

Annual Rodeo At Ackerly To Be Held July 16-17

Citizens of Ackerly are making preparations for their annual rodeo and race meet which is to be held this year on July 16-17.

Placards announcing the event have been placed in public places all over this territory and already many who remember the hospitality and friendliness of these people are making plans to attend at least one day of the celebration.

Horse races, rodeos, speakings, a mammoth barbecue each day and a platform dance to end the day's entertainment are a few of the entertaining features being planned, in what sponsors promise to be the best celebration that has ever been held in Ackerly.

Like the rest of Texas, they are putting on special efforts to make this Centennial Year celebration the most thrilling and entertaining two days you ever spent.

A real western rodeo with prizes in calf roping, wild cow milking, calf bell, bronc riding, steer riding with professionals barred in all roping contests, promises plenty of fun for the amateur rodeo performers of this territory.

ACCEPTS NEW POSITION

Miss Katie Lee Clements has accepted a position with Bryant-Lewis, made vacant by the recent resignation of Miss Jewel Towns. Miss Clements has been associated with the Pierce Toggery for the past four years. She began her work with Bryant-Link on Monday morning and invites all her friends and customers to visit her in her new position.

WATER TESTS GOOD

A report from the state health laboratory, in collaboration with the local health officer, graded the water used in the city swimming pool as good, free from contamination. The local health authority sent samples of the water to Austin for the test and the report was a result of tests made

VOL. 6 LAMESA, DAWSON COUNTY, TEXAS, THURSDAY, JULY 2, 1936 NO. 24

Montgomery-Ward Has Opened Branch Store In Lamesa

That the outside business world has its eye on Lamesa, was again proven the past week when another national organization took a lease on the recently vacated building on the east side of the square. The building was formerly occupied by the Burns Grocery which moved to the Ogun building at the northeast corner of the square.

The Montgomery-Ward company, through their Lubbock house secured this location and have already moved a stock of merchandise into Lamesa. They will carry as complete a stock as is possible in the limited space they have been able to secure. It is their hope that later they will be able to secure additional space for larger stocks. This store for the present will be a branch out of the Lubbock store, with E. H. Stephenson, from Lubbock, as manager of the store.

Mr. Stephenson says prices here will be the same as those of the Lubbock store and any article in the Lubbock store may be purchased through the local sales force.

Although the stock was not complete the store opened for business last Saturday and Mr. Stephenson reports a very satisfactory reception by the people of this trade territory.

Campaign Closes With Gratifying Results To Paper

Closing the most successful subscription drive the Dawson County Courier has ever experienced, over two hundred subscriptions were received at the Courier office last Saturday.

The management of the paper is extremely satisfied with the results and the spirit of cooperation of the readers of this territory in taking advantage of this special offer to bring their subscription up-to-date and in advance.

Almost all our subscribers renewed and hundred of readers who have never taken the Courier will be regular recipients of this paper for the coming year.

Monday we took off of our list the names of all former subscribers who were in arrears with their subscription, as we announced in our last weeks issue we would do. It is against regulations, in the first place, and besides it is unfair to those who pay their subscription to continue to let others take a free ride while 'George' pays the bill.

It is possible that we have made mistakes in our list—we are only human—so if we have cut you off and you are entitled to continue to receive the paper, we assure you it is an honest mistake on our part and we are anxious to make it right.

On the other hand, if you find that you can't do without the paper, which we feel that most of you will realize, you can still get the paper for the regular rate of 50c for one year in Dawson and adjoining counties.

With the campaign just completed, the Dawson County Courier honestly believes it now boasts the largest paid-in-advance subscription of any paper published in this size town in West Texas.

Sparenberg District Convention Postponed

Notice has been given of the change in the date for the meeting of the Sparenberg district convention which was to have been held at the Brown school house the second Sunday in July.

It has been learned that this date is in conflict with the Dawson County convention which is to be held at the court house in Lamesa on that date. So officials of the Sparenberg district have set their convention to meet on the second Sunday in August at the previously designated place, the Brown school house in Martin county. Members are asked to take note of this and tell others of this change in date.

Supt. V. Z. Rogers Painfully Injured As Car Overtakes

Superintendent and Mrs. V. Z. Rogers and daughter Janice, miraculously escaped death early last Friday morning when their car overtook three times on the highway near Roby. They were enroute to Austin at the time of the accident, which was said to have been caused by the car hitting a hole in the pavement.

Mr. Rogers was taken to a Stamford hospital suffering a fractured spine while Mrs. Rogers and Janice escaped with only minor bruises.

