

Chas. C. Thompson

Funeral services Sunday for Chas. C. Thompson

Charles C. Thompson, 85, died at 1:35 a.m., Friday in the Root Memorial Hospital after a long illness.

Funeral services will be held at 3 p.m. today (Sunday) at the First United Methodist Church. Burial will be in the Colorado City Cemetery under the direction of Kiker-Seale Funeral Home.

He was born July 3, 1898, near Clairette, Texas. He graduated from Loraine High School and attended Simmons College and the University of Texas Law School. He passed the Texas State Bar Examination in 1923.

He married Emabeth Pittman, January 21, 1956 in Abilene, Texas.

Survivors include his wife; two sisters, Mrs. Clifton Gage of Sweetwater and Mrs. Floyd Griffin of Loraine.

Pallbearers will be Horace Caldwell, Dr. W. K. Cowan, Bobby Lemons, W. G. Marquardt, R. L. (Pete) McKinney, N. H. Pratt, T. L. Rees, Wayne Shawn, Dr. H. Jene Steakley, V. E. Stone and George Womack.

Honorary pallbearers are George Mahon, W. H. Calkins, W. C. Harlow, William D. Nix, Dr. W. S. Rhode, Wes Taylor and directors, officers and employees of the City National Bank, Directors of the Texas Electric Service Company and Directors of the Colorado City Land Bank Association.

Thompson dies in local hospital

Charles C. Thompson, attorney, banker and rancher, and all around big man, both in size and influence, died Friday morning, leaving a void in the life of Mitchell County that will not soon be filled.

"Uncle Charlie" began his career as a farm boy near the dusty little town of Clairette, Texas. In the early 1900s, farm life meant coal oil lamps, country lanes and horsepower that involved real horses.

In 1906, his family moved to Loraine, Tex-

as, and shortly thereafter, he became a sheepherder. His father thought he was the best sheepherder in West Texas, and probably the world.

After graduating from Loraine High School, he

attended Simmons College and the University of Texas Law School. He passed the State Bar Exam in 1923, without having completed a law degree.

While attending college, he was financing

his education by teaching in a country school in Rogers Community. In 1924, he was elected Mitchell County Judge and served for six years.

In 1938, Thompson became president of The City National Bank and in 1954, chairman of the board, positions he retained until his death.

In 1942, Thompson was elected to the Farm Credit Board of Houston and in 1952, named board chairman.

No man in Texas has been in more key policy

and decision making roles longer in Texas agricultural finance than Charles C. Thompson.

One publication has said "Mr. Charlie will be missed when he retires from the Farm Credit Board of Houston to return to private life...the Farm Credit System will continue to grow: on the strong foundation which Charles C. Thompson has spent a quarter century building."

During this time (1937-1957) Texas Tech

University made him a member of the board of regents and he served as chairman of that group for more than 10 years. Tech awarded him an honorary doctorate of law in 1958 and named a campus dormitory in his honor.

A Charles C. Thompson chair of agricultural finance at Texas Tech University was established recently. The fund was started by the Federal Land Bank of Houston. Money came from his friends and See THOMPSON Page 2

Growth brings water problems

City Manager Rick Crowley told the city council Tuesday night that Colorado City's rapid growth is bringing some problems with it.

"One is the shortage of water," Crowley said. "We can process more

water than we're pumping, but we can't get it where we need it." The place where it is needed the most, Crowley says is in the north part of town and across IS 20.

Buzz Rich says our biggest water problem

is about 7,000 feet of 16 inch pipe that we don't have.

Rich said Thursday that the city needs to tie in to the present 16 inch line from the filter plant at 4th and Cypress. The line would run up Cherry Street to 17th and then to the water towers.

If we can get the towers full, Rich said, it will improve water pressure all over town.

Rich says the 7,000 feet of pipe installed would cost about \$550,000.

This is the key to further growth.

Crowley, engineer Lee Head, and Rich all

agree that this would not end Colorado City's problems. But they say this is the first step.

Crowley has told the council that the issuance of permits for commercial use is a dicey thing. He has told the council that the city needs to be able to promise water if they issue

the permit.

Owner of the Villa Inn told the council Tuesday night that some of his guests have not had enough water to shower in.

Rich says that a few more residential permits can be issued, but no more lawn sprinkler systems, until we get more water.

Arts & crafts festival

The First United Methodist Church of Colorado City will hold an arts and crafts festival at their fellowship hall from 7-9 p.m. today (Sunday).

Food booths and music will also be provided. Everyone who is displaying arts and crafts is asked to bring their items to the church at 4 p.m.

Loraine starts practice

The Loraine High School Football players will start two-a-day practice Monday, August 8 at 7 a.m. and 7 p.m.

Water curtailment

City Manager Rick Crowley is asking all local residents to participate in a voluntary cooperation program to curtail non-essential watering between 10 a.m. and 10 p.m. every day.

Crowley explained the reason for curtailment is to allow the level of water to rise in the storage tanks.

Benefit supper

A benefit spaghetti supper for the Dwayne Staats family is being held Friday, August 12 from 5:30 p.m. to 7 p.m. in the First Baptist Church Fellowship Hall.

The proceeds from the supper are to help the family to defray the unusual expenses connected with Dwayne's illness.

Contributions will also be accepted. Adult plates are \$3.25, children under 12, \$2. Everyone is urged to attend.

Suspects sought in pick-up theft

Colorado City Police Chief Ed Wheat reported the theft of a new 1983 Ford pick-up Wednesday night from the parking lot of Hutchins Ford.

According to Wheat, two males in their early 20's road tested the pick-up Wednesday afternoon.

The two are suspects in the theft and the police department is in the process of searching for the males.

One was a white male with blonde hair, mus-

tache and tattoos, while the second male was a Mexican American. They were driving a red Toyota pick-up with no front grill and license plates.

Any citizen with information concerning the theft or whereabouts of the two suspects are asked to call the police department at 728-5294 and all information will be kept confidential.

