From Denton Normal.

Notwithstanding the fact that we are now working on the third and final term of the school year of 1914-15, which is always considered by the faculty and student body as the term of hardest work and anxiety during the entire session, yet my letter will show that we have been enjoying ourselves in the different forms of social ways.

An unusual number of interesting events have taken place at our school lately. On April 1, and 2, the Normal was hostess for the Texas Intercollegiate Press Association. Representatives were present from a large number of the leading colleges and Universities of the State. Complimentary to the visitors, a reception was given by the Junior Class in Domestic Science on the afternoon of the first; A reading by A. A. Cooke of Dallas was given the same evening; and on the following afternoon, the city of Denton tendered the association an automobile drive over the city, ending with a brief visit at the College of Industrial Arts, where refreshments were served. The programs of the Association were interesting and instructive. The principal speakers for the occasion were Mr. Alvin Ousley of Denton who gave the welcome address in behalf of the city, Mr. E. R. Bently, of T. C. U. College and President F. M. Bralley of C. I. A.

Following last years precedent, a Minstrel Show was given on April 3, for the benefit of the athletic association. The play was an original production by local talent, and represented a conference of the belligerent nations, with minstrel features very cleverly introduced.

On the evening of April 10, the annual debate with our sister normals took place. This is regarded as one of the most interesting occasions of the college year, and never fails to arouse much school spirit. The enthusiasm was unusually great this year because of a double victory, which gives our school the enviable record of three successive double victories. The question which was debated was "Resolved, that the Monroe Doctrine should be abandoned." Mr. Peters and Mr. Ferguson won the affirmative side of the question at this place over the San Marcus Normal representatives while Messrs. Lowerie and Milam, our speakers who went to Huntsville won the negative side of question at Huntsville. The debaters of both Sam Houston and Huntsville Normals are talented speakers and, though we won victories over them, yet, they made us work for what we got, and they are young men who are worthy of our highest esteem.

We are now looking forward to April 2, which we have grown to regard as Field Day in our college. This is the day which we give to athletic contests of all sorts, including the usual varsities of track work, and ending with a baseball game. Our base ball team has been doing fairly good work this spring. Their first victories of special note were won in two games played on April 12 and 13th. The first game showed a score of 3 to 1 in our favor while the second game was ours by a score of 8 to 2.

A committee has been appointed to prepare a program to be rendered during commencement week, which will begin about May 20th.

Best wishes.

Orlan Stewart.

DON'T BE A PESSIMIST.

A pessimist is a queer fellow
He couldn't be much else, because he is a pessimist.
He borrows your horse and then kicks at his gait.
He begs a cigar and complains of its quality.
He listens to a five dollar sermon and then drops a nickel on the collection plate.
In the height of prosperity sees nothing but gloom ahead.
He gloats over his own virtues and rails at the frailties of his neighbors.
He was born with a grouch, lives the life of a grouch, dies the death of a grouch, and turns hell into a realm of grouch.
Don't be a pessimist.

E. L. SOUTHALL,

PAINTER AND DECORATOR

Let me figure with you on painting or papering your home. I can save you money. Strictly first-class work. Satisfaction guaranteed in every respect.

OIL COMPANIES ARE SUED

Attorney General Alleges Violation of Anti Trust Laws by Two Concerns

Austin, Tex.— Suits charging violations of the anti-trust statutes were filed by the Attorney General's Department in the Twenty-sixth District Court of Travis County against the Memphis Cotton Oil Company and the Quanah Cotton Oil Company.

The petition in each suit alleges that the companies for the purpose of preventing and lessening competition in the purchase of cotton seed at Childress and contiguous points made certain agreements with certain competitors whereby the competitors are eliminated from the market at those points.

ASYLUM VACANCIES UNFILLED

Governor in No Hurry to Fill Places on Southwestern Board.

Austin, Tex.—Governor Ferguson has not yet announced appointments to fill the vacancies on the board of managers of the Southwestern Insane Asylum, at San Antonio, caused by the resignation of Vories P. Brown and H. G. Staacke.

The Governor may wait until he goes to San Antonio on April 22, to attend the Fiesta San Jacinto, to announce the appointments.

TO REFORM COURT PROCEDURE

Governor Is Urged to Submit the Matter to Special Session.

Austin, Tex.—Former State Senator E. G. Senter of Dallas, was here today and requested the Governor to submit to the special session of the Legislature the question of empowering the Supreme Court to revise the code and practice for all the courts in the State, and to repeal all laws now governing practice. On account of the absence of uniform practice, Mr. Senter said that 85 per cent of the decisions of the Appellate Courts of Texas are filed with the subject of procedure, while the Federal courts have only 15 per cent.

PAGEANT TO BE POSTPONED

Austin Celebration Probably Will Not Be Staged Until the Latter Part of May.

Austin, Tex.—Due to the necessity of drawing down the lake to the 51-foot level, and perhaps lower, for the purpose of perfecting certain work on the dam which the City Council insists the contractors should do, the Austin Pageant, scheduled for April 26-30, inclusive, in celebration of the seventy-fifth anniversary of the founding of the city of Austin and the completion of the Austin Dam, probably will be postponed.

