Week Days 10c

SAILING WEATHER — It isn't too often Pampa kids get a chance to sail their home-made sailboats, but the reins gave these three that opportunity when the creek in Central Park filled up Saturday forenoon. They are, left to right, Randy Britton, 13, of 1229 Darby; Mike Knutson, 12, of 1032 Prairie Dr., and Jimmy Hunt, 13, of 414 Red Deer.

UNSEASONAL WEATHER

Weekend Rains Leave Chilly Cover Over Pampa, Panhandle

Rainfall that started early Friday and continued intermittently Saturday brought Pampa its coolest weather of the season and total precipitation for the year to more than 17 inches. More the same was predicted for today.

Pampa got 1.20 inches up to 6 p.m. Friday, another inch was added Friday night and nearly a half-inch early Saturday, pushing the weekend figure to approximately 2.70 inches.

And that's more rain the city area had received in any 36-hour period all year long. With

it came an unseasonal push of cool weather, dropping temperatures into the 40s.

Many spots throughout the Panhandle received from one to three inches in the Friday through Saturday rains.

The rains were welcomed by almost everybody but cotton and grain sorghum farmers.

Agriculturists said dry, hot weather was needed for maturing late planted crops, but the rain was beneficial to wheat and rangeland.

Most area football games Friday night were played in the rain and mud. At the White

Deer-Clarendon game in White Deer there was no half-time show. The school bands took to shelter to prevent instrument damage, but most of the fans weathered it out under umbrellas and rainwear.

Many Pampa streets were running deep with water during Friday night's downpour. The water stood almost curb to curb in W. 23rd St. in the vicinity of Robert E. Lee Junior High School. Red Deer Creek resembled a mountain trout stream.

The weekend showers which developed over the Panhandle along an area just west of a line through Hereford, Bushland and Guyton, Okla., had spread through most of the area and portions of New Mexico, and Western Oklahoma by late Saturday.

The low temperature in Pampa was 41 degrees early Saturday and it was expected to remain on the cool side through today. It had climbed only two degrees to 43 by Saturday noon. The afternoon high was 46 and the forecasters Saturday night predicted a low in the upper 30s by 6 a.m. today.

They also predicted a 40 per cent chance of rain today.

IN PUBLIC SCHOOLS

Club Speaker Urges Check On Textbooks

By TEX DeWEESSE

Members of the Pampa Kiwanis Club heard their luncheon speaker Friday charge that some publishers of textbooks used in public schools are bypassing American history and espousing socialistic dogma.

The speaker was Mrs. Mel Gabler of Longview who, with her husband, has been leading a crusade for the past 11 years to get parents of Texas school children and others interested in education of the nation's youth concerned in finding out what is being taught in public schools.

Mrs. Gabler deplored what she described as a deterioration trend in the teaching of American history.

"There are history books being used today," she said, "which flaunt the faults of some of our greatest Americans of the past and play down their virtues."

"We are constantly reminded of those who wish to destroy us,"

Mrs. Gabler said she believes young people of today need to know more about the founding fathers and great men who wrote and adopted the Constitution.

"Our young people deserve a good foundation," she added, "but there is trouble getting it

when their textbooks are filled with pictures and stories upgrading countries in the rest of the world, but very little about our own country."

The civic club speaker said her purpose was to urge parents to check the content of school textbooks, to meet with local textbook committees who select them, and to challenge them.

"The 'experts' have controlled our children's minds for too long," she said, "parents should have some say in what children are being taught."

"We are in trouble and we cannot allow the history of this country to be phased out. Parents must again accept responsibility and not leave education of their children all up to the schools."

The best way to do this, she added is to take an interest in PTA meetings, visit classrooms and see what is going on, read the textbooks children are studying and meet with local textbook committees when they make the selections.

Mrs. Gabler was introduced by Warren Hasse, president of the Pampa school board.

Dr. James F. Malone, High School Principal Cameron Marsh and several members of the school administrative staff were guests at the luncheon.

Snowstorm Hits Rocky Mountains

By THE ASSOCIATED PRESS

The season's first snowstorm, poured it on Saturday, bringing record falls up to 18 inches along the eastern slopes of the Rocky Mountains. And a mass of arctic air laid a mantle of frost across the northern states this morning from Montana to Minnesota.

The copious rains generated in the humid air over the Deep South by now-dead Hurricane Edith spread westward to end a long drought in Texas, northward up the Great Plains to Kansas and Missouri, and northeastward up the Appalachians.

Denver's snow accumulation from the storm that began Thursday passed 15 inches to (See SNOWSTORM, Page 2)

750 Persons Attend Dinner For Bob Price

By RAY BAXTER
News Staff Writer

AMARILLO—An unofficial rally just before Sen. Barry Goldwater mounted the podium revealed that some 750 of the 840 ticket holders attended the salutary dinner for Bob Price Saturday night.

The affair was sharing the Amarillo Civic Center with a rock concert and the solo from Arizona was expected to cast some oratorical stones himself at the opposition party. Advance publicity concerning Goldwater's address billed it as a comment on world affairs and a tribute to the republican congressman from Pampa.

Republicans of Price's congressional district have "made no bones" about the dinner being a fund-raising measure looking forward to Price's re-election bid in 1972. Goldwater assured sponsors that every cent garnered from the tickets would remain in Price's campaign coffers, implying he was taking nothing for his appearance.

He came to Amarillo fresh from a similar occasion for Texas' Republican senator, John Tower, in Beaumont Friday night.

School Board To Discuss Three Things

Three points on the agenda of the school board meeting Monday may mean the difference in a session of routine reports and significant consideration.

The school operation section of the schedule for the meeting calls for a discussion of needed additional parking space at the high school. A new structure on the north side of the building will seriously curtail parking area there.

A part of the discussion is expected to deal with the possibility of taking some of the campus space at the front of the building for this purpose.

Two additional items have been placed on the agenda by request for discussion and action if needed. Board (See BOARD, Page 2)

Egypt, Israel Trade Missile Fire Attacks

Incidents Underscore Fragility Of Ceasefire

By THE ASSOCIATED PRESS

Israel and Egypt traded missile fire along the Suez Canal Saturday, pushing the 13-month-old cease-fire dangerously close to collapse.

Cairo said Israeli Phantom fighter-bombers attacked Egyptian canal-side positions with American-supplied Shrike missiles, without causing damage or casualties. It added that Egypt fired anti-aircraft missiles back.

The Egyptians described the attack as an "unsuccessful attempt" to retaliate for the shooting down of an Israeli transport plane Friday over the Israeli-occupied Sinai Desert.

Egyptian and Israeli troops were put on alert all along the 103-mile waterway after the World War II-vintage Strato-cruiser was shot down by Egyptian air defense, Tel Aviv said.

Israel charged Saturday's exchange was begun by Egyptian missile batteries which fired Soviet-supplied rockets at Israeli warplanes flying on the Israel side of the water-way.

The military command said its planes were untouched and returned the fire.

The Egyptian communique said the formation of Israeli Phantoms fired missiles from about six miles east of the canal on the Israeli-held side. A military spokesman in Tel Aviv declined comment on the Egyptian communique.

The weekend incidents underscored the fragility of the U.S.-initiated cease-fire in the absence of a political settlement between Israel and Egypt.

Reliable sources said there had been contacts between American diplomats in Tel Aviv and Israeli officials, but could add no details.

It was assumed the Americans, as architects of the canal (See MISSIL, Page 2)

World Population Likely To Double Within 30 Years

WASHINGTON (AP) — World population is growing so fast that it will double within 30 years despite slower growth rates in the more industrialized societies, Census Director George Hay Brown says.

Even if births were to decline so that families were barely replacing themselves within the next decade, it would take another 60 years before the population would stop growing, Brown said studies indicate.

"It is a matter for serious attention and serious concern," he said in an interview.

"The question of when you sound the alarm is a matter individual judgments. There's obviously got to be some limit to the total number of people that can be accommodated on a limited-resource institution, the spaceship world."

Brown said the question of limiting population "deserves study and debate."

Defense Chief Against Militray Budget Cut

WARRENTON, Va. (AP) — Secretary of Defense Melvin R. Laird said Saturday the Soviet Union has achieved tremendous momentum in its nuclear weapons growth. And he said the United States could slip to second place within a few years if Congress cuts U.S. defense budgets.

"I can assure you we are not going to be able to decrease military spending," Laird said at a news conference.

He said that, if his proposed defense budget of about \$80 billion for the year that begins July 1, 1972 is cut even two or three per cent, "I cannot give you assurance" that the United States will not fall into second place behind Russia in the 1973-1974-1975 period.

Laird did not elaborate on the basis for his statement about Russia's "tremendous momentum"—the strongest such statement he has made about Russian gains—but the Pentagon sources said he was referring to the bigger-than-expected

growth in Soviet intercontinental ballistic missiles and missile-firing submarines.

According to these sources, the Russians now have more than 1,550 intercontinental ballistic missiles—about 50 per cent more than this country's 1,054 ICBMs.

Also, the sources said, the Russians have about 25 Polaris-type submarines in operation and about 15 more under construction, bringing them within range of equaling this country's 41 missile-shooting subs within a couple of years. Some Navy experts have forecast the Russians might go to 60 such submarines.

Defending himself against charges that he has used scare forecasts about Russian military increases, Laird contended his report to Congress earlier this year was very conservative.

OVERNIGHT DELIVERY HERE

\$10 Million Mails-Sorting System Set Up To Speed Postal Service

By RAY BAXTER
News Staff Writer

England's famed prime minister, Benjamin Disraeli, said "Don't write it if you can say it and don't say it if you can remain silent."

Few today know the quote much less practice the philosophy — and one of the results is a machine that cancels 40,000 stamps an hour for the new U.S. Postal Service.

Further, this machine is sort of a "galloping gourmet" for a huge beast that sorts letters according to zip code at the rate of one per second!

Now when you drop a letter in a box in Pampa, it embarks on a swift and wonderful journey that even Gulliver wouldn't believe. —But you must drop it in a box. Mail dropped in the "local" chute at Pampa post office is routed and delivered from that point. All other mail posted in Pampa — even that addressed to local destinations — goes to the Amarillo sectional center.

Pampa Postmaster Carl English painted such a glowing picture of this facility and the service it will make possible that it became a "must" adventure to follow a letter through.

Sacks of mail are dumped on a conveyor belt and passed through stamp cancelling

machine where eight cylinders with postmarks activated by electric eye cancel the stamp regardless of the position of the letter in the flow of traffic.

The pieces of mail clear this machine at the rate of 40,000 an hour: are arranged in one order and fed to the \$10 million sorting unit which routes them on their way at 360 a minute. The giant machine has six operators and each operator routes a letter a second.

On the other side of the mail monster a part of the 80-man

crew on duty around the clock is taking the separated mail and sacking it for destination.

According to English this new system will be so practiced by Oct. 31 that a first class letter WITH A ZIP CODE can be posted before 5 p.m. in Pampa and delivered from any one of 308 post offices in the service area the next day.

This area extends 200 miles from the Amarillo dispersal point including Amarillo, Childress, Lubbock, Wichita Falls in

Texas; Clovis, Roswell and Tucuman in New Mexico and Liberal, Kansas.

Troy Wiley, assistant superintendent of mails at the Amarillo distribution center, was guide through the intricate lanes of letters. As he quickly identified each process, destinations and called workers by name, he instilled new confidence in the old saw: "the mail must go through." — And man alive! What if does go through!

MAIL MONSTERS, THRIVE ON ZIP CODES — Six operators sit by what appears to be a wall but is the bulky body of a beast that devours 360 pieces of mail a minute. Its "innards" are actually avenues routing the mail throughout the land — and getting it to 308 post offices in the Pampa postal "section" overnight — provided it is zip-coded.

AT THURSDAY BANQUET

Kiwanis Clubs Plan Joint Installation

New officers for the Downtown and Top O' Texas Kiwanis Clubs will be installed at a joint banquet of the two civic clubs Thursday night in the Pampa Country Club.

Installing officer will be installed by District 6 Lt. Gov. Curtis Crofford.

New officers of the Downtown club will be Jerry Davis, president; D.W. Bond Jr., immediate past president; Paul Simmons, first vice president; James McCoy, second vice president; Garner Altom, secretary; Cletus Mitchell, treasurer, and June Allen, executive secretary.

For the Top O' Texas club the following will be installed: Joe B. Davis, president; John Simon, immediate past president; Roger G. Dickson, first vice president; Wayne Steadum, second vice president; Mike Case, secretary, and A.D. Conway, treasurer.

Seven directors also will be inducted. Downtown club: Jim Conner, W.C. Bass Jr., Dave Redus, R.W. Stowers, Foster Whaley, Bob Carmichael and E.L. Henderson. LTop O' Texas club: Earl Davis, Gene Davis, Don Kite, Bill Lam, Gene Lewis, Austin Ruddick and John Simon.

The banquet program, scheduled to start at 7 p.m., will be called to order by Clyde Carruth.

Jerry Sims will emcee the program. Mike Case will in-

roduce guests. Following the installation of officers there will be entertainment by the Pampa High School stage band under direction of Harris Brinson.

Special presentations will be made for the Downtown Kiwanis club by Royce Laycock and for the Top O' Texas club by A.D. Conway.

Don Lane, past district governor, will preside over the Legion of Honor ceremony.

Rep. Bob Price Addresses Meet Of Farmers Unit

Congressman Bob Price said Friday in Amarillo that he has requested increased yield protection for cotton farmers and increased loan and support rates for grain sorghum growers and feels confident that the Department of Agriculture will act favorably on his suggestions.

Addressing the State Convention of the National Farmers Organization at the Amarillo Holiday Inn West, Price said he had made the requests in a letter to Secretary of Agriculture Clifford Hardin.

At the present time if a farmer loses a cotton crop due to natural disaster, the yield upon which his government support payments are based is reduced 10 percent the following year.

"This is an inequity which the Secretary can correct, and I certainly hope he will do so," Price said.

The Congressman also urged Secretary Hardin to fully implement an amendment Price sponsored which was added to the Agricultural Act of 1970 setting the loan and support for grain sorghum at 95 percent of the feed value for corn.

Nixon May Pick Conservative To Succeed Black

Associated Press Writer

WASHINGTON (AP) — If President Nixon does the expected, he will appoint a law-and-order conservative to succeed the retired Justice Hugo L. Black, hastening thereby the conversion of the Supreme Court.

On The Record

Marriages

Cloyes Venroy Biggers and Jesse Rennes Willis.
Kenneth Wayne Putman and Shirley Mae Goodson.

ONLY MINOR INJURIES — Mary Dial McCrary, 1801 Christine, was treated at Highland General Hospital and released following a collision at Coffee and Twenty First streets Friday afternoon. She was driving south on Coffee when her car was struck by one

driven by Kathleen S. Chaney going west on Twenty First. Despite the hazardous conditions imposed by the weather and the rash of accidents investigated, a broken leg suffered by a motorcycle passenger was the worst injury. (Staff Photo)

Injured Woman In Fair Condition At Area Hospital

Mrs. Meredith Cox was reported in good condition considering the nature of her hand injury according to Highland General Hospital, Amarillo.

The 37-year old mother of two was taken there for surgery Friday night after preliminary treatment at Highland General following an accident at Ideal Food number two store, where she is employed.

Mrs. Cox was putting steak through the meat tenderizer when co-workers heard her cries. George Knight, a butcher at the store was the first to reach her and help her free her hand from the machine.

She was treated first at Highland General where no broken bones were found but she had suffered painful injury to the tendons in the hand and flesh was badly lacerated.

She underwent surgery at 8 p.m. Friday.

Girl Injured In Car-Cycle Collision

Pampa police investigated a rash of traffic accidents Friday but only two of them inflicted injury despite hazardous conditions imposed by the weather.

Margo Gregory, 14, 443 Hazel, suffered a broken leg when the motorcycle on which she was a passenger was in collision with a car at Ward and Kingsmill streets.

Barry Schultz, 15, 1825 N. Wells, was operator of the machine she was riding.

The car was driven by Eddie Lee Wells, 26, 936 Scott, Wells, uninjured, was charged with driving while under the influence of intoxicants and for failing to yield the right-of-way to another vehicle.

Mary Dial McCrary was treated at Highland General Hospital and released following an accident at Perryon Parkway and Twenty First Street.

She was proceeding south on the Parkway when her car was struck by one driven west on Twenty First by Kathleen S. Chaney, 2105 Banks. Mrs. Chaney was cited for failure to yield the right-of-way to another vehicle.

Teachers Planning To Renew Picketing

DALY CITY, Calif. (AP) — A mass firing unprecedented in the history of California schools has brought pink slips to 227 striking elementary teachers here and a move for mediation by State Schools Supt. Wilson Riles.

While they awaited registered letters to inform them of immediate suspension as a result of a Jefferson Elementary School District board action Thursday night, the strikers made plans to renew picketing Monday.

Their leaders talked Friday with representatives of Riles, who has promised to enter into the mediation efforts later.

Co-Chairmen Say Beauty Pageant Was Big Success

The 1971 Miss Top O' Texas Pageant was one of the most successful pageants in the event's history, according to a report filed by Ralph Ford and Dick Klein, co-chairmen of the Retail Trade Committee of the Chamber of Commerce which sponsored the affair.

The pageant showed receipts of \$1,261.95 and expenses of \$1,099.84, leaving a balance of \$191.11, according to the final audit.

The balance from this year's show, plus accumulation of \$43.77 from past pageants, making a total of \$234.88 has been placed in a special fund for future shows.

The committee chairmen also commended Doug Coon, pageant director, and members of his production staff for their work in producing the pageant.

Plans already are in the making for next year's production which will be staged in Pampa's new civic auditorium.

Missile

(Continued From Page 1) truce, expressed fear that retaliation might revive the eye-for-an-eye military policy that has carried the Mideast through 23 years of conflict.

In Washington, the State Department sought Saturday to head off a renewal of the fighting by calling on both Egypt and Israel to abide by the truce.

Associated Press photographer Brian Calvert flew to the scene of the wrecked plane, 15 miles east of the canal in the central Sinai Desert. He reported debris strewn over 100 yards and said the only visible part intact was the tail section with a painted blue Star of David, Israel's national emblem.

Senate Defeats Move Rejecting Draft Extension, GI Pay Raise

WASHINGTON (AP) — The Senate defeated today a move to reject a compromise draft extension and military pay raise bill already approved by the House.

The action, a key victory for President Nixon, came on a motion by Majority Leader Mike Mansfield, D-Mont., to table the long-stalled legislation. The President's draft authority expired on June 30. Nixon, who made an eleven-hour concession on the bill's pay raise features to win over crucial votes, told a news conference Wednesday that settling the draft would jeopardize negotiations aimed at a mutual East-West arms reduction.

Despite today's vote, the months long Senate fight over the draft bill will go on. Vietnam war critics and foes of any draft law have vowed to filibuster against Senate approval of the measure. Defeat of Mansfield's tabling amendment, however, appeared to kill any chance that his end-the-war amendment would be included in the legislation to extend the draft for two years.

The amendment, approved by the Senate in its original draft bill, called for the withdrawal of all U.S. military forces in Indochina in nine months provided American prisoners of war were released.

The House refused to accept it. And Senate-House conferees, in reaching a compromise, watered it down to call for an end to U.S. military operations in Indochina at the earliest practicable date.

Mansfield's tabling motion was intended as a first step toward sending the bill back to conference, with Senate conferees instructed to insist on fixing a deadline for American withdrawal.

Mansfield told newsmen in advance of the vote that if the tabling motion were rejected, he would reoffer his end-the-war amendment to the military procurement bill, coming up next in the Senate, or to some other appropriate measure. The Mansfield amendment, strongly opposed by President Nixon, has been a key issue in the lengthy Senate battle over the draft bill.

