High School Dance Planned For Eastland County Area Students

The Junior Class of Cisco High School, in coordination with Junior Class parents is sponsoring a County-wide Dance for all Area High School Students.

The invitation is extended to Gorman, Moran, Eastland, Ranger, Carbon, Rising Star and Albany.

The dance will be held on Saturday, January 25, from 8 p.m. until 11 p.m., at the Corral Room of the Laguna Hotel, downtown Cisco, 400 Conrad Hilton. The dance is for high school students only.

L and L Light and Sound will provide music for the dance. Admission will be \$2.50 per person. Soft drinks will be available.

Cisco has an active group of parents in the Parents for Teens, who have sponsored monthly parties for Cisco High School students for the past two years. The Junior Class parents, who work with Parents for Teens, will serve as chaperones in addition to other interested Junior Class parents or parents from other classes.

Parents from all surrounding towns will be asked to chaperone and any interested parent is encouraged to attend the dance.

Definite rules have been established for high school students as follows:

1. Eastland County and area high school students will be allowed to dance.
2. Students may leave the dance at anytime; however, once a student leaves they may not return.
3. No drugs or alcohol will be allowed.

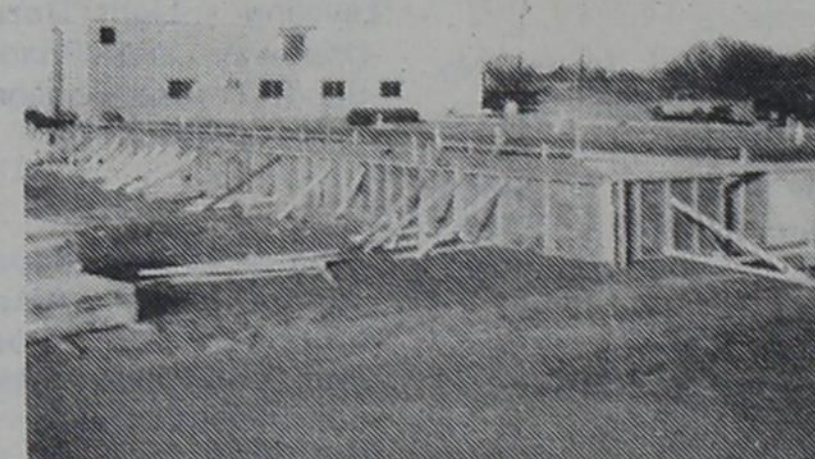

A spokesperson for the Junior Class parents stated, "High School parents should be assured that the dance will be well chaperoned and our definite rules will be followed. Please feel secure in allowing your teenager to attend our dance and feel free to join us as a chaperone, if you can."

For further information contact Joe or Jan Cooper at 442-3994 or Shirley (Gus) Smothers at 442-1291.

