Record Pictures Featured in Book

News photos from Colorado City Record appear in "1,000 Ideas for Better News Pictures," a book published this week by Iowa State College Press.

The record pictures are featured with 57 other from 17 different states across the country to illustrate the outstanding photography found in the nation's weekly and small daily newspapers.

Both record pictures concern a Hereford calf trapped in an abandoned salt pit on the Lewis Vowell farm. In sequence, Dru Vowell is shown hand feeding the calf in the pit followed by block-and-tackle lifting the animal to safety.

Joe Ed Boatright, record advertising manager, made the pictures for the Record front page.

Authors of the book are Hugh Sidney of Life Magazine and Rodney Fox, professor of technical journalism at Iowa State College and no relation to the Record's Roy V. Fox.

According to the authors, "1,000 Ideas for Better News Pictures" is designed to show how imagination and ingenuity can improve newspaper pictures. They show effective methods of posing people, using light, planning the pictorial composition, and attending to the many other details that contribute to publishing pictures with more emotional impact.

Examples are also given on how to sell more advertising with

a camera and how to use diagrams, maps, and graphs.

More than 100 pages are devoted to a case book of original photographs showing what can be done with everyday photographic situations that appear again and again in every newspaper—new club officers, weddings, awards, sports, new buildings, and many more.

In many instances two pictures are included for contrast—one showing how the situation frequently are handled by papers, the other showing a more imaginative approach under identical conditions with the same equipment and subjects. A commentary explains each picture.

Authors Sidney and Fox have had rich backgrounds in news paper experience. Sidney grew up around his father's newspaper, "The Adair County Free Press," in Greenfield, Iowa, and worked on The Council Bluffs (Iowa) Nonpareil, and The Omaha (Neb.) World-Herald before joining the staff of Life.

Fox has served on the staffs of The Des Moines (Iowa) Register, The Mason City (Iowa) Globe-Gazette, The Iowa Falls (Iowa) Citizen, and the Sandy (Ore.) Post.

Old-Timers Take Jubilee Spotlight

By LENA BAUMANN,
Record Women's Editor

Old-timers took the spotlight here Saturday in the concluding day of Loraine's 50th anniversary celebration.

They gathered at Loraine High in the morning, heard one of their hometown "boys," Congressman George Mahon, speak and then joined the Golden Jubilee barbecue line as honored guests. Swelling the barbecue line were approximately 300 Colorado City citizens wearing red and black lapel streamers inscribed "C-City Salutes Loraine."

A big portion of the Colorado City group traveled to Loraine in a motorcade under sponsorship of the Chamber of Commerce.

Old-timers began registering early at the morning reunion. Many wore the styles of yesterday as they renewed acquaintances and relived pioneer experiences.

And within an hour after the reunion started there were more than 100 old-timers in the crowd who had lived at Loraine before 1910.

Boasting one of the earliest dates was R. L. May, who listed 1891 as the date when his Loraine residency began.

Only three years later was Mrs. Hattie Scown, who listed 1884 as her date. And signing the register with an 1889 date was Mary Wallace Jackson.

Among the old-timers joining the reunion party early were: Mrs. W. H. Finley, 1907; Mrs. Lily Bennett, 1907; T. R. Bennett, 1906; J. H. Johnson, 1903; Cora Johnson, 1908; O. P. Blair, 1906; Albert Hiser, 1907; Mr. and

Mrs. Don Butler, 1906; Mrs. H. B. Wilson, 1906; James Bennett and W. A. Barnett, 1906; J. Land, 1905; Dee Land, 1905; Mrs. J. J. Land, 1907; Mr. and Mrs. D. E. Gunn, 1905; Mr. and Mrs. M. L. McCollum, 1907; and 1910; Mrs. Robert Mote, 1907; Mrs. L. B. Walker, 1901; W. Walker, 1901; Mrs. W. Walker, 1901; Homer Harris, 1906; Floyd Coffee, 1901; Homer Hart, 1905; Mrs. C. L. Lefevre, 1904; Mrs. T. P. Finley, 1906; C. J. Martin, 1908; Mrs. Emma Land, 1908; Mrs. Ollie M. Martin, 1908; Mrs. Bessie Johnson, 1902; Mrs. E. C. McCollum, 1906; J. W. Richburg, 1906; Mrs. W. R. Bruce, 1906; H. D. Muna, 1906.

