

Council To Request \$75,000 For Airport

Submitting an application to the Texas Aeronautics Commission requesting \$75,000 was the major decision made by the City Council of Colorado City at Tuesday's regular session.

James Campbell, city manager, informed the council that the city could apply to the Texas Aeronautics Commission for "up to \$75,000" to be used to renovate the newly acquired Colorado City municipal airport, which was formerly Webb Air Force Base Auxiliary Airport.

Campbell explained that any amount the Aeronautics Commission granted must be met in matching funds by the city. That is, if the Commission approves the \$75,000 request, Colorado City must also put up \$75,000.

"Where will that money come from?" asked Councilmember Lloyd Ledbetter.

"Our primary source would be revenue sharing," explained Campbell, noting that there would also be other sources.

In discussing the source of the proposed \$75,000 from the local contribution, Councilmember Rick Perkin suggested that the council might consider the feasibility of holding a

bond election to come up with the funds.

But Campbell noted because the council was not certain how much money would be needed, "I'd hate to put it in front of the voters."

At first the council pondered the idea of requesting \$50,000 from the Aeronautics Commission for the project, but after discussing the matter, it was decided to apply for the maximum amount of money offered—\$75,000—because, as Councilmember J. O. Dockrey said, "We can always scale down the amount."

Should the council decide that \$150,000 worth of repairs are not in order or if it should not be possible for the city to raise the matching funds, the city can inform the Aeronautics Commission and the amount of the grant will be decreased, explained Campbell.

In filing the application with the Aeronautics Commission for the funds, Campbell informed the council that it had to be specified what the renovations would entail.

In deciding what specific aspects of the airport needed immediate attention, the council was apparently divided.

Dockrey noted that hangars should be constructed and that the runway should be lengthened.

Ledbetter said that 5,000 feet of runway should be ample for the size of aircraft that would be landing on the strip and that the money should be concentrated on other needs.

Campbell noted that the immediate need was to seal coat the runway to protect the surface, adding that vegetation could "kill" the runway if it wasn't seal coated.

After some discussion, the board unanimously voted to request \$75,000 from the Texas Aeronautics Board for airport renovations. The aeronautics committee will meet to decide what specific aspects of the airport will be specified on the application.

In other business, the council reviewed the city charter which was adopted Dec. 3, 1948 by the City Council of Colorado City. With the exception of a few amendments, the charter has been used since.

Agreeing that several sections of the charter needed updating, the council discussed the possibility of revamping it.

Councilmember Jodie Neff suggested that the council consider having a general election to select the mayor and have the councilmembers elected by

places, rather than at large as is now the practice and is specified by the charter.

Other points of the charter considered for change were altering the city's fiscal year. Campbell explained that the federal fiscal year begins Oct. 1 while the city's fiscal year starts April 1. He noted that "for the matter of accounting" it might be convenient to change the fiscal year to Oct. 1.

Other changes considered by the council for the charter were necessary alterations to be in conjunction with state and federal law.

In his report to the council, Campbell said that he had rehired Mike Mickle as fire marshal of the Colorado City Volunteer Fire Department.

Mickle resigned May 1 and since that time, the fire department has been operating without a fire marshal.

Campbell noted that Mickle's appointment would be effective Aug. 1.

Further reporting on fire-department progress, Campbell told the council that one of the fire trucks which has been out of operation is out of the body shop and will be in service "by the weekend."

The other vehicle—which had transmission trouble—is still being worked on, Campbell said, but "will be ready in two weeks."

Campbell mentioned in his report that the city's water supply was not in danger, although some towns are having to exercise conservation practices because of the dry weather.

"We're in real good shape," said Campbell, explaining that the city's contract with Texas Electric Power Plant states that the city does not have to exercise conservation

measures until the lake reaches 2054 feet.

"It is currently at 2056.45 feet and we are using about half an inch per day," said Campbell.

He noted that the current water supply could last 60 days at the present rate of usage.

\$3,000 To Attract Industry

Chamber, Industrial Team Pledge Funds

A total pledge of \$3,000 has been made toward buying land options and for land development for the purpose of attracting industry to Colorado City.

Last week, the Colorado City Industrial Team pledged \$1,500 toward the

project and Tuesday night, the Colorado City area Chamber of Commerce and Agriculture pledged another \$1,500 toward that goal.

This may not sound like much, said Chamber Manager Larry Winders, but

he added that it is a start in the right direction.

One of the big things industry wants to know when they are looking for a city to locate in, is what land is available, how much it will cost and can that land be made available at a definite cost, Winders noted.