Reports from the hospital give Mr. Rogers condition as not considered serious although his injuries are very painful and are of such a nature that he will be required to remain in a cast for two weeks or more.

Several friends of the Rogers family from Lamesa have visited him in the Stamford hospital this week.

Oil Mill Owners Building Refinery

The Smith Brothers Refining Company, owned by the same organization which has the Dawson County Cotton Oil Co. here, are erecting a \$250,000 gasoline refinery at Kermit, Texas.

Lamesa workmen are being used in the construction work of this project, and already about 25 local men are employed in the erection of the huge plant. Lamesa citizens appreciate the spirit of the Smith Brothers in employing our local tradesmen.

Pictures Taken Of Camp Activities

Making a tour of locations of field crews working from the local CCC camp last week, John I. Dean, educational adviser, Roy Krebbs, assistant adviser, and Ray Culp, made thirty-two pictures, some of which will be submitted to 'Happy Days', national CCC newspaper published weekly at Washington.

A number of pictures were made of crews watering and cultivating trees on the R. E. Echols and neighboring farms east of town. A surveying crew at work on the Sunny Tex ranch in the Mungler community, and a number of classes in session in the Educational Building at the camp, were also photographed.

CANDIDATES AT KEY JULY 8

The Courier has been asked to announce that there will be an ice cream supper held at Key on the night of July 8th, beginning at 8:00 o'clock. All candidates are invited to attend and will be given time to present their candidacy to the people of that community.

NEW EMPLOYMENT RULES RECEIVED FOR WPA PROJECTS

The following information was received this week by Philip Yonge, county judge, from the Works Progress Administration.

Through the Procurement Division, arrangements have been made to secure equipment needed for work on WPA jobs on a rotating basis. This will permit owners of trucks and teams who are not Relief Clients, but willing to drive their own equipment, to secure work on WPA Projects.

We have been asked to furnish a list, to the Procurement Division, of owners of trucks and teams who desire such employment. We would appreciate your assistance in securing names of such owners of equipment as would desire to work on any future WPA project.

All persons desiring to secure employment in accordance with this letter are required to register their truck or teams with the local NRS office, located by the upstairs office in the McGuire Building.

FREE PROGRAM AT CAMP

Major Boies amateur program at the local CCC camp next Wednesday, July 8, will be sponsored by Miss Norene Powell. The public is cordially invited.

S. J. Jordan Makes Formal Statement

To The Voters of Precinct 3:

In presenting myself to the voters of Precinct 3, as a candidate for Commissioner, I do so with a deep feeling of the responsibility of this important office. Should I be your choice in the July Primary, I promise to fulfill the duties of this office honestly and to the very best of my ability. I have lived in Dawson County 11 years and feel that I know the needs of my precinct.

In my race four years ago for this office, I was a close runner-up, and I thank each one who supported me at that time and earnestly solicit your support at this time.

It has been my desire to contact each and every voter before election, and I am still contacting all whom I can, but it is possible that there will be some whom I will be unable to see, but I assure you if I fail to see you it will be unintentional on my part. I want every vote. And especially to the ladies, I ask you to give me due consideration before you vote.

Again soliciting your vote and influence, and with the sincere hope that I may be your choice, I am,

Yours truly,
S. J. Jordan.

Pioneer Resident Passed Away At Home In Lamesa

Mr. J. H. Brock, a long time resident of Lamesa, passed away Monday night about nine o'clock at his home on North Fourth street. He had been in ill health for a number of years and had been an invalid for the past eight months.

Mr. and Mrs. Brock had been married more than a half century. He had been a member of the Methodist church for the past fifty-two and was highly respected and loved because of his constructive and consistent living. His influence will live on in the lives of those whom he contacted.

Mr. Brock had lived long enough to see nine children grow into useful citizens. He enjoyed the attention of his devoted wife and son, Lex and wife, for several years prior to his death. These were continually in attendance in the home, with regular visits some of long duration from the other children.

The funeral was conducted at the First Methodist church at four P. M. Tuesday afternoon. Young lady friends of the family acted as flower girls. Banks of wreaths, sprays and cut flowers attested the high esteem in which the Brock family is held.

Rev. M. M. Beavers, pastor of the Methodist church, spoke words and read passages from the Bible which were most appropriate regarding Mr. Brock, which will endure him to the family circle always. Burial was in the Lamesa Cemetery.

