

COUNTY AGAIN EXCEEDS WAR CHEST QUOTA

Many Hunters Get Limits Of Ducks and Geese As Season Opens

Hunting Season Ushered In With Warm Weather

Good Shooting Reported In All Sections, Despite Spring-Like Weather

It sounded like a battle in some areas of Aransas county at sunrise this morning as the 1944 duck and goose shooting season dawned. It was an almost spring-like morning but despite the lack of cold weather many of the hundreds of hunters out for opening day got their limits.

Port Bay Hunting Club, Mills' Wharf, Copano Bay Club and St. Charles Hunting Club all reported good shooting, with nearly everybody getting ducks or geese, or both.

Port Bay Club reported more than thirty hunters out this morning and half of them got their duck limits before noon, and the others went out for afternoon shooting.

Mills Wharf reported 47 hunters booked and good luck for all of them.

H. M. Staggs, Dallas Oil man, shot his limit of ducks within an hour after the season opened and then went goose hunting. He was back at Mills Wharf before 11 o'clock with his limit of geese.

Sheriff A. R. Curry and Charles Cleveland were back in town before noon—each with his limit of ducks.

This year is providing one of the latest winter seasons in years. Up to date there has not been a cold norther, and scarcely any cool weather.

With the coming of cold weather hunters are expecting still better shooting later in the season.

Game Warden Warns Fishermen to Get Licenses at Once

A warning was issued this week to all commercial fishermen who have not purchased their new licenses to do so at once, or they will be faced with charges if caught selling fish.

"There are many commercial fishermen who have not yet obtained their new licenses which were due on Sept. 1," Capt. M. B. Mullinax, of the State Game Fish and Oyster Commission, said, "and those caught without them will be fined."

The licenses can be obtained from Capt. Mullinax or at the Game Commission office in the court house.

Funeral Rites Held Here For Mrs. Myrtle Mildred Thompson

Funeral Rites were held here Monday morning for Mrs. Myrtle Mildred Thompson, widely beloved teacher of the elementary grades in the Rockport school, who died in a Corpus Christi hospital last Saturday night at 9:30 o'clock.

Services were conducted at the Sacred Heart Catholic Church by Rev. J. H. Kelly, pastor. The Rockport Schools dismissed Monday morning after a five-minute assembly program and the students attended the services en masse.

Following the services here the body was sent to Perryton, Texas for burial.

Mrs. Thompson was 39 years old and was a graduate of West Texas Teachers College. She taught school in Aransas Pass for several years before coming to Rockport to teach. After her marriage she quit teaching for several terms, but when the teacher shortage became acute she again took up her profession.

Surviving are her husband, J. C. Thompson of Rockport; her parents Mr. and Mrs. F. P. Rogers of Farnsworth; a brother, O. C. Rogers of Farnsworth and a sister, Mrs. Vivian Sparkman of Perryton.

The funeral mass was celebrated by the Rev. J. H. Kelly, assisted by the following priests:

The Rev. John Basso, pastor of Holy Cross Church, Corpus Christi; the Rev. Philip O'Reagan, O.S.B., chaplain of Spohn Hospital, Cor-

COWGIRLS TO SING AT BEEVILLE RODEO

The "Flint Hill Cowgirls Chorus" of Howard, Kansas, will be featured by Rocky Reagan in his big rodeo to take place in Beeville November 4, 6 and 7. They have appeared before groups of cattle-men in Kansas City, Oklahoma City and Tulsa.

Standing left to right are Aline Bacus, Pauline Smith, Elsie Stewart and Mildred Crieger; seated, left to right, Ann Sloan, Marjorie Cummings and Frances Perkins. The girls are not professionals. They are all wives of prominent Kansas ranchers.

Funeral Services Held In Houston For A. Stanlev

A. Stanley passed away October 25, 1944 in the Refugio Hospital following a heart attack which he had Monday evening in the home of his son, J. D. Stanley at Bayside.

