Rutherford Asks New Term As 16th Dist. Congressman

Odessan Cites Faithful Attendance Record In 4 Terms In Office

Congressman J. T. Rutherford has made his official announcement for re-election as U. S. Representative from Texas' 16th Congressional District.

Rutherford's depth of legislative experience includes four years as State Representative and two as State Senator. Now serving his fourth term in Congress, Rutherford is known for his fidelity to official duty. He has compiled a near-perfect voting-attendance record during his Congressional tenure.

The Congressman introduced a new feature into public service several years ago, by equipping a house-trailer as a mobile office and taking the Congressional office into all points within his 19-county District.

The long-time West Texan, a Democrat, serves on two important Committees in the Congress. He is a member of the House Armed Services Committee and the House Interior and Insular Affairs Committee. Rutherford is Chairman of the House National Parks Subcommittee, and is serving his second term on the joint United States-Mexico Interparliamentary Conference. He is Vice-Chairman of the House delegation to that Conference.

"I will have a very limited time to campaign in West Texas due to my Congressional duties here," Congressman Rutherford said in

Annual Clean-Up Campaign In Ozona Set For April 9-14

Women's Clubs Combine Efforts to Assure Project's Success

With all women's clubs cooperating to assure its success, the annual Spring Clean-Up Campaign, sponsored here for many years by the Ozona Woman's Club, has been set for the week of April 9 through the 14th.

The date was chosen and plans shaped for the event at a meeting of the clean-up committee composed of representatives from the Ozona Woman's Club, the Woman's Forum, the Woman's League and the Ozona Garden Club, all cooperating in this year's campaign to give Ozona town its annual polishing and cleaning.

Mrs. Taylor Word, Woman's Club president, presided in the absence of the committee chairman, Mrs. Ira Carson.

Citizens of the community are urged to begin now to clean up, shape up and trim up their premises, vacant lots, streets and alleys so that maximum effect can be realized from the annual clean-up.

Because of the severe winter weather experienced this year, there will be an unusual amount of trimming of trees, shrubs and gardens and this will increase the scope of the clean-up job and the amount of material to be hauled away.

The county trash hauling service operated under management of the Crockett Water Control District, will be in service for free hauling of trash piled up in the clean-up campaign, it was announced. This free hauling will extend through the week following the clean up campaign in order that all trsh accumulated in the clean-up is removed.

Both draws through the city have been used as trash dumps recently, creating unsightly condition, the committee pointed out. The committee is requesting that this trash be picked up and piled in a convenient place to be removed and that those dumping in the draws be reported wherever possible in the future so that this practice can be discouraged.

The women's committee is especially anxious, it was announced, that all business concerns will

Girls Volleyball Tournament Gets Under Way Friday

High School And Junior Divisions Compete In Meet

By Ernie Boyd

The tenth annual Ozona High School girls invitational volleyball tourney will get under way at Davidson Gym Friday with championship and Junior High play slated to take place Saturday.

Eight High Schools and four Junior Highs will take part in the tourney with Big Lake being strongly favored in the High School division and perennial winner Ft. Stockton being favored to cop Junior High honors.

Miss Geneva Knox will be tourney director as home standing Ozona attempts to defend the title it won last year in ousting Iraan in the finals.

Big Lake with a veteran squad of talented performers and boasting a perfect mark in district 8 play including a sound win over Ozona will be favored to win the meet for the first time.

The first game scheduled Friday will take place at 5 p. m. when Sonora and the Ozona Freshman team tangle and that game will be followed by Junction and Iraan at 6 p. m. Big Lake nd London at 7 p. m. and San Angelo and Ozona at 8 p. m.

Play in the championship and consolation brackets will begin at 9 a. m. Saturday with the consolation and Championship games to be unreeled at 7 p. m. and 8 p. m. Saturday night following the Junior High finals at 6:15.

The first Junior High game will pit Big Lake and Ozona at 11 a. m. Saturday and 45 minutes later Fort Stockton will meet Iraan. A consolation game will be held at 5:30.

March 31 Deadline For New Car License Plates

A reminder comes from the tax collector's office that Saturday of next week, March 31, is to be the deadine for getting new license plates for motor vehicles and trailers.

The Department of Public Safety has ruled that there will be no extension of time by reason of the fact that April 1 comes on Sunday. The deadline will be Saturday night, March 31, and vehicles operated after that date without 1962 license plates will be in violation.

Mrs. Gertrude Perry, office deputy in the sheriff's office, urges thos who have not registered their cars yet to do so as soon as possible in order to avoid the last minute rush. She also reminds that you must bring your last year's registration papers and your certificate of title before your car can be registered.

Big Lake Double Win Puts Reagan Girls In Dist. 8 Favored Slot

By Ernie Boyd

The Big Lake girls volleyball team stamped themselves as strong favorites to win the 1962 district 8-A title last Friday night when they downed the Ozona girls 13 to 11 and 15 to 5 in two straight games at Davidson Gym.

