## Bank Deposits At High of \$36.8 Million

Deposits in Wellington's two banks have risen an almost even \$4 million dollars in the last 12 months, their reports to the State Banking Commissioner and the Federal Reserve Bank at the end of business September 30, reveal.

At that time the City State Bank and Wellington State Bank had a total deposit figure of \$36.8 million up

from \$32.8 million 12 months ago.

This breaks all records for the third quarter report.

It also represents a rise of approximately \$7.25 million from the amount Collingsworth depositors had in the banks two years ago.

Inflation is responsible for part of this, it also reflects that in spite of depression, this county remains in a

growing economy.

Although the 1980 wheat harvest was below the bumper 1979 crop, there is some wheat money in this report.

Also represented is some income from the expanding gas production in the north part of the county.

The 12-months rise includes money poured into the economy by Southwes-

tern Rail Products, Inc., during the last quarter of 1979 and early 1980, and the money which Wellington Industries, Inc., is placing in the hands of Wellington depositors, beginning in the third quarter of this year.

Growth continued, even though the homebuilding boom the city was enjoying a year ago has slowed with rising interest costs.

Total demand deposits are \$10.9 million and total time deposits and savings are \$25.9 million.

Although demand deposits are down from a year ago, the \$25.9 million in time and savings deposits is up approximately \$3 million from a year ago and up \$6.5 million from two years ago.

Just as deposits rose, --See BANK, page 2

## Retired Educator Dies Sunday

J.L. Harper, 74, retired educator whose service to the county's schools covered a 15-year period, died in Collingsworth General Hospital Sunday at 8:10 a.m. after an illness that first occurred in January of 1979.

Mr. Harper came to Wellington as a high school principal in 1960 and a year later he was named superintendent, a place he held until the end of the 1971 school year. He was then appointed Collingsworth County School Superintendent and held that office until 1975.

Except for a few years during the depression of the 1930s, Harper had never worked outside the field of education, and in the schools of Texas.

He began his teaching career at Curtis in 1930 and 1931. During most of that decade, he was associated with his father in the operation of a grocery store and was a Parker County Highway Department employee.

He returned to teaching in 1939 at Park Springs, but in 1942 he entered the United States Army, and served as a technical sergeant with the 52nd Infantry Training Battalion, with service in the Tunisian Campaign in North Africa. He received the EAME Campaign Medal with Bronze Star.

Again in Civilian life, Harper returned to the school room in 1945 at Greford, then taught at --See HARPER, page 2

CAMPAIGNING

Congressman Jack Hightower talks with Denise Wilbur as he brought his re-election campaign to Wellington.

## Hightower Urges Better Job of U.S. Preparedness

"People are asking if they have reason to be concerned about the strength of our military. My feeling is that we need to do a better job of preparedness," declared Congressman Jack Hightower as he brought his re-election campaign to Wellington Thursday, October 9. He discussed the concerns voters of the 13th District are voicing, but he also took the time to commend Collingsworth County on its work to secure fuel alcohol production.

"People are more con-

cerned about inflation and national security," said Hightower of the two things they discuss with him at every stop of his campaign route.

"They feel that the inflation is robbing people on a fixed income. And they are afraid that perhaps we have let our military establishment deteriorate. The concern for military preparedness has come largely in the last two years," he said.

"They are asking if they have reason to be concerned

about the strength of our military. I voted to reinstitute draft registration," Hightower continued. "I think it makes sense to be prepared even though you are hoping and praying it will never be necessary to have the draft.

"I am encouraged by the

## Skyrockets to Open District Play at Wheeler Friday Night

Wellington Skyrockets play their first 1980 conference game with the defending Class B state champions, the Wheeler Mustangs, Friday, Oct. 17.

The game will be played at Wheeler, and the new game time is 7:30 p.m.

The Mustangs took their championship in UIL Class B, now Class A, and immediately moved up into District 2-AA with the Rockets, due to their school's increased enrollment.

Nevertheless, they come into conference play not having been beaten in 34

outings and with all but two players back from the championship team. These were lost by graduation.

The Mustangs opened the season with a 31-8 win over Stinnett, then, after an open date, spoiled Booker's homecoming 49-19. They defeated McLean 18-0, then met Boys Ranch Roughriders, supposed to be the spoiler team. Wheeler won 41-0. The Mustangs had another open date last week and have spent the time preparing for Wellington.

"They have lots of momentum and tradition and it's going to be tough,"

declared Coach James Williams, adding that Wheeler has the advantage of playing at home.

"We cannot make a mistake," Williams conti-

nued. "If you make a mistake, they capitalize on it. We can't have any turnovers and win a football

## Rocket Bonfire Slated Thursday

Skyrocket Cheerleaders are going to light a fire Thursday night--one of the biggest bonfires they've had in a number of years, as the football team prepares to go into its district 2-A

schedule. This will be held at the practice field at Powell Field as soon as the junior Varsity-McLean game ends, said cheerleader Kathleen --See BONFIRE, page 2

## Sheriff's Department Slates Move Into Remodeled Jail

If progress on remodeling the county jail continues at the present rate, Sheriff John Rainey can move his department into its new quarters some time next week, members of the Commissioners Court were told during their regular meeting Monday, October 13.

Jailer Billy Gilbert is already stationed at the jail.

The Commissioners approved training leading to

certification for several members of the law enforcement staff, including Kenneth Maxwell, who will succeed Sheriff John Rainey January 1, County Judge Bob Watson reported.

Considerable time was given to the county road department--its operation and problems.

The commissioners approved a plan whereby county road employees can participate in a Red Cross

First Aid Class along with employees of the Texas Department of Highways and Public Transportation.

Four farmers living in the county-line area South of Wellington met with the court concerning constructions of dams. They claim the location of these dams will cause water problems in their fields as well as on the county roads, and that some of the water will back up over the roads and into the fields.

A fifth farmer, living in Childress County, joined them after lunch, having attended a meeting of the Childress County Commissioners Court that morning. He claims construction of the dams have caused a water problem on his land.

The commissioners took this under advisement and Judge Watson said a special meeting will likely be called next week to consider the

## Awards Banquet Sat.

Approximately 30 awards for outstanding achievement in the many phases of 4-H Club work will be presented to Collingsworth boys and girls at their annual awards banquet Saturday, October 18.

Two of these will be the Gold Star Awards. They go to the boy and girl regarded as the most outstanding in their 4-H programs and who show great capacity for leadership. These are the highest awards a 4-H member can receive on the county level.

None of the awards is announced prior to the presentation. This will be held in Bura Handley Community Center at 7 p.m.

Entertainment will include a short skit by 4-H members. Sue Farris, District 1 Extension Agent, will attend and is expected to give a short progress report on 4-H work at the local as well as state level.

Jean Chandler and Don Reeves, extension agents, will present the awards.

These will recognize achievement in such fields as food and nutrition, the beef program, horse club, leadership, safety, child care, method demonstra-

tions, citizenship, food preservation, clothing, breads and other programs.

A covered dish dinner will be served. Parents, guest and 4-H boys and girls will attend.

## Absentee Vote Begins For Nov. 4 Election

Absentee voting for the November 4 General Election began Wednesday, October 15 and will continue through Friday, October 31, according to Helen Gollighugh, county clerk.

Voting hours are 9 a.m. to 5 p.m. each day Monday through Friday, and Mrs. Gollighugh said the office will be open through the noon hour for the convenience of those who cannot come at any other times.

She added that it will be appreciated if voters will bring their registration cards.

Anyone who would like to

receive an application for a ballot can call her office and an application will be sent. This is especially for the convenience of those who are over 65 years of age, or who are ill and cannot come to clerk's office, Mrs. Gollighugh explained.

Applications can be mailed through October 31, but these must be returned to the clerk's office by November 4.

The ballots must be returned in time to reach the clerk's office by November 4. Under the law, these can be received up to 7 p.m., on election day, but Mrs. Gollighugh pointed out that

## C-C Announces Holiday Promotional Program

Plans for Wellington's Christmas promotion program were outlined by the co-chairmen, Bill Hatch and Tommy Hudson, in the meeting of Chamber of Commerce directors Monday, October 13.

A return to the weekly drawings for script to be

spent in Wellington stores is planned, with the largest funding in the history of the holiday drawings.

Tickets will be given for purchases made with participating merchants, Hatch and Hudson explained.

Six drawings will be held, with \$100 in script to be given away each time. This must be spent with merchants participating in the program.