VOICES

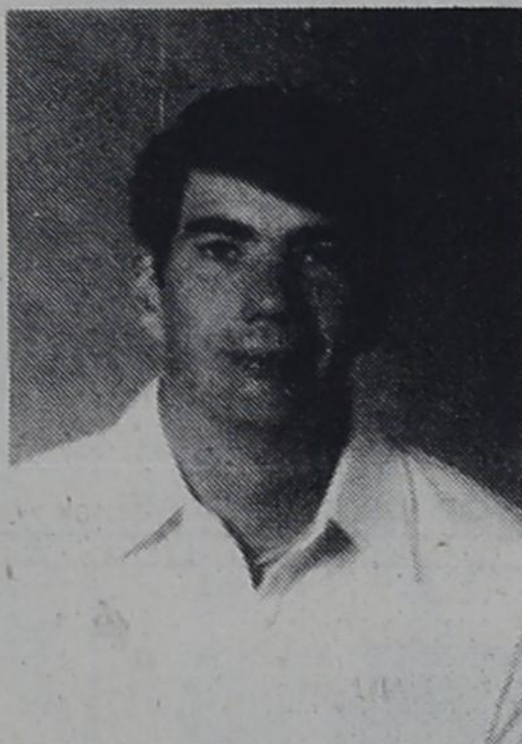

by Mike Snider

Our school hair code has recently come under fire by many students. The majority of the students disagree with the current standards set forth by the hair code. These standards are: "the hair is to be cut so it will not attract undue attention. There must be one finger width above the eyebrow to the hairline. Sideburns should be a reasonable length but in no case shall they extend below the bottom of the ear. They must be trimmed and thinned in a straight line with no flares at the bottom. No beards or mustaches will be allowed. The hair will in no way exceed in length the middle of ear, finger level in the ear drum. The hair shall not extend over any conventional collar." These standards are taken directly from the student hand book.

I personally wear my hair fairly short, but I would like to have the right to wear it longer, within reason. The current hair code, I believe, is out of date. The school backs up the hair code by saying that it is school board approved. But the hair code was written up many years ago, when it was in style to wear hair short. The attitude taken by many students, is if the hair is kept clean and styled neatly, then it should be up to the individual how he wears his hair.

January Feature Story

by Stacey Slampa

This month, our feature story is on our new athletics coach, Bill Baze. He graduated from Gorman High School in 1974. He then attended Tarleton for three years before he quit and went into the Department of Public Safety Academy in Austin for eighteen weeks. After he completed training, he was assigned to the Highway Patrol Division in Kaufman, Texas, for two years. After Mr. Baze transferred to Stephenville, he was a highway patrolman for a year and a half, then he joined the Stephenville Police Department and became an investigator.

He quit the Police force and started coaching to have more time with his family. He said it was hard to make the adjustment and that he misses the challenge of being a policeman.

When Coach Baze went to school at Gorman, he said people either were in sports or the band, or agriculture; they only were interested in one thing. Today, he says, there are more things to interest students and they have more options. He concludes, there is no school spirit. The biggest hang-up is that students do not seem to care.

When asked what he hopes to accomplish with his teams this year he said, "Well, I want to win!", "But, everyone does." He added that the emphasizes sportsmanship and dedication in individuals.

What's Happin'

By Jennifer

Our ex for January is Stephen Slampa, who graduated from Gorman in May, '85. He moved to Abilene to attend college at Hardin Simmons University.

Stephen is majoring in Computer Science, and is planning on being a computer programmer or a system analyst. He says that he chose H.S.U. because their Computer Science program is on the best. He plans to graduate after he receives his bachelor's in math and his master's in computer science.

The hardest adjustment for Stephen was gearing his time toward his increase work load. When not working with the band, the is working in H.S.U.'s cafeteria, along with his studies.

Stephen says that the most enjoyable thing about college to him is the band. He says that the dedication and brotherhood of the band makes for a successful organization. The band is invited to go on many tours. It also participates in the college intramural program and gives concerts. The Cowboys have been in many parades; such as the Coca-Cola Parade in Georgia, and have been on tours in France and South Texas. Of all the parades, Stephen says that the Cotton Bowl Parade was his favorite experience. We wish Stephen all the luck in college and the band.

CITY CHIT CHAT

By Mayor Charlie L. Garrett

No one likes to hear about or talk about taxes, but they are a necessary evil in running our City Government. This is our largest source of revenue. property taxes are due and payable by the close of business on Friday, January 31. Any payment made after that date becomes delinquent, which means that a penalty and interest will increase. It will be to the tax payers advantage to see that 1985 taxes are paid by January 31.

