Briefly

Anniversary

Oak Street Baptist Church will observe its 50th anniversary celebration Sunday, June 25, during regular morning services and a special service at 3 p.m. Dinner on the ground will follow.

AARP meeting

The American Association of Retired Persons (AARP) will meet Monday at 11:45 a.m. at the C.C. Thompson Room of City National Bank for a covered dish luncheon and a meeting.

The public is invited.

Playhouse

The Colorado City Playhouse will have a work night Thursday at 7 p.m.

Volunteers are needed to help spruce up the Opera House - from painting to moving flats to just general cleaning.

Auditions set

Auditions for the next Colorado City playhouse production will be Monday and Tuesday at 7 p.m. at the Opera House, 337 Walnut.

Don Douglas Hurt will be the director.

Report cards

Colorado Middle School students who have not yet picked up their report cards may pick them up at the superintendent's office.

The office is open from 8 a.m.-noon and 1-5 p.m. weekdays.

Senior dance

There will be a senior citizens dance Tuesday from 7:30-10:30 p.m. at the civic center. The Porky Proctor Band will perform.

Mammograms

A breast cancer detection mobile unit will be at Mitchell County Hospital Monday, June 26.

To make an appointment, call the hospital at 728-3431, extension 222.

Mammography is an x-ray examination of the breast, which the American Cancer Society and other medical experts see as the best means for the early detection of breast cancer.

July 4th activities shape up

A variety of activities are scheduled for the annual July Fourthfest to be held from 7:30 a.m.-10 p.m. at Ruddick Park.

Sponsored by the Colorado City Area Chamber of Commerce, the event will begin with a one-mile fun run and one-mile fun walk at 7:30 a.m. followed by a 5-K race at 8 a.m. There also will be a beach volleyball tournament at 8 a.m. and a fishing tournament (for ages 6-15) from 10 a.m.-noon. For more information about the volleyball tournament, contact Susan Anderson at 728-8416.

Beginning at 10 a.m., food, crafts and game booths will open. Games already scheduled include a basketball shoot for 50 cents for three shots, a baseball throw for three throws for 50 cents and a horseshoe toss for \$1 per game.

Boat rides are tentatively scheduled to begin at 1 p.m., and from 1-5 p.m., there will be a perch catch for 50 cents.

A dunking booth will be open from noon-8 p.m.

A Kiddie Fest, from 2-6 p.m. will feature games for children for 25 cents per game. The games include slip and slide races, bobbing for apples, duck pond, six-foot basketball shoot, obstacle course and others. There possibly will be a petting zoo.

There will be a basketball shootout for \$1 a person from 4-6 p.m. and a Ryan Express baseball throw for \$1 per person from 4-6 p.m.

First National Bank will sponsor a hamburger supper from 6-8 p.m. The finals for beach volleyball, horseshoe tournament and basketball shootout will be from 8-9 p.m.

The fireworks display, sponsored by the Colorado City Volunteer Fire Department, will start at about 9:30 p.m.

For more information concerning the races, booths or events, contact the chamber office at 728-3403 or go by 157 West Second.

MAKING IT OFFICIAL - Representatives of the Colorado City B&PW Club met with members of the Mitchell County Commissioners' Court Thursday to officially sign a lease agreement for the rodeo arena at the county ag barns between the two groups. Seated from left are Commissioner Johnny Shackelford, County Judge Mac Morris and Christine Cooley of the B&PW Club. Standing from left are Mollie Bruce, Commissioner Ed Roach, Pauline Light, Commissioner Larry Hale and Lovess Curlee. Bruce and Light are coordinators of the B&PW-sponsored AJRA rodeo this year.

Gomez case postponed

Five indictments returned

A Mitchell County grand jury Friday returned five indictments, one of which was sealed.