PARADE STARTS FESTIVAL

Queen Gains Twin Honor at Jubilee

Loraine's Golden Jubilee provided double honors Friday for Miss Juaneil Finley.

The 17-year-old daughter of Mr. and Mrs. Lester Finley was the feminine attraction for the jubilee parade's prize-winning float.

And Friday night she was crowned queen of the entire 50th anniversary celebration.

Coronation of the queen came in conjunction with a variety show staged to an overflow audience in Loraine High gymnasium.

Receiving the crown of junior queen during the ceremony was

TALKS AT HOME—Reporting to home county citizens Friday and Saturday in speeches at Loraine and Colorado City was Congressman George Mahon.

Congressman Speaks At Loraine, C-City

Congressman George Mahon here Friday questioned the effectiveness of U.S. foreign policy.

At the same time, the chairman of the House subcommittee on military appropriations declared that Soviet Russia has been gaining economic and military strength.

And, relatively speaking, the U.S. has been losing, he said.

Mahon spoke to his hometown Lions Club in Civic House, his first public appearance here since returning from

Washington between congressional sessions.

Saturday he was principal speaker for the Loraine Golden Jubilee.

His questioning of the nation's foreign policy came at the conclusion of his Lions talk—which reviewed military and industrial developments by Russia, termed the Suez Canal problem a crisis and urged work for world stability.

"If our foreign policy has solved the problems of our world," the congressman asked, "why is it that in 1956 President Eisenhower asked an all-time high of five billion dollars for foreign aid—a very unpopular program with the American public—and more than a billion dollars additional for the Department of Defense?"

"And why is it that estimated federal spending for this fiscal year approaches 70 billion dollars—which is four billion dollars more than we spent last year and six billion dollars more than we spent the year before?"

"No," Mahon continued, "the picture is not as rosy as the Republicans would paint it and, I trust, it is not as dark and confused as painted by some Democrats."

The congressman emphasized that "we are all in the same boat" and must rise or fall together. But he warned that the Suez crisis is the "greatest threat to world peace since shooting started in Korea."

"And after that," he stated, "there will be another crisis to challenge the free world."

Mahon reported that since the end of World War II Russia has been gaining economic and military strength and the U.S., relatively speaking, has been losing economic and military strength.

"We have made in the U.S. 'great strides forward since World War II,' he explained, 'but the tremendous edge over the USSR which we had in 1945 no longer exists.'"

"Time has been on the side of the USSR and not on the side of the U.S.A."

Mahon cited numerous developments in Russia's climb to erase U.S. superiority and emphasized that Russia is now building intercontinental jet bombers faster than the United States.

"It is true," the congressman said, "the Soviets do not have a backlog of old antiquated B-36 long-range bombers like we do."

"Nor do they have as large fleet of medium jet B-47 type bombers as we do, but that does

Quarterbacks Have Melon Feast Tuesday
Quarterback Club members will have a watermelon feast Tuesday at 6:30 p.m. at rear of Junior High Auditorium.

The feed will precede the club's regular meeting at 7:30 p.m.

Providing the watermelons will be the losing membership team headed by A. M. Holman. The team headed by Ed Rothwell won the membership drive that ended Tuesday.

Holman, however, was the individual winner in the membership campaign with 32 new members. He received a wrist watch from Sam L. Majors Jewelry. Second was Club President Joe Salter with 26.

The club now has a total of 167 members, according to Salter.

Invited to the watermelon feed are members, prospective members and the Junior-High ninth grade football team.

