Three Western Powers Reject Neutral Plan

Negotiation With Russia Refused During Blockade

(By The Associated Press)

PARIS, Nov. 17 — The United States, Britain and France told top U. N. officials formally today they want the Berlin dispute with Russia left in the hands of the security council to be dealt with as a threat to peace.

The three powers reaffirmed their decision against negotiating with Russia on Berlin while the Soviet blockade of the western sectors continues. These were the two main points of the West's argument.

The net result of the latest fulry of excitement in the United Nations was this: The East and West have once more stated their positions and each has once again declined to budge.

Replies To Appeal

The western powers formalized their stand in replies to the appeal by H. V. Evatt, the assembly president, and Trygve Lie, the U. N. secretary-general, who asked the four powers to compose their differences for the good of world peace.

Russia already had replied. She insists, as before, that the Berlin question is part of the all-German question and must be discussed by the council of foreign ministers.

The stalemate was on again.

The United States once again said it would not negotiate the issue of Berlin under the threat implicit in the Russian blockade.

Latest Veto Cited

Britain said the Russian veto of a Berlin solution offered by the so-called neutrals of the security council stood in the way of progress toward a settlement. That proposal had called for lifting of the blockade, to be followed immediately by a four-power conference.

The British also replied to the appeal of H. V. Evatt, the assembly president, and Trygve Lie, the secretary-general, saying that the most hopeful approach to a Berlin solution would be to leave it to the security council.

Secretary of State Marshall, whose reply was checked and cleared with President Truman, said the United States is ready to engage in talks with Russia as soon as the blockade is lifted. He said also the United States looks to the security council for further efforts to solve the issue.

Fight On Farm Aid Plans Due

PORTLAND, Me., Nov. 17 (AP)—The National Grange convention faced a convention floor fight today on the issues of whether future federal farm-aid programs should be built around crop controls and cash subsidies.

Its agriculture committee opposes subsidies. It favors controls only as a "last resort" to meet problems of farm surpluses and depressed prices.

Instead, it would count heavily on a high level of city employment and prosperity to maintain a favorable market for farmers. It would keep government price supports for crops, but would cut them below support levels of present programs.

Views To Be Blasted

Several delegates prepared to blast the committee views when the matter comes before the full convention, possibly tomorrow.

Opposition is expected to be led by J. S. Fichter, master of the Ohio State Grange. He has been mentioned as a possible successor to Albert C. Goss as national master of the Grange when the latter retires. Goss' present term has another year to run.

An expression of the Grange hope that rural prosperity can be kept without resort to new government controls was contained in a telegraphic request by Goss to President Truman that he summon top-ranking leaders of industry, labor and agriculture to work out an anti-depression program.

Chiang Wants U.S. Policy Declaration

Official Pronouncement Awaits Review Of Foreign Situation By HST, Marshall

WASHINGTON, Nov. 17 (AP)—Diplomatic authorities speculated today that the American government soon may issue a pronouncement designed to boost the morale of China's anti-Communist forces.

President Truman and the State department have before them a plea from Generalissimo Chiang Kai-Shek for a policy declaration reaffirming support of Chiang's Nationalist government.

Most informed officials consider it likely that any broad policy declaration would have to await the review of international affairs which Mr. Truman and Secretary of State Marshall will hold at the White House next Monday.

They also are expected to come to grips with the major issue of how far the United States can and should go in backing up its China policies with dollars, arms and civilian goods.

Chinese Ambassador Wellington Koo told a reporter late yesterday that he had transmitted to the State department Chiang's desire for an American policy statement.

What is wanted, Koo said, is an expression of "sypathy, solidarity and support" to help raise the morale of Nationalist China, which in recent weeks has suffered grave defeats at the hands of the Communists.

Koo said his government is at a loss to know what United States policy really is. Thus there was some tendency among officials here to regard Koo's comments as implying a belief that the United States is not now following a policy friendly to the Nanking government.

Authorities concerned over this point declared that any such implication is unjustified, since the United States actually is spend-

REPORTS BUOY CHINESE CITY

Heavy Losses For Reds Are Reported

(By The Associated Press)

NANKING, Nov. 17 — The government asserted today 90,000 casualties were inflicted on Reds routed east of Suchow, gateway to Nanking.

The official and pro-government reports buoyed the capital. But skeptics, mindful of other government claims at Tsinan, Chinhsien and Mukden just before they fell to the Reds, waited for more information.

Attacks Are Blunted

These points, however, appeared true on the basis of information here:

1. The Chinese air force blunted Red attacks across the open country east of Suchow, 200 miles northwest of the capital.

2. Gen. Huang Po-Tao's Seventh Army group, which was isolated east of Suchow, lost more than half of its full strength of four armies. It survived repeated attacks and still is in the field. Its ability to take and give punishment heartened other government units.

3. The executive yuan ordered martial law extended to Tsingtao, site of the American naval base in the western Pacific. The action followed the application of martial law to Nanking, Shanghai and Suchow.

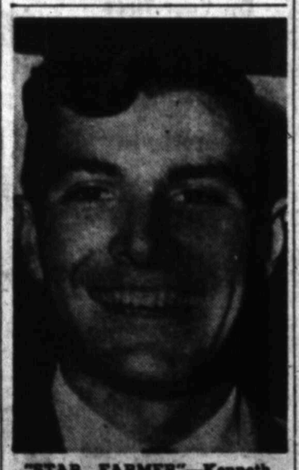

4. Gen. Pai Chung-Hsi's four national armies from Hankow approached the Pukow-Suchow railroad from the west after a forced march of 180 miles.

Effectiveness Unknown

The effectiveness of General Pai's troops in bolstering Suchow's defenses was undetermined since at least two Red columns paralleled them across the countryside.

Hankow reports said thousands of workers there were digging trenches outside the city as additional defenses to Communist

U. S. Controls Threatened On Price Of Cars

Testimony Given On Profiteering In New Car Deals

(By The Associated Press)

WASHINGTON, Nov. 17.—The congressional committee probing auto sales profits today gave the motor industry the choice of "cleaning its own house" or facing possible federal controls.

At the same time, the committee turned over to the Justice department and the Internal Revenue bureau the official record of two days of hearings marked by testimony about "tips" to salesmen for quick car deliveries.

Chairman Macy (R-NY), head of the special House group which ended its hearings yesterday, said that disclosures so far cover "only a few of the methods" some dealers have used "to obtain exorbitant profits."

Tax Angle Considered

Macy indicated to newsmen that before the committee decides whether to resume its inquiry on a nationwide basis—it has been confined to Washington to date—members will wait to see what the auto industry intends to do about "the greed and avarice of a few dealers."

Macy said it will be up to the Justice department to determine whether there have been any law violations in selling cars with side money agreements or in requiring purchasers to take unwanted accessories.