It was estimated that it will take a month or six weeks to do the required work and give time for the lake to fill again, so that there seemed no alternative to the postponement of the pageant until June. While it looks as if a postponement of the celebration is unavoidable, no definite decision as to dates was reached today. The pageant executive committee is to meet to take definite action.

KONE TO RESUME LECTURES

Will Urge General Improvement in Farm Conditions.

Austin, Texas—Former Commissioner of Agriculture Ed R. Kone will resume his week as farmers' institute lecturer in connection with the Department of Agriculture next week. He will visit on improvement on farm conditions, such as organization, diversification and co-operative marketing:

New Braunfels, April 19, 9:30 a. m. and 2:30 p. m.; San Antonio, April 20, 11 a. m. and 2:30 p. m.; Boerne, April 21, 11 a. m. and 2:30 p. m.; Comfort, April 22, 2:30 p. m.; Fredericksburg, April 23, 2:30 p. m.; Morris Ranch, April 26; Kerrville, April 27, 2 p. m.; Center Point, April 28, 11:30 a. m. and 2:30 p. m.; Bandera, April 29, 2:30 p. m.

STATE TREASURY NEARING DEFICIT

Funds on Hand, It Is Estimated, Soon Will Be Exhausted.

Austin, Texas.—Some appropriations made by the Thirty-fourth Legislature, and many more to be made in the passage of the general appropriation bill, will not be paid by the State Treasurer for several months. According to an opinion rendered to the State Treasurer by the Attorney General's Department all money now in the State Treasury and all that will be received during the present fiscal year, are appropriated and set apart to the payment of claims arising under appropriations by the Thirty-third Legislature.

NEGRO INFANT BURNED TO DEATH

Austin, Texas. — During its mother's brief absence from the house, the 7-month-old baby of Charley Barlow, a negro, was fatally burned by fire originating from an unknown cause in a quilt on which the child was asleep. The fire was discovered by two negro children who had been playing in the yard in front of the house, and their screams brought assistance, but too late to rescue the infant, which died two hours later.

MAIL ORDER RESERVATIONS NOW

CARGO OF TEXAS HORSES FOR THE GREEK ARMY

San Antonio.—Five hundred horses bought in San Antonio and within a radius of 150 miles for the Greek army will be shipped today for foreign service. The animals, fifty per cent of which are for cavalry and the others for artillery will be sent to Galveston and there loaded aboard the steamship Rappahanock which sails in a few days for Athens, Greece. A consignment of 1,000 head from Greece. A consignment of 1000 head from Oklahoma will complete the cargo of horse flesh for the Greek army, making the second shipment of 1500 animals from Texas, Oklahoma and the Southwest for Greece.

Representatives of the Greece government contracted with F. A. Cocke Live Stock Company of this city in January for 500 head of horses for the army to be shipped as soon as possible. The animals were purchased within a few weeks and have been held here waiting for a vessel to carry them abroad.

The entire cargo will be in charge of George Miller of the 101 Ranch and forty-one hostlers will accompany the animals to their destinion. The journey from San Antonio to Athens will consume thirty-five days.

DIVER WALKS UPON F-4 AT DEPTH OF 288 FEET

Honolulu — Chief Gunner's Mate Frank Crilley went 288 feet under water here and walked along the top of the submarine F-4, which disappeared March 25. The depth is said by naval officers to be a world's diving record.

He found the F-4 lying in a smooth, sandy bottom with no coral growths to impede housing operations. She lay tilted on her starboard side, her bow pointing shoreward. Two parted lines were found attached to the craft.

After Crilley reported it was said further observations probably would be made before an attempt is made to raise the F-4.

Crilley went down in an ordinary diving suit and the recompression chamber, designed to reduce pressure on the diver, was not used.

CLINGS TO THE OLD ORDER

Ballinger Declines to Adopt Commission Form of Government.

Ballinger, Tex.—At an election held here sixty-nine votes were polled for the adoption of the commission from of government and 289 against. The city will remain under the old aldermanic form of government for at least two years.

BEEVILLE TO VOTE ON ROAD TAX

Beeville, Tex.—The Bee County Commissioners' Court, in session here at the request of more than 200 taxpayers, ordered an election for May 22 to determine if there shall be levied a special 15 cents road tax on the $100 valuation. The consensus of opinion is that the issue will carry by a big majority.

LECTURE ON HOG CHOLERA

San Angelo, Tex.—Dr. W. H. G. Lampe of the faculty of the Agricultural and Mechanical College addressed a meeting of some three hundred stockmen and farmers here. Dr. Lampe spoke of hog cholera. At this time this is a most important subject in this section owing to the prevalence of the disease.

ZEPPELIN DROPS BOMBS OVER ENGLISH TOWNS

Newcastle, England—A Zeppelin raid was made in the Tyne district of Northumberland County. It appears that the Zeppelin reached Blyth from across the North Sea at about 8:10 o'clock, passed over Blyth and Cramlington and proceeded to the neighborhood of Seatonburn.

Bombs were dropped on several of the villages passed by the airship—five at Coppington, three at Wallsend, two at Seatonburn, and one at Bedlington.

