Tickets Sought for Maverick-Winters Friday Duel

Mavs Blizzard Ready

Nobody wants to read about football all the time. They may like to read football on the sports page but they don't want to see it in the editorials, or at least not in the personal columns of Mr. O'Brien or myself. For this reason I have tried to keep football out of my column as much as possible.

But how can I???? Last weekend we had a seventh grade game, and eight grade game and a Junior Varsity game on Thursday night in Cisco. On Friday night there was the Varsity game with the Ballinger Bulldogs, all involving Eastland teams. Then there were the Grambling game the Cowboys - Bears game, and another game on television that I don't remember. Then last, but surely not least, the Aggie - Arkansas game on the radio.

Sunday night I dreamed the Dallas Cowboys were playing the Eastland Mavericks for the world championship, and the Mavericks were winning. This had something to do with the fact that the Mavericks were not "cowed" or the Cowboys couldn't rope them in.

I awoke Monday morning and football was still on my mind. At breakfast, I asked somebody to "pass" the biscuits. I tried to "intercept" the syrup and I "fumbled." I jumped back to avoid the "pile up" and the chair "blocked" my way. With my feet knocked out from under me, my "end" made a "touchdown", and not a very gentle one at that. I tried for "safety" but was no match for the "slick going." I was brought down for "no gain."

To make matters worse, my son was laughing to beat the "band" while my wife was threatening to throw me out of the game.

Right then I decided I had had too much football. This weekend I am going to watch the Eastland 7th grade, the 8th grade, the B Team, and travel to Winters for the Eastland Game. Of course, I will check to see who is in the college game of the week on TV and I'll go to Tarleton State for their parade and game. I'll try to save a little time to watch the Cowboys. Otherwise, I am going to keep football off my mind so I can write a column.

Coach Shirley Fraizer stated that the Mavericks have been working very hard this week trying to "get in shape" so to speak. He stated that the Ballinger game was the only game this season that the Mavs have played the first team almost all the game. The team did a good job as far as team effort goes and said that the Mavs will be in top physical shape to take on Winters this Friday night in Winters.

James Eidson son of Mr. and Mrs. Jim Eidson was named lineman of the week on offense and Steve Lopez, nephew of Mr. and Mrs. Gerg Sedillo was the outstanding defensive man.

Fraizer was pleased with the good passing game with some fine catches on the part of Mace, Eidson and Rexroat. No one received any injuries in the Ballinger game, however we went into the game with two of our starting players sick.

Winters has 1 loss and that was to Coleman for 21-0. Last week the Blizzards took Hamilton for a score of 30-14. The score was tied at 14-14 in the last three minutes of play as Winters took over, and won the game by a good margin.

The Winters Blizzards are all playing in the same positions they started the season. With 8 regular games and 2 scrimmages gone no one has moved from their position. Two of their outstanding backs are Jerry Mack Jackson 175 pounds and Choate, 186 pound half back. The Blizzards run the Rexas Wish Bone and run it well.

Eastland county organizations. If your organizations was missed and would like to enter a girl, contact Mrs. Richard Rossander, Contest Coordinator, Eastland.

The Contest will be held in Eastland's Bell Hurst Theatre, December 9 with rehearsal on December 8. A rehearsal coke party and Queen's reception are planned. Neither the rehearsal nor the contest should interfere with regular public school hours.

The winner of this contest regins over the Pecan show, December 10, and 11, and goes on to represent Eastland county in the State contest.

Organizations entering girls will not be required to furnish anything except the information on the entry form. Contestants will be furnished more specific information by the sponsoring organization in Eastland.

Deadline for filing application is November 22, 1971.

IT'S GOOD to report, if you haven't already discovered for yourself, that we now have Channel 13, the educational television station on our cable service. You'll find it on your Cable Channel 3, and we can all join in thanking Local Manager John Nevill and Southern Television System Inc. for bringing us this National Education programming. And if like many, you're an appreciator of The Texas News, you'll find that too. Thanks, John and Southern TV.

Frank Sayre Inducted Into Quarter Century Club²⁵ TESCO Years

Frank Sayre, Eastland Division Manager, congratulated by Texas Electric Service Co. President Burl Hulse at Quarter Century Club Banquet.

