Business Houses Will Close for Armistice

Perryton will observe Monday, November 11, Armistice Day, with most business houses and offices closing for the entire day. Armistice Day is one of the holidays agreed upon by the Retail Merchants Division of the Perryton Chamber of Commerce as a holiday set apart for closing. Only such business houses as are essential will remain open Monday, allowing most people to attend the special Armistice Day observance planned by the American Legion and Veterans of Foreign Wars.

Earle Glasgow Opens New Cafe

Friends of Earle Glasgow are glad to know that he is back in the restaurant business, after a five year lay-off while he served food to Army GI's as an Army mess sergeant.

The new place of business, called Earle's Doll House, is located just across the street from the City Park and is open from 10 o'clock in the morning until 12 midnight, seven days each week.

Complete from top to bottom with new equipment, the new restaurant features steaks and short orders.

Earle has extended a cordial invitation to all his friends and customers to pay him a visit in his new location.

Democrats Win Easily Here In Tuesday Vote

With all returns complete late Wednesday night, excepting the box at Waka, results of the general election held Tuesday show that all Democratic nominees for party offices carried handily in Ochiltree county. In the only race which attracted any interest, Eugene Worley, Democratic incumbent Representative of the 18th District, won easily over Frank T. O'Brien, Republican candidate, by a margin of nearly 3 to 1. Incomplete returns gave Worley 395 votes, O'Brien 146.

The constitutional amendment authorizing the Legislature to pay for a building erected for John Tarleton Agricultural College carried by a vote of 284 to 148.

Amentment number two, authorizing the Legislature to provide a retirement, disability and death compensation system for the officers and employees of the State of Texas was defeated in the county by a vote of 232 to 197.

The "Good Roads" amendment carried by a huge majority, receiving 442 votes for and 27 votes against.

State returns Wednesday night showed all three amendments to be carrying by large majorities and it seems certain that all three will become law.

CRASH IN WHICH FOUR DIED—This is the wreckage of a light civilian plane which crashed Mon., Nov. 4, near Dale, Tex., killing four occupants. The four men were enroute to Uvalde on a business trip from their home near Katy, Texas. No explanation was given for the crash. A father and two sons and another man were killed instantly in the crash.

Open House At Local School On Tuesday

The Perryton schools are holding a "Back to School" night on Tuesday, November 12 to help parents and teachers become better acquainted and to allow Perryton people to browse around and see where their children spend their school days.

"A lot of parents have never met their children's teachers," stated Supt. J. A. Anderson, "and this is a splendid opportunity for them to get acquainted. We expect a good crowd both for the open house and for the program which will be presented."

Open house will begin at 7 o'clock Tuesday evening, and each teacher will be in the home room to meet with parents. At 8:30 o'clock, the open house will close and everyone will go to the school auditorium for a program to be presented by pupils.

Included on the program are numbers by the high school band; selections by the high school chorus; readings by the speech class and selections by the junior high school and grade school choruses.

A similar "Back to School" night was held last year and was well attended. It is hoped to make this an annual occasion as a part of National Education Week which is from November 10 to 16 this year.

Perryton Markets

Thursday, Nov. 7, 1946

Wheat	$1.89
Barley	1.25
Oats	.90
Milo	2.15
Heavy Hens	.20
Light Hens	.18
Cockrels	.10
Heavy Springs	.26
Light Springs	.20
Turkey hens	.35
Eggs	.37
Cream	.74

The crash victims were identified as T. B. Tucker, 57, who is survived by his wife and one daughter; Edward H. Tucker, 19, pilot of the plane and son of T. B. Tucker; Marion S. Cori, 29; and Boyce Tucker, 32, also a son of T. B. Tucker. He is survived by his wife and two children.

Mrs. Boyce Tucker was the former Miss Steryl George of Perryton before her marriage.

Mr. Tucker and his two sons were well known in Perryton, having visited here a number of times in the past.

Funeral services were held in Katy at 1 o'clock Wednesday afternoon. Mr. and Mrs. B. L. Barnes, Mr. and Mrs. Tica Taber and Arthur Townsend of Perryton attended the funeral services.

Price Control Board Closes Local Office

The Price Control Board at Perryton, Texas serving the counties of Ochiltree, Hansford and Lipscomb closed on November 4, 1946 J. H. Neufeld, Chairman of the local board announced this week.

The step marks the conclusion of almost five years of unprecedented patriotic service by local citizens of Ochiltree, Hansford and Lipscomb counties who, through their thousands of hours of volunteer work, have prevented inflationary dangers

See No. 4, Page 6

Two Men Hurt In Car Wreck Halloween Nite

Two men were injured, one of them seriously, and the automobile in which they were riding was almost demolished in a wreck which happened early Thursday morning, November 1, about one-half mile north of the state line on highway 83.

The injured men are Glen Bradford, age 26, driver of the car, who suffered a severe contusion of the brain, resulting in partial paralysis of his right arm, and multiple cuts and bruises. Roy Leatherman, Bradford's passenger, received numerous cuts and bruises. Both men were taken to the Perryton Hospital by Fred Horton of Elkhart, Kansas, who discovered the wreck.

The accident occured at approximately 1:30 a. m. The car overturned four times and left the road, throwing Bradford approximately 60 feet from the car, where he landed on the pavement. Leatherman was not thrown clear. Both men were unconscious when found by Horton, and investigating officers estimated that the men had been lying by the roadside for nearly an hour when discovered.

Leatherman was released from the hospital the next day. Bradford is expected to remain a patient for some time.

Sheriff W. H. Lance investigated the accident.

Globes To Be Given For Use in Schools

As long as the supply lasts, world globes may be obtained at the Herald office for use in the school rooms of Perryton and the surrounding territory. This includes schools in the Booker and Darrouzett communities and the bordering Oklahoma schools. There is no charge or obligation; each school may have a globe for each room as long as the present stock lasts.

Beaver County Goes Democratic; Evans Defeated

Beaver county went Democratic by 28 votes in the general election, reports the Beaver Herald-Democrat, with approximately 2000 votes cast in the election.

Roy J. Turner, Democratic candidate for governor, won in that county over Olney P. Flynn, Republican.

Lester J. Evan, former Perryton man who was a candidate for state senator on the Republican ticket, was defeated by Dwight Leonard, Democrat.

Ross Rizley, Republican from Guymon, was re-elected as Congressman from the 8th Congressional District over Tom Hieronymous, Democrat.

Beaver county elected four Republicans to county offices. Four Democrats, unopposed in the election, retained their offices. Wallace Anshutz, Republican, was elected Assessor over E. C. Campbell, Democrat, filling a position left vacant by J. W. Renfrow, Assessor for many years, who did not run for office this year.

Andy Adams, Republican, was elected Sherif over Democrat Dan Potter.

Republican T. C. Braidwood won over Democrat Ella Peters as Court Clerk.

Pearl Tedder, Republican, was re-elected County Clerk over Nina Mae Pittman, Democratic candidate.

See No. 3, Page 6

City Council Votes To Change House Numbers in Perryton

Members of the city council, in a meeting Tuesday night, voted to change the house numbers in Perryton and establish a standard system in accordance with Postal Department practices.

Effect of the new ordinance is that each house on each street will change the first digit of the house number by subtracting 1. Thus, a house numbered 505 would now become 405. Numbers for houses facing on streets begins at 0 at the corner of Main street and Center avenue, advancing the first digit by 1 for each block proceeding south. Under this change, the block along Main Street beginning with Bryan's Store becomes the 100 block instead of the 200 block and so on.

Numbers of houses and business establishments facing avenues adjoining Main Street change the first digit to 0 insted of 1, as at present. For example, number 110 S. W. 2nd Ave. will become 010.

Reason for the decision to change the numbering system was to conform to Postal Department specifications regarding house and street numbers. Such specifications must be met before the expansion in mail service for the city is approved.

Dean McCutcheon and Leroy Hartman of the Junior Chamber of Commerce met with the council to help provide means of securing street signs so that the mail service expansion would be approved. It was agreed by the council to secure metal porcelain coated signs from a Milwaukee company and fit the signs to 2 inch metal pipe which will be set in concrete. The city of Odessa recently erected 2000 of these signs and have found them to be very satisfactory, according to a letter written by the City Manager of that city to Dean McCutcheon of the Perryton Jaycees.

Plans are being made to obtain the required amount of 2 inch pipe from Borger so that work may be started on setting the street sign posts while waiting for delivery on the porcelain numbered arms.

Leroy Hartman pointed out that the establishment of postal delivery service depends upon erection

Airport To Be Stopping Point on West Central Air Line Covering Six States

Commercial air transportation from Perryton may become a reality soon, pending final decision of the Civil Aeronautics Board regarding an application of the West Central Airlines to establish a stopping point here on a route from Bismarck, N. D., to Amarillo. CAB examiners recommended West Central's application to establish the feeder line at a hearing held last Friday. T. B. Penn, manager of the local airport, received the information Friday from R. G. Wempple, Jr., vice president of West Central.

The line is owned by J. Marion West of Houston and will operate between Bismarck and Amarillo via Liberal, Kans., Guymon, Okla., Perryton, Pampa and Borger.

All of the recommended stops have good airports except Borger, which is in the process of building a new field.

Other points on the line include Jamestown, N. D., Aberdeen, Mobridge, Pierre, Winner, S. D., Valentine, Ainsworth, North Platte, McCook, Neb., Norton, Phillipsburg, Hays, Russell, Great Bend, Larned, Dodge City, Garden City, Meade, Kansas.

The Perryton airport has 3000 feet of runway, in any direction, and is of all-weather construction. The hangar is of corrugated steel, 60x80 feet, containing a complete maintenance shop as well as ample storage space for planes.

Personnel at the airport includes T. B. Penn, manager and instructor Robert Phelps, instructor, Onnie Griffin and Mather Griffin, aviation mechanics, and John Elmore.

The flying school at the airport is approved by both the CAA and the Veterans Administration for private, commercial and instructors' ratings. At the present time, some 20 students are taking flight training. Ground school instruction for veteran students meets twice weekly at the Perryton grade school, under Forrest Robinson.

One record of which the airport staff is very proud is that during the two years Penn has been in charge of the airport, not one airplane accident has occured.

Penn stated that plans for future expansion of the airport facilities was tentative, pending final approval and establishment of the West Central Airlines in Perryton. When established, the service will eventually supply freight, mail and passenger service to the people of the Perryton area.

First Snow Arrives With 3.30 Inches Rain

The first snow of the year fell at Perryton Monday afternoon, but it lasted only a few hours and melted as it fell, in sharp contrast with other cities in the northwest portion of the Panhandle which reported deep snows. Rain started falling in Perryton Sunday night and continued through Tuesday night, bringing a total of 3.30 inches of moisture, according to Judge Jack Allen. Travel on all unpaved roads in the county was impeded, and lakes and low places which had partially receded after the October deluge were filled again by this rain.

Stolen Autos Recovered By Local Officers

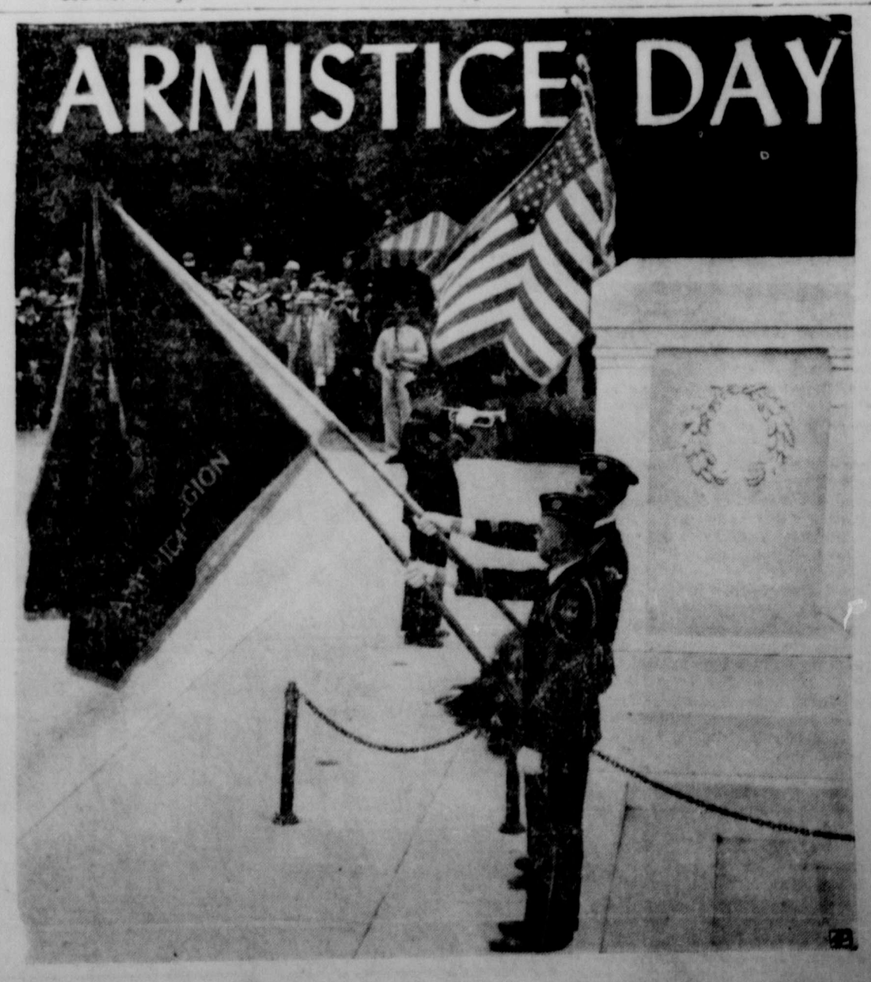

Two automobile thefts were reported during the past week to the sheriff's office, and speedy action on the part of law officials recovered both automobiles as well as the lawbreakers.

Mrs. Carl Blackmore reported the theft of her automobile, a 1940 Oldsmobile, at 9:30 o'clock Wednesday night. She had parked the automobile by the Perryton Hotel, while she attended the picture show. The keys were left in it, and when she returned from the show, the car was gone.

Deputy Sheriff Ray Phagan sent out calls to neighboring cities, and at 11 o'clock that night, received

ughter, Music, Comedy and Magician To Be esented Saturday Night by VFW Circus

nty of entertainment for the family is promised by the VFW post when they present FW Circus of Amarillo at the school auditorium Saturday Nov. 9.

s circus, which is unique in it has no real live animals, but of lively imitation ones, has over the Panhandle to enatic audiences and has acquite a reputation for the quality of its entertainment.

cast is presented in 10 separate acts, aided by a group of 15 clowns which circulate through the audience with a selection of stunts designed to make old and young alike laugh. A 15 piece brass band gives the authentic "circus tone" to the performance.

Approximately 90 per cent of the cast is composed of a select group of high school, junior high and Maverick Club members of Amarillo who have been trained under professional performers in their specialties. Three professional circus performers complete the cast of performers with a trapeze act, a magician and a group of tumbling artists.

A full program of singing, dancing and comedy is supplied by these versatile performers.

The performance starts at 8 o'clock and the doors will open at 7:30. Admission is $1 for adults and 50 cents for school children.

TEXANS IN WASHINGTON

BY TEX EASLEY

(AP) Special Washington Service

WASHINGTON, Nov. 5 (AP)—Forty miles from here in a Chesapeake bay pier rests the fighting old battleship Texas.

Crowded to her off-shore side is the battleship Idaho. Here the two stalwart old vessels, with skeleton crews on board, await an indefinite future. Gear and guns have been lashed down on covered. In strange contrast to days not so long ago when general alarms warned of approaching Japanese planes and life aboard was strong and tense.

The outlook for the Texas is much the brighter of the two ships which saw more than three decades of service. She has been formally offered to Gov. Coke Stevenson to be used as a memorial to Texans who gave their lives in naval service during the war. It has been proposed that she be moored fast in a slip to be dredged at right angle to the Houston ship channel and extending into the very shadow of the San Jacinto monument.

But that fitting end for the Texas whose big guns blasted German emplacements on the Normandy shore on D-Day in 1944 even as Nazi shells tore away part of her superstructure, is far from a certainty. She may end up in a scrap yard, ripped apart for the metal in her.

The question, says Rep. Albert Thomas of Houston, is the raising of about $75,000 to dredge the permanent berthing place. It will be up to the Texas legislature to determine whether it's worth that much to preserve the U. S. S. Texas for posterity.

Naval officials here, realizing that the legislature is not now in session, are holding final determination of the ship's fate in abeyance until the state has had a chance to act.

