TEN CENTS

NUMBER 18

684 Votes Cast In ASC Election

One of the largest votes ever cast in an ASC Community Committee election in Hall County, 684, was recorded in the one which was held by mail and ended Sept. 14.

"This is a desirable situation. It shows that the producers have a real interest in the farm program and the public spirited men in the communities who administer the ASC programs for them," Lynn McKown, ASCS office manager, explained.

The County Convention will be held in the ASCS office, Memphis, at 2 p. m. on Friday, Sept. 29, at which time the elected chairmen of all community committees

will meet as delegates for their respective communities to elect the ASC County Committee for 1962.

The 1962 Community Committees who will take office Oct. 1, 1961 are as follows:

Lesley—J. W. Hatley, Jr., chairman; Joe N. Berry, vice chairman; Thomas U. Hughes, member; Carroll Fowler, first alternate; Mel Roy Cofer, second alternate.

Lakeview—Clyde J. Reed, chairman; Audrey Robertson, vice chairman; Clifton R. "Pat" Lewis, member; Shelby Hight, first alternate; Robert L. Clark, second alternate.

Plaska—James E. Bray, chairman; Cecil R. Whitten, vice chairman; Herbert A. Holt, member; Collins B. Craighead, first alternate; Gene Sasser, second alternate.

Memphis—Roy L. Gresham, chairman; J. Robert Hanvey, Jr., vice chairman; E. L. McQueen, member; Odie C. Stillwell, first alternate; and W. B. "Boyce" Waddill, second alternate.

Estelline—Crump W. Ferrel, chairman; Clinton Richburg, vice chairman; Jerrel B. Rapp, member; Don Leary, first alternate; J. W. Cope, second alternate.

Turkey—James S. Guest, chairman; Lynn C. Davis, vice chairman; Buster Hanna, member; Tink Lane, first alternate; Bobby L. Russell, second alternate.

DR. F. D. GOLDEN

Dr. F. D. Golden Becomes Ill At Davis Home Tues.

Dr. Floyd D. Golden of Amarillo became ill in the home of Dr. and Mrs. W. C. Davis early Tuesday evening, and was rushed to a local hospital.

Dr. Golden, educational consultant of Rittenberry and Rittenberry and Associates, Architects, of Amarillo, was in Memphis Tuesday for a special program before teachers, school board members, PTA members and others who might be interested in education and a better way of life in America.

The program, which was scheduled for 7:30 p. m. Tuesday in the Travis Cafeteria, was called off.

Dr. Golden was released from the hospital Wednesday morning following an examination by the attending physician, Dr. H. R. Stevenson, and will be under the care of his personal physician in Amarillo. Dr. Stevenson stated that Dr. Golden suffered from a

Cotton Festival Date Announced

The dates of Hedley's 10th Annual Cotton Festival have been set for Friday and Saturday, Oct. 13 and 14, it was announced this week.

The Midway and some of the exhibits will be in operation for practically the entire week. The Midway this year will feature rides for both youngsters and grownups, few concessions and no gambling devices.

Quite a few of the old events will be back and several new ones have been added, it was announced. It is hoped to give those present two days and nights of free entertainment. Also added to the Festival this year will be a school on boll weevil control which will be conducted Friday morning. Donley County Agent Flip Breedlove has secured some noted authorities on boll weevil control to conduct the school.

Herlie Moreman and Clifford Johnson, chairman and co-chairman of the Festival, announced that 25 committees have been appointed and have been working about three weeks.

ing during the same time will be Keiglers Korner, located at the Memphis Bowl, David and Bobby Duncan, managers, announced.

Free cokes and Mead's donuts will be served between the hours of 1 and 4 p. m. Saturday, it was stated.

Manager Nabers stated that an

Approximately 2,500 Attend Hall County Picnic Celebration Here

HALL COUNTY PICNIC SCENES—Shown above are two scenes from the City Park where more than 2500 people gathered Sunday for the annual Hall County Picnic and barbecue. The top scene shows the lines forming just before members of the Memphis Fire Department started serving the meal at the noon hour Sunday. Below, old-time friends and neighbors are mingling and talking as they enjoy reunion after absences of months, weeks and sometimes years from their friends.

Democrat's Cotton Guessing Contest Opens Friday Morning

The Fifteenth Annual Cotton Guessing Contest, sponsored each year by The Memphis Democrat,

will open Friday morning, Sept. 22, at 8 a. m. This is the contest in which readers of The Democrat match their wits against the weather and each other in an effort to estimate the amount of cotton Hall County farmers will gin this season.

All readers of The Democrat are eligible to enter the contest. All any person has to do to enter is come by the office of the newspaper and make a prediction. Or, if more convenient, mail a card or letter to The Democrat with the guess listed on it. If a letter or card is written, be sure to include your name and mailing address. No entries will be taken by telephone.

Last day of the contest is Saturday, Oct. 14.

The person who guesses closest to the actual number of bales ginned will win a three-year subscription to The Democrat. Second place winner will receive a two-year subscription, and third place will receive a one-year subscription.

Any reader of this newspaper is invited to enter this contest. It is not restricted to residents of this county or this state. The total number of bales ginned in Hall County will be the figure used to determine the winners.

The Democrat will publish the names of the winners when the final figures are released on the 1961 crop by the U. S. Department of Interior. This report generally arrives the latter part of March each year.

Last year 83,860 acres of cotton was planted in the county. This year's acreage is estimated to be about 98,000 acres. These

figures were secured from the Hall County ASC office.

Top winner in the 1960 Cotton Guessing Contest was Lloyd Ward of Memphis who guessed within seven bales of the official report figures.

Ward's guess was 59,600, and the official report recorded 59,593 bales as Hall County's cotton yield for 1960.

Second place winner was Mrs. H. W. Wolf, Rt. 1, Memphis, who guessed 59,888. Ronald Salmon, Rt. 1, Lakeview, won third place with his guess of 59,991 bales.

During the afternoon numerous impromptu talks were made by pioneer residents and former Hall Countians.

J. Claude Wells paid tribute to Tim Paulsel of Fort Worth, thanking him in behalf of Hall County for his magnanimous donation to the City Park. He also expressed appreciation to the Memphis Fire Department and to Lions Club members for their work in making the picnic tables.

Officers Elected

During the business session, officers were elected for the new year. Roy Coleman, who served as vice president during the past

Program

Informality was the keynote of the program with President Ferrel serving as master-of-ceremonies.

Rev. Richard Avery, pastor of the First Presbyterian Church, offered the invocation and made a short talk in memoriam of those who had passed on during the past year.

During the afternoon numerous impromptu talks were made by pioneer residents and former Hall Countians.

J. Claude Wells paid tribute to Tim Paulsel of Fort Worth, thanking him in behalf of Hall County for his magnanimous donation to the City Park. He also expressed appreciation to the Memphis Fire Department and to Lions Club members for their work in making the picnic tables.

Officers Elected

During the business session, officers were elected for the new year. Roy Coleman, who served as vice president during the past

An estimated 2500 persons, including more than 500 out-of-county residents, attended the annual Hall County Picnic at the City Park Sunday, according to J. M. Ferrel, Jr., retiring president.

"I want to express my thanks to everyone who helped in making the picnic a success," the president said. "I have never worked with an organization where better cooperation was shown not only by the officers, but throughout all the committees. In fact the whole town cooperated in making this a success."

Saturday Evening

Festivities actually started at the park on Saturday when Pete Land and his brothers, Bill and Jiggs Land, moved down to barbecue the four beeves.

All who went by the park on Saturday evening were served barbecued liver and Pizza pies hot from the dutch oven.

Sunday's Activities

Sunday morning preparations were made early for the day's affair and visitors began arriving in town early, many of whom attended church services at local churches and went from there directly to the park.

Under the able direction of the Memphis Fire Department, the barbecued meal was served in fine style. Many declared they had never eaten better barbecue and other food than was enjoyed this year.

An added treat for the guests this year were nice picnic tables at which to be seated while they enjoyed their meal. For the tables was donated shortly after the annual picnic last year by the Tim Paulsel Lumber Company of Fort Worth. Mr. Paulsel is a former Memphis resident and the son-in-law of Mrs. L. M. Thornton.

The tables were made by the Memphis Fire Department with the assistance of the Memphis Lion's Club.

Memphis Bowl Schedules Formal Opening For Saturday, Sept. 23

Formal Opening of the Memphis Bowl will be held at 2 p. m. on Saturday, Sept. 23, in the newly decorated building located at the corner of Main and Sixth streets. Manager K. D. Nabers, announced this week.

A short dedicatory program will begin at 2 p. m., it

was announced. Speakers for the program will include: Mayor H. J. Howell, Chamber of Commerce Manager Clifford Farmer, Dr. H. R. Stevenson, Lions Club president; T. J. Bridges, Rotary Club president, and Mrs. H. J. Howell, B&PW Club president.

Also having their formal open-

ing during the same time will be Keiglers Korner, located at the Memphis Bowl, David and Bobby Duncan, managers, announced.

Free cokes and Mead's donuts will be served between the hours of 1 and 4 p. m. Saturday, it was stated.

Manager Nabers stated that an

exhibition match between Cletus Lebow of Memphis and a TV star bowler from Amarillo will be featured.

"Everybody who comes by Saturday will receive a free gift," Nabers said.

Also, free bowling on the eight

(Continued on Page Eight)

License Law Given On Farm Trailers

Mrs. Melissa Anderson, Hall County Tax Assessor-Collector, stated Wednesday that her office has processed approximately 300 registrations on farm trailers. She stated that they were just getting started.

Concerning the new law, Captain J. L. Miller, License and Weight Service of the Department of Public Safety, announced that the last regular session of the Texas Legislature amended the Texas Motor Vehicle Registration Law to allow farmers to register their farm trailers and farm semitrailers for a \$5.00 fee providing the gross weight is not less than 4,000 or more than 10,000 pounds.

Farm trailers weighing less than 4,000 pounds, gross weight, are still exempt from registration

by statute, Captain Miller said. Those exceeding 10,000 pounds, gross weight, must register as a regular commercial trailer.

Capt. Miller advised, however, that any vehicle bearing the \$5.00 plate must not exceed 30 mph, be operated for hire, have steel or metal wheels in contact with the pavement and it must be equipped with an adequate hitch to remain secured to the towing vehicle and be operated and equipped in conformity with all other provisions of the law.

Violation of any of the above mentioned sections of the law nullifies the \$5.00 registration fee and the trailer will be subject to the regular registration fees and penalties as prescribed by law.

This does not change the exist-

(Continued on Page Eight)

More Than 50 Memphis Students Have Enrolled In College for Fall Semester

More than 50 students from Memphis have enrolled in colleges and universities throughout this state for the fall semester, according to a list compiled this week.

All but five of these students are attending schools in Texas. One is enrolled in Missouri, one in Kansas and three in Oklahoma. The list is as follows:

West Texas State College, Canyon: Carleen Harrison, daughter of Mrs. Ruth Harrison; Garland Moore, son of Mr. and Mrs. Garland Moore, Sr.; Paula Blevins, daughter of Mr. and Mrs. Paul Blevins; Gene Newton, son of Mrs. Bessie Newton; Linda Kay Collins, daughter of Mr. and Mrs. Hal Goodnight; Jan Mitchell, daughter of Mrs. J. R. Mitchell; Lera Kate Hutcherson, daughter of Mr. and Mrs. Ed Hutcherson; Betty Lewis, daughter of Mrs. M. P. Lewis; Jerry Burnett, son of Mr. and Mrs. John L. Burnett; Daryl Long, son of Mr. and Mrs. M. R. Long; and Jimmy Sexton, son of Mrs. S. M. Zeigler.

Texas Tech, Lubbock: Mike Chamberlain, son of Mr. and Mrs. Gene Chamberlain; Larry Craig, son of Mr. and Mrs. H. E. Craig;

Sam Goodnight, son of Mr. and Mrs. Hal Goodnight; Dick Morgan, son of Mr. and Mrs. Hiram Crawford; Ronald Thomson, son of Mr. and Mrs. B. J. Thomson; George Stanley, son of Mrs. D. B. Koen; Gordon Maddox, son of Mr. and Mrs. Gordon Maddox, Sr.; Sandy Smith, son of Mr. and Mrs. Paul Smith; Truman Smith, son of Mr. and Mrs. Brown Smith; and Kay Norman, daughter of Mr. and Mrs. Jack Norman.

