COLD FIRE

Haskell Firemen battled a house fire blaze in 15° weather early last Saturday. The house, located at 801 S. Av. E, received extensive damage during the 4 a.m. fire. No one was injured.

Elections Set April 3 For City And School

Both the City of Haskell and Haskell Independent School District have scheduled elections April 3.

Voters in the City will elect a new mayor and three new council members at the election.

School voters will elect three trustees.

Haskell Mayor Royce Williams and Joe Cortez and Archie Jones have all stated that they will not seek re-election.

Council member Franciene Johnson has filed as a candidate for mayor.

Bill Lane Jr. has announced for a position on the council.

Two of the council positions will be for two year terms and one will be for a one year un-expired term.

In the school election, the terms of Joe Kimbrough, Pat Henry, and Jerry Hannsz will expire.

Pat Henry has filed for re-election and Kimbrough has announced that he will not seek another term. Hannsz was undecided at the Tuesday night school board meeting.

To file for positions on the ballot, interested persons should contact Desmond Dulaney at the Haskell City Hall for City elections or James Lanier at the Administration Office for School elections. Deadline to file is March 1.

State Rep. Heatly Still Not Sure Of District

State Representative William S. (Bill) Heatly pointed out this week that the boundaries of his House district might well be changed again by the Dallas federal court after the Department of Justice had disapproved the Legislative Redistricting Board's plan.

"We are back to Square One," Heatly said.

The veteran Democrat legislator from Paducah has represented District 101 which consists of Cottle, Hardeman, Foard, Wilbarger, Crosby, Dickens, King, Knox, Baylor, Garza, Kent, Stonewall, Haskell, Throckmorton and Shackelford counties.

But the Redistricting Board last fall changed him to a new District 78 consisting of Cottle, Knox, King, Kent, Stonewall, Garza, Jones, Fischer, Scurry and all of Taylor County except the city limits of Abilene.

Heatly noted that in throwing out the Board's plan, the three-judge federal court specifically said there were problems with districts as drawn by the Board in the Lubbock area and the Del Rio area.

"Whatever they do to solve the problems in the Lubbock area and the Del Rio area will probably have a domino effect on our area," Heatly said.

In throwing out the Board's plan, the federal court reset the filing deadline for the primary elections to March 19 and said it hopes to announce the new district boundaries by March 1.

Heatly has indicated that he will run for reelection in whatever district is finally adopted.

"As I've said before, until the situation is finally cleared up, I'm still on the job representing my district and trying to visit as much as I can in the new areas which might be added if the lines are changed," Heatly said.

No one in the House of Representatives or the Senate can be certain at this time what their legislative district will be.

City Council Approves WTU Rate Increase

Members of the Haskell City Council approved an ordinance allowing a rate increase by West Texas Utilities during their regular meeting Tuesday night.

The rate increase request has been approved by the Public Utility Commission and will become effective February 12.

The request was filed November 25 and asked for an increase of 15.4%. An increase of 8.25% was granted.

It was reported to members of the Council that the City had received Room Occupancy Tax payments in the amount of $871.21 and fines in the amount of $855.00.

HHS Student First Alternate In All-State Band

Kristi Alves, Senior student at Haskell High School, was selected as the first alternate to the All State High School Band January 16.

Area tryouts were held in Odessa Permian High School. She was the only HHS student in the competition.

During tryouts and for the past two years she has played the alto clarinet at HHS.

She is the daughter of Mr. and Mrs. Joe Alves of Haskell.

According to HHS Band Director, Berry Crudgington, she is apparently the first Haskell student to receive the honor since the early 1960's.

Pharmacy Burglarized In Rule

Approximately $150.00 in cash and a large quantity of narcotics was taken from Woods Pharmacy Tuesday night or Wednesday morning.

According to Harold Woods, owner, the burglary was discovered Wednesday morning and almost all of the Class II and Class III narcotics were taken.

Burglars apparently entered through the front door.

Woods told the *Free Press* Wednesday morning that the burglary was the thirteenth in his fifteen years of doing business in Rule.

Class II narcotics include drugs which have a very high potential for abuse.

State Rep. Joe Hanna Campaigns In Haskell

State Representative Joe Hanna visited in Haskell this week announcing his plans to seek re-election to the 64th Legislative District.

During re-districting, Haskell was placed in the 64th District which Hanna has served for the past six terms.

The new 64th District includes the following counties: Haskell, Throckmorton, Young, Hood, Palo Pinto, Stephens, Shackelford, and Callahan.

The former district included: Eastland, Jack, Montague, Stephens, and Palo Pinto.

Haskell was moved from the 101st District during the re-districting plan.

Rep. Hanna, a resident of Breckenridge, was first elected to the Texas House of Representatives in 1971. He is currently Chairman of the Energy Resources Committee and has held that position since the committee was formed eight years ago. He also serves on the Education Committee.

A resident of Breckenridge since 1945, he is engaged in ranching and investments. He is a native of Wichita Falls and a World War II Veteran serving as a Naval Fighter Pilot.

He said that he was very pleased to have Haskell County in the 64th District adding that he was looking forward to meeting many new friends here in the future.

STATE REP. JOE HANNA

Accepts Two Resignations

Haskell School Board Hires New Teacher

Members of the Haskell School Board accepted two resignations and approved the hiring of one new teacher during their regular meeting Tuesday night.

