## Another Venire Ordered In Rebecca Rogers Trial Reunion Of Confederate, Union Vets Endorsed Here

### Southern Officer Starts Movement On Visit In City

Richard Sneed, Commander Of Veterans Of Confederacy, Guest Of Daughter Here, Makes Proposal

### Hoover Favorable

Message Is Sent To Head Of Union Veterans Group In National Encampment At Portland, Maine

ENDORSEMENT of a proposed reunion of veterans who fought in the northern and southern armies in the civil war was made yesterday by Richard A. Sneed, of Oklahoma City, commander of the Veterans of the Confederacy, who is visiting in Lubbock at the home of his daughter, Mrs. Fred Snyder, 2221 Sixteenth street.

The endorsement was contained in a message sent yesterday from this city to Edwin H. Pitcher, of Baltimore, Md., commander of the Maryland department of the Sons of Union Veterans, who is in Portland, Maine, at this time with the national encampment of G. A. R. It was the first official communication in history from a commander-in-chief of the United Veterans of the Confederacy to be addressed to an officer of an allied order of the Grand Army of the Republic at an encampment.

Sentiments of South  
"I feel I am expressing the sentiments of every true son of the south when I endorse most heartily your plan to promote a reunion of the Blue and the Gray," read Mr. Sneed's message. "As a united people, loyal to one flag, we could not and do not intend to permit a better example of true patriotism."

### War Developments In China Unknown

Telephonic and Telegraphic Communication To Area Completely Disrupted To Hide News Of Struggle

(By Associated Press)  
LONDON, Sept. 10.—Complete disruption of telephonic and telegraphic communication with Peking and Harbin tonight from the world's news agencies in the struggle for possession of eastern territory of the Chinese Eastern railway.

Telegraphic and radio stations at Harbin, as well as the railway station were destroyed in the most continuous fighting between Russian and Chinese troops over the border.

Villages Bombaraded  
Chinese officials asserted that as a result of Russian aerial bombardments villages had been reduced to anarchy.

The Chinese vigorously bombard Russian warships which were reported to have attempted to run the blockade at the mouth of the Sunriver in order to penetrate the port of Manchuria.

Several hundred Russians arrested in charges of subversive propaganda of obstructing operations of railway, are held in detention near Harbin.

### Beauty Winner

She's the queen of Chicago's Mexican colony Yolanda Diaz, whose home in Mexico is at Durango, the native city of Ramon Novarro and Dolores Del Rio, cinema stars, was named the prettiest and most popular Mexican girl in a recent contest. She is 19 and has lived in Chicago two years.

### British Hope To Beat Six Miles A Minute In Races

Seaplane Pilots Are Not Satisfied With Record Of Flying Faster Than Man Ever Did Before

(By Associated Press)  
CALSHOT, England, Sept. 10.—Not satisfied with the fact that two of their number today flew faster than men ever had flown before, British seaplane racing pilots tonight had under consideration fresh attempts for Thursday.

Squadron Leader A. H. Oriebar, captain of the British Schneider Cup team, sped over the three kilometer straight-away course twice today at a speed exceeding six miles a minute with a maximum on one leg of 368.8 miles an hour. The average for the four laps, two in each direction, which constitutes the new world record, was 355.825. He used the Super-Marine Rolls-Royce 8-6 which last Saturday won the Schneider trophy for England.

Records Bettered  
Flight Lieut. G. A. Stainforth, in a Golden Gloster Napier, six average 336.3 miles an hour. Both marks were considerably better than the new record made in the Schneider Cup races last week.

### WARNS ON STOVES

Rubber Hose Ordinance Is Pointed Out Here

In view of approaching cold weather, L. H. Simpson, Lubbock city fire marshal, issued a warning today with reference to connecting gas stoves in the mercantile district of the city.

"A city ordinance provides that in case a rubber hose is used in connecting a gas stove that there should be but one cutoff, which should be at the point where the pipe and hose are connected," he said. "No rubber hose used shall be more than five and one-half feet in length."

### Polish Count, Held For Deportation, Charges Pen Warden With Swindling

(By Associated Press)  
NEW YORK, Sept. 10.—Count Albert Siochowski, Polish adventurer, today obtained a writ of habeas corpus in an effort to get released from Ellis Island, where he is held for deportation, and go back to California and prosecute claims for more than \$200,000, of which he charges he was deprived while under investigation and in prison there for the last nine years.

In support of his application the count made sensational charges against the district attorney's and sheriff's offices in Los Angeles and against one whom he described as "a Mr.

Auto Caravans Plan To Cement Towns' Friendship

### New Tariff Bill Resolution Gets Solons' Approval

Simmons Measure Directing Finance Committee To Obtain Treasury Data Is Voted Almost Two to One

(By D. HAROLD OLIVER Associated Press Staff Writer)  
WASHINGTON, Sept. 10.—By a vote of almost two to one the senate today adopted the Simmons resolution directing the finance committee to obtain from the treasury data from income and capital stock tax returns for use in consideration of the tariff bill.

The resolution, which was introduced by Sen. Simmons of North Carolina, ranking democrat on the finance committee, and amended on the floor calls for presentation of the profits, losses, wages, officers' salaries, cost of production and other related statistics contained in the tax returns of domestic manufacturers and importers.

Sponsors of the resolution assured its opponents that no abuse would be made of the privilege thus accorded.

After its adoption Chairman Smoot moved that the tariff bill be laid aside temporarily for argument on the priority of the Norris resolution calling for an immediate showdown in the long-pending Vercor case.

### Matador Club To Meet Here Friday

With the greatest season in the history of Texas Tech football looming in the future, members of the Matador club, organization of Lubbock football fans, will hold their first meeting of the year on Friday night at 7:30 in the offices of the Lubbock Chamber of Commerce.

### Crop Yield Shown Below Last Year

Widespread Drought During August Causes Decrease Of Nine Per Cent Under 1928, Estimate Reveals

(By Associated Press)  
WASHINGTON, Sept. 10.—Due to widespread drought during August, crop yields are expected to be 9 per cent below yields of last year and 6 per cent below the average during the preceding ten years.

The department of agriculture today announced the condition of corn on September 1 was reported 67.9 per cent of normal or about 11 points below that on August 1 and about 10.5 points below the per cent reported a year ago. The condition of corn in Texas was estimated at 80 per cent, with a probable production of 11,550,000 bushels.

The 1929 wheat crop was estimated at 786,000,000 bushels, which is 13 per cent less than the 1928 crop and 3 per cent below the average of the preceding five years. The present estimate is about 12,000,000 bushels greater than the forecast a month ago, all of the increase being in Durum and other spring wheat. No estimate was made for winter wheat as of September 1.

### B. C. D. Seeks Man To Carry Exhibits

The Lubbock Board of City Development is seeking a man to carry the exhibits of the South Plains fair visitors in Tulsa and Oklahoma City.

A man who can represent the Panhandle-South Plains with exhibits in both those cities is wanted at once. Application is to be made at the office of the chamber of commerce.

The fair will be held in Tulsa September 14 to 22, inclusive and in Oklahoma City September 21 to 28, inclusive. A truck with all exhibit equipment will be provided, and will later appear at fairs in Muskogee, Dallas, Houston and Beaumont.

All expenses will be paid for the individual who will take charge of the displays. Board of City Development officials point out that they want a representative man, who can talk the South Plains intelligently and who is willing to take advantage of the opportunity of acquainting himself in several cities.

P. F. Murray, of this city, is now representing the Panhandle-South Plains, with exhibits at Topeka and Hutchinson, Kan.

### Faces Charges

Latest photo of Mrs. Lois Pantages, wife of Alexander Pantages, Los Angeles vaudeville king, as she appeared in a Los Angeles court where she is on trial for second degree murder. It is charged Mrs. Pantages drove her car into that of Juro Rokumoko, a Japanese, while under the influence of liquor, causing his death.

### Murder Trial Of Mrs. Pantages Is Resumed Tuesday

Wife Of Theatre Magnate Charged With Killing Of Japanese In Automobile Collision While Drunk

(By Associated Press)  
LOS ANGELES, Sept. 10.—At the resumption today of the trial of Mrs. Lois Pantages, accused of causing the death of Juro Rokumoko, Japanese, in an automobile collision, county attorney J. P. Wagner testified that the victim died of shock caused by his injuries.

The wife of the theatre magnate Alexander Pantages, is being tried on a charge of second degree murder.

Sticks To Story  
Under cross examination by Max Steiner, New York attorney who is directing the defense, Dr. Wagner refused to admit that an anaesthetic used in an operation to save the Japanese life, might have caused his death.

Harry J. Ledebink, another state witness testified that Mrs. Pantages was under the influence of liquor at the time of the accident.

Course Described  
He described on the stand the zig-zag course of the woman's car when she stalled her car, the witness said, he stayed by her car and saw her slumped over the driving wheel pumping the accelerator up and down.

### Grand Jury Here Returns 16 Bills

Following the returning of nine more indictments late Monday, the grand jury of the September term of 99th district court returned an additional 16 Tuesday. These mostly covered violations of the prohibition laws with several bills for burglary and forgery. The additional sixteen makes a total of 34 returned.

