Council approves gas rate hike

By LUIS RIOS
The Colorado City Council approved a rate hike by Lone Star Gas Co. for a 3.51 percent hike for the city, during a monthly meeting of the council Tuesday night.

The rate hike came

only after a committee consisting of Don Bennett, Rick Crowley and City attorney Pete McKinney met with a Lone Star Gas rate adjuster from Fort Worth and local representative Byron Swank.

The City Council had

approved a motion during the January meeting to wait 90 days before taking any action. However, the City Council agreed to grant the rate hike request.

The rate hike will be effective 30 days after it is made public, said

Swank. He said the rate hike was the first hike by Lone Star Gas in two years.

Committee spokesperson Bennett said the rate hike was very conservative.

The City Council also heard a progress report

from Lee Head, consulting engineer for Freese and Nichols, Inc. from Austin. Freese and Nichols are the consulting engineers and planners for the Sewer Treatment and sewer lines project in the city.

The council approved

a recommendation to let Head advertise Phase II Sewer Plant to the State Health Department. Head said the plans and specifications were completed for Phase II. The council also approved a recommendation. See COUNCIL, Page 2

Court approves pay hike for Pct. 4 JP

By LUIS RIOS
The Mitchell County Commissioner's Court approved a proposal to increase the travel pay of Justice of the Peace Precinct 4 to \$125 from \$50 per month, during a lengthy session Tuesday afternoon.

The commissioners met in a three-and-one-half hour session at the county courthouse.

Commissioner Paul Hunter submitted a report to the court outlining a program to increase Precinct 4 JP Joan Merket's salary. Mrs. Merket had formally made the request to the court January 9 when she asked for a \$200 a month raise.

Commissioner Bill Preston made the recommendation that Mrs. Merket receive an increase in her travel expenses instead. The sum could be increased or decreased according to her workload after it is reviewed at the end of each year.

The Court also awarded Precinct 1 constable Billy Ray Williamson 20 cents a mile for expenses accumulated while serving civil papers for JPs. He said he serves papers for the Mitchell County Sheriff's Department when they are unable to do so. The county constables are paid \$1 a month in salary.

After some discussion by the commissioners, the court decided to pay a medical bill for \$85 to a local doctor but declined to pay for two other bills for over \$900.

The bill for \$85 was for care given to an inmate in the county jail. The other two bills which

were considerably larger resulted from care administered to a person who was shot by a citizen while allegedly trying to break into a house. The individual was later arrested by the Mitchell County Sheriff's Department after he was released from the hospital.

"I don't think we can legally pay the others (bills), said Commissioner Johnny Shackelford.

In another important item on the agenda, the court refused a recommendation to add an additional \$5 to the registration of county vehicles.

Other items on the agenda that were acted upon included:

• Tabled a request by Mitchell County head librarian Nancy Mayo for a salary increase for a parttime employee. Mrs. Mayo was asked to bring up the recommendation at the budget hearing for 1985.

• Accepted the donation. See C-COURT, Page 2

Bassham seeks seat on school board

Colorado City resident Kathy Bassham, 30, announced that she had filed for a seat on the Colorado City Independent School District Board.

"I am interested in serving on the school board because I feel that the time our children are in school should be quality time," Bassham said. "Educating

Kathy Bassham

our youth is the most important job any of us have.

"I know that serving on the school board amounts to more than a monthly meeting and since I do not work outside the home I would be able to devote my time to the job."

Mrs. Bassham is married to Fire Chief Brian Bassham. They have two children Tia six and Whitney, three. They are members of the First United Methodist Church, where she is an organist.

Mrs. Bassham is a graduate of Colorado High School. She later attended Grayson County College and Austin College in Sherman, Texas.

"I am accessible," she added. "I feel that I would be able to talk to teachers, students and parents all of whom are vital parts of our system. We have a good school system in Colorado City. I would like to help keep ours as good a system as it can be."

Thefts under investigation by police

The Colorado City Police Department is currently investigating two thefts that occurred on February 4 and February 12 in Colorado City, said Police Chief Ed Wheat.