The vehicle stolen was a 1983 XL white Ford pick-up.

Five arrested in brawl case

Mitchell County Sheriff Wendell Bryant released the names of five persons arrested and placed on bond in connection with a brawl that

developed between police officers and Mexican Americans, about 10 p.m. Thursday, July 28.

Felony charges were drawn naming Joe Fr-

anco, 23, of Colorado City and Felix Franco Jr., 27 of Colorado City. Both were charged with aggravated assault on a police officer and bond

was set at \$5,000 in each case by Justice of the Peace Charles Watlington.

Misdemeanor charges included two of "interfering with an arrest" and one of DWI.

Nick Molina, 33, and Joe Franco, 23 were charged with interfering and each was placed on \$1,000 bond.

Joel Nesmith, 25, of Post was charged with DWI.

Opening night of play set for Aug. 23

The Colorado City Playhouse will be presenting the Rodgers and Hammerstein classic, "The King and I," for their first production of the season. This classical musical will be performed on the newly expanded stage. The performance dates are opening night, Tuesday, August 23, running through Saturday, August 27 and Monday, August 29 through Wednesday, August 31.

On stage this year will be many new faces to the Colorado City Play-

house. Starring in the role of Anna Leonowens, the schoolteacher, is a playhouse veteran, Emily Hataway of Snyder. Making his first starring performance is Lonnie Reynolds as the King.

Directing this exciting production is Carl Beery Moore. Moore has directed many of the productions in past years and several of the past musicals.

Other performers will be John Jones and Charlie Garrett as the sons of Anna and the King. Also

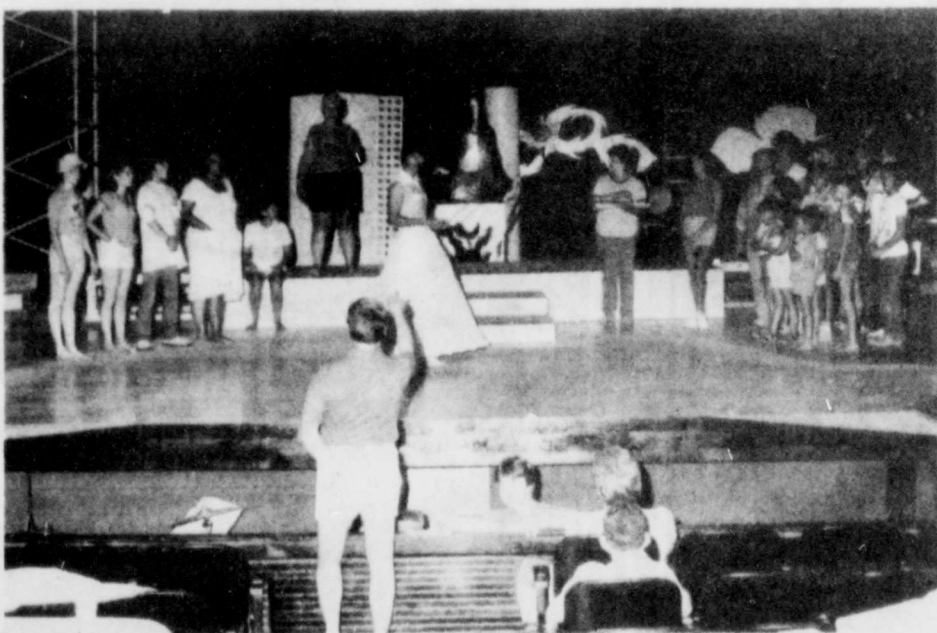

making her first performance will be Debbie Goforth as the King's head wife.

The box office will be open from August 15 through the run of the production for reservations. Pre-production hours are 1-6 p.m. and during the production of the box office will be open from 1-8 p.m. Curtain time will be 8 p.m. each evening. Everyone is encouraged and welcome to see this exciting production of "The King and I."

Chamber board to meet

The Colorado City Chamber of Commerce Board of Directors will hold their regular meeting on Monday, August 8 at 7 p.m.

Items on the agenda consist of approving the minutes and financial reports, discussing the Mitchell County Fair, the Railroad Arts and Crafts Roundup and membership dues.

DIRECTOR CARL BEERY MOORE and the cast of "The King and I" prepare for the Playhouse's first performance of 1983.

PART OF THE CAST for "The King and I" rehearse as opening night draws closer.

many business associates. Dr. Wayland Bennett, formerly of Loraine is the professor responsible for its administration.
Politics? This is another field in which "Uncle Charlie" swung his full weight. He graduated from school with a tall, skinny Loraine boy named George Mahon, who was to become one of the most respected members of Congress. They were close friends, and were law partners briefly in the early 1930's. Mahon was elected county attorney and then went on to congress. Thompson was Mahon's power base in Mitchell County and Mahon respected his advice. For a good many years, postmasters and rural carriers were appointed according to the wishes of their congressman and prospective candidates for either position soon learned that Thompson's approval made the road easier.
Thompson, himself, was elected to the County schoolboard in 1931 and served until 1978, when County schoolboards were abolished.
And in addition to his power in Mitchell County politics, he is known statewide—and nationwide. President Dwight Eisenhower appointed him chairman of the credit committee to study drought conditions in the Great Plains and to plan means of aiding stricken farmers and ranchers in 1957.
The Progressive Farmer honored Thompson as "Man of the Year in Texas Agriculture" in 1972.
He was chosen as the "Outstanding Chamber of Commerce Member" in Colorado City in 1975.
Thompson has been a 4-H member since 1914. In 1965 the Mitchell County 4-H Chapter gave him its highest award. In 1969, the state chapter presented him an award and in 1970, he received the Gold Key Award from 4-H. This was a national award.
He was named the Texas Agricultural Agent's Association man of the year in 1969.
In all of the fields of interest that he chose to pursue, Charlie Thompson was man of the year. He was truly a big, big man.

