BRACERO USE

Mahon Supporting Extension of Law

Congressman George Mahon, Washington, D. C., told the Record today that he would actively support the proposed extension of Public Law 78, the bracero law.

The House was scheduled to debate and to vote on the proposed two-year extension Wednesday, May 29.

"We had sought to get the House Committee on Agriculture to improve Public Law 78," Mahon said, "but a majority of the members of the Committee felt that a simple extension of the present law would have a better chance of being approved by the House."

Opponents of the legislation have "served notice that they will put up a hard fight to defeat extension of Public Law 78," Mahon told the Record.

"I believe we can extend it. The greatest threat lies in the possibility that amendments may be adopted imposing additional hardships on bracero users," the Congressman predicted. "I shall actively oppose such amendments."

Mitchell County citizens would be affected by any legislative action affecting the help at harvest time.

Medical and human interest, and all other interested citizens are asked to join Kiwanians and their families in time for the 8:30 program.

Larry Kinard, program chairman, and Mrs. James E. Payne have received acceptance from Dr. Henry N. Rice, of San Angelo, who will be speaker for the program.

Dr. Rice will show slides and speak. His subject as guest lecturer will be "A Sufferer with the USS Hope."

The doctor, an eye surgeon, will deliver his narration of the work done by the world famous hospital ship to high-light his personal experiences as a physician in service aboard the ship.

He will be introduced by Kiwanis president, Elmer Martin.

General attitude, behavior, courtesy, proper uniforms, troop identification and flags, required equipment and first aid equipment will also count toward the campsite total.

Cooking skill can merit a troop 100 points. Skilled events include water boiling, compass trail, 50 yard free style swimming race, log pulling, four man team swimming relay, paddle boat races and tug of war in the water.

Patrol skill events are to be conducted for troops of eight boys each. Charles W. Mauchon is advisor for the Explorer Post 23 Boy Scout unit.

Fly-in Breakfast '63

Chuck-Wagon Style

Second fly-in breakfast celebration June 9 here at Colorado City Municipal Air Port is next on the Chamber of Commerce Calendar of events.

Aviation committee of the Chamber, headed by Dr. John H. Chinn, is officially sponsoring the affair Sunday morning June 9, to begin at 8 a. m. Pilots and their parties are expected to fly in from a wide West Texas area.

Last year of private planes landed at the air port for the breakfast treat.

Again this year breakfast will be served to all out-of-town visitors who fly in for the day. Spade Ranch chuck wagon will again be on hand to add ranch-country color to the serving of breakfast, chuck wagon style. Clyde Backlund will be chuck wagon cook.

Colorado City citizens who want to attend are extended an invitation by the Chamber and by the Flying Club members. Homeowners who drive out to the air port to eat sour dough biscuits, bacon, eggs and potatoes, and drink strong coffee, will be charged 75c each for the chuck wagon food.

Frank Deregibus is general chairman for the fly-in. In charge of arrangements are J. O. Dockrey Jr. and Ben Sparks. Girl Scouts, senior troop 123, will assist in serving the breakfast. Miss Margaret Nunnally is troop leader.

Out-of-town guests here for the aviation event will be furnished rides from the air port to any church of their choice, to the Country Club for golf, or to one of the lakes for fishing or an outing.

Hallie Norman, publicity chairman, said Tuesday that invitations have been posted in all municipal air ports in this geographical area.

A "rain date" has been set in case of bad weather. Should Sunday June 9 bring rain, the fly-in will be postponed until Sunday June 16, Norman said.

Meantime, the Sunday afternoon "Fly for Fun" trips over the city with local pilots are continuing. Last Sunday brought out the largest number of sight-seeing passengers

to date. Flying fees are \$2.50 for a brief flight, \$4 for a longer over-the-lakes flight.

Dolores Gober Rides In Big Spring Rodeo

By Ruth Coffey

Record News Editor Brown-eyed and blonde Dolores Gober is this town's official "Miss Colorado City" May 29—June 1 in the Big Spring Cowboy Reunion and Rodeo.

She rode, her town colors flying, in the Wednesday afternoon parade in Big Spring, will ride each night in the rodeo's Grand Entry, and is one of five candidates for the crown to be worn by the rodeo beauty queen of '63. The queen will be named and crowned at the Saturday night rodeo performance.

Already this year the five-foot-four, 110 lb. daughter of Mr. and Mrs. Layton O. Gober, 405 East 4th St., has won a beauty contest award here in Colorado City. Dolores was named "Miss Evening Dress" in the beauty contest for choosing "Miss Mitchell County of '63" during the May 11-12 Tumbleweed Festival here.

