

Three Incumbents File For Places In City's April 3 Council Election

All Schools Schedule Programs

Three more schools have announced special programs in observance of Public School Week here, Monday through March 9.

They are Colorado High, Colorado Junior High and D. W. Wallace.

Special observances now are scheduled at all five of the city's public schools.

Primary School, which this week began parent visitation and luncheons on a homeroom schedule, and Hutchinson Elementary announced their programs last week.

Public Schools Week at High School will feature a concert Monday afternoon at 3 o'clock in the school auditorium.

The concert will be presented by The Transcribers Society for the Blind of Scottsdale, Ariz.

Electric organ, accordion and violin selections will be included in the program by blind artists.

Another feature of the High School observance will be parent visitation. Visitation is welcomed—especially Monday for the concert program—all through the week. Parents are invited to dine with their children in the lunchroom during the week.

Junior High students will present a play Thursday afternoon at 2 o'clock as a special feature of their observance. The play will be followed by open house.

During the open house period parents and the general public will be served refreshments in the Junior High homeroom department.

Parents are invited to lunch with their children at Junior High on the following schedule—seventh grade parents, Tuesday; eighth grade parents, Wednesday; ninth grade parents, Thursday.

Visitors will be welcome at the school all week, however.

A daily assembly program—Monday through Thursday—and a special program Thursday night in the school auditorium will highlight Public Schools Week at D. W. Wallace.

The daily assembly program is scheduled for 2:30 p. m. speakers discussing educational statistics and investments, school curriculum and Texas pioneers.

A traveling troupe—Opakarama of Texas—will present Thursday night at 8 o'clock in D. W. Wallace Auditorium under sponsorship of Mrs. Vernice Booz-er.

Montgomery Injured in Gravel Pit Accident

O. L. Montgomery, 909 E. 16th, was dismissed from Root Memorial Hospital this week after suffering injuries in an accident Sunday.

Montgomery, a partner in the Colorado Sand & Gravel Company, was working as his company's gravel pit south of town when he fell off a conveyor.

He suffered fracture of the right forearm in the fall.

BEFORE SELL-OUT AUDIENCE

Wallace, Silver Students Win Awards in Band Variety Show

An overflow crowd witnessed "Leap Year Varieties" here Tuesday night and provided a hefty financial boost for Colorado High Wolf Band.

There were more than 1,000 persons in all—one of the largest audiences in history of the High School Auditorium.

They overflowed the seating area and stood in the aisles and foyer. And some persons went home after being unable to find a spectator's place.

Cold drinks, hot dogs and other refreshments were a complete sell-out.

Sale of admission tickets and refreshments will net the Band Boosters Club, sponsors of the show, approximately \$450. The money will be applied to the fund that will send the band to a special band clinic this spring.

The "Varieties" featured stage acts by 19 groups and organizations plus a concert by the band.

Toast of the show and winner of the \$12.50 first place prize was Frances Booker, singer and pianist. She is a student at D. W. Wallace School and represented her school's Parent-Teacher Association.

Winning second place award of \$10 was Pattie Sue Gallier of Silver, who was featured in the pantomime—"Twinkle-de-dee." Her skit was sponsored by Silver Girl Scouts.

ANGLER'S DREAM—Edwin J. Moeser, assistant postmaster, displays his catch made at Lake Colorado City. The larger bass weighed seven pounds while the "small" one tipped the scales at three pounds. (See FISHING FACTS, Section 2, page 2).

BROTHERHOOD PROGRAM

Luncheon to Draw 150 Persons Here

Approximately 150 persons are expected to attend the city's annual Brotherhood Week luncheon here Friday in Civic House.

Lions, Kiwanis and Jaycees will join together in the special luncheon program, which also is open to the general public.

Principal speakers for the brotherhood event will be three Dallas business and professional men.

One, Harold B. Berman, is a native of Colorado City now practicing law with offices in Dallas at Republic National Bank Building.

Lon Pace, member of the staff of First National Bank in Dallas, and J. J. Shea, owner of Lone Star Wholesalers in Dallas, are the other speakers.

The Dallas men represent three faiths—Jewish, Protestant and Catholic.

Chairman of the Brotherhood Week observance here is H. I. Berman, Chamber of Commerce president and father of the Dallas attorney who will speak at the 12 noon luncheon in Civic House.

In addition to their appearance at the joint civic club luncheon, the three Dallas men will speak also at special school programs.

At 2:15 p. m. the trio will discuss brotherhood principles for a student assembly at Lake Colorado High. Then, at 3 p. m., the speaker group will talk to students in an assembly at Colorado Junior High.

Berman, the Dallas attorney, was graduated from Colorado High before receiving degrees from University of Texas and Harvard School of Law.

He is member of all bar associations, Dallas Junior Chamber of Commerce, Alpha Epsilon Pi fraternity, Dallas unit of B'nai B'rith and Temple Emanuel.

Pace, who lives in Garland while engaging in the banking profession in Dallas, is also a Jaycee, a member of Dallas Chapter of American Institute of Banking and St. David Episcopal Church in Garland. He is a graduate of Southern Methodist University.

Shea is a native of Newfoundland who entered the selling business after first teaching school in a small fishing village in Newfoundland. His sales career dates back for 27 years and he founded his present wholesale business 10 years ago. He is an active member of a half dozen business and civic organizations.

The prizes for show contestants, spectators and ticket sales were contributed by City National Bank, Harvey Chevrolet Company, G. D. Foster Insurance, Waiding Insurance Agency, Hildebrand.

Deadline Near For Candidates To File

All three city councilmen whose terms expire this spring will seek return to their council posts in the April 3 municipal election.

In the trio are Mayor Trevor Crawford, Quarterback Club President Jeff Taylor and Sie Hamm.

Crawford, Col-Tex Refinery engineer, and Taylor, manager of the local Rockwell Bros. lumber firm, have filed officially for places on the election ballot.

Hamm, who has been a patient in Root Memorial Hospital since Feb. 21, was to sign his request for a ballot place late Thursday at his hospital bed.

There was no other candidates Thursday afternoon.

Deadline for candidates to file for a ballot place is, by city charter provision, 30 days before the election. That means this week is the last chance for persons to get their names on the ballot, if they desire to seek a council place in the April 4 voting.

Both Crawford and Taylor are seeking re-election while Hamm will be in quest of his first elective term.

Hamm was appointed to the council in January to fill the vacancy created by the resignation of Walter Grubbs, who now is employed by a Sweetwater TV station.

Taylor, oldest member in point of service on the council, will be a candidate for his third full, elective term. And for Crawford it will be a move for his second term.