They don't want to be told maybe, or we'll see or whatever—they want a concrete answer, the Chamber manager stated.

Having options is important as it shows that the city seeking industry is working and that a parcel of land will be sold and for a set price, Winders added.

Setting aside the \$1,500 was one of a number of items discussed during the Chamber meeting, usually held the first Monday of the month but delayed this month due to other activities in which the Chamber was involved including the fly-in and the rodeo.

The Chamber board also

set aside money to be used to hold the American Junior Rodeo Association rodeo again next year. With the approval of the Western Riding Club, plans have been made to make a number of improvements and changes at the rodeo arena.

The Chamber board also set aside \$1,000 for the annual Railroad Arts & Crafts Festival, to be held in October. The board also voted to ask the city for another \$1,000 from the hotel and motel occupancy tax in order to promote the annual event that has become bigger each year.

It was reported to the board by Winders that during the month the chamber has gained one new member, Ideal Exteriors, owned and operated by Brad and Sandra Rose. The new member was recruited by David Marion.

The board also went over finances and approved an amended budget for the 1978 year.

Wrestling Nets Packed House

The Co-opatorium was packed Tuesday night with a crowd of wrestling fans.

Sponsored by the Mitchell County Kindercare Center, the wrestling is a money-making project being held to raise matching funds to receive a government grant.

According to Ann Gregory, Kindercare director, over 750 people swarmed to the Co-opatorium Tuesday to watch the matches.

In the first main event, Mr. Pogo, a karate and judo expert, managed to beat Dory Funk in a blood-filled match.

For the Western States Championship in the se-

cond main event, Ricky Romero maintained his title when he won over Roger Kirby in a disqualification call.

In tagteam wrestling, Noah Jones and Teddy DiBiase pulled a win over Kirby and Doub Somers.

In other matches, DiBiase and Somers wrestled to a draw.

Last month, Kindercare sponsored a wrestling match and managed to net \$454 profit. Mrs. Gregory said that she expected the Kindercare Center made the equivalent or more this time around.

"It turned out great," she said. "The crowd was enthused."

Erwin Is New Chief

Robert Eugene Erwin has been hired by the Loraine City Council to fill the slot of Chief of Police of Loraine.

The decision to hire Erwin was made Monday night when the council met in a special session to review applicants.

Erwin—who will assume his position in the near future—has served 22 years in the United States Navy and retired in 1975. He is married and is the uncle of Colorado City's Chief of Police Fred McWhorter.

All My Sons Set To Open Next Week

All My Sons, an Arthur Miller drama, will go on stage the first two week-ends in August at the Colorado City Opera House, presented by Colorado City Playhouse, Inc.

The three-act drama will be presented at 8 p.m., Thursday, Friday and Saturday, Aug. 3, 4 & 5 and Thursday, Friday and Saturday, Aug. 10, 11 & 12.

Price of tickets is \$3 per person and reservations may be made by phoning 728-3491 or by going by the Colorado City Opera House.

Box office will be open starting Monday, July 31, from 1-5 p.m. Monday through Wednesday and from 1-8 p.m. Thursday through Saturday.

The box office will have the same hours the following week, Aug. 7-12. The Colorado City Opera House seats 160 persons and is air conditioned and provides

comfortable accommodations.

All My Sons has been in rehearsal since early June. This is the third production for Colorado City Playhouse this year. The Playhouse season started with the musical, Annie Get Your Gun and in May the comedy Accommodations was presented.

The original presentation of All My Sons was directed by Elia Kazan on Broadway and is considered by theatre goers to be a world classic.

The story takes place in the back yard of a home in Ohio in 1947. The story is spun around a couple's son, a pilot, who is missing in action. Everyone but his mother believes the son is dead.

Sub plots include a love affair between the missing son's girl friend and his brother and his father's involvement in shady deal-

ings when 21 fighter pilots are killed while flying planes equipped with engines built in his machine shop.

Suspense builds, emotion mounts and the story ends in a surprising climax.

Director Carl Beery Moore noted that although the play has its very serious elements, it also has a very warm and human story that has humorous moments.

It is very realistic and everyone can identify with the characters in the drama.

Members of the cast are:

—Mac McKinnon, editor & publisher of the Colorado City Record, as Joe Keller, the father.

—Marsha Moore, a mother, housewife and wife of the director, as Kate Keller, the mother.

—Bill Martin, worker in a Snyder brick factory, as

Loraine Celebrates 'Dr. Johnson Day'

A full house was on hand Sunday afternoon at First United Methodist Church in Loraine to celebrate "Dr. Bruce Johnson Appreciation Day."

