USDA Announces Signup For '87 Reserve Program

July 1-Secretary of Agriculture Richard E. Lyng today announced that signup for the 1987 Conservation Reserve Program will take place Aug. 4-15 at Agricultural Stabilization and Conservation Service county offices.

According to Lyng, farmers may volunteer highly erodible cropland for entry into the Conservation Reserve Program, under a provision of the Food Security Act of 1985.

"We are pleased with the response from farmers during the 1986 signup," said Lyng. "Now that producers are aware of the other provisions of the Act, such as sodbuster and conservation compliance, we expect even more interest by producers in the Conservation Reserve Program this year."

Producers wishing to put land into the program are eligible for cost-share payments of up to 50 percent of the eligible costs of establish a cover crop. The annual rental payments are for 10 years.

The total amount of rental payments for any fiscal year may not exceed \$50,000, or its equivalent if in-kind payments are made.

Lyng said producers will be allowed to harvest their 1986 crop before the contract becomes effective, if necessary.

Land that is designated may not be grazed after the Commodity Credit Corporation approves the contract.

Markets

Wheat	\$2.10
Corn	\$2.40
Milo	\$3.70

Hospital

Patients in Hansford Hospital are: Bobby Jones.
Dismissed were: Mildred Daily, Fronye Close, Harvey Johnson and Maria Garcia.

USDA Announces Additional 1987 Wheat Program Provisions

June 30-Secretary of Agriculture Richard E. Lyng today set the national average loan and purchase level for the 1987 wheat crop at \$2.28 per bushel, down from \$2.40 per bushel for the current year.

Lyng also announced the following additional provisions for next year's wheat crop:

--A marketing loan program will not be implemented;

--Offsetting compliance requirements will not apply, meaning that eligibility for a program payment and loan for a commodity on a farm will not be affected by actions taken with respect to that commodity on another farm;

The upper limits on the farmer-owned reserve quantity will be no more than 17 percent of the estimated domestic and export use for the 1987/88 marketing year. If reserve quantities exceed the upper limit at the time that 1987-crop wheat loans mature, no entry into the reserve will be permitted;

--Actual crop yields for 1987 and subsequent years will not be used to establish 1988 and future farm program payment yields.

Lyng said he will reserve the right to initiate cost reduction options as outlined in Section 1009 of the Food Security Act of 1985. These options may include reopening and changing a contract entered into by a producer under a program if the producer voluntarily agrees to the change.

The enrollment period for the 1987 wheat program will begin Oct. 1, 1986, and end March 30, 1987.

Police Report

The Spearman Police Department received a report Saturday afternoon that a new water heater and air conditioner had been stolen from the James White home within the past 2 or 3 weeks. The stolen water heater and air conditioner were valued at \$750.

The report was made by Jim Ivey, stepson of White.

COX/CROSLIN and ASSOCIATES
ARCHITECTS AND PLANNERS
1001 CAPITAL OF TEXAS HWY., SUITE 100, TEXAS

HANSFORD MANOR

Groundbreaking for new Manor addition will be July 24th!

Hansford Manor expansion project is moving right along. Above you see the "View from the Terrace" drawing as designed by Cox/Croslin & Associates from Austin. What you are seeing is the south terrace looking into the large day room with fireplace and cathedral ceilings. To the right and left of the day room you can see the two smaller quiet areas. One of the areas will have french doors and can be closed for private visits with family and friends if residents desire.

Other construction will consist of a new and greatly enlarged dining room with doors opening to a large terrace for spring and summer dining as well as cookouts.

In the residential section there will be eight suites which are much like large and comfortably equipped hotel suites, there is also a small refrigerator in the rooms. Nine private rooms and eight semi-private rooms, new nurses stations and support areas complete the expected 2.2 million dollar expansion and renovation project.

The Groundbreaking for the new addition to the Hansford Manor will be held Thursday July 24th.

In other business this week, Board President Jack Oakes stated that they would open bids and select a contractor this Thursday night.

Hansford Hospital Board Members are: Jack Oakes - President, Alton Ellsworth - Vice President and Les Barkley - Sec. and Tres.

Board Members are Jerry Hunt, Dewight Hutchison, and John Trindle. The hospital manager is Dennis Robertson.

Guests: Jamie Johnson, NCR
Joe Hutchison, Great American Reserve
Bob Barnett, Great American Reserve
Administration: Dennis Robertson, Dan Powers, C.M.R.

The meeting was called to order by Jack Oakes, President.

Minutes of the previous meeting were read and approved on a motion by Dwight Hutchison, seconded by Alton Ellsworth, and approved by all present.

The monthly financial report was not given due to computer being down and information not available, however the accounts payable was presented to the Board for their consideration. A motion to pay the bills was made by Leslie Barkley, seconded by Alton Ellsworth and approved by all present.

Joe Hutchison and Bob Barnett of Great American, presented a proposed pension plan to the Board for their consideration. After much discussion, the matter was tabled at this time pending further study.

Dan Powers gave a brief history of our computer equipment and the problems we are having with it. Ms. Jamie Johnson of NCR then gave a presentation for up grading of our equipment. After a great deal of discussion a motion was made by Jerry Hunt, and seconded by Dwight Hutchison to purchase a new NCR 9300 system. Motion was approved by all present.

Pictured above is an overall view of the existing facility and the proposed expansion.

The new building will contain 15,312 square feet and 2,171 square feet in the remodeling of the existing facility.

It will take approximately one year to complete the project. At the completion, we feel that Hansford Manor will be an outstanding asset to our community and to the residents of Hansford County.

In many ways our facility will be a pace setter for this area. We will be capable of offering "suites" to our residents who request such. The suites are designed primarily to accommodate residents that need only minimal supervision, assistance with medications or diets, or only the assurance that licensed medical personnel is available, if needed, 24 hours per day.