The resignations of Elizabeth Hairgrove and Bobby Busby were accepted. Busby's resignation will be effective at the end of the school year. He is a coach and Junior High School History teacher.

Board members approved the hiring of Jimmy Browning as Remedial Reading teacher to replace Mrs. Hairgrove.

Members of the Board tentatively accepted the low bid of $17,490.00 for building insurance submitted by Farm Bureau. Formal acceptance of the bid will follow comparing the policy with bid specifications.

In other action, Board members increased the Driver's Education fee from $45.00 to $60.00 and authorized the High School Girls Basketball team to attend the State Basketball Tournament in Austin.

The next meeting of the School Board will be March 16.

Haskell To Receive Juvenile Officer

Haskell County Commissioners faced a short agenda during their regular meeting Monday.

County Judge John Wayne McDermett reported that Haskell County had been selected to receive a grant for a juvenile probation officer.

The officer will serve in the 39th Judicial District and funds will be provided through the West Central Texas Council of Governments.

Judge McDermett also reported that the Haskell County Jail had been re-certified February 2, by Joe Slater of the Texas Jail Standards Commission.

Two Arrested In Connection With Burglary

Two persons have been arrested in connection with the January 5 burglary of Heads or Tails Western Wear in Haskell.

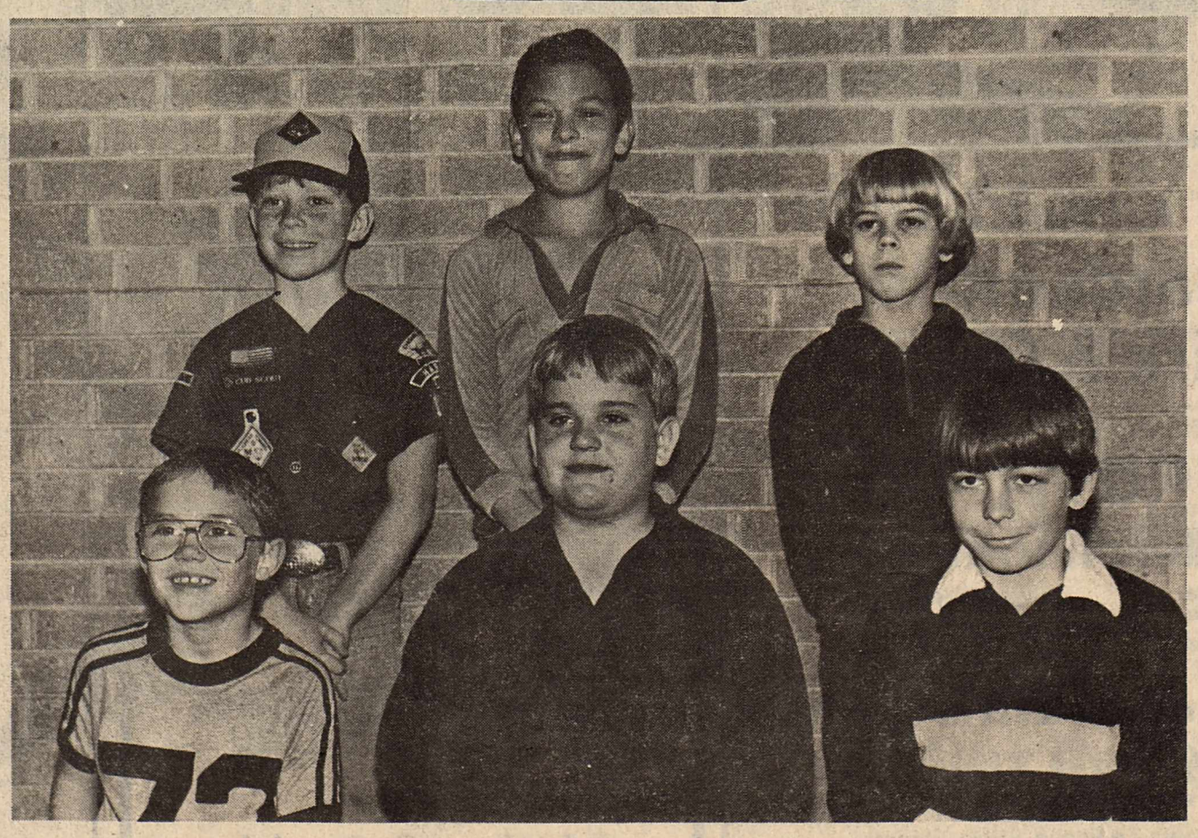

District Attorney Joseph Thigpen told the *Free Press* Tuesday that Alton Dean Williams, Jr., 24, and Joe Cisneros, 17, both of Stamford, had been arrested and charged with burglary of a building in connection with the incident. Both men posted a $5,000.00 bond.

According to Thigpen, the investigation is still underway and the District Attorney's Office in Lubbock and Lubbock area Texas Rangers are cooperating in the investigation.

Two juveniles have been referred to juvenile authorities in connection with the matter.

Williams was arrested last week and Cisneros was charged Monday.

Thigpen said that a portion of the stolen merchandise had been recovered.

One sign of Spring is quite accurate and that is the cardinal's song that Spring is not far away. We begin to see other signs of Spring - publications bring sales - our thoughts turn to a new season. Let's start preparing for a good season with thoughts of painting on location to see that loveliness that God gives to us each year to put on canvas. Nature cannot be captured with enthusiasm unless you are actually on location.