Dr. Johnson, who has served as Loraine's town doctor for 42 years, was honored at a reception which was hosted by present and former employees

of the Johnson Clinic and the staff at the Loraine Nursing Home.

Organ and piano music, played by Mrs. K. L. Taylor and Mrs. J. M. Templeton, opened the ceremony. Harold Martin led a congregational hymn and Master of Ceremonies Ray Preston introduced Rev. David Hestand who gave the invocation.

Mrs. Cora Johnson, aunt of Dr. Johnson, spoke to the group on hand about her nephew's childhood days, describing them in an original poem.

George Thompson of Sweetwater lauded Dr. Johnson highly in recalling how he had been a charter member and first president of the Loraine Lions Club and had helped the organization to grow.

Charles Godwin of Colorado City gave a review of Dr. Johnson's years as a Shriner, noting that he was the first clown to perform at their parades.

Mayor Vance Dickenson presented a resume of Dr. Johnson's affiliation with Loraine School and the town, noting that he served on the Loraine School Board, on the Loraine City Council, served as mayor

and was a great booster for education and football.

Preston told of Dr. Johnson's work in the Loraine Masonic Lodge and Mrs. K. L. Taylor spoke on behalf of the First State Bank of Loraine of which Dr. Johnson has been a member of the board since 1949.

Mrs. Bennett Blair told about Dr. Johnson and his affiliation with the First United Methodist Church of Loraine, relating humorous stories of the Johnson family.

In conclusion of the program, Mrs. Leonard Coldey told about the beginning of the Johnson Hospital, which was built in 1938. In 1971, the hospital—which was by now a 21 bed hospital—was unable to meet medicare requirements and was forced to close.

Since closing the hospital, Dr. Johnson has kept his clinic open, treating hundreds of patients through the years.

Mrs. Coldey presented Dr. and Mrs. Johnson a plaque at the conclusion of the ceremony, engraved with the message, "...in appreciation for your love to your employees."

COLORADO CITY Chamber of Commerce's Ambassador Club turned out in force Saturday morning to officially open Ideal Exteriors at 17th & Vine at the E-Z Way Shopping Center. Ideal Exteriors is owned and operated by Brad and Karen Rose and was officially opened with ribbon cutting ceremonies. Participating were, left to right, Ambassador Ken Godsey, Rose, Tiffany Rose, Mrs. Rose, and Ambassadors Shirley DeLaney, Ray Anne Carlock and Larry Winders. The firm offers work to improve the appearance of homes as well as provide insulation.

NEW FIRST FAMILY of Colorado City schools is the Charlie Uselton family. They are Sherri, Mr. and Mrs. (Barbara) Uselton, Vikki and Randy. Uselton will assume his duties here Tuesday as superintendent of Colorado City schools.

CLINCHING THE Church League Softball championship title was Baptist Mission, who overcame Church of Christ 3-2 in the final game Monday night. Comprising the Baptist Mission team are (kneeling, left to right) Cecil Contreras, Lupe Badillo, Robert Aguilar, Sammy Contreras, David Silva, (standing, left to right) Lucky Aguilar, Jimmy Mendoza, Manuel Aguilar, Ernest Aguilar, Tom Aguilar (coach) and Joe Silva. Not pictured are Robert Garza and George Flores, players. See story page 4.

Tourney Opens Today

The First Annual Muscular Dystrophy Baseball Tournament will open today (Thursday) at the baseball diamond at Ruddy Park.

The first game will begin today at 6:30 p.m. and the second game is scheduled to get underway at 8 p.m. Friday at 6:30 p.m. the play off game will be held to determine the champion team.

Midget farm league baseball teams will be competing in the tournament.

No admission will be charged to the games, but donations will be accepted and will go toward the Mitchell County Muscular Dystrophy drive. Profits from the concession stand will also be contributed to muscular dystrophy.

The team of Swinney

and Williamson outshone April Moore and Mac McKinnon, 5-7, 6-3, 6-4, in the second round of action.

Opening the third round, the team of Watlington and Redwine was again victorious when they beat Jackie and Mel Palmer, 7-6, 5-3, 6-4.

The team of Arthur and Alvarez copped a 6-4, 6-4 win over the team of Swinney and Williamson.

In the final round of action, the team of Watlington and Redwine defeated Arthur and Alvarez, 7-6, 5-4, 6-3.

In the consolation bracket, in the first round, the team of Magourik and Jones looped a 6-3, 6-2 win over Ann and Lain Beaty. George and Gay Powell won over Nancy and Larry Hamner, 6-1, 6-3.