Play to be performed at First Methodist

"You're a Good Man, Charlie Brown" will be performed at the First United Methodist Church on October 15 and 16.
This is the first production for the church and it will be directed by Leslie Anderson, Westbrook speech and drama director and a member of the First United Methodist Church.
Auditions will be held on Sunday, August 14 from 2-4 p.m. and Monday, August 15 from 7-9 p.m. in the church's fellowship hall. There are six roles to be filled. Two females, Lucy and Peppermint Patty and four males, Snoopy, Linus, Schroeder and Charlie Brown.
All actors should be between the ages of 14 and 35 and each role is open to the community. Scripts will be available at tryouts and audition music will be provided. Mimi Johnson, director of Christian education and music at the church will serve as producer.

Band practice begins
On August 15-19 the Colorado High School Band will begin full band practice in the high school band hall.
Monday nights will be the extra practice night for the band. August 1-12, Mr. Shipp will be preparing band folders and anyone wishing to help should report to the band hall from 9:30 a.m. to 12 and 1:30 to 3 p.m.
All insurance forms for instruments should be turned in to Bob Ratliff.

Physical fitness seminar to be held

Sweetwater will sponsor a physical fitness seminar Thursday, August 18. The seminar is being held under the auspices of TSTI's Support Services which helps men and women re-enter the work force after an absence of several years.

Patrice McKinney of Colorado City will lead the seminar which begins at 10 a.m. and concludes at 3:30 p.m. McKinney is a certified instructor of aerobic exercise and conducts certification workshops for aerobics instructors all over the United States.

According to Joetta Daniel, coordinator of Support Services, the seminar is designed to help men and women learn more about the

importance of getting and keeping in shape. Participants will have fitness assessments taken which include resting heart rate, blood pressure, percentage of body fat, flexibility, strength and cardiovascular fitness.

The cost for the seminar is \$5 and interested persons can contact the Support Services Department at TSTI-Sweetwater at 235-8441 ext. 52.

Support Services was started in February to help persons who because of the death of their spouse, divorce, separation or economic conditions, are without financial support. The program is a referral service to assist people

who need housing, medical and employment information; and counseling is done if the individual is interested in returning to school.

Westbrook, Krempein united in afternoon ceremony

Dorothea Westbrook of Colorado City and Gary Krempein of Lufkin were united in marriage Saturday, August 6 at 4 p.m. in the 22nd and Austin St. Church of Christ with Gary Dennis officiating.

Parents of the bride are Mr. and Mrs. R. R. Westbrook of Colorado City and the groom's parents are Mr. and Mrs. M. A. Krempein of Dallas.

The double ring vows were performed before

an altar flanked by two seven branch candelabra decorated with greenery and bows. A unity candle was decorated with greenery and bows also. Green plants and pink bows served as the remaining decorations.

Given in marriage by her father, the bride wore a full length sleeveless dress of white organza. The gown featured a princess waistline and a high neck which was trimmed with a band of eyelet and satin ribbons. Rows of eyelet and ribbons formed a V in the front and back and was finished with an inset of English netting. Satin bows and 22 satin buttons accented the back of the gown. Rows of eyelet and satin ribbon formed a border around the hem of the skirt and the chapel length train. The bride wore a wide brimmed hat of matching eyelet and satin accented by a small cluster of white satin roses. She carried a cascading bouquet of burgundy lilies and cosmos, pink hibiscus and lobelia. Baby's breath eucalyptus and satin bows of burgundy and pink accented the bouquet. For something old, the bride attached a christening handkerchief, used by the groom, to her garter. Something new was her wedding attire, something borrowed was her mother's wedding ring and for something blue she attached blue bows to her petticoats. For good luck, the bride carried pennies from the year of her and the groom's births.

Becky Westbrook, sister of the bride, served as maid of honor. She wore a ruffled ballarina length dress with puffed sleeves of burgundy coup de ville featuring stand up collars and

yokes of burgundy lace accented by pink satin sashes and bows at the neck. She wore wreaths of miniature burgundy blossoms accented by pearls and pink ribbons and carried a bouquet of pink lilies, burgundy cosmos, baby's breath and pink and burgundy bows. Her outfit was completed by burgundy ballarina slippers.

Bridesmaids were Jean Krempein, sister of the bride of Dallas and Sandy Ridley of Midland. They wore dresses identical to the maid of honor, and had the same hair pieces and bouquets as the maid of honor.

Candlelighters were Ricky Westbrook of Colorado City, brother of the bride and Mike Willingham of Dallas.

Serving as best man was M. A. Krempein, father of the groom. Groomsmen were Wes Stalcup of Dallas and Jay Choat of Odessa. Ricky Westbrook, brother of the bride and Mike Willingham of Dallas also served as ushers. They all wore dark grey coats and tails, accented by grey and black pin striped pants, ascots and burgundy boutonnières.

"Follow Me," "More," "My Own True Love," "Faithful and True," "That's the Way" and "Recession-al" was sung by a group of women from the 22nd and Austin Street Church of Christ. "Seasons of Love" was sung by Lester Robinson, cousin of the bride from Shreveport, LA.

A reception followed the ceremony in the church's fellowship hall. The bride's table was decorated with a white cloth, three-tiered cake, bride's bouquet and the bridesmaids bouquet. The groom's table featured a burgundy cloth

and an arrangement of burgundy and pink flowers. Both cakes were made by Mrs. C. Ross Smith of Colorado City.

Serving were Mrs. Dave Stokey, sister of the groom; Mrs. Mitchell Lewallen of Teague; Mrs. E. E. Massey and Mrs. L. H. Robin-

son, aunts of the bride from Texarkana.

The bride's going away ensemble was a three-tiered, calf length dress of ivory antique lace, burgundy and pink corsage and burgundy. The couple will live in Lufkin after a honey-

moon in St. Thomas in the Virgin Islands.

The bride graduated from Texas Tech University with a BBA in Accounting and the groom also graduated from Texas Tech with a BBA in Marketing Management. He is the dis-

trict manager for the Pepsi-Cola Bottling Group in Lufkin.