Surviving the deceased are: his wife and nine children, who are C. G. Brock, Edinburg, Tex.; Mrs. A. A. Zuck, Sayre, Okla.; Mrs. T. J. McMahan, Carlsbad, N. M.; J. N. Brock of Ariz.; Mrs. J. H. Winters of Bakersfield, Calif.; Mrs. J. H. Parker of Post; Lex Brock of Lamesa and L. R. Brock.

Earnest Motor Parts Co. Burglarized

'Shank' Costin, night officer, about midnight Monday night ran into two boys with a package, in the alley west of the square. Giving chase the boys dropped the box and sprinted away in the darkness. Investigation disclosed the loot was quite an assortment of accessories taken from the Earnest Motor Parts Co. and it was discovered that entrance had been effected through the skylight where one of the boys had lowered himself to the floor with a rope and the goods were hoisted up through the skylight to the second.

An employee of the firm was called and a check up was made, revealing that a table model radio had also been one of the articles taken.

Officers arrested two suspects Tuesday morning and they are being held in the county jail for investigation in the case. Everything was recovered with the exception of the radio but no trace of it has yet been found.

JUSTICE CAMPBELL APPRECIATES SUPPORT

D. M. Campbell, who is serving Precinct 1 as Justice of the Peace, and is a candidate for a second term, without opposition, has the following to say to his friends and supporters:

To The Voters of Justice Precinct 1, Dawson County:

I want to take this method of thank the people of this district for their splendid support in my race two years ago. I have tried to do my duty in every respect, pleasing all parties when I could, and trying to be fair to all with whom I have had business.

It is indeed gratifying to feel that I have so conducted my office that you have let me make the race for reelection without any opposition. And I assure you that I will show my appreciation by continuing to render you the same efficient service that I have in the past two years.

D. M. Campbell.

ATTEND REUNION

Mr. and Mrs. George Fairweather attended a reunion of the descendants of the late A. P. Bowers, which was held Monday and Tuesday of last week at the Presbyterian encampment grounds at Buffalo Gap. There were forty-four relatives attended the reunion.

J. C. FOSTER WILL CONDUCT SERVICES

J. C. Foster, minister of the Lamesa Church of Christ will preach at the regular Saturday religious service on the Court House lawn, July 4th at 3:00. These services are held every Saturday during the four months of summer, and have been held on this schedule for the past five years.

'Tiny Tot Revue' Creating Interest In July 4th Event

Bidding fair to being the most entertaining event that has ever been held in Lamesa, the Tiny Tot Bathing Revue which is to be staged at the City Swimming Pool Saturday afternoon has already created quite an interest in the Lamesa Fourth of July celebration.

Little girls from the ages of 5 to 12 will be entered in a contest, to select a "Future Miss America", who might represent Lamesa in the Atlantic City show of 1946.

Several local merchants are sponsoring contestants in the Revue and many more are expected to enter before the time for the show.

Merchants who have already selected their entrants are the following: Morris-Cleveland Drug Co., sponsoring little Patsy Jo Rountree; Gambill's Variety store, sponsoring Jimmie Lee Cotten; Dr. Harrington, sponsoring Charlene Rivers; The Coca-Cola Co., sponsoring Lewana Banta; Barrett Grocery and Service Station, sponsoring Geraldine and Ernestine Barrett; Earnest Motor Parts Co., sponsoring Carolyn Lou Tillman; Montgomery-Ward, sponsoring Sybil Roberts; Palace Beauty Salon, sponsoring Donna Jean Caldwell; Bryant-Link Co., sponsoring Freida Beth Womack; Wilkes Grocery, sponsoring Charlotte Dial; and Hurt's Haberdashery, sponsoring Ann McGuire.

If you miss this novel attraction, you will regret it, so be at the City Swimming Pool at 5:30 Saturday, July 4th.

Adcock Asks Voters Of Precinct No. 2 For Consideration

D. L. Adcock, resident of the Woody community and a candidate for county commissioner from Precinct 2, in a formal statement to the voters of this district says:

"I have lived in the precinct for eleven of the thirty-three years of my life. All this time I have been a home owner and taxpayer here and have kept in close touch with the social and political life of the district, and feel that I know the needs of this particular part of the county.

"As member of the commissioners court a commissioner has need of business experience which teaches him to be economical without being niggardly, yet as progressive as is consistent with true economy. In the handling of my personal affairs I have acquired the experience which will serve me well in this respect.

"If elected, it would be my determination to treat all citizens and all parts of the county without discrimination. I would spend all the time necessary to transact the business of the county and the people who honored me with the position of trust. I would never neglect the county's business to care for personal affairs.