Whether or not the election follows last year's pattern remains to be seen. There have been some reports of possible opposition to an all-incumbent slate, that opposition had not developed Thursday.

Last year four councilmen—R. B. Baker, Mayor Pro Tem L. J. Taylor, O. L. (Doc) Simpson and Lawrence Ruddick were re-named to the council without opposition. Without election contests, only 57 persons cast ballots in the 1955 voting.

Colorado City now counts 8,990 persons as its population and Snyder claims 16,320.

The local membership drive is aimed for sending the chamber membership into neighborhood of 400 firms and individuals with a \$5,000 budget increase.

Snyder's chamber is planning a membership drive in an effort to add \$10,000 to its budget.

Grady Elder, Snyder chamber manager, told the local chamber his organization was interested, but didn't know whether the challenge would be accepted.

One problem, Elder said, was the fact Colorado City had its membership campaign primed and ready for opening within next few weeks.

"Our drive is planned for a little later," he said.

Lee, eager for competition, said Snyder could pick its own date after the Colorado City drive if that was all that was blocking the contest.

Planning Meet Set for Pony, Little Leagues

Plans for the Little and Pony Leagues in 1956 will be made at a meeting Thursday, March 8, 7:30 p. m. in the Junior High School.

Everyone interested in working with the baseball leagues this year is urged to attend the important meeting, according to Ed Rothwell, league spokesman.

Rothwell said officers need to be elected, committees formed and general plans worked out for the 1956 program.

"If we have good attendance at the meeting, I believe we can work out all the details pretty fast," Rothwell said.

"We need to get to work now," he urged.

All women interested in working with the Little and Pony League Auxiliaries are asked to attend the Thursday meeting, too.

The women need not have a son playing in the leagues to participate.

"We want every woman who is interested in helping to attend the meeting," said Mrs. Roy Key, auxiliary spokeswoman.

Wire Pierces Hand

Jim Butler of Colorado City injured his hand last week in an accident at the Colorado Compress Company.

A piece of wire stuck in his right hand. He was dismissed from Root Memorial Hospital Wednesday after a six-day stay.

NEW COACH WELCOMED—Head Coach Bob Reily, left, welcomes his new assistant Joe Burk, hired this week to replace Don Powers. Burk, assistant coach at McMurry College, began his coaching duties here Thursday. Reily and Burk were teammates at McMurry.

SHARON RIDGE AHEAD IN ACTIVITY

Two County Fields Log Six New Oil Producers, Four Locations

Activity in Mitchell County's Sharon Ridge-1700 Field continued this week at a busy pace with four well completions and two new drilling locations.

Only other new producer for the county was in the Westbrook Field, which also counted two additional drilling sites.

New oilers in the Sharon Ridge-1700 are B-H-B-S No. 1 Mills, Scribner No. 1 Patton, A. B. Stallworth No. 2 Crawford, B-H-B-S No. 1 Mills had a daily potential of 62 barrels of 26 gravity oil, plus four per cent water.

Production is from perforations between 1,585 and 1,611 feet over total depth of 1,620 feet. Operator acidized with 10,000 gallons. Location is 330 feet from south and west lines, Section 196, Block 2, H&G Survey.

Scribner No. 1 Patton has a daily potential of 112 barrels of 30 gravity oil with casing string to 1,600 feet. Pay was topped at 1,600 feet.

Two Big Spring women were injured in a car-truck collision Wednesday at 5:30 a. m., 1.9 miles west of Colorado City.

The women—Mrs. W. M. Heath and Mrs. L. P. Kuykendall—were treated at Root Memorial Hospital here and transferred Wednesday evening to a Big Spring Hospital.

Mrs. Heath received a severe laceration of the scalp while Mrs. Kuykendall received several broken bones. Exact diagnosis of her injuries was not available.

The two women were occupants in a 1955 Ford driven by Mrs. L. A. Webb of Big Spring.

The Webb car, traveling east on Highway 80, was in collision with a 1956 GMC-truck driven by Thomas E. Lindsey of Colorado City.

Lindsey was using his truck to pull another truck from the ditch when the accident happened. The stalled truck was driven by J. R. Edwards of Sweetwater.

Highway Patrolman Al Chambers, who investigated the accident, estimated damage to the Webb auto at \$300. Damage to the Lindsey truck was estimated at \$50.

Chambers investigated another accident Wednesday at 4:45 p. m., five miles southwest of Westbrook on a farm-to-market road.

A 1948 Chevrolet driven by Millard L. Hart was in collision with a 1939 Chevrolet driven by Carl R. Wells. Both men live on Route 1, Westbrook.

Hart was driving north and Wells south when the accident happened.

Damage to each car was estimated at \$100.

Drilling Crew Member Hurt in Ira Accident

O. E. Hazard, 1024 Chestnut, was in Root Memorial Hospital Thursday following an oil field accident.

Hazard, an employee of Dillard Bros. Drilling Co., injured his back while working last week west of Ira.

He was admitted to the hospital Feb. 23.

AT THURSDAY PRACTICE

Burk on Duty as Assistant Mentor

He entered the service in March 1951 and served 13 months in Germany.

After his discharge from service in March 1953, Burk joined the coaching staff of Ballinger High School.

After one year at Ballinger, he moved to McMurry as assistant coach and assistant professor of physical education. Last season he coached the McMurry basketball team to nine victories in 11 games. As head track coach, he took the Indian cinder-men to nine meets and won the third-place trophy in the college division of Odessa's West Texas Relays.

The 26-year-old coach, who will teach history in Colorado High, received his master's degree in education at McMurry in 1954.

Burk is married to the former Frances White of Avoca, a 1951 graduate of McMurry. They have one son, Vick, eight months.

Burk said here Tuesday that he probably will move his family to Colorado City this week and begin teaching duties Monday.

and east lines, Section 90, Block 97, H&TC Survey.

Stallworth No. 2 Crawford, 10 miles north of Colorado City, has a daily potential of 68 barrels of 30.6 gravity oil.

Production is from perforations between 1,642 and 1,658 feet after fracturing with 10,000 gallons of fluid. Location is 990 feet from south and 330 feet from east lines, Subdivision 13, O'Keefe Subdivision, George Reiger No. 218 D Survey.

Rites Held for Youth In Hunting Accident

Funeral services for James Pasco Vest, 15, were held Sunday at 2:30 p. m. exactly 24 hours after he was killed in a hunting accident.

James, the son of Mr. and Mrs. H. B. Vest, 1405 Pine St., was fatally injured Saturday at 2:30 p. m. when a .22-caliber rifle held by Ronald Wallace, 15, accidentally discharged, hitting Vest under the right ear.