Among those not sealed were:

- Barry Kent Jones, driving while intoxicated;
- Jim Luera Jr., driving while intoxicated;
- John William McCain AKA John McCain Shabazz, burglary of a vehicle belong to A.C. Jensen on June 9, and;
- Thomas Raymond Sheppard, driving while intoxicated.

The grand jury was originally to hear a case in-

volving the 1988 shooting death of Sammy Gomez. However, the Texas Attorney General's office is still not finished with its investigation of the case.

Officials have said that the grand jury will consider the case Wednesday, June 21, if the Attorney General's office has completed its investigation.

Gomez, 27, was shot by part-time Colorado City police officer Billy Ray Williamson as Gomez was being arrested in connection with a sexual assault case.

Thefts, accidents investigated

The Colorado City Police Department is investigating a number of recent thefts.

On Thursday night, a microwave oven, valued at \$200, was taken from the concession stand at A.W. Phillips baseball field, next to the football stadium. An undetermined amount of damage was done to the front window which was broken to

gain entry.

Also on Thursday night, a battery, valued at \$60, was taken from a Southwestern Bell Telephone truck parked in the fenced-in area at 508 Walnut.

Other thefts include a Honda four-wheeler and some wheels and tires taken from a storage building owned by Joe Weaver East Highway 80. Police say they

have a lead in the case and expect to recover the items taken from Weaver.

On June 11, someone entered through a window at Thompson's Body Shop on East Highway 80 and took an undetermined amount of cash.

On June 10, R.J. Hoback

Gramm to visit C-City

U.S. Senator Phil Gramm (R-Texas) will be in Colorado City Wednesday, June 28, to meet with local law enforcement officials and residents.

The meeting will be held at 5:30 p.m. in the county courtroom on the second floor of the Mitchell County Courthouse.

A spokesman in Gramm's office said the senator will "be stopping in and receiving a briefing from the sheriff and police chief on any drug trafficking problems that Mitchell County might be experiencing."

Gramm has been active in recent drug legislation and is anxious to exchange ideas with local law enforcement officials and citizens, the spokesman said.

E-Z Way reopening scheduled

E-Z Way Superette will be opening soon, according to new owners Jerry Don Lewis and Vernon Lewis.

"We're anxious to see all of our old friends and meet new ones," they said.

Vernon Lewis at one time owned the store, and he and his son, Jerry Don, are anxious to get the store reopened sometime around the first of July.

"We want to serve the community with a full-line family grocery store," they said.

The store, located at 1771 Vine, at the intersection of 17th and Hickory streets, was first opened in 1961 by B.H. Gary. Carl Gary operated the store from 1962-65. Vernon Lewis bought out the store in 1969 and operated it until 1977 when it was sold to Travis Cawthron.

CISD 'report card' cites year's progress

Colorado City school officials say much progress was made in a number of areas during the past school year, prompting them to release a "report card" for the Colorado Independent School District.

"Our school district has had a very good year with a lot of progress made in many areas," said Dr. Jim Ramsey, superintendent. "We wish to share this information with other school districts and the public."

"We are proud of the good things happening for our students and teachers here in Colorado City," said Ramsey.

The "report card" reads: "Starting last summer, we asked for, and received input and help from members of the faculty and staff. We formulated a needs assessment listing 20 areas of needed attention. As we entered the school year, we asked principals to use teacher input in decision making at the campus level."

"As part of the effort to develop teachers as leaders at the campus and district level, eight employees received leadership training at Tarleton State University through the Effective Schools Project. Each campus had two representatives in the program."

"Several committees were formed, with teacher membership on each one. The goal of many of these committees was to com-

municate the special needs of the district for programs and planning for the future. Such committees as Gifted and Talented, Dyslexia Intervention, Technology and others traveled to receive training and/or to observe established programs. Communications between faculty and administration were improved through the use of Superintendent's Advisory Committee, Counselor Plan Committee, Administrative Appraisal Committee, At-Risk Committee, Music Advisory Committee, Baseball Committee, Building and Grounds Committee and Academic and Personnel Needs Committee. A local team was sent to Junction for training in community/team planning and drug abuse resistance education (D.A.R.E.).

