Friends Of The Library Will Make Annual March For Funds Monday

On Monday, October 8th at 6 p.m., the friends of the Library will begin a fund drive, with people going door-to-door to ask for contributions for support of the library for another year. The City of Rotan and Fisher County both help support the library, as is required if our library is to be a member of the Big country System, but half of the money it takes to run the library comes from donations and memorials, so each gift is very important and is appreciated.

The first month that the library was open, April of 1979, there were 30 books checked out. In contrast, the figures for the month of August this year were: 455 adult books checked out, 237 children's books, and 109 non-book materials.

There have been, as of August 31st, 1,427 membership cards issued to persons in Roby, Rotan and the surrounding area, since the library opened. Last year, 218 students visited on library tours or as classes working on projects or reports; storytime attracted another 263 children; 260 films and filmstrips were shown to a total of 9,537 persons, either at the library or at one of the schools or churches in the area; and the book circulation was 8,944, of which 3,069 books were checked out to young people.

The library is a good source of practical information and entertainment for young and old, so when the marchers come to your door, remember - it's your library, use it and support it!

Woody's Country Kitchen Will Open In Late October

A new restaurant is scheduled to open in Rotan later this month. It will be known as Woody's Country Kitchen and will be owned by Woody and Nell Crawford. The new eating establishment will specialize in bar-b-que and will be serving both a noon meal (cafeteria style) and an evening meal.

Hours for the new restaurant will be 11:00 a.m. until 2:00 p.m. for the noon lunch run and from 5:00 p.m. until 9:00 for the evening meal run. The restaurant will be open Thursday through Monday, closed on Tuesday and Wednesday. Sunday schedule will see the facility open only during the noon lunch period.

The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Zone 1 current director of the Upper Clear Fork is Steve McCall, Secretary, Rotan, Texas.

The purpose of the Upper Clear Fork SWCD, with headquarters in Rotan, Texas is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

All conservation programs managed by the district are of a voluntary nature to the landowners or operator.

President's Farm Credit Plan May Help Locally

President Reagan's farm credit initiatives to reschedule portions of loans for some financially stressed Farmers Home Administration (FmHA) borrowers and to guarantee loans of some other borrowers may help farmers in Fisher County, FMHA County Supervisor, John B. Smith said today.

Annual reviews of FmHA farm loans will soon begin, Mr. Smith said. A major priority of the reviews will be to determine which farmers in Fisher County will qualify for a rescheduling of part of their loans for up to five years.

The President's plan permits up to a five-year deferral, with no interest payments, for as much as 25 percent of a loan, up to $100,000, for FmHA borrowers who are experiencing sever financial stress and who show promise of success with a temporary economic boost.

Under the new guarantee plan, FmHA will be able to guarantee a loan in severe difficulty if the lender is willing to write off at least 10 percent, up to the amount necessary to give the borrower a positive cash flow. The borrower must meet general eligibility criteria for FmHA farm operating and ownership loans.

Read 1 Timothy 4:6-16

The sins of some people are plain to see, and their sins go ahead of them to judgment; but the sins of others are seen only later. In the same way good deeds are plainly seen, and even those that are not so plain cannot be hidden.
—1 Timothy 5:24-25 (TEV)

ON May 22, 1933, President Franklin D. Roosevelt opened Chicago's Century of Progress Fair in a novel and meaningful way. He pushed a button connected to a beam of starlight which had left the distant star of Arcturus, brightest in the constellation of Bootes, during the Chicago World's Fair of 1893. The 40-year-old light rays from Arcturus provided the energy to actuate the switch that turned on the lights of Chicago's 1933 World's Fair.

Like the light from Arcturus, our actions have far-reaching consequences. These consequences go beyond the immediate present. Realizing this phenomenon can affect us in two significant ways. First, we need not be unduly discouraged if our deeds are not recognized and appreciated as we feel they ought to be. Second, we can live so as to have maximum positive impact on society today—and 40 years from now.