Noticeable in the indictments returned by the present grand jury is a decreasing number of charges of violation of the prohibition law. A far greater number were listed at the previous session.

### Bare Leg Fad Of Modern "Flapper" Is Banned By Local School Board

EYES UP follows—bare legs are on the ban.  
Lubbock high school girls, of both junior and senior grades, will wear the full length stockings while the more modern "flapper" ankle goes into the discard.

The reign of "cooler and freer dress" went the way of the "Vanishing American" when the school board lag for the opening of the 1929-30 session. Summer fashions of bare legs and "sultan" dresses were laid away and the more conventional feminine attire brought to light.

Such was the order of the school board of the Lubbock Independent School District who declared that if, after a first warning, any girl persists in attending school without stockings, she is to be sent home.

"We have never had to send a girl home for breaking this rule in senior high," stated Miss Nell Parney, dean of girls. "After a first warning we have had no more trouble."

Replying to a question last night regarding the rule, M. H. Duncan, superintendent of schools, stated: "I have nothing whatever to say. I know nothing about the rule and have not authorized its enforcement."

### Wintry Blizzard Makes First Visit Of Season To North Texas On Tuesday

Initial Norther Is Felt After Rains Drench Section

TOGETHER with a cold wind driving in from the north, a drizzling rain fell most of Tuesday in Lubbock and vicinity sending the thermometer down several degrees and giving a touch of winter to the air.

Following soaking rains throughout the South Plains over the weekend, 13 of an inch fell in Lubbock Monday night and Tuesday while other sections reported even heavier falls. Precipitations were reported in all parts south to Lamesa and north to Amarillo. Bus schedules were running behind time from practically all directions and reports stated the highway between Slaton and Post almost impassable.

Routes Passable  
No other routes are impassable, according to reports at the union bus terminal. Roads to Amarillo and Wichita Falls are extremely heavy. Temperature in Lubbock yesterday reached a minimum of 51 degrees and a maximum of 57.

(By Associated Press)  
The season's first norther, not severe but genuine, whistled blithely across Texas yesterday. Here and there rain fell heavily in some sections bringing the attendant possibility of flood damage in at least one place.

In the Colorado vicinity, the river of the same name was on an 18-foot "rise" and nearby creeks were out of banks. The Wichita Falls and Gainesville areas, in addition to being in the apparent center of the sharp temperature drop, were saturated. At Wichita Falls, the lowest thermometer reading was 57 degrees.

Fort Worth had a minimum temperature of 60; Austin 70, with some rain; San Antonio 75; Waco 68; Galveston 80.

The Rio Grande valley remained warm and the Gulf coast area weather likewise was moderate.

"We feel that the railroad will react favorably to the proposition and make this concession."

Farmers Make Request  
The effort to obtain construction of the grade crossing follows a request by farmers on both sides of the railroad for such a project. The Farm Bureau is being aided by industries of the city and private individuals.

The next step in the case awaits action by the division superintendent at Slaton.

### Mob Kidnaps And Flogs Union Man

Organizer Of Labor Group And Two Members Taken By Mob Following Parade In Gastonia Tuesday

(By Associated Press)  
CHARLOTTE, N. C., Sept. 10.—One man kidnaped and flogged, two others kidnaped and a large quantity of communistic literature destroyed was the net result today of a parade of Gastonians which started as a patriotic demonstration and ended in raids in National Textile Workers' Union headquarters in Gastonia and Bessemer City and the International Labor Defense headquarters in Charlotte.

The kidnaped men were dumped beside a country road 50 miles from the place where they were seized last night and made their way back to Charlotte nine hours later. Their appearance in a police station at Concord, N. C. early today and return to Charlotte this morning was the first definite word that any persons had been attacked by the crowd.

While part of the crowd was raiding communist and union headquarters another section, said to number fifteen men, kidnaped Ben Wells, union organizer, and C. M. Lell and C. D. Salvers, union members at Gastonia. The trio was taken to a point five miles north of Concord on a lonely road and there Wells was flogged.

### Drilling At Test Well Is Continued

(By Associated Press)  
LEHMAN, Sept. 10.—Drilling at the Marland Oil company's number 2 test well was being continued late today at a depth of 4,941 feet and efforts are being made to gain control of a strata of water encountered Monday. The well is located five miles southwest of this town.

Water standing in the hole today has been estimated at about 200 feet, while there also is about 1,000 feet of oil yet in the hole.

The oil, discovered in gray lime, has been gradually subsiding since Sunday, when 2,000 feet of oil was reported standing in the hole.

### PROBE FOSHEE CASE

Grand Jury To Investigate Lovelland Slaying  
(By Associated Press)  
LEVELLAND, Sept. 10.—Investigation of the case of B. A. Foshee, 34-year-old Hockley county farmer, in jail charged with murder in connection with the fatal shooting of Elmer Wright, 33, his neighbor, will be started here tomorrow when the grand jury of the 72nd district court convenes after having been recessed since September 3.

Judge Homer L. Pharr issued an order yesterday for the grand jury to reconvene Wednesday, and should Foshee be indicted, his trial probably will begin next week. No bond has yet been set.

### WEATHER CLEARING

BIG SPRING, Sept. 10.—(AP)—In a special weather report telegraphed here today to the string committee for Big Spring's air file Wednesday and Thursday "clearing weather and a higher ceiling" was forecast for the event by Dr. J. L. Cline, Dallas meteorologist. Today was cloudy with some rain falling.

### Public Interest Grows In Fourth Robbery Hearing

Nine Jurors Accepted From Panel Of 121 Men After Defense Exhausts All 15 Per Emptory Challenges

### Becky Unconcerned

Courtroom Is Crowded In Late Sessions As Twenty-Four-Year-Old Defendant Awaits Jury Completion

(By Associated Press)  
NEW BRAUNFELS, Tex., Sept. 10.—A new venire of 50 men was ordered to appear tomorrow in the bank robbery trial of Mrs. Rebecca Brandler Rogers as tonight's court session was adjourned.

From the original panel of 121 nine jurors had been accepted. The defense, scrutinizing every prospective juror and asking his opinions carefully, had exhausted all its 15 peremptory challenges. The state had used seven.

Public Interest Grows  
As the picking process went on public interest in the 24 year old defendant, who dared death in December 1926 by holding up two employees of the Farmers' National Bank of Buda, Texas, with an empty pistol, grew stronger. The courtroom, almost empty during the morning hours, was filled later in the day by spectators, many of whom were women of about the same age as Mrs. Rogers, who will plead insanity in this her fourth court appearance.

"Becky," looking hardly more than 17, appeared the least interested of any of the principals as state's counsel, headed by District Attorney Fred Bundell, who once had persuaded a jury to sentence her to 14 years only to have the judgment reversed, and her youthful defense staff carefully drew from the veteran men their attitudes toward law enforcement and insanity as a defense.

At one point, the former co-ed outwardly was more engrossed in removing a speck of dust from the

### Body Of Robison Returned To Soil

Funeral Services For Aged Land Commissioner Held In Austin Tuesday With Dallas Pastor In Charge

(By Associated Press)  
AUSTIN, Sept. 10.—The body of J. T. Robison, commissioner of the general land office, was returned to the soil of his native Texas today.

In the presence of justices of the higher courts, state officials, and men and women from all walks of life and many parts of Texas, funeral services for the veteran commissioner were held by Rev. W. D. Bradford, of the Southern Methodist university of Dallas.

Buried In Family Plot  
The body reposed in the senate chamber of the capitol from 10 a. m. until 2 p. m. when it was removed to a funeral home, where the services were held at 5 p. m. Burial was in the family plot, where are

Pool In Oklahoma Only One To Show Boosts Last Week

Decrease Revealed In The Estimated Daily Average Production Of Crude Oil In United States

TULSA, Okla., Sept. 10. (P)—Bolstered by continued increase in the Oklahoma City pool, Oklahoma was the only major area in the United States during the week ending Sept. 7 which reported an increase in its estimated daily average production of crude oil.

Gain Shown Gulf coast heavy oil gained approximately 4,000 barrels, eastern light approximately 6,000.

In the California area the deep drilling pool at Santa Fe Springs dropped precipitously approximately 21,000 barrels in its daily average.

Total estimated daily average production for the country for the week ending August 31 was 2,970,164 barrels approximately 5,000 barrels below the mark set for the preceding week.

Dr. Eckener Meets His Peers

The world's most famous flyer, Dr. Hugo Eckener, commander of the globe-circling Graf Zeppelin, and Col. Charles Augustus Lindbergh, America's "Lone Eagle" are shown above as they met in Cleveland, O., during the National Air Races when Dr. Eckener was the honor guest on the scheduled closing day.

Just before taking the air to perform their stunts, the army and navy ace stunted solo while Col. Lindbergh took to the air with Lieutenant Kivette and O'Brien, members of the navy's famous "Nine High Hats," for thrilling maneuvers.