While no definite plans have been mapped, Thomas says it is believed that maintenance of the ship in trim condition can be supported by a 10-cent admission fee for sightseers who go through her labyrinth of passageways. With the towering 555-foot shaft which marks the spot where Sam Houston defeated Santa Ana, and the U. S. S. Texas berthed nearby, the San Jacinto battleground should become a mecca for tourists from all over the state.

Around the Capital:

If any of Jean Lafitte's gold still lies buried along the Texas coastline, two Galveston brothers may find it by scientific means undreamed of by the colorful pirate or his henchmen. Their idea was contained in an application to the War Asset Administration for surplus army mine detectors. The request was disclosed by John Mayfield of Tyler, WAA legislative liaison official, who said he couldn't recall the names of the applicants.

Working here in the House of Representatives postoffice is James Walser, son of Mr. and Mrs. Carl B. Walser of Rogers. Young Walser, who served with a B-29 bomber outfit, plans to return to a Texas college after several months' experience working around the capital to see what makes the wheels go in the federal government. His job here is under patronage of Rep. Bob Poage of Waco.

Laredo's Mayor Hugh Chick believes in doing something beside sit in a hotel when compelled to spend a rainy week-end here between conferences. He spent a Sunday going through the Smithsonian Institute, seeing Charles Lindbergh's famous plane "Spirit of St. Louis" among other things. The next day he resumed his quest for acquisition of the Laredo army airfield; Laredo wants it for an international civil airport.

Other recent visitors here from along the border included J. E. Bravo of Laredo; Mrs. J. D. Ward of San Benito; Robert Wagner, Brownsville; Santiago Guzman and son, Santiago, Jr., of Edinburg, visiting her daughter, Mrs. Stewart Hatch, and new grandson, Carl Frederick, has been Mrs. Effie Roe of San Angelo. The baby is named after his grandparents, Senator Hatch (D-NM) and Frederick Roe.

After Nov. 5 Texas' new members of congress-elect — Wingate Lucas of Fort Worth and Grapevine Frank Wilson of Dallas and Omar Bruleson of Anson (elections-assured when they won the Democratic nominations) will be eligible to enjoy immediately some of the privileges of a congressman. They can have the use of a "frank"—that is, free mailing privilege—by writing their name and the notice "M. C. elect" in place of a stamp. They can also get stationery and other supplies, but this is deducted from their allowances when they are officially seated. On the day they take the oath of office they are eligible to draw $200 expense account money.

Flying aboard a special Braniff Airways plane from Washington to Dallas recently were several Texans well known here and in their home state. Included was Ralph Pittman, president of the Texas state society of Washington, who went down for the Baylor-A. and M. game at Waco. Pittman was an all-Southwest Conference backfield man at Baylor in 1924. Also on the plane were Mrs. Pittman, Mr. and Mrs. Lloyd Richardson of Turkey, James Mel. Henderson, Daingerfield, and James Stevens of Dallas. Mrs. Richardson, formerly of Rotan, works here for Rep. George Mahon of Colorado City; her husband attends George Washington University here. Henderson, a friend of At-

SWEETHEART of Texas Agricultural and Mechanical College for 1946 is blonde, 20-year-old Peggy Hendricks of Kilgore, Tex., who will be honored by Aggie and TSCW students when the two schools observe their annual Corps trip at Texas A. and M.-Southern Methodist game in the Cotton Bowl at Dallas Nov. 9. torney General Tom Clark, just returned from a year's service in Tokyo helping the government break up the big Japanese industrial cartels.

Nightmares Among the Horses

TOWSON, Md. (AP) — James M. Vaughn, Baltimore county board of commissioners secretary, has been called out of bed at many odd hours to receive messages and complaints, but the latest—at 3:30 a. m.—had him baffled.

"Send your vans to the railroad station and pick up a carload of race horses just in from Saratoga, N. Y.," the voice on the other end said.

Vaughn finally convinced the caller, an express clerk, that he was not B. Frank Christmas, Munkton, Md., horse owner and trainer.

The India-Burma oil pipelines built by the U.S. government at a cost of more than $31,000,000 to transport oil during the war, were sold as scrap for one-thirtieth of that figure.

Movies Boom Business In Village of 12

WYANDOTTE, Ky. (AP) — Free movies ended a business slump in this village's general store.

J. T. Kennedy got the idea when summer trade fell off. He started an outdoor movie and showed a picture once a week. Crowds came from throughout this hilly section.

Now Kennedy has converted his barn into a theater. Each Wednesday night movies are shown.

(A.P.G. Wyandotte's population is listed as 12 in the Rand-McNally atlas for 1946).

A very enjoyable occasion was had in the Gerald Murray home through this week-end when Mr. and Mrs. Willard Durham formerly of Perryton arrived in Perryton shortly after noon Saturday for a visit. Mr. Durham was recently placed on terminal leave from the army. The Durhams are making their home in Grand Junction, Colo.

Oaks are usually the last trees in the forest to shed their leaves in the fall.

. . . IT'S LIKE AN EXTRA HAND!

FONEHOLDER

NOW a Telephone Holder that will NOT mark or soil clothes. Ridges PREVENT skidding off the shoulder. It's PRACTICAL! It's LIGHTWEIGHT! It's POSITIVE! Easily attached or detached—no tools needed. Three point contact holds it rigid—Ear, Chin and Shoulder.

• The FONEHOLDER is more than a practical mechanical device. It makes for easy, relaxed conversation. No more tired, aching arms from holding the phone to the ear during long conversations. For home or office. Can easily be used on either LEFT or RIGHT side. Grips firmly—fits all type phones—will not slip around.

Cub Pack To Hold Meeting Wednesday

The initial meeting of the newly organized Cub Pack will be held Wednesday night at 7:30 o'clock in the school gymnasium, announced Fred Osborne, Cubmaster, this week. Cubs belonging to all Dens and their Den Mothers will meet together for the first time since the Pack was organized.

The training course given to Den Mothers by Alton Boxwell is nearly completed, with six Den Mothers having attended these meetings. Mrs. L. C. Case, Mrs. Fred Osborne, Mrs. Vance Apple, Mrs. Melvin Wilson, Mrs. J. C. May, Mrs. W. E. Perry and Mrs. Earl Waide are the Den Mothers attending this course.

Next week, Mrs. Henry Tuck of Dumas, who has been quite active in Cub Scouting activities, will be in Perryton to give a special course of instruction to the Den Mothers. The first meeting will be held at the Boxwell Bros. Funeral Home on Wednesday morning at 10 o'clock and another meeting will be held in the same place Thursday morning at 10 o'clock.

Approximately 25 boys have been registered as Cub Scouts to date. It is estimated that there are 117 boys of Cub Scout age, between 9 and 11 years, in the Perryton area and it is planned to expand the Cub movement once it has been firmly established.

Ran 105 Yards

RALEIGH, N. C. (AP)—Howard Turner, backfield star of North Carolina State, chalked up last season's longest intercollegiate grid dash when he trotted 105 yards against Duke at Durham. Turner was chosen All-Conference the last two seasons.

Queen Candidates Are Announced

Members of the Ranger football squad announced the names of the four candidates for high school Football Queen Monday, after holding an election to select the four nominees.

Candidates selected are Barbara Pletcher, senior; Claudine Carmichael, junior; Norma Flowers, sophomore; and Danie Mize, freshman.

Voting in the high school will begin next Monday by the student body to select the queen.

The coronation ceremony will be held November 22 at the Perryton-Shamrock game in Ranger Field.

Bill Would Ban Display of Panties

CORDOBA, Argentina (AP) — It's up to the provincial legislature to decide whether exhibitions of panties and brassieres in show windows are indecent. A bill now before the senate would ban such displays of female frippery on the ground they are "immodest," even when they aren't shown on mannequins.

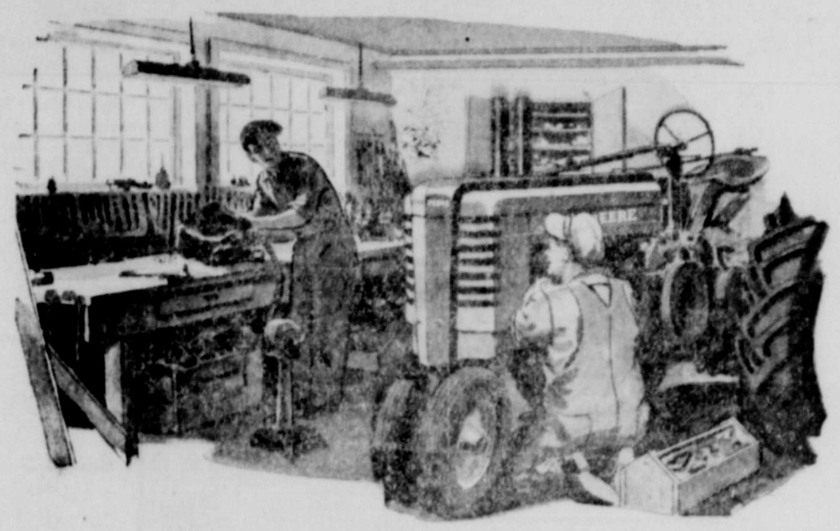

In the first quarter of the 14th Century, the jester was an important part of every large household.

Real Rivalry

RECIFE, Brazil (AP)—In order to avoid disturbances during a recent football (soccer) match here, police searched spectators as they came through the gates to see the clash between the Sport Club and the Santa Cruz Club. They collected seven pistols, 16 big knives and—of all things—a large sickle sharpened on both sides.

The best known Delhi is in India, but there are others in California, Colorado, Illinois, Iowa, Louisiana, Minnesota, New York and Oklahoma.

Baptists to State Meeting

Rev. O. C. Curtis announced this week that he and other delegates will attend the Baptist General Convention of Texas which will have its annual sessions at Mineral Wells beginning November 11 and running through November 14.

Delegates who have made tentative plans to attend the convention are Mark Burton, Mrs. Oscar Flowers and Mrs. S. D. Key.

Dr. J. Howard Williams of Dallas will bring the report of the past year's activities in which Baptist accomplishments have outstripped all previous years. State office receipts for all causes have totaled over $3,500,000, more than three millions above receipts in 1935. It is expected that the current report of church membership will bring the total to a million persons in Texas.

Preparations have been made in Mineral Wells by the Chamber of Commerce to take care of up to 10,000 visitors in the homes of that city.

Emperor Hirohito of Japan has one of the world's most valuable collection of clocks and watches which he repairs and oils himself.

Motor vehicle accidents accounted for 28,600 deaths in the United States in 1945.

Rangers Meet Panhandle Fri. Night at 7:30 In Crucial Tilt

Although the Phillips Blackhawks took the blue chips away from both teams, the Rangers and the Panhandle Panthers will be fighting for second place in the district and an outside chance at the title in the event the Blackhawks slip up in their remaining two conference contests.

Game time is 7:30, an advance of 30 minutes from customary starting time, and the game will be played in the stadium at Panhandle.

The Perryton-Panhandle rivalry dates back ten years to 1936, when a strong Ranger team met an equally strong Panther team in a contest played at Harvester Park in Pampa to determine the district champion. The Panthers won that one 13-12, although outplayed in every department and went on to win the regional title.

Panhandle repeated as thorns in the Rangers' side in 1937 and 1938, both games being played to decide district champions. The Panthers won 26-13 in 1937 and 6-0 in 1933. It was not until the Ranger team of 1939 plastered the Panthers 34-0 that Perryton broke into the win column.

That victory and a 13-0 decision in 1942 are the only two games the Rangers have won from Panhandle. In 1944, the Panthers blasted a 40-6 win and last year took a 19-0 decision.

District 2-A standings:

	W	L	P	Op	Pct.
Phillips	2	0	32	21	1.000
Perryton	2	1	75	25	.667
Panhandle	1	1	40	19	.500
Canadian	1	2	25	70	.333
White Deer	0	2	13	50	.000

This year, the two teams look just about even, and on the basis of comparative scores with Phillips the Panthers could be rated a scant 1 point better ball club. Phillips nosed out Panhandle 19-14 and beat the Rangers 13-7. But the Rangers do not believe much in comparative scores. They are out to beat Panhandle and the only game they're interested in right now is the one which lies ahead of them Friday night.

The game will be a rough one for both teams. Panhandle, unbeaten in five starts until stopped by Phillips, has had an extra week to prepare for this contest, having had an open date last week-end. The Rangers, on the other hand, played a full 60 minutes of bruising football against the Hawks which left the team with a few minor injuries.

The Panthers slightly outweigh the Rangers, averaging 164 pounds per man while the Rangers average 161. The Panhandle line is anchored by 200-pound tackle Lusk and 185-pound tackle Bernauer, while the backfield weight average is loaded by 190-pound fullback Dave Warren. Best runners in the backfield are 160-pound Towe and 150-pound Marvel. Towe handles the passing chores, and completed 8 out of 13 for a total of 125 yards in the Phillips game.

A good crowd is expected to follow the Rangers to Panhandle and give them the support they'll need to win this football game.

Jamboree At School Gym November 14

Thursday night November 14, will be carnival night in the high school gymnasium when the junior class opens the doors for the Junior Jamboree.

Plans were completed for the festival this week, and booths were assigned to the various school groups. Bennett Thomas was selected to supervise placing of the booths around the gym and Shirley Hearn was named to head the decorating committee. Gwen Vestal and Richard Littleton have charge of raffles and general supervision.

The following booths have been assigned:

Basketball—Juniors
Penny Pitch Board—Future Farmers
Fishing—Freshmen
Bingo—Juniors
Bowling—(open)
Food Stand—Future Home Makers
Raffles—Juniors
Midget Show—(open)
Fortune Telling—National Honor Society
Bean Jar—Juniors
Mystery Show—Science Club
Cat Rack—El Sombrero
Archery—(open)
Boxing—Juniors
Penny Pitching—Band

Proceeds from the nights entertainment will go to defray the expenses of the annual Junior-Senior banquet. A good time is promised to all who attend the Jamboree.

The British museum has the fossil of a prehistoric elephant that was 14 feet tall.

Babylon, Egypt and China have all claimed the beginning of the ceramic art.

BEAUTIFUL TEEN AGE GIRLS—make their New York debut en masse as they dance and sing in the choruses of "Gypsy Lady." Average age is under 18, and all but one or two are seeing New York for the first time. Five mothers came with the troupe from California where their first show was produced. Most of them are members of the Los Angeles and San Francisco Light Opera Association.

Although Buffalo Bill's tombstone says he was born in 1845, the Cody family Bible places the event on Feb. 26, 1846.

About 6,000,000 pounds of milk sugar and 12,000,000 pounds of corn steep liquor are used annually in producing penicillin.

BEAVER LIVESTOCK SALE
Geo. W. Cafky, Owner

The last lap is the hardest!

You've probably figured your present car won't have to last much longer.

We hope you're right. For our part, we're doing our best to get those grand new Packards to our customers.

• You know the situation

But, like every other motor car manufacturer, Packard is still struggling with parts and materials shortages.

This year, the industry as a whole has been able to build only 44% of its output for the same period in 1941.

Packard has done better than that, but we'd like to put in a word of caution:

It may be some time yet before you get behind the wheel of your new car.

• Don't take a chance!

Make sure your present car keeps rolling. Test your car with this easy quiz.

If you find any of these symptoms, bring your car in for a quick check-up.

Lots of cars are lasting longer and running better because our expert mechanics are trained to nip trouble before it takes hold!

WATCH OUT FOR HIDDEN TROUBLES! Some car troubles give no warning. Your battery—your electrical system—and your cooling system need a careful check-up at least once each year. The start of winter means a heavy rush for hard-to-get parts. Now is the time to let trained experts test your car.

P.S. Fenders, doors, running boards—in fact, all body parts are scarce. Don't let rust eat them away. Our protective treatment will add to your car's life, appearance and value.

X This home quiz can help you catch little troubles before they become big ones!

1. **ENGINE:** Is smoke coming out of the exhaust? Are you using more oil than you used to? If "Yes," better have your piston rings looked at.
OK ☐ Needs Attention ☐

2. **CLUTCH:** Can you push the pedal down 1" to 1½" before the clutch starts to release? If the distance is less than that, better have it adjusted.
OK ☐ Needs Attention ☐

3. **STEERING:** Measure amount of "free play" from "A" to "B" and from "A" to "C." Two inches or more indicates too much lost motion before wheels begin to turn.
OK ☐ Needs Attention ☐

4. **BRAKES:** Does your brake pedal travel more than one inch before any braking is felt—and at least one inch of pedal travel left after a full stop in 30 feet at 20 m.p.h.? If not, police will say they are unsafe.
OK ☐ Need Attention ☐

Dairy Products Drop in Texas For September

AUSTIN, Tex., Nov. 5—Fewer dairy products were manufactured in Texas in Sept.—there was less production of creamery butter, ice cream, and American cheese—data from the Bureau of Business Research at the University of Texas shows.

