Nichols Worth

By Nanalee Nichols

All right, all right, so my little "foible" is pretty wierd. But surely I'm entitled to ONE thing that gives me the creeps, heebie-jeebies or whatever you want to call them?

What ever am I talking about? I'll try to explain.

A friend insists that I would walk into a room full of snakes barefooted and fight an angry bear with a switch.

While that might be an exaggeration, I'm not a nervous, spooky type of soul. My big mouth and I have rushed in on several occasions where angels fear to tread, but that hasn't bothered me a bit. There's something that does bother me, however.

There is one thing that gives me the horrors...that makes me draw back with a shudder.

It isn't spiders, rats, mice, snakes, horror movies, mangled bodies or worms. No, but in my book it's even worse.

I just cannot bring myself to put my hand down in a bag of potato or corn chips.

No, no, no. It's just too awful.

Most of you, I'm sure, are by now shaking their heads thinking that I've completely lost whatever mind I had.

But I'm serious. I cannot abide the feel of that grease and salt on the edges of the bag. I can't tolerate the salty residue left on my hand after it is withdrawn from inside that greasy, gritty container.

I don't even like to reach for a handful of chips in a bowl.

I eat them very daintily....by picking each chip up between thumb and forefinger with a minimum of skin contact.

Then, as soon as I'm through eating chips, I race to wash my hands off!

I've never been able to figure out a way to eat potato or corn chips with a fork, or I definitely would do so.

I tend to buy those that come in little cardboard tubes because they can be poured out easier. I tell everyone that it's only polite to pour chips out onto a plate anyway...we aren't suposed to be reaching inside the sack to begin with.

It sounds a little silly to say that when sitting on the riverbank at a very primitive picnic, however!

I don't have a reputation for being overly fastidious. I've been known to eat sandwiches in the cow lot between working cattle.

So all my friends and acquaintances look at me with tolerant amusement as I try everything possible to keep from getting that salty grease on my fingers.

Now, ladies and gentlemen, you know my dreadful secret too!

I honestly can't help...I really can't!

Rainfall For 1992 Higher Than Average

1992 was a very wet year. Just how wet? Well, this area's official total stands at 57 and one quarter for the year.

Since the average rainfall for this part of the world is about 39 or 40 inches, it's easy to see why most of us didn't do a lot of watering this past summer!

It's Always Been A Slow Week, So Let's Look Back!

By Nanalee Nichols

As any editor can tell you, whether an editor to a big city daily or a small town weekly, this week, the first week in January, is the absolute slowest week of the newspaper year.

The big Holiday rush is over...the world seems to hang in a little bit of "limbo" without much going on as the old year is phased out and the new one hasn't quite geared up yet.

Looking at my tables full of copy I realized that I didn't have many news stories...lots of local news about who visited whom...but not much "hard" news. Advertising is slim this week too. It's just the way things are.

So I decided to sit down, dig out some back issues of the papers, and do a column on "Backward Glances" into the past both far and not so long ago.

Back in 1983 a few New Year's resolutions were featured...one resolution was Marilyn Presley, who worked at Talco Post Office. She said her resolution was to be a better neighbor.

Elton Welch said he wanted to live a better life that he might help someone else and Linda Woods said she wanted to be more efficient and on time.

Most folks admitted to having the traditional Good Luck Black-eyed Peas for New Years.

A Red River County Sheriff's Department report showed that burglary and vandalism was heavy during the holidays.

A covered walkway was being built between the Junior High Building and Elementary Building at Bogata Campus.

Grandchildren of the week in Bogata Funeral Home's ad were Junior and Amanda Wood.

Mr. and Mrs. James Via of Talco and their family had returned from a ski trip in Colorado.

Mr. and Mrs. Homer Scoggins had entertained with an open house at McCrury

Deaths included Mrs. Cecil Hearn and Jim Sulsar.

In January 5, 1961 the front page included the "State Capital News" and ad for the First National Bank of Bogata, and a ad for G.W. Bartlett Grocery.

The grocery was selling Oleo for 16 cents, Folger's Coffee for 59 cents and Metzger's Milk for 45 cent a half gallon.