The airship passed near North Shields and Neweastle. While neither city was visited, both took precautions against attacks by extinguishing the electric lights.

CLERKS TO MEET IN SAN ANTONIO

County Officials Pick Alamo City as Place of June Convention.

Fort Worth, Tex.—At a meeting of the special committee of the County and District Clerks and Tax Collectors' Association of Texas, in Fort Worth, it was decided to hold June 15, 16 and 17.

Those attending the meeting were Lon Beavers, president of County Clerks' Association: L. D. Morgan, Cleburne, president of the Tax Collectors' Association; Ed Elliott, Fort Worth, Tax Collector of Tarrant County; George R. Page, County Clerk at Laredo, and Noel H. Wells, Deputy Clerk in the Tax Collectors' office at Cleburne. A meeting has been called to be held at a later date by President Beavers, to arrange a program for the convention.

SAN ANGELO ELKS INSTALL OFFICERS

San Angelo, Tex.—At a meeting of the members of the San Angelo Lodge No. 998, B. P. O. E., here the new officers for the coming year were installed. Among the matters transacted were the preliminary steps toward the proposed construction of a new Elks home here. Some of the wealthier members of the lodge have been persuaded to take an interest in the project and have promised to aid in a financial way.

UVALDE DISTRICT CONFERENCE

Del Rio, Texas—The district conference of the Methodist Episcopal church South of the Uvalde district convened in Del Rio on Tuesday and will continue in session during the week. There are some thirty or more ministers in attendance with an excellent program for each day. The revival services at the Methodist church still continue.

MAJOR S. M. SIMMONS DEAD

Eagle Pass, Tex.—Word has been received here that Major S. M. Simmons died in San Diego, Cal., Sunday April 11. His body was sent to his home in Louisville, Ky., for interment. Major Simmons came to Eagle Pass in 1882 and was a resident of this place until 1895. Since then he has spent most of the winters in San Antonio, where he was well known.

Hallettsville, Tex.—The mayor has set the 19th of this month as clean-up day. The Ladies' Civic club will supply wagons to haul all trash away free. The city will also aid in this, as well as other citizens.

SCHOOL TAX ELECTION.

Gonzales, Tex.—The County Judge ordered an election in Common School District No. 11 for the purpose of determining whether or not the Commissioners' Court should levy and collect a tax of 10 cents on the $100 valuation for the purpose of supplementing the State school fund.

TO REBUILD LIVERY STABLE

Cameron, Tex.—Gambill & Posey will rebuild their livery stable, which was burned a few weeks ago. The new building will be of brick, 40 feet wide and 200 feet deep. The lot on which it will be erected adjoins the Robert McLane Company wholesale grocers. Since the fire they have occupied an old building near the fire station.

BLOW CAUSES LOCKJAW

Palestine Lad Dies From Effects of Apparently Trivial Injury

Palestine, Tex.—Paul Wallace Williams, 13 year old son of Mr. and Mrs. H. C. Williams, died from lockjaw caused by being hit in the head with a brick accidentally thrown by a playmate a few days ago.

SAFEBLOWERS AT STAMFORD

Stamford, Tex.—J. M. Radford Grocery Company's office was entered at an early hour by robbers who blew the safe and obtained a small amount of money. The explosion blew the telephone receivers down and turned on the lights at the central office at 2:25 a. m. The safe was totally wrecked.

ROAD TAX IS PROPOSED

Wilson County Plans to Spend $100,000 on Highways.

Stockdale, Tex.—The Commissioners' Court of Wilson County having expressed a willingness to expend $100,000 or more in improving the county roads, a petition for an election authorizing a 15-cent tax on the hundred dollars' valuation is being numerously signed by citizens of the county.

SEEK OIL AT BARTLETT

Bartlett, Tex.—A company organized by E. C. Sonntag and composed of several Holland business men will soon begin drilling for oil on land leased near Davilla, a small town fourteen miles east of here. Indications of oil in that territory are good and would have been developed several years ago but for the lack of capital.

CHILD EATS SALMON, DIES OF PTOMAINE POISONING

San Antonio.—Robert Edward, the one-year-old son of Mr. and Mrs. R. E. Bryant of 117 Seguin Road, died as a result of eating some canned salmon and shrimp, which caused ptomaine poisoning. The body will be sent to Moulton, Texas, for burial by the Sloan & Hagy Undertacking Company this morning

BOY SCOUTS IN JUNCTION.

An enthusiastic bunch of young Americans here met last week and organized a local Boy Scout movement. Rev. J. C. Campbell was selected scout master. The boys are taking a lively interest, and are making a promising beginning. They now meet twice a week and drill. More of the Boy Scout work will be taken up as soon as further literature may be received from headquarters.

This is the community's opportunity to reach the boy for good citizenship. Under proper direction it can be adapted with equally good results to all classes of boys.

The Boy Scout movement is not antagonistic to any civic enterprise, but rather seeks to co-operate. The movement is non-sectarian, and plans to work with every sect, creed and doctrine alike. Some uninformed people are under the impression that it encourages the military spirit; nothing could be more false. It seeks to promote peace, scouting and educational character building for good citizenship. It is absolutely non-partisan. There are innumerable points of excellent training in which the boys are drilled, along different lines; and the work, while being a very pleasant one for all, is a work of character building and good moral training for the young scouts; a training which will help to mould their lives toward good citizenship, and be of value in all after years.