There were 1,492,500 pounds of creamery butter production, compared with 1,908,000 pounds in Sept. 1945; ice cream production dropped 12 per cent below production for Sept., 1945, and American cheese production was 775,000 pounds, but 21 per cent below production of Sept. 1945.

Dairy products' production during Sept. [illegible] approximately 80,677,000 [illegible]s of milk.

Hart, Basketball Linked in Texas

(AP Newsfeatures)

SPRINGTOWN, Texas—Joe Hart and basketball are synonymous in this Texas town—speak of one and you think of the other.

Hart was born within a mile of this town, organized the first basketball team in the county and for 35 years has been coach of the game at Springtown High School. He is the dean of coaches in Texas.

Now 62, Joe figures he will retire. But he tried that once before and it didn't work. He quit just before World War II broke out. But the new basketball coach entered the service.

"We were unable to get another coach and I had to take over again," said Hart, who also is principal of Springtown High.

"But I think I'll retire now that a lot of young fellows are coming back and want to take up coaching. I want to do a lot of fishing, you know."

Hart went to school only one year but studied while playing pro baseball for 14 seasons and passed the state teacher's examination. He broke into organized baseball in 1909 with Fort Worth of the Texas League. He later played with Kansas City in the American Association and wound up his baseball career as manager of clubs in the old Texas-Oklahoma and Central Texas Leagues.

What GIs Sing Around the World

NEW YORK (AP)—The musical preferences of American servicemen stationed overseas are not necessarily the same as those of the folks back home. Through the Armed Forces radio stations around the world bandleader Kay Kyser polled the top tunes in various areas, and found the following favorites:

In Hawaii, "Making Whoopee"; Panama Canal Zone, "Poker Game"; Manila, "Don't Cry Baby"; Puerto Rico, "Doctor, Lawyer, Indian Chief"; Germany, "Oh What It Seemed to Be"; Aleutians, "I Wanna Get Married"; Austria, "Let It Snow"; Italy, "Symphony"; and Japan, "I Can't Begin to Tell You."

Frank Carlisle, West Frankfort, Ill., came in Thursday for an extended visit in the W. G. Hibbs home.

Gabler Sale To Be November 11

J. C. Gabler, who planned to hold a public sale at his farm 23 miles north of Perryton on November 4, states that because of inclement weather conditions that day the sale was postponed. It will be held on Monday, November 11. The Gabler place is located eleven and a half miles north and three-fourths mile east of Boyd, Okla.

The auction will start at ten o'clock Monday morning with Orn Sperry, auctioneer and G. W. Cafky, Clerk.

Listed among items to be sold are 26 head of cattle, five horses, six hogs, and chickens; farm machinery, buildings and household goods.

Rev. Walker Conducts Nazarene Services

Rev. W. B. Walker of Abilene, Texas, will conduct services at the Nazarene Church Sunday morning, November 10, at 11 o'clock, announced Rev. Henry C. Thomas, pastor of the local church.

Rev. Walker is the district superintendent of the Abilene district of Nazarene churches and is entering the fourth year of this office. The public is invited to hear this interesting speaker, stated Rev. Thomas.

Despite the fact that 1945 oil production was the greatest on record, the proved oil reserves of the United States showed a gain of 373,000,000 barrels at the end of the year.

Wanted for Burglary: Man Without Pants

VANCLEVESVILLE, W. Va. (AP)—Breaking into C. S. Ramsburg's general store, a thief could chalk up his venture as a cold loss—after fleeing without loot and in a state of undress.

The would-be-burglar broke a window, state police reported, then removed clothing to squeeze through the tiny aperture. Once inside, however, he was frightened off, leaving his pants.

Phillips Blackhawks Edge Rangers 13-7 In Season's Most Thrilling Gridiorn Battle

In a tense, exciting game which kept a record crowd of spectators on their feet most of the time, the Phillips Blackhawks squeezed out a 13-7 victory over the Rangers Friday night, but had to extend themselves to the utmost in the final minutes of the ball game to take the decision.

For a time, it seemed that the gallant Rangers, outweighed, but not outplayed, would tumble the Blackhawks from their championship throne. With less than three minutes left to play in the game Phillips and Perryton stood even on the scoreboard at 7-7. Statistics of the game, where a tie game would be decided, gave the Rangers an edge of one penetration. And the Rangers had the ball on the Phillips 25 yard line.

Phillips found extra strength from somewhere and managed to hold the Rangers for four downs at that point, taking over on their own 25. Then it happened. A pass from Eldridge to Henderson gained 23 yards to the 47. Eldridge sprinted around left end to the Ranger 25. Jackson made 10 over center and the Rangers were penalized 5 yards, giving Phillips a first down on the Ranger 6. A 15 yard penalty against the Blackhawks made it first down and 20 on the Ranger 21 yard line.

Henderson picked up five yards. Means added 5 and then Eldridge passed to Henderon near the sideline and only a magnificent saving tackle by Keith Flowers kept him from going over. But it was a first down and goal to go from the one. The Rangers held Eldridge for no gain. Then on the next play Means went over for the winning score.

Last Rally Fal's

On the following kickoff, Vernon Flowers took the ball on his own 5 and smashed up the field to the 36. Phillips was penalized 15 yards, bringing the ball past mid-field and giving the Rangers a first down. Ranger fans were in a frenzy by this time, as time was running out, but there was still hope.

Three pass plays failed to connect and the Rangers kicked. Keith Flowers booting out on the 20. Phillips made 5, then were penalized 15 yards to their own 11. A long kick to the Ranger 20 was taken by Jones who was dropped in his tracks. As the game ended, the Rangers had driven up the field to the 40, but it was too late.

In the opening minutes of the game, Perryton received the kickoff and marched down the field, making three first downs as Powell and Jones alternated at ball carrying behind inspired blocking by the Ranger forwards. An 18 yard pass, Jones to Hummer, gave the Rangers a first down on the Phillips 2 yard line and Perryton fans roared as a touchdown loomed into sight. But Phillips held on the 2 and a series of four downs failed to penetrate to dirt. Powell pushed to the 1 foot line, but the ball was just short of that touchdown. Phillips kicked out to midfield, where Jones brought it back to the 35.

Three downs made 7 yards, and the Rangers chose to run the ball for the yardage. Jones was thrown for a three yard loss, and Phillips took over. Jackson made it to midfield on three plays, but here the Ranger line stiffened and held. Eldridge kicked to Keith Flowers on the 10 and he came back to the 22. After two plays had brought them to the 30, Keith Flowers quick kicked to the Phillips 12 as the quarter ended.

Taking the ball on their 12, the Hawks made but four yards in three tries and kicked to the Ranger 42, where Jones took it and came back to the 49. Four tries through the Phillips line failed, and the Hawks took over on the Ranger 49.

Hawks Score First

A sustained drive downfield, featuring Eldrige and Means, brought the ball to the Ranger 6 yard line. Here the Rangers stiffened and held the Hawks. It was fourth down and 5 to go when Means came through center on a quarterback sneak, being dumped hard by V. Flowers and Powell, but he was over the line for the initial score of the game. Williams successfully kicked the extra point, making the score 7-0.

Neither team could make a first down the remainder of the second quarter and the half ended with the score 7-0.

After an exchange of punts in the opening minutes of the third quarter, Phillips took the ball on its own 33. Put back to the 19 by a penalty, Jackson came through the line to the 29 and had the ball stolen from him by alert Raymond Powell, who snatched the ball from Jackson as he came by, and headed towards the goal. He was stopped on the 26, and the Rangers took over at that point.

Billy Jones passed to Keith Flowers on the 19 and then Powell picked up 10 yards to the 9. A Phillips penalty put the ball on the 1 yard line and Powell scored on the following play.

Flowers Kicks Goal

With the score 6-7, and under tremendous pressure, Keith Flowers booted a perfect kick through the uprights to tie the score. But Perryton drew a 15 yard penalty for holding, moving the ball back to the 17, and the kick had to be tried again.

This time, Keith coolly split the uprights with a magnificent 22 yard kick which tied the score at 7-7.

The ball was booted over the goal line, and the Hawks took over on their own 20. The Ranger line refused to budge an inch, and Phillips kicked to their own 40. Four plays by the Rangers failed to make a first down and Vernon Flowers kicked over the goal line. The Blackhawks made it to the 37 from the 20, but were able to get no further and kicked from that point to the Ranger 25, where Wilbert Seedig made a surprising return to the 40. Powell made 8 through center as the third quarter ended.

As the fourth quarter opened, the Rangers worked from the 48 to the Blackhawk 31, but bogged down there. A short kick by Vernon Flowers gave Phillips the ball on their own 16. The Rangers held them four downs and took over on the Phillips 25.

Then Phillips made their last-minute surge which won the ball game.

This was a game which will be long remembered by those who saw it. It was a tight game between two superb teams, a game which could have gone either way. And it was a tough one to lose for Coaches Murry and Emerick and the Rangers.

Line Outstanding

Highlights of the game were the vicious blocking and tackling of Ranger forwards as Don Stephenson, Carlos Smith, Gene Stinson, Bob Watchous, Wilbert Seedig, Paul George and Glen Johnson gave away poundage but returned fighting spirit to the Phillips line.

End David Hummer consistently guarded his side of the line and drove end sweeps inside him as he played a sparkling game. J. B. Seago also stopped plays and applied crisp blocks to heavier opponents.

Raymond Powell's amazing theft of the ball which led to the Ranger score stood out among defensive secondary work, while Keith Flowers' magnificent conversion highlighted the Ranger offense.

Vernon Flowers, in site of an injured knee, performed brilliantly, and Bill Jones operated well in the face of a defense which pointed at keeping him bottled up.

The Rangers need have no apology for losing, and Phillips knew they had had a game when it was over.

VFW Auxiliary Holds Initiation Service Tuesday

The VFW Auxiliary met Tuesday, November 5 in the Legion Hall for initiation and installation of officers. The charter for the organization was received at that time.

The following members were initiated: Mrs. Joe Watson, president; Mrs. Frank Hibbs, senior vice-president; Mrs. George Symons, junior vice-president; Mrs. O. C. Watson, secretary-treasurer; Mrs. Irvin Molesworth, conductress; Mrs. Alvin Koehn, guard; Mrs. Kenneth Balzer, trustee; Mrs. Glenn Symons, Mrs. Payne Hooper and Mrs. Jimmy Lee.

Mrs. Hooper was appointed historian, and Mrs. Lee was appointed patriotic instructor.

The next meeting of the Auxiliary will be held on November 13 at the Legion Hall. This meeting is being held especially for those who have not been initiatd, and each member is urged to be there, stated Mrs. Watson.

SERVICEGRAMS

Two Gray, Okla. boys who enlisted in the army together early this fall, have been separated and each sent for training in the East. They are Pvt. Weldon L. Bull, son of Mr. and Mrs. Lony Bull, and Pvt. Robert Bowles. Pvt. Bull's address is: Pvt. Weldon L. Bull, 18318958, Co. X, 12th Bn., 1st Regt., O. T. C., Bks. 1, Aberdeen Proving Grounds, Maryland. Pvt. Bowles address is: Pvt. Robert Bowles, 18318961, A-11-4, R. T. C., 3rd Platoon, Ft. Knox, Kentucky.

* * *

Sgt. Wilfred G. Durham, who arrived in the states Oct. 16 and was placed on terminal leave from the army at Ft. George G. Meade, Md. Oct. 24 is another soldier among the group of ex-GI's to enjoy civilian life. Sgt. Durham served 12 months with the 88th Infantry Division in the European Theatre Operations. Mr. Durham is married and they plan to make their home in Grand Junction, Colo. Wilfred is the son of Rev. and Mrs. Ralph A. Durham, formerly of Perryton.

* * *

Pvt. Dan G. Ellis, who recently enlisted in the army has been stationed at Ft. Knox, Kentucky. His address is Pvt. Dan G. Ellis, 182526-20, C. Btry., 1st Bn., 3rd Regt, R. T. C., Ft. Knox, Ky.

* * *

Pfc. Charley H. Stumpf, who has been stationed at Fort Riley, Kansas, for the past year, was discharged October 31. He joined his wife in Perryton last Friday. Prior to his induction in August 1945, he was farming for his uncle, Geo. Wilson, near Gray, Okla. He graduated from the Perryton High School in 1941. July 21, 1945, he was married to Miss Beulah Gipson.

* * *

Pfc. Dudley Hargrove arrived in Perryton Friday on terminal leave from the army; he arrived in the States October 24, docking at San Francisco. He had been overseas 14 months and a year of that time was spent in Okinawa. Most of his overseas service was spent with the 297th A. G. F. band. Dudley is the son of Mr. and Mrs. Herman Hargrove; he plans to remain at home until fall, 1947.

No. 8 Contined from Front Page

Returns from the 18th District show O'Brien leading Worley in one county. Gray county reported O'Brien in the lead with three boxes not reported, having 1160 votes to Worley's 1052. In all other counties, Worley maintained an approximate 3 to 1 majority.

On the basis of state returns, U. S. Senator Tom Connally, speaker Sam Rayburn, 20 other congressmen and a full slate of state officers were elected.

National returns showed the Republicans in firm control of both the House and Senate. Needing 218 seats in the House for a majority, the Republicans had 242 late Wednesday night, with 11 more in doubt. With 49 seats in the Senate needed for majority, Republicans had a total of 51, with 3 more in doubt.

Texas Senator Tom Conally will relinquish his position as chairman of the foreign relations committee, probably to Senator Vandenburg of Michigan and Speaker Sam Rayburn moves out for Joseph W. Martin, Republican of Massachusetts.

No. 7 Continued from Front Page

of treet signs and that time is essential, since the Christmas rush of parcel post packages is not far away. The Post Office is swamped with packages at Christmas time, he stated, and it is a severe inconvenience both to Postal employees and to customrs to have to call at the office for packages that could be delivered to the homes.

Mayor G. T. Leatherman stated that every effort would be made to erect these stret signs as rapidly as possible and that he hoped it could be done before the first of December.

Present at the meeting, besides Mayor Leatherman, were Aldermen Rufus Bolerjack, Alton Boxwell, Howard Holt, Debs Riley, and Sam Hergert.

Members of Perryton's Price Control Board stayed on the job for more than a year after the end of the war. Production has had a chance to catch up with demand. Now that President Truman has announced the program for accelerating the remaining wartime controls, Price Administrator Paul A. Porter has determined that the remaining functions of local boards can be continued by the District OPA Office at Fort Worth.

Mr. Neufeld gave the following information a to the conducting of OPA business in the future.

1. Trade and consumer inquiries about price control formely handled by Price Control Boards should be addressed to the OPA District Office in the Fort Worth Club Building, Fort Worth, Texas.

2. Certificates of Transfer covering sales of used passenger automobiles may be obtained from principal auto dealers. Dealers should request additional supplies from the OPA Regional Mail Center at 3221 Commerce Street, Dallas.

3. Sugar rationing has been administered from the District Office since last January. In the future, sugar forms required by the trade and consumers may be obtained from the District Office.

4. Pending compliance actions by the board will be transferred to the District Office.

5. The local board office closed for the transaction of public business on November 4. However, the paid clerical personnel will continue on duty during the month of November in order to transfer records to the District Office and to perform the many other duties involved in closing the board.

SUNDAY LESSON

Paul Answers Call Of Philippi, and Founds the Church

The International Sunday School Lesson for Nov. 10
Scripture: Acts 16:11-15; Philippians 2:5-11

* * *

"PHILIPPI," as a mere name, may mean little to the casual reader, but it was in that ancient city that the church was founded and Christianity was introduced into Europe, thence to spread to our western world.

Paul crossed the sea from Asia to Europe in answer to the Macedonian call—the vision in the night in which he saw a man of Macedonia standing by his bedside, saying, "Come over into Macedonia and help us."

The vision may have been an expression of Paul's waking thoughts, for already he must have felt the urge to preach the Gospel to the ends of the earth.

Paul was an imperialist. The empire he sought to build was the empire of Christ.

In this empire the lives of men would be ruled by the constraining love of Christ; but it was to be an empire, nevertheless, world-wide in its sweep and ruling every destiny of man.

No earthly empire-builder was ever inspired with a greater vision than was Paul. And none ever served his purpose with greater energy, determination and courage than Paul brought to his quest of the empire of Christ.

As Christ began His empire among lowly fishermen and others from humble life, so the first Christian church in Europe began among a group of women meeting for prayer by a river outside the city of Philippi.

