Dorothy Derr, executive director of the Heart of Texas Chapter of The National Multiple Sclerosis Society, was in Snyder this week and she is anxious to get out the word that so far as can be determined a reported Russian vaccine for MS is not effective. At least, the society has checked out the reported Russian vaccine and has not been able to prove its value and consequently cannot endorse it.

In fact, investigation indicates that there is no new Russian vaccine at all, but that some recent references to such a vaccine involve one that was first publicized about 10 years ago. At that time, some investigators in this country and in Ireland were able to get samples of the so-called vaccine and they were unable to substantiate its claims.

The director of the MS Heart of Texas Chapter, which includes Scurry County, also has called attention to the National MS Convention which will be held Oct. 17-19 in Minneapolis. Such well-known personalities as Shirley Temple Black, Victor Borge, Debra Barnes (Miss America) and others will be there.

Jeanne Bullard brought in a copy of the ex-student letter of invitation to Snyder High School Homecoming. About a thousand copies of this letter have been made available for distribution at Bullard's Athletic Center for any local SHS Exes, or other area residents, who know of SHS grads living elsewhere now who would be interested in attending homecoming this year.

All Snyder area exes are being asked to pick up copies of the letter and mail them to classmates who have moved away. Homecoming is set for the third weekend in October, and exes are being urged to attend the traditional bonfire on the evening of Oct. 17, the football game between Snyder and Sweetwater on the evening of Oct. 18, to be followed by a big homecoming party at the Scurry County Coliseum. On Saturday morning, Oct. 19, there will be a coffee at the high school, sponsored by classes before 1925. —WACIL McNAIR.

THE WINNER — Judged the best adult educational exhibit in the women's division at the Scurry County Fair was this patriotic theme presented by the Knapp Home Demonstration Club. Admiring the exhibit are Mrs Mickey Sterling (left) and Mrs. Jim Sorrells.

TAKES SWEEPSTAKES — Mary Dulaney (left) won the sweepstakes award in the adult division of the Art Show held in conjunction with the Scurry County Fair with this India ink composition entitled "Woodland Dream." Offering congratulations is Ella Boothe, chairman of the painting committee of the Palette Club which sponsors the Art Show.

SPECIAL EXHIBIT — From left, Mrs. Pat Bills and Mrs. John Portis, representing the South Plains Archaeological Society, Scurry Chapter, stand beside a special exhibit the Society has on display at the county fair. Included in the exhibit are Indian artifacts, old bottles, guns, barbed wire, bells and doctor's pill kits.

Good Turnout For 4th County Fair

The Fourth Annual Scurry County Fair is attracting hundreds of spectators to its special exhibits, and there has been "a good turnout" of entries in the womens' division of the Fair.

Billy Roach, county agent, said fewer entries in the animal divisions this year resulted from an early harvest in the county.

Swine were due to go into the show arena today, but yesterday afternoon the only hogs in sight were a special display of Russian hogs by Marvin Key. The only cattle were an Angus steer and heifer displayed by the Wemken brothers — Jimmy and Jerry — of Hermleigh.

The South Plains Archaeological Society, Scurry Chapter, has several interesting things on display in the Armory, including Indian artifacts, and early American relics, such as bottles, guns, barbed wire, bells and a doctor's pill kit. This special exhibit is on display in a room at the southwest corner of the building. Another exhibit of special interest — prepared by the Scurry County Historical Survey Committee — is in a room just east of the Archaeological display. The Survey Committee's display includes a miniature replica of the white buffalo killed by J. Wright Mooar, early buffalo hunter, a number of early pictures taken in the county, and several early American relics.

In addition to the commercial booths, the American Association of University Women, the Heart Association and the American Cancer Society have displays in the armory. The local Chapter of the Cancer Society again has made arrangements for the mobile educational unit from Midland to be at the Fair.

Educational exhibits in the womens division are outstanding again this year. The blue ribbon in the adult division went to the Knapp Home Demonstraton Club. Its winning exhibit depicts the American governmental system with a patriotic theme. According to the order in which they placed, other exhibits include Snyder City Council P-TA, American Association of Unversity Women and Hermleigh Home Demonstration Club. First place in the Junior Division went to the Snyder Senior 4-H Club for its exhibit of food groups. An attractive display of highway safety shown by the Union 4-H was runnerup. Ira FHA placed third, and Fluvanna FHA was fourth.

The art show, as usual, attracted many talented entries. Judge was Goerge Womack of Colorado City. The best entry in the senior division was a tree scene, "Woodland Dream," done in India ink on a sheet by Mary Dulaney. Grand prize in the Junior Division went to Denise Holladay for her painting of a house.

Fair officials were pleased with the near record number of entries in the arts and crafts and canning divisions. Paul Gilbert of Snyder won the Junior sweepstakes. His model ship attracted plenty of attention. A crocheted Afghan won the sweepstakes in the textile division, and the "merging traffic" display took tops in the artstic competition.

Mrs. Lida Rhoades drew praise for her sugar pumpkins in the crops division. Mrs. Pauline McArthur took the sweepstakes award in senior canned foods, and the junior prize went to Darlene Tate.

All exhibits will remain in place until 8 p.m. Saturday. The Travis Junior High band performed at the Fair last night, and the Lamar Junior High band was to provide music tonight.

24 Americans Die In Copter Crash

SAIGON (AP) —Allied forces killed 150 enemy troops in a new outbreak of heavy fighting near the Cambodian border, along the jungled approaches to Saigon, military spokesmen reported today.

Enemy gunners shot down a U.S. helicopter ferrying ammunition to the embattled South Vietnamese mercenaries in the area. Four Americans were killed and two wounded.

Earlier, U.S. headquarters reported that 24 Americans were killed in the collision of a big Army CH47 Chinook helicopter and an Air Force Caribou cargo plane 11 miles northwest of Hue on the coast. It was one of the worst air collisions of the war. There were no survivors.

The fighting along the Cambodian border, 60 miles northwest of Saigon was triggered at daybreak Thursday when about 400 South Vietnamese civilian irregulars were lifted into the area by American helicopters. They immediately ran into an enemy force of about 800 to 1,000 men.

Two and a half hours later, another 400 South Vietnamese mercenaries were committed to the fight.

Government casualties were put at 15 dead and 44 wounded.

The American helicopter was brought down by machine-gun fire as it was landing. A U.S. Special Forces captain and the crew chief were killed in the flaming wreckage. The pilot and a gunner were killed by enemy riflemen as they crawled away from the wreckage after pulling out the wounded helicopter commander. The commander, a first lieutenant, and a Special Forces master sergeant, survived with minor wounds.

Battles Erupt In Streets Of Lima

By JOE MCGOWAN
Associated Press Writer

LIMA, Peru (AP) — Spawned by street battles between students and police, resistance was stiffening today against the military leaders who overthrew the government of President Fernando Belaunde Terry.

In one encounter Thursday night police fired into a crowd of students, hitting one in the head and apparently killing him. Five photographers taking pictures of the incident were arrested.

Students swirled through the streets breaking shop windows. At least 10 cars were burned. Police used tear gas in an attempt to control the outbreaks in this Andean nation on the west coast of South America.