And the Internal Revenue bureau, the lawmaker added, can decide whether taxes have been paid on the tips and bonuses received but, according to committee evidence, not recorded on sales slips.

Macy and Rep. Larcade (D-La), who conducted the hearings, predicted there will be large recoveries in income taxes.

Profits Out Of Line

Macy said the committee believes that dealers are entitled to "a fair profit" but contends that "the profits made by some dealers go far beyond this point and the

Cool Weather Sweeps State

(By The United Press)

The cold front which entered the Panhandle early yesterday had moved into the Gulf today, leaving cool, fair weather over most of the state.

Minimum temperatures early today ranged generally in the middle 30s in the Panhandle, with the mercury reaching into the lower 60s along the coast. The low was 31 at Salt Flat, the high 64 at Brownsville.

Yesterday's maximum readings ranged from 61 at Amarillo to 86 at Brownsville, Corpus Christi and Victoria.

Some Rain Reported

Precipitation in the warm moist air ahead of the cool front brought 24-hour totals of 4.15 inches at Houston, .93 at Beaumont and 1.52 at Galveston, the only rain of consequence during the last day and night.

The East Texas forecast called for fair skies today and tonight, with warmer temperatures in the extreme northwest portion tonight Partly cloudy skies and mild temperatures were seen for tomorrow.

Fair weather was forecast for West Texas, with cooler weather in the Panhandle and South Plains tomorrow.

Pretty Burglar Gets Seven-Year Sentence

HOUSTON, Nov. 17. (U.P.)—Johnnie Lee Rabon, pretty 20-year-old girl burglar, drew a seven-year penitentiary sentence today from a district court jury that deliberated only 15 minutes.

The girl was identified by two women as the bold, night-time thief who entered the home of Mrs. Lois Fleming last Sept. 14, threatened to kill her if she screamed, took clothing and valuables and fled.

SUPPLIES PILE UP AT STRIKE-BOUND WATERFRONT—This airview of the waterfront and railroad yards at Jersey City, N. J., shows a pileup of export-bound supplies which are unable to be loaded on ships because of the strike of AFL longshoremen. Mayor William O'Dwyer of New York said he received union assurances that food and fuel supplies will not be affected by the strike which has tied up East coast ports.

BOOMING PORT OF HALIFAX REOPENED AS A HAVEN

Losses Mount Into Millions As Shipping Tieup Continues

(By The Associated Press)

NEW YORK, Nov. 17.—Canadian longshoremen have reopened the booming port of Halifax as a haven for ships diverted from the strike-bound eastern coast of the United States.

President J. J. Campbell of the Halifax Longshoremen's association (AFL) announced last night that the longshoremen would "live up to the full terms of our agreement with the shipping companies and with the laws of Canada."

To Handle All Goods

Beginning today, he said, Halifax's 2,000 longshoremen will handle all goods not consigned to United States ports.

The announcement came less than two days after the union said it would seal off Halifax from any more ships diverted because of the strike.

Although Campbell declined to elaborate on just what ships will be handled, it was understood in Halifax shipping circles that all vessels sailing there directly from their cargo-loading points would be "worked." His union is an affiliate of the striking AFL International Longshoremen's association (ILA).

Losses In Millions

Estimates of losses ran into many millions today as the strike of 65,000 members of the ILA from Maine to Virginia went into its eighth day with no settlement in sight.

In contract to the stalemate here, negotiators reported progress in efforts to settle the Pacific coast waterfront tieup in effect since Sept. 2.

Effects of the East coast strike on industry and trade were being felt in many cities. Thousands of

Gaming "Countess" Springs Partner From Jail, But Hot Check Bounces Her In Jug

(By The Associated Press)

VIRGINIA CITY, Nev., Nov. 17—A bejewelled, smartly dressed lady gambler known as "The Countess" had the long-distance lines humming today for funds to cover a check she wrote to spring her poker-playing partner from jail.

District Attorney Robert Berry said the "Countess," Miss Henya C. A. Krasnodebsky of Philadelphia, could leave the historic pokey as soon as she could make good the $2,200 check which freed Burdette Beveridge, 39, of Vancouver, Wash.

Berry said she had made telephone calls to New York, Beverly Hills and Mexico City "but so far she hasn't raised a nickel."

The "Countess," who told authorities she comes from a wealthy family and is married to an art dealer, arrived with Beveridge early last week and started playing

Labor Battle Fund Proposed

CINCINNATI, Nov. 17 (AP)—A proposal to raise three quarters of a million dollars to be used in the fight for repeal of the Taft-Hartley act was placed before the American Federation of Labor convention today.

The committee directing policy for "Labor's League for Political Education" suggested to the 650 delegates to the AFL's 67th convention that they finance an educational program with an assessment of 10 cents a member.

Membership Given

The total membership of the AFL on Aug. 31 was 7,220,000.

The finance plan for the educational program—dating from next month through 1949—was the result of meetings of the administrative committee of the political league.

The convention delegates were prepared to recess their own sessions today and assume the role of delegates to the labor league. By so doing they will be able to vote a financial contribution to the league without conflicting with provisions of the Taft-Hartley act on political contributions.

To Meet Legal Problems

The AFL leaders who planned the strategy did so to meet any legal problems arising under the act, despite the pledge of the convention and President Truman to

KEY WEST, Fla., Nov. 17.—President Truman's delay in the reorganization of his administration was attributed by close associates today to concern about picking replacements for those who are to go.

These sources, unquotable by name, said the President is in no hurry to shake up his cabinet until he completes selection of a team to carry on during the next four years.

Act At Proper Time

As he told a news conference here yesterday, everybody has been shuffling the cabinet around but the President. Mr. Truman added that he would act at the proper time.

His major problem will be to pick a new Secretary of Defense to replace James V. Forrestal and a man to succeed Robert B. Lovett when the latter steps out as Undersecretary of State.

No decision has been made in either case.

Mr. Truman, these close advisers said, will try to persuade Secretary of State Marshall to remain on the job when the latter meets with him at the White House Monday for a full-scale review of the delicate international situation.

Has Wanted To Retire

The President said yesterday that Mr. Marshall has wanted to retire ever since he left the Army and that only a sense of patriotic duty has kept him in the cabi-

Rangers Report Two School Burglaries

District Ranger headquarters office here announced this afternoon two school burglaries had been reported.

The Dawson county independent school at Welch lost $150 in money, mostly in silver, and checks, one of which was a government check for $386. A screen was ripped over a window, and no tool marks were left.

The Flower Grove school in Martin county was entered after a glass pane in a door was smashed. Taken was $100 in cash.

Capt. Bob Crowder, commanding officer of the ranger district, said most of the money was made up of lunchroom projects and athletic program funds.

