Communists Try to Wipe Out Yank Paratroop Hold

Elderly Korean Gets Excited

An elderly Korean standing on tiptoes, waves a Korean flag as he shouts "Manzai" (10,000 years) to the three First Cavalry Division soldiers as they entered Chunchon after the city fell to U. N. troops.

Jumpers Show Little Emotion Before Drop Behind Red Lines

BY TOM STONE
(Associated Press Staff)

SOMEWHERE OVER KOREA, March 23. — In the belly of the big flying box car the paratroopers sat together on bucket seats and waited.

They were tense and tight-lipped as the bulky twin-engined plane labored toward the drop zone behind enemy lines, 21 miles northwest of Seoul.

Some smoked nervously to pass the time. Others dropped their heads and tried to doze. But nobody could sleep; in a few minutes they would jump.

The tension would snap and they would be drifting to earth, and perhaps come to grips with the Communists.

Some of them would break bones in landing. That is an operational risk. The drop zones were narrow. The paratroopers had only 20 seconds to bail out after getting the signal.

YOUNG KID

The lanky blond kid at the end of a row of bucket seats was checking his parachute strap. He was Pvt. William R. Daniels, Nashville, Tenn.

"I'm a little bit shaky, but I can make it all right," Daniels said. "It's natural being shaky."

Daniels is 6 feet tall and weighs 180 pounds. He sat crouched like a fighter in his corner awaiting the gong.

"I'm not scared," he grinned. "Nothing is worrying me. But I've just got a funny feeling in my stomach and it won't go away.

"But I like it. I guess that's just the reason I joined the paratroopers."

Another in the row of jumpers was Corp. Joe Schreimer of Philadelphia. The 23-year-old was leaning back against his parachute harness. His eyes were closed. His steel helmet rested in his lap. While waiting to board the plane before the takeoff, he had sat on the runway under the wing of the C-119, propped his head on his parachute and pulled out a pocket size novel and began reading. He stopped long enough to say:

"We sweat it out a little. Who wouldn't: But it's the best branch in the service.

MOVE OFF

Before the corporal could turn to his book, Lt. Richard P. Clark, Jr., Montgomery, Ala., yelled:

"OK, men, on your feet! Start moving! Let's get the hell in the plane! We haven't got all day!"

Schreiner slowly stuck his book in a pocket, got on his feet and began climbing aboard.

Behind him was Pfc. Forest Hall, Charleston, S. C., weighted down so much that two other GI's had to lift him into the plane. Strapped on his back was his own 'chute. In front was a general purpose bag. Inside it was a rocket launcher. It

Spearhead In Contact With Jumpers To North Of Seoul

Red Resistance Is Stiffened As They Recover To Recapture Commanding Peak In The Area

(By The Associated Press)

TOKYO, March 23.—American paratroopers bolstered by tough Rangers jumped today behind Communist lines north of Seoul and shocked some 20,000 Red troops into hasty flight.

The paratroopers filled the sky with their brightly-hued parachutes like a massive Easter bouquet.

But the Communists rallied later and were fighting desperately to surround and wipe out the 3,300 out-numbered American jumpers.

An armored column spearheading a fresh allied drive by three divisions north of Seoul linked up with the paratroops near the drop area south of Munsan.

Lines of infantrymen trudged up the road for miles behind, moving to the aid of the hard-fighting 'chutists.

A second column rolled through the road center of Uijongbu and fanned out to the east, north and west.

But the Reds won back a commanding peak four miles northwest of Uijongbu and late Friday were pouring heavy artillery and mortar fire into the allied positions.

Munsan is 21 miles northwest of Seoul and only nine miles south of Red Korea. Uijongbu is 11 miles north of Seoul.

Lt. Gen. Matthew B. Ridgway landed in his light plane on a dirt road near Munsan only 29 minutes after the first paratrooper jumped

Field dispatches said the Eighth Army commander at one time was in the thick of a heavy firefight.

The parachute operation was carried out on a fast schedule. C-19 flying boxcars roared over the one-mile drop area on express train schedule. The paratroopers had only 20 seconds from signal to "hit the silk."

Ammunition cases, jeeps and artillery billowed down after them.

Ridgway, tight-lipped, told correspondents: "The purpose of this operation is to kill the enemy."

Earlier, some 60,000 Reds had been reported in the area, with dug in defenses 25 miles wide and 15 miles deep to the Red Korean border. It was not immediately reported whether the bulk of this force had fled across the border or was making a stand. They were identified as elements of the North Korean First Crops.

In Central Korea, an American patrol pushed within two miles of the border north of Chunchon. It met no Reds but was halted by the deep and swift Pukhan River.

But elsewhere in this central area, a field dispatch said, Red Koreans stepped up their resistance. The Communists were dug in 10 miles south of the border around Red-held Mt. Kari, a 4,000 foot peak.

Hear Plea On Venue Change In Law Suit

A hearing on a plea of privilege filed Feb. 19 by attorneys for Dr. W. R. Newton, seeking a court order for a change of venue from Scurry County to Milam County in a $4,500 damage suit, filed by Bruce L. Greer, began today in 132nd district court with Judge Ben F. Thorpe presiding.

Greer, former administrator of the Snyder Hospital Clinic, through his attorney, George Killam, Jr., is opposing the change of venue, arguing that Dr. Newton is a bonifide resident of Scurry County and that the case should be tried here.

Newton, represented by Emory B. Camp of Cameron and H. J. Brice of Snyder, contended that he is a citizen of Cameron, Milam County, Texas.

Greer, the first witness, told the court that he was approached by Dr. Newton in Tulsa in May, 1950, and that later a contract was signed between him and Dr. Newton whereby Greer was named hospital administrator, effective June 1, 1950.

The testimony showed that Greer assumed his job as administrator, but following a staff meeting at the hospital Sept. 28, 1950, friction developed at the institution, and Dr. Newton told Greer that he was chief of staff.

Greer also testified that Dr. Newton maintained a residence at the Downtown Motel, where he said the doctor still resides.

"I worked at the hospital until Jan. 16, 1951, when I resigned," Greer testified.

Another witness, Dr. William M. Smith, who was on the hospital staff from March, 1950, to March 1, 1951, also testified to the Sept. 28 staff meeting, when alleged rift between the staff members occurred.

John M. Dodson told the court that he was employed as accountant at the Snyder Hospital Clinic in May of 1950, and resigned that position on Jan. 23, 1951. He said he was business manager, and all checks were countersigned by Greer, when the latter assumed his position as administrator.

"The Snyder Hospital Clinic had an account with the West Texas State Bank until November when it opened a second account with the Snyder National Bank," Dodson testified.

Dodson told of staying with Dr. Newton at the Downtown Motel when he first arrived in Snyder.

When asked if he ever saw Mrs. Newton at the hospital, Dodson replied in the affirmative, saying she had been at the hospital on several occasions.

Dodson told the court that Mrs. Newton was not on the hospital payroll while he was employed there.

ited Dr. Newton as recently as 10 ited Dr. Newton as recent as 10 days ago at his cabin in the Downtown Motel, and also at the hospital.

The hearing was to be continued this afternoon.

J. P. Billingsley, former county attorney, appeared as a witness to identify an instrument, recorded while he was county clerk.

Tobey Wants Check Made On O'Dwyer

By The Associated Press

WASHINGTON, March 23. —Sen. Tobey (R-NH) said today the Senate Foreign Relations Committee ought to look into the position of Ambassador William O'Dwyer in the light of Senate Crime Committee hearings.

Asked if he thought O'Dwyer should resign as ambassador to Mexico, Tobey told a news conference:

"That is in the hands of the President. You know what I would do if I were President."

CRANE TESTIMONY

In hearings in New York, the crime investigating committee received testimony from John P. Crane head of the Uniformed Firemen's Assn., that he gave $10,000 to O'Dwyer in 1949. O'Dwyer was then mayor of New York.

O'Dwyer denied there was any truth in Crane's story.

As one result of the New York hearings, federal law enforcement officials are going over the record for evidence of possible perjury or tax evasion.

SUPPORT

Crane said he gave the money to O'Dwyer as "evidence of the support" of the firemen during the 1949 political campaign, and gave the money to Moran as good-will offerings. Both O'Dwyer, who is now ambassador to Mexico and Moran have denied they received any money from Crane.

Moran resigned this $15,000-a-year post as city water commissioner yesterday after Mayor Impellitteri demanded that he do so or face ouster proceedings.

O'Dwyer May Be In Trouble

NEW YORK, March 23.—Former Mayor William O'Dwyer faces income tax and perjury probes stemming from disputed testimony by a city firemen's union boss that he gave O'Dwyer $10,000 as "evidence of the support" of the firemen.

The firemen's union official, who is under grand jury investigation on other scores, gave the testimony before the U. S. Senate Crime Probe Committee.

Income tax and perjury investigations also are in store for James L. Moran, long time friend of O'Dwyer who now is U. S. ambassador to Mexico.

The investigations, ordered yesterday by the crime committee now meeting in Washington, resulted from the New York hearing testimony by John P. Crane president of the AFL Uniformed Firemen's Assn.

Crane swore he gave $10,000 in cash to O'Dwyer and $55,000 to Moran, the former in a political campaign and the latter as good-will offerings.

O'Dwyer and Moran both told the committee they never took money from Crane.

O'Dwyer said he made another denial of the money-taking charge before a Manhattan grand jury looking into Crane's record in regard to some $135,000 purportedly missing from the firemen's union funds.

After the O'Dwyer-Crane testimony before the senators about the purported $10,000 contribution, Committee Counsel Rudolph Halley commented "one man is lying."

Bricker Wants Law To Govern Troop Dispatch

WASHINGTON, March 23. (AP) — Sen. Bricker (R-O) called today for enactment of "a definite law" governing the dispatch of American troops to Europe. He has described pending Senate resolutions on the issue as "a fraud and a hoax."

"I will move to send both pending resolutions . . . back to committees with instructions to convert them into actual legislation," Bricker told a reporter.