Nixon To Make Four-State Trip

WASHINGTON (AP) — The White House announced Friday that President Nixon will make a four-state trip next weekend during which he will be entertained in Alaska by ousted Secretary of the Interior Walter J. Hickel.

Press secretary Ronald L. Ziegler said the journey by the President and Mrs. Nixon to Alaska to greet Japanese Emperor Hirohito and Empress Nagako has been expanded to include stops in Montana, Oregon and the state of Washington.

On Sept. 26, before meeting briefly with Japanese royalty, Nixon will be guest of honor at a reception at the home of Hickel, a former Republican governor of Alaska whom Nixon fired as secretary Nov. 25.

The press secretary said arrangements for the reception were made prior to publication of a Hickel book, "Who Owns America?" that gives the former secretary's account of his stormy tenure as a member of the Nixon Cabinet.

Attention Of Stock Fraud Case Now Turns To State, Federal Grand Juries In 3 Areas

AUSTIN (AP) — State and federal authorities must decide now who, if anyone, takes the rap in the Securities and Exchange Commission stock fraud case.

And Texas voters may have a final say in 1972 when some of those involved in the stock manipulation scandal seek re-election or higher office.

U.S. Dist. Judge Sarah Hughes ruled Thursday that eight businessmen, including former Texas Atty. Gen. Waggoner Carr and a former state insurance commissioner, John Osorio, had joined in illegal stock transactions. However, the decision merely placed the defendants, at SEC request, under permanent court orders not to make any more illegal stock deals.

The 11-page decision did not mention Gov. Preston Smith, Speaker Gus Mutscher, Reps. Tommy Shannon of Fort Worth, W. S. Healy of Paducah and several others who were not defendants but have admitted they made quick profits on the manipulated stock of National Bankers Life Insurance Co., now in receivership.

It also did not mention U.S. Asst. Atty. Gen. Will Wilson, another former state attorney general and a former legal counsel to Houston promoter Frank W. Sharp, labeled the key figure in the SEC investigation.

Sharp, who was one of the

eight permanently enjoined, earlier paid a \$5,000 fine and got a three-year probated sentence on minor charges of stock tampering, then testified against other defendants in return for immunity from further prosecution.

Now attention turns to federal and state grand juries in Houston, Dallas and Austin who will decide if any of the SEC civil law violations should be followed by criminal law prosecution, including SEC accusations of a scheme to give some state politicians quick stock market profits in return for legislation that Sharp wanted.

No matter what the grand juries do, the SEC investigation and trial has already had an effect on a number of Texas political plans in 1972 and the balance of power in the 1973 legislature.

Smith has been in doubt about attempting a third term campaign and the SEC investigation undoubtedly will affect his final decisions. There has been no announcement but Smith has indicated by some of his recent actions that he will not seek re-election.

Mutscher says he is a candidate for a third-term as speaker of the House but there is growing opposition among House members, some predicting Mutscher will be ousted before his current term ends in

any special session before 1973. Mutscher also must win re-election as a representative from Brenham.

Healy is considered likely to win re-election from Paducah but, unless Mutscher is speaker again, it is highly unlikely Healy will be chosen as the influential Appropriations Committee chairman for a seventh legislative session. Two leading contenders for Mutscher's speakership have vowed they will not reappoint Healy.

Shannon has said he will seek re-election from Fort Worth and already has an announced opponent for the 1972 campaign.

Still another 1972 campaign, that of Lt. Gov. Ben Barnes for governor, likely will be affected to some degree by the SEC investigation. Sharp testified that he once heard Osorio say that Barnes had "delivered for us." He only deals in cash.

Osorio at once called the testimony "a damned lie" and denied ever making such statements.

Barnes' opponents in 1972 are likely to revive the incident. "We have an uphill fight before us," a Barnes aide said afterwards.

Unfinished investigations are pending before separate Texas House and Senate committees.

The Senate group concentrated on operations of the State Banking Department, particularly in

the collapse of Sharpstown State Bank of Houston. It considers much of its work done with the passage of seven bills in the recent legislature that gave the banking department more authority and power to act quickly in a bank crisis.

The House committee, which concentrated on SEC charges that outside influence was used to pass two bills in 1969 that would have helped Sharp's bank, has another session tentatively set for Oct. 7 and 8, with Mutscher, Osorio and Healy scheduled to testify.

Sharp and Carr appeared at the last committee session which ended with charges from Carr and some committee members that Wilson and other top Republicans were behind the SEC investigation. The committee invited Wilson to appear but he replied that he would delay any appearance until after the grand juries involved have acted.

The state grand jury in Austin has indicated it has finished its investigation, primarily into the legislative influence angle, and will report soon, probably the last week in September.

A high informed source told The Associated Press recently that the district attorney's office had prepared drafts of bribery indictment papers that named Mutscher, Shannon, and one of Mutscher's aides, Rush McGinty.

Pampan To Stud In Paris As A Rotary Fellow

Jan Farley of Pampa, who graduated from Midwestern University in May, will study at Sorbonne in Paris in 1972 as a Rotary International fellow.

He earned the bachelor's arts degree at MU with a major in political science and is currently attending law school at the University of Texas at Austin.

Farley was sponsored for a fellowship by the Southwest Rotary Club in Wichita Falls and is the son of Mr. and Mrs. Earl F. Farley of Hamilton. The fellowships are not open to anyone with a filiation with a Rotary club membership or kin to anyone with membership.

While he was attending Midwestern Farley was member of the Honors Program and semi-finalist in 1970 for Rhodes Scholarship. He was listed on the dean's university honor rolls and named political science scholar of the year during Midwestern Honors Day in April of 1971.

Farley received notification his selection for a graduate fellowship recently when he was advised that he will study Paris.

Agony Of A Sex-Change Teacher

EDITOR'S NOTE: Paula Grossman, the student of this story, has been suspended, without pay, from her teaching post by the Bernards Township, N.J., school board and dismissal proceedings have begun. If the New Jersey Commissioner of Education decides there are sufficient grounds for dismissal, a public hearing will be held. A decision is expected shortly. Felicia Sticher, the author, is a reporter for the Bernardsville, N.J., News.

By FELICIA STICHER
BERNARDSVILLE, N.J. — (NEA) — On Friday, April 16, 1971, fifth and sixth grade pupils at Cedar Hill School presented their annual spring concert entitled "The Arts — 71."

The performance of the orchestra, string ensemble and chorus were, as always, widely acclaimed and parents afterward commended the music faculty for their accomplishments.

But the evening was memorable in another way. Chorus director Paul M. Grossman, whose students received enthusiastic applause for their renditions of old-time favorites, was, unknown to the several hundred parents present, a woman.

Exactly 42 days earlier, on March 5, Grossman, a teacher of 31 years standing, had undergone massive, radical surgery in New York's Wickersham Hospital that changed him into a woman.

The sex reassignment operation gave the 51-year-old father of three daughters something he had not had in 46 years — complete peace of mind.

The transition from Paul Monroe Grossman to Paula Miriam Grossman marked the end of what Mrs. Grossman has called "the most hideous suffering imaginable . . . and it can't be explained."

It also marked the beginning of a struggle to retain her professional status in a community where she had taught for 14 years, a community where some parents who had previously praised her work now suddenly didn't want her to teach their children.

Paula Grossman is a transsexual and she is among the first to deplore the term's unfortunate connotation.

"People conjure up ideas that we are child molesters, degenerates or sexual deviates," she says. "It's nothing like that. Transsexuals have no disgusting or obnoxious sex habits. They are not homosexuals. No one can even recognize a transsexual unless they themselves tell you."

In layman's terms, transsexual means, simply, having a female mind in a male body or, more infrequently, a male mind in a female body. Victims of transsexualism can be "doomed to unimaginable hell," as Paula Grossman describes it.

She spoke openly of her experiences during a five-hour interview recently in her comfortable, 85-year-old, three-story shingled home in Plainfield.

The family's acceptance of her new role is apparent. Her 12-year-old twin daughters, Carol and Claire, who were in and out of the house, were

affectionate with no awkwardness. Her 18-year-old daughter was at Ohio State University, registering as a freshman.

Mrs. Grossman's wife Ruth, a legal secretary, was at work during the interview.

Strong family bonds were evident. Asked if she had ever been advised to divorce her wife and make a complete break from her family before changing her sex she said, "There have been some fools who have suggested that."

And she added, "I've done nothing I'm ashamed of. I can't see any sane, logical reason why I should run away." She freely concedes that, had she foreseen the agony her transsexualism would bring in later years, she would not have married.

"I knew I was uncomfortable, that my gender role did not correspond with my morphological sex, that I was physically different from the way I wanted to be and felt I should be," she explained. "But I have looked upon it as part of my personality, something I would have to live with."

Indeed, until 1952, when George Jorgensen stunned the world by undergoing sex reassignment surgery in Denmark, little or nothing could be done to alleviate the anguish of transsexuals. The surgery had been attempted unsuccessfully in Germany nearly 40 years ago and, in the aftermath of the Jorgensen experiment, it was performed in Scandinavia and Casablanca.

Born in Brooklyn, N.Y., in 1919, Paula Grossman's ordeal began in 1925, with an incident she prefers not to reveal. "I recognized and correctly identified the problem, but I didn't tell anyone," she said.

She grew up in a close-knit family and remembers her childhood as "wonderful." She has been teaching in Bernards Township since 1957 as a music teacher in the junior high school and elementary school. "These have been very happy years," she said, "and I've always had a very wonderful relationship with the school superintendent."

At about the time of her twins' birth in 1958 her transsexual problems became acute. Nine years ago, she consulted the family doctor, who "wanted no part of it" and referred her to a psychiatrist. After one visit, however, she realized he couldn't help. "I knew I wasn't psychotic. I hadn't lost touch with reality. I didn't think I was a woman," Mrs. Grossman said.

"I muddled through until about my 50th birthday," she said, "and then I knew I had to find help, the suffering was so intense." About a year ago, she consulted a doctor who referred her to an eminent New York endocrinologist. He administered hormone injections and prescribed pills, which, she said, relieved the depression to some extent. But surgery, she knew, was her only hope for a cure and eventually this was scheduled.

A 3½-hour operation was performed last March and she stayed in the hospital for a

week and at a nearby hotel two weeks longer to be near her physician.

Ruth Grossman, Paula's wife, is deeply saddened by the dismissal proceedings about to be started by the Board of Education. She feels, however, that the township residents were behind Paula Grossman. "They are good people, we have always had such a marvelous relationship and if they only realized the facts, I am certain everything would work out. Of course, if the medical profession knows so little about transsexualism, how can we expect lay people to?"

Paula Grossman continued, "I have had a most interesting life as hard and as sad as it's been, I don't regret a minute of it."

SAN DIEGO, Calif. (AP)—A three-foot alligator is back in the reptile pit at San Diego zoo after his 30 hours of freedom ended on an embarrassing note—a visitor mistook him for a lizard.

The alligator scurried into thick brush outside the zoo Tuesday when two young men dropped him to flee a security guard who witnessed the kidnapping attempt.

THE FORMER PAUL GROSSMAN, left, with wife, Ruth, finds no change in close-knit family relationships since the operation that made her professionally a public issue in Bernardsville, N.J.

President Praises Outgoing Miss America

WASHINGTON (AP) — President Nixon has commended the outgoing Miss America for her "heartiest patriotism" she expressed during her year-long reign.

Phyllis George of Denton, Tex., said he is "deeply thankful that this spirit of love for our country is alive and well in America today."

"It is in millions of hearts across this land," he said, "and with that kind of patriotism, that kind of love of country, we shall never lose sight of the American dream."

"You can be proud of your efforts to help make this dream come true."

Our Men In Service

JIMMY D. HARPTR
Army First Lieutenant Billy G. Whitten, 24, son of Mr. and Mrs. Earl H. Whitten, Route 2, Mobeetie, Texas, recently was assigned to headquarters battery of the 214th artillery group at Ft. Sill, Oklahoma as officer in charge of complex 11. Lt. Whitten, whose wife, Shelia, lives in Lawton, Oklahoma, received his B.A. Degree in 1969 from West Texas State University at Canyon. He is a member of the Alpha Kappa Psi Fraternity. He has just returned from Vietnam.

RODERICK PORTER
Airman Roderick T. Porter, son of Mr. and Mrs. M.J. Porter of 1616 N. Hobart, has graduated at Lowry AFB, Colo., from the technical training course for U.S. Air Force weapons mechanics.

Airman Porter, who was trained to load and inspect the weapons used in Air Force fighter aircraft, is being assigned to McConnell AFB. He will serve with a unit of the Tactical Air Command which provides combat units for air support of U.S. ground forces.

The airman, a 1970 graduate of Pampa High School, attended Amarillo College.

RAYMOND POWELL
Raymond R. Powell, son of U.S. Marine Corps Lieutenant Colonel and Mrs. Raymond R. Powell of Perryton, is one of 1,249 freshmen cadets who have entered the U.S. Air Force Academy class of 1975.

Cadet Powell was accepted into the cadet wing after completing seven weeks of basic training, including field training at a simulated frontline combat base near the academy, strenuous physical conditioning and survival instruction.

The cadet now begins a four-year course of study leading to an Air Force commission and a bachelor of science degree with an academic major in one of 27 fields of interest provided in the curriculum.

Cadet Powell is a 1971 graduate of Perryton High School where he was a member of the National Honor Society and lettered in football and basketball.

RAY SMITH
Ray E. Smith, son of Mrs. Charles Hubbard who resides at Lenoir, N.C., has been promoted to technical sergeant in the U.S. Air Force.

Sergeant Smith is an automatic flight control technician in a unit of the Tactical Air Command (TAC) at McConnell AFB. TAC provides combat units for air support of U.S. ground forces.

The sergeant attended Lenoir High School. His wife, Joan, is the daughter of Mr. and Mrs. Lloyd Rash, Navajo Road, Lloyd Rash, Navajo Road.

LARRY D. CLARK
Army specialist four Larry D. Clark, 20, son of Mrs. Thelma K. Scobee, 941 Campbell, recently received the bronze star medal in Vietnam.

He was presented the bronze star medal for distinguishing himself through meritorious service in connection with military operations against hostile forces in Vietnam. The medal, adopted in 1944, recognizes outstanding achievement.

Spec. Clark received the award while assigned as a gunner in Battery C, 3 DBattalion of the 23d Infantry Divisions 82D Artillery near Da Nang.

His father, Chester Clark, lives at 121 Pleasant Drive, Dallas, Tex.

WESLEY O. GODDEN
Navy Petty Officer First Class Wesley O. Godden, husband of the former Miss Judy A. McCravens of Route 1, Canadian, has reported for duty aboard the destroyer USS Rupertus, now deployed to the Western Pacific with the U.S. Seventh Fleet.

JIMMY D. HARPER
Navy Fireman Jimmy D. Harper, son of Mr. and Mrs. Jim H. Harper of Pampa, was graduated from recruit training at the Naval Training Center, Orlando, Fla.

Harper attended West Texas State University, Canyon.

map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

JERRY L. HENDON
Army Private First Class Jerry L. Hendon, 19, son of Mrs. Betty J. Bagwell, 2100 N. Hamilton, recently completed an eight-week Chaparral-Vulcan Crewman Course at Ft. Bliss, Tex.

During his training, he learned all phases of the lifting and tracking systems of these two air defense weapons.

The chaparral consists of heat-seeking guided missiles mounted on a tracked vehicle and the Vulcan is a 20MM Automatic Six-Barrel Gun mounted on a self-propelled armored personnel carrier.

His father, Jerry E. Hendon Jr., lives at 3105 W. Storey, Midland, Tex.

His wife, Kristyna, lives at 3610 Keltner, El Paso, Tex.

GLEN D. CUNNINGHAM
Navy Fireman Apprentice Glen D. Cunningham, son of Mr. and Mrs. Don Dorsey of Lefors, participated in the first night operation which simultaneously employed dual methods to refuel and resupply an underway aircraft carrier.

With the hazards of two ships steaming together at close refueling quarters intensified by South China Sea darkness, Cunningham's ship, the nuclear powered attack aircraft carrier USS Enterprise, took fuel from the combat stores ship USS Sacramento by the familiar "highline" method.

At the same time, in another critical operation, the "Big E" was receiving vital supplies by helicopter transfer from the multi-mission Sacramento.

DELBERT KIMBRELL
Navy Seaman Delbert Kimbrell, son of Mr. and Mrs. Delbert A. Kimbrell of 234 Canadian St., participated in the first night operation which simultaneously employed dual methods to refuel and resupply an underway aircraft carrier.

With the hazards of two ships steaming together at close refueling quarters intensified by South China Sea darkness, Kimbrell's ship, the nuclear powered attack aircraft carrier USS Enterprise, took fuel from the combat stores ship USS Sacramento by the familiar "highline" method.

At the same time, in another critical operation, the "Big E" was receiving vital supplies by helicopter transfer from the multi-mission Sacramento.

He is a 1967 graduate of Pampa High School.

DAVID L. STEWART
Marine Cpl. David J. Stewart, son of Mr. and Mrs. Lester L. Stewart of 1221 Garland, Pampa, Tex., was promoted to ris present rank while serving with the Third Marine Division on Okinawa.

He attended West Texas State University in Canyon.

Cool Cat Rides Jet
ANCHORAGE, Alaska (AP) — Northwest Orient Airlines is trying to catch a persistent stowaway—a gray, tiger-striped cat named Garfunkel.

He has been prowling a Boeing 747 since he escaped from a cage Aug. 19 while en route from Chicago to Anchorage.

"What he's been eating we're still speculating on," said Dale Roseheim, Northwest cargo manager in Anchorage. "Maybe he's been crawling up into the first-class cabin."

Garfunkel has apparently been hiding between plane's insulation and the cargo bulkhead, said Roseheim.

Airline officials say Garfunkel has probably logged 100,000 miles while the jet has been in continuous service between New York, Chicago, the West Coast and the Orient.

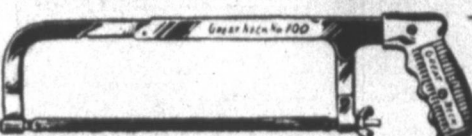

When the cat is caught, it will be rushed to an animal hospital for a checkup, then flown to its owner in Anchorage. In a better cage.

JEREZ DE LA FRONTERA
Spain (AP) — American bullfighter John Fulton was arrested Sunday after he left his spectator seat and jumped into the bull ring here to try to fight the fifth bull of the afternoon.

He was stopped immediately. Later, in a prepared statement, Fulton said he did it because a drawing of his was used for decorating the official poster for the corrida without his permission.

CALICO CAPERS SQUARE DANCES — In case you have forgotten, we have adult dances here at the Center, too. As you know, we have the teen dances on Friday nights, but on Saturday nights we have square dancing. From 8-11 p.m. the Calico Capers Square Dance Club meets and dances. They have a very fine club and welcome visitors and persons interested in joining the club.

The Capers are currently offering new dance lessons to persons who are interested in learning to square dance. These lessons are on Tuesday nights and enrollment is still open. Contact Stanley Schneider to enroll or just come by.

MEMBERSHIPS — The Center is operated on a membership basis in both the gym, recreation hall, swimming pool and the health facility establishments. The health facility membership is a separate type membership while the regular membership is still the same price it was 10 years ago.

The limited membership entitles you to use the gym, rec hall and swimming pool at the scheduled hours. This membership costs \$5 for six months or \$8 per year for an individual. The family membership costs only \$12 and \$20. You must be eight years of age to purchase an individual membership.

The unlimited membership entitles you to all the facilities including the health facility. In the health facility we have all the exercise equipment, weights, 2 handballs and racquetball courts and a sauna room. This membership for an individual is \$65 for six months and \$118 per year. A husband-wife combination membership is only \$90 for six months and \$166.00 a year. We do have a convenient payment plan for the unlimited membership.