Maintenance activities included sealing of brick and masonry on existing buildings, roofing job a high school, dirt work and grounds improvement on most campuses and athletic complex, work on baseball field (including bleachers, concession stand, lights), stopping water leakage through wall of high school band hall, starting work on improvement of surface of high school parking lot, and changing of all locks in high school following theft of master key.

"In accordance with the local needs assessment, a recruitment

program, primarily aimed at minority recruitment, was developed. Several hundred applications have been mailed to potential minority applicants, colleges and universities, have established regular communications with personnel office, and recruiters did on-site visits to

predominantly Hispanic universities in South Texas and predominantly black universities in Louisiana. Mr. Espinoza (principal) was involved in both visits, while Mr. Reynolds (principal) attended the South Texas trip and Mr. Lemons (principal) the Louisiana trip.

"Also, in response to last summer's needs assessment, CISD es-

tablished a central media lab. Librarians Mrs. Denson, Mrs. Blair and Mrs. Stone set up a calendar and schedule of voluntary work at the lab, so teachers could come in after school and on weekends.

"Inservice preparation included inservice for at-risk by I.D.R.A. of San Antonio, Education Service Center 14 Gifted and Talented, San Angelo, police department presentation of drug abuse resistance education, media lab demonstration, teacher and parent communication, and on August 19, teacher empowerment and involvement in decision making. Teachers were fully responsible for the media demonstration, the D.A.R.E. presentation, and the August 19 inservice. Mrs. Ramsey (teacher) planned and presented a computer workshop for middle school staff the week of May 15.

"Teachers and administrators serving as members of committees spent time researching and assessing plans for Ti-In and KERA-ITV. It is believed these two resources will improve local teacher inservice and audio-visual services.

"The I.B.M. Corporation and the CISD will establish a six-month pilot demonstration computer lab at Hutchinson Elementary School next fall. The lab will include 20 computers and a file

server.

"Mr. Nimmo (assistant superintendent) and his committee traveled and attended workshops for gifted and talented research. In addition, committee members visited on campuses to observe existing programs, to see how other schools were presenting G&T education.

"Several teachers for Chapter 1, ESL and Migrant received training at Education Service Center 14. Migrant teacher also attended state conference in Corpus Christi.

"Many teachers attended math, science, language arts and computer workshops on weekends this year, with CISD providing for fees, meals and transportation.

"Mr. Nimmo, Mr. Reynolds, Mr. McLean (principal) and several teachers traveled to observe computer technology and related programs. TEAMS, CAI Science, Enrichment, Tutorials and Industrial Technology were activities observed.

"Mrs. Chesser (teacher) and Mrs. Arthur (teacher) will participate in specialized writing projects this summer, in Lubbock and Abilene. They will serve as resource people for writing improvement in the district next year.

Mrs. Mayo (teacher) will take part in the Southwest Texas State University "All Well '89 Project" this summer. The workshop addresses areas of concern in community and school health.

"Five local people, including four teachers, received training for D.A.R.E. program, plus team training for community involvement. The training took place at the Texas Tech facility in Junction. Another team will be trained in August. All expenses and arrangements are provided by the Drug Education Co-Op at Region 14 ESC.

"Five teachers and administrators will receive discipline management team training at Southwest Texas State University in San Marcos. The university pays for fees and expenses of housing and meals. This is the first time CISD has been accepted for the program.

"A large number of teachers and administrators are attending Madeline Hunter training at Abilene in June. The district will be paying the fee for employees attending this important activity.

"Mr. Nimmo traveled extensively and received training in a cross-section of curriculum and

administrative areas, including federal programs, gifted and talented, standardized testing, roofing, TASC, TASA, TASB, TAVSA.