Helping customers get the greatest benefit from their electric service depends on each of our individual efforts. Burl B. Hulse Jr., president of Texas Electric Service Company, told company employees here Tuesday night.

The employees and their guests were gathered in the American Legion Hall to honor members of the company's Quarter Century Club, those employees who have 25 or more years of service with Texas Electric, and to recognize seven new members from this area. The new members are W. M. Brown, Jr., of DeLeon, F. N. Sayre of Eastland, A. C. Reid of Ranger, and W. C. Langford, Cullie Like, J. P. McNatt and J. T. Salter, of Graham.

"The electric service our customers get is invisible," Hulse said. "It is hard to define, and it is not easily understood. Therefore, we must be doubly concerned about what is visible. What our customers do see is our helpfulness, our friendliness, our promptness and our ability to perform all the jobs that create good electric service."

Hulse outlined five basic requirements for backing up a theme TESCO has used recently in its advertising program, "People Power...at your service."

"First, we must have a strong power system -- one that is capable of keeping pace with growing customer needs. "Second, we must have dependable long-range fuel supplies.

"Third, we must maintain a strong financial condition in order to attract the large amount of capital required for new plants and facilities.

"Fourth, good electric service depends on the performance of capable, experienced employees.

Fifth, is a spirit and quality, a certain style or character that makes our service something special."

Expanding on his five requirements, Hulse said that people will need more electric service to maintain and improve their standard of living. "The continued economic growth of our area will require a growing power supply, and

more electric power will be needed to solve environmental problems -- electricity for water purification, control of air pollution, treatment of sewage and industrial waste and the recycling of metal, glass and paper.

"We've not had any of the 'power crisis' problems that have plagued other parts of the country. But more important, we have a planned program of new construction that will prevent future shortage. Our generating capability will be doubled by 1980.

"This expansion comes at a time when interest rates are at high levels and construction costs are at all-time highs. Our capital requirements in the next five years will be greater than in the last 13 years combined. New Capital will have to be obtained in a very competitive money market and at interest rates that are almost twice as high as they were just six years ago."

Hulse said the average cost per residential kilowatt hour has decreased about 43

percent since 1945. Customers have lower rates and are buying more electrically for their dollar than they did 25 to even 10 years ago. "Economic pressures are about to reverse this downward trend in the price of electricity," he said, "and such changes have already occurred in most other parts of the country."

He recalled how drastically standards of service have changed through the years and read from a company advertisement in an old newspaper. "To help the ladies, we will hereafter run the electric light plant between the hours of 1:30 and 4 p.m. every Thursday so that the many electric irons may be used."

Carnival Is SUCCESS

The Halloween Carnival held Saturday night, October 31, was rated as a "Big Success."

According to PTO president, Mrs. Bob O'Neal, after expenses, the profit will be used for school parties and other projects of the Elementary School.

The next PTO meeting will be November 11. The Finance Chairman will give a complete account on carnival profit and expense.

"Again the PTO would like to thank everyone who worked so hard to make this a successful year," states Mrs. O'Neal.

The Halloween Carnival turned out to be a great success according to PTO officials. First we have the many items of the Country Store and cafe to choose from. Then we have a ring toss if you have a steady hand. If you were a bit lucky you could try the cake walk and probably walk off with a

delicious cake. Then last, but not least, if you were sick or injured or the goblins attacked you the first aid station would be your next stop where you could get "fixed up" as good as new.

WMU Meets

The WMU Bible study and prayer group of the Bethel Baptist Church met Thursday, October 28 at 7:30 in the fellowship Hall of the church. Lesson for the day was "Churches Made for Missions," taken from Matthew 16: 13-20, as exemplified in Royal Service WMU magazine.

Mrs. Harrison presented the lesson in absence of leader, Mrs. Otis McDonald, who was ill.

Prayer calender was read for missionaries having birthdays this day, by Mrs. J. C. Allison. Mrs. Curtis led the prayer for home and foreign missionaries, and other prayer requests.

