NRA Code Plan Adopted By Perryton Firms School Budget Lowered This Year And Tax Rate Is Reduced

SECURE LOANS TO PAY TAXES BOARD URGES

Full Term Of School Is Planned But Help Is Needed In The Matter Of Paying Taxes

Tax Rate Is Set at 68c

Arrears Payments Still Due From Last Year Will Refund All District Warrants

The school budget of the Perryton Independent School district has been lowered by fifteen per cent for the 1933-34 term according to Supt. W. B. Irvin, over the reduced costs of the preceding term. The new budget calls for \$76,909.19 as compared to \$91,455.91 used in the 1932-33 school term.

In connection with the above announcement, the board of trustees announced a tax rate reduction from 80 cents to 68 cents for 1933 which will be due on and after October 1.

Practice Every Economy

Every economy is being practiced in the plans for operating the schools in the district during the coming term. Over fifty per cent of the maintenance cost of the schools has been reduced since 1931. While a full term of school is being planned for this year, the help of everyone is needed in the matter of paying taxes.

Speaking of the outstanding warrants of the district, Supt. Irvin stated that when the state has paid the district what it still owes for the 1932-33 term, all warrants issued.

APPROVE ROAD FUND FOR 117

APPROPRIATION OF \$38,000 SECURED FOR HIGHWAY FROM PERRYTON TO BOOKER

Approval of an appropriation of \$38,000 for grading and drainage of Highway 117 between Perryton and Booker was secured by Judge Oscar Flowers last Wednesday at a meeting in Austin before the Texas Rehabilitation Committee.

According to Judge Flowers this appropriation is made possible by a \$20,000 appropriation from the relief committee and \$18,000 through the state highway channels under a lateral building program. In this connection Highway 117 is considered a "major" road for Federal 83 which is located at Perryton.

Ask For \$300,000 Fund

Representatives in the north and south counties in the north Texas area were represented at the meeting in Austin which was arranged following the Amarillo district meeting of the previous week. The county asked for funds to carry out a \$300,000 lateral road building program.

Woods and Lawrence West, representing the Texas Relief Commission were present at the meeting, approving the local appropriation.

of the right-of-way on the new tract has been secured with the agreement of one tract of land and an agreement has been reached regarding this piece, according to Judge Flowers. It is thought the contract on the project will be completed at the September meeting.

HERALD'S CELEBRATION

EDITION OUT AUG. 17

The annual birthday edition of the Ochiltree County Herald will be published on Thursday, August 17, preceding Perryton's fourteenth birthday celebration on Tuesday, August 22.

Complete plans for the free celebration provided by the Chamber of Commerce will be announced at this time. The issue will also contain many feature articles reviewing the major happenings and events during the unusual year just passed, the thirteenth in the history of the city.

Advertisers desiring space in the birthday edition are requested to prepare their copy as early as possible and turn it in. In addition to the sample copies of this edition that will be mailed, others may be obtained at the Herald office.

THOMPSON KO'S CHIEF TIMMONS

DALHART YOUTH SENDS VETERAN TO MAT FOR COUNT IN THIRD ROUND OF FINAL

Tiger Jack Thompson, 165 pound Dalhart youth, concluded a splendid boxing card Tuesday evening with a striking finale when he sent Chief Timmons, 170 pounds, Pampa, down for the count at the middle of the third round.

From the first gong it was evident to the fans that they were going to see action as the two hefty fighters started hammering home blows that carried all their weight behind them. Timmons may have had a slight edge in the first but he lost it all near the close of the second when he was backed into the corner by Thompson who took advantage of every opportunity to lay in a telling blow.

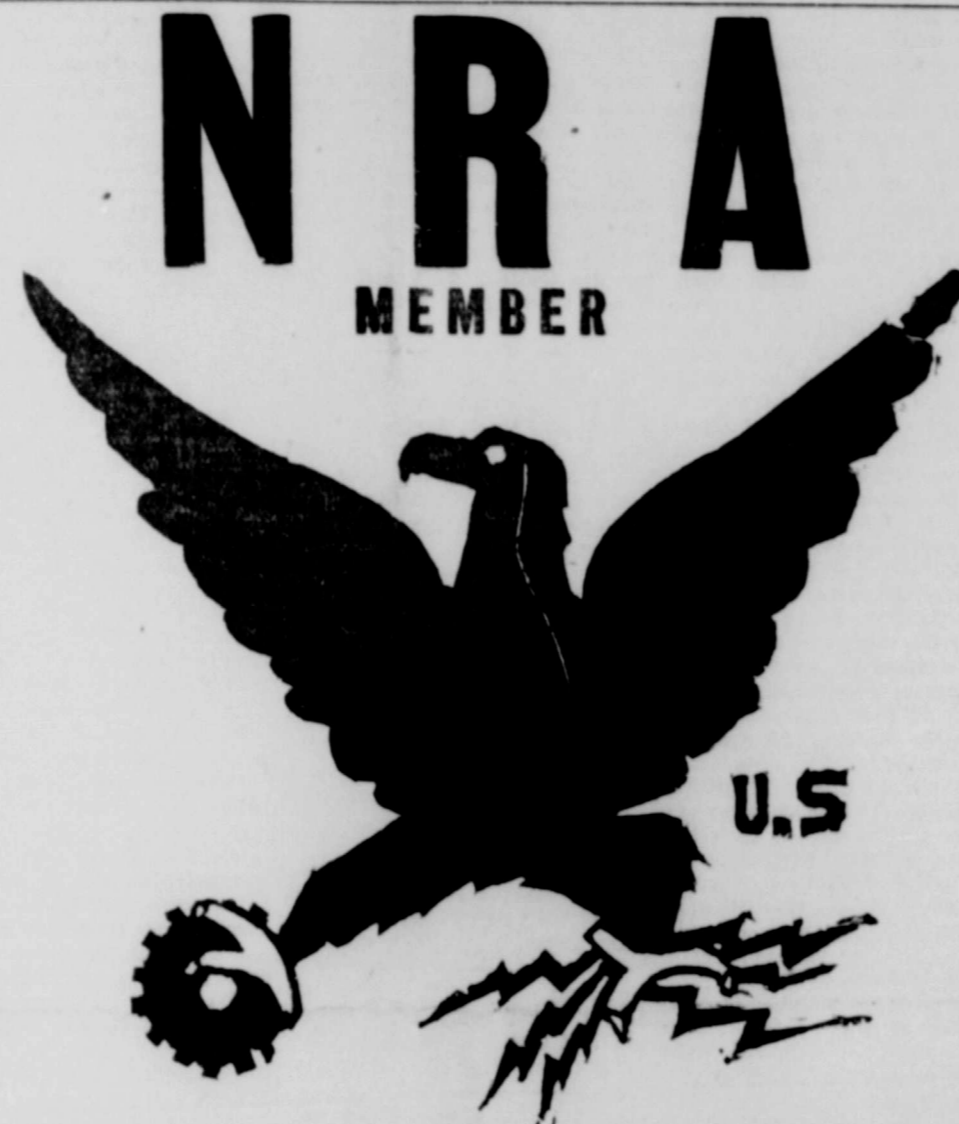

Chief Saved By Bell

Awaiting his opportunity when the Chief let his guard drop slightly, Thompson brought one up from his shoe strings that caught the Pampa boxer on the button, with four counts against him when he was saved by the bell. Showing splendid sportsmanship, Thompson hurried over to him and lifted him to his stool and helped revive him.

