To Conduct Revival Here

Roland Leath (left) of Fort Worth and Rev. Sid Martin of Wichita Falls will arrive in Memphis Monday to conduct a two-week evangelistic meeting at the First Baptist Church. Mr. Leath will conduct the song services, and Rev. Martin will deliver the sermons.

REVIVAL MEET WILL START AT FIRST BAPTIST

Wichita Falls, Fort Worth Men Will Hold Meeting

Revival services will begin at the First Baptist Church here Sunday morning, June 6, and will continue through Sunday evening, June 20. The first revival sermons will be preached by the pastor, Rev. J. William Mason.

On Monday Rev. Sid Martin, pastor of the Lamar Avenue Baptist Church, Wichita Falls, and Roland Leath, music director from the Travis Avenue Baptist Church in Fort Worth, will arrive to conduct the revival. Rev. Martin will do the preaching, and Mr. Leath will have charge of the song services.

Beginning Monday evening, services will be held from the local Baptist Church twice daily, at 10 a. m. and at 8 p. m. Rev. Martin recently concluded a revival in his church in Wichita Falls, and during the meeting some 200 persons joined the church.

Rev. Mason invited everyone in the Memphis vicinity, regardless of church affiliations, to attend the evangelistic meetings.

ALL SCHOOLS ARE CLOSED

All public schools in the county, both common and independent, have now closed for the summer vacation months, according to Miss Vera Gilreath, county superintendent. The last schools to close were Plaska, which closed Monday, and Buffalo Flat, which closed last Saturday.

Memphians Talk to Sons by Short Wave

L. G. Perkins, Mrs. Bess Crump, and Mr. and Mrs. W. B. Funk, all Memphians, are now short wave radio fans. For it was by short wave that they talked with their sons in California, a distance of 1,500 miles, more or less, last Sunday.

Arrangements were made through Leon Piland, Memphis radio man and short wave enthusiast, for three Memphis youths in Long Beach, Calif., James Perkins, W. C. Crump and William Funk, to talk with their parents by short wave. The long-distance conversation was said to have been "just like a letter from home, only better."

FARM PROSPECTS HERE PROMISING

Good Rains Saturday Add To Season; 3.90 Inches Fall In Memphis In May

Farmers of this county and section this week looked with confidence and hope to the harvesting of good row crops next fall and thus filling long-empty larders with coin and "kind." Prospects for good crops next fall are said to be the best in years, better even than they were this time last year, when six and a half inches of rainfall were received in May.

Rains received over the county last Saturday added further to the season in the ground and damaged young cotton and freshly planted seed very little.

Memphis Golfers Will Compete In Annual Greenbelt Golf Tournament

Ten or twelve of Memphis' best golfers are expected to represent the city in the annual Greenbelt Golf Tournament that is scheduled to open at the Quanah Country Club next Monday. Up until a few days ago Memphis linksmen were optimistic of winning the club championship of the tourney.

But two of the local stars may be lost to the team. Regnal Greenhaw, city champion and former Greenbelt champion, accepted a position with an oil firm at Lefors last week and will probably not play in the meet. Frank Foxhall, former Greenbelt and city champion, may be in Galveston on business at the time of the tourney and may not be able to play.

With Greenhaw and Foxhall out, Memphis would be given little chance to win the club prize; although Thomas Hampton, former Greenbelt title-holder, would be conceded a chance of winning the championship.

Seven Memphis golfers went to Quanah last Sunday to acquaint themselves with the course. They were R. S. Greene, Carl Eudy, Thomas Hampton, Carl Harrison, J. D. Webster, and Ed and Frank Foxhall.

Offering prizes which are valuable and attractive to the players because of their usefulness and whose sum and total cost over $500, the Greenbelt officials expect the largest field in the history of the club this year for the tourney.

Following the competition of the qualifying rounds Monday, the association will entertain with a "Dutch lunch" at the club house, after which the business of organizing the "Calcutta Pool" will be held. Tuesday will be devoted to match play with a dance at the club house that night. Match play will continue Wednesday and the finals will be played Thursday.

R. S. Greene of Memphis is president of the Greenbelt Association.

FRANK HUBBELL IS NAMED GRID COACH OF CITY

Jake Spann Resigns Post After Being Named Recently

Coach Frank A. Hubbell, assistant football and head basketball and track coach here last school year, will serve the Memphis High School as head coach next year.

Hubbell was selected to serve the local high school last Friday night as head football, basketball, and track mentor at a meeting of the Memphis school board. The action was taken following the resignation of Jake Spann of Holits, whose letter asking that he be released from his contract was read at the meeting. Spann had recently been given a contract as head coach here for next school year.

Hubbell wired the school board his acceptance from Junction, where he has been visiting, this week. He stated that he will be in Memphis next August to begin football practices. For the next two months he has been employed to instruct in a boys' summer camp at Kerrville.

Coach Hubbell came to Memphis from Junction last year, where he established an enviable grid coaching record. He is a graduate of Texas University and played under Jack Chevigney. He was active in all forms of athletics.

FORMER LOCAL RESIDENT DIES HERE TUESDAY

Funeral of Mrs. L. C. Fenwick of Clovis Is On Thursday

Mrs. L. C. Fenwick, 57 years of age, sister of Mrs. W. D. Orr of Memphis and of Mrs. M. O. Sanders of Lakeview, died in a Memphis hospital Tuesday night, June 1, at 11 o'clock, following a stroke on Monday night at 9:30 o'clock.

Mrs. Fenwick, whose home was in Clovis, arrived in Memphis last Sunday for a visit of two or three weeks with Mrs. Orr and Mrs. Sanders. She was taken to the hospital Tuesday, following the stroke, and died that night.

Funeral services for the New Mexico woman, who formerly resided in Memphis, will be conducted from the Memphis Church of Christ Thursday afternoon, June 3, at 5:30 o'clock. The final rites will be spoken by W. M. Davis, local Church of Christ minister. Interment will be in Fairview Cemetery here, directed by King's Mortuary.

Pall bearers for the funeral will be J. G. Brown, Jack Breeland, Bill Howard, Memphis; Arthur Francis, L. H. Grant, Lakeview; M. N. Orr, Plaska.

Mrs. Fenwick was born on October 14, 1880, in Arkansas to Mr. and Mrs. M. H. Miller. She

City Ordinance Is Passed to Prevent Riding on Fenders

An ordinance was passed by the Memphis city council last Tuesday night making it unlawful for a person to ride on the running board of a car in the city limits of Memphis or to drive an automobile within the city limits with a person riding on the running board or fender.

Other than passing the ordinance, the council accepted bids for auditing the city's books for the past four years; and a contract was awarded to J. B. Wright to make an audit of the city tax collector's and the city treasurer's books.

