WHEAT HARVEST CONTINUES

A combine in a wheat field under cloudy skies is a scene that's been repeated throughout this wheat harvest season in Collingsworth County. Unusually heavy amounts of rain since May have strung out wheat harvest into July and lowered quality. Above, Tim Hartman cuts wheat Monday in the Swearingen community.

County's Spray Permit Lifted

Leaves of this cotton plant were damaged by herbicide spray which drifted into a Collingworth field in 1983.

AMARILLO The Texas Department of Agriculture is suspending the issuance of blanket spray permits in Deaf Smith, Parmer, Collingsworth, Donley and Hall Counties effective Friday, June 21. The action is being taken following the recent confirmation of several hormonal herbicide drift cases involving more than 1000 acres. In the last 2 years, more than 50,000 acres of cotton in the panhandle were severely damaged by drift from hormone herbicides, the most recent the 1984 Big Drift in Parmer and Deaf Smith Counties.

Angela Lamb, TDA Supervisor of the Amarillo District Office said "We checked with several aerial applicators in the area and discussed the situation with them. They agreed that we should take the steps necessary to stop it, given the magnitude of the 1984 drift situation."

Effective immediately, no blanket spray permits will be issued for the four regulated counties (Hall is already covered until October 15,) and all permits previously issued will be rescinded. That action means that the use of hormone herbicides must be covered by an individual spray permit for each application. In addition, no permit may be issued if there are any susceptible crops within 4 miles of the target area.

TDA has a team of field inspectors in the panhandle as a direct result of last summer's drift problems in which more than $16,000 in fines have been collected so far. The field inspectors are maintaining a high visibility in the area with the emphasis on obtaining voluntary compliance.

The High volatile (Butyl Ester) formulation of 2,4,-D is used to treat broad leafed weeds, but can cause severe damage if it comes in contact with cotton or other susceptible crops. The Butyl Ester formulation can move off target even after being properly applied, if the temperature reaches 85 to 90 degrees. It's use is already prohibited in Deaf Smith, Parmer and Hall counties during warm weather months. The confirmed drift cases so far are not believed to involve heavy losses, but any additional contact with the herbicide would only make the situation worse.

Lamb said, "As a farmer myself, I know those herbicides are necessary to modern farming practices, but we at TDA have a duty to protect people and crops from off-target herbicides. It's against the law to let those chemicals drift off target. We need to know who is doing the spraying and when." The team of TDA field inspectors is working with farm operators, pesticide applicators and dealers, and others in several counties in the Panhandle.

Hundred Blood Donors Needed for Bloodmobile Visit Here Tuesday

One hundred potential blood donors are needed to provide the county's quota when the Red River Region Red Cross Blood Services bloodmobile visits Wellington Tuesday, July 2.

The bloodmobile will be at Bura Handley Community Center from 2:30 to 6 p.m. under sponsorship of Collingsworth General Hospital Auxiliary. The unit comes from Wichita Falls.

Although the county's quota is 80 units of blood, experience shows that at least an additional 20 donors are needed to fill the quota.

On this visit, Mrs. Wilson emphasized the urgent need for first-time blood donors, not only to help fill the present quota, but to become the main-stay of the county's reserve of donors in the not too distant future.

"In order to assure a safe, healthy and plentiful blood supply, it is important that new donors be recruited for each mobile operation," said Mrs. Wilson. "Regular donors are being encouraged to bring a first-timer.

"Donating blood is not something to fear," she pointed out. It takes approximately 45 minutes to go through the entire process. Those persons who need to have a special appointment time may call Mrs. Wilson at 447-2871 and an appointment will be made for them.

In explaining eligibility rules for giving blood, Mrs. Wilson said that "if you're between 17 and 66 years and pass the mini physical you can donate blood. Persons age 66 to 70 can donate blood as long as they have a written authorization from their doctor dated within two weeks of the donation." Written permission of a parent is required for unmarried persons under 18.

Blood can be donated at 8-week intervals.

Staff members from the Red River Regional Blood Center will accompany the bloodmobile and draw the blood. Assisting the Hospital Auxiliary will be Welling-

City to Enforce Strict Rules for Ellison Park

Rules covering the use of Wellington's Ellison Park were announced Tuesday, June 25 by Glen Taylor, city manager. These were formulated and approved by the City Council.

The city has received a number of complaints of hardball being played in the park, by adults, and two children have been struck by baseballs.

Rules now in effect:

-No hard baseballs will be allowed in the park at any time nor can there be other forms of hardballs.

-No adult baseball games will be allowed at any time. "There are baseball fields north and east of town for adult baseball games," Taylor pointed out.

-Lights will be turned off and the park will be vacated at 12 midnight.

-Any special request to extend these hours must be carried out through City Hall and those requesting special privileges should come to the City Hall in Bura Handley Community Center to make them.

"We have had vandalism in the park after midnight, and we are going to enforce regulations vacating it at midnight," Taylor declared.

The sheriff's department, under Sheriff John Rainey will enforce these regulations in Ellison Park.

National Guard Home From Largest Mobilization Ever

FORT HOOD - Some 55 Texas Army National Guardsmen from Wellington participated in the largest mobilization exercise ever staged for reserve forces.

The citizen-soldiers, members of the 49th Armored Division, belong to 1st Detachment, Support Company, 2nd Brigrade, 142nd Infantry.

Wellington-area troops were among 19,000 Army Reservists and National Guardsmen from 10 states taking part in the 16-day exercise. Called "Starburst '85", the exercise tested participants' combat skills and readiness in simulated battles. Action at Fort Hood continued through June 23.

The Guardsmen spent their entire two weeks at the installation near Killeen living in the field under combat conditions. Mock combat exercises went on around the clock. Those manuevers involved nearly 250 tanks, 165 armored personnel carriers, 50 artillery pieces and 140 helicopters.

Active-Army raters evaluated the performance of the part-time soldiers. The Guardsmen met active-Army standards.

Starburst '85 marks the first time all 15,000 members of the 49th Division have served on active duty at the same time since 1961. That was when the division, largest tank unit in the U.S. Army, was called into federal service during the Berlin Crisis.

In the past, each of the division's three brigades trained separately.

The exercise also marks the first time the 49th Division has operated with all the types of support units it would take into combat in place.

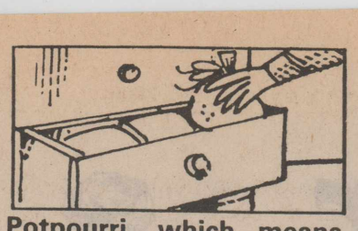

The nearly 4,000 members of the 172 Support Group, based in Broken Arrow, Okla., came from Alabama, Arkansas, Colorado, Illinois, Kansas, Minnesota, Missouri, New Mexico and Texas.

During these two weeks at Fort Hood, troops from the 49th Division took part in combined armor, artillery and infantry training and simulated battles against active Army "enemy" forces.

The 172nd Support Group provides food, fuel, ammunition and other supplies that 49th Division soldiers need to live and operate in combat.