The Ozona team battled the visitors all the way in the first match even though never appearing to be on their way to victory but then were crushed in the second game as the rangy Big Lake girls did a splendid job getting exceptional spiking.

The double round robin schedule will pit the two against each other again in the second round but playing at home the next time the Big Lake team will be strongly favored.

Should Big Lake continue its fine play and win the district title it would mark the first time anyone other than Ozona has represented the district in a number of years, Ozona having gone to the finals in the state meet at Abilene last year.

10th ANNUAL OZONA QUARTER HORSE SHOW SET FOR MAY 26; RAY LEWIS, DELL CITY, JUDGE

The tenth annual Ozona Quarter Horse Show has been set for Saturday, May 26, with approval of the AQHA and the QHA of West Texas.

At a recent meeting of the Ozona Roping Club, Inc., sponsor of the show, Bud Cox was named General Chairman and Carl Appel as entry secretary, Ray Lewis of Dell City, Texas, was selected as show judge and will select winners of halter, performance and children classes.

C. G. SCRUGGS, president of the Southwest Animal Health Research Foundation, is to be a guest speaker at the quarterly meeting of the directors of the Texas Sheep & Goat Raisers Assn. meeting in San Angelo Saturday. Mr. Scruggs was honored at the recent convention of the Texas & Southwestern Cattle Raisers Assn. where he received that organization's outstanding service award for his part in heading the organization which initiated the screwworm eradication program in the southwest.

Complete halter classes for mares, stallions and geldings are set, along with a Get of Sire and Produce of Dam class. Added are classes for 4-H and FFA members with 1961 mares and stallions.

Ribbons are furnished the first six places of each class, with trophies to all first place winners, champion and reserve champion mare, stallion and gelding.

A Grand Champion Horse of the Show will be selected and receive a trophy from Baker Jeweler's of Ozona. To be eligible for this trophy, the horse must show and place at halter and in at least two performance classes. Points will be given to determine the winner, 6 points for a first place, 5 for second place, etc. Entries in the show will compete for a total of 20 handsome trophies, 10 silver belt buckles and 237 rosettes and ribbons.

Halter classes will be judged starting at 8:30 a. m., with performance classes at 1 p. m. Included in the afternoon performance show are Western Riding, Reining, Barrel Race, Roping and Registered Cutting. Junior and senior divisions are set up in the performance classes with the first place winners of each division competing in the night show for a trophy belt buckle.

Entry fees for halter classes are $10.00. The registered cutting horse contest calls for a $20.00 entry fee and all other performance classes at $10.00. One-half of entry fees in performance classes will be paid back to winners.

A Western Parade through downtown Ozona at 5:30 p. m., will precede the night show which starts at 8 p. m. In addition to the finals in the performance classes, a number of riding classes are scheduled for children at the night show. Following the regular scheduled show, a open jackpot cutting

Court Of Awards Climaxes Girl Scout Week Activity Here

Court Of Awards Is Climax To Girl Scout Week Activities Here

Miss Lucy Diaz received the Five-Point Pin for her Senior Scouting activities last Sunday in the Girl Scout Court of Awards Ceremony held at the Ozona Community Center for Troop 5, 6, and 9.

This is the first Senior pin merited by a Senior Scout in the program in Crockett County. Miss Diaz is a Junior in High School and a member of the Scouting Planning Board of the Frontier Council Girl Scouts. She is president of the local Troop 9 and has acted as assistant leader to a group of Brownies this year.

The following Girls were invested in Troop 6 at the candle light service: Sylvia Vitela, Alda Vargas, Felicita Ramirez, Mary Frances Martinez, Mary Jane Martinez, Rebecca Cervantez, Mary Castro, Odilia Sanchez, Cristina Sanchez, Enemencia Diaz, and Armandina Vargas.

Friend Well Finaled As Dual Gas Producer

Crockett County gained a dual gas-distillate discovery with completion from the Canyon of Delta Drilling Co. and Pauley Petroleum Inc. ,No. 1-A Friend, recent Ellenburger discovery, 1½ miles southeast of Ozona and ⅝-mile northeast of the depleted one-well Ozona, East (Ellenburger gas-distillate) field.

It was completed from the Canyon for a calculated, absolute open flow of 1.85 million cubic feet of gas per day, with gas-liquid ratio of 8,200-1, through perforations between 6,422-447 feet, which had been acidized with 16,000 gallons. Gravity of the liquid was 67 degrees.

It was completed Feb. 26 from the Ellenburger for a calculated, absolute open flow of 4.2 million cubic feet of gas per day, with gas-liquid ratio of 5,800-1, through perforations between 8,315 - 330 feet.