Wellington's holiday season will open with a drawing and visit from Santa Claus Saturday, November 29--the weekend after Thanksgiving.

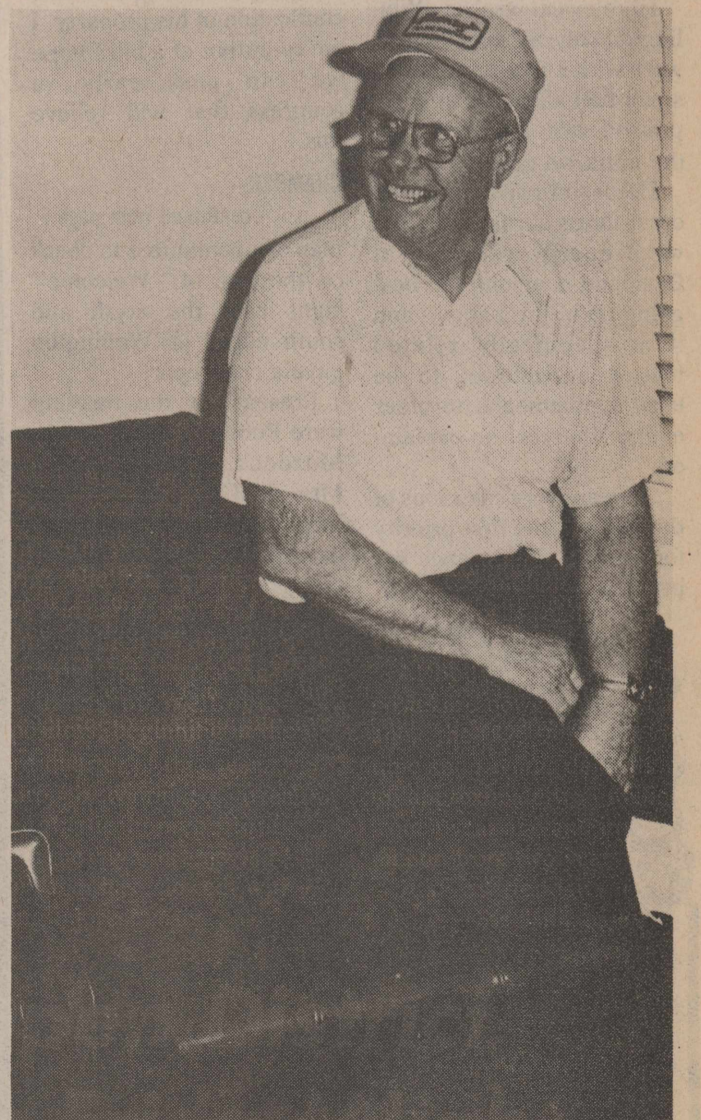

There will be other drawings on the first three Saturdays of December, the 6th, 13th and 20th.

Two more drawings are slated on Christmas Eve, Wednesday, December 24.

"We have by far more money and more participation than we have ever had before," Hatch said. Hudson added that there were "a lot who have never participated before."

Additional plans for the Christmas participation will be announced later this month.

NEW CHAIR

Herman Childress sits on the arm of a recliner recently donated to Collingsworth General Hospital by Herman Childress Mattress Co. Several recliners have been donated by other patrons for patient rooms, and the hospital administration hopes to receive chairs for each room. Childress said that his company would recover at discount prices any old recliner that anyone wished to donate to the hospital.

FARM BUREAU OFFICERS

Newly elected Farm Bureau officers to serve Collingsworth County Farm Bureau during the 1980-81 year are Andy Bell, left, first vice president; Denzil Lacy, president; Mike Hughes, second vice president; and Benton Wauer, secretary.

## Methodists Celebrate 90 Years of Service

Wellington Methodists will celebrate 90 years of activity in Collingsworth County at a Heritage Day service, Sunday, Oct. 19.

Morning worship services, beginning at 10:55, at First Methodist Church will feature a play recalling the early days of Methodism in the county. The play is written and directed by Gay McAlister.

The program will also include recollections of members of other community Methodist churches

which are now part of First Methodist. Pauline Masten and Evelyn King have done research on the various community churches.

A display of church memorabilia will be on display during the services and all afternoon. Olivia Hill and Corky Bowen are in charge of the display and they have invited everyone to visit the display during the afternoon.

Lynn Emmert will lead congregational singing at the service and Shirley

Henard will direct a children's choir.

Several former pastors are expected to attend the service.

The service will be followed by a basket lunch sponsored by the church's New Building Finance Committee. The committee will provide bread and drinks and families are asked to bring a basket lunch or covered dish. The lunch will be held at the Bura Handley Community Center.

renewed interest of a lot of our young people in the military. This has been reflected in increased enrollments in military training programs, more enlistments in the National Guard and Reserve. The vietnam era of anti-militarism seems to be diminishing."

What Jack Hightower proposes concerning promotion of alternate energy sources pleases his 13th District constituents.

"One of the causes of inflation is that we are buying 50% of our oil and gas from foreign countries and we need to develop our own resources and our alternate energy.

"Yesterday we announced a large loan guarantee for a fuel alcohol plant at Dumas. There were 18 loans made all over the country and the only one in Texas will be at Dumas.

Hightower was in Wellington only six weeks ago to work with a group seeking a small fuel alcohol plant. He praised this approach and the initiative taken here.

He urged participation in other forms of research. The wind energy research at Bushland is among the best going on in the nation, and it is specifically related toward agriculture, to be used supplemental to other energy sources, he explained.

"We are very conscious of the fact it is the first priority for Congress to balance the budget," he reminded,

noting that his Republican opponent has said that he is a big spender.

Hightower refutes the accusation. "He isn't familiar with the record. I feel we have to be responsible and cut down where we can.

"Better than half the (national) budget is in entitlements--social security, farm programs, interest on the national debt, etc. That is not considered appropriate money." Of the remaining amount, 25% is defense related.

"We have to address the first priorities, and the first priorities are to keep the country strong economically and strong militarily.

Concerning the windfall profits tax, Hightower is of the same mind as his Collingsworth friends.

"I opposed it, worked against it, fought against it. The aspect that is so bad is that it takes from the small royalty owner his profit. It is confiscation of his property. I am co-author of a bill I hope we can pass early in congress that will relieve this."

game.

At the first of the season, Wheeler was picked to win our district. By the Harris rating system, they are rated No. 7 in the state.

"If we get where we can stop the pass and move the football on the ground real well, I think we can win," the Skyrocket coach said.

He feels good about the Quannah game although the Skyrockets lost 18-27.

"We had over 300 yards in that game and most of it was running. If we continue to do this and if we cut down on our mistakes in the secondary, I think we can make a ball game out of it.

"If we don't give them the pass and make them run the ball, our kids are capable of playing with them. We have a little more speed in the backfield, they have a little more size, plus they have three all-state players starting.

These are Bennie Baker at fullback, Willie Valencia, left half and Russell Gaines offensive right end.

The 225 pound Baker is probably the leading ground gainer the last two years.

"They have a real balanced attack," Williams continued. "Their quarterback is not real big but he throws the ball real well. They execute their plays and they don't make any mistakes.

"This is a must win for us," the coach believes. "We've got to win Friday night if we run for the district championship. This is the biggest game all year and we've got to play above our heads. We've got to put everything on the line Friday and win this one." There was emphasis in his voice.

As for a comparison, Wheeler has not played anyone the Rockets have played this season.

The only injured Rocket is Chris Lynch, whose knee is still sore, although he worked out in pads Monday.

Days are long for the

"Anyone having wood to donate should stack in on the west side of the practice field, but keep it off the field itself because it's being used," she said.

Anyone with wood to give but no way to haul it should call Kathleen at 7-2887 or Liz Brewer at 7-5442, and it will be pickup up.

## Highway 83 Association Meeting Set

Highway 83, which will have its International Convention at Murdo, South Dakota, October 17-19, is mostly a rural highway going through some of America's best farm and ranch country, but besides the small communities which serve agribusiness, there are two state capitals, and cities where oil, gas, military bases, and fishing are a way of life.

Murdo, population about 1000, is planning meetings and social events, for delegates and visitors from cities of 100,000 and from ranches where the nearest neighbor may be 15 miles away.

The two state capitals on U.S. 83 are Bismarck and Pierre, both now water wonderlands, courtesy of the Missouri River dams. Neither rank among the largest cities on the fast scenic route from Manitoba's lake region to the Gulf of Mexico.

