Red Cross Fund Drive to Open in County March 1

The annual Red Cross fund raising drive opens Monday, March 2, with a quota of $1,-141, Earl Hunter, county fund raising chairman announced this week.

Workers in the various communities have been named, and those within Wellington are being selected this week.

"If there is anyone who would like to work in this drive we will be happy for you to contact either myself or Mrs. Rob Isbell at the county library and a place will be found for you," Hunter said.

This is the only fund drive of the year for the Red Cross, except for those in case of great emergency, it was pointed out.

Thirty-five per cent of all the money collected here will remain in Collingsworth county to finance local needs.

Among these, help for service men and their families is the largest, since Red Cross is the go-between for the man in service and his family outside, Mrs. Isbell pointed out.

But also the Red Cross during the last year has helped families whose homes burned, hospitalized persons, those needing medicine but not hospitalized, and a number in need of clothing.

These in the latter group are people who cannot help themselves financially, she explained.

The 65 per cent of the money that goes to the national headquarters is used in carrying on Red Cross work on a national scale, but should a disaster occur here, money from the national Red Cross is used.

These are the people who will work in the county:

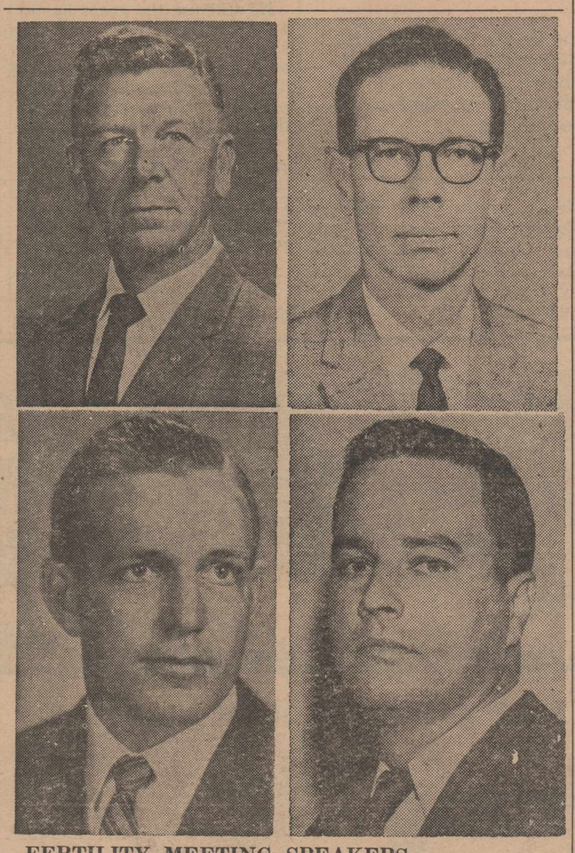

Abra, Mrs. Bill King; Lone Mound, Mrs. J. C. Breeding; Indian Creek, Mrs. Bill Janes; Shinnery, Mrs. D. C. Lacy; Rolla, Mrs. L. A. Davis; Wilnulcer, Mrs. J. C. Hartman; Pleasant Point, Mrs. C. A. Kesler;

Qcail, Z. J. Neeley; Cross Roads, Raymond Ward; Marella, Mrs. J. W. Carson; Needwood, Nancy Hill; Lutie, Mrs. Walter Deger and Mrs. Claude Simpson; Aberdeen, Mrs. Billy Waters; Dodson, Walter Camp and T. E. Lennon.

The area near Wellington, south of town, Mrs. W. A. Morrow; the school, Mrs. Heber Brantley; elementary school, Jack Davis; west of Wellington Mrs. George Jones; Booker T. Washington school, W. E. Franks.

Highway 83, Mrs. Wayne Cudd and Mrs. Ray Peeples; 8th Street. George Scott and L. A. Gilmore; 9th Street, Skeet Clark.

FERTILITY MEETING SPEAKERS
These four will be the speakers ta the annual soil fertility and crop production meeting Tuesday, March 3 at 2 p.m. in the district courtroom. They will give practical information, applicable to the Collingsworth area. At top are Dave Sherrill, left, and James H. Valentine. Below are Dr. Robert Berry, left, and Billy Gunter.

County Herds Certified on TB Tests

Dr. R. G. Garrett, educative director of the Texas Animal Health Commission, has announced the re-accreditation of Collingsworth county as a modified accredited tuberculosis area, a status the county has held for a number of years.

County Agent Cecil Regier explained that livestock herds in the county are checked each 6 years for tuberculosis infection.

This time the inspection fell while county herds were being brucellosis tested, and the tuberculosis tests were made then.

Included in the tuberculosis tests were all herds that were infested at the check, all registered herds and a small per cent of other cattle, Regier explained.

Regier will receive the certificate which is good for six years.

"This Commission wishes to express its appreciation to the people of Collingsworth county for the splendid cooperation extended to its representatives while work was being conducted in Collingsworth county; and requests the further cooperation of the citizens of the area to maintain the tuberculosis status of the county," Dr. Garrett said.

Soil Fertility Program to Be Held Here Tuesday, March 3

A crop production program and soil fertility meeting for Collingsworth farmers is slated for 2 p.m. Tuesday, Mar. 3 in the district courtroom.

This is sponsored by the Extension Service and is one of a series of meetings to be held throughout the Panhandle.

There will be discussions in four fields. all of vital importance to Collingsworth: irrigation, soil testing and fertilizer recommendations, plant diseases and weed control in cotton.

Information on weed control in cotton will be based largely on work done in Collingsworth county in the Northwest Texas Research Demonstration Program, carried on by Dwane Scott.

Scott and County Agent Cecil Regier are in charge of local arrangements.

Four speakers from the Extension Service at Lubbock, all specialists in their fields, are slated.

Dave Sherrill, area irrigation specialist, will discuss irrigation.

Soil testing and fertilizer recommendations will be taken up by James H. Valentine, area soil chemist with the soil testing lab. Many of the soil tests for local farmers have been done in that lab.

Plant diseases will be discussed by Dr. Robert Berry, area plant pathologist.

Billy Gunter, area agronomist, will speak on weed control in cotton and cover thoroughly the work done by Scott in tests here.

"The weed control experiments in Collingsworth county are some of the most valuable and the most comprehensive the Extension Service has had a part in," Regier pointed out.

"The recommendations they are making throughout West Texas, and all other parts of the state with conditions similar to ours are made on the basis of findings here.

"Every part of the program is well worth the time of any farmer to attend. Farming operations are changing fast, and the things you learn in this meeting will help you keep pace." Regier continued.

Seed, fertilizer and implement dealers in Wellington and Dodson are backing the meeting and they are urging their customers to attend.

"The proper use of fertilizer and irrigation, control of weeds and plant diseases can easily mean a 10 per cent increase in crop production and this would be an extra $600,000 income to the county," Regier declared. "Actually the increase possibly would be much higher, but 10 per cent is the conservative figure we can count on.

"Agriculture is our number one industry. Meetings like the one Tuesday are planned to help make it more profitable."

All of the speakers participating have been here in the past and are known to a number of farmers.

The meeting is scheduled to be over about 4 p.m.

41 Years in Insurance

Morris Wells Dies on Sunday of Heart Attack

J. Morris Wells, 63, senior member of the insurance firm of Wells & Wells, died suddenly Sunday, Feb. 23 at his home in Wellington as the result of a heart attack.

Mr. Wells, who came to Collingsworth county in 1901 with his parents, Mr. and Mrs. E. A. Wells, had operated an insurance and abstract firm here since 1923.

He was a graduate of Wellington high school and attended West Texas State in 1918 and 1919 and graduated from the University of Texas in 1921 with a degree in Business Administration.

In 1923 he started in the insurance business in partnership with Lee C. O'Neil and they founded the firm of Wells & O'Neil. In 1935 Mr. O'Neil sold his interest to J. W. Wells and from that time the business has operated as Wells & Wells.

Mr. Wells was cited for numerous awards in the field of insurance. Twice in the last three years he was recognized for having sold a million dollars in policies in a 12-months period.

There were other areas into which his influence extended—other interests that benefitted from the time and work he gave. But he preferred to work quietly and shunned the spotlight of publicity.

Mr. Wells is credited with being in a large measure responsible for the interest of oil and gas companies that has developed within the last few years here.

Morris Wells

* * *

He was one of the early members of the Collingsworth County Water Control and Improvement District and was instrumental in the formation of its present policies. But he urged that all the county's potentials be explored.

Those associated with Mr. Wells in business affairs recognized him as having one of the best financial minds in this area. Tribute to these many facets of his life have come in the last four days.

People near to him, however, were aware of his warm interest in his friends, and of the

Re-Elect School Heads, Coaches for 1964-65

Re-election of the superintendent, principals and coaches of the Wellington schools for the 1964-65 term has been announced.

J. L. Harper, now in his third year as superintendent of schools, was given a contract for a one-year period.

Principals re-elected were E. W. Clement, high school; A. A. McQueary, junior high; Jack Davis, elementary school; and W. E. Franks, Booker T. Washington school.

The three high school coaches also were re-elected: Don Beck, head football coach; James Stavenhagen, head basketball coach; and Harold Lamb, assistant football and basketball coach.

Buy Glasses for Needy

Norwood Lions Hold Broom Sale Feb. 29

"We're going to make a clean sweep of Wellington and Samnorwood."

This is the word sent down by the Samnorwood Lions Club as they slated their annual broom sale for Saturday, Feb. 29.

The Lions will work at Norwood Saturday morning, and be in Wellington about 1 p.m.

Jess Deger and Marvin Knoll are in charge of the drive and all members of the club will work.

The broom sale, held annually, is a benefit event, Deger explained. Other household cleaning items besides brooms are also sold.

The brooms are made by persons in the school for the blind at Kerrville, supported by the Lions Clubs of Texas.

Part of the proceeds from the sale remain with the local club, and these are used to buy glasses for needy children in the Samnorwood district, to help crippled children, and to support the eye bank in Amarillo, a Lions project.

Deger pointed out if there are needy blind outside the Samnorwood school district who need to go to the home for the blind at Kerrville, the Lions will be glad to see what can be done.

Mrs. M. E. Foster Dies Suddenly Tuesday Morning

Mrs. Mellie E. Foster died unexpectedly at her home at 1615 Childress Street at 9:30 a.m. Tuesday, February 25. She was 92 years of age.

Funeral services will be held at 2 p.m. Thursday at the First Christian Church, with the Rev. Hiram Cassel, pastor, and the Rev. Davis B. Edens of First Methodist Church officiating.

Burial will be in the family plot in Citizens Cemetery at Clarendon.

Kelso Funeral Home is in charge.

Mrs. Foster was a native Texan, born in Palo Pinto county July 4, 1871. Her childhood was spent on the North Texas frontier and as a young woman she lived in a section which had not yet outgrown its pioneer ways.

She came here with her family 55 years ago.

Mrs. Foster was a member of the Eastern Star.

Survivors are two grand-

Tuesday Night, March 3

Rockettes-Gruver to Meet in Bi-District

The Rockettes, who took the District 2-A crown by defeating the Clarendon Broncoettes in the first two of a three-game series, will meet the Gruver girls in bi-district play on Tuesday night, March 3, Coach James Stavenhagen announced.

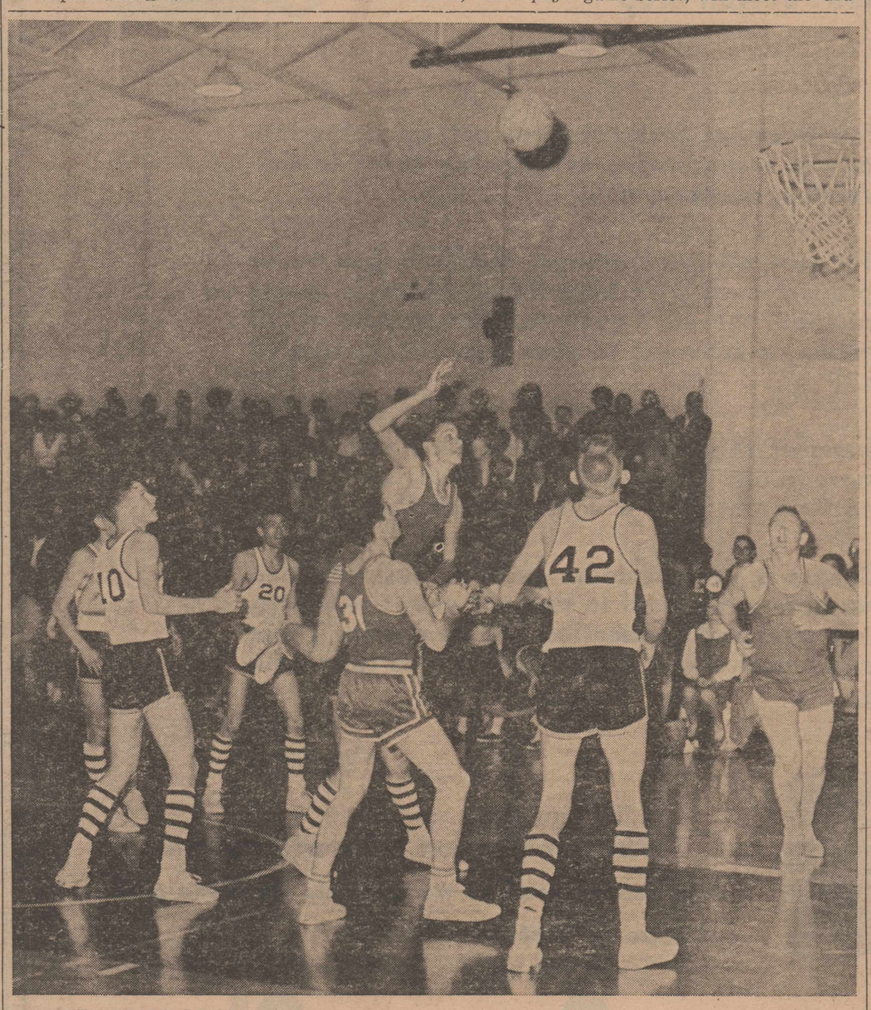

The place of the game was to be decided in Pampa Wednesday, but it will be either Amarillo or Pampa, the Wellington coach indicated.