Annual 4-H Club Awards Banquet Set Monday Night

Members To Receive Awards For Outstanding Work In Year

The annual Crockett County 4-H Awards and Achievement banquet will held next Monday night at 7:30 p. m. in the high school cafeteria. The annual 4-H event is sponsored by the 4-H Mother's Club and its purpose is to honor and award 4-H members who have made outstanding achievements in 4-H work during the past year. Invited guests of the banquet are people who have supported 4-H club work in the county.

The program will be conducted by the 4-H club officers and 4-H adult leaders. Club officers are Penn Baggett, president; Frank Childress, vice-president; Bill Jacoby, secretary; Lynn Cox, reporter; and Jay Miller, parliamentarian. There are thirty-three active 4-H members in the club.

Mrs. Joe Tom Davidson is general chairman of the 4-H banquet. Officers of the 4-H Mother's Club are Mrs. P. L. Childress, Jr., chairman; Mrs. Troy Wiliams, vice-chairman, and Mrs. Charles E. Davidson, III, treasurer. County agent Pete Jacoby supervises the county 4-H club program.

Sterile Flies Being Airdropped Over 30 Texas Counties Where Screwworms Have Been Reported; Program Speeded

Sterile screwworm flies are being airdropped and facilities for producing them are being enlarged in southern Texas, as a Federal-State-Rancher effort to eradicate screwworms from a large area of the Southwestern United States gets under way, the United States Department of Agricultural says.

Inspections begun in mid-January have uncovered screwworm infestations in livestock in thirty southern Texas counties. Finding these destructive pests over-wintering farther north than was anticipated has accelerated the pace of eradication efforts. Temporary sterile-fly production facilities at Kerrivlle, Texas, are being enlarged, and a permanent sterile-fly "factory" is under construction near Mission. Inspection and treatment of animals within and entering the eradication area have been intensified.

The campaign is a joint effort by United States Department of Agriculture's Agricultural Research Service, the Southwest Animal Health Research Foundation (an organization of stockmen), and The Texas Animal Health Commission, with the cooperation of state extension services and many other public and private groups.

Essential for eradication are (1) production and air dispersal of sexually sterile screwworm flies, (2) establishment of a fly-free barrier along the Mexico-Texas border, (3) prompt treatment and reporting of all suspected screwworm cases, and (4) maintaining a ground inspection line to prevent movement of screwworms on infested livestock into fly-free zones.

Screwworm flies are reared by the millions in an artificial medium and made sexually sterile by exposure to radioactive cobalt. They are released by airplane over screwworm-infested areas. The sterile male flies mate with native female flies, which then produce eggs that do not hatch. Thus the species is eventually wiped out. In 1958-59, this technique eradicated screwworms from Florida, where they over-wintered and annually moved northward to infest livestock in the southeastern states.

Air release of sterile flies produced at Kerrville began February 14. Ten million a week are now being airdropped in the pest's over-wintering area in southern Texas. This area includes Bandera, Bastrop, Bee, Brooks, Burnet, Calhoun, Cameron, Duval, Frio, Goliad, Gillespie, Hays, Hidalgo, Jim Hogg, Kenedy, Kerr, Kinney, Kleberg, Live Oak, Llano, Maverick, Medina, Refugio, Starr, Uvalde, Victoria, Webb, Willacy, Zapata, and Zavala Counties, where screwworms are reported active. Present facilities for rearing and sterilizing

THE FACE IS RED

"I applaud your stand on the John Birch Society.

"I deplore your living in the past — 1961"

This is the brief note received this week from Dr. Dorothy Wyvell of Midland, the lady physician who temporarily abandoned a lucrative medical practice in Midland to run for the U. S. Congress on the conservative Constitution Party ticket two years ago.

Priding ourselves on being right up to snuff on what goes on, we nearly went into a huff before we discovered our good friend the lady doctor was kidding us about the datelines in last week's Stockman.

The typesetter was probably thinking about making a snow man, or still suffering from shock at waking up in the middle of March in a snow storm.

District President, Federated Music Clubs, Speaks To Local Club

Mrs. Glenn Brown of Stanton, president Sixth District Federation of Music Clubs, was the guest speaker at the meeting of the Ozona Music Club last Thursday evening in the home of Mrs. Geo. Russell. Mrs. L. R. Dorsey and Mrs. Gotcher were assiting hostesses.

Dinner, prepared by club members, was served to members and guests.

Mrs. Roy Killingsworth introduced Mrs. Brown who spoke on federation work and gave a report on the national convention which met in Kansas City.

Mrs. Rudolph Oehler, program leader, talked on the work of Texas composers. A piano solo, "Judo Dance" was played by Mrs. Morris Bratton and Mrs. Allan Morgan sang "I Know Why."