Aerial Jamboree Starts Today At Big Spring Port

Entire Population Joins In Plans For Greatest Program In City's History; To Dedicate Airport

(Special To The Avalanche) BIG SPRING, Sept. 10.—All Big Spring was busy today preparing for the biggest celebration in the forty-six years of its history, the aerial jamboree with which it will dedicate its new airport Wednesday and Thursday.

Reception Planned Literally every man, woman and child who goes to make up the town's 12,000 population was working at top speed to get ready for the reception of the 12,000 visitors and more than fifty airplanes expected here during the two-day celebration.

Air Explorer Weds Stage Star

Captain Sir George Hubert Wilkins, daring Australian aviator and explorer, who flew over the top of the world in 1928 and who circled the globe with Dr. Hugo Eckener on the Graf Zeppelin, snatched with his bride, the former Miss Suzanne Bennett, one-time Broadway stage star, shortly after their marriage at Cleveland.

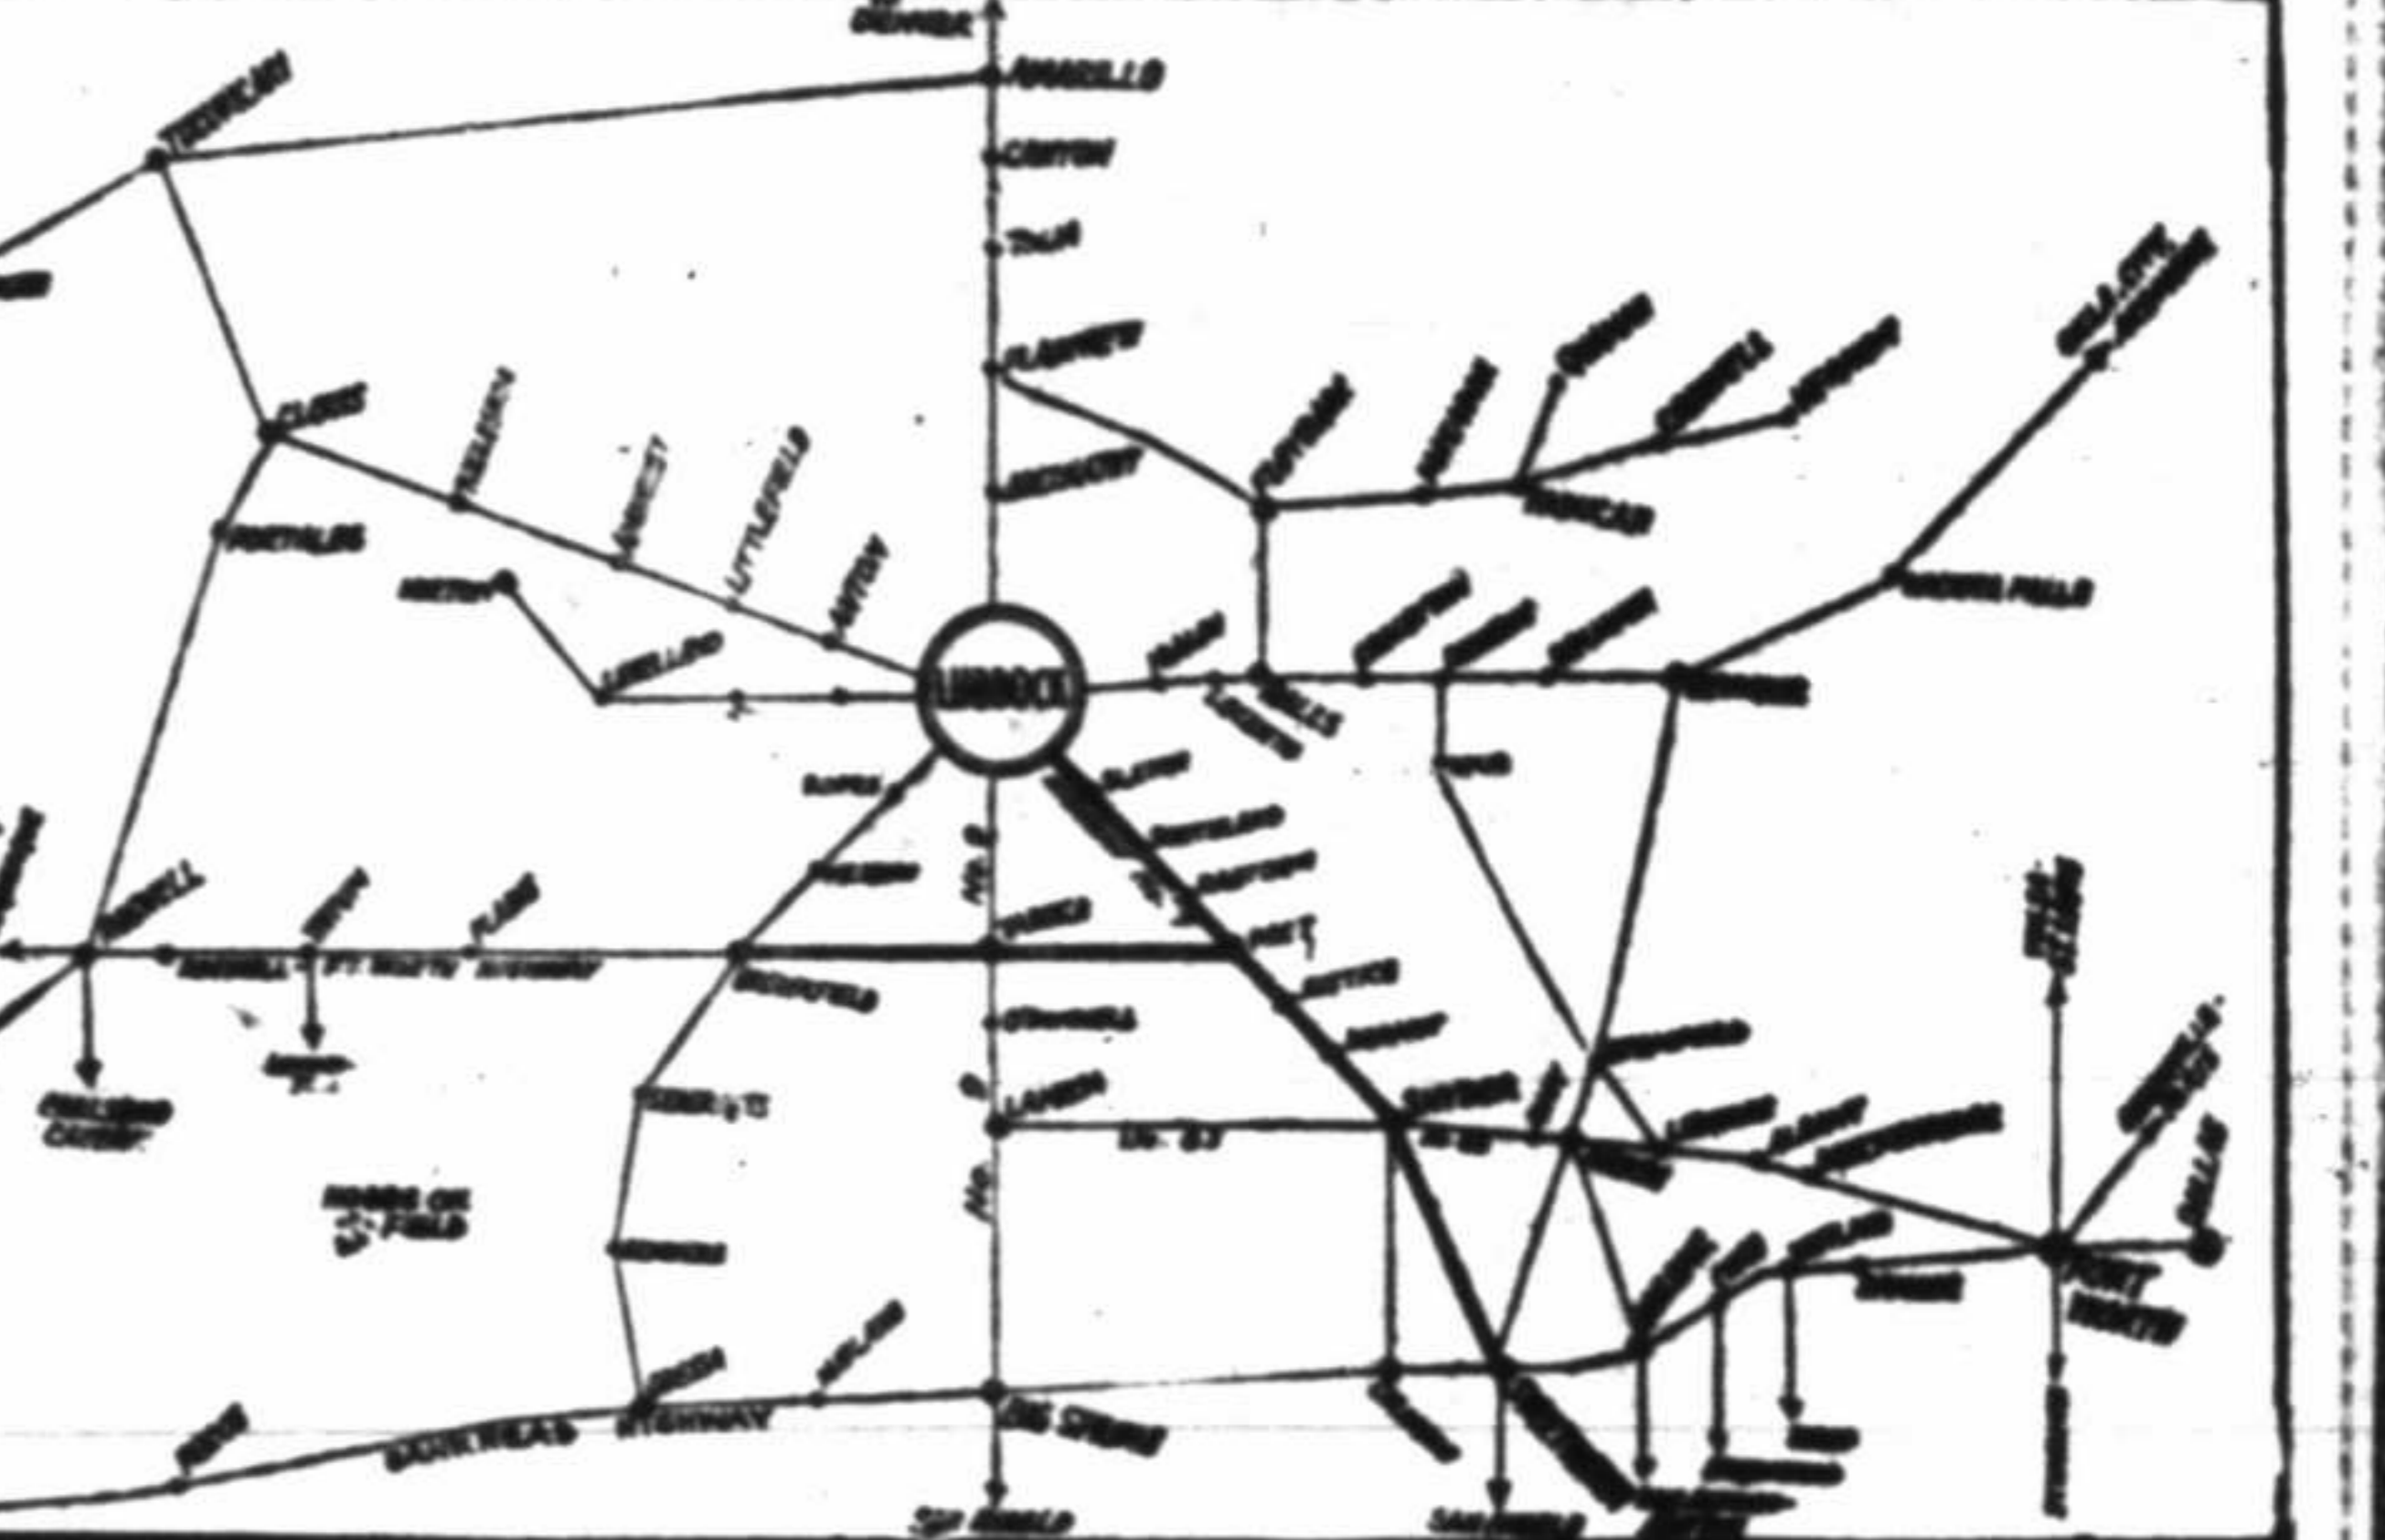

George Lotz was the first Chicagoan to play on an American Davis cup team since Bob Wrenn in 1903. Carl Kaufman of Pittsburgh was national public links champion in 1927 and 1928. George Earnshaw is just another international league making good for Connie Mack.

# TEN PAY PLAN

Just one year ago, McWhorter-Roberds inaugurated the policy of selling fine clothing, shoes, and furnishings on the TEN PAY BUDGET PLAN. It was put into effect for the benefit of the vast number of responsible men who have been accustomed to purchasing homes, radios, automobiles, insurance and investments on the deferred payment plan. It afforded the opportunity for high school and college men to wear the fine clothing we sell and pay for it as they enjoyed its wear.

The wonderful response to this plan gave us the assurance that this store had once more demonstrated its leadership as the store for men and young men—is offered a service that appealed to them because of the fact that they paid no premium in the form of excessive interest charges, for CASH prices and TEN PAY prices are identical.

Now it is beginning its second year and anticipating another great response from those who were so well satisfied by this new plan, we have gathered the most comprehensive assortment of fine clothing, shoes, and furnishings this store has ever presented. For those who appreciate and desire to wear the newest and smartest but who do not find it convenient to make a single payment of \$45, \$60 or the total amount of the purchase, this novel plan offers a remarkable solution to the problem of how to be well dressed and yet stay within the available income.

*Pay one-fourth down---  
balance in ten equal  
weekly payments*

Now that the new Fall Suits, Hats, Shirts, Neckwear and Shoes are here, you could select no better time than the present to take advantage of the Ten Pay Plan that permits you to enjoy their wear while paying for them. Men in all walks of life—business and professional men—college and high school men—all tried it last year AND LIKED IT! You will too!