"While roads are not the main things to be considered by a commissioner, I feel that they are very important and I am in favor of instituting some system of getting the roads dragged faster following rains.

"Four years ago I made this race. I have waited four years and now I am again asking for the place, on my record as a citizen among you for the past eleven years.

I have been honored with a membership on the county cotton committee, which I held until I first announced for this office. I tried to serve the producers in this position and enjoyed the co-operation I received on this committee. In this connection I represented the Dawson County farmers in Washington, D. C., in May, 1935.

"If you feel that I can make you a good employee and that my record as a citizen merits your consideration, I would appreciate your vote in the coming primary, July 25."

President Roosevelt And John Garner Unanimous Choice

Bringing to a close one of the most harmonious national conventions ever held, the Democrats renominated F. D. Roosevelt and John G. Garner by acclamation last Friday in their convention in Philadelphia.

The opposition which there had been some whispering of, failed to gather enough strength to cause a ripple in the meeting.

The platform adopted by the party as their program for the coming campaign and four year term has been commented upon most favorably by the independent press of the nation, most of them thinking it is the strongest platform ever formulated by a political party in the United States. The straightforward manner in which it takes hold of the issues before the nation has commanded the respect of the entire country, even drawing favorable comment from a few members of the other party.

Lets Talk about Clothes

Denton, Texas—The one outfit in a good summer wardrobe that withstands all the wear and tests is a dark street dress. Through the hot summer months, you'll find many times when a dark frock is not only suitable, but almost necessary.

When traveling, you need something that will look just as nice at the end of the journey as it did in the beginning, and if you work in an office, your white and pastel frocks soon become wilted and yellowed with constant wear. A navy or black dress is ideal—it does not show hard wear as easily as other colors, and it can be tubbed or cleaned with guaranteed satisfaction.

Chiffon is especially good this summer, and the latest trends are toward the redingote style. I saw one interesting model featured on the campus at Texas State College for Women (CIA). The dress was buttoned with material loops a little over half way down the front, and then stood open to reveal the box pleat in the dotted slip. The sleeves were short, slightly puffed, and had a tiny cuff of Irish lace. The neck was finished in a like manner, and two small tucked breast pockets adorned the frock.

Brown and white is an interesting combination for summer, and a checked silk in these two colors is especially attractive. Some dresses have yokes from which tiny pleated sleeves appear, and the high necklines have small collars which are brought together with grosgrain ribbon bows in the matching shade of the belt.

Dark cotton dresses feature maroon as the favorite color. Dotted swiss is trimmed with rick-rack braid, and linen lace frocks boast small bolero jackets.

GIVE CHILD CHANCE TO ENJOY SUMMER

Austin, Texas—Schools are closed for the summer all over the State, and citizens interested in the welfare of the future generation are concerned with the fact that a vast amount of energy and ability may go to waste if skill and patience are not employed in directing growing children in this play time season, according to Dr. Jno. W. Brown, state health officer.

"The civic, moral, and educational value of developing the natural talents of each child," Dr. Brown said, "has a far-reaching influence on the health, knowledge and character of the future

men and women of this State. The child need not be directed in each little act that he performs. Let the summer vacation season be the time when the child has a chance to develop his own individuality. Many an artist, statesman, or competent executive has come from humble surroundings. But looking back of this, we probably will find that this outstanding individual had a chance to develop his natural talent.

"It has been observed that children grow faster during the summer months than at any other time. This is explainable, perhaps, because it is then that they are out in the sunshine and fresh air. Good health is essential to physical and mental growth. The prime factors of good health are care of the body, nourishing food of the right kind, regular habits, sufficient sleep, rest and play, and a happy state of mind.

"Of course, where the child lives and under what conditions, means a great deal as to the type of recreation he will find during the summer. The city child will look forward to trips to the country or hours spent in the playgrounds and swimming pools. The child living in the country will have many things to do that will keep him in the sunshine most of the time.

"Let us all work toward the end that each child may feel at the end of the summer that he has worked out some of his own ideas and dreams, and still developed his physical and mental capacities during these few months of play."

PERSONALS

"I WOULDN'T RISK MY LIFE ON ANY OTHER TIRE"

Says Louis Meyer—
Only three time winner
Indianapolis Race '28 '33 '36

EQUIP YOUR CAR WITH
Firestone
GUM-DIPPED TIRES
for Greater Safety!

THERE is a reason why Louis Meyer won the 500-mile Indianapolis race this year—and why he is the only man ever to win this gruelling race three times. He always used Firestone Gum-Dipped Tires, and never experienced tire trouble of any kind.