The Wellington and Gruver teams will be about evenly matched, but there is an element of revenge this year . . . for it was Gruver that stood between the Rockettes and the bi-district title a year ago.

So far this season, the Wellington girls have won 24 games and lost 5, while Coach Wayne Tipton's girls have a 28-2 record.

The experienced team that takes the court for Gruver next Tuesday will be practically the same team that played in the bi-district a year ago.

The Rockettes lost two stellar players from last year's team, Vicki Glenn and Nancy Gibbs Langford, but otherwise the team is well versed in the ways of bi-district play.

OPERATION QUAIL
Don Morris, feet high off the floor, drives in for a lay-up shot as the Quail Quails, winners of district 9-B, and the 10-B champion Quitaque Panthers fought it out for the bi-district title in Wellington Tuesday night, Feb. 25. Other Quails are Bruce Ward, No. 31, and Tommy Baker, at extreme right. Panthers are Terry Woods, No. 10, Bobby Morrison, No. 20, and six-foot seven inch Jack Johnson, No. 42. A split second later Morris was completely upended by a Quitaque player, only his legs visible behind Ward.

March 2 to 5

Welding Short Course for Norwood Farmers

"A farm welding short course for adult farmers will be held March 2-5 under the sponsorship of the Samnorwood high school Vocational Agriculture department. according to Orville Cunningham, superintendent and John Dwyer, teacher of vocational agriculture.

Joel R. Barton, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the department of Agricultural Engineering at Texas A&M College, will do the instructing in the course. He is headquartered at Texas A&M College.

Barton is a native of Glasscock county, Texas, and was reared on a West Texas ranch. He attended grade school in San Angelo and graduated from high school at Big Lake. He holds a B.S. degree in animal husbandry from Texas A&M. After five years as a pilot in the U.S. Air Force, Barton served as an agricultural specialist in Texas State hospitals and special schools. In addition to regular classes, he set up farm shops and gave instruction in farm welding and general farm repair.

"Many welding short courses in various parts of the state have been taught by Barton and all have met with outstanding success," according to Waler Labay, area supervisor of vocational agriculture, Plainview. Arrangements for the adult education short course in welding and in other fields are made through Labay's office.

Joel R. Barton

* * *

The short course at Samnorwood is scheduled to begin on March 2 at 7:30 in the vocational agriculture building. Other meetings in the series of classes will be held March

Norwood PTA Meets Monday

Approximately 50 Samnorwood school patrons attended the meeting of the Parent-Teacher Association Monday evening, Feb. 24.

The speaker scheduled was unable to attend at the last minute, and the group went into a business session.

Reports were heard on the Kidletic Program and it was announced that the mimeograph machine bought by the PTA for the school has arrived.

Sixth grade students won the cash prize on the room count.

The next meeting will be the open house, scheduled for Monday, March 23.

Six File For Places on City Council

Six candidates have filed for the three places on the city council, to be filled in the election Tuesday, April 7, according to Russell Yates, city secretary.

Mrs. John Coleman and Henry Sullivan, present council members, have filed for re-election. Mack Saied Jr., whose term also expires this year, had not filed during the week end.

The three others who have filed are Bobo Castleberry, Leon Hartman, Byron Duncan and B. F. Chance.

The deadline for filing for a place on the ballot is Saturday, March 7, thirty days before the election date.

Standing Room Only

Panthers Edge Quail for Bi-District Title

A standing room only crowd watched as the Quail Quails and Quitaque Panthers staged a wild and fast game with the bi-district crown at stake in Wellington gym Tuesday night, Feb. 25.

The Panthers took the victory 87 to 74 and will meet the Shallowwater boys in the regional tournament to be played at Canyon Friday and Saturday, Feb. 28 and 29.

The teams were well balanced, but 6-7 Jack Johnson gave the Panthers an edge the Quail team couldn't get around.

The Panthers pulled away, mid-way in play, but by the middle of the third, Quail had narrowed the margin to four points. Too many fouls clipped the Quails' wings and the Panthers pulled away.

Dale Morris, 5-9, led in scor-

Trace of moisture.

On The Farm Research Program

Fertilizer Raises Cotton Yields Up to 267 Pounds

By Dwane Scott and Cecil Regier

Since 1958, excellent yield increases on cotton have been obtained from the use of fertilizer. Two things should be remembered.

Rainfall was unusually good for crop production, and fields where fertilizer tests and demonstrations were conducted had almost no fertilizer used in the past with fertility very low. Adequate moisture will continue to be the key to profitable fertilizer response in the area.

Many farmers in this area have adopted a well balanced fertilizer program on their farms. We assume that much of the learning experience has been provided through teaching methods used by the Agricultural Extension Service and the Agricultural Experiment Station.

There are some things that should be brought out with respect to the farmers about the proper use of fertilizer and good farming. Sometimes a farmer suggests that he has had no response or sometimes a decrease in yield from the use of fertilizer. For cotton production, good root penetration is a must. On mixed sandy soils where organic matter is low, every effort should be taken to prevent hard pans. This is often caused by planting too wet. This can be very costly.

Proper placement of fertilizer is very important. For preplant fertilization, 20-inch bands approximately 4 inches below the seed bed has been proven to be a good way.

In most all demonstrations the State soil test recommendations have been very close.

Over the past five years in this area, on dry land cotton, 20 to 30 pounds of nitrogen and 20 to 30 pounds of phosphorus gave good results. Nitrogen was the most limiting element and phosphorus was next. Only in isolated cases did potassium increase yields.

Under irrigation, 40 to 60 pounds of nitrogen and 20 to 30 pounds of phosphorus gave good results. Proper watering is very important to obtain good results from fertilizer.

In the five-year test, fertilizer has been responsible for an increase in yield with a rate of about 40 pounds of nitrogen and 20 pounds of phosphorus.

The increase in yields has been from nothing to 267 pounds of lint to the acre of cotton. The variation is due to soil type differences and rainfall.

In four tests on sandy clay loam soil, there has been an average increase in yield of 61 pounds of lint to the acre.

In seven tests in the five years, on fine sandy loam soil, has shown an average increase of 200 pounds to the acre.

Some of these tests are 40-20-0 and some were 32-32-0. This year which was a fairly poor year for fertilizer response, the tests on the fine sandy loam soil showed an increase of 128 pounds of lint to the acre on the application of 40 pounds of nitrogen and 20 pounds of phosphorus. This rate was the most profitable used on this test.

The cost of both nitrogen and phosphorus under the test conditions was 11¢ per pound.

WEIRD STAGE SHOW AT RITZ

The first stage show to be held in Wellington in some time will be held at the Ritz Theatre Thursday, Feb. 27. The show is advertised as a gruesome adventure into fear and dread.

HONORARY FUTURE FARMERS

Each year, the Wellington Future Farmers confer honorary membership on a few men of the community who have assisted them in their program of work. Three were chosen this year, Frank Campbell, left, Arthur Belew and J. W. (Chub) White. The plaques denoting honorary membership are shown. The men did not know of the honor they were to receive until the banquet.

Dr. Hendricks Gets Grant for Graduate Study

Dr. Bill Hendricks

FORT WORTH.—William L. Hendricks, former pastor of South Baptist Church, Dodson, has accepted a $4,000 grant for graduate study from the American Association of Theological Schools.

Associate professor of theology at Southwestern Baptist Theological Seminary here since 1958, Hendricks was awarded the grant because of the nature of his proposed program of study, his academic background and overall scholastic ability.

He will use the grant by the AATS, accrediting agency for American theological schools, to work toward a Ph.D. degree at the Divinity School of the University of Chicago during the 1964-56 school term.

Hendricks holds the B.A. degree from Oklahoma Baptist University and the D.D. and Th.D. from Southwestern. He and his wife have one son, John Lawrence.

The bite of the tarantula is no worse than a hornet's sting.

Camp Fire Girls

The Pretty Blue Birds met Thursday, Feb. 18 with Debbie Long as hostess.

This group and the Happy Blue Birds had a bean bag match, with the losing team doing the stunts.

Pretty Blue Birds attending were Patti McAlister, Debbie McGraw, Debbie Long, Ramona Ford, Cynthia Harrison and Phyllis Ann Sullivan.

Happy Blue Birds were Lana Forehand, the hostess, and Kris Aaron, Connie Lewis, Sherri Gray, Lennie Morgan, Nancy Graham, Andrea Lowe, also Mrs. Bobo Castleberry, leader, and Mrs. E. W. Clement, assistant.

Tanda Camp Fire group met Tuesday, Feb. 18 at 4 o'clock. List of honors to be awarded at the March 3 meeting were turned in.

Sandra McGill served refreshments to Carey Lewis, Cathy Singley, Susanna Peters, Beth Peters, Debbie Millsap, Lora Martin, Betsy Castleberry, Kathy Scott and the guardian, Mrs. Cecil Masten.

The Knokawana Camp Fire girls met Feb. 20 after school at the drug store for refeshments, with Juliana Hoffarth as hostess.

They then went to the Camp Fire building to study on the trail seekers requirements.

Attending were Jane Campbell, Doris Tingle, Carole Cochran, Ann Smith, Mary Nell Edens, Mary Saied, Loretta Foster, Karen Maxwell, Juliana Hoffarth, Pam Kersten, Debra Jones, Marcia King, Judy Jones, and Mrs. J. B. King, guardian.

Stars Attend ACC Lectures

Mr. and Mrs. P. E. Starr are in Abilene this week for the annual lectureship of Abilene Christian College. They are attending from Bowie Street Church of Christ.

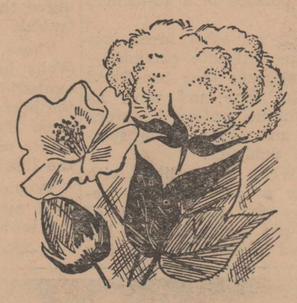

The lectureship presents leading speakers of the church and will continue through Thursday Feb. 27.

Attend the Soil Fertility Meeting

TUESDAY, MARCH 3

It Can Mean More Profit

On Your 1964 Cotton Crop

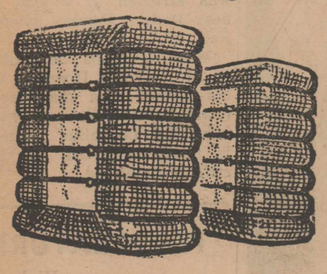

Fertilizer has increased our cotton yields fantastically in recent years. It's the big thing in Collingsworth agriculture now.

But like all good things, fertilizer has to be used properly and with know-how. More is being learned about this each year, and the purpose of the Soil fertility meeting is to pass this information on to you.

Some of this valuable information was gained right here in our Northwest Texas Research Demonstration Program. You will hear about that, too.

Cotton is your business and our business, and as never before, we need to find out about soil tests, fertilizer rates and application and irrigation. These things are vital if our cotton economy is to remain strong.

The insurance on the trailers on the gin lots has expired so we ask you to move them at your earliest convenience.

FUTURE FARMERS PRESIDENTS

District and Area presidents of the Future Farmers of America and a past president of the state body were together at the annual Father-Son banquet of Wellington FFA chapter Saturday night, Feb. 22. At left is Jerry Clark, immediate past President of the Texas Future Farmers, now living at Munday and a ministerial student at Hardin - Simmons University. Not often do brothers hold the presidency on different levels, but Mike Wischkaemper, center, is the Area I president and his younger brother, Bill, right, is president of the Greenbelt District and the Samnorwood chapter. They are the sons of Mr. and Mrs. A. F. Wischkaemper. Mike is a student in Texas Tech, Bill a senior at Samnorwood.

★ ★ ★

Awards Presented

FFA Opportunity Cited by Banquet Speaker

The FFA comes tailor made for the young man who feels the opportunity and the challenge offered by agriculture, Jerry Clark, immediate past president of the Texas Association of Future Farmers of America, told Wellington chapter members, their fathers and other guests at the annual banquet Saturday night, Feb. 22.

Clark's talk followed immediately after the presentation of awards to members of the Wellington chapter for outstanding accomplishments.

"We need young men who do feel responsibility and who are ready to invest their lives in their home communities," Clark continued.