The new government, composed of the highest ranking officers in the army, air force and navy, is headed by Gen. Juan Velasco, army chief of staff and president of the joint chiefs.

He issued a communique detailing the formation of the new government, warning against acts of violence and telling of Belaunde's exile. It was also signed by the chiefs of the navy and the air force.

Eleven members of a Cabinet that had been sworn in 14 hours before the coup remained under house arrest. They had been drafting a communique calling for a rebellion when officers broke into their meeting.

Also calling for rebellion was Armando Villaneuva, chief of the Aprista party, probably the country's strongest political organization and hated by the military.

Several radio stations, including the one on which Villaneuva broadcast, were shut down, but newspapers continued to publish descriptions of the street violence and condemnations of the coup.

The Aprista paper, La Tribuna, issued a special edition Thursday night with a banner headline calling for an ouster of the "coup-makers." The back page carried a picture of tanks at the palace with the headline "Czechoslovakia? Not in Peru."

The ousted ministers have called for citizens and students to unite against the military.

There are rumors of a general strike.

Flight operations at the airport were normal. The U.S. Embassy said that so far all of the 6,000 U.S. citizens in the country are believed to be safe.

Belaunde, 55, was flown to Buenos Aires, the Argentine capital, after being taken from his bedroom in the early morning hours.

The new Cabinet, Belaunde's seventh in five years as president, had been named to deal with a government crisis that developed as a result of a contract with a U.S. oil company.

One manifesto from the military leaders said there had been "deceitful" use of executive power in resolving the long standing dispute with International Petroleum Corp., a subsidiary of Standard Oil of New Jersey.

The dispute had divided Belaunde and his personal candidate for president, Edgardo Seoane.

The imminent victory of the Apristas in the 1969 general elections as a result of the split in Belaunde's Accion Popular party was seen as the real reason for the coup.

The future of the elections is uncertain. The military leaders are calling themselves a "revolutionary government" indicating they intend to rule for some time. In previous coups Peru has had six this century—the military had announced themselves as a junta.

A communique Thursday night announced the establishment of a set of revolutionary government statutes.

Scene Calm In Mexican Capital City

MEXICO CITY (AP) — Students burned trolley cars near an Olympic field and armored cars kept their guns trained on apartment buildings where snipers had holed up, but most of the Mexican capital was quiet Thursday night.

Despite the eruption of the student rebellion into a shooting battle with army troops Wednesday night, the Olympic games still were set to open a week from Saturday.

"As guests of Mexico, we have full confidence that the Mexican people. . .will join the participants and spectators in celebrating the games, a veritable oasis in a troubled world," said Avery Brundage, president of the International Olympic Committee, after an emergency meeting of the committee.

A count of casualties at hospitals and police stations showed at least 27 persons killed in Wednesday night's fighting and some Mexico City newspapers reported death tolls as high as 40. There was no official estimate of the number wounded, but it appeared to be in the hundreds. Various sources reported between 1,000 and 1,500 arrested.

The government has reported 20 deaths. Gen. Marcelino Garcia Barragan, secretary of defense, said one of the dead was a soldier.

Astronauts Make Ready

CAPE KENNEDY, Fla. (AP) — The three Apollo 7 astronauts began today the final week of preparation for their scheduled Oct. 11 launching.

After a day-long review of spacecraft, the Saturn 1B rocket, recovery forces, tracking weather and other elements, the Apollo program director, Lt. Gen. Samuel Phillips said Thursday:

"Never have so many been in such good shape and so ready to fly. At this time we're ready for the launch date of Oct. 11."

The astronauts, Walter Schirra Jr., Donn Eisele and Walter Cunningham, attended the review and reported they are pleased with the preparations and are anxious to fly.

They are to circle the earth for nearly 11 days, testing all spacecraft systems to qualify the Apollo ship for flights to the moon.

Snyderite Killed In Vietnam Action

Mr. and Mrs. Elza (Tug) Rollins, Route 1, were notified this morning that their son, Army Warrant Officer Paul Rollins was killed in action in Vietnam. At first, they received notification by telegram and later were contacted in person by an Army officer from Dyess AFB.

According to the announcement, Paul, a 1966 graduate of Snyder High School, was killed when his aircraft was shot down by hostile fire in Vietnam on Sept. 29. He died of gunshot wounds. The aircraft did not burn, according to Army spokesmen, who said the body will be returned to Snyder for burial, probably within two to three weeks.

Warrant Officer Rollins was born July 27, 1948. He was a member of Union Baptist Church. He attended Howard County Junior College prior to his entry in the Army in February of 1967. He went through primary helicopter training at Ft. Wolters, then attended advanced flying school at Ft. Rucker, Ala.

He married the former Jo McKinley of Snyder in August of 1966. His wife was notified last Monday that her husband had been reported missing in action. She came here from her home in Plainview to notify his parents and other relatives.

PAUL ROLLINS

Also survivin, are a brother, Mark, a student at Lamar Junior High School.

Nomination Confirmed

WASHINGTON (AP) — The Senate confirmed today President Johnson's nomination of J. R. Wiggins, former editor and executive vice president of the Washington Post, as U.S. ambassador to the United Nations.

Wiggins succeeds George W. Ball, who resigned last week to help Hubert H. Humphrey's presidential campaign.

Action was by voice vote.

The Senate also confirmed nominations of Wiggins and Brewster C. Denny of Washington as U.S. representatives to the current General Assembly session and Raymond D. Nasher of Texas and Marvin L. Warner of Ohio as alternate representatives.

By ABIGAIL VAN BUREN

DEAR ABBY: I am 70-years-old, in exceptionally good health and for six years have kept company with a lady now 65. We ride and dine together frequently and enjoy one another's company. It is unlikely that we will ever marry as we occupy homes owned and lived in by three generations of our families.

Some years ago I inherited a small winter home in Florida and I've invited my friend to drive down with me for the winter. She has always declined, but recently she said "Ask Abby, and if she thinks it's all right, perhaps I shall agree."

LONELY

DEAR LONELY: You may tell her that Abby said that when a lady reaches the age of social security, she is "socially secure" . . . so to go ahead and have fun in the sun.

• • •

DEAR ABBY: I love Sheldon very much and want to marry him, but here's my problem. He has a very domineering mother. She divorced Sheldon's father when Sheldon was a baby and she never remarried. He was her only child. She raised him alone and now she acts like a martyr.

I am 25 and Sheldon is 30. He's handsome, gentle, and well educated — everything a woman would want in a husband, but "mama" has to know where he is every minute.

She has her own apartment (thank God) but she drains her son for every bit ot attention she can get. (If she has a cold, it's "pneumonia." Indigestion is a "slight heart attack.")

My friends say they wouldn't wish a mother-in-law like her on their worst enemy. I've seen very little of her, but Sheldon says she "likes" me.

How imporatnt is a man's mother? She is only 57, so I can count on "mama" being in the picture for a long time yet.

SHELDON'S GIRL

DEAR GIRL: How "important" a man's mother is depends entirely on the man. How does Sheldon react to his mother's possessiveness? Don't listen to "friends." Get to know "mama" better and decide for yourself whether the cord is cut or not. Then act accordingly.