A resolution to authorize the Administrator to negotiate an extension on our line of credit in the amount of \$100,000.00 was made on a motion by Leslie Barkley, seconded by Alton Ellsworth and approved unanimously by all present.

Mr. Powers discussed the Budget for 86/87 with the board and noted the changes in the revised Budget. A motion was made to set a Budget hearing on August 14, at 7:00 PM, by Alton Ellsworth, seconded by John Trindle and approved by all present.

A motion to enter into Executive Session was made by Alton Ellsworth, seconded by Jerry Hunt and approved by all present. The Board came out of Executive Session on a motion by Jerry Hunt, seconded by John Trindle, and approved by all present.

There being no further business, the meeting adjourned on a motion by Alton Ellsworth, seconded by John Trindle, and approved by all present.

Jack Oakes, President
Leslie Barkley, Sec-Tres.

To God a note of Thanks

By: Mrs. E.A. Greener

Friends our lesson this week is based upon the word "Conquerer". From Gods Holy Word we are told the meaning of this word. We have won the victory or we are master over sin the Devils power and all self desire. Now let us read Romans 8: verses 34 through 39 the remainder of the chapter. Who is he that condemneth? It is Christ that died for us, Yes rather that is risen again who is even at the right hand of God who also maketh intercession (our lawyer pleading our case) for us who shall separate us from the love of Christ shall tribulation or distress or persecution or famine or nakedness or peril or sword? As it is written for thy sake we are killed all the day long (all the time we are doing Gods Holy will not ours) we are accounted as sheep for the slaughter (suffering for Christ should it be we had to) Now in these things we are more than conquerors through Him that loved us (So much He shed his blood to forgive and cleanse) For I am persuaded that neither death nor life nor angels nor principalities nor powers nor things present nor things to come nor height nor depth nor any other creature shall be able to separate us from the love of God which is in Christ Jesus our Lord.

Praise God this thrills my soul knowing that our life when covered by the blood shed by Christ will keep us through Gods protection under any condition that might come our way: Jesus said Matt 10:28; Fear not them which kill the body but are not able to kill the soul but rather fear Him (God) which is able to destroy both soul and body in hell. You will also find this recorded in Luke 12:5. Under the blood

our life is hid with Christ in God Col.3:3 and the next verse reads: Thus when Christ who is our life shall appear then shall ye also appear with Him in glory. Oh what a reward. Praise you God.

The Bible states in Romans 8:17; If it be so that we suffer with Him (Christ) that we also may be glorified together and the following verse says the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. (Immortality eternal life 1 Peter 2: 20-21-22; For what glory is it if when ye be buffeted for your faults ye shall take it patiently? But if when ye do well (suffer for Christ) and suffer for it ye take it patiently this is acceptable with God for even here unto were ye called because Christ also suffered for us leaving us an example ye should follow His steps who did no sin neither was quile found in His mouth. We at times hear of people who give their life for Christ and His gospel and none of us know what could come our way before Christs return but praise the Lord the grace of God we have been studying about will be sufficient to carry us through making us a conqueror which will bring to us great rejoicing 11 Tim. 2:12; If we suffer we shall also reign with Him and in verse 1 of this chapter we read where Paul tells Timothy, He calls His son in the faith to be strong in the grace that is in Christ Jesus (what He will help Him bear and endure) and in 1 Cor. 15:58 we find this admonition. Therefore my beloved brethren be ye steadfast unmovable always abounding in the work of the Lord for as much as ye know that your labour is not in vain in the Lord. Thank you God for Your love mercy and grace.

On Tap?

"How'd you come out in the fight with your wife the other night?"

"Aw, she came crawling to me on her hands and knees."

"What did she say?"

"Come out from under that bed, you coward."

Could You?

Mrs. Knagg--"Don't fidget so, Harold. You should sit perfectly still while mother is talking."

Mr. Knagg--"It's cruel to compel a child to sit perfectly still for such a long, indefinite period."

Todd Brock
John Huchison
Larry Trosper

Visiting Rotarians:

Norman Flue - Borger
C.D. Riggins - Perryton
Walter LaMaster - Perryton
Jake Dunkel - Perryton

SUCCESS IS SUCH A NEBULOUS THING.

You hear about it. You read about people who have it. You read books on how to get it. It's something that everyone is after. It's something different for every person who's trying to get it, and every person goes after it in a different way.

But of the factors that go into the making of the "Successful" person, one key element seems to be common to them all. Surprisingly enough, it's not

genius or wit or a Ph.D. It's attitude. Successful people share a set of attitudes that have helped them become what they are today. Attitude is a cornerstone of success. Here are some of the most important attitudes that successful people share.

To begin, there are a few things that you must keep foremost in your mind. You must *have the desire to achieve *develop a set of clear goals *always keep developing your abilities.

The ability to take a situation, a problem or a project into your hands, organize it, and see it through to the end is crucial. Also crucial are your abilities to put common sense and practical judgment to use.

In addition to these very important attitudes are the following:

Don't let monetary gain and material goods be the goals of your success. Rather, let them be the frosting on the cake.

Even if you have done the above, don't think that success will be handed to you. Every bit of what you get will depend on what you do for yourself.

Don't let people or events that seem like obstacles stop you. Rather than get discouraged, learn how to turn adversity to your advantage.

Once you have obtained success, don't "bask in the rays of past glory." Keep pushing yourself forward, on to new success.

Sodomy

A controversy has erupted over the Supreme Court's recent upholding of a Georgia law barring homosexual activity. Laws of this kind, agreeing with the Bible, go back to old English common law. All the states at one time had such laws. Twenty-four and the District still do.

Half the states which abolished them felt they were almost impossible to defend and/or that they violated either individual rights or rights of privacy.

Four of nine members of the Supreme Court also felt that way.

The result of the recent decision will not be to cause many, if any, arrests. That has seldom been done in any state.