"We don't just one day graduate from college and jump into life and make a contribution to it," he said a few minutes later, "What kind of experience you will have had depends on what you do now."

Clark cited the opportunities FFA offers to develop leadership, to become good citizens, and patriots, and to develop scholarship.

Now a ministerial student in Hardin Simmons University, at Abilene, Clark is also pastor of the Gillespie Baptist Church near Munday.

The top award, the DeKalb plaque for accomplishment, went to Joe John Henard. This goes each year to a senior boy for outstanding work in the Future Farmers.

Jimmy Campbell was named the Star Green Hand, an honor that goes to freshmen. Don Sweat reecived the Chapter Star Farmer award for a sophomore; Mark Fires the livestock award; and Max Phipps the farm electrification award.

Chapter farmer degrees went to Sweat, Jackie Needham, Larry Henard, Freddy Bobo, Mike Hughs, Lynn Wauer, Kent Holland, Roger Weems, Jackie Duncan, Glenn Thomas, Gary Phillips and Ronnie Gray.

Pins were presented to the chapter officers, who are Lynn Wolf, president; Leamon Bawcom, vice president; Kenneth Patterson, secretary; Bill Driver, treasurer; Graham Bowen, reporter; and Glenn Thomas, sentinel.

Three honorary members were selected, J. W. (Chub) White, Arthur Belew and Frank Campbell. This honor goes to men who have helped the boys in various ways in carrying out their projects or programs. A plaque was presented to each man.

The chapter sweetheart, Jane Orr, was presented, as was the sweetheart for last year, Jan Glenn.

Lynn Wolf was toastmaster, Patterson introduced the guests and Phillip Hughey gave the invocation.

Fathers attending were Cliff Campbell, John R. Henard, Dick Lindley, L. O. Tyson, Buddy Yarbrough, Albert Fulcher, Mr. Driver, E. S. Hale, Jr. J. B. Killian,

Ralph Martin, Woodrow Wood, John Jackson, Fred Bobo, Jack Needham, Henry Rogers, L. B. Bratten, L. C. Leathers, Dan Henard, Rufus Sweat,

Eugene Bawcom, Frank Campbell, A. J. Fires, M. J. Holland, Murl Phillips, Bill Wolf, Lee Hughey, A. L. Duncan. Arthur Belew, R. Colwell, J. C. Hartman and Doug Bergvall.

Other guests were Mr. and Mrs. J. M. Orr, Jane Orr, Mr. and Mrs. Barney Glenn, Jan Glenn, Mr. and Mrs. Dee Coleman, Anna Kay Kelso, Rodney Hill, Mr. and Mrs. Danny Garcia, J. L. Harper, E. W. Clement, Louis Graham, Ralph Word, Don Beck. David Baumgardner, John Sherman, Dick Pendleton,

Mr. and Mrs. Harry McEwen, Bob Crawford, W. O. Vaughan, Dee Burba, Paul Spillman, Donald Jennings, Jake Tarter, Fleet Pruden, Ed Smith, Ray Null, also

Javad Bazargani of Iraan, Mike Wischkaemper, A. F. Wischkaemper, and Bill Wischkaemper of Samnorwood.

Motsenbocker on WT Honor Roll

Albert Motsenbocker is listed on the undergraduate honor roll of West Texas State University for the fall semester, Dr. Walter H. Juniper, dean of the university, announced.

Motsenbocker, a graduate of Dodson high school and former teacher there also, was one of 76 listed.

100 Pounds Is the Limit

Dodson Stages First Peewee Basketball Tourney Next Week

The tall ones and fast ones have had their fling at basketball, and now the little ones take over.

A Peewee basketball tournament is slated at Dodson shool Monday, Tuesday and Thursday, March 2, 3 and 5. Both boys and girls brackets are set up and 12 teams from Collingsworth county and western Oklahoma are entered, according to Coach Bill Lackey.

Nobody who weighs over 100 pounds will be eligible to play, Lackey said, and this will include for the most part boys and girls in the fifth, sixth and seventh grades.

Handsome trophies will go to the first, second and consolation winners in each bracket.

Boys and girls teams are entered from Arnett, Okla., Samnorwood, Quail, Centralvue, Okla., Dodson and Wellington.

Playing starts at 3 p.m. on Monday, when the Dodson and Wellington girls meet. Other first round games are:

Dodson vs. Wellington boys, 4 p.m.

Quail vs. Centralvue girls, 5 p.m.

Quail vs. Centralvue boys, 6 p.m.

Arnett vs. Samnorwood girls, 7 p.m.

Arnett vs. Samnorwood boys, 8 p.m.

Second round games will be played Tuesday, with a girls consolation game at 5 p.m., a boys consolation at 6 p.m., girls in the championship division at 7 p.m. and boys at 8 p.m.

Finals will be played Thursday with the girls consolation game at 5 p.m., boys at 6 p.m., girls championship finals at 7 p.m., and the boys championship finals at 8 p.m.

The public is invited to come out and support these youngsters, Coach Lackey said.

This is the first Peewee basketball tournament to be held in Collingsworth, but they are regular features in Western Oklahoma schools, the coach explained.

Mr. and Mrs. Glenn Hickey Sr., of Mount Ida, Ark., are visiting in the home of their son, Dr. and Mrs. Glenn Hickey and Danny.

Hubbard to Bankers Meet

C. T. Hubbard, president of the Wellington State Bank, attended the session of the Seventh District, State Bankers' Convention in Fort Worth Friday and Saturday, Feb. 21 and 22.

These sessions feature leading bankers of the nation discussing current financial movements.

Mrs. Hubbard and their son, Chris, accompanied him and visited with relatives in Arlington.

FUTURE FARMER AWARD WINNERS

These five Wellington Future Farmers were presented awards for outstanding work at the annual Father-son banquet Saturday evening, February 22. Standing are Max Phipps, left, who received the Farm Electrification Award; Mark Fires, the Livestock Award; and Joe Henard, the DeKalb Achievement Award, given a senior boy. Kneeling are Jimmy Campbell, left, Star Greenhand; and Don Paul Sweat, Chapter Star Farmer. All awards except the DeKalb Award were given by the Future Farmers of America Foundation. In this picture the boys point to the essential parts of their emblem, freedom's eagle; the ear of corn that is the emblem background and the plow.

Rockets Bow to Channing in Practice Game

The Skyrockets bowed to the Channing boys, victors in District 1-B by a score of 68-53 Friday night, Feb. 21.

This was a practice game for both teams, played at Lefors, in connection with the first game of the play-off series between the Wellington and Clarendon girls.

Channing has a smoothly operative club that hits the basket well, especially in the early parts of the game.

The Rockets, on the other hand, had a bad night as far as shooting was concerned, and failed to hit the basket until they were trailing badly.

They picked up in the third quarter, but weren't able to overcome the difference.

Roger Weems was the game's high scorer with 18 points, while Bobby Hudson scored 14. Jerry Muncy and Larry Moore made 16 each for Channing.

The game by quarters:

Wellington	9	28	45	53
Channing	23	47	58	68

The locusts of the plague are also called shorthorn grasshoppers.

Mr. and Mrs. R. S. Ramage of Canyon spent several days last week in the home of her brother and sister, Mr. and Mrs. O. B. Raburn and Miss Virda Raburn.

Some tourists look at the scenery; others see it.

Coral snake bites are fatal in about 20% of the cases.

Please Accept My

Sincere Appreciation

I am grateful for the many courtesies all of you have shown me during the time I was your Deputy tax-assessor-collector, a place I am leaving on February 29.

I will now devote my full time to my race for the office of tax assessor-collector, subject to the Democratic Primary May 2, and your support and help will be sincerely appreciated.

Rita Owens

WHS Splits Two Practice Games with Quitaque

The Skyrockets went down in a practice game with the District 10-B champions, the Quitaque Panthers 77-65, but the Rockettes, also in a practice game, won from the Panthernettes 63 to 38. The double header was played in Rocket gymnasium Tuesday night, Feb. 18.

"The Panthers were a real smooth club, and we feel we learned something by playing a club of this calibre," Coach James Stavenhagen declared.

The Panthers are a strong, fast-breaking team built around one big boy—a difficult combination to play defense against. Four Panthers scored in the double figures.

Seldom this year have the Rockets met a team with the fast break that they encountered in this game.

High scorer for Wellington was Roger Weems with 15, while Jim Saul made 26 for the Panthers.

By quarters:

Wellington	16	37	51	65
Quitaque	21	42	63	77

Girls Game

The Rockettes showed a good defense against the Panthernettes as they took the 63-38 victory, and successfully held their opponents' six-foot two-inch forward to only 6 points.

High pointer for Wellington was Betty Courtney with 25. while Jane Orr made 19 and Joyce Holton 13. Janice Dudley was top scorer for Quitaque with 28.

The score by quarters:

Wellington	17	33	44	63
Quitaque	11	22	26	35

Kiwanis Hears Dodson Singers

The Kiwanis Club was entertained Friday, Feb. 21 by Ted Parker and some of his students from the Dodson school.

Bob Crawford, program chairman for the month of February, presented Mr. Parker and a grade school ensemble, a high school chorus, and a trio, in a medley of songs.

The show-stealer was "Lollipop," by the grade school ensemble. The chorus sang "There Goes My Heart," and the trio sang "Skip to My Lou."

Guests were Carrol Ray of Pampa, Hubert Mauldin, David Baumgardner and his guest from Iraan, Javad Bazarzani, Cecil Regier, Jack Moreman, Bryan Denson of Amarillo, and four members of the West Lawton, Okla., Club.

Garden Club Meets Feb. 5

The Wellington Garden Club met Wednesday, Feb. 5 in the club room of Greenbelt Electric Cooperative building, with Mrs. Bill Tarter and Mrs. O. E. Dodson as co-hostesses.

The plaque and name of the West Wellington Cemetery was the subject of the round table discussion.

Refreshments were served to those present by the hostesses.

You are Invited
To the Soil Fertility and Insect & Weed Control Meeting

TUESDAY, MARCH 3 – DISTRICT COURT ROOM

Soil Fertility and the proper use of fertilizers as well as Weed and Insect Control are becoming more important every year to the farmers of this area.

It is for this reason we join with The Extension Service and the Northwest Experiment Authorities in inviting our farmer friends to attend the Soil Fertility meeting next Tuesday.

Improved farming practices have done wonders in increasing the per acre yields and the net profit in the past ten years and we believe there will be even greater improvements in the years to come.

FIRST STATE BANK

DODSON, TEXAS

A Soil Test
plus
Fertilizer
Weed Control ...will help this area break all production records
Insect Control ...will help put more money in our pockets

Our fields are making yields we thought out of reach a few years ago. There are several factors, and one of the most important is soil testing to show the nutrients a field needs, and the proper fertilizer to supply those nutrients.

Dodson Co-operative Enterprises, who handle your cotton, wheat and grain sorghum, recommend that all farmers have soil tests before beginning operations.

The test itself will be done at the soils testing laboratory of the Extension Service in Lubbock. You can get a soil container and blanks from the County Agent's office.

1. Dig a hole 6 to 8 inches deep
2. Take a half-inch slice off one side with a spade. the full depth.
3. Repeat this at 10 to 12 places over the field.
4. Mix all the dirt thoroughly in a clean bucket.
5. Take out one pint to be sent to Lubbock for testing.
6. Repeat in each field you want a soil test for.
7. A copy of the analysis will be sent you and the county agent's office.

To give accurate recommendation, your county agent will need to know:

1. Kind and depth of soil.
2. Previous cropping history
3. Previous fertilizer history
4. What crop you will grow

Attend The Soil Fertility & Weed Control Program March 3
In District Court Room

We Can Furnish Your Fertilezer

Dodson Co-Operative Enterprises is dealer for RED STAR fertilizer, which is especially adapted to the land in this section. We will work with you to help you get the most out of your fertilizer dollar.

If you don't plan to plant your cotton acres – Be sure to turn them in and hold your acreage allotment.

Study and Slides of Middle East Presented for Excelsior Club

A study of the Middle East, with emphasis on the City of Jerusalem, was given for members of the Excelsior Club on Thursday evening, Feb. 20 when Mrs. Claude McKinney was hostess.

Mrs. J. F. Michael, program chairman, gave a paper on "Jerusalem, the Divided City."

Cecil Regier, county agent, who spent six months in the Middle East in 1955, showed slides he took in Jerusalem and other parts of the Middle East, and accompanied these with a commentary.

Regier lived in Iran under the International Farm Youth Exchange program, sponsored by the Four-H Foundation.

During the business session, club officers were re-elected for the coming term. These include Miss Rose Shadid, president; Mrs. Oleta Burquist, vice president; Mrs. Denver Powell, secretary; Mrs. E. F. Bartlett, treasurer; and Miss Sara Jones and Mrs. J. F. Michael, reporters.

Refreshments were served to Miss Dorothy Robertson, Miss Edith Jackson, Mrs. Powell, Mrs. Michael, Mrs. Robert Barjenbruch, Mrs. Bartlett, Mrs. Bernice Welch, Miss Marie Shadid, Miss Rose Shadid, Mr. and Mrs. Regier, and the hostess, Mrs. McKinney.