Lubbock Christian College: Jeanne Vallance, daughter of Mr. and Mrs. Herman Vallance.

Oklahoma Baptist University, Shawnee, Okla.: Robert Gardner, son of Mrs. Chuck Jones.

Christian College, Columbia, Mo.: Carolyn Montgomery, daughter of Mr. and Mrs. Joe Montgomery.

Abilene Christian College: Drubette Cook, daughter of Mrs. Bray Cook; Alice Young, daughter of Mr. and Mrs. Foy Young; Cecilia Hadaway, daughter of Min. and Mrs. Cecil Hadaway; Dwain Ellerd, son of Mr. and Mrs. Thurman Ellerd.

Clarendon Junior College: Jimmy Winters, son of Mr. and Mrs. Alvin Winters; Joe Bob Brown-

ing, son of Rev. and Mrs. C. H. Browning; Swayne McCauley, son of Mr. and Mrs. John McCauley; Gayle Gilreath, son of Mrs. C. J. Neeley; Jon Coleman, son of Mr. and Mrs. Roy Coleman.

McMurry College: Bobby Lemons and Judy Lemons, daughters of Mr. and Mrs. R. C. Lemons.

Texas University: Reggie Curry, son of Mr. and Mrs. Herbert Curry; John Lemmon, son of Mr. and Mrs. Bud Lemmon; Neal Foxhall, son of Mr. and Mrs. Leslie Foxhall; Roger Crooks, son of Mr. and Mrs. R. E. Crooks; Don Deaver, son of Mr. and Mrs. Temple Deaver, Sr.; Thomas Snowden, son of Mr. and Mrs. C. T. Snowden.

Texas Western, El Paso: Bill Morgan, son of Mr. and Mrs. Hiram Crawford.

Kansas University, Lawrence, Kans.: Dan Durham, son of N. W. Durham.

University of Texas Dental School, Houston: Dickey Craig, son of Mr. and Mrs. H. E. Craig.

Amarillo Junior College: Bobbie Stewart, daughter of Mr. and Mrs. Robert Stewart.

North Texas State College, Denton: Brenda Duncan, daughter of Mr. and Mrs. Robert Duncan.

Southwest State College, Weatherford, Okla.: Carol Glover, daughter of Mr. and Mrs. Per-

ry Glover; Coy West, son of Mr. and Mrs. Lamar West; Doyle McMurry, son of Mr. and Mrs. Holland McMurry.

Texas Woman's University, Denton: Elaine Clayton, daughter of Mr. and Mrs. Thomas Clayton; Virginia Chappell.

Draughon's Business College: Wayne Lesley, son of Mrs. Glena Maddox.

J. M. McKelvey of Lubbock met many friends here Sunday. He was in the retail furniture business here for several years before moving to Lubbock.

Woman's Council Meets Sept. 18 In Fellowship Hall

The Woman's Council of the Christian Church met in the Fellowship Hall at 3 o'clock on Sept. 18 with Mrs. Walter Hicks as hostess.

The meeting was opened by the president, Mrs. Clyde Milam, reading "Flowing Out the Corners." A prayer was given by Mrs.

Grover Kesterson. The group then sang "Send the Light." The leader for the afternoon was Mrs. Harry Aspgren. The topic was on India. Mrs. Kesterson gave the devotional taken from Acts 17:1-9, "Patience of Hope." "Assam Indian Mission Church of Christ" was presented by Mrs. Roberts. Mrs. Everett presented an interesting talk on "The Christ Nagar Institute." The leader then gave "Medical Work at Kulpahor Mission Clinic."

The meeting closed with the missionary benediction. Members present were Mmes.

J. A. Odom, J. W. Stokes, Kesterson, E. E. Roberts, Milam, Aspgren, Stevens, Maddox.

The next meeting will be at 3 o'clock on Oct. 16 at the home of Mrs. Jeff Aduddell.

Mrs. W. A. Thompson of Worth visited Mrs. Sidney and other friends here the weekend. Her husband was a surveyor here for many years.

Mr. and Mrs. Tom Collins Estelle were in Amarillo the weekend on business.

To All Cotton Growers:

If You Plan To Use A
Cotton Stripper
You'll Want To Take Advantage

Of Our Two
Green Leaf
and
Stick Machines
Because You Will Get A
Cleaner Sample

This modern up-to-date gin, equipped with extra equipment such as TWO GREEN LEAF AND STICK MACHINES, proved itself last season. This meant a better grade for every farmer who used a stripper, and helped those who were using field hands. These units are located behind our two bur machines, and they gave our customers a CLEANER SAMPLE. Again this season, these machines will be removing leaves, twigs, sticks and other foreign matter from your cotton, before it goes into the gin stands. This means the gin saws do not have to handle the TRASH—the stands only remove the lint from the seed.

Just ask those who ginned with us last season. They'll tell you about the advantages of ginning at the Memphis Farmers Co-Op Gin.

Remember, too, that this farmer-owned gin represents an investment of approximately \$150,000.00. This means that our customers will receive the best ginning modern science can give—a better grade and longer staple.

WE CAN SUPPLY YOU WITH COTTON TRAILERS!

Come in and get the facts if you need cotton trailers. We have an attractive LEASE-PURCHASE PLAN for our customers, which has many advantages. Or you may buy a good trailer from us outright. Let us explain this to you.

YOUR GIN WILL BUY YOUR COTTON THIS SEASON

By special arrangement, the Memphis Farmers Co-Op Gin will be buying cotton from local growers this year through the Plains Cotton Co-Operative. Each day prices will be posted in our gin office. We will be able to pay you immediately the quoted prices. Check with us about this extra service if you want to sell.

We'll Help You Get Field Hands To Gather Your Crop

Just come in and let us know if you are needing field hands. We will work with you, and will do all in our power to help.

We Are Carrying a Full Stock of Trailer Tires and Tubes. See Us.

Remember: This Is A FARMER-OWNED GIN

By keeping YOUR gin busy during the following months, you will be helping it to have a more profitable operation this season. As you know, all profits from our operation are returned directly to our customers.

More Than 20 College Students Roll In College

More than 20 students from the area are leaving this morning for various colleges and universities throughout the state. The students listed and colleges they will attend are as follows: Williams, Beauty School in Bea Cruz, Nursing School; Braidfoot, A & M College; Laynette, North Texas University; Longbine, Lubbock College; Burl Bumpas, Simmons University; Charles Anderson, Murream College; Kenneth Sweatt, Mike Cope, Bobby Ward and Pepper, West Texas State; Gary Cox, Gary Adams, Wood, Noel Long, Jo Beth Linda Shields, Texas College. Those who will enroll as freshmen will be Carolyn Hoover.

Wanda Mabry, Charles Anderson and Gary Cox.

Murream Ward and Gary Adams will be classified as juniors, while Larry Braidfoot, Mike Cope, Kenneth Sweatt and Archie Mahan will be sophomores.

Freshmen students will include Laynette Seay, Mary Longbine, Burl Bumpas, Bobby Ward, Sandra Wood, James Pepper, Jo Beth Barnes, Noel Long and Linda Shields.

Mrs. Jean Lamb and Mrs. Don Carmen and children, John and Kathy, were in McLean Saturday to attend a birthday party for Miss Regina Lamb, who was celebrating her sixth birthday. Regina is the daughter of Mr. and Mrs. Creed Lamb.

Wayne Lesley, who is attending Draughton's Business College in Amarillo, spent the weekend here with his mother, Mrs. Glena Maddox.

Mr. and Mrs. H. J. Howell and Mr. and Mrs. Sam Hamilton are vacationing in Colorado this week.

From and About People

Mr. and Mrs. J. B. Stevenson of Wellington attended the picnic here Sunday. Shortly after their arrival, it was noted by many that he and Otis Jones were near each other all through the day. It turned out they were buddies in World War I, and a tape recorder could have turned out a lot of interesting things the buddies talked about in their reminiscences.

One of the early settlers in this county was Rev. J. L. Pyle. His son, Paul C. Pyle and wife of Childress were here attending the picnic and recalled that his father was one of the first newspaper publishers of the county. He published a combination of church and secular paper called The Baptist Missionary at old Salisbury about 1896.

Mr. and Mrs. E. A. Thomas of

Amarillo were here Sunday visiting with their many friends at the picnic at City Park. Mrs. Thomas will be remembered as Mary Burnett before her marriage, the daughter of Mr. and Mrs. O. B. Burnett.

Mrs. Thomas came to Texas with her parents from South Carolina, making the trip by covered wagon in 1891, and settled near Memphis. Mr. Burnett had the distinction of being the first to grow cotton in Hall County, therefore was called the "Cotton King of Hall County." By honesty, thrift, and hard work he amassed a small fortune.

In 1918 Mr. Burnett moved to Dumas, Moore County, and having what it takes to settle a new country, he left the generation that came after him an example of thrift and courage worthy of

emulation. — Contributed by a Friend.

Archie Glasco of Lubbock, ex-prerey of the Hall County Picnic held at Lubbock annually, and a teacher in Hall County schools during the early years of this century, attends every Hall County Picnic here. He reported that the Hall Countians at the Lubbock picnic in August voted to discontinue that event. For many years many exes and present Hall Countians enjoyed the fellowship there annually.

Dear Old Home Town Paper:

I'm sending in my \$4.00 to pay for my paper. My husband, Roy C. Blanks, used to take the paper, but after he died Feb. 20, I thought I wouldn't renew it, but I find I miss it so.

Please begin my subscription this week so I'll get a list of all the people who were at the reunion yesterday, and may I have 2 copies of that one. One to send to my sister in Austin. She and I went to school in Memphis in the school year of 1906 and 1907.

While we were in school there, Papa sold our first Panhandle home, the Bitter Lake home, to Gid Crews. We moved to Lakeview from there, but we always loved the old Bitter Lake home where we played in the lake and learned to swim.

I have attended all the old pioneer picnics, yes, the one yesterday, too. There were a good many there I'm sure I would have liked to talk to. If I could have known them or they had known me.

I'm alone in my little home now, but I love to go back to Memphis to see all my old friends and relatives.

If it is God's will, I'll be there next year.

All best wishes from

Ruby M. Blanks
P. S.: When I went to school there, I was Ruby Sanford and with me my sister, Roberta, who

is now Mrs. Roberta Crow of Austin, Texas.

Mr. and Mrs. Fred Row and Brenda and Rickie of Clarendon were dinner guests Sunday in the home of Mr. and Mrs. Gene Row. The occasion was to celebrate Mr. Row's birthday anniversary.

Mrs. C. A. Reynolds of Lubbock visited here over the weekend with friends and attended the Hall County Picnic.

Mrs. Wayne Brown and Miss Sally Dutton of Omaha, Neb., were weekend visitors in the home of Mr. and Mrs. Buster Helm and family. Mrs. Brown is a sister of Mrs. Helm.

Mr. and Mrs. J. C. Hoover spent the weekend in Borger visiting with their son, Byron Cox and family. Mr. Hoover returned home Sunday while Mrs. Hoover remained in Borger for a week's visit.

Jaunita Lindsey Becomes Bride Of Airman Clem Lee Harrison Tuesday

Miss Jaunita Lindsey, daughter of Mr. and Mrs. John Lindsey of Memphis, became the bride of Airman First Class Clem Lee Harrison, son of Mr. and Mrs. Richard Garrett of Progreso, in a pretty church service read Tuesday evening at 7:30 o'clock in the Assembly of God Church.

Rev. Virgil C. Sparks, pastor, read the double-ring ceremony before a nuptial space decorated with baskets of cut flowers and greenery.

Musical selections were provided by Mrs. Virgil C. Sparks who played the traditional wedding marches for the processional and recessional.

Given in marriage by her father, the bride chose for her wedding a suit of brown accented with matching feathered hat and bag and shoes of fall green. Her corsage was of white carnations.

Serving as maid-of-honor was Miss Lana Jean Lindsey, sister of the bride. She was attired in an arnel and cotton frock of gold accented with black accessories. Her corsage was also of white carnations.