VOLLEYBALL RESULTS — The men's volleyball league jumped off to the start of the fall volleyball season with 3 games being played. Teams entered this year are First Baptist Church No. 1, First Baptist Church No. 2, Central Baptist Church, Pampa Independents, First National Bank and Pampa News.

Results in the league competition this week found First Baptist No. 1 over Pampa News 15-3 and 7-0; First Baptist No. 2 over Pampa Independents 15-10, 8-15 and 15-8 while Central Baptist surprised First National Bank 15-13 and 15-12.

Odessa Drops Harvesters 14-13

College Teams Fighting For Number One Position

By THE ASSOCIATED PRESS
No. 1 Nebraska and No. 2 Notre Dame highlighted the power displays put on by most of the ranked college football teams Saturday, but No. 3 Texas had to struggle to get the job done.

Nebraska rolled over Minnesota 35-7. Notre Dame smashed Northwestern 50-7 and Texas downed UCLA 28-10.

In other day games involving Top Ten teams, No. 4 Michigan trounced Virginia 56-0, seventh-ranked Auburn routed Tennessee-Chattanooga 60-7, No. 8 Tennessee drubbed California-Santa Barbara 48-0, No. 9 Alabama ripped Southern Mississippi 42-6 and tenth-ranked

Oklahoma blanked Southern Methodist 30-0. No. 5 Ohio State did not play.

Pat Sullivan passes produced two touchdowns and set up two others in Auburn's home-field romp over Chattanooga; an alert defense made things easy for Tennessee against visiting

Santa Barbara; Johnny Musso scored Alabama's first two touchdowns to key the Crimson Tide's route of Southern Mississippi at Tuscaloosa, Ala., and Oklahoma ran over visiting Southern Methodist on the legs of Greg Pruitt, Joy Wylie and Jack Mildren.

Air Force Flies By Missouri Tigers 7-6

AIR FORCE ACADEMY, Colo. (AP) — Missouri's Greg Hill missed a 37-yard field goal attempt with five seconds to play Saturday as Air Force squeaked out a 7-6 college football victory over the Tigers.

Hill, a junior defensive halfback, had kicked earlier field goals of 35 and 22 yards to give Missouri all of its points. The regionally televised game was played in freezing weather, with occasional snow flurries.

The game's only touchdown came in the second period when Falcon quarterback Joel Carlson faked a handoff up the middle, then trotted untouched two yards around the left end.

Craig Barry provided what turned out to be the winning point with his conversion.

When Air Force Coach Ben Matrin sought unsuccessfully for a passing combination, swapping quarterbacks Carlson and sophomore Rich Haynie

throughout the game, Missouri went to the air for most of its yardage only to be set back repeatedly by penalties.

Hill's first field goal was set up by quarterback Chuck Roper, who went to the air for 53 yards in a 64-yard drive. The second Tiger field goal capped a 40-yard drive set up when tackle Steve Mizer recovered a Haynie fumble on the Air Force 40.

Penn State Sinks Navy Hopes 56-3

ANNAPOLIS, Md. (AP) — With senior halfback Liddell Mitchell scoring 5 touchdowns, 14th-ranked Penn State overwhelmed Navy 56-3 in football Saturday.

The Nittany Lions displayed a fearsome offensive attack based on the running and passing receiving of Mitchell and fellow senior back Franco Harris.

Robert E. Lee Trips La Plata In Junior High Football Match

Robert E. Lee Junior High ninth grade Rebels tipped La Plata Junior High of Hereford with a close score of 19-12.

Lee Junior High was the first to score as Rick Ledevrich scrambled over the goal line from 16 yards out in the first quarter followed by Jim Hicks, who kicked the extra points setting the score at 7-0.

No other touchdowns were made until the second quarter, when Ledevrich completed a toss to Dennis Lewis for a 43-yard touchdown. The extra point attempt by Hicks was ruled no good. Also La Plata scored twice in the second quarter.

Entering into third quarter the tally read, a small margin, 13-12, which remained until Jim Hicks broke for a 35-yard scamper to pay dirt in the fourth quarter. The conversion was fruitless and the scoring ended at 19-12.

Outstanding players chosen by the coaches were: David

Hampton defensive linebacker, Tyler Drinn defensive end, Mike Adair defensive cornerback, Chuck Quarles defensive safety, Rick Ledevrich offensive quarterback, Roy Morris offensive guard, Rick Jennings offensive halfback, Ron Willett offensive guard, and Dennis Lewis split end who caught 3 passes for 60 yards and one touchdown.

Next week the Rebels will host Stanton Junior High here Thursday afternoon at 4.

TCU Jumps Past UT-Arlington, 42-0

By DENNE H. FREEMAN
Associated Press Sports Writer
FORT WORTH, Tex. (AP) — Texas Christian celebrated coach Jim Pittman's debut with a 42-0 victory over University of Texas at Arlington Saturday night behind a swarming defense and occasional burst of brilliance from a rusty "half-wishbone" offense.

Loss Knocks Pampa Off Victory Road

Losing by a one-point margin is a heartbreaker in anyone's book. The Pampa Harvesters lost their first game of the 1971 season to the Odessa Broncos 14-13 with a heartbreaker.

On the opening play of the game the Harvesters pinned Richard McCampbell with the ball who then went over the right tackle for a 74-yard touchdown with 11:11 left in the first quarter.

Dale Ammons, quarterbacking for the ill-fated Harvesters, kicked the extra point making the Green and Gold early favorites with a 7-0 lead.

The Broncos weren't to be outdone by the determined Pampa squad as they failed to move on their first possession of the ball on a running play switched to a throwback pass play from quarterback Ricky Young to split end Jimmy Shewmake, who connected on the Harvester 40 and went in for the TD. The play covered a total of 82 yards. The extra point attempt was good tying the ballgame at 7-7 with 10:21 showing on the clock.

On Pampa's second possession of the game, the Harvesters took advantage of a holding penalty assessed against Odessa to set up their second and last TD of the game.

Pampa was in a punt situation when the holding penalty was called against the Broncos moving them to a first and ten on the 43.

Running on the triple option the Harvesters gained a fast three first downs with the last coming on the Odessa 19-yard line.

Johnny Roth received the ball on a hand-off and went over the left tackle into the endzone for the score.

Dale Ammons attempted the conversion, only to have the ball come off the side of his foot into a high tumbling spiral to the left of the uprights. Later the missed point was to prove costly to the Harvesters.

With 5:36 left in the first quarter the Harvesters were leading 13 to 7.

In the second quarter Odessa and Pampa locked horns and played old fashioned football

with neither team offering any scoring threat.

At one point in the second Odessa moved to the Pampa 16 with 0:12 seconds showing on the clock. At halftime Odessa was trailing by six points.

In the third quarter both teams came out for blood with Odessa boasting a change up in their defensive attack. Pampa fell victim to the change and quickly lost ground as the Broncos started a drive from their eight-yard line to the Harvester end zone.

On the 92-yard march down the field the Broncos captured their first first and ten on a 12-yard pass play from Young to Leland Casey. Pampa gave up a 15-yard penalty to the Broncos with 9:46 showing on the clock in the third.

The second of the series came when Odessa scored on a 15-yard pass play from Young to Casey in the right corner of the Harvester end zone.

Shewmake kicking with his golden toe capped the game with the extra point making the score 14-3.

The Harvester offense seemed to bog down in the second half as Odessa limited them to 43 yards rushing compared to 175 in the first half.

Attendance for the game was 5,000 under cold-misty skies.

Pampa's total yardage for the game was 218 yards with Odessa gaining 259. Pampa attempted to pass 7 times with no completions and Odessa completed nine of 14.

The Harvester punting game has dropped from their 1970 mark as their average this game was 6 for 26.8 yards. Odessa punted 4 times for 39.5 yards.

Penalties hurt the Harvesters as they compiled 6 for 60 yards and Odessa was penalized 5 for 55 yards. No fumbles or interceptions were made by either team.

Pampa led Odessa in first downs with eleven while the Broncos had ten.

Leading rusher for Pampa was Richard McCampbell who carried five times for 95 yards.

— Scores By Quarters
Odessa 7 0 0 7-14
Pampa 13 0 0 0-13

Texas Passes UCLA With Magician Eddie Phillips

LOS ANGELES (AP) — Quarterback Eddie Phillips, Texas' ballhandling magician, completed only one pass in nine attempts but it went 36 yards for a tie-breaking touchdown the Longhorns rolled over UCLA 28-10 Saturday.

The 22-year-old option master, however, guided Texas to two other touchdowns in this inter-sectional, regionally telecast game before 36,504 in Memorial Coliseum.

The score was 7-7 with 34 seconds remaining in the first half when Phillips lofted a pass to Jim Moore for what proved to be the winning touchdown.

Making it two in a row in

their brief series, the Longhorns in their first game of the season, were unimpressive in some respects but put the game completely out of sight with two touchdowns in the last quarter. With minutes remaining, Donnie Wigginton replaced Phillips when UCLA lost the ball on downs on its own 17. On the first play, Wigginton circled right end for the final touchdown.

Defensive back Ron Carver intercepted three Phillips passes and the Bruins turned two of them into scores.

The first theft came in the first quarter and young quarterback Mike Flores, with run-

ning aid from Mary Kendrick, moved UCLA 83 yards in 10 plays. The drive was capped when Flores passed 42 yards to Reggie Echols for a touchdown. The other UCLA score was a 41-yard field goal by Efran Herrera which came after Carver's second interception on the UCLA 5.

UCLA drove to the Texas 24 and Herrera connected on the first play of the fourth quarter.

CRSA Will Meet Monday In Borger

The Canadian River Sportsmen's Association will hold a very important meeting at 8 p.m. Monday night, Sept. 20, at the Union Hall, 111 E. College St., in Borger, Texas.

"All members and all other interested sportsmen, especially from the Panhandle area are urged to attend," according to Charles Sam, Treasurer CRSA. Sam added,

"The association is permanent and intends to become involved in all types of sporting activities for the enjoyment of the whole family. Senior and Junior memberships will be available at the meeting.

The recent opinion released by the State Attorney General's office will be discussed at the 8 p.m. meeting.

Auburn Crushes Chattanooga 60-7

AUBURN, Ala. (AP) — The passing combination of Pat Sullivan and Terry Beasley Saturday fired seventh-ranked Auburn to a 60-7 football victory over the University of Tennessee at Chattanooga.

The game was barely five minutes underway when Sullivan threw a three-yard pass to Beasley for the first score. The senior quarterback from Birmingham got off another touchdown pass, 11-yards to Dick Schmalz, just before turning over the signal calling chore to sophomore Ralph Brock.

Sullivan's passing set up two other touchdowns. Tommy Lowry drove over from the two and Terry Henley ran it in from the five.

Auburn had run up a 44-7 lead with only 42 seconds left in the third period before punting for the first time in the game. Except for the 18 seconds just before the half, the Tigers first six drives paid off in touchdowns, the seventh in Gardner Jett's 25-yard field goal.

Huskers Methodically Slaughters Minnesota

LINCOLN, Neb. (AP) — Nebraska's nationally top-ranked Cornhuskers methodically posted a pair of first quarter touchdowns Saturday gave Minnesota a play in the second quarter, then rallied for a 35-7 football triumph before 68,187 persons, largest crowd in Memorial Stadium history.

Quarterback Jerry Tagge hit fleet flanker Johnny Rodgers on touchdown passes of 28, 2 and 37 yards and Jeff Kinney contributed two touchdowns on short plunges as Nebraska ran its unbeaten string to 21 games.

The win maintained for Coach Bob Devaney a record of never losing to a Big Ten

Conference team in 10 Nebraska seasons.

Contained offensively during the first period, Minnesota took command for a time in the second quarter. Quarterback Craig Curry and Fullback Ernie Cook teamed to move Minnesota 79 yards in a drive capped by Jim Henry's six-yard touchdown run, cutting Nebraska's margin to 14-7.

Another stout Minnesota bid was squelched when Mel Anderson's 30-yard field goal try sailed wide.

Quickly, the Huskers rolled in seven plays to move ahead 21-7 at the half, added two more touchdowns in the third period and then turned the game over to reserves.

Notre Dame's Future Looks Good After Shattering Northwestern

SOUTH BEND, Ind. (AP) — Notre Dame, the nation's No. 2 team, served notice of things to come here Saturday afternoon, scoring 23 points in the second quarter and crushing luckless Northwestern 50-7.

The Irish, alternating junior Pat Steenberge and senior Bill Etter at quarterback for most of the game, relentlessly ground the Wildcats down with superior size and depth.

Three interceptions and a pair of lost fumbles in the first half dug the Wildcats, 0-2, into a hole.

The Irish had a tough time getting untracked, but All-America candidate Walt Patulski, a 6-foot-5, 235-pound defensive end stormed into block a Wildcat punt at the Northwestern 32 yard line with 9:23 left in the first quarter.

The Irish then moved in for the first score, senior halfback Ed Gulyas going the final three yards.

Northwestern took the ensuing kickoff and moved 65 yards for its touchdown.

The Irish scoring avalanche began early in the second period and was featured by three touchdowns.

The second half saw more of the same as the huge Irish front four terrorized Northwestern Quarterback Maurice Daigneau and the Irish tied their all-time single game record of seven interceptions including two which went for touchdowns.

Northwestern 7 0 0 0-7
Notre Dame 7 23 6 14-50

Kansas Thrashes Baylor With Brilliant Defense

LAWRENCE, Kan. (AP) — A brilliant Kansas defense paved the way for all of the scoring Saturday as the Jayhawks thrashed Baylor 22-0, in an inter-sectional football game played in a slow, cold drizzle.

Dan Heck's nine-yard pass to Mike Cerne early in the second quarter produced the day's first touchdown. It ended a 27-yard drive after Lee Hawkins had put Kansas in motion with an intercepted pass and 30-yard return.

Kansas got its second touchdown with 23 seconds remaining in the game on Jerome Neloms' five-yard, left-end sweep. Seconds earlier, KU got the ball on the 50 on a freak kick following a safety scored when Harlan Deem was tackled before the goal.

Bob Heimbacher kicked both extra points and contributed field goals of 23 and 35 yards in the third quarter.

It was the first time since 1965 Kansas had blanked two successive opponents. A week ago, the Jayhawks routed Washington State, 34-0.

Three times in the early stages of the game Baylor had three chances to score and failed. The Bears moved the opening kickoff from their 26

all the way to the Kansas 2, where the march fizzled.

Moments later Baylor had the ball on the Kansas 27 but Hawkins' recovery of Ronnie Henson's fumble of a pass reception broke up the threat.

Three plays later Wayne

Trammell recovered a Steve Conley fumble at the Kansas 39 but Gene Wilson was able to gain only two yards and two St. Southall passes fell incomplete. Roland Josey kicked, getting off a punt that traveled only two yards.

The game was played in intermittent rain and chilly, 60-degree weather at Owen Stadium. But the poor conditions did not hamper OU's powerful wishbone-T attack.

Pruitt, Mildren and fullback Leon Crosswhite scored touchdowns in the romp and sophomore John Carroll booted three of four field goals. Wylie provided the extra offensive punch with several long scampers on the watery Tartan Turf.

Tennessee Clubs California 48-6 In Vols Opener

KNOXVILLE, Tenn. (AP) — Tennessee combined an alert defense with a scrambling offense Saturday in crushing outclassed University of California at Santa Barbara 48-6 in the Vols football opener.

Coach Bill Battle used four quarterbacks in the triumph for No. 8 Tennessee.

Only once did Tennessee stage a sustained drive, a 44-yard march in four plays late in the first period.

Tennessee's other touchdowns came on a two-yard plunge by Curt Watson; a 45-yard pass; a 14-yard run by tailback George Silvey; a 47-yard punt return by Bobby Majors; and a one-yard sneak by quarterback Phil Pierce.

George Hunt added 21 and 42-yard field goals to complete Tennessee's scoring.

Ryder Cup Goes To United States

ST. LOUIS (AP) — Big, slow-talking J.C. Sneed scored the clinching victory Saturday as the United States regained its Ryder Cup dominance with an 18½-13½ victory over the tough, tenacious young pros from Great Britain.

It was the 15th American triumph against three losses and a single tie in this biennial international test that first began in 1927.

The tie was at Southport, England, the last time the matches were held, ending a decade of American dominance and serving as a severe blow to the going prestige of the United States professionals.

Miami Warriors Looking For Their Best Season

The Miami Warriors traveled north amidst cool temperatures and wet weather to face Moscow, Kansas. The trip ended in a 20 to nothing victory for the Texas team.

According to head coach, Harold McCreary, "We have a bunch of fine kids this year and

for the first time in 10 years we have a good chance to capture district honors.

"All of the team is putting out a full effort. We played our starting lineup the first half and then played the second squad the remainder of the game."

The victory was no surprise

for the Warriors as training was tough in the preseason weeks. The school plays a unique type of football using eight men on the field instead of the usual eleven.

When asked about outstanding players coach McCreary said, "Mike Dedman had a real good night on the line with Bill Gordon and Joe Bill Suess playing a tough game on offense."

Score by Quarters
Miami 8 12 0 0-20
Moscow 0 0 0 0-0

Tulane Loses To Georgia Bulldogs

ATHENS, Ga. (AP) — Georgia's offense sputtered for three quarters Saturday before a 15-yard penalty gave it a new lease on life and sparked the Bulldogs to a 17-7 college football victory over Tulane.

The personal foul penalty against Tulane came on a Georgia punting situation early in the fourth quarter with the score tied 7-7 and gave the Bulldogs an automatic first down on their 41. From there it took the revived Georgians only 11 plays to march the 59 yards for a 14-7 lead with 8:54 remaining in the game.

Punt, Pass And Kick

Registration has started for the 1971 Punt, Pass and Kick Competition in the showroom of Harold Barrett Motor Company. According to PP & K officials — throughout it's six levels of competition — PP & K is free of any charge, and that a boy need only have a parent or his guardian accompany him to the showroom to register.

Local competition will have first, second and third place trophies for boys in each of the six age groups, or 18 trophies in all. Increasing each boy's chances of winning is the fact that he competes only against other boys in his own age group.

There is no boy body contact in PP & K. It's punting, passing and place-kicking for distance and accuracy, just as the name says. First place winners in each age group in local competition will go on to the zone competition. And from there, top winners go on up the ladder through district, area, division and national finals.

This year, the national finals

will be held at the Super Bowl Game January 16, 1972. The finalists and their parents will tour New Orleans, enjoy a Banquet of Champions celebration, and have the chance to meet some of the top players and coaches in professional football.

Each boy upon registering receives a free PP & K Tips Book. In the 1971 edition, there are competition tips by NFL stars Dave Lewis, John Brodie and Curt Knight plus all-round suggestions from Coaches of the Year Ron McCafferty and Tom Landry. The Tips Book also includes complete PP & K rules and helpful conditioning exercises for contestants.

PP & K registrations will close on October 1. This is the 11th year PP&K has been held under the sponsorship of the Ford Dealers of America and the National Football League. In that time more than 7,000,000 boys have taken part in PP&K making it the biggest and best youth activity of its kind in the United States.

Co-sponsors for the contest on the local level are the Pampa Jaycees. There will be a precompetition clinic held at Harvester Field October 2, about a week before the scheduled competition. Jim Ward is the contest director in Pampa.

Two Hitter Downs Mets In Pittsburgh

PITTSBURGH (AP) — Steve Blass pitched a two-hitter and Dave Cash and Richie Zisk each knocked in two runs as the Pittsburgh Pirates beat the New York Mets 4-0 Saturday.

Blass allowed only fourth-inning singles to Tim Lincecum and Ed Kranepool, the only inning he had to pitch out of trouble.