Out of town guests were From Dallas, Midland, Odessa, Richardson, Graham, Teague, Texarkana, Ark., Robert Lee, Snyder, Waco and Shreveport, LA.

Glasscock, Chaney exchange vows

Janice DeAnne Glasscock and Tip Clay Chaney were united in marriage July 30 at 4 p.m. in the First Baptist Church with the Rev. Glenn Rofenfeldt officiating the ceremony.

Parents of the bride are Mr. and Mrs. Jimmy Glasscock and the groom's parents are Mr. and Mrs. Jake Chaney.

Given in marriage by her father, the bride wore a gown of organza and chantilly lace featuring a scooped neckline. The bodice was adorned with tiny seed pearls and Lady Diana puffed sleeves. The billowing skirt had a double founce and full chapel length train edged in scalloped chantilly lace.

Kristie Swann of Colorado City served as maid of honor. Penny Thompson and Lisa Cline, cousins of the bride were the bridesmaids.

Flower girl was Angie Chaney and Lance Dockrey was the ring bearer.

Best man was Arthur Rivera and Britt Chaney, brother of the groom and Greg Chaney served as groomsmen.

Ushers and candlelighters were James Glasscock, brother of the bride and Bobby Patterson.

Mrs. Cecile Hubbard sang the theme from "Ice Castles" as the candles were lit. "Joy-

ful, Joyful We Adore Thee" was played as the attendants entered and the traditional "Wedding march" was played as the bride walked down the aisle. Mark Cook sang "There is Love" and while the unity candle was lit, "We've Only Just Begun" was sung. The closing prayer was "The Lord's Prayer" sung by Cecile Hubbard.

After the ceremony, a reception was held in the Fellowship Hall of First Baptist Church.

Pam Wilson, Allyson Haggerton and Dawn Chaney served at the bride's table which displayed an orchid floral arrangement and two silver candleabra, the traditional wedding cake with a flowing fountain, mints, nuns and punch were served.

The groom's table was accented with an orchid arrangement and chocolate sheath cake, mints and coffee were served by Nancy Chaney.

After a short honeymoon trip, the couple will reside in Colorado City.

The Wallace Center staff is now taking orders for ceramic Nativity sets. Large and small sets in white glaze and satin finish will be available.

Another project will be "Cattle Brand" pillows and wall hangings for \$15 each. The pillows and wall hangings will measure 16" x 16" and

can be made in natural and earth tones or your preference in color.

To place your order: call 728-2392. Orders will be filled on a first come first serve basis. Order early.

Proceeds from sales will go to supplement the Nutrition Program for Senior Citizens.

Colorado High rules set for upcoming year

The Colorado High School principal's office, in conjunction with CUSD school board, has compiled a list of rules concerning life at CHS. The rules were established to provide the highest quality of education possible, to provide tranquility among students and administrators, to ensure safety and to prevent unlawful destruction of school property.

These rules can be found in the Colorado High School Student Handbook which is given to students on the first day of classes. Any questions about rules, regulations or policies can be answered by referring back to the handbook.

Concerning dress at CHS: it is required that boys not wear their hair past the bottom of their collar, not past the earlobe and combed out of the eyes. Well-groomed mustaches are accepted, however, beards or goatees distract attention and are unacceptable.

Bryants return from Houston

Mr. and Mrs. George Bryant have returned home after a visit with Mr. and Mrs. P. D. Harris and children, Michelle and Corey.

Mrs. Harris is the former Linda Bryant.

While there they attended the baseball game between the Astros and the New York Mets at the Astrodome.

able. Boys should dress neatly with shirts buttoned and shirts with tails should be tucked in. Collars should be turned down. No hats can be worn.

Girls are required to wear neat, simple acceptable clothes such as slacks, dresses or skirts and blouses. Clothes should not be sloppy or too tight.

Other major rules or guidelines outlined by the handbook are:

—Students should not park their cars in the first row of spaces in the lot. These are reserved for teachers and visitors.

—Students are not to sit in their cars after they arrive on campus.

Note: Violation of these two rules could result in the student not being allowed to bring his or her vehicle on school property.

—No notices, posters, or the like should be tacked, pasted or taped in the walls or doors in the building.

—Students are expected to remain on the campus until the bell rings which dismisses them from their school responsibilities.

—No food or drinks should be eaten in the commons area at any time.

—A student leaving with the school on a school-sponsored trip should come back the same way unless parents come personally and speak to the group sponsor for permission to take their children with them.

—Truancy will not be tolerated.

—No disruptive or interfering act in the process of education is allowed. Any student doing so may be suspended by the principal for three days.

—Hazing and harassing of underclassmen cannot be permitted. This can result in suspension also.

—Pupils are to refrain from smoking or carrying tobacco of any form on campus. Students found in violation of this will be put in OCS (on campus suspension).

—For students being absent from class, a note from the parents or a telephone call will be required before the student can return to classes.

This compilation of rules is not everything required of a student while attending CHS. The RECORD hopes that this list will help answer questions, whether it be parents' or students'.

Galvan loves cooking for company

Nora Galvan of Loraine really loves cooking for company. "Whenever my nieces and nephews visit, I cook each of them their favorite things which are usually sweets."

She stated that she's cooked for awhile but only started enjoying it until about 10 years ago. "My mom taught me the basics and I have just expanded upon them."

Nora has worked as assistant cook for the Loraine Senior Citizens for three years under the direction of Winnie Richburg. She said she had learned more from working with Mrs. Richburg in just three years than in her previous years of cooking. "Winnie has so many delicious recipes, especially her sweet roll recipe!"

Pies and cakes are her favorite items to prepare. "I love to bake. I guess you could say cooking is my hobby."

She is sharing three of her scrumptious recipes with RECORD readers.