Vest, an outstanding athlete in Colorado Junior High's ninth grade, was hunting with three companions about one mile west of Colorado City. The group had been sitting on the rim of a water-filled gravel pit near the Colorado River, shooting turtles.

Wallace, son of Mr. and Mrs. Rip Wallace of Colorado City, told District Attorney Eldon Mahon that he was holding the gun in his arm. When the boys stood up to go home, Wallace turned and the weapon fired.

Vest was about four feet away from gun.

One of the boys raced to a telephone and called an ambulance. Mahon said there was no doubt but that the shot was accidental. Other boys in the hunting party were Bobby Fite, 14, and Jimmy Moore, 15.

Vest had been an outstanding athlete in both Little and Pony League teams and was named to the All-Star squad two years. He was an outstanding end on the ninth grade Jackrabbit football team the last season and was considered a fine prospect for the High School varsity squad next season.

Vest helped his parents in distribution of the Fort Worth Star-Telegram here.

Survivors include his parents; two younger brothers, Don and Stephen Wayne; his paternal grandparents, Mr. and Mrs. G. W. Vest and maternal grandparents, Mr. and Mrs. Roy Cox, all of Colorado City.

Officiating at the funeral services in the Church of Christ was the minister, Floyd J. Spivy. Interment was in the Colorado City Cemetery under direction of Kiker and Son Funeral Home.

Family Night Feature Set Saturday at Club

A new entertainment feature is planned Saturday night for Colorado Country Club members.

It will be a family night party with covered dish supper and entertainment for the entire family.

The event will begin at 7:30 p. m., according to Mrs. R. P. Abaworth, club entertainment chairman for the year's first quarter.

LONE STAR FARMER

Safety Is Factor In Farm Chemicals

By JOHN C. WHITE
Agriculture Commissioner

FARM CHEMICAL SAFETY
Insecticides, fungicides and weed killers will soon be in heavy demand in Texas as the new crop year gets underway. These farming "aids" are credited by many agriculturists as being a major factor in crop progress during the past 15 years.

Selective weed killers, new insecticides and fungicides, hormone sprays and feed additives, antibiotics and defoliants are among the chemicals introduced during this period. Along with greater mechanization and better agricultural practices, such chemicals have helped farmers produce 42 percent more than before World War II.

It has been estimated that savings and additional agricultural production resulting from the use of chemicals is adding about \$1 billion a year to farm income.

However, as this "chemical farming" continues to increase, there arises a need for greater emphasis on the safe use and safe handling of pesticides. It is important to recognize that with the wide selection of

pesticides available today, safety hazards vary with the chemicals used.

Some pesticides are safe when used according to good agricultural practices. Some require careful use for the protection of persons applying the material. Others require care to avoid harmful effects on crops. Some constitute a residue problem, while others do not.

Chemical manufacturers and agricultural agencies generally carry on extensive research projects to establish effective and safe procedures adapted to the special characteristics of pesticides. This information is passed along to users on labels and in bulletins.

The Texas Department of Agriculture at Austin maintains up-to-date literature on most farm chemicals sold in the state. In addition, department inspectors regulate certain phases of field applications.

Farmers are urged to contact John C. White, Capitol Station, Austin, for information of this kind. It is essential to maintain safe production of wholesome, high-quality foods and fiber in this chemical age of agriculture.

BIBLE COMMENT

Gospels Focus on Jesus' Last Week

As the mid-point of Lent approaches, it is appropriate to consider how large a part of the Gospels are occupied with the events and discourses of the last week in the life and ministry of Jesus.

It is not that the events of the last week were of deeper significance, and therefore called for greater space as they dealt with the climax of the sacrificial ministry and the crucifixion.

The record reveals much more. For the first time Jesus came out in the full publicity of His ministry, and in all His acts and utterances He committed Himself with a completeness that hitherto had been lacking.

Jesus knew that his hour had come. He was prepared for the final sacrifice. He accepted His destiny.

He might have continued His ministry if He had stayed in Galilee and confined His ministry to acts of mercy and healing.

But there were sterner ways of duty and destiny that He had to follow. The way of the Cross lay before Him.

Study the events and sayings of the last week, and much that seems mysterious is made plain.

How, in so few days, could sentiment so change that the Jesus of the triumphal entry could be the sacrificial Savior on the way to Calvary?

The answer is that those whom Jesus attacked with such intensity aroused the populace against Him.

But it is also probable that the crowds that cried "Crucify Him" were not the same who cried "Hosanna!"

TO NULLIFY SUPREME COURT DECISION

Shivers, Sheppard Follow Dixiecrat Move With Suggestions for Texas Interposition

By VERN SANFORD,
Texas Press Association.

Texas will hear a lot about "interposition" during the next few months.

Gov. Allan Shivers has asked the Democratic State Executive Committee to consider placing on the July ballot a referendum on "interposition."

And Attorney General John Sheppard has contacted state legislators to determine if they think a special session of the State Legislature is necessary to consider interposition.

The interposition suggestion follows pattern of opposition by several Dixiecrat states in the south to U. S. Supreme Court decision for integration in public schools.

Interposition is described by Shivers to mean in this case "to stand between." And the federal government—interference with states rights is what Shivers refers to. He seeks to place the Texas Legislature between the people of Texas and what he describes as "the abnormal extension of power by the Federal Government in all its branches—legislative, executive and judicial."

Shivers contends that certain rulings are beyond the power of the court. Therefore the referendum to be voted on in July would be a declaration by the people of Texas that US Supreme Court decisions on such matters as the tidelands, integration and the Federal Power Commission's control over gas are inapplicable because they go beyond federal jurisdiction.

If approved by the people, the referendum would be a mandate to the Legislature for them to vote for submission of a federal constitutional amendment firming up and defining state sovereignty.

While other states are using interposition in a negative fashion, Shivers plans to use it in a positive way to protect the state's rights. He is strongly opposed to the extension of power by the federal government at the expense of state and local governments.

State Capital NEWS

Interposition will be an often used word during the coming months. People who do not like the idea say it is "nullification." Shivers contends he is opposed to nullification as being contrary to truly constitutional government.

Veterans' land sales will be courthouse news again in Austin, come March 6. That's when the trial scheduled for B. R. Sheffield, Brady land promoter and one-time business associate of former Land Commissioner Bascom Giles, will be held.

Sheffield has summoned 131 witnesses, including Governor Shivers, Atty. Gen. John Ben Sheppard, and Land Commissioner J. Earl Rudder. Also John Osorio, aide to Shivers; Robert S. Trotti, former first assistant attorney general; and Homer Garrison, director of public safety.

Sheffield is charged with theft of state funds in connection with a Kinney County land deal.