The Pirates scored two runs in the fourth off Mets' starter Ray Sadecki. Zisk led off with a walk and Manny Sanguillen was safe at first on a fielder's choice, with Sadecki's throw to second too late to get Zisk. Dave Cash then drove both runners home with a double.

Pittsburgh made it 4-0 in the sixth when Roberto Clemente singled and Zisk, recently called up from Pittsburgh's Charleston farm club, belted a home run over the left field wall.

Rick Wise Has 32 Set Downs For A Victory

PHILADELPHIA (AP) — Rick Wise set down 32 consecutive batters and singled in Philadelphia's winning run in the 12th inning as the Phillies edged the Chicago Cubs 4-3 Saturday.

The Phillies' ace right-hander did not allow a batter to reach base between the second and third innings, when Frank Fernandez led off with a homer, and the 11th. Ron Santo's two-out single in the 11th ended the string at 32.

Wise, who allowed five in the game, delivered the winning run when he singled after Willie Montanez had reached second on an infield hit and Santo's throwing error. Montanez moved to third on a sacrifice before Wise's hit scored him.

Cards Are Out After 4-2 Loss

MONTREAL (AP) — Rusty Staub drove in two runs with a home run and a single as the Montreal Expos defeated St. Louis 4-2 Saturday and virtually ended the Cardinals' National League East pennant hopes.

The loss left the Cardinals with only a bare mathematical chance of catching the front-running Pittsburgh Pirates. The Pirates, who defeated the New York Mets 4-0, clinched a tie for the division title.

Reds Bombard Astros 3 To 2

HOUSTON (AP) — Woody Woodward scored the winning run on George Culver's wild pitch in the 11th inning, giving the Cincinnati Reds a 3-2 victory over the Houston Astros Saturday.

Woodward opened the inning with a single off Culver, who relieved in the 11th, moved to second on a passed ball and to third on a sacrifice before Culver threw wild past the catcher.

The Reds had tied the game 2-2 in the ninth inning on Jim Stewart's run-scoring single to deep short.

Howard had given the Astros a 2-1 lead with a run-scoring single in the seventh inning.

Canadian Wildcats Scratch Oakies 44-0

Scoring a total of 103 points in two outings is an impressive record for any school but when you keep your opponent scoreless for both outings you have something to brag about.

Canadian coach Jack Hawthorne is bragging on his first year record at Canadian High School.

The Wildcats scored a 59-0 nothing but a Bookers, Oklahoma last and Friday night proved to be Oakies that Texas teams are tough with a 44 to nothing win against Erick.

Going into the Erick game Hawthorne said he was worried about their size. At the end of the game his worries seemed groundless as the Cats played all of their varsity squad with the second team controlling the second half of play.

According to Hawthorne, "We need improvement on our offense, the defensive unit is strong but could still stand some improvement before taking on our regular district opponents."

Hawthorne added, "Considering the bad weather, it was really adverse conditions with a steady rain and cool temperatures slowing both teams down."

When asked about outstanding players during Friday's game

Hawthorne said, "Archie Trimble had two TD's with Steve Carter perhaps our best of the evening with his five extra points kicks and a 26 yard TD run."

"On defense Kieth Popham intercepted a pass and ran back for the touchdown, Mac Purcell on the offense caught a nice 30 yard pass for another of our TD's."

"All in all," Hawthorne said, "we need a lot of improvement but we have a lot of time to make changes as the team has a great amount of depth."

Canadian will be meeting Follett in their next grid encounter for their first "test by fire" according to Hawthorne.

The Wildcats seem to have more this year than they have in the past and narrowly missed being district champs by losing to White Deer in 1971.

Multiple Hits Give Yanks Win

NEW YORK (AP) — Bobby Murcer drove in four runs with a double and a triple Saturday, keying two New York rallies as the Yankees belted the Cleveland Indians 9-0.

The Yanks, who have won six of their last seven games, erupted for four runs in the third inning—two of them on Murcer's double—and five more in the fifth with Murcer's triple delivering two.

NEW DEFENSIVE COACH

BUFFALO (AP) — Coach Harvey Johnson of the Buffalo Bills announced Tuesday that Doc Ulrich, who joined the team's coaching staff 13 days ago, would serve as defensive coach.

Ulrich, formerly head coach at Northern Illinois University, replaces Tom Day, who was named the team's pro talent scout, new position.

Wheeler Mustangs Stampede Over Wellington 34 To 6

The Wheeler Mustangs kicked out the flame of the Wellington Skyrocks on the home launch pad in Wellington Friday night with the scoreboard flaunting a tally of 34-6 favor of Wheeler.

The first quarter held in it two touchdowns for Wheeler. The first was hauled in by tailback Jim Cole from 79 yards out with no extra points. The second was galloped across the goal line from 17 yards out by halfback Cale Stevens also with no extra points.

In the second quarter fullback Rodney Weatherly scored from 5 yards out followed by the extra point conversion, run in by quarterback Gary Fircher setting the score at 20-0 at halftime.

After halftime the Skyrocks were shown on the scoreboard for the first time since the kick off as Jay Thomas scooted in from 8 yards out.

Rodney Weatherly tasted pay dirt once again in the fourth quarter as Gary Fircher placed another extra points conversion in the end zone for the Mustangs.

The ending score for the game was the only pass attempted in the game for the Mustangs as quarterback Gary Fircher chunked one to Jerry Baty who reeled across the line to settle the scoring for the game at 34-6.

The weather seemed to keep the ball on the ground as Wheeler attempted only one pass, which was completed, and Wellington tried six, completing only one.

"The team looked fair," said head coach Jim Bateman, "but we need to improve our execution."

"Part of our execution could have been caused by the terrible weather we had," added coach Bateman. "We did have good team effort in spite of poor execution."

Next week Wheeler will face the Spearman Lynx in Spearman at 8.

Royals' Victory Capped In Fourth

MINNEAPOLIS - ST. PAUL (AP) — Al Fitzmorris scattered five hits and capped Kansas City's three-run fourth with a run-scoring single as the Royals defeated the Minnesota Twins 4-2 Saturday.

Dennis Paepke struck the key blow in the big Royals' inning with a two-run bloop single that Steve Brye fielded and threw wide, allowing Paepke to move into scoring position for Fitzmorris' hit.

The Royals insured their first 500 finish ever with the victory.

Rain-Soaked Field Hinders Bucks In 22-0 Victory Bid

By RICHIE WRIGHT
News Staff Writer

Clutching a rain soaked pigskin, the White Deer Bucks leaped past the Clarendon Broncos with a score board gleaming at 22-0.

The weather proved to be a hindering factor to both teams, 10 fumbles, 5 to each team, and passing was near impossible because of blowing rain.

Though the rain was a slowing factor, the Bucks seemed unhurt as quarterback Ricky Hoskins led the scoring with two touchdowns. His first score came on a 33 yard sprint around left end in the second quarter and the next was from 10 yards out in the third. Extra point attempts following the quarterback keepers were unsuccessful after Hoskins' first touchdown, but a conversion was completed after the second tally by wingback Jerry Urbanczyk.

The final touchdown was scored by tailback Kim Slagle from 14 yards out with the two point conversion being slipped in by tailback Slagle.

"We haven't seen the film yet, but we are really pleased with our players," said Head coach J.T. Hill. "The defense looked great, and the offense looked real good considering the weather conditions."

"We had a lot of fumbles," continued Hill, "but that is to be expected on a night like that."

When asked who outstanding players were, he replied, "The whole team gave good effort, and when the whole team is working together like they were, it is kind of difficult to single out anyone."

"I think the offensive backs did a fine job and the line had good down field blocking," said Hill. "We have had, over all, better team effort this year than in the past."

Next Friday night the Bucks will challenge Panhandle on White Deer's own grid soil.

"Panhandle is always a problem," commented Hill, "because they are big rivals."

"They have a big strong team with the line averaging about 200 pounds and the backfield at a 170 pound average," added coach Hill.

Bob Short May Not Be Moving Senators

WASHINGTON (AP) — It appeared Friday that Bob Short, owner of the Washington Senators, was going to have his way and make his move, taking the team to Dallas-Fort Worth.

Short had said he had enough votes of American League club owners to be granted permission to move the franchise.

But early Saturday he told the newsman he would not ask to switch locations, and he probably would not even be in the baseball business by next Tuesday.

Shamrock Clobbers Cats With Sophomore Talent

On a punt return by Lynn Haseloff from the Panhandle 20 to the Shamrock 32 things were looking bad for the fighting Irish before downing Panhandle 30-0 in a Friday grid contest in Shamrock.

The fighting Irish held the Panthers back on a fourth and one situation and controlled the game the remainder of the night.

On a third and 12 situation Lynn Ramsey on a keeper split around the right end for a 75-yard touchdown with three minutes remaining in the first quarter.

The Irish exchanged punts in the second quarter until Randy Tarbit intercepted a wayward Panhandle pass on the Irish 35 yard line. This was the set up for the second scoring effort by the Irish on a pass from Ramsey to Randy Reeder that ended in a 65-yard TD play.

At halftime, Shamrock led 12 to nothing. The second half opened with the kickoff coming off the foot of Walter Bond, a 6'-6", 200 lb. soph. who will be a standout in future Irish encounters.

Behind the 140 lb. frame of senior Paul Brashears, the Shamrock defense held the trail to

Hartner Grabs Pole Slot For Pennsylvania 500 Race
MOUNT POCONO, Pa. (A) —To Butch Hartman, auto racing is a hobby—"a very expensive, frustrating but enjoyable hobby."

Hobby or not, the 31-year-old from Zanesville, Ohio, went out Friday and snatched the pole position for today's \$100,000 Pennsylvania 500 from some of the sport's top pros.

His speed of 146.122 miles per hour around the 2.5 mile Pocono International Raceway was almost two miles per hour faster than anybody else, including the 144.831 m.p.h. posted by the veteran A.J. Foyt, who claimed the other front row starting spot in a Plymouth.

NEW YORK (AP) — Charles Sherman has been named coach of the Columbia heavyweight crew, working under head coach John Abele.

Miss Susan Yelton And Dennis Hickey Exchange Vows In Double-Ring Service

Miss Susan J. Yelton of Amarillo became the bride of Dennis M. Hickey of Pampa at 7:30 p.m. Saturday, Sept. 17, in St. Vincent dePaul Catholic Church.

The bride is the daughter of Mr. and Mrs. W.L. Yelton of Borger, formerly of Pampa. The bridegroom is the son of Mr. and Mrs. T. Max Hickey, 105 E. 27th, Pampa.

THE CEREMONY

Father Francis J. Hynes, C.M., officiated for the double-ring ceremony. Mrs. Jack Edwards, organist, played the theme from "Love Story," "More," and the theme from "Romeo and Juliet."

Vows were exchanged before a setting of urns of blue and white mixed mums, pompons, carnations and gladioli.

THE BRIDE

Given in marriage by her father, the bride wore a floor-length gown of satin and organza. The bodice, styled with a Victorian neckline, was of organza embroidered with white satin-stitched roses, over satin. The long full sleeves, embroidered with roses, ended in wide cuffs. The empire waistline was encircled by a white velvet ribbon, tied in a bow in front, with long floor-length streamers.

Her floor-length mantilla of illusion, edged with lace, extended into a chapel train. She

carried a cascade bouquet of white sweetheart roses.

For something blue, she wore a garter belonging to Mrs. Larry Farrar, and something borrowed was a white pearl and diamond necklace belonging to her mother. For something old, she placed a 1952 penny in her shoe.

ATTENDANTS

Miss Rosalie Weatherly of Pampa was maid of honor, and Miss Wanda Hudgins of Amarillo was bridesmaid.

Both wore identical floor-length gowns of blue satin, fashioned like that of the bride. Their headpieces were of blue velvet ribbon to match the blue velvet waistline-bows of their dresses. They carried nosegays of mums and carnations.

John Doucette of Pampa served as best man, and Greg Parks of Pampa was groomsmen. Ushers were Charlie Beal of Lamesa and Deloyd McGahee of Borger.

RECEPTION

A reception was held following the ceremony in St. Vincent dePaul school.

The bride's table was covered with a white net cloth, over satin, trimmed with small blue velvet bows. The three-tiered wedding cake, topped with doves, bells and symbolic wedding rings, was decorated with blue roses. The table was centered with an arrangement of mums, pompons and carnations.

Mrs. Trent Olsen of Pampa, sister of the bridegroom, presided at the punch bowl, and Miss Charlene Kibble of Amarillo served the cake. Guests were registered by Miss Jeanne Yelton of Amarillo, sister of the bride.

For the wedding trip to New Mexico, the bride wore a red and white knit dress with red accessories. Her corsage was of white roses from her bridal bouquet.

The couple will be at home at 6634A Kimberley, Amarillo.

AFFILIATIONS

The bride is a 1970 graduate of Pampa High School, a graduate of Amarillo College and is presently employed by Southwestern Public Service Company in Amarillo.

The bridegroom, a 1969 graduate of Pampa High School, attended West Texas State University, Canyon, for two years. He is presently attending Texas State Technological Institute of Amarillo, by which he is also employed.

PRE-NUPTIAL EVENTS

Pre-nuptial events included a shower in the home of Mrs. Bob Bruner, 1801 N. Wells, with Mrs.

MRS. DENNIS M. HICKEY
... nee Susan J. Yelton

Oliver Huffines, Miss Patsy Gentry and Miss Virginia DeWitt assisting with the hostess duties.

Wheeler Methodist Church Site Of Stevens-Ferguson Nuptials

WHEELER (Special) — In an impressive candlelight service, Miss Rhonda Gayle Stevens of Wheeler and Orvel Gene Ferguson of Pampa were united in marriage Friday August 6, at 7:30 p.m. in the First Methodist Church of Wheeler, with the Rev. Ross Dunn reading the doubling ceremony.

THE BRIDE

The bride, given in marriage by her brother, Dale Stevens of Wheeler, was attired in a white satin crepe dress, designed with an organza bodice and sleeves of organza gathered into a wide cuff at the wrist. The jewel neckline was accented with white lace appliques, and the empire waistline was highlighted with bows. The front panel of the floor-length, A-line skirt was trimmed with scalloped Italian lace appliques. Her shoulder-length veil was attached to a headpiece of organza petals embossed with seed pearls.

CEREMONY

The altar was decorated with a candelabra holding lighted white tapers. In the center was a large basket of white mums and pompons and the prayer bench. White satin bows marked the pews.

A prelude of wedding music was played by Mrs. Lyndon Sims, pianist, and Mrs. Thomas Helton, organist. They accompanied Mrs. Harrison Hall, Mrs. Arnel Holt and Mrs. David Britt as they sang, "For All We Know," "More" and "Wedding Prayer." Traditional wedding marches were played for the recessional and processional.

ATTENDANTS

Candy Pennington of San Angelo, niece of the bride, and Steven Stokes of Shamrock, nephew of the bride, were candle-lighters.

Miss Kay Brashears of Shamrock was maid of honor. Bridesmaids were Miss Sybil Richerson and Miss Connie Richardson, both of Wheeler. Terri O'Gorman of Shamrock, niece of the bride, was flower girl. Bradley Pennington of San Angelo and Lynette Stokes, of Shamrock, niece of the bride, were ringbearers.

The attendants wore dresses of organza over satin in pastel colors. The floor-length dresses were fashioned with empire waistline, accented with matching bows, long puffed sleeves and a jewel neckline. Their picture hats were trimmed with ribbons and bows to match their dresses. They carried colonial nosegays of pastel carnations and roses.

The flower girl carried a basket of pastel petals.

Orvel Ferguson, Sr., of El Reno, Okla., served his son as best man. Randy Tinsley of El Reno, Okla., Rick Hefley of Wheeler and Tommy Pen-

nington of San Angelo were groomsmen.

THE BRIDE

The bride, given in marriage by her brother, Dale Stevens of Wheeler, was attired in a white satin crepe dress, designed with an organza bodice and sleeves of organza gathered into a wide cuff at the wrist. The jewel neckline was accented with white lace appliques, and the empire waistline was highlighted with bows. The front panel of the floor-length, A-line skirt was trimmed with scalloped Italian lace appliques. Her shoulder-length veil was attached to a headpiece of organza petals embossed with seed pearls.

RECEPTION

Immediately following the ceremony, a reception was given by the bride's father, E.B. Stevens, with Mrs. Dean Wood in charge.

The bride's table was covered with a white satin cloth, with the maid of honor's nosegay of yellow roses and carnations as a centerpiece. The crystal punch bowl was entwined with pastel flowers.

The four-tiered wedding cake, topped with a miniature bride and bridegroom, was decorated with wedding bells.

The prospective bridegroom is a graduate of White Deer High School, and is employed by Union Bankers Life Insurance Company as a program computer.

Coffee Fetes Sister Of Miami Resident

Mrs. Vernon Willard of Miami honored her sister, Mrs. W. C. Collins of Ingleside, with a coffee in the Methodist Parsonage during Mrs. Collin's recent visit.

The guests enjoyed the visiting Those present, in addition to the guest of honor and the hostess, were Mmes. Ross Cowan, Bill Ed O'Loughlin, Willis Clark, Theo Jenkins, C. C. Sheild, J.K. McKenzie, Lloyd Harvey, John Briggs, Troy Hopkins, Clyde Hodges, H.H. Craig, Sam Bowers, Tom Morris, Orval Christopher, Joe Cunningham, Kint Philpott, Herchel Gill, and Charlie Seitz.

Under-the-eye makeup is specially designed to camouflage those dark circles. This cover should be applied before make-up in order to achieve a well-blended look.

Miss Schulte, William Mau Marry In Hereford Church

A double-ring ceremony at 5 p.m. Sept. 4, in St. Anthony's Catholic Church of Hereford united in marriage Miss Patricia Ann Schulte and William Jon Maul.

Rev. John Kiesling, S.A., officiated for the nuptial mass. The bride is the daughter of Mr. and Mrs. Joseph A. Schulte of Hereford. The bridegroom is the son of Mr. and Mrs. W.P. Maul of Pampa.

THE BRIDE

Given in marriage by her father, the bride was attired in a lace gown, styled with an empire waistline, a scalloped neckline accented with sequins and seed pearls, and long, full sleeves gathered into cuffs at her wrists. The floor-length skirt was fashioned with a full back drape that extended from her shoulders into a chapel train.

Her shoulder-length veil of illusion fell from a caplet embroidered with sequins and seed pearls. She carried a bouquet of white feathered carnations and fresh foliage.

ATTENDANTS

Maid of honor was—Miss Cheryl Mason, former roommate of the bride. Bridesmaids

were Mrs. Sherrie Birkenfield of Irving, sister of the bride, and Mrs. Sharon Poole, sister of the bridegroom.

All wore identical floor-length gowns styled with deep-blue crepe skirts and multi-colored, flowered, chiffon bodices accented at the back waistline with velvet bows and streamers. Their headpieces were deep-blue Dior bows, trimmed with pearl and crystal beads, styled with demi-veils.

They carried bouquets of sky-blue feathered carnations and greenery, highlighted with white lace.

Larry Jorden of Oklahoma City served as best man. Groomsmen were Smith Cole and Truman Chambers, both of Oklahoma City, and ushers were Gerald and Michael Schulte, brothers of the bride.

Ringbearers were Brenda and Douglass Chamlee, children of Mr. and Mrs. Lee Chamlee of Odessa.

MOTHERS

The mother of the bride wore a yellow and white knit dress with white accessories. The bridegroom's mother wore a pink dress topped with a pink lace coat and gold accessories. Both wore corsages of white feathered carnations.

CEREMONY

The ceremony was performed before an altar decorated with arrangements of white gladioli and carnations.

Wedding music was provided by Mrs. L.A. Birkenfield, vocalist, and Mrs. Arhart Reinhardt, organist.