All of the major cities on the route are in Texas, with Abilene at over 100,000 being the largest, followed by Laredo, Brownsville, McAllen and Harlingen.

Almost half the mileage on U.S. 83 is in Texas.

Haskell, Aledo, Bryson, White Settlement and Peaster before he came to Wellington.

Born Julius Lester Harper January 24, 1906 at Springtown, he was the son of the late John Seaborn Harper and Martha Godbey Harper. He was graduated from Springtown High School, then received his bachelor's degree from Texas Wesleyan College and a master's degree from Texas Christian University both in Ft. Worth. He also attended North Texas State University at Denton.

He was a member of First Baptist Church, and his professional affiliations included the County Teachers Association and Texas State Teachers Association. In the community, he belonged to the Kiwanis Club and was a director and officer of the Chamber of Commerce.

He was a member of the Wellington City Council. A member of Wellington Country Club, Harper was an enthusiastic golfer.

He married Miss Orine Tatum December 8, 1945, in Ft. Worth.

Services were conducted at 2 p.m. Tuesday in First Baptist Church, with the Rev. Stanley Hughes officiating. Burial was in the Veteran's Plot of North Fairview Cemetery under the direction of Kelso Funeral Home.

Pall bearers were Jake Meadows, Herman Childress, Johnny Nash, Dee Burba, Z.J. Neeley and E.W. Clement of Mangum, Okla.

Survivors are his wife; one daughter, Mrs. Larry Mills of Stephenville; one son, Clyde Harper of Childress; three sisters, Miss Valera Harper, Miss Cly Harper and Miss Ira Belle Harper, all of Ft. Worth; one brother, Jim Harper of Lubbock; and two

A contract to replace the four outside doors of the court house was awarded to Memphis Glass Co., on a low bid of \$4,200. These will be full-length glass doors set in metal frames. Single doors will be placed on the north and south sides of the court house and double doors on the east and west sides.

The Commissioners voted to continue using Blue Cross for its hospitalization insurance for the fiscal year 1980-81, and approved a contract with the Texas Community Action to administer the Home Energy Assistance program for the same period. Mrs. Tessie Burba will be in charge of the program here.

Approval was given for City Manager Glen Taylor to purchase 5 county-owned lots in northeast Wellington at a cost of \$75 each.

In its final action, the court approved the office of Sherrod, Brown, Graham and Co., Amarillo as county auditors.

# 8th Plays Hard But Loses 20-12

Wellington 8th grade played some of its best football of the season, but the size and depth of a Canadian team overpowered the Firecrackers 20-12 on the Rocket's field Thursday, October 9.

Canadian scored on its first possession. Taking the Wellington kickoff, they returned the ball to their 30 yard line, then began a 20 yard drive.

On the next play, Canadian broke the ball from midfield for the touchdown. The try for two points was good.

"Right off the bat, that put us behind and we had to play catch up ball," said Coach Ray Bostich.

In the second period, Canadian broke another long run to score, but the try for points failed.

After halftime Wellington came out playing the kind of ball that was to spark the remainder of the game.

Canadian scored again in the third.

Then on the kickoff, the ball went into the end zone and Wellington took possession on the Canadian 20. With James Benton carrying the ball every time except one-- and James Bergvall took that one--the Firecrackers scored, but the try for two points failed and the score was 20-6.

Late in the fourth, the Firecrackers punted, then

the defense held firm and Canadian was forced to punt. With two minutes left in the game and with Benton carrying the ball, Wellington drove downfield. Benton then passed to Jimmy Barber for a 25 yard gain. On the next play, the same combination completed a 45 yard pass play that was good for the touchdown. Again, Wellington's effort to make the two points with an onside kick failed. Canadian, in possession of the ball, ran out the clock and the game ended 20-12.

"We played very good defense the second half," said Coach Ray Bostich. "If we'd played the first half like we did the second we'd

have won the game. Benton and Barber were very good on offense and the entire defense played well."

Games and a spook house will be in the high school building and will be open at 5:00 p.m.

A costume contest for pre-schoolers and drawing for the door prizes from the dinner and from different classes will be held in the gym before the coronation.

The theme for the coronation is "Under The Big Top" and the elementary students will be dressed as circus performers and animals.

The coronation of the queen for the fall festival will be at 8:00 p.m. in the gym.

This is the PTA's major fund raising effort and the proceeds will be used for teaching supplies and other school improvements.

In the first half of the 19th century, one-room schools in the U.S. received financial support from lotteries and tavern taxes.

## Students Named To Honor List

Stanley Hughes of the First Baptist Church, Wellington, announced today that 15 of their students have been inducted into The Society of Distinguished American High School Students.

Students awarded this honor include: Neal Van Pelt, Tammie Hernandez, Melanie Watts, Russell Schaub, Renee Owens, Maria Langford, Renee Lacy, Debbie Bergvall, Leigh Myrick, Kathy Whitten, Kim Riley, Valerie Van Pelt, Leslie Birkey, Dru Lacy and Eddie Langford.

The Society, one of the nation's foremost high school honoraries, tapped

these students because of their demonstrated excellence in scholastic leadership and civic achievement. Only 2% of all the students in the United States are accepted for membership. Nominations can only be made through the student's school or church.

The Society's National Awards Program is sponsored by over ninety colleges and universities throughout the United States. Thousands of dollars in scholarship funds from these institutions are earmarked for Society members each year. The students' sponsor, Charles Hollingsworth received a National Appreciation Award from The Society on behalf of the students for the interest shown in honoring and rewarding excellence on the secondary school level.

The purpose of The Society is to promote both academic and civic achievement by recognizing students in its Membership Registry, which is published annually and distributed throughout the United States and parts of Europe.

## 7th Loses To Canadian

Canadian 7th grade defeated a Wellington beginner team 28-8 at Powell Field Thursday, Oct. 9, depending on size and power for the victory.

Wellington boys did not score until near the end of the fourth quarter.

With about four minutes to go, halfback Johnny Nash scored on a punt return of 45 yards, then Gary Brown, fullback, went up the middle for the two point conversion.

Canadian scored in the first quarter and again in the second on long runs, to bring the halftime score to 14-0.

Two other Canadian scores came in the third quarter.

Coach Bryan Hill cited these defensive players for good work: Neal Duncan, safety; Jacob Benevides, defensive end; and Kendall Harris, tackle. Good jobs on the offense were reported for Brown, Nash and quarterback Joe Jernigan.

JUDGES ATTEND SEMINAR

Ninety-six justices of the peace attended a 20-hour Texas Justice of the Peace Training Seminar Sept. 16-17 in Amarillo, held in compliance with State law. The training center is based at Southwest Texas State University in San Marcos. Among the judges attending were left to right, M.O. Weatherly of Hedley, Donley County, Precinct 3, Beatrice McKinney of Wellington, Collingsworth County, Precinct 1, and Ernest W. Kent of Clarendon.

## Cooperatives

### Focus On The Future

October  
Is Co-op  
Month.

That's the theme for this year's observance of Cooperative Month celebrated every October by America's 40,000 cooperatives. And we at your home-owned electric cooperative happily endorse this special nationwide program.

As one of America's 1,000 rural electric systems we point with pride to the accomplishments of the rural electrification program, for we believe that the cooperative way of doing business is one of the most efficient and economical ways possible.

Cooperatives always look to the future to see how they can best serve their consumer-members. Keeping up with a rapidly changing world, working to help solve energy problems, promoting energy conservation, and exploring new energy alternatives—these are just some of the ways we do our share for our communities and rural America.

In fact, cooperatives have always focused on the future—not only for the benefit of rural Americans but also for all Americans!

## Rocket JV Ties Canadian 14-14

"As far as playing like a team, our kids played the best team ball they have played all year," Coach Mark Reason declared of his Skyrocket Junior Varsity as they tied Canadian JV 14-14 Thursday, October 8.

This game at Powell Field began the second half of the season for District 2-A JV teams.

The Rocket JV scored first on a 45 yard run by Bruce Alexander in the first quarter. Shane Cobb ran for the extra points and the score was 8-0 before the game was well under way.

Midway through the second, Canadian blocked a punt on the Wellington 8 yard line and the ball rolled into the end zone. The Wildcat JV recovered for the touchdown, but the try for extra points was no good.