Rangers of his company assisted Sheriff H. M. Zimmerman of Martin county and Sheriff Buck Bennett of Dawson county in investigations.

Flying Farmers Take Off To Make Run Of Chisholm Trail

(By The United Press)

GAINESVILLE, Nov. 17 — Fifty-three planes flown by flying farmers of four states took off at 9 a. m. today, bent on "re-running" the Chisholm trail over which some of them drove longhorn cattle 60 years ago.

The group, after a 11:30 a. m. stop in El Reno, Okla., will begin arriving in Dodge City, Kan., the trail terminus, at 4 p. m., according to Tim Osborne, operator of the Gainesville airport.

The barbecue lunch and program in El Reno will be followed by a gala celebration in Dodge City tonight, marked by a dinner-dance and another program.

The theme of the programs is centered around the progress which has been made during the life-span of one man.

It was exemplified by 82-year-old Starr Nelson of Delta, Colo., who will lead the flight. The oldest member of the National Association of Flying Farmers, Nelson once drove cattle up the famous trail, a drive which required

The seventh victim was a woman lost overboard from the ferry Princess Victoria between Vancouver and Victoria, B. C.

Finish Fight Promised On Civil Rights

Angry Threats Of Filibusters Come From Southerners

(By The United Press)

WASHINGTON, Nov. 17—Southern congressmen warned President Truman today they will fight to the finish against his promised civil rights program.

With angry threats of fillibusters, the southerners made it clear that Mr. Trumain could hope for no congressional "honeymoon" so far as civil rights legislation was concerned.

Invites Test Of Strength

Mr. Truman invited the test of strength with southern Democrats yesterday when he announced he would ask Congress once again for anti-lynching, anti-poll tax and fair employment legislation.

Southerners, who are especially opposed to the fair employment proposal, had indicated a willingness to enter into a no-filibuster compromise if Mr. Truman would press only the other two measures. The President's decision to go all-out brought quick war declarations.

Rep. Howard Smith, D., Va., a key member of the powerful House rules committee, said he would use "every resource" at his command to block the program.

"This Is It"

Sen. Olin D. Johnston, D., S. C., said his opposition to the President on this score was so strong it needed no elaboration. And a southerner who had been talking compromise in the Senate threw up his hands, declaring "this is it."

In contrast to the civil rights reaction, there was only praise for Mr. Truman's statement that there will be no bargaining with Russia on Berlin until the Soviet blockade is ended.

Sen. Scott W. Lucas, D., Ill., said Mr. Truman's position was "absolutely correct." He said the U. S. should continue to work toward ending the 'cold war' through the United Nations and predicted a solution would be found "without a shooting war."

Opposition Is The Same

But it was the civil rights issue which claimed chief attention as the forerunner of the first clash between Mr. Truman and the 81st Congress, which will be dominated by his own party.

It was the same issue which split the party at its Philadelphia convention in July and cost the President the electoral votes of four southern states. The opposing lineup in Congress will be the same .On one side will be the southerners. On the other will be northern and New Deal Democrats determined to carry out the

Four Negroes Rob Man Here

Four negroes who threatened to "cut my head off if I didn't get out"and turn the machine over to them robbed R. G. Snodgrass of 1628 Thirteenth of his car early this morning, Snodgrass told city police.

Snodgrass and a companion were sitting in the car on North College, about 2:30 a. m., the victim said.

Four negroes came up, forced the occupants to get out at threat of death, then two of them got in his car and the others got in a 1937 Plymouth coach. Both cars left toward Littlefield on U. S. highway 84.

Purse Snatcher Sought

Snodgrass' car was described to police as a 1941 five-passenger coupe. License number was AM-2743.

An unknown white man, about 35, reportedly snatched a purse from Mrs. Bob Phillips about 1:15 a. m., when she was about to enter her residence at 2401 Ninth. Mrs. Phillips said she had closed a cafe at 2401 Main and had $20 in money and approximately $200 in checks, receipts of the business, in her purse. She described her assailant as approximately 5 feet 7 inches tall and weighing about 130 pounds.

Odessa Paper Will Continue To Solicit Money For Convicted Mother's Children

ODESSA, Nov. 17 (AP) — The Odessa American is going ahead with its plan to help a widow repay the money she is convicted of embezzling from a bank.

Yesterday U. S. District Judge T. Whitfield Davidson, in placing Mrs. Emma Louise Wilson on probation for a year, said money should not be raised by public subscription to help her.

"If I were convicted of murder or treason," the judge said, "my brother or another person could not step forward and offer his neck for the gallows."

In a statement last night, publisher V. L. Debolt of the Odessa American said his principal purpose was to help the four daughters of the 35-year-old widow. Debolt added:

"How could a woman raise the money while serving a sentence which the judge gave her."

The publisher said "we did not condone in any way the crime with which Mrs. Wilson was charged."

The newspaper, leading a subscription campaign to repay the $2,181 involved, gave 48 hours notice to those who would like to retrieve their donations. "Then the remaining money will be turned over to Mrs. Wilson for the children," Debolt said.

Drugless Health!

REGARDLESS of how long you have been a sufferer, and how many medicines you have tried before, you can now hope for relief if you try GEO-MINERAL, the wonderful mineral aid. Feel and enjoy the results one week after you start taking it. GEO-MINERAL comes from the earth — Nature's laboratory. Contains NO alcohol, NO preservatives, NO oil. NO harmful drugs, NO dope — is NOT habit forming. Contains ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments — highly recommended by the medical profession.

FOR THOUSANDS of years ever since Hipocrates was the father of medicine, minerals and other natural medicines were a reliable remedy for most of our common ailments. GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. If you suffer from nutritional anemia, nervousness, lack of vitality and energy see what GEO-MINERAL will do for you.

Amazing Results

MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, lazy, have dizzy spells, no ambition to work or play, a poor appetite, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of their doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Springs in Georgie. He was helped or would not have gone there twice a year.

Wonder Minerals

YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wondrous springs of Lourdes, France, and famous Thronion in ancient Greece where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

GEO-MINERAL contains minerals you get at the world's best springs. Watch your elimination from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it! Also examine your urine. You may see impurities — poisonous waste — coming out of your kidneys, relieving you. And then realize the priceless value of GEO-MINERAL.

Read What They Say!

"We wish to state that after selling Geo-Mineral for eight months, this product has broken all sales records in the medicine line in our drug store"—reports Jack Wright, owner of Economy Drug Co., Anderson, S. C. "Users report almost miraculous results helping sufferers with rheumatism, arthritis, weak kidneys, and various stomach ailments. We believe that there exist very few items on the druggists' shelf with the merit of this natural mineral medicine. Of thousands of bottles sold on guarantee basis, there have been very few refunds."

