The Bronchos

Supporting

MRS. J.R. BARTLETT is one of the Donley County residents who receive home care service.

This is... National Home Care Week

Millions of elderly, infirm or disabled individuals receive health and social services in the comforting surroundings of their own homes. Linda Kay Bell, supervisor and RN for the area Home Health Agency, announced that the Congress and the President have chosen to honor their profession by declaring National Home Care Week.

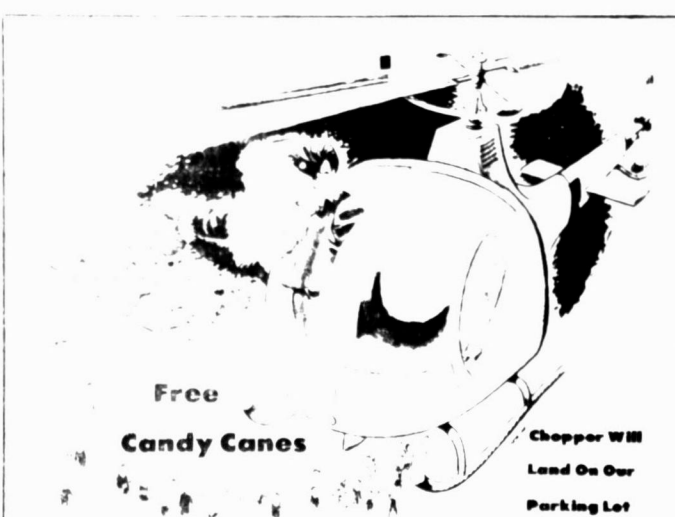

In our area, Gwen Hill and LVN services. Clarendon, Lavon McLaughlin, an LVN in Claude and Anna Gay Cencerious in Memphis work with Linda Kay Bell to bring this service to those in the Panhandle Home Health Services.

Nearly 1.2 million people

over the age of 65 currently reside in nursing homes and other institutions, at an annual cost of \$10 million. It has been suggested that 12% of these people could be equally well cared for in their homes at substantial savings.

Home care, however, is a great deal more than a cost effective form of treatment. The Panhandle Home Health Services in our area helps to provide home care services to these people and maintain the "dignity and the meaning of human life, and human health and happiness, as their primary goals."

Our thanks to these "angels of mercy", Ms. Bell, Ms. Hill and Ms. Cencerious.

Santa to arrive at Gibsons

Seventeen days of shopping remain. And many a child has tried in vain to find Santa and sit on his knee. To tell him how very good he will be. But Saturday at 10:30 sounds can be heard. Of Santa's Gibsons bound Whirlbird! Come join the jolly Christmas cheer. And see old Santa while he is here.

Mrs. Santa search continues

For three years consecutive, a search has been conducted in Clarendon for the perfect Mrs. Santa. Letters have already begun to arrive suggesting persons in town who fit the description of a loving, jolly, helpful, cheerful, beautifully cuddly Mrs. Santa.

Have you submitted the name of your neighbor? Grandmother? Wife? Mother? Aunt? Don't you have a favorite Mrs. Santa-type who might be a worthy candidate this year? If you do have someone you would like to receive the honor, simply write your reasons on a piece of paper and drop it by the Clarendon Press newspaper office.

These letters will be taken out of town to an impartial judge who will review each letter and consider each individual suggestion. A selection will be made and the 1981 Mrs. Santa will be on hand to assist in naming the 1982 Mrs. Santa during the December 9th Late Night Shopping Spree downtown Clarendon. Santa will present Mrs. Santa with a red rose and a big kiss, her photo will appear in the next weeks' issue of the Clarendon Press and everyone will know where to get a hug and cookie during the year.

What a lovely way to honor your favorite lady! Get those letters in soon. The deadline is December 6th, so don't delay.

Santa letters awaiting North Pole mail service

Letters destined to head north in time for Christmas "wishing" must be in the Santa's Letter mail box at the Clarendon Press no later than December 15 to insure their safe arrival at the North Pole where Santa Claus will read and consider each plea.

Parents should help their youngsters to write the letters, address them to Santa Claus, North Pole and deliver them into the special mail box at the newspaper office.

A special envoy to the North Pole will arrive in town on the evening of Wednesday, December 15 to take the letters north.

In addition to this, the letters will appear in the Clarendon Press in the December 15 issue so that everyone can see what requests and notes of thanks were sent North and to ensure that Santa will see the letters twice...just in case he might miss the delivery.

Little Miss and Master Pageant Dec. 4th

December 4, Saturday at 7:30, the 3rd annual Little Miss and Master Pageant will be at the Harned Sisters Fine Arts Center on the Clarendon College Campus. This year we are using the Christmas theme and spirit. Santa and his two helpers from the North Pole will help with the pageant also. We are looking forward to lots of good entertainment.