The notions, so unlike those popular today, that Paul had of the proper place and functions of woman did not prevent his supreme evaluation of at least some women in the life of the church. And among the notable women who had much to do with the acceptance and spread of the Gospel was Lydia of Philippi.

A seller of purple, apparently a good business woman, Lydia made her chief and best business the service of her Lord. When she had been baptized she gave Paul the hospitality of a Christian home.

Christian Science

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Nov. 10.

The Golden Text is: "If by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ" (Romans 5: 17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous" (Romans 5:19).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The harmony and immortality of man are intact. We should look away from the opposite supposition that man is created materially and turn our gaze to the spiritual record of creation, to that which should be engraved on the understanding and heart 'with the point of a diamond' and the pen of an angel" (page 521).

The year 1816 is popularly known as the year without a summer because there were frosts and snow in every month in the northern states.

Farm Price Drop Seen By Tech Economics Prof

LUBBOCK, Nov. 4—A sharp but temporary drop in agricultural prices within the next few months is foreseen by Prof. E. L. McBride, head of the department of agricultural economics at Texas Technological College.

This temporary break will probably last only about a year, and will rise again for several years, McBride predicted, to be followed by a real and serious economic depression.

The national income has increased about 250 per cent since 1939, he pointed out, while agricultural production has increased only 25 per cent and industrial production has risen about 65 per cent. National buying power so far exceeds the number of goods available, that prices have risen entirely too high. The approaching trend back to normalcy will cause a sufficient price drop to be termed a market crash, McBride explained.

However, production cannot get back in line with demand for a long time, the professor said, predicting that six or more years will elapse from now before production exceeds demand, causing a serious depression.

Businness Man Rescues Stowaway With Job

SYDNEY (AP)—David Reece, a 17-year-old youth who travelled from New Zeland to Sydney as a stowaway on the American freighter Cat's Paw, walked right into a $32 a week job.

Reece, who came into Sydney Harbor, handcuffed to a bunk in the Cat's Paw, was on the payroll of British Consolidated Industries, a new company registered in Melbourne, 24 hours later.

A business man said he had given Reece the job although he knew nothing about him, but had "complete faith" in his judgment.

From where I sit ... by Joe Marsh

Who Gets Off Easiest— Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Phibbs envies his Missus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

Of course, none of it goes very deep. Thad knows way deep down that the Missus has plenty of work running a house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.

Joe Marsh

PERRYTON BUSINESS HOUSES WILL CLOSE ARMISTICE DAY MONDAY, NOV. 11

With the exception of a few firms such as Drug Stores, Filling Stations, Restaurants, etc., whose closing would cause serious inconvenience to the public.

PERRYTON *Chamber of Commerce*

Booster Section
Gray Okla.

Mr. Alfred Nimmo of Amarillo and Misses Dana and Georgine Lallement and Marjorie Bower of Clayton were week end guests of Mr. and Mrs. O. C. Lallement.

Lewis Holden visited Sunday afternoon in the O. C. Lallemant home.

Mr. and Mrs. Ernest Groves and girls came Friday for the ball game. They visited with their friends here until Sunday night. They spent Saturday night with the Jim Andersons.

Mr. and Mrs. James Andrews and Pat spent last week with her sister's family, Mr. and Mrs. Bass Willingham of Pampa.

Miss Evelyn Milan and Miss Jean Cox were dinner guests of Rosemary Vaughn and Dorothy George in the Vaughn home Saturday evening.

The sewing club met with Vera Vaughn Tuesday afternoon. Those present were Lois Keith, Jo Pruitt, Hallie Anderson, Oleta Lallement, Bess Miller and the hostess. The meeting day has been changed to Wednesday with the next meeting in the home of Lois Keith on Nov. 13th.

Mr. and Mrs. Robert Sandusky and family of Hugoton, Kansas were over night guests of Mr. and Mrs. W. F. Horn and Rex Thursday.

Janice Miller went to Barbara Kay LeMaster's birthday party Saturday afternoon.

Mr. and Mrs. Charles Pruitt, Mrs. Ondracek and Margaret of Booker and Mr. and Mrs. Floyd Cates and Sherry Lou of Spearman visited Mrs. Robert Howard and baby daughter at the Beaver hospital Sunday.

Mrs. J. F. Ondracek and Margaret spent Sunday night with Mr. and Mrs. Charles E. Pruitt.

There was a Halloween dance at the station Thursday night. Since the "young fry" could not resist the urge to dress for Halloween, there were ghosts and other spooks around. On Wednesday night all went "tricks or treating" and enjoyed lots of good treats.

Roy Leatherman and Glen Stanford were hospitalized Thursday night as the result of an automobile accident.

Friends helping Barbara Ann Bolding celebrate her ninth birthday had an enjoyable time in spite of the gloomy rainy weather. Zack Miller won the prize in the coloring contest. After the opening of gifts and games Barbara's mother served birthday cake and ice cream to Patty Anderson, Ann and Tommy Lanagan, Ernestine Groves, Janice and Zack Miller, Patsy Tregellas, Barbara, Jimmy and Burleene Bolding and Birdie and Billy Tregellas.

Pfc. Billy Tregellas leaves this Monday to return to camp at Denver, Colo. He has spent a two-week furlough with his parents, Mr. and Mrs. Ernie Tregellas.

Mrs. George Jarosen and son of Cockasha, Okla. are visiting this week with her parents, Mr. and Mrs. Mill Todd and other relatives. Mr. Jarosen brought them to Perryton, going on to Clarendon, Tex. on business; he will come for them this week-end.

Mr. and Mrs. J. A. McClung and children left Wednesday for Moscow, Kansas to visit with Mr. and Mrs. H. J. Gilbert. They plan a pleasant hunt while they are away.

Shortage of Nails is Due to Increase Demand and Decrease in Production

By ALEXANDER R. GEORGE
(For Jane Eads)

WASHINGTON—To those people who remember when their hardware dealer would gladly give them all the nails they needed for a small job around the house, the nail shortage is even more "cockeyed" than the scarcity of white shirts.

Nails sold in pre-war days at around $3.75 a keg now have been reported by the National Housing Agency (NHA) to be bringing as high as $50 a keg in the black market. In thousands of communities a few nails for a household repair job can't be had at any price.

Why the great scarcity? It's a matter of large demands for construction and repair work, combined with the shortage of steel, and ceiling prices on nails which have not been high enough to stimulate manufacturers to the required production. Dealers are required to set aside 75 percent of their monthly deliveries for veterans' housing.

* * *

The steel strike, cutting off supplies of that metal, lowered the production of nails early this year. The output dropped from an annual rate of 616,000 tons in the third quarter of 1945 to 405,000 tons in the first quarter of 1946. Also, despite substantial price increases granted by OPA, the industry claims it has been more profitable to divert steel wire rods into the production of items other than nails.

The total requirements for 1946 according to the NHA, are 795,000 tons. Estimated production is about 592,000 tons. The output in August was 61,000 tons, 18 percent greater than the July production and two-and-a-half times that of last January. The NHA, however, figures it needs to be stepped up to 85,000 or 90,000 tons a month.

* * *

The housing agency has asked the Civil Production Administration (CPA) to request producers of steel wire rods to increase the supply of rods for nail manufacturers sufficiently to enable them to meet the 85,000 to 90,000 tons a month goal. Under a previous informal agreement with CPA, the industry guaranteed to meet goals of 65,000 tons per month by September.

ARMISTICE DAY

Monday Nov. 11

OUR FATHER who art in heaven — we thank you for this Armistice Day which we observe at peace, and beseech you to give to all men's hearts, hands and minds the capactiy to work for continued peace. Let us not through greed and false values permit the destruction of all beauty which has been wrought since first you created our world. Help us turn swords into plowshares that all may have enough to eat. Help us turn atomic energy into life saving use that will lengthen man's span rather than blow him to dust. Let us hold in affection and respect all those made in your image, around the world — whatever their race color or creed. Then we will not sadden you with more warring: then this Armistice date will truly signify peace at last — to last.

Population of United States to Reach Peak in 1990 Decline Seen by 2000

BY ALEXANDER R. GEORGE

WASHINGTON—The Bureau of the Census figures that the population of the United States will start to decline after it reaches a peak of about 151,000,000 in 1990. The population now is estimated at 140,840,000.

This slowing down in the growth of the population is the result of a long-range decline in the birth rate. Although this has brought about a marked increase in births during the 1940s, the downward trend in the birth rate is expected to start again.

Some advocates of larger families have expressed alarm at the prospect of "a nation of old people." They have presented a gloomy picture of "a dying race, a future America of graveyards, physically and economically weak and inefficient, and powerless in war."

Such Fears Discounted

Population experts, however, say no such situation is in prospect.

Dr. John D. Durand, population analyst of U. S. Census Bureau, says the age shifts will play a part in future economic developments but that "the outlook is not alarming."

He points out there may be only moderate changes in age distribution because past upward trends in the birth rate similar to the big spurt induced by the war, may be resumed at various periods.

The population is growing older because of a slump in the death rate combined with the long-range drop in the birth rate. If these trends continue, the median age of the population is expected to increase from 30 at present to about 37 by the year 2000. Median is the age which divides the population into two equal groups, one-half older and one-half younger than the median age.

Major Age Groups

Children under 15 now comprise about 25 per cent of the population. It is estimated this group will comprise about 19 per cent in the year 2000. The figure was 22 per cent in 1910, 33 per cent in 1850 and 42 per cent in 1350. At present about 7 per cent of the population is 65 and over. The estimates for the year 2000 put 13 percent in this group. Back in 1850 only 3 per cent were 65 or over.

"Great strides in combating disease have increased the proportion of older persons. Advances in medicine and surgery, improved sanitation and nutrition, higher standards of living and the spread of health education share the credit.

Some observers believe a prolonged period of prosperity with full employment would tend to keep the birth rate from depreciating considerably. The depression '30's brought a sharp decline in marriage and birth rates. The big rise of the '40s can be attributed to full employment as well as the war.

Employment the Problem

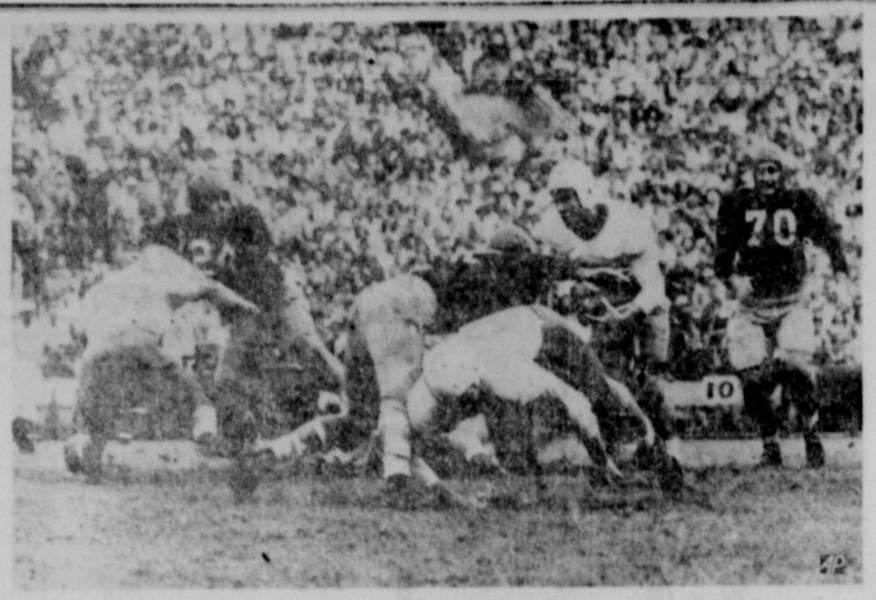

"If employment can be solved, the old age dependency problem in an older population will be comparatively simple," says Dr. Durand. "On the other hand, if we fall back into the economic doldrums of the '20s, the increase of people in the age group over 65 will mean an economic burden of considerable weight. An efficient and adequate system of old-age security will become more essential as the number of aged people grows."

If a third world war should break out 25 years from now, the United States would have between 23 and 29 million men in the military age group, 20 to 44 years old. In 1918 when the first draft law was enacted there were about 25,479,000 in that group.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Veteran Forum

Q. Is a veteran eligible for readjustment allowance benefit if he settles in Canada or Hawaii?

A. Residence in the United States, its territories or possessions is a definite eligibility requirement for readjustment allowances. Veterans living in Canada are not eligible. Veterans living in Hawaii are eligible if they meet all other eligibility requirements.

Q. I obtained a G. I. loan on which the Government guaranteed was $2,500. Recently I lost my job and would like to know if I'm eligible for unemployment compensation provided in the G. I. Bill?

A. The fact that you obtained a G. I. loan does not affect your eligibility for readjustment allowances. You may receive them if you meet the requirements specified by law.

Q. My son has been pursuing a course of training under the G. I. Bill but finds that he can't afford to continue and support himself and his family. Can he terminate his course at any time without notifying Veterans Administration?

A. A veteran should not quit his course of education or training without notifying or obtaining the approval of the Veterans Administration office handling his claim. This is necessary so that he will be qualified for further training.

Ah! Fickle Fate! The Worms Turned

DU QUOIN, Ill. (AP)—Willie Fite paid a $25 fine for assault and battery upon his former girl friend and her new husband, after telling police magistrate George Armstrong that his rival "stole my girl, my fishing pole and my worms."

Greeting Cards for every occasion at Herald want ads.

ACCUSES TITO—Ballet dancer Jacqueline Sainte Anne looks very earnest on arriving back in America at Mobile, Ala., after a year in Yugoslavia, as she tells reporters that under the Tito regime "Merely for a citizen to remark that he would like to go to the United States would be enough for him to be jailed or killed."

Vet Attends TCU In Wheelchair

FORT WORTH, Nov. 5—T. C. U. students have been wondering at the courage of a veteran who comes to classes in a wheel-chair.

The veteran is Austin Crouch. He entered T. C. U. this semester after many months in the hospital. He served both with the 36th and the 32nd divisions.

But he wasn't injured in combat. He fell out of a pecan tree!

"I went through the war with only one small leg injury that I scarcely felt," Austin relates. "Then eight days after I got home, I fell out of a pecan tree and broke my leg!"

Death and Taxes

WASHINGTON (AP)—As a local bus rounded a downtown corner and passed a big white stone federal building, a woman passenger was overheard saying to her companion: "And that's the Bureau of Eternal Revenue."

McDONOUGH, Ga. (AP)—Here's a tree that believed in starting out high in the banking business. A seed lodged in a crack in the cement of a second floor window ledge of the First National Bank building and has sprouted a sizeable branch.

Results prove that people read Herald want ads.

Meat Supply Plan Is a Bird

SYDNEY, Australia (AP)—Some Australian birds store live insects in their nests for future eating. The crested bellbird, which is fairly common in inland districts, gathers hairy caterpillars. To ensure that the caterpillars don't crawl too far away the bird cripples them by squeezing them with its beak.

Rainbow-birds, or bee-eaters, apparently store living dragon-flies. Australian naturalists have observed quantities of living dragon-flies, each with badly torn wings, alongside young birds in the nesting burrows.

Forces of Attraction Hold the Moon "Up" in the Sky.... and

OIL-PLATE Your Engine!

THE moon isn't really "up" in the sky, but it *is* held from flying off into space by gravitational attraction between it and the earth.