Mrs. Thompson Guild Hostess

Mrs. Joe Thompson was hostess to the Wesleyan Service Guild in her home on Feb. 17. Mrs. Mary Jones, president, presided.

The meeting was opened with a prayer by Mrs. F. E. Anderson.

The devotional was brought by Mrs. Jennie Holcomb.

Mrs. Gorman Owens gave an introduction on plans for the new study, Three Spiritual Classics. The group planned to meet at the church Monday evening, Feb. 24 to make a quilt to be given to one of the church homes.

Present were Mrs. Thompson, Mrs. John Forbis, Mrs. Mary Jones, Mrs. F. E. Anderson, Mrs. Jennie Holcomb, Mrs. Rob Isbell, Mrs. Nannie Masten, Mrs. Pearl Aaron, Mrs. Lloyd Wooldridge, Mrs. W. C. Reeves, Mrs. Gorman Owens, Mrs. Barney Glenn, Mrs. E. F. Bartlett, Mrs. Jack Davis, Mrs. Richard Bailey, and Mrs. Marie Watkins.

Elizabeth Lucas

* * *

Lucas-Scarberry Engagement

Mr. and Mrs. R. L. Lucas of Electra are announcing the engagement and approaching marriage of their daughter, Elizabeth, to Cloyce Scarberry, son of Mr. and Mrs. Lee Scarberry of Wellington.

Vows will be exchanged Saturday evening, April 4, in the Electra Assembly of God.

Miss Lucas is a graduate of Electra high school and attended Southwestern Junior College at Waxahachie. She is now employed by the American National Bank in Amarillo.

Her fiance was graduated from high school here and attended West Texas State University. He is employed by Claude Morton of Amarillo.

Party Honors Lana Kaye Lacy

Lana Kaye Lacy, daughter of Mr. and Mrs. Don Lacy, was honored with a party on her sixth birthday, Feb. 21 in the home of her grandparents, Mr. and Mrs. D. C. Lacy.

Various games were played before the opening of the gifts.

Refreshments of cake, ice cream and punch were served to Kris and Kim Aaron, Butchie and Sherrie Bawcom, Frederick Bush, Rhonda and Sue Keller, Allen and Sharon Saied,

Also Janee, Ranee, Carl and Toni Taylor, Clay Lacy, the honoree and her grandmothers, Mrs. D. C. Lacy and Mrs. John Hamilton of Childress.

Altar Society Meets Recently

The Altar Society of Our Mother of Mercy Catholic Church met at the home of Mrs. Frank Hajek during the past week.

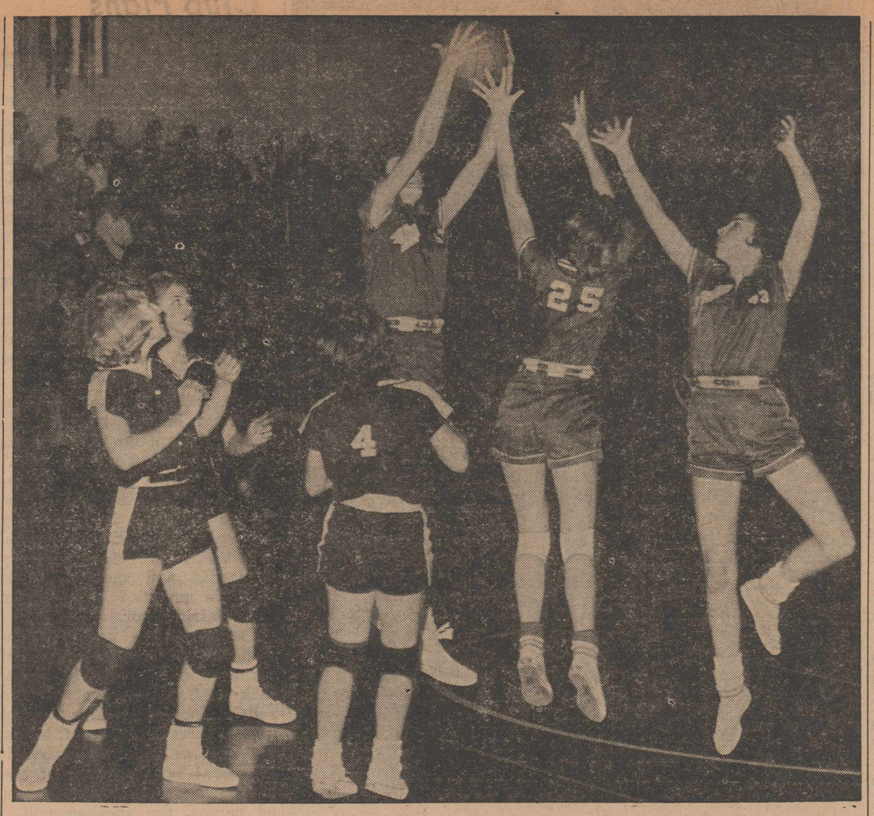

In the absence of the president, Mrs. Henard Gray, the meeting was presided over by the Parish Priest, Father Patrick Burke. Other members present included Mrs. Jesse Peters, Mrs. Lucian Bearden, Mrs. Shields, Mrs. Harold Watkins, Mrs. Quinton Brewer, Mrs. Russell Yates, Mrs. Gus Allen, and the hostess, Mrs. Frank Hajek.

During the meeting Father Burke read a short paper on the history of the parish in this county. The earliest known Catholics in this area arrived here in 1900, and proceeded to grow steadily in number during the next 15 years, in spite of the handicap of not having a resident priest.

Among these early pioneers of the Faith were C. B. Boveries, J. M. Shields and Edward O'Connell. Their hopes and dreams were finally realized in 1930, when the first church was consecrated here by the then Bishop of Amarillo, Rudolph Gerken. The parish has since grown to over 53 families, with a total of well over 300 souls all told, Father Burke said.

After refreshments had been served by the hostess and Mrs. Yates, Father Burke showed colored slides of Rome and parts of Spain, taken during his world tour in 1950.

Mr. and Mrs. Lee Scarberry have returned after spending the last six weeks at Grand Lake, Okla. They visited with his brother and spent much time fishing. Mrs. Scarberry caught 16 crappie one day and has a picture to prove it.

ACCURATE REBOUND

Straight to the waiting arms of three Rockettes came this rebound, as frustrated Tigerettes look on. With hands on the ball is Rockette high scorer Betty Courtney, and leaping with outstretched arms are Jan Glenn, No. 25, and Jane Orr, at right. The two players at left are not identified, No. 4 is Sara Coleman. The Rockettes victory over McLean girls gave them a tie for first place with Clarendon in District 2-A girls division —Photo by Jerry's Studio

Luncheon for Lydia Class

Mrs. R. L. Porter was hostess to members of the Lydia Class of First Baptist Church at the monthly luncheon Thursday, Feb. 20.

Mrs. W. A. Morrow, president, conducted the business session that followed the luncheon, and Mrs. Porter gave the devotional.

A social hour followed.

Attending were Mmes. Morrow, Henry Davidson, W. E. Winters, Vada Vaughan, Ray Love, Nell Cook, J. L. Hays, Ben Brewer, Beatrice Jenkins, and the hostess, Mrs. Porter.

Trained elephants recognize 20 to 25 different work commands.

Bonnell-Weir Rites Planned

Mr. and Mrs. Gerald Mears Bonnell of Dallas are announcing the engagement of their daughter, Miss Geraldine Edwina Bonnell to Robert Foster Weir, son of the Rev. and Mrs. Frank Weir of Sudan.

The wedding ceremony will take place Friday, March 27 at Asbury Methodist Church, Dallas.

Miss Bonnell attends McMurry College and is a member of Delta Beta Epsilon social club, Kappa Delta Pi and Sigma Tau Delta.

Her fiance also is a student in McMurry, where he is president of Forum, secretary of Ko Sari men's social club, and a member of Sigma Tau Delta.

He was graduated from Wellington high school, and the family lived here while the Rev. Mr. Weir was pastor of Wellington First Methodist Church.

Recent visitors in the home of Mr. and Mrs. John McGill were their children, Mr. and Mrs. Johnny McGill Jr., of Denver, Colo.; Mr. and Mrs. Raymond McGill and children of Amarillo, and Aeuben McGill of Lubbock.

Mr. and Mrs. O. V. Goad of Oklahoma City visited last week in the home of his sister, Mr. and Mrs. John McGill.

Mrs. Don Hood and son Marc of Lubbock spent the past week end with her mother, Mrs. L. E. Gribble and Mr. and Mrs. James Richardson.

Soil Fertility

is the breakthrough in Collingsworth's Agricultural Economy

Proper use of fertilizer and building our soil fertility has given us increased yields in crop production we would have thought fantastic 5 years ago.

We must maintain this increased fertility with knowledge and skill. It is up to us to learn about fertilizers and fertility, how to use them and what our land needs for greatest production.

It is a change in our agricultural economy that may be as great as mechanization of the farm a generation ago.

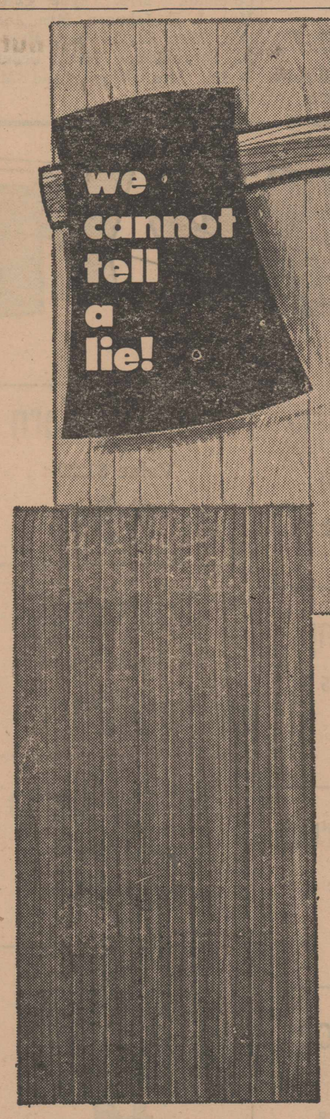

City State Bank keeps abreast the needs of farms and farmers, for this is the base of our economy. Now is the time for us to take advantage of this big break-through in agriculture . . . Make us your partner in your plans to increase the fertility of your soil.

Attend the Soil Fertility Meeting
Tuesday, March 3, 2 p. m.

1924 Study Club Will Hold Annual Fashion Show-Dinner on March 19

Thursday evening, March 19 is the date selected for the ninth annual fashion show-dinner by the members of the 1924 Study Club. This organization is also observing its 40th anniversary this year.

Chairman of the steering committee is Mrs. J. B. King. Members on this committee are Mmes. D. F. Cook, Mack Bush and B. M. Sims.

Firms having fashion model entries thus far are Ingram Hobby and Fabric Shop, The Fair Store, Helen's Creations, House of Beauty, and Lora's Beauty Shop.

Those modeling and giving door prizes are to be included in a later release.

Tickets will be available beginning Feb. 27 from club members. Ticket chairmen are Mrs. D. F. Cook and Mrs. James Sullivan. Other chairmen and committees announced by Mrs. King included the following:

Decorations: Mrs. B. M. Sims, Mrs. Bill Bradley, Mrs. Don Van Pelt;

Table arrangements: Mrs. Velman Warrick, Mrs. Don Beck;

Table settings: Miss Hattie D. Wells. Mrs. R. R. Crawley, Miss Sara E. Jones;

Models: Mrs. Jack Moreman, Mrs. Edward White;

Food: Mrs. Edward Bawcom, Mrs. Chester Fires, Mrs. Luther Gribble, Mrs. J. R. Ross;

Favors, door prizes and displays: Mrs. Bush and Mrs. A. L. Elliott;

Entertainment: Mrs. Ross;

Publicity: Mrs. Sims.

Who's New — in the — Wellington Area

Mr. and Mrs. Eddie Carol Riley of Quanah are the parents of a daughter, Kimberlie D'Ann, born February 21 in the Quanah Memorial Hospital. She weighed 8 pounds eleven and a half ounces. Grandparents here are Mr. and Mrs. Dudley Phipps and Mr. and Mrs. Buford Riley.

Mr. and Mrs. Marvin Cox of Arkansas City, Kansas, are the parents of a son, Kevin Lee, born January 30. He weighed eight pounds and seven ounces and is the grandson of Mr. and Mrs. Joe Sanders. Mrs. Cox is the former Mary Lou Sanders.

WMU Observes Week of Prayer

The Woman's Missionary Union of the First Baptist church will observe Home Missions Week of Prayer next week with a session each day from 9:30 to 10:30 a.m. in the Fellowship Hall of the church.

All members of cricles are urged to attend each day.

Certain areas of the ocean can produce about 1,000 pounds of shrimp per acre annually.

Bride of Former Wellington Man

Miss Doris Levy, daughter of Mr. and Mrs. Chauncey Levy of Brooklyn, New York, and John Ellsworth Rogers, exchanged marriage vows December 23, at Copley Street Methodist Church in Boston, Massachusetts. Mrs. Rogers is a junior student at Emerson College in Boston. Mr. Rogers is a junior at Harvard University. The young couple will continue study. They are at home at Apartment J-21 East, Peabody Terrace, 900 Memorial Drive in Cambridge, Massachusetts. Mr. Rogers is the son of Mr. and Mrs. Ted Rogers of Canadian, former Wellington residents.