Leaves Democrat

Tom Wood, printer, who leaves the employment of The Democrat this week to go to Corpus Christi.

TOM WOOD GOES TO SOUTH TEXAS

Democrat Printer who Climbed From 'Devil' to Mechanical Foreman Quits Paper

Tom Wood, who for the past eight years has been a big part of "the back force" of The Democrat, is leaving Memphis and the employment of The Democrat this week to go to Corpus Christi, where he expects to be employed on a daily newspaper.

During his eight years with The Democrat, Mr. Wood progressed from "Tom, the printer's devil" to "Paul Vance Wood, mechanical superintendent of The Daily Democrat." For the past several years Tom has been the principal worker in "the shop," and he is recognized as being one of the best all-round printers in the Panhandle. He is going to Corpus Christi to seek greener pastures, and is one of a large number of successful newspaper workers to receive training on The Democrat.

Mr. and Mrs. Wood, accompanied by Mr. Wood's sister Bobbie Dee, will leave Saturday noon for Wichita Falls, where they will visit before going to Kilgore. They will visit relatives and friends in Kilgoré and will proceed to Corpus Christi, with Miss Wood remaining for a visit with her sister Mrs. M. G. Ray in Kilgore.

Mr. Wood's successor on the local paper has not been named.

Canning Kitchen May Be Operated In Fall

Indication that the Hall County canning kitchen will be operated again next fall if the demand is great enough was given this week by County Judge M. O. Goodpasture.

The commissioners court will provide a building and sponsor the kitchen if enough produce is raised in the county to warrant it, Judge Goodpasture said.

Lightning Bounces Into Telegraph Office Saturday

Miss Nell Ferguson, Memphis Western Union Telegraph operator, received the shock of her life last Saturday morning about 10 o'clock when lightning struck the telegraph wires here and literally bounced through the switchboard into the office of Miss Ferguson.

The lightning struck during the rain Saturday morning, striking the switchboard with a terrific noise and flash and knocking two single circuit units out of the switch box and across the room. Two lightning arresters were knocked out of the circuits.

Miss Ferguson, who was sitting near the switchboard when the lightning struck, was uninjured. "I was so badly frightened, though, that I've been ill all week," she said.

MEDICAL COURSE CONDUCTED HERE

Attendance by Physicians and Public Is Disappointingly Small; Notables Attend

Although attendance at the post-graduate medical course conducted at the Memphis High School auditorium Thursday and Friday of last week was disappointing, the medical sessions were said by attending physicians to be unusually interesting and instructive.

Attendance was also low at the public health exhibits and at the maternal and child welfare meeting held on Thursday night.

Among the notables in Memphis for the medical meetings were Dr. J. N. Burditt of Abilene, obstetrician; Dr. R. L. Nelson of Wichita Falls, pediatrician; Dr. G. T. Vineyard of Amarillo, district councilor; and Dr. Van C. Tipton of Austin, representative of the State Department of Health.

Towns represented at the post-graduate course here included Quanah, Shamrock, Wellington, Estelline, Clarendon, Amarillo, Wichita Falls, Abilene, Austin, Childress, and Memphis.

The post-graduate medical course held last week was one of a number that are being held over the state. They are sponsored by the State Medical Association and the State Department of Health in the interest of reducing the mortality rate of mothers and babies.

Rural Instructors Of County Elected For Year 1937-38

Almost all teachers have been employed to instruct in the rural schools of Hall County for the term 1937-38, according to announcement by Miss Vera Tops Gilreath, county superintendent of public instruction.

Only two vacancies now exist. Instructors who have been named are as follows:

T. E. Noel Presides At Convention Of Bank Association

Thomas E. Noel, vice-president of the Memphis First National Bank and president of the Panhandle Bankers Association, presided over the 33rd annual convention of the association which opened at the Herring Hotel in Amarillo on Thursday, June 3.

Bankers from the entire Panhandle attended the meeting. There are approximately 120 banks in the Panhandle, from Wichita Falls to Lubbock, from the eastern portion of New Mexico to the western border towns of Oklahoma, in the association. Kansas, Missouri, and New York are also well represented in the membership.

The program: Meeting called to order by Mr. Noel; invocation by Rev. R. Thomsen, pastor First Presbyterian Church, Amarillo; welcome address, Tully Garner president First National Bank, Amarillo; response, J. O. Gilliham, Brownfield; address, Dr. Bradford Knapp, president Texas Tech, Lubbock; entertainment, Western Jubilee Singers; address, "Pioneer Banking in the Panhandle," F. A. Paul, Panhandle; address, Mark McGee, Fort Worth; dance and golf at Amarillo Country Club in afternoon; barbecue at Jack Hall's Ranch in evening.

ACTION WOULD PARE RATE OF BOND INTEREST

Refinancing Seen As Means of Keeping Tax Rate Down

A county-wide election will be called in the near future for the voters either to approve or reject a bond refunding action proposed by the Hall County Commissioners Court, County Judge M. O. Goodpasture stated this week.

Decision to call the election, although a date has not been set, was reached by the court in extraordinary session Monday, at which time the county road bonded indebtedness and the refunding procedure were gone into.

It was pointed out by the court that refunding a portion of the road bonds would be an economical measure, as it would result in the saving of several thousand dollars to the county.

There are now approximately $1,500,000 in road bonds against the county, and the court proposes to take up $300,000 of the bonds and refund the issue at an interest rate of 4 1-2 per cent per annum. The rate now is 5 1-2 per cent per annum, and the refinancing process would mean a saving of $3,000 yearly on the refunded bonds.

Purpose of the refinancing would be to equalize the tax burden of the county. The $300,000 county-wide compensation refunding bonds would have interest due semi-annually, and the principal would mature serially

Delegates From Here To Attend Fire Convention

Four delegates, Chief Alvin Massey, W. V. Coursey, Edd McCreary, and Harry Aspgren, will leave Memphis Monday to attend the annual State Firemen's and Fire Marshal's Convention which opens in Port Arthur Tuesday for a three-day session. Scott Sigler and Cecil and Chester Grimes will leave for Port Arthur Tuesday to attend the convention and to take part with the other Memphis firemen in the fire drill contests at the convention.

Memphis firemen met in regular session last Monday night, at which time Tom Wood, assistant fire chief, resigned from the department to go to Corpus Christi. Two new members were taken in on probation, Bernie Davis and J. P. Godfrey.

The fireman's retirement and benefit pension law passed at the recent session of the state legislature was discussed. Provisions of the law and methods of making application were gone into. The firemen must make application for the benefits of the pension law and present the applications to the city council by June 9, it was said.