Through tireless explorations in realms of molecular attraction, Conoco chemists have been able to bring America the benefits of new and better oils. In fact, by employing the force of molecular attraction they are able to bond a special ingredient in Conoco N*th* motor oil to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs . . . prevents it from all draining down to the crankcase, even overnight . . . you get these benefits:

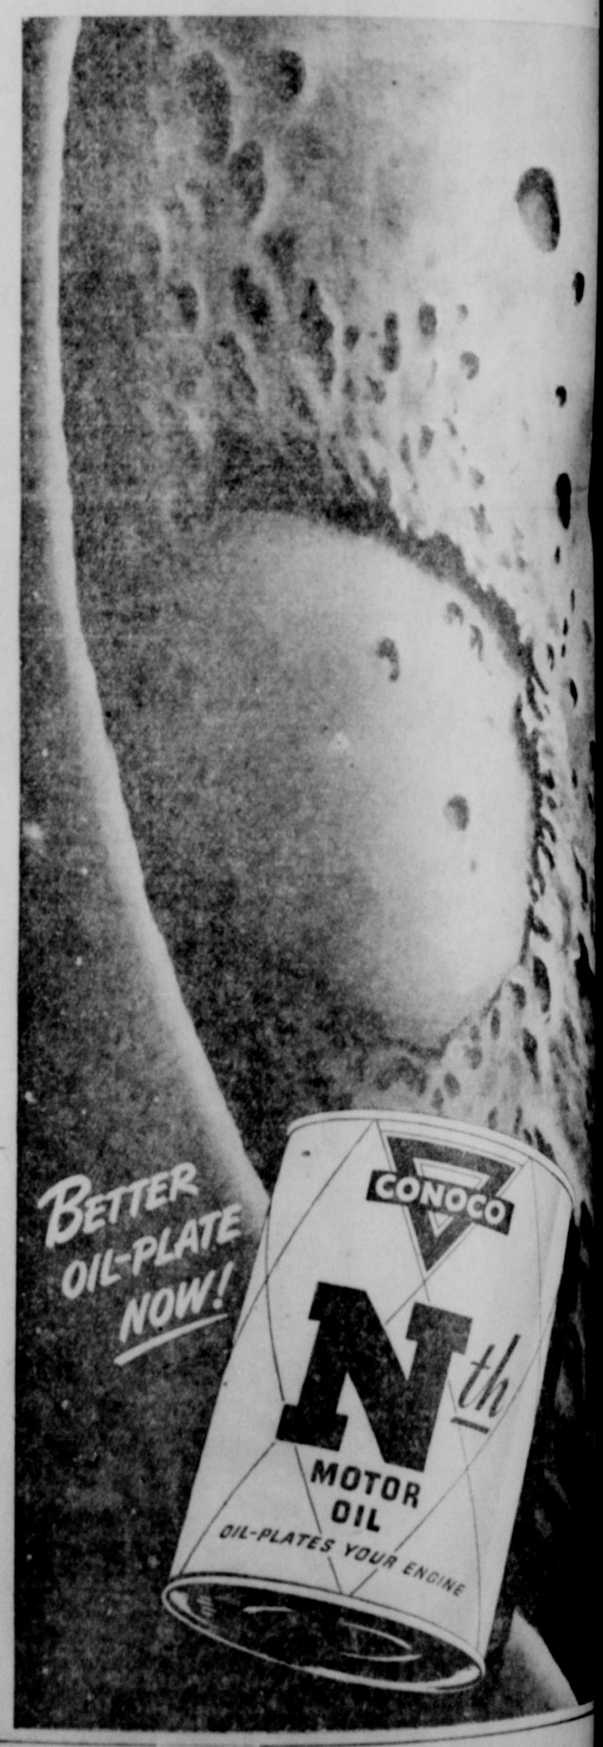

added protection during the vital periods when you first start your engine

added protection from corrosive action when your engine is not in use

added protection from wear that leads to fouling sludge and carbon

added smooth, silent miles

That's why you'd be safer to OIL-PLATE your engine now . . . at Your Conoco Mileage Merchant's. Look for the *red* triangle. Continental Oil Company

ring Out Veterans Insurance dends is Tremendous Undertaking

ROWLAND EVANS, JR.

INGTON — The Veterans uration (VA) has announced tually all former and pres- ders of National Service Life ce (NSLI) are entitled to a

NSLI fund out of which all vice connected death bene- paid has a surplus. The sur- longs to holders of NSLI

VA officials are scared to that news of the dividend ng a flood of mail. VA's in- staff is already loaded ork.

statisticians must check 18,- policies held by the 15,000,- vicemen and veterans.

will take at least a year. When the computations have bee completed dividends will be maile out. VA points out that each lette asking about the dividend will dela the computations, because each let- ter must be answered. It takes tim that might be put to figuring th dividends.

The amount of the dividend wil depend on three things.

1. The amount of insurance taken out.
2. The age of the insured.
3. The length of time the insur- ance has been carried.

VA will not attempt now to esti mate the amount of the dividend but says it will be about equal to dividends paid by commercial mu tual companies.

The dividend is payable not only to veterans and servicemen whose insurance is in good standing, but also to holders of lapsed policies. Ten million veterans allowed their NSLI to lapse. Almost all these will nevertheless come in for at least a small dividend.

The big delay lies in lack of trained personnel and in many cases of doubt whether the death of a serviceman or veteran has been due to actual service-connected disabilities. In such borderline cases VA has been paying subject to later agreement on cause of death.

The dividend will not be taxable. In the future, dividend payments will be forthcoming each year.

Vets in Majority

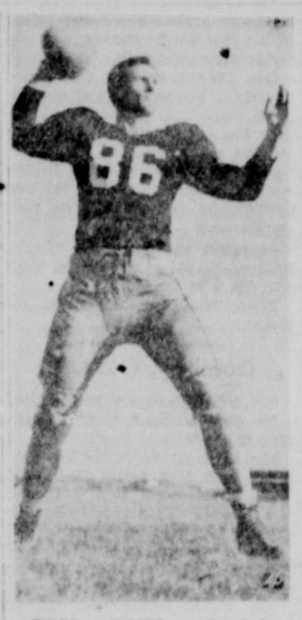

DAVENPORT, Ia. (AP)—St. Ambrose college here claims the highest percentage of veterans enrolled of any educational college in the country.

According to Monsignor A. J. Burke, president of the college, 1,003 of the school's total enrollment of 1,185 are veterans.

FIRES AGGIES — Buryl Baty, star of Texas A. and M.'s 1942 freshman football team, returned from the service this year and sat on the bench with injuries until Oct. 26 when he got his chance to boost the sagging Cadet passing game. Baty delivered with two touchdown pitches as A. and M. beat Baylor 17-0, and lighted a fire that may send Aggieland on the way to the Southwest Conference Championship. (AP) Photo.

Veterans' NEWS

Veterans Administration hospitals in the Southwest have been equipped with the newest type of portable, aluminum "lungs" in a move to reduce the threat of poliomyelitis (infantile paralysis).

A modern adaptation of the "iron lung," the lighter respirator can be used in an airplane, automobile or train as well as in a hospital, Dr. Lee D. Cady, VA's medical director in the Southwest, said.

Dr. Cady said a patient can sit up, lie down, or even walk about in his room while wearing the new device, which covers only the chest.

While its chief use will be for polio victims, the aluminum lung can be used for artificial respiration in several other types of medical emergencies.

Wilfred M. Bailey, 22, one of the 4,000 students attending Southern Methodist University in Dallas under the VA educational program, has put aside his flying gear and Navy Cross to train for the ministry. The stocky Texan was awarded the Navy decoration for his part in sinking a Jap aircraft carrier during the second battle of the Philippine Sea.

"I suppose," he said "that becoming a minister always has been my plan. But it didn't completely formulate itself in my mind until I got out there above the Pacific. Seeing my comrades names disappear from the roster, one by one, had something to do with it."

Bailey is serving as assistant pastor in a Dallas Church. He will enter theology school at Southern Methodist next fall after completing preparatory work.

Since VJ Day the number of patients in VA hospitals in the Dallas Branch Area has increased 42 per cent, according to Dr. Lee D. Cady, Branch Medical Director.

"On September 30 this year we had, 503 patients in VA hospitals in Texas, Louisiana and Mississippi, compared with 5,296 on VJ Day," Dr. Cady reported.

Mexico is known as the Storehouse of the World because of the fertility of its soil and its almost inexhaustible mineral and other natural resources.

Leave It to a Woman To Have the Last Word

OKLAHOMA CITY, (AP)—Scout-car officer J. H. Maddox, answering a complaint that loud noises were disturbing occupants of a home, was met at the door by a woman who looked blankly at him a moment, then proffered a pad on which she had written:

"I am deaf. What are you doing here?"

Maddox answered in writing that he was an officer bent on stopping loud noises.

The woman solemnly wrote: "I haven't heard a thing."

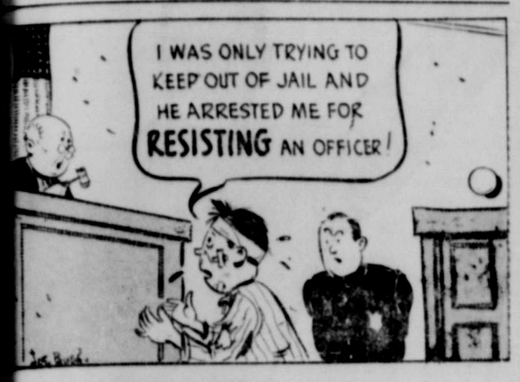

Girl, 12, Outshoots 300 Squirrel Hunters

WELLSBURG, W. Va., (AP) — Twelve-year-old Nancy Smith is a crack shot. Game Protector D. E. Keyser said that of more than 300 squirrel hunters he had checked during the first 10 days of the season, the Hancock county girl was the only one to have the day's bag limit of four. Her father, Howard Smith, was still looking for his first kill.

Smith told the game protector his daughter had been hunting since she was 10 years old, and "she always outshoots me."

YOU CAN'T WIN ... by Yourself!

There's still a lot of fighting to be done. There are things that need to be stopped, things that need to be changed, things that need to be avoided. You KNOW it.

But are you going to try to lick the world by yourself? Of course not. Not after what YOU'VE learned about TEAMWORK. You know America's problems can be licked with teamwork.

That's why ten thousand ex-service men and women from World War II are joining The American Legion every day. That's why we know you'll want to be a Legionnaire.

What are the sorts of things Local Posts do? They provide equipment for hospitals . . . they distribute food and funds to the needy . . . they provide counselling service for veterans and their families. They do these things and many more in every line of civic improvement.

The Legion program is an eminently worthwhile course of action. Stop in at your local post and see what's going on. They'll have the membership blank YOU'LL WANT TO FILL OUT. There's nothing like being a member of a winning team . . . a team making history every day.

AMERICAN LEGION

Ellis' WHOLESALE AND RETAIL AUTOMOTIVE AND ELECTRIC SUPPLIES

Fearless Roy Rogers and Sheriff Gabby Hayes Catch a Murderer

Packed with action and roaring adventure, studded with songs, Republic's "Under Nevada Skies," starring Roy Rogers, which shows Saturday, November 9 at the Ellis Theatre proves to be one of the season's most entertaining and thrilling pictures.

Five new songs are featured in the musical Western, including "Under Nevada Skies," "I Want to Go West," "Anytime That I'm With You," "Sea Goin' Cowboy" and "Ne-Hah-Nee." It is the first Roy Rogers picture in two years which has Indians in the cast, and the story is more thrilling than any "Cowboy and Injun" yarn ever told.

Action gets underway with the murder of Tom Craig, owner of the Bear Valley Trading Post. Sheriff Gabby Whitaker, played by George "Gabby" Hayes, immediately sets out to find the murderer and solve the crime, and he is joined by Roy Rogers, vacationing between rodeos.

Singer Helen Williams, played by lovely Dale Evans, remembers that Craig had a valuable crest. It is not found among his possessions. Rogers, "Gabby" and Helen Williams set out to find the mysterious piece of jewelry and fall into the hands of suave, ruthless Arthur Courtney, played by Douglas Dumbrille.

The story moves to a thrilling climax as the principals find their way out of danger. But they do not reach safety before finding out the mysterious value of the jeweled crest and before confronting a gang of killers.

Roy Rogers scores in another outstanding role, while Dale Evans has never been seen to better advantage. George "Gabby" Hayes turns in another of his excellent characterizations.

CARD OF THANKS

I sincerely thank our friends and neighbors for the cards, letters and flowers during my illness. Charles Scott. 45-1t-p

FIGHT TO THE FINISH!—Sheriff Henry Fonda and gambler Victor Mature stand side by side and fight it out, both guns a-blazin' as they wipe out the notorious Clanton boys of Tombstone, Arizona. Fonda is cast as the famous lawman, Wyatt Earp and Mature is "Doc" Holliday of frontier gambling fame in "My Darling Clementine" which shows at the Ellis on Sunday and Monday, November 10-11. The cast also features Linda Darnell, Walter Brennan and Tim Holt.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: Mary B. Noll
GREETING

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 24th day of November, A. D. 1946, at or before 10 o'clock A. M. before the Honorable District Court of Ochiltree County, at the Court House in Perryton, Texas.

GI Goes AWOL From England To See Wife

Utterly engaging in its infectious comedy and its warm human interest, Republic's "Rendezvous With Annie," which plays on Tues.-Wed. Nov. 12-13 at the Ellis Theatre simply cannot fail to please the movie fan who enjoys a wholesome and sincere bit of Americana.

Returning from the U.S. Navy after four years of service in the Pacific, Eddie Albert plays the leading role, that of a G.I. in London overcome with nostalgia for his home and his wife. He has just been handed a three-day pass, but what are three days when the only thing you want in the world is to see your bride, who is 3,000 miles away in Woodville, New Jersey?

Through the intervention of Fate, Eddie runs into two pals who are ATC pilots and who induce him to stowaway in their plane, as they are making a routine week-end flight to New York. Eddie can have a twelve-hour layoff in New York, and still get back in time to report for duty.

Fate cannot resist playing a trick on Eddie, though, and when he is discharged from service nearly a year later, he finds his wife, Annie (played by Faye Marlowe) about to present him with an heir.

His embarrassing predicament in trying to prove himself the father of his own child provides most entertaining screen fare.

Gail Patrick appears most decoratively in her sequences as a glamorous night club hostess. Sir C. Aubrey Smith turns in his customary sterling performance as Sir Archibald Clyde, a distinguished Briton, and Philip Reed and James Millican portray the two ATC pilots with genuineness.

Raymond Walburn, Will Wright, William Frawley and Wallace Ford also figure in the plot.

Allan Dwan produced and directed.

Dombey, Okla.

Mrs. W. A. George of Boyd visited a few days last week with her sister, Mrs. Tillie Neill of Dombey.

Mrs. J. R. Kulow visited last Saturday with Mrs. Agnes Duerson.

Mrs. Tillie Neill and Lois and Mrs. George visited last Sunday evening with Mrs. Sallie Foster.

Mrs. F. B. and L. F. Whittee of Boyd honored Mrs. Deforest Young with a pink and blue shower.

Mrs. Sallie Foster had as her guests Friday evening at tea, Mrs. Agnes Duerson, Mrs. Lula Randles, Mrs. Lena Miller and Becky, Mrs. Leroy Kenny and Mrs. J. R. Kulow.

Mrs. Frank Hightower and Mrs. Ward McAlester called on Mrs. Foster one day last week.

Mr. and Mrs. Deforest Young called on Mrs. Agnes Duerson and sons Friday afternoon.

Mr. and Mrs. J. C. Stevens, Mr. and Mrs. Lloyd Mitchell, Linda Lea and James Lloyd visited Sunday with the ladies' parents, Mr. and Mrs. J. R. Kulow.

Ralph Lee Kulow, S 1/c, writes home folks that Navy Day was a beautiful sight on the water. The ships brought flowers and they were loaded on a smaller boat. A chaplain took them out to sea and planted them on the water for all the sailors, marines, and Coast Guardsmen who had lost their lives at sea in service.

Mrs. George Gilbert returned last week from the Mayo Clinic.

Bob Chase, who has completed his course at the Kansas City School of Drafting is visiting in the home of his parents, Dr. and Mrs. J. W. Chase.

Students Cotton To Their Neighbors

WINTERVILLE, Ga., (AP)—School students here are finding their Thursday good neighbor policy pays. Every Thursday afternoon a group dons working clothes and helps pick cotton in some neighboring farmer's field. In one recent afternoon, 32 youngsters harvested 1,200 pounds of seed cotton. They are paid regular rates for their work besides competing for theatre tickets to the one picking the most cotton.

Alley Gets Swanky

CUMBERLAND, Md. (AP)—Cherry Alley here became Cherry Place because a landlord told the mayor and city council that tenants of two apartments with entrances on the alley might not like the reference.

Brooklyn, N. Y., was once a separately chartered city.

Gamblers Have Love Troubles

Starring Robert Young, Barbara Hale and Frank Morgan, RKO Radio's "Lady Luck" is a laughter-studded romance woven around the lure of roulette wheels and card tables, and spiced with hilarious situations and sparkling dialog to make it one of the year's gayest film offerings which plays at the Ellis on Thursday and Friday, Nov. 14-15.

Larry Scott, a prosperous gambler, meets and woos Mary Audrey, whose long line of gambling forbears has made her hate gambling in any form, although her grandfather has had a lifelong weakness for games of chance and she has a latent genius for picking a long shot. Larry is so smitten with Mary that he agrees to close his poker

books and become a respectable citizen, and on the strength of this Mary accompanies him to Las Vegas where they are married.

An hour after the ceremony Mary sees him at a craps table and, refusing to let him explain, applies for a divorce. Since Larry's sporting friends straighten things over, but there is via a roulette wheel work in and Mary reverts to type in hilarious fashion, with a series of expected reactions from the that build up to a side-splitting climax.