Forrestal Praises Troops In Europe

WASHINGTON, Nov. 17 (AP) — Secretary of Defense Forrestal, back from a quick week's trip to Europe, says Americans should have the "deepest pride" in their troops and leaders overseas.

He told reporters at National airport last night that he wanted to pay his "particular compliments" to Gen. Lucius Clay, American military governor in Germany, and to Clay's staff.

Forrestal conferred during the week with military officials of the United States and other governments in Berlin, London, Frankfurt and Paris.

Fat Is Not a Nice Word When Applied to the Body

Don't say it's your thyroid while reaching for the box of chocolates. Possibly one bulgy person in 100 has some glandular disturbance and that is truly a case for a physician. Never take any treatment for a gland condition without your doctor's advice. But for the other 99 per cent who are trying to fight the "Battle of the Bulges" common sense is the watchword. It is not necessary to overeat and it is not necessary to go hungry, either. Furthermore, it just doesn't make sense to go on a strenuous diet—take off weight and then quickly put it back on again when the diet period is over. For it is obvious that one cannot continue a starvation diet over a protracted period. Within the last year or so, several diet and vitamin "plans" have appeared on the market, which means cut down on the food intake and fortify with vitamins for hunger distress. But as mentioned above, you can't keep this up very long and when you quit—back comes the fat.

An exhaustive survey recently made among Texas druggists showed one outstanding reducing aid is not based on the diet and vitamin "plan." It allows you to eat plenty. You eat all you want but you eat LESS. Sounds like double talk, but it isn't. It definitely stops you from eating more than necessary for the energy you spend. At the same time, it dehydrates and eliminates.

Nearly one and a half million bottles of this preparation, called Barcentrate has been sold in Texas in the past four years.

You can get a four-ounce bottle of Barcentrate from any Texas druggist. Mix with 12 ounces of canned grapefruit juice and take just two tablespoonsful twice a day.

If the very first bottle doesn't show you the simple, easy way to lose that ugly fat, the makers agree to refund your money.

Chief UN Delegate From China Makes Appeal For Truman To Save All Asia From Communism

By WILLIAM H. NEWTON
Special Correspondent

PARIS, Nov. 17.—China's chief delegate to the United Nations today appealed to President Truman to save all Asia from Communism.

He is Dr. T. F. Tsiang, former Chinese ambassador to Moscow, now a permanent member of the UN security council.

Dr. Tsiang generally is regarded as China's greatest authority on international relations. He is a liberal in politics and a spokesman for many of China's intellectuals.

In an exclusive interview, Dr. Tsiang vigorously denied that the present situation was hopeless. He said it was "extremely bad," but insisted the country could be rallied sufficiently to turn back the Communist invasion now sweeping down from the north.

Would Hearten Government

A statement from President Truman that the United States is determined to stop Communism in the Orient as well as in Europe would "greatly hearten" the embattled nationalist government, Dr. Tsiang said. He believed it would provide a spark of hope which is now lacking and immeasurably increase Nanking's will to resist.

At the same time, he said, the United States should rush small arms, aviation gasoline and food to China.

"There is still time," Dr. Tsiang said. "When the Japanese struck at the Marco Polo bridge in 1937 the saying was the Chinese couldn't last three months. Then the experts said it would be only six months at most. Then they said perhaps a year. Actually China held out for eight years.

Weak-Kneed People Today

"Just as today, there were many weak-kneed people then who told Chiang Kai-Shek, 'you'd better surrender.' The Generalissimo said he would never surrender, that he would fight it out if his last headquarters were only a cave in the mountains of Tibet. He will fight this battle to the finish, too.

"The United States should adopt a new policy of equality between Europe and Asia, helping contain Communism. There should be no discrimination. Communism is the same whether the root is in Asia or Europe.

"Like it or not, China is a big factor in the world and unless you plan seriously you will again spend your money and your blood in the Orient.

Attention Not Serious

"The United States has never given really serious attention to the complicated situation of China. You have spent money—and much of it was misspent. So far your policy has been one of hit or miss. You have sent good men and you have sent indifferent men as your ambassadors. Your cultural traditions lead you to understand Europe better and you have no consistent policy toward China."

Answering American critics of China's "reactionary" government, Dr. Tsiang said the present regime should be compared to the previous government in China, not to the governments of the United States or Britain. He continued:

Answers Soviet Charge

"In the United Nations session when Vishinsky charged China was reactionary I told him if foreign correspondents in Russia had one-twentieth the freedom they have in China, then I would admit China is reactionary. I told him if people murdered for their political belief in China numbered one for each 100,000 in Russia then I would admit China is reactionary.

"Europe is making the same mistake it made in the Manchuria incident. Then the British—particularly Sir John Simon—thought if they could just get the Chinese to quiet down, everything would be all right. This was and it is now sheer nonsense.

"The world thought then that if Fascist aggression could be limited to Asia everything would be fine. But the world learned to its dismay that it could not be confined to Asia. People forgot that lesson and today they are repeating the same blunder all over again."

Wife Is Killed By "Unfaithful" Man

LOS ANGELES, Nov. 17 (AP)—Mrs. Linda Nava, 30, sat under a hair dryer in a beauty shop today, discussing a magazine article about a faithless husband.

"All men are unfaithful," she remarked to an attendant.

Her estranged husband, Luciano, 35, entered in time to hear her remark, police reported, and shot her twice in the chest with a rifle, killing her instantly.

Shortly afterwards the officers found Nava, wounded by a shot in the head with the same rifle, in a nearby cemetery.

Congress Will Get Runaway Pappy Bill

WASHINGTON, Nov. 17 (AP)—The new Congress is going to get a "runaway pappy" bill from one of its new members.

As Rep.-Elect Andrew Jacobs (D-Ind) describes it, the legislation will be aimed at fathers who defy court orders in divorce cases by refusing to contribute to the support of their children after moving to another state.

Jacobs, a lawyer, told a reporter that in lots of divorce cases "the pappy goes off to another state with the other angle of the triangle" and ignores the court's support order.

Such a father can be held in contempt of the court in which the divorce was granted but he cannot be forcibly returned from another state, Jacobs said.

His bill would give the federal courts power to enforce such state court orders.

"Surprisingly enough," said Jacobs, "I got more fan mail about this than anything else I talked about during my campaign.'

Colorado Officers At Loss On Cases Of Two Missing Women

LA JUNTA, Colo., Nov. 17 (INS)—Authorities today found themselves at a loss to explain the disappearance of Mrs. Kay South, 17-year-old La Junta waitress.

Mrs. South walked out of her parent's home at six o'clock last Friday morning and simply "vanished into thin air."