The resolutions would approve President Truman's decision to send four American divisions to the international defense army in western Europe, but would call on him to confer with Congress before making any additional commitments. But they are only expressions of congressional sentiment without force of law.

The Senate resumes debate on the measures next Tuesday following a three-day Easter recess. Voting has been set for April 2.

Optimists To Build Club On Youth Program

An organization of business and professional men dedicated to helping boys from "delinquent homes" is being established here.

J. Branch Donelson, St. Louis, field representative of Optimist International, is in Snyder helping Carl Herod and other interested businessmen found an Optimist Club.

NATIONAL AIM

"Out biggest national program," Donelson said "is being 'friend of the boy.' Optimist Clubs have pioneered work for the boys ranches which are now flourishing in Abilene, Amarillo, and San Angelo.

"Abilene has 32 boys at its ranch. Usually the boys at the ranches are wards of the juvenile courts, victims of broken homes and negligent parents. On the ranches, they do not live a life of confienment such as in a reformatory. They move about freely and for the first time discover they have friends among the adults."

Herod pointed out the opportunities for helping youth in Snyder.

"We have a town without any youth program or any recreational facilities," he said. "An organization which has a record of 90 per cent success in its rehabilitation program could do great work among the boys of this city."

OTHER PROJECTS

Optimists also participate in other civic activities, Donelson said.

All interested businessmen are asked to contact Herod before the organizational meeting April 3 at the Village. Herod is serving temporarily as president of the group. A minimum of 25 members is necessary for a charter.

"We do not plan to rob other civic clubs of their membership," Herod stated. "We are interested only in men who do not have other club affiliations."

Latest Peace Try With The Chinese Fails

By The Associated Press

NEW DELHI, March 23. — India has made another fruitless try to find a pathway through which to induce the Chinese Communists to discuss peace, it was learned here reliably today.

Government officials declined to discuss the matter, but a well informed non-official source said Prime Minister Nehru initiated a new move to end the Korean conflict late in February, timing it to coincide with serious Chinese reverses on the Korean battlefields.

This was the first positive Indian action toward a negotiated settlement of the Korean dispute since the United Nations named the Chinese Reds aggressors and India, after opposing that action, announced it would "let someone else try to find a solution."

The latest Nehru attempt at opening peace talks met a stony wall of Chinese silence and continued bitter Chinese opposition to a meeting with the U. S. and other Western Powers, this source said.

"Nehru tried again but there was no luck," the source added. "It had been expected the Chinese after heavy losses and severe setbacks in their efforts to drive the United Nations forces into the sea, might welcome negotiation or even mediation to end the conflict."

Secret Session In Big 4 Talk

PARIS, March 23. (AP) — After nearly three weeks of fruitless effort, big four deputies hold their first informal secret session today, reportedly to decide whether to continue trying to work out an agenda for a foreign ministers conference on critical world problems.

At a luncheon meeting yesterday the western deputy foreign ministers were reported to have talked "rather frankly" with Soviet Deputy Andrei Gromyko and to have indicated that unless signs of agreement were forthcoming quickly, the conversations should be broken off.

Gromyko, an informant said, indicated he would seek fresh instructions from Moscow. These are expected to be outlined at today's session.

Dry Cool Front Passes Today

By The Associated Press

The cool front was moving down into the top of the state this morning. It swept into the Panhandle in the early morning hours, was as far south as Wichita Falls by mid-morning and was in the Dallas and Fort Worth areas around noon.

The front brought no rain, though scattered showers may fall in far East Texas tonight.

A light freeze was predicted for the South Plains and Panhandle tomorrow morning.

The Weather Bureau continued to predict moderate temperatures and dry weather for Easter Sunday.

At sunup today, temperatures were in the low 40s in West Texas and in the 60s elsewhere. Highest temperature yesterday was 92, reported at Mineral Wells and Wichita Falls.

High winds accompanied the cool front. Weather Bureau officials said winds up to 40 miles an hour were kicking up dust throughout Western Oklahoma and Northwestern Texas.

Visibility was 1½ miles at Amarillo, 3 at Childress, 7 at Wichita Falls and 1½ at Hobart, Okla.

The New Orleans Weather Bureau ordered small craft warnings on the Gulf Coast from Brownsville, Tex., to Morgan City, La. Winds up to 35-miles-per-hour were forecast.

Abandon Kent Wildcat North Of Salt Creek

William Herbert Hunt Trust Estate No. 2 Girard Trust Co., wildcat in Central - North Kent County 12 miles west of Girard, has been plugged and abandoned as a failure on total depth of 6,910 feet.

The prospector was drilled seven miles north of the Salt Creek field.

No shows of commercial production were found in the Pennsylvanian reef, which is the regular pay of the field.

Drillsite was 660 feet from north and west lines of section 72, block 1, H&GN survey.

BORDEN WELLS

Vickers Drilling Co. No. 1 McKnight, Borden County wildcat, ran a drillstem test at 5,840 feet. With tool open four hours and 45 minutes, recovery was 125 feet of fluid. The top of the fluid was gas cut mud with a scum of oil, with the lower part clear salt water. Operator is now preparing to drillstem test again.

The No. 1 McKnight is 13 miles northeast of Gail and in section 367, block 97, H&TC survey.

Stanolind Oil & Gas Co. No. 1 Miller, North-Central Borden wildcat, tried a second drillstem test at 8,014-8,040 feet. Tool was open 45 minutes when the packer failed. Recovery was 750 feet of mud with no shows. Operator is now drilling below 8,040 feet in lime and will take another test soon.

Location of the prospector is in section 3, block 30, T-5-N, T&P survey.

Gulf Oil Co. No. 1 Higginbotham, Southwest Borden wildcat, is drilling in lime below 3,330 feet. Drillsite is 14 miles south of Gail and 660 feet from west and north lines of the northeast quarter of section 13, block 32, T-3-N, T&P survey.

IN GARZA

Murchison 1 Brown No. 1 Neff, wildcat in Central Garza County, is at a total depth of 4,806 feet and swabbing to clean out after being treated with acid. The well showed some gas and oil before acidizing perforations at 3,370-72 feet. The amount of acid used was not reported. The prospector made no shows on a core test at total depth earlier and was to have been plugged back and tested at 4,700-4,736 feet.

The No. 1 Neff is three miles northeast of Post and in section 90, block 3, GH&H survey.

Standard Oil Co. No. 1-A Hill, Garza County prospector, is now drilling below 4,165 feet in lime.

MITCHELL COUNTY

In Central - West Mitchell County, Stanolind Oil & Gas Co. No. 1 F. A. Langley is drilling below 2,645 feet in dolomite. Operator is planning to drill to 2,660 feet and then run a drillstem test. Top of the Clear Fork was called at 2,550 feet. The well made a show of oil from 2,570-2,600 feet.

The No. 1 Langley is located at the center of the southwest quarter of the northeast quarter of section 25, block 29, T-1-N, T&P survey.

Burdell Oil Co. No. 1 Hardee,

(See Oil News Page 8)

Crime Probe May Uncover Tax Evasions

WASHINGTON, March 23. (AP) — Federal law enforcement officials set to work today on evidence of perjury and suspicions of tax evasion provided them by the Senate Crime Committee's dramatic hearings into underworld operations.

The committee itself called a one-day lull after giving a balky Capone gang figure another chance to avoid contempt charges.

The group asked the Justice Department to study the record of its sensational New York hearings and determine whether anyone should be prosecuted for lying under oath. And a House committee asked federal officials to check on possible income tax frauds.

Jacob (Greasy Thumb) Guzik, reputed payoff man for Scarface Al Capone's old gang, was freed by the Senate crime hunters under $10,000 bond. They ordered him to reappear March 30 after he refused to answer questions about the Chicago policy racket and other underworld activities.

Crane Won't Quit As Demanded By His Union

NEW YORK, March 23. (AP)—John P. Crane, the firemen's union official who testified he passed out big-money gifts to various politicians, said today he would not comply with a demand that he quit a national post in the union.

In Washington, the AFL International Assn. of Fire Fighters announced Crane's suspension as a vice president effective at noon.

Crane, president of the New York City Uniformed Firemen's Assn., is also a vice president of the AFL International Assn. of Firefighters. The International had ordered him to resign, or face ouster proceedings.

Stolen Car Abandoned South of Hermleigh

A car reported stolen here late yesterday was recovered later last night about one mile south of Hermleigh.

Bill Boyd reported the car, a black 1936 Chevrolet sedan, missing from his car lot about 5 o'clock yesterday afternoon.

About 8:30 o'clock last night it was found abandoned south of Hermleigh.

Victims of Explosion Yesterday at Gasoline Plant Show Progress

Two men injured yesterday afternoon in an explosion of a steel drum at the Snyder Gasoline Plant were reported improved this morning at the Snyder Hospital.

Most seriously injured was B. F. Fincher, 54, of Colorado City, who was reported to be showing signs of improvement after suffering fractures of several ribs, a heart injury, a punctured lung, and several deep lacerations.

J. B. Briscoe, 34, of Lubbock, was reported recovering from second and third-degree burns of the left arm and left leg.

The accident occurred when a 55-gallon steel drum, which had once contained an alcohol antifreeze, exploded while workmen were welding pipe nearby.

Hospital attendants said Briscoe's condition was no longer considered critical but that Fincher was still in serious condition. They were working for the Fluor Construction Corp., which is building the plant.

Electric Rate Hike In ColocradoCityApproved

COLORADO CITY, March 23 — A 10 per cent increase in rates was granted the Texas Electric Service Co. by the Colorado City council in a meeting last night. A. L. McSpadden, Colorado City manager for the firm, appeared befor the council to ask the raise.

The council voted that an ordinance be adopted to change the rate to that suggested by the company as soon as they receive a letter from the firm's headquarters stating that the rates are no higher than rates in other cities of similar population.

Vandenberg Unchanged

GRAND RAPIDS, Mich., March 23. (AP)—After his modest 67th birthday observance, the condition of Sen. Vandenberg (R-Mich) was reported unchanged.