## NEW FALL SUITS

## Miss Gale Honors Two House Guests

### Misses Dorothy Wakefield And Christine Gale Are Honored Guests At Party Given Monday Evening

### Miss Mary Frances Gale entertained Monday evening in her home at 2012 10th street complimentary to her house guests, Miss Christine Gale and Miss Dorothy Wakefield, of Denton. The affair was designated a progressive "peanut" party and the favor in games was awarded to Miss Beryl Caton and Raymond Barber. The honorees received favors.

### Watermelon was served to the guests: Misses Lois Morrison, Esther Cline, Dorothy Wilson, Beryl Caton, Margaret Green, Mrs. J. R. Luenberger, Miss Christine Gale, Miss Juanita Morrison, Miss Dorothy Wakefield, Bud Curtis, Sam Hopper, J. R. Luenberger, Marvin Fann, Robert Cooper, Raymond Barber, Orle Morrison, Harry Watson, Bob Kennedy, Fred Farley, Earl Fucetti and Culver Hill.

### W. F. Hinderhead, auditor for Lee of Conshohocken, is auditing the warehouse for the Lee Tire sales this week. He will go from here to the Dallas branch.

### Walter Jennings of Amarillo, district representative of the Frigid-Aire company, is a business visitor in Lubbock at this time.

### James Gordon, of Amarillo, former Tech student, has returned to Lubbock and will attend Tech this fall.

### Mrs. and Mrs. Hoy Owen and family of Lufkin, are spending a few days in Lubbock as the guests of Mr. Owen's parents, Mr. and Mrs. J. H. Owen, 2117 18th street.

### With the reorganization of Circle 1 in the First Baptist Women's Missionary society yesterday afternoon new officers were elected. The meeting was conducted in the home of Mrs. Frances McCrummen at 2308 Avenue P. Ten members were in attendance.

### The new officers in the organization include the following: Chairman, Mrs. B. T. Jordan; vice-chairman, Mrs. J. E. Wetzel; secretary-treasurer, Mrs. W. H. Tracy; Bible teacher, Mrs. Fred Linton; publicity and entertainment chairman, Mrs. McCrummen; personal service chairman, Mrs. G. W. Foster; educational chairman, Mrs. Sara A. Henry; benevolence chairman, Mrs. J. E. King; social chairman, Mrs. A. L. Hawkins; standard of excellence, Mrs. W. H. Tracy; stewardship chairman, Mrs. Fred Linton.

### Mr. and Mrs. Orval Burroughs have arrived in Lubbock and will be at home on College avenue. The couple were married in the summer in New York and went for a honeymoon trip on the Hudson river. They will attend Tech college this fall where Mr. Burroughs is a former student.

### Bill Fry of Dallas, is visiting friend in the city.

### Somebody lifted \$120 worth of merchandise from the store. He reported that I don't have any idea who it was. The stamps on the merchandise money—I know, I know, it happened before.

### I had to get the man from the garage to teach a wife. He told me "Jack and I would have had to get a divorce or one of us been up for murder if he had continued to be my instructor."

### The colonel has certainly added another laurel to his already loaded brow.

### Children are natural acrobats and they should be encouraged to stretch their slim little bodies in natural play and to get the satisfaction and thrill that comes from controlling their muscles and making them obey their minds.

### One of the most successful dancing teachers in New York, who teaches control of the body, and considerably more than just steps, has one class devoted to older women—most of them have completely forgotten how to do the

### vere Medames H. D. Chipley, J. R. B. Cooper, R. M. Boyd, William Dingus, S. A. Henry, J. W. Howze, G. W. McCleary, Leroy T. Patte, J. D. Peters, C. B. Powell, C. E. Roberts, Carl Slaton, W. Royalty, A. T. Stewart, R. S. Williams and Campbell.