Twelve days earlier, Lillian De Bell, 17, disappeared from Greeley, and one day before Mrs. South vanished the brutal murder of Theresa Foster, 18-year-old Colorado University co-ed, had shocked the state.

Details of the three cases were not entirely similar, but police have considered the possibility that they may be linked.

Dressed For Work

Otero County Sheriff George Friedenberger, who has conducted the investigation at La Junta, said he is growing more and more convinced that Mrs. South did not leave intentionally. "She had her daughter, a good job, and a fine home with her parents," he said.

Mrs. South, mother of a year-old daughter, was separated but on friendly terms with her husband. She worker in a cafe only a short walk from her home.

Her mother said she took no money and was dressed for work when she left home five days ago.

"There is no evidence she left town," Friendenberger said. "We are checking all possible leads, but so far we have found nothing."

Glamor Planned For Truman Inauguration

HOLLYWOOD, Nov. 17. (AP)—There'll be a touch of Hollywood glamor at President Truman's inauguration.

Actor Melvyn Douglas says that at request of Washington officials he's heading a committee to organize a sizeable movieland delegation to the ceremonies in the capital Jan. 20.

It will include an industry cross-section, he said, from big name stars to labor leaders. Douglas' wife is Rep. Helen Gahagan Douglas (D-Calif), who also was reelected Nov. 2.

STRIKE IS STAGED

MELBOURNE, Australia, Nov. 17. (AP) — About 85,000 workers struck today for 24 hours in protest against a new law in Victoria outlawing strikes in essential services unless approved by a majority of union members.

India hopes to increase soap consumption there, by producing 300,000 tons a year.

ROSES ALL GONE FROM RUTH'S CHEEKS

*Maybe Ruth's got a Borderline Anemia**

There are thousands like Ruth—women whose pale faces and listless, languid ways make them wallflowers at dances, duds on a date.

These pale, tired people seldom know what's wrong but, in many cases, faded red blood cells are holding them back. They may have a Borderline Anemia, due to a ferro-nutritional blood deficiency. Medical studies show that up to 68% of women—many men and children—have this tiring blood condition.

Weariness and pallor have many causes—always consult your doctor regularly. But if you have this Borderline Anemia, remember: Ironized Yeast Tablets can help you reclaim your vitality and healthy good looks. They are specially formulated to help build up faded and fagged-out blood cells. To feel better—look better—act alert and alive—try IRONIZED YEAST TABLETS!

*Due to a ferro-nutritional blood deficiency, a condition for which Ironized Yeast is specially formulated.

Cash, Pledges Total $7,131 In Fund Drive

Cash and pledges totaling $7,131 were made last night to the Westminister Presbyterian church in its drive for $25,000 to construct the first unit of a new church at 33rd and Tyler streets, W. R. Postma and Leo Hay, co-chairmen, announced.

Workers called on members and friends of the congregation to secure cash and pledges. Solicitations will continue throughout the week with Thanksgiving set for the end of the drive.

"We are very happy over the response and feel that we will reach our goal," Postma said. "Virtually everyone on whom calls were made contributed, with some entire families, including children, taking part."

Construction of the unit, to be used for church services, Sunday School and other occasions, will be started as soon as funds have been raised, is was announced.

UN Failure In Big Four Issue Is Called Foregone Conclusion

By DEWITT MACKENZIE
Associated Press Staff Writer

The attempt of top United Nations officials to bring the Big Four (America, Britain, France and Russia) together to end the dangerous Berlin crisis in the interests of general peace has failed.

It was a gallant effort on the part of Secretary General Trygve Lie and Assembly President H. V. Evatt, but the result was a foregone conclusion. Both sides stand pat—the Soviet Union on the one hand and the democracies on the other.

Russia still insists on taking up the problems of all Germany in connection with any negotiations about Berlin. The democracies refuse to negotiate unless the Russian blockade of western Berlin first is lifted.

Worth Repeating

And why won't either party give ground? The answer to that has been stated in this column time and again, but it's worth repeating in view of the development. Fundamentally it is this:

We are not dealing with a diplomatic situation. It is a state of war—a cold war, to be sure, but nevertheless a Red war of aggression.

Both sides have adopted strategic positions which they consider vital in this cold war. To give ground would be to invite defeat.

The argument about Germany is only part of the war of the isms, but it is a vital part of the conflict in the European theatre. Before the late world war Germany was the economic and military keystone of continental Europe. Potentially it still is the keystone, despite the ravages of war.

Playing For Control

Russia is playing for control of the entire reich, which would give Moscow a mighty lever with which to pry loose western Europe for Communism. That's why the Muscovites won't negotiate the Berlin crisis without including the whole country. The Berlin blockade with its terrible threat of starvation for millions of civilians is too powerful a weapon for the Reds to abandon. The democracies, on the other hand, know that if they make concessions while that murderous blockade is still in operation, they will weaken their position dangerously. From harsh past experience they know that Moscow will take advantage of any weakness and that they thus would lay themselves liable to lose all Germany to Red domination.

Merely Intensification

You see, this cold war is merely an intensification of the cold war which Moscow declared against the world when the Bolshevist rebellion succeeded in 1917 and gave Communism control of Russia. World revolution for the spread of Communism was decreed, and it never has halted. The fight is intense now because Moscow is capitalizing advantages which she was able to snatch from trusting allies in the world war.

Well, that's the story. Russia never will halt its drive until it controls the world or until Bolshevism encounters a force which it can't handle .That is why efforts to compromise with Russia can't succeed at this juncture. That is why anything which could be mistaken as appeasement of Moscow might be disastrous.

Not So Strange

So it isn't strange to find President Truman bluntly announcing that America won't resume four-power negotiations in Germany until Russia lifts its Berlin blockage. That's language which Moscow can understand.

Personally I don't believe the United Nations' failure to bring the opponents together increases the danger of a shooting war. It leaves things about where they were—no better ,no worse.

20 DIE IN COLLISION

ATHENS, Nov. 17. (AP)—Press dispatches said two sailboats collided Monday off Skiathos and 20 persons perished.

Quitters' Group Is Formed To Benefit Professional Joiners

FRANKLIN, Ind., Nov. 17 (AP)—You can join the "OEPQO" if you have strength of character to say the password at the right times.

The "OEPQO" is an organization to encourage people to quit organizations. It's password is "no."

It has no officers, no dues, no meetings, no activities, no projects. It's motto: "be a quitter."

Dr. Howard W. Stone, pastor of the First Presbyterian church, proposed the "OEPQO." His purpose was to help members save time for family life and church duties.

He said:

"If more people learned to say no when asked to join another organization or become an officer of this or that group, they would be able to spend an occasional evening at home with their families.

"While most organizations are worthwhile, too many people are doing too many things in too many of them. It's time to begin reversing the process."