Vandenberg was able to read scores of greetings from all parts of the world which came to him on his birthday yesterday.

Early Morning Fire Destroys Cafe Building

The Western Cafe on the Post highway and the Clairemont Road burned early today.

The fire which virtually destroyed the building and its contents occurred at about 1:15 o'clock this morning.

The cafe manager, his wife and five children lived in the building. Their clothing and personal possessions were destroyed by the blaze, but none of the occupants was injured, Melvin Newton, fire marshal, said.

Mr. and Mrs. J. L. Lockey operated the cafe. They and their five children lived in a room in the rear of the building, which is owned by a Mrs. Yates of Brownwood.

Firemen said they believed that neither the building nor its contents was insured.

Witnesses to the fire who either work at near by businesses or live near by, said that they believed arrangements were being made for the building to be moved from here to Maryneal, Tex., today.

Eleven volunteer and two paid firemen answered the call.

53 Aboard Air Transport Are Thought Dead

WASHINGTON, March 23. (AP) — A big Air Force transport plane with 53 aboard is missing on a flight over the Atlantic from the United States to England, the Air Force reported today.

One of those aboard was identified by the Air Force as Brig. Gen. Paul T. Cullen, deputy commander at Barksdale Field, near Shreveport, La., who was en route to an undisclosed European destination.

Reports earlier from London said the transport, a C-124 known as Globemaster II, vanished in the rain and fog over the ocean after making a routine report last night that it was 800 miles southwest of Ireland.

American, British and Irish search and rescue planes combed the area where the plane was last reported without sighting any trace of wreckage or life rafts.

The Air Force said in mid-morning however, it still held hope for the plane because it could have reached Iceland or the Azores. Communications with those areas have been bad for hours.

An Air Force spokesman said the great transport had about eight hours of fuel left when it last reported. "It was then within six hours flight of Ireland, Iceland or the Azores.

The Air Force said weather conditions have made radio communication very difficult in the North Atlantic and that messages have not gone through to several places where the missing plane could have landed.

Another big plane, a military air transport, was temporarily reported overdue on a flight from Iceland to this country. It later landed safely at Argentia, Nfld.

Panama And Spain On Speaking Terms Again

PANAMA, Panama, March 23. (AP) —Panama and Spain have resumed diplomatic relations, a spokesman for President Arnulfo Arias announced today.

Panama broke relations with the government of Generalissimo Francisco Franco in 1945. Recognition at that time extended to the Spanish Republican government in exile was withdrawn last year.

Sentenced For Theft

Ivory Rose, about 28, Snyder Negro, was sentenced to serve six months in the county jail when he pleaded guilty this morning to a charge of stealing 1,200 pounds of steel pipe from the Rumbaugh Trucking Co. Rose pleaded guilty before Robert Patterson, acting county judge.

High of 88 Yesterday

The weather skipped from spring into summer in Snyder yesterday with a maximum of 88 degrees recorded by Mrs. D. P. Strayhorn, weather observer. The minimum recorded before dawn today was 47 degrees, with 51 degrees recorded at 7:30 o'clock.

Christians Flock to Jerusalem For Good Friday Pilgrimage

By The Associated Press

JERUSALEM, March 23. —Thousands of devout Christians made a Good Friday pilgrimage through the crooked streets of old walled Jerusalem today as a drouth described as the worst in 80 years plagued the Holy Land.

Holy Week devotions neared the joyous Easter Sunday climax after weeks of sunny, clear weather.

Pilgrims — hundreds from abroad — today followed the storied route taken by Christ as he carried his cross to Calvary.

Some groups, retracing Christ's steps, as usual carried with them large wooden crosses through the winding and narrow cobblestoned streets.

The 14th and last station of the "Via Dolorosa" is the tomb inside the Holy Sepulchre where Christ's body was believed taken after his death on nearby Calvary.

SERVICE

Tonight, in a medieval Roman Catholic service at the Basilica of the Holy Sepulchre, a symbolic figure will be taken from a cross, bathed, anointed and laid in a tomb.

Archbishop Albert Gori, Roman Catholic patriarch of Jerusalem and the Holy Land last night washed the feet of junior priests in a Biblical re-enactment in front of the basilica.

A solemn resurrection service Easter morn, heralded by the ringing of the basilica's many bells, will be attended by a large number of foreign diplomats in the Holy Land.

BANS LIFTED

It was announced that Jaffa Gate in the old city walls will be opened Sunday to permit the Jerusalem consular corps to enter the old city along the traditional route. The old city is in the hands of Jordan while the new city is controlled by Israel.

Permits were issued to allow other pilgrims safe passage across the Israel-Jordan armistice lines to enter the ancient city through the Mandelbaum Gate and to visit Bethlehem.

Diplomats from the Jewish side of the guarded barbed-wire frontier line will come along a street still surrounded by rubble and destruction of the 1948 fighting.

Official Jordan sources said the Jews are not permitting Arab Christians living in Israel to cross the lines for the ceremonies.

Mexico City Is Warm

MEXICO CITY, March 23. (AP) — Sunny spring weather warmed the capital yesterday. Temperatures ranged from 41 to 72.

Weather

WEST TEXAS: Partly cloudy and colder tonight in Panhandle and South Plains this afternoon and elsewhere Saturday. Low temperatures 26-32 in Panhandle tonight.

EAST TEXAS: Partly cloudy and colder Saturday and in northwest this afternoon and in north and west tonight. A few scattered showers in east portion tonight. Fresh to locally strong southerly winds on the coast becoming northerly Saturday.

TALK OF THE TOWN

BY FRANCES BIOW

Out-of-Town Trips: MRS. GARLAND ARMSTRONG effusing over the eight-million-dollar-department store in Houston, just erected, "which puts anything in the Southwest behind so far as swank and elegance are concerned"... Seems you may have lunch in their tea room filled with giant trees simulating realness from floor to ceiling, a decorator's green and white wonderland overlooking a patio... MISS VERA PERIMAN after last week end in Fort Worth described hearing Billy Graham, the evangelist, who spoke in the Will Rogers Coliseum to thousands, his one-thousand-strong choir on hand. For any Snyder people wanting to attend one of his sermons, he speaks Easter Sunday afternoon at the Amon Carter Stadium before an expected throng of 75,000.

Candidate for Meanest Thief: VERNE McGREW, JR. thinks dark thoughts these days. It's getting so a guy can't leave his trousers over a chair without returning to find them rifled. Vern played [illegible] ed basketball game one night this week, returned to the gym dressing room to discover his watch stolen. The watch had been an award for high jumping back in the days when he carried the colors for Rice and went to the Kansas relays to take a pocket full of firsts. "Hard won as that watch was, there's not much I wouldn't do for the person who can steer me to its whereabouts," stated McGrew.

Last night the dress rehearsal of "The Womanless Style Show", presented so proudly by the all-male membership of Kiwanis Club, went off with a hitch. That is, unless you count the frantic hitches taken by DR. WOODROW MIKESKA at his insecure feminine sweater, which he wears in the titillating role of a high school flapper. BILL KING totes a guitar and outwiggles Ellie Mae of stage play, "Tobacco Road" fame... he represents a talented damsel of the Golden West. Sleek and ravishing is DR. W. M. SMITH, cast in the role of "an Arabian girl with veil"... C. W. BRADLEY tastefully gives his between - acts rendition of an Indian war dance, guaranteed to bring rain quick. Curtain going up at 8 o'clock tonight at the high school auditorium. It's a full dollar's worth of fun, the dollar going into the coffers of Kiwanis Underprivileged Children fund.

Did you ever think to bake bread and freeze it for later use, thus turning that home freezer to one more useful purpose?

Bread and rolls may be frozen baked or unbaked, but satisfactory results seem more certain if the bread is baked. The effect of freezing on yeast is still in the research stage.

A plain or sweet dough recipe, whichever is acceptable to your family, is baked, removed from the pans, and cooled to room temperature. It should then be wrapped in moisture - proof paper or packaged in frozen food containers for freezing and storage.

When the rolls are used, reheat them in their sealed wrappings, at oven temperature about 250 to 300 degrees F. Don't store baked yeast bread or rolls or baked cookies in a home freezer longer than three months.

Mickey Says Can't Afford Trip To Texas

LOS ANGELES, March 23. (AP)—All that stands between Mickey Cohen and a Texas crime probing committee today is the price of a round trip plane ticket to Austin.

"I just ain't got the money," said the Los Angeles gambling figure, who definitely has the subpoena to appear next Tuesday before the Texas House Crime Investigating Committee. It was served him in El Paso Wednesday when he dropped in to pay his last respects to a deceased policeman friend.

"Unless they send me money for a round trip plane ticket, I can't go," Cohen said after conferring with attorneys. "That's a long trip and I don't have that kind of dough."

He awaited a call from Rep. Fred Meridith, head of the committee, who said Cohen was expected at the hearing. Cohen talked on the phone with Reuben Senterfitt, speaker of the Texas House, and assured him he would like to cooperate.

A Texas House rule grants payment of traveling expenses for witnesses, plus $2 a day on the road and $3 for each day in attendance. Appraised of this, Cohen laughed.

"I'll waive the two and three bucks, just so I get the plane fare," he said.

Asked if he had to travel by plane, he sounded indignant:

"That's the way I always travel."

Hearing Puts Parks In Bed

HOLLYWOOD, March 23. (AP) — Loss of sleep and a movie role hit Larry Parks in the wake of his "I was a Communist" testimony before the House un-American Activities Committee.

The sleep he can always catch up on, but movieland wondered openly today about the job prospects after Columbia Pictures said Parks was being dropped from the cast of a new film, "Small Wonder."

While the studio said Parks' admission had nothing to do with the move, it was learned that the change was made several weeks ago when it was announced that Parks had been subpoenaed by the committee.

Under his contract Parks is to make one picture a year for Columbia and be paid $75,000 for each one. The picture is to start not later than March 27. In view of his removal from the new film the studio said he will be paid half of $75,000, as provided by his contract when his services are not used. His Columbia contract has four more years to run.

