BASKETBALL VARSITY GIRLS

Abernathy girls defeated Friona by a score of 39-30 in Friona last Tuesday night. Abernathy led throughout the game due to the scoring of Marilyn Barton with 18 points and Dreuann McCune with 15 points. Rickie Covey led the guards with 15 rebounds. Anita Johnston held Friona's leading scorer to 14 points.

Abernathy girls lost to Floydada by a score of 57-33. Numerous mistakes by Abernathy aided Floydada's win. Dreuann McCune was the leading scorer with 15 points followed by Marilyn Barton with 11 points. The guard duties were handled by Rickie Covey, Karen McClendon, Anita Johnston, and Jenevia Johnson.

FRESHMAN GIRLS

The Freshman girls defeated New Deal to up their season record to 6 wins and 2 losses. Abernathy won by a score of 35 to 34. Jan Shipman was the leading scorer with 20 points.

BOYS BASKETBALL VARSITY

The Abernathy Antelopes threw a full-court press at the Friona Chiefs last Tuesday night and came away with their most impressive win of the year, defeating the Chiefs 59-48. Previously, the Antelopes of Coach Steve Hill lost to the Friona team in the first round of district play 59-49. When asked about the victory, Coach Hill said the key was the way the Lopes played defense and the way they hustled when pressing the Friona lads. Trailing 29-30 at half-time the Lopes came back in the third quarter to take a 42-35 lead and stretched it to 15 points before finally winning by 11.

Mike Kerr was the leading scorer with 16, while two other Lopes round ballers scored in double figures. Don Snodgrass got 13 tallies and Ronald Harkey, poured in 14. It was perhaps the best effort all around the Antelopes have put together this year, doing a great job of rebounding, staling the ball, blocking shots, and passing the ball.

Ronald Harkey led in the rebounding department with a record 25. The Antelopes hit 43% of their shots from the field and 62% at the free-throw line.

Against Floydada, the Lopes almost pulled their second upset in a row. With an 8 point lead in the third quarter, victory was close, but a poor shooting percentage (24 from the field and 63 from the line) and a lot up on defense allowed Floydada to pull ahead in the fourth quarter to take a 40-36 win over the Lopes. Don Snodgrass led in scoring with 14, while Harkey collected 18 rebounds. The loss to Floydada left the Lopes 1-1 in the second round of district play.

The Jr. Varsity upped their record to 9-1, defeating the Floydada "B" team 58-52. Five Jr. Varsity players scored in double figures - Dave Da venport with 12, Bruce Kinast with 12, Bobby Rogers with 11, Mark Harrison with 11, and Steve Phillips with 12. Other performers on the Jr. Varsity are Dave Lovelace, Tommy Myatt and Brent Newton.

PLAINVIEW TOURNAMENT JR. HIGH

The 7th and 8th grade Yearlings competed January 29-31 in the annual Plainview Junior Hi-

gh Boys Tournament.

The 7th grade did not break into the win column as they lost all 3 games, but the 8th graders won 2 out of 3 to salvage a consolation trophy.

On Thursday both teams fell to talented Levelland teams who went on to win the tournament. The 7th grade lost 19-61 with Doug Henderson, Tommy Horsford and Jimmy Nunn each getting 4 points. The Yearlings had their biggest problem on the boards as Levelland out rebounded them 52 to 17.

The 8th grade fell to by the score of 37-54. Pat Hedges had 12 and David McClendon 11 for the Yearlings. Although the Yearlings hit 39% of their field goal attempts, a deficiency in rebounds also lead to their downfall.

On Friday, the 7th grade played (poorly), hitting only 15% of their field goal attempts and as a result were defeated by Christ the King 15-22.

Artie Betts led the team with 7 points.

The 8th Yearling got back on the winning side with a 26-16 verdict over the Plainview Estacado "Blues". Albert Dominguez led the Yearlings with 9 points.

In Saturday's game, the 7th graders lost to Tulia 31-34. Foul problems hit the Yearlings as Artie Betts and Jimmy Nunn fouled out early in the 4th quarter and three other starters each had 4 fouls. Artie Betts led the Yearlings with 18 points while Tommy Horsford had 13 rebounds.