Jim Miller of the U. S. Air

Force Base, Amarillo, served as best man.

Mr. and Mrs. Lindsey were hosts at a reception immediately following the wedding at their home, 606 Memphis St.

A tiered wedding cake was served with punch and coffee to members of the wedding party and guests.

The bride is a graduate of the local high school with the class of 1961. She is currently employed in Amarillo in the office of Boys Ranch.

The groom is a graduate of Weslaco High School and had completed two years of college work before enlisting in the U. S. Air Force. He is continuing his studies at the present time, and is stationed at the U. S. Air Force Base in Amarillo.

The newlyweds will make their home in Amarillo.

Out of town guests included Mr. and Mrs. Richard Garrett of Progreso, Mr. and Mrs. Boyd of San Antonio, Mr. and Mrs. E. M. Cashion of Amarillo and a friend of the groom's from Amarillo Air Force Base.

Games Scheduled For County Teams

The Turkey Turks, with one win and two losses to their credit, will play Lorenzo Friday night. The Turkey downed the Silverton Owls 33-6 last Friday.

The Estelline Bear Cubs will host the Rochester team on their home field Friday night at 8 p. m. The Bear Cubs were defeated last week by Vega.

The Estelline Junior High football team defeated Turkey 20-0 on the Estelline Gridiron last Thursday night. They are scheduled to play the Matador Junior High team in Estelline Thursday at 7 p. m. On Thursday, Sept. 28, the Estelline team will host the Quitaque Junior high squad.

The Estelline Junior High team on successive Thursdays will play the same three teams on their own home field.

In the Turkey Turks win over Silverton last Friday, GS Don Guest opened up the scoring for Turkey on the first play from scrimmage with a 66-yard touchdown pass to Jerry Weatherly. Guest kicked three extra points, and carried for one TD and passed for three more. Catching TD passes were Weatherly, and Derrell Fuston. Weatherly also carried on a 40 yard score.

The Lakeview Eagles will open their season Thursday, Sept. 28, at Mobeetie.

Mizpah Guild Meets Sept. 18

The Mizpah Guild of the Presbyterian Church met Monday night, Sept. 18, in the home of Mrs. Ora Denny and Mrs. Gladys Power.

The meeting was called to order by the president, Mrs. Mills Roberts. Mrs. Allen Grundy led the opening prayer and Mrs. S. S. Montgomery gave the meditation on "Christ's Love for Us."

Following roll call and a business session, Mrs. Bill Leslie reported on some highlights of her trip to the Triennial National Meeting of United Presbyterian Women, which was held last June at Purdue University. She also played a recording of excerpts from speeches and hymns sung by the women.

The meeting closed with the Mizpah Benediction recited in unison.

During the social hour, refreshments were served to the following: Sue Avery, Virginia Browder, Glen Cosby, Boodie Grundy, Ruth Harrison, Elsie Hoover, Wilma Leslie, Virgie Montgomery, Agnes Nelson, Mary Noel, Pearl Ward, Mozelle Wright, Ila Roberts, Frances Finch and the hostess.

Mrs. Lester Campbell and children, Jay Ed and Chris of Amarillo visited here over the weekend with her mother, Mrs. E. P. Thompson, and attended the Hall County Picnic.

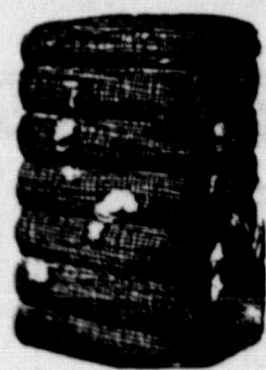

Miss Bobby Stewart, who is attending Amarillo Junior College, spent the weekend here with her parents, Mr. and Mrs. Robert Stewart.

Miss Ernestine Young and Morris Trottsell of Amarillo were weekend guests in the home of Miss Young's parents, Mr. and Mrs. Brigham Young.

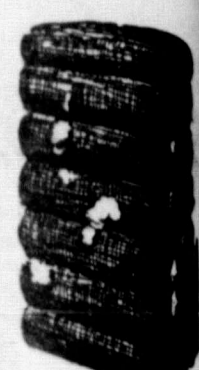

Weekend visitors in the home of Mr. and Mrs. Clinton Strygley were their son, Gilbert Strygley and Bobby Dawson and Dutch Jones, all of Borger.

Earl Miller was a business visitor in Oklahoma City the last of the week. While there he visited with his daughter, Jimmy Determan and family.

You Are Invited...

To Visit This Gin And See It In Operation!

Every cotton grower in our area is invited to come to the LESLEY CO-OP, and watch this all-electric plant in operation. You will see each piece of equipment individually driven by an electric motor, which should give us more efficient operation.

This gin, formerly owned by Paymaster Gins, has been completely overhauled and is turning out fine samples for our customers. Nothing has been left undone to put it in first-class shape. A bur catcher has been added for the convenience of those farmers who wish to put burs on their land. A truck is available for your use in hauling burs, and we will scatter them for you.

IF YOU NEED FIELD HANDS, SEE US

We will be working with cotton growers if they need field hands. Just come by the gin office, and let us know your desires. We'll do all we can in this matter.

This farmer-owned gin will operate for the direct benefit of the cotton growers of our area. The greater patronage we receive, the greater will be your benefits.

ESTELLINE NEWS

Mr. and Mrs. C. A. Rapp and Jerrel Rapp visited in Floydada last week in the home of Mr. Rapp's brother, Van Rapp, and wife.

Mr. and Mrs. Elam Orcutt, Mr. and Mrs. Don Ferrel and Donna Gail were in Amarillo and Canyon last week.

Mrs. Pete Davis was a patient last week in a Memphis hospital. Mrs. D. T. Eddins has been visiting in Amarillo in the homes of her brother, John Smith, and wife, and her two daughters, Mrs. Annis Bruce and Mrs. Dick Vogler, and children.

Kenny Hawks spent the weekend in Lakeview with his grandparents, Mr. and Mrs. Ed Murdock.

Friends of (the former Jo Ann Cupell) Mr. and Mrs. Jerry Dale Stephens will be interested in knowing about the shower being planned for them Tuesday, Sept. 26, at 8 p. m. at the First Baptist Church in Estelline.

Recent guests in the home of Mr. and Mrs. Lonnie Richburg were their son, Lonnie, Jr., wife, and children, Terry, Lee Anne, and Lisa, all of Fort Worth.

Mr. and Mrs. Russell Latham of Windthorst spent a week with his parents, Mr. and Mrs. Odell Latham.

Mrs. J. W. Green of Childress spent the weekend with Mr. and Mrs. Ben Jackson.

Thanks to M. C. Allen of Memphis Compress for his gift of 12 football lights to the Estelline High School.

Mrs. Floyd Mabry has been a

patient in the hospital.

Mr. and Mrs. Leonard Braidfoot have returned from college Station where Larry enrolled as a sophomore.

Mr. and Mrs. Kenneth Hawkins and Debbie were guests of her parents, Mr. and Mrs. Ed Murdock, in Lakeview last Thursday night.

Mr. and Mrs. John Berryman had as their guests recently their son, J. E. Berryman, and wife of Wichita, Kans. The J. E.'s had car trouble and did not arrive in Estelline in time for the Estelline Homecoming, much to their unhappiness. However, they continued their vacation trip to California. Mr. and Mrs. John Berryman and their daughter, Mrs. Lillie Tyree of Ada, Okla., have just returned this week from a visit in the home of another son, Joe Lloyd Berryman, and family in Minneapolis, Minn. En route home, they visited in Borger and Lefors.

Grady Long and Kenneth Hawkins were business visitors in Lubbock Wednesday.

Mr. and Mrs. Bobby Adams are the parents of a new son, Allen Bryant, born Thursday, Sept. 14. He weighed 7 pounds, 8 ounces.

Kelly, Kim and Jim Hutchins and Debbie Hawkins were in Amarillo at the Tri-State Fair Tuesday.

Shoppers in Amarillo Tuesday were Mrs. Kenneth Hawkins, Mrs. Frank Hedrick and Mrs. Jim Hutchins and Holly.

Visitors in the home of Mr. and Mrs. Elam Orcutt Monday were his sister, Mrs. Emmett Arrington, and daughters, Nee Nee and Mrs. Larry Delaney (Dee Dee), and Janice, all of Childress.

Monthly Bridge Club Meets With Mrs. Joe A. Ballard

Mrs. Joe Allen Ballard was hostess to members of the Monthly Bridge Club on Wednesday, Sept. 13, at 8 p. m.

Dessert of pecan pie, coffee and iced tea was served upon arrival of the guests.

High score was won by Mrs. Homer Compton while second prize went to Mrs. Walter Whaley. Mrs. Gerald Fowler won the third high.

Those attending were Meses. William Collier, Gary Wynn and Homer Compton of Childress, Rab Holland, Walter Whaley, Gerald Fowler, Leon Helm, Joe Bob Nivens, and hostess, Mrs. Joe Allen Ballard.

Mr. and Mrs. R. R. Wilson are the parents of a son, Ronald Richard, Jr. He was born Sept. 14 and weighed 8 pounds, 4 ounces.

Mr. and Mrs. Jessie Billingsley of Plaska announce the birth of a daughter on Sept. 14. Weighing 9 pounds, 2 ounces, she has been named Brenta Carlene.

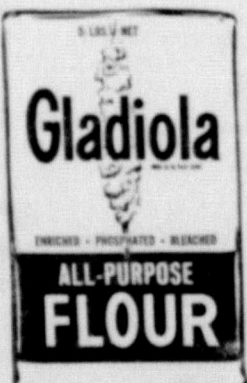

Mr. and Mrs. Bobby Adams of Estelline announce the arrival of a son on Sept. 14. He has been named Alan Bryant and weighed 7 pounds, 8 ounces.

Dane Bradley, son of Mr. and Mrs. W. W. Chentham of Turkey was born Sept. 15. He weighed 10 pounds, 2 ounces.

Mr. and Mrs. Bobby Jack McMurry and children of Amarillo spent the weekend here with their parents and grandparents, Mr. and Mrs. Gip McMurry and Mr. and Mrs. Clyde Morris.

W. Coppedge, president, during the business session introduced Mrs. Walter program chairman, who the evening's program. Coppedge Gained from Variations was the theme program presented by six students.

During the program, Miss Gordon, Memphis senior, trip to Girl's State this year and the benefits to her from attending.

Stevenson and Diane of their Vacation, both enjoying trips to the state capital. The trip was a success at Hedley this back in the teens of 1937.

T. Harrison of Lubbock in Memphis and at the past weekend. Her was a winner at Hedley this back in the teens of 1937.

SPICER GENERAL HOME

Emergency Service ONE 259-3535

BRIDE-TO-BE — Mr. and Mrs. W. W. Barclay of Lakeview announce the forthcoming marriage of their daughter, Betty, to Coy Kidd, son of Mr. and Mrs. J. W. Kidd of Lockney. The wedding will be an event of Saturday, Sept. 23.

Mrs. Conley Ward Is Hostess To Harmony Club

The Harmony Club met for the first meeting of the 1961 club year in the home of Mrs. Conley Ward on Wednesday, Sept. 13, at 3:30 p. m.

The meeting was called to order by Miss Esta McElrath, president. Minutes of the last meeting were read by Mrs. Clyde Milam, recording secretary.

Mrs. Robert Sexauer gave a brief discussion of the "High Notes of the Year Book" and an outline of activities planned for the year.

Following a lilting vocal solo, entitled "Villa" by Sigmund Romberg sung by Mrs. Sexauer, Miss McElrath read a selection of her poems entitled "Definitions of

Music in Syncaine Form."

A lovely refreshment plate was served to Mmes. R. S. Greene, Robert Sexauer, Clyde Milam, Bob Fowler, L. B. Madden, Clifford Farmer, T. L. Rouse, L. G. Rasco, Carl Smith, Gordon Gilliam, D. L. C. Kinard, L. G. DeBerry, George Ferris and the hostesses, Miss McElrath and Mrs. Ward.