Wellington scored first in the second half, on an 8 yard pass from Wade Williams to

David Moore. This came at the end of a 70 yard drive in which Alexander and Cobb did most of the ball carrying behind good blocking. The try for extra point failed.

Early in the fourth quarter, Canadian JV intercepted a pass on their own 10 yard line, just as Wellington was getting ready to score and ran it back 90 yards for the tying touchdown. The try for extra points failed.

"That was a good run, a really good run," Reason declared.

"Offensively we moved the ball the best we have all season, but after these long drives we would stall out.

"We're looking forward to the second half of play. We've met everybody once and we've improved and they've improved."

# PTO Discusses Carnival Plans

Wellington Elementary Parent-Teacher Organization members outlined plans for their annual Halloween Carnival when they met Wednesday, October 8.

The carnival will be on Saturday evening, October 25.

The mood was set when third grade pupils presented the program, "Halloween Night," under the direction of Mrs. Jack Campbell and Mrs. Bill Estes.

Dressed in Halloween costumes, the third graders recited a choral reading "Strange Things Can Happen on a Dark Halloween Night. Special presentations included a poem, "Halloween Recipe" by Scott Covey, Chad Feemster, and Jay

Don McCann; a pantomime, "This Ole' House" by Greg Cozad, Wiley Fires and Reggie Jones; a solo, "Jeepers Creepers," sung by Robert Watts; a dance routine, "Black Cat" by Sharon Henard, Angell Hendrix, Tracey Kane, Leandra Hartman and Karla Morris; and two piano solos by Dennis Cudd II.

Mrs. Dan Langford, carnival chairman, announced the new features for this year's carnival, including a color wheel game being made by some of the fathers.

The pumpkin carving contest will be similar to last year's. Mrs. Leamon Bawcom, carnival co-chairman, is in charge of the costume

contest and has added some new categories.

Members were urged to bring their families to eat supper at the carnival since food prices have been lowered this year.

During the regular business meeting Mrs. Larry Hammons read the minutes of the last meeting with a review of projects completed.

Mrs. Adolf Schmidt, president, told the organization about this year's fund raising project, a 19-inch color television, which Mrs. Danny Martin, treasurer, told the group was made possible by Wellington State Bank and Montgomery Ward Catalog Store. It is now on display at Ward's.

Those wishing additional information on the television should contact Mrs. Bill Lindsey, chairman.

The funds raised from this year's carnival will go toward a worthwhile project for the elementary school, Mrs. Schmidt said.

Tumbling mats which PTO bought this year have arrived and former Skyrocket Coach Don Beck will begin the tumbling program in the fourth and fifth grades.

PTO is sponsoring a toy drive for Mrs. Tarver's kindergarten. Parents should bring toys which their children have outgrown but are still in good condition.

Especially needed are wooden cars and trucks for the sandbox, dishes for the playhouse and puzzles at the kindergarten level.

After the meeting was adjourned, members went to the classrooms to elect room mothers and assign workers for the carnival.

## Eighth Grade Will Meet Wheeler Here

Wellington Eighth Grade Firecrackers will host a Wheeler Junior High Team Thursday, Oct. 15, starting at 6 p.m.

This is the only junior high game Wellington will play this weekend, as Wheeler does not include seventh grade football in its sports program.

This will be the second meeting of the two teams, who battled to a scoreless tie in the first game of the season on Mustang Field.

"We've gotten better and I'm sure they have. It will be a good game and we can win if we play like we did during the second half of the Canadian game last week," said Coach Bryan Hill.

Going into this game, Wellington posts a 1-3-1 record.

At the opening tie, the firecrackers lost to Memphis 14-26 then defeated Shamrock 8-0. This was followed by losses to Clarendon 0-18 and to Canadian 8-28 last week.

Wheeler has lost to Canadian and Memphis also.

## I Saw... by Virginia Robey

The Leader's Dela B Ford has a new desk. When she was cleaning out her old one she found, caught behind the drawers where they had been for 30 years, a group of Wellington Leader payroll sheets.

How many of these people do you know?

1944: the late Herschel Combs, Helen Combs, Sara E. Love, Norman R. Messerly, who was here just a few weeks, Rudolph Miller, now head of Humphrey Printing Co. of Wichita Falls, the late Vince Thompson and Marjorie Dickerson, whose father was Nazarene pastor.

1945: Theodore R. (Ted) Rogers, Harvey Leslie Hamilton, who drove over from Altus, Carrie Nola Salem (this was the second time she was on the Leader staff—Claudia Elliott Benge, Dorothy Jane Riggs Holman Vinton, Billy Joe Keller, John M. Jones and Amy Sue Way. The last three were high school students.

By 1947 here were some new names: Richard Shaw, Mack R. Wood who moved to Big Spring that year, Mary Katherine Stephens

Poteet, Priscilla Chase Sullivan and Virginia Sue Anderson Henegar.

The 1949 staff included Billie Earl Wallace, Jess Young, Jr., James Kenneth Porter, Billy Ray Bledsoe, Nola M. Bain who was Clemma Tarter's sister, Virginia Robey, Dorothy Robertson, Billy Jean Tenison Castleberry, James Oris (Ish) Miller and Bettye Jean Harrison Winslett. High school students were: John Martin Jones, Farrell Ray Kent and Neeta Vee Ball.

Of all this group, only Dorothy Robertson, Billye Castleberry, Priscilla Sullivan and I still live here.

I'm on the list only one year. The remainder of the time I was on the payroll of the Texas Press Association, which had state offices at The Leader. Deskins Wells was Executive secretary.

# Dodson Club Presents TFWC President, Mrs. B.M. Sims

Mrs. B.M. Sims, president of the Texas Federation of Women's Clubs, was the guest of Dodson Civic Club recently when Mrs. Fred Boyd was hostess and Mrs. T.E. Lennon co-hostess.

She explained that the theme for the state board meeting, "Take Off Flight, 1980," projects the endeavors of TFWC. This "flight" uses as its vehicle hot air balloons. Presented by visual aids to feature various aspects of the state and national organizations, de-

partmental reports, and other information pertinent to TFWC.

Also presented was the song written for this administration, "Lennie's Theme." The author is Lucille Bryan of Robert Lee.

Mrs. Sims gave an update of her recent travels in behalf of the Texas Federation: to Denver, Colorado for a community improvement seminar; to Atlanta, Ga., to serve on a panel on prevention of shoplifting, a part of the

federation work on crime prevention; to Tulsa to attend "FREE, Great American Bargains," a free enterprise symposium; to the TFWC board meeting in Washington, where she was received at the White House; and to a state board meeting at Austin.

She presented lipstick holders with mirrors, bearing the TFWC emblem, to Mrs. Lennon and Mrs. Boyd, past and current presidents of the Dodson Civic Club.

Mrs. B.B. Martin, program speaker, discussed the history of the Federated Clubs, beginning in 1889. She told the aims, goals and some of the accomplishments. Legislation passed in which Texas federated clubs had a part. Those supported by the Texas Federation included passage of the drivers license law in 1936, that requiring center stripes on highways, and creation of Palo Duro State Park.

Mrs. Boyd presided at the meeting, while Mrs. J.C. Howell led the pledge to the United States and Texas Flags, Mrs. Martin led members in reciting the American Creed, and plans were made to send a box to the State Hospital at Vernon, and for three members to attend a Top of Texas District Workshop at Perryton. These are Mrs. Murray Dodson, Mrs. Boyd and Mrs. Martin.

A salad supper was served to Mrs. Sims and Mrs. Boyd Derryberry of Wellington, Mrs. Willis Price and Mrs. H.F. Charlton of Hollis, Mrs. Louis Patterson, Mrs. Howell, Mrs. B.T. Webb, Mrs. Grover Graham, Mrs. Martin, Mrs. Boyd and Mrs. Lennon.

She is presently in the child care business, while he is employed by the City of Wellington.

## County Women to Attend Rural Homemakers Day

In celebration and appreciation of the American rural homemaker, Amarillo Chamber of Commerce Women's Division, will present its 18th Annual Rural Homemaker's Day Thursday, October 16, at Villa Inn, I-50 and Grand. Registration will begin at 9 a.m. with a get-acquainted coffee at 9:30.

Invitations have gone out to 450 rural homemakers in Texas, Oklahoma and New Mexico, according to Don Hileman, executive vice president of the Amarillo CC.