Planners expect the 15,000 49th Division troops to consume 15 tons of hamburger, 74 tons of potatoes, 32 tons of bread, 162,000 cookies, 47,250 gallons of milk, 94,500 gallons of iced tea and 756 tons of ice.

The division's 4,460 vehicles are expected to use 190,000 gallons of diesel fuel. Aircraft are expected to consume 150,000 gallons of fuel.

Potpourri, which means "rotten pot" in French, is a mixture of dried flower petals, herbs and spices, essential oils and natural fixatives. It is used to freshen closets, drawers and rooms.

Pre-Kindergarten Class Offered in Wellington ISD

A pre-kindergarter class will begin Monday, July 1, in the kindergarten class of Wellington Elementary School, according to Phoebe Tramel, who will be the teacher.

The class will be taught for an 8-weeks period, and the last day of class will be on Friday, August 23. Hours will be 9 a.m. to 12 noon.

In order to be eligible for this class, a child must be at least 4 years of age and entering kindergarten in September. Mrs. Tramel said.

There are two other requirements, but a child needs to meet only one in order to be eligible to attend:

First the child must be eligible for either the free lunch or reduced price lunch programs when school begins in September, or

-Second the primary home language must be a language other than English.

Parents will be responsible for transportation to and from this class.

It was pointed out to parents that if they and their child will be here for the 8-weeks period, they are welcome to register their child in the free 8-weeks pre-kindergarten class.

Those having any question about the class should call Phoebe Tramel, 447-5500.

Thursday, July 4 will be a holiday for students and the teacher.

O.L. Cooper Moves to City Bank in Lubbock

Wellington State Bank president O.L. Cooper has resigned, effective June 28, to take a position at a new Lubbock bank.

Cooper will become executive vice president of City Bank located at 34th and Slide Road in Lubbock.

Cooper has served as Wellington State's president since he moved here from Memphis in October, 1982.

He was a member of Kiwanis Club, a member of the administrative board of First United Methodist Church, treasurer of the Christmas Blessing Fund, and treasurer of the Salvation Army drive.

Cooper and his wife, Teresa, have three children, Tifanny, 8, Tara, 3 and Trina, 7 months.

BLOOD—continued from page 1

ton Business and Professional Women's Club, and other organizations.

Volunteers will be needed at the community building to help unload the equipment and to reload it at 6 p.m.

Professional volunteers will come from Collingsworth General Hospital and Thomas Nursing Center.

The Hospital depends on the Red River Region Red Cross Blood services for all blood and blood derivities which it uses in the care of patients. The county, in turn, furnishes the blood services 80 units of blood on each of its two visits per year.

City Sales Tax Up from May 1984 Receipts

The City of Wellington has received a check from the office of Comptroller Bob Bullock for $3.508.96, his office has announced. This represents the city sales and use tax allocations for the period ending May 31.

The amount is down slightly from the May period 1984, when the city's check was $3,912.82.

The total received from the sales and use tax allocations is up 1.05% from a year ago. 1985 payments for this year have reached $40,680.59, up from a 1984 figure of $39,862.81.

4-Hers Take Top Roundup Honors

Six Collingsworth County 4-Hers, their leader, and the two county Extension agents traveled to Texas A&M University on June 4-6 for the annual Texas 4-H Roundup. They were among the more than 2000 4-H members, adult leaders and county Extension agents present for the event.

Nicole Keller and Patricia Fourmentin presented a method demonstration in the Landscape Horticulture contest. These 4-Hers won the Landscape Design award for the best landscape demonstration. They each received a ten dollar check as well as their picture being featured in a horticulture magazine.

The Range Evaluation team of Sandy Henard, Stephanie Brandvik, Craig Brown and Shawn Coleman placed fifth in competition. They were coached by Jimmy Brown who also attended the state event.

The 4-H members enjoyed a host of events and activities during the three-day Texas 4-H Roundup, which many consider a highlight of their association with 4-H.

Tommy D. Holton Dies June 19 In Accident

Tommy Dan Holton, 28, of Childress died in a pickup-train accident in Midwest City, Okla., a suburb in eastern Oklahoma City on Wednesday morning, June 19.

He was the son of Mr. and Mrs. Lawson H. (Ham) Holton who now live at Olton.

Holton was reported as enroute to his work as a foreman with Childress Dozer Service, owned by his father-in-law, Jerry Smith of Childress.

The company has had several large projects under way at Midwest City and Holton had been in that area about a year.

Born in Wellington March 18, 1956, Holton attended Wellington Schools until he was in the 8th grade, when he moved with his family to Childress. He graduated from Childress High School.

He was married to Sherri L. Smith Sept. 16, 1974 in Amarillo.

He was a member of Childress Church of Christ.

Funeral services were conducted at 2 p.m. Friday, June 21, in the Church of Christ at Childress, with Larry Montgomery, minister, officiating. Burial was in Childress Cemetery.

Pall bearers were Neil Barber, Morris Timmons, Dr. Mike Henderson, Larry Crabtree, Marty Martin, Randall Hodges, Mike Williams and Charles Gulledge. Honorary pall bearers were Harold Trent, Mike Melton, Darrell McIntyre, R.J. Murphy, Alfred Prince, Gilberto Romeriz, and Keith Davis.

Survivors include his wife, Sherri; two children, Justin, 6, and Linsey, 4; his parents, Mr. and Mrs. Holton; two brothers, Craig Holton of Olton and Nat Holton of Wellington; a sister, Patti McCain of Childress; his grandmother, Mrs. Lucille Blevins of Childress.

Other survivors are several aunts, uncles and cousins.

People once once believed that carrying the green and red quartz known as the bloodstone or heliotrope would render them invisible.

Mary Lois Scott Dies Monday of Long Illness

Mary Lois Scott, a home economics teacher whose career covered 27 years, died in Collingsworth General Hospital Monday, June 24, after a lengthy illness. She had headed the home economics department in Wellington High School 17 years before she retired at the end of the first semester of the 1984-85 school year.

She is the wife of Perry M. Scott.

Besides her dedication to her career, and more especially to the students she taught and to young people of the community, Mrs. Scott brought that same dedication into her work in First Baptist Church. More recently, she was a motivating force behind the organization of the Collingsworth County unit of the American Cancer Society.

Mrs. Scott began her teaching career in the Dodson School in 1948. She and her husband were living in Dodson.

She completed her work for her Bachelor's degree at Texas Woman's University in Denton in the summer of 1949 and the same sumner session started work on her Masters degree in family living, which she received about 1961.

She taught at Arnett in 1949-50, then taught for several in the Shamrock Schools where she had graduated.

Mrs. Scott came to the Wellington Schools at the beginning of the 1968 school year.

Mrs. Scott continued her studies in her field by her own research throughout the year. She later was selected as a member of a curriculum study committee to study the curriculums offered in home economics and to make recommendations on it. She also served on the national level.

She held a state office in the Vocational Homemaking Teachers of Texas and was a member of other professional organizations.