Progressive Mothers Club Meets Sept. 5 With Mrs. Lawrence

The Progressive Mother's Club met in the home of Mrs. D. W. Lawrence at 2 o'clock Sept. 5.

The club meeting was opened by prayer led by Mrs. Lewis Hamilton. The devotional was given by Mrs. D. W. Lawrence. There was no old business. The new business was to disband from the Home Demonstration Club and to just be a needle club. The group voted to meet just once a month. Mrs.

Lewis Hamilton reported that the cemetery had been mowed again. Refreshments of sandwiches, cake and punch were served to Mmes. Wyman Davis, Lewis Hamilton, Ott Misenhimer, Ted Barnes,

Otis Cobb and D. W. Lawrence. The next meeting will be held Oct. 17 at 2 o'clock in the home of Mrs. Wyman Davis.

Mrs. Hazel Delaney Snow of

Laredo and Miss Verna Crump of Lubbock were among the visitors here Sunday, and they were being greeted by scores of people who knew them as youngsters some years ago. Mrs. Delaney's husband

has a hat factory in Laredo and ships them to many places far and near.

The House of Quality

YOU ARE INVITED

...To Share in the Benefits That Come from Ginning at the Friendly and Efficient

Lakeview Farmers Cooperative Gin

We Work With the Cotton Growers of This Area.

Here's Our Policy This Year in Connection With Bur Hauling:

1. Burs will be hauled to individual customers, and will be scattered for \$3.00 per ton.
2. Allocation of burs will be handled by the gin on the basis of the order in which applications are received from customers.
3. Individual customers will be allocated burs in proportion to the amount of cotton they gin as long as there is a waiting list of applicants.

We Will Buy Your Cotton This Year

A new service to our customers this year will be our COTTON BUYING PROGRAM. Arrangements have been made by this gin to buy cotton each day through the Plains Cotton Cooperative. Prices will be posted in our office daily. A check will be handed each grower immediately.

We want to recommend that our customers come by and check with us about the necessary arrangements to take advantage of this program.

THANKS TO EVERYONE FOR YOUR PATRONAGE

As we enter into this new ginning season, we wish to thank each and every one of you for the patronage you have given this farmer-owned gin in past years, and invite you to keep coming here this fall and winter. It's a fact that the DIVIDEND we pay each customer depends directly upon the volume of our business. During the past 23 years this gin has paid back in cash dividends to our customers \$336,463.94. This means that you can help yourself by ginning with us.

Check with us if you need cotton trailers or field hands. As in past years, we'll work with our customers in obtaining help to get this fine cotton crop harvested.

Memphis Young Farmers To Hold Meeting Tonight

The Memphis Young Farmers meet tonight at 7:30 in the agriculture building at the high school, according to Neal Hindman, sponsor.

A movie on cotton will be shown.

Numerous business items are to be presented.

All members and interested persons are encouraged to attend.

Picnic

(Continued From Page One)

year, was named president. Other officers named were Wendell Harrison, vice president; O. V. Alexander, secretary; O. B. Jones, treasurer, and Rev. Fern Miller, chaplain.

As the new president, Mr. Coleman invited everyone to return again next year. He expressed hope that "we could have an even bigger and better picnic next year."

Mrs. S. A. Harwell and son, Royace Harwell, of Rockdale visited here Sunday night. Mrs. Harwell was a guest in the home of Mrs. J. W. Oliver while Mr. Harwell visited with his mother-in-law, Mrs. Lillie Messer, and Nell. They were en route to Amarillo to visit with their daughter and sister, Mrs. Jim Smith and family, former Memphis residents.

Mr. and Mrs. Bob Blaksley of Vernon were weekend guests in the home of Mr. and Mrs. James Freeman.

REV. KENNETH LOWRY

Lesley Baptist Church Revival Now in Progress

Revival services are now in progress at the Lesley Baptist Church, opening on Sept. 15. The revival will continue through Sept. 24.

Rev. Kenneth Lowry, pastor, is doing the preaching. The singing is being directed by George Arthur and Joe Woods of the Brice Baptist Church.

Morning services are held each

Tech Selects Gene Gibson Basketball Coach

Gene "Punk" Gibson is the new head basketball coach at Texas Technological College, according to an announcement made last week by Dr. W. M. Pearce, academic vice president on behalf of Dr. R. C. Goodwin, Tech president. Gibson succeeds Coach Polk Robinson, who has assumed duties as director of athletics and business manager of athletics.

A 1943 graduate of the Lakeview High School, Gibson is the son of F. E. Gibson of Memphis. He also has a brother, L. D. Gibson, and a sister, Mrs. W. P. Bateman, Jr., who reside here.

Gibson's athletic career began in high school where he played center with the Lakeview Eagle basketball squad. He later was a member of the Memphis Owls baseball team, playing in the Red River League.

After completing service with the Army, he enrolled at Texas Tech, graduating in 1950. He is a former captain of the Tech team and a former All-Border Conference performer.

He coached for two seasons at Leverett's Chapel before going to Snyder. He returned to Tech in 1954.

He is married to the former Jonona Boyett of Lubbock. The couple have three sons, Bruce 10 years of age; and twins, Mike and Scott, four years old.

"Texas Tech is fortunate to have available for the head basketball coaching position Gene Gibson, who has been a most capable and loyal assistant for seven years. Having had him as a college player and having observed him throughout his coaching career—both in high school and college ranks—I am certain he will do an outstanding job," Coach Robinson said.

The Gibson family visited here over the weekend with his father and brother and sister.

day at 10 a. m. while evening services are at 8 p. m.

A cordial invitation is extended the public to attend all the services.

Dr. D. F. Golden

(Continued From Page One)

gastric and intestinal disorder.

Dr. Golden was the speaker at the noon luncheon meeting Tuesday of the Memphis Rotary Club where he spoke on the "Economic and Political Conditions in the Soviet Union." He was scheduled to speak on "Education in the Soviet Union" at the 7:30 meeting.

One of the 30 educational administrators to tour the Soviet Union in the fall of 1959, Dr. Golden is considered one of the leading administrators in the nation. The 30 administrators were sponsored by the following three national organizations: National Education Association, American Association of School Administrators, National Association of Executive Secretaries of State Education Association.

Dr. Davis stated Wednesday that Dr. Golden was standing in front of a mirror at approximately 6:45 p. m. when he collapsed, and that he caught him before he hit the floor. A doctor was called immediately, and Dr. Golden was taken to the hospital.

Comments

(Continued From Page One)

self peace of mind—happiness, if you please. He does not consider a life just something to be bargained, take all one can and go out again. He believes in putting out something that will help other lives. Success comes from excellence of performance in each walk of life, in each honest calling, in handling affairs in such a manner that when life's books are closed and checked by the Great Accountant, they will be OK'd, and the bookkeeper told, "Well done, thou true and faithful servant; enter into the Joys of thy Lord." Tim, you deserve and will hear that plaudit.

Memphis Bowl

(Continued From Page One)

Brunswick lanes will be offered from 2 to 4 p. m.

A Brunswick Black Beauty bowling ball, a bowling bag, one pair of men's bowling shoes and a pair of ladies' bowling shoes will be given away during the formal opening.

A New Co-Op Gin

To Serve You Better!

You Will Benefit Many Ways By Bringing Your Cotton To The

Estelline Co-Op Gin

As announced recently, the farmers of this area have purchased the gin at Estelline, and have established one of the finest plants to be found anywhere. During the past few months, we have installed

NEW DRYERS — NEW CLEANERS

AND

GREENLEAF AND STICK MACHINES

Everything is in A-1 shape as we enter into the 1961 season. Nothing has been left undone to give our patrons the finest ginning service possible to give. For example, the MOSS LINT CLEANERS will be in operation to get trash from each bale and every other part of the plant has been put in perfect shape.

Your Co-Op Gin Will Buy Your Cotton This Year!

We are glad to announce that arrangements have been made for your gin to buy cotton from local growers this fall and winter. Purchases will be made through the Plains Cotton Co-Operative, and prices will be posted in our gin office each day. Growers will receive checks for their cotton immediately. Come in soon and let us explain details of this program. We believe you will like this arrangement.

WE'LL HELP YOU GET FIELD HANDS

Let us know your wishes regarding field hands. We will be working with you the way in this matter, and will do all in our power to help in getting your crop harvested.

REMEMBER: THIS IS A FARMER-OWNED GIN. THE PROFITS MADE WILL BE RETURNED TO THOSE WHO GIN WITH US.

Society News

Around and About

By HELEN COMBS

As we drove around the square Saturday night, the thought flashed through our mind—this is just like yester-years. And we recalled the fashion of some years past when friends and neighbors met in town on Saturday afternoon and night to enjoy weekly visits.

And here once again in the year of 1961, folks had left their TV behind and come to town to greet friends and inspect the displays of family heirlooms and antiques provided by the women's clubs of Memphis. The picture gave us a warm glow and turned back the pages to those Saturday night visits we enjoyed and looked forward to as a child.

The Hall County Picnic was a success from beginning to end and all who worked with the project are to be commended . . . and there were many individuals who contributed to its success, J. M. Ferrel, Jr., president of the association, told us Monday.

The window displays downtown were most interesting. On display were many priceless items belonging to numerous families. Members of the five Federated Clubs, the Winnie Davis Chapter, UDC, and the B&PW Club worked hard to set up the displays. And they were amply rewarded for their efforts by the pleasure and enjoyment of those who saw them.

The members of the Memphis Volunteer Fire Department are to be commended for the efficient and capable manner in which they served the delicious food—and it was delicious—even the pinto beans!

And many families enjoyed having relatives here to attend the picnic with them; and friends enjoyed meeting again after years. Perhaps one of the most unusual meetings was one experienced by Raymond Ballew. Deciding to hitch-hike a ride to the park, he walked out to the street in front of his house and held up his hand to a passing motorist. The car stopped. When he told the man he was Raymond Ballew, the man, who was from out-of-town and on his way to the picnic, remarked: "Why, you and I went to the war together in 1918 . . . and I haven't seen you since that time."

Hurricane Carla gave us a few uneasy hours last week as it did other local residents whose relatives and friends live in the Coastal area of Texas. However, our daughter, Pat and her family suffered no effects from the storm in Houston, other than being without electricity for 20 hours. Many thousands of others were less fortunate.

Many unusual things happen when disasters strike. S. E. Denker was telling us that the home of his brother-in-law in Freeport was completely flooded with seven feet of water. There was only one thing in their home that was not damaged—the family Bible. It was lying upon the dining table, and as the water rose in the room, the table floated; thus keeping the Bible dry and secure.

One of our favorite people about town is our neighbor to the west, Tommie Potts. If we could cast a vote for the man who best uses his smile and sense of humor to scatter sunshine among his friends, it would be for Tommie.

So, this week we pass on to you readers a bit of Tommie's humor for the Chuckle of the Day: One of our Texans was out in California, and was needing a bit of work to do; so he went up to an orchard owner and applied for a job as a day laborer in the fruit harvest. Thinking the man looked more like a cowboy than a fruit picker, the orchard owner asked him if he knew anything about picking lemons. "Well, I ought to," the Texan replied. "I've been married five times."

Mrs. Claude Scoggins, Miss Nannie Scoggins, also Mrs. Elmer Watson visited with Mr. and Mrs. Tom Scoggins Thursday afternoon.

Mrs. W. C. Skinner, Rev. Kenneth Larry visited Wednesday afternoon with Mr. and Mrs. Tom Scoggins.

To Live In Santa Fe, N.M.

Mrs. H. B. Bennett Retires After 36 Years With Greene Dry Goods

Mrs. H. B. Bennett, who has lived in Memphis for more than 40 years and spent 36 of those years as a saleslady with Greene Dry Goods Co., left Sunday to make her home in Santa Fe, N. M. with her son, Guthrie Bennett.

It was on Sept. 15, 1925, that Mrs. Bennett began work with Greene Dry Goods Co., and she has been a steady employee since that time.

"My work has been very pleasant throughout the years and the Greene family has been lovely to me," Mrs. Bennett said. "Through my work, I have made some very good friends which I regret leaving."

"As much as I regret leaving, I am looking forward to being with my only son," Mrs. Bennett concluded.