Members of the Colorado High grid team were guests at last week's meeting.

A movie of the Ballinger-Colo-rado City football game will be shown during the regular meeting.

See QUEEN, page 7

Kiwanians Nominate Two for Presidency

Two Kiwanians have been nominated for the club's presidency in 1957.

They are John T. Merritt and V. K. (Keith) Miles.

Merritt is co-owner of Pond and Merritt Cleaners and Miles is local consignee for Continental Oil Company.

They were the leading nominees placed before the Kiwanians Tuesday at the club luncheon in Civic House. Announcing the list of nominees was H. I. Berman, past Kiwanis president and chairman of the nominating committee.

Berman said the committee proposed that the No. 2 man in the presidential election be named as first vice president.

Nominated for second vice president for 1957 was Louis Bodin, former secretary and treasurer.

Proposed as candidates for director were Frank Kelley, Elliott Dixon, Perry Bowles, J. C. Costin, Sie Hamm, Jack Robinson, Virgil Morgan, W. M. Vest, Trevor Crawford and Ed Rothwell.

Seven of the candidates will be elected to serve on the Kiwanis board in 1957.

Outgoing president this year is Winston Gann, Junior-High principal.

Election of the new officers and directors is scheduled in two weeks.

Mrs. Curtis Baker spoke to the Kiwanians during the luncheon program and president highlights from Billy Graham's book, "Peace With God."

She pointed out the contradictions in the life of America—most educated nation, yet with

unhappiness; most progressive nation, yet the most bored; highest standard of living, but seeking tranquility through medicine; most entertained nation, but still seeking more to do and see.

"But there is a key to our dilemma," Mrs. Baker said, "a code book—the Bible, Billy Graham tells us."

"Too much the Bible is a place for a lock of hair, a flower, pressed an old recipe."

"We need to dust off our Bible and use it."

Good Variety Reported in Lake Fishing

Reports from Lake Colorado City add up to pretty good fishing.

However, Lake Patrolman Howard Bynum reports that water, seven feet below spillway level, is not to clear.

Among latest reports of good luck was a 6.5-pound bass caught by Curtis Riggs of Roscoe. He was casting with a bass bug.

Cline Taylor of Loraine hauled in a four-pound bass on a minnow while fishing in the northern area of the lake.

A silver fisherman, George Conner, caught a 12-pound yellow cat on trotline. He also nabbed three channel cat weighing up to two pounds.

Counting good luck this week with his trotline was B. Hale, operator of Wyatt's Point. He has taken 20 fish off his trotline and everyone weighed from 1.5 to 7.5 pounds.

Hale said he has been baiting his trotline with cut bait and fishing in deep water.

The carp are biting, according to Petrolman Bynum, and several fishermen are having fun catching the big ones. Several were hauled in last week weighing up to 15 pounds.

Among the women anglers, Mrs. Thorp of Big Spring caught a four-pound bass with minnows. She and Mr. Thorpe caught several crappie, too.

Bids Asked for Used Post Office Shades

Twenty-five wood slatted shades in three sizes, ranging in condition from fair to very poor—are being offered by the Post Office for sale to highest bidder.

Postmaster Sims A. Palmer said bidding on the shades, used at the Post Office before the recent remodeling, will close Friday at 3 p.m.

BEGINNING HERE OCT. 1

Seven-Day Observance to Mark First Baptist 75th Anniversary

First Baptist Church will observe its 75th anniversary with a Diamond Jubilee Celebration here Oct. 1-7.

At least five former pastors will return to participate in the jubilee program of the church that was established as a mission in 1881 by the late Dr. George W. Baines.

History of the 75-year-old church coincides closely with the official history of Mitchell County.

For in 1881—when the Baptist mission was established here by Dr. Baines, who was president of Baylor University when the university was located in Independence—Mitchell County was organized, its citizens conducted their first elections and T&P Railroad reached the east bank of Colorado River.