At the time of fellowship, gingerbread and lemonade was served from a table laid with paneling and cloth, centered with an arrangement of yellow roses and chrysanthemums, accented with designs of yellow, green and brown leaves in keeping with the season.

Hobby Club

The Hobby Club met with Mrs. Dick Yelding, October 27. The following members attended: Mrs. Bernice Greiger, Dela Nichols, Anna Cooper, Bessie Turner, Ava Wright, Billie Mayfield, Fannie O'Brien, and hostess, Cara Mae Yelding.

Cake and punch were served to the club, and visitor, Mrs. Marine Walker.

The club is making lap spreads for the patients in the rest home.

William Shakespeare
Hamlet, Act I

The next meeting will be Thursday, November 18. The subject will be entitled, "The Meaning of Missions." Study scout will be taken from Matthew, Mark, Luke, John, and Acts.

Meeting time will be at 7:30 in the educational building of the church. Program will be led by Mrs. Otis McDonald.

All ladies of the church are invited, and visitors are welcome.

Jaycee Carnival

The Eastland Jaycees are sponsoring a Kiddie Carnival at Maverick Stadium parking lot Thursday thru Saturday night. Rides consist of Tilt a Whirl, Hammer, Train and Auto rides. Mil Herweck project chairman stated that several other rides would be ready by Thursday night opening.

The Carnival consists of a Funhouse and Seven game booths along with cotton candy and candy apples.

The Jaycees will sponsor a Bingo booth Saturday night at the carnival. If additional information is needed contact Project Chairman Mil Herweck or President Robert McCoy.

HD Club

Eight members and two visitors were present Wed. p.m. when the Morton Valley H. D. Club was called to order by Mrs. H. E. Hartsell, our vice-president, in the home of Mrs. J. F. Moseley. Mrs. Alvin Kincaid led the opening exercises. Mrs. C. T. Brockman gave the devotional.

Most of our time in the business meeting was on ways to get our club house back in order, and the Senior Citizens Bazaar. The minutes were read by Mrs. C. H. Tankersley and approved.

Mrs. Tankersley called the roll which was answered with "Something I enjoy daily". Our program on Foreign Foods was given by Mrs. Joe Bond.

Mrs. Hartsell had a short recreation period. We welcomed one new member, Mrs. Mary Arwood.

Mrs. Moseley, hostesses, served sandwiches, pumpkin cake, coffee, potato chips,

Postal Slots for Eligibles

Postmaster Marcus O'Dell announced Monday, November 1, 1971 that applications were being accepted and examinations will be given in Stephenville, Texas to establish a register of eligibles from which future Clerk and Carrier vacancies in the Eastland Texas Post Office will be filled.

Qualification requirements and application forms for this examination are posted in the Eastland Post Office lobby.

pickles, and olives to Ruby Bond, Leta Brockman, Mabelle Gordon, Euva Lee Hartsell, Flora Kincaid, Bessie Peoples, Ada Tankersley, and our visitors, Mrs. Etta Forsyth of Clairmore, Okla., and our new member, Mary Arwood.

Mrs. Moseley's table was decorated in fall colors and she gave as favors a small paper cup of corn candy and black cats in Halloween colors.

Our next meeting will be Nov. 10 in the home of Mrs. Bessie Peoples, 200 East Hill St., in Eastland.

Mrs. Kincaid, Reporter

The present starting salary scale for Clerk and Carrier employment is \$3.65 per hour, and all persons interested in the opportunities offered by the new U. S. Postal Service employment are urged to come by the Eastland Post Office and investigate this posting.

Applications for this examination must be received by the Eastland Postmaster before midnight November 19, 1971.

Thursday, Las Leales to Hold Joint Meet

When Mrs. Carpenter was asked about publicity for the Eastland Telegram her answer was, "Nothing about me, but give all the space possible to the DIAMOND JUBILEE ENVIRONMENTAL CONFERENCE."

The Federal government has had enough faith in the Texas Federation of Women's Clubs to award us a grant of \$2,000 expense money for the Conference to be held in Dallas Nov. 14, 15, 16, at the Baker Hotel.

THIS CONFERENCE IS

FREE to men, women and children. Your city officials will surely want to attend. National speakers will be presented.