If the court had struck down the Georgia law, however, that would have been taken as a green light for homosexual activity. One suspects that this, and the threat

of diseases like AIDS, might have played a part in consideration of the public welfare in the minds of the majority. Some members also feel state legislatures have the right to set moral standards.

Nevertheless, court decisions on such issues as abortion and sexual practices are inevitably controversial. Women are said to have the right to abortions but sexual acts between consenting adults are proscribed. Gets complicated.

Your Family—A Good Reason to Learn About Electrical Safety

Make sure your family learns to respect electricity and to avoid accidents that can be caused by coming into contact with it. It is easy to forget about the possible harm electricity can do if it is carelessly handled. Here are a few simple guidelines that can help:

1. Install child safety plugs in electrical outlets.
2. DO NOT install radio and television antennas near power lines.

3. Teach your children to fly kites or model airplanes away from power lines.
4. Teach your children to NEVER climb trees, poles or fences around power lines or utility company substations.
5. NEVER use any electrical appliance around sinks or bathtubs that are filled with water.

We're here to help with information about electrical safety — call us today.

Guarding Against Heat Stress

Almost any person is a candidate for heat stress, since heat places a burden on the heart and blood vessels. Infants under one year of age are particularly susceptible, according to Dr. Robert Hubbard, assistant professor of pediatrics, "because their temperature control systems are not fully developed." In addition, anyone with a history of rheumatic fever should be careful.

Here's how to keep cool during the dog days of summer:

Baths and showers: Make the water temperature around 75 degrees F. This provides great relief from the heat. Cool water removes extra body heat 25 times faster than cool air.

Fans: If you do not have access to an air conditioner, fans can draw cool air into your home at night or help to provide good indoor air circulation

during the day. Caution: If the weather is extremely hot, a fan might cause you to gain heat by blowing very hot air over your body.

Wet yourself down: Wet your hair or wear a wet t-shirt. As the water evaporates, it will cool your skin.

Drink Water Often: Drink reasonable amounts, but don't wait until you are thirsty, because your body needs more fluid than thirst will indicate. By the time you feel thirsty, you already might be dehydrated.

Avoid Alcohol: Alcohol interferes with your body's fight against heat stress and can put a strain on your heart.

Watch Salt Use: check with your doctor before you increase the amount of salt or potassium in your diet. Do not take salt tablets without your doctor's advice.

Tips for Traveling with Tots

Summer vacation trips can present an extra challenge to families with babies and toddlers. The Texas Medical Association suggests tips that can make air and automobile travel more comfortable for children and families.

Airplanes are probably the most stressful vehicle for the family with an infant. Changes in cabin pressure can help start an ear infection that shows up a couple of days after the flight. A drop in cabin pressure tends to push mucus from the back of the baby's nose into the tube leading to the middle ear, and this blockage can become infected.

Nursing an infant during takeoff and landing is one precaution that can help prevent ear infections. The sucking movement helps keep the middle ear open, much the way chewing gum does for an adult.

Check with your physician who may suggest protecting the child by giving a combination antihistamine and decongestant, which will reduce the amount of nasal secretions and help keep air passages open.

Infants should not be buckled inside a seat belt on an airplane, but held in an adult's lap for takeoff and landing; the

child can rest in a portable crib during the flight.

Automobile traveling with young children need not be difficult, but it can be hazardous. Children of all ages risk injury if they're not properly restrained. They should ride in the back seat. The type of harness designed for children is safer than a lap belt and allows more freedom of movement.

According to Texas law, young children and infants must be strapped into a car seat that is securely belted to the seat of the automobile. This safety measure also may make the ride more pleasant, because children react to car travel better if they can see outside.

Ventilation is another problem during car travel. Babies are likely to react unfavorably to the stuffy air that can result from automobile air conditioning systems that recirculate air. Try to keep at least some fresh air coming in at all times.

If you are traveling with children who are on medication, remember to pack an adequate supply. And if your children are likely to need medical attention while traveling, ask your physician to suggest where you can find a physician.

CITY OF SPEARMAN JULY 10, 1986 Minutes of the Zoning Board of Adjustment Meeting

The Zoning Board of Adjustment met in Session in Council Chambers of City Hall on July 10, 1986, at 7:00 p.m., Chairman Troy Sloan Presiding. Board Members present: Mary Lou Wysong, Dick Gillaspie, Kerry Henton. Board Members Absent: T. Ray Robertson, Earl Novak. Staff present: Jim Murray - City Manager, Cheryl Gibson - City Secretary. Visitors: Steve Krug.

CALL TO ORDER

Chairman Sloan called the meeting to order at 7:10 p.m.

CONSIDERATION OF THE MINUTES OF THE ZONING BOARD OF ADJUSTMENT MEETING HELD ON JUNE 19, 1986.

Motion was made by Wysong to approve the minutes of the Zoning Board of Adjustment meeting held on June 19, 1986. Second by Dick Gillaspie. Motion Unanimously carried.

PUBLIC HEARING CONCERNING A ZONING VARIANCE OF MINIMUM AREA AND HEIGHT REGULATIONS IN ORDER TO BUILD APARTMENTS ON THE FOLLOWING LOT.

A. LOT 11, BLOCK 32, ORIGINAL TOWN CITY OF SPEARMAN. STREET ADDRESS: 12 1/4 N. HOSKINS.

After discussion was held, motion was made by Wysong to approve a Zoning Variance of Minimum Area and Height regulations in order to build apartments on Lot 11, Block 32, original Town, City of Spearman, street address 12 1/4 N. Hoskins, with the limitation of only two (2) apartments may be built on subject property and the parking problem be taken care of before apartments are rented. That if the Zoning Ordinance is literally enforced it will result in a hardship. Second by Kerry Henton. Motion Unanimously carried.

OTHER

No Action was taken.