PRAYER: **Dear Lord, help us to live so as to light the way for others today and for years to come. Amen.**

Hustling Around Hobbs

What a good week we have had, with a real much needed rain which seemed to be pretty general. Then we had a cool spell, and it was absolutely wintery two or three days. We had a fire in the fireplace, both Friday and Saturday nights, and it felt good. Yesterday (Sunday) was perfect weather though, just right, and maybe now we are going to have some nice Fall days, hope so. That going from Summer to Winter in one day, was most unusual.

Mr. and Mrs. Billy Carter and two boys from Brownwood visited Saturday and Sunday with Mr. and Mrs. J.C. Cave. They also visited with Mrs. Edd Carter in Roby and she was at the Caves on Sunday and ate supper with them.

Morris Hardin from Lubbock spent Sunday and Monday of last week with his mother, Mrs. Bea Hardin. Wendy Hardin from Abilene came after Bea on Firday and Bea spent both Friday night and Saturday visiting with her in Abilene. They attended the West Texas Fair and rodeo Friday night. Bea and Mrs. Opal Phillips went to visit with Mrs. Sue Houghton on Tuesday of this week, and then they both attended the funeral of Denise Clayton in Roby on Thursday. Kennith and Barbara Hardin ate dinner with Bea on Sunday.

Our heartfelt sympathy goes out to Mrs. Sue (Miers) Houghton on the death of her granddaughter, Denise Clayton, who was killed in an automobile accident Monday in Boca Raton, Florida. Denise was the daughter of Jamie (Miers) Clayton, who at one time used to live in this community with her parents, Mr. and Mrs. Joe Miers. Jamie is a former press secretary of U.S. Rep. Charles Stenholm serving in his Washington office from 1979 until 1984 when she moved to Florida. Jamie is also a former Abilene Reporter News farm editor. Our sincere sympathy goes out to her and the remainder of the family.

Mrs. Opal Phillips went to Abilene last Monday and took Mrs. Frank Hackney to the plane and she flew back home to Greenville. She had been staying with Opal for the past two weeks; she is Opal's sister and they really enjoyed their visit. Mr. and Mrs. Wayne Jones and baby from Big Spring visited for a short while on Sunday with Opal. They had been here visiting with the Porters and Wrights in this community.

Jim and I went to Snyder on Tuesday and did it rain there? We also went to Ennis Creek for a short while that evening and it was raining so hard out that way, we could hardly see the road. Thursday we went to Abilene for the day, and then on to Cylde that night to watch the Junior High and Junior Varsity football games. It was so cold that night, we used blankets, heavy coats and everything we could find to try and keep warm. Friday we skipped going to the ballgame at Rotan as it was so cold and damp. Saturday afternoon we went to Ira and attended their 10th Homecoming. They sure had a big crowd and we got to visit with lots of old friends. Jim went to school at Ira before they moved out here to the Hobbs community. Ira has built a beautiful new gym and a number of new classrooms. Mark and Melody were in Fort Worth this weekend for the Barrel Racing Futurity. Melody rode one of our young mares in the Open Jackpot and was sure pleased with her run, placing 2nd. Mark rode in the Maturity on Friday night. We had planned on going but just weren't able to leave the wells Jim pumps for that long.

Well, this is all for this week. See you next Thursday.

Card of Thanks

We would like to express our sincere thanks and appreciation to everyone, who in anyway, helped Valorie during her long illness and for all the prayers you offered for her. This was a trying time, without friends and neighbors such as you, this would have been more difficult.

Again we say thanks to all who had a part in a beautiful funeral service. For the flowers, food, to the ones who served it, visits, the words of comfort and concern. All these gestures made our sorrow easier to bear.

Tax Planning by James Rodgers, CPA

AMENDING TAX RETURNS

In 1983 approximately two million taxpayers filed amended returns for prior years, in most cases to get refunds of taxes they had previously overpaid, often because a deduction had been overlooked or some other error was discovered which resulted in an overpayment.

Millions of other taxpayers did not file for refunds because they were either afraid of the complexity, had not kept adequate records, or because the deadline had passed for filing a claim or because they were afraid of triggering an IRS audit for that year or other years. In other words, a "don't rock the boat" feeling commonly prevails.

