Roundtree Selected New Chief Of Police

Jimmy Roundtree, formerly assistant chief of police, was appointed chief of police by a unanimous vote of the Colorado City Council Tuesday.

A full council was present to hear City Manager Brenda Tarter

state that of the eight applicants for the position, she had selected Roundtree.

She requested his salary be set at \$14,430 annually, plus a \$125 a month car allowance. She indicated he would be appointed on a six

month trial period basis.

Mrs. Tarter said her office and the council "want good solid law enforcement."

Roundtree has acted as chief in the absence of a chief on several occasions, for a period

of about five months altogether.

He has been with the Colorado City Department for three years and two months. He first came to the department in November, 1977 as a patrolman.

After a five month period, he was promoted to patrol sergeant. He remained in that position until three months later when he was promoted to sergeant of criminal investigations. His next promotion came in August, 1980 when he became assistant chief of police.

Roundtree's background includes training in communications, basic training at the police academy, narcotics investigation, crime scene search, criminal investigation, radiological monitoring (civil defense training) and background investigation.

He served in communications with the Texas Department of Public Safety from 1971-1973; with Pecos Police Department as patrolman from 1973-1975 and the Andrews Police Department as patrolman from 1975-1977. See CITY Page 2

Piland To Head Industrial Team

The Colorado City Industrial Team now has a 15 member board, as opposed to the 11 member board of last year, due to a general meeting held Tuesday.

Charlie Thompson made the motion that the board be broadened to 15 members. The motion was accepted.

During the meeting, the following board members and terms of office were elected: Elmer Martin, three years; Pete McKinney, two years; George Walker, three years; George Lindsey, one year; Bobby Lemons, one year; Dale Mathis, three years and Frank Brownfield with a two year term. The terms were set different so they could retire or renew their membership at different times.

Retiring board members were Lee Jones, Willie Landau and Mac McKinnon.

The board then elected new board officers who are: returning president Eddie Piland; Vice-President Bobby Lemons; Secretary Bob Reilly and Treasurer J.C. Britton.

Board member J.C. Britton gave the 1980 financial statement. Cash balance for Jan-

uary 1, 1980 was \$12,159.86. Total income from rent, leases and interest income for 1980 came to \$6,285.80. Total cash available for 1980 was \$28,445.66.

Expenditures for 1980 were \$13,728.11, \$10,000 of this was to purchase a money market certificate.

The total cash balance for Dec. 31, 1981 was posted at \$14,717.55.

The board then discussed the prospect of a new sewing machine factory out of Dallas coming to Colorado City. It was emphasized that this project was still much in limbo.

Piland discussed the matter over the telephone to see if the Industrial Team could do anything to encourage their move to Colorado City.

There seemed to be one flaw in the community to prevent their coming but Piland declined to comment. He then stated that the board would even come down on previously discussed rates.

Also discussed was the drawing up of formal leases for team's property.

Piland appointed George Walker to be head of the committee

and Dale Mathis and Charles Root to take the See ROOT Page 2

Tryouts Are Set For Neil Simon Comedy

Auditions for the first Colorado City Playhouse production of the year will take place Monday and Tuesday at 7 p.m. in the playhouse. "Plaza Suite," a comedy by Neil Simon, will be directed by Marsha Moore.

"Plaza Suite" will be presented in March and has a cast of four persons, two men and two women.

This is a three act play and each person will portray a different character in each act.

There are parts for one young man and one young woman and one middle-aged man and

one middle-aged woman, Mrs. Moore said. The action in the play takes place in a hotel suite and each act portrays completely different situations, she said.

Anyone interested in theatre is invited to come and tryout, she said.

Anyone desiring more information may contact Mrs. Moore at 728-5890.

New Phone System To Be Installed In Root Hospital

Soon, area residents will no longer face the frustration of being cut-off in the middle of a conversation, cut-into another party's conversation or just not being able to get through to the Root Memorial Hospital operator at all.

Mitchell County Hospital District Board of Directors voted unanimously Tuesday to contract with Southwestern Bell Telephone Company for an all new telephone system, contingent on finances.

This improvement will cost the district an initial \$17,000 and monthly payments of

\$2,248 for a period of 60 months. At that time, monthly payments will drop below the level of the current phone charge and will only cost the district \$1,239, plus long distance charges.

This contract includes the cost of service on the system.

In other business conducted by the board Tuesday, Accountant

Joe Morren gave the annual audit report dated the end of the fiscal year, Sept. 30, 1980. Total income was \$2,148,154.75 and total expenditures were \$2,331,066.57. After depreciation and other items were accounted for, a net loss of \$54,127.10 was reported.

Hospital Administrator Ray Dillard reported. See PHONE Page 7

Burglars Break Into Colorado High School

Burglars hit the Colorado City High School sometime after 9 p.m. Friday.

Superintendent of Schools Charlie Uselton reported the incident to Colorado City Police Saturday at 12:37 p.m.

A window was broken in the west door of the main building in order for thieves to gain entry into the building.