The ENVIRONMENTAL problem, if unchecked, could become disastrous. Remember by the year 2000, our population will nearly double. Give your children and their children, a chance to enjoy an America as beautiful as we found it."

Mrs. Carpenter will be speaking to the Thursday Afternoon Club this afternoon. Federator clubs from surrounding towns have been invited.

WIN-LOSE-DRAW

Cisco and Eastland broke even Thursday night as three football teams from each school played a tripleheader program at Chesley Field in Cisco. Eastland's 7th graders won the opener, 22-to-8; Cisco's 8th graders scored a 68-to-38 triumph, and the junior varsity eleven fought to an 8-to-8 tie.

In the opening 7th grade game, Cisco got on the scoreboard first.

In the opening 7th grade game, Cisco got on the scoreboard first in the opening quarter. They took the kickoff and used all but 19 seconds of the period to move 70 yards with QB Mike Puryear going over from the one. Mike then drove over for two more points.

Eastland scored in the second quarter on a 19-yard run and a two point conversion to make the score 8-8 at half-time. The Eastland team crossed the Cisco goal twice in the fourth for the 14-point victory margin. The first touchdown was on a 77-yard run and the other was for six yards. Only one conversion attempt succeeded.

Cisco had nine first downs to 10 for Eastland. Puryear complete five of nine passes for 75 yards with one interception. Cisco had 98 yards rushing to Eastland's 277. H B Bobby Jaramillo and End Kenneth Hawari were among the top men on offense, and Camillo Garza and Rex Bacon were among defensive stand puts for Cisco.

8th Grade Game
Cisco's classy 8th grade team, which hasn't lost in two years, used all of their 38 men in the high scoring contest. The first team defense played the first two quarters and the half-time score was 32-to-8. Cisco's scoring went like

this: First quarter -- Pepper Puryear ran over from 10 yards out and QB Ronny Powelson ran for two points.

Second quarter: Powelson passed to Jimmy Kanady for 21 yards and a touchdown, and Puryear ran for two points; Kelly Kent ran 51 yards for a touchdown and Powelson ran for two points; Puryear ran 16 yards for a TD, and Powelson circled in for two points.

Third quarter: Kent ran 13 yards to score; Kent ran 10 yards to score, and Powelson passed to Jamie Lopez for two points.

Fourth quarter: Puryear ran three yards for a touchdown, and Powelson ran for two points; Kanady took a kickoff back 72 yards for a score. Powelson passed to End Billy Collins for 49 yards and a touchdown, and Kent ran for the extra points.

Cisco backs had the following statistics: Kanady carried four times for 58 yards, Puryear nine times for 82 yards; Kent 10 games for 117 yards; and Powelson ran seven times for 73 yards.

Powelson had five tackles. Bobby Pence handled the kicking off and had four tackles. Terry Myers and Tim C heshire also had four tackles each.

Cisco had 289 first downs to 15 for Eastland, and Cisco gained 336 yards rushing to 274 for Eastland. Powelson hit four of 10 passes for 94 yards with no interceptions.

Eastland scored five touchdowns on runs of 12, 2, 32, 6 and 47 yards. Four PATS were good on runs.

Junior Varsity
In the finale, both Cisco and Eastland scored in the opening period and battled pretty well

on equal terms the rest of the way.

Eastland scored first on a 37-yard end sweep after recovering a Cisco fumble early in the game. A run for extra points was good.

Cisco took the kickoff and marched 65 yards for their first quarter score. The score was on a 10-yard pass from QB Randall Burnam to End Mike Moore, and H B Ronnie Tatgor ran for two points.

Cisco drove to the Eastland two yard line in the 4th quarter but two bucks at the line failed to yield points. Burnam went all the way at quarterback with Coach Ken Norris calling plays by alternating End Paul Jones and Fullback Polo Jiminez.

Cisco had 10 first downs to seven for Eastland, and the Lobos gained 113 yards rushing to 119 for the visitors. Burnam hit five of 11 passes for 62 yards with no interceptions.

MAYBE YOU DON'T NEED INSURANCE....