In the second round, the team of Linam and Woodrow overcame Magourik

and Jones, 6-4, 6-2.

Moore and McKinnon wrapped a 6-0, 6-0 win over the team of Gay

and George Powell.

Moore and McKinnon managed to take the third place prize when they won

the consolation bracket by defeating the team of Linam and Woodrow, 6-2, 6-4.

WINNERS in last weekend's mixed doubles tennis tournament were left to right, Dave Redwine and Sandra Watlington, first place winners; Kitten Arthur second place along with Freddie Alvarez (not pictured) and Mac McKinnon consolation winner with April Moore (not pictured).

Sherrie Winn Honored With Pre-Nuptial Bridal Shower Friday Evening

Miss Sherrie Lynn Winn, bride-elect of Bobby Dale Wallace, was honored

with a bridal shower Friday evening from 7-9 p.m. at the Charles C. Thompson Room of the City National Bank.

Hostesses for the occasion were Elizabeth Godina and Leisa Blankenship.

Special guests were mothers of the couple, Mrs. Donald L. Winn, Sr. of Colorado City and Mrs. Bobby Ray Wallace of Sweetwater, and grandmother of the bride-elect, Mrs. M. E. Hull of Colorado City.

Blue carnation corsages were presented to the honoree and to the mothers. Other guests were registered by the bride-elect's sister, Delilah Hull of Colorado City.

A blue and white sheet cake with decorative blue roses was served with fruit punch, nuts and mints from a long table covered with a white cloth with a blue border. Matching napkins and crystal appointments were also used. Other special decorations included a wedding veil and figurine of a bride in a wedding dress.

Miss Winn and Wallace will be married Aug. 12 at 4 p.m. in the Central Baptist Church with the Rev. Caddo Matthews, pastor of Plainview Baptist Church, officiating.

PICTURED ABOVE at a bridal shower held in her honor is Miss Sherrie Winn (center). She is pictured with from left: Leisa Blankenship, hostess; Mrs. Bobby Ray Wallace, mother of the prospective groom; Mrs. Donald Winn, Sr., mother of the future bride; and Elizabeth Godina, hostess.

Rep. Martin Supports Resolution

State Representative Elmer Martin joined 97 house colleagues in co-sponsoring HCR 13 by Rep. Von Dohlen, calling for an amendment to the U.S. Constitution requiring a balanced annual federal budget and the amortization of the federal debts.

The resolution was passed unanimously by the House Thursday. The resolution has the active support of all major state officials, including Gov. Dolph Briscoe, Lt. Gov. Billy Hobby, Speaker Bill Clayton and Atty. Gen. John Hill. The resolution specifically requests the members of the Texas Congressional Delegation to sponsor the amendment and work for its submission to the state.

Martin said, "The federal debt has increased by \$177 billion in the past three years alone. Run-away spending at the federal level is largely responsible for the inflation that has gripped this country for years."

"The disgruntled attitude Texas tax payers have today is aimed more at their frustration with what is happening at the federal level than at problems here in Texas," Martin continued. "Pay as you go" has been my policy from the county government to our state government. It is past time that we Texans, with our history of a 'pay as you go' government, take the lead in making the federal government act responsibly and live within its budget as each of us must do."

NABBING THE DISTRICT title in United Girls Softball Association League Division II tournament action was the team representing Colorado City. Comprising the team are (kneeling, left to right) Mickie Palmer (who was named most valuable player of Division II in the tournament), Bennie Hampton, Lisa Watkins, Becky Franco, Traci Blackwell, Kerry Spivey, Janie Caswell, RJ Erwin (who was named to the all tournament team), (standing, left to right), Peggy Blackwell (manager), Fluffy Franco, David Hancock (assistant coach), Sharyn Hancock, Jan Tarter, Loretta Morris, Karon Harmon, Della Ausbie (who was named to the all tournament team), David Petty (coach) and Molly Morris (chaperone). The all star team will compete Aug. 3 in the regional contest in Abilene.

COPPING THE SPORTSMANSHIP award for the United Girls Softball Association Division I district tournament was the Colorado City team. Besides taking the sportsmanship trophy, the team also received runner up trophy for the tournament competition. Sweetwater took first place. Pictured on the Colorado City Division I all star team are (left to right) Melanie Rees (who was named to the all tournament team), Julie McPhaul, Holly Tarter, Shannan Perkin, Connie Ward, Diane Gregory, Kellie Beights, Ashley Weaver, Denise Jackson (who was named to the all tournament team), Anita Swinney, Gayle Beights (manager) and Rex Beights (coach). Not pictured are Pat McPhaul (assistant coach) and Margaret Rees (chaperone).