Once inside, thieves damaged the registrar's office door and then broke the window of the door to the library.

In the library, desk drawers were pried open and about \$1 in change was stolen.

From there, thieves went to the cafeteria and tried, unsuccessfully, to break into a Coke machine.

Next, thieves broke the window in the north exit door of the building and went to the next building where they broke the west door window to gain entry to that building.

Police reported a window in the draft classroom and another unidentified classroom window was broken.

The auto mechanics shop was entered and a Coke machine was cut open, apparently with a cutting torch. An unknown amount of money was taken from the machine.

Officers Jesse Dominguez and Elias Franco are investigating the burglary and criminal mischief.

Theft of a cutting torch was reported at the States Motel on Highway 80 Sunday.

The torch was removed by cutting the hoses to the tank and removing it from the back of a

pickup parked under a carport at the motel.

Theft reportedly occurred between 6:30 p.m. Friday and 1:40 p.m. Sunday.

Officer Franco is investigating the theft.

Arizona Suspects Captured Locally

Seven persons were taken into custody and a stolen pickup has been recovered as a result of quick action by Texas Highway Patrolman Tom Johnson.

A late model Ford pickup was identified as a vehicle used to flee the scene of a criminal mischief and theft of services in Big Spring by Patrolman Johnson about 3:30 p.m. Monday.

Johnson reported he had been notified by Big Spring Police to watch for a late model Ford pickup carrying three white males and one white female.

They reportedly had stolen gasoline and damaged equipment at the station.

By DONNA WATSON

Viola Young Iglehart will be honored with a reception and autograph party Sunday in the Hesperian Room at the Mitchell County Library from 1:30 p.m. until 3:30 p.m.

The Colorado City Area Chamber of Commerce Ambassadors will be hosting the reception and the public is invited and encouraged to attend.

Mrs. Iglehart said she wrote her first novel, "Trapper Lady," in 1978. At that time, she noted, she was recovering from a leg operation and wrote the novel just to fill the time.

Mrs. Iglehart said she put the completed manuscript aside until 1980 when she read an advertisement in a newspaper, requesting manuscripts for publication.

She sent the copy to the publisher and it was accepted.

Mrs. Iglehart deserves a lot of credit for her first literary effort.

It is often said that "every person has a book somewhere inside of himself, it is all a matter of getting that book out and down on paper."

Mrs. Iglehart did just that in the novel, "Trapper Lady."

The story revolves around information which may be gleaned from reading books of instruction on how to do everything from clean and dress a bear carcass to weaving a basket.

Mrs. Iglehart's imagination carries the reader on a long journey into the wilderness on the Canadian border.

The plot involves a detailed report of how a woman, alone, with only the bare essentials, can survive and grow in a hostile environment.

I encourage everyone to participate in the upcoming reception and help encourage this new authoress in our community.

A few editions of "Trapper Lady" will be available for purchase during the reception.

ment as patrolman from 1975-1977.

He was born July 4, 1951 in Odessa. He and his wife, Kathy, have a daughter, Tammy, 8, and a son, Daniel, 6.

He is a graduate of Permian High School in Odessa and has attended Sul Ross University in Alpine.

Roundtree stated his main priority is improving public relations within the community.

He said his goal is to improve relations between the entire force and the community and to help the community to know each policeman on a one to one basis.

He plans to revise and update procedures and techniques used by the force and to make changes in the placement of personnel, although he noted all the current department personnel will remain with the

department. One new slot had been opened by his promotion.

He is currently taking applications for the position of patrolman.

Seminars will be presented by department members through the school systems on such subjects as crime prevention, self defense and bicycle safety.

"We hope to achieve a good working relationship with the young people in the community," Roundtree said.

"I would like to express my gratitude to all those who have supported the department in the past and ask their continued support. I would also like to say thank you to the council and city manager for their expression of confidence in me. I will try at all times to do my utmost to deserve that confidence," Roundtree said.

Final Tour Is Slated

Board members will make a final inspection of the Kelley Elementary air conditioning project Thursday (today) at 6:30 p.m.

After the inspection has taken place, the board will meet again at the Administrative Curriculum Building, located at 534 East 11th Street.

The school board will discuss their findings at Kelley Elementary and then consider finalization of the contract with Drummond Appliance for installing new air conditioning at the school.

Also on the agenda will be an update on the tennis courts project given by Superintendent Charlie Uselton.

Johnson said he pulled in behind the pickup and checked the description he had been given.

The pickup carried a driver and three passengers in the front and three males and a dog in the back.

The description given matched the items of clothing two of the men were wearing, Johnson said.

A check on the pickup's Arizona license plates showed the pickup had been stolen.

All seven persons were arrested and taken to jail.

Four of the persons and the dog were later released.

Two of the persons are still in custody awaiting investigation by Arizona authorities.

Assisting in the arrest were Deputy Bob Bullock and Trooper James Burson.

"Citizenship" Is Topic

Mrs. Hubert Meadows brought the program on "Citizenship" when the north Loraine T.E.H.A. Club met in her home at 2:30 p.m., Wednesday, Jan. 21.