Texas politics heated up ahead of season when Governor Shivers announced that he might run for a fourth term. It is the closest he has come to saying "yes." This news quickly eclipsed an earlier statement by Sen. Jimmy Phillips of Angleton that he was withdrawing from the race for governor for lack of campaign funds.

A later announcement by Shivers was that he would reveal his political plans for 1956 on March 1.

U. S. Sen. Price Daniel said that Shivers' decision, whichever way it went, would in no way affect his own decision about becoming a gubernatorial candidate. His announcement awaits disposal of farm legislation now pending in Congress, and is expected by mid-March.

Morris Brownlee of Houston is replacing Garland Smith on the insurance commission. Until a few weeks ago Brownlee was executive vice president of Continental American Life Insurance Co. of Houston.

J. Byron Saunders, chairman of the insurance commission, reports that one of the largest insurance firms, Lloyds of London, has agreed to pay the state an estimated \$1,500,000 in premium taxes.

Although not admitted to do business directly in Texas, Lloyds writes surplus insurance where amounts involved are too big for any admitted company to handle alone. Bills to tax such surplus insurance have repeatedly failed to pass the legislature.

Two mutual companies were placed in receivership after their permits were revoked by the insurance commission. They were American Home Mutual and Trans County Mutual, both of Dallas.

State Auditor C. H. Cavness reports errors and irregularities in the records of Texas Southern University at Houston. TSU is a state-supported college for Negroes.

Cavness said there was a shortage of more than \$5,000 in the bookstore inventory which "may or may not" be connected with a \$2,976 overage in the general storeroom inventory.

"Texas Southern is among the most crowded of Texas' state-supported institutions of higher learning," according to the auditor's report. He said he did not believe the staff was adequate to keep proper records.

Resignation of Federal Attorney Lenny F. Zweiner to join the state attorney general's staff leaves Austin without a federal prosecutor. U. S. Dist. Atty. Russell Wine of San Antonio said Zweiner would not be replaced.

Appeal of the Upshur Co. Rural Electric Cooperative, from a Travis Co. court decision in favor of the state "on relation of Southwestern Gas & Electric Co.," was argued in Third Civil Appeals Court. Former Gov. Dan Moody was among counsel for the cooperative. Spokesmen for the co-op said the trial decision, unless reversed, would destroy all electric cooperatives.

At issue was the right of the Upshur County co-op to continue serving customers taken into the city of Gilmer by annexation. A controversial point is application of the law that co-ops may not serve rural customers where private utilities have facilities available to furnish the service.

An AFL teamsters union official, Raymond C. Shafer, business manager for the Union's Local 657, was arrested by Texas Rangers and charged with playing a role in the August, 1954 bombing of an Austin warehouse during a labor dispute.

IN DENTON AND MIDLAND

Colorado High Delegates Attend State Conventions, Conferences

Four students of Colorado High School Friday and Saturday will represent the Ed E. Williams Future Teachers of America at the seventh annual state convention at North Texas State College in Denton.

They are Mona Billings, president of the local club, Juanell Bynum, Coy Dillard and Jimmy Hock.

Accompanying the group will be Mrs. Gerald Gordon, FTA sponsor.

They are among more than 800 students from 100 Texas high schools expected to attend the convention, which includes three general sessions climaxed by a banquet Saturday night.

Miss Waurine Walker, past president of the Texas State Teachers Association and of the

National Education Association will be guest speaker at the banquet.

Theme for the convention is "Teachers—Our Hope for Tomorrow."

CHS delegates will conduct one of five workshops Saturday morning. A theme for next year's convention will be selected from suggestions of a panel headed by Miss Billings. Miss Bynum will be co-chairman. Other panel members include represen-

Climaxing Student Council Week in Texas schools this week will be the annual conference of Texas Association of Student Councils in Midland.

Four delegates from the local organization will attend with sponsor, B. J. Barnes. They are Marcia Barnes, Janet Yost, Perry Barber and Billy Simmons.

Central theme for this year's observance, hosted by Midland High School, is "Life—A Matter of Choice."

Delegates to the Future Business Leaders of America state convention in Denton last week end will be guest speakers for the Kiwanis Club Tuesday at its weekly luncheon.

The students—Carolyn Geer, Joan Warner, Patty Humphreys and Tommie Ruth Owens—will report on the convention program and workshops.

They will also outline the local high school Commercial Club's program for the year, according to Miss Jane Merrill, FELA supervisor.

Arrives Home for Visit with Parents

Arriving home Wednesday for a week's vacation between quarters at Baylor University in Waco was Miss Sue Dillard. She is the daughter of Mr. and Mrs. M. A. Dillard.

It is estimated that the re-enlistment of one trained and experienced airman in the U. S. Air Force saves U. S. taxpayers over \$14,000.

CONVENTION DELEGATES—Leaving Friday morning for Denton to attend the seventh annual convention of Texas Future Teachers of America clubs are four delegates chosen from the FTA in Colorado High School. They are, left to right, Coy Dillard, Juanell Bynum, Jimmy Hock and Mona Billings. They will be accompanied by Mrs. Gerald Gordon, FTA supervisor.

Former Residents Here Celebrate Anniversary

Mr. and Mrs. W. H. Payne of Poteet, former Mitchell County residents, recently celebrated their golden wedding anniversary in the home of a son and daughter-in-law, Mr. and Mrs. Gene Payne.

Mrs. Roxie Witten of 128 West 4th St., sister of Mrs. W. H. Payne, was in Poteet for the open house celebration.

Serving refreshments of cake, punch, nuts and mints were Mrs. Thomas Payne, Mrs. J. T. Akers and Mrs. Jack Payne of Poteet.

The lace covered table was centered with an arrangement of gold chrysanthemums and gladioli. A gold ladder extending from the arrangement was inscribed in gold with "50". The three-tiered cake was decorated with yellow rose buds and topped with a miniature bride and groom.

Attending the celebration were the couple's children and families—Mr. and Mrs. Sam Burton of Goodwill, Okla.; Mrs. J. T. McNutt of Garden City, Mr. and Mrs. Clay Payne of Big Spring, Mr. and Mrs. Henry Caillouette of San Antonio, Mr. and Mrs. J. T. Akers, Mr. and Mrs. Thomas Payne, Mr. and Mrs. Jack Payne and the host couple, Mr. and Mrs. Gene Payne, of Poteet.

Rehearsal Time Set for March Style Show

FOR HESPERIAN STUDY CLUB

Mmes. Thomas and Winn Present Study of Australia, Alaska

A study of Alaska and Australia was made Friday afternoon by members of the Hesperian Study Club in the home of Mrs. Raymond Perdue.

Mrs. F. N. Thomas reported on Alaska. Australia was described by Mrs. E. H. Winn.