A trio composed of Mrs. Brooks Dozier, Mrs. Morris Bratton and Miss Lucille Farmer sang "The Hills of Home." They were accompanied by Mrs. Oehler.

At the close of the program Mrs. Killingsworth presided at a business meeting during which new officers were elected for the coming year.

The new oficers are: President, Mrs. Ottist Pridemore; vice president, Mrs. Allan Morgan: recording secretary, Mrs. Frank James, corresponding secretary, Mrs. J. W. Howell; treasurer, Mrs. W. C. Owens; reporter, Mrs. Quenten Brentz; historian, Mrs. Lee Lennington; auditor, Mrs. Buddy Russell, and parliamentarian, Mrs. Roy Killingsworth.

s making available the d equipment used at Se- roduce flies for the suc- dication of screwworms southeast. Agricultural Service equipment will also be transferred from Sebring to Mission, and the Florida plant will be closed. Production of sterile flies at Kerrville will be discontinued when the Mission facilities are open.

Agricultural Research Service Animal Inspection and Quarantine activities along the Mexican border have been intensified. Year round inspection is normally carried on there to prevent animals carrying ticks and diseases from entering the United States. Now, efforts will be intensified to prevent screwworm-infested animals from entering.

Stockmen, county agents, predator-control workers of Texas and The United States Department of the Interior, and other volunteer observers are cooperating by promptly reporting screwworm cases found in domestic and wild animals.

his official announcement. "My personal desire is to return home and enter into the campaign. But I feel that I cannot abandon my post while Congrese is in session. To do so would deprive West Texas of its voice and vote at a time when critical issues are daily before the Congress. Any campaigning that I am able to do will not be done at the expense of my official duties."

Congresman Rutherford continued: "When I asked to be promoted to Congress from the Texas Legislature. I pledged to be on the job when Congress is in session and to return to West Texas duradjournment periods to visit among the people I represent. I believe that even my most vocal foes must admit I have honored that pledge and have kept the faith.

"I will leave the election-year campaign promises of qutstionable validity and the irresponsible charges to others in this campaign. I shall continue to be a working, active Congressman and that is the pledge I make to the people.

Rev. Bill Perdue To Preach At Revival At Calvary Baptist Here

Revival services will be held at the Calvary Baptist Church beginning April 1st and continuing through April 8th, Rev. Hugh Stiles, pastor, announced this week. Rev. Bill Perdue, son of former Ozona residents Mr. and Mrs. Doyle Perdue, will be the evangelist for the evangelistic services. Rev. Perdue will be with the church beginning Monday April 2nd.

There will be two services daily, the morning service will begin at 10:00 o'clock and the evening services will begin at 7:30 p. m. Rev. Perdue is pastor of the First Baptist Church of Crane, Texas.

The song service will be under the direction of Charles Elmore of Sheffield, Texas. Everyone in the community is invited to attend these special services.

In preparation for the revival the membership and friends of the Church are conducting a "Prayer-partner" prayer time in which two people are meeting each day through the month of March and are praying together, Rev. Stiles said. Also, beginning March 26, men of the church will meet at 6:00 a. m. each morning that week for an early morning prayer meeting. The ladies will meet at 8:30 a. m. during this week for their prayer service. A special emphasis of family prayer during the week of the revival is being encouraged by the church. Home Prayer Services will be held by each family of the church one half hour before each revival service.

A nursery will be provdied for the children and also a church-wide dinner will be served on the final afternoon o fthe revival.

The Calvary Baptist Church is located directly behind the new shopping center on Avenue I. Present plans call for the completion of their new building as soon as possible with the present building to be converted into educational and fellowship space, the pastor

Scrivner-Poe Wedding Plans Are Revealed

Mr. and Mrs. W. C. Scrivner of Ozona announce the engagement of their daughter, Kathy, to Airman 2C Ray Poe, son of Mr. and Mrs. J. C. Holcomb of Cleveland, Tennessee.

The couple plan to be married April 8 in the home of the bride's parents here.

oOo

FUNDS SOLICITED

The Ozona Assembly of God Church, now in process of building a new church home on Santa Rosa street a half block off Highway 163 south, has launched a drive for contributions to pay off a balance which will be due on the church on its completion. Contributions may be sent or handed to Rev. Ezequiel Faz, pastor or sent to Box 1124.

RULES ARE TO BE OBSERVED

"Rules are made to be broken." This old saying can be applied to any field. Let's look at it from the "parking" point of view.

The street in front of our building looks like the parking lot at a large department store. If all cars are parked correctly then this presents no problem.

Our parking rules are few but should be obeyed. The rule most frenqently violated is the one concerning bumpers which overlap the sidewalk. Let's keep the sidewalks clear from bumpers.

The area on the side of the building has been set off for the teachers. There could be twice as many cars parked in this area if the cars were parked correctly.

There are rules in all phases of life and we should try to be more observant of them.

