doctors as eligible to practice in the hospital: Dr. Thomas Aguillon, Dr. George Lindsey, Dr. Bill Jones, Dr. Joe Terry, Dr. Pat Thomas and Dr. Tommy Noonan.

The dental staff named included: the Doctors Bridgford and Dr. Jene Steakley.

The Hospital Board named Dr. Ken Cowan to courtesy practice, a limited type of practice.

The audit report was presented by accountant Joe Morren. The report indicated that at the time of the audit, the Hospital District owed \$100,000 in bonds and \$8,500 in interest. Cash in the bank was \$308,169. The audit was approved by the board.

New Medicare laws, which went into effect on October 1st will cost the local district \$325,000 per year, if the trend continues, according to Dillard.

The new law relates to Diagnostic Related Groupings, or more familiarly "DRG." Medicare pays the hospital

on the basis of the original diagnosis of the case—not on the time or services consumed. For example: Pretend that the diagnosis is "broken leg." Medicare has a certain amount of time and service allotted to that diagnosis—say, three days in the hospital.

Suppose that it takes ten days and fifty x-rays. The hospital district gets only the amount set aside by the original diagnosis from Medicare and the taxpayers of Mitchell County pay the rest. Thus, local taxpayers would pay more than Medicare on this particular situation.

Terrys announce daughters engagement

Dr. and Mrs. Joe C. Terry, Loraine, announce the engagement and approaching marriage of their daughter, Elizabeth, to Ricky Don Peoples, son of Mr. and Mrs. Don Ludlum and the late Don Peoples of Sweetwater.

The bride-elect is a graduate of the Steno-graph Institute of Texas where she graduated as

Miss Marjori Maddox became the bride of Paul Robert Krebs in a candlelight ceremony in the First Presbyterian Church of Sweetwater, Saturday evening.

The double-ring ceremony was performed by the Reverend Roy Byrd of the First Presbyterian Church of Colorado City.

The bride is the daughter of Mr. and Mrs. Joe Price Maddox of Colorado City, and is the granddaughter of Mrs. C. K. Barnes and Mrs. Jimmie Maddox, both of Sweetwater. Parents of the groom are Mr. and Mrs. Michael A. Rigo and the late Norman F. Krebs of Canfield, Ohio.

The altar was decorated with crystal votive candles across the choir rail in fresh huckleberry tips and emerald greenery. Centering the altar was a fresh arrangement of white gladioli and lavender and orchid asters, accented with gypsophila.

The family pews were marked with lavender satin bows. In the windows, crystal votive cups with huckleberry and lavender daisies were used.

The guests were registered by Misses Holli and Angie Neff as they arrived at the church.

Pre-nuptial music was presented by Mrs. James E. Payne, organist. Selections included: "Aria" by Bach, "Moonlight Sonata" by Beethoven, "Theme from an Etude" by Chopin, "Largo" from Xerxes by Handel, "Liebestraum" by Liszt, and Tschakowsky's "Theme from Romeo and Juliet" and his "Andante" from the Sixth Symphony.

The mothers were seated to "O Perfect Love," a selection played by Mrs. Al Brandt.

Mr. Bob Newman provided Purcell's "Trumpet Voluntary in D Major" for special pre-nuptial music, and Beethoven's "Ode to Joy" for the recessional.

The bride, given in marriage by her father,

wore an original gown of lace and Austrian net in candlelight by Phyllis for Bianchi.

Her fitted bodice, with

Queen Anne neckline and elongated waistline was of net, lavishly appliqued with imported re-embroidered Alencon lace and Shiffler embroidery. Tiny seed pearls and paillets traced the lace pattern. The long, tapered sleeves were Victorian style with fullness at the shoulders.

The full skirt of net was enhanced with appliques of lace and the back was in two tiers with a deep scallop of Shiffler embroidery. Shiffler embroidery was repeated on the hemline and the skirt fell into a Chapel train.

Her wreath of lace and silk flowers held her long veil of imported English illusion. The bride carried a cascading arrangement of white rosebuds and stephanotis, centered with candlelight Picot satin and candlelight lace on a white pearl-beaded Bible, carried by her mother on her wedding day.