Q. What is the difference between enamel and lacquer?

A. An enamel is a paint that is mixed with a high-grade varnish, natural or synthetic, that causes the paint to dry hard and with a high gloss. Lacquer is a term applied to a number of natural and synthetic varnishes, particularly that obtained from the sap of the Japanese varnish tree, Rhus verniciflua, containing a phenolic resin. You will note the genus of the tree - Rhus - which puts it into the closely related plants, among which is the old enemy poison ivy - Rhus toxicodendron. The sap of the tree is heated, driving off the moisture. A thin brown syrup remains. Pigments or diluting agents are added and the material may be applied to wood, metal or ceramic articles and allowed to dry. When hard, the lacquer coat is abrased with sand and water or rotten-stone and oil, wiped clean and re-coated many times for a deep, hard thick coat.

Q. What is a siccative?

A. This is a dryer, such as Japan Dryer, Cobalt Dryer - This may be mixed into the painting pedium or a very small amount mixed into the paint itself, which will cause the paint to dry more rapidly. If at all possible, it should be used in all areas as it has a tendency to cause cracking and crazing if paint with the dryer is put over paint without it. Unless it is absolutely necessary, it is best not to use it at all.

Q. How can I get started in calligraphy?

A. Calligraphy, which is "artistic" writing, has evolved as a popular art form for just about everyone. It is easy to get started with an inexpensive calligraphy fountain pen set or kit, produced by many reputable manufacturers. The kits usually include instruction manuals and practice papers along with inks and lettering nibs of various sizes.

After some experience and perhaps some organized study with your local group, you can 'graduate' to more elaborate equipment including gold nibs and genuine parchment. And, you do not need an elaborate studio to work in. I have seen some of the best calligraphy done on kitchen tables. Try it and have fun!

Study Club Members Exhibit Acting Talents

Members of the Progressive Study Club exhibited their acting talents by performing skits at their regular meeting, February 4. Two weeks prior to the meeting, members had been divided into four groups and had met to plan and rehearse the skits which were to be about Presidents, Valentine's Day, or Federation.

The results was a diversified assortment of talent. One group performed a Hee Haw sketch featuring a guest appearance from Dolly Parton. This group's theme was Valentine's Day. A second group featured club women from the past through the present day. Their theme was Federation. The third group presented a reading about George Washington and Abraham Lincoln, peppered thoughout with jokes, in a minstrel show format. The fourth group performed a valentine melodrama, complete with villian, heroine, and hero.

A short business meeting followed the skits. Then refreshments were served by hostesses Ruby Turner and Mary Rosser.

Showing club women from the past through the present are Mattie Felker, Vickie Struve, Mildred Mancill, Nelda Lane, Sherry Adams, Pat Byford, Brenda Bynum, Mary Martin, Sandy Horton and Ruby Holt.

Presenting a Valentine melodrama to members of the Progressive Study Club are Peggy Payne, Jerrene Couch, Arnolia Foote, Anita Thigpen, Bernadine Blankenship and Kay Neal.

River Ministry Retreat Set February 19-20

The River Ministry Department at the Baptist General Convention of Texas is sponsoring a River Ministry Retreat in February for churches interested in participating or planning to participate in ministry opportunities along the Rio Grande.

The retreat is being held Feb. 19-20 at Circle Six Ranch near Stanton. The cost of the retreat is $18 per person and reservations can be made by contacting the River Ministry Office at 214/741-1991.

The two-day meeting will include Bible studies, conferences, singing and fellowship. Three of the speakers are Robert Smith, director of missions in the Rio Grande Valley, Frank Quintana, missionary associate in the El Paso area, and Ricardo Peno, president of the Mexican Baptist Convention.

A major emphasis this year will be the work opening up for Spanish-speaking congregations in Texas.

"We are encouraging more Spanish-speaking congregations to come and help us along the Rio Grande," said Elmin Howell, River Ministry Coordinator. "Because of their ability to speak the language and their knowledge of the culture, Spanish-speaking congregations can be a valuable asset to our work of communicating the gospel of Jesus Christ."

In addition, seminars will be held on Priority Planning in Missions, Effective Use of Volunteers, and A Look at the Mexican-American Culture.

Selected Service Lists Available To Public

The Selective Service System is continuing to make available for public inspection lists of registrants and their tentative local board assignments. This is in keeping with the intent of Selective Service that its procedures be open to the public.

The list may be viewed at the County Courthouse.

The lists cover registrations processed through September 30, 1981, and include men born in 1960, 1961, 1962, and 1963.

Local board assignments are arranged by ZIP code based upon the registrant's permanent address.

The requirement to register applies to U.S. citizens, and to aliens residing in the United States, born on or after January 1, 1960. Men born in 1960 & 61 were scheduled to register during July 1980; men born in 1962 were scheduled to register in January 1981; those born in 1963 were scheduled to be registered during 1981. Men born in 1964 are required to register within 30 days of their 18th birthday. They may do so at any U.S. Post Office.

On January 7, 1982, President Reagan announced his decision to continue peacetime Selective Service Registration. In announcing his decision, the President declared a grace period during which late registration would be accepted without penalty. That grace period extends through Feb. 1982.