Coming out of his corner fast, Timmons smashed into Thompson to open the third but was in no shape to take the latter's punches and was pushed back to his corner going down.

Bob Rogers Seriously Injured Tuesday While Working Under Truck; Is Improving

Bob Rogers, son of Mr. and Mrs. E. W. Rogers, was seriously injured Tuesday afternoon, near Farnsworth when he was run over by the truck he was working on.

Details regarding the accident are lacking but it is understood that Bob was under the truck working on it when it passed over his body. He was in an unconscious state when found.

Medical aid was called from Perryton and while his condition is described as serious, he is improving nicely. No broken bones or internal injuries resulted from the accident, it is said.

HERALD TO DISPLAY NRA BANNER MONDAY

Next Monday morning, the Herald will display the blue eagle of the NRA at which time compliance to the President's request will be signed.

The Herald printing plant will be put on a thirty-five hour week schedule for employees and another printer has been employed to go to work at that time. Office employees will go on a forty hour week schedule. No change will be made in the present opening and closing schedule now in effect, eight to five on weekdays and eight to noon on Saturday.

Mr. and Mrs. Simon Maxwell were guests Sunday evening in the home of Mr. and Mrs. Ira Ferguson.

Beaver Here Sunday

Local Club Wins From Darrouzett By 28 To 8 In Last Sunday's Batting Orgy

Beaver, Okla., and Perryton will meet on Ranger field Sunday afternoon at 3:00 o'clock for their fourth ball game of the season, according to M. R. Coffee, manager of the local club. On the previous meetings, Beaver has twice carried off the honors with Perryton winning once.

In the lively game last Sunday, Perryton won a lop-sided victory from Darrouzett by a 28 to 8 score.

Mr. and Mrs. Simon Maxwell were guests Sunday evening in the home of Mr. and Mrs. Ira Ferguson.

REFUNDING OF BONDS SAVING TO DISTRICT

A deal was closed this summer in the refunding of \$25,000 worth of Perryton Independent School district bonds which resulted in a net saving of \$28,000 to the district during the life of the bonds.

Supt. W. B. Irvin has been working on the matter for nearly a year and finally made the exchange during the vacation period. The original bonds of six per cent were taken up at a discount and five per cent bonds placed with the state school fund in the same amount, resulting in a cash saving paid to the sinking fund of \$1,178.48 in addition to the lowering of the rate of interest and the changing of the time of the bonds by lowering them twelve years.

Mr. Irvin is working on similar plans on other blocks of outstanding bonds and hopes to be able to refund them in a like manner.

DIRT STORM SUNDAY EVENING REMINDS MANY OF TORNADO HERE ON JULY 14

A threatening dust storm swept over the city Sunday at 6:15 o'clock, recalling to minds of all the tornado that struck here July 14, and sent many residents scurrying to their cellars and storm caves.

Lashing out of the west and north west, the violent wind carried a cloud of dust before it that turned the early twilight into night but relief was soon felt as rain following the dust cloud soon cleared the atmosphere. The shower supplied .46 of an inch of moisture during the evening.

Other local showers have been received during the week. An early morning rain on Wednesday measured .47 of an inch and a shower early Thursday morning furnished .13 of an inch, bringing the total for the week up to 1.06 inches.

According to Jack Allen, the government rainfall records for the month of July show that 2.99 inches were received during that period. Mr. Allen is not content to keep the actual records of rainfall but is going into the forecasting business with the promise of a wet month for August, assuring farmers a good season for fall wheat planting.

Schedule Of Wages And Hours Being Worked Out For Every Business Firm

At a meeting of seventy-five men and women representing nearly as many business firms, held at the Coffee Shop Monday morning at 10:00 o'clock, unanimous approval was voiced to the speedy adoption of the President's reemployment agreement, authorized by the National Industrial Recovery Act.

C. E. Whippo, president of the Chamber of Commerce which organization sponsored the mass meeting, presided over the group, explaining the purpose of the plan. Others, representing various classes of business expressed opinion and views which lead to the group approval of the agreement.

Adjust Local Problems

A central committee composed of Judge Geo. M. Perry, C. E. Forbes and Mayor Dave Shanks was named by the chair to deal with all problems and assist in making satisfactory adjustments. The various business groups present were urged to immediately adopt a set of governing regulations and adhere to them in the carrying out of the agreement.

FREE BIRTHDAY PARTY AUG. 22

BASEBALL GAME ARRANGED BETWEEN BEAVER AND PERRYTON FOR BIG FREE PARTY

Plans for Perryton's fourteenth free birthday party on Tuesday, August 22, are rapidly being completed, according to Dr. G. J. Budd, celebration manager, with the announcement of various committees that arrangements are well under way.

The baseball committee, headed by M. R. Coffee, has arranged a game between Beaver, Okla., and Perryton for the afternoon program, to be featured with a free gate, a cash prize being offered the winner by the Chamber of Commerce.

The boxing exhibition program for the evening is practically completed with Tiger Jack Thompson, Dalhart, and Ray Thomas, Supply, Okla., headlining the card. Kenneth Rayzor and H. C. Sanford are in charge of the arrangements in this entertainment feature.

Stage "Old-Timers" Rodeo

Carl Ellis and Sibley Jines report that arrangements have been made for twenty calves to be used in the "old-timers" calf roping contest and the rules governing the rodeo contest have practically been completed.

Ray Thomas, who was named on the birthday dance committee has rejected the appointment, and a substitute will be provided to make arrangements for this feature, Dr. Budd announces.

Directors of the Chamber of Commerce were named by President C. E. Whippo to handle the finances of the various committees. These appointments are as follows: music

Facts On Unemployment Relief Bond Issue In Texas

The following facts are issued by the Texas Relief Bond Issue Steering committee of which R. T. Shindler is the local county chairman. The article is not excessively long and if you have the best interests of your fellow man at heart you should read it in order to be posed on the situation before you vote on the constitutional amendment which will give the legislature authority to issue bonds net in excess of \$20,000,000 over a period of 2 years for relief work to match Federal funds. This is a vital issue. Whether or not Texas and this county continues to receive Federal relief funds depends on whether this bond amendment carries. It may also affect the administration of all other Federal projects in Texas. We urge you to read this entire article.