The Boy Scouts is a national organization, and is accomplishing great results all over America. Their motto is "Be Prepared." The scout training prepares the boy for almost every emergency where quick thought and action are necessary and by a thorough systematic training prepares them to face life's difficulties and trying situations bravely. Many a boy has made himself a hero, even to the saving of lives by Boy Scout training which had taught him to keep cool, act quickly, and do just the right thing in time.

The laws of the organization require that its members be trustworthy, kind, helpful, cheerful, loyal, friendly, clean, reverent, thrifty, and many other things to make a good citizen of the boy. The Boy Scout movement is no small matter. It is a great and noble work, and should receive the endorsement and hearty co-operation of all our people. Boost it along.

And Jack Johnson's memory will be as black as his face.

Some men are so lazy they never work except in fly time.

No, there are no gossips in this town—just a few tongues talooping through life.

Next time we read in some poetic effusion about those "April showers" we'll know just what he's talking about. Yea, verily.

The Junction street sprinkler is painted up "beautimously," and shines like a new moon. Won't be necessary to bring it out today, however—not tomorrow. Some of the big European war guns have punctured J. Pinkus' water reservoir, and he can't get it fixed. All the repair workmen are so busy with cars that have been trying to "split the wind" that they haven't time for anything else. Meantime all growth is growing so fast that when one tries to get picture of anything of the kind it just results in a blur.

SEVERAL JUNCTION PEOPLE ARE NOW HAVING FITS

FEVERISH EXCITEMENT PREVAILS.

Cause Now Known.

Several Junction People suddenly had fits last week, causing feverish excitement upon the part of others who were clothed in hand me-downs. Cause of the fits is now known—W. H. STOP IT! STOP IT! STOP IT!

"Stop it quick!" said a man Tuesday as he rushed into our sanctum. As soon as he became cool and calm enough he made it clear that he had reference to a little want ad he had inserted a few weeks ago. "For the love of mike, don't let that notice run any more," he continued "I have had more answers already than I could handle."

Just another demonstration of the pulling power of Citizen want ads.

A CARD OF THANKS AND APPRECIATION.

This writer and wife found a very pleasant surprise awaiting us at the parsonage when we came in last Tuesday evening. A large table on the back porch literally loaded down and groaning under the weight of almost everything imaginable good to eat, and in addition to this there was a fine load of good dry wood in the back yard to cook with.

Junction people sure know how to pound a preacher with without hurting him. We desire to express to one and all our heartfelt thanks, and may God bless each one of you, and help us to be worthy of such good people.

Graduating Class Entertained

The Tenth Grade and faculty Junction High School were royally entertained April 30, by Alton Miller, at the lovely E. M. Burt home here. After spicy did music by different guests and the many pleasant games that were played as the enjoyment of sitting on the floor, the result of "fun" we were invited into the beautiful dining room artistically decorated in "green and gold," where ice cream and cake were served to the hungry guests.

At a late hour the guests made an unwilling departure, bidding Alton a happy good night and declaring him a splendid host. One Present.

Who?

Who sympathized with you when your little girl was sick? Was it Sears Roebuck & Co., or was it your home merchant? Who carried you last winter when you was out of a job and had no money? Was it Montgomery Ward & Co., or was it your home merchant? When you want to raise money for the church or some needy person in the town do you write to the Five Cent Store in St. Louis, or do you go to the home merchant? How much does the Cash Buyers Union give toward building the church or school house in your community or keeping up the minister's salary? When you were sick how many nights did A. J. Child's & Co., set up with you? When your loved one was buried was it your home paper which shed tears of sympathy and offered the cheering words, or was it Dorsey Printing Co., and Geo. D. Barnard & Co? We opine that if your memory is not extraordinarily poor, that by the time you have answered half above questions, you feel like curving gracefully across a molasses barrel and hire an able bodied mule to play a tatoo with his hind feet on the place where your pants fit the tightest. The merchant who has been sending his job printing away from home may also feel inclined to do something equally as heroic.—Ex.

is to paint when your property needs it. Paint foolish to wait for the price to go down.

But so many are foolish they'll wait a good while.

The whole rise in the cost of a job is 10 per cent. The first years drop won't be more than half that, more likely a quarter

THIS WEEK'S FORECAST

Washington, D. C., April 24.—Last bulletin gave forecasts of disturbance to cross continent April 28 to May 2, warm wave April 27 to May 1, cool wave April 30 to May 4. Temperatures of this disturbance will average about normal, the storms will be of greater than usual intensities, or force; rainfall will be from about normal to excessive in all southern and southeastern sections of the continent; frosts will occur about as usual for the season, reaching meridian 90 not far from May 7.

Next disturbance will cross great central valleys 3 to 7, eastern sections 8. Warm wave will cross great central valleys 5. Cool wave will cross great central valleys 8.

Temperatures of this disturbance will average about normal and frosts will be about the average of the season, reaching meridian 90 near May 9. Rains will continue to fall in southern and eastern sections.