An adult 90-ton blue whale eats more than a ton of shrimp each day.

Club Hears Music Program

Mrs. John Sherman was hostess to members of the Domestic Science Club Thursday, Feb. 20 for a program, "A Homemakers Life Told Musically."

Guest musicians were Mrs. B. M. Sims, Mrs. Hiram Cudd, Mrs. Mack Bush, and Mrs. Richard Nall.

Mrs. Farris Wood was program director.

Decorations and refresnments carried out the theme of George Washington's birthday.

Attending were Mrs. John Coleman, Mrs. Clyde Drake, Mrs. J. F. Johnson, Mrs. Jerry Nix, Mrs. W. R. Orr, Mrs. J. B. Stevenson, Mrs. Deskins Wells, Mrs. Wood. and Mrs. Sherman.

Club Plans Anniversary Tea

The 1954 Study Club met Thursday, Feb. 13 in the home of Mrs. Calvin Hurst. Roll call was answered by 15 members.

Mrs. Billy Ray Long, president, conducted the business session in which the committees were named for the club's Tenth Anniversary Tea.

Members voted to sponsor Mrs. A. J. Fires and any other women of the club who wish to enter the Crafts display at the district convention, to be held at Borger, March 26.

Mrs. Bill Hatch gave an interesting, informative and unusual program on "The Amazing Drug in Your Kitchen." This drug kills pain almost instantly, prevents infection, helps control bleeding, is completely safe, costs almost nothing and is within a few steps of every housewife and mother. This drug is an "ice cube" from your refrigerator.

Ice cubes are used for anesthetics in certain types of surgery, to relieve a heart attack until a doctor arrives, to relieve and keep down swelling and blisters in case of burns, and acts as a sedative when it is placed on the back of the neck of an emotionally disturbed person, the speaker said.

The Valentine theme was carried out in the dessert plate served to Mmes. Hatch. R. L. Templeton, Grant Wooldridge, E. W. Clement, James Larson, Leon Hartman, C. T. Hubbard, Sam Adams, Don Lacy, Lynn Courtney, Jack Aaron, Lynn Wright, A. J. Fires, Billy Ray Long and the hostess, Mrs. Hurst.

Quilting, Luncheon Entertains Club

A covered dish luncheon was enjoyed by members of the Good Neighbor Club Friday, Feb. 21 in the home of Mrs. C. A. Wilbur.

The day was spent quilting and a business meeting was held in the afternoon, after which secret pal gifts were exchanged.

Those attending were Mmes. Frank Thomas, Ray Clubb, Willie Smith, Merritt James, Doshia Dix, Lloyd Holloway, Nell Cook, Leonard Karnes. John Trew, Robert Karnes, and the hostess.

Shower Monday Evening Honors Miss Fulcher, a Bride-to-be

Miss Louise Fulcher, bride-elect of Olman Sweat was honored with a bridal shower on Monday night, February 24 in the home of Mrs. John Coleman.

Co-hostesses with Mrs. Coleman were Mmes. Steve Owens, Melvin Seale, Ernest Harwell, Truman Estes, Arlon Williamson, Bill Owens, Elmer Feemster, Harold Keller, Guy Owens, Ray Uselton, J. W. Maxwell and Keith Smith.

Mrs. Coleman received the guests and presented them to Miss Fulcher, her mother, Mrs. R. F. Fulcher, and Mrs. A. O. Sweat, mother of the prospective bridegroom.

Mrs. Bill Owens presided at the bride's book.

Miss Rose Montgomery, niece of the bride, and Mrs. Guy Owens served spiced tea and cake from the serving table which was laid with a white imported cloth from the Philippines.

The centerpiece was an arrangement of a miniature bride and groom under glass, surrounded by blue net and tiny flowers. The appointments were silver and crystal.

Guests called between 7:30 and 9:00 p.m.

Mrs. C. D. Messer has returned to her home at Quail after undergoing surgery in the Groom hospital.

Mrs. Louise Kendrick and daughter, Mickye Ann, were recent visitors in Borger, in the home of her parents, Mr. and Mrs. B. V. Stewart.

Mr. and Mrs. Tom Campbell returned to their home in Lubbock Friday, after a few days visit with members of their families here.

Help Possible

Children with Speech, Hearing Defects Sought

Harold Caldwell of Wellington is trying to contact the parents of all county children having speech of hearing defects, and he asks that they get in touch with him as soon as possible.

Caldwell, single-handed, is spearheading a drive that may lead to securing a special teacher for these children.

Tommy, the older son of Mr. and Mrs. Caldwell, has a hearing defect and they now take him to the Amarillo Speech and Hearing School twice a week. Next year, he will be old enough to start to school and they must make some arrangement for him to be in a special school. This is the basis for their interest in the work now.

In Amarillo they have learned that if there are enough children with speech or hearing defects in a county, assistance can be had from the state toward a teacher. Help from a private foundation interested in this work is also a possibility.

"I feel that there are other parents in the county with the same problem we have, and I would like to contact them. Maybe something can be done," Caldwell said.

He emphasized that work must start now for next fall.

Parents of both pre-school and school-age children are asked to contact Caldwell, young Wellington farmer and mail carrier.

WHS Band in 2-Day Festival at Brownwood

The Wellington high school band played in competition at Brownwood Thursday and Friday, Feb. 20 and 21, and although it did not place among the top three bands, it received excellent criticism. Director James Larson reported.

Forty-six bands participated, with 14 in the class along with Wellington.

First place went to Jane Long School, Houston; second to Midway, Waco; and third, Archer City.

Those who went were: saxophones, Anna Kay Kelso, Graham Bowen, Sammie Thompson, Marsha Tyler, and Lynda Moore.

Trumpets, Raymond Horton, Nancy Crawley, Tommy Thomas, and Dwight Bowen.

Trombones, Dan Warrick, Cleland Stallings and Jamie Larson.

Piano, Regina Ferguson.

Drums, Lyndal Bowen.

String bass, John Barjenbruch.

Tuba, Charles Black.

Brownwood is considered to have the top stage in Texas and one of the best in the nation.

Observe Public School Week March 2 to 7

Public School Week will be observed in Texas schools next week, March 2 to 7, Wellington superintendent J. L. Harper reminded.

In order that patrons of the Wellington district may see their schools in action, Mr. Harper has issued an invitation to all those interested to visit the school at any time during the week.

There they will see the classes, labs, and sports programs as they are carried on from day to day.

"We believe that this is the best way for the parents to see their schools at work" Supt. Harper said.

New Employees at City State

Two employees added recently to the staff of the City State Bank were announced Tuesday by Zook Thomas, vice president.

Mrs. Earl Gene Ford began work Monday. Feb. 24. She formerly was employed as checker at Owens and Scott Grocery.

Her husband works for West Texas Utilities Company, and they have two children.

Starting work at City State a short time ago was Mrs. Don Hiett, the former Sherry McGuire. She is the daughter of Mr. and Mrs. Travis McGuire.

Her husband, son of Mr. and Mrs. Elmer Hiett, works at Lewis Grocery, and they have one small child.

C-C Industrial Group on Tour

A group from the Collingsworth Chamber of Commerce was in Amarillo Friday, Feb. 21 to contact two manufacturing firms who may be industrial prospects for the county.

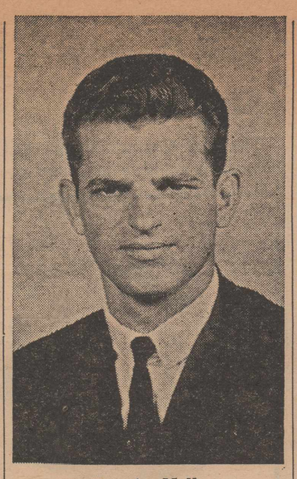

N. M. Higdon, C-C manager, said that plans are not yet mature enough to make any announcement, although both groups were interested in their presentation.

Henry Sullivan, chairman of the industrial committee, organized the tour, and Hershel Tyler and John Sherman were spokesmen.

Others going were Alvin Horton, Bill Hatch, George Shadid, Floyd Teutsch of Dodson, Mr. and Mrs. Sandy Parsons, Mrs. Henry Sullivan, Bobo Castleberry and Higdon.

Meeting Under Way at West Avenue Church

A gospel meeting is under way this week at the West Avenue Church of Christ, with Min. Reggie Nolls of Erick, Okla., as evangelist.

The meeting began Monday, Feb. 24 and will close Sunday, March 1, according to Min. Auther Jones.

Morning services are at 10 a.m. and the evening services at 7:30 p.m.

Min. Nolls' sermon topics also were announced. So far, the congregation has heard him preach on "Sin," "Repentance," and "Preach the Word."

For the remainder of the meeting, his sermon topics will be "Tragedy of False Assumptions," Thursday night; "Blood of Christ," Friday night; "Hell," Saturday night; "The Devil," Sunday morning; and "They Did Not All Hearken," Sunday night.

The public is invited.

Capt. Cox New Commander of National Guard

Capt. Harry R. Cox is the new commanding officer of Battery A, 2nd Battalion, 121st artillery of the National Guard. Capt. Cox is county agent of Childress county, and succeeds Lt. Leonard King, also of Childress.

Prior to his new assignment, Capt. Cox was liaison officer assigned to the battalion headquarters at Wichita Falls. He has been with the National Guard during the last year.

Commissioned a second lieutenant upon his graduation from Texas A&M College in 1956, Capt. Cox had two years active duty at Camp Hanford, Wash., where he was with a 5th artillery Nike missile group.

With the change of command Lt. King becomes executive officer of the battery.

March 4 Last Filing Date

Wednesday, March 4, is the deadline for school trustee candidates to file for places on the ballot.

Candidates in the Wellington and Dodson independent districts will file with the superintendents of their respective schools.

Those seeking office in the Norwood and Quail districts may file either with their superintendents or with B. W. Beaird, county superintendent, at his office in the courthouse.

More Talks Due on Salt Fork H20 Agreement

Talks will continue within the next few days between representatives of the Greenbelt Municipal and Industrial Water Authority and the Collingsworth County Water Control and Improvement District as those two bodies seek an agreement on the waters of Salt Fork River.

Dan Henard, president of the Collingsworth water board and Paul Spillman, attorney, attended a hearing before the State Water Development board in Austin Wednesday, Feb. 19, in which approval was given Greenbelt's application for an $8,200,0000 loan and purchase of water for $2,100,000.

The State Water Commission a week earlier recommended to the water board that the loan be made, and the Collingsworth group gave notice of appeal.

After the Water Development Board gave its approval to the loan, Spillman said the Wellington group is prepared to drop its appeal upon an agreement's being reached.

The Collingsworth district has 120 days in which to file its appeal to the decision of the Water Board, and no money will be loaned to Greenbelt until the protest is withdrawn or the 120 days has elapsed.

D. S. Herring Dies in Calif.

D. S. Herring, 72, a former Wellington resident, died Feb. 17 in Madera, Calif.

Mr. Herring was employed at the ice plant here, and moved away about 12 years ago.

He was born Feb. 20, 1891.

Surviving are his wife, Ada, and four sons: Sherwood, Raymond and Kenneth Herring of Madera, Calif.; and D. E. Herring of Panhandle. There are 15 grandchildren and 7 great grandchildren.

Parents Club Meets Friday

The Junior High School Parents and Teachers Club will meet Friday, Feb. 28 at 3:45 p.m. in the library of the school.

Mrs. Raymond Neeley, chairman of the group, urges all parents of Junior High students to be present. Officers for next year will be elected and a project discussed.

DOZIER NEWS

By Mrs. Alex Coleman

• Mrs. Alex Coleman was greeted by several of her children Sunday with a birthday dinner. Those attending were Mr. and Mrs. Guy Bell of Amarillo; Mr. and Mrs. Joe Coleman, Mr. and Mrs. Jim Ray and children, Mr. and Mrs. Donald Coleman; and Mr. and Mrs. Richard Bentley and children of Lefors.

• We are sorry to hear of Mrs. Juda Bell being in the hospital at Wellington.

• We also hope for Mrs. Cal Sugg a speedy recovery, as she is our school nurse at Samnorwood school.

• Several from this community are taking hepatitis shots as there are a few cases among the school children.

• Mrs. Alvina Throckmartin is coming home soon from Temple Hospital where she has been taking treatments. She is reported much better.

• Mrs. Flossie Rhinehart of Lubbock visited Mrs. Jim Ray Monday. Flossie was reared in this community and is the daughter of Mr. and Mrs. George Debord.

• Mrs. Alex Coleman spent two weeks with her daughter and family at Clayton, N.M. We could see the mountains in the distance covered with snow. That country must be 10 degrees colder than here. The cattle so many people lost were those shipped in from old Mexico.

• Mr. and Mrs. Frank Massey had as their guests Mr. and Mrs. Leo Massey and Bobby, Mr. and Mrs. James Massey of Lubbock, and Mr. and Mrs. Iuan Turner of Amarillo.