There is much to be said about most of these reasons. They may be perfectly valid and perhaps amended returns cannot or should not be filed. However, fear of the complexity of filing is not a valid reason.

Generally, an amended return must be filed within 3 years from the day the original return was filed, or 2 years from the time the tax was paid, whichever is later. Any returns filed after April 15th are treated as if they were filed on that date. The 3 year deadline is extended to 7 years if the claim is based on a bad debt or on worthless securities, and is extended to 10 years when credit for foreign taxes is involved.

If you believe that your prior years return should be amended, discuss the options with your tax advisor.

Roby Lions Win First Game Of Season Over ACHS

The Roby Lions earned their first season victory, 32-6, over the Abilene Christian Panthers, Friday night in Abilene.

The Lions began their first touchdown drive early in the second quarter of play.

Unable to move the ball during the first set of downs, a five yard penalty against the Panthers gave Roby a fourth down and five at their own 41 yardline.

The Lions were able to move the ball for another first down, but were once again stalled at the line of scrimmage. On a second down, Benny Carreon handed off to Lance Green, whose 40 yard run earned the Lion's their first touchdown of the game with 8:29 left in the first half.

Abilene Christian returned the ball to the Panther 44 yardline when the ball was put back into play by Nyle Field.

Crucial tackles by Danny Carreon, Ricky Spencer, Rodney Green, Lance Green, Benny Carreon and a sack by Nyle Field on Panther quarterback Nathan Headrick, put the ball into the Lion's hands with only 1:11 left on the clock.

Roby moved the ball quickly from their own 48 yardline to the Panther one yardline. The ball was intercepted just as the clock ran out on the first half of play.

A Panther penalty cost ACHS a 15 yard loss, putting the ball at their own 15 yardline. A Pache Parks sack left the Panthers at fourth down and twenty five at their own 10 yardline. On the punt return, a bad snap and late kick by the Panthers set the ball into the hands of Nyle Field at the ACHS 35 yardline. Field ran, unobstructed, across the line to up the score, 12-0 Lions, only one and a half minutes into the second half.

The Panthers regained control of the ball at their own 32 yardline and quickly moved the ball into Lion territory. Stops by Jeff Morton, Rodney Green, Benny Carreon, Nyle Field and Mike Meek prevented the Panther offense from penetrating the Roby 19 yardline.

The Lions earned three first downs in only one minute of play, late in the third quarter. Danny Carreon earned the second first down after carrying the ball out to the Lion 40 yardline. A facemask penalty against the Panthers gave Roby another first down in the middle of the field. At third down and one yard, Benny Carreon was brought down behind the line after volleying the ball with Danny Carreon.

John Shipp, Lance Green and Pache Parks prevented the following Panther possession from lasting more than one minute, 20 seconds and allowing the Panthers only three yards of turf.

Lance Green brought the ball from the Roby 37 to the 50 yardline in two plays. A holding penalty against Abilene Christian brought the ball into Panther territory at the 36 yardline as time ran out in the third quarter.

An offsides penalty against the Panthers took the ball closer to the goal after the fourth quarter clock began. Lance Green and Danny Carreon carried the ball to the ACHS two yardline. Danny Carreon found a slot and gave the Lions six more points with 9:08 left in the game, the score: 18-0.

The Panthers only score of the game resulted on the kick return. Panther John Gilbreth returned the ball and did not stop running until the score became 18-6, Lions. Pache Parks prevented the conversion attempt from yielding more Panther points.

On the following first down at the Lion 43 yardline, Lance Green once again flew down the field, widening the point spread once more, Roby 24, ACHS 6.

Jimmy Carreon and Benny Carreon brought down Panther Chris Anderson at the Roby four yardline on the kick return. The Panthers lost yardage steadily before returning the ball. The Lions steadily lost yards on their own possession until Nyle Field, Jeff Branson, and Benny Carreon gained a few defensive yards earned on sacks.

Lance Green returned a Panther punt 60 yards for yet another Lion touchdown. Danny Carreon completed a successful two point conversion to seal the win, 32-6 with 2:17 left in the game.