New Styles Greet Smart Set Returning To Town; It's Moving Time In Fashion Land

By BETSY SCHUYLER  
NEA Service Writer

NEW YORK, Sept. 9.—This is moving month in more ways than one. Some folks are moving into town, some to Europe, some home from Europe, some to college and some to work.

It is moving month for fashions, too. Waistlines move upwards, and skirts downwards, and more goods seem to be moving into frocks.

Races have moved from Saratoga to Belmont Park again. The opening saw most of the smart folks of society moving about the paddock where gorgeous autumn coloring is moving into these famous old trees.

A Charming Printed Frock  
There is real restraint in the way more goods move into new frocks. Mrs. Morton L. Schwartz wore a fern printed frock that had a long overskirt which was but a couple of inches shorter than the drop skirt, both being edged in a narrow fluted fluting. There was a circular fullness to both with the narrow hip-line preserved.

Mrs. Deering Howe had a tan and dahlia colored printed frock that also had a deep overskirt that pointed front and back and flared on the sides. The circular theme for skirts seems popular but everywhere more goods is introduced there is a decided control to the fullness. Having rediscovered feminine curves this year, Dame Fashion is insistent that even the fullest skirt must adhere to the fitted theme.

Lower heeled oxfords have their following. Mrs. Harold Talbot compressed on a smart pair of big toe-sole sandals by having them cut on the last of oxford, with a wide strap of brown lizard, like the tip.

Joan Whitney Payson carried a very smart brilliantly checked silk bag, with hat matching its color, and wears brown and white low

Mrs. Hope Iselin

heeled sports sandals to complete a white frock, at Meadow Brook watching the polo games the other day. She has a preference for rather plain, smartly Parisian-looking sports things and usually has her frocks monogrammed neatly on one side of the front.

Mrs. Thomas Hitchcock, Jr. wore a very smart costume to Belmont. The frock was white and beige morning glories against a purple background. Her little turban was purple, with a white cord banding it and knotted on one side. Her dark pumps had bows of beige kid and she carried a small finely beaded bag.

A Graceful Costume  
One of the most graceful of the new style frocks was a finely printed crepe worn by Mrs. Robert McAdoo at Belmont. It had a crushed girde marking the waistline and a longer skirt was finished with a nine-inch pleated flounce that swung charmingly when she walked. There was a fine little ecru brazier collar and tie and flared back cuffs.

New tweeds are as soft as silks. Hope Iselin wore a beautiful little frock in the autumn tones, made with a man's collar, sleeves cut in one with the body of the frock and a skirt that was cut intricately, dipping on both sides and flaring as it dipped. Her hat was flared like off the face, held there by a little box of cream ecru ribbon.

I fancy there will be more velvets worn this autumn than heretofore. For velvet is a dressy fabric, subtly flattering when skillfully made. Mrs. Hunt T. Dickinson has a sweet little polka dotted basque frock with long light sleeves that is lovely on her. It has a bit of lace dickey and a two-colored cord trim. Her felt hat had a little brush of feathers and she wore a lovely fur neckpiece.

Mrs. Robert McAdoo

Will Visit State Experiment Farm

A visit will be paid the state agricultural experiment farm here and Texas Technological college Thursday by a group of agronomists who are at this time visiting in Oklahoma, according to an announcement made yesterday at the farm station.

Don L. Jones, the station superintendent, is with the party now and will return to Lubbock with them. The party is made up of men from Texas, Oklahoma, Kansas and the department of agriculture at Washington, D. C. The men visited in Hays, Kas first and were in Woodward, Okla. yesterday. They are to visit experiment stations in Chickasha and Dover before coming to Lubbock. A dinner is to be served in their honor here.

Julius Bergfield, of Dallas, returned to Lubbock and entered football training at Tech college yesterday.  
Mr. and Mrs. Dick Lindsey, 200 8th street, have gone to Wortham where they will visit Mr. Lindsey's parents.  
Mrs. F. W. Jenkins, of Mason, arrived yesterday to visit her daughter, Mrs. J. E. Alexander, 704 Avenue W.

Smart Sweaters For Early Autumn Days  
Light Weight Coat Sweaters

\$7.50

Such as shown at the left are here in a beautiful range of colors and patterns, either solid or fancy, in regular weights, brush wool or camels hair ranging in price from—

College Students Begin To Arrive Looking For Jobs

Hundreds Through City Two Weeks Before Opening of Fall Term of Texas Technological College Here

Hundreds of students are arriving this week, two weeks prior to the opening of the fall term of Texas Technological college. In preparation for the coming year, many are seeking odd jobs to defray school expenses and others are seeking locations for room and board and otherwise making preparations for the starting of another year.

Scarlet and black are the predominant colors in youthful fashions now being seen on the streets of Lubbock.

Meanwhile the office of Cecil Horn, head of the department of journalism and chairman of the employment bureau is being crowded daily with applicants for work.

"We are making every effort to find work for the students," said Mr. Horn, "although there will not be enough jobs in the city for all applicants. Those who are in need of additional funds to defray their expenses will be given our closest attention."

Ray Brown To Be Interred Today

Funeral services are to be held this afternoon at 3 o'clock at the Broadway Church of Christ, in this city for Ray Brown, 38, formerly of Lubbock, who died Monday afternoon at home in Wichita Falls, following an attack of pneumonia.

Violations Costly

Paid In One Day Here In City Court  
City coffers were enriched \$50 today by fines paid in city court on 13 charges, representing a wide number of violations.

Parents Survive

Survivors are the parents, Mr. and Mrs. J. P. Brown, who live one and one-half miles east of Lubbock; sister, Mrs. Vera McClung, Rock, and three brothers, J. C., and Lynn Brown, all of this city.

Houston Prepares For Annual IOOF Meet This Month

International Conclave To Be One Of Largest Ever Held In Texas City; Big Program In Store

HOUSTON, Sept. 10.—Houston is putting the finishing touches on preparations for one of the largest—the annual international conclave of Odd Fellows and Rebekahs here September 16-22.

This will be the 1928th world conclave of the I. O. O. F., the 28th annual gathering of the Patriarchs Militant, quasi-military organization of Odd Fellows, and the 15th Rebekah assembly.

A highlight of the week's program will be a parade in uniform Wednesday night, September 18.

Rain Continues Over Wide Area

North Texas And Southern Section Of Oklahoma Are Drenched By Additional Moisture Tuesday

WICHITA FALLS, Sept. 10.—Rain continued to fall slowly throughout North Texas and south Oklahoma last night and today. A temperature of 51 degrees this morning was the lowest since last spring.

HOSE SPECIAL

Values to \$1.95  
Full fashioned service weight hoses in pretty fall shades. Narrow little garden top. This is one of the best wearing numbers for school girls available.

McCAMEY, Sept. 10.—Heavy rains fell in this vicinity last night bringing lower temperatures.

Gin Association To Offer Reward

BRADY, Sept. 10.—A reward of \$1,000 has been announced by the Brady Valley Ginner's association for information leading to the arrest and conviction of anyone responsible for the burning of gin property belonging to members of the association.

This action was taken as a result of the burning of five gins belonging to members of the association.

AMERICANS INCLUDED

LONDON, Sept. 10.—Several requests to Americans were included in the \$25,000,000 will of Bernhard Baron, chairman of the firm of Carreras Ltd., who died at Brighton, August 2.

Baron requested 10,000 pounds (about \$25,000) to Mrs. Charles Katz of Baltimore, and \$500 pounds each (about \$25,000) to his nieces, Mrs. Otto Sherry, of Baltimore, and Mrs. Lena Seigel, of Dallas, Texas.

# Southwestern Grid Teams Swing Into Action

## Slight Norther Greet Candidates For College Elevens Tuesday As 7 Head Mentors Start Ball Rolling

**Clyde Littlefield Gives Sixty Gridders First Workout of Season; Ray Morrison Pleased**

DALLAS, Sept. 10. (AP)—Stimulated by the year's first "norther" and an overcast sky—ideal football weather—forty-eight candidates for the 1929 Southern Methodist University Mustangs snapped through their initial practice under Coach Ray Morrison today.

After a short workout devoted principally to passing, kicking and limbering up their joints generally the Ponies were given a 20-minute "blackboard drill," to the exclusion of outsiders.

Coach Morrison was well pleased with his squad.

**Forty-Six Report For Morley Jennings**

WACO, Sept. 10. (AP)—A slight norther sent Morley Jennings' candidates, forty six strong, into a light workout on Carroll Field today.

There will be two practice sessions daily until the beginning of school.

Baylor will play its first game September 21 with Stephen F. Austin Teachers' college.

**Matty Bell Opens Training For Ags**

COLLEGE STATION, Sept. 10. (AP)—Fifty-one candidates for the 1929 Texas Aggie football team were on hand for the opening of training here today under the mentorship of Matty Bell, new head coach at A. and M.

Seven of those reporting were let-termen, including Captain Tommie Mills of Groesbeck.

Coach Bell put the men through two hours of practice on the field under a hot sun after an hour's lecture on rules during the morning.