Mrs. Scott was a member of First Baptist Church. She conducted many Bible study groups and taught a Sunday School Class for many years. Perhaps her most effective work however, came through her innate ability to counsel both youths and adults, who were experiencing problems or needed her advice. With this, she always tried to teach obedience to laws. She sang in the church choir, as well as on special occasions at funerals, weddings and other occasions until she became ill.

Mrs. Scott, the former Mary Lois Bledsoe, was born in Shamrock, March 3, 1927, the daughter of Mrs. Mary Lummus Bledsoe and the late Lewis Bledsoe.

She and Mr. Scott were married June 5, 1947, in Shamrock.

Funeral services were conducted at 10 a.m. Wednesday, June 26, in First Baptist Church. Officiating were the Rev. Keith Bruce, pastor, the Rev. Stanley Hughes of Ft. Worth, and Dr. Tom Thomson, of First United Methodist Church.

Burial was in North Fairview Cemetery under the direction of Patterson Funeral Home of Hollis.

Pall bearers were Don O'Rear, John O'Rear, Randy O'Hair, Michael Reeves, Rodney Myrick, Lloyd Hays, Fred Mayhugh and Paul Wilbur.

Surviving Mrs. Scott are her husband; two children, Kathlyn Britton of Edmond, Oklah., and John Scott of Wellington; her mother, Mrs. Mary Bledsoe of Shamrock; four grandchildren; two sisters, Ila Carol Ball of Eudora, Ark., and Paula Britt of Wheeler.

Chester Carl Fox Farmers, Church Leader, Dies

Chester Carl Fox, 73, of Vernon, died Monday, June 17, at his home. He was the brother of Mrs. Carthel (Jean) Lewis of Wellington.

Funeral services were held Tuesday, June 18, at First Baptist Church in Vernon with Dr. Charles Becton and Troy Chapman, both of Vernon, officiating. Burial was in Eastview Cemetery, Vernon.

Pall bearers were Clifford White, Lee Castleberry, Bill Guggisburg, Harold Martin, Robert Belew, Mark Belew, Walter Lindsey, William Brown and J.C. Palmer.

Surviving Mr. Fox are his wife, Lorena Fox of Vernon, a son, Fred Fox of Vernon; his mother, Mrs. Ada B. Fuch of Hollis; two brothers, Gerald Fox of Houston and Joe Fox of Altus, Okla.; two sisters, Mrs. Lewis and Mrs. Jim (Marcelle) Miller of Oklahoma City and three grandchildren.

In one year, hens in America lay enough eggs to encircle the globe a hundred times.

Mother of Lyman Daniel Dies in Royce City

Mrs. Elizabeth Caroline Daniel, the mother of Lyman Daniel, died Tuesday, June 18, at her home in Royce City.

She was 83 years of age and visited in Wellington frequently until about 5 years ago.

Services were at 10 a.m. Friday, June 21 at Royce City Funeral Home.

Graveside services were at 3:30 p.m. Friday at Woodmen of the World Cemetery in Seymour, where she formerly lived. Seymour Memorial Funeral Home was in charge of arrangements.

Mrs. Daniel was born Nov. 27, 1901 in Clayton County, Iowa, moving to Baylor County in 1925 and to Lorenzo in 1952. She had lived at Royce City since 1972.

Survivors include her husband, D.H. Daniel of Royce City; a daughter, Joyce Aston of Wichita Falls; 6 sons: Jerry L. Daniel and Leonard H. Daniel, both of Royce City, Lyman B. Daniel of Wellington, Melvin of Idalou, Chloe of Dallas and Lewis R. of Lake Creek; three sisters, Agnes Clift of Devil's Lake, N.M. and Phyllis Papachek and Irene Carlson, both of Warwick, N.D.; two brothers, Ben Papachek and R.L Papachek, both of Warwick, 17 grandchildren and 11 great grandchildren.

Attending the services from Wellington were Mr. and Mrs. Lyman Daniel and children, Renee, Ginger and Doug. Alvin Horton and Elmer Feemster attended the services at Seymour.

Mrs. Daniel was preceded in death by a daughter, Phyllis Harris, of Abilene in 1980.

Band Members to Try Uniforms on Thursday

All members of That Skyrocket Band (high school) are asked to be at the band hall Thursday at 7:30 p.m. to try on new uniforms, according to Mrs. Harold Caldwell.

The 40 new uniforms were bought through the joint effort of The Band Parents Club and the School Board, said Mrs. Caldwell, who is a member of the uniform committee.

The Skyrocket red uniforms have white trim and are summer weight, in military style. They are marching uniforms.

For concerts and in cold weather, band members will wear the suits they have had for several years, which are of winter-weight, Mrs. Caldwell explained.

All band members are urged to be at the fitting Thursday evening, she emphasized.

Tom Wilkins is president of the Band Parents Club.

DON REEVES

Farmers need to consider what to do with crop residue as they wrap up their wheat harvest.

Among crop residue management options are burning, clean tillage, conservaton tillage and chemical fallow.

Burning of wheat stubble is the least desirable option because it leaves the land unprotected and subject to erosion. It also prevents the opportunity to add organic matter to the soil and destroys impotant plant nutrients, including nitrogen and sulfur, which could help succeeding crops.

Clean tillage involves burying most of the wheat straw, leaving the surface virtually barren of any crop residue levels as much as 90 percent. Each disking operation with a disk harrow may cover about 50 percent of the surface residue. So two or three diskings will leave little crop residue on the soil surface.

Conservation tillage will maintain desirable levels of wheat straw on the surface after tillage. Research at Bushland has shown that wide-blade sweeps or rod weeders reduce surface residues by about 10 percent in each tillage operation. Other implements such as chisel plows, subsoilers or sweep cultivators bury about 25 percent of the wheat stubble in each tillage operation. Some producers are using herbicides to complement weed control efforts in these operations.

Chemical fallow, or use of herbicides to control weeds and grasses between crops, is another alternative for managing wheat residue. This practice can eliminate, or at least reduce, tillage operations. If tillage is necessary to supplement weed control offered by herbicides, farmers should consider using wide-blade sweeps or rod weeders.

Conservation tillage and chemical fallow systems offer a number of advantages. Such operations keep wheat stubble on the surface to increase moisture storage, reduce soil erosion and aid weed control. Additionally, conservation tillage systems can conserve energy, reduce labor and lessen the wear on equipment through reduced usage.

Free Cheese To Be Given Away Friday

Free government cheese will be given away Friday, June 28, beginning at 8:30 a.m. and continuing until all the cheese is given away.

Those coming should bring the required documents.

New Wheatheart Contests for Younger Girls

Two new divisions have been added to the annual Miss Wheatheart Contest in Perryton this year, both for younger girls.

Wellington Chamber of Commerce will sponsor the Miss Wheatheart Candidate, Lesa White, in the Perryton contest.

She is the reigning Miss Wellington and reigning Greenbelt District FFA Wheatheart. her parents are Mr. and Mrs. P.J. White.