BOHEMIAN COFFEE CAKE

1 cup Wesson oil
2 1/2 cups flour
1 cup brown sugar
1 cup white sugar
1 cup buttermilk
1 cup pecans
2 eggs
1 tsp soda
1 tsp salt
1 tsp nutmeg
1 tsp cinnamon
1 tsp vanilla

Dump all ingredients together and stir just until mixed. Pour into floured tube pan and bake 45 minutes to one hour at 350 degrees.

PINEAPPLE CHESS PIE

1 stick margarine
1 1/2 cups sugar
2 T flour
3 whole eggs
1 can flat crushed pineapple

Melt margarine in sauce pan, add sugar and flour mix. Add one egg at a time then add pineapple. Then place in unbaked pie shell. Bake at 350 degrees until center is firm.

ZUCCHINI SPAGHETTI

1 pound ground beef
1 small onion, chopped
1/2 cup chopped green

pepper
1 clove garlic, minced
2 cups chopped zucchini
1 (15-ounce) can tomato sauce
1/2 cup water
1 T minced fresh oregano or 1 tsp dried white oregano
1/2 tsp dried Italian seasoning
Salt and pepper to taste

Hot cooked spaghetti
Grated Parmesan cheese (optional)

Cook ground beef, onion, green pepper, and garlic in a large skillet until meat is browned. Add zucchini and cook stirring constantly two minutes; drain well. Add next four ingredients; stir in salt and pepper to taste. Reduce heat and simmer, stirring often five to 10 minutes or until desired thickness. Serve sauce over spaghetti; sprinkle with cheese if desired. Yield: 4 servings.

TOPS TX 691 hold weekly meeting

TOPS TX 691 met at the Housing Authority building for their weekly weigh-in and business meeting on Monday, August 1.

Best loser of the week was Christine Cooley, with a five pound loss.

The meeting was called to order by Juanita Schafer, leader of the group. An election was held to select a new co-leader to fill the vacancy of Lillian Vest who was the former leader. The new co-leader selected was Jane Anderson.

The group voted unanimously to change the meeting time to 5:30 with weigh-ins between 5:30 and 6 p.m. and the business meeting and program at 6 p.m.

Anyone both male or female, over 12 years of age and has a weight problem is welcome to come and join the group therapy sessions. The club stresses "we want to help people and we need people to help us."

Some of the members plan to attend the Fall IRD meeting in September.

Wolves Varsity Volleyball

How do you feel about the 83 season?

Delia Rivera, senior, spiker-"I think we will win if we put our minds to it. We need to work together as a team and have a winning attitude and not let a few losses get us down."

Denise Jackson, sophomore, spiker-"I think we will have a good team, better than last year because we have more spikers. We have the ability to be a powerful team."

Traci Blackwell, junior, setter-"We have some seniors who will show us good leadership. I think through good leadership, hard work, spirit and determination, we can win district and go for it."

Robyn Turner, senior, spiker-"We are a young team. It's going to take a lot of hard work and dedication. If we stick together we will come out winners in the long run."

Hunt reunion held in Los Cruces

Las Cruces, NM was the sight of the Jim J. Hunt family reunion which was held at the KOA camping ground July 14-17th. This was the first reunion in seventeen years with about 70 people in attendance.

Those attending were Mr. and Mrs. Willis Hargrove of Colorado City; Earl Stacy and Mae Hunt and their son and daughter and family of Weatherford; Donald Stacy and Lela Hunt and sons, Charles, Jerry and Randy of Midland; Mrs. Zeldia Jones of Denton; Mr. and Mrs. James A. Barkley and family of Big Spring; James Ernest and Glenda Barkley of Portland, TX; Robert Earl and Ama Mae Barkley and sons, Mark and Michael of Big Spring; Gary Don and Larrie Sue Barkley and daughter, Kristin of Crane; Mr. and Mrs.

Glen Hunt and family of Roaklin, CA; Mr. and Mrs. Mark Hunt and son Matthew of Woodland, CA; Mr. and Mrs. Mike Miller and son, Nathan of Sacramento, CA.

Also present were Mr. and Mrs. Buck Ambrose of Lawton, OK; Martin L. Cofurn of San Jose, CA and his stepdaughter, Celia Fraizer and granddaughter, Jennifer Fraizer of Jackson, Miss. Mr. Cofurn and family visited Willis Hargrove, his half-brother, Mr. and Mrs. Bill Walker, his half-sister of Midland and Mr. and Mrs. Roy Harris and son, Tim also of Midland on their way back to San Jose.

Mr. and Mrs. Lynn Hargrove and daughter, Celeste of San Angelo also visited Willis Hargrove. Martin Cofurn, Celia Fraizer, Jennifer Fraizer and Mr. and

Mrs. Willis Hargrove visited with the Lynn Hargroves while passing through Texas.

Before going to the reunion, Charles Hunt of Midland and Mr. and Mrs. Earl Hunt of Wea-

therford visited with the Willis Hargroves.

Everyone at the reunion enjoyed games of 42 and 84, swimming, bowling and just visiting together.

GEOMETRY: a branch of mathematics dealing with the properties of shapes and figures.

POLYGON: a closed figure with three or more sides.

ANGLE: a figure formed by two rays meeting at a common endpoint.

RIGHT ANGLE: an angle of 90 degrees.

SQUARE: a four-sided polygon with all sides equal and all angles right angles.

CUBE: a three-dimensional solid with six square faces, all edges of equal length, height, and width.

RECTANGLE: a four-sided polygon with opposite sides equal and all angles right angles.

RECTANGULAR: having the shape of a rectangle.

CIRCLE: a closed curve consisting of all points in a plane that are at an equal distance from a central point.

By one curved line are equal from the center to any point on the circle.

DIAMETER: a line segment passing through the center of a circle with endpoints on the circle.

TRIANGLE: a three-sided polygon.

RIGHT TRIANGLE: a triangle with one right angle.

2. ISOCELES: a triangle with two equal sides.

3. EQUILATERAL: a triangle with three equal sides.

4. SCALENE: a triangle with three unequal sides.

WIDTH: a measurement of the distance between two parallel lines.