Mrs. D. H. Arnold Breaks Hip in Fall

Mrs. D. H. Arnold, pioneer citizen of Memphis and Hall County, fell and broke her hip Wednesday evening at her home at 1023 West Robertson street. The accident happened when Mrs. Arnold started across the room and tripped over a toy wagon.

She was taken to the Odom Sanitarium, and it is reported that she is resting as well as is to be expected. The accident occurred at about 7:20 o'clock.

TO WORK CEMETERY

Trustees and other interested persons have announced that Wednesday, June 9, has been designated as the day to work the cemetery at Lakeview. All who care to do so are invited to be present at the cemetery on that date and assist with the work. It is expected that response will be enough that both the Odd Fellow and the citizens' cemeteries will be beautified.

County Baseball League Results

The Hall County Baseball League took on the aspects of a battleground Sunday afternoon, as three of the six teams put on slugfests to run up one-sided scores against their opponents.

Lesley, Cross Roads, and Salisbury forged into the lead in the county pennant chase, Lesley by batting out a 21-3 victory over Parnell and Salisbury by pounding out a 14-4 win over the Quitaque club. The games were much more interesting than the scores might indicate. Quitaque in the early part of the game filled the bases with no runners out, but was retired without putting a runner across.

Cross Roads capitalized on a seventh-inning flurry of base hits to trounce the Memphis baseballers 12 to 4. Until that time Memphis had led all the way, 2-0.

The standing:

Team	W	L	Pct.
Lesley	5	3	.625
Salisbury	5	3	.625
Cross Roads	5	3	.625
Memphis	4	4	.500
Parnell	4	4	.500
Quitaque	1	3	.250

The schedule for Sunday, June 6: Parnell at Memphis, Cross Roads at Quitaque, Salisbury at Lesley.

HOUSE JOINT RESOLUTION

proposing an Amendment to the Constitution of the State of Texas to be known as Section 20 of Article VIII, providing that no property of any kind shall be assessed for ad valorem taxes at a greater value than its fair cash market value; and giving the Legislature power to provide that the State and all governmental or political subdivisions or taxing districts may allow a discount for payment of ad valorem taxes before the date when they would otherwise become delinquent; and providing that this Amendment shall become effective January 1, 1939; providing for an election on the question of adoption or rejection of this Amendment; providing for the proclamation and publication thereof; and making an appropriation therefor; and prescribing the form of ballot.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new Section to Article VIII to be known as Section 20 and to read as follows:

"Section 20. No property of any kind in this State shall ever be assessed for ad valorem taxes at a greater value than its fair cash market value nor shall any Board of Equalization of any governmental or political subdivision or taxing district within this State fix the value of any property for tax purposes at more than its fair cash market value; provided that in order to encourage the prompt payment of taxes, the Legislature shall have the power to provide that the taxpayer shall be allowed by the State and all governmental and political subdivisions and taxing districts of the State a three (3) per cent discount on ad valorem taxes due the State or any governmental or political subdivision or taxing district of the state if such taxes are paid ninety (90) days before the date when they would otherwise become delinquent; and the taxpayer shall be allowed a two (2) per cent discount on said taxes if paid sixty (60) days before said taxes would become delinquent; and the taxpayer shall be allowed a one (1) per cent discount if said taxes are paid thirty (30) days before they would otherwise become delinquent. This amendment shall be effective January 1, 1939. The Legislature shall pass necessary laws for the proper administration of this Section."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State of Texas on the 23rd day of August, 1937, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to the State Constitution providing that property shall never be assessed for taxes at more than its fair cash market value, and providing that in order to encourage the prompt payment of ad valorem taxes, the Legislature shall have the power to permit discount for the payment of same before they become delinquent."

Those voters opposing said proposed Amendment shall write or have printed on their ballots the words:

"AGAINST the Amendment to the State Constitution providing that property shall never be assessed for taxes at more than its fair cash market value, and providing that in order to encourage the prompt payment of ad valorem taxes, the Legislature shall have the power to permit discount for the payment of same before they become delinquent."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

Sec. 4. The sum of Eight Thousand Dollars ($8,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated, to pay the expenses of such publication and election.

HOUSE JOINT RESOLUTION

proposing an amendment to the Constitution of the State of Texas, amending Article 16, Section 61, providing for the abolishing of the salary method of compensating all District, County, and Precinct officers of this State, and further providing that such officers shall be paid in such manner and on such basis as may be prescribed by the Legislature; providing for the submission of this amendment to the voters of this State; providing for proclamation of said election by the Governor; and providing for the necessary appropriation to defray necessary expenses for the submission of this amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 61 of Article 16 of the Constitution be amended so as to hereafter read as follows:

"Sec. 61. All District, County and Precinct officers shall hereafter be compensated in such manner and on such basis as may be prescribed by the Legislature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at a special election to be held on the fourth Monday in August, 1937, at which election all voters favoring such proposed amendment shall write or have printed on their ballots these words:

"FOR the amendment to the Constitution of the State of Texas so as to authorize the Legislature to fix the manner and basis of compensation for all District, County, and Precinct officers."

And those opposed shall write or have printed on their ballots these words:

"AGAINST the amendment to the Constitution of the State of Texas so as to authorize the Legislature to fix the manner and basis of compensation for all District, County, and Precinct officers."

Sec. 3. The Governor of the State is hereby directed to issue necessary proclamation for said election and have the same published as required by the Constitution and existing laws of the State.

Sec. 4. The sum of Five Thousand Dollars ($5,000) or so much thereof as may be necessary is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of said publication and election.

'Dust Bowl' Conference Committee On Resolutions Publishes Report

Following are the resolutions passed at the five-state meeting of the "dust bowl" delegates held recently in Amarillo:

1. We recommend the creation of a 5-state authority, embracing the dust bowl area in the following named 5 states: Texas, New Mexico, Colorado, Kansas, and Oklahoma, whose administrative personnel shall comprise one actual resident of the designated drought area in each of the five states named. In the event that it be not the national policy to create conservation authorities, then we urgently recommend the creation of a special planning board constituted in its representation as above indicated with authority to correlate and coordinate a special program for the dust bowl. In either event, we insist that headquarters for the administrative body be within the dust bowl area.

2. We commend the federal-state agencies for the preliminary corrective work to date, but suggest their efficiency may be improved by a coordinated program. We further suggest that existing facilities are inadequate to solve the problem in the dust bowl on a long-range or permanent basis.

3. We recommend that additions be made to water conservation and flood-control program which we understand the President has in mind, with special emphasis as to the 5-state dust bowl area, looking to flood control, holding water upstream, protecting existing water tables through local conservation, reclamation and retirement of non-productive lands, and providing recreation for the people, as embodied in the Great Plains drought committee's report of President Roosevelt.