Parks was reported ill in a New York hotel; his wife, Betty Garrett, wes prostrated at their home here. Mother of a second son only three weeks ago, Miss Garrett was ordered back to bed by her doctor to avoid complications.

Parks' lawyer, Louis Mandel, said yesterday the 35-year-old actor is "sick of heart and sick in bed."

THE SNYDER DAILY NEWS

Lubbock Fire Damage

LUBBOCK, March 23. (AP) — Fire caused an estimated $150,000 damage to a seed house at the Plains Co-operative Oil Mill yesterday. It gutted the huge structure and damaged part of 4,000 tons of seed.

Party for Newcomers Planned Tuesday At Humble Recreation

The Humble recreation hall will be the scene Tuesday for a big get-together of all newcomers in Snyder, according to Mrs. Chester Likes, general chairman of the Newcomers' Club, which is sponsoring the party.

Bridge and canasta or just visiting are included on the agenda, beginning at 2 o'clock Tuesday in the spacious oil camp hall on West Thirty-seventh Street.

"You need no personal contact to join us and become a member of the club if you desire," explained Mrs. Likes, who is urging all newcomers who attended the recent tea at the Country Club to follow up their interest in the club by getting acquainted Tuesday.

Assisting Mrs. Likes in the afternoon of fun will be Mrs. E. L. McAfee. Dessert will be served.

If you have no way to attend the party, or if you feel hestitant to come alone, please telephone Mrs. Likes at 1755-J, and transportation with other members will be furnished.

42 Club Entertained In Alexander Home

Mr. and Mrs. A. C. Alexander, 2906 Avenue U, entertained the Friendly Fellows 42 Club last night with an Easter party in their home.

Mrs. Alexander had chosen an Easter lily as her centerpiece, surrounded with cut flowers — jonquils and iris. She served a salad course and banana nut cake.

Special guests were Mrs. Ethel Eiland and Mrs. Laura Miller.

Members present were Mr. and Mrs. J. C. Stinson, Mr. and Mrs. W. D. Harral, Mr. and Mrs. Horace Eiland, Mr. and Mrs. R. D. English, Mr. and Mrs. R. H. Odom, Mr. and Mrs. W. R. Bell, Sr., Mr. and Mrs. Wade Winston, and Mr. and Mrs. H. J. Brice. The Alexander's son, Bill Alexander, arrived from Texas A&M during the evening to complete five tables of 42.

Mrs. H. P. Brown, 2812 Avenue U, will entertain the group April 5.

Altrurian Daughters Have Variety Program

Mrs. Borden Gray from Borden County was hostess Wednesday to the Altrurian Daughters at a meeting at the Country Club.

The program was in the form of a New York Variety Show, Mrs. Marcel Josephson reviewing "Beau James, the Life and Times of Jimmy Walker," by Gene Fowler, and Mrs. Harold Brown giving a paper on "Old Mr. Flood" by Joseph Mitchell.

The hostess served a chicken salad plate accompanied with strawberry shortcake.

Mrs. R. E. Patterson and Mrs. B. L. McKinley, Jr., will jointly entertain the club April 4, in Mrs. McKinley's home, 3304 Avenue U.

Others present at Wednesday's party were Mrs. Harry Ward, Mrs. R. B. Sears, Mrs. J. D. Scott, Mrs. Novis Rodgers, Mrs. R. C. Miller, Jr., Mrs. Herman E. Doak, Mrs. W. Bert Dennis, Mrs. P. W. Cloud, and Mrs. N. R. Clements.

Texan Is Sentenced For Bank Robbery

MASON CITY, Ia., March 23. (AP)—Yandy D. Hardy of Tyler, Tex. started a 20-year federal term for the $38,000 robbery of the Laurens, Iowa State Bank last Nov. 3. He is 32.

Kenneth A. Kutts of Omaha, called the ring leader, got 30 years. Both were convicted on all three counts of an indictment. They were accused of entering a bank with intent to rob, stealing from a bank and transporting stolen goods across a state line.

Woman's Calendar

FRIDAY

Snyder Garden Club, 9:30 a.m., breakfast at The Village restaurant.

Joe Dave Scott's college dance 8 p.m., Country Club.

Women's Golf Association, lunch at 1 p.m., at Country Club.

El Feliz Forty-Two Club, 3 p.m. Mrs. Earl Fish, 2901 Avenue W.

Womanless play presented by Kiwanis Club, 8 p.m., high school auditorium.

Duce Bridge Club Has Meeting in Home Of Miss Polly Harpole

Miss Polly Harpole, 2801 Avenue V, entertained the Duce Bridge Club last night in her home.

Rabbits and eggs were placed among Easter pot plants to lend a holiday note.

Miss Harpole had as guests, Mrs. Mabel Brock, Mrs. Sam Joyce, Mrs. Maurice Pilcher, and Mrs. Frances McCasland from Abilene and Mrs. Bruce Murphy from New Mexico.

Members present were Mrs. R. M. Phillips, Mrs. Leland Herod, Mrs. C. W. Popnoe, Mrs. Dell Smythe, Mrs. R. E. Patterson, Mrs. Marcel Josephson, Mrs. Roland Bell, Jr., Mrs. Lee Smyth, and Mrs. John Blum.

Mrs. Herod will entertain the group April 5.

Prizes Awarded At Sans Souci Bridge

Mrs. Prentice Bass, a guest, won high score prize at the Sans Souci Bridge party Tuesday afternoon. The group, a branch of Newcomers' Club, met at the Village with Mrs. W. W. Ca[illegible]y and Mrs. Wade Pipkin hostesses.

Mrs. Warren Richardson won second high, with Mrs. J. T. Burris taking bingo score.

Light refreshments of cake and coffee were served.

Mrs. Joe Love and Mrs. Richardson will entertain the group at the Village April 3.

Other members present Tuesday were Mrs. George Leftler, Mrs. Lonnie Smith, Mrs. H. D. Jones, Mrs. H. W. Sanders, Mrs. V. K. Benson and Mrs. E. L. Kownslar.

Mrs. Lions Hostess To Union H-D Club

Mrs. Dink Lions of Union entertained Wednesday for the Union Home Demonstration Club.

The women heard a program on first aid, with Mrs. John Langford discussing treatment, Mrs. I. Smith talking on new medicines, and Mrs. Gladson demonstrating how to use a first-aid kit.

Refreshments were served during the social hour.

PERSONALS

Miss Nellie Cotton, 2008 Twenty-seventh Street, went to a birthday party for her brother, Loran Cotton, Sunday in San Angelo.

Mr. and Mrs. B. C. Drinkard, 3210 Avenue U, went to Cameron, Tex., Sunday to visit Mrs. Drinkard's grandfather.

Mrs. J. P. Morgan, 2707 Avenue U, is visiting in Oklahoma City.

Mr. and Mrs. J. D. Scott, Warrencrest, and Mr. and Mrs. R. B. Sebrs, 3306 Avenue U, attended a Shrine dance in Sweetwater Thursday night.

A Snyder visitor this week has been Mrs. Ruth Hyden from Amarillo who is visiting relatives here —Mr. and Mrs. J. C. Dorward, and Mrs. Ophelia Blackard and her daughter.

Mr. and Mrs. Garland Armstrong expect to spend the Easter week end in Sweetwater with Mr. and Mrs. Arthur Townsend. Mrs. Armstrong has just returned from Houston, where she spent a week visiting her son, Tommy Armstrong.

2 Injured At Edinburg In Tank Explosion

EDINBURG, March 23. (AP) — An exploding air compressor tank on painting equipment injured two men here yesterday, one seriously. The blast blew both men out of their shoes.

J. G. Croxton of Edinburg was still unconscious in a local hospital last night while J. C. Aron, also of Edinburg, escaped with only minor injuries.

The two men were engaged in a painting job at the Golden Jersey Creamery when the explosion occurred. The tank was blown through the side of the creamery and landed 75 feet away.

No reason for the explosion had been determined last night.

Union Leaders Report Settlement Of Strike

TORONTO, March 23. (AP)—Union leaders announced last night a settlement has been reached between Toronto's milkmen and dairy company officials ending a [illegible]-day-old strike. The agreement goes before the union membership for ratification today.

The dispute was over the effective date of a $3 a week raise awarded by a conciliation board. Details of the settlement were not made public. The average wage of drivers, including commission, is estimated at $50 a week.

Texas History Written in Brands

SX

BY JOHN M. HENDRIX

The SX was registered by Henry Sackett in Coleman County in 1876. The brand was selected because it embodied the name of his old home county, Essex, in England. It was still being run in 1936 by Mrs. Mary A. Sackett, widow of Henry Sackett.

Railroad To Abandon Some Runs In Texas

WASHINGTON, March 23. (AP) — The Texas and New Orleans Railroad, a South Pacific line, has ICC authority today to abandon 22.6 miles of track in Burnet and Lampasas Counties of Texas.

The ICC order said the TNO must sell all or part of the line to anyone offering to buy it for continued operation within 40 days at a price equal to fair salvage. Present employees must be protected, the order said.

World's Biggest Bomber Plant Increases Production of B-36s

By JOHN JAY ADAMS
(Associated Press Staff)

FORT WORTH, March 23. —Uncle Sam is quietly stepping up production of the B-36, the world's biggest bomber.

About 28,000 are working here in the world's largest integrated aircraft factory, but they all are mighty silent about the strength of the intercontinental bomber fleet they are building.

Convair Division of Consolidated Aircraft Corp. probably has made at least 170 of the giant atomic bombers. That many were ordered by 1949. No numbers have been revealed on two additional orders one placed since the Korean War began. One - third more men were hired last year to speed production on the 546-acre plant site.

It takes an Air Force permit to peek inside the giant workshop, a windowless shed four stories high covering eight blocks. Motor scooters buzz around a concrete surface that would pave a four-lane highway for 30 miles.

Appropriately, this super-sized incubator hatches supersized chicks.