Louis Meyer knows tire construction. He also knows that to drive for 500 consecutive miles over this hot brick track, negotiating the dangerous curves 800 times at the record-breaking average speed of 109 miles an hour, requires tires of super strength and greatest blowout protection, as a blowout on any one of the dangerous curves would likely mean instant death. By the Firestone patented Gum-Dipping process every cord in the tires on Louis Meyer's car was soaked and coated with liquid rubber, thereby preventing internal friction and heat. This is the secret of the extra strength and reserve safety built into Firestone Tires.

When you make your holiday trip, you of course will not drive at 109 miles per hour, but at today's higher speeds you do need tires that will give you greatest blowout protection and will stop your car up to 25% quicker.

Take no chances! Let us equip your car today with Firestone Gum-Dipped Tires, the safest tires built. It costs so little to protect lives worth so much!

Why Gulf is the Gas for the Fourth

GROWN-UPS SHOULD CELEBRATE the Fourth too! Drive somewhere. Do things. But to get maximum mileage use a gasoline that's made specially for July weather conditions in this district. If you don't, part of your fuel will blow out the exhaust unburned, wasted. That Good Gulf Gas is "Kept in Step with the Calendar"—its chemical formula is suited to the season. That's why all of it goes to work, none of it goes to waste. Try a tankful!

Many Traveling Through Texas

Arrival of the vacation season, with the end of the school year, sees the beginning of one of the greatest travel movements ever known in Texas. Travel experts predict that the tourist business in Texas this year will be the greatest on record.

Centennial year celebrations in all parts of the state and opening of the \$25,000,000 exposition at Dallas will stimulate the travel of Texans and the movements of visitors from all parts of the nation to the Lone Star State. Unprecedented interest in Texas has been shown in inquiries received at the state department of information and at various travel agencies.

SALADS SERVED IN ALL COURSES

Originally a salad was a leafy vegetable dressed with an oil and acid and seasoned. It was often garnished with fruit, meat, shellfish or cheese. Later this has changed so that often the original garnish becomes the salad and the original green salad becomes the garnish. In fact, salads now may be so selected that they may be served as appetizer, main course, or even to take the place of dessert.

Salads must be of pleasing color and texture combinations. They should contain something crisp, they should be rather highly flavored, and if possible should contain contrasting flavors and contrasting colors. Materials should not be made to appear scrappy by using too many kinds or by cutting too finely.

Information booths built in the form of the historic Alamo are located on nine cardinal highways leading to Dallas. Here visitors may obtain rooms, apartments, complete houses, or other accommodations before reaching Dallas. The attendants will merely telephone the Centennial Exposition Housing Bureau and visitors will be routed from the booth at which they inquire.

EXPOSITION WILL SHOW

FIRST 1936 BALE OF COTTON Dallas, Texas—The first bale of cotton grown in the Centennial year will go on exhibit in the agricultural department of the Centennial exposition here this week. The bale was shipped

to Dallas from Corpus Christi, Tuesday night, according to announcement made from Exposition officials. The bale was grown by Teofilo Garcia of La Grulla, Starr County, and received at Corpus Christi late last Monday.

CHEESE BISCUITS

2 cups flour; 4 tablespoons shortening; 1-3 cup grated cheese; 2 teaspoon baking powder; 1 teaspoon salt, sweet milk.

sift flour, baking powder and salt together five times. Cut the grated cheese and shortening into the flour with edge of knife. Add slowly cutting constantly, just enough milk to make a stiff dough. Roll out 1/2 inch thick on floured board. Cut with small cutter and bake on greased tin for ten minutes in hot oven 450 degrees F. Nice to serve with salads, tea or coffee at informal parties.

Mr. and Mrs. W. G. Weekes and daughter, Doris Jeane spent the weekend in Midland.

E. L. Throop, district manager of the Southwestern Associated Telephone Company transacted business here Saturday.

Miss Nelva Joy Bockman is visiting in the home of Mr. and Mrs. W. A. Marr and family in Slaton this week.

Lloyd Bucklew returned Friday from Dallas where he attended the Texas Centennial.

Jess Burleson returned Saturday from Dallas where he spent the past week attending the Texas Centennial.

Mr. and Mrs. L. E. Huddleston returned Wednesday from Dallas where they visited the Centennial.

Mr. and Mrs. D. O. Blackmon and daughter Lucille visited relatives in Hearne and Houston Texas, the past ten days.