The 8th grade won consolation by defeating Plainview Coronado 40-32. Albert Dominguez again led the team with 13 points.

Coach Campbell was extremely pleased with Saturday's performances by both teams and stated that each team played probably their best game of the year. Both teams were highly successful with their zone press and showed a lot of enthusiasm and hustle.

Thursday, both the 7th and 8th grade boys will play host to Plainview. The 7th will play at 5:00 followed immediately by the 8th. Saturday, the 7th graders will participate in a one-day tournament at Petersburg. Their first game is at 10:30 preceded by the 7th grade girls at 8:00 a.m. Both teams will play Roosevelt in the opening round.

CHURCH YOUTH SELLING CANDY

Famous Gourmet pure milk chocolate candy is being sold by the Christ Ambassadors (youth department) of the local Assembly of God Youth Camp.

The candy sells for \$1.00
Pure milk chocolate
Whole roasted almonds
Pure & artificial flavors
Lecithin and salt.

The candy is made by the Chocolate Company of America, Chicago.

Anyone who has not had an opportunity to purchase some of this fine candy please call one of these telephone numbers and they will send someone over to your house so that you may purchase as many as you please. Call either 298-4128, 298-2060 or 298-2179.

We thank you for your fine support.

I committed the unpardonable sin of journalism last week by printing a rumor instead of checking with proper authorities. The story I wrote about plans to reactivate Tuco for summer auxiliary operations was premature, according to SWPS officials here, at Plainview and Amarillo.

COTTON PROMOTION OFFICIALS MEET; EVENTS PLANNED

An Executive Board Meeting of the Hale County Cotton Promotion Association was held Monday, Jan. 26, in Graham's Banquet Room, Abernathy.

Mrs. Ronald Weaver, Petersburg, President of the Association, presided. Main business transacted was plans being made for the "Miss Cotton of Hale County" contest this spring, to be in Hale Center or Plainview, & the "Sew it With Cotton" contest in the fall at Petersburg. No definite date for either contest was set.

Plans for the "Cavalcade of Cottons" fashion show, a traveling collection of all cotton fashions, made available by the National Cotton Council, and McCall's Patterns, to be presented at the Abernathy High School Auditorium, February 28, 1970.

Each representative was encouraged to ask for more members. The dues are \$2.00 per year and if you haven't as yet paid yours, and would like to, please mail them to the Treasurer, Mrs. W.B. Eakin, Route 2, Petersburg, Texas, 79250. Or give them to the vice-president in your area.

Attending the meeting were: Mrs. Ronald Weaver, Mrs. G.R. Sells, Mrs. W.B. Eakin, and Mrs. Jim McLaughlin, all of Petersburg, Mrs. Ronald Tullis, Cotton Center, Mrs. Pete Laney and Mrs. Edward Weil, of Hale Center, and Mrs. G.D. Clapp, Mrs. Johnny Skipper and Mrs. Leland Phillips of Abernathy.

PREPAREDNESS--- THE KEY TO OPPORTUNITY

(By Marilyn McAlister)

For many young ladies homemaking is their future, whether it be as a housewife and mother, or a Home Service Advisor. Home Economics holds the future and molds them in areas of home and family life, sewing, food and nutrition, family relations.

Have you, as a citizen or a parent of Home Economics student, ever stopped to ask yourself the question, What is my daughter gaining from this course of study?

Homemaking is a required course for all freshman girls. During her first year in Home Economics, a young lady develops a sense of knowledge in the six areas of Homemaking. Upon completion of the first year of study, the student should be well versed in all phases of home life. It is, however, in advanced Homemaking classes, where the student gains a deeper knowledge in each field.

Homemaking II stresses the development of being able to understand why and how people act as they do. It enables a girl to understand herself and those with whom she associates. She learns how to cope with problems of dating. The course also includes a Study of nutrients and preparation of various foods.

Homemaking III could be termed as a course to prepare a student interested in a career as a Home Economist.

At the end of this study, the student will be well prepared for college courses. She will have studied the preparation and problems of marriage, specialized areas of food, consumer buying, and how to care for her future family. Probably the biggest project will be that of designing and drawing to scale a home.