Crop weather of first half of May is expected to be from fair to good south of the Potomac, Ohio and Missouri rivers and in northeastern states, but some parts of the middle northwest, in and around the Dakotas, will not get sufficient rain. But a considerable part of that section has enough moisture in the ground to carry it through May in good condition. The most damaging part of the May drouth, in the middle northwest, is expected from May 10 to 17.

Great prosperity is assured for this continent except where war exists. The time is at hand for this country, this continent, to lead in the world's industries, progress and general welfare. Now is the time, at the beginning of the crop season, for every one to do their best in producing the things that the human race must have. Strike while the iron is hot, make hay while the sun shines, profit by the misfortunes of other nations; it is not our fault; follow the advice of these bulletins and you will be happy when the harvests are all garnered.

ROOSTER ATTACKS BOY; SPURS OUT LAD'S EYE

San Angelo, Tex.—Eye specialists here say that the sight of an eye has been lost through the attack of a rooster upon a 2-year-old boy. The lad is a son of Mr. and Mrs. Curry Westbrook, who live on the Copeland ranch north of here. Last week the boy was playing in the yard when it was attacked by a rooster. The rooster struck at it with one of its spurs, sinking it into the lid and eyeball. For a time it was thought the eye could be saved, but the doctors now say the child will never again see out of the injured eye, and fear the sight of the other may also be affected.

WOMAN HURT IN RUNAWAY

Yoakum, Tex.—While Mrs. W. H. Buntyn was driving on East Gonzales Street, the horse she was driving became frightened and started to run. Mrs. Buntyn and a negro woman who was riding with her, were thrown from the buggy, resulting in Mrs. Buntyn receiving a severe injury in having her right shoulder blade dislocated.

DIMMIT COUNTY SMUGGLERS

Uvalde, Tex.—The case of the State vs. Domingo Rosas, charged with attempt to murder by shooting at a posse in pursuit of Mexican smugglers in Dimmit County, was placed on trial here.

District Attorney Brucks is assisted by Judge Linden of San Antonio, and for the defense Lawyers T. M. Martin and Paul R. Ellis have been appointed by the ocurt.

NO FORMAL PEACE PLANS PRESENTED TO PRESIDENT

Washington, D. C.—Commenting on a published statement of Pope Benedict that the latter had indicated a desire to support any move the United States might make for peace, President Wilson declared that intimations of this character had been frequently con veyed to him through different persons.

He said, however, no formal communication had come to him on the subject.

WILHELMINA CASE SETTLED

British Government to Buy Cargo and Pay Damages.

Washington, D. C.—Notification was received by the State Department of the virtual settlement without prize court proceedings of the case of the American steamer Wilhelmina, held up at Falmouth, England, while bound for Germany with a cargo of foodstuffs. N. B. Lindhein, one of the owners of the cargo, and his counsel, former Senator Towne of Minnesota, confirmed London dispatches announcing the British government had purchased the cargo and agreed to pay all damages.

TEXAS MEXICANS IN BATTLE

One Killed and Two Wounded in Pistol Fight in Cameron County.

Brownsville, Tex.—Juan Garcia was killed, Juan Luga fatally injured, and a third Mexican slightly injured in a pistol battle that occurred at a Mexican dance at Los Indios in the back part of Cameron County.

The Sheriff's department is looking for Marcellus Luga, brother of one of the injured, who is believed to have escaped to Mexico. The shooting is said to have followed general trouble in the crowd. Officers found the outside of the house where the shooting occurred peppered with bullet holes.

ADRIFT ON AN ICE FLOE

Man Seen by Eskimo May Have Been Member of the Stefansson Expedition

Nome, Alaska. — Natives, hunting seals last winter, are reported in mail advices received from Icy Cape, on the Arctic Coast, near latitude 70, to have seen a white man marooned on an ice floe drifting in a westerly direction toward Wrangel Island. Whether the man was a member of Vilhjalmur Stefanson's, Arctic expedition or was a survivor of the wrecked whaling schooner New Jersey, the natives were unable to determine.

When the natives first saw the man he was on a large pack of ice separated from them and the shore is by a wide stretch of water. At first they thought he was a hunter from their tribe, but on reaching shore learned the man was not a native. The hunters immediately hurried out onto the ice to try to rescue the marooned man, but before they reached the lead separating the floe from the shore ice, a strong off-shore wind had sprung up, carrying the ice to sea.

STATE OPENS CASE AGAINST THE FRYS

Court Adjourns After One Witness Had Been Examined.

Wichita Falls, Tex.—Four additional jurors having been secured, thus completing the panel, the indictments having been read and pleas of not guilty entered by the defendants taking of testimony began in the Seventy-eighth District Court here in the case of E. W. Fry, Pete Fry, R. M. Todd and John Lischke, charged with the murder of Deputy Sheriff Cherryholmes at Graham, February 24.

"FAMINE" OF RATS FOR CANCER RESEARCH PURPOSES

New York.—Now it's a rat "famine" in New York. While most folks are busy poisoning the rodents, there's one place that complains it hasn't enough. This is the George Crocker Cancer Research Laboratory of Columbia University. In its cancer cure experiments the laboratory uses from 3,000 to 4,000 rats and mice every month. What might be regarded as "fancy" prices for rodents "on the hoof" are paid, for the scientific experts insist that they be delivered alive.