Anyone who was scheduled to register previously but has not yet done so is encouraged to register immediately at any U.S. Post Office in order to avoid any possible penalty.

For further information on this subject, contact Paul D. Aikin, State Director for the Selective Service System in Texas. He can be reached at telephone number 214/784-7593.

Cascot Certified Cottonseed Can Mean 25% Bigger Yields!

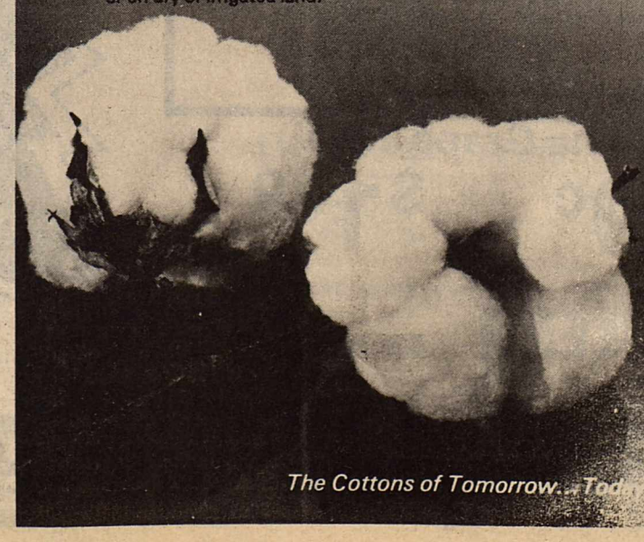

Custom Ag Service, now a leader in the market, has selected, tested, and developed four cottonseed varieties which are early maturing, disease resistant, and give consistently higher yields, as much as 25% over your current yields.

CASCOT C-13:
Being released for the first time this season, C-13 has shown great yield potential. Growers have had consistently high yields in excess of two bales per acre from C-13.
But, book early for this variety because supply is extremely limited.

CASCOT BR-1:
Fast fruiting, excellent yield potential, outstanding lint quality, extra early maturity (120-130 days), and premium micronaire are characteristic of this variety. Plus BR-1 is a proven producer on dry or irrigated land.

CASCOT B-2:
Probably the fastest maturing cotton on the market, this stripper variety has good cold tolerance which allows for earlier planting.

CASCOT L-7:
A great producer on dry land, even better when irrigated, L-7 is cold tolerant, early maturing, and possesses as much wilt resistance as any commercial seed.

Superintendent's Views

BY JAMES LANIER
Superintendent, Haskell ISD

Another high school basketball season is winding down to a finish. The Indians and Maidens play their last game on Friday February 12th at Indian gym. They will host the Quanah tribe of Indians. It is unbelievable how hard our student-athletes have worked this year. I honestly believe great progress has been made. The girls are going to wind up with a winning record. They have been plaqued with injuries, lack of numbers, and other factors all season. Yet, they have hung in and played their hearts out. They hustle all the time and play a tremendous defense. What they lack in shooting ability, they make up on defense. The Seniors have worked very hard and have provided good leadership. Emily Cox, Mynea Jones and Sara Starr are the Senior girls playing on the varsity. They have all worked hard all the way through high school. I, personally, am very proud of them. The Maidens are a worthy opponent for any team.

The Indians have not had as successful a season as the Maidens. With only one Senior, Jeff Medford, playing they are very inexperienced. Two Sophomores have started a majority of the games this season. Not only are the Indians young, they are also small. Often times, the two guards are 5'6" and 5'3" in height. One of the posts and incidentally, the most prolific scorer is only 5'10" in height. This is Jamie Davis. However, as a fan and a parent, I have been tremendously pleased by the progress made by this young team. They have improved all season. They try hard. We have an excellent Jayvee boys team with an outstanding win-loss record. Again as a parent and a fan, I think things are looking up in Indian basketball. I know the student-athletes would love to see Indian gym filled Friday night. Crowd support is extremely vital in basketball. It can be a positive factor for the team with the fan support. I hope each of you can make plans to help us fill the gym Friday to encourage your Maidens and Indians as they bid adieu to the 1981-1982 season.

In speaking of adieus, most of you are probably aware that Coach Bobby Busby has resigned. Coach Busby has done an outstanding job in the three years he has been with us. Each year his girls have had a winning season including a 25 win 4 loss record in 1980-1981. He took on a heavy burden by handling both the boys and girls programs this year. I firmly believe he did an outstanding job. His dedication and enthusiasm for his kids and the sport of basketball was fantastic to me. Coach Busby always worked harder than the athletes. He is to be commended for what he has accomplished in Haskell. We are proud of him.

Letters To The Editor

Dear Don & Friends at Haskell Co.,

I told you all Saturday I would write you and thank you for the gift certificate and tribute you paid me at the Haskell Club Sale. I consider Haskell home, and of course the club sale is still one of my pet projects. I'm not usually at a loss for words, but it seems Saturday I had a flash back of the precious memories that I have had over there. So many good things happened to us while living there and yes, one of us dying there. We love you all so much and no one can take your place in our life. Thank you so much for having us there each year. We hope we never grow too old to help you all. Please feel free to call any time.

Joe Hawkins

Funeral services for Joe Lynn Hawkins, 18, of Haskell were held at 2 p.m. Saturday, February 6 in Trinity Baptist Church in Haskell with Rev. Kenneth Blair, pastor, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

He was dead on arrival at Stamford Memorial Hospital Thursday, February 4, 1982 at 4:25 p.m. following an oil field accident 5 miles South of Stamford.