"Mr. McLean received training in the area of effective schools from the national experts, including many of the founders of the movement. He attended the South Texas School Improvement Workshop in Corpus Christi.

"Mr. McLean, Mr. Blair (teacher) and Mr. Evans (teacher) attended the International Technology Association meeting in Dallas.

"Mr. Nimmo, Mr. Reynolds and Mr. Espinoza attended a conference led by the nationally-known G&T Researchers, the Renzoulli's. In addition, all district and campus administrators traveled to research G&T programs, including state conferences for both elementary and secondary schools.

"Ms. Findley (business manager) received training in areas ranging from fund investments and accounting, to federal programs, computers, grant writing, tax assessment and collection, vocational programs, JTPA funding and asbestos monitoring. "Secretaries received inservice

training to improve effectiveness and cope with job stress. In addition, many will receive training in June at the TESA Workshop in Austin.

"Substitute were given inservice training this year prior to being called for duty. The inservice was planned and presented by CISD teachers. This was another response to the needs assessment.

"Mr. Denson (transportation supervisor) has thoroughly researched and evaluated transportation services, making many excellent recommendations, for reorganization, construction and purchasing. He has started using computerized strategies for recordkeeping, scheduling and planning.

"Mr. Owens (maintenance supervisor) has done an excellent job of keeping up with the Building and Grounds Committee, completing many requests in advance of summer. He has carried out many tasks at request of superintendent, and served as a watchdog on maintenance projects such as middle school construction and high school roofing.

"Student achievements, both in class and out of class, were very evident in '88-89. Athletics at all levels had great success. Wolves football won district and bi-district; Lady Wolves won district volleyball; Wolves won bi-district basketball; and several boys and girls qualified for regionals in golf, track and tennis. Both the high school and middle school bands attended several competitions. High school vocational groups, including FHA/HERO, FFA and VICA, successfully participated in competitions. The speech and drama classes held a successful community play in January, while the one-act play cast was successful through area and on to regionals. Several academic UIL contestants were successful all the way to state, including a state champion in shorthand. The music department, including the choir, had state qualifiers.

"Several unusual and time-consuming activities came up in '88-89, which are not considered normal administrative duties. These included preparation for litigation, which tied up office staff for innumerable hours and days. Also, the emergency building program at middle school was not expected, and added to the

stress and workload of many CISD employees. Sorting out the needs of the asbestos abatement program was complicated by the lack of good, sound advice from consultants, government agencies or TEA. Also, the bankruptcy of the company contracted to prepare the management program added to the problem. We are confident that all three of these problems will be resolved by the start of '89-90."

 County Extension Agent-Ag

With the heavy rains we've had in Mitchell County in the last couple of weeks it's really got farmers scratching their heads trying to figure out what to do. Fields in some areas are in pretty good shape while others may never be planted this year, especially with the threat of continued rainfall.

Stands are thin in many fields and will be spot planted, some will have to be planted over, and some have not yet been planted. Many fields that have a stand have been sand-fought as many as four times.

At this point in time I think we need to be looking at some earlier maturing varieties of cotton. Earliness of maturity and determinacy are important varietal traits that determine maturity rate. Earliness generally is considered an inherited trait that enables one variety to set and mature a crop faster than another, but environmental conditions and cultural practices also influence earliness. Determinacy, which is related closely to earliness, is another important varietal trait that determines regrowth ability. Determinate varieties set fruit early and then "cut-out." In contrast, indeterminate varieties continue to grow and flower throughout the summer. Generally, late-maturing, indeterminate varieties produce larger plants, have a higher yield potential and produce more consistent yields under dryland production. However, indeterminate varieties are more sensitive to excess nitrogen and water resulting in lush vegetative growth, delayed maturity and high insect control costs. In contrast, early-maturing, determinate varieties develop shorter plants and set fewer bolls later in the growing season; this is an advantage in areas with short growing seasons or where late season insects and diseases are major problems.