MOTHRE NATURE CONFUSED AS SENIORS

Seniors writing research papers were not the only ones confused last week; Old Mother Nature was a bit out of helter herself. The capricious old girl, disguised in a mantle of white, stole into OHS unexpectedly last Wednesday giving student snow - throwing heyday, and motorist a headache.

Around OHS, snow-balls flew thick and fast. More than one unwary individual intercepted one of these missiles. Such an unwary soul was Coach Cleere, who during the noon hour collected a large amount of snow at various places about his person and decided to retaliate. He took a stand behind a large evergreen near the workshop door, where he warded off his snow-throwing tormentors until the noon bell rang. The snow, impatient to be on its way, stayed with us for only a couple of days. School life has returned to normal, no longer are sidewalks slushy and slippery, and now Coach Cleere can walk about O. H. S. with impunity.

—oOo—

RASBERRY FILES BUSY T. S. RECORD

John Darrell Rasberry was born in Dallas on December 23, 1943.

He moved to Dublin, where he lived until he moved to Ozona in the eighth grade.

Darrell has lettered in football and track in 59-61. He was co-captain of football in 61 and on the All-District team in 61. He has been vice-president of the junior and senior class, and he was president of the freshman class. He was a student council representative his junior class.

Darrell's comment upon graduating is, "I'm proud to graduate from OHS".

—oOo—

THE LINES MAKE THE COLUMN

The snow provided fun for some of the students. There were several snowball fights during the day.

Mr. Leath, speech and world history teacher, has been in the hospital. He was discharged Friday.

All seniors and their dates reported a good time from the Baptist banquet last Thursday night.

Wishes for good luck go to the one-act play cast who will travel tonight to Sonora for Interscholastic League District competition.

Don Nell, Becky, Jann, Mary Jane, Susan, Johnnie Ray, Johnny, and Darrell were among some of the students who attended the Sonora Track Meet.

Seems as though Mr. Morgan's Senior Trip may be different from that of any other sponsor because the Adolphus Hotel mistook his name "Foy" as "Fay" and placed him in the girls section of reservations.

Ozona High School will be represented by several students in Junction Tuesday at the District Interscholastic League literary competition.

The population in OHS classrooms was decreased Tuesday due to the band clinic.

The sympathy of the student body is with the Brentz family this week upon the death of his mother.

Good luck to the Ozona Volleyball team at their own tournament which will begin this Friday afternoon.

—oOo—

WMU HONOR SENIORS WITH ORIENTAL BANQUET

The seniors and their dates were honored by the Women's Missionary Society of the First Baptist Church last Thursday.

The theme was Oriental with the banquet hall decorated with Chinese lanterns, murals, and an eleven foot dragon.

The menu consisted of: Chicken Chow Mein with Rice, Green Beans Oriental, Chinese Rosettes, Rollees, and tea. The dessert was Shanghai Sherbert and Fortune Cookies.

The seniors were served by the following girls: Gladys Mathews, Ora Mae Sparks, Helen McCaleb, Jackie Meadows, Gloria Loudamy, Lucille Childress, and Fannie Everett.

Mrs. Art Dodds opened the program with a "welcome" to everyone. Mr. Rex Wilson, music and educational director of the First Baptist Church of Coleman, presented a program of music and a short devotional. Mr. Art Dodds gave the benediction and then "Sayonara" was said by all.

TIGER LILY IS PRESENTED FOR PTA MONDAY

The One-Act Play, "Tiger Lily" was presented to the P. T. A. Monday night, March 19 in the High School Auditorium.

The cast is Lily — Charlotte Johnigan, Bobby Tabb as Derek, Johnny Childress as Quinny, Ruthella Nichols as Nina, the younger sister of Derek, and Leroy Dragoo, as Walter, the boy next door.

The play will be presented in the Intedscholastic League Contests in Sonora March 22.

The play is about two gangsters who try to kill a young man and his younger sister, but who in the end get caught in their own plot.

Charlotte Johnigan and Jan Pridemore, contestants in the persuasive speaking contest and the extemporaneous speaking contest respectively gave their speeches for the meeting.

—oOo—

MARIAN ROSS SENIOR OF THE WEK

Senior o fthe week, Marian Ross, was born in Stephenville on Feb. 27. There she started and attended school through the fourth grade. She then moved to Ozona and started her fifth grade year and has attended school here through her senior year.

As a freshman, Marian was active in the Choral Club and in FHA. She was chosen assistant director of the junior play her junior year. Marian's senior year has proven to be the most active for her. She is a member of the Ayer Staff, the Lions Roar Staff, asistant director of the one-act play, and she has a part in the junior-senior play.

Sewing is Marian's hobby.

Her comments upon leaving are "I hate to leave OHS, because it is such a small place, and I like small places, however I'm glad to be leaving, because I feel that a person needs to know what other places and people are like."