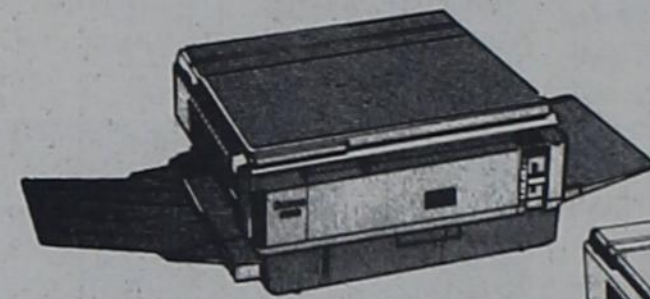

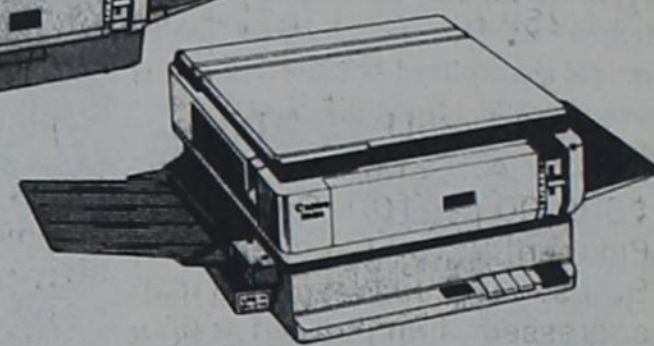

I have had some comment on both the Community Building and the

library, but not a whole lot. If you have any ideas on these two projects, I hope that you will tell us about it.

Monday, January, 20th was the first day to file for a place on the ballot for the City election on April 5th. Filing will end at 5:00 p.m. on February 19th. Those filing must be registered to vote in the April election and have lived in the City for six months. At the last Commission meeting, Mozell Rhymes was appointed as election judge. When you go to vote this time you will see a change at the polling place. We will using, for the first time, the new required voting booths.

The nature of said suit being substantially as follows, to-wit:

Trespass to try title suit in which Plaintiff, for cause of action, alleges to the Court that on or about the 30th Day of December, 1985, Plaintiff was lawfully seized and possessed of the following described real property in Eastland and Stephens Counties, Texas, to-wit:

Oil and gas lease dated January 9, 1981, from Robert L. Cantwell, et ux, lessors to Show Petroleum, Inc., lessee, which lessee is recorded in Vol. 6, Page 57 of the Oil & Gas Lease Records of Stephens County, Texas, insofar as said oil and lease covers the following described 40-acre tract out of the 120-acre tract off the West end of the North ½ of the 640-acre survey patented to D. Verplank Ackerman, Assignee of Francis W. Harnes, by Patent No. 89, Vol. 11, dated October 10, 1860, Eastland County Abstract No. 2098, and Stephens County Abstract No. 161, and which 40-acre tract is described by metes and bounds as follows:
Beginning 933.5 ft. East and 707 ft. South of said Francis W. Harnes 640-acre Survey; Thence South 1665 ft. to South line of said 120-acre tract; Thence East 1046.5 ft. to SEC of said 120-acre tract; Thence North 1665 ft; Thence West 1046.5 ft. to place of beginning;
TOGETHER WITH all personal property and equipment situated thereon and used in connection therewith.
And that Defendants unlawfully entered upon said real property and ejected Plaintiff therefrom, and unlawfully withhold Plaintiff the possession thereof; and Plaintiff prays for a judgment for title to and possession of said real property and for such other and further relief to which is entitled, as more fully shown by Plaintiff's petition on file in said suit.
If this citation is not served within ninety (90) days after date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to the requirements of law, and the mandates hereof, and make due return as the law directs.
ISSUED AND GIVEN under my hand and seal of said Court, at office in Eastland, Texas, this 31st day of December, 1985.

TUEC FILES FOR DECREASE IN FUEL CHARGES

Texas Utilities Electric Company today filed an application with the Public Utility Commission asking authorization to decrease fuel charges by about \$233 million annually and to refund about \$78 million to its customers. DP&L, TP&L and TESCO are divisions of Texas Utilities Electric Company.

In requesting the \$233 million fuel charge reduction, the company asked the PUC to decrease its fixed composite charge for fuel from 2.79 cents per kilowatt-hour to 2.46 cents.

The lower fuel charge per kilowatt-hour will save the average residential customer about \$45 per year, about a 4.9 percent reduction compared to what their bills would be under the present fixed fuel charge.