Marines Have Been In Phillioines Since Manila Bay Battle

Bordering the shore of Manila Bay is the little town of Cavite, which overlooks the scene of one of the most stirring episodes in American history. It is now one of Uncle Sam's most important naval stations in the Philippines.

Almost before the smoke of Admiral Dewey's guns had rolled away, following his triumph over the Spanish fleet in Manila Bay in May, 1898, U. S. Marines were landed in Cavite. Units of the Marine Corps have been there ever since.

Many of the buildings in the little town of some 5,000 inhabitants are reminiscent of the Spanish occupation. Some of them, like the old arsenal and Fort San Felipe, still retain their medieval appearance, although they have been modernized to meet the needs of Uncle Sam. During working hours navy yard shops hum with activity. Filipinos have largely discarded the Spanish language, and now speak a patois of English, Spanish and Tagalog—the latter their native tongue. The more educated natives speak English fluently and both grammar and high schools conduct their courses in that language.

"Hundreds of marines visit Cavite annually," says Lt. Col. Thomas E. Thrasher, Jr., of the Marine Corps recruiting station, 257 South Spring Street, Los Angeles, California. "It is a regular port of call for our naval transports in the Orient."

Striking contrasts awaken the interest of the casual visitor. He will find old world culture and modern brevity; senoritas who still cling to the Spanish costumes of centuries ago, and those who adopt the latest Parisian modes; proud Filipinos of the upper classes who affect the clothing, food, manner and American standard of living, and the humble fisherman who sails his outrigger canoe and subsists on a diet of rice and fish.

The endless panorama of native life exhibits a strange mixture of American and Spanish customs, stately homes and nipa shacks, two-wheeled, horsedrawn carromatas and high-powered cars, the modern and the primitive side by side.

"Sea soldiers who are assigned to duty in the Philippines are either stationed at Cavite, or at the navy yard located at Olongapo, some fifty miles northwest of Manila. A few of them are on duty at Manila or at radio and smaller stations nearby."

Marines rarely remain in the Philippines more than eighteen months, and an assignment to duty there often means that a trip will be made later to Peiping, Shanghai, the Island of Guam, a cruise with the Asiatic Fleet, or some other location or duty.

Even when they remain in the islands for a full tour of foreign service there are numerous diversions. Swimming, sailing, baseball, tennis, movies and other recreations are available and popular. The marines at Cavite can reach Manila by naval ferry or by motor in less than an hour.

Although for more than thirty years the islands have been at peace, the marines took part in many events following their arrival there with Admiral Dewey. They were first ashore after the Battle of Manila Bay, and a year later saw some lively action against Filipino insurgents at Novleta. An outstanding achievement was accomplished in 1902, when marines marched across the island of Samar and pacified it.

Today no marine considers his trip to the Orient complete unless he sojourns for a while at Cavite, says Col. Thrasher, and it is not unusual for our men to request a second tour of duty there. Maybe it's the lure of the tropics, or perhaps it's just the appeal of strange lands which lie somewhere east of Suez.

Mr. R. O. Stron and daughter, Kathleen have just returned from Dallas, where Kathleen has been receiving treatments in a hospital. They will be at home for two weeks and then return to Dallas for further treatments. Kathleen is reported as improving at this time.

ENTERTAIN HONORING SON'S BIRTHDAY

Mrs. Jack Phinizy entertained a group of youngsters with a slumber party Monday night in honor of the eleventh birthday of her son, Jack Tucker. The boys enjoy this occasion were Ted McCollum, Elzie Burleson Jr., Jimmie Little, Joe Lee Kelley and Kenyon Elliott.

Delicious fruit refreshments were served at midnight.

OUT OF TOWN VISITORS ENTERTAINED

Complimenting two out of town visitors, Miss Elizabeth Ann Harrell of Tyler and Mr. Pat Mannagan of Lake Charles, La., Mrs. A. G. Barnard entertained last Friday evening with a supper and dance at her home.

The delicious supper was served picnic style, after which dancing was enjoyed. Those attending this enjoyable affair were Misses Yvonne Clark, Edith Mae Collins, Bobbie Dee Hull, Ruth Lee Stuart, Messrs. George Gable, Dick Collins, Lloyd Morgan, Kirk McKennon, Stanley Wilkes, Mr. Collins of Cross Plains and the honorees.