Returned to office in Red River County were Slim Hulen as Sheriff, John F. Moss, Pct. 2 Constable, J.N. Lee, Pct. 1 Commissioner, Hugh Moore, Pct. 2 Commissioner, Marion Hines, Tax Assessor-Collector, A.N. Auarles, County Chairman, W.J. Corbell, Pct. 1 Constable.

Pat C. Beadle was the new official as County Attorney and James V. Adamas was re-elected state representative.

An article mentioned that the year 1960 had ended with rain, then snow, then sunny and cold weather.

A son, Kenny Ray, was born to Mr. and Mrs. Kenneth Logan of Mt. Pleasant. Grandparents were Mr. and Mrs. Logan of LSugar Hill and Mr. and Mrs. Benham of Rosalie were grandparents. Mr. and Mrs. J.F. Hood of Bogata and Mrs. Eula Price of Mt. Pleasant were great-grandparents.

Community Public Service Power and Light were selling portable electric heaters for "Those hard to heat places around your home".

Schools had resumed after the holidays, much to student's regret.

Deaths included one accident fatality, Mrs. Jim H. Furgerson, C.C. Morris, Mrs. Lawrence Walker and Ira Dozier.

Four percent interest was being paid on savings at First Federal Savings and Loan Assn. in Paris.

The wedding announcement of Miss Anita More and Harrel Franklin Vickers was run.

The selection was made by Judge Webb Baird and Judge Leon Pesek.

We feel that our appointment of Mrs. Shirley Anderson will give to Red River County a qualified, experienced person who will bring professionalism to that office.

Mrs. Anderson and her husband, Bill live in Fulbright.

They have three sons: Stanley and his wife Lasca have two children, April and Amber and they live in New Orleans, Louisiana; David and his wife Toni have two daughters, Taylor and Callie and live at Bogata and Bradley, who lives at Fulbright with his wife, Rena.

Mrs. Anderson has lived in the area all her life.

She was employed at the First National Bank , Bogata for eleven years and at Community National Bank in Detroit for seven years.

Mrs. Anderson says that "I will endeavor to do the very best job I can for the people of Red River County and am looking forward to the job".

Country Cooking

By Judy Screws

As we entered the home of Carol and Jennifer Dorsey, the aroma of freshly baked Lemon Pudding Cake filled the air. We had a piece while it was still warm. Carol said that she was given the delicious cake recipe, as well as the Pumpkin Pie recipe by her mother, Mrs. Lucy Fowler. Carol teaches Reading and Science in grades 6-8 at Deport School, where Jennifer is in the fourth grade.

After attending PJC and El Centro Junior College, Carol went on to ETSU to receive her MS degree. She then taught in the sixth grades at Pearl C. Anderson, Roger Q. Mills and James Madison Schools in Dallas. She had previously attended Roger Q. Mills as a student.

When she decided to move to thi part of the country, Carol moved to Cunningham, but has since purchased a home in Deport.

She said that it is more convenient for he since she and Jennifer both need to be near Deport School. They still attend the First Baptist Church in Cunningham.

Carol relaxes by reading and working in the yard. She also enjoys Jennifer's praticipation in the Little Dribblers. She says that her favorite things to cook are cakes, cookies and casseroles. She especially enjoys most Italian dishes and Jennier's favorite food in the whole world is pizza.

Carol becomes very enthusiastic when she talks about her work as a teacher. She loves being around children and measures her worth as a teacher by the progress of her students. By being involved with Reading and Health classes, she is able to address more of today's issues and hopes to make a difference in the lives of the children.

Carol's Peanut Butter Bar recipe is one of Mary Ann Moreland's and the Pie Crust was Dorothy Richey's.

The cake was good, the hospitality was warm and the visit was very pleasant.

Have a good week!!

SWEET POTATO FLANS

Makes 10 servings
Preparation: 20 to 25 minutes
Cooking: About 1 hour

- 1¾ pounds sweet potatoes
- 3 eggs
- 3 egg yolks
- 1 to 2 tablespoons lemon juice
- ½ cup hot (170 degrees) melted unsalted butter
- Salt and ground white pepper
- Nutmeg
- Hot red pepper sauce
- 3 tablespoons softened unsalted butter

1. Put potatoes in 4-quart soup kettle; cover with cold water. Cover and boil until potatoes are soft, about 35 to 40 minutes. Drain, cool, peel, and cut potatoes into 1½-inch chunks; set aside.