HEIGHT: a measurement of the distance from a base to the top of a shape.

HEIGHT-measure: a measurement of the distance from a base to the top of a shape.

object is: a measurement of the distance from a base to the top of a shape.

RADIUS: a measurement of the distance from the center of a circle to any point on the circle.

DIAMETER: a measurement of the distance between two points on a circle passing through the center.

Speak Out.....

How do you feel about going back to school?

Tracy Rose, freshman at Loraine—"I am glad to be going back because I miss my teachers and the girls. I can't wait until football starts."

Terry Rose, eighth grader at Loraine—"The only thing I missed about not going to school is basketball. I really don't want to start yet because it was a short summer."

Gabriel Gaona, seventh grader at Westbrook—"I am glad school is getting ready to start because I miss basketball, track, girl friends and getting away from home."

Lydia Vigil, senior at Westbrook—"I can't wait until school starts because it is boring at home. This is my last year and I want to hurry up and get it over with."

Gabriel Fuentes, seventh grader at Westbrook—"I really don't care if school starts or not because the only thing I miss is track and girls. Well, in a way I don't want it to start because I don't want to put up with the teachers and I don't want to get up early."

Jana Northcutt, sophomore at Colorado City—"In a way I am glad, but I am not that ready for it. This summer I spent most of my time at rodeos and when school starts, I won't be able to go to that many rodeos. I really wish I didn't have to go to school."

Darla Gregory, seventh grader at Colorado City—"Yes, I am glad that school is starting because I can see all of my friends and get back to athletics. But I really don't want to start because of school work and getting up early."

Gina Gilstrap, eighth grader at Colorado City—"I am ready to start school because it is boring at home. I miss school, hanging around with my friends and my science class."

GIANT STEP 8

MATHEMATICS
GEOMETRY: a branch of mathematics dealing with the relations and measurements of lines, angles, surfaces and solids.
POLYGON: a closed (all sides come together), plane (flat) figure composed of straight sides.
ANGLE: a figure formed by two lines extending from the same point.
RIGHT ANGLE: an angle which has exactly 90°.
SQUARE: four equal sides and four right angles.
CUBE: has all sides equal and has width, length, height, and is capable of holding something.
RECTANGLE: has opposite sides equal and four right angles.
RECTANGULAR SOLID: a three dimensional figure whose faces are rectangular, like a shoebox.
CIRCLE: a closed shape whose side is formed by one curved line and all points on this line are equal from the center.
CYLINDER: has two circular bases which are parallel and equal and it has height, like a can.
TRIANGLE: has three sides.
1. **RIGHT TRIANGLE:** has one right angle.
2. **ISOSCELES TRIANGLE:** has two equal sides and two equal angles.
3. **EQUILATERAL TRIANGLE:** has all equal sides and all equal angles.
4. **SCALENE TRIANGLE:** has no equal sides or equal angles.
WIDTH: a measure of how wide an object is.
LENGTH: a measure of how long an object is.
HEIGHT: a measure of how high or how deep an object is.
RADIUS: a measure of the distance from the center to any point on the circle. It equals one half the diameter.
DIAMETER: a measure of the distance across the circle to any outside point of the circle. The diameter must pass through the center of a circle and it equals twice the radius.
P is a Greek letter. Its symbol is π , pronounced "Pie." It equals 22 and approximately equals $\frac{22}{7}$.

3.14. It is used in all formulas dealing with circles.
PERIMETER: a measure of the distance around a closed plane figure such as a square, rectangle, or triangle.
CIRCUMFERENCE: a measure of the distance around a circle.
AREA: a measure of the amount of space inside a three dimensional figure such as a cylinder or rectangular solid.
VOLUME: a measure of the amount of space inside a three dimensional figure such as a cylinder or rectangular solid.
WORKING WITH FORMULAS
Jerry's lot measures 50 ft. by 150 ft. What is the perimeter of his lot? (The answer will be in regular linear measurement.) answer: 400 feet, formula: $P = 2L + 2W$

THINK:
 $P = 2L + 2W$
 $P = (2 \times 50) + (2 \times 150)$
 $P = 100 + 300$
 $P = 400$ feet.
Jan's kitchen measures 12 ft. by 16 ft. What is the area of the surface of her kitchen floor? (The answer will be in square measurement.) answer: 192 square feet, formula: $A = L \times W$

THINK:
 $A = L \times W$
 $A = 12 \times 16$
 $A = 192$ square feet.
Commonly you see volume when referring to freezer or refrigerator space. A freezer whose dimensions are 5 feet by 5 feet by 4 feet has a capacity or volume of how many cubic feet? (The answer will be in cubic measurement.) answer: 100 cubic feet, formula: $V = L \times W \times H$

THINK:
 $V = L \times W \times H$
 $V = 5 \times 5 \times 4$
 $V = 100$ cubic feet.
The perimeter of a triangle is found by adding the length of all the sides. ($P = s + s + s$). The area of a triangle is found by multiplying the height of the triangle (altitude) and the length of the base (b), then dividing by 2. What is the area of a triangle whose height is 3 feet and whose base is 10 feet? (The answer will be in square measurement.) answer: 15 square feet, formula: $A = \frac{bh}{2}$

THINK:
 $A = \frac{bh}{2}$
 $A = \frac{3 \times 10}{2}$
 $A = \frac{30}{2}$
 $A = 15$ square feet.
In the circumference (C) formula, use the length of the diameter (d). If you are given radius, multiply it by 2. ($P = \pi d$) is also used in this formula. What is the circumference of a circle whose diameter is 3.5 feet? (The answer will be in regular linear measurement.) answer: 11 feet, formula: $C = \pi d$

What is the circumference of a circle whose radius is 7 inches? answer: 44 inches, formula: $C = \pi d$
When we multiply a number by itself, it is said to be "squared". The term "radius squared", r^2 , means $r \times r$. It does not mean $r \times 2$!