Reviewing information from the 1955 progress edition of the Daily News-Miner newspaper in Fairbanks, Mrs. Thomas said "Alaska, land of mountains and glaciers, is considered one of the most beautiful countries in the world."

Recreational activities for Fairbanks, the speaker reported, includes hunting, sight seeing, boat trips and meetings of various clubs and organizations.

She reported on the Distant Early Warning Radar lines which was constructed in 1955 in the Arctic and Alaska's military defenses.

"Alaska is a Territory, at present," Mrs. Thomas read from the Fairbanks newspaper, "but to most of the people who have roots in the north and those who are rearing families in this last frontier Alaska is the 49th state."

"It is called this hopefully by Alaskans who are firmly convinced that their Territory will someday become a full-fledged state of the Union."

Mrs. Winn reported that Australia is a country to herself.

"Its native people—animals, flowers and trees are different from any other in the world," she said.

In emphasizing its strangeness, Mrs. Winn described one of its animals—the Platypus, which has for like a beaver, a beak like a duck and four webbed feet like a frog.

"The greatest source of wealth in Australia is raw materials," the group heard. "Most wealth comes from the sheep and cattle ranches."

She described Australians as being vigorous and free-outspoken in criticism of government, the government department, industry, private or public behavior.

Mrs. C. E. Cogswell, second vice president, presided during the business session in which members voted to contribute a book to the local library in honor of the late Mrs. Whitmore, sister of Mrs. Arthur Barry, club president.

Refreshments of fruit punch, strawberry cup cakes and nut bread were served after the program.

Those present were Mrs. Barry, Mrs. Cogswell, Mrs. Lynn Halbert, Mrs. J. E. Hale, Mrs. G. A. Horton, Mrs. J. F. Jones, Mrs. E. M. Majors, Mrs. V. V. Shropshire.

TORNADO DATA RELEASED

Disaster Warning Plan Slated For Discussion, Judge Reports

Three persons represented Colorado City and Mitchell County at the West Texas Weather Warning & Observation Service meeting Monday in Abilene.

And they returned home with data concerning tornadoes and other disaster.

Attending the meeting were Police Chief Leon Yeager, Fire Chief Don Henderson and County Judge Sam Bullock.

Need for an improved disaster and civil defense organization within Mitchell County and Colorado City area was emphasized by Bullock on his return.

The need is especially evident he said in regard to reporting of tornadoes and other disasters, warning service to alert the public of storm conditions or other threats.

Bullock said that a meeting of various police, fire, military and relief agencies probably would be called within the near future to study the problem.

In the meantime Bullock submitted special data for the public in regard to recognizing tornado threats and knowing the extent of possible damage by a tornado.

Important for the public, he said, are these facts presented at the Weather Warning & Observation Service meeting:

WHERE TORNADOES CAN OCCUR: Any place in the United States at any time of the year. They happen most frequently in the midwestern, southern and central states from March through September.

HOW OFTEN DO THEY OCCUR: The records show that the average number of days with tornadoes varies from about 12 per year in parts of the Midwest to less than one per year in the Northeastern and far Western states.

HOW TO RECOGNIZE A TORNADO: Usually observed as a funnel-shaped cloud, spinning rapidly, and extending toward the earth from the base of a thundercloud. When close by, it sounds like the roar of hundreds of airplanes.

TORNADO "WEATHER": Hot, sticky days with southerly winds and a threatening, ominous sky. However, many such days occur

REDS TO PLAY THE WHITES

Friday Intrasquad Game Set For Colorado High Gridmen

Colorado High football team—trimmed to a minimum with injuries and withdrawals—will mix it up again Friday night in a spring training intrasquad game.

Coach Bob Reilly said Thursday that the game will be held at Wolf Stadium Friday, 7:30 p.m. if the weather is not too cold. If cold weather sets in, the game will be held Friday afternoon.

The squad has been reduced to approximately 30 players since the start of practice Feb. 27. Several others are out with injuries.

Reilly began the spring practice drills with 14 ninth graders on the team. That group has been narrowed down to six and several of those are on the injured list.

The two squads—Reds and Whites—turned in a fine intrasquad game last Saturday night with the Reds winning 14-7.

Bancker Cade, a slashing, hard-running fullback who was ineligible last season, was the driving force behind the Reds' victory.

He ripped off an 80-yard scoring run, bursting by six would-be tacklers, for the top running effort of the night.

Cade's running teammate in the Red backfield—freshman Lucky Merket—showed signs of fine football form.

In fact, about six backs showed speed and power in the tilt.

The Maples twins—Roy and Troy—spearheaded the White attack, aided by hard-running James Shoemaker, a freshman.

Sophomore Richard Compton quarterbacked the winning Red squad.

Reilly said he would probably leave the teams as they were in the Saturday scrimmage, except for a few minor changes in personnel.

For the Reds will be Cade at fullback; Delbert Lewis and Merket at halfbacks and Compton at quarterback. In the line, Bob Aycock and Jimmy Richardson will handle the end assignments; Dru Vowell and Rodney Oliver at tackles; James Goff and Thomas Dowty at guards; Bobby Carpenter at center.

In the White backfield will be Shoemaker at fullback; Doug Chandler and Troy Maples at halfbacks with Roy Maples at quarterback. In the White line, Marion Flippin and Bennie Ray Hodges will take the ends; Jim Windham and Paul Free at tackles; Ken Simmons and Joe Maddox at guards while Gene Blas singame covers the pivot post.

Don Black, a letterman end, is injured and will probably not play.

The division of the squad for the game provides an equal number of lettermen on both sides.

Reds have three lettermen; seven boys up from the B-squad and one ninth grader.

Whites have three lettermen; six up from the B-team and two ninth graders.

Reilly will coach one team while new assistant coach Joe Burk handles the other.

The game is being held on Friday instead of Saturday in order that football players on the track squad may go to Fort Stockton.

Mr. and Mrs. Mearse Move to Sweetwater

Mr. and Mrs. Eldon Mearse are moving this week to Sweetwater.

Mr. Mearse, who has been bookkeeper for Humble Oil & Refining Warehouse here, has accepted a position in Sweetwater with Goodyear Company.

The Mearse family visited Sunday night at Loraine with Mr. Mearse's parents, Mr. and Mrs. Homer Mearse.

BEST GIRLS' CAGE TEAM—Arkansas Travelers, the top girls basketball team in the nation, will perform before an audience here Friday, March 2. They will play a Jaycee team composed of local talent. The girls are, left to right, Amelia Ziegler, Mary Robbins, Lurlyne Greer, Hazel Walker, Helen Blackburn, Frances (Goose) Garrouette and Toby Rayburn.