Two committees are planning and directing major activities of the Diamond Jubilee observance, according to Rev.ack Selcraig, First Baptist pastor.

Pat Bullock is chairman of

the jubilee activities committee. With him on the committee are Mrs. O. B. Trulock Sr., Mrs. Paul Cooper, M. N. (Nap) Caddell and Olson Sweatt.

Members of the jubilee invitation committee, which has sought to contact all former members of the church, are Mrs. V. V. Shropshire, chairman; Chester Thomas, Gilbert Leach, Arlene Morris, Mrs. Joe Smoot, Mrs. Oscar Price and Mrs. M. J. Dawson.

Five former First Baptist pastors have accepted invitations to return to Colorado City and deliver Diamond Jubilee sermons during the seven-day celebration.

They are Rev. W. C. Ashford of Abilene, Dr. P. D. O'Brien of Big Spring, Dr. T. A. Patterson of Beaumont, Dr. Arthur E. Travis of Fort Worth, and Rev. R. Y. Bradford of Santa Fe, N.M.

The First Baptist, which in its 75 years has expanded from its status of mission to one of the city's two largest churches with

an annual budget of \$46,000, will begin its diamond anniversary observance Monday night, Oct. 1.

Rev. Ashford will speak at the opening service, designated as women's night with the Women's Missionary Union as honored group.

Speaking the night of Oct. 2 at installation service for new church and Sunday School officers will be Rev. Maple Avery of Big Spring.

Dr. O'Brien, will speak at the Oct. 3 family night service.

Oct. 4 will be men's night with deacons and laymen of the church receiving special recognition.

Speaker will be Dr. Patterson.

Dr. Travis will speak at the Oct. 5 pioneer night service honoring all persons who have been members of the church for 50 years or more.

Homecoming day, Sunday Oct. 7, will conclude the anniversary celebration. Rev. Bradford will preach at the morning service, which will be followed by basket lunch at the church.

SPONSORS INCREASE TO 93

Million Tickets are Ordered For Cash & Car Days Event

One million tickets have been ordered for C-City Cash & Car Days.

The tickets will be distributed free by Cash & Car Days firms to shoppers.

And each ticket will provide a shopper with a chance for weekly cash prizes and a 1957 model automobile.

Jeff Taylor, president of the merchants organization directing and operating Cash & Car Days for benefit of local shoppers, said the million tickets will arrive here early next week.

Tickets will be distributed to participating firms in time for Cash & Car Days to start Oct. 1, he said.

Drawings will be conducted weekly over a 12-week pre-Christmas shopping period with cash

prizes awarded each week to lucky ticket holders.

The big climax will come Christmas Eve when a lucky ticket holder will receive a 1957 model auto absolutely free.

Taylor reported Saturday that more merchants were joining list of sponsors for Cash & Car Days.

At noon Saturday a total of 93 firms has signed for the event.

And those 92 firms have agreed to pay \$3,867 in entrance fees. Their fees will provide financing for the weekly cash awards and for purchase of the new car that will be given away free.

Taylor and other officials of the program said Saturday that the list of participating merchants may reach the 100 mark. The longer the list, the more likely

the entrance fees will pass the \$4,000 mark.

Latest to join the list of Cash & Car Days participants are Colorado Mutual Aid Association, Don Wallace Motor Company, Dennis Wallding Shell Station, Smith & Gunn Barber Shop, Safeway.

Final rules and regulations for the 12-week event will be made Monday at a 10 a.m. meeting of the Cash & Car Days executive committee in Chamber of Commerce-office. Members of the committee are Taylor, Charles Root, Jack Robinson, Luke Thomas, Carl Gary, Sam L. (Buz) Majors.

Committee that will be in charge of purchasing the give-away car will meet Monday afternoon. They are H. H. Biberly, Ira Utz and G. D. Foster.

Brando Stars In Comedy Hit At Palace

"Guys and Dolls", opening Sunday at the Palace Theatre, has received rave notices all over the U. S.