• • •

DEAR ABBY: I just read that letter from the fellow who finally told his wife that he never cared for raspberry pie after she'd been serving it to him for 28 years.

If sure took him a long time to get enough crust to raise a little hull. Why didn't he tell her the first time she served it to him that her dessert was a crummy failure?

Until recently I had the same problem. My wife served me chilled, canned applesauce when we were first married. I remarked that I didn't like cold applesauce, so from then on she would warm it up first.

Well, to get to the core of the problem. I didn't like warm applesauce either, so I can sure sympathize with the guy who got the raspberries for 28 years.

HemisFair To Pay Bills, Says Zachry

SAN ANTONIO (AP) — Further assurances that HemisFair will not burden the taxpayer were issued Thursday by H. B. Zachry, chief executive officer of the world's fair.

Asserting that "this proud $156 million dream will have been completed with fiscal responsibility," Zachry told the fair's final executive committee meeting: "Contrary to misleading charges, the fair will not cost the taxpayer any money.

The six-month exposition closes its gates at midnight Sunday and will become the property of San Antonio, which will re-open it the following day under the tentative name, "Fiestaland."

Zachry's remarks were very similar to those of William R. Sinkin, vice chairman of the HemisFair board, who defended the fair as a private citizen in a news conference Sept. 18.

San Antonio Fair, Inc., the non-profit corporation which operates the fair, "has paid, will pay, or has offered reasonable settlement on all its bills," Zachry said Thursday. "It will leave the ledger clean."

Second Trial Set In Shooting Death

AUSTIN (AP) — A second trial for Mrs. Aline Robinson, charged in the shooting death of her husband, has been set for Nov. 18.

Mrs. Robinson was found guilty of murder with malice by a 147th Dstrict Court jury Sept. 19, but the jury deadlocked on assessing penalty, and a mistrial was declared.

Mrs. Robinson is charged with shooting her husband, John Robinson Jr., inside his barber shop last January.

Red River Landmark Being Torn Down

PAIRS, Tex. (AP) — A landmark in the Red River Valley area, the old Holt home on old Highway 82 near Blossom, is being torn down.

The picturesque home, unoccupied for some time, was built during the Civil War era. It is near the old Starkville settlement and is typical of construction of that day—with the family cemetery behind.

The home and surrounding land remain in the Holt family.

Sweater Girl Derby Has New Addition

By RAY KOHN
Associated Press Writer

NEW YORK (AP)—A California brunette is the latest to invade Wall Street in the burgeoning "sweater girl derby" that has developed since a Brooklyn girl turned the street's usually staid bulls and bears into wolves.

Geri Stotts, 36, of Burbank, who measures 47-29-38, stands 5 feet 10 inches and weighs 130 pounds, told newsmen: "We're just going to take a walk down Wall Street at noon."

"I've run into three or four women who are much larger than I am, but they don't have my proportions," Mrs. Stotts said Thursday night.

An employe of an auto agency, she said both her husband and 21-year-old son approve of her venture, which brings her to New York for the first time. Her trip is sponsored by Los Angeles radio station KGIL.

On Thursday, two young ladies from Cleveland, Ohio—both measuring 43-24-37—drew a noontime crowd of 4,000 financiers, brokers, clerks and passersby at the intersection of Broad and Wall Streets.

Sheila Moore, 21, and Suzanne Zulkowski, 25, were brought to Manhattan by Cleveland radio station WIXY to show New Yorkers that the Ohio city could match the 43-25-37 of Francine Gottfried of Brooklyn.

The 21-year-old Miss Gottfried, a bank computer operator, got the phenomona off two weeks ago when, wearing a yellow sweater and a red skirt, she emerged from a subway exit on her way to work. The word somehow had gotten around, and more than 6,000 persons were on hand, while ticker tape showered from nearby windows.

When Misses Moore and Zulkowski emerged from a subway stairway near the Stock Exchange, one young man commented, "This is better than the World Series."

PRICE INDEX UP AGAIN

Will Surcharge Do The Job?

By ROBERT D. HAWORTH
AP Business Writer

NEW YORK (AP) — The U.S. economy continues to advance at a rapid pace despite the enactment of the 10 per cent tax surcharge and the accompanying federal spending cuts.

The consensus among most economists is that the shift in fiscal policy enacted last June eventually will be reflected in a cooling off of the economy. But some are questioning whether the change will be emphatic enough or long-lived enough to alter materially the inflationary bias in the economy.

The First National City Bank of New York, in its Monthly Economic Letter for October, noted that the consumer price index rose again in August following sharp increases in June and July. During the three-month period, consumer prices rose at an annual rate of 5.3 per cent, well above the increase in earlier months.

Citibank also noted that consumers have refused to be inhibited by the tax increase, as reflected in the sharp rise in retail sales in July which continued at a high level in August and September. Consumers apparently have avoided spending cuts by dipping into record savings and through pay increases which offset the tax, the bank said.

And the influential Bank of America, the nation's largest, has predicted a substantial slowing of the economy in the year ahead as the fiscal restraint package takes effect.

In a booklet entitled "Focus on 1969, the U.S. Economy," Bank of America said the most pronounced slowing in business activity will develop in the closing months of 1968 or early 1969.

Citibank said that since the tax surcharge did not go into effect until July, there will be a major adjustment of withholding rates at tax time next spring which will sharply reduce refunds and increase balance-due payments.

Braniff Applies For Twin Cities Route

DALLAS (AP) — Braniff International airline has applied for a route to serve Europe via Houston, Dallas-Fort Worth and Minneapolis-St. Paul. The company says the area needs the service and this route would relieve the severe congestion at New York and Chicago Airports. The Twin Cities route will be shorter than a New York to Copenhagen route.

'Dead Man' Appears At Fire Probe

HOUSTON (AP)—Melton Lavergne, 35, says he has been a lot of things "but I've never been dead before.

Lavergne, who was believed to have died six months ago in a Houston rooming house fire, made a surprise appearance Thursday before a grand jury investigating the cause of the blaze that resulted in eight deaths.

The mixup occurred when two of Lavergne's brothers from Louisiana mistakenly identified one of the badly charred bodies from the March 6 fire as that of Lavergne's.

The body was taken to Elton, La., and buried as Lavergne. Mrs. Geraldine Southwell, 30, of Houston, Lavergne's former wife, attended the funeral.

Last Monday, a check of fingerprints taken before burial showed the dead man was actually Nolton Joseph Thibodeaux, 36, of Breaux Bridge, La.

A district attorney's investigator located Lavergne following a tip. He was working in a hospital stockroom.

Mrs. Southwell was notified and sped to the courthouse and there she saw Lavergne.

"Yes, that's my children's father," she said, slumping against the wall in a near faint.

The pair, divorced several years ago, have two dughters, Theresa Kay, 13, and Pamela Louise, 11. The children were in school Thursday when Mrs. Southwell met Lavergne.