Maid of honor of Miss Jamelyn Parker of Fort Worth, cousin of the bride. Bridesmaids were Misses Toni Hutto, Dee Ann Griffith, Priscilla Dickson and Mary Holder of Austin; and Mrs. Robert Harrison of Norman, Oklahoma.

Their identical dresses were tea-length taffeta in perfect mauve. The fitted, embroidered bodice featured a scalloped neckline and bell sleeves. A rose of matching taffeta marked the back of each waistline.

The bridesmaids carried wrist bouquets of lavender orchids with twining English Ivy, which were accented with shades of lavender and satin streamers.

Ken Krebs of Columbus, Ohio was the best man. Groomsmen were Fred Krebs of Washington, D.C.; Mark Krebs of Saint Rose, Louisiana; Mike Teets of Canfield, Ohio; Dan Moore of Norman, Oklahoma and Dalton Maddox of Colorado City.

The groom and his groomsmen each wore a charcoal gray cut-away coat, gray vest, black pin-striped trousers, and a black and gray ascot tie, along with a small stephanotis boutonniere.

The mother of the bride wore a dress of peatimum gray silk jacquard. The blouson, trimmed with re-embroidered cotton lace, was sprinkled with iridescent stones and silk shell

pink rosebuds, and sashed with slender satin streamers and bound at the waist. She carried a clutch bag with a lavender cymbidium orchid.

Mother of the groom chose a beige georgette dress with a loose-fitting bodice and tulip skirt. Her wristlet was a tan-accented cymbidium orchid.

Following the ceremony, a reception was held at the Sweetwater Country Club. Guests were received in the ballroom by Mr. and Mrs. Johnny Moore, where round tables, draped with lavender cloths, were decorated with votive candles and greenery.

The four-tiered cake, covered in hand-molded pansies, lilies, iris, roses, daffodils, tulips and various deep-throated blossoms all in their natural bright colors, centered a round table. The bride's table was centered with a hand-painted china vase of fresh lavender orchids, iris and gladioli, where the guests were served coffee and punch from silver appointments.

Members of the house-party included Mrs. James Parker, Mrs. Richard Arthur, Mrs. Temple Dickson, Mrs. Ronney Conner, Mrs. Everett Barnes, Ms. Pat Brandt Smith, Mrs. Lawson Allen and Mrs. Buford Patterson, Misses Cindy Vineyard, Charleigh David, Phyllis Bolton and Barbara Maurer.

The reception was catered by Mrs. Ty Allen.

A combo furnished background music during the reception and for dancing afterward. Rose petals for the traditional going-away celebration were passed out by Nichol and Michael Barnes and Amy and Holly Allen, cousins of the bride.

Following a wedding trip to Jamaica, Mr. and Mrs. Krebs will reside in Norman, Oklahoma. Marjori, a graduate of Colorado High School, will complete her degree in History and Education at the University of Oklahoma, where she is a member of the Delta Delta Delta sorority, captain of the flag corps, and named one of the Top Nine Seniors of OU.

Krebs was graduated from Bowling Green State University with a degree in Business and received is Masters degree in Sports Admini-

stration from The Ohio State University. He is presently employed as the University of Oklahoma Athletic Ticket Manager in charge of sales, promotion and management of tickets for all OU athletic events.

The groom's parents hosted the rehearsal dinner Friday evening at the Abilene Club.

Prior to the wedding, the bride was feted by a series of parties in Norman. A dinner party was hosted by Pam McDaniel and Mrs. Alan Brakefield. Melissa Loving and Charlotte McDaniel gave a miscellaneous shower. Charleigh David, Barbara Maurer, Phyllis Bolton, Cindy Vineyard, Celia Claydon and Christi McLeland hosted a personal shower for the bride. Charles R. Hollingsworth and Haily R. Clark honored the bride and groom with a luncheon in the upstairs dining room of the Security National Bank. Mrs. Robert Harrison, Mrs. Philip Lankford and Mrs. Bill Harrison gave a dinner party for Tri-Delta sorority sisters.

The bride and groom were honored by Colonel and Mrs. Hank Sebastian, Mrs. Jack Patton and Dr. Saul Supowit with a dinner party at the Abilene Club.