Funeral services were held Thursday afternoon in the Third Baptist church of Houston, conducted by Rev. P. C. Williams, pastor. Many beautiful flowers bespoke the esteem with which his friends regarded him. He was laid to rest in Forest Park Cemetery.

He was born September 9, 1871 in Indiana and later moved with his parents to Clafin, Kansas. He was married to Miss Jessie Mae Musslewhite of Wilson, Kansas July 23, 1899. They made their home in Stafford and Wichita, Kansas, where he was chief engineer of the city waterworks for a number of years. He came to Texas in 1911, returning to Kansas for two years in 1924 and again returning to Texas in 1916.

He worked here in the Heldenfels Shipyard in the first World War. He has followed the oil field work in his younger life as an engineer, later as watchman until 1942. He has considered Rockport his home, being in and out since 1917.

The past year he has been on a small farm near Rusk and moved to Bayside just last month.

He is survived by his wife, five children, Mr. J. D. Stanley of Bayside, Mrs. Orba Court of Galveston, Mrs. Elva Guynes of Houston, Mrs.

Let's Revamp Our Outmoded Tax Setup!

(AN EDITORIAL)

Aransas County voters should not allow all their interest to be taken up with the presidential election next Tuesday, but should give some serious thought to the proposed Constitutional Amendments—especially to HJR No. 18.

If adopted by the people this amendment will allow our tax system to be modernized to fit conditions as they are today, and not as they were back in 1906 when the present tax system was set up.

This amendment, which has the endorsement of your county judge and county commissioners, is carried it will permit Texas counties to re-allocate tax money to fit the needs of various funds.

Remember this: The present constitutional limit of 80-cents on the \$100 valuation will be retained if the proposed amendment carries.

The Constitution of Texas limits county levies to 80 cents on each \$100 as follows: 25c for the general fund; 25c for the permanent improvement fund; 15c for the road and bridge fund; and 15c for the jury fund. This tax structure was set up when the constitution was adopted. It has had three amendments, the last in 1906. Today conditions make reallocation of tax monies desirable in many counties, but such is not possible without this new legislation.

This Amendment Provides that by county-wide ballot of property owners, officials of any Texas county can be authorized to re-allocate tax money to meet today's

Leah Clark of Galveston, Mrs. Zella Haynes of Rockport; seven grandchildren, two sisters, Mrs. Grace Goudy and Mrs. Anna Biggs of Macksville, Kansas; a sister-in-law, Mrs. J. A. Stanley of Edinburg. Besides the immediate family he leaves nieces and nephews and many friends who are saddened by his departure.

Mr. Stanley became a Christian when 18 years of age and joined the Friends Church of which his father, Rev. Franklin Stanley was pastor. In the home he was an affectionate father and a devoted husband. In his forty-five years of married life, he was never known

Gregory Wildcats Will Furnish Strong Opposition

The Rockport Pirates will journey to Gregory this coming Friday afternoon to pit their strength against a tough Wildcat eleven that has downed almost every opponent they have come against this season, except Ingleside. Game time is set for 3:30 p. m.

The Pirates thus far this season have won three, tied two, and lost one. Friday afternoon at Flour Bluff, the Pirates went against a team that out averaged them in weight over 14 pounds to the man, and came away from that field of battle with a 6-6 tie. The Pirates lost her conference place by virtue of two penetrations to one in favor of the Flour Bluff gang. Russell Rowe, who had been playing a bang-up game for the Pirates all afternoon, intercepted a lateral pass from Flour Bluff and raced around 50 yards for the touchdown. Try for extra point failed, and try as the Pirates could, they could not make another counter all afternoon. The game was marked with poor officiating.

This week the Pirates have come back with fighting spirit and a determination to make the two remaining games with Gregory and Banquete the best of the year. The game with Gregory this coming Friday afternoon will probably be one of the toughest of the year, and Harris Pollard, quarterback, will be put to the full test in calling the plays where the Wildcats are not.