Division II All Stars Take District Tourney

It's on to regional competition for the Division II all star team in United Girls Softball Association League.

Saturday, the Colorado City team clinched the district title when they downed Sweetwater 12-10 in the championship game played in Merkel.

Sweetwater led the contest until the fourth inning when Colorado City tied up the score. In the fifth inning, the Colorado City girls skinned ahead by one point and then pulled ahead 12-8 in the sixth inning.

Sweetwater managed to score two more runs in the final inning, but it was not enough to take the game.

Winning pitcher for the game was Mickie Palmer. Now that Colorado City has wrapped up the district contest, the team will advance to regional play Aug. 3-5. Breckenridge will be the only opponent the local girls will face and the regional cup will go to the team chalking up two out of three wins. The tournament will be played in Abilene, but game time is not yet known.

Following the all star game Saturday night, trophies and awards were presented.

Division I all stars from Colorado City were presented the runner up trophy for the district tournament. The Colorado City team was defeated by Sweetwater for the championship crown Friday night.

Besides taking runner up honors, the Division I all stars also received the sportsmanship award. The sportsmanship award was selected by all of the girls playing in the tournament.

Named to play on the all tournament team—which was selected by the umpires and tournament directors—from Colorado City from Division I were Melanie Rees and Denise Jackson.

The Division I all star team was coached by Rex Beights, who was assisted by Pat McPhaul. Gayle Beights was team manager and Margaret Rees was chaperone.

"We'd like to thank all of the parents who supported us this season," said Beights. "We had a good

turn out at the games and appreciated the support."

Division II all stars were presented the first place tournament trophy and each of the players received an individual trophy.

Two girls were named to the Division II all tournament team—Della Ausbie and RJ Erwin—and Maggie Palmer was named most valuable player.

Coaching the Division II all star team was David Petty, assisted by David Hancock. Manager was Peggy Blackwell and Molly Morris was chaperone.

Maddox Elected

Joe Maddox was elected president of the Colorado City Sports Boosters Club in a meeting Friday. Vice president for the coming year is James Shoemaker.

Other officers elected include Bonnie Hammond, secretary-treasurer; Ruby Carter, reporter, and Nancy Hanks, refreshment chairman.

Tennis Tourney Set

Aug. 3-5 the men of Mitchell County will have an opportunity to display tennis talents in a tournament that will include three separate divisions.

One of the divisions will be an open division—anyone may enter.

Secondly, a 26-39 years age division will be held and the third division will be either an "over 40" contest or a "novice" division, whichever one has more entries.

Entry fee for the tournament is \$4 per player and a can of new tennis balls, which will be available at the tournament.

Trophies will be awarded to first, second and consolation places.

Deadline for entry is Wednesday and all ages and all levels of players are encouraged to participate in the tournament, according to Dave Redwine, tournament director.

Persons interested in the tournament should call Redwine at 728-3978. Site of the contest will be Middle School tennis courts.

Sports Action

For the second time in three years Baptist Mission won the annual Mitchell County Church League Softball tournament that concluded at Hertenberger Field Monday night.

The final games were originally scheduled to be played Saturday but due to wet grounds at the baseball field, games were rescheduled for Monday night.

The final games were played rapidly, taking only two hours for all three contests. In the first game, Tanis Moreno pitched Loraine Catholic B to a 7-5 victory over Loraine Baptist A.

In the second game, Loraine Catholic B was eliminated by Church of Christ 11-1 with Raymond Watlington winning pitcher, setting up the tournament finale.

In that contest between Church of Christ and Baptist Mission, Baptist Mission jumped out to a quick 3-0 lead and later Church of Christ narrowed the gap when Rudy Castillo slammed a home run with one runner on base. However, neither team could score any more runs with outstanding defensive work

turned in by both teams. Final score was 3-2 with Baptist Mission winning the 1978 championship. The Mission also won in 1976.

The first place trophy went to the Baptist Mission with each team member receiving individual trophies as presented by League President Joe Kirschbaum. Second place Church of Christ and third place Loraine Catholic B also received team trophies.

The sportsmanship trophy went to Loraine Catholic A, as selected by the umpires. First Baptist Women were presented a trophy as champions in the regular season.

☆☆☆

Monday night, the Colorado City Rangers made a fine showing at the Texas Freshman League District Tournament held in Sweetwater.

Playing two games, the Rangers managed to defeat both opponents Monday night, giving them a stab at the championship title.