In Colorado City, pre-

nuptial affairs included a patio party given by Mrs. Jene Steakley, Mrs. Zollie Steakley, Mrs. W. R. Powell, and Mrs. Ben Sparks; and a wine and cheese party by Mrs. Corky Houston, Mrs. Ronney Conner, Mrs. Bob Ratliff and Mrs. Carl Moore.

In Sweetwater, Mrs. Raymond Fuller hosted a luncheon at the Special Place. An afternoon Sip and See affair was given by Mrs. Everett Barnes, Mrs. Jimmie Maddox, Mrs. James Parker and Miss Jamelyn Parker. Mrs. Pat Beall, Mr. and Mrs. Patrick Gerald, Mr. and Mrs. Turner Harvey, Mr. and Mrs. George Poe, Mr. and Mrs. Eddie Asbill and Mr. and Mrs. Jim Moore entertained the bride and groom with a Mexican

Fiesta at the Sweetwater Country Club.

The father of the bride honored the couple and their families at a Country and Western Dance with the Maines' Brothers Band.

Mrs. Temple Dickson and Mrs. Johnny Moore gave the bridesmaids' luncheon. Mrs. C. K. Barnes honored the bride and her bridesmaids with a bachelorette party following the rehearsal dinner. A luncheon for out-of-town guests was given on Saturday by Mrs. David Carothers, Mrs. M. C. Alston and Mrs. Clayton Williams.

A Sunday Brunch was hosted by Mrs. C. K. Barnes, Mrs. Jimmie Maddox, Mrs. Bill Carson and Mrs. Joe Maddox on the morning after the wedding.

Loraine Methodist women meet

The Loraine Methodist Women met at the church on Wednesday morning, May 23rd to complete their study on Central Africa. No new study will begin before September.

At the beginning of the meeting, Mrs. Lola Fay, Bennett played records of African Christmas

singing. She then summarized some of the work being done there by other Christian denominations, as well as the Methodist.

Several members of the group had a specific state within Central Africa to report on. Many paradoxical situations exist in some of the

Countries. Though rich in minerals, jewels and other valuable exports, only a few share in the income. Political repression is the problem in many areas.

Christianity is bringing improvements in much of the area, but a great need is still there to continue mission work.

An African meal was served. Mrs. Bennett prepared the main dish of chicken and rice, the

other ladies completed the menu with vegetables, salads, etc., used in Africa.

Those present were Mmes. W. A. Bennett, Reta Richards, J. D. Norman, J. M. Templeton, C. H. Martin, S. E. Meadows, G. L. Bryant, B. B. Blair, Claude Neeley, Raymond Wheeler and Lily Bennett.

Following the meal, a quiz was given to see what had been learned from the entire study.

Science is wonderful.

"A SEED SOWN"

Rev. James Menges-First Assembly Of God

Many people today and especially our surrounding area believe in sowing seeds, for without first sowing you cannot and should not expect a crop. It seems many have been deceived into believing they can receive even if they do not plant.

I find it very interesting looking at this in a spiritual standpoint we find in Gal. 6:7&8 "God is not mocked: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting." We can see that God placed a law in both the physical and spiritual realm; which is, new law that can't be argued with. Also we find in II Cor. 9:6 "He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully."

Now that you have the choice of sowing and reaping, sparingly or bountifully, what would you do in the flesh or in the spirit?

We really need to think about it; because you see we will be making a crop, whether to the flesh or to the spirit in all that we say or do and it will yield fruit of its kind. Gen. 1:12.

Senior recipients of the \$500 scholarships are May Chang, Tulsa accountant major; Heidi Eifler, Yukon, accounting major; Julie Javerick, Conroe, Texas, public relations major; Marjori Maddox, Colorado City, Texas, history-education major and Debbie Joseph, Sapulpa letters major.

Junior recipients are Keith Borders, Oklahoma City public ad-

ministration major; Lynn Grigsby, Norman public relations, pre-law major; Matthew Hamilton, Anadarko finance major; Timothy Rasnic, Altus public administration major and Blaine Wesner, Cordell economics major.