After the reading of the club creed, the group went into a short business session. Following the business, Mrs. Meadows brought the program.

The topic on "Citizenship" was presented as Mrs. Meadows said she felt there existed a state of apathy towards our country. However, she did say she felt the recent event of the freeing of the hos-

tages brought out a sense of unity and loyalty to our country.

She feels that parents and teachers have not stressed the price tags that are attached to the freedom that we enjoy as Americans. So many take these for granted. She also evaluated the principles of our founding fathers freedom of religion be-

ing an important one.

Those present were the hostess and Mmes. Roy Wells, Jack Linam, J.M. Templeton, Raymond Wheeler and one guest, Mrs. Shep Compton.

The next meeting will be with Mrs. Templeton on Feb. 4. The program topic will be "Values In A Changing Society."

Harris Presides At T.E.H.A. Meeting

Mrs. Lester Webb hosted the regular meeting of the T.E.H.A. Club Jan. 20. Mrs. Charlie Harris, president, presided.

Mrs. Floyd Griffin led the club prayer and roll call was answered with "Why I Am Proud To Be An American Citizen." Bernice Hallmark read minutes of the last

meeting and Pauline Smiley gave a report of the treasury. Mrs. Lynne Compton gave the council report and announced the date, May 11, had been set for the annual book review.

Mrs. Hubert Meadows, a guest from north Loraine Club, brought the program on "Citizenship." In her

talk, she brought out the truth that "no country knows greater freedom than the United States of America." We have, she stated, the right of freedom of speech, to vote, to express our beliefs, to worship as we choose or not to worship.

We have the right to build a fortune and to give that fortune to fam-

ily, church, etc. Our national anthem affirms trust in God, the pledge of allegiance is a prayer and we should remember the high price of freedom and love our country and the many privileges we enjoy that other nations do not have.

The group recited the pledge of allegiance.

The next meeting will be with Mrs. Vada Preston with the annual Valentine luncheon.

Present were the guest, Mrs. Meadows, and members Mmes. Mable Givens, Preston, Willis Cornutt, Webb, Griffin, Smiley, Hallmark, Harvey Leach, Harris, Lynne Compton and Clara Butler.

Local Woman Chosen
Susan Armentrout Girvin, daughter-in-law of Mr. and Mrs. L.S. Girvin, was recently selected as one of the Outstanding Young Women of America for 1980, according to Mrs. Dexter Otis Arnold, chairman of the board of advisors for selecting these young women. Mrs. Girvin was selected from thousands of young women submitted by business and civic leaders throughout the country for giving her time, talents and unselfish service to enrich the quality of American life.

T.J. Parsons' Swine Receives Grand Champion Title In Sweetwater Show

Swine Judge Jerry Don Stockton, head of the agriculture education department at Texas Tech, selected T.J. Parsons' lightweight crossbred pig as the Grand Champion Swine of the Six County Stockshow which was held in Sweetwater.

Parsons is a member of the Westbrook FFA Chapter and he won the honor with his 212 pound hog, which also received the Champion Crossbred title.

Others from Mitchell County competing and placing in Crossbred Swine Division were: Billy Sweek of Westbrook, second; Heavyweight, Carl Andrews of Loraine, first and Donald Burnett of Westbrook, third.

The Reserve Champion Crossbred title was captured by Carl Andrews of the Loraine FFA. Parsons also took

the Reserve Grand Champion Swine Division title in the Mitchell County Livestock Show for 1980.

PHONE, From Page 1
ed all outside doors would be locked from incoming traffic at all times, with the exception of the main entrance and the emergency entrance. This, Dillard reported, was due to an excess of unnecessary traffic through the building, mainly children passing through and buying cold drinks from the machines.

"They have become a real problem. We have tried to cut down the number of children just walking through the building, but the only way to stop the heavy flow of unnecessary traffic and noise is to lock the doors. People can still use the doors to exit, but not to enter," Dillard said.

"Children catch and carry disease very easily and it is not a healthy situation at all," he said.

The Ladies Auxiliary donated a new crib and mattress to the hospital. The donation amounted to about \$608.

Three new members were voted into the auxiliary. They are Mrs. Mildred Little, Mrs. Fayrel Boney and Mrs. Ather Ellis.

Dillard reported a new pharmacist has been hired, Roland Richard. Dillard said the hospital is still searching for a Registered Nurse and a Physical Therapist to hire.

Root Valley Fair Lodge has a new administrator, Mrs. Judy Jones. Mrs. Jones was previously employed at the home, but resigned when then Hospital Administrator Charles Root and his wife, Maxie Lee, retired.

A request from doctors and patients in the delivery room has been complied with and a mirror has been installed to allow some husbands to watch the actual birth of their babies.

Dillard noted to board members that Assistant Administrator Ray Mason has made contact with many small delinquent account holders and has collected 16 accounts previously considered uncollectable. Dillard noted that several other accounts will be taken to small claims court or turned over to a collection agency.