PHENOMENAL FIGURES

Performance figures of the new models are phenomenal. One plane lifted 84,000 pounds of bombs—equivalent to the combined weight of 26 automobiles. A reconnaisance model photographic plane flew for 51 hours and 20 minutes. Nursed by tanker planes, another flew around the world without landing

The Air Force carefully guards exact performance figures on the B-36 but concedes it can fly more than 435 miles an hour and climb eight and one-half miles.

More power is the B-36 success secret. Convair engineers say they could "fly the factory" if they could get enough power. Bigger piston engines and better jets have helped designers double the power packed in an air frame planned 10 years ago. At high speed, the present six propeller engines and four jets produce the drive o nine locomotives.

Development of the plane has been a long-term project. It began in the early days of World War II before atomic bombing entered military strategy. Convair engineers produced the best design in an air force competition for a plane to fly 10,000 miles lugging five tons of bombs half way.

ACROSS THE OCEANS

This order actually amounted to a combat radius of 4,000 miles — enough to strike across the oceans. The Air Force likes to get its bomber crews back and allows gasoline reserves for poor weather and evasive combat action. The actual operational radius of any fighting plane is about 40 per cent of the total distance it can fly.

Operational figures on the B-36 remain top secret, but it is probable that the relatively light weight atomic bomb, previously delivered in smaller B-29's, has plenty of elbow room in B-36 bomb bays. There may be extra room for gasoline to stretch the range. Recently six planes tested an advance base in England by landing outside of the United States for the first time.

For its size, the B-36 probably has grown faster than any other airplane. The first order for two strategic bombers was placed just before Pearl Harbor in November 1941. Wind tunnel testing and a full-sized wooden model were completed the following year. Late in 1942 the project was moved from San Diego, Calif., to Fort Worth. Priority went to B-24 Liberator bombers urgently needed on all war fronts. Only a handful of the 30,000 in Convair's plant here worked in the experimental building assembling the first B-36's by hand.

On V-J Day, consumer demand for bombers fell to zero. The first B-36 roared down the runway on its maiden flight on Aug. 8, 1946. Behind the flight was five years and $20 million worth of research. Another year passed before the first production model flew.

Like all good airplanes the B-36 air frame has a tremendous growth potential which keeps both Air Force and Convair engineers busy at their drawing boards. They've made hundreds of changes. Currently the company is test flying a new model with even more powerful propellor engines.

The most important power increase has come from jet engines in pods suspended from the wings. They produce extra boost for take-off and increased speed. The jets give more thrust than propellor engines, but piston engines use less fuel.

Crewmen like the B-36. Its safety record is impressive. Only three have crashed.

The old Air Force joke about the bomber boys "flying a house from the front porch" is outdated by the B-36. The plane is as big as three five-room houses. The pilot sits way out in front of a wing 230 feet long. It's a little like flying a football field from a seat on the 50-yard line.

Convair assembles the B-36 from 68,000 manufactured parts.

Engines, guns and electrical equipment are made at other factories.

If Washington calls for all-out B-36 production, the company is ready to expand rapidly. Machine tools are being made for other firms so that 25 per cent of the basic air frame can be made in smaller, scattered factories.

Like the main plant, many of these will be in the southwest. The region is far from the industrial heartland of the nation. Distance helps protect it from enemy bombers.

Ft. Worth Man Drowns In Texoma Yesterday

MADILL, Okla., March 23. (AP) — Searchers hunted Lake Texoma today for the body of John David Dodson of Fort Worth, who drowned yesterday as his wife watched.

Dodson, 28, a University of Oklahoma student, went into deep water while swimming from a bank for a minnow bucket. Mr. and Mrs. Irving W. Gilmore, also students, saw the accident.

Construction Delay

BEAUMONT, March 23. (AP) — Work may be resumed on the new Texas Gulf Sulphur Co. plant here in four or five weeks. Lack of steel has caused a shutdown in construction, company spokesmen said.

Man Held In Murder Case

SAN ANTONIO, March 23. (AP) — Leroy Johnson, 24, was held in Bexar County jail today without bond after a preliminary hearing on a charge of murder.

Lynnda Mason, 21, testified yesterday at the hearing before Justice of the Peace John Ogden that Johnson was the driver of the getaway car used in the March 8 slaying of A. J. Sendemer in a $6 garage robbery.

The girl, Johnson, Richard Thorbus of Corpus Christi and Robert Miers are charged in the slaying.

Johnson is the only one who asked an examining hearing.

Miss Mason testified the holdup was Johnson's idea. She testified the garage was chosen "because Leroy said he knew there was money there . . . that they had money and it was just two old people."

Mail Fraud Charge

TULSA, Okla., March 23. (AP) — Seymour E. J. Cox, arrested recently in El Paso on mail fraud charges, was held in $50,000 bail today to await trial.

U. S. Commissioner E. L. Bragg denied freedom yesterday to the 67-year-old man, accused of defrauding Penner Oil and Gas, Inc. His attorney pleaded Cox was ill.

Seeds For New Lawns Stocked At Von Roeder

This is the season when West Texans get out their hoes and rakes and seed catalogues and attempt to do something about the landscape.

Many lawns are being planted for the first time, and it is particularly important that they be started in such a way as to insure permanent beauty.

Von Roeder Seed Farms store at 1607 Twenty-fifth Street is prepared to give able assistance in beautifying present yards or starting lawns for the first time.

Garden seeds are being sold at great savings to the gardener. Von Roeder's sells them from bulk seed. This saves the cost of small packaging and handling of small items. The savings result in about four times as much seed at the same cost of small packages. These are all high - grade seed and are tested for high germenation.

Arizona Bermuda seed is stocked at the store. This type of lawn seed has been found well suited for this area. The seed as sold is of the hulled variety and the cost is no higher than last year. A surprisingly small amount of this seed covers a large area of ground.

Purina feeds are also a specialty at Von Roeder's. There are feeds for all domestic animals and farm animals. At this time of year chicken feeding is most important to the farmer. Many are starting new batches of chicks. Starting them right on Purina feeds will save many of these chicks.

A shipment of chicks is due in at Von Roeder's this week and they will be put on sale immediately.

Famous Swiss Conductor Dies

CHUR, Switzerland, March 23. (AP) —The death of Willem Mengelberg, for 50 years conductor of the famous Amsterdam Concert Orchestra, was announced here last night.

He had been banished from Holland in 1945 by the Dutch Central Council of Honor for the Arts, which found him guilty of collaborating with the Nazis during World War II. Mengelberg denied ever taking part in politics.

The aged musician, who would have been 80 next week, suffered a stroke 10 days ago and died Wednesday night at his villa near here.

Government Releases, Not Always Correct

WASHINGTON, March 23. (AP) — Government press releases are usually pretty matter-of-fact. So-and-so announces something and that ends it.

But not invariably. Yesterday, for example, the housing expediter's office put out a statement in which it noted that a previous release had incorrectly said rents had been decontrolled in Golden, Calif.

It should have been Colorado, the release said, and it added:

"Incidentally, California, which makes us think of the gold rush, the girl of the Golden West and the golden bears, has no city named Golden. But Colorado has."

Seven Field Wells in Scurry Proven Areas Are Completed

Completion of seven wells in field areas of Scurry County have been reported to the Railroad Commission.

Phillips No. 4 Donie, in the Kelley-Snyder field, was finaled for an estimated 924 barrels of 43.4 gravity oil daily. The well made .3 of one per cent water. The hole had been treated with 3,000 gallons of acid. Gas-oil ratio on the test was 831-1.

The No. 4 Donie is 467 feet from east and north lines of the southeast quarter of section 212, block 97, H&TC survey.

MAE LEMONS

Also in the Kelley-Snyder field, Sun Oil Co. No. 7 Mae Lemons was finaled for 181.47 barrels of 43 gravity oil and 7.7 per cent water on a 24-hour test. Gas-oil ratio was 805-1. The hole had been treated with 3,000 gallons of acid.

Location is 660 feet from south and 1,860 feet from west lines of the lease in section 204, block 97, H&TC survey.

D. D. Feldman No. 1 Maude, Kelley-Snyder pool, flowed 223.39 barrels of oil with one per cent water on a 24-hour test. Gas-oil ratio was 857-1. Gravity of the oil was 43.1 degrees.

Drillsite is 467 feet from east and 660 feet from north lines of section 451, block 97, H&TC survey.

C. T. McLAUGHLIN

In the Sharon Ridge field, Superior Oil Co. No. 4-179 C. T. McLaughlin made 260 barrels of 45.2 gravity oil and no water on a 24-hour test. The hole had been washed with 500 gallons of mud acid. Gas-oil ratio was 815-1. No water was made on the test.

The No. 4-179 McLaughlin is 1,600 feet from north and 2,125 feet from west lines of the lease in section 79, block 97, H&TC survey.

Leo D. Ellis No. 8 Jackson Ellis, in the shallow Sharon Ridge field, pumped 38.08 barrels of oil on a 24-hour test. Gravity of the oil was 28 degrees. Gas-oil ratio was not measurable. The hole had been treated with 6,000 gallons of acid.

Drillsite is 990 feet from south and 330 feet from east lines of the south half of the northwest quarter of section 193, block 3, H&GN survey.

S. B. Roberts No. 9 C. A. Williams, also in the Sharon Ridge field, pumped 24 hours to make a potential of 67.87 barrels of 29 gravity oil and no water. Gas-oil ratio was 100-1. Location is 330 feet from south and 110 feet from east lines of the lease in section 1, block 1, J. P. Smith survey.

CUNNINGHAM

Warren No. 8 Cunningham made 129 barrels of 41 gravity oil and no water on a 24-hour pumping test. Gas-oil ratio was 588-1. Drillsite is 467 feet from south and 2,867 feet from east lines of the lease in section 653, block 97, H&TC survey.

General Crude and Percy Jones No. 194-3 D. R. Coleman, in the Salt Creek field of Kent County, was finaled for an estimated 574 barrels of oil. Actual flow was on an 18-hour flow. The hole had been washed with 500 gallons of acid. No water was made on the test. Gravity of the oil was 40.6 degrees, with gas-oil ratio 370-1.