Here's How To Choose A Pet Panic

Pick Your Pet Panic: There Are Plenty of Phobias for All

By HAL BOYLE

NEW YORK (AP) — Since this has been called "the age of anxiety, your social status may depend on your fears.

Do you have a pet panic?

Probably so. Many people do and don't even know it. After all, science has classified hundreds of phobias, and if you can't find one that fits you — well, either you are an exhibitionist or else you are merely trying to be brave.

In the latter case, that's a tip-off to what you really are — a phobophobe, one who is afraid of being afraid.

Here are a few more interesting possibilities that may help you classify your dreads:

Ever wonder why teen-agers usually travel in groups: It's because they all can't stand being alone, and that makes them monophobes.

Are you one of those finicky office workers who complain of a draft everytime anyone opens a window? Your trouble is easily diagnosed as aerophobia, the fear of air currents.

Perhaps the sight of a hirsute hippie or a man with a beard stirs revulsion in you. Put yourself down as a trichopathophobe, one who is afraid of hair. Hippies themselves are hypengyophobes, those who flee from responsibility.

Most hardened criminals gnaw their fingernails at the thought of having to face a third degree in the back room of a police station. They suffer from photaugiophobia, the fear of glaring lights.

Many maidenly secretaries feel shivers run up their spine whenever they are called to take dictation from an amorous senior vice president. This is one of the commonest afflictions in the business world—lupophobia, the fear of wolves.

When an astronaut dreams of getting lost in space and breaks into a nightmare sweat, he's a victim of apeirophobia, the fear of infinity. When her children act so bad that a young mother feels she is going off her rocker, she has been hit by lyssophobia, the fear of losing her mind. It usually wears off after the kids have been put to bed.

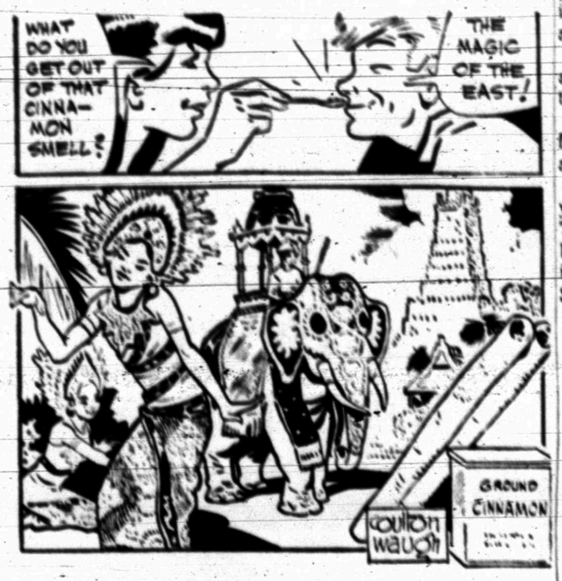

None of these phobias appeal to you? Well, here are some more to choose from:

Sometimes a husband complains that his wife can never keep her big mouth shut. It's cruel of him to blame her for this when the poor thing may only be a chronic victim of eremiophobia, the fear of silence. Or cleithrophobia, the fear of lockjaw.

Fear God and you're a theophobe, fear the devil and you're a demonophobe, fear mankind and you're an androphobe.

And if the chaotic condition of the world fills you with a nameless terror, here is the name for that terror so common to us all —homichlophobia, the fear of being in a fog.

Junior Editors Quiz on CINNAMON

QUESTION: *Where does cinnamon come from?*

* * *

ANSWER: Cinnamon — which we generally use in powdered form — is a strong spice. We don't recommend tasting the powder directly. But if you mix it with sugar, and then taste it and smell it, it will give you a delightful, aromatic feeling of the Far East. You can almost imagine the clonking of Far Eastern music, elephants, pagodas. The best form of cinnamon comes from the island of Ceylon, below the southern tip of India. Here it grows as a tree with slim branches. When the bark of the lower branches is dried after being peeled, it curls into tubes (lower right) which are sold in bundles as cinnamon, later being ground. Another Far Eastern plant, cassia, is often used in place of cinnamon. Cinnamon has many uses in cooking and flavoring, such as in the making of delicious cinnamon tea rolls. Cinnamon toast, made by sprinkling cinnamon and sugar on buttered toast, is a favorite way to bring the romance of the East to your home dinner table.

JV Stops Stubborn Sweetwater, 30 To 24

Scoring in every period, the quick - hitting Snyder Kittens shaded the stubborn Sweetwater JV 30-24 here Thursday night in a thrilling offensive gridiron match.

Guided by smooth Bid Cooper, the Kittens threatened to break open the game on the running of Harvey Pinkerton, Johnny Mata and Bobby Thompson. However, the Ponies fought back gamely and almost matched the powerful Kittens TD for TD.

Pinkerton was the leading ground gainer for Snyder with 92 yards on 17 efforts. Close behind was Mata with 80 paces in 23 runs. Thompson contributed 70 yards on 11 charges while Cooper picked up 24 on six carries and Larry Wall added 10 on three runs.

Mata put the Kittens on the scoreboard midway of the first quarter on a 2-yard plunge to cap a 60 yard drive in which he contributed most of the yardage. Mata plunged for the bonus points.

Held scoreless in the first period, Sweetwater capitalized on a Kitten fumble for a quick score early in the second frame. Davis sliced over right guard for the TD, but he was stopped on a run for extra points.

Snyder pulled into a 16-6 lead midway of the period when Cooper cracked through right guard from two paces away to climax a 30 yard march. Cooper set it up himself with a brilliant interception and 30-yard return. Wall ran across twice for the extra points. A penalty wiped out the first effort, but the second one held up.

The Ponies got right back in the game a couple of minutes later as Davis charged across from the two to cap a 68-yard drive. A 26-yard penalty for pass interference helped the drive along considerably. The Kittens looked tough defensively, as they grabbed Davis on a run for the extra points and slung him to the turf, leaving the score at halftime 16-12 in favor of the locals.

Snyder went into a 22-12 lead with 4:27 remaining in the third period as Cooper rolled left on a bootleg from four yards out. He hit Mata on the bids for bonus points, but a penalty nullified the play and the second attempt failed.

The TD drive capped a 70 yard drive. Big play in the march was a 25-yard aerial, Cooper to Scott Morgan. Cooper hit 3 of 7 passes during the night for a total of 81 yards. Other receptions were made by Bill Wilson and Thompson.

Sweetwater took advantage of another Kitten fumble, this time early in the fourth period to pull back within range. The payoff was a three yard plunge by hard-running fullback Brown. Davis tried to skirt right end for the extras, but was slammed rudely to the turf.

Cranking up on a 65 yard march after the kickoff, the Kittens went out front 28-18 on a 12-yard scamper around left end by Pinkerton. Thompson chugged across for the bonus points. Pinkerton reeled off a 30 yard run during the drive and Mata made a couple of nice runs.

Refusing to give up, visitors took the kickoff and drove 70 yards for the final TD of the night. Davis scored it on a 20-yard run around left end. A kick from placement missed, leaving the final count at 30-24.

All of the Kitten backs looked good. Wall and Cooper each turned in an interception.

Smith was outstanding on defense for Sweetwater, crashing through on more than one occasion to dump the Kitten ball carriers behind the line.