1. At present 1,270,000 Texans (one out of every five) are being fed wholly by federal funds.

2. It is well known that many more thousands are rapidly exhausting their last reserves, and that the rank and file of those not destitute are less able today to aid their relatives, friends and neighbors than ever before in the history of our State.

3. The demand for federal aid in July exceeded the preceding month of June by 31 per cent.

Continued Demand

4. While the national program and seasonal developments are expected to halt the upward trend of relief demand, it is generally agreed by all relief authorities that the demand will continue through the fall and winter in a volume too heavy to be met by voluntary or local taxation relief. The depression has thrown too many lives out of gear for immediate readjustment. There are too many thousands who, because of age or disability, cannot be absorbed into the industrial recovery program.

5. While the distress was apparently more acute in the larger cities a month ago, the drought and crop failures are spreading over the entire state the need of outside aid if the people are to eat. Any plan of relief contemplates proportionate relief to all counties and sections.

Federal Funds

6. In March of this year \$1,382,955 of federal funds was sent to and expended in Texas for the relief of the destitute. In April it totaled \$1,427,405. In May it increased to \$1,626,063. In June, due to delay on the part of the Legislature in submitting the proposed amend-

ment, only \$855,234 was received, but in July \$2,042,920 was and is being received and expended.

7. This money is being sent to Texas out of the five hundred million dollars appropriated by the Congress. The payments now average about one million five hundred thousand dollars a month, or eighty-seven million dollars a year. The result of the election on the State Bond Issue authority for the Legislature will determine the future attitude of the Federal Government.

Legislature Powerless

8. Under the Constitution a present legislature is strictly and specifically forbidden to donate or contribute state funds for any purpose. If this constitutional inhibition is not removed and if thousands of Texans begin starving the legislature would be powerless to aid them, even if it had an overflowing treasury. Local taxes at maximum constitutional limits are leaving cities and counties with heavy deficits, and there is no source to which these starving people could look for sustenance.

9. On August 26 the people of Texas vote on a proposed amendment giving the legislature the power to issue bonds up to the amount of \$20,000,000 during the next two years for the relief of the destitute and to match federal funds for

that same purpose. If the amendment is defeated no other amendment can be submitted until 1935.

10. The people are not voting bonds. They will be vesting in the Legislature power to meet such crisis as may develop. The present legislature has shown itself economically minded and will not issue more bonds than are absolutely needed.

Money Flow May Stop

11. If the amendment is defeated the present flow of federal funds stops immediately.

12. If the stoppage of Federal funds precipitated a wave of hunger amongst the destitute, it would almost certainly be accompanied by serious social disturbances in the larger centers and followed by repercussions felt in every part of the state.

13. If our people, by their vote, indicate that they do not want or need federal aid, we may lose many more millions of dollars that would otherwise be expended on projects financed under the National Industrial Recovery Act, and Texas would be thrown out of step with the entire national program of recovery.

No Wastage Assured

14. The act of the legislature submitting the proposed amendment definitely forbids the payment of any commissions or profits in the

sale of bonds, which must bring to the treasury their par value. While no definite arrangement has been made for their disposal, the Reconstruction Finance Corporation will be urged to subscribe to such bonds as are issued and its past security purchases offers no inconsistency to its purchase of this issue.

15. After disposal of the bonds the proceeds will be used under the direction of the Texas Relief Commission, a non-partisan body of seven outstanding Texans, of whom the governor appointed three, the lieutenant governor named two and the speaker of the house named two.

16. While many voters may shy at establishing the precedent of issuing bonds under our present constitution (but which is not a new thing in Texas history), these are unprecedented times. The present era of distress in Texas is unprecedented. Tradition and precedent are being shattered everywhere. The times call for the same aggressiveness that is marking our national administration's policy.

17. If the entire amount of bonds authorized is issued, the annual tax to retire the principal and interest would be less than fifty cents per capita per year. Federal funds for relief for the single month of July alone amounted to thirty-six cents per capita.

MUST VOTE FOR RELIEF BONDS

FEDERAL FUNDS PERMANENTLY STOPPED IF AUGUST 26 AMENDMENT DOES NOT CARRY

Federal funds to feed the destitute of Texas are flowing into the State at an average rate of about \$1,500,000 a month...

The report shows that in March the State received \$1,382,955; April, \$1,472,465; May, \$1,626,863; June \$885,234; July, \$2,042,920.

In May the legislature was hesitant about submitting the proposed amendment authorizing the issue of State bonds for relief and the Federal Relief Administrator immediately suspended payments to Texas.

At the election on August 26 the people do not actually vote on the bonds. They merely vote to amend the constitution to give the legislature power during the next two years only to issue bonds to match Federal aid.

R. T. Shindler, who has been serving on the County Federal Relief committee since its inception here a year ago, has accepted the appointment as Ochiltree county chairman, working in the interests of carrying the state wide bond amendment in order that this county may continue to receive Federal funds for this relief work which will be so necessary during the long period between the present time and next harvest.

YOUNG PEOPLE AT INSTITUTE

PERRYTON DISTRICT METHODIST YOUNG PEOPLE ATTEND CHRISTIAN INSTITUTE

Climaxing three days of study and pleasure, eighty-nine Christian culture credits were issued to Methodist young people from all over the Perryton district of the Northwest Texas conference at Near-to-Nature Park, south of Gruver, Thursday afternoon, July 27.

The institute was under the direction of the Perryton district board of Christian education with the secretary of the board, Rev. H. A. Longene of Texhoma acting as dean. Rev. H. A. Nichols, Spearman, was dean of boys, and Mrs. J. E. Eldridge, presiding elder, conducted the forum discussions on the new plan of organization of the young people's division of the church, as outlined by the general conference and the general board of Christian education.

Many new and startling discoveries were made including Addison Cutler's "midnight melody boys," a bride-to-be, burnt bacon, flies hovering about the food, a few prosperous individuals with ice-cream on their menu, some unwanted company, a shortage of boys, some would-be expert horse riders, and the hardness of the ground, especially when used for a mattress.

Out of the seventeen charges in the Perryton district, the following were represented: Texhoma, Optima, Felt, Union Chapel, and Hooker, Oklahoma; Channing, Hartley, Spearman, Perryton, Gruver, Stratford, Stinnett, and Gehritt, Texas.

Everyone had a delightful time and gained much inspiration and many helpful ideas from the institute. Plans are already underway for a similar, but perhaps longer assembly next year.

Fire Thursday Night

Midnight Alarm Caused By Blaze At J. M. Cummins Duplex On Southwest Third

A midnight fire alarm was turned in last Thursday night when a blaze was discovered at the J. M. Cummins duplex on Southwest Third street.