Location is 660 feet from north and west lines of the lease in section 194, block G, W&NW survey.

Sophie Tucker Show Canceled

HOUSTON, March 23. (AP) — They had to put out the "act canceled" sign on Sophie Tucker's show — for the first time in 30 years.

A virus infection forced the famed songstress to call it quits on her contract at the Shamrock Hotel. She did — after quite a battle.

Last Saturday she made the opening of her week-long engagement on a stretcher and on her way to the hospital. She had time for only a quick "hello."

Tuesday night, against doctors orders, she went on. The first show went smoothly. But after a couple of numbers of her second show, she had to be helped offstage.

She was back in a couple of seconds, chased away a fill-in dance team and said she was going to finish her act. She did.

Wednesday night, she had to quit for keeps after just one number of her second show.

Ted Shapiro, her manager and accompanist, said "she will be all right as soon as she gets home and gets some rest."

She plans to leave by train late today for New York City.

Shapiro said it was the first time in 30 years that anything like this had happened to Sophie.

"But even this didn't really whip her, did it?" he asked.

Dallas Tops New Orleans In Exhibition Opener

DAYTONA BEACH, Fla., March 23. (AP) — Skipper L. D. Meyer's Dallas Eagles opened their 1951 spring exhibition season with a victory over the New Orleans Pelicans here yesterday. The Texas League Eagles shut out the Pelicans of the Southern Association, 4-0, in the opening game of the season for both clubs.

Walt Lanfranconi, Ralph Albers and Harold Erickson teamed to stop the Southern Association club with only two hits.

Baylor Breaks Even

WACO, March 23. (AP) — Baylor and the University of Houston broke even in a golf and tennis match yesterday. Baylor won the golf, 5-1, and Houston the tennis, 4-2.

Locations For Six Wells In Scurry Fields

Applications have been filed for the drilling of six wells in proven areas of Scurry County and two in Kent County.

In the shallow Sharon Ridge field, Burdell Oil Co., is to drill the No. 5, No. 7, No. 9 and No. 10 Humphrey.

The No. 5 Humphrey is 2,116 feet from north and 330 feet from west lines of lot 5, section 98, block 97, H&TC survey.

The No. 7 is 330 feet from north and west lines of lot 5, section 98, block 97, H&TC survey. The No. 9 is 330 feet from east and 706 feet from north lines of lot 4, section 98, block 97, H&TC survey. The No. 10 is 1,456 feet from north and 330 feet from east lines of lot 4, section 98, block 97, H&TC survey.

All are to be drilled to 1,750 feet with cable tools. They are about 12 miles northwest of Colorado City

COGDELL FIELD

In the Cogdell field, Stanolind Oil & Gas Co. No. 12 Dora E. Cunningham will be dug 2,179 feet from west and 727 feet from north lines of section 613, block 97, H&TC survey. Rotary tools will be used, with the project slated to drill to 7,200 feet. Drillsite is about eight miles north of Snyder.

In the Cogdell field of Kent County, Chapman & McFarlin will drill the No. 9-A D. M. Cogdell. It is 1,980 feet from south and 2,190 feet from east lines of section 772, block 97, H&TC survey and 22 miles northeast of Snyder. Rotary operations to 7,000 feet are to begin at once.

KELLEY-SNYDER

Hiawatha Oil & Gas Co. No. 3 A. J. Freytag will be drilled in the Kelley - Snyder field seven miles northwest of Snyder. It is 467 feet from north and west lines of the southeast quarter of section 299, block 97, H&TC survey.

Send Brothers To Oklahoma

WICHITA FALLS, March 23. (AP) — The Davenport brothers — Norman and Chester—were to be moved to the Oklahoma State Penitentiary today, minus the five lengths of hacksaw blade Norman carried in his right shoe.

Jailers found the hacksaw when they frisked the brothers when they were brought here from Wichita Falls, Tex., to be held overnight.

"This might be embarrassing to Texas," wisecracked Norman. "I could have used those anytime I was down there I guess."

Sheriff Bob Turner didn't agree. He figured another prisoner in the Wichita Falls jail gave the blades to Davenport.

Chester, 28, and Norman, 23, faced armed robbery charges at Pryor, Okla. They are also charged on federal charges of kidnaping an Oklahoma youth and forcing him to drive them to Wichita Falls March 9.

The brothers broke out of the Pryor jail March 6.

Chester was found hiding in the closet of a relative in Wichita Falls on March 11 and Norman gave up at a Wichita Falls detective's home the next day.

Texas Teacher Dies

AUSTIN, March 23. (AP) — Miss Anna W. Louise Janzen, a member of the home economics department of the University of Texas for 29 years, died yesterday. The associate professor of home economics had been ill since December.

Superior Oil Co. soon will drill the No. 4-194 H. B. Wood in the Salt Creek field of Kent County 10 miles northwest of Clairemont. Location is 1,667 feet from north and 2,227 feet from west lines of section 194, block G, W&NW survey. Rotary tools are to be used to drill to 7,900 feet.

Some Persons Still Not Willing To Sign For Paving Construction

Contract signing in the city's 200 block paving program is still ahead of the working crews, but not very far now, Wier Washam, contract representative for the firm, said.

Some property owners are still reluctant to sign the contracts, he said. They say that they will sign when the machinery is ready to start work on their section of the streets, he said.

However, work cannot begin until contracts are signed.

Washam said that the signed units had about been used up by grade and curb and gutter workers.

Co-operation in speedy signing of the contracts has been urged by Mayor Forest G. Sears. He said that the faster the contracts are signed, the quicker work will be done on the units.

Methodist Membership Climbs Past 1,000 Mark; 19 Join Sunday

Nineteen new members were received into the membership of the First Methodist Church in special Palm Sunday services, the Rev. W. W. Adcock, pastor, has announced.

Sixteen were united with the church on profession of faith, with 15 being baptized. Three were received by transfer. Two infants were dedicated in baptism.

A total of 498 new members have been received into the church during the past 21 months, with a net gain of 380 members, Mr. Adcock said. The church now has a membership of more than 1,000 members.

Four Cases Are Heard Before County Court

Jim Edward Cox, 43 years old, of Snyder, was assessed a fine of $123.50, including court costs, yesterday when he pleaded guilty to a charge of driving while intoxicated.

A bond of $500 was set Wednesday for D. B. Hobson, 25, of Snyder, when he entered a plea of innocent to a charge of driving while intoxicated. Trial by jury was set for March 29.

Other charges were filed in county court Wednesday, one against Harold Manning, 23, of Broken Bow,, Okla., accusing him of aggravated assault against Homer Whisnand, deputy sheriff. The other charge was against Watkins Guyden, 40-year-old Snyder Negro, accused of unlawfully carrying a pistol.

Manning was accused of threatening Whisnand with a pistol snatched from the holster of Charles Youngblood, another deputy sheriff, last Sunday. Lloyd Merritt, sheriff, charged that the incident occurred in the county jail while Manning was being booked on another charge. He said that Whisnand quickly subdued Manning, wrenching the pistol from his hand.

Equipment Is Lacking For Post Sub-Station

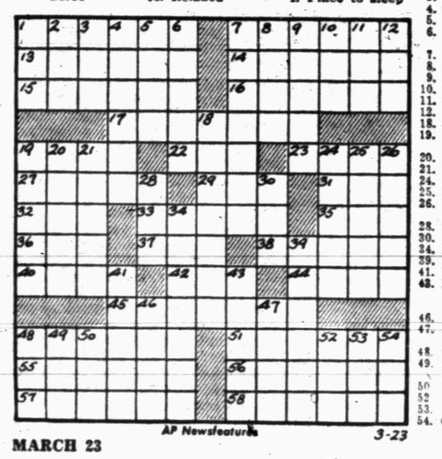

All equipment for the contract post office sub-station, located at 432 East Highway, still has not been received, and only stamps are being sold by Alfred Vernon, clerk in charge, according to H. D. Moreland, postmaster.

The sub-station opened Feb. 16, and is slated to handle most of the post ofice facilities, including parcel post, registered mail, and money orders, Moreland said.

Speakers at Athletic Meeting Here Wednesday

Planning an athletic association good-will trip to Snyder for Texas Technological College are the men above, members of the athletic committee of the Texas Tech Foundation and foundation directors. They are, left to right, DeWitt Weaver, head coach at the collg; O. B. Ratliff, Lubbock; Sammy Baugh, famous Texas football star now playing professionally with the Washington Redskins; Obie Bristow of Big Spring; Eddie Chiles, Midland; and C. T. McLaughlin of Snyder. This group, with rD. D. M. Wiggins, president of Texas Tech, will speak at a banquet at 7 o'clock Wednesday night at the northwest elementary school here.—(photograph courtesy of the Lubbock Avalanche-Journal)

Aggies Lose To Washington; Illinois, Kentucky In Playoff

By WILL GRIMSLEY
(Associated Press Staff)

NEW YORK, March 23. — Spirited, hard-driving Illinois is next in line to try to waylay heavily-favored Kentucky in the NCAA basketball championships, and already Adolph Rupp is losing sleep over it.

Illinois and Kentucky clash Saturday at Madison Square Garden in the eastern finals, the winner qualifying to meet the western victor for the championship at Minneapolis next Tuesday. The western finalists will be determined tonight at Kansas City.

Both eastern finalists produced a lot of late "kick" last night to subdue stubborn adversaries before 14,214 at the Garden.

The Wildcats from Lexington, Ky., held to even terms for 35 minutes, staged a devastating drive in the last five minutes to stun St. John's of Brooklyn, 59-43.

Illinois' under-rated Big Ten champions also uncorked a stirring finish to repel North Carolina State, the Southern Conference champion playing without three of its veteran stars, 84-76. The Illini looked as if they could run all night.

At Kansas City, Oklahoma A&M, second ranked nationally, had more trouble than anticipated with little Montana State, 50-46, and Washington's Pacific Coast champions had less than expected with Texas A&M, beating the Southwest titlists, 62-40.