There will be three out of

town judges to judge our 18 contestants. Little Miss and Master 1981-82, Aaryn Mooring and Mark Owens will crown our 1982-83 winners.

Admission will be \$1 for adults and .50 children under 12.

Everyone needs to come see what beautiful and well behaved children Donley County has. This is a treat! Come join us!

Less than half of \$90 million asked for...

Lone Star Gas gets 42.9 million increase

The Clarendon Press has been notified that the Railroad Commission has approved a settlement agreement reached between Lone Star Gas Company and the Texas Municipal League (TML) which sets city gas rates to be charged for natural gas delivered by Lone Star to municipal distribution systems. The new rates were effective Monday, Nov. 22, 1982.

The Commission action was taken at its weekly conference on Gas Utilities Division matters.

The rates approved by the Commission will give Lone Star an annual revenue increase of \$42.9 million, less than half of the \$90 million originally requested by the company.

More than 400 cities and towns (which includes towns in Donley County) and their related environs areas are affected by the rate change, involving more than 1.1 million residential and commercial customers. The new rates will increase an average monthly residential bill for six Mcf (thousand cubic feet) of gas by \$1.92, or 32 cents per Mcf.

TML represented some 95 of the affected cities during negotiations with Lone Star that led to the settlement agreement.

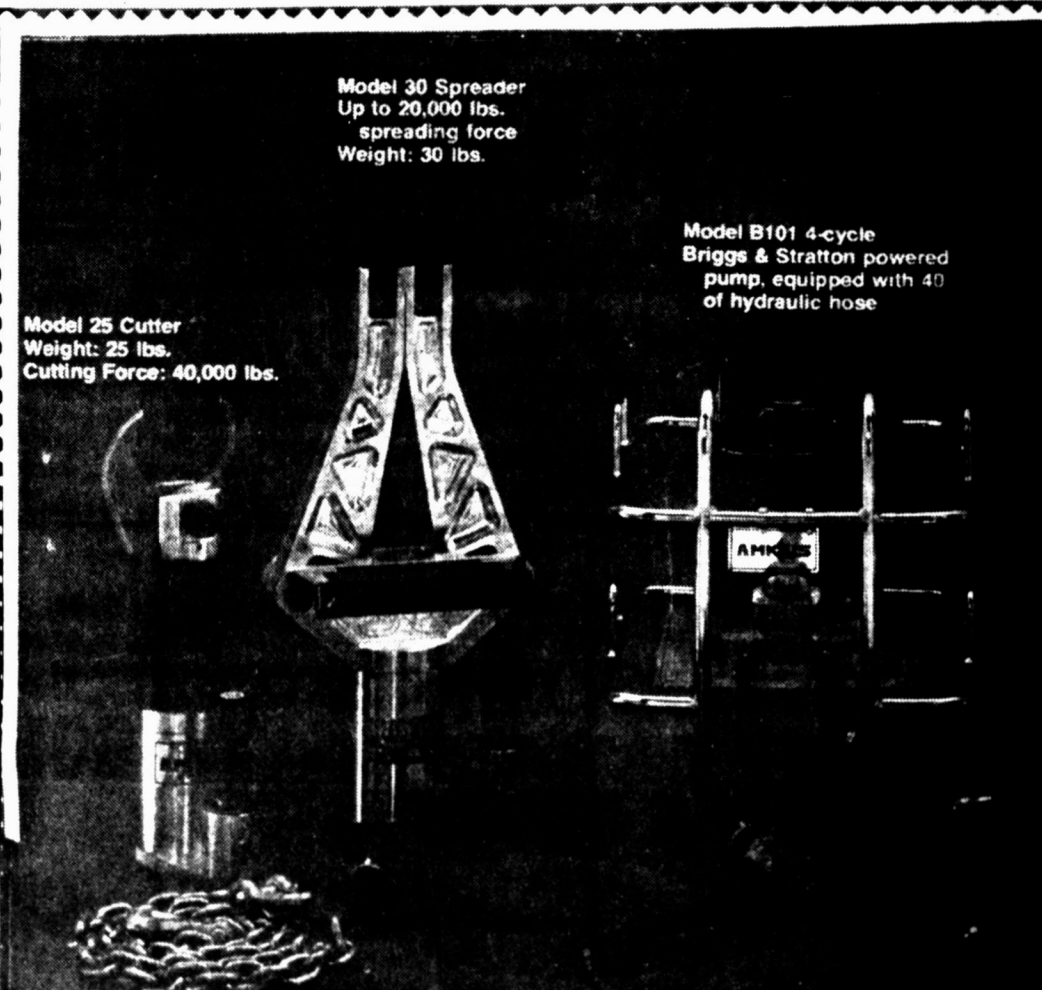

The city gate is the delivery point at which a city distribution system receives gas from its supplier. The city gate rate then becomes part of the charges to burner tip customers levied by the distribution system.