In this her first stellar role, Hale turns in a note-worthy performance co-starring with as the impetuous Larry and gambler as the poker-loving father. James Gleason as cynical pal, Don Rice and Davenport are featured in the duction by Warren Duff, by Edwin L. Marin.

Children of Perryton Find a Welcome Each Halloween Night at Shanks Home

For more than 25 years, Judge and Mrs. D. D. Shanks have had a party at their home on Halloween night, and this year the night proved eventful for them and more than 150 children of Perryton who called during their open house last Thursday night.

The parties began when their son, David Shanks, Jr. was three years old; his birthday was November 1 and the birthday parties took the form of a Halloween party on the eve of his natal day each year. When David Jr. became too old for Halloween parties and left home for college, Mr. and Mrs. Shanks continued to decorate their home each Oct. 31, and when the children, dressed in their Halloween garb called for "tricks or treats," they were invited into the Shanks home for ghost stories and other entertainment as well as treats.

When the guests arrived at the open house this year they heard a fantastic story that Mrs. Ghost, who was peering from a corner of the living room, had planned a party for the two little ghosts. The black cats, the old witch, the bats, the funny man and many other manmade characters which frequented the house that night were the guests.

Eyes were wide with wonder as the story was reiterated to the "small fry," and their dreams of the mysteries of Halloween night became in a sense, reality. The youngsters went home, satisfied that this Halloween was everything they had hoped for, and already anticipating the activities and surprises another October 31 will bring for Judge and Mrs. Shanks and all those who knock at their door that night.

The treats given each young guest were served from the table which was decorated as a Halloween garden. Autumn flowers, fruits and vegetables were used in this arrangement.

Engagement Is Of Wide Interest

An announcement of interest is the engagement and approaching marriage of Miss Alvina Stabel of Amarillo, daughter of Mr. and Mrs. Fred Stable of Booker, to Billy J. Glasgow, son of Mr. and Mrs. J. E. Glasgow of Ft. Worth, Texas.

The wedding will take place in November.

Theater Party Marks Birthday

On October 31 David Kent celebrated his eleventh birthday with a party at the home of his parents, Mr. and Mrs. Charley Kent and a show afterward.

The invited guests were Tom LeMaster, Kent Apple, Bob Schroeder, Ronny Witt, Don Bell, Robert McCurdy, Jerry Ferguson, Arch Brashears, Henry Taylor, Warren McGarraugh, Landrum Osborne, Bill Drake, Bob Leatherman, Mitch Murry, Bill Ferrington, Larry Bell, Bill McLanahan and Earl Wilson.

ENVELOPE POCKETS—Distinction is achieved by this easy-to-make wool chevron suit, with its envelope pockets, large buttons, big-buckle belt. It's modeled with a velvet Breton sailor. Design is from the Paris collection of Jeanne Lanvin.

Lone Tree HD Club Meeting November 13

The Lone Tree Home Demonstration club will meet in the home of Mrs. T. M. Osborne on Nov. 13 at 2:30 p. m., it is announced. Members are urged to attend and visitors are always welcome.

Members are also asked to remember County Wide recreation night at the high school cafeteria in Perryton on Saturday, Nov. 9 at seven o'clock. The Lone Tree women have been asked to bring a vegetable salad.

Miss Taylor and Gordon Click Marry November 1

In a simple ceremony on Nov. 1 at the home of the bride's parents, Mr. and Mrs. J. C. Taylor, Miss Lucy Lee Taylor and Gordon L. Click of Perryton, son of Mr. and Mrs. Clyde Click of Sayre, Okla. were united in marriage.

Rev. O. C. Curtis, pastor of the First Baptist Church officiated for the double ring service.

The Taylor home was decorated with Autumn flowers for the occasion. Preceding the ceremony the "Bridal Chorus from Lohengrin" was played by the bride's sister Miss Mary Ruth Taylor.

The bride chose a two piece suit of powder blue wool and accessories of brown for her marriage. Her corsage was red rosebuds.

Attending the couple were Mr. and Mrs. J. A. McClung. Mrs. McClung, sister of the bride, served as matron of honor, and her corsage was of rose buds. Mr. McClung was best man.

The bride's mother wore a black crepe with a corsage of white carnations.

Following the ceremony the guests were served cake and ice cream, and the three tiered cake was topped by a miniature bride and bridegroom.

For traveling the bride chose a black crepe dress with sequin trim and black accessories. The couple will be at home at 605 S. W. 5th Street after November 10.

Mrs. Click is a graduate of Perryton high school with the class of 1946.

Mr. Click, who is one of the custodians in the Perryton schools, was discharged from the Navy in Jan. 1945 after two years service. He attended the Sayre, Okla. high school.

Shower Friday In Shearer Home For Mrs. Lee

Bouquets of fall flowers were used to appoint the O. C. Shearer home where Mrs. Elliott Lee was complimented at bridal shower on Friday afternoon, November 1. Before her marriage on October 17, she was Miss Helen May.

Hostesses were Mesdames O. C. Shearer, James Brillhart and Bradley Lee.

The bride's chosen colors, pastel green and yellow, were used in the table decorations. A miniature bride and groom circled by button chrysanthemums of white and yellow interspersed with fern formed the centerpiece. Tall yellow tapers were in crystal candelabra.

Mrs. J. C. May, the honoree's mother, and Mrs. J. M. Grigsby, her grandmother, presided at the silver coffee and tea services.

Mrs. Tom Carver of Canadian assisted with the gifts and Mrs. Jimmie Palmer, sister of the bride, registered the guests who called during the appointed hours.

Surprise Birthday Dinner on Sunday

Mrs. J. L. Blackburn entertained Sunday with a surprise turkey dinner to compliment her husband on his birthday. Several of his children were present for the day.

Plates were laid for Mr. and Mrs. Van Earl Steed and son, Gene of Groom, Texas; Mr. and Mrs. Winfred Lewis and Connie, Mr. and Mrs. Jack Martin, Mrs. Frances Worley and Jack and Mr. and Mrs. George Barth and daughter, Marilyn all of Shamrock, and Mr. and Mrs. Blackburn.

Mr. and Mrs. Harvey Wilson and Larry were Canadian visitors Sunday. Larry remained in Canadian with his grandparents, Mr. and Mrs. Roy Durham until Thursday.

Everything for the business office at Stewart Printing Co.

Literary Party Provides "Gay Ole Time" for Classes

Members of the Bible and Fidelity classes of the Christian Church met in the church basement last Thursday night for their monthly social, which took the form of an "Old Time Literary."

Gingham dresses and blue denim overalls were the popular dress for the evening. George Dietrich acted as chairman of the Literary and conducted the program; during this program many hidden talents were discovered.

Rex Clark made a speech. Mary Dietrich orated a poem. Aleene and Marguerette, those sisters from "back in them hills," gave a Halloween pantomine. Inez Gregg and Mrs. Art Morgan ably portrayed two mountaineer ladies discussing the faults and virtues of their husbands, the idea being: "I can tell you my ole man's faults, but I won't listen to you tell 'em."

A heated debate, "Resolved that the dish rag is more important than the broom" was presented. Ward Gregg and Alf Pittman took the affirmative, O. O. Cox and Art Morgan, the negative.

Kathleen and Margaret, the Watson sisters, sang a duet and the guests decided it would have been "right purty" 'cept Margaret's Sunday shoes were pinching her feet until she forgot the tune in a place or two. Jimmie Clark played a piano solo for the program, as well as other numbers while the 64 guests were being served sandwiches, pie coffee and cocoa.

Reports reveal that everyone thoroughly enjoyed themselves at the "Literary."

Miss Baker's Marriage Told

Mr. and Mrs. W. H. Baker have announced the marriage of their daughter, Dora Mae, to Pfc. Lorenzo Green of Barton, Md.

The wedding took place at Travis Park Methodist Church, San Antonio Wednesday evening, Oct. 23, 1946.

Mrs. Ray Barclay and infant were dismissed November 4.

Betty Lou Hamilton, Pollett, a medical patient, was dismissed Nov. 4.

Yvonne Cook, a medical patient, was dismissed November 4.

Sixth Grade Party At Legion Hall

Mrs. Fred Chisum and Mrs. Al Ackley, room mothers, and D. V. Biggers, teacher, supervised the entertainment enjoyed by members of the sixth grade in the Perryton schools at their Hallaween Party on Wednesday night in the Legion Hall.

The hall was decorated in the Halloween motif; it was further accented in the refreshment plate which carried out the orange and black color scheme.

Those present were Patsy Halpain, Patsy Ruth Cheek, Carolyn Dunlavy, Don Dietrich, Donald Cooper, Nona Ann Byers, Patricia Beason, Jane Ackley, Jerry Chisum, Wayne Gum, Dickie Haar, Peggy Horn, Donna Helton, Florence Hummer, Alma Lou Diehl, Gale Hurter, Darrell Harris, Frank Dutcher, Dean and Gene Burkhart, Gene Devers, Merle Hulsey, Mary Batman and Virginia Cook, class members; Mrs. Chisum and Mrs. Ackley and Ellen and Jimmie, and Mr. Biggers, teacher.

Community Day Observed by Church Women

World Community Day was observed Thursday by the Perryton Council of Church Women with a meeting at the First Christian Church.

A large group of women from the affiliated churches of Perryton and several guests attended the meeting.

After the meeting was called to order by the president, Mrs. S. P. Whippo, the group sang "There Is No East or West," and prayer was offered by Mrs. Debs Riley. Mrs. C. W. Foote led the devotional on "World Christians."

Mrs. A. J. Kelly was named president of teh United Council of Church Women of Perryton for the 1948 year. Other officers elected were Mrs. R. B. Orrill, vice president; Mrs. Ray Phagan, secretary and Mrs. Leon Shrader, treasurer.

Special numbers on the programs were a piano solo by Mrs. A. P. McCelvey, and a vocal solo, "Abide With Me" by Miss Janice Miller whose accompanist was Miss Colene Milledge.

The guest speaker was Dr. P. D. O'Brien, Big Spring, Texas, who spoke on "One World Community." Dr. O'Brien said that the airplane and the radio have done much toward making the world one community.

Continuing, Dr. O'Brien stated that both of these modern day inventions can be both helpful and destructive. He illustrated his point by showing how the airplane has been used to carry medicines to suffering humanity isolated by acts of nature, and then on the destructive side; he pointed out the London blitz and other bombings to terrible consequence.

Dr. O'Brien told the church women, that until the world has been taught the Christian doctrine, there will be no "World Community."

A social hour followed the program which was dismissed with prayer by Rev. O. C. Curtis.

W. S. C. S. Observes Week of Prayer

The W. S. C. S. of the Methodist church had their Week of Prayer program and observance on Thursday. Members of the society met at the church at ten o'clock Thursday morning for their devotional period which was followed by a potluck luncheon; they disbanded in time to attend the meeting of the United Council of Church Women that afternoon.

Mrs. Anna F. Wilson who is spiritual life chairman of the organization, was in charge of the program. Those who took part were Mesdames H. L. Thurston, Cecil Dodd, R. B. Orrill, C. B. Rogers, Oris Bruner, C. F. Jones and Charlie Garrett.

Others in attendance were Mesdames John Sell, J. W. Chase, Dona Price, H. W. Ragan, Sue Ragan, P. E. Gidley, Belle Truax, Fischer, D. D. Shanks, Russell Asbell, W. E. Lackey, Anna Budock, Harold Malone, J. H. Neufeld, C. W. Foote and Gates.

Announcement was made that the Week of Prayer offering was over $43.00.

J. C. Jones, Vallejo, Calif., is visiting in the home of his aunt, Mrs. I. H. Sharpe and Mr. Sharpe this week. He will be remembered as the son of Mr. and Mrs. Ernie Jones, former residents of Perryton.

Mrs. E. H. McDonald has returned to her home in California after a visit with her parents, Mr. and Mrs. A. R. Hoghland, who took her as far as Amarillo on the return trip. The McDonalds are moving to Denver, Colo. soon where he will be with Monarch Air Lines.

Birthday Party For Miss LaMaster

On Friday afternoon, Nov. 1, Mrs. Giltner LaMaster entertained for her daughter, Connie, on her fourth birthday.

The young guests spent the party hours at play, and Mrs. LaMaster served refreshments to Nanjean Boxwell, Carolyn Kelly, Janice Schuster, Susie McGregor, Chucky Wood, Carl and Stacy Ellis, Sharon Kay Nels, Janalee Bell, Kara Bess Apple, Ann and Barry Acker, Don Neufeld, Betty Ann McCelvey and Scott Sanford.

Larry Wilson is Four Years Old

The home of Mr. and Mrs. Harvey Wilson was the scene of much gaiety last Thursday afternoon; it was the fourth birthday of their son, Larry, and Mrs. Wilson entertained at a party in his honor.

Chrysanthemums and Halloween decorations appointed the house where the honoree's young friends enjoyed an hour of play. The birthday cake, which held our candles, was served with ice cream; Mrs. Willa Faye Wilbanks assisted with the serving.

Guests included Bobby and Lynn Wilson, Judy and Tommy Woodward, Donna Jo Yates, Bonnie Humphrey, Sandra and Sammy Wilbanks, Linda Rogers, Jean Rigsby, Jerry and Kay Balzer, and Larry's grandparents, Mr. and Mrs. Roy Durham of Canadian and Mrs. Anna F. Wilson.

Ghosts Greet Guests at Party

Ghosts greeted members of the Intermediate Training Union of the Baptist church at their Halloween party Monday night in the recreation rooms of the church.

The rooms were weird with their decorations and the only light was from jack o'lanterns and candles. Fortune telling by the gypsy and other games suitable for the occasion filled the hours before the refreshments were served.

Those present were Jean Suitor, Shirley Littleton, Alice Hacker, Donna Shelton, Donita Gunter, Dorine Wright, Mary Anita Selby, Betty Lawrence, Elaine Graves, Max Suitor, Dean LaFever, Charles Easdon, R. L. Smoot, Richard Blackmore, Freddy and Max Dendy, Dr. Dick O'Brien, Mr. and Mrs. Raymond Hall, Rev. and Mrs. O. C. Curtis and Lynn, Mr. and Mrs. Joe Watson and Jo Nita and Mr. and Mrs. Mark Burton.

Miss Jane Putman Hostess for Party

Little Miss Jane Putman was the hostess to a group of her friends at a Halloween party last Wednesday afternoon from four until six o'clock in the home of her parents, Mr. and Mrs. J. W. Putman, 1219 S. W. 3rd Street.

The house was decorated in the traditional manner of Halloween and the small fry had ample opportunity to "try out" their costumes before Wednesday night at Jane's party.

Mrs. Putman served refreshments to 12 little guests at the close of the play period.

Mr. and Mrs. Val McLanahan left Wednesday on an extended trip in the Western States. They will visit her son, Mr. and Mrs. Seldon Caradine at Grants, N. Mex., and his daughters, Mrs. Walter Kelly in Los Angeles, Calif. and Mrs. Stan Greenwood, Las Vegas, Nevada. They will also spend some of their time with Mr. and Mrs. A. C. Emberson at Long Beach, Calif.

Mr. and Mrs. George Lewis and Miss Betty Sphinx of Borger were week-end guests in the home of Mrs. Lewis' parents, Mr. and Mrs. Ike Sharpe and with other relatives.

P. T. A. Meeting Held Monday Evening, Oct. 28

"Parent Teachers Association meetings are to be streamlined and will start on time," stated Mrs. Manse Woods president at the meeting of the group on October 28.

During the business session, committee reports were made, and action was taken to name anyone who attends the District Meeting in Amarillo November 20-22, a delegate of the local organization.

Miss Lucille Cooper's room, 2-A, won the attendance prize for Oct., and the attendance committee was authorized to buy an attendance prize.

"Laying the Cornerstone" was the subject for the interesting talk made by Mrs. Spencer Whippo. She emphasized the fact that teachers and parents should become better acquainted and urged parents to visit their children's teachers and invite them into their homes.

The introduction of the faculty was made by Glen Allison and Gilbert Mize, principals.

An informal social hour was held for the teachers and parents. Refreshments were served to approximately 100 guests.

Mrs. Osborne Entertains Club

Chrysanthemums were tastefully arranged to form the floral decorations in the Fred Osborne home when Mrs. Osborne entertained Entre Nous bridge club at her home last Wednesday.

Mrs. Cecil Dodd played high and Mrs. W. L. McConnell, second high. Mrs. Aldon Bell was a guest of the club.

Members present were Mesdames W. R. Cayler, Glen McGibbon, J. H. Brashears, McConnell, G. L. Kengle H. J. LeMaster, Miles Edwards, Dodd, Jack F. Todd, A. B. Hankins and Charley Kent.

