A KISS FOR A KING - Kent Irons receives the crown of Football King and a kiss from Cindy Hill during the homecoming pep rally Friday afternoon. Other candidates were Danny Carson and Freddie Mancias.

Best Game Of Season

Victorious over the Springlake-Earth Wolverines Friday night before a homecoming crowd, head coach Lonnie Phillips said this week his feelings could be summed up in one word, "Happy." The win locked the Horns in a four way district tie with Springlake-Earth, Vega and Kress.

"We're extremely pleased with the total effort, both offensively and defensively," he said. "We feel rather than an individual, it was due to total dedication by the team. It was the first time we've been able to successfully 'put it all together' and was probably the best game we've played all year."

"Jimmy Smith was a bright spot in offense. He was able to compile 182 yards rushing with the aid of tremendous blocking by Terry Hill, Barry George and the interior line. Terry gained 103 yards rushing, probably one of his better games."

"Defensively, Kent Irons had his unusual game - 15 tackles and one fumble recovery. He was consistently around the ball all evening."

Elizar Castillo and Donald Robinson, freshmen brought up Friday night from the junior varsity, "proved their worth" Phillips said. "They turned in outstanding performances. Elizar had 10 tackles and one interception. Donald, eight tackles and knocked down one of their aerials."

"We'll have to again play good ball," said Phillips of Friday's outing with Farwell on the Steers' homeground. Farwell hasn't won any games but have the potential. They have tremendous speed in the

backfield. They're a small, spirited bunch of boys who have been outmanned in most games but very few times have they been outfought."

"We know we have to win, not only this game, but also with Bovina in order to insure ourselves a share of the district trophy," Phillips said.

"Definitely, we're not taking this game lightly."

Benefit Show Set Tuesday

Fashions from The Village Shop in Dimmitt will be modeled Tuesday evening in a style show sponsored by Chi Psi sorority. The show will begin at 7:30 p.m. in the Hart School band hall.

Tickets are \$2 for adults; \$1, for students and may be purchased at Farmers State Bank, Hi-Plains Insurance or from any member of Chi Psi.

Proceeds of the show will go into a fund to build tennis courts at the school. Refreshments will be served following the show.

20.41 Rain Recorded Here

Rainfall for the year in Hart totals 20.41 inches, according to Aubrey Myers, official weather recorder for the city.

By months, the measurements are: January, .56; February, .02; March, .90; April, 1.79; May, .48; June, 1.98; July, .22; August, 6.14; September, 3.74 and October, 4.58.

Contest Lead Is Widened

Tulia's victory over Lockney was all that marred a perfect entry this week by Kerry George in the Hart Beat football contest. His guessing earns him five dollars for first place in the ninth contest of the season.

P.E. Mosier and Patricia Elliott missed just two games each. Their incorrect picks were also misses for almost all other contestants - the Red Raiders' loss to Rice and WTSU's defeat by Lamar. Mosier claims second place for the week by coming closest on the tie-breaker prediction. He picked the Longhorns to whip the Wolverines 14 to 7, 21 points off the actual score. Patricia Elliott's prediction was 26 points off, 15-13.

David "Bullet" Adams of Dimmitt edged another point into the season standings and leads his closest opponents by five points. Marsha George, Bryan Irons and Mosier have 91 correct picks for the season, sharing the runner-up spot.

At least three contests remain - more if the Longhorns

can sweep the district crown - and standings could still change. No contestant should give up trying for the season's grand prize, two tickets to the Cotton Bowl and a check for \$25 "spending money" or the runner-up prize of two tickets to the Sun Bowl game.

Any one can also be a winner for the week - even a contestant who enters for the first time. Join in the guessing game. Enter this week.

Roller Tracks Prove 'Solution'

Water-logged fields of corn
and grain sorghum have been a
growing worry not only to area
farmers but to M.J. Williams

and Sons of Rolla, Kans.,
custom farmers here to harvest
these golden grains.

"We had to figure out
something," said Mrs. Williams,
who is here along with her
husband and his crew who
operate three machines.

Caterpillar type tracks,
mounted on a John Deere turbo
combine, are proving to be the
answer for Williams' crew.

Aware that such machines
were being used in the
mid-west, especially in rice
gathering, Williams went to
Illinois for the tracks.

"It was some job getting
them on," says Donald
Overpeck, an employee of the
Williamses who this week was
interrupted at work on the R.J.
Murray farm by Hart Beat
reporters. "They sure seem the
answer to a lot of problems as
far as mud is concerned,"
Overpeck says.

The five roller tracks were
installed last week and
Williams' crew sought out real
mud spots to test the ability of
the tracks to negotiate soggy
fields. Without problem, the
new equipment passed every
test.