The bride and bridegroom knelt before the Altar of the Blessed Virgin Mary after the bride had placed a flower from her bouquet upon the altar.

RECEPTION

Following the ceremony, a reception was held in the Knights of Columbus Hall. Guests were registered by Mrs. John Uhles of Tulsa, Okla. The wedding cake and punch were served by Misses Jo Ann and Jackie Guggemos of Nazareth, cousins of the bride.

The four-tiered wedding cake was topped by a miniature bride and bridegroom, and the bridegroom's cake was in the shape of a horseshoe.

The reception included a buffet dinner of ham and turkey.

For the wedding trip, the bride wore a light-blue princess style pantsuit, trimmed in beige lace. Her accessories were white.

MRS. WILLIAM JON MAUL
... nee Patricia Schulte

The couple will be at home at 1510 Heather, Amarillo, assisting with the hostess duties.

AFFILIATIONS

The bride is a graduate of Hereford High School, attended Texas Technological University, Lubbock, and was graduated from Oklahoma State Technological College. Prior to her marriage, she was head accountant with Warehouse Markets of Tulsa, Okla.

The bridegroom was graduated from Pampa High School, attended Frank Phillips College in Borger and Central State College in Edmond, Okla. He was graduated from Oklahoma State Tech. He was associated with Cummins Sales and Service in Oklahoma City and is now associated with that firm in Amarillo.

PRE-NUPTIAL EVENTS

Pre-nuptial events include a cocktail party and shower by the bride's co-workers in Tulsa, Okla.; and a miscellaneous shower in the home of Mrs. J.W. Gayden, with Mmes. B.G. Ward and S.W. Kretzmeier.

BETROTHED

Mr. and Mrs. Joe W. Morris, 1912 N. Banks, announce the betrothal of their daughter Shirley, of Albuquerque, N.M., to Ed Brummett, also of Albuquerque, son of Mr. and Mrs. Charles Lewis, Albuquerque. Vows will be exchanged Oct. 16, in the Hi-Land Pentecostal Holiness Church, Pampa.

Mr. and Mrs. Maul, parent of the bridegroom, hosted a rehearsal dinner in Hereford.

The bride's parents hosted a Hawaiian Luau Sunday for the out-of-town wedding guests.

OUT-OF-TOWN GUESTS

Out-of-town guests included Mr. and Mrs. G.A. Maul, and uncle of the bride; Mr. and Mrs. Robert Beny, Regina and Robbie, Mr. and Mrs. Ronald Maul, and Mr. and Mrs. Donald Maul, all cousins of the bridegroom; Mr. and Mrs. Harry Brown of Hutchinson, Kans., aunt and uncle of the bridegroom; Mr. and Mrs. Percy Lakes of Wichita, Kans., aunt and uncle of the bridegroom; Miss Georgia Likes of Wichita, Kans., cousin of the bridegroom.

Attending from Pampa were Mr. and Mrs. R.W. Bailey, and from White Deer, Mr. and Mrs. Jim Dalton.

Study Program Held By Club In Mobeetie

MOBEETIE (Special) — The Mobeetie Fort Elliott Study Club started its 1971-1972 year with a breakfast in Wheeler with Mrs. Lottie Eva Denison as hostess. She presented all present with a corsage of real cushion mums in fall colors.

Mrs. Gazelle Patterson, president, was in charge of the meeting. The program was presented by Mrs. Bessie Galmor. Roll Call was a reward with highlights of members' summer vacations.

One new member Mrs. Edna Johnson was welcomed.

Members present were Mmes. Lottie Eva Denison, Gazelle Patterson, Ella Johnston, Bessie Galmor, Ethel Lee Dyson, Edna Johnson, Lorena Sims, Thelma Dunk, Elnita Atkins, and Margaret Trout.

Next meeting will be held Sept. 21, with Mrs. Ella Johnston as hostess. The program will be presented by Mrs. Edith Flangan and Mrs. Thelma Dunn.

Leather Belts

Leather belts are getting bigger with more hardware for the fall. In leathers and suedes these belts can grasp snugly at the slim waistline or hang jauntily on the well-shaped hips.

To Be Married

Mr. and Mrs. Frank Heare of Miami announce the engagement and approaching marriage of their daughter, Anita Lou Gull, to Lloyd Wayne South, also of Miami. Wedding vows will be pledged October 9, in the First Christian Church of Miami. Miss Gull is a graduate of Miami High School. Her fiancé, son of Mr. and Mrs. Felton South of Miami, is a 1970 graduate of Miami High School and is now with the U. S. Army Paratroopers, stationed at Ft. Bragg, N.C.

Lori Rodgers Becomes Bride Of James Douglas Beesley

Marriage vows were exchanged at 7 p.m. Aug. 27, by Miss Lori Jean Rodgers and James Douglas Beesley in the Central Church of Christ.

The bride is the daughter of Mr. and Mrs. Nonnie Rodgers, 2238 Duncan. The bridegroom is the son of Mr. and Mrs. James T. Beesley 609 Doucette.

THE CEREMONY

R.J. Stephens of San Bernardino, Calif., Church of Christ minister, officiated for the double-ring ceremony.

The couple was married before a setting of twin 15-branched candelabra trimmed with garlands of salal foliage.

Music was provided by a mixed choir which sang "Whither Thou Goest." Other wedding music included the "Twelfth of Never" and the traditional wedding marches.

THE BRIDE

Given in marriage by her father, with the "her mother and I" avowal, the bride was attired in a gown of silk organza over taffeta. The bodice was styled with a round neckline, accented with Venice lace, and the scalloped lace sleeves were three-quarter length. The A-line, floor-length skirt of organza over taffeta, swept into a chapel train that was edged with Venice lace. The empire waistline was banded with Venice lace.

Her finger-tip veil of illusion fell from a headpiece of Venice

lace, embroidered with seed pearls. She carried a semi-cascade bouquet of gladioli, pink rosebuds, split carnations and baby's breath, with pink and white streamers tied in love knots.

ATTENDANTS

Miss Gwenn Rodgers of Pampa, sister of the bride, was maid of honor and Mrs. Steve Rodgers of Pampa, sister of the bride, was the bride's matron.

Both wore floor-length gowns of pink nylon broadie, styled with empire waistlines and sheer chiffon sleeves. They wore open-crowned headpieces with pink satin streamers, and they carried nosegays of carnations, gladioli and pink rosebuds.

Candlelighter was Miss Denise Sims of Pampa, cousin of the bride. Her dress was identical to those of the bridal attendants, and she wore a cluster of carnations, tied with pink satin streamers, in her hair.

David Geyer of Pampa served as best man, and Barney Beesley of Pampa, brother of the bridegroom, was groomsmen. Ushers were Ronald Love of Pampa and James Law of Balco, Okla.

RECEPTION

For the reception in the Flame Room of Pioneer Natural Gas company, the bride's table was covered with a floor-length white satin cloth and decorated

MRS. JAMES DOUGLAS BEESLEY
... nee Lori Jean Rodgers

with an arrangement of gladioli, carnations, pink rosebuds and baby's breath in a cutglass compote.

The three-tiered wedding cake, decorated with pink roses, was topped with a miniature bride and bridegroom.

Miss Marva Rowan of Pampa presided at the punch bowl, and Mrs. Walter Holland of Canyon served the cake. Guests were registered by Miss Karen McKendree of Pampa.

For the wedding trip, the bride wore a pink double-knit dress with pink and white accessories. Her corsage was of gladioli, white carnations, pink rosebuds and baby's breath.

AFFILIATIONS

The bride is a 1971 graduate of Pampa High School. The bridegroom, a 1969 graduate of Pampa High School, has attended West Texas State University. He is presently employed by a local food store.

PRE-NUPTIAL EVENTS

Pre-nuptial events include a miscellaneous shower in the Hospitality Room of Citizen's Bank and Trust. Hostesses were Mmes. W.O. Terry, Frank Morrison, Jerry Thompson, D.C. McCarthy, Ray Covall, C.B. Hicks, and Jesse Dugan.

OUT-OF-TOWN GUESTS

Out-of-town guests included Mr. and Mrs. Jerry

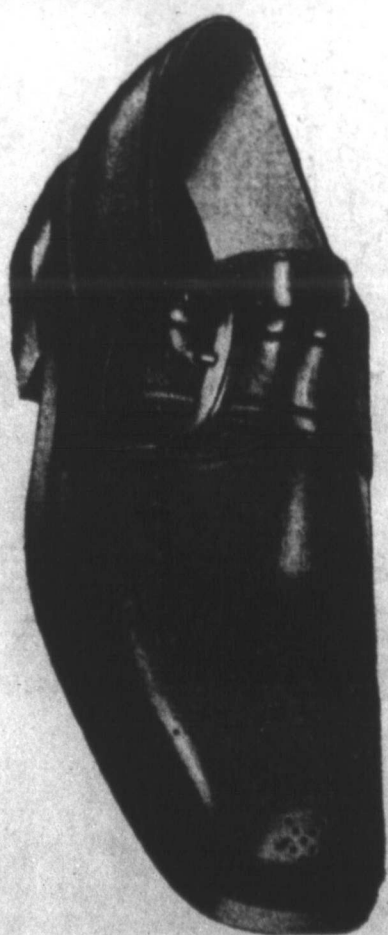

Lovinggood and David, of Spearman; Miss Gay Martin of Abilene; Mr. and Mrs. Joe Martin of Lubbock; Mr. and Mrs. Vernie Law and James, of Balco, Okla.; and Mr. and Mrs. L.D. Beesley of Wheeler.

FIGURE-RIGHT CHICKEN
1 quartered frying chicken, about 3 pounds
1 small onion cut into 4 horizontal slices
Handful of celery tops
Wash and clean chicken; cut off wing tips. On a large sheet of heavyweight foil place the onion and celery tops; top with chicken in a single layer. Fold over top edges of foil with a drugstore fold; fold in side edges a few times. Place package on a jelly-roll or similar pan. Bake in a preheated 350-degree oven until drumstick twists easily — 1 1/4 to 1 1/2 hours. Serve chicken quarters hot or cold, minus skin for serious diet-watchers. Strain small amount of broth and chill; remove hardened fat from top; use in some other dish. Makes 4 servings of chicken.

Help!

Editor's Note: This column is a public service feature designed to notify Pampans and area residents of individuals or non-profit organizations needing volunteer aid. Any one needing items published in this column may contact Jane Kadingo, women's editor, at 669-2525 before 3 p.m. each Wednesday.

Mrs. Jane Gattis who lives in Mesilla Park is interested in landscaping the boulevard in that neighborhood. She has explained that the city is installing the water system and preparing the soil, but help is needed to purchase plants. A desert landscape design is planned. Anyone interested in beautifying the Mesilla Park neighborhood may call Mrs. Gattis at 669-7583 after 6 p.m.

Girl Scout Troop 87 is in need of chairs for its meeting place. About 16 are needed. The only criteria is that they be safe to sit upon, to avoid injury to any of the girls. Anyone wishing to donate some chairs may contact Mrs. N.G. Kadingo, 665-2777, after 7 p.m.

Chairs are needed, also, at the new campsite, according to Miss Celia Fowler, Girl Scout executive.

Please read "Red Cross News" for the needs of the Red Cross.

Pre-Nuptial Events Fete Recent Bride

Pre-nuptial events for the wedding of Miss Carol Marie McAndrew of Fort Worth, former Pampan, and Robert Earl Cox of Crowley, included a pantry shower given by Mrs. Bari Roberts, and a personal shower given by Mrs. Carl D. Montgomery.

A miscellaneous shower was hosted by Mrs. Richard Nickel, Mrs. Robert Haralson and Mrs. Michael Ray. Another shower was given in Crowley, hometown of the bridegroom. The bridesmaids luncheon was held in the Colonial Inn, Fort Worth. The bridegroom's parents hosted the rehearsal dinner.

Out-of-town guests for the wedding included Mr. and Mrs. Gerald Leger of Pampa, grandparents of the bride; Lisa Jo McAndrew of Pampa, sister of the bride; Miss Janeece Randolph of Perryton; and Miss Laurie Ziegler of Anaheim, Calif.

The couple was married at 7:30 p.m. Aug. 20, in Fort Worth. They are at home in Crowley.

The bride is the granddaughter of Mr. and Mrs. Gerald Leger of Pampa.

Former Pampan Wed In Chapel Ceremony

The wedding Miss Becky Ann Martin and Jack William Wagner was held at 7 p.m. Sept. 4, in the All Saints Chapel at the Naval Air Station at Jacksonville, Fla. Both are from Jacksonville.

The bride was born in Pampa April 21, 1951, in the then newly opened Highland General Hospital. She is the daughter of M-Sgt. (USMC Ret.) and Mrs. Wesley D. Martin Sr. of Jacksonville, Fla., former Pampans.

Parents of the bridegroom are Mr. and Mrs. Wilbert William Wagner of Jacksonville.

THE CEREMONY

Cdr. F.W. Luebke, US Navy chaplain, officiated for the double-ring ceremony. Organist was Miss Kay Mary Hayner.

The couple was married before a setting of twin white altar arrangements on white columns, palms and candelabras. The aisle was marked with a white runner.

THE BRIDE

Given in marriage by her father, the bride wore a gown of imported white silk organza, styled with a jewel neckline and bishop sleeves, trimmed with Venice lace.

For something old, she wore a pair of pearl earrings given to her by Mrs. W.W. Wagner. Something borrowed was a string of pearls belonging to her mother. She wore a blue garter and placed a sixpence in her shoe.

Her chapel-length mantilla was trimmed with Venice lace, and she carried a crescent bouquet of stephanotis, white carnations and ivy, centered with a white orchid.

ATTENDANTS

Miss Patti Jean Martin, sister of the bride was maid of honor. She wore a dress of lavender chiffon over taffeta, trimmed with deep purple lace. It was styled with an empire waistline and floor-length A-line skirt.

Miss Tina Lee Martin, sister of the bride, and Miss Gretchen Patricia Thiel of Jacksonville, were bridesmaids. They wore floor-length A-line dresses of pink chiffon over taffeta. The burgandy lace bodices were styled with an empire waistline and were trimmed with lace.

All the attendants carried crescent bouquets of pink carnations and ivy, centered with a lavender orchid.

Tim Whisenant served as ringbearer. Ann Walden, flower girl, wore a dress identical to that of the maid of honor.

MR. AND MRS. JACK WILLIAM WAGNER

Kenneth Michael Leeds Jacksonville. She is employed served as best man, and by Southern Bell Telephone company. groomsmen were Donald K. Robertson and Hugh C. Babcock.

RECEPTION

For the reception at the Navy Wives Club, the bride's table was covered with a white lace cloth over lavender. It was decorated with a silver candelabra and cake tray surrounded by lavender mums and fern leaves.

The three-tiered wedding cake, decorated with pink and lavender flowers, was topped with a miniature bride and bridegroom.

For the wedding trip to the Bahamas, the bride wore a purple print dress, and her corsage was the orchid from her bridal bouquet.

The couple is at home at 6334 Kimberly Lane, Jacksonville, Fla.

AFFILIATIONS

The bride was graduated from Robert E. Lee High School and Florida Junior College, both in

The bridegroom was graduated from Nathan B. Borest High School and Florida Jr. College. He is employed by Southern Bell Telephone company.

The need for dairy foods doesn't come to an end when adulthood is reached. Two or more servings of dairy foods like cottage cheese, American cheese, ice cream, and milk should be included in an adult's meals everyday.

Soul foods contain lots of important nutrients. Collard, mustard, and turnip greens are good sources of Vitamin A and Iron — they are available throughout the year either frozen or fresh.

Travis PTA Hears Program On Drugs

William B. Travis P.T.A. held its first meeting of the new year Thursday, at 7:30 p.m. in the school gym. The Girl Scout troop, under the leadership of Mrs. Jeff Anderson, presented the flag. The invocation was given by Ed Langford. Mrs. Dale Roth, president, led the meeting.

The attending members accepted the proposed budget, presented by Dan Johnson, Travis principal. The membership also approved the Halloween Carnival, to be held in October.

Principal Johnson introduced Jerry Cronister, elementary school coordinator, who spoke on "The Prevention of Drug Abuse."

Mrs. Russell Lettenmaier won the door prize, baked by Mrs. Gabe Crossman.

Room count winners were Mrs. Lynn Harwood's second grade room, first; and Mrs. Austin Ruddick's third grade room, second.

Room visitation followed the meeting. Refreshments and a babysitting service were provided.

Beverage
FRESH PLUM PIE
Top crust only for this dessert.

4 cups pitted and quartered fresh plums
Sugar
1/2 teaspoon ground allspice
1/2 cup orange juice
1 1/2 cups sifted flour
2 teaspoons baking powder
1/2 teaspoon salt
One-third cup shortening
1/2 cup milk
Arrange plums in a 2-quart buttered baking dish. Mix in two-thirds cup sugar, allspice and orange juice. Sift together flour, baking powder, salt and 2 tablespoons sugar; cut in shortening, add milk and mix to a soft dough. Roll dough 1/2 inch thick to fit top of baking dish and place over plums; cut vents in dough. Sprinkle with a little sugar. Bake in a preheated 375-degree oven for 45 minutes. Serve warm. Makes 6 servings.

A better way to clean carpets?

OF COURSE THERE IS!

Yes, for years "conventional" used scrub brush, soap, hot water, vacuum, or "dry" cleaning methods. But only "surface cleaning," didn't remove dirt from deep in carpet fibres. Brushes caused extra wear, matted carpet pile, changed texture, left subsurface dirt in carpet. Carpet was only half clean.

THE ULTIMATE IN CARPET CLEANING

NEW STEAM-WAY

Steam-Way's revolutionary new deep clean extraction method cleans carpet fibres. Flushed steam goes deep into carpet to dissolve embedded dirt. Vacuum picks up dirt solution, leaving it to storage tank. Clean steam returns to hot steam. Steam-Way makes your carpets the "Cleanest Clean You've Ever Seen."

MRS. NEWELL RUDE RANKIN
... nee Vicki Carlene Ratliff

Ratliff-Rankin Vows Said In Home Service

MIAMI (Special) — In an impressive home ceremony, Miss Vicki Carlene Ratliff became the bride of Newell Rude Rankin. Rev. Roy Moody, pastor of the First Baptist Church of Miami, performed the double-ring ceremony before a setting of a basket of white flowers flanked by two - seven-branched candelabra.

The bride is the daughter of Mr. and Mrs. R.R. Ratliff, and the bridegroom is the son of Mr. and Mrs. Rudolph Rankin, both of Miami.

Miss Juanita Haynes, organist accompanied Mrs. Barbara Dodson as she sang "Always," and "Twelfth of Never."

THE BRIDE

The bride, given in marriage by her father, with the "her mother and I" avowal, wore a formal white satin dress styled with an empire waist line, round neck line and bell-shaped sleeves. The gown was trimmed with sequins. Her white veil of illusion fell from a tiara of white satin, trimmed with seed pearls. She carried a bouquet of white gardenias with white ribbon streamers.

ATTENDANTS

The bride's attendants were

Miss Jeffna Talley, cousin of the bridegroom and Miss Anita Guill, both of Miami. They wore floor length blue satin dresses with empire waists, round neck lines and long full chiffon sleeves. Their headpieces were of blue net with satin stand-up bows. Each carried a hand bouquet of white mums.

Michelle Wallace of Pampa served as flower girl and ringbearer. With a ring tied to each wrist, she wore a dress identical to that of the bridesmaids and carried a white basket of rose petals.

Serving as best man was Jackie Sirmans of Pampa. Groomsman was Joe Talley, of Miami, cousin of the bridegroom.

RECEPTION

Following the ceremony, a reception was held in the home. The table, covered with a white lace cloth, was centered with an arrangement of white daisies.