Home Economics is definitely the "Key to Opportunity." A young lady is prepared to meet the future with the knowledge required to make this world a better place in which to live.

COTTON FASHION SHOW SET FEB. 28

Cottons for all occasions will be featured in a fashion show to be sponsored by the Hale County Cotton Promotion Association, Saturday, 7:30 p.m., February 28, 1970, in the Abernathy High School Auditorium.

The traveling collection of fashions, "Cavalcade of Cottons", is a loan service available by the National Cotton Council and McCall's Patterns. It is offered as a demonstration of the versatility in home sewing, and as information on the latest trends in fabric and pattern styling.

The ward-robe, made by seamstresses in Memphis, Tenn., includes casual clothes tailored suits and coats, late-day dresses and children's wear.

If you have made a new all cotton spring out-fit, using a McCall's Pattern, why not let us include it in the fashion show? Or if you have made some children's clothes from McCall's Patterns and would like them modeled in the style show, arrangements can be made for models of any age group. Call or contact Mrs. Leland Phillips Abernathy, Ph. (806) 298-2798, chairman for the show, for further information.

An exciting evening of entertainment of music and singing is being planned. Bob Stephens, KWGO, Abernathy, will be Master of Ceremonies, with Mrs. Myrna Davis, Abernathy, narrating for the beautiful cotton fashions.

Miss Pat Lambert, Abernathy, our own "Miss Cotton of Hale County" and 1st Runner-up in "Miss Cotton of Texas" will appear on the program, along with special guests, Miss Francine Tippen, Paducah, the reigning "Miss Cotton of Texas", and Miss Gloria Foster, Wilson, "Miss Cotton of Lynn County" and 2nd Runner-up in the State contest. All these young ladies will model part of their all cotton ward-robos. All three are enrolled as students in Texas Tech, Lubbock.

Mark your calendars for February 28, 1970, and start making plans to attend this all cotton fashion show and see some of the newer styles made out of the beautiful new all cotton fabrics.

SOCIAL SECURITY REPRESENTATIVE DUE HERE FEB. 10

The social security representative, Jim Voyles, from the Plainview social security office will be working in the City Hall in Abernathy from 9:00 a.m. to 11:30 a.m., Tuesday, February 10. Anyone who needs assistance with a social security or Medicare claim, application for a social security number, or information about any part of social security may see him.

If you are physically unable to see him but you need his help, you can write the Plainview social security office at Box 1989, Plainview, or call 293-4371 and ask for him to drop by your home.

News Notes

Barry Glennon Selke was scheduled to report to Plainview Thursday morning for induction into the Armed Forces. His wife and baby son plan to go to the home of her parents, Mr. and Mrs. Dennis Barker, at Possum Kingdom Lake.

Eddie Kocich underwent surgery at Plainview hospital.

Rites Arranged For Mrs. Sauer

Mrs. Rachel Sauer, 82, died Sunday of an apparent heart attack in the home of her daughter, Mrs. Vernon (Millie) Petty, 211 Ave. H.

Mrs. Sauer was a lifelong resident of Louisville, Ky. until moving to Abernathy two years ago. She had formerly worked in the diet department of St. Mary's Hospital in Louisville.

She was member of St. Isidore Catholic Church.

Funeral and burial will be in Louisville. Local arrangements are being directed by Chambers Funeral Home.

Survivors include a son, Albert of Louisville; a daughter, Mrs. Vernon Petty of Abernathy; four sisters; a brother and four grandchildren.

CONSUMER EDUCATION IN HOMEMAKING

(By Karen McClendon)

Consumer education and homemaking are designed to help individuals and families improve home environments and the quality of personal and family relations. The homemaking program relates to five areas of homemaking: food and nutrition, child development, clothing, housing, and family relations. In these areas, the program is directed toward teaching the students to manage resources and to select and use goods with budgeting in mind.

The homemaking program, now more than ever before, is being geared to give greater consideration to social and cultural conditions and needs especially in poverty areas. In economically depressed areas or areas with high rates of unemployment and the quality of home life.

Homemaking instructors encourage girls to enter a home economics career if they are so inclined. The homemaking field offers many areas of employment to young women with a degree in home economics.