Quick work on the part of the fire department prevented the blaze spreading to nearby homes and the flames were soon under control although too late to save much of the building, which was badly damaged.

The household effects of M. T. McLain in the north side of the duplex were badly damaged by the blaze. Mr. and Mrs. McLain were in New Mexico at the time of the fire. Part of the household goods of the party just moving in the south duplex were damaged.

CALLS SCHOOL MEETING HERE

EXPECT REPRESENTATIVES OF THREE COUNTIES TO MEET STATE SCHOOL MAN HERE AUG. 8

School officials and representatives from Hansford, Lipscomb and Ochiltree counties are being called to a three county meeting here on Tuesday, August 8, according to Judge Oscar Flowers, to discuss school matters with a representative from the State Department of Education who will be here on that date.

The meeting is to be held at the courthouse at 2:00 o'clock in the afternoon, and all school trustees, officials and patrons from the three counties are being urged to attend.

According to Judge Flowers, the state department representative will spend only three or four days in the north Panhandle and is arranging group meetings at centrally located points in order that all may attend.

WHEAT ACREAGE CUT UNDECIDED

REDUCTION PERCENTAGE WILL BE ANNOUNCED AFTER AUGUST 24, WALLACE SAYS

Postponement until August 24 of the decision setting the percentage of wheat reduction to be asked of farmers in consideration of benefit payments to be paid under the voluntary domestic allotment plan were announced this week by Secretary Wallace, according to a Washington dispatch.

Wallace said he "wishes to give the world wheat conference an opportunity to reach a decision for a reduction of production by all four great exporting nations before the United States embarks independently upon a definite domestic acreage reduction program of its own."

Wallace's order was recognition of a cablegram received late last week asking him to postpone his decision because of new possibilities for an international agreement being reached at London.

TIRE THIEVES BUSY IN SPEARMAN LAST SUNDAY

Spearman citizens suffered the first wholesale thievery of automobile tires and wheels after midnight Sunday night when fourteen castings and tubes were stolen and seven wheels were stolen from automobiles.

Cues left by the thieves reveal that the work was done by three men. They first pushed off a four wheeled trailer belonging to Basil Good who lives in East Spearman. Tracks and traces of their route reveal that three pushed the trailer over town taking off castings from automobiles and other trailers where ever they came across them.—Spearman Reporter.

M. T. McLain came in Wednesday evening from his sisters, near Albuquerque, N. M., where he and his family have been visiting, to see about his household goods, which were damaged in a fire last week. He expects to return Friday.

PLAN PROGRAM PUBLIC WORKS

ADMINISTRATOR FOR TEXAS WORKING WITH WEST TEXAS CHAMBER OF COMMERCE ON PROJECTS

First official act of Clifford B. Jones, newly-appointed federal public works administrator for Texas, Louisiana and New Mexico, was to summon into conference at Spur, recently W. D. Cline, president, D. A. Bandoen, general manager, and Chas. E. Coobes, general attorney of the West Texas Chamber of Commerce.

Purpose in calling them to Spur, Jones explained to the regional chamber officials, was to procure from them information on the work the West Texas Chamber of Commerce has done, and is doing, in assembling applications from political subdivisions in its territory for the participation in the loans for public works projects under pertinent provisions of the Act of 1932 and the National Industrial Recovery Act of 1933, under which Jones was appointed.

W. D. Cline being unable to go Bandoen and Coobes took with them to Spur full data, including comprehensive information assembled by the West Texas Chamber, and its experience of expediting the servicing of applications that have been found to be eligible. At conclusion of the conference Jones handed newspapermen the following typed statement:

"In view of the familiarity of the West Texas Chamber of Commerce with National Industrial Recovery Act, and the possibilities it offers to the territory served and to West Texas projects eligible to federal loans gained from several months work with the many hundred applications on file and in process of completion, Regional Administrator Clifford B. Jones today sought at Spur, Texas, conference with D. A. Bandoen, general manager, and with Chas. E. Coobes, attorney, of that organization, to the end that he and the administration might have the benefit of the comprehensive information assembled by the West Texas Chamber of Commerce and the experience of that organization in expediting the servicing of the pending applications."

W. D. Cline, Wichita Falls, president of the West Texas Chamber of Commerce, who spent ten days in Washington recently advocating a program of administration of public works by officials responsible directly to Washington, to whom any political subdivisions could apply directly or through chosen agencies for loans, upon being interviewed by long distance telephone said:

"We are delighted with the appointment of a West Texan, Clifford B. Jones, as public works administrator for the seventh zone is surety that so far as the seventh zone is concerned, every community soliciting participation in the public works program will be treated strictly according to the merits of its projects, and that every community, large and small, will have equal opportunity to share in this fund."

"The appointment of a regional director and establishing of a state committee free from Texas politics carries out in full the recommendations of the West Texas Chamber of Commerce made to the responsible authorities in Washington. These were, first, that an administration responsible to Washington to be set up free from local influences, and second, that all political subdivisions have equal right to apply to this administration direct, or use some chosen agency."

Messrs. Bandoen, Coobes, and T. J. McCarty, Industrial Engineer report that in West Texas, 250 political subdivisions covering 450 projects have prepared, or are in the

process of preparing applications which seemingly qualify under the act, which projects total \$65,000,000. It is the purpose of the West Texas Chamber to submit only those projects which are eligible according to the terms of the act and to the rulings of the administration. All applications are being serviced with the view of getting them complete, thorough and accurate, the purpose being to submit those that are found to be eligible direct to the administrator and his state committee without delay.

CHRISTIAN SCIENCE

"Spirit" is the subject of the Les-
 son-Sermon in all Churches of
 Christ, Scientist, Sunday, August 6.
 The Golden Text is from Psalms
 143: "Teach me to do thy will; for
 thou art my God: thy spirit is good."

Included with other passages from
 the Bible is the following from John
 4: "God is a spirit: and they that
 worship him must worship him in
 spirit and in truth."

The Lesson-Sermon also includes
 citations from the Christian Science
 textbook, "Science and Health with
 Key to the Scriptures," by Mary
 Baker Eddy: "The Scriptures imply
 that God is All-in-all. From this
 it follows that nothing possesses re-
 ality nor existence except the di-
 vine Mind and His ideas. The
 Scriptures also declare that God is
 Spirit. Therefore in Spirit all is
 harmony, and there can be no dis-
 cord; all is Life, and there is no
 death. Everything in God's uni-
 verse expresses Him.

"God is individual, incorporeal.
 He is divine Principle, Love, the uni-
 versal cause, the only creator, and
 there is no other self-existence. He
 is all-inclusive, and is reflected by
 all that is real and eternal and by
 nothing else. He fills all space, and
 it is impossible to conceive of such
 omnipotence and individuality ex-
 cept as infinite Spirit or Mind.
 Hence all is Spirit and spiritual"
 (p. 331).