Tonight the Aggies and Washington play in one of the semi-final western games. Kansas State, the high-scoring tournament favorite, meets Brigham Young, National Invitation Tournament winner, in the other game, opening the program at 9 a.m. (EST). The western finals also are Saturday.

A&M Favored In Track Meet

HOUSTON, March 23. (AP) — Big Darrow Hooper, the A&M weight man, may pace the Aggies to victory over Texas and Rice this afternoon in a triangular track and field meet. The Aggies are heavy favorites to walk off with the meet.

A&M defeated Texas a week ago 90½ to 44½ and beat both Texas and Rice easily in the Border Olympics.

Hooper is one of the reasons the Aggies are top-heavy favorites. He has bettered the Southwest Conference shot put record every time out this season and is also considered the best discus thrower in this section.

EXPECT FIREWORKS

One of the highlights of the meet is expected to be the 440-yard relay, always a favorite with track fans, Texas, long the power of the conference in this event, may find a surprise in the Aggies who led the Longhorns last week and posted a time of 42.7. Rice beat the Longhorns three times out of six in the sprint relay last season and may spring a surprise of their own.

The 120-yard high hurdle is another event that is expected to provide fireworks with a duel between Rice's Bill Howton and A&M's Paul Leming in the offing. Both are among the nation's best in the event.

STARRING ROLES

Howton is also a fine low hurdler and will battle Bill Bless of A&M and Ralph Person of Texas to the wire over the longer distance. Person is considered the favorite in the 100-yard dash with both Rice and A&M entering good men in the race who could upset the dope.

Rice will not compete in the mile relay this season and the Aggies are favored here but all three will be strong in the 880-yard run and the mile run.

Joining Hooper in the starring roles will likely be the Aggie pole vaulters, Jack Simpson and Don Graves; Rice's Ralph Grawunder and Jim Gerhardt, and Texas' Charley Meeks, all broad jumpers. Simpson has soared over 14 feet in practice this season.

New York (A) vs San Francisco (PCL) at San Francisco, night.

Semifinals In Cage Tourney

HUTCHINSON, Kan., March 23. (AP) — Two favorites — Northeast Mississippi and Ventura, Calif. — clash tonight in the semifinals of the National Junior College Basketball Tournament.

Ventura became a favorite early in the tournament by running up 50 points in the first 15 minutes of its opening round game against Weber College of Ogden, Utah. It beat Weber, 98-69. Then the Californians breezed past Amarillo, Tex., 78-46 in the quarterfinals.

Northeast Mississippi trounced Tiffin, Ohio, 78-61, in the first round and beat a good Wingate, N. C., team, 54-44, in the quarterfinals.

Tonight's other semifinal game in the championship bracket pits Tyler, Tex., against Moberly, Mo.

Moberly beat York, Pa., 65-57, in last night's quarterfinal game. Tyler edged Dodge City, Kan., 68-65, in an overtime contest that was tied 60-all at the end of regulation play.

Professional Golfers In North Carolina

GREENSBORO, N. C., March 23. (AP) — Golf's touring stars pitched their tents here today for their annual two-week North Carolina visit, opening with the $10,000 Greensboro Open tournament today through Easter Monday. The Wilmington Azalea Open follows next Thursday for four days.

The three big men in the fast field as the first of four 18-hole rounds began today were Jim Ferrier, Sammy Snead and Lloyd Mangrum.

Ferrier began play with the year's hottest streak running — three straight victories in Florida.

Baylor Over Sooners

WACO, March 23. (AP) — The Baylor Bears used a triple by Larry Isbell in the eighth inning to beat the Oklahoma Sooners, 10-8, here yesterday in an early season baseball game.

HADACOL Is Requested By Nurses

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula. Requests have been received from many of these nurses for professional samples of HADACOL and many of them indicated that they recommend the HADACOL formula to patients who are deficient in Vitamins B1, B2, Iron and Niacin.

Mrs. Lovett

Mrs. L. D. Lovett, a registered nurse who lives at 2205 Walnut St., Philadelphia 3, Pennsylvania says this about HADACOL:

"I was down in Florida for the past month. I had no energy so several members of my family told me to try a bottle of HADACOL. My sister, who is a nurse, was taking a bottle so I tried a bottle. I feel fine since taking HADACOL. I do private duty here. I am 50 years old."

HADACOL can help you if you suffer such deficiencies. Ask your druggist for HADACOL today. Only HADACOL gives you that "Wonder HADACOL feeling".

Another Cage Coach Throws In The Towel

FORT WORTH, March 23. (AP) — Johnny O. Edwards, head basketball coach and athletic director at Texas Wesleyan College, joined the parade last night. Edwards unexpectedly resigned after six years at the Fort Worth school.

Edwards joined Jack Gray, Texas basketball coach, to become the second Texas basketball mentor to step down within the week.

Girls Cage Teams Go Into Finals At Dallas

DALLAS, March 23. (AP) — Hanes Hosiery of Winston-Salem, N. C., and the upset kids from Wayland College of Plainview tangle tonight in the finals of the annual AAU Women's Basketball Tournament.

The North Carolina team reached the championship round last night with a 41-38 victory over Cook's Goldblumes of Nashville, Tenn.

The Texans pulled their second upset in as many days, defeating American Institute of Business, Des Moines, Ia., on a last second field goal by Cleo Brooks. Wednesday night they had knocked off defending champion Nashville Business College.

Brooke Medics Win

SAN ANTONIO, March 23. (AP) — The Brooke Army Medical Center's Comets continued their sweep through the Southwest Conference ranks, defeating the Texas Aggies 12-4 last night for their latest conquest.

Officers Should Keep Hands Away From The Pockets Of Prisoners

BALTIMORE, March 23. (AP) — Turnkey Edward O'Keefe suddenly withdrew his hand yesterday as he reached into the pocket of an unconcerned prisoner who had been arrested for intoxication.

"Let me have your gloves," he asked fellow officer, Joe Roberts.

Turnkey O'Keefe, armed with the gloves, reached again. This time he brought forth a mouse — a black one with a pink nose.

O'Keefe held up a finger. "It nipped me the first time," he said. He resisted an offer for medical aid.

Beside the prisoner's other effects was placed a box and in the box was placed the mouse. The container was labeled with the prisoner's name and its contents: "One mouse (black)."

The prisoner remained unconcerned.

Holy Week

The Crucifixion

After they mocked Him, they led Him to crucify Him.

And as they came out, they found a Cyrene, Simon by name: him they compelled to bear His cross.

And when they were come unto Golfotha, they crucified Him and parted his garmets, casting lots: that it might be fulfilled which was spoken by the prophet, They parted my garments among them, and upon my vesture did they cast lots.

And set up over His head His accusation written, THIS IS JESUS THE KING OF THE JEWS.

Then were there two thieves crucified with Him, one on the right and another on the left.

And they that passed by reviled Him, wagging their heads. If Thou be the Son of God, come down from the cross.

Likewise the chief priests with the scribes and elders, said, He saved others; himself He cannot save. If He be the King of Israel, let Him now come down from the cross, and we will believe Him. He trusted in God; let Him deliver Him now, if He will have Him: for He said, I am the Son of God.

Now from the sixth hour there was darkness over all the land unto the ninth hour. And about the ninth hour Jesus cried, with a loud voice and yielded up the ghost.

And, behold the veil of the temple was rent in twain from the top to the bottom; and the earth did quake, and the rocks rent; and the graves were opened; and many bodies of the saints which slept arose. And came out of the graves after His resurrection, and went into the holy city, and appeared unto many.

Now when the centurion, and they that were with him, watching Jesus, saw those things, they feared greatly, saying, Truly this was the Son of God.

When the even was come, a rich man of Arimathea, named Joseph who also himself was Jesus' disciple went to Pilate, and begged the body of Jesus. Then Pilate commanded the body to be delivered.

And when Joseph had taken the body, he wrapped it in a clean linen cloth, and laid it in his own new tomb, and rolled a great stone to the door of the sepulchre, and departed.

(Condensed from St. Matthew 27, 31-60. Tomorrow: The Resurrection.)

Sunrise Services Begin Series Of Easter Observances Here

Easter morning worship services at churches in Snyder will bring a variety of special music and sermons featuring the resurrection story.

In addition to services at the individual churches, a joint sunrise service is being planned under the sponsorship of the Ministerial Alliance. The service is to be held at 6:30 in the high school stadium in Southwest Snyder.

SPEAKERS

Speakers at this union service will include the Rev. Clifford Taylor, who will present the message, the Rev. Robert Owens and the Rev. Earl Creswell, who will read the Easter story in scripture, the Rev. Jack O'Neal and the Rev. R. L. Dillard, who will deliver the invocation and benediction respectively. The Rev. E. K. Shepherd will present the morning prayer.

A trumpet call to worship will open the service. Special music will be played by Wayne Pitner on an electric organ moved to the stadium for the service. Ralph Wesson is to direct singing.

About 13 churches have agreed to co-operate in the presentation of the service, and the public is invited to attend this service as well as regular worship services at the churches.

At the First Methodist Church, the Rev. W. W. Adcock has chosen, "The Living Christ" as his sermon topic. The choir has prepared special music for the service, which will begin at 11 o'clock. Parents will be given an opportunity to present infants for dedication in baptism at that service, Mr. Adcock said.

Sunday night, Mr. Adcock will present the second sermon in a series on the general theme of "The Will of God." The young people's choir will present special music at that service.

BAPTIST CHURCH

The choir of the First Baptist Church will present "O Great and Happy Morining" as part of the Easter observance at that church. Miss Nell Verna LeMond will be organist at the service. Miss Nancy Teague and Bill Alexander are to present a duet. The message is to be delivered by the pastor, Mr. Shepherd.

"King of Glory" by Holton will be presented by the choir of the First Christian Church at the opening of the morning service. The children's division of the church is to present part of the special service, and will also present a special program during the Sunday school hour. A special offering for home missions is to be taken at both times, Mr. Taylor said.