According to the agreement, the base city gate rate will increase from \$2.08 per Mcf to \$4.02 per Mcf. The Gas Cost Adjustment (GCA) provision was also changed by the parties to allow the flow through of 100 percent of gas costs above or below the base cost of gas. The previous GCA clause allowed 95 percent of increased gas costs to be flowed through.

Under close questioning

by the commissioners, Gas Utilities Division Hearings Examiner Michael George pointed out that according to the agreement, any city or town served by Lone Star may file a protest within ten days after the company files its computation of the gas cost adjustment for any month. The Commission then may set a hearing to determine the reasonableness of the costs claimed. If the Commission found the GCA amount unreasonably high, Lone Star would have to make an adjustment in the following month's GCA statement.

Lone Star filed a statement of intent to raise the city gate rate with the Commission June 25. That statement asked for an increase totaling \$90 million. The application was opposed by TML on behalf of the affected cities. At the Commission hearing to examine

Jaws of Life demonstration

Clarendon Volunteer Fire Department has invited McLean Volunteer Fire Department to come to Clarendon and give a demonstration of just how effective the rescue tool, Jaws of Life, can be. The demonstration will be on main street at 7:00 p.m. on Thursday, December 9, 1982, and the public is

invited and encouraged to be present. The local Volunteer Fire Department is presently involved with the local EMS to raise funds to purchase the rescue tool for Donley County and immediate area, along with a second cardiac monitor and other needed ambulance equipment. The cost of the basic pieces of equip-

ment for Jaws of Life will be \$8,000.00 and the cardiac monitor will be \$6,000.00. The local Volunteer Fire Department wants you, the public, to see first hand just what this piece of rescue equipment can do and will be on hand Thursday night, December 9th to answer any questions you might have.

Chamber of Commerce to sponsor window decorating contest

Again this year the Clarendon Chamber of Commerce is sponsoring a Best Decorated Window Contest for all local businesses.

We hope that all you business people join in the Christmas Spirit and participate in this contest.

Last year you supported us loyally and made our town bright with the window dressing and displays.

We have judges who are

not connected with the Chamber and they will be out looking at all the windows. The winners will be entirely their selections.

There will be three plaques awarded - 1st place, 2nd place and 3rd place.

Prizes will be awarded on December 18th so that you may display the plaques before Christmas when it is more meaningful.

THE BRONCO BOOSTER CLUB will be selling Christmas trees on the lot next to

Harlan's Flowers. Here Tom Hargues, president of the booster club shows off one of

the beautiful trees. The lot will be open after 4 p.m. on weekdays and afternoon on

Saturday. They have a wide price range.

Colts Corral

BY TRISHA CLIFFORD

Hi Colt fans! The mighty Colts finished off their season with a bang!! We played Memphis for the last game of the season. Although the seventh grade didn't win, we're still very proud and are looking forward to seeing them perform next year. The eighth grade played a SUPERB game, staying ahead of Memphis by at least two points throughout the game, thanks to Marcus Smith's two touchdowns and the other boys aggressive defensive play. A freak play in the last three seconds before the buzzer went off caused the scoreboard to show Memphis 20, Clarendon 16 but in our opinion the boys won that one! Way to go, boys, we're very, very proud of all of you!!

Monday, the junior high begins their basketball season at Valley. We're all looking forward to seeing them all win all their games!! We'd like to thank Coach Hall and Mrs. Wily for doing such a great job coaching us this year.

Last week was the Thanksgiving Holidays and we hope everyone enjoyed them.

Now it's time for the Colt gossip!!

Jake L. "Pinky" Sheri C. How do you spell 22?

JV basketball season

In the season openers for all teams last Monday here, Valley High School won three of four games against the Clarendon Broncos. The JV teams split, with the JV Lady Broncos winning impressively, but the Valley varsity teams handed their respective opponents season opening losses.

The girls' JV game was played first at 4 p.m. The home team dominated, leading 6-3, 17-5, 32-8 and 38-15 at the ends of the four quarters. Sophomore guard Shea Green led all scorers with 13 points, and sophomore Forward Vicky Holman followed with 10. Sophomore Forward Dayla Clifford had 8 rebounds, and Freshman Post Janet Risley led all rebounders with 10.