If you don't own a home, furniture, jewelry or a car, you can get along without the services of an insurance agent. But for the most of us, life is not that simple. Modern living has

become so complex that the protection of property and personal liability is a major problem and we must be insured. The individual you can always depend on for accurate solutions of your insurance problems is your local agent.

OBITUARIES

Nora Woods

Mrs. J. W. (Nora) Woods, 87, died at 4 a.m. Saturday in Midland after an illness of about six months.

Funeral was held at 2 p.m. Monday in the Arrington Funeral Home Chapel with Gary Adams, Church of Christ minister of Cisco, officiating assisted by Jim Pennington, Eastland Church of Christ minister.

Burial was in Eastland Cemetery.

Born Aug. 17, 1884, in Eastland, she was a life-long resident of Eastland. She was a member of the Eastland Church of Christ. She married Jim Woods on Dec. 6, 1896, in Eastland. He died in 1948.

Survivors include one son, Lloyd (brownie) Woods of Midland; two daughters, Ima D. Fitzgerald of Arlington and Mrs. Hazel M. Tabor of Midland; two sisters, Mrs. Ima D. Fox of Eastland and Mrs. Cora Lee Dick of Phoenix, Ariz.; six grandchildren; eight great-grandchildren; and a number of nieces and nephews.

Grover Lee, Sr.

Grover C. Lee, Sr., 78, former longtime area resident, died Sunday in Palo Pinto General Hospital following illness of several weeks.

Funeral was at 10 a.m. Wednesday in Central Methodist Church in Mineral Wells with burial in Mt. Marion Cemetery in Strawn.

Born in Utica, N. Y., Mr. Lee was a retired newspaper publisher and had lived in this area since 1935 and in Mineral Wells since 1952. He was a member of Central Methodist Church.

Survivors include his wife; a daughter, Mrs. Audrey Baker of Houston; one son, Grover Lee, Jr. of Houston; a step-son, George C. Perkins of Arlington; 16 grandchildren and 12 great-grandchildren.

SERVICEMEN

Navy Petty Officer First Class Clyde C. Howard, son of Mr. and Mrs. Emmett C. Howard of Rising Star, Tex., is on an extended cruise in the Mediterranean aboard the amphibious assault ship USS Inchon, homeported in Norfolk, Va.

His ship will be participating in training operations with other U. S. Navy ships, aircraft groups, and assault units while it is in the Mediterranean.

Mrs. Carter Feted On Birthday

A surprise birthday party honoring Mr. s. Britt Carter on her 82nd birthday, was given Saturday night in the home of a son, Mr. and Mrs. George Carter and their son, James at 808 W. Plummer.

Those attending were her sons and wives, Mr. and Mrs. Otho Carter of Rising Star, and Mr. and Mrs. Dotyle Carter of Eastland. Also a daughter-in-law, Mrs. (Truett) (Ruby) Carter of Breckenridge.

Grandchildren, and great-grandchildren attending were Mr. and Mrs. Franklin Carter, Andy, Lisa and Michael of Abilene; Mr. and Mrs. Nolan Ritter, Karyn and James of Eastland; Mr. and Mrs. Winfred Swanner, Timmy and Mark of Gorman.

SOS Meets

The S.O.S. Club meets each Friday at 1:00 p.m. in the basement of the Methodist Church.

Those present for the last meeting of Friday, October 30, were Fannie O'Brien, N. F. Bennett, W. F. GJegan, Jane Throne, Lola Bennett, G. F. Bennett, Dave Putnam, Therya Putnam, J. H. Lancaster, Goldi Lancaster, Handley Kkirk, Rosa Bennett, Martha Cashion, Cleo Greenwood, Eunice Lasater, Mr. Durham, Jewel Herweck, Miles Awalt.

Massengale

Mrs. Elaine Massengale, 60, was dead on arrival at 4 a.m. Saturday at West Texas Hospital in Lubbock after suffering an apparent heart attack.

Funeral was held at 10 a.m. Monday at the Arrington Funeral Home Chapel in Eastland with the Rev. Cecil Ellis, pastor of the First Methodist Church, officiating.