The Bennetts plan to buy a new home in Santa Fe, where Guthrie has been managing his home for several years. He is employed as a state bank examiner in New Mexico.

Mrs. Bennett and Guthrie left

Linda Gilreath Named President of Choral Club

Miss Linda Gilreath was elected president of the Memphis High School Girl's Choral Club on September 14 at a meeting held at the high school.

Other officers named to serve with Miss Gilreath during the 1961-62 school term were: Tamara Frisbie, vice president; Sue Collins, secretary-treasurer; Suzanne Sexauer, reporter.

The choral club is made up of 25 girls ranging from pre-freshmen to seniors. The choir is led by Bill Bradley who is also the Memphis High School band Director.

Locals and Personals

Mr. and Mrs. Vernon (Sonny) Oakley and family have returned to their home in Lindsay, Cal., after visiting here the past 10 days with his two sisters, Mrs. Tom Collins and family of Esteline, Mrs. Lester Graham and family, and other relatives and friends. Mrs. Oakley will be remembered as Jessie McQueen. They also visited two brothers in Amarillo, Dick Oakley, Irvin Oakley, and families, and a sister, Mrs. Sebe Hudson and her brother, Buck McQueen, and family.

Visiting Saturday and Sunday with Mrs. C. C. Hodges were Mrs. Durwood McCool of Dumas and Mrs. Marvin Webster of Littlefield. Mrs. Webster is a niece of Mrs. Hodges. Arriving Sunday to spend the week visiting with Mrs. Hodges and Mr. and Mrs. Eddie Foxhall and Edward Neal were Mr. and Mrs. Frank Blackwell of McKinney. Mr. Blackwell is Mrs. Hodges' brother-in-law.

Mrs. Ira Foster and Mrs. Allie Mae Harper of Amarillo visited Mrs. Sackie Watson, Mrs. Clementine and Miss Grace Wilson over the weekend, and attended the picnic at City Park.

Mrs. Florence Fitzjarrald and daughter, Kathryn, visited over the weekend with their mother and grandmother, Mrs. R. H. Wherry, and attended the Hall County Picnic.

Those visiting Sunday in the home of Mr. and Mrs. Tom Scoggins were Mr. and Mrs. J. M. McKelvy of Lubbock, Mr. and Mrs. J. O. Scoggins from Idalou, and Miss Nannie Scoggins of Lakeview.

Mrs. A. W. Howard accompanied her daughter and son-in-law, Mr. and Mrs. Samuel F. Whiteside and children, to their home in Pittsburg, Pa., last Thursday. The Whitesides had enjoyed a visit here and in Lubbock with other relatives.

Mrs. J. J. Connolly left last week for her home in Chula Vista, Calif. She has been staying here for several weeks with her mother, Mrs. S. P. Minter of Esteline, who has been in the hospital with a broken leg.

Mary Martha Class Meets in Home of Mrs. Leonard Wilson

The Mary Martha Class of the First Baptist Church met in the home of Mrs. Leonard Wilson Tuesday, Sept. 12, for its regular meeting.

Mrs. Henry Scott, president, conducted the business session. Mrs. Leonard Wilson, secretary, read the minutes of the previous meeting. Reports were then given by group captains.

Mrs. Lloyd Phillips offered prayer. Mrs. L. G. Rascoe gave an inspiring devotional on "Live One Day at a Time."

Mrs. Ed McMurry, vice president, had charge of the program which consisted of a reading, "Life That Wins" by Billy Graham and a short quiz program.

Prayers were then offered by Mrs. McMurry and Mrs. Coffey.

"What a Friend We Have in Jesus" was sung as the closing hymn.

Tasty refreshments were served to Mrs. J. W. Smith, Henry Scott, D. L. C. Kinard, Ernest Clark, Ida Hutcherson, Larry Simpson, W. M. Cofer, Otis Jones, Allie Caviness, T. J. Bridges, Leonard Wilson, A. J. Fowler, Ed McMurry and visitors, Mrs. Lloyd Phillips and Mrs. L. G. Rascoe.

Mrs. W. H. Monzingo and Tanya, Mr. and Mrs. Jack Monzingo and Rockie and Mr. and Mrs. Bob Ash and sons Mat and Linc have returned to their homes in Odessa after visiting here in the homes of Mr. and Mrs. Frank Monzingo and Mr. and Mrs. Allen Monzingo. They also visited other relatives in Esteline while here.

Mrs. W. H. Monzingo and Tanya, Mr. and Mrs. Jack Monzingo and Rockie and Mr. and Mrs. Bob Ash and sons Mat and Linc have returned to their homes in Odessa after visiting here in the homes of Mr. and Mrs. Frank Monzingo and Mr. and Mrs. Allen Monzingo. SEPTEMBER BRIDE — Mrs. Stewart Knight, the former Miss Donna Marciel Lowrie and granddaughter of Mr. and Mrs. O. M. Gunstream of Memphis, is now at home in Lubbock where she and her husband are students at Texas Technological College. Mrs. Knight is majoring in home economics while her husband is majoring in agriculture education.

Pathfinder's Club Begins New Year's Study With Seated Tea

Members of the Pathfinder's Council enjoyed a seated tea on Tuesday evening, Sept. 12, in the home of Mrs. A. O. Gidden to introduce the new club year. The study theme for 1961-1962 will be the "Bridge of Understanding."

Carrying out the year's theme, the dining table was centered with a miniature bridge adorned with water lilies. The table was laid with a white linen cloth.

Mrs. W. F. Ritchie, president, gave the opening address after which Mrs. A. Gidden gave the poem "House by the Side of the Road" with musical accompaniment by Mrs. A. O. Gidden.

Serving as co-hostess with Mrs. Gidden were members of the social committee including Mrs. W. F. McElreath, Mrs. J. R. Mitchell, Mrs. O. M. Gunstream, Mrs. John W. Smith and Mrs. A. Gidden.

Members present were Mrs. W. F. McElreath, Mrs. J. R. Mitchell, Mrs. O. M. Gunstream, Mrs. John W. Smith and Mrs. A. Gidden.

Wesley SS Class Enjoys Covered Dish Luncheon

The Daughters of the Wesley Sunday School Class met Thursday at noon in the church annex for a covered dish luncheon, program and business session. Members of the social committee served as hostesses.

A delicious meal of fried chicken with all the trimmings was served.

Mrs. T. E. Spear, president, presided during the business session.

The devotional, "Keeping Conscious With God" and the history of the hymn, "I Need Thee Every Hour," was given by Mrs. A. Gidden.

Mrs. T. E. Spear concluded the program with the story, "Skipper of the Morning Star."

Members present were Mrs. C. H. Compton, Bess Crump, Clara Cummings, W. C. Dickey, G. M. Duren, Mary Lou Erwin, Albert Gerlach, O. M. Gunstream, T. J. Hampton, W. F. McElreath, D. M. Jarrell, T. E. Spear, O. B. Herring, Louie Goffinet, Miss Florence McElreath and Rev. O. B. Herring.

Cleve Taylors Celebrate 50th Anniversary

Mr. and Mrs. Cleve Taylor of 1046 Dunaway, Amarillo, and formerly of Memphis, celebrated their Golden Wedding anniversary on Sept. 9 at the home of Mr. and Mrs. Gordon Sharp, 2409 Wichita. Mrs. Sharp is the couple's daughter.

In 1911, Mr. and Mrs. Taylor were married in Bennington, Okla., and made their home here in Memphis for 30 years. Mr. Taylor was employed by the water company. They moved to Amarillo last year.

The couple have nine children. They are, in addition to Mrs. Sharp, Mrs. Mildred Saville, Mrs. Katherine Oakley and Troy Taylor, all of Amarillo; Mrs. June Gleason of Freeport; Bobby Taylor, Hurst; Kenneth Taylor, Lawton, Okla.; James Taylor, Sanger, California; and Lloyd Taylor, San Fernando, Calif.

There are 28 grandchildren and 15 great-grandchildren.

BRIDE-TO-BE — Nuptial vows will be solemnized Friday, Sept. 22, for Miss Carole Lee Wood, daughter of Mr. and Mrs. Arlie L. Wood of Clarendon, and Campbell Allen Morris, son of Mr. and Mrs. Clyde E. Morris of Memphis. The wedding will be in the home of the bride-elect's parents in Clarendon.

Cynthia Evans Elected President Beginner's Band

Cynthia Evans was elected president of the Beginner's Band at a meeting held Friday at the Band House.

Other officers named for the 1961-62 school year included Sandra Saye, vice president; Fred Earl Snowdon, secretary-treasurer; and Church Jennings, reporter.

The Beginner's band has 28 members this year and is being directed by Bill Bradley, Memphis High School band instructor.

CYCLONE DOWNS ROCKETS

The Memphis Cyclone, in a hard fought, spine-chilling contest Friday, defeated the Wellington Skyrockets, 16-6, setting up a two win series over the Rockets and for the season.

The game was a defensive battle with the Cyclone calling on the punting ability of QB Bunky Adcock six times, the Rockets punting five times during the night's play.

Before a packed stands of Memphis and Wellington fans, the teams battled in near perfect football weather.

The magic number for the Cyclone seemed to be "two", or a multiple of "two". With two minutes left in the second quarter, HB Bill J. Pounds took a fourth down Rocket punt near the 50 yard line and scampered down the left side of the field to the 20. Then, on the next play, QB Bunky Adcock led HB Pounds on a reverse around left end for the first score. Adcock was able to take out both the defensive end and corner back with a fine display of downfield blocking.

The Cyclone's second score came with two minutes left in the fourth quarter, on the second down, climaxing a 57-yard drive. HB Pounds carried on an end sweep around left end, HB Perry Wright took the end out of play with a fine block, FB Eddie Jones cut down the corner back, and Center Ronald Ables added another down field block to allow Pounds to scamper the necessary 18 yards to score. After Pounds broke into the clear, he outran the Rockets pursuit.

Jump pass plays were called by Quarterback Adcock on both the extra point tries and End Jacky Bridges was on the receiving end both times to add four more points to the scoreboard.

The Rockets only score came on a 75-yard punt return by Wellington's speedy HB Jackie Daves in the third quarter. Daves, who was hit several times by tacklers, was able to keep his feet, find necessary blocks down the right side of the field, and went all the way. The Rockets pass play from Daves to End Herb Duncan, was broken by Defensive Corner Back Bunky Adcock.

First Quarter Play

Wellington kicked off to Memphis' FB Eddie Jones to open the game and Jones carried the ball out to the Cyclone 39.

On the first play, HB Pounds carried for 4 yards, and FB Jones blasted through for 8 more to give Memphis a first on the Wellington 49. On the next series, Jones tried the line again, and couldn't go. Pounds carried for three. On the third down, the Cyclone went into a shift series, the direct snap from Center Ables to HB Pounds was high, and Pounds fell on the ball for a six yard loss. Adcock punted 34 yards and Wellington took over on their own 20.

The Rockets were held for three downs and punted to the Cyclone 45. Jones carried for 4 yards, HB Doug Peters was stopped at the line of scrimmage, and Jones carried for 3 more. Adcock again punted to the Wellington 30 yard line.

At this point Wellington started a drive. On runs by HB Gary West and QB Richard Mauldin, Wellington moved for a first down to the 42. Matching penalties nullified two downs, then three plays moved the ball to the Cyclone 46. The Rockets' FB Gary Holliman made 5 yards and Gary

FIRST TOUCHDOWN— Pictured above is Cyclone Sophomore HB Bill J. Pounds carrying on the 20-yard touchdown in the closing minutes of the first half against the Wellington Skyrockets last Friday night. No. 12, QB Bunky Adcock splits Wellington defenders, Bob Hudson and Jackie Daves, to free Pounds around left end. Pounds scored both the Cyclone's TDs.

West broke loose and moved the ball to the Memphis 30. On the next play, the Rockets QB was thrown for a 14-yard loss by Defensive End Dee Miller, and the first quarter ended.

Second Quarter Play

Two good runs by HB Daves moved the ball to the Cyclone 25, but with it forth and five to go, the Rockets were stopped on the line of scrimmage. Gary West was injured while blocking for HB Daves on the third down of this series.