The February 12 theft was a burglary of a vehicle where a purse containing items and cash worth \$520 was taken. The theft occurred at 1257 Pine St. around 8:30 a.m. The purse taken was a black vinyl purse, according to the police report. Officer Bill Grimes was the investigating patrolman.

The February 4 theft occurred around 5 p.m. at 644 Pine St. Taken was a red 160 model Super sport wheel and tire G 60 x 15 worth \$40. Also taken was a red hi-lift jack worth \$40.

Loraine coaches resign

By LUIS RIOS

Loraine High School coaches B. D. Trice and Jack Petty submitted their resignations to the Loraine Independent School District Board of Trustees, effective the last of July, at a monthly meeting Monday night.

The board did not take

any action on the resignations, said superintendent Glenn Sanders. B. D. Trice compiled a 1-9 season record during the 1983 football season. Petty led the Bulldogs into the Class A state playoffs in basketball by winning the first half of the District 12-A title.

Sanders also present-

ed the board with a brief outline of House Bill 246 that will revamp the entire curriculum for the Texas school districts.

The bill will be up for final hearing March 10. The house bill should not cause any problems in Kindergarten through sixth grades, Sanders

said.

"We may have some problems in courses offered in high school," Sanders said. "We have to offer two areas of vocational study and a foreign language. We may have to coop. I think alot of the smaller schools will look to the See COACHES, Page 2

Possible land use discussed by CISD board in meeting

By LUIS RIOS

The Colorado City Independent School District agreed to pursue the possibility of leasing, selling or donating a lot located by the Administration building for a fire station, during its monthly meeting Monday night.

Superintendent Charlie Uselton told the board he had been approached by city manager Rick Crowley and mayor Elmer Martin about the possibility of obtaining the land mentioned. However, the board only agreed to pursue the idea but they did not voice any commitment to the proposal.

Administrative supervisor Dr. Walter Bing-

ham told the board that the school district's attorney had said the best and only option was to sell the lot.

The board also heard a letter of resignation by a Middle School coach. The letter read that the resignation would be effective in two weeks. The board was unable to act on the measure because the item had not been part of the agenda. An agenda must be posted as a public notice 72 hours prior to the actual meeting.

Earlier in the meeting, the board discussed ways and means of achieving the goals as laid out by the Five Year Accreditation Plan.

The district hopes to increase test scores by 10 percent during the five-year period allotted, Uselton said. The 10 percent would mean a two percent increase a year.

The administration will go back to each school campus and make a campus level plan, Uselton said. We will work up a plan with them on how to do it, he added.

"We have to have (develop) a system on how to do it," Uselton said. "We will go back to and involve the teachers and campus people on how to improve language skills and mathematical skills."

The board elections will be April 7 with Bob

Reily serving as the election judge, Uselton said. Tax assessor-collector Geneva Findley will conduct the absentee balloting March 19 through April 3 at the school tax office, he said.

Mrs. Findley also reported to the board that 81.75 percent of the taxes for the school year had been collected. The taxes have added up to \$1,155,243.74 with approximately \$490,644 left unpaid.

Uselton also said the date for the Service Award Banquet had been set for April 30. The guest speaker will be Deputy Commissioner of Education Pat Patterson.

THREE BALLINGER BEARCATS watch helplessly as junior Wolf Don Randle powers his way for two points. Randle scored 26 points on the Bearcats last Tuesday night to lead Colorado City to a 66-40 whallop and to its first district championship since 1978. Below Randle is teammate Dennis Rivera.

Except for December, February is our favorite month.

The Ground Hog has seen his shadow.

We are beginning to wonder if he might tell a little fib now and then.

Hubert Saling isn't too worried. He has set out his onions and calculating the right time for his peppers and tomatoes.

February is George Washington and Abraham Lincoln's birthday month.

Mary Lee Moore, one of our veteran volunteers, brought Mrs. Mattie Hines, copies of 1800

and 1865 newspapers.

The New York Herald, headline read: "Assassination of President Lincoln." "The President shot at the Theater last evening," "Secretary Seward daggered in his bed but not mortally wounded," "Scene at the deathbed of Lincoln." The paper was dated, Saturday, April 15, 1865.

The other paper gave us an account of President George Washington's funeral.