WEEK-END GUESTS IN WOODARD HOME

Mr. and Mrs. A. C. Woodward entertained several out of town guests over the week-end at their lovely suburban home south of town. They were Mrs. Woodard's father and mother, Mr. and Mrs. C. L. Avin of Electra; Mr. and Mrs. J. A. Brady of Pittsburg, Penn.; Mr. and Mrs. Frank Goodnight of Electra; Mr. and Mrs. C. L. Avin Jr. of Brownfield. Miss Ann Woodard accompanied Mr. and Mrs. C. L. Avin home and will spend a few weeks visiting there.

LIBRARY NEWS

The Library was honored by a visit from Mrs. Boyd T. Cantrell of 1029 Ala Ave., West End, Birmingham, Ala. Mrs. Cantrell came to the Centennial and is visiting with her sister, Mrs. Fogg, ten miles northwest of Lamesa. Mrs. Cantrell is quite interested in library and club work and also writes poetry.

Miss Aline Graham donated about a two year's subscription to Cosmopolitan magazine.

Willie Dale Bedwell donated Trail Dust by Clarence Mulford; Campfire Boys Afloat and Campfire Girls at Twin Lake.

Correction: Mr. Wm. Al Wilson says he merely brought those fine magazines to the Library—that Mrs. Philip Yonge gave them. Thanks Mrs. Yonge.

Mr. and Mrs. Martin Johnson, noted motion picture explorers who are now making sound films of wild animal life in Borneo, feel that they could not stand the heat and humidity of the jungles if they did not have the cooling drinks made possible by a kerosene-operated refrigerator which is a part of the scientific equipment of the Borneo expedition, according to E. R. Yates, kerosene Electrolux dealer for this vicinity.

Announcement that the road thru Lynn county on No. 9 has been opened to traffic was made last Saturday. It will be welcome news to travelers to the north from Lamesa who have had to use that detour in the past.

There will be soft ball game Friday afternoon at the ball ground south of the CCC camp, between a team of girls of Lamesa and the girls team from Welch. Everyone is invited to come out and enjoy the game.

The polo games each Sunday afternoon at the new field on the Lamesa Country and Golf Club site on the highway two miles south of town, has been drawing quite a crowd of fans.

Delegates from the Home Demonstration clubs over the country are in Lamesa this week attending the annual encampment of this organization. An interesting and educational program has been planned for the visitors. We will carry a report of the meeting in next week's issue of the Courier.

BALLARD 4-H CLUB

The Ballard 4-H club met with Mrs. Huddles last Wednesday and we had a very interesting meeting. Most of the girls have six stars and the ones who haven't will have soon. We decided to have an all day meeting at Bobbie Lou Carlton, July 6th to work on our Sunshine quilt on which we are making good progress.

We are glad to report that Ballard club is doing better work this year than ever before. If you want to join a hard working club just join the Ballard girls' 4-H club.

all the ladies who brought pies. The pies brought twenty seven dollars and ninety cents.

During the business session the club roll was revised. After all business was attended to, Miss Phenix took charge and explained the proper way to finish slips and dresses to be taken to the encampment.

She also gave some very helpful information regarding garden insects, telling us what to use and how to apply it.

Refreshments of sandwiches and drinks were served to nine members and one visitor and Miss Phenix.

The club meets with Mrs. Charlie Sullivan on July 15.

WILSON H. D. CLUB

The Wilson Home Demonstration Club met with Mrs. J. C. Johnston, June 24, at three o'clock in the afternoon. The meeting was held a week early on account of the encampment being held on our regular meeting date and in order to prepare our stunt for stunt night which is to be held on July 1st at the high school auditorium at Lamesa. Mrs. P. L. Minnix and Mrs. C. Jobe were appointed to make arrangements for the stunt for our club.

Eight ladies were present. Refreshments of Coolade and cake were served. The next meeting will be held on July 16 with Mrs. C. Jobe.

KLONDIKE H. D. CLUB

"Women all over the world are working for the same goal," said Mrs. J. L. Morris, in her talk on her trip to Washington, to the Klondike Home Demonstration club and the 4-H girls at the school house on June 23.

Mrs. Morris heard 23 foreign women tell what they were doing toward helping the world to be a better place to live in. She also had the honor of being a guest in the lawn party of our first lady.

The club women entertained the 4-H girls in a social before Mrs. Morris made her talk. After refreshments we adjourned to meet July 7 with Mrs. Perman Thorp. Miss Phenix will give us a demonstration on different relishes.

BALLARD H. D. CLUB

Mrs. D. Huddle was hostess to the Ballard club June 24. As Miss Phenix did not come and deliver her program, a round table discussing concerning the encampment and other club business was held. Delicious refreshments of punch and cake was served to ten ladies and nine 4-H club girls. Our next meeting will be with Mrs. R. C. Moore on July 8.