ADJOURN.

Chairman Sloan declared the meeting adjourned at 7:22 p.m.

Chairman Troy Sloan

ATTEST:

Cheryl Gibson, City Secretary

HOME SALES DOWN

WASHINGTON -- New home sales fell 11.6 percent in May, the biggest decline in more than two years, the government reported recently, with the setback attributed to rising mortgage rates and loan-processing backlogs.

Museum news

The Stationmaster's House Museum Board met in regular session Monday, July 14th at the museum.

Minutes of the previous meeting were read and approved as corrected. Rubyjo Wilbanks gave the financial report.

The display cases in the north room of the depot are now completed and are waiting for someone to help defray the expenses incurred. These cases are trimmed differently than the others. The Museum Board is asking a donation of \$300.00 for each one. The donor will be honored with his or her name and for whom it was given inscribed on a bronze plaque on the case.

Where else can you get such publicity for so little money??. Beside that, it is almost worthy cause and can be used for an income tax deduction. Keep your money at home and support your Museum. It is a County project.

The Texas Sesquicentennial Winchester Carbine is on display at the Museum. It is the first ever made in this caliber and barrel length although the 38-55 was one of the original 94 calibers. Come by the museum and see for yourself how beautiful it really is and remember no more will ever be produced. It will be a collector's item. Raffle donations may be purchased from any member of the Board for the small sum of \$5.00 each or 3 for \$10.00. After you see the gun you will agree it is a bargain.

Those present at the meeting were: Irwin and Helen Boyd, J.D. and Rubyjo Wilbanks, Jaunita Pierce and Clementine Renner.

A little gleam of time between two eternities; no second chance to us forever more!
-Thomas Carlyle.

Thou canst not judge the life of man until death hath ended it.
-Sophocles.

Amateur Rodeo

Stacey Cook

Gruver will be having an amateur rodeo this Friday & Saturday July 18 & 19. The performances will start at 7:30 each night at the Gruver Rodeo Arena 1 1/2 miles East of town. Admission prices are: Adults \$3.00, Children \$1.50 (under 6-free)

The Rocking & Rolling N Rodeo Company of Hooker, Oklahoma will be producing the rodeo. The rodeo is

TCRA approved and should draw top contestants in each of the standard events. A calf scramble for the youngsters is planned each night.

An added attraction will be an appearance by Miss Rodeo Texas, Stacy Cook of Spearman.

A concession stand will be provided by the Gruver Little League.

Cutting Tillage Yields Benefits for Hansford County Wheat Growers

Marine Pfc. Karl J. Bynum, son of Joseph P. and Oneida L. Bynum of 16 N. Hoskins, Spearman, Tx, has completed recruit training at Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, Bynum was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1985 graduate of Spearman High School, he joined the marine Corps in December 1985.

SAVE THE EARTH

WASHINGTON — Scientists presented a long-range blueprint, the first of its kind, to save Earth's environment from the effects of exploding population, pollution and other problems created by people.

Hansford County growers can gain better control of tough weeds while conserving moisture, producing more forage for cattle and trimming operating costs by spraying chemicals in conjunction with tillage between small grain crops. That's the advice of Jim Turner, sales manager of Spearman Equity in Spearman.

"There are many benefits to applying a herbicide on fallow ground," notes Turner. "One of the primary benefits is effective control of volunteer wheat and other difficult-to-control annual weeds. At the same time, less tillage often helps conserve more soil moisture."

Multiple tillage buries all crop stubble and depletes soil of moisture. With the supplement of a herbicide application, however, a 30 percent residue cover can remain on the soil surface throughout the fallow period. "This residue protects soil from high air temperatures and winds, significantly stemming moisture evaporation, keeping soil temperatures cool and creating excellent conditions for seed placement," Turner points out. "These conditions can potentially allow growers to drill winter wheat earlier and get a healthy stand."

Early planting can allow growers to put cattle on pasture as much as a

month sooner than usual and extend grazing time before winter freezes. This can dramatically improve the profitability of a cattle operation, the dealer adds. And, it can be done without increasing input costs.

"Many growers do not weigh all the hidden costs of tillage. Decreased tractor use will translate into significant fuel and labor savings and slow the depreciation of machinery. Time saving is another factor many growers underestimate. Spraying a herbicide can be done about three times faster than a disk operation," the weed control specialist points out.

The key to realizing these benefits is selecting the right herbicide. "A herbicide like Landmaster controls a broad spectrum of emerged annual weeds in one application. It prevents subsequent regrowth by controlling weeds both above-and below-ground, and offers effective weed control at a very affordable price," the dealer notes.

Applied at a rate of 40 to 54 oz./acre, the cost of an application of Landmaster is less than \$8.50 per acre, or roughly the cost of two tillage trips. And growers can avoid two to four tillage operations normally required for weed control. "Landmaster can be used in virtually any farming system for better

control of tough annual weeds at lower cost," the dealer concludes. "It's one way growers can reduce input costs and still maintain top yields."

Great Relief

Caller (moralizing)—You know we take nothing with us into the next world.

Mrs. Round—Thank heaven for that. It will be a novelty to go somewhere with out having to pack.

RECIPE

By Sarah Ann Sheridan

Cherry Lemonade

2 c. sweetened cherry juice
1 c. lemon juice
1 c. sugar

Make a syrup of the sugar by adding ½ cup of water and boil 3 minutes. Combine ingredients and pour over cracked ice.

Banana Tarts

Baked Tart Shells
Sliced Bananas
Soft custard cold
Cocoanut
Whipped cream

Fill tart shells with sliced bananas. Pour over cold custard. Sprinkle with cocoanut. Cover with whipped cream.

CONNIE JEAN BEAVER

The Greek philosopher Epicurus once said, "No man who commits a crime in secret can never be sure that he will not be detected...."