Shower for Recent Bride

About four o'clock Monday afternoon, Mrs. Kenneth Silsbee was pleasantly surprised, when two carloads of friends, members of the Y. W. A. drove up and showered her with packages when she opened the door.

Mrs. Silsbee, who until her marriage a few weeks ago was Mildred Blackwelder, was the vice-president of the Y. W. A. and a very popular member.

After the numerous gifts were admired, the remainder of the afternoon was spent visiting and with music. Ice cream and cake, which was brought by the guests, was served to the following: Misses Mada Pugh, Mary Francis Whittaker, Hazel Nicholson, Iris Powell, Mary and Ruth Wood, Lois and Dorothy Land, Mrs. A. M. Blackwelder, and the sponsor, Mrs. J. A. Land, and the honoree.

Neilson-Apple

Mr. and Mrs. W. H. Neilson announces the marriage of their daughter, Mildred, to Mr. John Apple of Perryton, son of Mr. and Mrs. Pruner Apple, which was solemnized July 1st, at Beaver City, Oklahoma.

The couple will make their home in Fairview, Oklahoma, after August 1st.

Mrs. John Apple (Mildred Neilson) was honored with a shower, July 16th, by her friends. The guests met at her home about three o'clock and presented a program of music and singing.

The newly wed received many gifts from her friends.

Those present were: Edna Buchanan, Fern Gower, Ruby and Inez Wilson, Charley Windom, Clea Harris, Jean Lyon, Alvino Caldwell, Vivian Close, Billie Jenkins, Ella Breeze, Helen McLeod, Ted Pittman, Lucille Buchanan, Joyce Wilbanks, Clacie Mae Moore, Carrie Nesbit, and the bride, Mildred Neilson-Spearman Reporter.

Class Meet

Miss Virginia Correll entertained the Friendship class of the Methodist church for a class meeting, Monday evening, at her home, 606 Southwest Third street.

After a study of the books of the Old Testament, games were enjoyed and the hostess served delightful refreshments of cheese roll, ham sandwiches and dainty cookies, which had the name of each guest loed on top. The class will meet again Friday night with their teacher, Miss Ruby Neufeld.

Those present were Ruby Neufeld, Modelle Williams, Eveline Bryan, Opal Allen, Abbie Hooper, Elsie Lee Thomson, Onnie Pate Garrison, Winifred Butler, Beth Lovett, Martha Gidley, Elsie Clark, Luella McMillen, and the hostess.

Celebrate Birthday

Jimmy Dick Key observed his fourth birthday anniversary Wednesday and in the afternoon his mother, Mrs. S. D. Key, invited the neighbor playmates in to help him enjoy his birthday cake, which was served with delicious ice cream.

The little guests enjoying the affair were Bill and Mary Kathryn Allen, J. C. Jones, Gale, Jane, and Donald Rogers and Jerry Key.

Line Party

The members of the Sunshine class of the Methodist church met with their teacher, Miss Helene Orr, in the home of Miss Vivian Rogers Monday evening, and then enjoyed the picture at the Ellis Theatre. Afterwards they returned to the Rogers home and were served with punch and cake.

Those attending were Juanita Weldon, Myrtie Dowers, Ruth Mae Carpenter, Blanche Porter, Suzanne Eldridge, Doris York, Ruth Ann Shearer, Vivian Rogers, and Miss Orr.

Paul Packard Marries in Hollywood

Mrs. George Lilly received a message Monday telling of the marriage of her son, Paul M. Packard, at 2:15 that afternoon.

Paul, or "Tuffy" as he is more familiarly known by his friends here, has been working in Hollywood for the past three years. The news of his marriage came as a complete surprise to his relatives and friends, who wish for him and his bride, years full of happiness and success.

Covered Dish Luncheon

The members of the Busy Ladies class of the Methodist Sunday school will meet at the home of Mrs. J. M. Bull, Friday, for an all day meeting and a covered dish luncheon at the noon hour.

Swimming Party

The members of the Golden Rule class of the Methodist Sunday school met at the church Tuesday evening at 7:00 o'clock and departed for the Horse Shoe Bend on Wolf Creek.

Swimming was fun for several hours and then the eats were spread. Those going were Opal Fogelson, Mary Madolyn Sherman, Ava Dunlavy, Cleo Cudd, Vona Mabel Spencer, Florence Riggs, Dean McLarty, Hal York, Earl Travis and their teacher, Addison Cutter.

Pioneer Club

Mrs. K. K. Thomas entertained the Pioneer bridge club, Friday, July 28, for an interesting afternoon of bridge. Mrs. Sebastian played high. Lovely refreshments were served to Mrs. Liel Lewellen, Mrs. C. J. Hutchinson, Mrs. Herbert Shindler, Mrs. P. H. Sebastian, Mrs. Fred Hood, Mrs. J. L. Donley, Mrs. Minnie Blank and Mrs. Thomas.

J. U. G. Meet

Mrs. H. W. Yark met with her Sunday school class at the church Monday evening for a delicious pot luck supper. This was followed by a business session.

Members present were Kathryn Orr, Eleanor Stark, Sadie Clark, Hazel Bryan, Lois Mae Jones, Alice and Bernice, Winfrey and Claudia Zirkle.

McMILLEN NOTES

Earl Waide, Reporter

There were one hundred and three at Sunday School again last Sunday. This was the last Sunday of the contest and everyone was greatly surprised at the ending. The Blues have been ahead since the contest started, but the reds got busy last week and brought enough members to catch up and tied the contest. This was a very good ending anyway, as Mr. Urban had promised to furnish a special number in Sunday School in case of a tie. The special will be given on Sunday, August 13, and we want every one who has ever attended the McMillen Sunday School to be there on that day.

Mr. and Mrs. W. E. Dear and Mr. and Mrs. Gilman Flowers and son, Joe Hale, and Fern Harris were dinner guests in the Arthur Swink home Sunday.

Mr. and Mrs. Byron Perry are visiting with friends and relatives in Portales, New Mexico, for several weeks before they begin their school term here.

Mr. and Mrs. C. H. Willis, Mr. and Mrs. Leslie Willis and daughter, Betty Jean, Mr. and Mrs. Earl Waide and son, Gene, and Buddy French took dinner with Mr. and Mrs. S. F. Waide last Sunday.

Mr. and Mrs. Gilman Flowers made a trip to Southland, Monday to take Fern Harris home. While they were gone they visited with Cephus Flowers and family, who live at Tulsa.