The headline read: "Washington entombed," "George Town, December 20." "On We-

dnesday, last, the mortal part of Washington the Great-The Father of his country and the friend of man, was consigned to the tomb with solemn honors and funeral pomp."

These old newspapers gave a generous account of the two presidents, their lives and deeds. It is an honor to celebrate their birthday in Root Lodge.

We will combine our birthday people with these great men and celebrate February 22, 1984 for our February birthday party. Cake and punch will be served. In honor of the two presidents, we will read excerpts from these old newspapers.

Our birthday honorees are Mrs. Mattie Hines, Mrs. Lucy House, Mrs. Ruth Jarman

and Mrs. Mary Rogers. Wallace Center Choir was here to help us celebrate Valentine's Day with a sing along. They passed out Valentines and candy to the residents.

We had a valentine box, punch and cookies and valentines exchanged February 14.

project will not service all of the Sands area, he added. He said about seven homes would not receive the sewer line service.

The overall Sewer Treatment Plant and Sewer lines project was going according to schedule, Head said. The project should also be within the money budgeted, he added.

The council also selected April 7 as the elec-

tion date for city council candidates. Margaret Oyler will serve as the election judge. Council members Julian Mendoza, Robert Hoback and Jesse Munoz, Jr., will have terms expiring this year.

The council also accepted bids on city property. Bids were awarded to Delbert Joiner for \$1,525 for an H-50 rubber tire grader; Ralph Del Real for \$122.50 for a 1969 Chevrolet truck and

\$116.50 for a 1967 Chevrolet truck.

J. Martin Basinger's recommendation to extend his temporary mobile home permit was tabled by council. The members also passed a recommendation to authorize the sale of city hall property in the city hall building. The property will be put up for auction.

City National Bank was awarded a two year extension to serve as the

city council's depository. The council also authorized a move to approve renovations and advertise for bids on city hall renovation and painting of city buildings.

City secretary Rita Espinoza also reported that the city had collected 83 percent of the taxes through January. The total did not include taxes postmarked January 30 on out-of-town mail, she said.

"It won't pose a great deal of problems for us; but it will pose some." The presentation of House Bill 246 drew fire from one Lorraine resident, who said that the five-day rule which allows only for five absences for school activities, would result in students dropping out of school. He said the students need extracurricular activities to break the monotony of school.

The resident complained that the five days allotted weren't enough for livestock presentations throughout the state. The five-day absence day rule would also eliminate senior trips during school time, Sanders said.

The board also approved Opal Jo Blair as the election judge for the school board election April 7 at the Lions Club building.

During the presentation of the financial report, Sanders told the board that 93.42 percent of the taxes had been collected for the year. The figure was approximately \$288,000, he said.

The board also decided to refund the Lorraine Senior Citizens \$23.20 for taxing property.

Wolfpack playoff bound

By TONY FRANCO
The Colorado City Wolves are the District 6-3A Champions.

Ballinger, desperately needing a victory to have any chance of reaching the playoffs, came

to town Tuesday night looking to upset the Pack on its home court. The Pack, though, jumped on the Bearcats early and never let up to send Ballinger home for good with a 66-40 pound-

ing. Colorado City looked flawless from the first buzzer to the last.

"I had a feeling it would be a blowout one way or the other," said a joyous yet reserved coach Mike Hart.

Hart, celebrating his second district championship of his 10 year tenure, said "This one is sweeter because I learned a lot myself. They worked real hard."

"They have poise, confidence and faith," said Hart of his team, the first to win a championship since 1978.

It's hard to pinpoint the Wolves winning cause, since the team looked sharp on and controlled every aspect of the game.

Colorado City's running game was in high gear, the passing lanes opened up, the boards were totally in the Wolves possession and the defense didn't give a

thing away.

The Wolves, who led from buzzer to buzzer, put the Bearcats down early in the first quarter and Ballinger never recovered.

Deadly free throw shooting in the second quarter allowed Colorado City to slowly open up a big lead.

Colorado City came out after halftime even hungrier.

Behind a continued attack of assists and positioning for rebounds, the Wolves outscored Ballinger 16-4 early in the third quarter to put the game away.

From there it was simply a matter of watching the clock tick away on the Bearcats.