Next Thursday night, the Kittens host Lubbock Dunbar.

Unbeaten Favored In National Loop

By JACK HAND
Associated Press Sports Writer

ST. LOUIS (AP) — If Bob Gibson were throwing for the St. Louis football Cardinals Sunday, the Red Birds would figure to have a better chance against that Dallas powerhouse.

As Gibson will be busy in Tiger Stadium, it looks like another loss for Charley Winner's Cards, and a fourth straight victory for the Cowboys, highest scoring club in the National Football League.

In fact, the four unbeaten teams in the NFL should come through again. Baltimore has to handle the Chicago Bears, who woke up last week. Los Angeles has to deal with Dick Nolan's aroused San Francisco 49ers and the New York Giants may be pressed by the New Orleans Saints, who are beginning to believe in themselves.

Oakland and San Diego are the two unbeaten in the American Football League. The Raiders should roll over Boston but the Chargers may have their hands full at Shea Stadium against the New York Jets, upset last week in Buffalo.

Last week's record was 9-4, with 5-3 in the NFL and 4-1 in the AFL, or 19-7 for the season.

Here we go again with all games Sunday unless otherwise indicated:

NFL

Cleveland 28, Pittsburgh 17—(Saturday night)—Always a tough game although Browns hold a big edge in series. Blanton Collier shifting to Bill Nelsen at quarterback. Groggy Steelers still looking for first victory with only 37 points in two games and 120 for the opposition.

Dallas 35, St. Louis 14—Don Meredith hitting the bullseye and that rugged defense is dismembering quarterbacks.

Baltimore 33, Chicago 14—Earl Morrall still doing great job filling in for John Unitas. Bears down to Larry Rakestraw with Jack Concannon out of action.

Los Angeles, 24, San Francisco 17—Always a war and no reason to expect anything different. This is to be played in Coliseum where 49ers scored big upset a year ago. Roman Gabriel vs. John Brodie eyeball to eyeball.

New York 31, New Orleans 21—Giants clicked on all cylinders against Redskins last week with the old Fran Tarkenton-Homer Jones firm back in business.

Green Bay 27, Atlanta 17—Packers, burning after dropping two in a row, in bad mood for Falcons, who will be making debut under Norm Van Brocklin.

Detroit 21, Minnesota 20—A real toughie. Lions looking like team to be reckoned with now that Bill Munson is in control. Vikings were riding high until they hit Bears.

Washington 31, Philadelphia 27—All out for the races. Sonny Jurgensen should have field day against Eagle defense and Philadelphia runners should move on Redskins.

AFL

Kansas City 31, Buffalo 14 (Saturday night)—Bills can't figure to get cooperation they got from Joe Namath last week when they intercepted five passes.

San Diego 30, New York 24 (Saturday night)—Unbeaten Chargers will have work cut out for them as Jets rebound from Buffalo disaster.

Oakland 35, Boston 10—Raiders heading for repeat title and Patriots only so-so despite 2-1 record.

Cincinnati 23, Denver 17—Surprising Bengals seem to have edge while Broncs experiment while awaiting return of Steve Tensi.

Houston 30, Miami 10—Oilers played strong game despite loss to Oakland and should handle crippled Dolphins.

Hermleigh Juniors Win

JAYTON — Hermleigh Junior High School socked Jayton's Juniors 40-6 in a one - sided gridiron match here yesterday afternoon.

Roy Garza was outstanding for the visitors, scoring four touchdowns. Willie Kubala crossed the goal twice. Jay Roemisch caught a pass for two extra points, and Timmy Ince carried over for two more bonus points.

The Hermleigh Juniors will host Loraine at 7 p.m. Thursday.

Lee Three Off, Now

SOUTHPORT, England (AP) —Lee Trevino, the U.S. Open champion from Horizon City, Tex., was three shots off the pace going into the third round of the 72-hole $200,000 Alcan Tournament today.

Leading the field for the $55,000 first prize were Bobby Cole of South Africa and Bob Murphy of Nichols, Fla., with 141—six under par.

Fay Gets Big Chance

FORT WORTH, Tex. (AP) — The starting quarterback for Texas Christian Saturday night against Arkansas in a Southwest Conference game is a lad who has tried to pick apart football defenses since he was in the sixth grade.

Ted Fay, a sophomore, says it all started when he got a photo electric football game for Christmas.

Fay says, "Dad would set up the defense. Then I would select the play I thought would go. I usually beat him.

"Now? I doubt if he would want to play me."

Fay directed TCU to a 28-17 victory over Iowa last weekend. His teammates said he made a halftime talk that got them fired up.

"Really, I don't remember what I said," Fay said. "I get so fired up I want to fire the others. It's like a fist fight. I don't want to lose. I hate to lose. If we do, it's because we played a better team."

Lamar 8th Pounds C. City 50-8

Lamar 8th grade soundly trounced visiting Colorado City here Thursday afternoon on the Junior High gridiron, taking an ultimate 50-8 decision after rolling to a 36-0 halftime advantage.

David Tyrone was the spark-plug of the Texan attack, scoring three touchdowns. Five other Lamar lads were credited with points as the Texans hammered at the goal throughout the contest.

Bobby Burleson crossed the goal twice and Elton Hessler and Jackie Hartsfield were credited with one TD each. In addition, Hessler scored two extra points on a run as did Henry Ramos. Jim Waters tackled a Colorado City back in the end zone and was credited wiht a safety.

Burleson also took a pass in the end zone on a two - point conversion play, but the effort was wiped out by a penalty. The same thing happened to Hartsfield.

Tommy Johnson and Jim Waters were outstanding defensively for Lamar, and Fred Liner looked sharp returning an interception 30 yards.

Offensively and defensively, Henry Ramos won applause, and Tim Holder did a creditable job of throwing the ball.

The Lamar 8th grade hosts Goliad here Thursday.

Joe Denies Wrongdoing

WICHITA FALLS (AP)— The athletic director of Wichita Falls high schools rejected Thursday a complaint by Brownwood school officials that the fans got out of hand in last Saturday's Brownwood- Wichita Falls Washington high school football game.

Joe Golding said he had no evidence that would warrant a protest by Brownwood. Washington won the game 20-19.

Guy Smith, superintendent of Brownwood schools protested what he said was vulgar language and threats of bodily harm by Washington fans. He said Brownwood drill team members were harassed and that Washington coaches interferred with game officials.

"I neither saw or heard anything unusual during the ball game," said Golding.

Mo Valley Slate Begins At Denton

BY THE ASSOCIATED PRESS

North Texas State, a team itching for revenge, and Memphis State, a team anxious to win after two tough losses to Southeastern Conference opponents, collide Saturday night at Denton, Tex., in the Missouri Valley Conference football opener of 1968.

The Valley's other four schools that compete for the football championship all face non-conference foes— Cincinnati at Houston tonight and Louisville at Dayton, Drake at Wichita and Southern Illinois at Tulsa in Saturday night contests.

North Texas, the defending Valley champion which opened this fall with a 47-20 victory over New Mexico State and a 17-12 triumph over Colorado State, got burned 29-20 by Memphis State in its conference finale last season.