Ottie Mundine, co-captain and fullback, will be the one that the Wildcats are after, because he has played a consistent game at that position. Joe Johnson, Jr and Eddie Mundine will be hard put to block out the men for their runner, but they can and will when the test comes. Russell Rowe and David Herring at end positions should shut the Wildcats out of play when they start Friday afternoon.

Joe Saleh at left tackle and Dexter Wright at right tackle should know by this time that the Wildcats' line is as fast as it is large, and they'll be set for the opposition Friday. Elmer McLester and Albert Hunt, veteran guards, will attempt to stop the Gregory line before they start, and will be hitting that line for the Pirates on every play. Bert Haney and Bobby Morrison at center position should, between them, do a grand job there, although in many instances the line-up changes throughout the game.

Jackie Dietrich, main string tackle at the beginning of the season, has not been of very much use to the Pirates in the past two games because of a side injury which he has been nursing since the Ingleside affray. On hand for the Gregory tilt will also be Norman McLead, Denny Smith, Jesus Soliz, Frederick Close, Clifton Evans, Billy Joe Hunt, Denzel Bardwell, and Kenneth Phagan (whose injured leg has been a worry to him since the Sundeen Game.)

"We are going to take this game if there is any possible way, and we think we have that way," Coach Wheeler said. Hard-hitting, "ood blocking and tackling, and lots of quick thinking, will carry us over the top in this game."

Tony J. Peres Returns Home After Being Reported Missing In Action

Tony Peres stepped off a bus here one night last week, and a few minutes later brought a joyful surprise to his father and friends. Only a few days before he had been reported officially "missing" by the Navy Department.

Peres, who was serving in the Mediterranean with the USNATS at the time he had to abandon ship, is spending a 11-day survivors leave here with his family. He is

Quota Reached With Committees Still to Report

Final Report to Be Made During Week, When All Committees Report

Aransas county has gone over its United War Chest quota again, according to Pat Mixon, county chairman. The total not yet been tallied, because there are still several communities and committees to report.

The quota assigned the county this year was \$2,203, which included \$500 for the Boy Scouts. Including \$409 credit that was given the county for oversubscribing its quota last year, the total thus far has reached \$2,525.29, or a total of \$2,116 in actual cash collections.

Mixon said that as Sparks Colony Estes, Oak Grove and Lamar had not reported, and that it was also likely that more money would be turned in by committee workers in Rockport.

The United War Chest contains funds for practically every war-connected charity and activity, except the Red Cross. Boy Scouts were included in the quota this year for the first time here, and the local troop and the district Scout organization will share in the collections.

County Singers At Methodist Church Sunday

A singing program of wide appeal will be presented Sunday afternoon from 1 until 5 o'clock at the First Methodist church here by the County Singing Convention. The convention is made up of singers from all denominations and meets once each month.

Joe Smith, president of the organization, issues a cordial invitation to the public to attend and participate in the program Sunday. The singing convention was organized in Fulton several months ago, and has most of its meetings there. Any church may book the singers.

Hamblin Buys Roberts Interest In Electric Co.

B. W. Hamblin this week purchased the interest of R. R. Roberts in the Rockport Electric Company and becomes the sole owner. Hamblin will continue operation under the same name and at the same location.

"My principal reason for selling is my physical inability to carry on under the heavy demands," Roberts said. "I wish to bespeak for Mr. Hamblin every success in carrying on the business."

Ordination Service At First Baptist Church

An ordination service will be held next Sunday afternoon at 3 o'clock at the First Baptist Church, in which a number of pastors and deacons of the Blanco Association will participate. Rev. J. F. Miller of the Ingleside church will preach the ordination sermon.

The Youth Choir will sing a special number. A most cordial invitation is extended to friends and the general public to attend.