Perhaps Connie Jean Beaver should have paid a little more attention to the words that Epicurus spoke more than 2,300 years ago.

Ms. Beaver, 32, was indicted by a Nueces County grand jury last month on a charge of felony theft in connection with the theft of almost \$300,000 from Loomis Armored, Inc.

This week she has been added to the Texas Most Wanted list. A reward of up to \$1,000 is being offered by the Governor's Office for information leading to Ms. Beaver's capture.

Investigators say Ms. Beaver had been working for about a year as a secretary at the armored car company's office in Corpus Christi when the theft occurred.

Police reports indicate that on Sunday, June 15, Loomis security officers saw one of the company's female employees in the office around 1:00 p.m. They said the woman told them she needed to catch up on some paperwork.

The officers left to pick up money from area stores and when they returned around 5:00 p.m., they discovered that someone had opened the company's safe. Missing, say police, was about \$200,000 in cash and almost \$100,000 in food stamps and checks.

Also missing was Connie Jean Beaver, who is white female, 5-6, 240 pounds, with brown hair and blue eyes. Detectives discovered that Ms. Beaver had been seen at her apartment complex putting some luggage in her car, a 1973 Buick Regal, black with a maroon vinyl top. Other witnesses told investigators they had seen a woman park her Buick in a residential area in Corpus Christi, take out some luggage and then leave in a second vehicle being driven by a white male of hispanic descent.

To further compound the mystery of the Loomis Armored theft, police found

out that Ms. Beaver had purchased an airline ticket to Rio de Janeiro prior to the incident. Investigators theorize the woman might have purchased the ticket just to throw them off her track.

They believe she might have fled to California, where she has some family, or to Mexico. But they do not dismiss the possibility that she might still be hiding out in Texas.

Knowing Smile

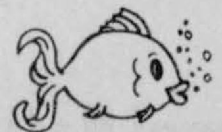

"Dad, what is an inscrutable smile?"

"It's the kind, my son, your mother had on her face this morning when I told her that business might keep me late tonight."

Legal Notice

"Be it known to all men, that as of March 1, 1986, Halliburton Services, a division of Halliburton Company, has assigned its entire interest in TRANSPETCO I Joint Venture (the "Venture") and the properties and assets associated therewith and is no longer a member of the Venture." 355-7tc."

Thyme is a full-bodied herb and is used in meat dishes and with heavy vegetables. Rosemary goes well in vegetables but should be used sparingly.

Marjoram is a delicate herb, well suited to luncheon dishes.

Tarragon can be used in meat dishes — but never use it with any shellfish.

Savory and Basil are particularly effective used with fish.

Garlic is probably the best-loved and most used of all the herbs. One clove is enough to flavor a dish.

Sage is well-known for its use in dressings.

Births

Jean and Mike Barnes are proud to announce the birth of their daughter Caitlan Leigh Ann Barnes. She was born July 5, 1986 at 11:47 a.m. in Perryton, Tx. She weighed 9 lb. 2 1/2 oz. and was 21 1/2 inches long. She was greeted at

home by her sister Lauren who is 3 years old. Caitlan's maternal grandparents are Darrell and Sara Wright, paternal grandparents are Oliver and Mary Barnes, paternal great grandfather is Lawson Breeden.

Retirement Reception

Friends and Associates of Carroll Mallett are cordially invited to attend a reception in his honor on Thursday, July 17, 1986, between the hours of 3:00 and 5:00 P.M., in the "Willie Room" of North Plains Electric Cooperative in Perryton. Carroll retired on April 30, 1986, after completing 38 years of

service as an employee of North Plains Electric.

We are sure that Carroll would appreciate your presence even if you can only stay for a few minutes.

Hansford Manor News

"The joint is really jumping!" exclaimed Carol Hergert, Director of Nursing at the Hansford Manor.

Recently, the Manor has acquired a kitten for the residents to enjoy. The kitten was donated and will live and play in the patio area of the Manor. The residents have really received the kitten with open arms.

Mrs. Wilma Beck loved the kitten on the first day and when the kitty fell asleep so did Mrs. Beck.

We now have a full house of residents at Hansford Manor. Our two new residents are Mrs. Evelyn Hale, Mother of Mrs. Ida Edwards, from Gruver and Mrs. Melba Williams, mother of Mrs. Rosemary McKee, also of Gruver.

Tuesday, July 8th, the Golden Spread Senior Citizen Center invited us to enjoy ice cream and play cards. Mrs. Mildred Daily, Mrs. Grace Bennet, Mrs. Nina Evans, Mrs. Mabel Edwards, Mrs. Ruth Garner, and I attended.

We appreciate the good time, fun and fellowship, and hope to get out there more often.

Carol Hergert
Director of Nursing

Karen's Kozy Korner

Check Out Hospital Bills

It's no secret that hospital care is expensive. Patients complain about the high price of medical care and pay the bill. But they should also check the bill carefully before paying.

Although all efforts are made for accuracy, mistakes in hospital bills can occur. For example, one woman whose operation was canceled, later received a bill for anesthesia, and such examples are not isolated.

Equifax Services, an Atlanta company that checks hospital bills for insurance companies, reported that 97 percent of 13,000 bills they audited had

errors. Because of figures like these, some insurance companies offer incentives to people who spot faulty bills.

Here are four errors to check for:

- *That the length of the hospital stay as shown on the bill and the type of room are correct.
- *That services are not listed twice.
- *That the price of a service is correct.
- *That the services listed on the bill were actually performed.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages. Regardless of socio-economic level, race, color, sex, Religion, Handicap or national origin.

CONDEMN AID

THE HAGUE, NETHERLANDS

--The International Court of Justice ruled recently that U.S. support for rebels fighting to overthrow the Sandinista government of Nicaragua violates both "customary international law" and a 1956 Nicaraguan-U.S. friendship treaty.