As one of the 16 beauties who competed for the first annual "Miss Mitchell County" title, she was sponsored by Western Riding Club during the Tumbleweed events and proved to be a popular candidate with the crowds at the beauty pageant.

In the Big Spring rodeo events Miss Gober will wear colorful western costume and will ride her own horse, a white-starred animal beauty named "King."

Also taking part in the Big

Spring rodeo parade were two teams from the Tumbleweed Festival parade here May 12. "Miss Tumbleweed of '63," winner of the "Miss Mitchell County" title and the "Miss Tumbleweed" crown contest, rode the "Donkey Secorade" over 11 out-of-town beauties.

Miss Alexis Cowan, "Miss Tumbleweed '63" was County "Rodeo Queen."

Long Distance Rates Within State Lower

Reduced long distance telephone rates for most evening station to station calls after 9 p. m. and on Sunday within Texas will be introduced by Southwestern Bell Telephone Co. on June 15, Jim Brewer, manager of the company here, announced Tuesday.

The new intra-state (within Texas) rate will provide maximum charges of 80 cents for three minutes anywhere within the state, Brewer said.

Reduction of up to 50 cents on longest call within Texas will result from the new schedule.

Along with the station-to-station and after 9 a. m. reduction, there will be a slight increase in most person-to-person calls within the state

amounting to 50 cents in base person-to-person rates on most day and evening person-to-person calls, the district manager said.

The newly reduced station-to-station rate for 3 minute calls will fall into three brackets: first, calls of 83 to 202 miles or more will cost 80 cents; a reduction of 20 to 50 cents.

In announcing the new rates as effective June 15, Brewer pointed out that station-to-station calls between 6 a. m. and 9 p. m. will not be reduced. Calls charged in a third phone number will not be reduced.

Inter-state rates were reduced April 1 for station-to-

station calls made after 9 p. m. The intra-station reduction announcement was made public this week.

When the new rates for calls "inside Texas" and placed station-to-station come into effect, a phone call from Dallas to Brownsville will be 80 cents after 9 p. m. and Sunday. It was formerly \$1.10.

From Houston to Amarillo the new rate will also be 80 cents—formerly \$1.20. Lubbock can talk to San Antonio under the new rate, for 60 cents. Until June 15, it costs \$1.10 to call 50 miles.

A reduction ranging from 5 cents to 25 cents; second, calls 203 miles to 360 miles will cost 60 cents—a reduction of 20 to 40 cents; and third, calls 361

NATIONAL

Home Economics 4-H Scholarship

CHICAGO — Eight scholarships of \$800 each and three of \$500 each are being offered this year to college juniors majoring in home economics, announces the National 4-H Service Committee.

Candidates must be presently enrolled in a 4-H Club or be 4-H alumnae. Application should be made to the State 4-H Club leader accompanied

by 4-H and scholastic records. Also required is a statement telling why the applicant is interested in home economics as a major course of study, and need for financial assistance to complete her junior and senior years.

More than 2 million home economics projects are completed annually by 4-H Club

members according to figures released by the Federal Extension Service, U. S. Department of Agriculture.

Private surveys reveal that over the years, hundreds of young women attribute success in home economics careers to early 4-H training. Many are teachers, others are affiliated with business, and scores are busily engaged in being full-time wives and mothers having that "special" know-how gained in college studies.

Business concerns providing these 4-H home economics scholarship funds are: The Sperry and Hutchinson Company of New York; Sunbeam Corporation, Chicago-Whirlpool Foundation of the Whirlpool Corporation, Benton Harbor, Michigan; The West Bend Company, West Bend, Wisconsin; and Pyrofax Gas Corporation, New York.

Each sponsor provides the college scholarships through the National 4-H Service Committee with the Cooperative Extension Service designating the recipients.

CHURCH VOWS

Shirley Hammock Weds Dickie Summers, Sunday

The First Baptist Church was the scene of marriage ceremonies uniting Shirley Ann Hammock and Charles Richard (Dickie) Summers Sunday afternoon. Rev. H. W. Bartlett performed the single ring rites. Church decorations included an arch covered in greenery and flanked by baskets of white stock.

Parents of the bride, given in marriage by her father, are Mr. and Mrs. C. H. Hammock, 643 Walnut. Mr. and Mrs. Charles E. Summers, 825 Locust, are parents of the groom.