JOE SHANCHEZ ENDS HIGH SCHOOL CAREER

Getting a job and going to work is the future planned by Joe Sanchez.

Joe was born Dec. 25, 1943 here in Ozona. His parents are Mr. and Mrs. Jose Sanchez. He has one brother, two half brothers and two half sisters.

Joe has attended the Ozona Public Schools for twelve years.

SHADOW LED ON MERRY CHASE

You made it to school Friday. You parked your car and got in another where most of the crew was. You were worried about that geometry test, but someone turned on the radio, so you sang with it.

The bell for first period rang and you went to study hall. You tried studying a while, but you ended up staring at the wall. This was boring so you aggravated Charlotte; then you went over to where Ronnie and Robert were sitting and you discussed geometry.

You went on to plane geometry where you were unusually quiet and you didn't get to argue with Mr. Dozier because you had to take a test.

Speech was next and you tried to read your library book but you ended up fighting with Darrell.

For fourth period, you went to English where you tried to work Mr. Moody's "Idiot Test" but you didn't make the grade. The rest of the period you giggled. You were really in a good mood that day.

At noon you at out with Andie, Robin and Freida Kay. While they ate, you read your library book, but looked up now and then to make some crack.

Fifth period you went back to study hall. You concentrated on short stories most of the period.

The bell rang and you went to American history. Mr. Cleere hadn't come in yet, so you acted as referee while Penn and Jann fought over some pictures.

During Spanish you tried to pay attention, but you enjoyed yourself, giggling with Pauline in the back of the room.

3:35 and school was out! At last, another week over, you tore out of school, holloring at someone halfway down the street, what are we going to do this evening?

Yes, the shadow was there, Gracie Chndler.

Mrs. Jesse Carl Marley
. . . . nee Miss Janice Sue Spencer

Miss Janice Sue Spencer Becomes Bride Of Jesse C. Marley In Saturday Rites

Miss Janice Sue Spencer, daughter of Mr. and Mrs. C. O. Spencer of Ozona, became the bride of Jesse Carl Marley, son of Mr. and Mrs. Jesse J. Marley of Ozona, in a ceremony at the First Baptist Church here Saturday evening, the Rev. Harry Trulove, pastor, officiating.

Mrs. Joe S. Pierce, IV, cousin of the bridegroom was soloist and Miss Jan Pridemore was organist.

The bride, given in marriage by her father, wore a white satin gown designed with a sweetheart neckline and long sleeves. Alencon lace embroidered in pearls lavishly adorned the bodice and front of the shirt. Side pleats gave graceful fullness to the carriage back with a formal bow at the waist and a wide court train. Her princess crown of pearl with crystal drops was attached to a full-tiered, waist-length veil of silk bridal illusion. The bridal bouquet was a white Cattleya orchid and lily of the valley on a satin and tulle covered prayer book.

Mrs. Wiley Reynolds of Pampa was maid of honor. Bridesmaids were Miss Cathy Caldwell of Austin, Miss Genevieve Poage, Mrs. George Bunger, Jr., and Mrs. A. E. Morris, Jr., of San Antonio, aunt of the bride.

Miss Debra Clayton of Fort Stockton was flower girl and Miss Barbara Lou Stevens of Snyder the bride's cousin, was junior bridesmaid.

A reception was held in the church following the ceremony.

The couple will reside in Sterling City where Mr. Marley currently is doing his student teaching in vocational agriculture. He will receive his B. S. degree in agricultural education from Texas Technological College, Lubbock in May. He also attended San Angelo College as did his bride. who also has been enrolled in Texas Tech. Both are graduates of Ozona High School.

Out of town guests here for the wedding included Miss Wilma Kilpatrick, Mrs. Eugia Flynt, Mrs. Margaret Manley and Mr. and Mrs. Kelso Dabney, all of San Angelo; Mr. and Mrs. R. C. Ballard, Claude, Texas; Miss Rita Lee, Amarillo; John and Owen Parks, Lubbock; Earl Hogan, Fort Hood; Wiley Reynolds, Pampa; Miss Lena Price and Mrs. Florence Youree, of Waurika, Okla.; Mrs. Emmerine Snipes, Electra, Texas; Dr. and Mrs. Thomas F. Caldwell, Austin; Mr. and Mrs. Lee Crenwelge, Midland; Mr. and Mrs. Mike Clayton. Ft. Stockton; Mr. and Mrs. Claude Miller, Coleman and Mr. and Mrs. Lon A. Platt, San Antonio.

- - -

Mr. and Mrs. Jess J. Marley, parents of the groom, were hosts to about fifty guests at the rehearsal dinner Friday evening at the Ozona Country Club. White wedding bell place cards, spring flowers in shades of pink, and silver candelabra with pink tapers decorated the table.