A two-hour period of practice also was held in the afternoon.

**AUSTIN, Sept. 10. (AP)—Clyde Littlefield gave sixty young men their first workout today, laying ground work for what he hopes will develop into another championship football team for the University of Texas.**

A morning session was given over to demonstration work, but the afternoon saw the field a milling beehive of vigorous activity. A night skull practice was held.

Captain Gordy Brown of Dallas appeared on the field but did not work out. He has been ill for a week or more but appears to be in good shape.

**Meagher Unable To Meet Rice Gridders**

HOUSTON, Sept. 10. (AP)—Thirty-nine football hopefuls reported Tuesday to Rice coaches and went through the limbering up exercises that usually attend the first few days of gridiron training.

Head Coach Jack Meagher, who was recovering from a severe cold, was too weak to take active charge of the work and the candidates were put through their paces by Coaches Marvin Durrenberger, "Bug" Daugherty, "Peanuts" Schultz and W. L. Goolightly.

**Total Of 47 Out For T.C.U. Eleven**

FORT WORTH, Sept. 10. (AP)—The weather man must be a football fan. T. C. U. athletes decided as they reported to Coaches Schmidt and Wolf today. A total of 47 reported for the first practice.

All the eleven regulars and near regulars of the 1928 squad, plus most of the 1928 squad men and the crop of 1928 freshmen were on hand for the first day's workouts.

Lou Gehrig has been having trouble getting his share of base hits and in early July was batting more than 50 points below his 1928 average.

## Spuds Take Both Ends Of Double Bill With Tribe

**League Leaders Increase Margin Over Sports To 2 1-2 Games As Phelan Crew Stands Idle**

WICHITA FALLS, Sept. 10. (AP)—Wiltse and Payne pitched the Spudders to a double victory over San Antonio today 8 to 1 and 7 to nothing. It was Payne's twenty-eighth victory of the season. The double win increased the Spudder margin over Shreveport to two and a half games. Score:

First game:

Bases on balls, by Reinhart 5; by Tauscher 3. Left on bases, Houston 4; Dallas 8. Double plays, Radellif to Plaskemper to Tauscher; Morse to Plaskemper to

## National League

Continued from Page 6

each other this year. The Buccaneers won the season's series, thirteen games to nine.

The clash today was reeled off as a pitchers' battle between Watson Clark and Jess Petty for seven innings, but both weakened and heavy hitting was in order the rest of the way. The score: Brooklyn 000 000 122-6 10 1 Pittsburgh 000 000 002-7 10 2

Runs batted in, Bissonette, Clark, Frederick 2, P. Wauer 3, Comorosky, Hemley, Sheely 2, Moore; two base hits, Deberry, Sheely, Gilbert; three base hits, Bartell, P. Wauer; sacrifices, Dressler, Frederick 2, Herman; double plays, Bartell, Clark and Sheely; left on base, Brooklyn 6, Pittsburgh 7; base on balls, off Clark 2, Swetonic 1, Morrison 1; struck out by Petty 4, Clark 2; hits off Petty 7 in 4, Clark 6 in 7 1-3, Moss 0 in 0, Fussell 2 in 0, Swetonic 1 in 1-3, French 0 in 2-3, Morrison 2 in 1-3 innings; passed ball, Deberry; winning pitcher, French; losing pitcher, Morrison.

## Bucs Annex Final Game With Robins

PITTSBURGH, Sept. 10. (AP)—Paul Wauer's triple with a recruit named Mossel and the other Wauer on base in the ninth inning here today gave Pittsburgh a 7 to 6 victory over Brooklyn in the last game of the two teams will play against

## Home Run, Rye, Two-base Hit, Pierce, Roscoe, Blackbird, Harrington, Innings Pitched, Haynes 6 1-3, 8 runs, 11 hits, Sacrifice, Haynes. Base on balls, Haynes 5. Struck out, Haynes 1, Stein 1, Sullivan 1. Wild pitch, Haynes, Sullivan. Double plays, Harrington to Pierce to Stebbins; Pierce to Harrington to Stebbins. Stolen bases, Mellano, Rye.

Home run, Rye. Two-base hit, Pierce, Roscoe, Blackbird, Harrington, Innings pitched, Haynes 6 1-3, 8 runs, 11 hits, Sacrifice, Haynes. Base on balls, Haynes 5. Struck out, Haynes 1, Stein 1, Sullivan 1. Wild pitch, Haynes, Sullivan. Double plays, Harrington to Pierce to Stebbins; Pierce to Harrington to Stebbins. Stolen bases, Mellano, Rye.

## Immediate Relief From Indigestion

Many people who are hungry are afraid to eat for fear of distressing after-effects. They keep themselves on a limited diet and go about half starved.

This is unnecessary. Take a spoonful of GORDON'S after meals and you can eat what you like and as much as you want without any after-feeling of distress. Try it and see.

GORDON'S, an internal antiseptic, goes right to the seat of the trouble by stopping fermentation (souring of food). It soothes, heals and strengthens weak or disordered stomachs.

Get a bottle of this famous remedy from your druggist today. Costs less than three cents a dose.

## Wichita Falls

Wichita Falls, Sept. 10. (AP)—Wiltse and Payne pitched the Spudders to a double victory over San Antonio today 8 to 1 and 7 to nothing. It was Payne's twenty-eighth victory of the season. The double win increased the Spudder margin over Shreveport to two and a half games. Score:

# THE New BUICK

New Controlled Servo Enclosed brakes unrivalled for smooth, sure, silent operation in any weather . . .

To Buick, pioneer of four-wheel brakes, now falls the distinction of another major achievement in this same vital field: the development and introduction of Buick Controlled Servo Enclosed Brakes—the most effective four-wheel braking system ever devised for any automobile!

Buick's new brakes are of the highly efficient internal-expanding type. They are fully enclosed—fully protected against dust, dirt and water—and thus assure maximum braking effectiveness under all weather conditions.

They represent the highest development of the self-energizing principle, which makes the car's own motion provide part of the braking effort. They reveal unmatched responsiveness to the slightest pedal pressure. And they are so perfectly controlled that "grabbing" is entirely unknown! When you apply these brakes, you obtain the most positive, as well as the smoothest and most silent action you have ever experienced in any automobile!

Drive the new Buick! Test not only its matchless new brakes but its brilliant all-around performance, riding comfort and driving ease—all of which combine to establish the new Buick as the greatest value ever offered in the fine car field!

Cotton Advance Lost; Stocks Lower

Net Declines Of 39 To 46 Points Feature Of Mart

Monday's Increase Is Lost As December Contracts Show Declines Of 46 Points

NEW ORLEANS, Sept. 10. (AP)—All of yesterday's advance was lost in today's cotton market. December contracts which closed yesterday at 19.41, declined to 18.97 for a net loss of 44 points. The general market closed easier at net declines of 39 to 46 points.

Liverpool was 10 to 12 points lower than due and the market here opened at a decline of 18 to 18 points. Covering by shorts, prices rallied 8 to 11 points carrying October to 19.04, December 18.52 and January 18.26. Later, however, the market turned decidedly easier under liquidation by disappointed longers over the failure of the government crop forecast to stimulate additional buying, selling on the belief that tomorrow's forecast would be favorable and more or less hedge selling.

Selling Renewed
By mid-session October sold at 18.74 and active positions were generally 35 to 38 points below yesterday's close. During the final hour there was renewed selling on the bearish forecast fears and all active positions traded to new lows for the day. October sold off to 18.66, December 18.97 and January 18.06, or 42 to 46 points below the previous close. Final prices were at the low.

Receipts, 63,292; for week, 153,798; for year, 828,244. Last week, 571,376. Exports, 37,172; for week, 68,697; for year, 424,217; last year, 441,714. Stocks, 794,314; last year, 589,154. Stock on shipboard, 67,949; last year, 91,674. Spot sales, 49,351; last year, 40,680.

Cotton Is Lower Under Selling

NEW YORK, Sept. 10. (AP)—Cotton was lower today under selling evidently inspired by disappointment over yesterday's government crop report's failure to create a better demand. December contracts sold off to 18.99 or 11 points below yesterday's high price and closed at that figure, the general market closing barely steady at net declines of 35 to 45 points. The market opened easy at a decline of 13 to 25 points. A feeling that good weather from now on might add to the ultimate crop, was frequently expressed.

Trade Brought In
The decline brought in some trade buying but the bulges met considerable southern selling as well as realizing or liquidation, and prices worked quite steadily lower. October sold off to 18.75 and March to 19.26 in the late trading or back just before lowest prices touched but before publication of the government crop report yesterday. Last prices were the lowest of the day on the active position.

SURVEY FARMERS Final Check In Master Contest To Be Made

Final survey in the Master Farmer's contest will be made this morning when the farm of Earl Davis, in the Acuff community, will be scored, according to an announcement yesterday by D. P. Eaton, county agricultural agent. In an elimination contest conducted several weeks ago, Mr. Davis' farm was adjudged one of the best in this district. There are yet 50 farms from which the ten master farmers will be selected.