As one Boston movie reviewer said:

"This 'Guys and Dolls' with its Damon Runyon characters, dialogue and plot, has the attributes of a well-stocked grab-bag."

"You pay your money and you find so many prizes, wrapped up sparklingly in handsome production values that you can't select just one as the best of the lot."

"To mention a few: The 'If I Were a Bell' number in which Jean Simmons turns antic and sweetly naughty; the Michael Kidd dances interpolated so astutely that they seem part of the story; the way Brando makes love to the staid little Salvation Army girl and the enthusiastic response from Miss Simmons; the matter in which Vivian Blaine puts over her various songs; the colorful and exciting scenes of a glorified Broadway and Sinatra's new song, 'Ade-laide'."

Marlon Brando portrays gambler Sky Masterson while Sinatra plays the role of another gambler Nathan Detroit.

Mrs. W. S. (Bill) Rhode, treasurer; Mrs. Charles L. Root Jr., reporter; Mrs. Bob Robinson, parliamentarian; and Mrs. Martin Weaver, historian-librarian.

The new officer slate was installed by Mrs. Sam L. Majors Sr., a life member of the club. The installing officer discussed the founding and organization of the club in her address.

The new president said the object of the Zetagathian Club is to unite women for mutual benefit and to promote common interests in education, fine arts, public welfare and moral values. "Women want to be informed,

to be forever learning," the younger Mrs. Majors continued. "Study and alertness is the answer."

Blessed is the woman who makes the best of all her opportunities, the group heard. "Do not be satisfied with anything but your best," she advised, "for the really happy person is the one who serves and accomplished to the best of her ability."

We are here tonight to carry a beacon for tomorrow that will lead us further along the road of human progress, the new president explained. Each and every one of us, whether we realize it or not, cannot put that beacon down.

"Unconsciously we will endeavor, even struggle, to carry it further along the road that leads to a better tomorrow."

In closing the speaker revealed various goals and projects for the coming club year.

Prior to the installation Mrs. Robinson, out going president, presented a resume of club accomplishments during the past year.

Invocation was said by Mrs. Jack Ellzey.

Program for the evening was a style show. Narrators were Mrs. Ray Noble and Mrs. Roy Fox. Models included Misses Bertie Lou Dorn, Juanel Bynum, Janice Myers, Ruan Owen and Janet Yost.

Stores participating in the show were Mode O Day, Eva's Dress Shop, Massad's Department Store, Max Berman Department Store, C. R. Anthony and J. C. Penney.

Dinner tables were lighted by 22 candles, a candle for every year that the club has been organized. Speakers table was marked with miniature replicas of the new president's home and church, denoting her work as a mother, homemaker and church member.

Those attending the annual installation were Mrs. Robert Aycock, Mrs. Homer Bodine, Mrs. J. S. Craddock Jr., Mrs. Trevor Crawford, Mrs. Ellzey, Mrs. Fox, Mrs. Latimer, Mrs. Mahon, Mrs. Majors Jr., Mrs. Moore, Mrs. Noble.

Notice to Tax Payers —

Beginning Oct. 1, it is very essential that you bring your tax notice (pink statement) when you come to pay your 1956 taxes.