- - -

Mrs. C. B. Hubbard honored the bride with a bridesmaids luncheon Saturday. The luncheon table was centered with a miniature bride banked in Spring flowers. Twenty-four guests were served.

ADDING MACHINES — Electric and hand operated. The Stockman

Fourth Producer In West Crockett Field Indicated By Tests

Fourth Clearfork producer and a location west extension to that pay was indicated in the Ozona, West multipay field of Crockett County, with the recovery of oil on one of two drillstem tests at Southland Royalty Co., et al., Midland, No. 2-14-B University Lands, in 14 - 31 - University, 14 miles northwest of Ozona.

Recovery was 88 feet of oil- and gas-cut mud and two feet of oil on a one-hour test taken between 3,475-3,500 feet. Flowing pressure was 30-80 pounds; 30-minute initial and final shut-in pressures were 80 and 105 pounds, respectively.

A subsequent one-hour test between 3,500-525 feet recovered 90 feet of drilling mud.

Operator set 4½-inch casing at 3,455 feet, on total depth of 3,525 feet, and was moving off rotary.

The field has two Strawn gas producers.

Standard Oil Co. of Texas No. 1-3 Shannon Estate, in 4 - BB-EL&RR, Crockett County deep failure, 19 miles northwest of Ozona and ⅞-mile northwest of the Todd, North (San Andres) field, 19 miles northwest of Ozona, swabbed eight barrels of new oil in five hours through perforations between 2,011-16 feet, possibly San Andres.

Operator was preparing to install a pump.

Total Depth is 7,900 feet.

—oOo—

STATION IN NEW HANDS

George Glynn, an Ozona resident for a number of years while employed with the local production office of Continental Oil Co., has resigned from his post with the oil company to go into business for himself.

Mr. Glynn has purchased the El Paso Service station operated here for many years by Gene Williams. The station, at Avenue G and Highway 290, was for many years a Magnolia station but in recent years changed to El Paso Red Flame. Mr. Glynn urges all his friends to visit him in his new enterprise.

TS&GRA Directors Consider Matters Vital To Industry

Screwworms, Tariff, Labor, Shearing Topics for Angelo Meet

San Angelo — C. G. Scruggs of Dallas, president of the Southwest Animal Health Research Foundation, is to be the featured speaker at a leg-of-lamb luncheon highlighting the spring quarterly meeting of directors of the Texas Sheep & Goat Raisers' Association here March 24.

The luncheon is to be held in the Hotel Cactus, headquarters for the Friday-Saturday ssesions. Registration begins at 10 a. m. Friday.

TS&GRA officials anticipate 300 to 350 directors and members will attend this important directors gathering as several matters of vital concern to sheep and goatmen are due discussion.

The screwworm control program and the Kennedy Administration's proposed common market program (reduction of tariffs) to offset the anticipated effects of the European Common Market are to be given priority at the meeting.

The screwworm control program is already under way in Southwest Texas with several million sterile flies being released over livestock areas each week. This project began earlier than anticipated.

Committee metings are set for 2 p. m. and 4 p. m. Friday and the general session is to be held at 9:30 a. m. Saturday. All sessions are to be held in the Hotel Cactus.

E .G. Cauble, Jr., of Big Lake, TS&GRA president, is anxious for a good attendance since this will be the first opportunity for many members and directors to see the new headquarters home of the association.

Members of the auxiliary, of which Mrs. James Baggett of Ozona is president, will also meet Friday and Saturday with a full program scheduled.

Among matters to get attention of the various committees and on which reports will be made Saturday morning include: predatory animal control, livestock theft, wool and mohair and lamb promotion; ranch labor, and the apprentice shearing program which is now in its second year. Wool, mohair and lamb marketing also will receive full attention in the commtitees. TS&GRA headquarters at 233 W. Twohig Avenue will be open throughout the two days of the meeting.

—oOo—

HOT TAMALE SALE

Ladies of El Templo Jerusalem Baptist Church will have a hot tamale sale at the church Saturday, March 24, from 1 p. m. through the supper hour. Coffee will also be served. Tamales served at the church or to take home wil be 60 cents per dozen. The sale is to benefit a church building repair fund. Those wishing to place orders may call Mrs. Solis at 2-2020 or Mrs. Chipman 2-3090.

CALVARY W. M. S. MEETS

The Calvary Baptist Church Woman' Missionary Society met in the home of Mrs. Hugh Stiles for the mission study, "Glimpses of Glory" given by Mrs. Bob Stephens. The stewardship program was given by Mrs. E. C. Alford. A quilting session followed the program. Present were Mrs. Stephens, Mrs. Alford, Mrs. Jess O'Rear, Mrs. Mina Dowdy, Mrs. H. C. Cornelius, Mrs. Lonnie Dorris and Mrs. Autery Thomas.