Testimony To Start In Civil Damage Suit

LOS ANGELES, Nov. 17. (AP)—Testimony is slated to begin today in a $65,732 civil damage suit against Madge Meredith, 27, former actress awaiting approval on a sentence of five years to life imprisonment for kidnaping.

The complaint was filed by Verne V. Davis, 34, who was with Miss Meredith's former manager, Nick Gianaclis, when Gianaclis and Davis were waylaid in the Hollywood Hills June 30, 1947.

Davis alleged that three men, convicted with Miss Meredith, hauled him from an automobile, beat him and taped his eyes and mouth.

How to smile your way through a traffic snarl

Come in—find out how Packard takes the tension out of city driving!

Here's a car that meets *all* the demands of downtown traffic. And *handling ease* is only an ever-present part of the story.

What impresses you first, in this sleek, roomy Packard, is the way you can *see*—the wonderful feeling of always knowing exactly where the front, sides, and rear of your car "are *at!*" It puts an end to all the old "squeeze plays" . . . whether you're cruising or parking.

Next you'll marvel at the turbine-smooth, trigger-quick responsiveness of Packard *power*. You simply point to a sudden opening in the traffic jam and—you're through it!

Above all, you'll prize the restful riding ease . . . the sure-footed roadability . . . the husky construction that brings relaxing comfort in any rush-hour snarl.

And when you head this eager, roadworthy Packard down an open highway—!

But come in first for the *city* story. It's one of the *big* reasons why the new Packard Eights are the greatest ever built!

German Court Fines Ex-Nazi

PASSAU, Germany, Nov. 17 (AP) Fritz Wiedemann was classified as a former Nazi follower today and was fined 2,000 deutschemarks (about $600). He served as Adolf Hitler's personal adjutant and later as his consul-general in San Francisco.

A German denazification court ranked Wiedemann in the lowest class of Nazis, although he was charged originally as a major offender.

After a three-day trial produced only two witnesses against Wiedemann and 15 for him, the prosecution asked that the charge be reduced to that of being a minor offender.

Defendant Pleased

The court went even further in placing him in class four, which applies only to persons who were members of the Nazi party without taking an active part in it. Major offenders are placed in class one and minor offenders in class three.

Wiedemann appeared pleased with the verdict. Spectators crowded around him to offer their congratulations.

Court President Ludwig Salisco said the evidence showed Wiedemann actually was an opponent of Nazism, despite the fact that he held high offices under Hitler.

Left U. S. In 1941

"He was a good spirit in the underground of the Reichschancellery," Salisco said. "The evidence has shown that in San Francisco Wiedemann committed high treason against the Nazi regime in order to save Germany from complete ruin."

Wiedemann left San Francisco in 1941 before the United States entered the war against Germany. Written statements introduced during the trial said that while he was in the California city, Wiedemann showed no Nazi tendencies and expressed only good will toward the United States.

From San Francisco he went to China as a German consul. In China, Salisco said the evidence showed, "Wiedemann's "Anti-Nazi activity reached its highest peak."

He returned to Germany after the war.

New covered bridges are still being built in the United States.

Vernon Man Held In Shooting Case

WICHITA FALLS, Nov. 17. (U.P.) —Chancey G. Puckett, 26, of Vernon, was held on $7,500 bond today on charges of firing seven bullets into the body of Merwin Browneller of Baltimore, Md., in a tourist court yesterday.

Browneller's naked body was found sprawled inside the tourist cabin by night clerk James Newland, who heard the shots.

Puckett was held in the Wichita county jail.

He surrendered in Vernon to Texas Ranger Jim Geer, who returned him to Wichita Falls. Puckett refused to make a statement.

Meanwhile, police are searching for his 16-year-old wife in an effort to establish a motive for the shooting.

A friendly warning on a frosty morning!

When the geese head South, that's the time for you to head for the nearest Conoco station . . . and a change to winter-grade Conoco Nth Motor Oil.

The pay-off will come on the first frosty morning. A touch of your toe to the starter sends free-flowing Nth on its way through your engine. That's because lighter, freer-flowing winter-grade Nth is specially refined to help eliminate balky, grinding starts . . . to save wear on your battery.

And Nth pays off all winter long. A special added ingredient fastens an *extra* film of lubricant so closely to your engine's working parts that metal surfaces are actually OIL-PLATED. This OIL-PLATING stays up on cylinder walls . . . won't all drain down, even overnight. That's why you get *extra* protection from "dry" friction starts . . . from sludge and carbon due to wear.

So make a change for the better. Right now . . . this minute . . . this morning . . .

Mary Haworth's Mail . . .

Man Who Woos Girls Laments Ill Health Of Mother, Religious Bias As Obstacles

DEAR MARY HAWORTH: Grant and I have been going together for about two months and recently he told me that he loves me and wants to marry me; whereupon I told him that I love him, too, but feel that our brief courtship doesn't justify serious discussion of marriage as yet.

During this talk Grant said there was something else he should tell me; and finally he made the point that he couldn't see his way clear to marrying for some time, anyway —and his reasons are (1) our different faiths and (2) his mother's health. As it happens, Grant is 22 and I am 24, but the age-angle doesn't bother us.

Some years ago Grant's two older brothers married girls of a different religion, which was a blow to the mother, who has had a bad heart ever since, although her health was normal before. At the time she exacted a promise from Grant to marry a girl of his own faith; and he has become her mainstay around the house, as she feels unable to do much work.

GIRL SEES WEAKNESS IN MAN'S CHARACTER

IN view of all this, Grant feels he can't tell her about his desire to marry me, lest it prostrate her, which gives me a lot to think about. Incidentally, I have met Grant's brothers, but not his parents.

I believe Grant really does love me; he does all in his power to please me; he treats me as every girl wants to be treated and seldom is; but he more or less leans on me and I don't want to be the dominant party in love or marriage. He doesn't have much confidence in himself, gives me the final word in everything, and I want a helpmeet I can depend on.

I think the world of Grant; but does he want to get married? Does he love me enough for that? Or is he too much under his mother's influence to have any mind or life of his own? Please answer soon.

Signed
A. R.

MAN IS STYMIED BY "MOM" MOTHER

DEAR A. R.: Now and again correspondents lambast this column for delineating damage done to character and mental health of sons and daughters by a neurotic possessive mother's compulsive efforts to block their departure from the home-nest.

These critics seem to feel—or at any rate take the attitude—that the "mom"-mother is a fictional figure coined by me for the despicable purpose of disparaging motherhood per se, and inciting all youth to rebellion against parents.

However, as your story of Grant unhappily illustrates, that type of mother does exist in real life, and the problems she visits on her children are numerous, tragic and self-multiplying. And invariably they overflow into each new relationship attempted, enveloping it in a fog-atmosphere of frustration, confusion and anxiety, which, as you see, now clouds your thinking, after some few weeks' sentimental association with Grant.