Miss Connie Ratliff, sister of the bride, presided at the three-tiered wedding cake, that was decorated with blue roses. Miss Lynda Ratliff, sister of the bride presided at the crystal

Couple To Observe Golden Anniversary

Fifty years of marriage will be celebrated Sunday, Sept. 26, by Mr. and Mrs. Alvin Sanders at a reception in their home at 2128 N. Zimmers, between one and four p.m. Friends of the family are invited to attend.

Hosts for the event will be Mrs. Margaret Cox of Pampa, Leon Sanders of Ellinwood, Kans. and Mrs. Elmo Sanders of Sunray.

Mr. and Mrs. Sanders were married September 23, 1921, at Okmulgee, Oklahoma. They resided in Oklahoma until 1933 when they moved to Sunray, where Mr. Sanders began his employment with the Shamrock Oil and Gas Corp. In 1946 the family moved to Lefors where they resided until Mrs. Sanders retired in 1964. They have lived at their present address since 1964.

Mr. and Mrs. Sanders have four children, six grandchildren and two great-grandchildren.

Old Settlers Meet Held In Mobeetie

MOBEETIE (Special)—The 21st Old Settlers Reunion was held recently at the old Jail House. Registration was under the direction of Mrs. Marjita Stribling. There was about 850 served barbeque at noon, following the blessing by Allen Hale of Mobeetie.

Brownies and former Girl Scouts helping serve the people unable to stand in line was Melody Burch, Carol Seitz, Eerinda Seitz, Gail Hodges, Susan Barton, Shannon Batton and Teresa Shelton.

MC for the day was Chuck Hogan. Rev. Charles Uzzle of Follett, former Baptist pastor of Mobeetie helped MC. A musical program of religious music was furnished by a group from Highland Baptist Church of Pampa and The Church of God from Pampa.

George B. Dunn II was president and Dick Wright was in charge of the Barbeque.

The Senior Class sold homemade ice cream and the Junior Class sold soft drinks.

Mrs. Mary Nixon was the oldest person present; Mrs. Ellen Hanning of Mobeetie was the oldest resident Wheeler County present; and Mrs. Nettie Walker Roberts of Hayward, California, traveled

punch bowl. Miss Stacey Ratliff of Miami, cousin of the bride, registered the guests and served as candlelighter.

Mr. and Mrs. Rankin are both graduates of Miami High School and will be living on a ranch northwest of Miami.

the farthest. These were presented a cash award.

Officers elected for 1972 are Melvin May, president; Lester Leonard, secretary; and Dick Wright, in charge of the barbeque.

A dance was held at night in the jail house, with the music furnished by the Thurman Band of McLean, with the proceeds going to Girlstown.

Unusual Breakfast Good For Teenager

COLLEGE STATION, — Dospecialist at Texas A&M University.

you have a normally active teenage girl in your home—one who doesn't like to eat a conventional breakfast?

She could choose to eat a sandwich for breakfast, according to Frances Reasonover, Extension foods and nutrition

Why not? Miss Reasonover says the important point is that you eat as you like, as long as the foods you choose for the entire day include specified amounts from the basic four

PAMPA DAILY NEWS 13
PAMPA, TEXAS 35th YEAR
Sunday, September 19, 1971

KATMANDU, Nepal (AP) — This Himalayan Hindu kingdom is swapping 16 1/2 tons of chili spice and wheat flour to Communist China for 10,000 goats and sheep to slaughter in honor of its gods, an official spokesman said Wednesday.

food groups, and as long as you meet calorie needs.

She explains that a day's eating might start like this: a cheese sandwich for breakfast along with a banana and a glass of milk. If that doesn't appeal, you may want to begin the day with spaghetti, chili, baked beans or deviled eggs.

For a normally active girl of average height—5 feet 3 inches—weighing 117 pounds, multiply 117 by 20 calories and you find that she needs approximately 2,300 to 2,400 calories each day.

Her food intake should include 4 cups of milk or the equivalent; 4 servings of fruits and vegetables, making sure to include those rich in vitamins A and C; 4 or more servings from the bread-cereal group; and 2 servings from the meat group.

The guide is flexible. The specific foods chosen from each group and the time when eaten, either as meals or snacks, is largely a matter of food preferences and family meal routine, she says.

But, the specialist adds, remember to choose right and maintain a desirable weight.

Couple Observes Golden Anniversary

MR. AND MRS. M. L. WELCH

A reception honoring Mr. and Mrs. M.L. Welch, 112 S. Sumner, on their golden wedding anniversary will be held from 2 to 4 p.m. Sept. 26, in the Hospitality Room of Citizen's Bank and Trust company.

Hosts will be the couple's children, who are Mr. and Mrs. W.J. Welch and Mr. and Mrs. Morgan Edwards, all of Pampa; Mr. and Mrs. Roy Smith of Amarillo; Mr. and Mrs. J.W. Welch of Plainview; and Mr. and Mrs. C. J. Welch of Alvin.

Marion Lee Welch and Esther Moore were married in Drumwright, Okla., Sept. 27, 1921. They moved to Lefors in 1942 where Mr. Welch worked for the Coltex Carbon company until he retired in 1961.

For the last six years they have resided at 112 S. Sumner. Mr. and Mrs. Welch have 16 grandchildren and 19 great-grandchildren.

Beta Sigma Phi Chapter Begins Study With Topic, 'Definition Of Happiness'

The first fall meeting of the Rho Eta Chapter of Beta Sigma Phi was held in the hospitality room of Citizen's Bank. The meeting began with the opening ritual.

Reports were given pertaining to future service, ways and means, and scrapbook projects. The Chapter's traditions were discussed and communications were read from the international office and the BSP city Council.

Members elected Mr. Jim Foster as corresponding secretary to replace Mrs. Gerald Sikes who recently moved to Amarillo. The program was given by Mrs. Dick Handley and Mrs. Terry Joe Haralson. The first in a series entitled, "Happiness Through Control of Self and Environment." Their topic was "Definition of Happiness."

Definitions were given from a dictionary and the Johnny Carson, "Happiness Is," series. Members participated in a

panel discussion and brainstorming session lead by the Mmes. Ron Cline, Jim Foster, Sonny Golden, Georgia Mack, and Randall Phillips. Topics for discussion were "Happiness Through Health," "Happiness Through Work and Play," "Happiness Through Emotion," "Happiness Through Associates," and "Happiness Through a General Attitude Toward Life." Members were asked to compare themselves with others their same age as to their own general happiness and to rate themselves as to how they thought their close associates would place them.

A Charley Brown happiness book was provided for a visual aid and for humor. The program closed with the message, "Happiness Is The Golden Rule." For the social period the table was decorated with gold and black pompoms and a gold football helmet. Yellow megaphones filled with popcorn

Evening Ceremony Unites Rita Lewis, George Bailey

Marriage vows were exchanged at 7:30 p.m. Aug. 20, in the parlor of the First Baptist Church by Miss Rita Holly Lewis and George Allen Bailey, 2221 N. Russell.

Non-Liberated Housewife Given Quiz On Coping With Family Life Problems

By BETTY CANARY

What with the liberation movement decimating our ranks, we may be moving into an era when women at home will be left without guidelines for coping alone. The following quiz should be helpful in discovering if a woman is prepared to adroitly handle some of the more common problems encountered in family life.

1-Your son dumps his rock collection onto your mahogany coffee table. Do you:

(a) Grab a magnifying glass so you can examine the scratches with him while conversing knowingly about wood?

(b) Say, "I'll show you where to find rocks, kiddo!" then drive him to an abandoned quarry and abandon him?

2-After cleaning the kitchen floor twice in one day you see more peanut butter. Do you:

(a) Gather the children about you and give them a lecture on neatness?

(b) Fill the spray paint outfit with peanut butter and finish that floor problem once and for all?

3-You are doing twice the amount of laundry any family needs. Do you:

(a) Cut down on clothing changes by slyly replacing dirty clothing in drawers?

(b) Burn the clothes and put up a nudist camp sign?

4-Within the hour you have discovered your daughter's pantyhose in the kitchen sink, your son's gym shorts in the refrigerator, your husband's golf shoes on top the stove. Do you:

(a) Talk sternly about basic hygiene?

(b) Keep your mouth shut? At least until you've retrieved the hairbrush and curlers you hid inside the breadbox the other day.

5-You've returned from an all-day Girl Scout picnic, are now cleaning the house of debris left from a son's band practice. Your husband calls and announces, "I've got the whole office gang coming for dinner tonight—fix something easy." Do you:

(a) Sing, "Sure thing, doll! Dinner for 24 and maybe I'll have time to sew new curtains for the dining room."

(b) Shout, "Over my dead body!" and shoot yourself?

Other relatives and friends present for the day were Arthur Seitz, Mr. and Mrs. Clyde Hodges, Gene Hodges, Mrs. Alice Hardin, Mrs. Lois Hoffer, and Mrs. Alma Seitz, all of Miami. Mrs. Alta Morris and daughters of Lefors; Mrs. Una Cantrell, Claude; Mrs. Glen Hodges and daughter, Mr. and Mrs. Bob Galmor, and Mr. and Mrs. Loy Seitz, all of Mobeetie; Bob Burgess and Mr. and Mrs. Dewey Webb, all of Amarillo; Mrs. Joe Seitz and Mrs. Johnnie Newman and children, all of White Deer; Mr. and Mrs. George Phillips, former Pampanas, and Mr. and Mrs. Pete Van Meter, all from California; and Jeff Heath from Oklahoma.

JACKSONVILLE, Fla. (AP)—Julie Nixon Eisenhower is hobbling around with a cast on her left foot and helping slow learners at Atlantic Beach Elementary School.

Mrs. Eisenhower, the President's daughter, was hired as a third grade teacher but withdrew when a book cart toppled and broke the big toe on her left foot the second day she was on the job.

THE BRIDE

Given in marriage by her father, with the "her mother and I" avowal, the bride wore a street-length dress of white silk organza over white satin. The empire waistline was covered with embroidered daisies, accented with pearls. The tapered organza sleeves ended at the wrists with embroidered daisies and pearls. The high round neckline and lower edge of the bodice ended in scallops, formed by the embroidered daisies.

Her elbow-length veil of illusion fell from a headpiece of matching organza, shaped into petal points, centered with pearls. She carried a cascade bouquet of white pixie carnations and baby's breath, centered by a cattleya orchid.

For something old, she carried a yellow linen handkerchief that belonged to the great-grandmother for whom she was named. For something borrowed and something blue, she wore a blue lace garter that her mother wore in her wedding; and in her shoe, she placed a lucky penny a gift from Mrs. Margaret Bergen.

ATTENDANTS

Miss Joan Maxey of Pampa was bridesmaid. She wore a yellow crepe dress, styled with an empire waistline, long fitted sleeves and a flared skirt. She carried a nosegay of yellow sweetheart roses encircled by white frenched carnations.

Serving as best man was Buddy Newton.

MOTHERS

The bride's mother wore a gray and white knit dress with white accessories. Her corsage was of fuchsia pink pixie carnations with pink sweetheart roses.

The bridegroom's mother was attired in a two-piece beige and white knit suit, with beige accessories. Her corsage was of fuchsia pink pixie carnations with pink sweetheart roses.

THE CEREMONY

Rev. Dan B. Cameron, pastor of the First Baptist Church, officiated for the doubling service.

Vows were repeated before the parlor fireplace which was decorated with a mantle arrangement of white gladioli and yellow cushion mums.

RECEPTION

Miss Eloise Lane provided the music for the reception that followed the ceremony.

MRS. GEORGE ALLEN BAILEY
... nee Rita Holly Lewis

The bride's table was covered with a white satin cloth, draped and tied with bells. The centerpiece was a silver candelabra with white and yellow spider mums.

The three-tiered wedding cake, separated with white pillars, was decorated with yellow roses and white bells, and was topped with white wedding bells.

Miss Roberta Brown presided at the punch bowl, and Miss Sharon Bruce served the cake. Guests were registered by Miss Kathy Bailey of Miami. Others in the houseparty were Mrs. Glenn Maxey and Mrs. W.L. Bruce.

For the wedding trip, the bride wore a blue knit dress with white accessories. Her corsage was the cattleya orchid from her bridal bouquet.

The couple plans to reside in Lubbock where they will attend Lubbock Christian College.

AFFILIATIONS
The bride is a 1971 graduate of Pampa High School.

The bridegroom, a graduate of Pampa High School will resume his studies Lubbock Christian College.

PRE-NUPTIAL EVENTS

Pre-nuptial events include shower in the parlor of the First Baptist Church. Hostesses were Mmes. Wayne Brown, Milo Carlson, Frank Craig, Bill Chafin, Maynard Johnson, Ted Mastin, John McKinley, B.M. McMullan, Ray Robertson, Jere Sanders, Murray Sealy, Jimmy Tucker and D.P. Williams.

The parents of the bridegroom hosted the rehearsal dinner.

OUT-OF-TOWN GUESTS

Out-of-town guests included LeClair Richards, of Roswell, N.M.; Mike Owen of Portales, N.M.; Mr. and Mrs. Jerry Wright of Oklahoma City, Okla.; Mr. and Mrs. Bert Smith of Lefors; Mr. and Mrs. J.D. Pitman of Borger; Mr. and Mrs. Charles Bailey and family of Miami. Mr. and Mrs. Jack Bailey of McLean; and Mr. and Mrs. John Griffin of Amarillo.

Miss Colson, James Handley Say Vows In Home Ceremony

Miss Brenda Dian Colson became the bride of James Michael Handley recently in an evening service in the home of Mr. and Mrs. Alvin H. Sharp of Amarillo.

The bride is the daughter of Mr. and Mrs. R.M. Colson, 1164 Terrace. The bridegroom, who lived at 1344 Christine, is the son of C.L. Handley of Casper, Wyo.

CEREMONY

Paul Sneed of Amarillo, Church of Christ minister, officiated for the double-ring ceremony. The altar area was decorated with twin arrangements of pink gladioli and daisies.

THE BRIDE

Given in marriage by her father of the bride wore a gown of nylon organza and Chantilly lace over bridal taffeta. The bodice was styled with a high scalloped neckline, and empire waistline and long Camelot sleeves. The floor-length skirt, designed with a semi-A-line silhouette, was fashioned with a full back that ended in a sweeping chapel train. Insets of Chantilly lace accented with sequins, enhanced the neckline, bodice, sleeves and skirt of the gown.

Her veil of imported illusion fell from a rosette of angel-skin, peau de soie and Venice lace, embroidered with seed pearls. She carried a bouquet of pink sweetheart rosebuds, daisies and baby's breath.

ATTENDANTS

Mrs. Winona Colson of Amarillo was matron of honor. She wore a gown of pink dotted organza styled with an empire waistline, and she carried a spring bouquet.

Dick Handley of Pampa served as best man.

RECEPTION

For the reception following the ceremony, the bride's table was decorated with a spring bouquet and silver candelabra with white tapers.

The three-tiered wedding cake, decorated with pink roses, was topped with white satin bells.

Mrs. Becky Isbell presided at the punch bowl, and Miss Rita Russell served the cake. Guests were registered by Miss Jana Sharp.

For the wedding trip, the bride wore a pink crepe dress.

The couple is at home at 305 B, Avenue T, Lubbock.

AFFILIATIONS

The bride is a 1971 graduate of Pampa High School and was employed by Furr's Cafeteria. The bridegroom was graduated from Pampa High School in 1971 and is employed by Furr's Cafeteria in Lubbock.

PRE-NUPTIAL EVENTS

MRS. JAMES MICHAEL HANDLEY
... nee Brenda Dian Colson

Pre-nuptial events included a shower given by Miss Rita Russell, Miss Suzanne Cooper, Mrs. Linda Scott and Mrs. Janice Haytt.

OUT-OF-TOWN GUESTS

Out-of-town guests included Mr. and Mrs. Marvin Stewart

PHILADELPHIA (AP) — The head of a Quaker service organization says that President Nixon will not find a solution in Peking to the war in doctia.

Bronson Clark said on his return to Philadelphia Wednesday from a three-week visit to Red China that the Chinese regard the withdrawal of American troops and settlement of the war as "priority No. 1, even ahead of admission into the United Nations."

Clark, executive secretary of the American Friends Service Committee, went to China on the invitation of the former Cambodian head of state, Prince Sihanouk, and the Chinese government.

of changes you can make. Take up familiar routines possibly new jobs, fresh habits tomorrow.

LIBRA (Sept. 23-Oct. 23): Before selecting your main course, look around again. Changes have been under way since your last study. Wear your brightest, most stylish apparel.

SCORPIO (Oct. 23-Nov. 21): Lucky brightest, most stylish apparel, since they do not make any great difference in competition. Proceed on your competence rather than depending on breaks.

SAGITTARIUS (Nov. 22-Dec. 21): Your original ideas produce good results, according to the fact and enthusiasm with which you present them.

CAPRICORN (Dec. 22-Jan. 19): Even the most trivial encounters carry deeper meanings than are on the surface and potential impact on emotional fulfillment later. Clinging to the old is likely an anxiety reaction.

AQUARIUS (Jan. 20-Feb. 18): your creative and social sides come out on top together. Letting people have your way about most local issues becomes an exercise in diplomacy.

PISCES (Feb. 19-March 20): Settle emotional conflicts a bit and seek a clear expression of your creative drives.

Your Horoscope

SUNDAY, SEPT. 19

Your birthday today: This is a time of specific new beginnings, some of them limited, intended to be temporary but apt to drift into permanency. Today's natives include both masters of literary expression and critics and editors, people who enjoy a lively tale.

ARIES (March 21-April 19): An extraordinary Sunday brings business that is tedious with extra details — one could get past you. A favor returned now is deeply appreciated.

TAURUS (April 20-May 20): Social details are your forte today. Financial matters, cost accounting, budgets and the like are beyond your skills or present some puzzle. Read the fine print.

GEMINI (May 21-June 20): allow for your own temperament as well as that of others in all your dealings. Pause for reflection, brief prayer, help mightily.

CANCER (June 21-July 21): Intuition springs alive to lead the way, and you are aware of what to do and how to get past objections. Be pleasant to all.

LEO (July 22-Aug. 22): Social conformity together with independence of thought pays, both for yourself and your loved ones. Accept differences of views.

VIRGO (Aug. 23-Sept. 22): Word comes

Fern and Jimmy Berry

By Abigail Van Buren

DEAR ABBY: I've been going with a guy I'll call Ted for over two years. We plan to get married — maybe next year.

We go with another couple I'll call Pete and Mary. I used to have a big crush on Pete, but I thought I was all over it until Mary left town. Ted was also gone. Pete came over, and we sure dug each other. Things got out of hand, and we made another date.

I still love Ted, but I've got a physical attraction for Pete, who says he loves Mary but doesn't want to quit seeing me.

I don't love Pete; I just want to see how it is with other guys. Now I'm so mixed up I don't know what to do. If Ted and I keep going around with Pete and Mary, I am afraid my guilty conscience will give me away. And if I try to avoid them, Ted will get suspicious.

I am so sorry I let this happen, but I really don't want to end it. Please help me.

SAD BUT GLAD
DEAR SAD: You're lucky. You have proven to yourself that you aren't ready to confine yourself to one fellow. You have a lot of growing up to do. Quit sneaking around with Pete and tell Ted you'd like to date others.

DEAR ABBY: My husband never liked my first name so when we started dating he'd call me "Sweet Stuff." After we were married he started calling me "Mamma." Now, 10 years later, he doesn't call me anything.

When we are out in company he refers to me as "Her" and "She." When he wants to get my attention he says, "Hey, you." If I say, "Who?" — he says, "You!"

Our friends have begun to notice it, and this bothers me. Even a dog has a name. Any suggestions?