In recent West Texas trials to determine earliness there were several varieties that excelled.

These include: Tamco CAMD-E, Cascot 2910, Tamcot CD3H, All-Tex Quickie, Holland 1379, and Tamco SP21S. Of course there are others and I would suggest that you check with your seed dealer before you select a variety.

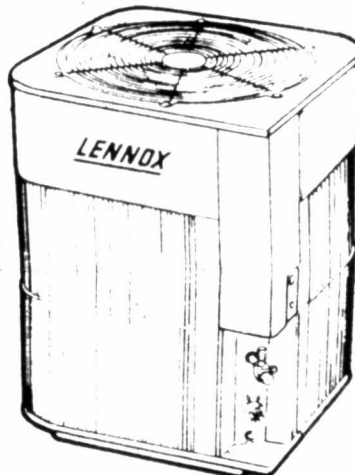

Another important consideration at this late planting date is plant population. High plant population delays fruiting. If you can get a stand of 4 to 5 plants per foot, this allows more sunlight to penetrate the canopy and the plants will produce fruit lower on the plant and sooner in the season.

Sharla Stinson & Dr. Wade Browne
...July 1 wedding planned

Engagement announced

Truman and Joan Stinson of Marble Falls announce the engagement and approaching marriage of their daughter, Sharla Stinson of Waco, to Dr. Wade Browne, also of Waco.

He is the son of Don and Nelda Browne of Colorado City. The bride-elect is employed by the Waco Independent School District. She attended Marble Falls High School and Texas A&M University.

The prospective bridegroom, employed by Schaffer Chiropractic in Waco, attended Westbrook High School, Texas Western College and Parker College of Chiropractic where he graduated magna cum laude.

The wedding will take place July 1 at Horseshoe Bay Chapel in Horseshoe Bay.

Shurtleff cousin reunion held

Visitors from Virginia and California resulted in a reunion of Shurtleff cousins in Colorado City recently.

The relatives met for a luncheon, Saturday, June 10, at Burkhardt's Villa Restaurant.

Members of the Ernest Shurtleff family attending were Mr. and Mrs. Truman Shurtleff, Norfolk, Virginia; Thelma (Shurtleff) Howell, Colorado City; and Rocky and Virginia (Shurtleff) Allen of Big Spring.

Descendants of the John Shurtleff family in attendance were Lenora (Shurtleff) Pendergrass and daughter-in-law Penny Pendergrass of Burleson; Mr. and Mrs. D. D. Shurtleff, Iraan; Cecil and Sue (Shurtleff) Crow, Colorado City; Mr. and Mrs. P. D. Shurtleff, Choctaw,

Oklahoma; "Beaver" Shurtleff, Oklahoma City; Mr. and Mrs. George Shurtleff and Mr. and Mrs. Bruce Shurtleff, Houston; Modell (Howell) Shurtleff, Colorado City.

Attending from the Oliver Shurtleff family were Lev and Frances (Shurtleff) Redwine, Long Beach, California; Lillian (Shurtleff) Vest and Bill, Colorado City; Fred and Mary (Vest) and Melissa, Fort Worth.

Representing the Huse Shurtleff family were Mr. and Mrs. Darrell Shurtleff, Colorado City.

Other relatives attending the luncheon were Mary Redwine, Gayla and Audra Proctor and Geneva Redwine. Mr. and Mrs. Bob Motley, friends of the family were also present.

American Cancer Society establishes toll-free cancer information line

Residents of Mitchell County now can have all their questions about cancer answered by calling a toll-free number which will be staffed by trained American Cancer Society volunteers with access to a comprehensive database of information, according to Anna Staats, president of the Mitchell Unit of the American Cancer Society.

The toll-free number is 1800-ACS-2345 and can be called from anywhere in Texas. Hours of operation are 8:30 a.m.-4 p.m.