$3^2 = 9$
 $6^2 = 36$
 $10^2 = 100$
What is the area of a circle whose radius is 7 feet? (The answer will be in square measurement.) answer: 154 square feet, formula: $A = \pi r^2$

What is the area of a circle whose diameter is 28 feet? (The answer will be in square measurement.) answer: 616 square feet, formula: $A = \pi r^2$

CISD bus rules

When school rolls around again, so will the school buses and with the buses there comes a need to follow strict bus rules set down by the CISD.

These rules were established to provide maximum safety for passengers and effective use of buses. And whereas safety is the number one priority in school bus operation, it is necessary and asked that students follow the rules.

When students are waiting for their bus to stop to pick them up, they should stand back and wait for the bus to come to a complete stop before boarding. When boarding, students need to enter in an orderly fashion. After the bus is moving, it is important that passengers conduct themselves in an orderly manner so as to not distract the driver.

Loud talking, scuffling, throwing things, smoking, standing or changing seats are examples of activities that draw attention of the driver from his main task of safe operation of the bus. Such actions, or any actions which might cause a distraction, are called misconduct.

The CISD has drawn up a set of procedures in case of misconduct on the part of any passenger. First, the driver will try to correct the problem himself and then if that fails the passenger will be taken to his principal. The principal is given the authority to correct the problem so as to prevent re-occurrence.

The first suspension, if worse comes to worst, will be from one day to two weeks. Subsequent suspensions will result in a suspension for a maximum of the remaining school year.

JUSTIFICATION FOR GOD
Roman's 5:1 thru 8

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ;
By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God.
And not only so, but we glory in tribulations also knowing that tribulation worketh patience; and experience; and experience, hope:
And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us.
For when we were yet without strength, in due time Christ died for the ungodly.
For scarcely for a righteous man will one die yet peradventure for a good man some would even dare to die.
But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.

Wolf Pack-stronger, quicker, more experienced

The 1983 version of the Colorado City Wolves will be bigger, stronger, quicker and more experienced for the upcoming district 6AAA football race.

The Wolf Pack coached by Tom Ramsey had a successful off-season program in the spring and Wolf players have worked hard on their own during the summer in preparation for the upcoming season.

The Wolves will return 10 lettermen, including five starters each on offense and defense. Last season, Colorado City missed a near playoff spot with a 3-2 district slate. They ended the season with a 5-5 slate, winning five of their last seven games.

Thanks to hard work the Pack now have four players who run a 4.6 forty which will definitely put pressure on opposing defenses and keep the opposing offenses from throwing "the bomb" on the secondary. The Pack also has 14 players who can free-bench press over 200 pounds, where last year they only had four people who could perform

the fete.

Returning defensive starters for the Pack are senior All-District selections Fred Dakan at tackle and Dennis Rivera at free safety. Dakan, who is bigger (250) and stronger this year is seen by opposing coaches as being a possible All-State selection. Rivera is a mainstay in the secondary as he led the Wolves in interceptions last year with six.

Other returning starters are cornerback Michael Luera, defensive ends Donnie Davenport and Raymond Bassinger. Luera is a steady player and a hard hitter while Bassinger and Davenport are both very quick and capable of putting a lot of pressure on opposing quarterbacks. Junior Fred Pineda and Larry Hearn are expected to challenge Bassinger and Davenport for the end positions.

Other Wolves who will be fighting for positions are linebackers Don Randle, Jeff Butler and Doug Chitsey. Franklin Marsh (195) is expected to man the other tackle position for the Red and

Black. Marsh is the strongest player on the squad bench pressing well over 300 pounds.

Other hopefuls in the Wolf secondary are juniors Bill Jackson, Joey Ritchey and Perry Conner, all have excellent quickness.

On offense, junior quarterback Doug Chitsey

returns for his second term as Wolf signal caller. He has very capable receivers in Jackson, Conner, Ritchey, Luera and Rivera. Rivera was

the second leading receiver on the team a year ago with a 12.5 average and one touchdown.

Last year Chitsey ran and passed for over 1,000 yards and was named to the All-District team.

Other returning offensive starters include Rivera at flanker, All-District and All West Texas running back Larry Hamilton and Dakan who was selected All-District at tackle.

Hamilton (145) is one of the best running backs to come out of Colorado City in a few years. Last year weighing 130 pounds, the quick "scatback" scampered for over 1,200 yards and was a terror on kick-off returns.

Others rounding out the offense are tight-ends Randle and Charles Iglehart, tackle Wylie Stice, guards Marsh, Pineda, Jeff Butler and Steve Rosas. Running back Kevin Norman (175) is one of the strongest and fastest players on the squad. The junior running back bench presses well over 200 pounds and qualified for regionals last year in the 100 meters with a time of 10.9.

Last year the Wolf Pack saw their dreams of a district championship fall short, maybe this year their dreams will become a reality.

CHS Volleyball team ready for district action

The Colorado City Wolves will field a young and inexperienced volleyball team for the upcoming season, and their main goal will be to capture the district 6AAA crown which eluded them for the first time last year in a number of years.

The Pack still made it to the playoffs behind district champs Crane, who will probably be the team to beat this year.

Head Coach George Martin will field a 12-team varsity and seniors Laura Baum, Lynn Scott, Robyn Turner, Sonja Mercer, Delia Rivera, Carla Calaway and Chris Castillo will be looked upon to provide leadership.

Baum, a 5-7 spiker is a two time All District player. Scott (5-7) and Turner (5-9) are also powerful spikers.

Last year the Pack ran a 5-1 offense with five spikers and one setter. This year they will go back to the traditionally 4-2 with four spikers and two setters. Martin feels setting will play an important role

in the team's success. Senior setters Calaway and Castillo will be called upon for the job, along with juniors Traci Blackwell and Sheri Morris. Other top junior players are spikers Julie Waid, Jody Mann and Rebecca Jil Erwin.