Burial was in the Eastland Cemetery under the direction of Arrington Funeral Home. She was born Feb. 10, 1911 in Orbin, Ohio. She had lived in Lubbock the past four years. She was a former resident of Eastland. She was a member of the First Methodist Church in Eastland. She married Wade Massengale Sept. 5, 1933 in Clarksburg, W. Va.

Survivors are two sons, Carroll Massengale of Keuwanu, Wis., and David Massengale of Denver City, Tex.; one brother Lewis Riddle of St. Albans, W. Va.; seven grandchildren.

Subject

"Depart from evil, and do good; seek peace, and pursue it."

This verse from Psalms will be among those read at Christian Science church services Sunday, November 7. The Bible Lesson-Sermon is entitled "Adam and Fallen Man."

Commentary from Science and Health with key to the Scriptures by Mary Baker Eddy includes: "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you;' that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal."

Services in Eastland will begin at 11 a.m. in the First Church of Christ Scientist, on the corner of Plummer and Lamar.

BOON TO GIRL WATCHERS . . . The latest fad in girls sweaters, are made to order sweaters with telephone number knitted on the front. Melanie Myers, a secretary, wears her recently purchased Eric Ross hand loomed sweater during lunch hour at Century City Mall in Los Angeles, as three girl watchers take note of the number.

your week ahead

BY DR. A.W. DAMIS

Forecast Period: November 1 - November 8th.

ARIES Mar. 21 - Apr. 19	Financial ventures? Power-packed planets are in the GO position. Things are on the upswing for Aries. If you're an exception - patience!
TAURUS Apr. 20 - May 20	This week you possess a strong influence over your associates and co-workers. So, take over the reins - your job, task or project will advance rapidly.
GEMINI May 21 - June 20	That same old chronic problem that originates from the opposite sex - must be put to rest. Otherwise, your opinion of an event coming up will hold no weight.
MOONCHILD June 21 - July 22	According to your chart, there's "fuzzy thinking" indicated. Bluntly, you'll be slow on the uptake. So, try to postpone major decisions.
LEO July 23 - Aug. 22	Oh, Boy! Things between you and an associate seems to be deteriorating, quickly. Avoid an open break, in the form of a scene - for your own good.
VIRGO Aug. 23 - Sept. 22	More than likely you'll get an "atta boy" for a job well done. Most Virgos will receive recognition during this cosmic cycle.
LIBRA Sept. 23 - Oct. 22	A poor choice of friends and misjudging the intentions of the opposite sex should be your problem this week.
SCORPIO Oct. 23 - Nov. 21	Ok, Scorpio! Be careful, chances are that you'll try to play both ends against the middle. Stellar patterns warn against your attempt to manipulate associates.
SAGITTARIUS Nov. 22 - Dec. 21	Look around! It seems as though smoldering hostility has spread among your co-workers or routine associates. It's traceable to a remark you've made at large.
CAPRICORN Dec. 22 - Jan. 19	Relax! Most members of your sign might take on the false idea that someone is attempting to "harpoon" your plans. You should encounter constructive criticism - but that's all.
AQUARIUS Jan. 20 - Feb. 18	Past indiscretions will now come home to roost. It's best that you do not make "waves." Keep all re-hashed discussion to a minimum.
PISCES Feb. 19 - Mar. 20	For those under your sign so inclined, it seems as though you'll be a little more daring with a member of the opposite sex - who also has designs.

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

1962 Chrysler

That should tell you a lot about the cars we sell.

Every Chrysler Imperial is road-tested at the factory.

If our cars aren't right, we don't want you to have them. For example, every Imperial is put through a road test at the factory that includes over 100 different checks before it reaches you.

This year every Chrysler car offers a new optional electronic ignition system that does away with the points and condenser that can wear out. This helps keep the engine tuned longer. And a tuned engine means cleaner exhaust.

From our lowest-priced Chrysler Royal to our big, luxurious Imperial, Chrysler cars are built to last. The same is true of every Chrysler-engineered car we sell—Valiant, Duster, Cricket, Satellite and Fury.