Softball

Servitors will be hosting their 2nd annual coed softball tournament of August 15, 16, and 17. There will be trophies for 1st, 2nd, and 3rd places and individual trophies for 1st and 2nd place teams. Also there will be a most Valuable player chosen for a man and a woman.

The entry fee for the tournament is \$100. There is a 16 team limit and the deadline for entry is August 13. For more information Contact Peggy Varnon at 9-3993 or Jan Howard at 9-2875.

OVER HALF ILLEGITIMATE

WASHINGTON -- More than half of all black babies born in the United States arrive to out-of-wedlock mothers, according to a new Census Bureau study that found unmarried women accounted for nearly 18 percent of all births.

BUSINESS OUTLOOK

By Edward Thorlund

Investors at this time are buying mutual funds but in recent weeks more money has been going into bond funds than common stock funds.

Investors are obviously wondering whether stock market can continue its rise and are also seeking the safety of funds, which are diversified investments.

Mutual bond fund investing in recent days has been two or three times that of mutual stock fund investing. Many are looking to tax free bonds, rates for which have been declining for some time.

If interest rates dip further, yesterday's bond rates might look very good. There's no danger, now that both the House and Senate tax bills have been passed, that tax-exempt status for municipals will be changed. Conferees must draft the compromise bill from the two versions passed.

The trend into funds began before this year; it was in progress before the 1986 stock rally.

There are no-load funds, and they save one money. Brokers won't promote them - they get no commission. But business magazines and newspapers often list them.

In Fashion

Layered separates can become uncomfortable during the hot months of summer. For office wear, the shirtdress or the coat-dress, in cool cotton, will be more comfortable.

Designed with wide shoulders and crisp tailoring, this shirtdress or coat-dress is perfect for office wear.

Hemlines vary from well above the knee to the ankle. For business, well below the knee or mid-calf lengths are most impressive.

Contest for 16th of September

Leticia Vela

KRDF and the Spanish program would like to announce the candidacy of Leticia Vela, daughter of Aurora Vela and the late Willie Vela, for a contest to be held by the El Centro in Perryton, Tx., for queen of the 16th of September.

Cans with the picture of each contestant will be at your merchants. The contestant with the most money at the end will win. In order to win you must cast your vote with a dollar for each vote.

The contest will be held September 13, 1986 at the Exposition Center in Perryton, Texas, time will be given at a later date.

Your vote, for Leticia Vela of Spearman, Texas, will be greatly appreciated.

DON'T DIG

in streets, alleys or easements until you call the City of Spearman your gas company.

The City of Spearman will then mark their underground gas lines with yellow stakes, flags or spray paint.

Make request 48 hours in advance. This service is available at "no charge"

Thank You
to All of Our Customers:

We have closed our flower shop in Gruver, and wish to take this opportunity to THANK all of you for past patronage, visits and just stopping by for a friendly chat.

We have enjoyed serving you and the community.

We feel, however that Gruver and the area need the services of a Floral Shop, so we have leased the store, and it will be opened up very shortly under new management.

The Upholstery Shop will continue to offer Quality Work, using the rear entrance of the building. The new Phone Number is 733-5235.

Among The Neighbors

Another link in a long line of Hansford old settlers is forged with the arrival of Erin Renee Connelly at Round Rock, Texas on July 7, weighing 6 lb, 12 oz. Mr. and Mrs. R. L. Huse were on hand to welcome her as she is their first great grandchild. Her parents are Mike and Kim Connelly. Her grandmother is Ann Huse Johnson and grandfather, Charles Russell Townsend. Another great grandmother is Altha Townsend, and her great, great grandmother is Mrs. Vida Townsend. The father's relatives live in New York.

Good reports came home with a group of young campers who attended the Black Mesa Bible Camp last week. The area Churches of Christ sponsor it, and there were 50 campers and 25 sponsors attending. The campers are 9 to 13 years old and from Spearman were David Baca, Carrie Pearson, April Brown, Cinda Turner, Carla Greene and the sponsors were Claudine Clark, Joan Odegard, Tisha Pearcy, Denise Ware and Minister John Scott who served as the Camp Director.

The Spearman group deserves compliments for the number of awards won. David Baca won "Rookie of the Year", Carrie Pearson the High Text in Bible Scores and Carla Greene was elected Miss Black Mesa, the Camp favorite.

Mrs. John Scott and son, Matthew, spent the week in Texline visiting old friends.

Of great interest to the local people in the 5th trip to India of Mark and Carrie Tidwell. This is their first trip alone as the previous tours were in a group. They will be teaching in the village of Bhimavaram, on the southern tip of India. This mission is under the auspices of the church of Christ there with Minister M.J. Samuel. He is known to the spearman congregation.

The Tidwells left Monday, going by Frankfurt, Germany and will be air borne for 33 hours. They live in Canyon and she is the daughter of Mr. and Mrs. Albert Clark whose guests they were over the week-end.

Mr. and Mrs. Eldon Forrell attended the 50th wedding anniversary of his sister-Mr. and Mrs. George Detrixhe in Pampa on Saturday. A buffet was held at the Starlight room in the Coronado Inn, and then a reception in the home of the Detrixhes. On Sunday the Forrells held a family re-union in the Detrixhe home. There were family members from several states in attendance.

Carrie Marie Berry enjoyed a rare treat over the week-end with guests from Odessa. Her granddaughter, Mr. and Mrs. Bill Milburn, and great grandson, Ben, were here.

Buford Babitzke is at home now and recovering from surgery at St. Anthony's Hospital last week. Family surgery is over-lapping with them as Karen's father also had surgery in Oklahoma City on Tuesday.