Marjori Maddox is the daughter of Joe and Peggy Maddox, Route 3. Selected as one of the top seniors for 1984-85, she also was a Top 10 Freshman and Sophomore and belongs to Tassels. Listed on the president's and dean's honor rolls, she is a member of Golden Key National Honor Society and Alpha Lambda Del-

ta and Phi Eta Sigma honor fraternities. She is captain of the OU Flag Corps and a member of Delta Delta Delta social sorority. She is a participant in the OU Honors Program and has served on several university committees. She is a 1983 recipient of the David A. Burr Scholarship.

Funded in part by gifts from OU alumni who are former PLC members, the scholarships recognize outstanding PLC students.

The scholarships are named in honor of David A. Burr, OU vice president for university affairs, for his many

years of service to the university and for his founding of the President's Leadership Class program in 1960.

"The 10 recipients of

the scholarship for 1984-85 are all outstanding," Adair said. "We are pleased to be able to recognize them in this special way."

The recipients were chosen on the basis of their leadership activities and involvement at OU and in the Norman community. A committee of students and administrative staff members from the offices of student affairs and university affairs made the selections.

WESTERN NATIVE, the horse partly owned by Bobby Nobles of Colorado City, recently won the Texas Paint Horse Futurity on May 6th.

A racehorse owned by Bobby Nobles, Ross Westbrook and Sid Westbrook will be vying for his second win of the season when he and two other horses owned by the threesome race in the Oklahoma Futurity-Maturity in Ada, Okla.

homa starting with the trials on May 27th.

Western Native won the Texas Paint Horse Futurity May 6 sponsored by the Texas Paint Horse Club, stated Bobby Nobles.

"It was Western Native's first race and the Texas Paint Horse Fu-

turity was the biggest paint horse futurity held so far this year, so I was real pleased when he won," said Nobles.

Western Native is a two-year-old colt by Western Music, a national champion paint who went undefeated during her racing career.

He was sired by Raise Caine, a well-bred stud who never raced because of early injuries, but is considered a top stud because of his breeding, stated Nobles.

"We own Western Native's half-sister, Candy Caine, she is a two-year-old also. This will be her

first race," said Nobles.

Nobles added that since both Candy Caine and Western Native are two-year-olds that they could run against each other in the trials.

"The trials are only for a time so they could run against each other in the same heat and if they both got a good time, both be in the finals," stated Nobles.

Jet Lark is the third horse we have running, but not against the other two because he is a three-year-old. He will run in a Maturity, which is a race for horses over two. This will be his first race of the season, but

Egg noodles stump new bride

When you get married at the age of 14, know how to cook and your husband asks for something simple like egg noodles, it seems like anyone can handle that.

But for Meloney Menges, it wasn't as simple as it sounds.

Mrs. Menges could cook complete meals when she was nine, so she found a new way to cook egg noodles. She continues with the story.

"James asked me to fix what he called egg noodles for supper. I thought it was the kind in a package and thought well, this isn't too bad—until he told me how to make them.

"He told me to get some eggs and flour and mix that together. The more noodles you want to make, the more eggs you use. After I got this to look like dumplings, I got a big sauce pan and you use tomato juice, tomato sauce or tomato soup. Get this hot and drop the mixture into it.

"I did this and cooked them for awhile and thought they were done. My husband took a bite but they were raw on the inside."

Since Mrs. Menges has been married for 10

years, she has gotten better at making egg noodles than when she first tried making them.

She taught herself how to cook.

"It took a lot of practice, but I just followed the recipe and went from there."

She does recall an incident in her early years when she was making cookies.

"The recipe called for 1/2 teaspoon of salt and I put 1/2 cup of salt into the cookies. My dad ate one and just looked at me and said, don't you think they have just a little too much salt."

Her family eats nearly everything she prepares, so it's easy to fix balanced meals.

Mrs. Menges likes to cook, so when they have company, they have two or three couples over to eat.

She fixes a lot of Mexican food, because that's her families favorite to eat.

When she prepares sweets, she usually bakes chocolate cake.

She also likes to visit her family near Lubbock, because she usually gets to do most of the cooking while there.

Mrs. Menges experi-

ments with recipes and changes some ingredients to what she knows her family likes. "I use a lot of spices, because they like everything spicy."

She and her husband James have two children, Timmy six and Jennifer five.

So now when her family asks, Meloney Menges can make egg noodles the way they like them instead of coming out of a package.

Today she is sharing three of her recipes with RECORD readers.