2. Put eggs, egg yolks, and 1 tablespoon lemon juice in a food processor fitted with the metal blade. Process, adding hot melted butter. Pulse in ¼ teaspoon salt, ⅛ teaspoon pepper, a pinch of nutmeg, and several dashes hot pepper sauce. Adjust seasoning to taste.

3. Add half the potatoes and process until minced. Add remaining potatoes and process to a fine, silky puree. Adjust seasoning, adding lemon juice, salt, pepper, nutmeg, and hot red pepper sauce to taste.

4. Adjust oven rack to lowest position. Heat oven to 350 degrees. Use softened butter to generously coat ten ½-cup porcelain ramekins or heatproof custard cups. Spoon puree into the molds. Cover each mold with a buttered wax-paper square, buttered side down.

5. Put filled molds in a baking dish lined with a thin tea towel. Add enough hot tap water to reach halfway up the sides of the molds (do not allow dishes to float). Bake 30 to 35 minutes. (Can turn off oven, leave door ajar, cover with foil, and keep warm for 30 minutes.)

6. To serve, remove wax paper, and loosen each flan from its mold by carefully passing a thin knife around the inside edge. Carefully invert the molds on warm plates. Serve immediately.

Keeping Healthy

Lose Weight Sensibly

Think nutrition, not calories! Surprisingly, a candy bar may contain the same number of calories as a salad, but the salad contains vitamins, minerals and fiber—not sugar and fats.

Cut every ounce of fat off of meat and remove the skin from your poultry. This will lower your fat and cholesterol intake.

Lightly steam your vegetables instead of boiling them. This helps preserve nutrients and the fiber content.

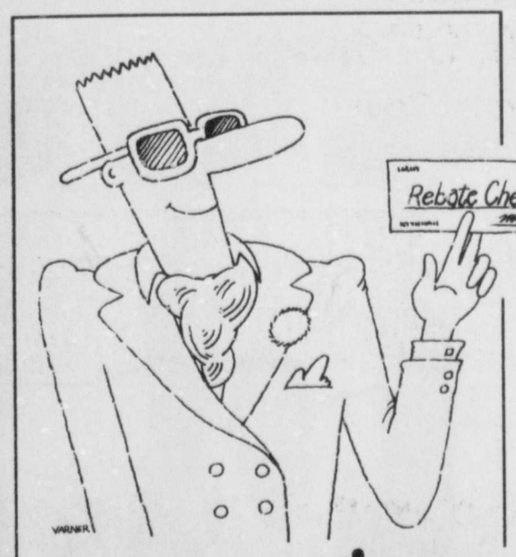

Drink eight glasses of water a day. Many dieters assume that drinking water contributes to water weight, but the opposite is true. The body retains water when it's not getting enough of it. Water contains nutrients and helps wash away impurities.

Supplement your diet with increased activity. End your affair with your car—walk right out!

Talco-Bogata Junior High Takes Wolfe City, 42-14

"A" is for awesome and that's the type eighth grade boys team Coach Keith Brown has.

The boys, Andre Savage, Alvin Savage, Dru Denison, Eric Martin, Jeff Savage, Mitch Ellis, Kyle Hines, Todd Barker, Clint Gage, Michael Deming and seventh graders Jody Nolen and Michael Allen hold a 4-0 District record so far and have only been defeated three times this year. Losing two times to Mt. Pleasant and one time to Travis, both much larger schools.

The team played Wolfe City on January 4 at Talco. The halftime score was 26-3, Rebels. High scorer for the evening was Eric Martin, followed by Mike Deming and Andre Savage. The Rebel team never rreached the foul bonuses, committing only seven fouls throughout the game. Final score was 42-14, Rebels.

This young team is something to see, they read the plays well, pass, dribble, shoot and rebound well, but most of all they play as a team, always checking the other. Also scoring were Todd Barker, Clint Gage, Dru Denison, Jeff Savage, Alvin Savage, Kyle Hines and Mitch Ellis. Everyone is encouraged to come out and see the Junior High girls and boys teams.

Rebels Win Second In Leonard Holiday Tournament

The Rivercrest Rebels traveled to the Leonard Holiday Tourney during the Christmas break and came away with the second place trophy. There were 20 teams entered from Class A through AAA.