THOMAS BOY BURIED Services Held In Stillwater On Monday

Funeral services for Bertie Thomas, 12-year-old son of Mr. and Mrs. B. T. Thomas, formerly of Lubbock, were held in Stillwater, Oklahoma, Monday, according to T. H. Thomas, the boy's grandfather who returned yesterday from Oklahoma.

West Goes East "Hackberry Slim" To Be In Rodeo

H. A. Johnson, otherwise known in the Midwest as Hackberry Slim, will give easterners a glimpse of chaps, boots and spurs when he appears daily in rodeo performances in New York City, November 16 to 24, inclusive. Mr. Johnson will be accompanied by his son, Willard Johnson, 13. They will transport a buffalo to the rodeo grounds. Both will appear in a program managed by Johnnie Mullins, of Angis, N. M., and sponsored by John Ringling, circus king. The rodeo will be a charity program for orphans of the city.

Moderate Supplies Fail To Check Decline Of Hog Prices On Tuesday

LUBBOCK LIVESTOCK
The following report furnished by McDonald Packing company:
Cattle: calves, choice white face 9.50@10.50, good medium 8.50@9.50, common and doxies 7.00@8.00; cows, choice 7.00@7.50, good medium 6.00@7.00, common and cullers 4.00@5.00, canners 2.00@4.00; bulls, heavy butchers 6.00@6.50, heavy bolognas 5.00@5.50, medium and common 4.50@5.00.

Wheat Prices Are Forced Downward In Tuesday Mart

Dwindling Of Trans-Atlantic Demand For Breadstuffs To Almost Basis Of Hunger Strike Blamed
BY JOHN T. BOUGHAN
Associated Press Market Editor
CHICAGO, Sept. 10. (AP)—Dwindling of trans-Atlantic demand for breadstuffs went to almost a hunger-strike basis today, and wheat prices here suffered a new downturn.

Early Clearance Features Market

FORT WORTH, Sept. 10. (AP)—Early clearance at strong to higher values featured trading in cattle here Tuesday. Steers steady, one load good fat cattle 13.00; common light bulls 5.50@6.00; heavies 7.00. Slaughter yearlings and heifers scarce. Fat yearling 12.50@14.00; commons 6.00@8.00; canners and cutters 4.00@5.75; butcher and beef cows at 6.00@7.50; calves strong to 25c higher, 11.00 and less; light and medium calves 11.00@11.50; culls 6.00; stocker steers 9.25.

Foresters Begin Fight On Flames

PORTLAND, Ore., Sept. 10. (AP)—Drastic action in attempting to cope with the most critical forest fire situation in Oregon in a decade was taken by the federal district forester here today, in closing every national forest in Oregon and eight in Washington. Twenty-two reserves are affected. As this step was being taken to prevent outbreak of other fires, more than 2,000 men were engaged in Oregon in a heart-breaking body-wracking battle to subdue 200 or more fires in the western part of the state.

Robison

(Continued from Page One)
the graves of a son and daughter. While Commissioner Robison lay in the grey metallic casket in the center of the senate chamber, hundreds of people came to look upon his features. Many of them brought flowers which multiplied into a great heap at the foot of the casket. All departments of state were cleared by order of Governor Moody and the presence of death within the great granite structure moved people to talk in whispers and walk with soft tread.

Delay Sought In Vore Resolution

WASHINGTON, Sept. 10. (AP)—Senate republican leaders today sought postponement of consideration of the Norris resolution barring William S. Vore of Pennsylvania, from the senate—after it had automatically shoved aside the tariff bill. Senator Watson, of Indiana, the republican leader, moved that the Norris resolution be deferred until the regular session. A vote on that motion went over until tomorrow after Senator Norris, republican, Nebraska, demanded an immediate vote on his resolution to deny Vore a seat because of excessive expenditures in his 1926 primary campaign.

ARABS BOYCOTTED Jewish Feeling Bitter In Palestine Tuesday

JERUSALEM, Sept. 10. (AP)—The Jewish boycott on Arab merchandise is increasing in bitterness in Palestine. At Haifa a Jewish youth poured gasoline on grapes that had been brought into the Jewish suburb of Haddar Ha Carmel. Christians at Haifa today issued a proclamation denying rumors of a disension between them and the Moslems and saying both were solved to work together. The Zionist executive today estimated Jewish losses as 126 killed or dead from wounds, and 217 seriously wounded.

Resigns Post

SAM T. DAVIS

Sam T. Davis, former county clerk and for a number of years business manager of West Texas hospital, last night resigned his post with the medical institution, effective the first of October. Mr. Davis with his sons, Sam T. Jr. and Max T., will engage in the glass business here, he said.

Wife Threatened Butcher Knife Is Divorce Cause

He threatened to stick a butcher knife in her—now she won't live with him. Because her husband practiced cruel, harsh, and tyrannical treatment in his dealings with her, a Lubbock woman Tuesday filed petition in 99th district court for divorce, declaring that his actions were such as to make further living together impossible.

Waggoner Jailed For Bank Swindle

NEW CASTLE, Wyo., Sept. 10. (AP)—A man believed by officers to be C. D. Waggoner, missing president of the Bank of Telluride, was arrested at a tourist resort eight miles north of here tonight. The man, officers said, admitted enough to indicate he was Waggoner. The man was driving a "brownish yellow color" car bearing a Colorado license issued to Waggoner. The description of the car as to color, make and type corresponds with that of Waggoner's.

"NEXT GOVERNOR" R. S. Sterling Announced As Next Executive

MEXICO, Sept. 10. (AP)—Introduced as the next governor of Texas, R. S. Sterling of Houston, chairman of the state highway commission, tonight declared in an address before several thousand persons here, "I have no idea of being a candidate for governor; that depends on the people." The chairman's speech was part of the program celebrating the turning on of a new ornamental lighting system.

DAMAGE SUIT FILED

CHICAGO, Sept. 10. (AP)—Suits for \$1,900,000 damages today were filed against Charles B. Shafer, Chicago oil magnate, by counsel for Siller Kemohah Creek county, Oklahoma, Indian widow who seeks to recover a section of tribal oil land from the Chicagoan.

Students Attend Revival Service In City Tuesday

Evangelist Ham Talks On Subject Of "Hell—What The Bible Teaches On Eternal Punishment"

Speaking before an audience of approximately 1,800 persons, a large number of whom were high school and business college students, Rev. M. P. Ham, conducting the city-wide revival at Texas avenue and Sixteenth street, last night took as his subject "Hell—What The Bible Teaches Concerning Eternal Punishment."

The evangelist challenged the modern critics of the Bible who contend that there is no hell and emphasized the fact that the greater part of the body of teachings in the New Testament, concerning eternal punishment, is that given by Jesus Christ himself. Tracing the scriptural teachings all the way, he dealt with the matter of literal fire in hell.

Fifty Confessions Made

At the close of the sermon some 30 confessions were made. Members of the faculty of the high school and other teachers of the city were given reserved places on the platform and Supt. M. H. Duncan led in opening prayer. Mr. Duncan also made a brief talk during the after service.

Men Only Tonight

Services tonight will be for men only and special delegations will be featured from the trades and crafts of the city. The subject will be "God's Last Call," postponed from Sunday night.

Lightning Kills Man At Houston

HOUSTON, Sept. 10.—A bolt of lightning struck a shed here today killing one man but sparing another working beside him. Benjamin E. Gardner, 56, his clothing torn from his body, his boots burned off and his skin charred, died instantly. J. W. Buckner, 30, a neighbor who was helping Gardner repair a tin roof, was knocked from the shed, but revived to find he had escaped injury.

Tendency Evident For Shortening Of Speculative Sail

Scores Of Leading Stocks End Day's Session From Two To Twelve Points Lower Tuesday

Associated Press Financial Staff
NEW YORK, Sept. 10. (AP)—A pronounced tendency to shorten the speculative sail was evident in the stock market today, scores of leading stocks ending the day 2 to 12 points lower. Little more than 4,500,000 shares changed hands.

An unexpected pinch in the call money market, carrying rates to ten per cent, announcement of a drop of nearly 400,000 tons in U. S. Steel's unfinished tonnage, private advices from Washington that the rapid increases in brokers' loans are viewed with concern in administration circles, and commission house advices to lighten commitments, were among factors tending to unsettle the market.

Reduction Sought

There is a growing feeling in Wall street that brokerage loans had best be reduced with consequent likely to order an investigation of credit and speculation. It is hoped, and generally believed, however, that liquidation can be accomplished in an orderly manner. The utilities were particularly hard hit by the selling. American Water Works dropping more than 12 points, and such issues as North American and Consolidated Gas losing from 4 to 6 points.

Supply Higher

The cattle supply approximated 42,800 against 64,075 a week ago, and 52,341 a year ago. Although further price declines were effected at several centers on the less desirable grades of beef steers and yearlings, well finished natives had a better tone. Chicago reported prices on most killing classes strong to slightly higher with a top of \$17.00 on highly finished 1,427 lb. South Dakota steers. Bulk of replacement steers cashed within the spread of 8.00@11.00, with a few loads of fleshy feeders and choice light stockers up to \$12.00.