The boys' JV team lost by a score of 42-33. Junior Guard Creed Wright led the home team with 13 points, and Junior Forward Johnny Gaines and Junior Post Steve Shaller both had 9 rebounds.

The varsity girls' game followed at 6:30 p.m. It was the most exciting of the four games, with the Broncos falling slightly behind early (11-18, 25-29 in first two quarters) but coming back to tie the game at 38-38 at the end of the third quarter.

With 1:06 to go in the game, Senior Guard Patrice Shields was fouled and went to the line for a one-and-one. She made the first free throw to put the maroon team ahead for the first time in the game, 46-45. But the big, tough Valley team came right back to score from inside twice in the final seconds to win 49-46.

Junior Forward Linda Weatherston led the home team with 12 points and 10 rebounds, while Junior Post Connie Garman had 10 points and 6 rebounds. Junior Gina Spier had 6 points and 6 rebounds.

In the finale, the boys' varsity teams played a close first half, with Valley leading 25-22 intermission. But the big and aggressive visitors dominated the third quarter to open up a 43-30 lead. The fourth quarter was even, both teams scoring 20 points, giving Valley a 63-50 Win.

The visitors had three men scoring in double figures, and the Broncos were led by Senior Forward Ray Crump, who had 17 points and 7 rebounds.

Overall, the Clarendon teams showed a lot of hustle and enthusiasm, and they all give promise of having good seasons.

Bulldogs

Clarendon College Bulldogs ran their record to 5-0 with a 67-64 squeaker win over Cisco Jr. College at Cisco this past Thursday. The first half of play ended with Clarendon 33 and Cisco 26. Top scoring honors for Clarendon went to Tim Thomas with 23 points, Basil Brown with 12 points and Greg Pinkney with 10. For Cisco, Bruce Clemon had 21 and David Jones with 15.

Coach Mark Adams' Bulldogs of Clarendon College ran their record to 6-0 with a big win over Panhandle State J.V. 98-61. The bigger and quicker Bulldogs seemed to have little trouble with their opponents as they took the lead and kept it throughout the contest. Daniel Spivey led the way for Clarendon with 16 points. Tim Thomas had 14, Dean Jackson with 13 and Greg Pinkney had 12. High scorer for Panhandle State J.V. was Reggie Lee with 24 points and Chris Ridenove with 11.

Clarendon College Bulldogs got their first taste of defeat here in Clarendon last night as they fell to Western Okla. State College 80-79. The Bulldogs record fell to 6-1 on the early season as Western Okla. State improved their record to 4-6 on the season. In the final minutes of play both teams seemed to be tight as free-throws and short jump shots were out of range. Tim Thomas was the hot man for Clarendon getting 27 points, Daniel Spivey added 16 before fouling out in the second half of play. Basil Brown had 13 and Greg Pinkney had 10. For Western Okla. State Anthony Reynolds had 19, John Scott had 16, Richard Fields 14, Junior Swan 13, and Tim Spirling 10.

Tim Thomas was named Player of the Week. He averaged 21.8 points per game, 4.5 rebounds, 5.6 assists, and 3 steals.

The Bulldogs of Clarendon dropped their record to 9-2 with an 80-75 loss to last years national Jr. College champs, Midland. The game jumped into high speed as Daniel Spivey got the team

off to a good start with an 18 foot jumper. Spivey ended the game with 12 points. Other high scorers for Clarendon were Basil Brown with 22, Dean Jackson 18, Timothy Thomas with 15. Chester Smith led the way for Midland with 18. Jerome Crowe and Nate Bufford each had 16 as Ervin Williams added 10.

Basil Brown was named Player of the Week. He averaged 17 points per game, 5.5 rebounds, and 1.7 steals.

Christmas on Clarendon Campus

Who says you outgrow Santa? Who says you don't get gifts from Santa when you go away to college? Certainly no one at Clarendon. Junior College says that! In fact, Santa will give goodie-bags away to CJC students at the December 7th party sponsored by the faculty for the students.

The evergreen tree north of the cafeteria will be officially lighted that evening and the college choir will sing carols. The Student Senate will provide more jolly glad tidings in the form of a skit to the amusement of all.

Following all of this good cheer and just before Homecoming-Awards Night will be held in the auditorium December 8th.

Jean Brown to be speaker for Women's Aglow Fellowship

Jean Brown's story is one of incredible perseverance, faith in God, and sheer determination. Rejected in marriage, rejected in a love affair, and rejected by her father who kicked her out of his house, where she and her three children were living, after he realized she was pregnant, Jean is well qualified to minister the oil of healing to other women who are hurting.

After leaving her father's home, she and her children lived for several months in a tent on the beach in Ocean-side, California where they nearly starved to death. She remembers a time when there was one pound of hamburger for the four of them for one week.