A number of women will attend from Collingsworth. Special speakers will be Bonnie Piernot, whose presentation on money management is entitled "Financial Fitness." A family resource manage-

ment specialist from Texas Agricultural Extension Service, holds a B.S. Degree in home economics education and M.A. in family ecology and management from Michigan State University. She has served as a home economics instructor, retail manager and as a member of various state education committees.

The second presentation, following a 12 noon luncheon, will feature Jean Burchett of Childress, columnist, humorist, and after dinner speaker.

President of the Women's Division is Lea Nussbaum and chairman for Rural Homemaker's Day is Eunice King.

## New Women's Club Holds Organization Meeting Oct. 9

A group of Wellington women met Tuesday evening October 7, in the home of Mrs. Pauline Patterson to organize a new club, for which a name will be chosen in the near future.

A covered dish dinner was served at 6:30 p.m.

The meeting date was set as 6:30 p.m. on the first Tuesday of each month, and Mrs. Jamesy Keller will be the hostess on November 4.

Purpose of the club at present will be recreation, but projects will be selected at one of the early meetings. Attending the organiza-

# Business, Professional Women Will Observe National Week

Wellington Business and Professional Women's Club will join those from throughout the United States to observe National Business Women's Week Sunday, October 19, through Saturday, October 25, Nell McKinney, president has announced.

The annual club tea will be held in Collingsworth County Library Tuesday, October 21, from 10 a.m. to 4 p.m. All area residents, and especially business people, are invited.

At this time, B&PW is honoring Mrs. Jack Lowry as the club's Woman of the Year.

The District nominee Woman of the Year will be selected later.

During the tea, the club's award winning 1979 scrapbook will be on display. This placed first in its category at the Texas B&PW Convention held at San Antonio in July. It was prepared by Miss Myra Hays.

Members took the occasion of the B&PW week to remind of some of the community groups which the Wellington club assists: the Satellite Sheltered Workshop, the state-wide M.D.

Anderson Hospital and Tumor Clinic project, Red Cross Bloodmobile to benefit Collingsworth General Hospital; Red Cross drive, Thomas Nursing Center, Vernon State Hospital, Community Action program, also

The Collingsworth County Library, Chamber of Commerce activities and Musical Distrophy Telethon.

Its latest project is to spearhead the fund drive for a new x-ray machine at Collingsworth General.

Mrs. McKinney explained that membership qualifications have been eased somewhat and now the major requirement for membership is that a woman must be engaged in a business or profession in Wellington or must be an employee in one of these.

Women who were members of B&PW in another town or city are invited to affiliate with the Wellington club, said Mrs. McKinney.

Officers serving B&PW this year, along with Mrs. McKinney are Paulene Estes, first vice president; Delia Aguilar, second vice president; Mary Foster, secretary; Erma Fay Ker-

sten, treasurer; and Goldie Barnett, public relations chairman.

Other members are Willie B. Harwell, Wanda Cardwell, Lucille Kelso, Lottie Handley, Myra Hays, Lavern McLain, Alicia Martinez, Loreta Wright, Pat Odle, Letha Thomas, Bobby Thomas, Ruth Phipps, Clara Mote, Pearl Harwell, Joan Smith, Cheryl Brown, Jewel Sosa, Evelyn Browning, Mrs. Lowry and L.C. Sweat.

Mr. and Mrs. Wayne DeLaney of Quitaque spent the weekend with her parents, Mr. and Mrs. Bill Lowe.

Billy Rainer, who has been a patient in Collingsworth General Hospital for several weeks has been transferred to the Veterans Administration Hospital in Amarillo. His sisters, Mrs. Dick Richards and Miss Bessie Rainer accompanied him.

## Parties Honor Jody Wood On His Fifth Birthday

A party attended by a large group of his little friends, and later a party for his family honored Jody Wood on his fifth birthday Thursday, October 9.

These were at the home of his parents, Mr. and Mrs. Joe Wood.

A football theme was used at the youngsters party from 5 to 6 p.m. Jody's birthday cake was frosted as a football field with miniature players. Each child received a red and white cupcake with a lighted candle. They sang "Happy Birthday," then each blew out his candle as Jody blew out the five on his cake.

He then presented a miniature football to each little boy and each little girl received a red pompom.

Attending were Ronnie Jenkins, Jill Owens, Paul Covey, Jennifer Long, Zane Cole, Crystal Cole, Candace Cole, Kelli Killian, DeLana Killian, Michael Killian, Douglas Daniel, Paige Davis, Scotter Gulley, Shonda Colson, Ryan Colson, Nicole Williams, Douglas Cudd, Nandy Henard, Christy Henard, Laci Scott, Ashley Spillman, Marnie

Al Bettis, a retired cowboy who worked for many years on the Mill Iron Ranch, celebrated his 90th birthday as friends honored him Tuesday afternoon, October 7 with a party at the Heritage Room.

A daughter, Mrs. Millard Brown, Jr., was the hostess, assisted by Mrs. Dick Pendleton and Mrs. Henry Sullivan.

Friends called to visit with him and his wife, Clara, through the afternoon. Included were those friends he had made as a cowboy, during the years he farmed in the Shinnery community, and others made since he moved to Wellington.

Bettis appearance and activities belie his 90 years, and he looks to be an outdoorsman or cowboy many years younger.

His birthday cake was topped with a miniature cowboy, and served with punch and coffee. Bettis,

whose given name is William Albert, was born in Tennessee October 7, 1890.

In addition to the years he worked for the Mill Iron, Bettis also worked on the Ed Blain Ranch.

He and Mrs. Bettis, the former Clara James, were married more than 60 years ago.

He attends First Christian Church.

The couple have four children, Mrs. Brown, Mrs. Darryl (Sharon) Morris of Heidelberg, Germany, Mrs. Don (Louise) Marquis of Erie, Pa., and Leon Bettis of Amarillo.

Twin sons, Elbert Bettis and Albert Bettis, died several years ago.

Approximately 75 attended the birthday party.

## Mrs. Bill Spillman, Kristen Honored at Baby Shower

Mrs. Bill Spillman and her baby daughter, Kristen Danille, were honored at a shower Saturday, October 4 at four in the afternoon at the home of Mrs. Joe Wood.

Other hostesses were Mrs. Glen Thomas, Mrs. Andy Henard, Mrs. Adolf Schmidt, Mrs. Johnny Holton and Mrs. David Pruitt.

The tea table was covered with a Chinese embroidered cloth and a crystal bowl held the floral arrangement of pale pink carnations and bright pink gladiolas.

Other appointments were

of silver and crystal. The cake was shaped and iced in the form of a baby's dress, and this was served with finger sandwiches and punch.

Then Marnie Spillman and Ashley Spillman helped their mother open the gifts. The four, including Kristen, were presented with corsages of pale pink silk flowers.

As guests registered, they also signed their names on a baby's pillow, and the signatures will be embroidered along with a choo-choo train on the front.

### Iran, Iraq and Oil

The spot price of oil has begun to twitch nervously upward again. That's the price of the odd lots—a barge load here, a tankerful there. It's a highly sensitive indicator of strain in the oil markets, and a rapid rise in the spot price becomes a signal and an incitement to the exporting governments to raise the contract prices at which most oil is traded. That's what happened at the end of 1978, as the Iranian revolution gathered momentum.

It need not happen again. As long as the fighting involves only Iran and Iraq, the loss of daily production will be only slightly larger than last summer's over-supply. More important, the context today is very different from that of two years ago. In the fall of 1978, most of the oil companies had let their stocks run comparatively low and were counting on heavy imports to carry them through the winter. This year, in contrast, companies throughout the world have filled every last tank, bucket and teacup to the brim—and are counting on nothing. Steuart Petroleum Co., Washington's largest supplier of heating oil, says that it has enough in stock right now to carry its customers through January—and nothing so far threatens further deliveries to Steuart.

Two years ago, the major industrial economies were expanding rapidly, driving up oil consumption. Today, several are in recession and others are running in second gear. Two years ago, American imports were rising strongly and keeping world markets tight even before the strikes started in the Iranian oil fields. Today, prices are up in the United States, imports are down, and world markets have been slack for months.

But a good deal now depends on the governments of the oil-importing countries, including this one, and the state of their nerves. The trouble started two years ago among the speculators and a few companies suddenly caught short of crude oil. But it was rapidly made much worse as some of the European governments pushed companies to grab anything loose on the spot market, regardless of price. The United States abstained at first, then changed its mind and joined the grabbing.