Waggoner Jailed For Bank Swindle

NEW CASTLE, Wyo., Sept. 10. (AP)—A man believed by officers to be C. D. Waggoner, missing president of the Bank of Telluride, was arrested at a tourist resort eight miles north of here tonight. The man, officers said, admitted enough to indicate he was Waggoner. The man was driving a "brownish yellow color" car bearing a Colorado license issued to Waggoner. The description of the car as to color, make and type corresponds with that of Waggoner's.

### Gulf, West Texas Railway Will Not Oppose New Line

Proposed Extension From Ballinger To San Angelo Of Abilene And Southern Railway Is Favored

SAN ANGELO, Sept. 10. (AP) — The Gulf and West Texas railroad has not filed any petition to oppose the extension of the Abilene and Southern railroad from Ballinger to San Angelo, nor has it been granted any such authority to intervene by the Interstate Commerce Commission. R. W. Morrison, president of the Gulf and West Texas, said today that the company would support the extension of the Abilene and Southern to San Angelo. The Gulf and West Texas will support the petition of the Abilene and Southern, Judge Blanks said, and there was

### Five Buildings Razed By Blaze

CANTON, Sept. 10. (AP) — Fire early today destroyed five store buildings at Martin's Mill, 11 miles south of here, entailing an estimated loss of \$20,000. No insurance was carried as the town had no fire protection.

It was the second disastrous fire at Martin's Mill in the last year. Last January all structures on the north side of the square were destroyed. The Van Zandt county sheriff's department has started an investigation.

### MAKES HAUL

### Purse Snatcher Gets \$305 At Dallas Monday

DALLAS, Sept. 10. (AP) — A purse snatcher made an unusually large haul here today when he got away with a bag containing \$305 which he took from Mrs. Fred Barnhouse in broad daylight in the business district.

Mrs. Barnhouse was on her way to the bank. The thief leaped into a waiting automobile and was driven away.

No conflict of any character between the lines. One runs almost north and the other almost south of San Angelo.

### Future Of South Plains Pictured Bright To Lions

O. L. Slaton Says Section In Better Condition Now Than Last Year In Spite Of Prolonged Drought

Declaring that, in spite of a short cotton crop last year, the prolonged drought through the growing season this year and an evident shortage this year of many crops, the South Plains is now in better economic condition than at the same period of 1928, O. L. Slaton, president of the First National bank, told the Lubbock Lions club yesterday noon that the future for the South Plains is very bright.

"We have more money on deposit in our banks and less money out on loans than we had a year ago," Mr. Slaton stated. "There has been a marked growth of interest in dairying and poultry raising and other diversification on our farms that is responsible for our bettered condition."

Sherrard Talks. B. Sherrard, as Kiwanis delegate to the Tulsa convention, told the Lions how the 30 or so Lubbockites, members of Rotary, Kiwanis

and Lions clubs and chamber of commerce, secured the 1929 Texas-Oklahoma convention, in the face of hard opposition. Individual work among delegates turned the tide, he said, and the fact that all Lubbock clubs worked hand in hand, W. F. Revell, Lion club delegate, stated the telegrams from 100 or more Lubbock business men, inviting the convention, also helped greatly.

The club went on record as favoring the sponsoring of a benefit concert, to be given soon, for Miss Margaret Hasell, Lubbock violinist, upon invitation delivered by Mrs. W. B. Price. An invitation to attend the Ham revival meeting Thursday, with Rotary and Kiwanis clubs, was also accepted by the Lions.

Williams Presides. In the absence of President C. F. Drexel, Vice-President Hoyt Williams presided at the meeting, which was held at Our Cafeteria. Fifty members of the club were present.

### LETTER MADE PUBLIC

NEW YORK, Sept. 10. (AP) — A letter was made public today from Richard Washburn Child, former ambassador to Italy, to Senator W. E. Borah suggesting that the proposed investigation of the activities of William B. Shearer, big navy advocate, should be extended to the disarmament lobbying of church and pacifist organizations.

### President States Propaganda Uses Obviously Evident

Hoover Asks Investigation To The Bottom Of Effort To Thwart Administration Naval Limitation

WASHINGTON, Sept. 10. (AP) — President Hoover said today the use of propaganda to thwart the administration's naval limitations program was "so obviously evident" to require a sitting of the matter to the bottom.

His view was disclosed at about the hour the senate naval committee voted to investigate activities of American shipbuilding corporations in connection with naval limitations conferences. The inquiry was decided upon after Senator Borah, republican, Idaho, told the committee he regarded the work done by William B. Shearer, self styled big navy propagandist, for the shipbuilders at Geneva as amounting to a "criminal conspiracy against the interests of the people of the United States and the government."

"Here are private corporations," Borah said, "engaging in building ships and interested in the number of ships the government might build employment men secretly to break down a conference for naval limitations. That is nothing less than scandalous."

The naval committee will meet again Thursday by which time the senate is expected to have approved the inquiry. Chairman Hale and Borah believe representatives of shipbuilding corporations, Shearer and high naval officers will be called to testify.

At the White House, the President's statement was issued after a letter from E. Q. Grace, president of the Bethlehem Steel Corporation, had been made public. In this Grace wrote Shearer had been engaged as an observer but that his services had been discontinued as soon as the company learned he was a propagandist attempting to influence the naval and military policies of the United States government.

### ACTION POSTPONED

Hoover To Delay Work On Flood Control Problem

WASHINGTON, Sept. 10. (AP) — Pres. Hoover has informed representatives from Mississippi valley states that if they are willing to take the responsibility of making the request, he would consider postponing flood control work on the southern Mississippi pending further investigation of the situation.

This information was conveyed to Senator Robinson of Arkansas, democratic leader, who conferred a few days ago on the subject with the

### WANTS ANYONE TO CALL ON HIM

Supt. Of Memorial Park Cemetery, Amarillo, Tex., Relieved By Orgatone; Gains 10 Pounds

"I have been trying for over five years to find a medicine that would overcome my trouble but I never had any success until I got hold of this Orgatone," said R. R. Murray of 238 Naches, Amarillo, Texas. Mr. Murray is a well known superintendent of the Memorial Park cemetery.

"When I commenced taking Orgatone," continued Mr. Murray, "my stomach was in such a bad condition that I was actually afraid to eat anything at all. My food would sour, and this would cause gas to form, and I would be perfectly miserable for hours afterwards. I would have severe pains in my back and sides and would have dizzy spells and frequent headaches. I was very nervous and didn't know what a good night's rest was. I was troubled so bad with gas crowding my heart that at times I would just get right out of bed, my heart would palpitate so fast and I was afraid something serious would result."

"Orgatone was advertised so highly, I began taking it and I feel that I am a lucky man that I found it for it has worked wonders for me. I have honestly gained ten pounds in weight and I eat anything I please with no ill effects. My bilious and dizzy spells are a thing of the past and I did not suffer from headaches as I did. In fact my entire system is built up and I feel a different person. Orgatone is one of the most wonderful medicines, and I have already told dozens of my friends about it and invite anyone to call upon me and see and hear for themselves all the good Orgatone has done for me."

Genuine Orgatone may be bought in Lubbock at Bowens Drug Store. Adv.

In every city—in every town there is one store that interests—in Lubbock it's

### Shirts

Phenomenal purchase of mens broadcloth Shirts—fast colors—7 button front—splendidly tailored. **\$1.00**

## You Have Heard About Mountain Coffees from Central America

### Why Not Try This Rare Flavor Today?

If you have never tasted Central American Mountain Coffee we now ask you to accept an unusual offer through your grocer; order a pound of Folger's Coffee today. Serve it three times. Then if you are willing to return to ordinary coffee after this test, your grocer will gladly refund the money you have paid. We do not make this offer as philanthropy or to be "different". We have built one of the largest coffee businesses in the world simply by letting people taste mountain coffee flavor.

**Rarest of Coffees**

Ordinarily when you change from one brand of coffee to another, you note little difference in taste. That is because 70% of all coffee sold in the United States today (regardless of brand names) is of one common type grown in the same general region. So-called "blending" and special roasting processes (in spite of advertising talk) can not change its common flavor. For roasting coffee merely brings out whatever flavor Nature has already put in.

The instant you break the vacuum seal of your first can of Folger's you will note that it is different. There is a rush of rich fragrance unlike any coffee you have ever tried before.

When the clear amber coffee is poured in the cup, you'll find it has a rare tangy flavor, full-bodied and smooth—never "flat," "thin," or "insipid." Experts agree that the Mountain coffees of Central America are not duplicated anywhere else in the world.

**Try This Unique Test**

Get a pound of Folger's Coffee from your grocer today. Drink it tomorrow morning. The next morning drink the coffee you have been using. The third morning drink Folger's again. Then decide which you like best. If, for any reason, you do not choose Folger's, your grocer will gladly refund the full purchase price. We will pay him. That's fair, isn't it? You risk nothing—so why not order Folger's now for the test?