Mr. and Mrs. Louis Schnell returned Thursday from a trip to Hampton Roads, Virginia. They visited in the home of their daughter Patricia and Captain Roger Nash. Adding to the pleasure of the trip for the Schnells was having their 10 year old grandson, Clint Schnell, accompany them. In addition to seeing Langley Air Force Base, where Captain Nash is stationed, Clint enjoyed seeing many historical sites in the area.

Family members report that the condition of Elsie Mathews is indefinite at press time as she is still undergoing scans and tests connected with an injury in a 1983 accident. She is in St. Anthony's Hospital where she was taken by ambulance Sunday evening.

Judge and Mrs. R. L. McClellan, with Ronnie and Donita Lusby and family returned from their lodge near Taos,

New Mexico after spending a few days there. They were joined by Don and Elaine Floyd of Lubbock and Gary and Peggy Culp and family of Amarillo.

Marjoie and J.V. Burdette of Lamesa and Bill and Sue Russell of Bronco were week-end guests of W.L. Russell the past week-end.

Mrs. Freda Sheets is in Oklahoma City with her brother who is seriously ill. He is in the Veterans Hospital there. Mrs. Sheet's sister, Nina and Del Taylor of Lakin, Kansas are with her.

Mr. and Mrs. Willoughby Sparks of Midland visited during the week-end with Mrs. Kiff White and Raymond Sparks. They were enroute to Colorado.

Mr. and Mrs. J. B. Buchanan took her sister, Fay Schweitzer, to Amarillo to catch a plane to Redondo Beach, California on Tuesday. She has been visiting here and in Oklahoma since May.

Elinore Faye Lynch, who underwent surgery in Amarillo last week as a result of a shoulder injury is in St. Anthony's hospital. It was learned in a telephone conversation with her that she is recovering but will be immobilized for about 5 weeks. She is hoping that she will be able to come to Hansford hospital for her recovery. She was as usual optimistic and cheerful.

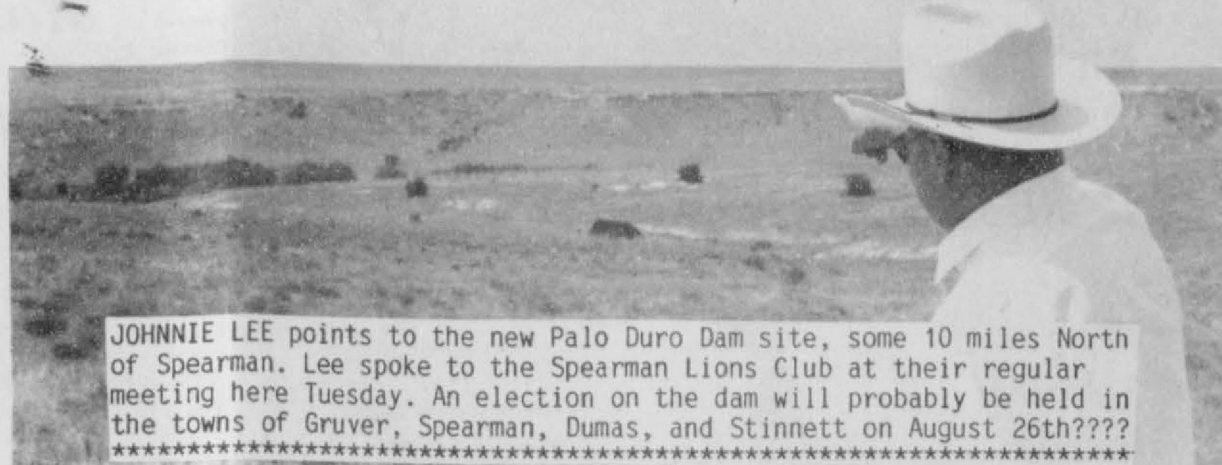

Minister David and Mrs. Fultz are moving to Mount Pleasant this week. He has been co-minister of the Spearman Church of Christ for two years. They have relatives in the Mount Pleasant area and have purchased a home on the lake there. He will be serving the Bethel Church of Christ, but will be semi-retired.

The Fultz have been on the plains since 1957. They have served churches in McLean, Hooker, Guymon, Sunray, Lefors, and Quanah before coming to Spearman. All the neighbors wish them luck and contentment in their retirement.

Sunday guests of the Paul Hazelwoods were Mr. and Mrs. Gregg Hazelwood, Billy Paul Hazelwood, and son Ryan, all of Amarillo and Mrs. Lillie Palmer. Early Tuesday morning a son was born to the Gregg Hazelwoods, their first child. Robert Nicholas weighed 7 lbs and 10 oz. In addition to Paul and Betty, other grandparents are Mr. and Mrs. Robert Hughes of Hereford.

It was a contrast in extremes this week for Allen Mires, from the beautiful mountain scenery and cool rivers of Mt. Sequoyah, Arkansas back to his summer employment farm work. Last week he attended the NYMO CONVO which is a conference for the officers of the Methodist Conferences for youth of five states. Allen is vice-president of the Northwest Texas Youth Conference and president of the Pampa district. Allen felt that he benefited greatly from the classes, inspirational devotions, recreation and association with new friends and hopes to share the benefits with the Conference.

Hansford County is justly proud of the number of their young people who are excelling in the horse shows and junior rodeos. Feeding and caring for the animals develops a personal responsibility; in shows they have only themselves to rely on-no team mates to assist or blame for failure; no parent, coach or tutor can do it for them. The self-discipline developed will affect their lives. Such a one is ten year old Lee Bob Haper who again is a winner with his short horn steers. At the Prospect Steer Show at Cleburne, he won 1st and 2nd in kBreed Champions and was elated to win the Grand Champion of the show.

JOHNNIE LEE points to the new Palo Duro Dam site, some 10 miles North of Spearman. Lee spoke to the Spearman Lions Club at their regular meeting here Tuesday. An election on the dam will probably be held in the towns of Gruver, Spearman, Dumas, and Stinnett on August 26th???