"HEY, YOU" IN BIRMINGHAM

DEAR "HEY": If you've gone from "Sweet Stuff" to "Hey, You" in 10 years, your stock has slipped to a precarious low. Let him know that you're bothered, and would like a little consideration. And tell him if he doesn't like your real name, to go back to "Sweet Stuff."

DEAR ABBY: Someone wrote in to say that whenever they invited a guest preacher to give the sermon at their church they allowed him exactly one hour, after which there was an automatic ringing of chimes. And if the preacher wasn't finished, the chimes would drown out his voice, so he was finished whether he liked it or not.

And you remarked, "I'll wager that the church had a full house every Sunday."

Abby, we are Seventh Day Baptist Christians and our

sabbath is on Saturday — not Sunday. So in the future please show some respect for our sabbath, too.

OFFENDED IN ALABAMA

DEAR OFFENDED: No offense intended to you or to others whose sabbath is on Saturday. But my correspondent specified a particular church in Brook, Ind., and their sabbath is on Sunday.

DEAR ABBY: Since when is it such a great idea to inform a guest preacher that he has exactly one hour in which to preach his sermon, and at the end of the hour to start ringing chimes to drown him out whether he's finished or not?

I think we ought to give the services back to the Lord, since it is Him we are supposed to be worshipping at these services. Then we can let Him decide how long we should worship right on thru the chimes.

Wouldn't it be a shame if Christ returned after the chimes had rung and found that everybody had gone home?

SHENANDOAH

CASTILLIAN-CUT—Vibrant-colored cotton challis, bonded for extra body, is the choice for a Spanish-inspired bolero and gaucho pants. By Eddy George of California.

Civic Culture Club Has Business Meet

The Civic Culture Club had its first meeting of the 1971-72 year in Groom in the home of Mrs. Frank Grantham with a noon luncheon. The club flower, purple Aster, decorated the tables.

Mrs. A.B. Cross, president, conducted the business meeting. Year books were distributed and goals for the year discussed. Each member has been asked to write to elected officials concerning the saving of the "Big Thicket."

A get-well card was signed and club flowers were sent to Charter Member, Katie Vincent, who is ill in the hospital.

For the program, Mrs. Cross stressed the importance of the Federation. Stating there are now 11½ million women in the organization, representing every state in the Union, except Hawaii, and some 60 foreign countries. She also listed many accomplishments brought about through the strength of the Federation in helping to enact legislation both nationally and statewide. She mentioned the departments as listed in the club's year books and illustrated how these encompass the entire scope of daily living for any woman and serves as a means for enrichment both within and without.

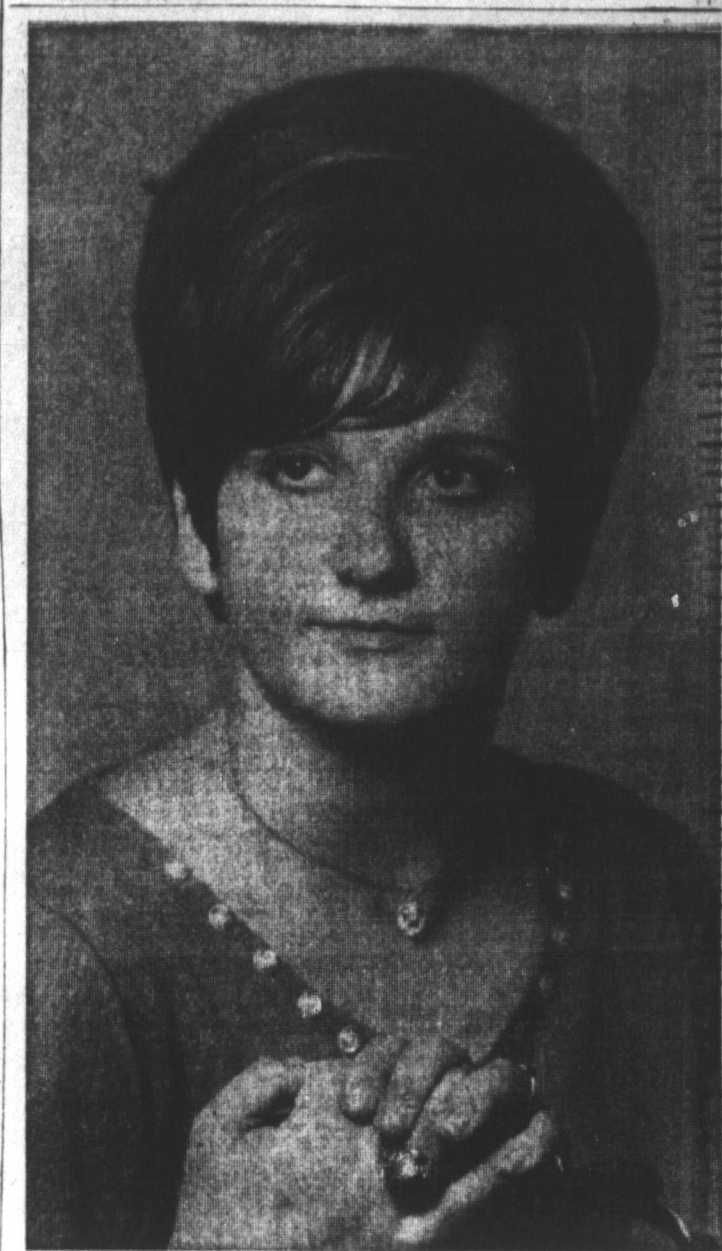

Mrs. Cross stated that we can become more effective as a club if we take advantage of the opportunity of attending the district and fall board meeting workshop that will be held in Panhandle October 11, 1971.

Next meeting will be with Mrs. A.C. Houchin, September 28th.

Members present were Mmes. E. L. Anderson, Irvin Cole, A.B. Cross, C.V. Forsman, F.R. Grantham, A. D. Hills, A.C. Houchin, George Neef, J.J. Rance, D. A. Rife, Carl Smith, Chester Williams, Miss Minnie McKerney of Los Angeles, Calif., was a guest.

Food dollars are precious and sometimes scarce. Three basic rules of sound food shopping are: 1. Plan to serve foods that are in season and plentiful; they frequently cost less. 2. Shop from a list which you prepared at home and avoid "impulse buying." 3. Spend money in stores stocking a wide variety of foods; they generally have the best prices.

PAMPA, TEXAS 65th YEAR PAMPA DAILY NEWS Sunday, September 19, 1971

Mr. and Mrs. Charles Grayum, 727 N. Faulkner, announce the engagement of their daughter, Cynthia Ann, to William Ray Mann, son of Mr. and Mrs. James Mann, 515 N. Frost. The wedding has been set for Nov. 26, 1971, in the Church of God. The bride-elect is a 1970 graduate of Pampa High School. The prospective bridegroom, a 1966 Pampa High School graduate, joined the US Atlantic Fleet Seabees in July 1968 and served one tour of duty in Vietnam with the US Mobile Construction Battalion 12. He was released from active duty in July 1970 and is presently employed by Rudy's Automotive in Pampa.

Installation Planned By Opti-Mrs. Club

Plans were discussed for the installation of officers to be held jointly with the Optimist Club at the recent meeting of the Opti-Mrs. Club.

The event will be held Monday, with Lt. Gov. Les Hargus of Borger as the installing officer.

During the meeting, led by Mrs. R. W. McPhillips, president, the group decided to host a forth coming meeting of the Senior Citizens Center. Mrs. George Massie reported on the district convention in Odessa.

The meeting was preceded by a salad supper. Mrs. Morris Wilson and Mrs. John L. Maxwell will be hostesses for the next meeting, Oct. 5.

Members present were Mmes. George Massie, Leon Taylor, Newt Secrest, John Maxwell, James Gray, John McGuire, Morris Wilson, Joe Skinner and Jack Becker. Welcomed as new members were Mmes. Leon Holmes, Robert Morrow and Earl Kyle.

WHITE & KIRK

Sakowitz

TWO REASONS WHY
IT'S GREAT TO BE IN AMARILLO
SEPTEMBER 20-25

The Annual White & Kirk/Sakowitz Dividend Sale! And the 48th Annual Tri-State Fair! Bring the family and visit both. The Tri-State Fair is great fun. And the White & Kirk/Sakowitz Dividend Sale is a marvelous way to save up to 50% on new fall fashions for the entire family. It's our way of saying "Thank You" for shopping at White & Kirk/Sakowitz all year. It's a great fall for fashion. And this September 20 thru 25 is a great week for savings at White & Kirk/Sakowitz.

The Worry Clinic

By DR. GEORGE W. CRANE

Rev. Morris can take heart. For the world's greatest "Ethical Salesman" didn't win but 1 percent of his prospects! The Bible shows us that a large segment of every new generation are going to Hell, regardless of Billy Graham and our local talented pastors. So don't overlook Christ's "passport."

CASE R-566: Rev. Morris is a dedicated clergyman. "But, Dr. Crane," he began, "I feel so frustrated at my own lack of what you call Christian salesmanship."

"For though I try to win souls to Christ, I don't find that more than 25 new conversions occur per year in any parish."

"But that number should be 10 times as large. "And it grieves me to see so many homes being broken by divorce when I know they could be salvaged if the husband and wife would accept

Christ and become active together in our church.

"Also, many people are dying, without having made peace with their maker."

"And I feel that I have failed in my duty whenever this happens!"

CLERGY, TAKE HEART

Rev. Morris is like most of our dedicated clergymen in setting himself a goal of 100 percent.

But he can take heart from the fact that the greatest "Ethical Salesman" ever to walk on this Earth didn't win but 1 percent of the 300,000 people to whom He talked.

For Jesus addressed probably a minimum of 300,000 people! And many of them heard Him dozens of times.

For His 12 Apostles journeyed with Him 3 long years and may have listened to 500 sermons directly from the mouth of Christ.

But at His Crucifixion, not even ONE showed up to console Him!

And even if we credit Christ's previous ethical salesmanship for the conversion of the 3,000 at Pentecost, those 3,000 represent but 1 percent of the 300,000 who probably met Jesus face to face and heard Him speak.

Before he was elected to Congress, my son, Dr. Philip Crane, was an American history professor at Bradley University.

One day at the dinner table, he expressed discouragement at the refusal of the university's liberal vice-president to let Philip defend our "Free Enterprise" system in a debate with an avowed Communist.

For Philip is a staunch and articulate conservative.

After he had voiced his dissatisfaction, his 7-year-old daughter Cathy, glibly consoled him by exclaiming:

"You can't win 'em all, Doc!"

This jolted Philip out of his chagrin, for he wondered where Cathy had picked up that slangy remark.

But it merits repetition in the families of all clergymen!

For Jesus said that 2 men may be working in a field at the Judgment Day, but only one will be taken while the other is left.

(Always write Dr. Crane in care of The Pampa Daily News, enclosing a long stamped, addressed envelope and 25 cents to cover typing and printing costs when you send for one of his booklets.)

President Nixon Wants Negotiated End To Viet War

WASHINGTON (AP) — The Nixon administration expects Hanoi to toughen its bargaining stance in the immediate weeks ahead. But it foresees the possibility of serious peace negotiations sometime thereafter if Saigon's leadership remains stable and U.S. troop withdrawals proceed in a dignified way.

In saying this Friday, informed officials reaffirmed President Nixon's position that he prefers a negotiated end to the war and in any event wants to leave South Vietnam able to defend itself from a Communist takeover.

If by next year at this time this policy is successful, the officials said, it will render insignificant such questions as specific troop pullout rates and beating withdrawal deadlines.

They portrayed South Vietnam as now in a crunch period, with U.S. withdrawals at a critical point coinciding with the Thieu government's election time difficulties.

The wide-ranging account by informed officials, who spoke under rules barring attribution, amounted to a defense of Nixon's Vietnam policy and an appeal for a toning down of domestic criticism of it.

Genesis Rock Not As Old As Moon Itself

The "genesis rock" brought back from the moon by Apollo 15 astronauts, is the oldest rock brought back so far, but not as old as the moon itself, according to scientists at the State University of New York at Stony Brook.

The Stony Brook scientists said today the rock is 4.13 billion years old — 150 million years older than the oldest rock brought back previously.

The astronauts and space agency scientists had hoped that the rock might have come from the original lunar crust, which is believed to be about 4.6 billion years old based on meteorite evidence.

The Stony Brook scientists said their dating includes a 200-million-year margin on either side of the 4.13-billion-year figure, so the oldest the genesis rock could be, they said, is 4.35 billion years.

Another test of the rock, scheduled for Sept. 23, may narrow the 200-million-year

margin of error, the scientists said.

The genesis rock was picked up during the second of three lunar excursions by astronaut David R. Scott and James B. Irwin while they explored the base of the moon's Apennine Mountains. The find prompted Scott to exclaim: "Houston, I think we've got what we came for."

The astronauts found the rock, along with 180 pounds of other lunar rock samples, during their 67 hours on the moon's surface last July 30-Aug. 2, on their 12-day voyage in space.

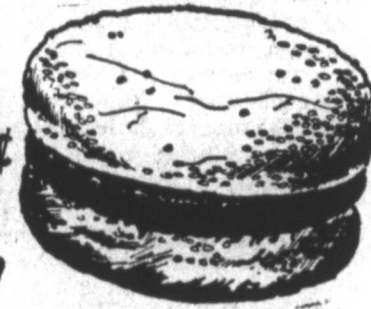

The Stony Brook announcement did not comment on the possibility of finding a still older moon rock.

Scientists have theorized that the moon's primitive crust formed when it cooled from a molten blob and might be composed of anorthositic rocks — those high in plagioclase, a mineral consisting of aluminum, sodium.

Panhandle Water

By FELIX W. RYALS

Last week we were discussing the huge Oroville Dam north of Sacramento on the Feather River. Geographically, the Oroville Dam is located in Northern California.

The Feather River was first called the Rio de los Plumas by the Spanish. The river was thus named because of the number of wild pigeon feathers continually floating on its surface. The Feather River leaps from the mouth of the magnificent Feather River Canyon.

In addition to Oroville Dam, the California Water Resources Agency has also constructed Thermalito Dam about twenty five miles downstream from Oroville Dam. This dam also produces hydroelectric power.

The Feather River, like the Mississippi, has gone on a murderous rampage many times taking its toll of human lives and property. With Oroville Dam now harnessing the river waters, the inhabitants of the city of Oroville and of other cities downstream can sleep peacefully at night without fear of drowning.

Downstream from Oroville Dam lies the Feather River Fish Hatchery, which will handle twenty million salmon and steelhead eggs yearly, thus substituting for spawning areas blocked by Oroville Dam. The migrating fish are diverted into

a fish ladder leading to the hatchery.

Above the Dam is the Bidwell Bar Bridge which, at six hundred twenty seven feet above streambed, is the nation's highest highway suspension bridge. The bridge crosses one arm of the reservoir, is nearly one thousand eight hundred feet long, and when the reservoir is full, will be only forty seven feet above the water surface.

The total cost of all the Oroville facilities is approximately \$479 million, with the Federal Government having contracted to pay twenty two percent of the construction costs — excluding power facilities — as a contribution to the flood control features of the project. The \$120.8 million contract signed in 1962 for construction of the Dam embankment was the largest civil works contract ever awarded competitively in the United States.

Lake Oroville, receiving the runoff from the various forks and branches of the Feather River, stores a maximum of three million five hundred thousand acre-feet of water. (One acre-foot is the amount of water that would cover one acre of ground to a depth of one foot.) Shasta Lake holds four million five hundred thousand; Folsom Lake, one million. Lake Oroville has one hundred sixty seven miles of shoreline.

Agriculture Income Must Reach Level

AMARILLO — Agriculture must be allowed to reach the income level of the rest of the economy before any restraints are placed on farm prices, Texas Agriculture Commissioner John C. White said here Friday at the annual meeting of the Texas National Farmers Organization.

He also told NFO members that "the old what'll-you-give-me-for this marketing system is going to have to go. In its place will be hard-headed, realistic marketing programs and profitable prices for the producer."

White noted that farm parity is at depression levels, even though costs of production have doubled and tripled.

"A program to prevent further cost of production increases to agricultural producers cost should be put in effect when the current wage-price freeze is lifted," White said.

He said the current economic program has these effects on agriculture:

1. Price increases the farmer

pays would be stabilized for the 90-day period.

2. Even though raw agricultural prices are not frozen, there is in effect a price freeze on them because of the finished product price freeze.

3. The surtax on imports could hurt farm exports if foreign nations decide to retaliate.

The success or failure of farmers to get together and market their products is going to determine the future of the family farm system, White said.

"Unless producers such as yourselves can successfully cope with the modern-day problems in agriculture, we in agriculture are going to find ourselves employees of a monolithic national corporation. Marketing is the front-line problem," he said.

White noted that agricultural producers are getting together to help themselves in the marketing process. Inflation, he said, is the biggest problem agriculture has. "Agriculture is hurt more by inflation than any other part of our economy," he said.

A&M Field Day Draws Over 800

LUBBOCK ... More than 800 High Plains farmers, businessmen and other persons saw displays of farm machinery and toured experimental plots at the 62nd annual field day at the Texas A&M University Agricultural Research and Extension Center at Lubbock, September 14.

The visitors questioned Extension entomologists, pathologists, animal scientists and economists in special consultation booths, in addition to seeing the latest research programs being conducted at the center.

The general tour of the facilities included 37 points where scientists explained studies in areas such as oilseed crops, irrigation and new varieties of cotton and sorghum being evaluated for tolerance to drought, insects and plant diseases.

Four special tours highlighted the field day. Dr. Darrell Rosenow and Dr. Jerry Johnson explained the sorghum conversion program, where tall, late varieties from Africa are being crossed with short, early American varieties to adapt the foreign types to Texas conditions.

Dr. Allan Wiese and Dr. Dudley Smith told of new herbicides being tested for weed control.

Dr. Earl Minton was in charge of the tour on Verticillium wilt, a serious problem to many West Texas farmers. He explained the work being done in developing resistant varieties and the outlook for the near future.

Pesticide Containers Never 'Empty'

Is an empty pesticide container really empty? Don't believe it, says Bill Clymer, Extension area entomologist at Amarillo.

There are always a few grains of powder, or a little liquid on the sides of a container that can be just as dangerous as a full one. Proper disposal is the answer to prevention of damage to crops and perhaps injury or death to livestock and humans. Clymer offers some suggestions on disposing of used containers safely.

Glass should be wrapped in newspapers and then broken. Plastic and metal containers should be punctured and crushed, and then buried at least 18 inches deep in an area isolated from crops, livestock or people. The site should not be in an area where the chemical might leach down into underground water supplies.

Paper and other combustible materials can be burned, but make sure the fumes and smoke cannot damage plants or animals, Clymer reminds. Sanitary landfills used by many cities and towns can be a good disposal spot, but a producer should check with the proper authorities before dumping the containers.

The question of using empty 55-gallon barrels always arises. Most people do not want to throw away containers that can be used for feed storage or as feed bunks. But the practice can be extremely dangerous, especially if the chemical had an arsenic base.

The Pampa Daily News

A Watchful Newspaper

EVER STRIVING FOR THE TOP O' TEXAS
TO BE AN EVEN BETTER PLACE TO LIVE

Our Capsule Policy

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capability.

The News believes each and every person would get more satisfaction in the long run if he were permitted to spend what he earns on a volunteer basis rather than having part of it distributed involuntarily.

Humanity Uprooted

Surely, one of the bitterest fruits of this convulsive century is the human refugee — uprooted, dispossessed, and cruelly driven abroad. The 24 million refugees adrift in the world today are a measure of the oppression and upheaval of our age. No other century in recorded history has seen so many peoples put to flight.