Small boys are paid to catch the rodents and a regular market "price current" is in vogue.

Prof. Francis Wood, director of the research fund of the laboratory, says already much progress has been made in the cancer experiments with the rodents. Many elaborate experiments and observations have been carried on at the laboratory, which is backed by the Crocker fund of $1,500,000, and an additional $50,000 given by the late George C. Crocker prior to his death.

HOLDS UP WOMAN

Mexican Is Arrested by Deputies After a Long Chase.

San Antonio.—After a chase of more than two miles in an automobile three armed deputy sheriffs arrested a Mexican who had held up Miss A. Naurath at the point of a pistol.

The Mexican walked into the store in which Miss Naurath was, four miles southeast of the city on the Gonzales road. He drew a pistol and began to flourish the weapon. When Miss Naurath cried for help the Mexican ran out of the store, sprang on a horse and rode away, flourishing the pistol.

Chief Deputy Sheriff Galbreath and Deputies Millard and Rogers responded to the call. After a chase of more than two miles they overtook the man and arrested him. A charge of attempt at robbery with deadly weapons probably will be filed against him.

HOG CHOLERA IN WEST TEXAS

San Angelo, Tex.—Every possibleffort is being made to check the spread of hog cholera among the herds of this section. Several places have been quarantined. More than seventy hogs have died from the disease in the past month. To better inform and educate hog raisers a meeting will be held here on the 14th at which timely talks will be made by experts from the faculty of the Agricultural and Mechanical College.

CONVICTED MAYOR IS SEEKING BOND

To Secure Liberty Terre Haute Official Must Give Security of $60,000.

Indianapolis, Ind.—Four men convicted in the Terre Haute election fraud trial and sentenced by Judge Anderson to the Federal penitentiary at Fort Leavenworth, Kansas, received their commitment papers late today and were given until Sunday to begin the trip to prison. The sixteen others, including Mayor Donn M. Roberts, who received prison sentences and appealed, and the 87 who were given sentences ranging from one day to six months in the local jails, are in jail here.

To obtain liberty pending his appeal, Mayor Roberts, who was sentenced to six years and to pay a fine of $2,000—the severest sentence given—will have to furnish a bond of $60,000. If all procure bond it will mean a total of $420,000.

SANTA FE SPENDS $300,000

Large Improvement on Track in Texas Approved.

Houston, Tex. — Permanent improvements to be made at a cost of approximately $300,000 are authorized in the statement of work, determined upon during March, issued from the office of Vice President and General Manager F. G. Pettibone for the Gulf, Colorado & Santa Fe. Of the total $198,725 is appropriated for improvements of track in various parts of the state. The work determined upon is the largest since the war in Europe began.

PREPARING FOR BATTLE OF FLOWERS

DR. BLAKE ADMITS LOSING KEYS BUT NOT HIS LIFE

Floresville, Tex.—An article under a Victoria date line appeared in the daily papers of Sunday stating that a well-known Victoria merchant had found a bunch of keys in the Guadalupe River near that place that had been sucked out of the Guadalupe river by a government dredge boat. It was stated that the keys were on a ring that bore the inscription of John V. Blake, Cuero, Tex. It further stated that the owner had lost his life near Cuero and that the body was never recovered.

The facts in the case are that John V. Blake is now a prominent physician of this city. In the spring of 1888 Dr. Blake was superintendent of the German Lutheran School at Victoria. At that time Rev. Sterling Fisher, now head of Coronal Institute at San Marcos, was pastor of the Victoria church. Dr. Blake and Rev. Mr. Fisher were enjoying a fishing trip about two miles from Victoria and the doctor remembers distinctly of losing a bunch of keys. They were on a ring bought at the Cotton Exposition at New Orleans in stead of the St. Louis Exposition, as the article indicated. Dr. Blake is very much alive and has for years been doing his part toward keeping many others alive. He will send for the keys and ring to keep as a relic.

BURGLAR STEALS HORSE FROM PREACHER'S BARN

San Antonio—Rev. B. A. Owens of the Hillcrest Baptist church, who resides at 2704 Monterey street, awakened and went outside to get a breath of fresh air he found his front yard gate open. Later when he went into the back yard he found the shed door open, and when he looked into the barn his horse was gone.

The animal was stolen some time during the night. It is 14½ hands high and is a bay horst. Rev. Mr. Owens used the animal almost daily in driving about the city.

He reported his loss to Sheriff Tobin. He also reported that a number of his neighbors have had their chicken coops robbed within the past few days.

BIRDS AID CROPS

A Good Neighbor who works all night for the benefit of mankind

Now is the very best time of year for their human friends to express some return interest in the bird neighbors which have been doing so much for mankind.

And then proceed to get acquainted with the little folks themselves. If you care about such things you will find out in "Who is Who, in Bird Land," that many of your unassuming little neighbors have a pedigree of which any one might be proud.

