## Hospital Initiating Collection Procedure

With \$115,000.00 outstanding debts on the books for last year, The Knox County Hospital is initiating new collection procedures in an effort to keep accounts current, according to Glen Rumley, hospital administrator.

As will be noted in a notice in this week's classified section, the hospital board of directors is urging those with outstanding accounts to pay now, or make arrangements to take care of these accounts.

New collection procedures are being initiated to collect all past due accounts with credit reporting firms being involved.

All accounts over 90 days old will be forwarded to these agencies without notice to individuals.

Tuscaloosa, Alabama - The 1979-80 edition of Who's Who In Music will carry the names of seven students from the Knox City-O'Brien Consolidated Independent School District, who have been selected as being among the country's most outstanding high school music students.

Denise Waltrip, head of the school's nominating committee, and the editors of the annual directory have included the names of these students based on their music ability, academic achievement, service to the community, leadership in extracurricular activities and future potential.

Students named this year from Knox City-O'Brien CISD are Kay Howell, Gaylynn Burkham, Gerri Watson, Ruthie Trice, Steve Rumley, Cyle Clayton, and Barry Sutton.

## School Election Set April 5

The Knox City-O'Brien School Trustee Election has been called for Saturday, April 5. The election will be held jointly with the City and Hospital District.

The terms of current Board President Henry J. Jones and Board Secretary John Grindstaff Jr. are expiring. Jones has indicated his intention to run again, while Grindstaff does not plan to run. He has served on the board for 12 years.

Holdover members are Allen McGaughey, J.M. Emerson and John Gillispie whose terms run to 1981, and Doug Meiner and Alex Godsey, whose terms run to 1982.

Persons interested in filing for a place on the school board may obtain the necessary forms and information at the Superintendent's office. Filing deadline is March 5.

## Rehab '80 Funds Still Rolling In

Auction bidding for Rehab '80 continued this week because not all items were displayed on the televised program, a spokesman for West Texas Rehabilitation Center said Monday.

By late Monday, more the \$797,500 in pledges and auction amounts had been raised, Shelley V. Smith, executive director of the center, said.

The Rehab's 1980 budget is \$2.7 million. Participation of the people of the Southwest was tremendous, Smith said, and money raised in the telephone, which aired on 14 television and 10 radio stations Saturday night and early Sunday, will help fund the Rehab's campuses in Abilene, San Angelo, and Snyder.

The largest single donation - \$127,499 - came from a New York firm, Wallace-Murray Corp., which controls the Big Country firms of Dry Manufacturing, U.S. Brass, and Shook Tire Co.

Bidding on quilts and other auction board items has been extended until 5:00 p.m. Thursday. Persons interested in making bids may visit or call the WTRC at 915 692-1633.

The total amount raised through auction bids, collections by Colonial Food Stores' "Rehab Rangers" volunteers and contribution envelopes inserted in Sunday's Abilene and San Angelo newspapers will not be known until later this week, Smith said.

A minimum goal of \$600,000 had been set Saturday.

Smith said he was surprised at the packed-house crowd of 2,200 that came to view Saturday night's telethon at the Civic Center. Poor weather in past years had hurt the attendance, he said.