The problem is worsening; the number of refugees has tripled since 1965. The 6 million Hindu Bengalis swarming into India from Moslem oppression in East Pakistan constitute one of the great human migrations in history.

At first, 20th Century statelessness was largely a European phenomenon following the rise of totalitarian nations after World War I. War refugees were soon joined by many thousands of others who fled Soviet, Nazi and Fascist tyranny. Then, like a threshing machine came World War II, cutting and scattering Europe's population in every direction. Millions of displaced persons who had been uprooted by German and Russian armies eventually found their way into new lands. Tragically many were forcibly repatriated to cruel fates in the Soviet Union.

Succeeding waves of German refugees — 9 million in all — fled the Reich territories lost to Russia and Poland.

Today there are 870,000 European refugees, including many thousands from the savage Russian repressions in Hungary and Czechoslovakia.

The Arab-Israeli conflict has produced 600,000 Jewish refugees from Arab lands, who were sheltered by Israel, and more than one million Arabs from Palestine, who will have nowhere to go. Violence attending the liberation of numerous African states has produced more than 5 million refugees on that continent. Even before the tragic exodus from East Pakistan this year, there were 7.2 million Asian refugees, mostly from Communist China.

There are now approximately one million refugees in the United States of America, half of whom are from Europe and half from Communist Cuba.

The very fact that millions of displaced persons are scattered, defenseless and without resources has encouraged worldwide friction. This can be dangerous in areas like the Middle East where refugees are a source of contention between conflicting nations.

Catch-Up Survival

Sen. Hubert Humphrey has taken an interesting position on an issue of prime importance to our national security.

He fears that our current program of developing multiple warhead nuclear weapons may upset our negotiations with the Soviet Union for a limitation on strategic arms. It is his contention that the continuation of the multiple warhead program can cause us to be too strong in that department — thus disturbing what he calls the "parity" in nuclear arms between the United States of America and the Soviet Union.

The senator's solution is to sequester the \$936 million now in the budget for this program until Russian nuclear progress makes it necessary for us to proceed with our multiple warhead effort in order to re-establish "parity."

Senator Humphrey is posing a situation that is familiar. It happens often in sports, where it is called "playing catch-up." Where the outcome of a ball game is concerned, it is a technique that finds little popularity with the players who must try to do the catching-up.

Where the survival of our country is concerned, it should be equally unpopular.

The Fewer-Jobs Tax

President Nixon's decision to re-instate investment tax credit is a four-letter word that few will find objectionable j-o-b-s. When businesses spend their money on capital improvement instead of taxes, that means somebody has to do the improvement.

If state legislators wanted to get into the more-jobs act along with President Nixon, they would repeal the inventory tax. That's the tax that keeps manufacturers, warehouses, and retailers from shelving

products. It is a tax that kills jobs because it puts a "governor" on the engine of production. It is a tax that raises unit costs because it slows down production. It is a tax that inconveniences the ultimate buyer. It is a tax that results in a considerable amount of tax avoidance; not even the tax spenders would lose much by taking it off.

If legislators are truly sincere about wanting more jobs, they should do something to diminish their previous destructive acts.

Who Is Your Friend?

If you are retired from a private company and are drawing a pension from same, you have a stake in a lawsuit now pending before the U.S. Supreme Court.

The National Labor Relations Board is suing Pittsburgh Plate Glass Co. and others, arguing that employers must bargain over benefits for previously retired workers. The NLRB contends that active employees have a "vital interest" in the amount of benefits that retirees receive.

In other words, according to the NLRB reasoning, the more the retirees get, the less there is for active employees — so the latter should have a say.

Obviously, the NLRB is seeking by court edict to obtain jurisdiction that it has not yet

been able to get from Congress.

If the high court buys the NLRB theory, we will have come to the point where management decisions are not made by management alone, but are made jointly with the union dues, they may draw their own conclusions as to how they will fare if the proposed arrangement comes to pass.

HOW TO ADDRESS OUR LAWMAKERS

You may want to write your senators and representatives in Washington and Austin. Here are their addresses:

STATE

Sen. Lloyd Bentsen, Senate Office Bldg., Washington, D.C. 20503.

The 'Instant Experts' And Mao's China

By PATRICIA YOUNG

Ever since Canada "recognized" Red China, the nation's Press has been subjected to a flood of "instant expertise" by largely left-wing or liberal journalists and tourists, many of whom were educated by our universities' "China Lobby." The months of July and August found newspapers lauding Red China's "prosperity," "Economic stability," "well-being," "abundance of food," "escalating affluence," "bank accounts," "smart fashions," and, as one pink-cheeked damsel put it: "of shady avenues where Red Chinese citizens strolled eating ice cream cones" — while memorizing their Mao no doubt!

Between being told of the Red Chinese housewife's good fortune in being able to buy eggs at 30 cents a dozen, spare ribs for 40 cents a pound and fish at 25 cents a pound I found myself wondering about the serious food shortages reported in Free China Weekly of May 9, particularly the areas of Shansi and Hopei in Northern China, in Jiangsu, in Fukien in the southeast Kwang-tung in the south and Yunnan in the southwest.

As against the "abundance" and "affluence" reported by young radicals fresh out of the young radicals fresh out of the political science departments of our universities, Sing Tuo Jih Pao, of May 19, lists a senior medical doctor in Tientsin establishing 90 remminbi (\$37) a month and his female counterpart only 70 remminbi (\$29) a month.

Notwithstanding the naive and obvious propaganda, I would have liked to hear more about the Dec. 18, 1970, revolt of a Chinese Army Unit in Yunnan. It would have been interesting to hear from a few of the 1,000 soldiers arrested. Or maybe we might have learned a little about the Feb. 25, 1971, ambush of an anti-Maoist unit where 700 of them were slaughtered. But no, our "instant experts" were kept too busy swallowing the bait whole and in convincing us that it was a "good thing" to have brought this "paradise on earth" to Canada and that it would be even better to have them in the U.N. with the veto power over the Security Council! So much for ping pong. All I can say is: "Phew!!"

Nice guys don't always finish last. The Portland, Oregon, Traffic Safety Commission says if you're talking about auto crashes, the grabby, hard-nosed driver is the one who gets involved most often. Bad traffic manners do cause crashes. Industrial News Review

Almighty God, we make our earnest prayer that Thou wilt keep the United States in Thy holy protection; that Thou wilt incline the hearts of the citizens to cultivate a spirit of subordination and obedience to government; to entertain a brotherly affection and love for one another and for their fellow-citizens of the United States at Large.

Jail For Farmer Glasscock

By PAUL HARVEY

Jail for William Glasscock — and he could be you. Since some of those Earl Warren Supreme Court decisions defending the rights of wrongdoers at the expense of their victims, in Chicago our locked-up juries have been serving more time than have our criminals.

While we're thus confused about who are the good guys and who are the bad guys, watch your step. Remember Bill Glasscock. William R. Glasscock is a farmer, 54, farms 100 acres south of Joliet, Ill. — sweet corn, melons, variety vegetables.

He is a productive member of the community and responsible citizen, otherwise serves on Joliet Junior College's board of education.

One night he looked out of his window and saw some people helping themselves to his ripe acorn squash; two men and a woman, loading the trunk of their car with his squash.

He fetched his .44 varmint pistol and went out and down to where they were and ordered them to stop. Instead, they slammed the car trunk lid on his squash, jumped into the car and started off. Again he hollered for them to stop, and when they didn't he plinked the car — put a slug in the front fender which luckily, he thought, penetrated the fender, hit the battery and stopped the car.

He then took the three back to his farmhouse and called the sheriff and the three were arrested, charged with criminal trespass. And you'd think that would be that.

The police then arrested farmer Glasscock. I mean they took him downtown, confiscated his gun, fingerprinted him and put him in jail, charged with "unlawful use of a weapon."

Now, the characters who stole his squash; that's a mere misdemeanor; a minor fine.

But the farmer, protecting his property, violated a state statute by shooting at a car.

And it comes out the law there says that even if you saw your own car being stolen from your driveway — if you shoot at it — you're going to be in more trouble than the car thief!

When local media including the Joliet Herald-News reported this conspicuous injustice, citizens thereabouts raised such a ruckus that the charges against farmer Glasscock were dismissed, his gun was returned . . . but . . .

Had he been less well-known he might still be in jail.

Further, when this case comes to court Sept. 9, the thieves will try to use the farmer's technical violation to get themselves off.

Indignation in and around Joliet has been expressed most vehemently by women.

They feel less and less safe these days on the streets and they don't like laws which leave their own property unprotected — which leave them vulnerable even at home.

Quick Quiz

Q — Is there an international golf match exclusively for women?

A — The Curtis Cup is the only women's international match. It features six-women amateur teams from the United States and Great Britain.

Q — By what name is the Dipper known in modern England?

A — "The Plow." The handle of the Dipper is the handle of the Plow, and the Dipper's bowl is the plowshare. The Dipper's handle serves to guide the observer to other stars.

Q — What rodent of Latin America is the source of the fur nutria?

A — The coypu.

Q — Which is the rarest dog in the world?

A — The lowchen or lion dog, of which only 40 exist. The breed was famous lapdog of the nobility of southern Europe during the Renaissance.

Q — What country has the greatest variety of trees?

A — The United States has more kinds of trees than any other country. These trees grow in varying climates and at different heights above sea level. For this reason, the United States has no one truly typical forest.

Q — What has become of the chimpanzee shot into space in 1967?

A — Ham was recovered successfully and is now at the Washington National Zoo.

Q — Which was the longest of the great overland routes during the westward expansion of the United States?

A — The Oregon Trail stretching for 2,000 miles from Independence, Mo., to the Pacific Northwest.

Clearing House

Got something you would like to "get off your chest"? That's what the "Clearing House" is for. It has been suggested there should be more letters to the Editor, that people should speak their mind. So, in the public interest, write to the Editor and "get it off your chest."

In 1945, on Nov. 18, I came to Pampa to manage the local Texas Employment Commission. That is not great news.

Soon after that, the World War II veterans came back and they were ready to find jobs. Some had families, some were ready to get married and start families, and they were a non-nonsense crowd. They had "had it" and they knew what they wanted.

They had been taught, maybe forcefully, to do things. Their skills and training had come hard thru military service. They asked no odds, and they were dead serious.

Today, we seem to have a new ball game. For the past few years we have employed younger men prior to entering their twenties, some still in the teens.

These youngsters seem to have picked up some weak characteristics. Some are good workers, but an alarming number are still babyish in their ways. Oh yes, they will fight, with their companions, and many seem to be looking for fights. This trouble-seeking is not a grown-up attitude. It seems to be an indication of frustration, wherein they try to establish their manhood.

A grown, well-developed man, does not as a rule go out looking for trouble. Many of our younger ones seem incapable of fending for themselves. So many get married and start raising children. So many can't put a nut on a bolt without being told how it is done.

Doubtless this utter lack of knowing anything about how to work is a product of hanging too long on the parents' skirts and shirt tails. Being provided with cars and spending money, and having grown-up appetites, yet, having been taught no elementary facts of life.

Some time past I had a 200-pounder who worked two days. Unfortunately he knocked a little bit of skin off his finger. He held it and cried like a baby. Most of the younger people who go out to work, want to know first if they can get off for a date in time, and "can I draw my money tonight, as I have a date."

Nationally, we are told that the younger folks are the prime buyers of that which America produces, but my observation is that it seems the old heads or parents are the ones who must provide the money to satisfy appetites of the younger ones.

This is not meant to apply to ALL of the younger set; only to an unfortunate and alarming number. Papa and Mama have endeavored to see that "the children do not have as hard a time as WE had."

An exception, among others is that of a young man 17 years old who can do a better job than many auto mechanics, if you just hand him the tools, and others we have met who are willing to work hard, and earn their own money.

Justice Black, III: VACANCY POSSIBILITY ON HIGH COURT A

ROBERT ALLEN

WASHINGTON — There is a real possibility Justice Hugo Black will not return to the seat he has held on the Supreme Court for more than 34 years.

Eighty-five and a half years old, frail and ailing, the Alabamian has been in the Bethesda Naval Hospital since last month. His presence there and ailment have been shrouded in drum-tight secrecy.

Black was in the hospital more than a week before that leaked out. Members of his family and office staff have refused to say anything about his whereabouts or condition. Before it became known he was in the hospital, a secretary told newsmen the aged jurist was "on vacation."

Hospital authorities refer all inquiries to Black's family — which isn't talking. A knowledgeable source, long close to the jurist, told this column he is suffering from a "circulatory" illness. Asked if vital organs, such as the heart, were involved, the reply was, "Very likely, considering his advanced age."

Late last February, several days before his 85th birthday (Feb. 25), Black told newsmen covering the Supreme Court he had no plans regarding the future. "I have no plans to retire or not to retire," he said. "I will let life take its way."

He also observed that after being on the bench more than three decades, he had gotten over any idea of being all-knowing and all-wise.

"When you get my age," he said, "you find that it is difficult to know if you were right or the other fellow was right. The decrees of this or any other court are not eternal. A justice should vote to overturn any ruling he does not like, whether it is recent or ancient."

Black, oldest of the present Nine Old Men, has served longer on the tribunal than anyone else in its history. The other jurists with almost comparable records are Chief Justice John Marshall and Justices Joseph Story, Stephen Field, and John M. Harlan. All served more than 33 years. Also, Black is third in respect of age. Chief Justice Roger Taney died in office at 87, and Justice Oliver Wendell Holmes retired at 90.

Who Will Get It? . . . The apparent likelihood of a Supreme Court vacancy immediately focused attention in inner White House quarters on three men: Vice President Spiro Agnew, Secretary of State William Rogers, and Rep. Richard Poff (R-Va.).

INTRIGUING IDEA Rep. William Bray (R-Ind.), decorated World War II veteran and third-ranking GOP member of the potent House Armed Services Committee, has come up with a fascinating thought — that Red China may not want to become a member of the United Nations.

Bray, who bluntly disagrees with President Nixon on favoring Peking's admission, has some absorbing reasons for

his startling idea. Foremost among them are:

(1) The UN has become a "bottomless chasm" of paper work, and is literally strangling in it. Says Bray, "While the Chinese invented paper, Peking may not want to get enmeshed in the UN's vast swamp of complete impotence. Red China has in no way earned a UN seat, so it may have second thoughts about laying itself open for being blamed for the UN's innocuousness."

(2) Most of the time the UN is engaged in endless, boring, repetitious committee meetings, which are little more than forums for interminable harangues by delegates of so-called underdeveloped nations. Says Bray, "Obviously, the Chinese Communists have more to do than occupy themselves with such inanities. For one thing, they are keeping quite busy blaming Russia for imperialistic plotting."

(3) The quality of the personnel of diplomatic missions assigned to the UN is low-grade and steadily getting worse. Claims Bray, "The simple truth is that many governments send individuals to the UN without adequate qualifications to pay off debts at home. Certainly the Red Chinese must know that."

(4) New York is a mean town to live in, and steadily getting worse. Asserts Bray, "Surely, that's no inducement to send a high-powered Chinese delegation there. However, it is interesting to conjecture a possible confrontation between a New York mugger with a switchblade and a Chinese diplomat who cut his teeth on Mao Tse-tung's Long March. That would be a match."

For these reasons, Bray comes to the novel conclusion that in the end Peking may decide to give UN membership the brush-off. Says the veteran Indiana legislator:

"If Peking does snub the invitation, because, so they might say, Nationalist China isn't kicked out of the UN, I would hazard a guess that the Communists will really do so because they don't see any point in coming at all. Don't be surprised if that's just what does happen."

And I Quote

"Property, per se, has no rights; but the individual — the man — has three great rights, equally sacred from arbitrary interference: the right to his life, the right to his liberty, the right to his property."

To give a man his life but deny him his liberty, is to take from him all that makes his life worth living. To give him his liberty but take from him the property which is the fruit and badge of his liberty, is to still leave him a slave." — George Sutherland, Associate Justice, U.S. Supreme Court

Red Cross News

By LIBBY SHOTWELL
Executive Secretary

The Red Cross board met at the Coronado Inn for the first meeting of the fall season with 14 members present. Mrs. Don George, chapter chairman, presided taking reports from standing committees. Johnny Sybert, RN, reporting that mother and baby care classes would begin Sept. 21 at 7:30 p.m. with Mrs. Travis Wineheart RN, instructor.

Mrs. Ray Fisher, first aid chairman, talked with H.H. Gilliam, instructor trainer for safety services for the American Red Cross and they decided to have a standard multimedia first aid class in Pampa Sept. 21, beginning at 8 a.m. and closing at 5 p.m. Classes will be held in the Palm Room of the City Hall. Wednesday 8 a.m.-5 p.m. and Tuesday until noon an instructor class in multimedia first aid will be held. Twelve people from Phillips, Texas, will attend these two meetings and persons in Pampa who have had their advanced first aid or first aid instructor class may take these two courses. There is no charge. Coffee and doughnuts will be served by the Gray County chapter of the American Red Cross at the break sessions.

The first aid instructors class will be taught in the Spring of 1972.

Mrs. Hazel Clauch, LVN, has completed 10 hours of work in the Red Cross office, and has received her LVN pin. Miss Lois Elsey, RN and Mrs. Francis Prall, RN, have completed 10 hours work with the Gray County chapter of the American Red Cross and their application has been sent to the national headquarters for processing for their Red Cross nursing pin.

Red Cross has worked out a Veteran Benefit Timetable which gives important information to the veteran after his separation from the service. This Timetable tells the veteran how many days he is required to report to Selective Service in his community and the number of days a veteran has to apply to his former employer for re-employment.

Also, this Timetable tells how to obtain GI Life Insurance or how to convert it; how long he has to apply for his GI education or vocational "rehab" or to obtain a GI loan. These forms are at the Red Cross office and the staff would be glad to talk to Veterans regarding benefits.

New Books On The Shelf

New books on the shelves of Lovett Memorial Library September 20, 1971

THE DAHOMEAN — Frank Yerby reconstructs in story form the lost, glorious world of a great African nation in the early nineteenth century.

SALUTE TO SANDY — Dale Evans Rogers; a tribute to their soldier son.

THE BRIDE OF THE IN-NISFALLEN — Eudora Welty; a new collection of short stories.

ROMMEL'S GOLD — Maggie Davis; a blazing drama, set against the traditional and exotic entanglements of the flesh and the undercurrents of political intrigue in the Arab world today.

FLICKERING DEATH — Noah Webster; Romantic Cyprus is the setting for this mystery in which Jonathan Gaunt settles an estate for the English government.

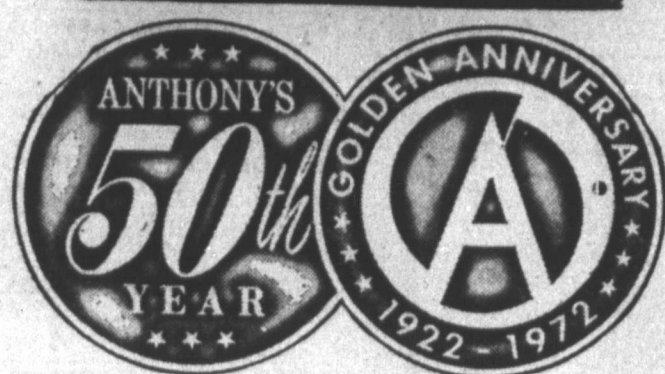

THE GHOSTS THAT WALK IN WASHINGTON — Hans Holzer; a fascinating look into the other world at some famous ghosts that haunt private houses and government buildings in Washington, D.C.

DRIFTGLASS — Samuel R. Delany; 10 short stories by master science-fiction writers.

LIGHTER THAN A FEATHER — David Westheimer; a novel of the invasion of Japan.

BECAUSE I LOVED HIM — Noel B. Gerson; the life and loves of Lillie Langtry.