FIRST MEET OF THE SEASON

Cindermen Go to Fort Stockton

Colorado High's 1956 track squad makes its debut Saturday at the Comanche Relays in Fort Stockton.

Coach Bob Reilly will leave Friday night or early Saturday morning with his squad.

The meet will offer a chance for coaches to get a look at the opposition for the coming cinder season.

It will be the Wolves' first trip to the Fort Stockton affair.

The 1956 team is expected to be somewhat weaker than Wolf track squads of the past four years.

Greatest loss, of course, from the 1955 squad was Hollis Gainey, now a freshman at University of Texas.

This year's team is moulded

around returning veterans Don Fite, Frank Mackey, Doyle Herring, Jim Windham, Delbert Lewis and Dru Vowell.

Fite and Mackey have both made trips to the state meet the past two years. Herring made it last year on the mile relay team.

Coach Reilly will probably use Fite in the two relays—440 and mile—and in the 180-yard low hurdles.

Mackey will enter the 220-yard dash and run a leg on both relays.

Herring will unlimber his long legs for the grueling 440-yard dash and carry the baton in both relays.

Joining Mackey, Fite and Herring on the 440-relay team will probably be Bancker Cade. Delbert Lewis will join them on the mile relay quartet.

Cade will probably enter the 100-yard dash, also.

In the distance events, Reilly plans to enter Clarke Jones, Don Powell and Cecil Darden in the 880-yard run and Thomas Dowty in the mile.

Douglass Chandler may be available to enter the pole vault. Wolves are expected to make their best showing in the shotput where they have Windham and Vowell. Windham, the giant 220-pounder, has been throwing the iron ball around the 50-foot mark in practice. Vowell follows close behind.

Both will enter the discus. West Texas' strongest track teams are expected to enter the Fort Stockton events.

IN TEXAS TIME TRAILS

Gainey Runs 100 In 9.5 Seconds

Hollis Gainey, Colorado City's gift to the track world, ran his fastest 100-yard dash Friday in full-scale time trials at Austin's Memorial Stadium.

The Hoss, running under the banners of the University of Texas freshman track team, turned in a 9.5-second performance in the century. His best previous time was 9.7 while a senior at Colorado High.

But that wasn't the fastest time recorded in the trials Friday.

Bobby Whilden, a varsity sprinter, clocked off a 9.4 in his heat.

The 9.4 is a tenth-second over the world record and an tenth-second under the Southwest Conference standard.

Jerry Prewitt, running in the same heat with Whilden, turned in a 9.5.

Prewitt and Whilden were running with a slight tail wind estimated at eight miles.

Freshman Bobby Stillwell, running in the same heat with Gainey, was clocked in 9.6. They had a tail wind of six miles.

The freshman 440-yard relay team whipped the varsity relay squad in the time of 41.1 seconds, one-tenth of a second ahead of the varsity.

On the frosh quartet were Stillwell, Eddie Southern, Wally Wilson and anchorman Gainey.

For the varsity were George Schneider, Whilden, Prewitt and Jon Totz. J. Frank Daugherty, one of the top sprinters on the varsity, was held out of the 440-yard relay.

The freshman, running without Southern, lost a close race to the varsity in the mile relay. Varsity time was 3:21 while the frosh whipped the four laps in 3:21.3.

On the frosh team were Wilson, Brooks Patrick, Gainey and Joe Villarreal. The varsity quartet was composed of Lavern Voigt, Jimmy Holt, Ralph Rosenberg and Totz.

Whilden turned in the best time in the 220-yard dash, with a time of 20.7, besting the frosh's best effort of 21.2 by Stillwell. Gainey did not compete in the 220.

Fishing Facts

By Howard Bynum

Mr. Fisherman? Well, it hardly would be a misnomer for Edwin J. Moeser, the assistant postmaster. For Moeser has been just that. Mr. Fisherman, during the last couple of weeks, at least, out at Lake Colorado City.

The assistant postmaster provided an example of his fishing prowess last week in two trips to the lake.

The first trip netted two whopper bass—one weighing six pounds seven ounces and the other tipping the scales at two pounds four ounces.

Again Friday Moeser pulled in a huge catch—a seven pound bass. During the same fishing session he landed a three-pounder.

Moeser made his fine catches while wading off Wyatt's Point. His bait was a Hawaiian Wiggler.

Other fishing parties reported bass biting at Lake Colorado City despite the sandstorms and wind.

Mr. and Mrs. Claude Hines of Big Spring caught six bass weighing from 3.5 pounds to five pounds.

A Lorraine fisherman, Revell Phillips, went home with four bass ranging from 2.5 to four pounds. He caught all his fine fish with minnows.

B. W. Dorn, another expert angler, landed six bass with minnows. His catch ranged from two to seven pounds.

During the worst part of the sandstorm Friday Don Blasingame struck with luck and caught a six pound 12 ounce bass.

Another six pound bass was caught by Mrs. M. A. Duffahoo from Lorraine while the sand was blowing. She used minnows for bait, too.

Catching a six pound eight ounce bass with minnows Friday was W. B. Yancey. And Bill Nix caught a 4.5-pounder.

Longest fish taken from the lake in recent days was the 25 pound eight ounce catfish hooked by Brooks Dorn. He took the whopper off his trotline Saturday.

The big 'un was caught with perch-baited line.

Another trotline catch Saturday was a seven pound four ounce yellow cat nabbed by Jeff Ellis.

TOP WOMEN CAGERS

Travelers to Play Jaycees March 9

One of Colorado City's top sport events is scheduled here March 9.

That's the night the Arkansas Travelers professional girls basketball team plays the local Jaycees.

Lead by Hazel Walker, the Travelers have played from coast to coast, winning games against the best talent.

Often called "Miss Basketball", Miss Walker was selected on the All-American team 11 times, a record which has never been topped. During the 14 years she spent in amateur ball, she played on five national championships and runner-up three years. She won the national free throw title six years and international title two years.

Her record of 49 out of 50 tries from the foul line has never been equaled in national tournament history.

The seven girls hail from three states—New York, Arkansas and Mississippi.

The team has played here twice in recent years, in 1951 and 1952, both times before packed audiences.

Jaycees team will be composed of local coaches and Jaycees.

The Travelers were organized in 1949 with three main objectives—entertainment, showmanship and top-notch basketball.

The troupe has delivered these essentials in great form.

Without question, the Hazel Walker combine rates as the No. 1 women's basketball team in the world today. Proof of that claim is the amazing record the team has compiled against men's teams only in its six-year history.

The 1954-55 season was the biggest and best yet for the Arkansas Travelers who played a 220-game schedule in 48 states. The girls parlayed amazing court finesse, entertainment and beauty to the acclaim of thousands of basketball fans.