TUEC in late December had announced its plans to ask approval of the refund and lower fixed charge.

The \$78 million refund represents the savings to customers brought about by lower costs for fuel used to make electricity. The company is asking the PUC to authorize the refund at the earliest possible date, which would be March, through a credit to customer's bills.

Under the company's proposal, residential customers are expected to receive an average refund of about \$13.

The fuel cost savings are being made possible by the declining cost

Mona Canafax Laid To Rest Saturday

Mona B. Williamson Canafax, 90, of Fort Worth, died Tuesday in a Fort Worth hospital.

Funeral was at 1 p.m. Saturday at Millsap Church of Christ. Burial was in Fairview Cemetery in Parker County.

She was born in Parker County and lived there for many years. She also lived in Ranger before moving to Fort Worth in 1946.

She was a member of Highland Church of Christ in Fort Worth.

Survivors include two granddaughters, Patsy Ruth Rodgers of Gorman and Kathryn Louise Frazier of Dallas; four great-grandchildren; and two great-great-grandchildren.

of natural gas, which is used to make slightly more than half the electricity used by customers, said TUEC Vice President Tom Baker.

The price of gas bought by the company declined from an average of \$3.74 per million Btu in 1984 to \$3.51 for the 12 months ended September 1985. The company's request for a decreased fuel charge is based on an estimated average gas price of \$3.02 in 1986.

"We will continue to aggressively pursue contracts for lower-priced gas in our efforts to keep fuel costs to our customers as low as reasonably possible," Baker said.

IN APRECIATION

Our father, Joseph H. (Hade) Barbee passed on to be with his Lord and Savior on January 16, 1986 while in Blackwell Hospital. We extend our deep appreciation and thanks to all the many friends, neighbors and others for the many acts of kindness during Dad's final illness. We especially thank those mentioned below who were so closely involved during Dad's last days.

To the Blackwell Hospital Nursing Staff for their loving concern and excellent professional care given to Dad. To the Food Service People for their warm friendship, the "hot cup of coffee" and good food, to the other hospital employees for their courtesy, concern and help. To Drs. "L" and "N" for their concern and care. They are "super people" and excellent doctors.

Gorman is fortunate to have a hospital and medical clinic staffed with such warm, caring and highly professional people.

We gratefully acknowledge the members and friends of the Church of Christ and our other friends who gave so graciously of themselves during very difficult times.

We so appreciate those of

the Nursing Home Staff who assisted in Dad's care these past few years - especially those who "gave a little extra" to help and cheer Dad. He loved for.

A special thanks to our loving "Auntie", Ozella Pulley, for her boundless love and always "open house" where we always feel at home.

It is our prayer for each of you that your days will be a little brighter for having known our father. Ours have and always will be.

OUR KIDS NEED HELP!

We the students of STAND (Students of Texas Against Narcotics & Drinking) are trying to help others stop using drugs and alcohol. Drug abuse is one of the biggest problems in the world. We have to face this problem, but, we can not do it alone, and we are asking for your help. "YOU" can help us make a difference. The members of STAND are all teenagers, and are drug and alcohol free. We see kids every day using drugs. Alcohol, is one of the biggest problems in our home town of Gorman. Yes, there is a problem, and we can not ignore it any longer.

We have to face the facts "NOW"! For some of our friends it's too late. Please help us. We are winning this war, but we still need your help. You, the people of Gorman & Eastland County, can make the difference.

We'd appreciate your support.

Thank you,
STAND
Gorman, Tx.

pus locations. Though there will be no problem in registering as late as January 24, Mr. Odom urges those who wish to take college courses to register now in order to begin attending classes. Classes are presently in session and a minimum amount of missed time is beneficial to the student.

DOCTOR OF MUSICAL ARTS DEGREE EARNED BY FRED GRAY

A Doctor of Musical Arts Degree earned by Fred A. Gray was granted to him by the University of Arizona, Tucson, during the Winter graduation ceremonies (commencement), Friday, December 20, 1985.