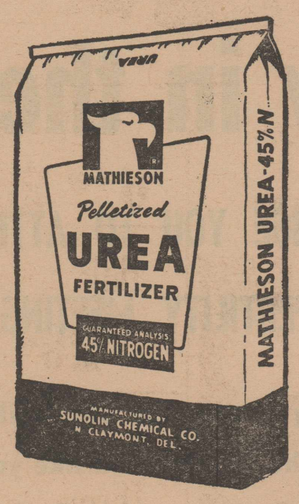

• Mr. and Mrs. Charles Shields and Keith visited his grandmother and parents, Mrs. Jennie Shields, Mrs. C. H. Caperton and Mr. and Mrs. Worth Shields and Mary.

• The Massey family also visited her parents, Mr. and Mrs. C. L. Darrow in Shamrock.

WATER PURIFIES

Pond water can be automatically purified as it is pumped from the reservoir. One quart of the proper chlorine solution from a hypo-chlorinator will purify 1,000 gallons of water.

FERTILIZER

Is the Big Word in Collingsworth Farming

The information we get now on fertilizers and their proper use, for both dry land and irrigated farming, will pay off this year when your cotton, milo, and wheat is harvested.

We urge you to get specific information. Learn about Soil Testing, on application of fertilizer and the rate at which it should be put down. All this is necessary if you are to get the most out of your fertilizer dollar.

ATTEND THE SOIL FERTILITY MEETING TUESDAY, MARCH 3

Anhydrous Liquid or Dry

OLIN FERTILIZER

Follow up this meeting with a visit to Warrick Feed Store, and let us discuss with you the merits of OLIN FERTILIZERS — the dependable brand that in the last few years have helped so many farmers increase amazingly their cotton, wheat and milo yields. It can do the same for YOU!

Guar, Already Tested Here, May Become a Money Crop

In its search for new crops as a source of cash income, Collingsworth may take another look at guar, tried here 10 years ago and found to be adaptable, and grown locally as a money crop and soil builder to a greater or smaller degree ever since.

It is one of several crops that should be considered carefully and it is probable that more than one of them will be needed to fit in the county's farm economy.

Several factors pinpoint the growing importance of guar.

In addition to the regular marketing chanels by which a grower may dispose of his beans, a new market has appeared through the Farm Bureau Marketing Association—a nation wide organization which has entered into a contract with buyers on the European market. The local Farm Bureau will have more to say about this later.

The demand for guar is growing. Each year it goes into more products.

And here is the clincher: In only a few places in the world can guar be grown successfully and in quantities for commercial use. Collingsworth county and the area immediately surrounding is one of those places! Other areas where it can be grown are Pakistan, India and Turkey. These are the only places that have the type of soil, climate and growing conditions favorable to the plant.

According to information already received here, in order to serve the European guar bean maket, based at Rotterdam, Holland, not less than 20,000 to 40,000 acres will be required to be planted in the Northwest Texas and Southern Oklahoma area.

This is in addition to the beans required in the usual channels of trade, which has so ably cared for the market through the years.

Several developments have brightened the castor bean picture since Collingsworth experimented with them. New varieties have eliminated the infamous "black beans." And it was experiment and experience in Collingsworth on the part of a few men, banks and farm agencies that put guar on the market as one of the finest high protein stock feeds.

It's value as a soil builder was long ago proved.

Transportation is no problem. Texas agricultural products are sold all over the world and Texas uses products from over the world.

There is no limit to the amount of guar a man can raise. Harvesting problems that bugged early growers here have been largely eliminated.

Guar is one of those crops at which Collingsworth should take a good look.

CROSSROADS REPORT

Dear Editor:

I see where a Congressman the other day tried to get a law passed that a citizen can't vote any more after he is dead.

But, of course, wiser House members voted down this anti-civil rights proposal to take away a body's right to vote just because he has finally foiled the tax collectors.

Seems possible that some legislators also may have disfavored this law because of not wishing to disfranchise good voters who had bothered to rise on election day and help elect them to office.

—

Some big magazine writer, who is probably famous, is worrying about whether common type people can handle all of the leisure that automation is fixing to afflict us with.

He seems mighty afraid that Americans have got so addicted to work that we will go all to pieces when the machines make us unnecessary.

But my very retired neighbor says kicking the work habit didn't bother him at all, and any machine is welcome to his job, as long as there is another machine set up to write him a check every month.

—

I see where a politician who seems careless about votes is saying some people on welfare wouldn't work if they had a job.

Of course, there have always been folks who thought the world owed them a living, but they used to think they had to collect it, instead of getting it handed to them by the postman.

But my public thorn neighbor says he won't quibble about whether it is society's duty to wet nurse him, just so long as it does so.

—

I see where there is considerable noble talk about how it is the obligation of the U.S. to assume world leadership.

Of course, some of the people that we think it's our duty to assume leadership of, well, they seem a little contrary and are not assuming followship very fast.

My self-drafted civic leader neighbor says it's sure a silly feeling to assume leadership, and then when you look around, everybody is going off in some other direction.

—

The Alamo Cenotaph, located in front of the Alamo, was erected in 1939 by the U. S. Texas Centennial Commission.

Mrs. Back Has Book Published

Mrs. Vera Featherston Back of McLean, a former teacher in the county schools, has recently published a new book, "Feathers," telling the story of her pioneer family.

Mrs. Back taught in the Enterprise school prior to World War II. Never bound by the convention of teaching methods, Mrs. Back frequently took her entire student body on field trips where classes were held alongside a creek or a neighboring town — but classwork was never neglected.

"Feathers" tells of the stresses and strains, but also the light and humor, of the high-spirited Baxter Featherston family.

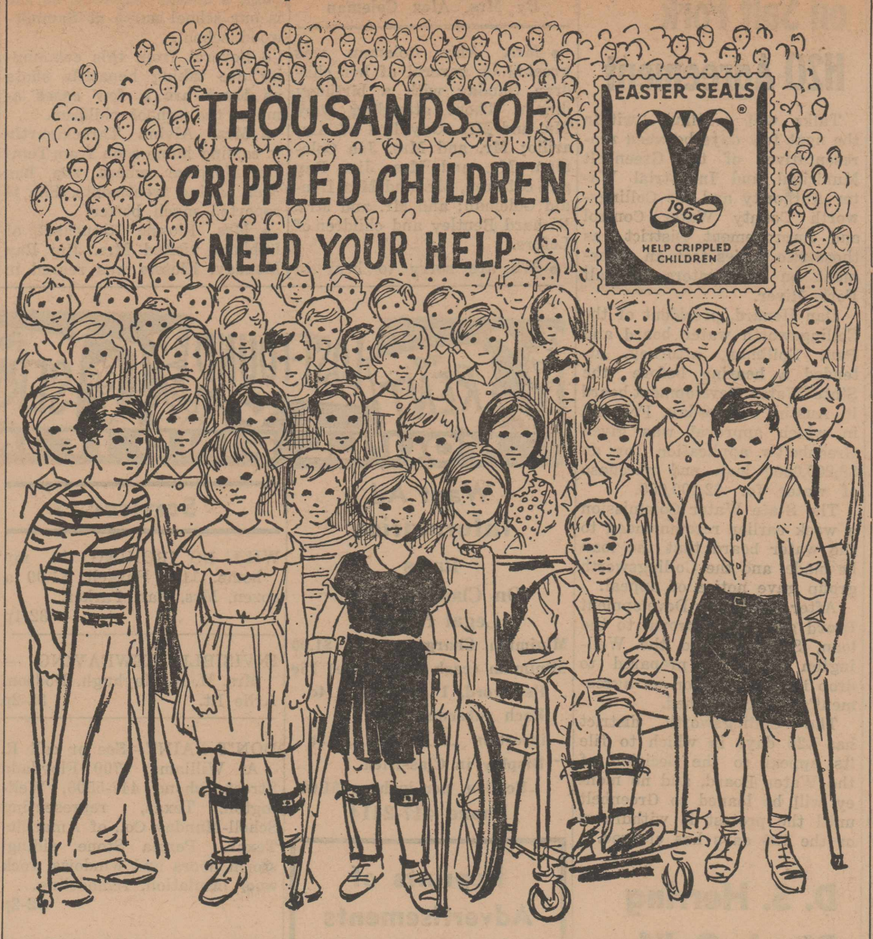

Mrs. Back is a long-time resident of McLean and teaches in the school there. She has a degree from Hardin-Simmons University, Abilene, did graduate work at West Texas State University and the Colorado State University.

Club Plans Game Tourney

The Dodson Civic Club will sponsor a game tournament and box supper at the Dodson School gymnasium Thursday night, Feb. 27 at 7 p.m.

The public is invited and tickets may be purchased from club members or at the door.

Free Request Cards at Tax Office

Sparkling New Highway Map Texas Now Ready for Tourists

Free copies of the 1964 Official Highway Travel Map of Texas may be obtained by writing the Texas Highway Department, Travel and Information Division, Austin, Texas 78703. Each county tax office supplies free postcards with which maps may be ordered. Copies also are available at each of the seven Tourist Bureaus located on key highways entering the state, and at all of the 25 Highway Department district offices.

AUSTIN.—A sparkling new extension of the theme "Texas: America's Fun-Tier", is now rolling off multi-color presses by tens of thousands as the 1964 Official Highway Travel Map of Texas becomes available to native motorists and to Lone Star enthusiasts from Seattle to Siam.

The Texas Highway Department estimates that three-quarters of a million copies, and perhaps more, will be distributed during the coming months to almost every manner of individual and institution.

An elementary class in Brooklyn may write for a map in conjunction wth a study project; an Indian maharaja may request one prior to a visit; Communist espionage agents may even steal a few, though the maps are free for the asking to anyone, anywhere.

Every line, symbol and figure on Texas' 1964 Official Highway Travel Map has been newly calculated, plotted and enscribed, and every effort has been directed toward making the map more legible and easier for the average motorist to use. Type faces are bolder, colors have been selected for maximum brilliance, and the national system of highway symbols has been followed in almost all instances.

Another innovation to make the new map more legible is the deletion of almost 7,000 miles of Farm to Market roads. Because of the increasing complexity of the Texas highway system, a map attempting to portray every mile of rural road would be impossibly crowded at the scale on which the Texas map must be printed.

Farm to Market roads which do not serve as links between regular highways are not included on the new map, nor are those which do not join two or more communities.

Communities with population of less than 250 are not shown. Farm and Ranch to Market Roads which do serve as connecting links are shown on the map.

The 1964 Texas Travel Map will show a brand new route bearing the distinctive Ranch Road No. "1'. Located ni Gillespie county, the newly designated Ranch Road No. 1 is a four-mile loop bordering the Pedernales Rives and connecting the ranch home of President Lyndon B. Johnson with U.S. 290.

Progress on the Interstate Highway system in Texas is seen at a glance, and other 4-lane super highways are clearly depicted. Such divided highways now number more than 3,100 miles in the state, with 650 additional multi-lane miles presently under construction.

The map shows 860 Safety Rest Areas, and 1,780 cities and towns.

Texas' 12 major cities with populations above 100,000 are each illustrated by map insets which chart the main thoroughfares and through routes. On the map's back, 20 full color photographs display tantalizing Texas scenes, and there is a message of greeting from Texas Governor John Connally.

Nevada means snow covered.

BACKACHE & NERVE TENSION
SECONDARY TO KIDNEY IRRITATION
After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondarily, you may lose sleep and suffer from Headaches, Backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at druggists. Feel better fast.

Hall County Singing Set

The Hall County Singers will hold their monthly singing Sunday, March 1 in the Victory Sunday School class room of the Memphis Methodist Church at 2 p.m.

Visitors are expected from Amarillo and the surrounding area. Mrs. J. F. McIntush, secretary, invites everyone to come and enjoy the fellowship as well as the singing.

Capt. Ronald Amudsen located the magnetic north pole in 1906.

Now is the time to buy your FERTILIZERS

WE HAVE
All kinds of FERTILIZERS
Liquid — Dry — Anhydrous Ammonia
Applicators for Lease
Get our prices before you buy!

Fertilizers can mean the difference between good profit and loss in your 1964 operations. But you need to know more than that. You need to know what fertilizer your land needs, the rate the fertilizer should be put down and the placement. Cook Grain will help you work out all this.

ATTEND THE SOIL FERTILITY MEETING
Tuesday, March 3 — 2:00 p. m.
District Court Room

Here's where you get the facts about soil tests, fertilizers and irrigation. BE THERE.