In addition, sportswriters everywhere have tabbed the team "The Nation's Most Watchable Basketball outfit".

The Travelers produce basketball at its best and entertaining at its finest—appealing to the kids who have only a nodding acquaintance of the game to long-time fans of the sport.

The club thrives on expert basketball but mixes enough shenanigans and trickery to round out an entertaining night on the boards.

Hazel Walker personally puts

Hawaiian Luau

Right in your own home!

Whether you go "all-out Hawaiian" with a complete luau, or choose to serve only one or two of these exotic, delicious foods... we think we can promise you some real food-fun! Your luau—traditional feast of happy Hawaiian Islanders—will reflect the mood of the Islands: white sand beaches, rolling surf, sighing palm trees. And you'll serve a feast that friends will talk about for weeks!

You can do it at so little cost, with so little fuss! We planned it that way as we gathered all the information, menus, recipes and foods...enabling you to enjoy your version of a colorful luau...right in your own home. (Many of these Hawaiian touches will add variety to your everyday meals, too!) Come in today. We're here to help you make it perfect.

Easy to Create Hawaiian Mood

The foods you serve at your luau are bound to be a success in themselves. You can heighten the Island feeling with a few "native" touches. Instead of using a table, simply roll out straw matting on the floor—or use a colorful tablecloth. Decorate this "beach" with ferns, flowers, and tropical fruits. Keep some Hawaiian music playing in the background. You're on the beach at Waikiki—your luau is under way!

NOSE WARMER — This RC-121 isn't too big for its hangar at Otis Air Force Base, Massachusetts. The building is specially designed to house the huge, four-engine radar search planes in this manner. Crews cannot work under shelter as they check equipment-jammed nose portions of the ships. When on patrol, the huge ships extend our radar warning network far out to sea along the nation's east coast.

Billy Simmons Mentioned on All-State Quint

Billy Simmons, Colorado High's star basketball player the past season, received honorable mention on the Texas Sports Writer Association all-state team.

Simmons, 6-3 senior who led District 4-A in scoring with an average of 21.6 points per contest, scored a total of 527 points for the season.

He averaged 18.8 points in the Wolves' 28 games. Simmons—who was equally as valuable as a rebounder and de-

Are All Cold Remedies Alike?

No! For example, 666 is the wide-activity medicine, which combines 4 of the most effective, widely prescribed drugs known, to relieve all cold miseries sooner. 666 is more potent and gives positive, dramatic, rapid relief from miseries of all kinds of colds. Light Cattle Bring Top Auction Prices

A total of 689 head of cattle were consigned in the livestock auction here Saturday at Tate Bros. Livestock Auction Company.

That was more than 279 less than the number consigned the previous week.

Market Saturday was steady on stocker cattle and packer cows.

Fat cattle were slow to 50 cents or more lower on heavy weights.

Mrs. Goodlett Returns Home From Hospital

By MRS. F. R. PICKENS
Record Correspondent

DUNN — Mrs. W. S. Goodlett has been a patient in Colorado City's Root Memorial Hospital for several days.

She entered the hospital Feb. 20 for medical examination and treatment, but is home now.

Visiting during the last week in Corpus Christi were Mr. and Mrs. W. C. Bolding of Dunn.

They went to Corpus Christi to be with their daughter, Mrs. Floyd Neidecken, and her family while Mr. Neidecken underwent surgery Thursday.

Visiting here recently were Mr. and Mrs. Grady Mason and daughter, and Miss Belle Hunter, of Coahoma. They were guests of Miss Hunter's mother, Mrs. W. A. Johnston.

Making a business trip recently to Colorado City were Mrs. E. J. Goodlett and Mrs. H. L. Harrison.

In Colorado City recently on business was D. D. Smith.

Rev. and Mrs. A. B. Teague and daughter, Peggy, visited in Big Spring recently with Mr. and Mrs. James Teague. Rev. Teague also was in Wichita Falls Tuesday for a visit with relatives.

Mrs. N. J. Richburg visited recently in Abilene with her son and daughter-in-law, Mr. and Mrs. Mason Richburg.

She accompanied her son's family to Abilene after the Mason Richburgs had visited Sunday in Dunn.

Fat cows brought prices of \$11 to \$12 with some heifer type cows higher. Canner and cutter cows were priced \$9.50 to \$11. Some high yielding cutter cows were quoted higher, and stocker cows moved at \$9.50 to \$12.

Market for fat cattle was steady on animals weighing 450 pounds down. Prices for good and choice were quoted at \$16 to \$18.

Good cattle more than 650 pounds in weight were slow to 50 cents or more lower. Market for fat calves was steady with prices ranging from \$14 to \$15. Good grades moved at \$16.50 to \$18.50 while utility and commercial were \$13 to \$15.50.

There were no choice calves consigned.

Good light stocker steer calves brought prices from \$17.50 to \$20. Calves weighing 500 pounds and more had buyers at prices ranging from \$16 to \$17.50. Plain and mixed steer calves sold from \$13.50 to \$16. Good heifer calves brought \$14.50 to \$16.50 while plain and mixed kinds were priced from \$12.50 to \$14.

Feeder cattle were slow to \$1 lower. Good steers not weighing more than 700 pounds brought prices from \$14.50 to \$16.50. Some steers weighing from 750 to 900 pounds were hard to move at bids ranging from \$13 to \$14.50. Feeder heifers brought \$13 to \$15.50.

Bulls were steady in the auction. Prices of \$14 to \$15.50 were offered for good heavy bulls. Light cutter and feeder bulls brought \$12.50 to \$13.50 and demand was good for good breeding bulls.

Good pairs of cows and calves on a steady market brought \$125 to \$150. Plain and mixed pairs were priced \$100 to \$125 with some good heavy mixed pairs were higher.

Fort Worth Guest

Mrs. Sam Love of Fort Worth visited Friday and Saturday at Lorraine with her mother, Mrs. J. R. Wheeler, and with her brother and sister-in-law, Mr. and Mrs. Raymond Wheeler.

A machinegun was successfully fired from an airplane in the United States for the first time in 1912.

PRETTY—AND CHILLY

Patricia Anne Cowden, 21, is this year's "Maid of Cotton." That's a cotton-lace creation the Raleigh, N. C. beauty is wearing as she poses in near-freezing weather atop a New York City hotel. Pat was in New York to plan an international tour as representative of the nation's cotton industry.

Goldens Are Hosts to Daughter and Family

Visiting here last week in the home of Mr. and Mrs. R. B. Golden were the couple's daughter and grandchildren—Mrs. Jim Ed Taylor and children, Eddy and Rodney, of Littlefield.