The Rebels started the tourney by beating Celeste 67-50. The Rebels trailed at the half, but came back for a hard fought victory. The Rebels placed four men in double figures. Leading the way was Eddie Williams with 18 points, followed by Dean Tiffie with 14, Reggie Alford with 12 and Jerry Francis with 12. This win brought the Rebels season record to 9-5.

Rivercrest 47, Farmersville 36 was the score as Rivercrest handled a strong AAA Farmersville in the second round, despite very cold shooting from the field. Coach Wood said, " Our defense won the game for us. We were not shooting well, but played strong defense and that was the difference. Our 1-3-1 zone defense showed much improvement. Our rebounding wa better and we were mor intense in all phases of our defense."

Rivercrest 79, Community 66 was the the final score of the Rivercrest Rebels -Community Braves semi-final round match-up. The Braves were 15-0 coming into the contest. They were also the number 8 rated team in the state in Class AA. This team gave the Rebels a look at how they stack up against one the of the better rated teams in the state in their division. The Braves had excellent three point shooters and quickness. The Rebels played one of their best offensive games of the year in pulling out an exciting victory.

The Rebels jumped out to an early 9-0 lead, but the Braves stormed back to take a 37-34 half-time lead. The Rebels, with good ball movement and hot-shooting by Dean Tiffie and Clay Pirtle, pushed ahead 55-50 after three quarters. The Rebels turned on their defense and had 4 steals the last quarter and turned these into easy baskets. The Rebels won going away as Community suffered their first loss of the season. The Rebels had very balanced scoring again as 4 players scored in double figures. Eddie Williams continued his fine play as the 6'4 1/2" foreward dominated both ends of thefloor rebounding, blocking shots and scoring a season high 26 points. Dean Tifie continued his fine play at guard as he scored 16 points and had a very good floor game. Reggie Alford was 7 or 9 from the field and played good defense. Alford finished with 14 points and 8 rebounds. Clay Pirtle had his best offensive game of the year as he finished with 12 points. Pirtle came up with 7 crucial points in a big fourth quarter which saw the Rebels score 27 points.

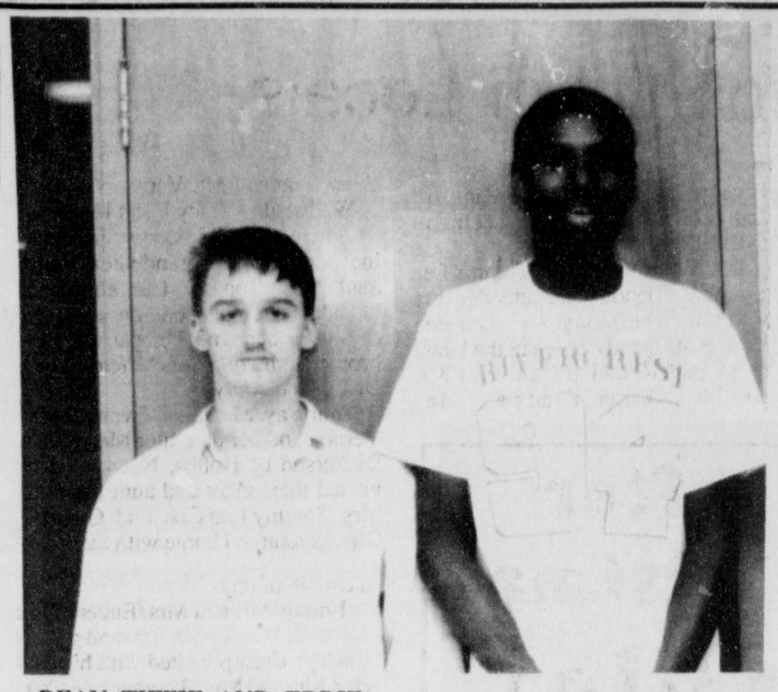

The other Rebels seeing lots of action were Jerry Francis, 7 points; Kyle Kennedy; Tony Sanders, Mike McGee and Shannon Richeson. Coach Wood said, "We are still building depth to our team. We have some players that were not eligible for awhile. I feel that as they get into shape they will make our team better. We must continue to improve if we are going to win district again this year. Our district (17AA) is shaping up as one of the strongest around."