Cook Grain Co.
FERTILIZER DIVISION
Phone 447-2666

Fertility in our Soil Is Money in the Bank

WE URGE YOU TO ATTEND THE SOIL FERTILITY MEETING MARCH 3

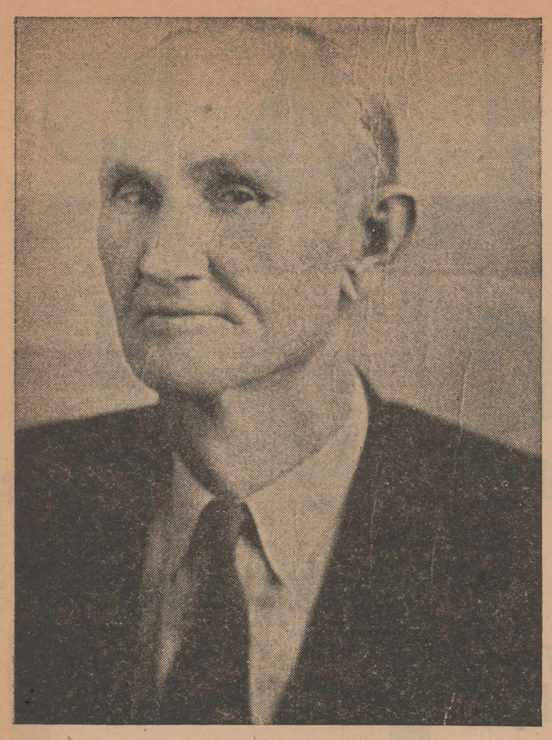

Adding fertility to the soil is creating greater wealth for the county. And like your bank account, soil fertility can be increased or depleted.

Soil fertility, like your bank account, is maintained by know-how and skills. Just as you increase your knowledge of your business or your job, you can learn the techniques of adding soil fertility. You make a capital investment for tools or equipment, just as you make a capital investment of fertilizer to increase the profit of your farming.

This bank is based on the land resources of Collingsworth. Let us help you with your plans to build soil fertility of your farm.

Still at Work

Aldridge Observes 90th Birthday Feb. 14

W. D. Aldridge, retired farmer and former county tax assessor-collector observed his 90th birthday quietly on Friday, Feb. 14, when five of his children were here to be with him.

These were W. K. Aldridge of Santa Fe, N.M.; W. D. Aldridge Jr. of Placerville, Calif.; Jewel Aldridge of Hobbs, N. M.; the Rev. Ray Aldridge of Okema, Okla.; and Mrs. Pete Harris of Dumas.

A native of Arkansas, Mr. Aldridge came to Wellington in 1919. He farmed for a number of years and was elected tax assessor in 1933. He served until 1938. He returned to farming after he left public office.

But his retirement from this work did not prevent him from using his ability to make things grow, and he cared for the St. Joseph's Hospital grounds for some years.

Even last summer he helped friends in caring for their yards, and he says he intends to continue working.

Others besides the children who joined Mr. and Mrs. Aldridge in observing his birthday were Mr. and Mrs. Leon Nachlinger and family of Pampa, Mr. and Mrs. Garlan Rogers of Canadian, Pete Harris of Dumas, Mrs. Ray Aldridge of Okema, Mrs. J. B. Morgan of Dallas, and Miss Aundrea Aldridge of Dallas.

Charles Welch, who is teaching at Richland Hills in Fort Worth, spent the week end here with his parents, Mr. and Mrs. Bernice Welch.

5 Locations North Part of County

Staking of five new locations sparked oil and gas field drilling activities recently, with six sites filed with the Pampa office of the Texas Railroad Commission.

These locations include:

El Dorado Oil and Gas No. 2 Bell—330 feet from the north line and 330 feet from the west line of section 6, block 13, located 20 miles north and 5 east of Wellington.

El Dorado Oil and Gas No. 1 Laycock—1650 feet from the south line and 330 feet from the east line of section 15, in block 13, located 21 miles north and six east of Wellington, proposed depth 2350 feet.

Katex Oil Co. No. 12 Bell—330 feet from the south line and 990 feet from the west line of section 16, block 13, located 21 miles north and 7 east of Wellington. Proposed depth 2,300 feet.

Katex Oil Co. No. 13 Bell—990 feet from the south line and 330 feet from the west line of section 16, block 13. Proposed depth 2,300 feet.

El Dorado Oil and Gas No. 2 Laycock—330 feet from the south and 990 feet from the west lines of section 15, block 13, proposed depth 2250.

Plugged well: Barker and Montgomery No. 1 C. B. Lutes, section 73, block 12.

Mr. and Mrs. Danny Ammons, former residents who have been living in Amarillo, returned to Wellington last week to make their home. Mr. Ammons is now employed at Steve Owens Supply.

Miss Celia Ray Anderson, student in Texas Technological College at Lubbock spent the past week end with her sister, Mr. and Mrs. Jack Kopp and children.

NEWS OF MEN IN SERVICE

Jerry Manuel

* * *

Pfc. Jerry R. Manuel is stationel at Camp Perry, Va., as a member of a military police unit.

Pfc. Manuel, son of Mr. and Mrs. M. H. Manuel, took his basic training at Ft. Leonard Wood, Mo., and attended the military police school at Ft. Gordon, Ga.

He has been in service two years and has one more year on his enlistment.

His wife is the former La-Quinta Hollingsworth, daughter of Mr. and Mrs. Sam Hollingsworth.

CORPUS CHRISTI.—Tommy C. Pendergrass, aviation machinist's mate airman, USN, son of Mr. and Mrs. A. C. Pendergrass of Wellington, reported Feb. 2 for duty with Training Squadron 31 at the Naval Air Station, Corpus Christi.

The squadron, which utilizes the Grumman "Tracker' multi-' engine aircraft, has the assigned responsibility of training student naval aviators in the multi-engine type aircraft.

Pendergrass, who entered the service in June 1963, attended Wellington high school.

Miss Jamie Ross of the Ross Ranch near Quail joined a group of friends from Clarendon for a week end in Houston, where they attended the Fat Stock Show and visited with friends.

Week end guests in the home of Mr. and Mrs. O. B. Raburn and Miss Virda Raburn were their son and nephew, Mr. and Mrs. O. B. Raburn Jr. and children, Rocky, Ginger, and Chucky, and Miss Janet McCoy of Andrews.

Shirley Horton in Auditions

Shirley Horton, a member of The Quail FHA Choir, auditioned Saturday, Feb. 22 with other Future Homemakers in the first step toward membership in the National FHA Choir.

The auditions were held at West Texas State University, for girls in the northern half of Area I, and Shirley ranked first among the contestants.

She and two others will compete with girls from the southern half of the district at Wayland College, Plainview, March 7.

Patricia Kimbro, Shirley's accompanist, will also audition at Plainview for a place as national FHA pianist.

Accompanying the girls to Canyon Saturday were Mrs. Lowell Wells, choir director, and Mrs. Monty Mitchell, the homemaking instructor.

MARRIAGE LICENSES

James Wendell Stagall, 17, and Miss Lola Jean Wilson, 17, of Harmon county, Okla., Feb. 14.

Richard Dean Oldaker, 18, and Miss Dena Marlene Perdue, 16, Oklahoma county, Okla., Feb. 14.

Maes Wendell Stegall, 17, and Miss Lola Jean Wilson, 17, of Harmon county, Okla., Feb. 14.

Richard Dean Oldaker, 17, and Miss Donna Marlene Perdue, 16, of Oklahoma county, Okla., Feb. 14.

Jimmy Andrew Edwards, 20, and Miss Georgia Sue Ivy, 17, of Roger Mills county, Okla., Feb. 17.

With Appreciation, I Want to Say

Thank You Friends!

In leaving the office of county tax assessor-collector February 29, I want you to know I am grateful for the splendid cooperation you have given me while I served you. It not only made my work easier, but it was heart-warming and encouraging.

I know the finest people in the world live in Collingsworth County, and the hardest part of leaving this office is going away from the the many friends I have made.

Will each of you accept this as a personal message of thanks and good wishes for the future.

ATTEND THE SOIL FERTILITY MEETING TUESDAY, MARCH 3 AT 2:00 P. M. IN THE DISTRICT COURT ROOM

Get The Most Out of Your
Fertilizer Dollar

We have had excellent results in Collingsworth County from fertilizer used. In the last 5 years we have proved we can raise the net income on dry land cotton from $20 to $50 per acre above present profits.

This means fertilizer is more important than it has ever been in our farming economy.

OLIN FERTILIZER will do the job for you. They are proved for this area. As your dealer, we can give you the fertilizer that the soil test shows your land needs. No elements are wasted. None are missing. Let OLIN FERTILIZER make more money for you.

First in 16 Years

Quails Win 9-C Crown from Groom in Playoff

The Quail Quails won their first district championship in 16 years by defeating the Groom Tigers by one point, 50-49, in a play-off game at Lefors Saturday night, Feb. 22.

The Quails were the round robin winner but the Groom boys won the district tournament, therefore the teams ended regular play in a tie and this made the play-off game necessary. The two teams met three times in the past week, with the Quails taking two of the three. Earlier the Quails defeated Groom 52-49 at Quail.

First Game

This game was played at Groom Tuesday night, Feb. 18 and was the last game of regular round robin play. Going into the game the Quais were leading the race by half game over Hedley and Samnorwood and one game over Groom.

Groom was undefeated on their home court and a win for them would throw the race into a four-way tie.

The Quails settled all this by taking the Tigers by the score of 78-73 in a real offensive battle. Groom's 6-4 guard Dale Morris ripped the nets for 27 points followed by Joe Harris' 17 and Bruce Ward's 12 points. The Quails' two senior starters, Robert Russell and Carrol Kennedy each sank 9 points and did a magnificent job rebounding against the much taller Groom boys.

The Quails' sixth man, Smokey Mitchell, did a splendid job as he entered the game in the fourth quarter and sank four very valuable points to insure the Quail victory.

By quarters:

Quail	19	40	59	78
Groom	15	40	57	73

Second Game

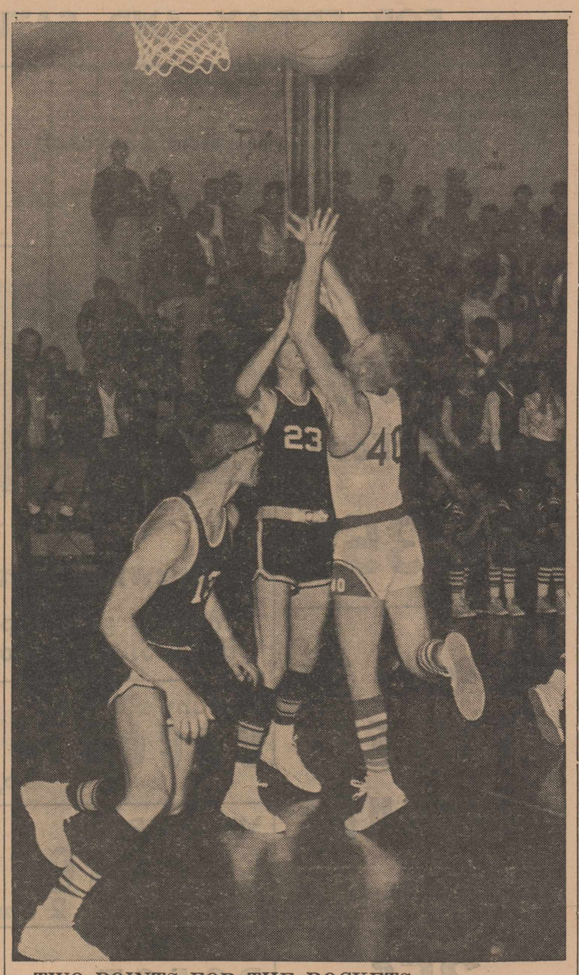

This game was played Thursday night. Feb. 20 in Clarendon in the first round of the district tournament. The Quails were seated first after winning the round robin and Groom was fourth. Hedley beat Samnorwood in the other game.

The Quails played a very fine game but were unable to put the ball in the basket as many times as Groom, and the Tigers won the game 68-60.

Jerry Roberts scored 31 for Groom and Bruce Ward made 19 and Dale Morris 18 to lead Quail. Groom came back the next night and beat Hedley 54-53 to win the district tournament.

By quarters:

Quail	14	26	39	60
Groom	15	32	48	68

TWO POINTS FOR THE ROCKETS

This toss from Roger Weems was caught in mid-air, but it added two points to the Rockets district championship victory-game with McLean Friday night, Feb. 14. Guarding his is the Tiger's Derrith Welch, with George Green in the foreground.
—Photo by Jerry's Studio

Third Game

This was the championship game and was played at Lefors Saturday night, Feb. 22. It was a real defensive battle as compared to the two previous offensive battles.

The Groom boys quickly took the lead and were leading 7-1 after the first two minutes. The Quails cut the margin to 4 points at the end of the first period.

The Quails actually won this game in the second quarter as they outscored Groom 14 to 4 in this period and were leading the Tigers by 6 points at halftime.

Right after the half, things looked very favorable for the Quail crew as the boys widened the margin to 9 points midway in the third quarter. However a cold spell hit and Groom got hot and scored 10 straight points to take a 1 point lead going into the fourth period.

The Quails simply would not be denied as they again moved ahead and were leading by 5 points with a minute to go.

Groom put on the full court press and managed two quick baskets to cut the margin to 1 point, but the time ran out and the Quails took the game 50-49 to win their first district championship in 16 years.

Again the big boy, Jerry Roberts was the game's leading scorer with 32 points. Dale Morris scored 25 to lead Quail.

All five of Quail's starters played the entire game and each did a splendid job, especially on defense.

By quarters:

Quail	11	25	32	50
Groom	15	19	33	49

Ether was first used as a painkiller before an operation in 1842.

Miss Wellington Contest Slated for March 7

The annual Miss Wellington contest has been set for Saturday night, March 7, under the sponsorship of the Wellington senior class.