The younger divisions are Wheatie Sweetie, for girls age 3 to 6, and Little Miss Wheatheart for girls who are at least 6 years of age before July 1 but not 9 years of age before August 10.

The Chamber of Commerce will not sponsor contestants to Wheatie Sweetie and Little Miss Wheatheart because of the cost, but it is making available information for anyone who might want to sponsor a child.

Theme of this year's Wheatheart events is Country Fair, and contestants and their escorts will dress in keeping with this theme.

The Wheatie Sweetie and Little Miss Wheatheart contestants will select a little boy of their own age as escort.

The winning girls will receive three $25 gift certificates, a crown, and other gifts. Her escort will receive $15 gift certificates.

Those wanting more information should contact Margaret Vines, secretary, Chamber of Commerce.

Clay Family Members Gather Saturday for Reunion in Friona

The family of the late Mr. and Mrs. T.M. (Tom) Clay met Saturday, June 22, in the home of Mr. and Mrs. Herbert Clay at Clay's Corner, just outside of Muleshoe.

Children present were James Herbert Clay of Muleshoe, Lena Clay Young of Brownfield, Hassie Clay Arnold of Lockney, Shirley Clay O'Hair of Quail and Ola Mae Clay Crosby of Wellington.

The day was spent working on family history, taking pictures, looking at pictures and visiting. Almost everyone visited with another sister, Mrs. Alta Clay Tyler, who is in the nursing home in Friona.

Those present at the reunion were Mrs. Lena Young, Mr. and Mrs. Dick O'Brien of Lamesa, Mrs. Hassie Arnold, Mr. and Mrs. Clifford Arnold of Hereford, Mr. and Mrs. Pat O'Hair of Quail, Mr. and Mrs. Delbert Timmons of Farnsworth, Mr. and Mrs. Bill Fletcher and Dwayne of Amarillo; Mr. and Mrs. Howard Crosby of Wellington; Mrs. James Colson of Lubbock, Mrs. Marita Burton with James of Lubbock; Mrs. Mary Clay and Alvie Clay of Hedley, Mrs. Delbert White of Quail, Mrs. Mark White, Rebecca and Sandra of Memphis, Mrs. Ben Carson with Stephen and Jennifer, Quail, Mrs. Loyd Langley of Wellington and the hosts, Mr. and Mrs. Herbert Clay of Muleshoe.

A telephone call was received from nieces, Mrs. Katy Rhoads and Mrs. Addierene French of Grover City, Calif.

Richardsons at Noland Reunion

Mr. and Mrs. James Richardson attended the Noland Family Reunion over the weekend in Floydada. This is her mother's family.

It was the first time some of the cousins had seen each other in forty years. About thirty-five were in attendance, coming from Austin, Blue Ridge, Lubbock, Waco, Olton, Claude, Hurst, Wellington and Floydada.

Two sisters of Mrs. Richardson, Mrs. Jake Ray of Claude and Mr. and Mrs. Russell Strain from Olton, met her there.

They plan to make it an annual event, having the 1986 reunion at Blue Ridge.

Personal

Visiting Mr. and Mrs. Clifford Christian this weekend were Mr. and Mrs. Donald Gelder of Long Beach, Calif., and Mr. and Mrs. Troy Davis of Valinda, Calif., and Shannon Hill of Amarillo. They also visited Mr. and Mrs. Elmer Keller, Nicole, D'Nae and Marla.

Mrs. Mildred Haynie has returned from a trip where she visited her grandson, Eddy Haynie of El Paso, and her granddaughter and family, Mr. and Mrs. Pat Shiel and Josh of El Paso, her son and family, Mr. and Mrs. David Haynie in Lewisville, and cousins, Mr. and Mrs. Dewitt Luscombe of McKinney, and attended the Luscombe Family Reunion at Weston.

Pat O'Hair Honored On His 79th Birthday

Pat O'Hair of Quail was honored with a backyard cook-out on Friday, June 21, on his 79th birthday. The party was held in the home of a granddaughter and her husband, Mr. and Mrs. Anthony Looney. Other hostesses were the two daughters of Mr. and Mrs. O'Hair, Mrs. Louise Timmons of Farnsworth and Mrs. Reba Fletcher of Amarillo.

Mr. O'Hair is a former county commissioner from Precinct 3, a school and community leader at Quail for many years. He is a retired farmer.

Those present were Mr. and Mrs. Hal Brown of Pampa; Mrs. Brown is Mr. O'Hair's sister and shares his birthday.

Others attending were Mr. and Mrs. Fred O'Hair of Bovina, Mr. and Mrs. Ross O'Hair of Wellington; Lee O'Hair of Amarillo; Mrs. Ruby Banister, Mr. and Mrs. Benny Woods of Canyon; Mrs. Debra Service with Sally of Plainview, Mr. and Mrs. Delbert Timmons of Farnsworth; Mr. and Mrs. Bill Fletcher with James and Dwayne; Mr. and Mrs. Looney, the hosts, with Angie and Grant of Amarillo, and Mr. and Mrs. Pat O'Hair.

The phrase "minutes of a meeting" does not refer to the time. It stems from the Latin "minutus" meaning "small", since records of proceedings were generally taken down in miniature, to be transcribed later.

Mr., Mrs. Don Reeves Honored on 25th Wedding Anniversary Sunday

A backyard cookout honoring Mr. and Mrs. Don Reeves on their silver wedding anniversary was given by their children on June 23. It was held in the backyard of the Reeves home at 1200 East AVenue. Guests were close friends of the family and relatives.

Hamburgers cooked over an open grill were prepared by Kathleen Reeves, the daughter of the couple, and Sandy Piccoli, a friend of the family from Amarillo. Helping in the preparations were Bill and Wesley Reeves, sons of the couple.

The guests served themselves from a long table holding a variety of salads, dips, and other ''cookout'' foods, then seated themselves at card tables situated around the yard. After the meal, a cake made by Ruby Williams, was served. The cake was decorated with yellow roses, yellow being a color that was used in the wedding.

Mr. and Mrs. Reeves were married in Memphis, Texas at the First Baptist Church on June 25, 1960. The couple then lived in Amarillo where Mrs. Reeves taught at Will Rogers Elementary School. At that time, Mr. Reeves attended West Texas State University in Canyon where he received a B.S. degree in agriculture.

Mrs. Reeves, the former Katherine Wright, grew up in Memphis where she finished high school. She is the daughter of Mrs. Lucile Wright and the late Don Wright of Memphis. She attended West Texas State University and received her degree in elementary education in 1959.

In 1972 she taught kindergarten in Wellington, and the next school term she began teaching remedial reading at Wellington Elementary School.

Mr. Reeves, the son of the late Leon Reeves and Alice Noel Reeves, was born and raised in Hedley, Texas. He is also the nephew of Frank and Mary Anderson of Wellington. After graduating from Hedley High School he played basketball for Clarendon Junior College for a year before joining the U.S. Army where he served two years. He joined the Extension Service in 1966 at Brenham, Texas, where he was an assistant County Agent. From there he and his family moved to Wellington where he has been County Agent of Collingsworth County since 1968. He received a Master of Agriculture degree from WTSU in 1978.