Top sophomores who will challenge for a top spot on the varsity are spikers Sherry Fite (5-10) and Denise Jackson (5-10). Other sophomores who will be vying for a spot on the varsity are Ashley Weaver, Diane Gregory, Jodi Huff and Melanie Rees.

Other sophomores include Cheryl Bentley, Shana Biggs, Yvette Camp, Yolanda Lee, Evonne Lujan, Julie Smith, Linda Walker and Sandra Williams.

Last year the varsity Wolves went 8-12 including playing a tough non-district schedule, and the JV finished the season with a 12-8 record—this combined talent could lead the Pack to a district crown.

Martin feels that inexperience will be the

club's toughest obstacle. "We have an experienced squad as far as varsity competition goes, but the kids are all smart and they want to be winners. We have three or four real good spikers, and once the others learn the techniques, they'll come along," said Martin.

Martin said in his early workouts he will work his troops on conditioning, leg weights and agility drills along with the basic spiking and setting techniques.

In all it looks like Crane will be the team to beat because they have an abundance of experienced players coming back. But if the Wolves progress the way they are capable of, Colorado City will have to be reckoned with.

Loraine Bulldogs Speak Out

What is your opinion about the 83 football season?

Ruben Garcia, senior, running back—"This year I think we will have a better team because we will have more people out and we will have a bigger offensive line. I think the defense will be our strong point and Roscoe is the toughest team in the district and we are planning on beating them this season."

Ricky Banks, senior offensive tackle—"I think we will do pretty good this season. I think we have a good coach in coach Trice, and we'll have a fairly good season if all the guys come out and play hard. We have some good, young, big players coming up and we should have a pretty good offensive line. We need quarterbacks and receivers."

Joe Espinoza, junior, wide receiver—"We should have a better team this year. We will have more people out and more talent to choose from, plus everyone has a good attitude. Coach Trice seems like a good coach. It will be fun working with him."

Mike Sanchez, freshman, offensive guard—"I am looking forward to having a good time on the varsity. I think we will have a pretty good team. We will be bigger and have more guys coming out. Our strong point will be defense."

Bulldogs anticipate upcoming season

New Loraine coaches B. D. Trice and Jack Petty will have their

hands full in trying to get the Loraine Bulldogs back on the winning track for the upcoming season.

Last year the Bulldogs fielded only 14 players as they suffered through a dismal 1-9 season. This year at least 24 young men will report to Monday's opening workout.

The Bulldog coaching staff will have a hard

time replacing graduated All District Quarterback Adam Merket and running back Jerry Darnell.

Leading the 'Dogs this year will be returning lettermen Aundra Rose at wide receiver, James Griffin (6-2, 190) at full-back and Ruben Garcia at running back. Rose is probably the quickest player on the team as he ran an 11.6 100 meters

last track season. Wingback Tony Morris will also add speed and depth to the skill positions.

The Bulldogs have a good foundation for the offensive and defensive lines with returning lettermen Ricky Banks, John McAdams and Phillip Sanders (200).

Two top transfer players who will help the Bulldogs dearly will be Buck Trice (163) who can either play on the offensive line or at full-back and Jeff Butler (170) another offensive lineman who transferred from Colorado City. Another plus for Loraine is the freshmen class who has some fine players. Last year as eighth graders the squad finished with a 5-2 record. Some of their top players are Jason Wells, Freddie Benitez and Mike Sanchez.

Here is a schedule for the first week of workouts for the Bulldogs: Monday at 7 p.m., first practice; Tuesday practice at 7 a.m. and 7 p.m.; Wednesday, no practice; Thursday practice, 7 a.m. and 7 p.m.; Friday will be the first day in pads with practice at 7 a.m. and 7 p.m. and Saturday will be intersquad scrim-

Card Of Thanks

As I leave Loraine to join my husband at his next duty assignment in Indiana, I would like to take this opportunity to thank all those who helped make our stay here in Loraine an enjoyable one. A special thank you goes to Bro. David and Patricia McNary and to the congregation at First Baptist Church and also to Chief Butsy Hall and members of the Loraine Volunteer Fire Department for allowing me to be "A part of you." I dearly love and appreciate you and I'm going to miss you all so much. God bless and keep you all.

Aycock presides over meeting

The Colorado City First Baptist Church women's group met for their regular meeting on Monday, August 1 at the First Baptist Church parlor with Louree Up-

ton serving as hostess. Chairman Betsy Aycock presided over the business session and Mrs. Upton reported about the excellent participation from the church

for the "Christmas in July Project" for the Gordon Robinson missionary family in New Hampshire. The group voted to make a memorial in honor of Elizabeth Fuller to the Handbell Fund at the Church. They also agreed to supply missionary, Jim Salmon in Alexandria, Minn. They reviewed reprints from the Saturday Evening Post about the work of the Southern Baptist.

The club decided to sponsor a spaghetti supper for the Dwayne Staats fund.

The following nominating committee for the church year '83-84 was

appointed. They were Earlene Sellier, Margurite Turner and Billie Roenfeldt.

After a prayer for the missionaries and those in ill health, the program on Mission Action was presented by Mary Lloyd and assisted by Margaret Bodine, Earlene Hubbard, Earlene Sellier, Joy Piland, Betsy Aycock and Billie Roenfeldt.

Members present were Mary Lloyd, Earlene Hubbard, Billie Roenfeldt, Margurite Turner, Louree Upton, Margaret Bodine, Earlene Sellier, Billie Harrison, Joy Piland, Sue Keen and Betsy Aycock.

VFW provides refreshments

On Thursday, August 7, the Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary provided dessert at the Wallace Center for the monthly birthday parties.

This is Rehab month and approximately 83 Senior Citizens were served from a cake decorated with musical notes and the theme "Working in Harmony Together."

Centerpieces for the

10 tables were small trees with musical notes.

Birthday honorees for the month were given take-home cupcakes.

Helping with centerpieces, cake and delivery were Ann Ingram and Irma Ann Thomas.