Born February 8, 1963 in Haskell, he was a life long resident of Haskell and attended Haskell schools. He was a member of Trinity Baptist Church.

Survivors include: his parents, Mr. and Mrs. John W. Hawkins of Haskell; seven brothers, James of Wichita Falls; Clayton, Gary Lee, Glendon, Bobby and Sammy, all of Haskell and Johnny of Lubbock; four sisters: Yuvonne Hufhines of Dimmitt, Darlene Conn of Odessa and Margaret Tatum and Floradean Cockerell, both of Haskell. He was preceded in death by one brother, Curtis in September 1980.

Pallbearers were Jack Lane, David Lane, Jerry Hulsy, Lee Roberts, Frank Granada and Earnest Espenoza.

Mrs. Mayre Tubbs

Funeral services for Mrs. Mayre Jewell Tubbs, 91, of Haskell were held Thursday, February 4, 1982 at the First Presbyterian Church in Haskell with the Rev. Marty Jacobsen, pastor, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Mrs. Tubbs died Wednesday, February 3 at the Leisure Lodge Care Home in Haskell.

Born February 5, 1890 in Oklahoma Territory, she had been a resident of Haskell since 1912. The family farmed and operated laundries. She married John L. Tubbs in September 1912 in Uvalde. He preceded her in death in May of 1957. She was a retired bookeeper and a member of the First Presbyterian Church.

Survivors include: one daughter, Mayre Wiseman of Haskell; one grandson, Randy Wiseman of Wichita Falls; and two great grandchildren, Meg and Gary.

Pallbearers were Ira Hester, Belton Duncan, Charles Chapman, Ben Charles Chapman, Jerry Don Klose and Dave Miller.

Haskell Chamber Salutes Local Organizations

(This is the third and final in a series of articles in which the Chamber of Commerce pays tribute to various organizations in Haskell.)

YOUNG HOMEMAKERS CLUB (Bonnie Fouts, President) This dynamic group of pacesetters has the largest membership of clubs reported thus for a total of 59! The organization was formed exclusively for educational purposes with particular reference to the area of homemaking. This Statewide club has as its motto "Young Homemakers-The Heart of the Home" and their colors are red and white. They meet in the homes of members and friends at 7:00 p.m. on the third Monday of each month. Programs vary on different subjects of interest to homemakers who are out of high school and not over 35 years of age. Activities have been such events as a Stew Supper, Arts and Crafts Sale, Tour of Homes, and a Homecoming Coffee. They spearheaded the Mothers' March of Dimes in Haskell and are planning a special Valentine Activity to include their husbands.

HASKELL COUNTY FAIR ASSOCIATION (Billy Jack Ray, President) Forty-five members are active in this association to bring about an annual event that brings much enjoyment for fair-goers and more trade for merchants of Haskell. Dates for the 1982 Haskell County Fair are September 20-25 from 10:00 a.m. to 10:00 p.m. daily. Judging will be completed on Sept. 22, with the carnival in operation all week. Average attendance daily runs about one thousand people, with some 40 percent of these out-of-town visitors. Paved walkways lead to the stock barns and two exhibit halls are nearby. General exhibits by adults are in the Old Corral Building; displays by youth are in the West Hall Annex. Annually, two concession stands are run, the first by the Assembly of God Church, featuring hamburgers and sandwiches; the second by the Catholic Church, selling Mexican food. The Fair operates in the black and all profits are placed back into the facilities. Improvements have included insulation and air conditioning. It is a countywide event with other organizations cooperating for its success. The Haskell Volunteer Fire Department hangs the "Welcome Banners" around the city to help all the activities. Also in conjunction with the annual event, this past year the Chamber of Commerce sponsored a Fair Olympics in which Pep Squads, Football Teams, etc. competed in various events, while in town for the Fair. Of other special interest is the election of the Fair Queen who draws the winning tickets for the nightly $100 prize. A band plays on Friday night and on Saturday night, a community gospel singing takes place on the fairgrounds. These things don't just happen. The Haskell County Fair Association works very hard to bring such pleasure for citizens and visitors and to promote the increased business for local merchants. Other officers serving with the President, Billy Jack Ray, are: Joyce Hager, First Vice President; and Charlene Therwanger, Executive Secretary-Treasurer.

PROGRESSIVE STUDY CLUB (Mrs. R.W. Herren, President) Organized in 1937, there are fourteen districts in Texas. In 1958 the State was redistricted and instead of going by numbers, the names were changed to designate the part of the state each represented. "Mesquite" was chosen for this district, and its banner is a brown and green mesquite tree, hand painted by the current club president. Mrs. Herren is the only charter member who has been active continuously through the years. She has also served as District President. With a closed membership of 35, fourteen are life members. Two signs were placed this year on highways leading into Haskell to designate theirs as a federated club. They have been active with many civic projects including working with Haskell and neighboring towns to save the old Railroad Station. The Progressive Study Club had a carnival and barbeque in the park and raised two thousand dollars to use in moving the structure to the park, improve it and convert it into a museum. The Club also obtained the oldest house in Haskell and moved it to the park. They presented some twenty awards to merchants around the square who remodeled their store fronts and freshened their interiors. The Club has joined with the town in the 1982 Beautification of Haskell Program. They furnish glasses for needy children and purchased a $1400 piano for the Bank Community Room where groups are allowed to meet free of charge. They have presented musicals, fashion shows, book reviews, skits and art exhibits. Their annual Spaghetti Supper nets over a thousand dollars each year. Last year $100 was also given to Girls' Town. Six programs have been presented this year on the Arts. On April 1, members of the Progressive Study Club, their husbands and guests, will attend the drama "The Man Who Came To Dinner" at the ACA Dinner Theater in Abilene, with a gourmet meal prior to the performance. The Haskell club has spanned over four decades, enriched by tradition, inspired by progress.