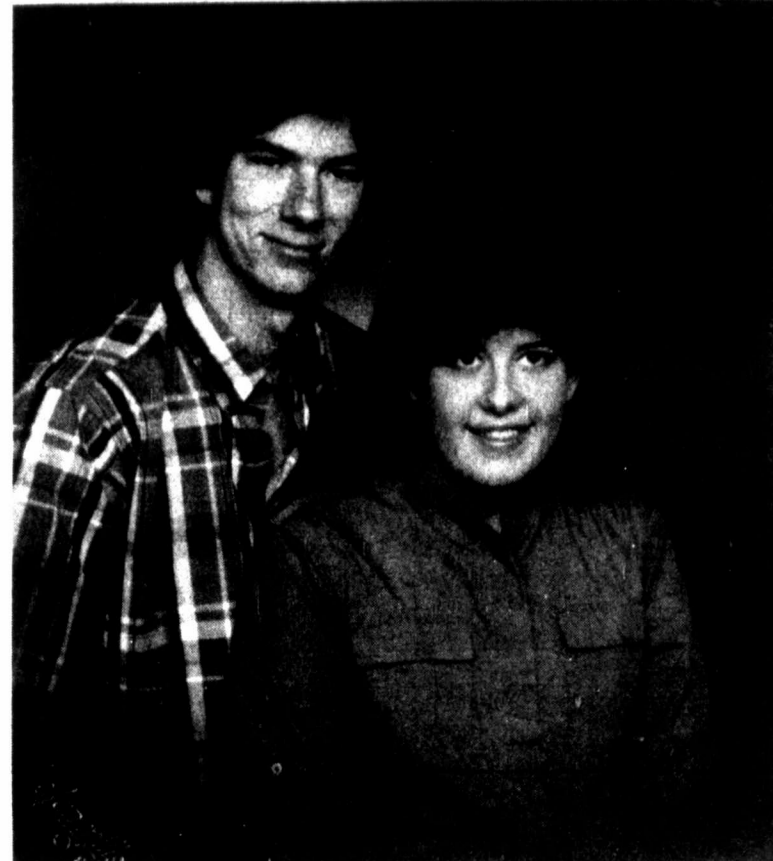

"People often have a lot of questions about cancer when they find out a loved one has the disease of when they suspect they have a warning sign of cancer, or when they have read an article that leaves them with a question.

Now anyone in Texas can have their questions answered with just a phone call - and it's free," said Mrs. Staats. "Many people may be unaware of the variety of services provided free to cancer patients in Mitchell County."

Callers may ask technical questions about the disease, about cancer detection and warning signs and about treatments. But the unique aspect of the new phone line is that callers can find out about services available to cancer patients and their families in their own city or area.

The American Cancer Society loans equipment to cancer patients and offers free classes and information to cancer patients

and their families. Information about these local services, as well as education for public groups, can be obtained by calling this toll-free number.

Mobile Cancer Unit receives certification

The Mobile Breast Cancer Detection Unit of Odessa, which services Colorado City received the certification of the American College of Radiology Mammography Accreditation Program.

Mammography is an x-ray examination of the breast, which the American Cancer Society and other medical experts see as the best means for the early detection of breast cancer.

The program is voluntary and is designed to insure that women receive optimum quality mammographic examinations. The process is done through a peer review evaluation of the facility's staff qualifications, equipment, quality control and quality assurance programs, image quality, and breast dose. The accreditation must be renewed every three years.

The accreditation program was instituted because of the concerns of radiologists, other national medical organizations, and the public that qualified personnel perform and interpret mammograms and that dedicated mammographic equipment be

used. The American College of Radiology received an American Cancer Society Control grant which was used to pilot test the Accreditation Program.

Breast cancer will strike one in 10 American women. The American Cancer Society predicts that about 41,000 women will die of breast cancer this year. As there is no way to prevent the disease, early detection and treatment offer the greatest hope for survival.