Memphis took over on their own 25. On the second down from the 25, QB Adcock hit End Bridges, who made 15 yards before being run out-of-bounds and into an ambulance which was brought on to the side-line to the Wellington bench to take Gary West to the hospital.

Memphis drew a 15-yard penalty in the next series and faced a third and 15. QB Adcock, again called a wing formation, took the direct snap from Center Ables, and booted the ball from the Memphis 35 to the Wellington 4-yard line where it rolled dead, putting the Rockets in a deep hole from which they did not recover.

An off-sides penalty gave the Rockets a first down on their own 14 yard line, and three plays later they had a first down on their own 27. Then the Cyclone hard rushing line dropped their QB for a 12-yard loss and they were forced to punt from their own 23 on the fourth down. QB Mauldin punted for Wellington, a high punt to the Cyclone's left side of the field. HB Bill Pounds ran under the punt and scampered down the left side of the field to the Wellington 20. On the first play from scrimmage, on a reverse, Pounds carried behind QB Adcock, who took out two of the Rocket defenders, went wide and carried over the goal line standing up for the score.

On the try for extra points, End Jacky Bridges took a jump pass from Bunky Adcock, and the score was 8-0.

The half ended with Memphis in possession of the ball after Wellington was held for three downs and punted to the Memphis 38.

At half-time, the Rockets were leading 5 first downs to the Cyclone's 3.

EXTRA POINTS— End Jacky Bridges is shown above catching the second extra points pass from QB Bunky Adcock in the Wellington game. Jump passes from Adcock to Bridges accounted for four of the Cyclone's 16 points in the game. Cyclone members also shown include: No. 81 Dwight Gailey, No. 50 Ronald Ables, No. 63 Dee Miller. Bridges caught all three of the Cyclone's passes.

However, the Rockets' offensive game without the services of HB Gary West was not as effective as it was during the first quarter.

Third Quarter Play

Memphis kicked to the Rockets full back, who carried for two yards to the Rockets' 40, to start off the second half of play. The Cyclone held the Rockets for four downs and took over the ball on the Wellington 48. An incomplete pass play and two 3-yard carries, one by HB Peters and one by Pounds, left the Cyclone in a punting situation. Adcock punted to the Wellington 20 yard line. Wellington was held and punted to the Cyclone 45. The Rockets line rose up and dropped Adcock for a 10-yard loss and, on the fourth down, he punted to the Wellington 25. No. 58, Daves, picked the ball up on the 25, dodged would be tacklers, picked up blockers and ran all the way down the sideline in front of the Cyclone bench to score. A pass for extra points was broken up by Adcock, and the score was 8-6.

At this point in the game, the Cyclone offense seemed to come alive. Memphis took over on their own 43. Jones carried for 8 yards and Peters for 3. Pounds carried for 5 more to the Wellington 40. However, two more plays netted the Cyclone no ground, so Adcock punted to the Wellington 13, as the third quarter ended.

Fourth Quarter Play

Three plays by the Rockets netted them 8 yards and HB Daves punted to the Memphis 30. Jones carried for 3 yards, and then Pounds broke loose and scampered 27 yards through the right side to the Wellington 40 before he was pulled down by Defensive backer Daves of Wellington. At this point, a Memphis pitchout was fumbled and Wellington recovered on the Memphis 45. Wellington gained 8 yards on three plays, but on the fourth try they fumbled and the Cyclone Center Ronald Ables fell on the ball on the Memphis 43 to start the Cyclone's scoring drive.

It took the Cyclone nine plays to move the ball 63 yards to tally. Pounds carried for 4 yards and FB Jones plunged through, almost lost the ball on his hip, re-tucked it and carried for 10 yards to the Rockets 43.

Pounds and Peters carried on the next two downs for 5 yards each and Memphis was on the Wellington 33. Pounds carried for 3 yards, Jones carried for 3 yards, and Pounds carried for 7 yards to put the Cyclone on the 20. Adcock carried for 2 yards to the 18, and then, on a left end sweep, Pounds carried behind blocking

County Sports

By Bill Combs

The Cyclone squad will take a breather this week due to an open date. The Cyclone won a good game at Wellington Friday night.

I don't know how many of the local fans who were at the game Friday night, looked at their watches immediately after the game ended. If you did, then you probably noticed that the game was very short, compared to other games. There is a definite reason for the short game played at Wellington. As many coaches will explain, a normal game between well-matched teams will contain approximately 120 plays, 60 from each team. When I worked out the statistics on the Memphis-Wellington game, both teams ran approximately 80 plays all night. Two new rules have been introduced into high school football that are different from last year. One of these rules effects the length of time a football game will last. The new rule states that the official clock will not stop following a punt. In the past, the punt was whistled dead and the clock was stopped while the teams were reassembled at the time of scrimmage. Under the new rule, the clock keeps running during this period. Memphis punted six times and Wellington punted five times, thus making the game a shorter one, as compared with the Tulsa game where very little punting was done by either team.

The other new rule introduced this year has to do with substitutions. Coach Lambert stated that teams can now substitute freely on both offense and defense as long as they do so during the 25 seconds following the conclusion of a play.

Speaking of football, the Interscholastic League, a newspaper published by the Interscholastic League, announced in a recent issue that there are 915 grid teams in Texas. This is one more than last year. Texas will field more high school squads than any other state in the nation. This fall there will be approximately 7500 A, B and junior high school football games played, with an estimated 100,000 boys playing before approximately 10,000,000 people. The 1961 breakdown is: AAAA, 113 schools; AAA, 103; AA, 183; A, 180; B, 209; six-man, 76; and eight-man, 51.

A discussion has sprung up all over town this week about how long was the Wellington Skyrockets winning streak over the Cyclone. In the Democrat's files, the Rockets began their winning streak in 1936 when one of the fastest teams the Collingsworth county boys ever assembled outscored the Cyclone 40-21. In 1935 the Cyclone won the game 25-0, and in 1934 they were victorious 12-0. However, to be strictly legal about the thing, the 1950 Cyclone

squad under the direction of Roddy Stargel broke a 14-game jinx of the Rockets. The Cyclone won the game with one more penetration than the Rockets had. The score was 13-13.

Not counting the tie in 1934, the win last year broke a 24-game losing streak. It should be expected that during the war and a few times the Rockets and the Cyclone were not matched, the Rockets winning streak wasn't a continuous one. Last week, the Democrat made a typographical error stating it was a 35-year streak instead of a 25-year streak. In the game in 1950 was a disputed contest, penetrations were used to determine the winner. Memphis was accredited the win, and Wellington with a 13-13 tie. The 1936 game was also a draw for Wellington since it broke the Cyclone winning streak which started in 1925 with the Cyclone winning the game, 96-0.

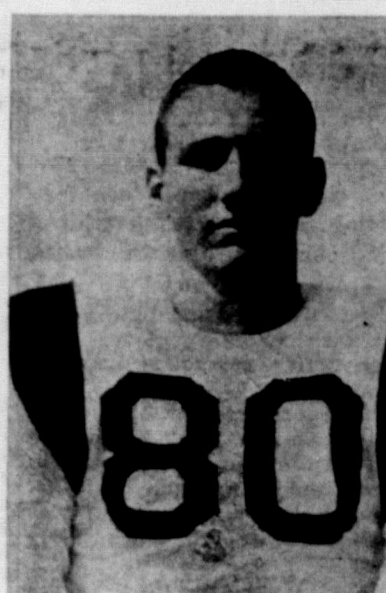

Dove hunters: pickings are getting lean. There are not as many birds in this part of the county as there were three weeks ago. Walter Hicks, conservation officer, stated this week that the crop looks real good, unless something happens to kill off many of the birds between now and December.

1962 Oldsmobiles To Go On Display Friday At Potts Chevrolet Company

The 1962 Oldsmobile 88's and 98's and Starfires feature a dramatic new styling silhouette with a longer, lower, sportier look, outstanding engine performance and quality and reliability unmatched in Oldsmobile history.

Tomie M. Potts and Homer W. Tucker, local Oldsmobile dealers, will show two of the new cars in their showroom in Memphis Friday, Sept. 22.

"The fresh new profile of our 1962 88's and 98's," Potts said, "has been achieved through completely different front and rear styling, new fender lines, and new crisp roof designs."

"And, Oldsmobile's entire line is further enhanced by the exciting Starfire Coupe. Making its appearance for the first time, the Starfire Coupe will incorporate all the features that have made the Starfire Convertible so popular."

The dealers emphasized that the new Oldsmobiles are even quieter, more comfortable and smoother in operation this year.

Pointing out that Oldsmobile's top performing four-stage Hydra-Matic transmission has been improved again for 1962, he explained that a new "pressure-compensated shift pattern" provides a smoother-than-ever transition between the four speed ranges. And, on the full-size cars, the Hydra-Matic utilizes a new concept—counter-phased gear sets—which virtually eliminate gear noise even in neutral.

"New highs in Oldsmobile engine performance for 1962 result from several important design improvements," Potts continued. "A new combustion chamber shape and higher (10.25 to 1) compression ratios in the Rocket engine step up power and performance throughout all driving ranges. These improvements in engine efficiency, coupled with lowered axle gear ratios, increase fuel economy considerably."

"In the case of the Dynamic 88," he continued, "its ultra-high compression 280-horsepower Rocket engine delivers a substantial increase in performance as well as increased miles per gallon on premium-grade gasolines." (A 260-horsepower Rocket engine with an 8.75 to 1 compression ratio is available as an option at no extra cost for those who prefer to use regular-grade gasoline.)

Maximum brake horsepower of the 1962 Skyrocket (4-barrel carburetor) engine, standard on both the Super 88 and 98 series, is

increased to 330.

Exhilarating highway performance, provided by its own Starfire engine and a precise coordination of power train elements continue as the outstanding features of the Oldsmobile Starfires.

Easy installation of seat belts is provided by reinforced brackets which are standard equipment on all 1962 F-85's, Dynamic 88's Super 88's, 98's and Starfires.

For improved driving comfort and easier entry and exit conditions, the diameter of the deluxe steering wheel on cars equipped with power steering has been reduced by one inch. The steering wheel has also been raised for increased clearance between the wheel and the front seat.

"In line with Oldsmobile's concept of increased reliability," Potts said, "the 1962 Oldsmobile chassis, including front suspension, steering linkage, propeller shaft, generator and distributor, will not need further lubrication under normal operating conditions. This is also true of the new tapered roller bearings which replace the ball-type wheel bearings for greater durability in the full-size Oldsmobile for 1962."

Cooling capacity of the Oldsmobile air conditioners has been increased this year, and its operation is also quieter due to the adoption of a new compressor design. Compressor displacement has been increased by 36 percent.

Wheelbases on the 1962 Oldsmobile are unchanged at 123 inches for the 88's and 126 inches for the 98's.

"While the new Oldsmobiles appear considerably longer than the 1961 models, their over-all length has actually been increased less than two inches," Potts stated.

"This is because our 1962 styling accentuates the length of the car and emphasizes its 'big-car' appearance," he added. "The front bumper is fully integrated with our front-end styling. The forward fender design forms a cradle for the grille and headlamp assembly."

Greater distinction between all series of 1962 Oldsmobiles has also been achieved through the use of different moulding treatment and identifying insignia, while interior trim designs and materials have been developed specifically for each new instrument panel also carry individual series identification.

Seventeen body styles are offered in the 1962 Dynamic 88's, Super 88's and 98's.

Fifteen exterior colors and six harmonizing interior combinations are offered, all of them of durable, high-luster acrylic lacquer.

CARD OF THANKS

I wish to extend my most sincere thanks to all the friends and neighbors who were so kind to send me cards, flowers and gifts during my long stay in the Amarillo hospital. To all who visited me and for all the many words of encouragement, for all these kind deeds I am very grateful from the depths of my heart. I say again "Thank You". May God bless each of you.

H. J. DuVall

OLDSMOBILE F-85 — Shown above is the 1962 Oldsmobile F-85 which will be shown Friday at Potts Chevrolet Co. in Memphis, along with a Dynamic 88. Styling changes for 1962 of the F-85 include a new hood, grille and headlamp housing. The F-85's V-8 aluminum engine has up to 185 horsepower.