Although she had worked as a legal secretary, she became too ill to work during her pregnancy. Her shame and guilt prevented her from contacting friends who might have helped her. But she never stopped praying and never stopped reading her Bible.

Jean Westphal (her name then) entered the hospital under an assumed name—Jean McDonald. She gave birth to boy and girl twins. Knowing there was no way she could take care of them, she took the advice of her doctor and gave them up for adoption without ever seeing them.

For 26 years she never stopped praying for the twins and pictured in her mind their growth and development through the years. Because of her hurt, she was unable to talk to anyone about them, not even her family.

Then one day as she was praying for all of her children, the Lord seemed to say, "It's time now—it's all right". And so she called a family reunion and told them the story. That day the search

50th Wedding Anniversary

Mr. and Mrs. Jack Eddings, of Amarillo celebrated their golden wedding anniversary November 20th with a reception at South Georgia Baptist Church. The event was hosted by Mr. and Mrs. Charles Hunt, David Hunt, and Lori Hunt.

Eddings married the former Gladys Pittman on November 19, 1932 at Hollis, Okla. The couple resided in Clarendon, but has lived in Amarillo for 23 years. Eddings retired from Snider Oil Co. and Mrs. Eddings is retired from St. Anthony's Hospital. The couple belong to South Georgia Baptist Church where Eddings serves as a deacon.

began for the twins; and through a series of almost unbelievable incidents, including involvement of the Donahue TV show, the twins were found in 1980.

The reunion was one of tears and laughter and joy beyond compare. Jean gives God all the glory!

Women's Aglow Fellowship is an organization for Christian women of all denominations—it is women ministering to women. If you are a woman who has suffered rejection, lack of love, guilt, shame or other hurts, you are invited to meet with us at 7:30 p.m., December 6, in The First Bank and Trust Community Room. This will be our Christmas meeting, and husbands are invited.

Patching Club House living memorials

The Patching Club House Board has established a system of accepting Living Memorials.

The beautiful old Patching Club House is a historical landmark. It not only serves the club women of Clarendon but is an asset to our town. It is available, at a very nominal rental, for wedding receptions, showers, anniversary celebrations, and various other functions.

With increase in cost of insurance, utilities, yard work, and replacements and repairs, maintenance is an increasing problem. At various times through the years many citizens have been generous with donations toward meeting expenses of unusual replacements and repairs. This help has been most appreciated.

It is felt many people of our town will welcome the opportunity to give a living memorial to a worthwhile hometown project—that of

keeping the Patching Club House alive and well.

Memorials will be accepted by Ruth Hancock, First Bank and Trust and Gladys Sawyer, Jericho Route. All memorials will be promptly acknowledged.

LOCAL

Those visiting Roeda Ratten over the Thanksgiving Holidays were Annesse and Carlie Bennett, their daughter Helen Faye and husband Harold Linnihan and three children from Tulsa, Oklahoma. Bernese Moreland and son Ernest Meral and wife Kathy and two sons from Springdale, Arkansas. Charlotte, Paul and her husband Bob and two children from El Paso were also guests.

Chamberlain Community Center

Chamberlain Community Center will hold its covered dish supper Friday, December 3 beginning at 7:00. Host and hostesses will be Mr. and Mrs. Lloyd Risley and Mr. and Mrs. Lyd Thomas. Everyone is invited.

LOCAL
Clarence and Oddie Moss and Irene Gerner traveled to Pittsburg, Texas for the

Thanksgiving holiday. They stayed with Mrs. Nellie Allen and visited with many friends and relatives.

Special Brucellosis meeting December 6th

A special meeting concerning brucellosis in livestock will be held Monday, December 6, 1982 at 7:00 p.m. at the Claude School Cafeteria in Claude, Texas to discuss changes and programs now in effect under the Federal Brucellosis Program.

Texas Animal Health Commission, will be guest speaker and will provide information about the program followed by a question and answer session. Dr. Bolt is from Paducah and is the Area Director for Area 14 and the east half of Area 1

which includes Amarillo. Jim Finley, Claude, member Texas Animal Health Brucellosis Advisory Committee, announced that the subjects to be covered in this program include: the disease, heifer vaccination program, certified free herd certification, and regulations regarding cattle movement. The Texas Panhandle is vital to the cattle industry. All livestock producers are affected by the brucellosis program and, therefore, are encouraged to attend this meeting.

Production Credit Association. It isn't a government program, it's your locally owned farm credit cooperative. They've been around since the Great Depression, and lending for agriculture is all they do. Of course times have changed in almost 50 years, and so has PCA. Today they emphasize management, cash flow projections and marketing. And the knowledgeable folks at Production Credit are ready to help member-borrowers with those things. One thing the Depression taught us is that it's a lot easier to stay out of financial trouble than it is to get out once you're there.