That was the Eagles' only defeat of 1967, although they also had a tie.

Avery Gives Games Okay

By JERRY LISKA
Associated Press Sports Writer

MEXICO CITY (AP) — The 1968 Olympics is like a tale of two cities, one of friendly athletic youth of the world and the other of riot-blooded Mexican college students.

And Thursday an amazing 81-year-old man, President Avery Brundage of the International Olympic Committee, apparently prevented the first cancellation of the Games because of a youth rebellion.

With the start of the Olympics only nine days off, Brundage took the word of reassuring Mexican authorities and proclaimed the Games would start as scheduled despite the most recent bloody gun battle between military and militant students Wednesday night.

Brundage, who next week may be elected to serve four more years in the IOC presidency he has held since 1952, issued a brief but straight-forward statement for which several hundred members of the world press clamored for hours Thursday.

"The Games of the 19th Olympiad, a friendly gathering of the youth of the world in amicable competition, will proceed as scheduled," said Brundage's French and Spanish.

Texans Recoup From Shock, Rip Bulldogs

Shocked by two Stamford touchdowns in less than 1½ minutes just before intermission, the Lamar Junior High 9th grade Texans powered their way to a pair of touchdowns in the second half to take a 26-18 victory Thursday evening on the local junior high field.

The Texans used the crushing strength of Fullback Mike Line to bring the Stamford defense to its knee. He blasted the middle for good yardage time after time in the second half, as the Lamar defense also rose to the occasion to shut off Stamford's ground - gaining sweeps that had hurt the Texans in the first half.

Line himself scored two touchdowns, while David Wittie and Mark Bostick got the other six - pointers for the Texans. Wittie also contributed a two-point conversion after the third Lamar TD.

Stamford took the opening kickoff and promptly marched 80 yards for a touchdown, with Stephenson sweeping for a 45-yard touchdown run. The two-point conversion try failed.

Lamar came right back, with John Tue returning the kickoff 35 yards to mid-field. Quarterback Travis Bunch kept on a bootleg play good for 23 yards and moving to the Stamford 3, from where Line carried over. The conversion try was short.

The Texans put on a 50-yard drive in the second period, with Wittie scoring from four yards out. This gave Lamar a 12-6 lead which they held until less than two minutes remained in the half. Then an epidemic of fumbles set in. Stamford recovered a bobble on its own 45 yard line. Stephenson swept left end for a 55-yard TD gallop. That tied it at 12-12 with 1:08 left in the half.

Stamford kicked off, Lamar fumbled again, setting the visitors up in business on the Lamar 23. Two plays later Young took a pitch, headed toward the goal line, cut to his right and angled into the end zone to give Stamford an 18-12 lead with nine seconds remaining in the first half.

Early in the third period, Lamar put on a sustained drive, but once again was halted by a fumble, losing the ball on the Stamford 15 yard line. Stamford returned the favor a moment later and the Texans got the pigskin back on the Stamford 33. They moved quickly to the touchdown, with Line getting the last yard. Wittie picked up the two - point conversion and the Texans led 20-18.

In the fourth period, the Texans lost another fumble on the Stamford 8, but the visitors cooperated again, fumbling back to the Texans on the 10. Two plays later Mark Bostick ripped into the end zone from four yards out to put the decision out of Stamford's reach. The Lamar defensive line was especially tough in the second half and David Thompson, Line and Bostick made timely defensive plays to set Stamford back. A pass interception by Bostick late in the game literally slammed the door on the visitors. Thompson was instrumental in shutting off the sweeps in the second half and also knocked down some Stamford passes.

Frogs Ready To Leap Past Hogs?

By DENNE H. FREEMAN
Associated Press Sports Writer

For nine straight autumns the hogs have butchered the Horned Frogs. Pitch a helmet on the field and the Texas Christians turn to jelly was the word in the Ozarks.

Now comes the moment of truth again Saturday night for TCU as Arkansas, riding the momentum of victories over Oklahoma State and Tulsa, invades Fort Worth in the only Southwest Conference game of the day.

Coach Fred Taylor sums up how the Horned Frogs feel about the game:

"I'm ready to get a victory. I feel like our team wants this game real badly."

A near-sellout crowd of over 40,000 is expected to be on hand in Amon Carter Stadium.

Suddenly, there has been a surge of optimism in the Horned Frog camp. After an opening loss to Georgia Tech, TCU seemed to come alive last week behind a sophomore signal caller Ted Fay—and the thunderous runs of Norman Bulaich, the SWC's leading ground gainer.

But Taylor realizes the Razorbacks are a high-octane bunch with sophomore Bill Montgomery spanking new life into the Arkansas attack along with high-scoring David Dickey.

"They're just a lot better than they were last year," said Taylor. "They're a very explosive team. They've just been real high for us every year. They seem to build their whole season around this game. I think they tell 'em this is their bowl game or something."

The other six loop teams will be trying to do something about a 5-6-3 mark in intersectional warfare.

Texas hosts Oklahoma State Saturday night in Austin and the Longhorns could possibly have a new quarterback at the helm. Texas coach Darrell Royal is tinkering with the idea of starting junior James Street instead of Bill Bradley, the senior who has been plagued by fumbles and interceptions this year. The Longhorns (0-1-1) are touchdown favorites over OSU, leading the Cowpokes 8-1 in the all-time series.

The Texas Aggies travel to Tallahassee, Fla., Saturday night to meet Florida State, a club that defeated them 19-18 last year. A&M (1-1) is a slight favorite over the Seminoles who have one of the best flankers in the nation in shifty Ron Sellers.

Southern Methodist (1-1) entertains tough North Carolina State (2-1) in the Cotton Bowl. It will be a battle of the quarterbacks, Chuck Hixson, SMU sophomore, is the national passing leader and left-handed Jack Klebe of the Wolfpack owns the school record for the most passes. The day game is rated a tossup.

Rice (0-1-1) meets rugged Tennessee in Houston Saturday night. It should be a wild offensive struggle with Robby Shelton the Rice quarterback trading touchdowns with Richmond Flowers the speedy Volunteer back. Tennessee is the favorite.

Texas Tech (1-0-1) comes off its upset victory of Texas to play Colorado State in Lubbock. It will be no ordinary intersectional contest as the game counts in the Western Athletic Conference standings for the Rams. The Red Raiders will be favored.

Crippled Baylor (0-2) limps to Baton Rouge, La., Saturday night to meet Louisiana State which has already whipped two SWC teams—A&M and Rice. Coach John Bridgers will start sophomore quarterback Steve Stuart in this one, replacing junior Alvin Flynn. LSU is a strong two touchdown choice.

Altie Taylor, Utah State tailback, averaged 31.9 yards for 17 kickoff returns in 1967.

Series Stands Even At 1-1

By MURRAY CHASS
Associated Press Sports Writer

DETROIT (AP) — The Tigers are back in Detroit today, eager to bring to their kind of park the kind of game that crushed the St. Louis Cardinals and tied the World Series at one game each.