The bride was attired in a two-piece street length dress of white polished lace, with round neckline and short sleeves trimmed in brocade. A wide belt accented the box pleated skirt. A shoulder length veil of nylon net fell from the tiara encrusted with rhinestones. She carried a bouquet of roses on a white ribbon. Marie Brooks, organist for the wedding, played pre-nuptial music of "Always, I Love You Truly, Walk Hand in Hand," and the wedding march.

Miss DeAnna Simmons maid of honor, wore a powder blue sleeveless sheath with round neck, white accessories and a white carnation corsage. Don Free attended the bridegroom as best man, and ushers were Stanley Post and David Landsey of Silver.

A two-piece gray seersucker suit with white accessories was worn by Mrs. Hammock. Mother of the groom wore a navy blue silk suit with pink accessories. Both mother's ensembles were accented with white carnation corsages. Out of town guests were from Roscoe, Sweetwater, Silver and Odessa.

The bride attended Colorado High School and was a member of Wolverines, concert choir, girls' quartet, and The Howl staff. The groom is a 1963 graduate of Colorado High School, and was secretary of Key Club, editor of The Howl, and a member of Student Council. The couple will reside for the summer in Roscoe, and will move to Abilene in the fall.

DEBBIE HUNTER

Miss Hunter Chosen Head Drum Major

Debbie Hunter, Colorado High junior, knows that hard work and effort pays off. Debbie was chosen after try-outs to be the Colorado Wolf Band drum major for next year. This new honor is the high point in her band career, the final realization of an ambition that began seven years ago when she first became a band member.

Since the 5th grade, Debbie has been in the various school bands. She attended McMurry band school for two successive summers. While she was in junior high. In the 8th grade, she was drum major for the junior high band. The next year she was chosen assistant drum major of the high school band, and last year, when she was a sophomore, she became co-drum major. Last summer she participated in the West Texas State University band school. Next year she will head the band, assisted by Gene Bates.

The Record's Sunday edition erroneously stated that Debbie was chosen assistant drum major of the Wolf Band. The Record regrets this inadvertent error.

CONVERSATION CORNER

AFTER you've lived a while, you have more time for wondering than you did. More inclination, too. And more things to wonder about.

When you were "young and meant for joy," when your world was at sunrise, when you were holding and watching the "cup that runneth over" spill different flavored happinesses all around a little house, then, the only thing you wondered about was what to cook for supper.

NOW, now that you've reached the peak of the hill and stand surveying the world before you start to descend the other side, the sunset slope, you have plenty of time for wondering.

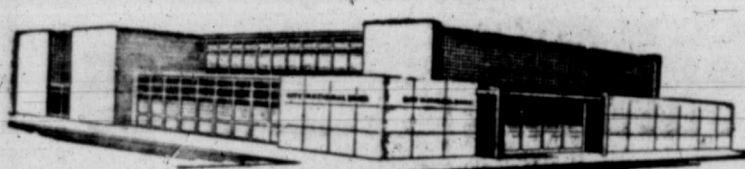

Wondering things like what ever happened to this and that. What ever happened to red soda pop? To open-air band concerts in summer? What happened to oil of citronella?

WHAT ever happened to paper dolls and jumping ropes and skin the cat and follow the leader? What happened to marshmallow roasts?

Where did declamation contests go? Remember? In Flanders Field the poppies grow between the crosses row on row or "Hats off! The flag is passing by!" or "When Freedom from her mountain heights..."

WHAT ever happened to the old Amateur Hour out at Ruddick Park? Where did that Methodist barbecue go?

What ever happened to communitywide meetings with flags and bands and bunting-decked platforms for patriotic speeches on patriotic days? Where did public patriotism go?

What ever happened to Memorial Day?

WHAT happened to the honored custom of pushing one day out of 365 days to pay special tribute to this county's war dead?

During World War II, C-City people stood in the aisles, looked in at church windows to join the singing, hear the prayers, listen to the speakers and to remember, when the roll of honor was read, Memorial Day morning.

And now—now, with this dubious peace—where did Memorial Day go?

Two decades later when Memorial Day came, we kept it reluctantly—and then only in name.

LOOKING FORWARD is more than looking backwards, always. Pete and Bessie Humphreys are so full of anticipation that they probably glow in the dark. They leave this Thursday for Arizona where they'll visit three daughters, three sons-in-law and six "grandchildren."