THANK YOU

During Johnny's stay in Dallas for his kidney transplant we have realized what wonderful Christian friends we have. Johnny is doing great thanks to all the many prayers that have been said for him. The cards, calls, flowers, visits and the special account set up for Johnny have been deeply appreciated. We would like to extend a very special thank you to Bobby Boston and Bob LaRue for the use of their plane and time to fly Johnny to Dallas and also the Xi Lambda Xi Sorority and Clarendon College for all the special kindness they have shown.

Dr. Bob Riley accepted the position of vice-president for Howard College

Dr. Bob Riley has accepted the position of Vice-President for Howard College effective the Spring semester 1983, according to Dr. Charles D. Hays, President of the Howard County Junior College District.

Dr. Riley, presently a professor and administrator at Southwestern Oklahoma State University in Weatherford, Oklahoma, was born and raised in the Panhandle of Texas, receiving his high school diploma from Wheeler High School. He earned a bachelor of science and a masters of education from West Texas State University and an Ed.D from East Texas State University.

Dr. Riley began his career in higher education at Sul Ross State University at Del Rio as an assistant professor of education and administrator of the branch campus. From there he moved to Clarendon Junior College as Dean of Instruction and then to his present position at Southwestern Oklahoma State University.

Along with his administrative duties, Dr. Riley has served as a consultant for the Office of Civil Rights in Washington, D.C., the State Department in Nagodoches, the Professional Development Center Network in Oklahoma, and various public districts in Texas and Oklahoma. In this capacity he has dealt with a variety of topics, including Equal Opportunity in Education, Personnel Evaluation, Title IX in Texas, Classroom Management, Time Management and Teacher Stress.

Among his publications are a handbook on Federal Court Cases dealing with Teacher and Student Rights, a research study on the impact of Title IX in Texas, and research study on the Status of the Four-Day Col-

Winter

Wonderland in November

In 1899 during the month of November, Clarendon received 3.24 inches of precipitation and in 1905, 5.09 inches fell on the area, 1909 3.25 inches and 1940 3.87 inches. It is not recorded whether or not this was rainfall or snow since both are recorded as precipitation. This year, 1982 only had 1.48 inches to wet the unharvested cotton bolls.

Warm spring-like weather in Donley County came to an abrupt end Wednesday, when a blast of Arctic air dropped temperatures to the upper teens and lower twenties when a heavy layer of clouds moved into the area. Early temperatures record as low as 8 degrees F. and in the low teens up until the '60's when our low began to be warmer.

We experienced a total of 2" of snow, weather recorder Tommye Saye reported, from our recent storm. That is a fair amount of snow for this time of the year. But our November precipitation is, considering the past, low for Donley County.

ALOE VERA

Aloe, an ancient plant related to the lily, was discovered centuries ago in southern Africa. It is mentioned in the Bible and is reported to have been used by Cleopatra. ALOE VERA is only one of hundreds of species of the aloe plant. Current medical texts recognize two uses for aloe extracts .
1. The clear gel found inside the spiny leaves is used COSMETICALLY as a protectant and emollient, and 2. a bitter, yellow residue obtained from the leaf is a POWERFUL LAXATIVE.

Does the plant have additional medical uses? Is it safe? These questions are being asked by consumers and by the Food and Drug Administration. Evidence produced thus far is conflicting.

There IS evidence that aloe may, indeed, hasten the healing process and, therefore, MAY be useful in burns, sunburn, and skin ulcers. Studies indicate that aloe may aid in preventing bacterial infection in damaged skin. There is, however, NO EVIDENCE that aloe has any value in cancer or other life-threatening diseases.

With over one million gallons of aloe vera products sold each year in the United States alone, we are certain to hear more about this ancient plant and the products into which it is made.

BY GENE ALDERSON

The Lions Club met in a regular meeting in the Lions Hall Tuesday, November 30. There being twenty-five members and two visitors present. After a very delicious meal and due opening of the meeting by Boss Lion Paul Bivens, Lion Messer introduced the guests. Mr. Jimmy Garland was introduced as a visitor of Lion Homer Estlack and the Reverend Steed Joyce was introduced as a guest of Lion Reverend Scott Turner.

Announcements were then made, with a regret that the program could not appear on account of other conflicts. Boss Lion Bivens then adjourned the Lions Club until next meeting.

MRS. KAY HAYES has been selected F.T.A. Teacher for the month of November. Mrs. Hayes teaches Eng. II, III, IV, and Spanish I. She is Sr. Class sponsor, Spanish Club Advisor and cheerleader sponsor.