Ballinger came into the game as the leading offensive team, averaging 70 plus points per game. The Bearcats' Nichols, averaging 20 plus points per game, was held to six points by

Colorado City's district leading defense.

"I love it, every bit of it," said junior post Don Randle, who finished with a team high 26 points. "We play for

Christ and have got to give Him all the glory."

"We played more intense and really got up for the game because we knew they would be ready," said Wolf floor

leader Dennis Rivera, adding that "the victory isn't ours though, it's the Lord's."

Colorado City, now 20-5 on the year and 9-0 in district, closes out the district campaign tomorrow night (Friday) in Crane.

Scoring for the Wolves were Dennis Rivera 11 points, Doug Chitsey 10, Yardy Powell nine, Jardy Powell four and Larry Hamilton, Armando Rivera and Perry Conner two.

Congratulations Wolfpack!

SENIOR WOLF FORWARD YARDY POWELL goes up for two points on Ballinger's Aaron Keese. Powell and his teammates completely pounded the Bearcats to claim the district championship. Colorado City closes out district 6-3A play tomorrow at Crane.

Lady Wolves end season

By TONY FRANCO

The Colorado City Lady Wolves closed out the 1983-84 basketball season by thumping Ozona 68-41 at Ozona last Friday night.

Behind Laura Baum's 30 points, the Pack built a 30 point third quarter lead after accumulating leads of 20-7 after the first quarter and 37-17 at halftime.

For Baum it was a fitting end to a spectacular career at Colorado High School. Baum ended her Wolf career having played on one district championship team and finished this season with a 19-5 scoring average.

Baum has been nominated for All-Region, All-State and the Texas Association of Basketball Coaches All-Star game.

With the win over the Lions, the Wolves finished with a 13-13 season record and 3-7 district record, good for the second best record under

five year coach George Martin.

"It was an enjoyable season," said coach Martin. "It's really nice to win the last one."

"I'm really pleased with the way the season went because we felt that we accomplished some goals that were set out," said Martin.

Martin added that the girls showed character and feels optimistic about next year's returners.

Crane won the District 6-3A championship with a perfect 10-0 record. Sonora and Coahoma were to have played Tuesday night at Ballinger for the runner-up spot.

Trailing the three were Ballinger, Colorado City and Ozona in that order.

Scoring totals against Ozona were Denise Jackson 14, Lynn Scott 12, Sherry Fite four, Julie

Waid three, Traci Blackwell and Sonja Mercer two and Jody Mann one.

Fite was the leading rebounder with 14. Jackson, Mercer and Scott added 12, 10 and eight rebounds respectively.

The junior varsity Lady Wolves lost 48-30 to close their season with records of 3-15 and 3-7 in district.

The Pack fell behind early at 14-7 in the first quarter, then worked back to a 20-16 deficit at halftime, but was unable to contain Ozona's Reager, who finished with 21 points.

Priscilla Dawkins was Colorado City's leading scorer with 17 points.

Also scoring were Cheryl Bentley with three points, Diane Gregory, Jody Huff, Shana Biggs and Melanie Rees two and Sandra Williams and Kellie Beights one.

"They really learned a lot and how to play as a team," said coach Linda Mathis.

"A lot of different girls had good games for us. I really enjoyed working with them and I hope they stick with it," said Mathis.

Three overtimes add up to win for C-City Wolves

By TONY FRANCO

The Colorado City Wolves built a 10 point lead, survived a turnover ridden fourth quarter and then held on to claim a 59-57 three overtime victory over the Ozona Lions.

In the game played last Friday at Ozona, the Wolves used defense, rebounding, assists and Don Randle to take an early lead.

Randle finished the game with team highs of 27 points and 16 rebounds.

Behind Randle, the Pack never relinquished its early lead until the end of the fourth quarter. Colorado City had no turnovers in the first quarter, compared to eight in the fourth, in which the Lions outscored the Wolves 18-10 to pull back into the game.

"It was good for us to play under that pressure," said coach Mike Hart. "They got hot, but we had some critical turnovers and mistakes they converted to easy points."

At the end of regulation play, the score stood at 55-55.

In the first overtime, both teams scored one goal, with Colorado City's coming from Randle.