Out of town guests included the sister of Mr. Reeves, Tippy (Carolyn) Jones and her husband Bill of Pampa, Miss Martha Sue Noel, an aunt of Mr. Reeves, of Hereford, Mrs. Lucile Wright of Memphis, the mother of Mrs. Reeves, Jerry Gailey, a cousin of Mrs. Reeves, and her husband Ace, also of Memphis, Sandy Piccoli, a friend of the family from Amarillo, and Ronny and Bonnie Gooch, also friends of the family, of Clarendon.

1924 Study Club has Film Program On Texas Federation Club House

The June meeting of GFWC 1924 Study Club was at the Heritage Room with Mrs. Haun Kite and Mrs. Bill McKinney as hostesses.

Mrs. H.L. Jenkins, presided and also did the commentary for a slide presentation of ''2312 San Gabriel, Austin: TFWC Clubhouse.'' This series of photos prepared by the trustees of Texas Federation of Women's Clubs Historical Foundation shows the TFWC headquarters offices surrounded by a complex historic, educational and cultural. Mrs. China B. Smith of Iowa Park, the former Robbie Wells, is trustee representative from Santa Rosa District and merited membership in the ''M Club'' at the GFWC/TFWC state convention in April. Mrs. Smith and others assisted E.P. Storie, chairman of trustees, in preparing this series whose building is to become part of the National Registry.

In committee reports, attention was called to the recent water bills from the City of Wellington which said, ''Safer home/ NIMBY ad.'' Then The Wellington Leader advertisement on ''Steps to Dispose of Hazardous home products'' was a feature of the annual Clean Up Campaign with the City and Collingsworth Chamber of Commerce.

Lists of items for home checklists were in an accompanying news release. Calls for clarification on some items have come to the club members and as follow-ups to programs given to civic clubs of the county and the public schools of the county.

Mrs. B.M. Sims briefed members on state and federal legislation. Mrs. Jenkins appointed Mrs. Truett Holland to co-ordinate the communications regarding legislation as she did last club year. Mrs. Holland and her husband tabulated the legislative survey available when this club sponsored the public Legislative Forum.

The GFWC Top of Texas District annual summer meeting at Amarillo Federation Clubhouse was attended by Mrs. Jenkins and Mrs. Lois Ratliff. The next district meeting will be in Wellington, October 19, with GFWC 1954 Study Club, GFWC 1924 Study Club, and GFWC Dodson Civic Club as hosts.

A briefing on the recent international convention of GFWC with Texas as hosts had local members as active participants in Houston.

Bill Hills Host Relatives, Attend Reunion in Stephenville

Robert Ray and Dean Hill of Jacksonville have been here for two weeks, helping his father, Bill Hill, with the wheat harvest. The couple came in their camper and have stayed at Pioneer Park.

They were joined by the Hill's daughter and son-in-law, Mr. and Mrs. Charles Floyd, who also visited his mother, Mrs. Ilene Brinkley. They picked up their daughter, Kandace, who had been here for a week.

Overnight visitors Tuesday, June 18, were two of Hill's nieces, Maxine Purcell McCord and Imogene Purcell Williams, who formerly lived south of Lela. They were enroute to a vacation in the East Texas lake country.

This weekend, Mr. and Mrs. Hill were in Stephenville to attend the Halbert reunion, cousins of Mrs. Hill.

They were joined by Patsy and Tom Bunch of Lake Tanglewood. They also visited Mrs. Hill's uncle, Canty Yarbrough, at Stephenville, who lives in the family's traditional home place, settled by Yarbrough's grandfather many decades ago.

Why Should I Buy an E.S.P. Home?

Lower Energy Bills

An E.S.P. Home will save you up to twenty-six percent in home energy bills a year. An average 1800 square foot home will cost approximately $775 a year to heat and cool. An 1800 square foot E.S.P. Home will cost you approximately $570 a year to heat and cool. That is an annual savings of over $200! (Energy savings may vary according to the type of home, family size and individual energy usage habits.)

Increased Resale Value

When you decide to sell your E.S.P. Home, you'll have the Energy Savings Plan working for you again. Because energy bills are an important consideration for most families, your E.S.P. Home will fit into a prospective home buyer's budget easier than a non-E.S.P. Home. Just like you are doing now, many home buyers will be looking for a home that will give them the best value for their energy dollar — your E.S.P. Home!

WHEN MOTHERS WORK OUTSIDE THE HOME

Working mothers often have two full-time jobs - one outside and one inside the home. Yet, many working women continue to carry the full burden of running a household, saying they "can't get the family to help," or "it's easier to do it myself."

The key method for spreading out household responsibilities is getting the family organized. Begin by analyzing and listing daily household tasks such as bedmaking, preparing meals, or kitchen clean-up. Also list daily family tasks like driving the children to school. Then list weekly tasks, which might include grocery shopping, vacuuming, or mowing the lawn.

Sit down with the family and go over the lists. Considering the age and skills of each person, let the family decide together who will be responsible for what task. They may want to make "permanent" assignments or to rotate them among members.

Once family members know what tasks are their responsibility, help them develop workable routines. Offer advice if it's needed, but don't criticize the results. And lower your expectations - especially if the task is new to that family member. For example, your teenage son may not vacuum as thoroughly as you do, but at least he got it done.

Be liberal with praise for family members who develop new skills, or do a job very well. Also be flexible when there's a breakdown in the system and tasks aren't getting done. Then the whole family may need to talk and make some adjustments in their assignments.

Burns Family Gathers at Pioneer Park for Reunion on June 22-23

Descendants of the late Frank Burns from Texas, Oklahoma and Kansas met at Pioneer Park June 22 and 23 for a family reunion.

Hamburgers and homemade ice cream were enjoyed by everyone Saturday night. The group participated in volleyball, visiting and taking pictures, and the children enjoyed the river.

Sunday morning everyone enjoyed an early breakfast.

Those attending were Loyd and Pearl Burns, Meeker, Okla.; Bill and Betty Burns, Hurst; Johnny and Ollie Larson, Burkburnett; Mr. and Mrs. Edd Hopkins, Lawton, Okla.; Mel and Dorothy Wilson and Monique Wilson, Anthony, Kansas; Frank Burns, Cy and Frances Moore, Marvin and Doris Swaim, Jerry, Judy, Chad and Jason Webb all of Hollis, Red and Helen McGill, Amarillo; Karen and Julie Caldwell, Plainview and Harold and Ruth Caldwell.

4-H Girls Recognized For Excellence

Seven Collingsworth County 4-Hers competed at the District 1 4-H Fashion Show held June 18 on the campus of West Texas State University.

Nicole Keller, D'Nae Keller and Shannon White took top honors by placing in the top four of their category and age division. Each winner was given special recognition, as well as a trophy. Nicole Keller received her award by placing third in the senior evening and speciality wear category. D'Nae Keller placed in the top four of the intermediate active sportswear category.