"AEROBIC PLUS"

Aerobic exercise is necessary to improve the condition of the cardiovascular system, giving the heart and lungs a fun workout while it also slims and trims your figure.

An hour of aerobic activity will burn approximately 400-500 calories and continue to burn calories for three to four hours after exercise.

"Aerobic Plus" is designed to give your body a total workout from the inside-out! Our bodies have over 600 muscles designed to "work." If we deprive these muscles of their natural function, it will show up in flabbiness and excess deposits of fat. So let's get movin' and get that heart to pumpin'!

The next session of

"Aerobic Plus" will begin Monday, June 4th at 248 Walnut (Cheryl's School of Dance) from 9:30-10:30 on Monday, Wednesday and Friday. The session will last for four weeks.

This class is taught by Sonora Piccola, Certified Instructor. For more information, contact Sonora at 728-5896 or 728-5724.

"We expect both Western Native and Jet Lark to do real well this year. We plan on running Western Native in five more futurities this year," commented Nobles.

The horses receive most of their training at Woods Training Stables in Lubbock. They have trained such horses as Pie in the Sky, who won the All American Futurity in 1979, added Nobles.

The clues and quiz are hidden in the grid — up, down, across, backward or diagonally. First circle the clue words (we've found the first word for you). You may find the same letter in more than one word, so circle each letter clearly. Next, circle the quiz words; the first letter and number of letters are given for each. NEW HEALTH BILL

U.S. Senator Edward M. Kennedy (D-Mass) has always been interested in promoting bills for the health care of the nation's people. He worked hard on a health plan several years ago but was never able to get it through Congress. Now, in cooperation with U.S. Representative Richard A. Gephardt (D-Mo.) he is sponsoring a federal bill, the Medicare Solvency and Health Care Financing Reform Act of 1984.

The bill is designed to keep Medicare solvent without increasing the out-of-pocket costs for beneficiaries or payroll taxes for workers, as well as to slow the rate of increase in all health care costs. Unlike most proposals, it addresses the real cause of Medicare's problem — the continued excessive cost escalation throughout the entire health care system.

The Kennedy-Gephardt proposal would set overall federal limits on the rate of increases in hospital costs and in charges for physician services provided by hospitals. States would be encouraged to develop specific plans to keep cost increases within federal limits. A state's plan could include a regulatory, voluntary, competitive or prospective payment system or any combination. The proposed bill would allow the federal government to intervene on-

ly if a state failed to keep costs within federal limits.

The legislation would provide incentives for the development and expansion of Health Maintenance Organizations (HMOs) and other forms of pre-paid medical care.

The bill's sponsors predict that it would not only help stabilize Medicare, but would also reduce the rate of growth in the costs of employee health care benefits for businesses and out-of-pocket costs to all Americans.

This legislation is being endorsed by the 15-million member American Association of Retired Persons (AARP). Executive director, Cyril F. Brickfield, says, "Rather than merely trying to find more revenue to pay the nation's skyrocketing health care bill, this legislation actually tries to help reduce that bill."

Brickfield continued, "If we are to save Medicare and assure access to affordable health care for all Americans, we must turn this strong public sentiment into action. While there is obviously room for improvement, we believe that this legislation gives us an opportunity to start doing so."

You now have an opportunity to voice your support of this bill by contacting your congressman.

Your Stars Above

BY EVE EWING

ARIES (3-21/4-19) That thin skin of yours needs a lot of toughening. Don't jump to conclusions so quickly. Your warm and fun loving nature seldom attracts ill will, so stop looking for it.

TAURUS (4-20/5-20) A visit with old friends and family will banish your depression. You need the love and assurance that only the familiar can offer, so make a special effort to seek it out.

GEMINI (5-21/6-20) You seldom disappoint the many people who are drawn to you, but you should seek occasional solitude to restore your own inner strength.

CANCER (6-21/7-22) It is time to start that long delayed diet, and this time your efforts will succeed. Remember, the longer you postpone action, the harder it will be to meet your goal.

LEO (7-23/8-22) Your intellectual powers sometimes frighten those less gifted. Soft pedal it when you find yourself in a situation where it is likely to be resented, but seek broader fields in the future.