In retrospect, the major industrial countries have agreed that the great grab of early 1979 was a dreadful mistake. They have further agreed never to do anything like that again. No one can really control speculation in uneasy times, or the occasional desperate buyer. But governments of the industrial countries have enough influence over the oil trade to prevent any long, sustained, dangerous rise in the spot prices for oil. Keep an eye on that price: it will be an interesting test of these governments' ability to work together in a common purpose that all of them, at least in principle, accept.

## FROM HIS WORD . . .

Rejoice in the Lord always; again I say, rejoice! Let your forbearing spirit be known to all men. The Lord is near.

Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, shall guard your hearts and your minds in Christ Jesus." (Philippians 4:4-7)

If this advice were to be followed the numbers of doctors and psychologist would be cut dramatically. Then peace of our spirit would become reality! Why, do we wait so long to accept His grace, the free gift of Christ?

## STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN — During the 1978 gubernatorial election, the Mexican-American voters were touted as an up-and-coming political bloc, and one on which would hinge the outcome of several political races.

The Democrats traditionally drew strong support from the Hispanic voters, and both parties may have taken it for granted. For whatever reasons, including a lack of incentives or political hopes, Hispanic voters turned out in low numbers. Consequently, Democrats were surprised and Republicans joyful to learn that GOP nominees Bill Clements and John Tower had defeated Democrats John Hill and Bob Krueger.

The low turnout had its punitive repercussions, at least in the Legislature where Hispanics won few committee plums. Since Hispanic leaders did not deliver the votes, the plums were not delivered to them, so to speak.

### Second Time Around

As this year's presidential race nears the finish line, the Hispanics are again receiving their fair share of attention, by both Democrats and Republicans.

Both President Jimmy Carter and Ronald Reagan have made campaign swings through South Texas with promises to be back soon.

Both campaigns say carrying Texas is vital to winning on Nov. 4. Thus, Reagan elaborated on Clements' plan to issue work visas to illegal aliens and Carter bragged on more Hispanic appointments by him than any other presidents.

### Growing Bloc

The politically emerging Mexican-American vote has doubled since the 1976 presidential election, when nearly 400,000 voted. A voter registration drive has bumped it to an estimated 800,000, or about 18 percent of the total Texas vote.

And Hispanic leaders are again touting their bloc's role in making a president. The winner, they say, will have to make gains among Hispanic voters.

The Republicans are aiming to capture 30 percent of the Hispanic vote, more than double the 13 percent garnered by Gerald Ford in 1976. A low Hispanic turnout is seen as harmful to Carter, who drew only 20 percent Hispanic votes in his primary run against Teddy Kennedy.

### Unresolved Problem

Outspoken Ruben Bonilla, president of the League of Latin American Citizens (LULAC), doesn't put much stock in any short-term solution to the flow of illegal aliens from Mexico. He favors a liberal amnesty program instead of an open border, and a strong emphasis on bilateral trade.

He supports Carter, saying "If Hispanics wanted an actor as president, they would vote for Ricardo Montalban."

### Penalize Employers

A Lufkin Congressman, Charles Wilson, wants Congress to make it illegal to hire undocumented workers, making it a felony crime on second offense. Wilson was addressing a group of teachers concerned about the problem of educating illegal alien children.

Many Texans have been up in arms lately since a federal court ruled the state must foot the bill for schooling the youngsters whose parents unlawfully cross the Rio Grande to work here. Wilson, Atty General Mark White and others want the federal government to reimburse school districts who enroll alien children.

### Crime Victims Fund

White is also concerned about the state's new compensation fund for crime

### FIRST SERMON

The first sermon in the county was preached by the Rev. W.Y. Seale in the spring of 1889 in the house pictured above, the home of Mr. and Mrs. Robert A. Dysart. The next year a Wellington mission was organized in the Vernon district of the Methodist Church, and in 1890 the first Methodist Church in the county was organized by the Rev. J.H. Linderman in a board house located on East Avenue. Wellington Methodists are celebrating a Heritage Day at church services this Sunday, Oct. 19.

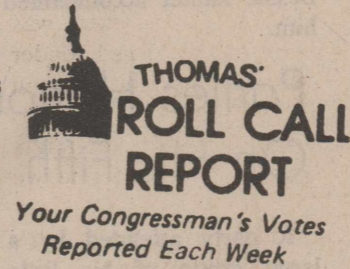

victims, saying the federal courts could force the state to extend it to illegal aliens who fall prey to criminals.

Under the new law, \$10 to \$15 in court costs are set aside to help victims of violent crimes, covering hospital bills, lost wages or funeral expenses.

White said last week there are serious doubts whether illegal aliens are excluded from the already-dwindling fund. The fund amounts to about \$1 million a year, about half of its estimated need.

### AG Ruling

In a legal opinion issued last week, White ruled state law prohibits dentists from consenting to dental treatment of persons under the care of a Department of Mental Retardation facility. Dentists may provide treatment, however, provided consent is obtained from three physicians licensed by the state.

WASHINGTON--Here is how area members of Congress were recorded on major roll call votes in the days before the current recess.

**DOMESTIC VIOLENCE--** By a vote of 276 for and 117 against, the House adopted and sent to the Senate the conference report on a bill to help victims of domestic violence. The bill (HR 2977) would cost \$65 million over three years. In part, it would

fund shelters for battered spouses and children and underwrite counseling to curb violence in the home.

Members voting "yea" favored enactment of a new domestic violence program at the federal level.

Wilson, Mattox, Eckhardt, Brooks, Pickle, Wright, de la Garza, White, Leland, Gonzalez, and Frost voted "yea."

Hall, Collins, Gramm, Archer, Leath, Hightower, Wyatt, Stenholm, Hance, Loeffler, Paul and Kazen voted "nay." Roberts did not vote.

Florida's name comes from the Spanish meaning "feast of flowers."

# 700 Attend Farm Bureau Barbecue

An estimated 700 Farm Bureau members and their guests ate barbecue at the annual Collingsworth FB Convention Saturday, Oct. 10, then went into a business session that included election of 1980-81 officers and passage of resolutions on the state and national level.

Denzil Lacy was re-elected president of the organization, while Andy Bell is first vice president and Mike Hughes second vice president. Benton Wauer was re-elected secretary.

Newly elected directors from the north district of the

county are Mark Simpson, Max Paschall and Doug Coleman, Jr., east, Jerry Lewis, Lynn Fulcher and Lynn Emmert; south, John Scott, Joe Wood and Harold Scott, and west, Reed Souder, Earl Patterson and Earl Lynn Bartlett.

Ronnie Hartman was re-elected the director at large.

The three students who attended the Farm Bureau Youth Seminar held on the campus of Baylor University Waco, during the summer made brief talks.

Sandy Morris, noted the seminar theme, "This Country's Free Enterprise

System," told of the featured instructors and spoke of the many new friends to be made at the seminars.

Russell Schaub of Lurie said the students learned to respect the country's free enterprise system. "Rehabilitation of this nation begins with the individual. You have to speak out before you can be heard," he said.

Mark Fourmentin told the group "The country is getting in a bad shape. If we don't want to live under a dictatorship we must begin voting."

John Scott, retiring vice president, outlined 1980 accomplishments, heading the list with the announcement of 80 new members to bring the 11-months total to a high of 673.

FB also was represented on the state convention resolutions committee by its president, Lacy; sent Clinton Oldham of Samnorwood to the Firemen's and Fire Marshall's School; contributed toward purchase of a fire truck, to 4-H, and Collingsworth General Hospital. A sound system was purchased and Reed Souder was sent to the Cotton Convention.

The retiring officials called it "the best year we ever had."

Ray Null read the minutes of the 1979 meeting.

Wauer read the report of the audit committee and Jack Campbell gave the insurance report.

A resolution urging the exemption of gasohol from the 4 cent road tax as long as the alcohol is produced in Texas headed the list.

Also on the state level, members reaffirmed the Preamble to the State Farm Bureau constitution and opposed the education of illegal aliens by the use of American tax dollars.

On the national level, FB members opposed the Windfall Profit Tax on domestically produced oil and gas.

Concerning soil and water conservation, members recommended that adequate tax incentives be provided to private landowners and

operators who voluntarily apply acceptable soil and water conservation measures on their land. Such program should allow a proportional amount of income tax credit for every dollar spent by a private landowner or operator in applying acceptable soil and water conservation measures on the land.

The final resolution on which Farm Bureau members voted concerned the farm program and was in 9 parts. All were adopted and related to operation of the law of supply and demand in the United States.