Opening the action, the Rangers beat the Brownwood Astros, 5-2. Winning pitcher was Yardy Powell.

In the second game, fans were kept on the edge of the bleachers when the Colorado City team came from behind to win in the last inning of play.

The Rangers managed to knock down the Hawley Orioles 9-6 behind the pitching of Dennis Rivera—who pitched the first two innings—and Billy Jackson, who pitched the final four innings.

Wednesday night, the Rangers played again in Sweetwater and tonight (Thursday) the championship game will be held.

Results of that game will be printed in the Sunday edition of the Record.

The other team representing Colorado City in the Texas Freshman League District Tournament—the Pirates—was shot down Monday night by the Hawley Orioles, 2-1. The only point scored by the Pirates was cleared by Henry Garcia who knocked in a homer.

Tuesday night, the Pirates were eliminated from the tournament when they were shot down by the Brownwood Astros, 8-1.

Contest Set

Saturday at 9 a.m. the state and regional competition of the 1978 Gaines K-9 Frisbee Catch and Fetch contest will be held in the Cotton Bowl in Dallas.

Racing across the clock, canines from all parts of Texas will retrieve Frisbees thrown by their masters.

Regional winners in the contest will advance to the nationals in the Rose Bowl.

Letter To The Editor

Editor's Note: The following letter to the editor was submitted Saturday, but the Record was unable to print it until this issue due to space limitations.

Dear Editor,

On July 25th, the City Council will discuss amending the City Charter, which should be of interest to all of us who live in Colorado City. This is our Constitution, written by a Blue Ribbon committee including Eldon Mahon (now a federal judge), Louis Elliott, Sam Majors Jr., Willie Landau, Jay Craddock, Charles Root, George Witten, Dr. Bill Rhode and Joe Earnest.

This Charter was adopted in 1948 and one section was amended in 1952 to clarify the wording. Otherwise, it has stood the test of time.

This is not to say that it should not ever be changed. The framers of the document made provision for that. It can be changed by the City Council submitting amendments to be voted on by the people of Colorado City or it can be changed by the submission of petitions requesting amendments to be voted on by the voters of Colorado City.

This is the time for you as a citizen to express your thinking to members of the council.

It might be wise to establish a flexible ceiling on tax and service increases. For example, we hear a lot about the three cent stamp going to 15 cents—an increase of five times. Little is said about the increase in the sanitary sewer charge from fifty cents to \$3.00—an increase of six times. So, it seems that the only thing that has gone up faster than U.S. Postage are our own city services!

Older people might want to incorporate a tax exemption on homesteads of say \$10,000. Or an amendment to prevent the raising of taxes on homesteads of those retirees over 65.

And finally, don't give away anything you've already got. The council has discussed taking away our privilege of having open council meetings—written into the charter by those who framed it.

Sincerely,
Tom Jay Goss II

ABC's Of Trick Skiing

By Janie Farda

Once you're on the trick-skiing kick, you're hooked. Besides building stamina, beautifying your physique and improving your health, you'll develop self-assurance and self-confidence.

Believe in your ability to learn and be sincerely proud of your ability. Never repeat a trick after falling without analyzing why you fell. Speed should be 13-15 mph.

Lightweight, short (48 1/2"), wide (7 7/8") arc-type skis with blunt ends are easiest to learn with.

Learn the two-ski sideslide first. Then graduate to the front to back, then back to front. Learn these basic tricks before attempting others.

An intense desire to succeed is essential to becoming a trick skier. Once your muscles are used in a certain motion, the trick will become automatic movement.

Watch your form, when it feels right, it looks right. A careless boat driver makes successful trick skiing difficult.

Remember that your trick skis have no fin so fit your bindings snug to tight. The first trick to learn should be the two-ski side slide. The two-ski back start is a basic trick but it begins with the skier submerged. The two-ski front-to-back is a 180 degree turn to a back skiing position.

Relatively simple tricks graduate to the two-ski 360 degree turn, the two-ski 180 degree turn, the two-ski 180 degree wake turn and the two-ski step over turn. All of these can be learned on a slalom trick ski also.

If a particular trick gives you trouble, pass it up until you can analyze your problem. Give yourself plenty of time to learn.

Next: Part 6 Barefoot Skiing.

Montgomery Entertains Loraine Senior Citizens

A large number attended the regular meeting of the Loraine Senior Citizens Club when they met Tuesday evening, July 18 in the Senior's building.

After reading of the minutes and treasurer's report, Willie Taylor, president of the club gave a financial run-down of the years operation and reviewed the funding of the Phase VII Nutritional Program contract with the West Central Council of Government.