In addition, Shannon White placed in the top four of the junior active sportswear category. Shannon also received a prize for the Best Cotton Garment in the junior division. Her award was a ten dollar gift certificate for the purchase of cotton fabric.

All the other 4-Hers who competed received a blue ribbon which denotes excellence. They were: Stacey Knoll, senior-non-tailored daywear category; Amy Ward, intermediate-non-tailored daywear category; Candace Sexton, junior-non-tailored daywear category; and Ashley Spillman, junior-evening and speciality wear category.

Other persons who attended and supported our 4-Hers at the District competition were: Carolyn Keller, Bertha Mae Keller, Marie White, Lois Knoll, Pam Sexton, Norma and Bill Spillman, Marnie Spillman, Christin Spillman, Billie and J.D. Ward, and Dennis Ward.

Stephens Family Holds Reunion Over Weekend at Possum Kingdom

The family of Bertha Stephens and the late George T. Stephens met over the weekend of June 14 at Possum Kingdom Lake for their reunion.

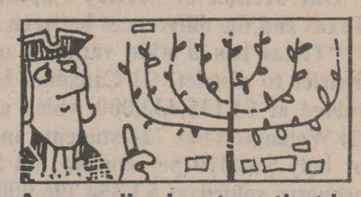

Steve Miller, a grandson, treated the family to a three-hour scenic boat trip around the lake. The family also swam, fished and waded along the shore.

Those attending were Mrs. Stephens, who maintains her home at Quail although she spends most of her time with her children; Alma Montgomery of Pattonville; James and Alice Stephens and daughter, Shanna Jean of Odessa; Dorothy and J.O. (Ish) Miller of Memphis, Steve and Suzette Miller with their children, Stephanie, Stephen and Sarah of Graham, Mylina Helm of Wichita Falls, Freddy and Mary Kathryn Poteet, Eddie and Debbie Poteet with their children, Jason, Melissa and Trey all of Lubbock.

Others were Mike Poteet of Lubbock, Jerri Martin and daughter, Angela and Debra of Lakeview, and Mark Hoover of Odessa.

The family plans to make the reunion an annual affair.

The first European known to have voyaged completely down the Mississippi was Robert Cavelier de LaSalle in the 17th Century.

The following is an excerpt from Wellington school superintendent Kenneth McKay's keynote speech delivered before the Colorado Association of School Executives in Denver earlier this month. McKay reviewed Texas public education reforms for the Colorado educators, and gave them a preview of what they may expect if the reform bug bites that state.

McKay is leaving this week to take the superintendent's job at Decatur.

One section of McKay's speech dealt with school finance in Texas and the differences between school districts' ability to pay.

"Texas has a wide variance of taxable property values from district to district. (1) Canadian has 1,065 students with property valued at $1,135,433,000 which averages $1,066,130 per student; (2) Wellington has 724 students and property valued at $62,487,000 or only $86,310 per student; (3) Seminole has 2122 students and property valued at $3,354,296,000 which averages $1,580,720 per student; (4) Moody, Texas ISD has 558 students with property valued at $26,346,000 which averages only $47,220 per student.

"Just a few of the examples --- you can see the problem --- wealthy districts have no problems furnishing an education with all the trimmings. Some of their stadiums and fieldhouses are equal to colleges, according to Mr. Perot. Yet, the have-nots must tax their property owners to the limit just to furnish a minimum program.

"H.B. 72 did move a long way toward equalization by revamping the funding formulas and local fund assignments. Some of the well-off school districts were caught off guard. State money was taken away and they were forced to raise taxes sharply which led to taxpayer revolts.

"To illustrate what happened--Wellington, where I am leaving received $663,000 more dollars in state aid this year and Decatur, where I am going, lost about $1,900,000---Decatur had to increase their tax rate from $.60 to $.90 per $100 valuation, all the taxpayers would stand. Decatur needed about $1.10 per $100 just to maintain their current program. The furor caused the present Superintendent to resign."

Faye Horton says she is planning on being one of the first tourists to ride the Space Shuttle. She says she hopes to have her third cousin, astronaut Shannon Lucid, pull a few strings and get her aboard.

Dallasite Don Raburn says The Wellington Leader got scooped by The Dallas Times Herald. He's referring to an article and photos in the June 14 issue of that newspaper which featured Wellington farmer Denzil Lacy in a full color picture of a wheat field near Wellington. Lacy is currently working as a real estate agent in Arlington and commuting on weekends. His story was used as an example of many farmers who have had to move to other lines of work to make a living, even though they retain the hope that they can move back into farming someday.

The story was the last of a five-part series called "Heartbreak in the Heartland."

Here's Lacy on the fix that farmers find themselves in: "You can't blame it on the land. The land's been good to us. It got us this far. It got us to '75 by production, and to '85 by loans. But you couldn't run fast enough to give me another loan. You can't even pay the interest."

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—The political eyes of Texas are turned northeast to the First Congressional District where the first election battle of the new season is being waged.

At stake in this June 29 special election is not only a seat in Congress for one party or the other, but also precious momentum which the victors hope will carry over into the '86 regular elections.

Some eight Democrats and one Republican make this race somewhat of a free-for-all, especially in behind-the-scenes dynamics. The Republicans have put all their marbles behind one horse, and a political novice at that. The Democrats, somewhat more comfortable in what has traditionally been their district, are fragmented and combative.

While most analysts agree that a run-off election will be necessary between the top two vote-getters, a Democratic victory will depend on whether the factions rejoin.

Gramm's Influence

The situation on the election eve is one heavily influenced by the new Republican U.S. Senator Phil Gramm and very similar to the circumstances in his home congressional district which catapulted him to statewide office.

In that '83 election, Gramm drew heavily on unified GOP support from around the state and defeated a field of some ten Democratic challengers.

Now from his position as the top Republican officeholder in the state, he has engineered a similar scenario for victory for former Aggie quarterback Ed Hargett, his hand-picked candidate.

Lynn Bourland White Awarded Ph.D. at A&M

Lynn Bourland White, daughter of Mr. and Mrs. Fred Bourland of Ennis, formerly of Quail, and of the late Velma Bourland, was awarded the Doctor of Philosophy Degree at Texas A&M University May 3. She lived on the Bourland Ranch north of Quail.

Dr. White is the Family Science Project Supervisor and a Home Economics Specialist for the Texas Ag ricultural Extension Service of The Texas A&M University System in College Station.

Dr. White conducted research to identify "Criteria for Assessing Adult Financial Management Competency Needs: A Delphi Study." From three rounds of questionnaires sent to 21 nationally-recognized financial management experts, she determined that the most important financial management competency is for adults to be able to develop and implement a comprehensive financial management plan. Typically financial management decisions are made about investments, savings options, credit use, tax-saving strategies, estate plans or insurance without considering how decisions made in one area of spending affect options left in other areas of financial management.