Members voted their support of a supply and demand farm program "in order for supply demand to function:"

- Insisted that "the government refrain from placing embargoes;"

- That Congress approve no treaties with any country receiving aid which levies tariffs against U.S. farm products;

- "Make all transportation available through shipping and etc."

- Mediate boycotts and strikes on products bound for overseas;

- Release no CCC stock at less than cost of production;

- Keep U.S. with balance of payments;

- Opposed the "F.C.I.C. and want to stay with the present farm program until Congress works out the problems state and gives supply and demand the chance to work."

- Charged Congress to uphold the principles of supply and demand. "And noted that the American public does not approve of the farmer receiving subsidies," but as long as the government doesn't let supply and demand function properly, we feel that the farmer is subsidizing the American public."

County FB members approved one amendment to the by-laws, that all resolutions submitted from the floor at the county convention must be submitted in writing.

## McLean JV Comes Here Thursday

McLean Freshmen Tigers come to Wellington Thursday, Oct. 15, to meet a Skyrocket Junior Varsity that will also consist largely of its freshmen players.

Play starts on Powell Field at 7:30 p.m.

The arrangement suits Wellington Coach Mark Reaser fine, as it will give younger boys an opportunity to play that might not occur if the full JV was playing. Some upper classmen will see action so they won't lay off a week.

Older and more experienced boys are being moved up to the varsity for their Friday game.

McLean JV has had a winless season, but that doesn't tell the story of the team they really are.

"The purpose for a junior varsity is for the kids to get playing experience, said Coach Jerry Cook, "and they're sure getting that. We're not too disturbed about the losing score because every school we've played so far has been either AA or AAA, and we're playing mostly freshmen, while those teams are playing older kids."

This game will not count as far as the official Wellington record is concerned, as the game was arranged after Wheeler cancelled its JV schedule for the second half of the season and moved its players up to the varsity for

# Quanah Downs Skyrockets, 27-18

Wellington Skyrockets turned in their best offensive performance of the season Friday, Oct. 10 but it wasn't enough to overcome the passing attack of the Quanah Indians, who've been ranked as high as 4th in the state in the AA division this season.

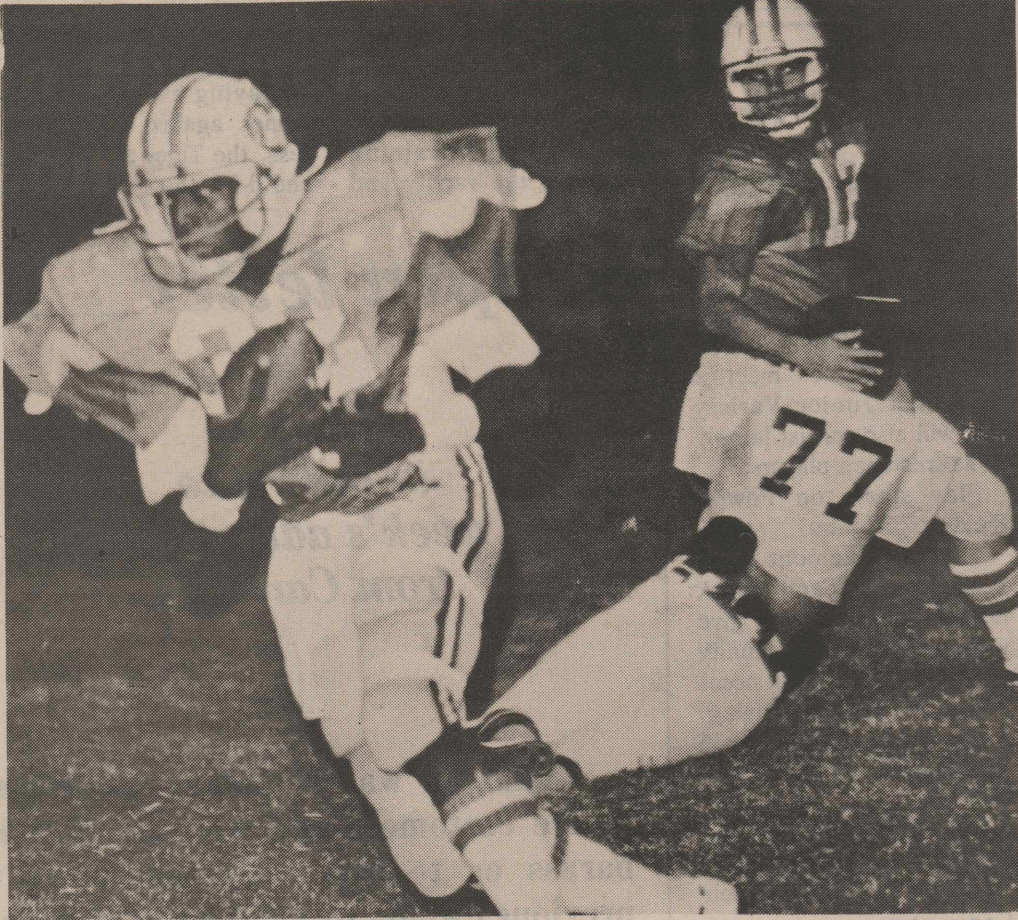

The Indians won the last non-conference game of the season 27-18 at Powell Field.

Wellington took an early lead when the Rocket offensive line blew open a good hole for Tim Anderson at the 37 yard line and Anderson put some fancy footwork between himself and the Quanah defenders with 9:31 still to play in the first quarter. Darrell Thomas extra-point kick sailed wide right and the Rockets held a 6 point lead.

But on the Indian's next possession Quanah's senior back David McGary came back with a 47-yard dash to even the score, and his kick made it 7-6.

The Rockets' main problem of the evening soon showed up--pass defense. The next time the Indians got the ball, quarterback Zachary Choat connected to end Lantonya Wallace for a 67 yard touchdown. McGary's extra point kick made the score 14-6.

But the Skyrockets came back with an excellent kickoff return by Darrell Thomas to their own 40. The Rockets drew a penalty back their 35. Then Tim Anderson, again behind some good blocking, found the crease, stiff-armed two defenders and dashed 65 yards for the score to put the Rockets 2 points behind. Anderson's extra-point run fell short and the score remained 14-12 at the end of the first quarter.

## ROCKET ACTION

Skyrocket fullback Tim Anderson, 32, carries for a big gain against Quanah Friday as quarterback Jody Coleman, 12, looks on.

The Skyrockets threatened early in the second quarter but the drive died on the Quanah 12 yard line. Quanah came close too, but Joe Saldana, Doug Gibson and Rand Johnson combined to drop the Quanah quarterback on fourth and goal from the 7 and force the turnover.

From the Rocket 9 yard line Darrell Thomas refused to be stopped, turning, twisting and sprinting for a 25 yard gain when he should have been down four times. The Rockets moved the ball but wound up turning it over at Quanah's 30.

On the Indians' next play, Choat connected to Emmitt Payne for a 70-yard touchdown pass. McGary's

kick put the score at 21-12 at halftime.

In the third quarter, Channy Wood led a third down pass rush that killed one Quanah drive and Kenneth Warren and David Castillo dropped McGary for a four-yard loss on another big third down play to help the Rockets control the period.

But in the fourth quarter, Choat moved the Indians 40 yards on a pass play to Wallace and then scored with a 20 yard pass to Payne at the edge of the end zone. McGary's kick was blocked by Doug Gibson and the score sat at 27-12.

The Rockets came back with a 9-play 58 yard drive that resulted in Tim

Anderson's touchdown from the 8. The extra-point run failed and the score stood at 27-18.

Lennie Achie's interception stopped Quanah's final threat.

### TEXAS SWEETHEARTS

Texas Sweethearts met in the Extension Service office with Jean Chandler explaining 4-H.

Dates were passed out telling the girls their schedule for the first half of the year.

The 4-H motto, emblem, colors, pledge and prayer were read and explained and the girls were told to memorize each.

Next the girls studied measuring ingredients.

During the business meeting, Carrie Langford was elected president, D'Nae Keller vice president; Shelly Thomas, secretary; Raquel Neeley, treasurer; and Tammy Thomas, reporter.

## Wellington Firemen Re-elect Langford, Gray

Wellington volunteer firemen re-elected Dan Langford president and Danny Gray chief of their department at the annual election Monday, October 13.

Eddie Davis was returned to the office of first assistant fire chief, and Keith Upchurch became the new second assistant chief.