Homemaking focuses attention on the dual role of a homemaker and wage earner. To make a person more employable, homemaking works to develop personal qualities which help a person to get a job and to hold it. Home management is also important to the modern homemaker and wage earner. She must know how to perform both functions so that each is done well and does not interfere with the other.

Consumer education is the common tie which unites all these phases of the homemaking program. The chief concern is in helping consumers solve problems that arise in the areas of feeding, clothing, and housing the individual and the family, rearing children and maintaining satisfying family relations. It is also concerned with wise use of the family income.

Consumer education contains information applicable to selection and purchase of goods for family needs. Intelligent choice, quality goods, variety, and price need consideration when selecting and purchasing goods. The availability of the market now offers makes it increasingly important for the consumer to know what signs are true guarantees of quality and satisfaction.

No longer let it be said that a girl only learns how to cook and sew in homemaking. That is but a small segment of the broad objectives of the homemaking program.

NAZARENE CHURCH YOUTH ACTIVITIES

A very profitable and interesting Youth Week observance began at the Church of the Nazarene here in Abernathy on Wednesday night when the mid-week service of the church was conducted by the young people of the church. Jana Spruiell served as the pianist and Joy Hall served as organist as Jeffrey Schaap led the congregation in its singing. Steven Schaap and Linda Hall brought the devotional thoughts for the service and Daniel Schaap conducted the service.

Thursday night the young people went to Lubbock where they viewed the film, "Shadow of the Boomerang" at the 1st Church of the Nazarene. This film was a story surrounding the Billy Graham evangelistic crusade in Australia. The following young people attended: Paul Wayne Burleson; Joy and Linda Hall with their guests John Childress, and Danny Teeter, Nancy and Annette Sanders; Steven, Jeffrey, Daniel and Ricky Schaap; They were accompanied by Phil and Lajuana Grindstaff, Teen fellowship directors of the Abernathy church and by Rev. Schaap, Pastor.

On Friday night and Saturday night the church sponsored a Youth Revival with the teens providing the special music and the pastor bringing the messages. The special music was presented by a Youth choir composed of Joyce Arthur; John Childress; Linda and Joy Hall; Lynn Patterson; Steven, Jeffrey, Daniel, and Ricky Schaap; Jana Spruiell; Danny Teeter; Steve Ellis. They were helped out by Lajuana Grindstaff and Mrs. Jerry Brown. The choir was directed by Phil Grindstaff.

Other special music on Friday night was presented by a male quartet made up by Phil Grindstaff, Steven, Jeffrey and Daniel Schaap; and by a mixed trio Linda Hall, Steven and Daniel Schaap. Following the service the young people were invited to the R.L. Hall home for Pizza and games.

The Saturday night service found the Teen choir bringing special music again along with the male quartet and a ladies trio, Mrs. Jerry Brown, Mrs. Phil Grindstaff, and Alma Ruth Patterson.

On Sunday the young people took over the entire Sunday School with each one of them assuming a duty that is normally the responsibility of an adult in the Sunday School. Thus they taught classes and conducted the opening part of the school. They also brought the special music for the morning worship service with the Teen choir, the Ladies trio, and the male

quartet each taking part. This was an outstanding service for the church was blessed as each of these sang to the glory of God.

On Sunday night the Teen choir again brought the special music, the Men's quartet sang and a new trio, Jana Spruiell and Joy and Linda Hall sang for the service. Serving as the musical accompanists for the services were Alma Ruth Patterson and Mrs. Vester Patterson. Phil Grindstaff was in charge of each service and arranged for the special music. The pastor was the evangelist in each service.

Following the Sunday evening service the young people were entertained at an after church fellowship at the Louis Spruiell farm home where they enjoyed hamburgers and games together.

NEW YORK---Only one hurricane—Gladys—hit the United States in 1968, says the Insurance Information Institute. The storm, which hit Florida in October, caused \$2.58 million insured damage.

THANK YOU NOTE--

Thank you is certainly not enough to express our gratitude to everyone who called, sent cards and flowers, and showed an interest in my progress during my hospitalization. It really gave me a lift and reaffirmed my belief that Abernathy is the most wonderful place in the world to live. I am at home now and hope to be back at the Pharmacy soon so I can thank each of you personally.