James B. Adcock Reports To Naval Training Unit

James Bruce Adcock, Jr., son of Mr. and Mrs. James B. Adcock of Abilene, reported to the Naval Aviation Technical Training Command at Memphis, Tenn., recently after visiting here on his first furlough with his grandmother, Mrs. H. F. Adcock.

A 1961 graduate of Abilene

High School, Adcock enlisted in the Navy in June and selected the aviation field. He qualified by taking tests for the 30-week aviation electronics school.

During recruit training, he received a presidential nomination letter to the Naval Academy, for which he will be examined during the month of March, 1962, to qualify for class convening at the Naval Academy for the fall term of next year.

His father is a retired master sergeant who is presently employed by Civil Service at Dyess AFB in Abilene.

Mr. and Mrs. Randall Brice of Amarillo visited her parents, Mr. and Mrs. A. L. Winters, and brother and wife, Mr. and Mrs. Jimmy Winters, over the weekend.

Mrs. E. H. Stanford is enjoying a two-week visit in Abilene with her daughters, Helen McMurry and Mrs. Raymond Thomson.

Mr. and Mrs. Gordon Maddox of Lubbock visited over Sunday with her parents, Mr. and Mrs. L. F. Widener and family, and his parents, Mr. and Mrs. Gordon Maddox, Sr.

October Draft Quota For State Set At 911 Men

State draft quota for October calls for 911 men, 201 less than for September, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

The September call, previously announced, was 1,112, while the August quota was 561.

The October quota of 911 for Texas is the state's share of a national call of 20,000, all for the Army. The September national quota was 25,000, which also was for the Army.

Colonel Schwartz also announced that 6,002 men would be given preinduction examinations in October, compared to 5,004 scheduled in September.

Local board quotas for induction and pre-induction examination in October are scheduled to be mailed by state Selective Service headquarters Friday.

The October quota will be filled with men who are at least 22 years old on October 1, with the exception of volunteers, or those whom the law terms delinquent, who may be younger.

Monthly draft calls in Texas this year have ranged from 292 down to zero prior to August. Monthly examination quotas prior to August ranged from none to 2,255.

There were 1,345 accidental home deaths in Texas in a recent typical year. This compared with 2,519 accidental motor-vehicle deaths.

Mrs. H. M. Guest, who fell and broke a rib several days ago and has been receiving treatment in a local hospital, was able to return home Monday.

Mr. and Mrs. Lester Grimes and Mrs. Billy Combs were visitors Thursday. While they visited in the home of Grimes' brother and wife, Mr. and Mrs. Chester Grimes.

Mr. and Mrs. Connie Davis and children of Texas City left Wednesday, Sept. 20, for two weeks visit here with parents, Mr. and Mrs. W. Floyd.

Mr. and Mrs. Chris B. and children of Texas City left here on Tuesday of last week to stay with her parents, Mr. and Mrs. W. J. Goffett, until they can return to their home, which was evacuated to escape a fire.

For children under five, leading causes of accidental death in a recent typical year were: drowning, 2,400; burns from hot substances, 1,300.

GROWTH

West Texas Utilities Company's service facilities are growing as the area we serve grows.

This service area is the Center of the Southwest—the very heart of a five-state region that is growing 25 per cent faster than the Nation.

A multi-million-dollar growth program is now under way, and even more expansion is in the planning stages. Major examples are our new generating, transmission and distribution facilities, where much construction is now going on.

Our continuing growth program is seen also at the local level. Pictured here, for example, are three of our local offices which have been remodeled recently.

This Company is convinced that we face Growth Unlimited. The money we are spending for expansion today is our INVESTMENT IN THE FUTURE.

On Super-Patriots

The super-patriots in the United States who assume they have a corner on the anti-communist market strike a strange pose indeed. They seem to be saying that anybody who doesn't agree with their definition of communism or with their method of combating it is either a traitor or a fool.

People ought to be able to disagree in the United States without having their patriotism questioned, their motives challenged, and their characters assailed. There is little disagreement in this country that communism is a terrible menace to free institutions everywhere. What people do differ on is what constitutes communism and what are the best ways of combating it.

The Birchers, and some senators, who have criticized this Administration's correct order to the military not to confuse communism with domestic politics, appear to believe that social legislation is the equivalent to a form of domestic communism. TVA, foreign aid, the graduated income tax, the Supreme Court, federal aid to education, social security, medical care unemployment insurance, and other kinds of "welfare" programs are equated with socialism, socialism is equated with communism, and first thing you know, Franklin Roosevelt and Harry Truman are traitors. But then some people have looked askance upon the girl scouts, too.

If Sen. Thurmond carries his arguments to their logical conclusion, the country will be in for one of the most dangerous witch hunts in its history, exceeding the McCarthyism of the early 1950's. Already people who've never seen a socialist are being called communists, or an anti-communist, or in the words of Leader Welch, "Comsymp." They do not require any proof of their charges. The pointing finger is enough.

This is a most dangerous form of public hysteria based on fear and insecurity, and it will grow worse every time the United States experiences a diplomatic defeat or Russia scores another win in the space race, unless people make an effort to understand what is behind it.

While we never underestimate the danger this country faces from communism, we believe the fear-mongers on the far right are seeking to create a public psychology that would become just as dangerous. Radicalism and extremism in whatever guise is a danger to American democracy.

—A. M. Secrest, —The Cheraw (S. C.) Chronicle

Prophecy Comes True

Winston Churchill, in a speech October 9, 1948:

The question is asked: what will happen when they get the atomic bomb themselves and have accumulated a large store? You can judge yourselves what will happen then by what is happening now. If these things are done in the green wood, what will be done in the dry? If they can continue month after month disturbing and tormenting the world, trusting to our Christian and altruistic inhibitions against using this strange new power against them, what will they do when they themselves have a large quantities of atomic bombs? What do you suppose would be the position this afternoon if it had been Communist Russia instead of free enterprise America which had created the atomic weapon? Instead of being a sombre guarantee of peace and freedom it would have become an irresistible method of human enslavement. No one in his senses can believe that we have a limitless period of time before us. We ought to bring matters to a head and make a final settlement. We ought not to go jogging along improvident, incompetent, waiting for something to turn up, by which I mean waiting for something bad for us to turn up."

UPI NEWS BULLETIN, Sept. 12, 1961 — Russia today set off a nuclear blast in the Arctic equal to several million tons of TNT. It was the seventh atomic explosion in the current series.

What Other Editors Say

On Bomb Shelters

One of the questions in Washington which has been asked in high defense and government circles for years, and which is still unanswered, is how the American people can be prepared for a war—a war with nuclear weapons, which might come unexpectedly.

The President and top officials have considered various programs for civilian defense. The President is pushing a program of his own which he hopes the American people will accept and support. But there is still great apathy among many citizens on the question of defense against nuclear weapons. In a recent survey made in New York, the results were discouraging. They were discouraging to Governor Nelson Rockefeller, who has pioneered in the field of civilian defense, and they were disappointing to all who realized how dangerous this apathy could be for the nation.

The survey revealed that most people feel that protection against a superbomb at this time is almost hopeless. Of the people interviewed, in this survey none had built shelters! And this is typical of attitude in every part of the country. In every state there are those who have tried to stir the people into action. The federal civilian defense and state programs have had varying degrees of success in the various states but in no state are the people really prepared for what might overtake them.

The critical year might be 1962, as far as the Soviet Union's rocket and missiles superiority over us is concerned, and 1962 is not far away. It will be remembered that a former Secretary of Defense said years ago that late 1961 and 1962 would be critical times for

the United States, since the gap existing between us and Russia, in the missile field, would be very wide at this time.

More recently, there have been predictions that the Russians were further ahead of us in the rocket engine field than we have been told. Various committee reports—dating back to Gaither Committee report—have indicated that late 1961 and 1962 are a dangerous time for the United States.

In view of this, what is the explanation of the lack of shelters and interest in building them—demonstrated by the American people?

It seems to be that too many people have adopted a fatalistic approach to the problem now facing the world. The smart answer of too many seems to be something to the effect that if nuclear war starts, everything and everybody will be lost anyhow, so why bother about a shelter?

This is a dangerous and inaccurate assumption. A nuclear war will not kill all the people of any country. It is estimated that a Soviet attack on the United States would kill millions, maybe even a third or half of the people—but not all and probably not half.

Those who are saved will be those who are prepared. And everyone should give serious consideration to preparation for such a war. It might be quite close upon us. We are faced with a sinister and deceitful antagonist in the world struggle today and the actions of the communist cannot be anticipated.

Bomb shelters, adequate preparations in addition to shelters and functioning, effective civilian defense are urgently needed in view of the situation confronting us. We must rid ourselves of the

apathy that threatens to lull us to sleep and make us easy game for an aggressor.—The Shamrock Texan.

The Winner

Mankind has been at war with the insect world since the dawn of time. A biblical instance of a former era is recorded of the scourge of locusts that visited Egypt. Other instances are recorded in the history books. As recently as 20 years ago it appeared that mankind might have found a way to eradicate the house fly, and also it began to appear that certain insects which eat up people's crops might be eliminated. But not so. Insects have an ingrown ability to adjust to poisons, heat and cold. New generations come along which have built-in tolerances that are amazing to note. Which brings one to the realization that the age old war between man and insects is not won at all. In fact, it has become evident the insect has the advantage. When nuclear fall out or some other scourge has finished with mankind it is evident the insects will be crawling out of their holes, ready to take over undisturbed.

Memories Turning Back Time

From
The Democrat Files

30 YEARS AGO September 25, 1931

A 15 watt public address amplifier and two loud speakers were received Tuesday by Max L. McClure, manager of the Ritz Theatre. The amplifier uses six large tubes and has a range of two blocks or over an audience of approximately 5,000 people.

Even the chickens are feeling the effects of the depression or that is the only satisfactory explanation given for hens at Pliska laying colored eggs. The hens that laid the freak colored eggs belong to Mrs. J. W. Oliver of Alaska. The eggs were pink, orchid and red brown in color.

Mrs. Tim Paulsel, a bride of the month, was honored Saturday afternoon when Mrs. J. W. Fitzjarrald and daughter Reba and Mrs. J. C. Wells entertained with a miscellaneous shower at the home of Mrs. Fitzjarrald.

Mrs. Fred Reed, formerly of Memphis, but now of Ventura, Calif., spent from Thursday until Sunday here as the house guest of Mrs. Glenn Thompson, Mr. and Mrs. Thompson took her to Vernon Sunday where she will visit her sister, Mrs. O. A. Rich, before returning to her home in California.

20 YEARS AGO September 25, 1941

Lakeview's first bale of cotton, taken to the Potts Gin by E. W. Pate of the Pleasant Valley community, sold for 18 cents a pound to M. C. Allen of the Memphis Compress Company. The cotton was taken to the Lakeview gin last Thursday night by Pate. The seed were bought by the gin at \$57 per ton.

Mrs. H. H. Wines honored her daughter Lois on her 12th birthday anniversary with a party at her home Monday afternoon, with Mrs. Ola Farris, aunt of Lois, assisting as hostess.

Chevrolet Truck Line for 1962 To Feature Diesel Power In Some Models

durability and capacity. For extreme off-road operations, two new extra-heavy duty optional I-beam 9,000 and 11,000 lb. front suspensions with leaf springs are available for most of Chevrolet's heaviest-duty series.

The Corvair 95 line features further refinements in the advanced design introduced last year. These include an automatic choke, an optional limited-slip differential, redesigned double side-door locking mechanisms in panel models for easier operation and convenience of the driver, and an optional single passenger seat which folds forward for easier access to the panel load compartment.

The diesel lineup consists of 15 conventional cab models on five wheelbases ranging from 133 to 197 inches with cab/axle dimensions from 60 to 124 inches. GVW range is from 15,000 to 23,000 pounds. Diesel power is supplied by the four-cylinder, two-cycle, GM "4-53" engine proved by millions of miles of customer experience. It develops 130 hp. and 271 lb./ft. of torque. With a high ratio of horsepower to weight, size, and displacement, it offers lower fuel costs, long life, and reduced maintenance and downtime. An alternating current generator is standard equipment.