KEY H. D. CLUB

The Key Home Demonstration club met in the home of Mrs. Bill Langham on last Thursday evening, June 25, at 2:30. The program was 'Pickles and Relishes,' but to the disappointment of the club, Miss Mattie Phenix was unable to be with us. There were ten members present.

We set the date for an ice cream supper and a candidates' speaking for July 8. Everyone is invited. So voters please come. We adjourned to meet again at the encampment.

FOR FARM HOMES ANYWHERE

NEEDS NO ELECTRIC CURRENT... NO DAILY ATTENTION... NO WATER... BRINGS YOU FINEST MODERN REFRIGERATION FOR FEW PENNIES A DAY

READ WHAT MRS. C. A. BARRON, RT. D., LAMESA, TEXAS, SAYS:

"I could never realize the benefits and satisfaction that ELECTROLUX could bring to my home until I owned one.

"There is very little trouble and no daily attention to have perfect and positive refrigeration at all times and it is accomplished at a very low cost.

"ELECTROLUX makes life much more happier, it is indeed the grandest thing I have ever owned."

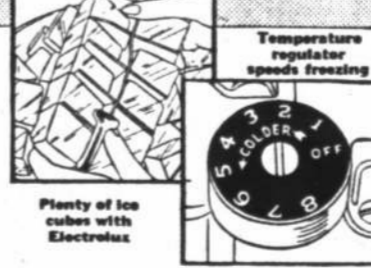

NOW you can be free from the trouble and waste of makeshift or inadequate refrigeration.

No matter where you live, Kerosene Electrolux brings you all the comforts of finest modern refrigeration. It's identical in every important respect with the famous gas-operated refrigerator now serving city homes and apartments from coast to coast.

Electrolux operates on ordinary kerosene (coal oil) for only a few pennies a day. One filling of the tank lasts a week or more. The secret of this amazing efficiency is Electrolux's simple operation. A wickless glow-type kerosene burner does all the work. Electrolux has no moving parts to wear... needs no water. This insures lasting efficiency, continued low running cost, fullest food protection. Owners find Kerosene Electrolux actually pays for itself with savings on food bills and on refrigerating cost. Clip coupon for literature.

METHODIST NOTES

Welch Circuit

We are well pleased with the attendance of all services at Welch last Sunday. We are never fully satisfied with our efforts to preach; but we are encouraged because the people continued to attend our services; and new ones being added nearly all the time. We are grateful for the confidence you seem to have in us, and we pledge ourselves to render the very best service possible for us to render.

The revival season is near us. The revival is the spiritual harvesting time. We are very anxious to begin the harvest. We have done our best to prepare the soil, plant the seed and cultivate. Will you join with us in the further cultivating and the reaping the harvest thereof.

We shall be at Munnar next Sunday. Seems like it has been ages since we were there. Two months is a long time to be away from the people you have learned to love. Meet us there Sunday and worship with us.

Begin now to get ready for the third quarterly conference which will be at Lamesa, the second Sunday of July. All day program at Lamesa Methodist church.

CHURCH OF CHRIST

J. C. Foster, Minister

Bible Study—9:45 a. m.

Preaching—11:00 a. m.; 8:30 p. m.

Ladies' Bible Class Monday 4 p. m.

Prayer meeting and Bible study, Wednesday 8:30 p. m.

Subject for sermon 11:00 a. m. "The State of the Righteous Dead and Will We Know Each Other There?"

Members who are not attending all these services are missing many good things, and the church is missing your influence for the Kingdom of God. The Church must have your presence and full hearted fellowship to grow and overcome the world.

Come, bring your family.

RECEIVES SCHOOL FUNDS

Miss Pauline Bulsterbaum, county superintendent announces the receipt of a one dollar per capita apportionment from the state at her office this week. This brings the payment up-to-date \$16 per capita. The remaining \$2.50 per capita to be paid before the first of September.

PEP UP, CUPID!

Only one couple applied for license to wed, in Dawson county during the past week. They were Edward Harris of Lamesa and Miss Dorothy Lee Smith of O'Donnell.

HANCOCK H. D. CLUB

The Hancock Home Demonstration club met June 11 in regular session. Mrs. Hodge was absent and Mrs. Williams acted as president. After the business meeting we entertained the 4-H club girls.

The club room was decorated with wild flowers and after several amusing games and contests were played, refreshments of iced cocoa and cake were served.