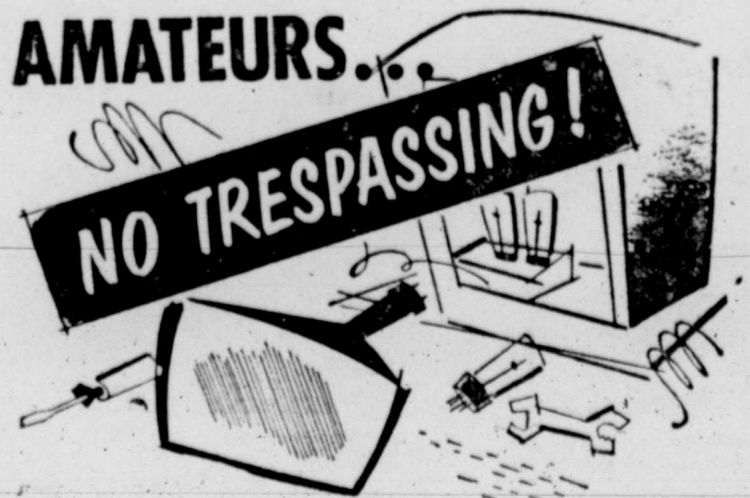

The increase in tax values each year simply means that our accounts on the Tax Roll are numerous, and it is practically impossible to think to ask if you do or do not have oil royalty interest or own property in the Westbrook Rural High School District.

I think you can plainly see the importance of making this request. Bring your tax notice! Failure to cooperate in this matter could mean DELINQUENT TAXES!

Yours Sincerely,
TOM GLOVER, tax assessor-collector

SOMETHING'S Missing

Tom has a ballbat and Joe has a mitt. They are two sturdy, normal, active boys, eager for a good time. But something is missing.

There is no ball. They can swing the bat in thin air all day long, and wave and pound the mitt. Yet all their motions are completely senseless if they have nothing to strike at or to catch.

You are a fortunate normal American, eager for a good time and happy life. But perhaps there is something missing in your life too.

Do you go through the motions of earning a living, clothing and feeding your family, finding entertainment, yet everything seems rather empty and senseless?

Perhaps then God is missing. Seek Him and your life will take on new meaning with vital purpose. "Seek and you shall find—"

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

WOLVES LOOK IMPROVED

Ballinger's Long Runs Wallop Colorado City in 39-13 Setback

Colorado High grid team enjoyed a short-lived 7-0 lead over Ballinger's Bears on Friday night before the infuriated Cats clawed their way to a 39-13 victory.

It was a much-improved Colorado High team that took it on the chin for the second consecutive week.

But defensive weaknesses at ends and halfback proved the downfall of the Wolves.

Coach Bob Kelly's forces startled the crowd of grid fans at Bearcat field with a lightning-fast touchdown two minutes deep in the first quarter.

It was sophomore fullback James Shoemaker, on Colorado High's first play, from scrimmage, who broke through the line, sped by the safety man and raced 75 yards to hand the Wolves a 6-0 margin. A key block by center Bobby Carpenter in the secondary enabled Shoemaker to go all the way.

Lucky Market boosted the conversion attempt.

But that was not a preview of things to come.

Five minutes later, Ballinger tied the count at 7-7 and were away to the races.

Bearcats' freshman fullback Calvin Kirk tallied the second TD early in the second quarter and Rodney Flanagan marked up the third, seconds before the half.

In the last half, Cats' sophomore quarterback Jerry Chandler faced 61 yards for the fourth TD. Flanagan hurried seven yards for the fifth and fullback Wesley Stokes added the sixth with a 54-yard sprint.

C-City's second score featured a 40-yard pass from Bobby Caffey to Jimmy Richardson.

A combination of Ballinger speed and Colorado City's fumbles, plus Wolves' defensive weaknesses were the deciding factors. But even with the 39-13 defeat, Wolves look improved over the season's opening loss to Seminole.

The breakaway runs of the three top Bearcat backs made Ballinger dangerous all night long.

Stokes, the 170-pound Cat fullback, was the game's leading ground-gainer with 135 yards, mainly on his 84-yard TD run late in the game. Stokes carried 14 times for a 9.5 average.

Chandler, the slippery Ballinger quarterback, had the best average of 12.6 yards per carry. He rolled up 101 yards on eight carries.

Flanagan, the twisting halfback, was the Bearcat workhorse, totting the ball 21 times for 93 yards and a 4.4 average.

Shoemaker led the Wolves' ground game with 95 yards on 11 carries for an 8.6 average. Of the 85, 75 was gained on his touchdown sprint.