VIRGO (8-23/9-22) The line between neatness and fussiness is a thin one. Take pains to see you don't cross it. Life is too short to make others uncomfortable over a little dust and disarray.

LIBRA (9-23/10-23) Avoiding unpleasantness is a worthy goal, but not to the point where you allow yourself to be abused. Sometimes you must dig in your heels and say firm and loud "no!"

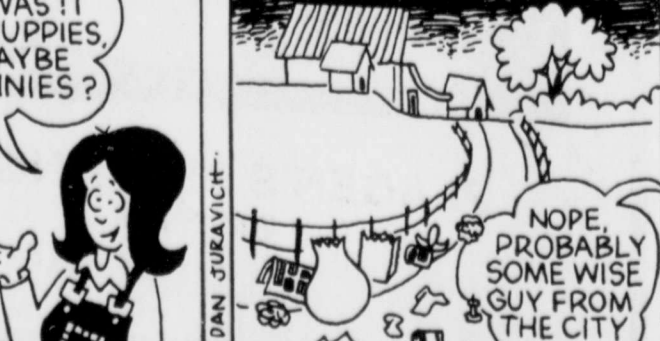

SCORPIO (10-24/11-22) Your emotional life would be less complicated if you would get a grip on your temper. Whoever said "count to ten" knew what he was talking about. You are too smart not to try it.

SAGITTARIUS (11-23/12-21) There are so many things you want to see and do yet that makes this the wrong time to make a binding personal commitment. Travel alone for a little while longer. You will know when it's time to settle down.

CAPRICORN (12-22/1-19) You need love and appreciation although you are not quite willing to return it in full measure. Overcome your reluctance before you hurt someone you hold dear.

AQUARIUS (1-20/2-19) A tendency to spend your passion on causes rather than people leaves you lonely at times. Perhaps you are afraid of your emotions? Be candid with yourself.

PISCES (2-20/3-20) Your road to romance has been rocky in the past, but smooth sailing lies ahead. You have learned from your experiences, and now is the time to put the lessons to good use.

Knight riders claim 1st win of softball season

By TONY FRANCO
United Girls Softball Association play, which began Monday night, continued Thursday and saw the Division III Knightriders claim their first win.

Every player for the Knightriders scored at least twice to defeat the Pretty Young Things 28-16. Yolanda Lee and Denise Jackson, with five and four runs respectively, led the offensive fireworks.

The Knightriders scored 10 runs in the first inning then followed with innings of two and one runs before exploding for 13 more in the fourth inning.

Winning pitcher for

the Knightriders now 1-2, was Christabel Molina.

In the first Thursday night game, the Division I Cracker Jacks lost their season opener by a 14-4 count to the Silver Strikes.

Taking the loss was pitcher Stephanie Tuttle, who got relief from LaLonnne Molina.

The visiting Silver Strikes scored five quick runs in their first at bat then followed with four and five runs the second and third innings.

The Cracker Jacks, who had two of their four runs scored by Cynde Aguilar, left the bases loaded after scoring two first inning runs

themselves.

In the 7 p.m. game, the Division II Moonlighters took a hard fought 16-7 victory over the Stix in the season opener for both teams.

After two innings, the Moonlighters led 3-1 and then added another run in the top of the third to make it 4-1.

In the bottom of the third, the Stix's Amber Stevens started off what turned out to be a five run inning for her team as they took a 6-4 lead.

In the next three innings though, the Moonlighters scored three, four and five runs while the Stix only managed to get one more score on the board—again by Stevens.

Winning pitcher for the Moonlighters was Sylvia Alvarez who got relief from Priscilla Maves. Taking the loss for the Stix was Stacie Miles.

In a game against Sweetwater there, the Gray Socks ran their record to 2-0 with a 16-12 victory. Pitching for the Gray Socks were Rosemary Molina and Angie Smith.

The Yankees, now 3-2 and in third place in league standings, led 8-1 after the third inning.

After their big fourth inning, the home standing Indians in turn scored seven big runs in the fourth but then came up empty handed their last two times at bats.

Taking the loss for the Indians, now 1-5, was Jason Lawson.

In the earlier game, the Minor League Lions edged the Mets 11-10.

The Mets led 7-1 followed a big third inning, but then the Lions responded with five runs of their own in the bottom of the inning to make it 7-6.