The American Cancer Society recommends that women do monthly breast self-exams and have regular physical breast exams by a doctor. It further recommends mammography on the following schedule:

A baseline mammogram (for reference) between age 35 and 39.

A mammogram every one or two years between age 40 and 49.

An annual mammogram from age 50.

The Breast Cancer Detection Unit will be in Colorado City on June 26. You may call 728-3431, ext. 222 for an appointment.

Putman-Walraven hold annual reunion

The families of the late William and Florence Putman and the late Lonnie and Ollie Walraven held their annual reunion Sunday, June 4, at the Housing Authority.

The four living daughters of William and Florence Putman were present. They are Florine McMahan, Cloy Gilman and Dorothy Dabbs of Colorado City and Ora Ashinhurst of Big Spring.

Debbi Walraven, daughter of Kenneth Walraven, came the longest distance, coming from Farmington, N.M.

Others attending from Colorado City were Norman McMahan, Linda and Glenda

Wallace, Jerry, Winnie, Lisa, Sherry and Tami Putman, Kenneth Walraven, Earl, Julia and Dorothy Walraven, Bill and Steven, Geffery and Marcus Moelling, Mike, Beth, Lenora and Zac McClard and Virgil Hogue.

Others attending were Olen, Shirley, Laura and Christy Davis from Snyder, Tom Griffin from Childress, Nadine Pierson from Amarillo, Janice Walraven and Robert Hoche of Austin, Elmer, Fairey, Sara and Beajae McMahan of Coahoma, Jay, Tammy and Justin Walraven of Fort Worth, James and Cola Walraven, John Denny and Trisha

Van Cleave of Midland.

Those attending from Odessa were J.L. and Mildred Walraven, Gary, Frances, Brandon, Justin, Aaron and Alyson Collins, Bo, Irma, Sarah and Stacy Steding, Mike, Terrie and Jack Elliott,

Donnie, Nancy and Amenda Walraven, Sherrie Reeves and Les Johnson.

There were 67 in attendance. The next reunion will be the first weekend in June, 1990 at the Housing Authority.

Vacation Bible School set at St Luke Methodist

"Joy Trek: Journey With Jesus Through Time and Space" is the theme of a free, five-day Vacation Bible School program at St. Luke United Methodist Church.

Children from pre-school (age 3-4 years) through sixth grade are invited to attend. Activities include creative Bible discovery sessions, supervised craft projects, puppet shows, lively singing and much more fun.

Activities begin Monday, June 19, and continue through Friday, June 23, from 9-11:30 a.m. each day.

"Joy Trek" builds upon kids' interest in recent film series such as Star Trek and Star Wars.

"We invite young voyagers to board our Joyship Energize and blast off to adventure," said Pastor Jon Farris. "We insure your journey will be a close encounter of the best kind. Our puppet mascot is a space traveler named Apollo Koala and he is inviting all kids on his travels and mission."

Registration will be Monday between 8:30-9 a.m.

All youthful trekkies or their parents are encouraged to make their early flight reservations by calling "flight captains" Jon Farris at 728-8205 or Teresa Loving at 728-5731.

Obituaries

Cary Eugie (Shim) Swann

Cary Eugie (Shim) Swann, 79, of Colorado City died Thursday, June 15, at Mitchell County Hospital.

Funeral services were at 2 p.m. Saturday at the Kiker-Seale Funeral Home Chapel with Fred Smith officiating. Burial was in Loraine Cemetery.

The youngest in a family of four brothers and one sister, he was born May 25, 1910 in the Landers Community to pioneer residents Mr. and Mrs. W. B. Swann.

He was a life-long Mitchell County resident, starting school in the Landers Community, Loraine School and graduating from Spade School in the Spade Community. He was a member of the Spade Baptist Church, having been baptized in a tank in the Spade Community.

Spade Ranch employed him the early 1930s, and he was never retired from the ranch. He married Addie Clevenger Nov. 25, 1940 in Colorado City.