In 1977 he earned a degree in eight years while working full time as a music specialist in the Marana, Arizona, Public Schools, at Thornydale Elementary. This was done by attending classes at the University after 4:00 p.m. His residency and dissertation were done during a sabbatical leave for the 1984-85 school year.

Fred A. Gray lives in Tucson with his wife, Janet, a first grade teacher at Grace Christian School, and his two daughters, Cherie Louise, a senior at Catalina High School, Tucson, age 17, and Kristi Lynn, age 14, a freshman at Catalina High. His parents the late Harold E. Gray and Mrs. Grace Gray who now resides in DeLeon, Texas.

Fred Gray attended grades 1-12 in Gorman Public Schools, and then received a Bachelor of Science in Music Education at McMurry College in Abilene, Texas, in 1964. He then completed his Master of Music Education at Texas Tech University in 1969.

Dr. Gray taught music and band at all levels for two years in Santa Anna, Texas (1964-66), and taught high school band and beginning band for ten years in Raton, New Mexico (1966-76). He also taught band in private schools in Tucson for one year (1976-77), and taught elementary music and band at Thornydale Elementary school, Marana public Schools, Marana, Arizona, since 1977.

Fred A. Gray was President of Classroom Teachers Association in Raton, and was a Member of the Executive Board, at New Mexico Music Educators Association. He served the Raton Community Concert Association in Raton.

He was currently a professional member of the Arizona Education Association; Marana Education Association; Arizona Music Education Association; Music Educators National conference; College Music Society; Organization of Kodaly Educators; and Arizona Association of Kodaly Educators. Annotations of over two hundred musicals were published for children in grades kindergarten through sixth, both secular and religious. This includes a history of musicals in schools, information about the proper use of children's voices, and aids for producing elementary musicals.

If there are any questions concerning these musicals contact Fred Gray, collect at 602-296-0430.

THANK YOU

I would like to express my sincere appreciation to Dr. L. Dr. N, and Dr. Heinan and the hospital staff for their care while I was in the hospital.

Also for the prayers, calls, cards, and flowers I received, and good meals served by the kitchen staff.

SUNBELT SAVINGS COLLECTS NEARLY 7,000 TOYS

Sunbelt Savings is pleased to announce that nearly 7,000 toys were collected and distributed to needy children across north Texas through its annual Sunbelt Santas program.

"The response from customers, employees, other individuals and businesses was tremendous," said Richard Ashby, Director of Marketing at Sunbelt Savings. "People brought toys to the branches daily. Our original goal of 3,000 toys more than doubled by the end of the toy collection campaign. Sunbelt is grateful to all those, including employees and customers, who made Sunbelt Santas a success by contributing toys."

Working with charitable and civic organizations, Sunbelt Savings gave the toys to children who otherwise may not have received a gift at Christmas.

Sunbelt Savings Association of Texas, chartered in 1955, is FSLIC-insured. It has 50 offices throughout north Texas with total assets exceeding 2.9 billion.

CENTRAL TEXAS MENTAL HEALTH/MENTAL RETARDATION CENTER — CHILD DEVELOPMENT CENTER

On January 27, 1985 a developmental screening will be held for young children ages zero to five (0-5). This screening will be conducted at the Cisco Day Care Center, Cisco, Texas from 12:00 to 3:00.

The screening, which takes about twenty minutes to complete, tests a young child in four areas; personal/social skills (playing, eating, dressing, etc.), fine motor skills (ability to manipulate small objects), gross motor skills (running, jumping, etc.), and language development (speech, following instructions, etc.). If a child is found to have two or more delays in one area, there is further testing available or referral to the appropriate agency.

The purpose of Early Childhood Intervention is to identify and correct as many problems as possible for young children. Early detection of young children's delays have proven beneficial to the child, parents, and teachers.

For further information, please feel free to call (915) 646-9574, ext. 158 or 159 in Brownwood, or come to the screening site. There is a \$10.00 screening fee, although no one will be refused services due to the inability to pay.