Mrs. John Cole Hostess For Halloween Party

Half a hundred young people gathered last Saturday night at the home of Mrs. John Cole for a Halloween party sponsored by the Fulton Community Church and enjoyed an evening of games, contests and stunts in keeping with the theme.

Decorated throughout in black and orange, including cut-outs of witches, goblins, pumpkins and all the Halloween frills, the setting was ideal. Each guest was greeted at the door and was required to take a ride on a witch's broom to gain entrance. Halloween games, such as pinning the cat's tail on, catching apples on a string, potato races and guessing games were played, followed by a round of bunco.

Sissie Rowe won high score in bunco and Bobbie Ruth Jones, low score. John Cron proved best at pinning the cat's tail on, and Ruby Mae Wilkinson won the booby prize. The refreshment course reflected the Halloween theme with the plate holding nut cups and a color scheme in keeping with slices of white cake embellished with orange pumpkins and raisins, cookies with faces, popcorn balls and punch.

It was a two-in-one party with two age groups enjoying the affair. In the older group were the following:

Donald Weber, C. M. Deason, Jimmie Morrison, John Cron, Cyrus Davis, Tim Haynes, Lois Mae Shults, Ruby Mae Wilkinson, Joan Amddan, Juanita Pitkicic, Jackie Dietrich, Jesse Mayer, Marjorie Louise Mayer, Bobby Ruth Jones, Sissie Rowe, Johnnie Rowe, Russell Rowe, Wilma Rouquette, Ruby Cole, Dixie Mundine, Oattie Mundine, Edwin Mundine, Bertha Faye McElwee, Elaine Madden, Geneva Stewart, Mary Ruth Dervage, Berta Gene Shults, Mary Ruth Dervage, Beryle Collins and Dexter Wright.

Assisting with the party were Rev. and Mrs. Frank Walker, Mrs. Elbert Mundine, Mr. and Mrs. Edwin Mundine, Mrs. Mattie Cole, Miss Hettie Weber, Mrs. Boone Mrs. Rehm Dunlap, and Mrs. Stewart.

The younger group enjoying the party included: Billy Rowe, Frankie Rowe, Cecil Cole, Shirley Cole, Fay Nell Cole, Leslie Cole, Richard Simpson Jr., Carol Simpson, Dale Owens, Virginia Ann Mundine, Fay Nell Jones, Mervin Jones, Bobbie Boone, Hilda Gale Walker and Tanya Dunlap.

What's the difference between a taxidermist and a tax collector?

MARK TWAIN asked that one. And Mark Twain answered it: "The Taxidermist takes only your skin."

It's typically American to wisecrack when the going gets tough. But all of us know that stiff wartime taxes are necessary.

Last year, the business-managed electric companies of America passed along 25 cents out of every dollar for taxes of one kind or another—about \$700,000,000 altogether. That money will buy a lot of planes, guns and tanks. America's business-managed electric companies are glad to pay their share in the fight for freedom.

It is these same business-managed electric companies who are today producing more

than 80 per cent of America's power for war. Yet there are government-owned electric power systems, competing with business-managed companies, which pay virtually no taxes. As a matter of fact, these government-owned systems pay about 3 cents out of every dollar for taxes as against the 25 cents paid by business-managed companies.

Naturally, we are not completely unbiased on the subject, but isn't it only fair that all players in any game abide by the same rules? Today, when every tax dollar is so desperately needed to win the war, everyone should carry his fair share of the tax load.

Christian Science War Relief Extends Aid Program

BOSTON—Cessation of fighting in Europe will by no means put an end to the sewing, knitting, packing and shipping activities of Christian Science War Relief units throughout the United States. These units in fact are being asked to greatly increase their output in order to assist in the gigantic task of re-clothing the liberated populations of the Continent.

Announcement is now going forward to all churches of Christ, Scientist, and Christian Science Societies in the United States that the Christian Science War Relief Committee has been authorized by the Christian Science Board of Directors to extend its program to include postwar relief in Europe at the earliest opportunity.