Following an informal discussion that helped thaw their first-game freeze, the Tigers whipped the Cardinals 8-1 Thursday behind the six-hit pitching of Mickey Lolich and the home run slugging of Lolich Willie Horton and Norm Cash.

The performance was completely different from the one the Tigers put on Wednesday when they eked out five hits against Bob Gibson. Only one was an extra base blow, which was unusual for the club that led the American League with 185 homers during the season.

But their uprising against Nelson Briles and three relief pitchers was more like the game they're used to playing in the smaller Tiger Stadium, where the Series resumes Saturday.

"In the first game, I was more nervous than I've ever been since my first day with the club," said Al Kaline, who joined Detroit right out of high school in 1953.

Kaline and first baseman Cash, a nine-year Tiger, agreed that was the general malady that struck the Tigers in the first game loss, and then they did something about it.

"We had dinner together Wednesday night," Kaline explained, 'and we talked about how everyone was trying too hard. We said we had to talk to these guys and relax them, get them to play the kind of game we played all year.

"We had a lot of time when we got to the park so we just sat around talking ... about going for base hits and playing our kind of game and not worrying about anything. You could tell from the time we went on the field that everyone was more relaxed.

"Then when Willie hit the home run, it gave us a big lift. It broke the jinx, or whatever you call it, and gave us momentum. We were confident we could win. Then when Lolich hit one, it was too much to expect."

Horton connected off Briles in the second inning and Lolich in the third. For Lolich, it was the first of his six-year major league career. Three innings later, Detroit broke the game open with a three-run burst.

"You have to give Lolich a lot of credit," said Cash, who collected three of Detroit's 13 hits. "He held them for five innings while we were getting started. Then we went to our game, which is knocking the ball all over the country."

It will be up to Ray Washburn, 14-8, to keep the ball in Tiger Stadium in Saturday's third game when he pitches against Earl Wilson, 13-12. Gibson and Denny Mclain then pick up their duel Sunday.

Briles' trouble was he didn't have good stuff and as Gibson noted, "This club is more capable of hitting home runs than, say, the Dodgers. If you don't have good stuff, they're going to hit home runs."

At the same time, Lolich, who won two fewer games than the 19 Briles did during the season, was effective in all but the sixth inning when St. Louis scored its run.

Lou Brock singled, stole his first of two bases, went to third on Curt Flood's infield single and scored as Orlando Cepeda blooped his first hit of the series.

Mickey Stanley, the center fielder turned shortstop, then got Lolich out of any further trouble by making a good stop of Mike Shannon's hard grounder in the hole between short and third and turning it into an inning-end double play.

"I thought it might go through, but he made a real nice play," said Manager Mayo Smith, who moved Stanley to short to get Kaline into the lineup. Kaline, incidentally, singled his last two times at bat and scored two runs.

The only problem the Tigers had all day was the groin infection Lolich developed. He noticed it Wednesday night and took some medication when he arrived at the park Thursday.

"I was quite groggy from the pills," the 28-year-old left-hander explained. "I was woozy all day. I thought Mayo might go with somebody else. Now I'm glad he didn't."

He was especially glad because of the home run that sailed about 345 feet into the left field stands. It was the first time he ever had to run around the bases in the majors.

TROUBLES FROM GUERRILLAS

Another Vietnam In Israel?

By DENNIS NEELD
Associated Press Writer

AMMAN, Jordan (AP) — Guerrilla fighters speak confidently of turning Israel into another Vietnam if it takes 20 years.

They claim to represent the objective of a restored Palestine in the area that is now Israel, and some of them at least seem impelled by a fanaticism spawned in the loss of a homeland. They reject in advance any Middle East settlement that provides for the continued existence of the Jewish-led state.

The best available information indicates that the guerrillas are currently about 3,000 strong, with no shortage of recruits or money to buy weapons.

Jordan officials describe them as a problem for the Arab governments. Leaders of Al Fatah, most effective of several guerrilla organizations, argue that the Arab people would overthrow any Arab government within 24 hours if it began peace talks with Israel.

Most guerrilla camps are in Jordan.

"Let King Hussein raise a finger to begin negotiations and we will cut it off," threatened one Al Fatah member. "The king would like to talk peace with the Jews but he knows he cannot."

If it came to a showdown, Jordan's army, by striking hard and fast might be strong enough to overcome guerrilla resistance. But every week the guerrillas seem to become stronger, in numbers, efficiency and firepower.

The guerrillas harbor no hopes of a quick victory over the Israelis and an Al Fatah spokesman reported boys of 9 and 10 are being trained to carry on in the years ahead.

"We are still in the first stage of a long campaign," he said. "This is the stage of hit and run. We know we are not strong enough to tackle the Israeli army in the occupied territories. We can only make life uncomfortable for them."

Vietnam is a far cry from the rocky, sun-bleached hills of Jordan, but the spokesman says:

"If the Viet Cong can defy the mightiest army on earth, how much more can we do against an Israeli army of 200,000 men?

"The Viet Cong began just as we are. It took them 20 years to beat the French and fight the Americans to a standstill. We are prepared to fight just as long."

Al Fatah contends that Palestine was stolen from Arab owners and that the Jewish state has no right to exist. The movement's political spokesman said Al Fatah's sole intent is to "liberate" Palestine with all other political questions in abeyance until that is achieved.

Jews who lived in Palestine before 1948, when Israel was born, would be permitted to remain. Those who arrived since then would be expelled, he said.

Al Fatah is believed to have ample funds, mainly from private Kuwaiti and Saudi Arabian sources. Some of the other organizations receive money from Arab governments.

The commandos have Soviet-made machine guns, mortars and bazookas, all supposedly bought for cash.

Casualties are high, running up to 80 per cent of those who actually engage in sabotage and fighting with the Israelis.

"If we lose two, even five, men for every Israeli it doesn't matter," said the Al Fatah spokesman. "There are 100 million Arabs and only two or three million Israelis. In the end, we cannot fail."

The present Convair Dart turbo-jets and the older DC3 prop planes will be phased out, Paul Jones, assistant to the president of Frontier airlines, announced.

Bourbon Street Chaplain Coming Here For Revival

Bob Harrington, considered by some as the "20th Century's most unusual preacher," will preach in a revival Oct. 20-23 at the First Baptist Church in Snyder.

He began his ministry in 1958 and in 1962 he departed from the usual methods of evangelism and began preaching in the bars on Bourbon Street in New Orleans. At that time he set up an office in a former liquor store.

In an official proclamation, Victor H. Shrio, Mayor of New Orleans, named Harrington "The Chaplain of Bourbon Street. Now he is better known by that title than by his name. When he preaches in some of the New Orleans bars, it is by invitation only, but when he preaches here at the First Baptist Church it will be open to the public.

Since Rev. Harrington started his offbeat ministry in 1962 the work has demanded growth of staff and office facilities. The Ministry of Bob Harrington, Inc., now occupies an entire courtyard on Bourbon Street with five offices and five staff members.