4. We recommend federal approval of a program for ponds, lakes, and small reservoirs on all streams and their tributaries with the idea of holding the water in the area where it falls. This recommendation is in accordance with the drought committee's report.

5. We recommend that, in the event the proposed Norris Conservation Bill creating the several regional authorities does not include a dust bowl authority as above outlined, then the 350 representative men from 5 states assembled here today request the Honorable Marvin Jones and members of his special Congressional committee prepare and introduce a bill in the Congress which will provide for a dust bowl authority in the above mentioned 5 states.

Pampans Welcome Judge C. V. Terrell On Visit Recently

Judge C. V. Terrell, chairman of the railroad commission, has a right to a puff of pride when he reads this item. . . . It's by Archer Fullinghim and appeared in the Pampa Daily News of May 7:

Last night, Pampans who had not seen C. V. Terrell, chairman of the State Railroad commission in several years, were gladly surprised by his appearance.

There was a time a few years ago when his health was none too good, but the judge (he sat on the bench down at Decatur) has built up his health until now he looks younger and better than he has for ten years. It seems that age has passed him by.

In fact, Vernon Terrell looks the same and acts the same as he did when this writer sat behind Carl Schulkey in the 4th grade down at Decatur a long time ago . . . The Judge being a calm deliberate man with a sense of humor, walks with dignity but last night he set a pace for spry Jack Dunn as they moved thru hotel lobbies. Vernon Terrell is the sort of man who makes what are known as "old friends" every year of his life and he never loses them, and today all those friends he has made here during the years are welcoming him back to Pampa. He is not a back-slapper, nor does he make rash statements, and rash promises, but wherever he is, his friends quietly flock around him, rejoicing in his natural goodness of character.

RETURNING TO MEMPHIS

Firestone
TIRES
GIVE YOU GREATER PROTECTI
AGAINST SKIDDING AND BLOWOU

YOU will know the minute you see this tire why car owners everywhere call it the greatest tire ever made to sell at these low prices. The deeper, wider, flatter non-skid tread made of tough, long wearing rubber will give you dependable service and protection against dangerous skidding.

But tires cannot be judged on tread alone. Under the tread of Firestone Standard Tires are two extra layers of Gum-Dipped cords. This Firestone patented construction feature binds the tread and cord body into one inseparable unit, provides greater strength and guards against punctures. Now examine the body of the tire. Every cotton fiber in every cord in every ply is saturated and coated with pure liquid rubber which counteracts the internal friction and heat that ordinarily destroy tire life. This Firestone patented process of Gum-Dipping makes the tire stronger — gives greater protection against blowouts a only in Firestone Tires.

Don't risk your life on thin, worn tires can have new tires with all these extra val low cost. Come in and join the Firestone S Campaign today by equipping your car wi new Firestone Gum-Dipped Tires.

DON'T RISK YOUR LIFE ON THIN WORN TIRES

Above is a section cut from a smooth, worn tire, which shows the non-skid protection worn off. Tires in this condition are more liable to punctures, blowouts and skidding.

Above is section cut from a new Firestone Tire. Note the thick non-skid protection against skidding, blowouts and punctures. Come in today, see by actual demonstration.

Protect yourself and your family from the danger of driving on thin worn tires which may cause a serious accident.

DO YOU KNOW

THAT last year highway accidents cost the lives of more than 38,000 men, women and children?

THAT a million more were injured?

THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to unsafe tires?

BUY NOW AND SAVE

YOU SAVE yourself and your family from dangerous accidents because Firestone patented construction features give you greatest blowout protection and safety from skidding.

YOU SAVE because Firestone Standard Tires give you low initial cost and lower cost per mile.

YOU SAVE by buying now as tire prices are advancing. The price of crude rubber has gone up 110% and cotton more than 25% during the past two years. BUY NOW AND SAVE.

NEWS FROM ESTELLINE

BY MRS. MARY FAULKNER

Mrs. Leon Piland was an Estelline visitor Thursday of last week. Mrs. Piland lives in Memphis.

Edward F. Kennedy of Laramie, Wyo., came in from his home Tuesday. He returned this week with Mrs. Kennedy to their home.

Miss Ethel Stowe of Childress was in Estelline Thursday of last week.

Mr. and Mrs. A. A. Greer were in Childress last Friday.

Clifton Berry, son of Mr. and Mrs. Fred Berry, visited his parents the past week-end. He returned to Hazelhurst, Miss., Sunday.

Coffee Given

On Friday morning Mrs. Grover Ewing, Mrs. E. F. Kennedy, and Mrs. Daisy Kennedy received at a coffee, to display wedding gifts received by Mr. and Mrs. Kennedy. After the guests went into the entertaining rooms, where they viewed the many lovely gifts, they were served from a lace covered table with silver service by the bride's mother and Mrs. Ewing, aunt of the bride.

The home was beautifully decorated with roses and larkspur. Guests who called were Mesdames Ellen Johnston, Birdie Holland A. Bailey, J. L. Darby, N. R. Carter, Lura Eddleman, S. K. Jones, Bess Coppedge, Mae Lee, C. O. Kennedy, A. A. Greer, Mary Faulkner, R. H. Whaley, H. L. Chaudoin, Perry Hale, J. A. Ballard, Sam Moore, Hulen Clifton, S. T. Hutchins, J. T. Duncan, Elbert Johnston, Leon Piland, Leon Phillips, J. L. Marcum, Edgar Spardin, Bertha Gore, Lillie Bagwell, Lawrence Price, L. E. Cobb, Dewitt Eddins, S. Miller, L. C. Richburg, W. L. Rigsby, Tobe Power, Ben Jackson, R. E. Moore, Misses Bertha Eddleman, Margaret Tucker, Elizabeth Eddleman, Juanita Mayberry, and Winona Price.

Miss Doris Laughlin of Childress was in Estelline Thursday of last week to attend the shower for Miss Elizabeth Kennedy.

Stars in Baseball

Jerry Blanchard, Estelline youth who is pitching "big league" baseball with the Lubbock Hubbers, hurled a four-hit game and fanned 15 men Sunday in a game with the Amerada Oilers of Monument, N. M. It was the first defeat for the Ameradas in seven starts and the fourth victory for the Hubbers in five games.

On May 16, Jerry pitched a two-hit game against Littlefield. Out of six trips to the bat he got a walk, a single, two doubles, a triple, and a home run, hitting 1,000 per cent and showing the family talent. His uncle Sammy Hale, who played Big League baseball and made good, is now managing a team for Phillips "66."

Dr. and Mrs. Miller attended the medical convention in Childress Friday night.

Mrs. Daisy Kennedy, Miss Elizabeth Kennedy, and Mrs. Grover Ewing went to McLean Sunday.

not to exceed 35 years from the date of issue.