The 327 cu. in. engine, rated at 185 hp. and 305 lb./ft. of torque, features heavily reinforced cylinder block bulkheads, high-strength connecting rod sections, heavy-duty M-500 aluminum alloy connecting rod bearings, hard-tip push rod inserts, heavy valve springs designed to prevent "bottoming out," large capacity air cleaner for increased breathing, and 13-in. clutch for positive action and longer life.

CHEVROLET DIESEL — Shown above is the new 1962 Chevrolet Truck featuring diesel power for the first time, addition of two higher powered V8's and lower hood lines for better road visibility. Diesel power will be featured in the medium and heavy-duty models. Potts Chevrolet in Memphis is the dealer for the 1962 model trucks and pickups.

Lest Our Friends Destroy Us

Every American is deeply and jealously proud of his freedoms as guaranteed under the Constitution and the Bill of Rights. These freedoms are so much more than those enjoyed by the nationals of other countries, even though they have been somewhat reduced in recent years. We would all fight to the death for them. However, I feel sometimes that we overlook the fact that such rights could be one

of our vulnerable points if not properly exercised. I have reference to the fact that these same rights are available to those who would destroy this country and our concept of government, even though they enjoy U. S. citizenship. These rights are also available in large degree to the nationals of other countries, many of whom are not dedicated to the best interests and welfare of our nation. These rights, if misused and abused by our enemies who have access to them, can be formidable weapons and we must be very careful to see that this does not happen.

A good example is the flagrant use of the "fifth amendment." This is the amendment to the national constitution which, in simple terms, provides that a man cannot be forced to testify against himself. The source of this amendment was no doubt the torture chambers of England and other countries so fresh in the minds of those who founded this country and wrote the constitution. This amendment, the primary purpose of which was to protect the innocent, has been badly misused and abused hundreds of times in recent years by those who would delight in seeing our government topple. It is available to those

the same as it is available to all other people in this country. Many more examples could be pointed out where the enemies of this country have reversed our constitutional guarantees and rights and used them to promote their own causes and try to do injury to us. This is a very serious problem and one that must be dealt with in the next several years. It is my feeling that the first thing that must be done is to provide a means whereby loyal, patriotic Americans can be identified; a means whereby those who falsely assume this role may be punished. This is not an easy task. It is one that will require many exhaustive hours of research and much effort to effectuate the desired results. As a beginning, in my work on the problem, I have introduced a bill, H. R. 9066. Several weeks ago I wrote a newsletter in which I stated that I was in the process of preparing such a measure. This has been completed and the measure has been introduced. There were a great number of problems associated with preparing this bill, and although it does not solve all of the difficulties, it will be a measurable step in the right direction. The bill is entitled "A bill to require loyalty declarations from employees of government suppliers and from labor organizations representing the employees of suppliers."

Since the government of the United States spends approximately \$80 billion every year, it does business with every conceivable segment of the economy. Hence, loyalty declarations from all of these people provide the nucleus upon which a defense against traitors and those attempt-

Clarendon College Announces Night School Classes

The Clarendon Junior College opened its fourth evening school session with initial registration on Sept. 18 at seven o'clock. Each course will carry full college credit and will be transferable to senior colleges and universities. Tuition rates will be \$5.00 per semester hour of credit. Classes will meet one evening each week beginning at seven o'clock and lasting until approximately 9:45.

Following is a list of the courses to be offered. Other courses may be added if a sufficient number of people request the course. Classes will begin on the evening of Sept. 25. For further information, contact Dean Oliver J. Abel at the college.

ting to damage or destroy our government could be built.

I can think of many reasons why a person supporting ideologies of government contrary to ours would want to be identified. I can think of no reason why a true, loyal, patriotic citizen of this country would not welcome the opportunity to cry out his loyalty and devotion to his country.

It is time in the history of our country that we take the necessary steps to protect those freedoms which we so dearly cherish.

NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!

'62 CHEVROLET JOBMASTER TRUCKS!

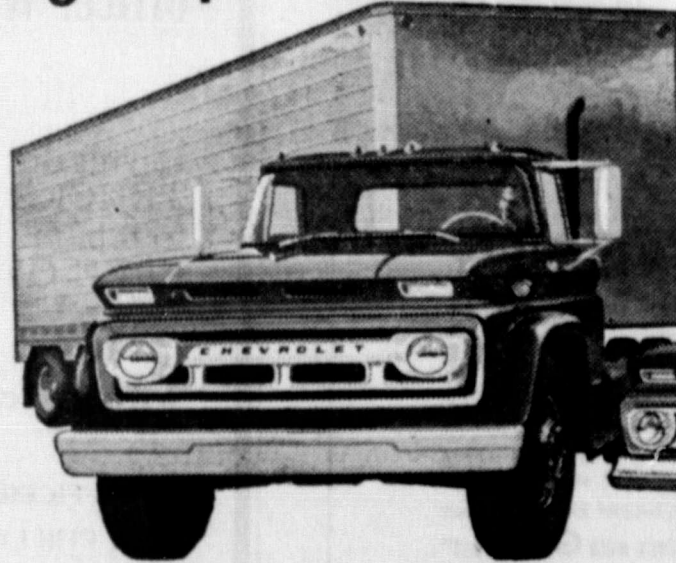

WITH NEW
High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

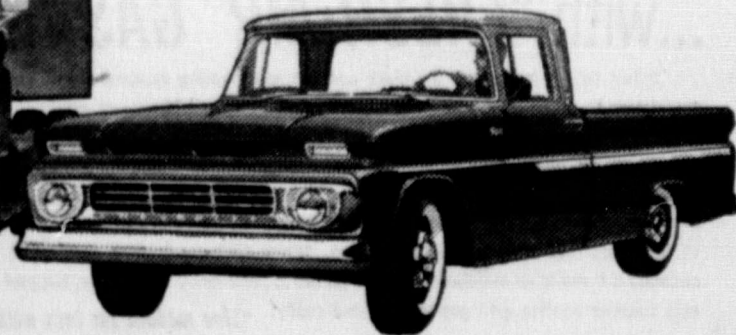

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16% per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rarin'-to-work, ready-to-save engines.

Handsomeness new work-styling includes forward-sloping hoods that allow drivers to see as much as 10% feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost

New **SERIES 80 DIESEL**. Diesel savings and sure Chevy durability.

New **FLEETSIDE PICKUP**. Most modern version of America's most popular pickup.

Cotton is a natural pacesetter—out front in the fashion parade. Designers love cotton. Its complete flexibility and versatility make cotton the medium they turn to for expressing their best ideas. Style is a look, and no fiber can assume so many different looks. In both decorator and apparel fabrics, cotton stands for casual good taste and a way of life that is today. There is no denying it—nothing looks like cotton, does like cotton, is like cotton. It's in a class by itself.

Acreage Survey To Be Conducted

Postmaster Jim Vallance announced today that Rural Mail Carriers will begin distributing 1961 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office and U. S. Agriculture Departments cooperate to make this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1961.

To be sure this community is well represented in the survey, Postmaster Vallance urges each patron receiving a card to fill it out and return it to his mailbox. Rural mail carriers working on this project are: T. O. Pounds, Route One, and I. S. Johnsey, Route Two.

Most Accidents Occur in Homes

Almost 26% of all fatal home accidents occur in the bedroom, according to T. J. Bridges, Lone Star Gas Company manager.

Lone Star and The Memphis Democrat are co-sponsors of the 1961 Home Safety Program in Memphis.

"Fatal yard accidents are in a weak second place with 11.6 per cent," Bridges added.

Locations of other home accidents have been recorded as follows: Kitchen, 10.3%; inside stairs, 7.4%; living room, 5.9%; outside stairs, 3.9%; bathroom, 3.5%; dining room, 3.4%; basement, 1.7%; garage, 1.1%; and other and not stated, 12.3%.

Falls are listed as the top killers in all of these locations except the basement, where exposure to fire is the main cause; and the garage, where poison gases top falls by a slender margin.

Wright Brothers Promoted to Majors in U.S. Air Force

J. H. Wright, Jr., and Lee Eldon Wright, sons of Mrs. J. H. Wright of Estelline, have been promoted to Majors in the U. S. Air Force.

Both brothers are graduates of the Estelline High School.

Major J. H. Wright is stationed at Westover, A. F. B., Mass. Major Lee Eldon Wright is

stationed at Lackland A. F. B., San Antonio. Their families are with them.

Mr. and Mrs. T. E. Noel and Tommy visited here last week with friends and relatives. They came especially at this time to attend the Hall County Picnic. They returned to their home in Denton on Monday.

Accidents are the leading cause of death among all persons aged 1 to 36 and among males alone aged 1 to 37.

Jehovah's Witnesses Hold 3-day Meet In Wichita Falls

Jehovah's Witnesses' three-day training program in Wichita Falls was climaxed Sunday with the District Supervisor, Weldon L. Mackey, quoting Jesus' words in Matthew 24:34: "This generation shall not pass till all these things be fulfilled." Attending from here was Stephen E. Lane of the Memphis congregation.

Texas Circuit No. 9 Assembly

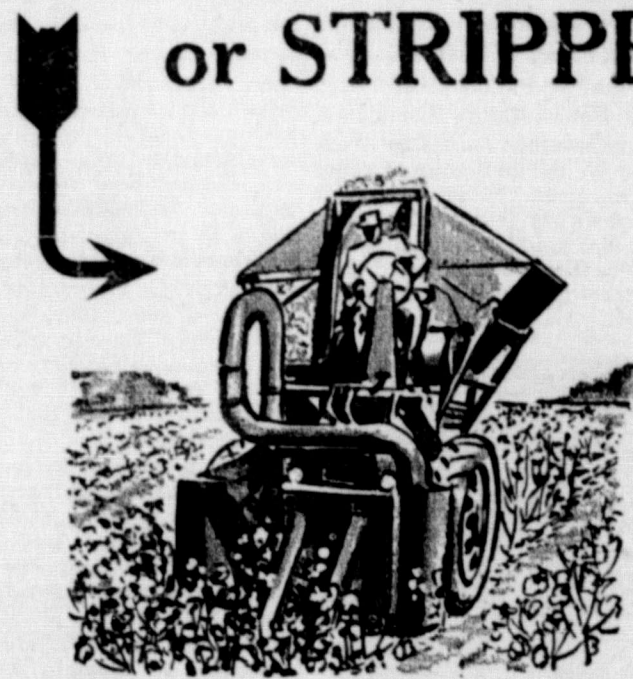

carried the theme "Watch Name of Jehovah Forever." Jehovah's Witnesses meet times a year in circuit to examine their ministry, mine existing weaknesses, plans for expanding the levels, it was announced.

Accidental deaths per population in the United States in a recent typical year 56.7. This placed the 39th place among nations, with 29.2 deaths per 100,000 population, ranked first.

TURNOUT and STAPLE Second To None

WHETHER YOU HARVEST YOUR COTTON...

By HAND or STRIPPER

BRING IT TO EITHER OF THESE TWO FARMER-OWNED GINS For Best Turnout

The two modern farmer-owned gins are operating with one thought in mind to GIVE EACH cotton grower the MOST MONEY FOR EVERY BALE OF COTTON HE BRINGS TO US. For that reason, the Farmers Union Co-Operative Gins are the finest that money can buy. Both plants are in tip-top shape, and crews are ready to handle your cotton.

For better samples, our Double Moss Lint Cleaners in each of the gins mean a better sample. They have proven that they will put more money in the pockets of our customers.

You can return cotton burs to your land

You can return your burs to your land when you gin here. We are cooperating to make this possible, and are stacking burs near our gins and our customers may haul them away as they find time to do this. Our SPECIAL BUR FAN meet government regulations where burs are to be returned to the land.

We will be able to buy your cotton this season, through the Plains Cotton Co-operative. Basis will be posted on cotton each day in our gin office. We will pay off immediately to each grower.

DO YOU NEED WATER ON YOUR FARM?

If you do, you'll be glad to know that this year we are operating TWO WATER TRUCKS for the convenience of our customers. They are on duty from 7 a. m. to 6 p. m. You may call either gin office, and a load of water will be delivered FREE OF CHARGE to you without delay.

If you need boll pullers, let us know. As in past years, we will cooperate with our customers and use our housing units for their benefit.