Mrs. Williams and Overpeck
were enthusiastic with the
tests results.

"We know it does work,
those wheels can go anywhere,"
Mrs. Williams says, and
Overpeck cited the machine's
ability to "go all around" a
dual-equipped grain buggy and
tractor that were stuck in a
corn field.

Equipped with the roller
tracks, the combine does move
at a slower speed than
machines mounted on regular
wheels. They also provide the
operator with a smoother ride.

Overpeck said the machine
could operate in a higher gear
than was being used Monday in
harvesting on the Murray farm,
but added it was still slower
than a machine with standard
wheels.

The track-equipped combine
"can turn on a dime" says
Overpeck who explains that it
is not necessary even to brake
the machine on mud or soft
ground but that the track
would be thrown if not braked
on hard ground.

She carried a bouquet of white carnations, baby's breath and roses. For "something old," she carried the key for her grandfather's Model A car. Ribbons lacing her shoes were "something new" and she "borrowed" an opal and diamond necklace from her sister, Mrs. Clifford Davis of El Paso. She wore the traditional blue garter.

Cindy Hill was maid of honor. Bridesmaid was Leesa Lowrey. They wore formal Empire gowns in shades of royal and light blue. They carried miniature arrangements of carnations, baby's breath and roses.

Horns In Four-Way Tie In District Race

By Pat Steiert

Hart Longhorns jumped back into the District 3-A title race Friday night with a convincing 34-6 win over the Springlake-Earth Wolverines, a must win before a huge homecoming crowd.

Jimmy Smith and Terry Hill provided a one-two offensive punch that told the story. Hill gained tough yardage on turns and rambled for two touchdowns while Smith went outside for two more tallies. Danny George and Danny Carson teamed up on a quick look-in pass to add another score.

Hart gained 340 yards in total offense and managed 23 first downs. Maroon Gang defense held S-E to 193 yards; 12 first downs.

The Maroon Machine's first score came on their second possession. Kent Irons recovered a Wolverine fumble at the S-E 49.

Smith, Terry Hill and Barry George shared ball carrying duties in the 49 yard drive with Hill blasting through the middle on the final three yards. Danny George booted the PAT.

The Wolverines came roaring back for a TD in eight plays, keyed by a 59 yard run by Doug Jones. Lee Brown hit Junior Saucedo with a short pass and Jones went the final four yards for the score. Kick for extras was wide.

Hart ground out a 58 yard scoring drive in seven plays to make it 14-6. Quick, crisp blocking by the Horn's offensive line cleared the way for runs by Hill and Smith. Hill crashed through the S-E front wall and outraced their secondary for a 30 yard scoring romp. George booted the extras.

Late in the second quarter, the Maroon Machine turned out a 73 yard scoring drive in 14 plays. Gilbert Rodriquez. Danny George and Hill toted the ball. Danny George threw a 13-yard touchdown strike but the PAT was wide.

Jimmy Kennedy, Carson, Berto Minjares, Kent Irons, Freddie Mancias, George Hernandez and Dean Hill did a fine job containing outside runs and reverses and the Wolverines were forced to punt with the Horns letting the clock run out.

Taking the second half kickoff, the Wolverines consumed the majority of the third period and drove to the Hart 13 before a stout Longhorn defense shut down the drive. Irons dropped Lee at the 19, Terry Hill broke up a Brown pass and on fourth down, Saucedo could not find the handle a Brown pass so the Horns took over.

The Horns were forced to punt and Elizar Castillo intercepted a Brown pass and

returned the ball to the S-E 18 with brilliant broken field running.

Sweeping left side, Smith carried to the 9 and outside at the two for a first down. Smith smashed in for the score behind fine blocking. George made the PAT to give the Horns a 27-6 lead.

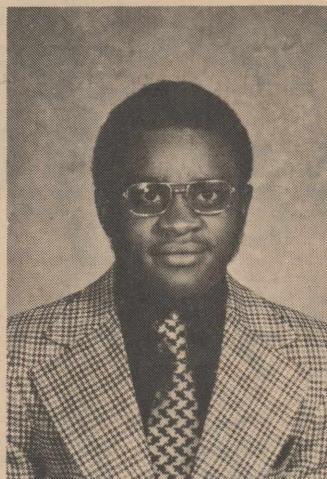

With little more than two minutes left, the Horns tacked on their score with 43 yards in seven plays. Smith went the final six, breaking tackles enroute. George tacked on the extra.

Tomorrow (Friday) the Horns travel to Farwell to take on the Steers in a 7:30 p.m. must game. The Horns have to defeat Farwell and Bovina in order to stay in contention for the district title.