Information obtained from Government and private sources indicates that the need for clothing will be even greater than that for food. After careful study of all available facts, the National Planning Association, for instance, recently reported that at least 100,000,000 persons in captive Europe have insufficient clothing. Children are unable to leave their homes for want of something to put on. Young and old alike go about in rags. Millions lack any apparel that could be called warm.

It is to help meet this acute need that the Christian Science War Relief Committee in common with other war relief agencies is stepping up, rather than curtailing, its program as the fighting in Europe appears to be approaching its final phase. The committee has already started putting goods into warehouses so that they will be ready for distribution at the first possible moment.

Wide Distribution

Now at the end of its fourth year, the Committee finds that it has distributed approximately 2,522,059 garments to the needy overseas. About 1,634,787 of them went to England; the rest to refugees and, as the occasion developed, to liberated countries in continental Europe.

The same kind of clothing, both new and used, that has brought so many expressions of gratitude from bombed-out families in England will be needed in still larger quantities for the homeless and destitute in liberated Europe. Cloth-

Pay of Texas Teachers Below National Average

The Texas State Teachers Association has just completed an exhaustive survey on teacher vacancies, turnover and qualifications. The survey includes replies from 149 county superintendents and 834 independent school district superintendents. \$7,071 teaching positions or approximately 90 per cent of all positions in Texas are included in the survey.

Replies from the superintendents disclosed that on the opening day of school 1,619 teaching positions had not been filled for the school year. The percentage of vacancies in rural schools was higher than for the independent districts. These vacancies exist although the schools abolished or consolidated more than 700 positions during the past school term.

More than one-fifth of all of the teachers in Texas are new to their job this year. One question asked of superintendents by the State Teachers Association disclosed that they have 7,992 new teachers in their schools this year.

The rural schools are shown to have been forced to employ more than thirty-five per cent of their teachers with sub-standard qualifications while independent districts list about twelve per cent of their teachers with sub-standard qualifications. The reports disclosed that a total of 6,146 teachers started the 1944-45 school term with qualifications that would have been considered below standard before the war.

The supply of teachers in Texas does not promise to improve in the near future. On the contrary the situation could become even more acute.

The low pay of teachers in Texas is given by the Teachers Association as one of the chief reasons for this shortage. The average pay of teachers in Texas last year was approximately \$1200 per year. The National average of pay for teachers is more than \$1600.