Troy Maples, wire little senior halfback, averaged 3.6 yards per try with 36 yards on 12 carries. Loss of Buckner Cade, Wolves' starting fullback, in the second quarter, hurt the C-City squad. His absence, especially on defense, was a hard one to absorb.

Cade gained 24 yards on six carries before leaving the game with a twisted ankle. Shoemaker went out in the fourth quarter via the injury route. He was carried to the hospital for x-rays of a back injury but it proved to be only minor.

Caffey, the sophomore quarterback, connected on two passes for a total of 50 yards, one for 40 going to end Richardson for a TD.

Despite the 197 Ballinger lead at halftime, Wolves held their own fairly well with the Bearcats' initial half.

Wolves rolled up 150 yards rushing to Ballinger's 179 in that first half.

But the last half was disastrous.

Ballinger chalked up 274 on the ground in the final two quarters.

for a grand total of 453.

Big Jim Windham, Wolves' 220-pound tackle, put his toe into the ball on seven punts for a 33-yard average. His first punt went 61 yards to the Ballinger 10 in the first quarter. He got off one for 55 yards in the final half.

After C-City jumped to the quick 7-0 lead, they held Ballinger on the ground and took over on their own 20.

On the first play, Wolves' fumbled and E-cats recovered on the Wolves' 10.

In three straight carries, Flanagan crossed the goal line and Carroll Edwards converted for the 7-7 tie.

Two series of plays after the kickoff found Ballinger deep in their own territory. They punted to Cade on the 50 where he fumbled the ball and Ballinger recovered.

Cats marched 50 yards for the score with Kirk ripping off 18 yards and Chandler 14 on a fake punt. Kirk bucked over from two yards out for a 13.7 lead.

Bearcats marched 58 yards for the third TD late in the second quarter.

Stokes' run of 15 yards set up the 18-yard scoring run by Flanagan around end with 47 seconds left in the half.

Ballinger's fourth score late in the third quarter was a freakish one.

Stokes was stopped cold on his 30, but the officials failed to blow the whistle and stop the play.

Stokes lateraled back to Chandler who caught the Wolf secondary napping and the speedy sophomore sped down the sidelines 61 yards for the touchdown.

Three minutes later, Ballinger took the ball on their 30 yard

line. On the first play of the series, wingback Edwards broke into the clear for 63 yards to the Wolves' seven where Shoemaker brought him down from behind.

Flanagan darted off tackle for seven yards and a 32.7 lead.

Early in the fourth quarter, Wolves marched 40 yards for 4

their second score. Caffey hit Richardson in the flat and the lanky junior stumbled across the goal after being hit about the 10-yard line. With seven minutes left in the game, Stokes broke off tackle and outran the Wolf secondary for 84 yards to the goal line.

By TOM DOWTY, Howl Sports Editor.

The ninth grade Jackrabbits victor over the Hermleigh B-team by a score of 27-6.

Snyder defeated the eighth grade Ragbats by a score of 51-6, and the seventh grade 32-0.

In the ninth grade win, freshman Dickie Richardson was the boss as he scored all four touchdowns. He raced 40 yards twice for six-pointers, then traveled 65 and 35 yards for the other two touchdowns.

Richardson also returned a kickoff to the Hermleigh 30, and ran another touchdown that was called back when he stepped out of bounds.

Contributing extra points were Phil Davis, running twice for one-pointers, with Phil Bates scoring one on a pass completion.

Bates also played good defensive ball along with Jay Allen and Dewitt Hardin.

The green seventh grade team lost their first game of the year to the Snyder team by a score of 32-0, but several boys showed good spirit on offense.

They were tackled Jackie Sanford and Jimmy Ruth; quarterback Roger Richards, and center Darrell Davis.

C-City's eighth grade lost to the host team Snyder by a margin of 51-6. Colorado's only score came on a run by Don Vest, set up by a Sammy Vaughn to Vest pass.