Both teams failed to score during the second overtime. Ozona almost won the game in the second overtime, but a Lion shot was declared too late at the buzzer.

Dennis Rivera and Doug Chitsey made one free throw a piece in the third overtime for the final score.

D. Rivera and Chitsey were also credited with six assists.

Scoring totals for Colorado City, now 8-0 in district play, were D. Rivera and Chitsey seven points, Jardy Powell and Armando Rivera six, Yardy Powell four and Ruben Rivera two.

Ozona had three players in double figures with Sanchez and Fierro both scoring 16. Sanchez was Ozona's early gun while Fierro accounted

for 10 of the Lions 20 points in the fourth quarter and overtimes.

Colorado City had defeated Ozona by 15 points in the first half of district.

In the junior varsity game, the Lions outscored Colorado City 15-8 in the second period enroute to a 37-34 victory.

The Wolves, down 26-16 at halftime, outscored Ozona 18-11 in the second half, but the comeback fell just short.

Scoring for Colorado City were Jimmy Thompson 10, Mike Ligon and Heath Blassingame six, Wylie Dakan four and Albert Rivera two.

Bulldogs end season with big victory

By TONY FRANCO

The Loraine Lady Bulldogs held the Westbrook Wildcats to only seven first half points enroute to a 67-43 victory in the season finale for both teams.

Poor shooting by Westbrook in the first half was the difference in the game.

Actually, both teams started out slow. After

five minutes of play, both teams had failed to score.

Sheila Darnell broke the deadlock by stealing a Wildcat ball and shooting a goal for the game's first score.

Loraine went on to score 11 first quarter points while Westbrook failed to score a single point.

Janie Barrera follow-

ed Darnell's lead by burning Westbrook with deadly outside shooting.

While Barrera, who finished as Loraine's high point with 27, and Leslie Rose, who had 26 herself, were getting the hot hand for Loraine, the Wildcats continued to fail to control the ball.

Westbrook scored seven points in the second period, due to continued

poor shooting, intimidation by Rose and defensive pressure from Darnell and Julie Wells.

Westbrook's offense finally made a showing in the second half.

Behind Gracie Fuentes, who had a season high 23 points, the Wildcats fell only three points further behind in the second half.

Fuentes, who scored

14 in the third quarter alone, keyed a third quarter Westbrook surge that Loraine's J. Barrera and Rose kept in check with their own shooting.

Loraine collected easy baskets in the quarter when Westbrook failed to back on defense.

Loraine let the senior ballplayers play the majority of the fourth quar-

ter. Scoring totals for Loraine, which finished with a 5-4 district mark, were Darnell 10 and Teresa Lopez and Adeline Vasquez two.

For Westbrook, which ended the season 10-13 and 3-6 in district, Evon Bradshaw scored seven points, Elena Lopez five, Gayla Cook four and Lydia Vigil and Elizabeth Burnett two.

Bulldogs beat Wildcats, in 3-way tie for district

By TONY FRANCO

The Loraine Bulldogs rode some hot shooting and Westbrook turnovers for a 69-37 victory in the last regular district game for both teams.

With the win at Bulldog gym last Friday,

Loraine finished the district race with an 8-2 record—good for a three way tie for first place with Roscoe and Highland.

The coin toss has already been held, with Roscoe being the odd man out. Loraine and Highland were to have played Tuesday night for the right to play Roscoe tonight (Thursday).

The winner of Thursday's match will enter the playoffs as the district champion.

In the game last Friday, both Westbrook and Loraine came out playing good defense, but turnovers caused by Bulldog pressure gave Loraine an 11-5 first quarter lead.

Behind some patient passing, Westbrook mounted early second period scoring. Loraine though, started to control the boards and get second shots for a 27-18 halftime lead.

The Bulldogs offense, namely James Griffin, exploded in the third quarter. Griffin and his teammates scored 25 third quarter points, while Westbrook, still turning the ball over, managed only 10.

From there, Loraine's reserves finished off the job.

Scoring totals for Loraine were Griffin 19 points, Aundra Rose 15, Tony Morris 10, Ruben Garcia nine, Landy Smith eight, Ricky Banks four and Tommy Munoz and Freddie Benitez two.