HASKELL RIDING CLUB (Cliff Morris, President). The club was started last year to benefit children of members. Spring events include barrell races, pole bending, flag raising, calf roping. The men and women also stage Trail Drives, Play Days and Camp-outs for the Kids. Dates for the coming events are to be announced later and will continue through the summer.

The Haskell Chamber of Commerce congratulates all members of the service and civic clubs in this city for their achievement and their benevolence.

Leisure Lodge News

A group from the Church of God came out to the Home Sunday afternoon at 3:00 for a devotional. Several hymns, led by two of the Brethren, were sung. Pat Wilson gave the Message. Johnny Wilson led in prayer. Dismissal was given by Rev. Shipman. The residents reported how they enjoyed the Service.

God's Little People Puppeteres from East Side Baptist Church presented "Growing up-Growing Old-Together" and "The Rehearsal" Sat. February 6, to our residents. Puppeters were: Chris Grand, Darlia Rogers, Diana Jarred, Patsy Butler, B.J. Mitchell, Lance Hanson, Mike Iley, Judy Iley, Lori McGee. Leaders were Jerry and Melba Lowrance. All the residents applauded throughout the "presentation" and all expressed in conclusion how they appreciated it all. Hope they will visit us again soon with another "presentation".

Joy Spalding, Bobbye, Melissa, Deanna Spalding and Debora Spalding of Hamlin visited L.C. and Pauline Williams.

Mr. and Mrs. Walter Rinehart of Rule visited James Aycock and others in the Home Sunday.

Virginia Lampe of Rochester and Dick Roberson of Rochester visited Gertude Roberson. Mrs. Sam Basden of Rochester visited Myrtle Russell. Frieda Fly of Rochester visited Pearl Lackey and Ola Smith. LaVerne and Willard Emerson of Clyde, visited Lector Thomason. Raymond and Lucille Pickering of Lubbock, visited J.L. Toliver, Sr., Mr. and Mrs. Leo Koeing and Mr. and Mrs. Lowry Wilson Jr. and children of Munday visited Hettie Underwood.

We were made sad this week at the passing away of Mrs. Mayre Tubbs from our Home. We will miss her.

Tuesday night February 2, we were blessed with the Sweet Home singers coming over and singing for us. We sure do enjoy them.

Wiley and Maurine Bean from Plaines were here Wednesday to attend Everett Berryhill's funeral and were caught down here in all that bad weather and stayed with their Mother in Rule, Eva White until Saturday so Eva White got to go home and stay 4 days and 3 nights which she enjoyed very much. Mrs. Wayland Baugh visited with Eva White and Carl Baugh Sat. afternoon. J.R. Williams, Pastor of First Baptist Church in Rule, accompanied by his daughter and grandson visited Eva White Wednesday morning.

ASCS Official Cites Farm Program Details

Major provisions of the 1982 farm programs were announced recently by Secretary of Agriculture John Block at an Agricultural Stabilization and Conservation Service conference in Kansas City, Mo.

Texas State ASCS official C. Wayne Mayfield, who attended the meeting along with other State and National officials, said an acreage reduction program will be in effect for wheat, corn, oats, barley, grain sorghum, upland cotton and rice.

"Acreage reductions of these crops, with the higher loan rates also announced by Secretary Block, will help strengthen farm prices and reduce supplies," he said.

Program regulations call for a 15 percent reduction of wheat, cotton, and rice acres, and a 10 percent reduction of feed grain acres. "To be eligible for loans and target price protection, farmers must sign up and comply with program requirements," Mayfield said.

The target price for 1982 wheat will be $4.05 per bushel. Loan rates will be $3.55 per bushel for grain placed under loan.

Feed grain program participants will receive per-bushel target prices of $2.70 for corn, $2.60 for sorghum and barley, and $1.50 for oats. The loan rates per bushel are: corn, $2.55; sorghum, $2.42; barley, $2.08; and oats, $1.31.

According to Mayfield, the 1982 target price for upland cotton is 71 cents per pound and the loan rate is 57.08 cents a pound. Rice program participants will be eligible for target price protection of $10.85 per hundredweight and loans on their rice at $8.14 per hundredweight.

"Land taken from production must be devoted to conservation uses and must be eligible cropland protected from wind and water erosion," Mayfield said. The land may not be mechanically harvested. However, farmers will be permitted to graze this acreage between November 1st through April 30th in Haskell County.

"Farmers can enter their 1982 wheat and feed grain crops immediately into the grain reserve without waiting for their regular loans to mature. Storage payments will be 26-½ cents a bushel and the loan levels will be higher than for regular loans," the ASCS official said. The reserve loan rates are $4.00 per bushel for wheat, $2.90 for corn, $2.75 for grain sorghum, $2.37 for barley and $1.49 for oats. Mayfield said, "Secretary Block emphasized that there would be no cap placed on the grain reserve."