J.D. Sheer was re-elected secretary-treasurer, and the new chaplain is Bob Odle, minister of First Christian Church.

Dr. K.N. Kumar was elected department doctor.

Lieutenants are Elmer Green, Darrell Colson, Billy Wilkerson, Jeff Langford and Doug Green, while Buster Hughs was named a member of the insurance board.

The new mascot is Bart Upchurch, son of Mr. and Mrs. Keith Upchurch.

The department has answered approximately 90 fires during the first 9 months of 1980, Sheer said.

During the year, also, members acquired the large tanker truck for carrying water to rural fires. The tractor was donated by Robert Owens, the tank purchased with donations from area residents. A new van was also purchased with donations and with the sale

of an airplane in which the city had an interest. The city council purchased 1200 feet of new fire hose.

To fulfill in part requirements for keeping down the city's key insurance rate, two men, Langford and Dock Turner attended the Texas Firemen's and Fire

Marshall's Firefighting school at Texas A&M University.

Going to the Canyon firefighting school, which is affiliated with the A&M school, were Gray, Colson, Upchurch, Jim Sikes, and Buster Hughs, who is an instructor.

## Greenbelt TV Translator

Only 155 users have paid their \$36 dues to Greenbelt TV Translator. The board of directors agreed to try to continue service for this fiscal year if 200 users paid their dues. The Board of Directors agreed to leave the system operating hoping and expecting that at least 45 more users will pay \$36 each. If this does not happen, the system will continue to operate until available money is spent. At that time either the system will shut down or dues must be increased for those who do pay. Surely another 45 families using the system will pay \$36 and hopefully the system can continue to operate as it has in the past. A meeting of all users will be called in the near future and every user is encouraged to attend this meeting. Please help us keep this system operating.

Those who have paid include the following names:

Wellington Kiwanis Club installed new officers and directors at annual installation banquet and ladies night Saturday, Oct. 11.

Lt. Governor Ab Conway

**Dale Watkins Dies Oct. 10 In San Antonio**

Dr. Dale V. Watkins, who was born and raised in Wellington and who practiced medicine here for 18 years, died Friday, Oct. 10 following heart surgery in Baptist Memorial Hospital in San Antonio.

Dr. Watkins served in Europe in World War II and after the war he returned to Wellington where he practiced medicine from 1946 until he moved to San Antonio in 1964.

He took a special interest in children in his practice here, where he was known affectionately around the community by his younger patients as "Doctor Dale."

Dale Vickers Watkins was born March 11, 1916 in Wellington, the son of Fred Vickers Watkins and Marie Gribble Watkins.

He attended Wellington public schools, attended John Tarleton College one year and received his doctor of medicine degree from the University of Texas Medical Branch at Galveston, and took an internship and residency in obstetrics at St. Paul's Hospital in Dallas.

He was married to Miss Bertine Missner on February 20, 1944 in Waco.

From 1964 through 1973 he was in private practice in San Antonio, and from 1973 to 1980 he was in emergency practice at Methodist Hospital in San Antonio.

He had just re-opened a private practice three months before his death.

He was a retired Colonel

of Pampa told Kiwanians to "run with what you bring," a motorcycle analogy urging members to make the most of what they had available to them today, rather than delaying action in the hope of more favorable circumstances tomorrow.

New officers, installed at the banquet held in the Wellington school cafeteria,

are Bill Beall, president; Dick Pendleton, first vice-president; Kenneth McKay, second vice-president; Tommy Hudson, secretary; and Elmer Hiatt, treasurer.

Directors for 1980-81 are Sam Adams, John Brown, Millard Brown, John Coleman, Joe Fickling, Jimmie Kelso and Mack Saied.

Richard Kelly, Burt McNeely, Col. Clarence Cook, Dr. J. Royston Brown, Joe Biry and Dr. Attilio Zaccaria.

Survivors include his wife of their home, 10515 Burr Oak, San Antonio, five children, Mrs. Franklin (Susan) Glasscock of San Antonio, Connie Lebowitz of San Antonio, Lt. J.G. Dale V. (Vic) Watkins, Jr., stationed in Jacksonville, Fla. and now serving aboard the U.S. aircraft carrier John F. Kennedy in the Mediterranean; Cliff Patrick Watkins, a third year dental student in San Antonio; and Kim Marie Watkins, a senior at the University of Arkansas at Fayetteville; one grandchild, Robert Thomas Lebowitz of San Antonio; one brother, Harold Fred Watkins of Wellington, and one sister, Mrs. R.E. (Nell Marie) Bassel of Lawton.

The family requests that memorials be made to the American Heart Association.

It was a medieval saying, St. Bernard (not the one the dogs are named after) who first used the expression "love me, love my dog."

Honorary pall bearers were Marion Coulter,

**Organization Aids Retarded**

Organizational work has begun on the county unit of the Texas Association of Retarded Citizens, an agency set up to aid this group on the local level.

The first goal is securing 10 members, each paying yearly dues of \$10, said Mrs. Ernest Harwell.

Association representatives from Amarillo take over from there.

Dr. Jack Blackstone, executive director of the Association of Retarded Citizens (ARC) Austin, discussed the potential with a group in a recent meeting, spearheaded by Cheryl Brown, director of the Satellite Center.

The two agencies are separate, but serve the same groups, it is pointed out.

The Wellington unit of the new organization will be known as Collingsworth ARC.

Blackstone explained the functions of ARC pointing out that if people are interested, after the initial organization and payment of \$100 in dues, ARC will come into the county and set up residential care, training centers, and vocational or on the job training for those who are retarded.

Mrs. Brown said there are other options, including day care, pre-school and nursing

centers. There may also be recreational and physical education facilities. "They would like to set up legal and educational rights programs for the mentally retarded, as well as an advocacy program. Only part of these would fit the needs of the Wellington group and would be set up.

Assisting Mrs. Brown is Kay Meade, also a worker in the Satellite Work Center.

Still another program is prevention of retardation for future generations.

Emphasis is placed on training and vocational centers. With the assistance of the state ARC, a thrift shop could be set up, employing the mildly retarded, who would be paid for their work.

"The potential is almost limitless," says those working with the program. The Dumas thrift shop raises as much as \$5,000 per month, Mrs. Harwell pointed out.

The State ARC will bear the expenses of Collingsworth County ARC activities for the first year, said Mrs. Harwell. It will assist in applications for grant funding, and ARC has secured the cooperation of City Manager Glen Taylor in making out the grant applications where monies are appropriated by the

legislature, said Mrs. Harwell.

ARC would not buy buildings for the county organization, but would lease them.

The first ten county ARC members had been secured Wednesday, and negotiations with Amarillo ARC personnel for assistance will begin.

Those wishing to become members should contact Dr. W.P. Estes or Mrs. Harwell for information.

The Association for Retarded Citizens operates on national, state and local basis, and the \$10 paid for membership is to cover dues on these three levels.

The board of directors of the Satellite Work Center, which is assisting with ARC organization, met Tuesday afternoon, Sept. 29, to continue the organizational work. Mrs. Harwell serves as president, while Mrs. Rufus Sweat is vice president, Mrs. Lynn Wright, secretary and Dr. Estes treasurer.

Two new directors were added with this meeting, Tom Wilkins and Jim Forrester. Others are Mrs. Charlene Poteet, Mrs. B.M. Sims, Mrs. Pauline Masten and Mrs. Bill Beall.

A comet's tail always points away from the sun.

**Country Club Has New Committees**

Wellington Country Club committees were announced this week by Dick Pendleton, president.

Members of the greens and grounds: Lonnie Nealey, chairman, Grant Wool-

drige, Henry Sullivan, Bill Long, Leamon Bawcom and David Caison.

House committee includes: Janell Brown, chairman, Jane Warren and R.L. Mabery. Under this is the three-member entertainment committee made up of Henry and Bennie Sullivan, Jimmy and Betty Cochran, Joe and Margaret Wood.

Making up the building committee are Steve Davis, chairman, Weldon Cleveland, Alvin Horton, Bob Goforth and Johnny Holton.

Pendleton is chairman of the membership and admissions committee and members are John Sherman and Jim Ingram.

The tournament committee is headed by Randy Cole, club pro, Katy Davis and Gary Brewer.

Louise Mabery is chairman of the finance committee, while Bill Long and Grant Woodriddle are the members.

The largest body of fresh water in the world is Lake Superior, covering an area of 31,820 square miles.