Baptismal services are to be held at the church following the evening service.

"The Victories of a Risen Christ" will be the sermon topic at the Church of the Nazarene Sunday morning, Mr. Dillard, pastor, said. Arrangements for special music at the service had not yet been completed, he said.

PRESBYTERIAN

The choir of the First Presbyterian Church will present the anthem "For God So Loved The World" in keeping with the Easter theme Sunday morning. The Rev. R. E. Hubbard, pastor, will take as his sermon topic "God Hath Done This" at that time.

Traditional Easter hymns are to be presented at the Sunday morning service of the Calvary Baptist Church, the Rev. T. Gerald Cates, pastor, said. His sermon topic at that hour will be "The Christ of the 40 Days." At the night service he will speak on "The First Words of the Risen Christ."

Mr. Cates will speak on the importance of the resurrection of Christ at 8:30 Sunday morning on the Word of Life broadcast. The resurrection is also to be the topic of the Sunday school study.

Free transportation by bus will be provided for persons who have no way to come to the services, Mr. Cates said. Thirty - six persons were brought to the church for services by the bus last Sunday.

The morning services of the North Side Baptist Church Sunday will include a special Easter sermon, "The Christian's Living Hope by the Resurrection of Jesus," the Rev. Earl Creswell, pastor, said today.

After the evening worship hour, a baptismal service will be held, followed by observance of the Lord's Supper.

St. Patrick's Day Program for Crusaders

Members of the Crusader's Sunday School Class of the First Methodist Church heard a St. Patrick's day program Monday night at Fellowship Hall.

The women gathered at 7 o'clock for a covered dish dinner, after which Mrs. M. M. O'Rear, public school music teacher, presented a girl's trio in an Irish medley and in a novelty number, "Uncle Remus Says".

Mrs. R. H. Odom gave a devotional, and a brief business session followed.

The class presented gifts to two members who are leaving Snyder —Mrs. Dee Singletary and Mrs O. B. Jordan. Mrs. Jordan was unable to attend.

Fire Station Tour By Girl Scout Troop 22

Members of Girl Scout troop No. 22 were taken on a tour of the fire station by J. M. Newton, assistant fire chief, at their meeting Thursday afternoon.

The group gathered first in the Girl Scout room at the First Methodist Church and then walked to the fire station. Newton conducted them through the station and explained the use of equipment. He also bought refreshments for the troop, and presented them with a flag of the United States to be used in the scout room.

This visit was a troop project which will apply toward earning the Community Life Work badge.

The troop was accompanied by Mrs. A. Anding and Mrs. E. L. Hutchins, leader and co-leader, and Mrs. Jess White, a committee mother.

Boyd Fanning Returns

Boyd Fanning, minister of the Twenty-fifth Street Church of Christ, returned Wednesday night from Lamesa where he has been preaching in a 10-day revival meeting.

The meeting was held at the Lamesa Church of Christ where Paul McClung is minister.

Jumpers

(Continued from page 1)

alone weighs 40 pounds.

"I feel weighted down, all right," he said. "But when I gotta go, I gotta go. I jump right out. When I get about 100 feet from the ground I pull the release. It let's the bag go. It stays attached to me, but it drops 25 feet and lands before I do. That keeps me from hitting like a bag of salt."

BUSY MAN

Sgt. W. H. Berkley, Nashville, Tenn., crew chief and engineer of the plane, remarked:

"I have jumped a lot of guys, but you know, I've never seen them open their parachutes. I'm always too busy doing other things. I have to relay the signals to them and everything else."

It wasn't long until he was giving his first signal — an alert that the target was only 20 minutes away.

Some of the paratroopers snuffed out their cigarettes, made a new check of their parachute straps to a metal cable overhead, and tightened up their line leading to the rear door.

Four minutes later — the green light and the order to jump.

They leaped out, one at a time. The wind caught their parachutes. It jerked them suddenly and the parachutes then glided off into slow rop.

Berkley pulled in some lines stringing out of the plane, yanked the big doors shut, and reported to the pilot, Lt. Thomas J. Sullivan of Gilberton, Ala.:

"Everything went off OK, sir. There were no refusals and the doors are closed and our little show is over."

field ... miles north of ... drilling below ... ater sand. Operator has ... setting seven-inch pipe in the hole.

DISCOVERY WELL

Sun Oil Corp. No. 1 Hart, one-half mile north outpost to the Sun No. 1 Featherstone, discovery well from the Strawn lime of the Pennsylvanian in Central Nolan County, is drilling below 710 feet in red beds. The No. 1 Hart is 1,980 feet from north and 669 feet from east lines of section 36, block X, T&P survey.

Sun No. 2 Parramore is reported drilling below 1,820 feet in shale.

DAWSON FAILURE

Mid-Continent Petroleum Corp. No. 1 Moore, Central Dawson wildcat, has been ordered plugged and abandoned at total depth of 8,206 feet in the Spraberry. It made no shows of production.

The No. 1 Moore was a three-quarter mile south stepout to the opener of the Huddle-Manning-Spraberry field. It was about 20 feet low on the top of the Spraberry to the same formation in the discovery well. Samples indicated no porosity or fracture in the Spraberry.

The well was 660 feet from north and east lines of the northwest quarter of section 14, block 36, T-5-N, T&P survey.

DAWSON COUNTY

Amerada Petroleum Corp. No. 1 Adcock, four miles south of O'Donnell in Central-North Dawson County, is at a total depth of 10,445 feet and fishing for tools. It is in section 106, block 34, T-7-N.

Seaboard Oil Co. of Delaware No. 1 Robinson, South - Central Dawson wildcat, is drilling in anhydrite below 3,532 feet. It is seven miles south and a little east of Lamesa and six miles southeast of the Huddle-Manning field.

James H. Snowden No. 1-30 Dean has been shot with 25 quarts of nitroglycerin and is now cleaning out. This well, which has indicated as a Spraberry discovery, is in section 30, block 1, J. Poitevant survey.

The No. 1-32 Dean is still shut in for storage. It is in section 32, block 1, J. Poitevant survey and 11 miles northeast of Lamesa.

Standard Oil Co. No. 1 Pool, Northwest Dawson County wildcat, is reported still fishing for tools. It is in section 123, block M, EL-&RR survey.

Sunray Oil Corp. No. 1 Harris, wildcat location in South - Central Dawson County, is reported drilling below 9,282 feet in lime and Moore County School Land survey.

KENT COUNTY

In East - Central Kent County, Sun Oil Co. No. 1-B Bilby Wallace is drilling below 6,754 feet in shale and lime. This wildcat is 1,980 feet from south and 660 feet from east lines of section 43, block 98, H&TC survey. It is to be drilled to 7,600 feet.

Gossett Services Today

WICHITA FALLS, March 23. (AP) —Last rites were to be held here today for Ed L. Gossett, 76, father of Rep. Ed Gossett. He died at his farm home near Post Wednesday night.

Hermleigh Pastor To Wichita Easter Fete

The Rev. Bob Creswell, pastor of the First Baptist Church of Hermleigh, is spending the week end at Lawton, Okla., where he will attend the annual Easter pageant in the Wichita Mountains.

Easter services, however, will be held at the Hermleigh church, Mr. Creswell said. LaWayne Hulse, of Snyder, will conduct the services in the pastor's absence.

Indian Student Will Speak at Snyder Church

Hazelton Madison, a young native of India, will be the speaker at the regular 9:15 radio program over KSNY Sunday morning and also at both the 10:45 and 7:30 o'clock services of the 1800 Avenue R. Church of Christ Sunday. He is in this country preparing for the ministry and attending Texas Technological College at Lubbock.

Mrs. David Strayhorn and son, Thomas Strayhorn, 1303 Twenty-fifth Street, are in Fort Worth visiting.

Man Charged Here With Theft of Boat Motor

Roy Moneyhun, 29, of Abilene, was arraigned yesterday on burglary charges before Judge W. C. Davidson, justice of the peace, and held under $750 bond to await action of the grand jury.

Moneyhun is charged with burglarizing the premises of the Petroleum Distributing Co. 3766 Avenue V, and taking an outboard motor, valued at $180, on Feb. 2.

The complaint was signed by Billy W. Prather.

Police arrested Moneyhun, who was later turned over to the county authorities.

Return this carton

It's worth 3¢ on your next supply of Coca-Cola

The cardboard cartons that help you carry home bottles of Coca-Cola so effortlessly, now cost us more than ever before. Also, they are becoming increasingly hard to get.

For this reason, a 3¢ deposit on paper cartons will go into effect March 22 You will receive 3¢ each for any extra paper cartons that you return to your dealer after this date. And, of course, your dealer will require a 3¢ deposit if you don't turn in a carton when you buy Coke.

The deposit on Coca-Cola Bottles remains 4¢ each. Thus, the total deposit on a carton of Coke is 27¢—5¢ for the paper carton, and 24¢ for the six bottles. If you keep the cartons and bottles you have now and turn them in on a new supply of Coke, no additional deposit will be necessary.

"I got the story on 50,000 Miles-No Wear and changed to New Conoco Super Motor Oil"
says Billo Smith, Photographer, San Antonio, Texas.

"WHEN A MAN BUYS A USED CAR from us, we want him to get his money's worth in performance and operating cost. That's why we put new Conoco Super Motor Oil in all our cars and tell the buyer to use nothing else," says H. C. Wheeler, Wheeler Motor Company, Denver, Colorado.

"I RECENTLY CHECKED A CAR that had gone 39,000 miles on Conoco Super Motor Oil," reports Joe Prestidge, Chief Garage Mechanic, St. Paul, Minnesota. "I found the connecting-rod journals were within five ten-thousandths of an inch of the original factory specifications. I've never seen so little wear!"

"50,000 MILES-NO WEAR!"—PROVED HERE:

After a punishing 50,000-mile road test, *with proper crankcase drains and regular care*, engines lubricated with new Conoco Super Motor Oil showed *no wear of any consequence*... in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.