In the beginning, the club was funded with thirty-one meals per day for five days a week. This was broken down to seventy-five meals a day for two days a week. This funding was budgeted at \$1.91 per meal, allowing 80¢ per meal for raw foods, leaving a balance of \$1.11 for labor and all other accumulated expenses.

Because the attendance averaged one hundred per day the funding was raised to forty-five meals per day for five days a week on a three day per week schedule that figured 225 meals per week. Then the attendance increased under three meals per week to 350 and because of this the

budget was increased to begin August 1, 1978 to fifty meals per day, five days a week, giving 250 funded meals three days per week.

After the business Mrs. Raymond Wheeler, program chairman, introduced Mrs. Robert Montgomery of Euless, Texas who presented a very interesting slide presentation of legends pertaining to castles on the Rhine, and fairy stories dealing with many of Grimm's Fairy tales.

Mrs. Montgomery, the former Wanda Wheeler compiled these stories and slides in lieu of writing a thesis when she received her masters degree in Library Science. She is now librarian in one of the high schools in Euless, Texas.

Refreshments of cookies and punch were served.

On June 21 the entertainment committee presented a most entertaining program in the form of a skit showing the four most important phases in a woman's life. The first stage was the little girl skipping along on her way to her first day at school, carrying her lunch basket. This was played by Addie Cheek. The next stage

showed the girl as a teenager and a member of the pep squad with her favorite athlete. This was played by Ruth and T. L. Holman. The third step in her life was her marriage to the man in her life, played by Ralph and Sue Lankford with minister Willie Taylor performing the wedding ceremony, and the fourth stage in her life showed a grandmother sitting in the rocking chair while dipping her snuff. Clara Butler played this part.

Hendricks Services Saturday

Robert Willis (Bob) Hendricks, 66, of 4817 Mable Street, Corpus Christi, died Tuesday night in a Corpus hospital after a long illness.

He was born in Andrews, son of the late Mr. and Mrs. G. W. Hendricks of Loraine. He had lived in Corpus the past 23 years. He was a sales representative, and affiliated with the American Association of Retired Persons and with the Nueces County Stroke Club, as president.

Survivors include his wife, Margie Ruth of the home; one daughter, Mrs. Lynda Vince, Little Rock, Arkansas; three sisters, Mrs. Robert Miller, Poughkeepsie, N.Y., Mrs. Lillian McDowell, Aspen, Colorado and Mrs. Ruby Hall, Pasadena, Texas; two grandchildren, Ginger and Leslie Vince.

Memorial services were at 3 p.m. Saturday at the Clifford Jackson Kostoryz Road Chapel in Corpus, with Dr. Don Pevey officiating.

Barbecue Supper At Taylor Home

Mrs. K. L. Taylor hosted a barbecue supper when she entertained at the regular meeting of the Loraine Game Club Tuesday evening.

The supper consisted of barbecue, vegetables, salads, desserts, etc., served buffet from foursome tables.

Guests for the evening were Mr. and Mrs. C. C. Thompson, Colorado City; Mrs. Al Brighton, San Antonio; and Mr. and Mrs. Raymond Wheeler and Mrs. Pauline Griffin, Loraine.

Members were Messrs. and Meses. Jack Linam, Floyd Coffee, Doyle Hester, Willis Taylor, J. M. Templeton, Leonard Coldewey, Mrs. Wiley Walker and Mrs. Roy Baird. Also present for the supper and leaving to play ball that evening was the Rev. David Hestand.

Thank You

I take this means to express my deepest appreciation for the "Dr. Johnson Day" last Sunday.

It was a gracious gesture and one which I and my family will never forget. The love and confidence of the people in this and surrounding communities have been a directing force in my life and work here in Loraine.

I love this community and its people and express my sincerest thanks and all my best wishes to each of you and continued success and happiness.

I must say a very special "Thank You" to the hostesses of the afternoon, to those on the program and those who sent flowers.

Dr. Bruce H. Johnson

"Last year, using lignite coal saved Texas Electric's customers \$48 million. It's a step in the right direction."

"Prior to 1972, Texas Electric made all your electricity by burning natural gas and oil. By last year, lignite coal had replaced gas as boiler fuel for about a third of this. In dollars and cents, here's what that meant to you, our customers:

The cost of lignite burned in 1977 was about \$20.5 million. Had that same amount of electricity been generated using natural gas at then-current market prices, it would have cost \$107.7 million. That's \$87.2 million more than the lignite cost!