The refunded bonds would be in lieu of a block of $179,000 Road District No. One 5 1-2 per cent bonds now outstanding, $79,000 Road District No. Three 5 1-2 per cent bonds, and $42,000 Road District No. Four 5 1-2 per cent bonds now outstanding.

The bonds above enumerated would be selected from road districts one, three, and four, respectively, to be selected from such years of maturities as are now excessive in principal maturity requirements, it being understood that the members of the commissioners court are to agree on the exact amount of bonds to be taken from each district to make equitable to all parts of the county.

Other bonds of the approximately $1,500,000 would be refunded by the court from time to time.

An increased tax rate from year to year seems certain to result if the road bonds are not refunded, Judge Goodpasture stated, as the maturities and county expenses are more than the current tax collections.

Mary Charlott and Eloise Tunnell of Quitaque are spending this week here with their grandmother, Mrs. Fred Swift.

Joseph Bradley Wins Rosenwasser Contest And Prized Bicycle

Joseph Bradley, small son of Mr. and Mrs. Aaron Bradley of Memphis, called at The Democrat office yesterday morning to "put a piece in the paper to thank the folks for helping me win the bicycle."

Young Joseph won first place in the business building contest staged by the Rosenwasser Dry Goods firm here. The contest, which began last April, closed Monday with the awarding of 13 prizes. Joseph's bicycle was the first prize.

Hubert Jones won second in the contest and was awarded a large coaster wagon, and Lonzo Scroggins was given a wrist watch for third place. Ten other Memphis youngsters were given minor awards.

Name It!—

(Continued from page 1)

Shipton was born in Norfolk, England, and died in 1449, just 43 years before Columbus discovered America. Her original prophecy was as follows:

A carriage without a horse shall go;
Disasters fill the world with woe.
In London, Primrose Hill shall be,
Its center hold, a bishop's see.
Around the world men's thoughts shall fly
Quicker than the twinkling of an eye.

And water shall great wonders do—
How strange, and yet it shall come true,
Then upside down the world shall be;
And gold found at the root of trees;
Through towering hill proud men shall ride,
Nor horse, nor ass move by his side.

Beneath the water men shall walk;
Shall ride, shall sleep and even talk.
And in the air men shall be seen,
In white, in black, as well as green.
A great man then shall come and go,
For prophecy declares it so.

In water iron then shall float,
As easy as a wooden boat,
Gold shall be found in stream or stone,
In land that is as yet unknown.
Water and fire shall wonders do,
And England shall admit a Jew.

And now a word in uncouth rhyme—
Of what shall be in future time.
For in those wondrous, far-off days,
The women shall adopt a craze
To dress like men and trousers wear.
And cut off their lovely locks of hair.

They shall ride astride with brazen brow,
As witches on a broomstick now;
Then love shall die and marriage cease,
And nations wane as babes decrease.
The wives shall fondle cats and dogs,
And men live much the same as hogs.

In nineteen hundred twenty-six,
Build houses light of straw and sticks,
For then shall mighty war be planned,
And fire and sword sweep the land.
But those who live the century through
In fear and trembling, this will do.

Flee to the mountains and the dens—
To bog and forest and wild fens.
For storms shall rage and oceans roar,
When Gabriel stands on sea and shore,
And as he blows his wondrous horn,
Old worlds shall die and new be born.

Mrs. T. L. Kouse of Vernon is spending this week here with her parents, Mr. and Mrs. A. Baldwin. She came Tuesday.

lived in Arkansas only three years until her parents moved to Wise County, Texas. There she resided until her parents moved to Hall County in 1907. She was married in 1907 to L. C. Fenwick, and they moved to Clovis, where they have resided ever since.

Mrs. Fenwick, a member of the Church of Christ for many years, taught school in Texas and in New Mexico for 25 years.

Survivors are the husband, four sisters, Mrs. Orr and Mrs. Sanders, and Mrs. I. H. McIntire of Eldorado, Kan., and Mrs. Dave Lyon of Devine; and two brothers, T. I. Miller of Brownfield and W. B. Miller of Los Angeles. All of the immediate survivors will be in Memphis for the funeral except W. B. Miller and family.

Farm Prospects—

(Continued from Page 1)

inch of precipitation was received in Memphis from the downpour last Saturday. This brought the total amount of moisture for the month to 3.90 inches, John McMickin, United States Weather Bureau statistician, reported. Two inch rains were received in parts of the county. Further rains were received in the county during the week. Thirty hundredths were received in Memphis Wednesday.

The weather in this section this week has been ideal for the planting of cotton and feedstuff, and the farmers have all been working over time to get their planting done. A large amount of cotton is already up.

Farmers who are co-operating with the federal farm program have been able to plant their crops so that they will get the most benefits from the program, as the individual cotton bases have been announced. A large number of the farmers have a bit of ready cash on hand, as approximately $325,000 has been received in the county from the federal government on the farm program in the past few months.

There are only about 100 farmers in the county who have yet to receive their farm checks.

School Transfers To Be Made By Parents

Application blanks for school transfers have been received by the county superintendent, and applications may now be made for the transferring of a school student from one district to another.

Parents of high school students whose grades are not taught in the home district are urged to call at the county school superintendent's office and make the applications personally, Miss Vera Tops Gilreath, superintendent, stated. High school transfers are not made by the school trustees, she pointed out.

ATTEND RACES

Mrs. Fred Gerlach of this city, Mr. and Mrs. John Smith of Lodge and I. G. Brand of Wichita Falls returned Wednesday night from Indianapolis, Ind., where they went to attend the auto races. They left Memphis May 23 and visited many places of interest on the trip. Sunday they visited the flood district in Cincinnati.

School Program Is Discussed By Supt. W. C. Davis

W. C. Davis, superintendent of Memphis schools, was the Rotary speaker at luncheon Tuesday. He discussed the educational program that has been adopted by the Memphis schools, and stressed the fact that changing conditions have caused schools to change methods of instruction and a different set-up.

The present-day educational program must take into consideration recreation as well as text books, Davis said, and recreation and entertainment must be provided if the young folks of school age are to be given their proper opportunities. People should not censure the young people for their actions if something better is not offered and provided. Community-wide entertainment should be furnished, and the schools are doing their part toward this end, and the different forces of the community should take a hand in assisting in such a program.

Schools of the present day provide business, agricultural, vocational, recreational, and study courses to fit the pupils for action when they finish school.

Mr. and Mrs. Bill Hood and daughter Janet went to Clarendon last Thursday morning to attend the wedding of Mrs. Hood's cousin, Miss Agatha Taylor to Enoch Darnell.

City Drug Store To Observe Its 5th Anniversary

The City Drug Store, of this city, which opened for business at its present location in the summer of 1932, will celebrate its fifth anniversary this week-end. Cecil McCollum is owner and manager.