Survivors include his wife, Addie Swann of Colorado City; a daughter, Dottie Carper of Big Spring; two grandsons, Wade Carper and Jody Carper, both of Big Spring; and a number of nieces and nephews, including locally Frances Grisham, Boy Jamigan and Bubba Swann. He was preceded in death by a son, Billy Ray Swann, in 1971.

Pallbearers were Bob Northcutt, Bill McClellan, Wright Hock, Ted Sorrells, David Northcutt, Loyd Smith, Ronnie Clark, Bubba Swann, Troy Walls, Rudy Cabberdine, Stan Lone, Tooter Jameson, Shorty Northcutt, Roy Wilson and Dwayne Clawson.

Mrs. John (Melba) Womack Jr.

Mrs. John (Melba) Womack Jr., 68, of Coahoma died Tuesday, June 13, 1989 at Scenic Mountain Medical Center in Big Spring.

Graveside services were at 2 p.m. Thursday at Cuthbert Cemetery. She moved to Mitchell County in 1924 with her parents, Luther and Opha Morrow. She spent her lifetime in Mitchell and Howard counties.

Survivors include her husband, John Womack Jr. of Coahoma; mother-in-law, Mary Womack of Colorado City; a son, Wendell Womack of Midland; four daughters, Naomi (Tiny) Rushing, Jennie Womack, Diana Womack and Rhonda Nelson, all of Big Spring; three brothers, Elmer Morrow of Monument, N.M., Hubert Morrow of Brownwood and Burl Morrow of Eunis, N.M.; two sisters, Esta Lee Lamb of Junction and Wanda Jean Wood of Euleus; 16 grandchildren; and 17 great-grandchildren.

"C" City Lake Extension Homemakers meet

The "C" City lake Extension Homemakers Club met Tuesday, June 13, at the home of Billie Woods.

The meeting was called to order with Lily Farrar leading the

club prayer. She also gave a report on the last meeting. Bea Harlow gave the council report.

Anna Staats, president of the Mitchell County Unit of the American Cancer Society,

presented a program on cancer and how to help prevent it. She stressed diet and eating right. She said eating more of the cabbage family has been found to be helping in cancer prevention, but she stressed the importance of checking with family physician if taking a blood thinner.

Mrs. Staats said fiber is necessary in one's diet. She also said women should give themselves a regular breast exam.

Donations made to the Cancer Society help provide lots of equipment and medical supplies

to cancer patients.

Mrs. Woods, hostess, served refreshments of dips, chips, cookies, caramel corn, coffee and punch.

Roll call was answered with "A Talent I Envy". Others attending were Vada Carlile, Marie Harlow, Helen Oglesby, Rosa Barron, Bobbie Norman.

The next meeting will be July 11 at 11 a.m. at the home of Mrs. Farrar.

Library to show films

At 2 p.m. Wednesday, June 21, the following films will be shown at the Mitchell County Public Library, 340 Oak Street:

Coldblooded Penguin Because he can't stand the cold weather of his native South Pole, Pablo Penguin sets off for warmer climates. A number of clever visual puns add to the fun of the film as Pablo learns that home has some definite advantages.

Mother Goose Stories Four nursery rhymes: Little Miss Muffet, Old Mother Hubbard, Queen of Hearts, and Humpty Dumpty. Illustrated by the use of three-dimensional animated figurines.

Angus Lost Angus is a very curious, very clever Scottish terrier, whose curiosity gets him into a number of close scrapes. After a run-in with the family cat, Angus is exiled from the house and embarks on an exciting adventure around town.

BREAST CANCER DETECTION UNIT available to area women!

MITCHELL CO. HOSPITAL
Colorado City, Texas
June 26, 1989

Call 728-3431 for appointment
Ext. 222

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated

that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97 percent five year survival rate and a 90 percent 10 year survival rate. (The cost is only \$50.00.)

A mammogram can detect a cancer this small, even before it can be felt.