MAN IS OFFERING NOTHING, REALLY

INASMUCH as you seek advice for your personal guidance, we must pass over Grant's problem—of stymied subjugation to his mother—and consider, rather, what constructive action to take as regards your problem, namely, tentative emotional involvement with him.

The answer is, you can't afford to take stock in Grant's love or Grant's court; and you are wise indeed to pause at this point and "think things through" before solicitous concern for him becomes a dominant factor in your feelings.

And in effect, this is all he is asking of you, as his hastily qualified offer of marriage makes abundantly clear.

You manifest good sense and healthy biologic instincts in wanting a helpmeet who is a confident, purposeful character in his own right, decisively masculine, in aggressive leadership, as compared to the essentially more passive nature of woman. So, be true to yourself and bid Grant farewell; and don't weaken your defense by dealing in encores.

M. H.

Miss May Is Church Bride

Announcement is being made of the marriage of Miss Clara May, daughter of Mr. and Mrs. W. H. May of Wilson, and Rev. Vernon F. Shaw of Kerrville, son of Mr. and Mrs. F. E. Shaw of Vernon, which took place Monday at high noon at the First Baptist church of Wilson with Rev. Aaron Shaw of Happy, brother of the bridegroom, performing a double ring ceremony.

The service was read before an archway covered with fern and white mums. On either side were white tapers burning in candelabra and tall baskets of white mums. Pews were marked with white satin bows. Miss Wanda Baker, niece of the bride, played a program of wedding music and accompanied Miss Esther May of Stamford, cousin of the bride, who sang.

Bride Wears Blue

For her wedding, the bride wore a royal blue gabardine suit with a matching hat and a fingertip veil. Her accessories were of black and she carried gardenias on a white Bible.

Mrs. B. W. Baker of Wilson, sister of the bride and matron of honor, wore a blue gabardine suit with off-white accessories and a red rosebud corsage. Miss Sue Barksdale of Dallas, maid of honor, was dressed in a gray gabardine suit with a matching hat, black accessories and a corsage of blue.

Kenneth Shaw, student at Wayland college, served as his father's best man and Charles Baker, Lawrence May and Jerold May, nephews of the bride and students at Hardin-Simmons university in Abilene, were ushers.

Winona May of Lubbock, niece of the bride, and Judy McMillan of Lubbock, cousin of the bride, lighted candles.

At the reception which followed at the church dining room, Mesdames L. Lumsden, Edwin May, Clyde Shaw, Ed Milliken, J. F. Stanifer, A. D. Shores, Howard Cook, Ed Crook and Gink Nelson of Wilson and Mrs. C. Y. Dossey of Dallas assisted with hospitalities. The bride's table was laid with a handmade lace cloth and decorated with white mums, candles, a four-tiered wedding cake and a silver service, gift from the bride's mother.

From Out-Of-Town

Out-of-town guests were from Dallas, Amarillo, Kerrville, Wichita Falls, Lamesa, Vernon, New Mexico, Dimmitt, Floydada, Tahoka, Slaton, Abilene, Paint Rock and Post.

Following a wedding trip to Albuquerque, N. M., the couple will be at home in Kerrville where Rev. Shaw is pastor of the First Baptist church.

Mrs. Shaw is a graduate of Hardin-Simmons university and has done graduate work at the University of California and Texas Technological college. She has worked as a State Baptist Training union worker under the direction of the Baptist General convention of Texas. Rev. Shaw is a graduate of Wayland college and Howard Payne college in Brownwood. Before moving to Kerrville, he pastored churches in West Texas.

Coffee Given In Fix Home

An informal coffee honoring Lynn Marie Ryan, bride-elect of Bill Price, was given Tuesday afternoon at 2:30 o'clock in the W. A. Fix home, 3106 Twenty-second, with Paula Fix, Jo Ann Lee, Judy Pierce and Louise Leftwich as hostesses.

A floor length cloth of red net covered the serving table which was topped with a copper coffee service and copper appointments. As a centerpiece, a square copper tray held a trio of large sweet potatoes completely covered with cranberries and achieving the effect of giant berries placed on a green leaf.

The entire theme of the coffee was carried out in red and white, chosen colors of the bride-elect. Thirty guests called.

Mrs. Jerry Nash, sister of the honoree, presided at the refreshment table.

Eight Pennsylvania Teachers Strike To Get Back Salaries

POTTSVILLE, Pa., Nov. 17. (AP)—Eight teachers in Blythe township have gone on strike again in an effort to secure back salaries.

The teachers—all men — left their classrooms yesterday, saying the state department of public instruction failed to fulfill a promise to provide their salaries from Sept. 1 through Jan. 1, 1949.

They were acting, they said, on behalf of a like number of women teachers who remained at work.

Called Similar Strike

The teachers in the little eastern Pennsylvania township called a similar strike Oct. 4. At that time they said they had not been paid since Mar. 31, and offered, if necessary, to operate township coal mines to provide revenue needed to run the schools.

Eventually their walkout forced the township schools to close.

But the teachers finally returned to their jobs after the state came through with a $12,000 allotment and the township added $12,300 in local taxes. These two sums took care of pay for the teachers up to Sept. 1.

Promises Denied

At Harrisburg, Dr. Francis B. Haas, state superintendent of public instruction, denied promising any state grant to pay the teachers through Jan. 1. He asked Blythe township school officials to confer with him again tomorrow.

Blythe township officials say they can't pay teacher salaries because they have been unable to collect due taxes, including about $500,000 owed on coal land levies, $43,000 in local taxes, and $21,000 in tuition taxes owed by nearby communities which send their children to Blythe township schools.

P-TA Units

A number of parent-teacher associations this morning announced Thursday afternoon programs.

Mrs. W. H. Trice will address Cottage School P-TA members at a meeting at 3:45 o'clock at the school. Her subject will be "A Pattern for Building Sound Character and Moral Values."

D. B. Harding, Church of Christ minister, will speak on "The Home, a Unit for The Building of Sound Character" when McWhorter Parent-Teacher association meets at 3:45 o'clock in the school auditorium.

An executive meeting of the Senior High Parent-Teacher association has been called for 7:30 o'clock Thursday night in room 110 at the school. At the program which follows in thirty minutes, J. W. Reid will discuss "Driver Education and Safety."

Alvis Bryan will address the Sanders Parent-Teacher association at 3:30 o'clock at the school. Sixth grade children will present a program.

Thanksgiving Is Featured

An arrangement of autumn fruits centered the table for the Thanksgiving dinner given by Lubbock chapter of National Secretaries association Tuesday night in the Colonial room of the Hilton hotel.