Mr. McCollum came to Memphis from Vernon and opened the store, with a small stock, at 508 Noel street. The store has enjoyed such patronage from citizens of this area to well establish its growth, and today it boosts one of the most complete drug stocks in this city. Its fountain is one of the bright spots of the establishment.

CCC Officers Here May Resign Places Under New Ruling

The commanding officers of the Memphis CCC camp will probably resign their positions here some time next fall under a ruling issued recently by the United States War Department.

According to the ruling, CCC officers can not serve in the service for more than 18 months. Lieut. S. D. Roberts is commanding officer of the local camp, and Lieut. Charles Stahler is second in command. Both are said to be popular with the enrollees and with the citizens of the community.

Catch 32-Pound Channel Catfish

W. F. Perkins and Mack Baker of the Deep Lake community returned from Lawton, Okla., last Thursday. They stopped in Memphis to display a 32-pound blue catfish they caught the night before in Cache Creek on a trot line.

The fish was a beauty, and all anglers in this vicinity were green with envy.

Farm Leaders To Discuss Program

The agricultural association of this district will convene in Amarillo on Tuesday, June 8, according to County Agent R. E. L. Pattillo. The purpose of the meeting is to discuss the government farm program from 1938 to 1942, inclusive.

It will be to the interest of all business men and farmers to attend the meeting, Mr. Pattillo stated.

CHURCHES

FIRST BAPTIST CHURCH
Rev. J. Wm. Mason, Pastor

The time that we have been looking forward to is here. Our revival meeting begins Sunday June 6. Bro. Sid Martin from Wichita Falls will be our evangelist. Bro. Roland Leath, music director from the Travis Ave. Baptist Church in Fort Worth, will have charge of our music and song service. Both he and Bro. Martin are the very finest that could be found anywhere. We are expecting great things, but we should keep in mind that we each must do our part.

Everyone is cordially invited to attend all services. You will miss a great blessing if you are not present.

The pastor will preach at both hours on Sunday, as our visitors will not arrive until Monday evening. The subject for the morning service will be "The Grip That Holds." In the evening his message will be " What He Has Made for Us." Please be in your place in the worship services Sunday, the first services of the revival.

Sunday school at 9:45 a. m., Mr. Sam Harrison superintendent.

B. T. U. at 6:45 p. m., Mr. Joe Chitwood director.

PRESBYTERIAN CHURCH

The very fact that you so much enjoy the Sunday school hour, and attending church service is encouraging. Probably an invitation on your part to others who do not attend will help very greatly. Happy to have a number of the young people and teachers who are home for the summer.

"Truth Illuminated," will be a very good subject to consider next Sunday morning. Make it a point to speak to others about faithful church service and some of its good results.

Strangers and friends are most cordially invited to the services for the entire day.

E. C. CARGILL, Pastor.

CHURCH OF CHRIST
Lakeview, Texas

C. L. Taylor, Minister. Preaching the first and third Sundays in each month. Bible study each Wednesday evening at 7:30 o'clock.

Winfred Swift arrived in Memphis Tuesday to go from here to California with J. A. Adcock and son Joel. They left Wednesday.

POPPIES AND WAR

ALMOST EVERYONE in Memphis last Saturday was wearing a poppy in remembrance of those who lost their health or were disabled in the World War. Like scores of others, we were happy to contribute for the disabled veterans, showing them that we haven't forgotten their sacrifices for which there can be no full recompense.

As we were buying our poppies, the significance of the occasion struck us. The poppies are bought to provide money for those who were maimed or gassed in the war. Each year we are reminded that thousands of men are helpless, crippled dependents all because of the war.

War is not a glorious adventure, as it is often times portrayed, but is a heinous business which butchers the youth of the nation and hampers future generations. It results from a mob spirit in the masses planted and cultivated by inglorious individuals.

So from now on when we buy a poppy, we shall not only think that we are contributing a small sum to those whose sacrifices helped enrich the national heritage of loyalty and patriotism—we shall think that our act is reminding the youth of the nation that war results in death and unhappiness.

OLD SETTLERS' REUNION

THE HALL COUNTY Old Settlers' Reunion is to be held about the middle of July, it has been decided; and the Memphis Chamber of Commerce and the Hall County Old Settlers' Association have begun laying ground plans for holding a gigantic celebration in Memphis to observe the 47th anniversary of the organization of the county.

It strikes us that now is a good time to begin advertising the celebration. Every "old timer" in the county should write his old friends who formerly resided in the county and tell them to be sure to attend this year's old settlers' reunion. The date of the annual pioneer jubilee has been set up over a month, but we still have plenty of time to let our friends and former residents of the county know about our plans—if we begin now to write letters.

THE MEMPHIS BAND

FOR MANY YEARS Memphis was known as the city as having the Gold Medal Band, state championship organization; and Memphis band members were recognized all over the country as being outstanding musicians.

Memphis still has a creditable band, although perhaps not so good or so well known as the old Gold Medal Band. But the city now has a chance to develop a first-rate musical organization, and the local Chamber of Commerce is seeking to interest local parents in providing their children with band music instructions during the idle months this summer at a low cost.

The children would be far better off with some worthwhile study such as this to occupy their time, and the city could do with the resulting crop of musicians.

THREE-CENT STAMPS

WE WERE PLEASED with the last batch of three-cent stamps we purchased at the post office here. They were regular, small three-cent stamps, and the mucilage was very tasty. We enjoyed licking the stamps and sticking them on envelopes, and took great pride in the manly look of George Washington, whose picture adorns the issue.

We were pleased with the old stamps, because for the past few weeks we have been forced to use the large, cumbersome three-cent stamps bearing the pictures of three Northern generals, Sherman, Sheridan, and Grant. The mucilage on the big stamps tasted bad to us, and we were loath to use them. We feel that the Postal Department committed a social error when it decided on the pictures for the stamps.

PANHANDLE PARAGRAPHS

In my thirty-five years of active observation of the cotton crop in this county, I have never seen a year when at least half of all the cotton did not have to be planted over. This year only one fourth of the cotton will have to be planted over. Undoubtedly this is the year we all get well.—Wellington Leader.

Well, folks, we are just about through casting the larger school kids "upon the sea of life." This casting talk is done by the fellows who deliver the addresses for closing exercises. It must have come from the thought that each kid must paddle his own canoe. Right here locally, the juniors get tossed upon the sea of life; then as a senior, there is more tossing. The final fling comes when the budding genius pops out of junior college. The speaker regards this "flinging" process as a religious ceremony, or it at least would be sacrilegious not to fling them somewhere in the talk. The speaker warns against rocks and shoals of temptation. Before a kid gets into the swim these days, he has learned a whole lot. As much as you and I learned the first 40 years, but they absorbed more knowledge in the first 20. Our sincere wish is that each will be given a break. Business men should not hold school training against an applicant. If they do, it merely means that the youngster must get on WPA and continue loafing after school closing. Anyway, this sea of life stuff is pretty well muddied up by this time with speakers stirring it every year by the thousands for ages.—Donley County Leader.