Mrs. Osborne served a refreshment plate at the close of the afternoon's games.

Club Women See Exhibit at Dumas

Mrs. Robert Barlow and Mrs. B. H. Murphy attended a bedspread exhibit at Dumas the past week. The exhibit consisted of white and colored candlewick bedspreads made from sacks, by Moore county home demonstration club women.

Mrs. Barlow reported that there were approximately 20 bedspreads on display only half as many as had been expected.

Weather conditions had prevented some from being present.

Mrs. Barlow said the all white spreads were her choice.

Halloween Party At Richardsons

The home of Mr. and Mrs. H. P. Richardson was the scene for a Halloween party for students in the sixth grade. Their daughter, Marilyn, is a member of this group.

The garage was decorated for the occasion and Halloween games and stunts filled the party hours, and refreshments were served at the conclusion of the evening.

Supervising the entertainment were room mothers, Mrs. Lonnie Suitor, Mrs. Marshall Stone and Mrs. Richardson and the teacher, Miss Lola Meek.

Mr. and Mrs. Louis Jacquot and Mary Lou were in Amarillo Monday evening to attend the Rubinstein concert.

Ellis Kelly and A. J. Kelly flew to Houston last Friday on a business trip.

Ochiltree Club Has Final Meeting of 1946 November 1

The Ochiltree Home Demonstration club had its last meeting of the 1946 year on Friday, Nov. 1 in the home of Mrs. Oscar Blank. Eight members and one visitor were present.

Mrs. Blank will also be hostess for the Christmas party to be held some time in December for the club members and their families.

Mrs. Wheeler led the discussion of the care of the refrigerator, and told of foods which should and should not be kept under refrigeration. She also displayed work dresses sent out by the Extension Department in Washington for display. These dresses were well made and so attractive that each member present wanted the pattern for her own use.

Refreshments were served to Mesdames Carter, Wheeler, Davis, Bryan, Williams, Thurman, Gunter and McLanahan.

The next meeting will be in the home of Mrs. J. L. Bryan on the first Friday in January.

Therrell-Hollis Vows Solemnized In Amarillo

Miss Anna Belle Therrell of Moselle, Miss., and Thomas H. Hollis, son of Mr. and Mrs. J. F. Hollis of Canadian, Texas were united in marriage on Saturday, November 2 at the First Baptist Church in Amarillo.

The double ring ceremony was performed by Dr. A. D. Foreman, pastor.

The bride wore a blue suit with black accessories for her marriage.

Mr. and Mrs. J. V. Williams, the bridegroom's aunt and uncle, were the only attendants, and little Miss Patricia Ann Williams was an honored guest.

Mr. Hollis is employed at the Pampa Army Air Field, and for the present time, the couple will make their home in Miami, Texas.

Faye Marie Beck's Halloween Party

Miss Faye Marie Beck entertained last Tuesday night with a Halloween party. The invited guests were costumed, and enjoyed hours of games and traditional pranks in the Beck garage which had been decorated with black and orange streamers, stacks of feed and pumpkins for th evening.

The prize for the guest with the best costume went to R. E. Waide.

The refreshments also denoted the Halloween motif.

The guest list included Alfred Carter, Jean Conner, Norman Allen, Alice Hacker, Freddy Dendy, Evonne Bruner, Charles Easton, Leon Bell, Colene Schell, Harolyn Malone, Josephine Foote, Barbara Bruner, Donita Gunter, Connie Kershaw, R. E. and Eugene Waide, Joan Bryan and Margaret Scott.

Perryton Couple Wed in Pampa

Announcement is made of the marriage of Mrs. Anna Holmes of Perryton to Roy Enfield, also of Perryton, on Sunday morning, Oct. 20 at Pampa, Texas.

The marriage vows were read in a quiet ceremony at the home of Mr. Enfield's cousin, Miss Vernie Shaw with B. A. Norris, pastor of the First Christian Church, Pampa, officiating.

For her marriage the bride chose a suit of black wool in a striped pattern. Her blouse was white and her accessories, black. She wore a corsage of white mums.

The couple are on a wedding trip in the Eastern states. They will make their home in Perryton.

Mrs. Ella Eckler of Greeley, Colo. was a week-end guest in the home of her cousin, Mrs. J. W. Herrell and Mr. Herrell.

Mr. and Mrs. Robert Moore and children left last week for their home in Rogers, Ark. after visiting with her mother, Mrs. R. T. Shindler and Mr. Shindler.

Beta Sigma Phi Has Pledge and Ritual of Jewels Dinner Tuesday Evening, Nov. 5

Beta Sigma Phi sorority held their annual pledge and Ritual of Jewels dinner in the club room at the Hotel Perryton Tuesday evening, November 5.

The centerpiece for the "U" shaped banquet table was a mound of seasonal fruit while Autumn leaves and arrangements of chrysanthemums and dahlias were used on either side of the table. Each place was marked by a cluster of yellow button chrysanthemums tied to a leaf of brilliant hue.

Juanita Brillhart presided during the evening. Mrs. Alfred O. James, soloist, gave two selections, she was accompanied by Jean Blank, who also played several piano numbers.

Pledges participating in the service were Marcelia Holt, Mary Jane Luthi, Glenna Bell, Betty Shackleford, Helen Watson, Maurine Bostick and Carol Jines.

Opal Smith, Jean Blank, Sylvia Boxwell, Pauline Welch and Jessie Sims took the Ritual of Jewels.

Honorary members present were Miss Nellie Perry, Mrs. Van W. Stewart, Mrs. D. D. Shanks and Mrs. H. C. Sanford. Elizabeth James was a guest.

Members who attended the dinner other than those taking the Ritual of Jewels and the pledges were Edna Tucker, Moinn Caldwell, Leona Headlee, Mary Lee Ellis, Janice LaMaster, Nelda Rose Sanford, Juanita Brillhart, Viola Miller, Beth Feulscher, Jean Blank, Retha Nies, Yvonne Acker, Opal Archer, Mabel Halsey, Lorene Richardson, Pauline Woodward, Myrtis Black and Zena Biggers.

Babson Further Discusses Investing Money

ROGER W. BABSON, Editor-in-Chief

Eureka, Kansas, Nov. 1—October is my month for traveling. The first half I spent viz: in New York where due to the trucking strike I couldn't get a glass of milk; in Boston, where due to its narrow streets I couldn't park a car within two miles of the place I wanted to visit; in dirty and windy, Chicago, with its rum-shops, vice and foul entertainments; in Kansas City noted for its rotten politics; and in St. Louis which seems to me to be the coldest city in the winter and the hottest in the summer.

The Real America

Although the ten largest cities of the United States have 30,000,000 people, or nearly 20% of the entire population, yet they do not represent the American people. The true Americans are found in the small cities of the farming and cattle sections which I so love to visit. Here the people create the real wealth which is sucked into the sewer holes of these ten largest cities and flows away to the sea.

It certainly is inspiring to look from a train window and see the golden fields of wheat, corn and other products. Yes, fine dairy cattle, steers, hogs and poultry are here galore. Last night I had the juiciest steak that I have ever eaten. Whether it is due to the bad movies or radio news, or love magazines, I do not know; but certainly the big cities are featured far too much. The little cities should band together and do some advertising.

Don't Like Big Farms

This does not mean that readers should now come out here and buy farms. Big commercial farms are "big business" like steel plants, shoe factories or department stores. Moreover, I think that next year will see a break in the price of many farm products which should result in lower prices for commercial farms. I do, however, look upon the small sustenance farm, where the owner has an outside source of income as the finest insurance that the world offers.

I especially recommend good business property in small rural cities. Even though much of this is now selling higher than before the War, I still believe it is among the safest investments if kept well maintained and properly insured. If you do not want the care of such property, you can loan on a mortgage thereon and get 4% interest safely. Of course, you should select a section of the country which will be free from bombing attacks in World War III.

Investing Money

Readers who cannot conveniently buy such property, can secure the same protection which such rural communities offer by buying the stocks of certain companies whose assets are mostly located in small interior cities. Just before leaving home my secretary asked me about the investment of $5,000 which she had heretofore refrained from investing because of the high prices of the past year. Now, due to the recent drop, she feels it is a good time to dip in. Shall I advise her to buy securities of companies with their plants in big cities? Not much!

I am now suggesting that she buy these ten stocks: General Foods, Kruger Grocery, and Pet Milk as representing the food group; J. C. Penney Company, and McLellan Stores, as representing the merchandizing group; Diamond Match and Deere & Company as representing the feed industry. For good measure I included St. Joseph Lead where she can hide her money underground in a metal which actually is more valuable than gold. The assets of these companies are not in big cities but are distributed throughout the great agricultural districts in useful industries which serve mankind.

More Suggestions

The above ten stocks will take all the spare money which my secretary has, but while on this trip I have decided to add to my Safe List: the beet sugar stocks and Greyhound Bus stock. Also the bonds of the Kansas City & Southern R. R. Co. and of the Western Union Telegraph Co. Again, I urge diversification. Never put more than 10% of your money in any one industry or more than 5% of your money in any one company. All the above securities are listed on the New York Stock Exchange and can be bought through your local bank.

Fishes With Two Hooks —One in His Nose

KEMMERER, Wyo. (AP)—Carrying his trout and threats without with some fine tangling free, Bill Sneddon had a hook driven deeply into a nostril.

Lacking any way to remove the barb he cut the gut leader and continued fishing with the first hook firmly in his nose. Later in the day when he reached a ranch he obtained a wire cutter, severed the barb and removed the hook.

Giving Till It Hurts Recipient's Patience

SALT LAKE CITY (AP)—When Mrs. Mary Brewerton decided to give a friend $5 for her birthday her idea went beyond orthodox currency or gift certificate.

She changed a $5 bill into coins ranging from pennies to quarters—350 of them altogether—then wrapped each coin separately in tissue paper and gave them to the friend in a fetchingly-beribboned box.

Ferdinand Columbus, natural son of the great explorer, wrote a biography of his father which has been lost.

Confusion, Inc.

BLACKSBURG, Va. (AP)—Virginia Tech's football squad is furnishing sports announcers with plenty of headaches this season. There are four Johnsons, three Smiths and two each of the Spruhan, Denardo Thomas, Taylor, Wilson and Anderson clan. The Spruhans, Thomases and Denardos are brothers, but the others are unrelated.

Greetinz Cards for every occa- Herald want ads.

Exotic Fruit Freeze Heads Toward Market

NEW YORK (AP)—Exotic fruits which formerly only the very wealthy could afford to grow for eating fresh, will soon be available to the average American, says Theodore U. Delson, head of Southland Product Company.

The only difference there will be between the "millionaire" fruits and the average American's is that the latter will be quick-frozen, Delson says. Research is well under way on the company's 800 acres of experimental farms in Florida in growing and quick-freezing varieties of fruits that could never be shipped fresh because they are too delicate to stand long hauls.

The Agricultural School at the University of Florida is cooperating.

Mr. and Mrs. Ed McMillen went to Amarillo Sunday afternoon to take her aunt, Mrs. James Whippo to board the train for her home in Corvallis, Oregon. Mrs. Whippo has spent the past week visiting in the homes of her nieces and nephews in Perryton and with other old acquaintances and relatives.

Strictly Fresh

APPARENTLY elimination of war agencies hasn't relieved the housing shortage much in our capital. Why, there are 870 applicants for one house alone!

* * *

Being out of power so long seems to have put beef and pork at current prices out of reach of Republicans. They're saying that the donkey is their meat this year.

* * *

There are indications it will be a cold winter. For instance, John L. Lewis has already turned on the heat.

* * *

Those pilot strikes are the only kind that don't keep things more or less up in the air.

* * *

Defeat of the Soviet-sponsored Socialist Unity Party in Berlin was quite a surprise. Evidently Berliners feel that Germany is in the red enough as it is.

Mr. and Mrs. R. T. Correll left Monday for Austin, Texas where they will visit their son, Archie, who is enrolled at the State University.

Miss Gwendolyn Easton, who is a member of the Sublett, Kans. school faculty visited this week-end with her parents, Mr. and Mrs. Harold Easton, and her grandparents, Mr. and Mrs. Henry Balzer and other relatives and friends. On Sunday, Lyndon Balzer, Henry Balzer and Mr. Easton took her back to Sublett; Mrs. Easton and family spent the day with Mrs. Henry Balzer.

Mr. and Mrs. Vance Apple and family were in Fairfax, Okla. week-end visiting his mother, Mrs. Clint Apple.

H. Rus- sell, New Boston banker, and John A. Hicks and Howard S. Smith, Sul- phur Springs attorneys, here to- gether on private business; Dr. C. Y. Dossey, Dallas Baptist minister, who conducted a revival while in the capital.

LAMBS GUATEMALA BOUND—Two hunderd thirty Rambouillet Ewe lambs made up the first shipment of sheep by air recently from San Angelo, Tex., to their new owner in Guatemala, Enrique Asturias, coffee plantation owner and ranchman, who purchased them from Marshall Montgomery of Ozona, Tex. Here the lambs are shown load- ed, with workers fastening down rope netting used as safety belts in the flight. The lambs arrived in Guatemala in good shape (AP) Photo

Poland Counts War Losses of Culture Centers

(AP) Newsfeatures

WARSAW, Poland—Polish educa- tion and cultural institutions took a terrific beating during the war and Nazi occupation, government statistics show.

Of school buildings, 6,399 were destroyed, including 39 universities and colleges, 715 professional schools, 271 secondary schools, 880 primary schools and 494 kinder- gartens.

Cultural institutions destroyed numbered 3,337. These included 33 theaters, 650 cinemas, 138 museums, five art schools, 11 broadcasting stations (a 100 percent loss) and 2,500 publishing houses (also a 100 percent loss).

Health centers destroyed such as hospitals and clinics, numbered 3,892. Sanitariums, anti-trachoma dispensaries for venereal diseases and sports care centers were 100 per cent wiped out.

Destroyed books totalled 15,900,200 and had a value of $26,000,000.

After they played a few games, Darline Payne served refreshments.

Perryton Youth Is Fraternity Pledge

EMPORIA, Kans., Nov. 3—John Smith, of Perryton, Texas, is among the students at Kansas State Teach- ers College, Emporia, who have been pledged as members of Greek- letter organizations. Smith, son of Mr. and Mrs. I. M. Smith of Brown- field, Texas, has pledged the Phi Sigma Epsilon fraternity.

Five sororities and four frater- nities are active on the Emporia State campus this year, most of the fraternities having just been reor- ganized after inactive periods dur- ing the war.

Smith is a freshman at Emporia State this year. He is a brother of E. N. and L. W. Smith of Perryton.

Mr. and Mrs. Charley Kent, Diane and David, were in Amarillo this week-end to visit his parents, Mr. and Mrs. B. B. Kent.

BOB DRAKE MALCOLM BEALMEAR

CHARGED WITH ASSAULT—District Attorney Dwight Whitwell of McKinney, Texas, said that charges of rape, kidnapping, and armed robbery had been filed against Martin Stover Tuley (above left) held in connection with an attack on a young Wylie, Texas girl. Tuley, a Van Alstyne, Texas, farmer, is shown in the Collin county jail at McKinney Oct. 29. At right is Collin County Sheriff William Lewis Brown. (AP) Photo.

There Will Be But One Thanksgiving Day This Year; Comes on November 28

By JANE EADS

WASHINGTON—This year there is no controversy over the day to be set aside to gobble the gobbler.

There are only four Thursdays in November, so Thanksgiving will have to be the last one.

The nationwide controversy over when Thanksgiving should be observed has worn a little thin anyway since Congress in 1941 set the fourth Thursday as the official feast day.

Some states continued to pick their own date when there were five Thursdays in the month. Last year Tennessee and Arkansas observed the last, or fifth, Thursday. All other states observed the holiday a week earlier.

* * *

The split grew out of a proclamation by President Roosevelt in 1939. In an effort to provide a longer period between Thanksgiving and Christmas, he ordered Thanksgiving to be the next-to-last instead of the last Thursday. In some years this would make Thanksgiving the third Thursday.

F. D. R. had acted at the request of retail merchants who thought their Christmas business might pick up if there were a longer shopping period between the holidays.

Many governors ignored the change and clung to the traditional date, the last Thursday in the month, originally set by President Lincoln in 1864.

In 1941 President Roosevelt announced that the expected commercial benefits had failed to develop. Later by a house joint resolution, the fourth Thursday was set as the date anyway.

Whether Congress or state governors get the final say seems to be a moot question. Perhaps some day the U. S. Supreme Court will be asked to decide once and for all who is the final authority on declaring holidays.