BRAD McGUIRE has been selected F.T.A.'er for the month of November. He is vice-pres. of F.T.A. this year, a very active member, a delegate to the Dist. XVI Convention, a varsity football player and participates in track.

IN AND AROUND HEDLEY

Hedley News

By DARLENE BALL

Mrs. Elva Lisenbee and daughter June from Waco visited a week with the Burt Stones and other friends in Hedley also in Wellington one afternoon with John and Zell Nash. Mrs. Biffle in rest home visited with Mac, Bonnie, Bessie, June Willie in Wellington. Mrs. Lisenbee was the wife of Bro. Lisenbee. They had the one daughter. They came to Hedley in August of 1947. Her husband was Pastor of the First Baptist Church until he had a stroke in Aug. 1950. He was in the V.A. Hospital in Amarillo until January 7, 1951 and he was transferred to the V.A. Hospital in Waco Tx. He past away Oct. 16th 1958. His wife always liked to come back to Hedley and visit and attend church. She said her good friends in she always remembered how great they were to them in their time of need. Oatis and Nettie Owens had us all for lunch at Senior Citizens one day. She enjoyed seeing people. They hope to come next year for the Cotton

Festival and see more friends.

Mr. J.M. Baker of Perryton celebrated his 90th birthday this Nov. He was a retired school teacher from Hedley High School. He and his wife keep the great great granddaughter 3 days a week and enjoy that.

Thanksgiving Day was a very pleasant one in the home of Mr. and Mrs. Slat DeBord (despite the snowy weather outside). Twenty people were there to partake of the bountiful meal. These people included Mr. and Mrs. Waldo Emerson of Cordell, Okla.; Mr. and Mrs. John Emerson, Moore, Okla.; Mr. and Mrs. Jerry DeBord and children Dusty, Shawnee, and Colt of Brady, Texas; Mr. and Mrs. Troy Wilson and sons Cory and Brad, Amarillo; Dewey DeBord, Sunray; Mr. and Mrs. Connie DeBord, Hedley.

Also visiting were two friends of Dusty's who are attending ACU with her, Miss Karen Albritton from Sarasota, Florida and Garnet Andrews of Vancouver, Canada. Karen had never seen snow, so she had a ball playing in it. Of course snow was nothing new to Garnet.

Heat's On

By KATIE DVORAK

All cooking on the part of children requires a great deal of teaching, training and follow up on the part of the mother.

1. Make cooking easy for children.
2. Don't just tell them how to do something, show them the first time.
3. Take the time to really train a child how to bake the cookies, what utensils need to be used, terminology of cooking, how to use the oven and most important, how to clean up the mess when all is finished.

4. Performing a task is easy, if you know how. Remember, a home should be like an apprentice shop. Children love it that way because skills bring thrills.

5. Make cooking fun...not being a grouchy mother...

6. Remember, "Home is the training ground for life."

COLD NOODLES WITH SPICY PEANUT BUTTER SAUCE

4 TBS corn oil
2 TBS sesame seed
1 clove garlic, minced and pressed
1/2 C super chunky peanut butter
1/4 C dark corn syrup
1/4 C chicken broth
1/4 C soy sauce
3 TBS cider vinegar
1 lb thin noodles, cooked and drained
2 TBS sliced green onions
1. In medium skillet, heat oil over medium heat. Add sesame seed and garlic. Stir frequently. Cook 1 minute until brown.
2. Add peanut butter to

skillet, heat. Stir until melted. Stir in broth, corn syrup, soy sauce and vinegar until well blended. Pour into bowl, cover and refrigerate 2 hours.
3. In large bowl, toss noodles and 1 TBS oil until well coated, cover and refrigerate...

4. Just before serving, toss together noodles and peanut butter sauce until well mixed. Garnish with green onion slices.

GRANOLA

3 C quick cooking oats
1 C chopped nuts
1 C wheat germ
1 C sunflower seeds shelled
1/2 C corn oil
1/2 C dark corn syrup
1 tsp cinnamon
1 tsp vanilla
1 C raisins

1. In large bowl, stir together oats, nuts, wheat germ and seeds.

2. In small bowl, stir oil, syrup and spices until well mixed. Pour over oat mix, stir until well coated.

3. Spread mix in 15 1/2 x 10 1/2 x 1" jelly roll pan. Bake in preheated 350 oven, stirring occasionally for 30 minutes until golden brown. Cool, stirring occasionally.