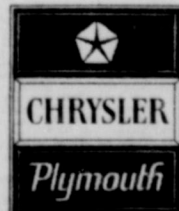

We think that's the kind of car America wants. That's the kind of car we'd like to show you. Come see us today.

Whether you own a big or small car, pay a little or a lot, the one thing you don't need from a car is trouble. You want a car that will hold up. A car that's built to last.

Well, we're with you. Just look at this figure:

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

This includes all the various owners, any kind of terrain, and numbers of miles. But every Chrysler is designed and built the way you want it—to last. So even if you won't be keeping a car for years and years, it's good to know you've got all that quality going for you in your first year as well as in later years.

Newport Royal 2-Door Hardtop

You gotta have heart.

The quality of a Chrysler starts deep down in the heart of the car. That's where you've gotta have it. That's where you get it. With such time-and-road-proven features as Chrysler's torsion-bar suspension and Torque-Flite automatic transmission. The rigid strength of unibody construction. And a 7-step dip-and-spray anti-rust process. Extra care like that is why so many Chryslers stay in great shape.

Coming through with the kind of dealer America wants.

Future Power Source Dedicated at UofT

Electric power from clean, safe nuclear-fusion is the goal of an ambitious project dedicated this week at the University of Texas.

Frank Sayre, Eastland Division Manager of Texas Electric Service Co., and H. V. O'Brien were in Austin for the formal ceremony which

represents a milestone in the investor-owned support for the scientific search for power for the future.

Dedicated is the Texas Tokamak, a device which its sponsors hope will prove the efficiency of nuclear fusion for producing power.

In services at the new physics building on the University campus Monday morning, Dr. Edward E. David, Jr., science advisor to the President of the United States, gave the dedication address.

U. of T. President Dr. Stephen H. Spurr presided and honored guests included Mrs. Lyndon Johnson, congressional leaders and others.

Turbulence is believed by the U. of T. scientists to be the key to making their doughnut shaped device produce the

THE NECESSARY ENERGY. Originally a Russian device, the refinements and improvements are strictly free-world and the prospects are bright. The particular unit dedicated is a test one, and even when it goes into testing sometime in January, it won't produce the necessary plus power, but later models will, the designers believe. The next model will be seven times larger.

Disaster Strikes — The Salvation Army Is There

For five days after hurricane Fern caused extensive flooding near Corpus Christi and in the Rio Grande valley, Salvation Army officers, Service Unit field representatives and mobile canteens from around the state were on the job bringing food and other assistance to the disaster victims.

Canteens were sent to the Corpus Christi area from Dallas, Fort Worth, Austin, San Antonio, Houston, Galveston, Victoria and Port Arthur.

Teams of officers headed by Major John Jordan, state disaster relief director, came from Harlingen, McAllen, Beaumont, Corsicana and Corpus Christi.

The small town of Roma in the Rio Grande valley was flooded by heavy rains and overflow from Falcon Lake. Upon hearing of the flooding, Captain

Harvey Harwell of Laredo went immediately to Roma to help the many families who had been driven from their homes. A mobile canteen was sent from San Angelo to Roma and the Air Force supplied 200 blankets to make beds for refugees there.

One of the first Salvation Army men in the Corpus Christi area was Don Clancey, Service Unit field representative, who drove throughout the area stopping at flooded towns and calling in canteens where they were needed.

Canteens were sent to Beeville, Sinton, Robstown, Taft, Odem, Falfurrias and Driscoll.

The people of Driscoll had an even greater problem than those in other towns. After high water forced many from their homes, the water supply

became contaminated by a drowned horse. Bill Cox, city manager of Sinton and also Service Unit committee member there, provided a 5,000 gallon water truck for use in Driscoll and the Salvation Army canteen stayed there for four days until conditions were on their way back to normal.

Shortly after the danger was over from Fern, came the threat of Hurricane Edith, and the Army was again ready to help. Five mobile canteens were stationed in Beaumont ready to be sent wherever needed.

After the hurricane moved inland at Cameron, Louisiana, Major Jordan and a crew of officers drove to Cameron to see if help was needed. Major Jordan said, however, that Salvation Army canteens from Louisiana and Alabama were already taking care of the need there.