The contest will be handled as in the past. Merchants will sponsor entrants, and around 70 WHS girls are expected to participate.

Class sponsors working with the girls are Louis Graham. Don Beck and Ralph Word.

Lunchroom Menu

Monday, March 2: Coney Island with chili, cole slaw, whipped potatoes, peanut butter cookies, prune plums, half pint milk or chocolate milk.

Tuesday, March 3: Chicken fried steak with cream gravy, seasoned green beans, chef's salad, hot rolls and butter, peach crisp, half pint milk or chocolate milk.

Wednesday, March 4: Ground beef and spaghetti, buttered broccoli, carrot, raisin and cocoanut salad, cornbread squares, cherry cobbler, half pint milk or chocolate milk.

Thursday, March 5: Fried chicken with cream gravy, whipped potatoes, buttered green peas, rolled wheat rolls, with butter and honey, cranberry salad, half pint milk or chocolate milk.

Friday, March 6: Beef-vegetable soup and crackers, cheese toast, waldorf salad, brownies and ice cream, half pint milk or chocolate milk.

Mrs. Rose Couch Burgan

* * *

Rose Burgan Dies at Tyler

Mrs. Rose Couch Burgan, 63, a long-time teacher in the Wellington schools, died Tuesday, Feb. 18 after a long illness.

Reared here, she was the daughter of the late Mr. and Mrs. O. L. Couch. She attended the Wellington schools before entering college.

She lived in Tyler 25 years and was active as a teacher until retiring in January of this year. She was a member of the Eastern Star and the First Baptist Church.

Funeral services were conducted Wednesday, Feb. 19 at the Burks-Walker-Tippit Chapel with Dr. W. M. Shamburger, pastor of First Baptist Church, Tyler, officiating. Burial was in Rose Hill Cemetery.

Surviving Mrs. Burgan are a son, Joe M. Burgan of Tyler; two brothers and three sisters: Orval Couch of Homer, La.; Harry Couch of Childress; Mrs. Grace Wilkins of Corpus Christi; and Mrs. Hester Stall of Tyler. There are three grandchildren.

Mr. and Mrs. Jimmie Heneger and daughter, Karen, of Tyler spent the week end with her parents, Mr. and Mrs. Frank Anderson.

Mike Rainey, son of Mr. and Mrs. John Rainey, left this past week end for Dallas, where he will work for the Statler-Hilton Hotel in the catering and service department.

A&M Gives Nuclear Engineering Ph.D.

827 degrees were conferred at spring commencement, including a Ph.D. in nuclear engineering, the first doctorate in this field granted in Texas.

A total of 12 Doctor of Philosophy degrees, 75 Master's degrees, 51 Doctor of Veterinary Medicine degrees, and 689 Bachelor's degrees were earned.

Commissions went to 158: 101 in the U.S. Army, 51 in the U.S. Air Force, and 6 in the Marine Corps.

Third Game Will Not Be Played

Rockettes Win District Over Clarendon Girls

The last shot of the game gave the Rockettes victory over the Clarendon Bronchoettes on Friday night, Feb. 21 and the second victory Monday night, Feb. 24, was cinched by four points, to give the Wellington girls the District 2-A basketball championship.

The first of the slated three game play-off was played on the neutral Lefors court; the second, at Clarendon. With this the Rockettes won their first victory on the Clarendon court under the coaching of James Stavenhagen.

The third game, necessary only if the first two were split, will not be played, and the Rockettes go directly into bi-district play-off with Gruver, Tuesday, March 3.

Wellington won the first game 43-42 and the second 55 to 51.

First Game

The last-shot victory at Lefors came when Jane Orr put the Rockettes one point ahead with a jump shot from near the free-throw line, with 8 seconds left in an overtime period.

Clarendon controlled the tip to open the period and worked the ball around trying to get a good shot. A mistake lost them the ball on out of bounds.

Wellington took the ball and moved it on to the forwards' end of the court, where Joyce Holton was fouled. She made the first of a one and one free throw, but missed the second.

Clarendon controlled the ball, moving it to their forwards end and scored with 35 seconds remaining in the overtime period. This put them one point ahead.

The Rockettes moved the ball down-floor, Joyce drove to the base line and passed the ball inside to Betty Courtney. Betty was covered and passed out to Jane Orr, who took the shot that won the game.

Jane was high scorer for Wellington with 17 points, and Dorothy Richey had 21 for Clarendon.

The score by quarters:

Wellington	7	18	31	40 43
Clarendon	6	13	23	40 42

Second Game

"The Rockettes were really in the right frame of mind to play a good ball game," Coach James Stavenhagen declared.

Because the lighting of the new Clarendon gym is of a different type and also brighter than that of the Rockettes' home court, they spent about two hours on the Broncoette court before game time getting adjusted.

This was a close game all the way, with Wellington scoring the first two points on a drive-in lay-up by Joyce Holton.

Wellington maintained the lead during most of the first period as the guards did an outstanding job of holding the Clarendon forwards to two field goals.

The Broncoettes were able to make 8 free throws, however, and had a 12-10 lead at the end of the first period. This lead see-sawed back and forth during the second and at half time the score was tied 26-26.

Early in the third, Clarendon took a 5-point lead. Wellington, however, was able to regain the lead and was ahead 37-35 at the end of the period.

Both teams seemed to get hot in the last quarter, and had to shoot the ball more. Wellington had the lead by a narrow margin the entire time.

With 50 seconds on the clock Clarendon made two free throws to pull within two points of Wellington and it was still anybody's game. The Rockette guards ably got the ball downcourt and the forwards stalled the ball until the 8-second point when Betty Courtney made a field goal to give Wellington a comfortable 4-point lead.

Betty was high scorer with 40 points, and again Dorothy Richey was the Broncoettes' high scorer with 36.

The game by quarters:

Wellington	10	26	37	55
Clarendon	12	26	35	51

Rockets Led in Field Goals

Bi-District Title Goes to Sanford-Fritch 68-55

A rally in the closing minutes of play was not enough and the bi-district basketball crown slipped from the Skyrockets' hands as the Sanford-Fritch Eagles took the championship game 68-55 Tuesday night, Feb. 25, in the Amarillo College gymnasium.

The Rockets made no excuse for the loss, but experienced sports eye detected a tenseness attributed to their youth, and an inability to put a mistake behind them once it was made.

At times the District 2-A champions played a brand of ball that matched any in their class in the state, but failure to maintain this proved costly.

Coach James Stavenhagen was pleased with his boys, however, and praised the performance they turned in.

As to field goals, the Rockets led 22-21, but they were able to hit only 11 of their 23 free shots, compared to 26-34 for the winners. It was not until late in the game that the Rockets were able to hit their free-throw stride.

The Eagles took an early 11-4 lead, then Wellington narrowed it to 12-10, but Sanford-Fritch led 18-12 at the end of the quarter.

The margin was 39-27 at the half. and when Jerry Watkins of the Eagles fouled off, as did Wade Crook, that team's 6-7 forward. At this point the Rockets trailed only 7 points.

That was the finish of Wellington as Whaley hit two free throws, Bill Stevens added a jump shot, Holley turned in a three-point play, Whaley canned another free toss and Jimmy Spencer hit a lay-up. That made it 51-33 and Wellington never really recovered although it did pull within 10 points of the Eagles twice in the fourth stanza.

Holley, though playing much of the last half with a game leg, scored 25 to pace the Eagles, while Whaley added 14. For Wellington Ronnie Hurst scored 18 and Roger Weems 12.

Sanford-Fritch carries a 26-5 record to the regional meet while Wellington wound up with a 24-7 mark.

Sanford-Fritch, coached by Aubrey Spear, a Wellington high school graduate, will meet the district 8-A champion Eldorado in the Region 1-A tournament at Lubbock Saturday.

Welding

—from page one

3, 4 and 5. During the dates the short course is in progress, Barton will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Dwyer.

Farmers interested in attending the short course should write or call the superintendent of schools. Cunningham, or the vocational ag teacher, Dwyer. An entry fee of $5.00 will be charged. Farm Welding Short Course Certificates will be presented to each enrollee who attends all the training sessions.

Barton states that the short course will be adjusted to the wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operation in running a bead and striking an arc, types of electrodes, preparation of joints, distortion, cutting, hardsurfacing, and pipe welding.

"Short courses in welding, as well as in other areas, are now available to farmers throughout the state under the new co-operative program between the Texas Education Agency and Texas A&M College," stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M, who coordinates the programs.

"This cooperative program," says Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of the public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialists are available in the fields of beef cattle, insect control, farm management, farm electrification, farm welding, swine production, tractor maintenance, dairy cattle, oxy-acetylene welding, and pasture.

Jack Aaron and Billy Moseley are in charge of securing workers for the business section of Wellington.

Others who will help but not yet assigned are Mrs. Truman Estes, Mrs. Barney Glenn, Mrs. Lloyd Wooldridge, Mrs. Millard Brown, Mrs. Jimmie Strickland, Mrs. Loren Thompson, Mrs. Earl Hunter, Mrs. John Bevers, and Mrs. Skeet Clark.

Wells

—from page one

many ways in which he helped them. For all this he did not want nor seek credit.

Mr. Wells was born Aug. 14, 1900 in Bryson, Jack county, That same year his parents brought him to Collingsworth county, where his father was an early day merchant and banker.

Active in civic affairs, Mr. Wells was a charter member of the Rotary Club and was president in 1944 and 1945. He was a member of the Methodist Church, the Masonic Lodge, the Kiva Shrine, and the American Legion.

He was married to Miss Rose Prater Sept. 28, 1924.

Funeral services for Mr. Wells were conducted at First Methodist Church Tuesday at 3 p.m. with the Rev. Davis Edens officiating.

Burial was in the West Wellington cemetery under the direction of Kelso Funeral Home.

Pallbearers were Jimmy Cochran, Jones Singley, John D. Glenn, Clyde Drake, Sandy Parsons Jr., Dan Henard, L. C. Hill and Bura Handley.

Mr. Wells is survived by his wife and two daughters, Mrs. Jack Cartwright of Lubbock, and Mrs. Bliss Alexander of Dallas; a brother, Marshall Wells of Houston; and a sister, Mrs. Roy Horn of Wellington.

There are six grandchildren: Cynthia, Karen, Claire and Wade Cartwright, and Roxanne and Kimberly Alexander.

Wests Open Pak-A-Bag Gro.

The opening of Pak-a-Bag Grocery was announced this week by the owners, Oris and Laverne West.

"We have remodeled our grocery store on 15th street and will operate it under a new name," the couple announced.

A more complete stock of staple groceries will be handled than in the past, as well as all kinds of packaged meats, vegetables, frozen foods, milk and bread.

The only department that is discontinued is the fresh meat counter.

The store will be completely self-service, and it will operate more hours to serve the customers.

"We cordially invite you to visit us in our new and remodeled business," the owners declared.

Bounds With Owens & Scott

Roy Bounds, veteran grocery store employee, has joined the staff of Owens and Scott Grocery in the checking department, George Scott announced this week.

"We know of no one with more experience in grocery work that we could have secured," Scott said.

Bounds has had experience in all departments of grocery store operation.

4-H Exhibits at Angelo Show

Collingsworth County 4-H members will exhibit calves at the San Angelo Fat Stock Show to be held March 4 through 8.

Brenda Childers of Quail and Leigh and Ricky Nall of Wellington will leave for San Angelo with their Hereford calves Tuesday, March 3.

The calves will be weighed and sifted Wednesday, judged on Friday and sold on Saturday.

Dodson Man Charged in Wife's Death

Charges of murder with malice aforethought were lodged against Erasmo Gonzales Jr., 19, of Dodson, in connection with the death of his wife, Mary, also 19, Thursday, Feb. 20.

Sheriff John Rainey said the woman died at 1 p.m. in St. Joseph's Hospital after being stabbed about 8:30 a.m. at the barracks housing across the street from the Dodson Co-op Enterprises, where the couple and their small baby lived.

Gonzales was brought before Claude McKinney, justice of the peace, Friday morning. He waived an examining trial and bond was denied.

According to Sheriff Rainey, Gonzales told him their baby woke up crying and he told his wife to get up and take care of it. She did, then went back to bed, but the baby continued crying.

Rainey said the man told him an argument started, Mrs. Gonzales scratched her husband and he grabbed a butcher knife and stabbed her "about six times" in the back, chest and side.

Gonzales' mother went across the street and asked Ed Crowder of the Dodson co-op to call officers, the sheriff continued.

Sheriff Rainey said his office handled Gonzales in November on a wife-beating complaint. Assault charges were filed and the man fined, the sheriff continued.

The couple, with other members of his family, came here last fall and planned to stay, Sheriff Rainey was told.

Mrs. Gonzales' body was sent to New Braunfels by Kelso Funeral Home, and funeral services were conducted there Monday.

She is survived by her husband and baby; her parents, Mr. and Mrs. John Rodriguez, and several brothers and sisters.

Merritt James Suffers Stroke

Merritt L. James, retired grocer and farmer. suffered a light stroke Monday morning at his home. He was hospitalized and late in the afternoon was stricken wtih another severe stroke.

Mrs. Bob Barton, Mr. James' daughter, reported Wednesday morning that his condition was some improved.