The annual McMillen Sunday picnic will be held on Friday, August 2, at the Kelms ranch on Wolf Creek. Many things have been planned for entertainment. Some of the most important are the ball games between the girls and the married women, and the one between the boys and the married men which promises to be a hot game. The boys have been practicing for several weeks and are planning on a sweet revenge for the defeat handed them last year. The girls are disappointed because the umpire who officiated last year is not here, but we will try and get as good looking one as possible to fill his place. Other things which should be mentioned are the basket dinner, and watermelon and lemonade. Nuf Sed.

The Sunday night meeting was postponed last week on account of

Don't forget to come to Sunday School on Aug. 13.

Mr. and Mrs. A. R. Cook and family visited in the Audie Conley home Sunday.

Mrs. Lois Flowers visited with her sister, Miss Lactea King, last Friday.

Mr. and Mrs. H. B. Phillips and children returned Monday from a weeks fishing trip in New Mexico and Colorado.

Sunday School will be at two o'clock next Sunday and Rev. J. M. Sibley will preach at three.

Mrs. Earl Waide and son, Gene, visited in the C. C. French home Saturday.

Mrs. B. L. Barnes visited in the Wills Hardy and Arthur Slavin homes Friday.

Mrs. Maggie Tarbox and Mrs. Byron Perry visited in the H. B. Urban home Wednesday.

Mrs. B. L. Barnes and children were guests of Mrs. B. F. Murphy, Monday evening.

LUTHERAN CHURCH NOTES

A Good Test

Once when Gladstone was the best-known man in England a group of men were gathered telling stories. One of them started a filthy story. After he had told it, one of the other men said to him: "How much will you take to tell that story to Gladstone?" Gladstone was the noblest and purest minded man those fellows knew, and the one who told the story knew that he would not dare tell it to Gladstone, no matter how much money he offered.

This is a good way to test your speech or the conversation of another. When you are tempted to repeat a certain story you have heard, think of the finest person you know, the one with loftiest ideals. It may be your mother, or your sister, or your sweetheart, or the pastor of your church. Best of all let it be Jesus Himself. Then ask yourself the question, would I be willing to tell this to my mother, or to my sister, or to my sweetheart, or to my pastor, or to Jesus if He were visibly here in person? If you can truthfully say that you would not want any of those to hear what you contemplate saying, then it had better remain unsaid.

The sermon subject at 10 o'clock Sunday morning will be, "Examine Yourselves" (2 Cor. 13, 5). Sunday school and Bible Class after the service. A cordial welcome extended to all.

H. W. Hartenberger, Pastor.

Arnold and Virginia Good and Miss Monte Ray Rucker, Notia, spent the day Friday with their sister and aunt, Mrs. Ira Ferguson.

Mrs. Nettie Northcott, Pampa, is making a visit with her daughter, Mrs. Y. R. Ball and family.

Is Kelvinator Dealer

Plainview Hardware & Furniture Co. Takes Dealership For Popular Refrigerator

Participation in the intensive sales campaign now being held by Kelvinator Corporation will be one of the first activities of the Plainview Hardware & Furniture company following appointment of that organization as Kelvinator dealers for this territory. It was announced today by B. B. Kent, manager.

The company, with headquarters at 306 Main street will handle the complete line of Kelvinators, both household and commercial refrigeration, sales of which so far this year has broken all past records in the history of the company.

Pointing out that Kelvinator's retail price will undergo a considerable increase on September 1, the dealer said that his company has made arrangements to provide a complete stock at once to enable customers to select their refrigerator before the advance goes into effect.

Despite the fact that prices on virtually all materials used in the manufacture of Kelvinators have gone up within the past several months, Kelvinator purchasers this summer are still able to benefit by the low material prices which have existed prior to the present upturn. C. F. Jones, manager of the refrigerator department said. Kelvinator prices on September 1 will be restored to the levels of March 21.

"We are happy to become connected with Kelvinator Corporation. The business record of this company over the last six or eight months show that its officers are doing more than their share in restoring prosperity, not only by putting their own business on a record breaking basis, but also, by increasing employment in the Kelvinator factories and putting thru a general pay increase program which has benefited its employees elsewhere," Mr. Kent stated.

Sunday Services:

9:45 a. m.—Bible school.

11:00 a. m.—preaching.

7:15 p. m.—young people's meeting.

8:15 p. m.—preaching.

We are justly proud of the young people of our church. More than 95 per cent on the average remain for preaching service after bible study hour. Their interest in religious work is a joy to our hearts. Some of them lead in public prayers, give short bible lessons in young people's meeting and even take charge of our regular mid-week prayer meeting occasionally. In addition to this there are frequent contributions in music and song.

People are being converted in our services. The poor and the unlearned are especially invited to meet with us.

BRILLIANT CAST SEEN IN NEW FILM DRAMA

A brilliant cast, replete with name talent, was assembled for "The Wrecker," Columbia's new melodrama opening Friday at the Ellis Theatre. Jack Holt, distinguished veteran performer with an outstanding record of screen successes, is seen in the leading role.

Genevieve Tobin, noted screen and stage star, is Holt's leading woman. Miss Tobin has just returned from a successful tour abroad, where she appeared with Gloria Swanson in "A Perfect Understanding."

George E. Stone, well remembered for his portrayals in "Cimarron," "The Front Page" and "42nd Street," has another important role in "The Wrecker." Before making his bow on the screen several years ago, Stone had a long and successful stage career also headlining in vaudeville. He has achieved a well-deserved fame as a character actor, tragic Jewish parts such as he has in this film.

Sidney Blackmer, likewise a noted

figure before the footlights, and incidentally the husband of Lenore Ulric, is the villain of the piece. Blackmer is a well known figure recruited from the stage where he appeared opposite his wife in most of her popular successes.

Others in the cast are Ward Bond, Ed Le Saint, Irene White, Clarence Muse, P. H. Levy and Russell Waddie. Albert Rogel, who recently made the successful "Hell's Cargo," wrote the story, and directed it from Jo Swerling's screen adaptation.

Mr. and Mrs. A. W. Blue and son, Ronnie, and her sister, Miss Sarah Margaret Ruffrauf, are spending a few days in Canadian in the home of their parents, Mr. and Mrs. F. A. Blue. Miss Lois Blue, who has been here the past week returned to Canadian with them.

Mr. and Mrs. Carroll Dodd have as their guests this week, her father, J. H. Sansberry, and her brother, Harold, of Kansas City. They are enroute to points in New Mexico.

Mrs. Jesse M. Lehmann Tuesday from Shiloh. She will make her home here with her son, E. W., who is in charge of the Champlin Service Station.

Miss Rudean Ball spent the end in the country with Dorothy Buddock.

Mrs. A. W. Blue had an evening with her friends, Mrs. Charles Selby, Mrs. Dodd and Miss Fern Land.