The Lions will travel to Throckmorton this Friday for a chance to make their season record 2-3.

Share The Fun Helping 4-Hers Enjoy Program

By Mary Lee Hicks

4-h has taught me a lot of things. One of the best projects that I have benefited from, is Share-the-Fun. Share-the-Fun is a lot of hard work, but in the end, it's all worth it. In Fisher County, Share-the-Fun consists of nine people from Rotan and Roby. You're asking, "What is??? Share-the-Fun"? It's a little skit, or musical or anything you want it to be. It's just great and it's a great way to learn that Roby and Rotan *can* be friends!

Rotan To Play Bangs On Saturday

Rotan's varsity football team had a hard time maintaining possession of the ball Friday night and it cost them a 34-10 decision to the Clyde Bulldogs.
Early in the first quarter, a fumble by Rotan set up a Clyde touchdown to put Clyde on top 6-0. Rotan's next possession tied the score when Charles Williams ran the ball 15 yards for the touchdown bringing Rotan up to tie Clyde 6-6. Clyde started a drive from the kick-off by Rotan to score again and put them in the lead 13-6. Clyde lengthened their lead when they intercepted a pass on their own 49 yard line and put it in for the touchdown 7 plays later making the score 20-6. Late in the second quarter Clyde intercepted again to score from the 50 yard line to put out in front at 28-6. Clyde's final score came late in the third quarter when they marched down the field from the 45 to put it in the end zone making the score 34-6. Rotan managed to score twice on safeties. The first one came when Clyde tried to punt and was run into their own end zone to make the score 34-8. Rotan got a second safety when they marched down the field to Clyde's 2 yard line and fumbled. A member of Clyde's team recovered the ball and only 4 plays later Clyde was again run into the end zone to bring up the final score of 34-10.
The Rotan team will travel to Bangs this Saturday to take on the Bangs Dragons.

YOUR Independent Insurance AGENT

If you rent your home or apartment, you may not be properly insured. About 80 percent of renters carry no property or liability insurance, perhaps assuming that a landlord's coverage protects them. It doesn't.

In addition to covering the loss of your property in case of fire or theft, renter's insurance may pay for excess living expenses if your home is uninhabitable after the loss, and protect your household while you are on vacation.

Most important, your tenant's policy offers liability protection in case you damage the property of others or cause them injury: if your child's baseball goes through a neighbor's window or a guest slips on a rug.

Most insurance pays current cash value. It's wise to pay a slightly higher premium and insure for replacement cost.

Certain expensive items--jewelry, furs, silverware, fine art--must be scheduled on a personal articles floater, because standard tenant's policies have limits on these items.

Make sure you and your belongings are covered. Talk over your insurance needs with the experts at:

Coach Gorman Comments

After last Friday's loss to Clyde the Hammer football team has dedicated themselves to turn things around Saturday night against the Bangs Dragons.

Again, we did not play a complete game against Clyde. The second half effort was indicative of how the Hammers can play. We must concentrate on having that effort the entire game. Saturday night the Hammers will have that effort and aggressiveness the entire game.

The past is history and this week will mark the turn-a-around of this football team. We're looking forward to having a total ballgame against Bangs. The players realize that there is no easy way to win. Every ballgame is different and it is going to take concentration and hard work all week to get over-the-hump.

Bangs will have the quickest team we have faced all year. Their aggressive play on defense has only allowed 57 points all year. And not more than 2 T.D.'s in any game. But Bangs has not played a team who can match their quickness like the Hammers can. We are looking forward to having a strong offensive showing Saturday night. Offensively, Bangs has only scored 15 points all year. We know they are capable of scoring and it will take a great, aggressive effort from our defense to shut them out.

Bangs has an experienced team with 8 seniors starting on offense and 7 seniors starting on defense.

We are expecting our defense to show improvement in stopping the big play. This is our major area of concern on defense and one area that must improve.

We as coaches and players would like to see a strong following in Bangs. The Hammers need your support all week and on Saturday night.

This Thursday the Junior High will play at Roby at 5:00. There will be no Junior Varsity game Thursday night.