4. Stir in raisins, store in tightly covered container in refrigerator.

CHINESE ALMOND COOKIES

2 1/2 C flour
1/4 C cornstarch
1 tsp baking powder
1 tsp salt
1/4 C oleo
1/4 C sugar
1 C light corn syrup
1 egg
3/4 C corn oil
2 tsp almond extract
1 tsp vanilla
1/2 C whole blanched almonds
1 egg yolk
1 TBS water
1. In medium bowl, stir

together flour, cornstarch, baking powder and salt.

2. In large bowl with mixer at medium speed, beat oleo until soft, gradually add sugar and syrup, beat until thoroughly mixed, beat in egg.

3. In measuring cup, stir together corn oil and extracts. Gradually add to egg mix, beating until well mixed.

4. Mix together until smooth. Shape into 1" balls. Place about 2 1/2" apart on foil lined cookie sheet.

5. Flatten balls with lightly floured bottom of glass to 1/2" thickness. Place almond in center of each. Brush with egg yolk mixed with water.

6. Bake at 350 for 10 to 12 minutes. Cool on wire racks.

4-H's to participate in District Food Show

Donely County 4-H members are making final preparations for the Panhandle District 4-H Food Show. It will be held Saturday, Dec. 4, at Dumas High School, West Third at Klein, in Dumas.

A total of 8 4-H'ers from the county will compete. They are: Jill Kidd, Michelle Chambliss, Twana Garland, Audra Hoggard, Lesia Fuston, Christina Leathers, Virginia Clifford and Denise Richardson.

Entrants from 20 counties will compete in senior and

junior divisions. Each division has four food classes: Main dish, fruits and vegetables, breads and cereals, and nutritious snacks and desserts. Contestants in the district event are all winners of their county food shows. Senior division winners in each category will advance to the state 4-H Food Show next June in College Station.

County Extension Agent Cherri Brown said the contestants will report to the high school in Dumas beginning at 8:30 a.m. Dec. 4.

The dishes will be on display in the cafeteria from 1-1:30 p.m., and the public is invited to view them. Ribbons and trophies will be presented during an awards ceremony at 1:30 p.m. in the school auditorium.

Cookbooks containing all the recipes prepared in the district show will be on sale at the competition, said Agnes Taylor, Hartley County Extension home economics agent and chairman of the show committee.

diversion of these relatives of cocaine." He termed the misuse of the substitutes "a newly emerging public health problem with deadly consequences."

Water Table going dry

For the first time since the devastating drought of the 1950's pumping of water in the 1980's is exceeding the recharge ability of the state's aquifers. Current groundwater use is about 10.8 million acre feet a year, while the recharge capability is approximately 5.1 million acre feet. At this rate, the wells will be dry someday in the not-too-distant future, or the water will be unfit for use since some salt is creeping into the water supply at present. Projections indicate that by the year 2030, groundwater availability will be about 7.6 million acre feet.

Agricultural Census 1982

The U.S. Bureau of the Census has announced that 80% of all farmers in the United States will be asked to respond to a four-page, 29-section questionnaire to be mailed starting January 1, 1982. Twenty percent of all farmers and ranchers are to receive an additional four-

page, 29-section report dealing with additional details. Those receiving the reports are requested to return them no later than February 15, 1983. The last agricultural census was taken in 1978.

The Bureau expects to publish individual, preliminary county data during a six-month period starting in the Fall of 1983. The release of final data is scheduled to begin in mid-1984.

USDA Cotton Division

Trading in the territory of the Altus Marketing Services Office was slow to inactive Friday, Nov. 26. Supplies were moderate; grower offerings of new crop cotton were light to moderate. Merchant demand was light to moderate, centering around low grade, low mike cotton for a physical price of 44.50 to 46.50 cents/pound. Prices were steady. A few small mixed lots of grades 42 and better, staples 32 and longer, mostly base mike brought 42 to 115 points over the loan, or 51.50 to 53.10 cents/pound. Several hundred bales of grades 42 and better, staples 30 to 33, base mike sold for 25-50 points over the loan.

Producers were reported receiving mostly \$75-\$80 per ton for cottonseed. In the spot markets grade 42, staple 32, mike 3 5 to 4 9 was quoted Wednesday at 50.00 cents per pound on the spot market in Dallas and 52.10 cents per pound in Lubbock. New York Futures Contract No. 2 for December closed Wednesday at 61.71, up 41 points; July 55.65, down 35.

1982-83 world ending stocks are forecast as 28.6 million bales, 0.5 million above the beginning level and the largest since 1975. Increasing U.S. cotton stocks account for the world stock buildup. This season's U.S. carryover is forecast at 7.5 million bales, up nearly a million from a year earlier and the largest since 1967. Even with this season's sharply smaller crop of 11.9 million bales, extremely weak domestic and export demand will not match output.