Griffin, Smith and A. Rose finished with 12, nine and seven rebounds respectively.

For Westbrook, which finished the season with a 10-13 record and 3-6 in district, Donald Burnett

Program on diet presented to Baumann TEHA Club

The meeting was called to order by the president, Bernice Hallmark when the Baumann TEHA met in the home of Mrs. Pauline Smiley at 2:30 p.m. Tuesday, February 7th.

Mrs. Hallmark led the club prayer and Mrs. Vada Preston directed a quiz in leading the recreation. Roll call was answered by each giving "The most cheerful place in my home." Minutes were read by Mrs. Lynn Compton and treasurer's report given by Pauline Griffin. Clara Butler gave the Co-

uncil report. Lynn Compton brought the program on "Fat's in the Diet." She stated too much fat in the diet not only causes one to gain weight, but stops up the arteries, and caused trouble there.

She said in buying meat, select lean cuts, low marbled fats, trim off fats before cooking and after cooking let set and skim off fat that rises to the top. Some of the hints in buying meats are USDA Good. It has less fat and is said to be 90 percent

lean. Ground beef has less fat than hamburger. Veal and calf are low in fat, but pork and lamb should be selected carefully, avoiding fat cuts. Poultry has less saturated fat than beef and lamb and its better to move skin before cooking.

Fish is a good selection because the fat is polyunsaturated. Duck and geese are high in fat and two eggs should be a limit for a week. Then there is fat in bread, limit yourself. She suggested that you read labels in purchasing ce-

reals, etc. Fruits and vegetables are very necessary in your diet and she said for a healthy body, limit your fat intake if you are trying to lose weight or thinking of a healthy body.

The next meeting will be at Vada Preston's on February 21st.

Refreshments were served by the hostess to Mrs. Clara Butler, Lynn Compton, Era Mae Cornutt, Mable Givens, Pauline Griffin, Bernice Hallmark, Stella Harris, Cullen Payne, Vada Preston, Gertrude Simms and Inez Webb.

Munoz achieves good WTC record**Patricia Munoz**

Interests that Patricia Munoz began developing as a student at Lo-

rairie High School influenced her to choose an Office Careers specialization at Western Texas College where she is an outstanding student.

Patricia has chosen a Legal Secretarial Studies major at WTC and will be graduating with the Associate in Applied Science degree in May. She has achieved an enviable scholastic record at WTC during the past three semesters, having been named to the Dean's List twice

and to the President's List for the 1983 fall semester. She is also a member of the Psi Zeta chapter of Phi Theta Kappa, a national honor society for students in junior and community colleges.

In addition to a full class load, Patricia works part-time at Perkins Drug Store in Colorado City. On a typical day, she attends classes and works in labs at WTC in the mornings, then spends her after-

noons at work.

Miss Munoz says that typing was one of her favorite courses in high school and credits her teacher, Iris Preston, with offering encouragement in addition to regular classroom instruction. Patricia participated in typing, shorthand and spelling competition in UIL events, and all these subjects have been helpful to her at WTC.

One of the courses Patricia is taking this semester is word processing taught by Jo Ann Noble.

"Patricia is a very dependable student," Mrs. Noble commented. "She turns out good quality work and it's a pleasure to see her developing her skills."

Word processing students at WTC have the opportunity to work on the IBM 50 Memory Typewriter, the Wang System 30 Word Processor and the Commodore 8032 Micro-Computer with Word Pro 4 software. Word processing equipment had made major changes in the operation of a modern office, Mrs. Noble says, and she recommends it for all students interested in office careers.

Miss Munoz is also studying Business Law, Accounting, Business Communications and Legal Applications this semester.

Patricia is the daughter of Manuel and Rita Munoz, and is their third daughter to attend WTC. Her two sisters, Margaret and Martha, are currently students at Angelo State University.

VFW Post, auxiliary furnish cupcakes

Strawberry cupcakes decorated with white icing and red hearts were furnished by the Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary to some 95 Senior

Take home cupcakes were given to the birthday honorees. The ten main dining tables were decorated with centerpieces of white tree branches, red hearts and cupid.

Helping with the project were Ann Ingram and Irma Ann Thomas.