Humble Will Broadcast Three Games Saturday

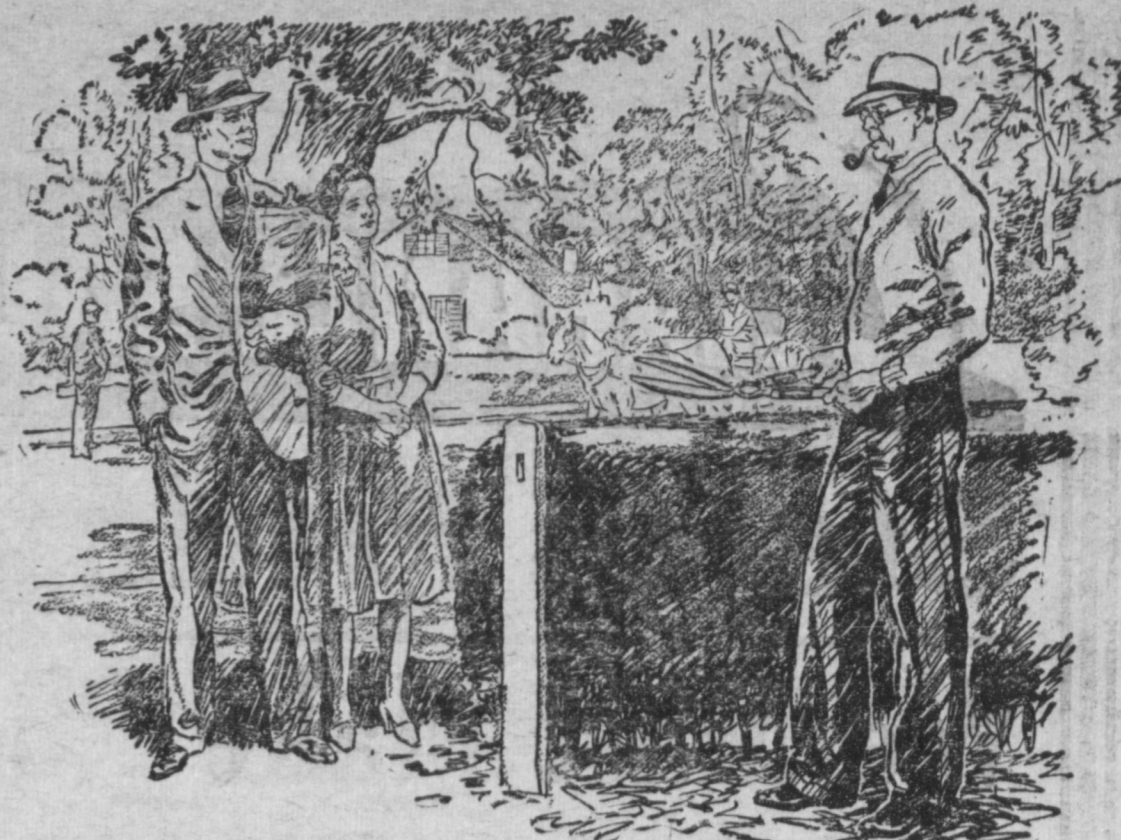

Humble's program of three broadcasts this Saturday afternoon inaugurates the start of the second half of the football season.

Two conference games take the air at 2:20. The Texas Longhorn-S. M. U. game, with Kern Tips and Bill Micheals announcing, will be heard at this time over stations KPRC, Houston; WOAI, San Antonio; WFAA, Dallas; KTBC, Austin.

The other game to start at 2:20 is the Texas A and M-Arkansas game. This game will be aired over stations KTRH, Houston; KRLL, Dallas; KABC, San Antonio; and WTAW, College Station. Ves Box and Dave Russell will be play-by-play and color announcer respectively.

At 2:50 the last game of the day starts—the Rice-Texas Tech. tile Charlie Jordan will announce play-by-play, with Fred Nahas relieving for color highlights. Stations KXYZ, Houston; K TSA, San Antonio; KGKO, Dallas-Ft. Worth; and KRIS, Corpus Christi will carry the game.

THE OLD JUDGE SAYS...

"Mary and I were just saying, Judge, how lucky we are here in America that we have so many natural resources to help win the war."

"That's right, Jim. When war broke out we had oil, we had steel, we had food, lumber, aluminum...practically everything we needed. There's one thing we didn't have...rubber. The enemy had that."

"But that didn't bother us for long. Soon American brains and industry had synthetic rubber by the tons rolling out of plants. That filled a critical need...you can't win a war without rubber."

"I was very much interested the other day in reading a statement made by a high government official on synthetic rubber. In it he said 'It is fair to regard the rubber manufactured to date as being almost solely the product of the beverage distilling industry.'"

"He also said that, in his estimation, the tremendous contribution of distillers' industrial alcohol to the synthetic rubber program had not received the recognition which it deserves."

"We certainly learned something today, didn't we Mary?"

There's an unpaid balance due...

THE minute never comes when any of us can say, "I've done enough." Until the end of the war—and for years thereafter—there'll be an unpaid balance due the men who are winning Victory for us today.

Today, and every day you can, buy another Bond toward that unpaid balance!