Rivercrest was defeated in the finals of the Leonard Holiday Tournament by number two rated Brock! In the finals of this tournament the Rebels played one of the best teams in the state, but could not come up with a victory. The hard 4-day tournament and long travel seemed to wear the Rebels down. The score was tied at the half 32-32, but a cold shooting third period and very costly turnovers destroyed any chance the Rebels had for a victory.

The Rebels played nip-n-tuck with Brock for a half led by Eddie Williams and Dean Tiffie. Williams had another big game for the Rebels as he had 25 points. The Rebels finished second in the tournament.

Eddie Williams and Dean Tiffie both made the All-tournament Team.

The Rebels season record now stands at 11-6. All losses have come from AAA or AAAA state rated teams.

DEAN TIFFIE AND EDDIE WILLIAMS were named to the All-Tournament Team selected from players from all the teams that participated in the basketball tournament held during the Holidays in Leonard.(Staff Photo by Donna Rozell)

Rebels Ready For District

The Rivercrest Rebels will open district play Tuesday night at Rebel gym. Junior Varsity boys play begins at 5:00, followed by Varsity girls at 6:30 and Varsity boys at 8:00. The Rebels are defending champions of district 17AA.

The district race figures to be a lot tougher this year as Honey Grove Warriors are rated #3 in the state polls. Prairiland Partiots have dropped down from AAA and are noted for strong basketball teams and this year is no exception. Cooper's Bulldogs are making a lot of noise as they also are expected to contend for the title. Wolfe City has come up with good height and quickness and are winning most of their games. Chisum is a "dark horse" , but could figure into the race for the two state playoff spots.

Coach Wood's comments about the tough district are: "Every team is definitely capable of beating everybody. If you go out and don't play good and don't play hard you are going to get beaten. We need a lot of fan support. We really need to get started off right by upsetting Honey Grove Tuesday night. Honey Grove will be favored since they are rated #3 in the state and our team isn't rated. I have scouted Honey Grove four times. If we can control Stevenson, their fine point guard, we will be okay. We will have to have a great team effort; our bench will have to play well. I'm very optimistic and think we can repeat as district champs. Honey Grove will have a large following of fans with their team. I hope we fill up our gym for the rest of the games this year to support our girls and boys. A strong supporting crowd is many times the diffenence between victory and defeat."

Braschler Music Show Coming To Titus County

The Braschler Music Show is coming to the Titus County Civic Center on January 15, 1993, at 7:30 P.M. This show, sponsored by the Titus Co. Sheriff's Department, is not your typical Country Show. With its wide variety, there is something of enjoyment for everyone. There are Country and Gospel tunes, featuring solos from nearly every member of the group, beautiful duets, a quartet, and even some five-part harmony. The Braschlers have been featured on the Nashville Network's premier show, Nashville Now, and are considered one of the top attractions for family entertainment in Branson, MO.

The Band backs up the group on drums, piano, guitar, fiddle, steel guitar and banjo, but a fast paced instrumental features the somewhat unique additions of harmonica, trumpet, saxaphone and even the kazoo.

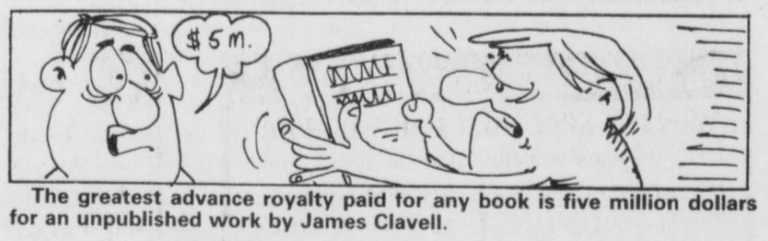

Homer Lee, the comedian of the Braschler Music Showhas appeared on the nationally syndicated television show, Hee-Haw. An avid people watcher, Homer Lee is a bumblin[g] but lovable character, whose p[er]show monologue is guaranteed to tickle anyone's funny bone.

The Braschler Quartet is comprised of Cliff Braschler, patriarch of the group, who sings tenor, plays harmonica and plays straight man for Homer Lee; Paul Braschler, who sings baritone and plays bass guitar and trumpet; Johnny Walters, who sings lead and plays piano and saxaphone; and Brad Bacon, who rounds out the quartet with his deep bass voice. Add a pretty lady, Dee Schrock, and you've got a winning combination. Information? Call 572-6641.