In Flagstaff, they'll visit daughter Patti and Dick Lees. In Williams, Arizona, they'll stop with Myrtle Love and Dick Howell. In Fort Huachuca they'll be guests of Charlotte and her husband David Key.

What's more, the family's fourth daughter Peggy and her husband Henry Van Geem will go to Arizona with the Humphreys. Henry is an August candidate for his degree, by the way, at Midwestern University, Wichita Falls.

The Humphrey son Tommy, completely out-numbered, will stay in Denton for summer session at North Texas.

SEEN LATELY here and there were Mrs. Dale Warren and her houseguest Mrs. Mary E. Miller here from Long Beach, Calif. The two finished Snyder High together. Mrs. Miller is the former Miss Mary Stoneham and has lived in C-City back when her father W. L. Stoneham was in the abstract business here.

After a week here visiting old friends she left Tuesday a. m. for Lovington, N. M.

SHARON SHROPSHIRE, granddaughter of the Warrens and daughter of Willis and Baby Dale Shropshire of McAllen left Houston Sunday night via jet for New York City where she visits until June 2. Mrs. Warren was saying.

Then she flies to Amsterdam, to Vienna June 6, Venice June 20, Florence June 22, Rome June 24, Sharon will study dancing in Rome until July 1 when she'll fly to Nice. From there, she'll take in Monaco, fly to Barcelona July 1, Maloraca July 7, Madrid July 11, Paris July 14, London, July 19 and Salzburg July 24.

For three weeks after that she'll study pure dancing and attend the International Music Festival. Back home via jet August 17.

At various points—New York, and on through Europe—Sharon plans to meet college friends in numerous cities she will visit. At home in McAllen she heads a dancing studio and attends college classes at Edinburg.

TALKED a minute to Friday Moore (Mrs. Therman) who was saying that son Cleve is headed for "SAC" come fall. San Angelo College.

And overheard Mrs. John T. Smith saying what a gay time she had recently visiting her sons and their families, Troy Titcher in St. Paul, Minn. and Fred Titcher in Morfison, Ill. She traveled both ways by train and was away two weeks in two days.

"It snowed!" she was saying happily. Well, what with 90 plus degrees here at home, that's one thing which sounds nice for a little reminiscing.

BAND VALUE...

With superior leadership and fine support from schools and parents, our Colorado High Wolf Band has developed into one of our better community assets.

That's why we are especially interested when capable students like Debbie Hunter and Gene Bates are named to key positions within the band—Debbie as drum major and Gene as assistant drum major for 1963-64.

We know 'em both, first hand, and they have the habit of doing their extra best — the quality that has been so valuable in the band's overall development during Dwight Tomb's directorship.

Mrs. Steakley Installs Officers

Mrs. H. J. Steakley was installing officer for the services of installation of new officers of the Atheneum Club of Loraine.

The new officers were installed at a luncheon Tuesday, May 21, in the home of Mrs. Woodrow Pratt in Loraine.

Mrs. Steakley, vice president of the Mesquite District of the Texas Federation of Women's Clubs, used an original installation service.

The following officers were installed: Mrs. T. J. Riden, president; Mrs. Bruce Johnson, first vice president; Mrs. Lily Bennett, second vice president; Mrs. Bob Looney, recording secretary; Mrs. Tennis Wilson, corresponding secretary; Mrs. K. L. Taylor, treasurer; Mrs. Glenn Coon, parliamentarian; Mrs. J. W. King, historian; Mrs. Woodrow Pratt, federation counselor; and Mrs. Jim

Johnson, reporter.

After the installation service, Mrs. Johnson, retiring president, expressed her appreciation for all the club had meant to her since its first planning meeting which closed the second year's work. She said that the projects had been worthwhile from many angles. She closed her talk with a poem, "Make New Friends, But Keep the Old."

The club presented a gift of a gavel to Mrs. Riden, who responded by pledging her best service to the club.

It was announced that the club would present the program for the County Federation Meeting May 28 in Civic House in Colorado City. The program was on "Cultural Values" and "Western Lore." The club members will also present a resume of their past year's program.

Plans Made For Party By Gala Club

The Gala Club held its monthly meeting Monday, May 20, in the home of Mrs. Johnson. Refreshments of homemade pie, lemonade, and coffee were served to the following members: Mrs. Kay McCauley, Thurman Moore, Cummins Wood, Alvin Orr, Travis Turner, B. D. Mason, and one

guest, Mrs. Charles Dockrey. Games of progressive 42 were played, with Mrs. McCauley winning high score and Mrs. Dockrey winning low.