Mrs. Taylor and her children visited also in Lorraine with her parents-in-law, Mr. and Mrs. Dexter Taylor.

Local Workers Have Job Openings at Base

Administrative machinery incident to the hiring of additional civilian employees recently authorized for Webb AFB under "Project Home Front" has been completed.

Civilian personnel officer, Warren A. Farrow, said this week, that although a considerable number of men and women had been hired under the new authorization, the base—as a whole—was faced with a critical shortage in many categories.

"Home Front" was conceived as a likely solution to the increasingly pressing problem of filling overseas quotas of qualified military personnel, and to provide cadres for the newly organized wings which recently received Congressional sanction.

It is the procedure by which civilians can be employed and funded in lieu of certain military spaces now allotted various bases. In the absence of complications, the process involves only a determination of the skill required in such a military space, and the hiring of a qualified civilian as replacement.

Heaviest conversion from the military to civilian, falls in AFSC

Former Residents Are Parents of First Son

Mr. and Mrs. Chester Reid Thomas of Comanche, former Colorado City residents, have announced the birth of their first child, a son named Aaron Reid. The son was born Feb. 13 in Comanche.

Paternal grandparents are Mr. and Mrs. Floyd Thomas of Hermleigh. Maternal grandmother is Mrs. W. A. Payne of Comanche.

The infant is the 24th great grandchild of Mr. and Mrs. W. M. Richards of Goldthwaite, formerly of Lorraine. The 25th great grandchild—also—was born Feb. 13 and is a girl, Leslie Lynn, the daughter of Mr. and Mrs. Hilton Thomas of McGregor.

tion leaders, nurses, and radio (medical) technicians. These classifications range from GS-2, at \$296.00 to GS-9 at \$544.00 per year.

Interested persons are urged to contact the civilian personnel officer at Webb AFB, Big Spring.

100 Persons Attend Washington Banquet for Masonic Families

By MRS. C. C. HAMILTON
Record Correspondent

LORAIN. Approximately 100 persons attended the Washington birthday dinner last Thursday night for Loraine Masons and their wives.

The dinner in Loraine High cafeteria was prepared by school lunchroom supervisors — Mrs. W. H. Jeans, Mrs. James Bennett, Mrs. J. M. Templeton and Mrs. Ben Bowlin—and served by homemaker students.

Past worshipful masters of the local lodge were introduced by Gene Baird, worshipful master. Baird also introduced the principal speaker, Bob Tiffany, city councilman from Abilene. Tiffany discussed the life of Washington and applied his principles to current time.

Mrs. Tiffany sang "When Irish Eyes Are Smiling."

Brief talk about Masons was presented by Ralph Parrott, worshipful master of the Hermit lodge.

Also participating in the program were Golda Cary, who presented "Only You" as a piano solo; Mrs. Howard Tarr, Mrs. K. L. Taylor and Maxie Shepard.

Washington birthday theme was carried out in banquet room decorations. Tables were covered in white and marked with red and blue streamers. Miniature hatches, small flags, candles and

pictures of Washington were included in the table decorations. "Father of Our Country" was inscribed in large letters across the stage curtain, a background for the banquet tables.

Roy Hall of Midland was a week end visitor here in the

home of his brother's family—Mr. and Mrs. Price Hall and daughters, Joretta and Janet Sue. Other guests in the Hall home Sunday for lunch were Mr. and Mrs. M. A. Gann of Colorado City, Mr. and Mrs. Eugene McGee of Snyder, Mr. and Mrs. Ed Small and son, Don.

Mr. and Mrs. Lewis Claxton and children, Weldon and Hortense, spent the week-end in Atoka, Okla., with Mrs. Claxton's brother-in-law and sister, Mr. and Mrs. Elbert Gilbreath.

Returning home Monday from Houston were Rev. and Mrs. W. D. Green. They visited in Houston with their son-in-law and daughter, Mr. and Mrs. J. D. Green.

Mr. and Mrs. W. F. James attended the lectureship last week in Abilene at Abilene Christian College. They also witnessed the pageant, "A City on a Hill," which depicted the history of ACC in observance of the college's golden anniversary.

Mr. and Mrs. James were guests in the Abilene home of their son and daughter-in-law, Mr. and Mrs. Robert James.

Others from Loraine attending the lectureship were Mrs. Doyle Hester and Mrs. Glen Coon.

Mrs. Bennett Leads WSCS Devotional

LORAIN. Mrs. Lily Bennett presented the devotional study Monday, Feb. 20, at the weekly meeting of Women's Society of Christian Church.

The meeting at Loraine Methodist Church was opened with silent prayer as Mrs. Harold Martin played "Silent Night" at the piano.

Devotion by Mrs. Bennett concerned "A Serious Call to a Devout Holy Life."

Mrs. J. G. Bruce reported on the life of William Law, author of the WSCS mission study book, "Development of a Holy Life" was discussed by Mrs. Martin.

Instructions for prayer were related by other WSCS members. Benediction was by Mrs. S. E. Meadows.

Program chairman was Mrs. Harold Morris.

Attending were Mrs. Frank Crowover, Mrs. Martin, Mrs. Morris, Mrs. Martin Dobbs, Mrs. Bruce, Mrs. J. B. McDonald, Mrs. S. E. Meadows, Mrs. Charlie Hamilton, Mrs. Clyde Smith, Mrs. Jim Johnson, Mrs. Wiley Walker, Mrs. Percy Bond, Mrs. Bennett and Miss Annie Jarratt.

Mr. and Mrs. J. P. Leslie and children of Big Spring visited here Sunday with Mr. Leslie's brother-in-law and sister, Mr. and Mrs. Buck Taylor.

Both families went to Hermleigh during the afternoon for a visit with Rev. C. E. Leslie, father of Mr. Leslie and Mrs. Taylor.

THOUGHTFUL.—Robert Johnson, porter for a wine importing firm, benefits from the thoughtfulness of men long dead as he rests his wicker basket on this "porter's rest" in London. It was erected in 1861 on orders of the vestrymen of St. George's Church, "for the benefit of porters and others carrying loads."

Easy way to build chicks' immunity to killer coccidiosis...

Coccidiosis is generally recognized as the poultry raiser's Enemy Number One. It lurks in the brooder house and attacks pullets on range. Now with life-saving Livium in Nutrena Chick Starter and Nutrena Pullet Grower you get help against serious outbreaks of this costly disease.

The life-saving ingredient in Livium attacks these germs and keeps them from multiplying to the outbreak stage. Only by carrying a usually unnoticed low infection can chicks build natural immunity. It's that simple.

When you start your chicks on Nutrena Chick Starter, they not only start building this immunity with their very first bite of feed... they also get immediate help in