It may be true there isn't much to see in the average small town like Muleshoe; but what one hears makes up for it.—Muleshoe Journal.

Some saddle horses were tied at the mulberry hitching posts before the high-fronted saloons as I rode beside my father on the spring seat and our noisy wagon moved along the gravel street through morning sunshine. My bare feet were far from the splintered floor of the wagon-bed and I have never heard the sound of pistol shots. But my father checked the team as a man stumbled from the door and fell near the hitchrack, causing the saddle horses to snort and rear back against their reins. Other men arrived and carried the writhing form back into the saloon. We drove on by and I saw the crimson stain on the ground, bright in the sunlight. It was a long time before I could understand that men often play the game unfairly but few make settlement of the fee at once.—Matador Tribune.

We glory in the spunk of Henry Ford, who came out ahead in his first round with the CIO agitators. He is the first man who is likely to give them a good scrap. It may be well to remember that Ford was the first manufacturer to put an auto costing less than $2,000 on the market. He was also the first man to pay common labor five dollars per day, which Big Business claimed would ruin the labor market.—Quanah Tribune-Chief.

If you want to discourage a girl who is learning to smoke, hand her a chew of tobacco when she asks for a cigarette.—Paducah Post.

Shady Kuehler tells of being up at Stratford a few weeks ago and talking with a man who had a combine on his truck. He asked the man where he was going with it, and the fellow said he wasn't going anywhere in particular, just following his wheat and if it stopped at one place long enough he might try to harvest it. —Groom News.

With garden season coming on, we want to say that we will be glad to exchange complimentary remarks in this column for all kinds of fresh vegetables—particularly leaf lettuce.—Shamrock Texan.

1200 FARM OPERATORS OF SECTION ATTEND LAND PLANNING MEETINGS

Approximately 1,200 farm operators in six Panhandle counties have attended the 33 county planning meetings held jointly by the Extension Service and the Land Use Planning Division of the Resettlement Administration.

Work of the Land Use Planning Division is in direct line with the suggestions made by the committee on resolutions for the five-state "dust bowl," meeting in Amarillo, Thursday, May 20, and was highly commended for its efficiency and help in trying to meet the problems confronting this region.

A future land use program to suit the soil and climate conditions of the region is the purpose behind the county planning meetings. Opinions of the farm operators and the research data combined are what eventually determine the best use of the land. Use of the farm operators methods of cropping, which prove sound, and combinations with the research group, will together offer a program designed to eliminate many hazards in farming operations.

George Turner, the coordinator, notes attendance is increasing with each succeeding meeting and that interest is becoming more evident as shown by the active part being taken by the farm operators.

Data presented at such meetings is in the form of charts and maps which are prepared by the research agency from material furnished by the operators in their respective areas.

Land Use studies have been likened to a complete diagnosis of a person by a physician. After the diagnosis the physician can more easily recommend treatment, leading toward the patient's recovery. The same is true of this land use planning work. The principal idea behind the study is to put the land to its best economic use.

Conoco Dealer Looks For Tourist Business

Local merchants, and particularly service station operators, are looking forward to substantial profits this summer, as a result of the predicted largest tourist season in history, according to George R. Cullin, manager here for Continental Oil Company.

"Early summer requests received by the Conoco Travel Bureau for touring information indicate that 1937 will surpass even last year's travel business," he said.

TEXAS COFFEE FIRM ADS RUN IN DEMOCRAT

Admiration Coffee to Open Campaign This Week

The Duncan Coffee Company of Houston, and their advertising agents, this week advised the publishers of The Democrat that they will again use the advertising columns of this newspaper in an intensive advertising campaign featuring Admiration Coffee and Tea. Insertion orders have already been received for large advertisements to be run, beginning this week, and continuing throughout the month of June. It is understood that the schedule will also include the next three months.

The Houston firm, with O. C. Brenner of Amarillo as salesman in this territory, already has a large sales record in the various retail outlets of this area. Besides Admiration coffee and tea the company features Bright and Early Coffee, said to be Texas' largest seller. Duncan products may be purchased at most any retail food store in Memphis or Hall County.

The Democrat has been chosen by the large Texas firm because of its wide distribution in this territory, and because it reaches the consumers that other advertising means fail to reach. All retail food outlets of this area have been advised of the potential significance of this campaign, which is expected to boost the sales of Admiration materially.

The Admiration schedule marks the third major advertising contract to be awarded The Democrat in the past three months. At this time the publication's advertising columns are contracted for by approximately twenty of the nation's leading advertisers, to say nothing of local space buyers.

Frank White of Clarendon spent last Friday in Memphis on business.

Miss Almeda Jarrell Becomes Bride Of William T. Fraser Here Sunday

A wedding lovely in its quiet simplicity was solemnized at 9 o'clock Sunday morning at the First Methodist Church when Miss Almeda Jarrell, daughter of Mr. and Mrs. D. M. Jarrell, became the bride of William T. Fraser of Pampa.

Bouquets of spring flowers and ferns were arranged on the altar rail and altar.

The impressive ring ceremony was used by Rev. Orion W. Carter, pastor of the First Methodist Church. While the ceremony was being read, Mrs. L. B. Madden played softly, "Love Dream" by Lilli.

The couple entered the church together. The bride wore a navy porosia wool suit with pink accessories and wore a shoulder corsage of white rose buds.

Only a small group of friends and relatives witnessed the ceremony. Friends present were Mr. and Mrs. Lyle Montgomery of Amarillo, Bob Thompson and Russell Weston of Pampa, Miss Mary Olive Payne of Duncan, Okla., Mr. and Mrs. James Arthur Anthony, Mrs. B. F. Denny, Mrs. Forrest Power, Mrs. Orion W. Carter, Weldon Carter and L. B. Madden. Relatives present included Mr. and Mrs. D. M. Jarrell, Mr. and Mrs. Jack Jarrell, Wilma and June Jarrell, Mrs. C. D. Denny, and Jean Denny.

Mrs. Fraser graduated from the Memphis High School with the class of 1931 and attended W. T. S. T. C. at Canyon. She is the accomplished daughter of Mr. and Mrs. D. M. Jarrell, pioneer residents of Hall County, and has been reared here. For the past two years she has made her home in Corpus Christi with her sister, Mrs. Leck Moreman.