WILLIAMS EL PASO STATION
(Highway 290 at Avenue G)

We intend to continue the fine brand of service you have been accustomed to and the unbeatable blends of that fine El Paso gasoline.

EVERYTHING FOR YOUR DRIVING PLEASURE

George Glynn

Glynn's El Paso Service
Will Appreciate Your Business

THANK YOU!

I have sold the El Paso Service Station, which I have operated in Ozona for many years, to Mr. George Glynn and henceforth the station will be known as GLYNN'S EL PASO SERVICE.

It has been a pleasure to serve you these many years and I want to express my sincere thanks for your patronage.

I feel sure you will find Mr. Glynn and his crew anxious to please you with their service and I hope you will continue your patronage at the station under his ownership.

Adios, and thanks again!

GENE WILLIAMS

Ozona Track Team To Compete In Eldorado Invitational Saturday

By Ernie Boyd

Coaches Chick Womack and Sonny Cleere will take their Ozona High School track team to Eldorado Saturday to take part in the annual Eldorado Invitational meet and will be hoping their charges will be in better physical condition than was the case last week.

Saturday the Lions took part in the annual Sonora Invitational and found things a bit rough as still sore legs, illness, a few mishaps and plenty tough competition all combined to set the Lions down with only 15½ points in a meet which they won last year.

The Eldorado Eagles looked more and more like the new district champions in winning their second successive meet by running up 105 points including wins in both the 440 and the mile relays.

The Lions found most of their competition in their favored events in the form of a number of visiting 2-A schools.

The Lions garnered their few points with thirds and fourths in the high hurdles, the pole vault, the discus and the shot but except for a pretty good heave by Carl Montgomery in the shot most of the Lions still seemed to be below what can be expected of them a little later.

Scott Mahon contributed a 4th place in the pole vault to add a few points to the Lions total marking his first success in a meet and giving promise of a little more of much needed depth.

Texaco Crockett Test Indicate Second Pay; Heavy Lanaster Gasser

Second pay, possibly Devonian, has been encountered at Texaco Inc., Midland, No. 1 W. M. Weatherred, in 30-31-H&TC, Crockett County detrital prospect, eight miles southeast of McCamey and two miles east of the Pecos County portion of the prolific El Cinco detrital and Devonian field.

Recovery was 660 feet of gas, 390 feet of oil and gas-cut mud and 50 feet of free water on a three-hour test between 5,590-5,-610 feet. Flowing pressure was 80-160 pounds; 30-minute initial and final shut-in pressures were 2,140 pounds and 1,410 pounds, respectively.

Recovery was 890 feet of gas, 310 feet of medium-cut mud and 180 feet of medium-to-heavy oil and gas-cut mud on a previous two-hour test between 5,570-90 feet. Flowing pressure was 85-130 pounds; 30-minute initial and final shut-in pressures were 700 pounds and 590 pounds, respectively.

Recovery was 270 feet of gas and 120 feet of gas-cut drilling mud on an earlier two-hour test between 5,530-67 feet. Flowing pressure was 85-98 pounds; 30-minute initial and final shut-in pressures were 638 pounds; and 140 pounds, respectively.

Drilling continued below 5,666 feet in lime and chert on a 6,000-foot Devonian contract.

Detrital production was indicated earlier with the flowing of gas at the maximum daily rate of 218,000 cubic feet daily and the recovery of 1,750 feet of free oil and 950 feet of heavily oil and gas-cut mud on a test between 5,225-75 feet.

The Lancaster Hills multipay oil and gas field of Crockett County gained its third Strawn gas producer and a location east extension to that pay with completion of Phillips Petroleum Co. No. 2-L University Lands, 25 miles west of Ozona.

It was finaled for a calculated, absolute open flow of 22 million cubic feet of gas per day, with gas-liquid ratio of 39,000-1. Gravity of the liquid was 70.7 degrees.

Production was through perforations between 6,850-918 feet.

Location is 660 feet from the south and west lines of 10-29-University.

Impala Sport Coupe—here's about everything you'd expect of an expensive car—except the expense.

the car that gives you more to be happy about (right up through trade-in time)

More car for your money when you buy, more money for your car when you trade! That's our Jet-smooth Chevrolet with rich, comfortable interiors that make you feel kind of pampered. Body by Fisher craftsmanship that pleases the perfectionist in you. Vigorous V8's or a savings-savvy 6 you'll get a kick out of bossing. Space (and how!), grace and a ride so gentle you'll think all the bumps have gone into hiding. Comes trade-in time, you still sit pretty because you're handing over a Chevrolet —which year after year brings a higher resale return than any other full-size car in its field.* More? Plenty—as your dealer'll happily tick off for you. **JET-SMOOTH CHEVROLET**

CHEVROLET

* Based on used car prices published in the National Automobile Dealers Association USED CAR GUIDE.