Mr. and Mrs. Y. R. Ball their guests for dinner, Mrs. Iola Milson and Mrs. Bart of Nocona.

Mr. and Mrs. Kenneth living at 602 Southwest

Mrs. R. T. Shindler and her daughter, Margaret, Miss Dorothy McLarty and Mrs. Mae Isom returned from a two weeks vacation at Montezuma and Taos, N. M.

ACREAGE FOUR MILLION

REDUCTION CAMPAIGN QUOTA IN TEXAS: PANHANDLE COUNTIES INCLUDED

Station—"It was the splendid work of 4000 local committeemen who helped thousands of inter-estants that put Texas over in the recent cotton acreage reduction campaign with a grand total of 4,000,000 acres offered for reduction."

commented O. B. Martin, director of the Texas A. & M. Extension Service at the largest and most spectacular campaign in the history of the South.

On the night of July 12th the newly established Secretary Wallace declared the cash rental lease-terminative. Mr. Martin chortled after the first week of pre-arrangement was plain to us at state that the goal would be reached.

In spite of the handi-ness delay in getting con-cessions from the counties, five days of work brought two-thirds of the quota with the rest in hand.

Instructions have been sent to every county, the Extension Service has been notified from Washington. About 244,000 Texas farmers were estimated at Extension Service headquarters to have signed contracts at the conclusion of the cotton acreage reduction campaign. The approximate average acreage contracted for retirement was 17 acres per farm.

If all the offer contracts sent from Texas to Washington are approved by Secretary Wallace, Texas farmers would receive \$40,000,000 in cash rentals, in addition to about \$20,000,000 from cotton options if this Government cotton were sold on the basis of July 14th prices, Extension Service officials estimated.

Sponsor Third Tour

Amarillo News-Globe Conducting Tour To Century Of Progress In Chicago

AMARILLO, Aug. 2—Interest shown in the third Amarillo Globe-News special to the World's Fair indicates that it will be the tour extraordinary of the year.

Insistent demands on the part of Panhandle citizens has induced Wilbur C. Hawk, general manager of the Globe-News, to again sponsor the train.

It will leave Amarillo August 20 and return he following Sunday. Despite an increase in Pullman tariff of \$7.10, there will be no increase in the usual fare, \$67.50, which includes all expenses but meals while in Chicago. The special will be made up of all pullmans and air-cooled dining cars, a recreation buffet observation car.

Included among the accommodations offered are staying at the New Palmer House, America's finest hotel, while in Chicago, grand tours of the exposition and of the "windy city", moonlight cruises on Lake Michigan, admission to the fair grounds and the most interesting exhibits, a visit to the high Ford assembling plant and Pullman and meals there and back.

National Legion Office Endorses and Puts Into Effect Request Of President

Indianapolis, Ind., Aug. 2—Louis Johnson, national commander of the American Legion, has wired President Roosevelt that the entire national organization of the Legion has complied with the National Recovery Act.

The telegram was as follows: "Complying with request made to the people of the United States I take pleasure in informing you that the national organization of the American Legion including its Washington offices and the American Legion Publishing Corporation has complied with the terms of the National Recovery Act as to minimum salaries and maximum working hours effective this date. All efforts of the American Legion are being directed toward sound economic recovery of our nation and we pledge our continued unselfish service."

A total of 171 persons are affected by this adjustment. "We will not be able to sponsor another tour as cheap as this one, for the new tariff on Pullmans will go into effect soon," Mr. Hawk said.

Reservations may be made now by paying \$10.00 down and the balance by August 15. Checks may be mailed to Mr. Hawk at the Globe-News. Places aboard the special may be reserved by writing or call Miss Lois Black, Mr. Hawk or Mr. King at the Globe-News.

Mrs. Van W. Stewart left Saturday for Canjilon, N. M., to join Mr. Stewart and make a visit with her parents, Mr. and Mrs. Frank Keith.

Mrs. Blanche Reagan came in Saturday from Anaconda Montana where she has been the past year, and has accepted a position with the Public Service Corporation.

To Lease Powers Field
The baseball game and rodeo events will be held in Powers field, north of the railway tracks, it was decided by the celebration committee. It was first thought to hold them in Ranger Field but was decided that the field was too small to accommodate the crowd. The field will be leased by the Chamber of Commerce for the day, it was decided.

Asking For Loan
Regarding the proposed work on Highway 4, south to the county line, Judge Powers stated that the county was seeking a loan of \$25,000 from the relief committee, putting up county bonds as security. One application for the loan had already been submitted but the committee requested him to prepare another furnishing considerable detail information. It will be completed and submitted within the next few days, he stated.

sued for last year can be retired. **Warrants Acceptable in Taxes**
Recent action of the school trustees also make it possible to accept school warrants in the payment of delinquent and back taxes as well as 1932 taxes. It has also provided that if delinquent taxes are paid by October 1, no penalty or interest will be added.

In the matter of paying taxes it was pointed out that government loans could be secured on property for the purpose of paying taxes. "The school board is very anxious for people to take advantage of the government's offer to loan money for the purpose of paying taxes," Mr. Irvin stated.

Loans Available
These loans can be made for taxes only, if the owner cannot meet his tax payment in any other way and the loan is no more of a lien on the property than are the tax payments held against it.

"As a tax is a lien against property anyway," Mr. Irvin pointed out. "The school board requests that everyone take advantage of this opportunity to save this penalty and interest for themselves and at the same time help the school when this help is so badly needed."

MASS MEETING

livered over the business district Friday were addressed to every employer as a part of a nation-wide movement started by President Roosevelt to "raise wages, create employment, and thus increase purchasing power and restore business." The President in his message goes on to state that the "plan depends wholly on united action by all employers. For this reason I ask you, as an employer, to do your part by signing."

Deal With Wages And Hours
The agreement proper deals with wages and working hours of employees and is intended for the purpose of putting more men and women to work, at higher wages, and will serve as a blanket code for all lines of business under the National Industrial Recovery act until individual national codes are finally approved and adopted by the various industries.

Under the provisions of the agreements, local dry goods, grocery stores and other stores have adopted a new opening and closing schedule which becomes effective today, opening at 8:00 o'clock in the morning and closing at 5:00 o'clock in the evening.

GUYMON BAND COMING FOR BIRTHDAY PARTY

Positive assurance that the Guymon, Okla., band would be in Perryton for the birthday celebration on August 22 was received here this week in the following letter addressed to the Perryton Chamber of Commerce.

"The Guymon Concert Band is 100 per cent making plans to attend the Perryton Birthday Celebration, August 22.

"We want it clearly understood that any or all of the band boys in Perryton have a cordial and wide invitation to play with us. It will be appreciated."

"Your for a Happy Birthday, Ralph Shackelford, business manager, Guymon Concert Band."