Highest in point of development is the Sialia sialis, one of the earliest comers of the most exclusive of the blue bloods. Their ancestors have never been accused of stealing fruits or preying upon crops of any kind. These bluebirds subsist entirely upon a diet of wild fruits and insect enemies of man.

You may have been a little suspicious about the night hawks who go abroad at hours when folks should be in bed. They are great sportsmen and such expert aeronauts that no winged insect is safe from them. They contribute greatly to the healthfulness of the section where they live, by disposing, in a most effective and hygienic manner, of several species of mosquitoes, among them, the anopheles, the transmitter of malaria.

Mrs. American barn owl is quite content with her homely name, satisfying her artistic nature with a harmonious cos-

tume of buc, overlaid with grayish, spotted with white and dotted with black. She is the radical leader of all progressive movements among her sisters, refuses to make a nest and goes out at night unaccompanied. She maintains her independent economic status in the civic plan of the bird republic by ridding the community of meadow-mice, beetless, shrews, gophers and other undesirable settlers in the fields.

Not anything you read or hear about these folks will be half so interesting or convincing as what you may find out for yourself by respectful observation. Especially, if you will look for good in both permanent and migrating neighbors.

Even the common crows, the blackest of them all, who have had their pictures put in the Rogues' gallery more than once, are great co-operators. They are shrewd and crafty folk, not easily outwitted and interesting because of their individualistic tendencies and variable temperaments. It is true they do not like to follow plans nor pick up corn laid down for them by mere man, preferring to get at the root and kernel of the material themselves, but all of this is not for pure mischief or love of stealing, of which these birds have so often been accused and for which they have been condemned to death. They go after and capture the wireworms, cutworms, white grubs, grasshoppers and other parastic hangers-on which render no useful service in return for the food they steal and destroy.

TRADE DAY AT LOCKHART

Third Event Proves Greatest Yet Held by Commercial Club.

Waco, Tex.—W. D. Averitte of West, former city marshal of West, who was shot by J. W. Emmons, died in a sanitarium in this city. Emmons had been re-arrested, charged with murder.

Mr. Averitte is survived by his widow, two children, one brother at Hillsboro, another at Vaughan and a third in Tennessee. He also has one sister at Vaughan, another at Aquilla, while a third lives in Tennessee.

DROWNED WHILE FISHING

Rev. J. P. Chambers, Methodist Minister of Lavernia, Meets Death in Cibolo River

Lavernia, Tex.—Rev. J. P. Chambers, pastor of the Methodist Episcopal church of this city, was drowned the Cibolo river. Rev. Mr. Chambers had set out a number of fish lines Thursday night and went down to the river to draw them in about 4 o'clock this morning. While doing so, it is believed, he accidentally slipped and fell in.

SAN ANTONIO MOTHER IS THE MOTHER OF TRIPLETS

San Antonio.—In the event Governor Fergusons offer of $50 to the first triplets born in Texas in 1915 has not yet been paid to some Texas mother, a San Antonio woman is in line for the reward. She is Mrs. Wenceslado Gonzales, who became the mother of two girls and a boy. She resides at 1026 South Colorado Street.

The attention of Governor Ferguson to her case has been called by Colonel F. A. Chapa, a member of his staff, who sent the following telegram:

"What are you doing for triplets? Mrs. Wenceslado Gonzales, one of my neighbors, residing at 1026 South Colorado Street, gave birth to two girls and a boy. Am sending by today's mail Dr. E. O. Evans' certificate. Father's occupation, laborer."

FIGHT ON CITRUS CANKER

Commissioner Davis Says Work Is Progressing Satisfactorily—Large Orange Crop Indicated.

Austin, Tex.—Commissioner of Agriculture Davis, accompanied by Professor E. E. Scholl, the department's entomologist, made a trip to the Alvin district to inspect the work being done in the war of the citrus canker. As to his observations Mr. Davis said:

"Professor Scholl and I attended by Professor Ayers, chief inspector of nurseries, made the trip Saturday, and we found the work progressing most satisfactorily. The bull tractor is taking out the old condemned stock by the millions, and this being piled and burned immediately. Other stock but slightly damaged is being heavy cut back, defoliated and sprayed.

REVIVAL A SUCCESS.

Berclair, Tex.—A successful revival closed here last week, and as a result thirty accessions have been made to the Methodist and Baptist Churches here. Rev. Dr. Bell of Belleville, assisted by the local Methodist pastor, Rev. Mr. Ross, conducted the services. Rev. Mr. Frank of Beeville preached several sermons and Rev. Mr. Albritton of Cuero delivered a sermon.

Rev. G. H. M. Wilson of San Marcos at his regular appointment here received fourteen new members into the Baptist Church, baptizing them yesterday afternoon at 4 'oclock.

BUYS 3,000-ACRE RANCH

J. S. Stacey of Nashville, Tenn., Seeks Residence Here.

San Antonio.—J. S. Stacey of Nashville, Tenn., who has purchased a 3,000-acre ranch at Orange Grove near Corpus Christi, was in the city looking for a suitable residence to purchase. He has just stocked the ranch with 600 Durham cattle and will engage in the cattle raising industry.

Mr. Stacey is associated with Staton Weldon of Houston and Frank J. Blake of Nashville in the investment, which represents $150,000. They became members of the Cattle Raisers' Association of Texas when the convention was held here.