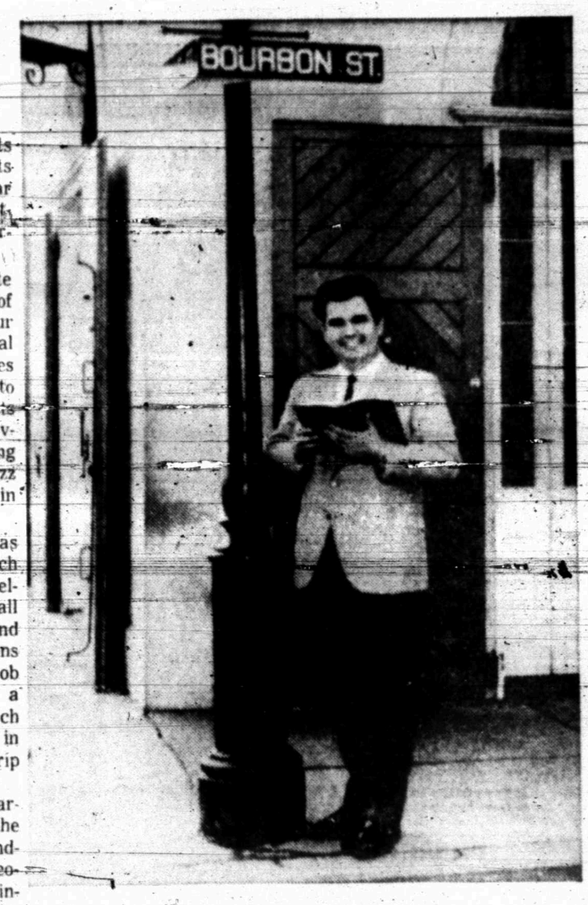

The Chaplain of Bourbon Street calls his night club services "the late show." They are pre-arranged with bar owners, and he enlists the aid of entertainers in hymn-singing. He has become so well-known that invitations to the services are sent to the French Quarter residents and entertainers, and tourists are kept outside. One regular bar customer has been converted and is working on the Harrington staff.

Besides the nightly "late show" sermons the ministry of Bob Harrington offers a 24-hour phone service and 24-hour "dial devotional." In the bars he does not alter the type of service to fit the audience. He conducts an old-fashioned Baptist service. When the entertainers sing for his services, they don't jazz up the music but they sing in hymn-fashion.

Harrington said he has preached in nearly every church in New Orleans. His evangelistic work has carried him all over the United States — and even to Vietnam. Future plans call for the Ministry of Bob Harrington, Inc., to set up a "Witness Station" in Greenwich Village and similar work in Las Vegas, on the Sunset Strip in Hollywood, and in Paris.

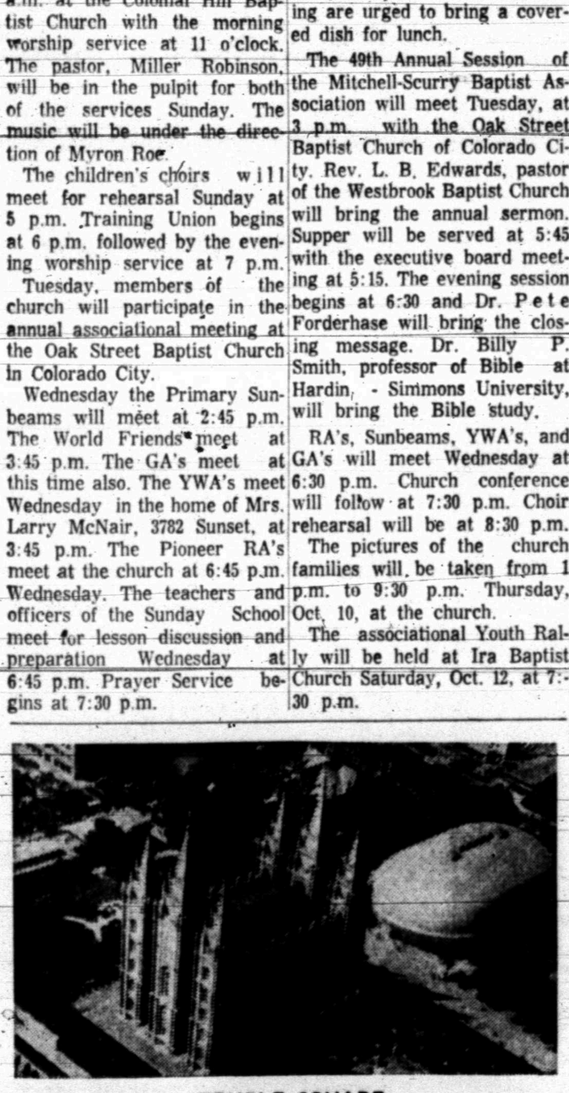

Born in 1927 in Alabama, Harrington is a graduate of the University of Alabama, attended New Orleans Baptist Theological Seminary. Before beginning his evangelistic career, he was a successful business man. He said he knew how the people on Bourbon Street felt because at one time he was a "playboy."

The Chaplain of Bourbon Street has been featured in Pageant Magazine and stories on him are pending in Newsweek, Saturday Evening Post, and Playboy.

REV. BOB HARRINGTON

The services will be held at 11 a.m. and 7 p.m. on Sunday, Oct. 20, and at 7:30 p.m. Monday through Wednesday.

Latter-Day Saints Slate Conference For Sunday

The 138th Semi-annual World Conference of the Church of Jesus Christ of Latter-day Saints will be broadcast and televised Sunday from historic Temple Square in Salt Lake City, Utah.

Temple Square is the birthplace of the Tabernacle Choir, which will be featured during the World Conference broadcast and telecast. The Tabernacle Choir and organ have become familiar in millions of American homes.

Perhaps the biggest and most faithful audience of the Tabernacle Choir is the one the singers never see. To millions who have never visited Salt Lake City, the weekly broadcast of "Music and the Spoken Word" has become a Sunday radio and television tradition.

Broadcast of the Conference by radio began in 1928 over KSL, Salt Lake City. Television coverage began in 1953 over KSL-TV and Sunday the World Conference will be carried as a public service by more than 200 stations from coast to coast and in Canada. Shortwave beams the broadcast in English and other languages to Mexico, South America, The Caribbean, Africa and Europe. The telecast in this area will be on Channel 11 (SCAT 5).

Be still

"So that thy youth is renewed like the eagle's. Psalm 103:5.
We are only as old as our latest breath
There's no hour for ageing, no minute for death.
Youth, like God, lies in the heart
And never is sold in any mart!
So close the pill box and laugh away fears,
And relax and grow younger through the years

MIRACLE of light

Just who among us can fathom the miracle of light? The ministries of the sun are many. A single ray can be concentrated to explosive intensity. The sun gives off a burning heat we could not do without. Light, warmth, growth, health and healing are daily ministries of the sun.

The earth becomes sour and barren without it. In this same manner man limits his strength and usefulness when he turns away from God.

Let us wait and pray in the sanctuary of His church, for in such waiting and worship, God promises to bless man's soul as does the sunlight bless the earth. We should strive to capture the rays from God like the prisom does the sunlight, and direct it to good and wholesome uses. Then, they who wait upon the Lord may run and not grow weary. They may walk and not faint (Isaiah 40:31).