Dr. White is a graduate of Clarendon High School where she was valedictorian of her class, earned the state degree as a Future Homemaker of America and was selected as the first State Little Sister by the Texas Young Homemakers Association.

Dr. White studied at Clarendon Junior College and completed the Bachelor of Science and Master of Science degrees in Home Economics Education at Texas Tech University. As a college student she was selected a member of Mortar Board, Phi Kappa Phi and Phi Upsilon Omicron honorary fraternities. She was president of the Texas Tech and Texas Home Economics Student Section of the Texas Home economics Association.

As a professional Home Economist, Lynn followed her mother as vocational homemaking teacher at Clarendon High School. She taught two and a half years before joining the home economics specialist staff of the Texas Agricultural Extension Service. In addition to her graduate course work at Texas A&M University, Dr. White also studied at Purdue University.

Dr. White has served as the first vice-president, family economics and home management section chairman and nominating committee chairman of the Texas Home Economics Association and has represented the THEA as a delegate to the American Home Economics Association for four years. She has been the vice chairman and chairman of the South Texas Chapter of the Electrical Women's Round Table and is completing her fourth year on the nation EWRT board of directors. Dr. White also currently serves on the visiting committee for the Abilene Christian University Home Economics Department.

Dr. White is married to David R. White, president of a private consulting and training firm, Fire and Safety Specialists, Inc., located in College Station.

LITTLE LEAGUE

Volunteers worked all day Saturday, June 22 to build two new dugouts for the Little League field. Robert Owens donated all materials for the dugouts and My-T-Burger provided lunch for the volunteers.

"We want to say a big thank-you to everyone who helped work on this project and who made donations to it," Nick Gilley, Little League president, said.

Volunteers were John James, Eddie Blacksher, John Ham, James Hale, Scottie Hale, Wayne Wayne Phillips and Shane Smith.

At the end of the 1st the Braves led with 3 runs, then added 1 in the 2nd and 4 in the 3rd. They brought in 1 in the 5th inning, when the game was called for darkness.

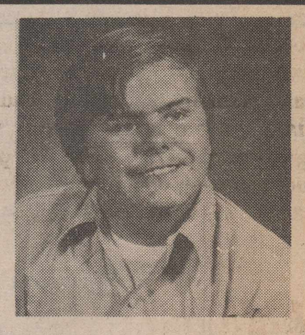

Drive Alert During Summer Vacation Trips

Vacation time is here. Many Texas motorists will be on the road taking advantage of both the warm weather and the many vacation activities Texas has to offer. But, with more people driving more miles than ever before, there are a few precautions we need to take before and during our trips.

Before leaving on long trips, we need to take a little time to check over our vehicles. A long stretch of unfamiliar road is no place for a breakdown. So, checking simple items such as tires, cooling system, battery, belts, and hoses can prevent unwanted and unnecessary breakdowns. But nothing can spoil a vacation anymore than having an accident. Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety stated, "The number of vehicles on Texas Highways is increasing each year, and unfortunately, traffic accidents are keeping pace.

Valleyview Power, Light At Church of Nazarene

The Valleyview Power and Light Company from Amarillo, Texas will hold the morning worship service at the First Church of the Nazarene in Wellington at 10:30 a.m. Sunday, June 30, the Rev. Don Bland, pastor, has announced.

A big carry-in dinner will follow and Rev. Bland emphasized that it is open to anyone who is interested, of all faiths. "We are inviting everyone who wants to come," said Rev. Bland.

During this year, the congregation of the First Church of the Nazarene has not had Sunday School on each month that has a 5th Sunday. Instead, special rallies are held, such as this one Sunday, and a dinner is served at noon, Rev. Bland said.

The Valleyview Power and Light Company consists of 30 teenagers whose desire is to be filled with God's power to bring the Light of Christ to others through the ministry of music, scripture, puppets, skits and God's Love, said Rev. Bland.

The group originates from the Valleyview Church of the Nazarene in Amarillo, Rev. Richard Leffel is the pastor.

Accompanying the group are youth directors Larry and Angela Spaulding; choir director, Connie Imel and pianist, Loretta Martin. The groups goal is not to just entertain but to worship God in unity with others.

Fair Chairmen Hold Planning Session Mon.

Collingsworth County fair chairmen and committee heads held the first of their planning meetings Monday night, June 24.

Leaders in the session were Mark Keys and Nick Gilley, overall fair co-chairmen, and Nancy Janes, chairman of all activities in Bura Handley Community Center.

Dates of the fair is the Friday and Saturday, September 6 and 7. Division chairmen were announced: art: Jo Rita Henard; youth, Phyllis Floyd, adult division (foods, clothing, canned goods, textiles, baked goods and others), Gail Hankins; hobbies, Pauline Bias; edible horticulture and agricultural crops, E.B. Peeples, and the flower division, Wellington Garden Club with Mrs. Charles Cason, chairman.

The chairmen reviewed all divisions to determine if there are any corrections to be made.

One major change was announced.

Art division entries will be accepted on Wednesday, Sept. 4 at Bura Handley Community Center from 9 a.m. to 4 p.m. Also all entries must have been completed since the 1984 Fair. Those working with the art department will try to work out provisions to preserve the size of the students art. Additionally, there are junior and elementary divisions in the open art show and parents will be urged to encourage their children to spend part of their summer vacation preparing entries.

Fair chairmen will meet with all school principals immediately after August 1 to work out with them any problems that may arise from the later school opening date.

hot day—long cool drink

Sometimes there seems to be literally nothing to equal the refreshment of a tall cool glass of tangy fresh lemonade on a hot still day; it truly perks up a tired body.

How good it is that we have such refreshment. The good news of the Gospel is that there is also refreshment for a tired life.

A decision to trust in God and the life which He gives one moment by moment is like a refreshing breeze in dusty, dry life. Life, no matter how tired, or discouraged, or wrapped in despair, can be renewed by knowing and trusting God's love. Go to the Church and hear the story of that Love which is eternally yours.

EVERYONE IN THE CHURCH ... THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Indian Creek Reunion Slated for August 24

Date of the 1985 Indian Creek Reunion will be Saturday, August 24, in Bura Handley Community Center, said Mrs. Gladys Cartwright and Mrs. Amey Seale, who are helping with plans.

Early plans call for registration to begin at 10 a.m. with visiting through the morning and a basket lunch from 12:30 to 1:30 p.m.

There will be visiting and a sing-along until 4 p.m., when a program will start and recognition will be given to those attending. A short business meeting will follow.

On Sunday, August 25, those wishing to meet again will gather at Pioneer Park on Salt Fork River at 4 p.m. for a picnic, visiting and music.

Those wanting more information may contact Gladys Cartwright, 907 Dallas St., Wellington, Texas 79095 or call 806-447-5553; or Amey Seale, Rt. 6, Box 18, Wellington, Texas. 806-447-5464.

"We are making this early announcement so those living at a distance can begin making plans to attend," they said.

E.B. Seale is president of Indian Creek reunion and Mrs. Lois Ratliff is secretary.

One printed invitation is being sent to each family, and the person receiving it is asked to notify other family members of the reunion.