Further details of the 1982 farm programs may be obtained from the county ASCS office.

Conservation Viewpoints

USDA Soil Conservation Service
Assisting
Haskell Soil and Water Conservation District

Seedbed preparation is considered the most important element in grass stand establishment. This is true for all grass seedings just as it is for wheat, mile or cotton. We would not plant these type crops on ground that was not properly prepared, so why not prepare a suitable seedbed when grass is the crop we are planning to harvest.

Many producers around the area are preparing their ground new for seeding to kleingrass, bermudagrass and sideoats grama. The methods are much the same. A chiseling operation new for loosening soil and holding the snow and ice followed by a tandem operation about March 10, will have most seedbeds in good order for planting around April 1st to 15th.

Don't stop here though. Most of the soils in Haskell county, that are being returned to grass, need a fertilizer application to aid in establishment. The general rule for this area is 40 pounds Nitrogen per acre and 60 pounds Phosphorous per acre, applied just prior to the last tandem operation. This allows more time for the nutrients to dissolve and become more readily available to the new grass seedling. This fertilizer application may not be all that is needed to ensure a stand. Quite often we need a topdressing application of 33 pounds of Nitrogen per acre in July or August, depending on moisture conditions.

If you need help in determining your seed and fertilizer needs, call or stop by the Soil Conservation Service office. We are here to serve your needs.

Workshop Set In Sweetwater

A special pre-campaign workshop for 43 key officers from 10 West Texas Hermann Sons lodges will be held Sunday, Feb. 14, at the Holiday Inn in Sweetwater, the Grand Lodge of the Order of the Sons of Hermann in Texas has announced.

Preparing for the 79,000-member statewide fraternal benefit society's traditional March membership campaign will be 20 lodge membership representatives, 10 financial secretaries, and 13 presidents, vice presidents, corresponding secretaries and treasurers. They will represent lodges in 10 cities and towns in West Texas.

The workshop, one of six such symposiums scheduled in different parts of Texas in February, will begin with registration at 10:30 a.m. Sessions before and after lunch will bring officers up to date on broad perspectives of lodge leadership and growth.

Milton Yeary of Burnet, Grand Lodge district supervisor, will be chairman of the workshop. Participating with him will be Grand Trustee Stephen R. Prewitt of San Antonio; Edwin F. Stahl of Odessa, general membership representative in West Texas; and Mary Gold, secretary to the grand president in the order's San Antonio headquarters.

Participating lodges will include Lubbock Lodge No. 16, Odessa Lodge No. 38, Abilene Lodge No. 50, El Paso Lodge No. 133, San Angelo Lodge No. 177, Rowena Lodge No. 216, Old Glory Lodge No. 228, Haskell Lodge No. 241, Hermleigh Lodge No. 256 and Roscoe Lodge No. 257.

Fines Collected

Geraldine Hise, Judge, City of Haskell, Haskell County, reports a total of 30 convictions for the month of January, 1982, resulting in a total of $1035.00 in fines.

Judge Geraldine Hise, Justice Court, Precinct 1, Haskell County, reports a total of 187 convictions for the month of January, 1982. Traffic and Criminal cases were filed by the following law enforcement agencies: Highway Patrol 181, Game Warden 6, Sheriff's Dept. 0, resulting in a total of $6303.00 in fines.

Local Teams To Be WTC Guests

Students from Haskell, Robert Lee and Rotan have been invited to be the guests of Western Texas College for a basketball doubleheader on Feb. 15 in the Scurry County coliseum.

Both WTC teams will be hosting teams from Amarillo College, with the Dusters game starting at 6 p.m. and the Westerners game scheduled for 8 p.m.

Administrators, faculty and staff members and their families are also included in the invitation, Dr. Don Newbury, WTC president, said. There will be no admission charge for the guests.

Rochester Youths Named To AHA

Faye Mullino, Michelle Scoggins, and Chad Ballard, all of Rochester, have been accepted as junior members of the American Hereford Association, according to an announcement by H.H. Dickenson, Executive Vice President of the AHA.

By becoming junior members of the AHA, youngsters are able to take advantage of the many programs open to Hereford breeders in their efforts to further their own breeding programs. Shows, performance records information and being a part of the many activities sponsored by the AHA's junior department are all benefits for the youthful members.

The American Hereford Association, headquartered in Kansas City, Missouri, is the world's largest beef breed registry organization. There have been more than 18 million head entered in its herd book since the founding of AHA in 1881.

Upland Cotton Farmers To Receive Payments

Eligible upland cotton farmers soon will receive an estimated $530 million in deficiency payments on their 1981 crop, according to Everett Rank, administrator of the U.S. Department of Agriculture's Agricultural Stabilization and Conservation Service.

Deficiency payments are required under the 1981 upland cotton program because the average market price received by farmers during the 1981 calendar year was below the established target price of 70.87 cents per pound.

The 1981 national weighted average market price for upland cotton was 63.2 cents per pound; therefore, eligible producers will be paid 7.67 cents per pound for their 1981 crop. Deficiency payments will be based on 1981 cotton planted acreage times the payment yield for each farm as determined by ASCS.