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

DOUBLE SERVICE AUTOMOBILE TIRES

Guaranteed 7000 Miles Service. ABSOLUTELY PUNCTUREPROOF.

Double Service Tires are double the thickness of the best standard make tires.

This is 100 per cent greater wearing surface naturally gives that much more mileage and service. The average of 12 piles of tough fabric and one inch surface tread rubber makes these tires absolutely puncturepoof.

These tires excel all others for use in the country over rough and rugged roads as well as on hard pavements. They are as easy riding and resilient as any other pneumatic tire—the air space and pressure being the same.

They are the most economical and "care free" tries made and are used where tires must be depended on and tire troubles can not be tolerated. Many Double Service style tires are in use in the United States government and European War Service.

Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy cheeked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. R. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists.

WHAT THE KIDNEYS DO
Their Unceasing Work Keeps Us Strong And Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms which vary widely but may include pain in the back, headache nervousness hot day skin, rheumatic pains, gout, gravel, disorder of the eyesight and hearing dizziness, irregular heart debility, drowsiness dropsy, depositis in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effect ve kidney medicine.

A. M. Rice, Garden St., Uvalde, Texas, says: "I had weakness through my back and my kidneys were disorder. I used Doan's Kidney Pills with fine results. They made my kidneys strong and the pains in my back disappeared."

Price 50c, at all dealers. Don't simply ask for a kidney remedy get Doan's Kidney Pills—the same that Mr. Rice had. Foster Milburn Co., Props., Buffalo N. Y.

How often do we hear people say, "where in the world do all the flies come from?" It is simple enough. The toper makes the blue bottle fly, the stern father makes the gal fly, the cyclone makes the house fly, the driver makes the horse fly, the grocer makes the sand fly and the boarder makes the butter fly.

¶ It's a question which is the worst condition—*to want a thing and not have it,* or *to have a thing and not want it.*

¶ In either case the answer is—read and use the want ads.

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS

THE STATE OF TEXAS

Notice is hereby given, to whom concerned, that J. R. B. Fairchilds, whose postoffice address is Segovia, Texas, did on the 28th day of March, A. D. 1915, file an application in the office of the BOARD OF WATER ENGINEERS OF THE STATE OF TEXAS, in which he applies for a permit to appropriate 10 cubic feet of water per second of time, for the purpose of irrigating certain lands hereinafter described, from the unappropriated waters of the State of Texas, to be diverted from the Johnson Fork of the Llano river, in Kimble County, Texas, by means of a pumping plant located on survey No. 666, B. B. B. & C. Ry. Co., and on the east bank of said Johnson's Fork Creek about 10½ miles southeast from the town of Junction.

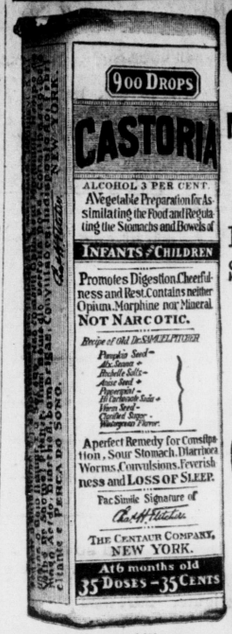

You are hereby further notified that the lands proposed to be irrigated are described as follows, to-wit: a part of Surveys Nos. 665, and 666, B. B. B. & C. Ry. Co., as shown by the accompanying map, containing 61 acres, and situated in Kimble County, Texas.

A hearing on the said application of the said J. R. B. Fairchilds will be held by the Board of Water Engineers of the State of Texas, at its office, in the city of Austin, County of Travis, said State, on Monday, the 3rd day of May, A. D. 1915, beginning at 10 o'clock A. M. at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under, and by virtue of, an order of the Board of Water Engineers of the State of Texas at the office of said Board in Austin, Texas, this the 15th day of March, A. D. 1915.

NO MORE TROUBLE FROM PUNCTURES

Nails, Tacks or Glass will not let the air out. A hundred thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing air to escape. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of this specially prepared fabric on the tread. The regular price of these tires is $10 per pair, but for advertising purposes we are making a special factory price to the rider of only $4.80 per pair. All orders shipped same day letter is received. We will ship C. O. D. on approval. You do not need to pay a cent until you examine and find them strictly as represented.

Notice the thick rubber tread "A" and puncture strips "B" and "D" also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

We will allow a **cash discount** of 5 per cent (thereby making the price **$4.55** per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. You run no risk in sending us an order as the tires may be returned at **OUR** expense if for any reason they are not satisfactory on examination. We are perfectly responsible financially and money sent to us is as safe as in a bank. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be well pleased that when you want a bicycle or sundries of any description, we want you to send us a trial order at once, hence this remarkable tire offer.

IF YOU NEED TIRES don't buy any kind at any price until you send for a pair of Hedgethorn Puncture-Proof tires on approval and trial at the special introductory price quoted above; or write for our big Tire and Sundry Catalog in which describes and quotes all makes and sizes of tires, tire equipment and sundries at about half the usual prices.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It costs only a postal to learn everything. Write it **NOW.**

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.