Bond Sales Total 52%

According to a report received from County Bond State Director, sales of Series E and H United States Savings Bonds in Eastland County during September totaled \$10,703. Nine-month sales were \$157,162 for 52 per cent of the 1971 goal of \$300,000.

Sales in Texas during the month were \$15,465,128 compared to \$15,033,393 during September 1970. The January-September sales totaled \$152,382,599 with 84 per cent of the 1971 goal of \$181.9 million achieved.

Nationwide, purchases of Series E and H Bonds totaled \$415 million-18-quer cent above 1970 sales. The January-September sales were the best since 1952 totaling \$4,174 million-19.2 per cent above a year earlier. Exchanges of Series E for Series H Bonds amounting to \$197 million were reported for the first nine months of 1971 - 8 per cent above those exchanged in 1970.

Jack Cozart Honored

The Eastland County Farm Bureau Board of Directors gave an appreciation dinner in honor of Jack Cozart, Past President of Eastland County Farm Bureau, Monday night November 1, 1971 at the Farm Bureau Meeting Room.

Sam Kimmell, newly elected president, presented Mr. Cozart with a western style hat and a Past President Pen from the Board. Mr. Cozart served as President from 1963 through 1971. The membership in 1963 was 590 and 1971 a total of 948.

Those attending the dinner were: From Cisco, Mr. and Mrs. Jack Cozart, Mr. and Mrs. Sam Kimmell, Mr. and Mrs. Herman Schaefer, Mr. and Mrs. Herman Harrellson, Mr.

Mr. Bascom Johnson was honored at a birthday dinner Sunday, Oct. 31 by his children and grandchildren. Mr. Johnson was 93 years old on Friday, Oct. 29. Those present to help him celebrate were: Mr. and Mrs. Buster Johnson, Mr. and Mrs. Henry Underwood, Mrs. Lenis Rice, Mr. and Mrs. Dub Reynolds, Karen and Keith all of Carbon; Mr. and Mrs. Milton Underwood, Mr. and Mrs. Marvin Maynard and family, and Mr. and Mrs. Floyd Rice and family of Eastland and Mr. and Mrs. Sam Gorman and family of Abilene.

attorney, announced that arrangements have been made for financing construction of the facilities. It is contemplated that every person within the area to be served by the company will be able to obtain one-party telephone service and will be able to call all persons on the Desdemona and Carbon systems, toll free.

It is contemplated that a call into the City of Gorman will require a small charge. At the present time, there are approximately 175 persons within the rural area surrounding Gorman. Of this number, about 85 have telephone service, most of which have contributed funds for the construction of their own line have eight or nine other people on the same lines with them. In addition to all persons having a private line, it is further contemplated that the new system will have facilities for Direct Distance Dialing and that all the line will be buried underground, thus providing for a more reliable and trouble free service. It is hoped that within a week of the acquisition of a tract of land for the construction of switchboard facilities and headquarters for the company can be announced. Within the next few days a full time organization man will be in the field contacting the persons who live within the area and accepting applications for service.

Contemplated cost of the new system is around \$175,000.00 and it is hoped that construction can get underway within six months, thus providing an additional boost to the economy in and around Gorman.

Strawn Defeats Carbon by Score of 38-13

The Strawn Grayhounds defeated the Carbon Wolverines by a score of 38 to 13. This was Carbons second district game and Strawn first.

The scoring for Strawn was done in all four quarters. Wesley Whitley scored twice on runs of 5 and 36 yards. Glenn Ross kicked his only extra point of the night after Wesley Whitley first touchdown. Next scoring for the Strawn Grayhounds was Pee Wee Lynn on runs of 5 and 11 yards. Also scoring was Billy Hinkson on a 10 yard run and a 10 yard pass from Bill Lowhorn.

Scoring for the Carbon Wolverines was done by just two players. Scoring first was Jimmy Cook on a 15 yard pass from James Norris. Then scoring was Don Duncan on a one yard plunge. All the Carbon Boys played a real good game. These boys are really improving every game they play.

The Carbon Wolverines travel to Tolar on Friday night Nov. 5 at 7:30. All the Carbon fans hope that our team will win this game.