Mr. Fraser is the son of Mr. and Mrs. John Fraser of Groom. He finished his education at the Terrell Military Institute and is in the insurance business in Pampa.

Immediately following the ceremony a wedding breakfast was given for Mr. and Mrs. Fraser at the Memphis Hotel after which they left on a honeymoon trip to the Ozarks and other points of interest before going to Pampa where they will make their home.

Baptist WMS Has Luncheon-Program At Church Monday

The Baptist Woman's Missionary Society met Monday for the regular quarterly luncheon at the church. This being the day of prayer and giving for Ministerial Relief an interesting program followed the luncheon.

"I Love to Tell the Story" was used to open the program. The subject for the program was, "Caring for the Aged Ministers When the Evening Shadows Fall." Prayer by Mrs. Mason was followed with the song, "Jesus I My Cross Have Taken." The message of Dr. Watts was read by Mrs. Jodie J. Wilson. Special music was furnished by Mary Helen Lindsey. The Bible bases for ministerial relief scriptures were given by Mrs. T. R. Garrott, Mrs. Bill Hawthorn, Mrs. Lloyd Phillips, and Mary Helen Lindsey. Song, "Blest Be the Tie That Binds." "What Shall They Do?" was discussed by Mrs. John Barber. A prayer for Dr. Watts and his co-laborers was led by Mrs. J. H. Smith. Mrs. R. E. Clark told about a disabled preacher's dream, which was followed by the song, "My Hope is Built." "The Preacher and His Earthly Outlook" was discussed by Mrs. J. H. Smith. For a solo Mrs. A. J. Joyce sang, "Have Faith in God." Mrs. Jodie J. Wilson offered prayer for the aged ministers and widows of Texas. At the conclusion of the program an offering was taken.

Those present were Mrs. Jodie J. Wilson, Mrs. G. H. Hattenbach, Mrs. George Cullen, Mrs. R. E. Clark, Mrs. J. H. Smith, Mrs. A. J. Joyce, Mrs. John Barber, Mrs. J. W. Mason, Mrs. T. R. Garrott, Mrs. H. C. Crow, Mrs. Lloyd Phillips, Mrs. Bill Hawthorn, Mrs. W. L. Wheat, Mrs. W. Lee Williams, and Miss Mary Helen Lindsey.

Helen Boswell Receives Degree At W. T. S. T. C.

Miss Helen Boswell, daughter of Mrs. Alla Boswell of this city, is another Memphis girl who has made good in her studies. She was among the graduates at West Texas State Teachers College at Canyon Monday at the Spring Commencement, receiving her Bachelor of Science degree. The class was the largest in the history of West Texas. There were twenty-eight candidates for the degree of Bachelor of Arts, seventy-four for Bachelor of Science, and one for the B. B. A. offered this year for the first time. Her major is Speech and she has minors in English. She plans to teach.

Because of her charming personality and her efficient service to her college, her teachers, and her fellow students she was one of the most outstanding students. She was a member of the Student Council, a member of the staffs of the "Prairie" and the "Le Mirage." She was a pep squad leader for three years, dance chairman this year and a member of the Dramatic Club, the Panhandle Players, and the Delta Zeta Chi.

Miss Boswell took a leading part in the play, "Moor Born," presented in Canyon and other places in March by the Panhandle Players.

Methodist Women Have Series Of Study This Week

The women of the Methodist Church met Monday morning at the church at 9:30 o'clock to begin the mission study, "Out of Africa," which was to continue each morning through Thursday.

The meeting opened by singing, "More Love to Thee." Mrs. Frank Phelan conducted the devotional using Revelations 22-1 for the scripture lesson. Mrs. Sid Baker spoke on "The Wonders of Africa, Her Handicaps and Division Among the Nations of Europe." Mrs. C. W. Broome told the ever thrilling story of the Congo. Nine colored children were present from Morning Side and gave a very interesting program. The graduates of the colored school this year told about the Negro in Texas History, in Art and Literature, and the Negro's Task.

The meeting was closed with prayer by Mrs. W. E. Johnsey.

Circle No. 2 of the Missionary Society had charge of the program Tuesday. Mrs. Mac Tarver gave the devotional reading Genesis 9:2-7 for the scripture. The second chapter of the book, "Out of Africa," "Society and Land" was given by Mrs. Tarver. The third chapter, "Africa and World Peace" was discussed by Mrs. F. C. Goyne. Mrs. L. M. Hicks closed the meeting with prayer.

The program Wednesday morning was in charge of the young women of the church, presenting "Young Africa at School." Miss Bird Presler gave the devotional on the theme, "Prayer" closing with prayer. The fourth chapter of the book, "Young Africa at School" was given by Miss Bernice Webster. Interesting facts about North American Negroes and poems were given by Mrs. N. A. Hightower, closing the meeting with prayer.

The Thursday morning session was opened with the song, "The Kingdom is Coming," followed with the Lord's Prayer in unison. The fifth chapter of the book, "Out of Africa" was given by Mrs. John Lofland and the sixth and last chapter by Mrs. Orion Carter. Mrs. L. M. Hicks gave the closing prayer.

More than forty women of the church have attended the study course during the four days.

CHAMBER of COMMERCE NOTES

By BURTON SHANNON

The first broomcorn in America was raised by Benjamin Franklin from seed taken from a small broom which a woman had sent him from India.

Congressional leaders in Washington had predicted that the "ever-normal granary" program as proposed by the Agricultural Adjustment Act of 1937 would be enacted at this session of Congress. This act would provide for storing up surplus foods of bumper-crop years for use in lean years. Congressman Marvin Jones of the committee suggested retention of the present soil conservation program under which $500,000,000 annually is paid farmers using soil-building practices. He would add to it the granary proposal.

Many evidences and signs of progress and better times are to be seen in the different stores and throughout the residence sections of the city. A drug store is making considerable interior improvements. Many new lines of merchandise and many new departments have been added by many of the stores. All this is an expression of the merchants' anticipation and expectations of a good crop year and an unusual heavy trade during this fall. Here is hoping their dreams come true.

The recent legislature finally did something of imporance. It passed a bill to outlaw bull fights in Texas.

Sign of better times: Only 17 business firms failed in Texas during April. Only seven failed in March.

Tourists mean money. Texas entertained 11,656,400 visitors during 1936, and they spent $446,000,000, according to a travel bureau. Henry Stanley, president of Broadway of America, reminds us that this makes the tourist business second only to the oil industry. In 1936 Texas oil sold for $450,000,000, all agricultural crops for $484,000,000, and cotton alone for $219,000,000. Texas would do well to encourage more tourists to come here during both summer and winter.

The Chamber of Commerce will begin soon on plans for the Old Settlers' Reunion to be held about the middle of July. Any suggestions will be appreciated.