The 1981 upland cotton crop totaled about 15.6 million bales or 7,509 million pounds. Deficiency payments will be made to upland cotton farmers who reported their 1981-crop acreage and filed an application for payment with their local ASCS office. Rank said the payment checks will be issued through local ASCS offices as soon as possible.

The final 1981 upland cotton national program acreage is 12.8 million acres and represents the number of acres of a crop needed to meet estimated demand and assure desirable carryover levels, Rank said.

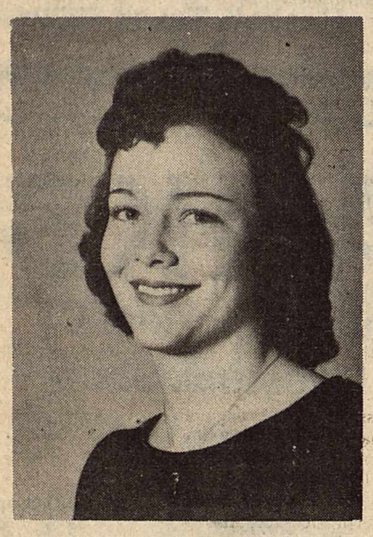

The allocation factor for upland cotton is 93 percent and is computed by dividing the national program acreage for a crop by the estimated harvested acreage. Payments to producers who increased their 1981 planted acreage from the previous year will be reduced to reflect the allocation factor, Rank said.

Hermann Sons To Hold Valentine Dance

Haskell Sons of Hermann Lodge #241 will be having a formal Valentine Dance, Feb. 12 from 8:00 p.m. to 12:00 a.m. Special event will be the crowning of a Valentine Sweetheart.

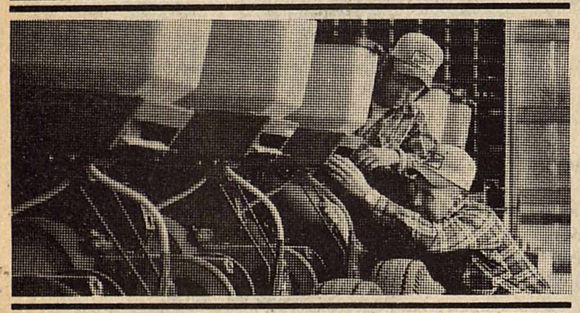

Members and guests invited.

Happy 39'er!

DIANE

Local Students To Participate In Houston Livestock Show

Fifteen 4-H members from Haskell County and six FFA members from Haskell will be participating in the 1982 Houston Livestock Show and Rodeo, February 20-March 7. With more than 29,000 expected livestock entries, the Golden Anniversary Houston Show will once again be the largest livestock show in the world.

"The 1982 Show offers spectators a unique opportunity to see some of the finest livestock ever and it's all gathered under one roof," said Assistant General Manager Don Jobes, Jr.

The Houston Show also provides an opportunity for exhibitors to participate in some of the toughest of showing competition after a year's worth of preparation for their animals. This year's show once again promises to be profitable for them, as open show and junior exhibitors will vie for more than a half a million dollars in prize money and premium auction prices above market value.

Houston, the fastest growing city in the nation, brings western heritage to life when it once again hosts this two week extravaganza. Livestock show dates are February 20-March 7, and rodeo dates are February 24-March 7.

The largest civic event in the history of the nation's fourth largest city inspires local business people and residents to take to horseback and buckboard, or at least wear western hats and boots, all in the Old West spirit of "Going Texan."

The annual rodeo parade will fall on the first Saturday of the show this year, which will be February 20, at 10:00 a.m. This event draws more than 6,000 trailriders journeying as far as 386 miles to downtown Houston where they meet with city officials, bands and spectators to lead the parade.

Open competition for the livestock show begins Feb. 22. Professional breeders and ranch owners from some 35 states will bring in the best in breeding stock to compete in breeding beef, dairy, swine, poultry, sheep, Angora goat and rabbit shows.

Card of Thanks

CARD OF THANKS
We would like to thank the people of Haskell County for their concern in the passing of our loved one. Your prayers, cards, phone calls and visits means so much to us. May God bless all of you. Mrs. Willie Berryhill and children. 6p

CARD OF THANKS
We would like to thank all our friends and neighbors for the love and kindness shown us during our sorrow. Thanks so much for the food, flowers and visits. A special thanks to Doctors Thigpen and Cadenhead and all the wonderful nurses for their kindness. Also to Bros. Mike McKinney and Roy Herricks for their visits and prayers. May God bless all of you. The family of Lela B. Young. 6p

CARD OF THANKS
We would like to take this means of saying 'thank you' to every one who helped us through this time of deep sorrow. For the visits, phone calls, food, flowers, cards, donations, comforting words and prayers offered in our behalf, we deeply appreciate them. A special thanks to Bro. Blair, members of the church who sang, the ladies of Trinity Baptist for preparing lunch, Patricia Payne and Holden-McCauley. Your concern at this time made the load easier to bear. We could not have made it without each of you. God bless you all. John and Joyce Hawkins and family. 6c

CARD OF THANKS
We wish to thank all of our dear friends for all the cards, flowers, cash love offering and all other nice things you did while I was in West Texas Medical Center in Abilene and Rice Springs Care Home. Thanks a million. Emette and Clara Cross. 6c