5 REASONS FOR INCREASING YOUR WAR BOND PURCHASES

1. The tempo of this war is hitting its highest peak. Government expenditures for war are at the peak. MORE MONEY IS NEEDED... NOW!
2. In proportion to WHO HAS THE MOST MONEY, individuals are not buying their share of War Bonds. America must correct this situation.
3. War Bonds provide the farmer and rancher with the financial reserve he must have to survive the ordinary ups and downs of farming as a business.
4. Money will be needed urgently at a future date to replace and repair farm equipment, machinery, and buildings. War Bonds will provide it.
5. War Bonds are the safest investment in the world, return a good rate of interest, are easy and convenient to buy... from bank, post office, rural mail carrier, or Production Credit Association.

But War Bonds do pay installments on that balance!

Right now, the only protection we can give our boys is guns that fire quicker, planes that fly faster, and tanks that maneuver better than the enemy's. Your War Bonds help to buy them.

And when the war's over, War Bonds will go on making "payments"—because they'll help the country—including your farm—get back to peacetime prosperity. Let your returning boy find the farm backed with a strong financial reserve in Bonds... for new buildings, new stock, new ma-

REAL DEMOCRATS...GOOD REPUBLICANS... LET'S FIGHT THE NEW DEAL TOGETHER!

Here's the way to do it! Cross out the New Deal electors on the Democratic ticket. Cross out the other parties. But leave the Texas Regulars!

Loyal Democrats—here's the way to stay Democrats—and vote the New Deal OUT! Good Southern Republicans, and all you loyal Texans who have no party flag—we invite you to rally under the banner of the Texas Regulars—rally to the ticket that will win!

It's time for a change! Time to forget you're a Republican or a Democrat. Time only to remember that you are a Texan. An American. That you love your country and want it to stay just like it is.

Can it be free Texans believe one man is indispensable to the future of our country? Can it be free Texans believe one man should stay in power for 16 years? Can Texans, Democrats, believe our great Party should be run by alien-born Sidney Hillman, by Communist ex-convict Browder, by the big city political bosses who would sell out the South for the Harlem negro vote?

But we must stick together! Remember, we vote by states—unless we WIN in Texas—every last vote we cast is LOST!

Join with us, you good Republicans! Join with us, you Independents—join a great crusade! We'll march to the polls together. We'll strike down the New Deal Communism that raises its terrible shadow over America. Vote with us—we'll lick the New Deal in Texas—and we'll keep America FREE!

Essential! Indispensable! Vital!

ESSENTIAL IN PEACE! INDISPENSABLE IN WAR! VITAL TO VICTORY!

That's a good description of your railroad

NO MATTER HOW SMALL or how large your community—its growth, development, and well being has been, and will continue to be, closely associated with the ribbons of steel which form a fast, dependable communication system with the rest of the country.

SOUTHERN PACIFIC is justifiably proud of the transportation service it has rendered to the territory it serves directly, as well as the important part it has played in the nation's system of railroads in meeting demands of the war emergency. We are confident that all reasonable needs for improved service will be met adequately when victory is won.

WE PAY TRIBUTE to the communities along our lines—they are furnishing many men and women for the armed services—food and supplies so essential, both "across" and at home. We are fortunate in being privileged to serve those sections of the country most productive of everything essential NOW and in peacetime—New Orleans to the far Pacific Northwest—lower Rio Grande Valley to North Texas.

Pvt. Hasseltine Completes Course As Radio Operator
 Scott Field, Ill.—Pvt. John D. Hasseltine, Jr., son of Mr. and Mrs. J. D. Hasseltine Sr. of Rockport, has just been graduated from this radio school of the Army Air Forces Training Command. His intensive training here saw him complete a course in: Radio Operator, Army Airways Communications System.
 Now qualified for further duty as a skilled radio technician on the world wide battle fronts of the AAF, he may become one of the many SCOTT FIELD graduates serving as members of American bomber crews.
 In civilian life he was a Dairy farmer. He attended high school at Sinton, Texas.