LOUISA'S LETTER

Dear Louisa,

My husband died when I was rather young and left me with four small children to support.

I was a college graduate so I got a job and hired a housekeeper and got along very well for four years when I married the superintendent of my school.

All of the children were married ten years later when he was offered a better job and we moved to another city. I have made many friends here and like it very much.

Now my problem is this. My husband died several months ago and all of my children, who live in the place where they grew up, want me to move back to this former town.

All four of my children have young children of their own, so I am afraid I would end my days as a baby sitter if I

went back.

I love my grandchildren but I am also interested in many projects and I like concerts and plays.

What am I to do about this?
Mother--N.M.

Answer:

Delay making a decision for a while. It may be that after a time you will find life very different where you are, lacking a husband. And bear in mind, that if you get sick or need help of any kind it is wonderful to have the family to call on.

If you do decide to go back to your first home, let your children know that you will baby-sit in an emergency but will not be on call.

Louisa

First National Bank, Spearman, tourney

FIRST NATIONAL BANK, SPEARMAN, President, Don Townsen is pictured with some of the trophies for the bank sponsored tennis tournament coming up in the near future in Spearman. Money from the tourney will go to the Y, in Spearman!

Don Townsen, President of the First National Bank announced today the dates for the Second Annual First National Bank Junior and Open Tennis Tournament. The Juniors Tournament will be Thursday and Friday July 31st and August 1st. The Open Tournament will follow on Saturday and Sunday August 2nd and 3rd.

Don said that last years' tournament was a lot of fun and big success. The tournament net income and concessions are donated by the First National Bank to the Hansford County Y. Last year the Y made over \$1,000 from the tournament. In addition to helping the Y, a large group of tennis enthusiasts from out of town came to Spearman to enjoy Spearman hospitality and provided some business for our local motels, restaurants and stores.

The juniors tournament will be broken down in four age groups; 10 and under, 12 and under, 14 and under and 16 and under. Each age group will have boys and girls singles and doubles. The open tournament will offer A,B, and C

divisions in mens' and womens' singles and doubles. Mixed doubles will also be offered in the A,B, and C divisions. First and second place winners in the juniors tournament will receive trophies and the open winners will receive merchandise.

Entry deadline will be at noon Wednesday July 30th. Entry fees are \$7.00 per person per juniors event and \$8.00 per person per open event. Juniors are limited to 3 juniors events per person and the open is limited to two events per person. Starting time will be 9:00 a.m. each morning of the tournament.

The directors and staff of the First National Bank invite everyone to come out to the tournament, either as a participant in the sport or as a spectator. There is a division for any tennis player no matter what level of skill to have a good time, and the A division will certainly provide good quality tennis that will be fun to watch. Don and his staff invite anyone interested in the tournament to call or drop by the bank for more information.

KILLED AT BERLIN WALL

HAMBURG, WEST GERMANY -- Twelve east German army reservists tried to blast their way through a subway tunnel wall to West Berlin, but communist guards killed at least six and the others were executed.

IRELAND & DIVORCE

DUBLIN, IRELAND -- The Republic of Ireland signaled its intention to remain a traditionally Catholic country with a 2-1 defeat of a nationwide referendum to end the constitutional ban on divorce. The Irish voted after a six-week campaign that had all the marks of an Irish election dominated by the church.

COPS & BEARS

MORGAN HILL, CALIF. -- Criminals take note: Police here will soon have some new equipment in their arsenal - 50 cuddly teddy bears to help calm children in trouble and maybe even soften up some hard-core crooks.

ON FARM PRICES

WASHINGTON -- Prices farmers get for raw products dropped 1.6 percent in June, falling to 6.2 percent below the level of a year ago, the Agriculture Department said recently.

Masonic Installation

Perry M. Parker

Perry M. Parker Grand Master of the Most Worshipful Grand Lodge of Texas AF & AM. will be the installing Officer of the Officers of Hansford Masonic Lodge #1040, Gruver Lodge #1326 and

Stratford Lodge #874, for the ensuing year of 1986-87. The joint Installation will be held Sat. night July 19th at the Hansford Lodge 406 East 11th.

W.L. Stevens will be installed as Worshipful Master of Hansford Lodge #1040, Bill Bean will be installed as Worshipful Master of Gruver Lodge #1326 and Richard L. Decker will be installed as Worshipful Master of Stratford Lodge #874. Members and their families and friends will be served dinner at 6:30 P.M. by the Spearman Eastern Star. Installation will begin at 7:30P.M.

Most Worshipful Perry M. Parker and his wife, Ada reside in Port Author Texas. They have one son, Brady L. Parker and three daughters, Mrs. Dorothy Worl, of Bartlesville Ohio, Linda Nell Parker and Mrs. Gay McCauley of Port Author. They have a close and devoted marriage and share in the love of six grand children.

Most Worshipful Perry M. Parker is a member in good standing in Cosmopolitan Lodge # 872 where he is a Post Master. He served Grand Lodge as District Deputy Grand Master of Masonic District 26-A in 1968. He was elected to the Committee on work in 1969 and continued to serve on this Committee until his election as Grand Junior Warden in 1983.

The Grand Master is also a member of the following appendant orders of Free Masonry: Port Author Chapter #25 RAM, Port Author Council #185 R & 5M; Port Author Commandry #73, K.T.; and a charter member of York Rite College #90 of Port Arthur. He is member of the Galveston Scottish Rite Bodies and was Coronated a 33rd Degree, Inspector General Honorary on November 22, 1983. He is a member of Elnina Shrine in Galveston, Casbin Grotto of Port Arthur; Waco Chapter # 7 of the order of the Eastern Star; Royal Order of Scotland; Most Worshipful Parker has been awarded the Legion of Honor of the DeMolay and currently serves as Eminent Viceroy of San Felipe Conclave of the Red Cross of Constantine at Galveston.