Ruth Phipps at 1934 Class Reunion

Ruth Phipps attended the 51st anniversary reunion of her high school graduating class at Weston, near Jonesboro, La. The all school reunion was on Saturday, June 15.

Her first stop on the trip was at the home of a son, Denzil Phipps at Mesquite, he accompanied her to the home of her sister, Mrs. Opal Avery, at Weston and the reunion of the 1934 graduating class.

The 1934 Weston graduating class was the smallest in the school's history, four boys and four girls, Mrs. Phipps said. Two are deceased, and three of the remainder were present for the reunion.

One feature of the school reunion was calling the roll of every graduating class, beginning with 1918.

Enroute home, she stopped again at the home of her son and on Monday night a family get--together was held. Besides Mrs. Phipps those present were Wanda and Ray Daughterty, Gay Phipps, David and Carroll Phipps and their sons, Warren and Bill Phipps and Denzil Phipps.

Bill came on to Wellington with his grandmother and on Sunday, June 23, he returned home and his brother, Warren came for a week.

Valerie Van Pelt On President's List at Tech

Valerie Van Pelt a student in Texas Tech University, Lubbock, is listed on the President's Honor Roll for the 1985 spring semester.

She is the daughter of Mr. and Mrs. Don Van Pelt.

Eighteen hundred students at TTU qualified for the president's and dean's honor rolls in the university's 6 colleges.

To make the President's Honor List a student must earn a 4.0 (A) grade-point average while enrolled in 12 or more semester hours of classwork. For the Dean's List a student must finish 12 or more semester hours with a grade-point average of 3.5 or higher.

Mrs. Veta Bryan Visits California

Mrs. Veta Bryan has returned after an extended visit with relatives in California.

In Fresno she visited her brother, Earl Kizer and wife, and a sister, Ola Kizer Price and her husband, Roy Price. All but Mrs. Kizer lived in the Needwood-Aberdeen-Wellington area more than 40 years ago.

Mrs. Bryan also visited two sisters-in-law, Trudie Kizer and Ruth Kizer, along with a number of neices and nephews.

Next, Mrs. Bryan went to Marysville, Calif., where she spent a week with another sister, Mrs. Warren (Kathleen) Willsey.

The two spent some of the time in Mrs. Willsey's home in the Sierra Mountains, near LaPort.

Mrs. Bryan reported that temperature was 107 degrees in both Marysville and Fresno when she left. She returned to Wellington Tuesday, June 18.

Dr. Robert Weir Enrolls at Oxford

Dr. Robert Weir of Stillwater, Okla., flew to England this week, where he will enter Oxford University to do research for Oklahoma State University, Stillwater.

He is a son of Rev. and Mrs. Frank Weir of Lubbock, and a nephew of Mrs. Inez Johnson and George Weir of Childress.

Weir is a professor and teacher of religion. His wife, Jerry, their children, Malinda and Randell, will join him later for a tour of England.

Dr. Weir attended Wellington High School during the time his father, Rev. Weir, was pastor of First Methodist Church.

Dates of Social Security Visits Announced

A representative of the Social Security Office will be in Wellington twice each month for the next quarter.

These visits are on Tuesday, July 9 and 23; August 13 and 27 and September 10 and 24.

The representative will be in the Heritage Room of Wellington State Bank from 9:45 a.m. until 12 noon.

The representative will assist Collingsworth County residents in filing applications for social security retirement, survivors disability, medicare or supplemental security income benefits. Anyone who is unable to visit personally may call the Pampa office, 669-1018 to conduct any Social Security business. The Pampa Social Security office is open Monday through Friday, except national holidays, from 9 a.m. to 4:45 p.m.

NOTICE OF INTENT TO IMPLEMENT RATES

General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.

These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.

These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be $28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	$ .025	$ .015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2½ percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.

These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.

The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

Roberson Plays in TEXAS 20th Season

Todd Roberson of Dodson, who began his study of drama in theater arts classes of Wellington High School, has the role of Virgil Stone in the 1985 production of TEXAS. It is his first year with the company.

He is a 1984 graduate of Wellington High School and is presently attending Amarillo College, where he is a theatre arts major. Since Roberson came to Amarillo, he has been seen in all three AC productions, "I Remember Mamma", "The Mikado" and "Amadeus".

At AC he has been an active member in the Theatre Arts Guild of which he was elected secretary-treasurer.

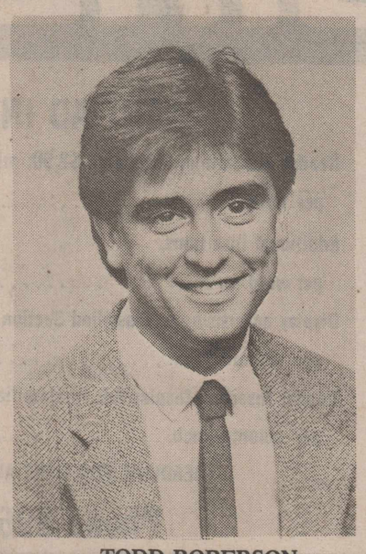

He is the son of Lonnie and Barbara Roberson and the grandson of Mrs. T.E. Lennon and the late Mr. Lennon and of Mrs. Jessie Roberson and the late Mr. Roberson.

Roberson participated in the opening night of TEXAS on Wednesday, June 12, and the gala celebration marking the 20th season of the show.

It was dedicated to Sybil Harrington of the Don and Sybil Harrington Foundation and other members of the Board who have made so many creative grants in the Panhandle and who made possible the refreshing of the "TEXAS" production with a grant of $180,000. As a result, audiences find a new road, new sets, new side stages, many new costumes and musical arrangements, a new computerized lighting system and many surprises.

The United States Air Force and Navy heightened the festivities. Before the show, the Navy's Country band, "Country Empire" which often plays in Nashville, Tennessee, played in the patio.

In the appreciation ceremony on the stage just before honoring the Harringtons, the US Air Force honor guard was in formation on the steps of the theatre carrying 26 American flags and stood at attention as the Harrington representatives were honored.

Wellington Ex-Students

Wellington Ex-students Association and the Class of 1950 are seeking the present address of Bill Plank.

The last report classmates have had was that he was living in California, possibly the Fresno area.

Anyone who knows his present address is asked to contact the Wellington Ex-Students Association, said Louise Lancaster Peters, secretary.

May Sales Tax Check Amounts To $12,464

The City of Wellington has received from the office of State Comptroller Bob Bullock a check for $12,462.41. This represents the city's sales and use tax allocation for the period ending May 3.

The amount is slightly less than that received for the same period in 1984, when the tax rebate was $12,611.98.

This brings 1985 payments to $37,171.63. This is up from $35,949.99, the amount received for the same period a year ago.

Percentagewise, the city collected 3.40% more in sales and use tax than it did a year ago.

The first American coin bearing the portrait of a living President was the 1926 half dollar. It bore the heads of Presidents George Washington and Calvin Coolidge.