Even after deducting the annual cost of the new lignite plants, Texas Electric saved its customers \$48.4 million last year because of the switch to lignite.

And that's just the beginning. As gas prices continue to rise, Texas Electric plans to become less and less dependent on this increasingly scarce fuel. By 1983, lignite coal and nuclear-fueled plants are scheduled to provide more than half of our customers' electricity.

It gets harder all the time to provide dependable, economical electricity. But this has always been Texas Electric's goal. And it always will be."

B. B. HARDEE, Manager, Phone 728-2331

Texas Electric engineer Damon Holditch: "We burn 55 pounds of lignite to generate the electricity to run a three-ton air conditioner for a day."

No Increase At County Lakes
Although Mitchell County has received a sprinkle of rain lately, it hasn't been enough to increase the level of Lake Champion or Lake Colorado City.

According to James Schmulen at the Texas Electric Power Plant, the level of Lake Colorado City is now 2056.50 feet and Lake Champion is at 2052.

Braves Chalk Up Two Wins

Sweetwater had the upper hand going into Wednesday night's final action in the district tournament for junior teenage league teams here but they were not without challengers.

Among those challengers was the Colorado City Braves team who started the tournament on the wrong foot by losing in the first game to Sweetwater and then having to fight their way up the loser's bracket in the double elimination tourney. Stamford was the only other team in contention as Snyder and Haskell were both beaten twice.

In the first game of the tourney, Sweetwater won over Colorado City 9-3; then Stamford came from behind to down Haskell 6-4 and Sweetwater won over Snyder 14-1 in the Monday night finale.

Tuesday, Colorado City won over Haskell 9-6 in nine innings when only seven are normally played; Sweetwater downed Stamford 7-6 and then Colorado City downed Snyder 9-5 in Tuesday's finale.

Good crowds were on hand to watch the first two nights of action in the tourney of which Rex Beights is the director. Bill Stinson is president of the local teenage league.

In Colorado City's first game, nothing went right as walks and errors both proved costly. The best

indication of just how bad things went for the Braves was that the final out for the Colorado City team came when a high inside pitch hit the bat of the batter who was dodging the ball. The ball, after hitting the bat, went into fair territory and the batter was thrown out on first while he was still on the ground from having dodged the pitch.

Joe Stinson was the losing pitcher but in the next game he was the winning pitcher against Haskell.

In the game against Haskell, walks also proved costly as everytime Colorado City got ahead, Haskell came right back to tie things up. At one time, Colorado City Braves held a 4-1 lead.

In the bottom of the sixth, Haskell went ahead 5-4 but Colorado City came right back to tie things up in the top of the seventh. Then in the eighth, the Braves scored a run but then so did Haskell. Another extra inning was required.

This time, however, the Braves were not to be denied as they erupted for three runs to put the game on ice.

In the game against Snyder, the Braves took the lead early in the contest and kept it throughout the game. Winning pitcher was Mark Carter.

Jaycees Plan Tournament

If you thought softball season had ended in Mitchell County, you're mistaken.

Beginning Aug. 3, a marathon stretch of softball games will be played when the Colorado City Jaycee Slow Pitch Softball Tournament tips off to a start.

The tournament will involve some 30 games, according to Jaycee Dr. Don Bennett, with 15 out-of-town teams competing.

Bennett noted that play will begin Friday Aug. 4 at 6 p.m. and games will continue until 1 a.m. Saturday.

After a brief break, the teams will be called back to the field at 8 a.m. Saturday and will finish up at 1 a.m. Sunday.

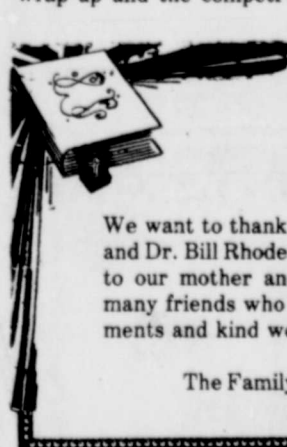

Sunday at 1 p.m., the tournament will begin to wrap up and the competi-

tion should end up by 5 p.m.

Teams competing in the tournament include one from Sterling City, one from Jayton, one from Lubbock, one from Snyder, two from Lamesa, three from Abilene, three from Sweetwater and one from San Angelo. Colorado City's All Star Team will also compete in the tournament.

Colorado City's All-Star first team and second team were selected by votes of players in the church league. Those two teams will compete in the Big Spring tournament this weekend and the teams have practicing in scrimmages against each other.

Tuesday night, the second team won over the first team in a marathon scrimmage.