THOMPSON KO'S

(Continued from page 1)

down at the middle of the round for the ten count.

Although the knockout came earlier in the fight than the one in the previous weeks boxing session, it had an altogether different effect on the fans who described it as one of the best bouts ever staged here.

Action in Semi-Final
Jack Anderson, 122 pounds and Billie Stark, 118 pounds, met in a six round semi-final that was full of action, with Billie taking the honors, with his flashy performance. Scuffling in and out, Stark was able to smash blows before Anderson could get to him although he had considerable reach on Stark. However Anderson was capable of gaining on Stark in slugging as he demonstrated in the final round which he took easily.

Anderson and Stark are both mighty promising boys and the fans are still in dispute as to which is the better, but until they can get over the little enmity that was displayed Tuesday evening at the close of the bout, perhaps it would be better to match them against other boys.

Preliminaries Are Fair
George Nies won an easy four round go from Clyde Jones in the preliminaries without much effort. Having safe advantage all the way through the fight, Nies never pushed the offensive unless forced to do so by the plucky Jones who certainly tried with everything he had and kept coming in for more.

Speedy Johnson was a little surprised at the fast display presented by Parvin Hooper in a four round preliminary and try as he might he couldn't get out of the way of the rights and lefts the smaller Hooper kept coming his way. It was Hooper's fight all the way through.

Pat Symons and Jim McWilliams certainly mixed it up for a certain raiser of four rounds resulting in a draw. According to "Pat", the boys each made "ninety-nine cents and two slugs", donated by the fans.

From the curtain raiser to the final go it was all good and a fair sized crowd was present for the affair.

Another Card Next Week
Kenneth Rayzor, manager of the Perryton Athletic club, is announcing another fight program for Tuesday evening, August 8. To headline the card, he has matched Everett Bails, 149 pounds, Waynoka, Okla., with Kid Stamper, Pampa, in a ten round go.

Bails is the boy that stopped Johnny Annett at Alva, two weeks ago, in one minute and ten seconds after the start of the first round. He also stopped Duke Caradine at Waynoka about a year ago and is considered Oklahoma's toughest in the 150 pounds class. Bails and Stamper fought a draw in Amarillo

in May of this year and their meeting here next Tuesday should afford fans a real treat.

Lions In Convention

International Meeting At St. Louis Marks End Of Seventeenth Year Of Service

The closing of the international convention of Lions clubs at St. Louis, Mo., on July 14 marked the end of the seventeenth year in the life of this progressive young service club. Among the many thousands who attended were delegates representing the five countries of the world in which Lionism flourishes. The first official session was held on the preceding Tuesday afternoon, with addresses of welcome by Hon. Guy B. Park, Governor of Missouri, Hon. Bernard F. Dickman, Mayor of St. Louis, various district governors of the association, and Pres. Clyde R. Welman of the Downtown St. Louis club. The response was made by Judge G. H. Hastings, of Winston-Salem, N. C.

The report of Secretary-General Melvin Jones, Chicago, was easily the high note of the convention. He reported a total of 2665 clubs as of June 30, and said the association was greater in twenty-eight states and the District of Columbia than any other service club. He said the clubs had sponsored and successfully consummated 19,262 activities during the year, and the note of optimism running throughout the entire report was extremely heartening.

Hon. Frederick Landis, Logansport, Ind., widely known over the radio as "The Hoosier Editor", was the principal speaker on the Tuesday program. His subject was "Things in General." On Wednesday the main address was by Lordado Taft, Chicago, America's most famous sculptor, who spoke on "Beauty in American Life." Hon. Lic. Horacio Casaus, vice president of the Lions club of Mexico City, Mexico, was the first speaker on Thursday forenoon, and his subject was "International Relations." Prof. Irving Fisher, internationally known economist, of Yale university, spoke on "Depression, Inflation, and Deflation" to close the morning session. Louis Blake Duff, Welland, Ont., the "Mark Twain of Canada", was the only speaker on Friday. He spoke for the Lions of Canada, and his topic was "Good Neighborhood."

The Lions of St. Louis had provided an elaborate and varied program of entertainment for the delegates and their guests. There were sight-seeing tours and pleasure trips, card parties and dancing, bands and more bands, many quartettes, a splendid 60-piece drum and bugle corps of elegantly attired young ladies, etc. The regular business of the convention was interspersed with vocal and instrumental music and community singing.

Following the report of the elections committee on Friday, in which Roderick Beddow, of Birmingham, Alabama, was chosen International President, everybody entrained for Chicago to assist in the celebration of Lions Day at the Century of Progress.

Stop Chills and Fever!

Rid Your System of Malaria!

Shivering with chills one moment and burning with fever the next—that's one of the effects of Malaria. Unless checked, the disease will do serious harm to your health. Malaria, a blood infection, calls for two things. First, destroying the infection in the blood. Second, building up the blood to overcome the effects of the disease and to fortify against further attack.

Grove's Tasteless Chill Tonic supplies both these effects. It contains tasteless quinine, which kills the infection in the blood, and iron, which enriches and builds up the blood. Chills and fever soon stop and you are restored to health and comfort. For half a century, Grove's Tasteless Chill Tonic has been sure relief for Malaria. It is just as useful, too, as a general tonic for old and young. Pleasant to take and absolutely harmless. Safe to give children. Get a bottle at any store.

Dempsey To Amarillo

Former Champion To Referee Wrestling Match On August 7; Mrs. Dempsey To Appear

AMARILLO, Aug. 2—An early rush for tickets to the big wrestling match here on August 7 has caused promoters to predict one of the largest crowds ever to attend a sports event in Amarillo will be on hand when Jack Dempsey, the former fistie idol of millions, steps into the ring at the City Auditorium to referee the match.

Dempsey's appearance in Amarillo will be the first time he has shown here in a personal performance, and the flood of requests for tickets indicates he is as popular in the Panhandle as he is elsewhere.

Dutch Montell, grizzled veteran of the wrestling game, and Sailor Moran, a free-swinging youngster of Arkansas, will vie for gladiatorial honors with Dempsey the third man. Wilbur C. Hawk booked the performance and Cal Farley made the arrangements. Out-of-town reservation may be phoned or mailed to Miss Lois Black at the News-Globe.

Prices for the big exhibition are \$2.20 for ringsides, \$1.10 and \$1.65 for downstairs and 85c and 55c for balcony seats. All prices include federal tax.

Besides the appearance of Dempsey, preliminary matches, a personal appearance of "Hannah Williams," Dempsey's bride, an address by the former champion will be included on the program.

Mrs. Dempsey, the former Mrs. Otto Kahn, is a star of Broadway musical comedy and only last year won the title of "the cheerful little earth" of the show world.

LOCAL MAN ARRESTED BY BEAVER COUNTY SHERIFF