* * *

Meanwhile, the Department of Agriculture says there'll be enough turkey and trimmings for everybody.

It is estimated that the civilian per capita supply will allow 4½ pounds of turkey to every person. The supply last year provided for 4 1/3 pounds. In pre-war years from 1935 to 1939 there were only 2.8 pounds per person.

Because of increased buying power there will be a broader demand for turkey this year. On the other hand, the military supply is down. Last year a million pounds of turkey were served on Thanksgiving to American forces in Japan.

ONE LEGGED GUARD—Being minus his left leg doesn't keep 15-year-old Billy Steward in the background. The Murphysboro, Ill., lad is shown on his high school football field, where he plays defensive guard wearing an artificial leg. He's going to try for basketball and discus throwing.

East of Boyd

It was misty and foggy all day Saturday, rainy all day Sunday and Monday.

A pink and blue shower, honoring Mrs. Dick Young, was given in the home of Mrs. Fred Whittet Tuesday afternoon.

A group of friends and relatives spent Friday evening in the J. C. Gabler home as a farewell courtesy to the Gabler family who are leaving soon to make their home in Canon City, Colo. Refreshments of sandwiches, cake, pie and coffee were served.

Wyatt Williams, Chicago, Ill., arrived Friday to visit his parents, Mr. and Mrs. W. H. Williams and other relatives.

Harold Davis, youngest son of Mr. and Mrs. John Davis returned home recently after receiving his discharge from the army.

Marilyn Rodgers was a guest of Neva Jean Jiekle near Turpin Thursday night. Malcolm Lavender spent Thursday night with Arlis Heibert near Turpin.

Vet Housing Supplies Sold at Hereford

HEREFORD (Special)—Nov. 6—All roads throughout the Panhandle will lead to Hereford next Wednesday Nov. 13 as the War Assets Administration throws open the doors of the former wartime Prisoner of War Camp in a huge "site sale."

Lumber, plumbing and heating equipment and supplies; electrical equipment and fittings, all stockpiled by WAA to offer for sale to aid in alleviating the critical housing shortage for World War II veterans, will be offered November 13, 14, 15, 18 and 19 to holders of HH priorities.

For the opening five days of the sale each holder of an HH Priority will be limited to buying materials not to exceed an amount sufficient to complete construction of one five-room dwelling.

It will be a case of "first come, first served" among HH Priority holders when the doors are thrown open at 9 a. m. on the morning of Nov. 13th World War II veterans excercising a priority to build their own homes, contractors buying material to build a home for a veteran or contractors buying materials to construct homes for re-sale to veterans—all will line up according to their time of arrival at the Hereford POW Camp.

WAA officials advise veterans to take US highway 60 west of Hereford and to follow "site sale markers" over the grounds of the old POW Camp to the "site sale". Prospective purchasers are advised that no deliveries will be made on the opening day of the sale, and purchasers will obtain purchased materials starting the morning of Nov. 14.

A large number of the former POW Camp buildings have been demolished and the materials carefully stockpiled for this event. Should any materials remain beyond the initial five day sell period, WAA announced they will then be offered to established sellers of building material who certify to WAA at the time of purchase that all such materials will be publically offered for sale to eligible priority holders. There will be no limitation on quantities which may be purchased after the opening five day period.

Weak Heart But Strong Liver

CHATTANOOGA, Tenn. (AP)—Mattie Barrett has had to watch that "weak heart" of hers for a long time. The aged Negro woman says she is 103 now. Her father died at 129 and her mother at 119, she says.

Workers Chip In To Help Boy Walk

BALTIMORE (AP)—Employes of the Piston Ring Division of the Koppers Company here want a five-year-old crippled boy to be given the chance to walk.

To help defray the cost of physiotheraphy for the boy, who has never walked, the plant saved $150 from its usual expenses attendant to raising its goal in the Community Fund.

The money has been sent to the Maryland League for Crippled Children, earmarked for the purchase of braces and treatment for [illegible].

Animal stars earn [illegible] weekly when at work in [illegible] tures.

Only Veterans To Get These Typewriters

FORT WORTH (Special)—Nov. 1—If you are a veteran of World War II and want to buy a typewriter, listen—

War Assets Administration sell typewriters only to veterans—no others. A veteran must first be certified by WAA, a simple procedure of presenting an honorable discharge. This certificate will permit him to buy one typewriter.

At this moment the Fort Worth regional WAA office has on hand several hundred more typewriters than there are veteran applications. So—

If you are a World War II veteran, and want to buy a surplus typewriter, apply at once to the WAA office in Fort Worth, in person or by mail, at the T & P building. WAA hasn't been issuing any certificates for typewriters since May 31—this chance to be certified is a change in policy and will last only until Dec. 1.

Other items on the veteran set-aside list, like typewriters for exclusive sale to veterans, include office furniture, wrist watches, sleeping bags and other hard-to-get items, on which certificates now are available.

Orders for sleeping bags—popular outdoor sports item—can be filled immediately, for as long as they last.

Smokers Give Bridge The Hot Foot

SYDNEY, Australia (AP) — The 1650 ft. long single span bridge across Sydney harbor catches fire on an average of once a week. The fires occur in the wooden decking of the rail track sections. The main causes are cigarette butts, which lodge in crevices jammed with old tram tickets and are fanned by the wind. It has become necessary to increase the number of hydrants to one every 100 ft.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: OPAL COFFEE GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23rd day of December, A. D. 1946, at or before 10 o'clock a. m., before the Honorable District Court of Ochiltree County, at the Court House in Perryton, Texas.

Said plaintiff's petition was filed on the 5 day of November, 1946.

The file number of said suit being No. 920.

The names of the parties in said suit are: M. R. Coffee, Jr. Plaintiff, and Opal Coffee Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce by plaintiff against defendant alleging grounds of cruel treatment and adultery. The petition further alleging residence in the State of Texas, for a period of twelve months and in the County of Ochiltree for a period of six months prior to the institution of the suit, all of which is fully set out in plaintiff's original petition on file in the papers in this cause.

Issued this the 5th day of November, 1946.

Given under my hand and seal of said Court, at office in Perryton, Texas, this the 5th day of November A. D. 1946.

Modern Pied Piper of Hamelin Leads German Children in Weekly Procession

(AP) Newsfeatures

HAMELIN, Germany — A new Pied Piper of Hamelin is leading a procession of children—and this time to a happier ending.

The new Pied Piper is a young woman, Miss Kathleen Baird, of Perth, Australia. Her band of children are displaced tots from the Baltic countries and Poland.

Catching the spirit of this legendary area, she enacts the role of the piper once a week. She dons a cloak and feathered hat and pipes the children in bed in their tents on the brow of a hill.

As the procession wends its way up the slope, the sound of the youngsters' singing can be heard among the steepled roofs of Hamelin, a mile away.

Fifty boys and girls go to the camp each week. They play and swim near where the "River Weser deep and wide, washes its walls on the southern side."

They are taken to see the cave where the piper supposedly took the children of Hamelin in 1284 when the town fathers refused to pay his promised fee for leading the rats out of the community.

Despite the war, Hamelin suffered comparatively little damage. Still standing is the old "rathaus", as the Germans coincidentally described city halls.

It was there the piper swore he would lead the children away to the sound of his music unless he was paid. And it was there that the unimpressed officials told him:

"Do your worst. Blow until you burst."

And although those children "disappeared," a new crop of German youngsters now play about the streets.

The Ladies Club met Friday night in the home of Mr. and Mrs. John Morris for an evening of entertainment and an auction sale. Pie, hot cocoa and coffee were served at a late hour.

Mrs. Wendell Ferguson spent the week in Laverne visiting in the home of her parents, Mr. and Mrs. Joe Smoot. Her husband went for her Saturday.

Mr. and Mrs. Ralph Crammar and boys attended the cub scout meeting at Beaver Thursday night. They called in the home of Mr. and Mrs. John Beuchner during their stay.

Mary Francis Allen of Booker visited last Wednesday with May Beuchner.

Mr. and Mrs. W. H. Otey and Buford of Alva spent Saturday in the home of his sister, Mrs. H. E. Pattison.

Mrs. Sidney Cook called Tuesday afternoon in the home of Mrs. John Morris.

Darrell Morris spent Tuesday night with Charles Pattison, in the home of Mr. and Mrs. Ralph Pattison, Perryton.

Gene Sherill, Beaver, visited Sunday in the home of his sister, Mrs. Geo. Beuchner.

Mr. and Mrs. Leon Morris and children visited Tuesday in the home of his parents, Mr. and Mrs. John Morris.

Mr. and Mrs. W. H. Otey and son, Buford, of Alva, and Mrs. H. E. Pattison called Saturday afternoon in the homes of Mrs. L. E. Anderson and Mrs. Ralph Pattison.

Most animal oils used commercially are obtained from fish and marine mammals.

FOOTBALL CASUALTY—The schoolboy football career of Milton Price, 174-pound quarterback for the undefeated and untied Borger Bulldogs came to a sudden end Nov. 1 in a district IAA conference game. Price is shown (above) in the North Plains Hospital in Borger, Tex., after he received a broken leg in the opening minutes of play in the game. He has gained individually 1,022 yards in 96 ball carries, including 7 pass completions of 17 attempted. At 18 he will graduate at mid-term. The remaining games on the Borger schedule have been dedicated by his team mates to Price. (AP) Photo

Each figure in the above Veterans Administration pictograph represents 1,000,000 veterans and illustrates how the load has increased during the one year following VJ-Day—from 6,777,000 to 17,452,000.

Sgt. Myrtie Mae Conley and Mrs. Curtis Roach came in Thursday evening from Colorado Springs to visit friends and relatives. Sgt. Conley returned as far as Amarillo with her niece, Mr. and Mrs. Larry Johnson and Jerry, who spent the week-end in the Conley home, on Sunday evening. Mrs. Roach is still in Perryton, but plans to visit friends in Ft. Worth, Texas soon.

Solution of Fats Problem Is Nuts, Britian Believes

(AP) Newsfeatures

LONDON—The solution of the fats problem may be nuts for Britons.

Ground nuts in sufficient quantities to overcome the shortage of fats are expected to be available before long from Tanganyika, Northern Rhodesia, and possibly Nyasaland.

A commission has been studying the problem in Africa. The scheme would involve a capital outlay by the British exchequer. It envisages large development benefits to Tanganyika and Nyasaland.

At present most of the nuts come from Nigeria.

Once the nuts, which grow rapidly, are in production, the commission believes it will be a permanent industry even when normal sources of fats return.

Ancient Chandeliers For New Commons

LONDON (AP)—Five great bronze chandeliers, with 400 candle holders, which lighted the House of Commons, before it was burned down in 1834, will be used in the new House of Commons, now being rebuilt after the bombing of 1941.

The chandeliers have been bought by the Ministry of Works from Bayons Manor, near Tealby, Lincolnshire.

Charles Tennyson d'Eyncourt, M. P., uncle of the poet, Lord Tennyson, bought them after the 1834 fire for the 60-room battle-mented mansion he was building to outdo his brother-in-law's castle on the Scottish border.

There were eight chandeliers then but three were destroyed in a fire. All the glass shades are there, however, carefully looked after for 112 years, and they will go back to Westminister.

CARD OF THANKS

We wish to express our sincere thanks and appreciation for the many words and kindness shown to us in the loss of our baby and my stay in the hospital.

Mr. and Mrs. L. E. Latham and daughter, Vema Jean
45-1t-c

Mr. and Mrs. Lee Kent, Hereford, visited several days this week with Mrs. Kent's mother, Mrs. Gertrude Tallman and with other relatives and friends in Perryton.

Strictly Fresh

IT is to be hoped that OPA's recent decontrol of what it calls consumer durable goods has a healthy effect on industry. Up to now most of the stuff has been neither durable nor good.

* * *

An official of the National Association of Chiropodists says that if all women would wear 1½- to 2-inch heels "they would be a much better-natured group." He might have added that if they got more wear out of them, so would their husbands.

* * *

Maybe Stalin was right when he said Churchill was one of the "incendiaries" of a third world war. Churchill certainly seemed burnt up.

* * *

The immigration authorities haven't yet figured what to do with those 48 Estonians who sailed to our shores in a small boat to escape Russian domination. So far these modern Pilgrims don't know whether they are at home or just spending the season in Miami.

Walnut shells can be made into a substitute for shoe leather, says a scientist. When this millennium shows up, you can say to your new-shoes-wanting wife, "Aw, go climb a tree!"

Oliver A. Bush Heads McMurry Vet Community

Oliver A. Bush, McMurry faculty member, has been recently appointed landlord for the new community for married veterans at McMurry college of Abilene.

Included in the community are 20 houses, 20 trailers, and 15 apartments and with the exception of the few that are getting the final touches on the reconstruction work, all are in fine shape as reported by Mr. Bush last week.

At the present time all rooms are rented out. Mr. Bush reports that all occupants are satisfied with their setup and predicts that this community will in the future be one of McMurry's nicest communities provided for the students. The projects was begun early last summer and was completed in record time. Materials for the houses came from Camp Barkley.

The name for the new community that Mr. Bush has designated is the "McMurry Community."

Mr. Bush was a member of the faculty of Perryton High School and was high school principal for a number of years before leaving Perryton in 1940.

Big City Dazzle Beats U. N. Babel

LAKE SUCCESS N. Y. (AP) — Speaking in six languages doesn't faze Violeta Van Ronzelen, blonde green-eyed Peruvian interperter of the U. N. Assembly, but the rush and hubbub of New York City does.

The 25-year-old stewardess of Pan American Grace Airways was given special leave of absence to interpret for the South American delegates. At first she was thrilled by New York, but now the constant hurrying to keep appointments has nearly driven her frantic.

Miss Van Ronzelen speaks English, Spanish, French, Portugese, Italian and German.

Mrs. Pearl Teeter left last week for Washington, D. C., where she is visiting her son, Keith Teeter and Mrs. Teeter.

Pottery Industry To Boom in Texas

Austin, Texas, Oct. 15—Possibilities for wide-scale manufacture of dinner ware and pottery utility items in Texas are excellent, ceramic engineers of the state were told at a recent meeting held at the University of Texas.

According to merchandising experts, utility ware will be the coming field for many years, and Texas has both the raw materials and the necessary fuel for successful ceramics manufacture.

Now in its infancy, the ceramic industry will begin a real growth within the next few years, when the University graduates the first scientifically-trained ceramic engineers from the new department of ceramic engineering. In addition to the new degree course, plans are underway for new building and additional laboratory space at the University.

Women Bid High For Vanderbilt China

PORTSMOUTH, R. I. (AP)—Women eager to own something "once used by a Vanderbilt" bid up to $50 apiece for odd pieces of china and glassware at an auction of family accumulations at former Governor William E. Vanderbilt's estate.

An odd lot of glass stoppers for which the auctioneer asked "Who'll give me a dollar?" went for $5.

When the Vanderbilt stable equipment came up men paid only three or five dollars for horse-drawn cultivators and mowing machines, but when the auctioneer offered a rusty-wheeled refreshment wagon "used to peddle hot dogs at Republican rallies" it brought $32.

4:30 A. M. Masses For Duck Hunters

BUTTE, Mont. (AP)—The Rev. M. M. English wants his parishoners to have their duck hunting and their masses, too. So for the duration of the season the early mass at St. Patrick's Catholic church is at 4:30 a. m.

Fine Printing at reasonable prices at Stewart's.

State Scoured for Boy Hiding in Cupboard

PUEBLO, Colo. (AP)—A frantic mother's call sent police, sheriff's officers and state highway patrolmen into an all-out search for her missing son.

For 40 minutes she called at frequent intervals to see if any trace had been found. Then she closed the case shamefacedly with a message that the child had found at home—locked in a board.

Miss Jan Rogers, Amarillo visiting this week-end with sister, Mrs. Bill Thomas Thomas; Miss Rodgers was ber of the Perryton school last year.

EYESIGHT IS PRICELSS--LIGHT IS CHEAP

How much light is ENOUGH to knit a sweater?

Whether fad, pastime or occupation, knitting can be made easier, more enjoyable with plenty of good light at your side.

Wherever eyes are used... at work or play... give them the full protection of modern lighting. Make sure you have ample light for every seeing task. Use at least a 150-watt bulb or insure even greater seeing comfort with a 3-light bulb which provides 100-200-300-watt lighting for better sight.

You owe it to your eyes to find out about better lighting *now*.

Your home lighting can't match Nature's 10,000 foot candles at high noon, but you can do better than the 5 foot candles found in so many homes.

Free advice on correct lamp bulb sizes, and free suggestions for home lighting improvement may be obtained at our office. Take advantage of this service.