Hostesses were Mrs. Brode Puckett and Miss Bessie Baker.

Miss Dorothy Rylander, secretary to Cong. George H. Mahon, was a guest. Members were Mesdames Jim C. Dixon, H. D. Waller, R. W. Pettit, Misses Maxine McMillan, Georgina Conner, Ruth Felps, Billie Knutson, Norah Lee Pierce, Lillian Chapman, LaVada Paul and Ann Kelly.

Recent Graduates To Postpone Gathering

The meeting of AAUW Recent Graduates Group planned for tonight has been postponed until Thursday night because of play to be sponsored by the 20-30 club.

Miss Helen Fuller will be hostess in her home at 1725 Twenty-fourth at 8 p.m.

Anniversary Is Observed

Mr. and Mrs. W. V. DeWitt celebrated their Golden Wedding anniversary Tuesday at the home of their daughter, Mrs. R. C. Harvey of 2602 Twenty-second.

Open house was conducted from 7:30 to 9:30 o'clock, with close friends attending.

A bouquet of yellow mums decorated the buffet. The table was covered with a Normandy lace cloth. In the center were yellow and white candles, surrounded by yellow baby mums.

The tiered cake was topped with a miniature bride and bridegroom and bore the lettering, "50th Wedding Anniversary."

Marry In Fort Worth

Mr. and Mrs. DeWitt were married Nov. 16, 1898, in Fort Worth. Mrs. DeWitt lived in Fort Worth about 68 years and Mr. DeWitt lived there about 58 years.

Mrs. DeWitt was the daughter of the late W. R. McLaury, lawyer in Fort Worth about 30 years. The McLaury home formerly was located on the site where Harris Memorial Methodist hospital now stands.

Mrs. DeWitt is 73 and her husband is 76.

They have two daughters, Mrs. H. T. Hoskins of Fort Worth and Mrs. Harvey, and one son, Vernon DeWitt, and four grandchildren, Laura Lee and Harry Hoskins, and Bob Harvey, jr., and DeWitt Harvey. Mrs. DeWitt has a sister, Mrs. Margaret O'Donohoe of Dallas, and Mr. DeWitt has a brother, Ernest DeWitt of Dallas.

Mr. DeWitt was formerly a special agent with the M.K.&T. railroad.

Yule Party Scheduled By Needlers Tuesday

Arnett-Benson Needle club met Tuesday afternoon with Mrs. W. L. Armstrong and sewed for the hostess.

Members were Mesdames Frank Eddleman, F. L. Boyd, O. J. Stone, J. P. Mills, C. W. May, C. R. Miner, C. C. Heatley, R. P. Hightower, Johnnie Frentress, Verne Morris, W. M. Robinson, L. M. Hankins, Lizzie Tapp, L. W. Parker, E. L. Wallace and W. D. Hale. Mrs. A. H. Pritchard was received as a member and Mrs. J. B. Wooley was a guest.

Plans were made for a Christmas party Dec. 14 in the home of Mrs. Stone, 2521 Ruby, at 2:30 p. m.

Exhibits Of Books And Hobbies Will Be Tea Feature

Books available to students in J. T. Hutchinson and O. L. Slaton Junior High schools will be displayed at a traditional National Book week tea to be given Thursday from 3:30 until 5:30 o'clock in the Slaton school. In addition, winning entries in a recent hobby show will be on exhibit.

Misses Miriam Turner and Pansye Harris, school librarians, have arranged the tea and student assistants will serve and act as guides.

Invitations designed and made by the art department were extended to all elementary principals, sixth grade teachers and special speakers who have discussed book week.

Club Plaque Presented

Fifty-eight members and alumnae of Las Vivarachas club of Texas Technological college attended a buffet supper Tuesday night at the home of Mrs. Max Tidmore, 3319 Twenty-ninth.

Las Vivarachas Alumnae association gave the dinner in observance of Founders day of the club, which was organized in 1929. Members of the hostess committee were Mesdames Earl Hobbs, Truman Green, Howard Klein and A. J. Smith.

The table was decorated with two bouquets of chrysanthemums and candles on a yellow cloth. A silver service was used. Those presiding at the table were Miss Carol Sherrod, president of the active club, who poured, and Mrs. Robert Adair, president of the alumnae organization, and Mrs. Howard Klein.

Following the buffet supper, Mrs. Adair presented a plaque to the club. The plaque will be inscribed with the club crest and with the wording, "Las Vivarachas Alumnae to Las Vivarachas Club." Each semester, the names of the two club members making the highest scholastic averages in the club will be placed on the plaque.

Tea Is Given At Nislar's

Naming Miss Jane Magee, bride-elect of Jim Franks, as honoree, Mrs. Joe N. Nislar and Mrs. Oscar L. Nislar, jr., entertained at tea Tuesday afternoon in the home of the former, 2319 Seventeenth.

Mrs. Elmo McClellan, aunt of the honoree, presided at the tea table which featured a white motif in the hand-embroidered cloth, candles, and centerpiece of mums and lemon leaf.

Sixty guests called between 4 and 6 o'clock.

Miss Gretchen Clift greeted guests and Mrs. Duncan Ellison presided at the register. Assisting in hospitalities were Misses Wilma Wheeler, Patty Millspaugh, Sue Lynn Guthrie and Mrs. Fred Brown.

The bride-elect received a hostess gift of silver.

OES Program Is Held For Grand Officers

Lubbock chapter, OES, gave a program Tuesday night at the Masonic hall as a courtesy to two Grand Officers, Mrs. Ben V. Smith and Mrs. L. D. Thomas. The former is chairman of the welfare committee and the latter is a member of the credentials committee.

The guests of honor were presented with corsages of white carnations, tied with gold and blue ribbons, and with demitasses.

Mrs. Lester Ericson was chairman of the hostess committee. The hall and dining room were decorated with pink and white carnations, roses and mums.

Mrs. Anderson Named Honoree At Coffee

Mrs. Noble D. Anderson, who was Miss Shari Ann Thompson before her marriage, was complimented when Mrs. Marvin McLarty and Mrs. W. B. Kelly gave a coffee Tuesday in the home of the latter, 2214 Eighteenth.

Mrs. Josephine Hicks presided at the coffee service. The table was centered with an arrangement of pyrachantha branches. The hostess gift was pottery.

Rites Pending For Dickens Merchant

SPUR, Nov. 17. (Special)—Funeral arrangements for Nathan Frank Speer, 60, Dickens merchant and former school official, today were incomplete, pending arrival of relatives.

Mr. Speer, a Dickens county resident for 57 years, died at 7:22 p. m. Tuesday in Nichols General hospital here.

Mr. Speer married the former Lela Mae Law at Dickens in 1911. He taught in county schools 18 years, serving as superintendent of the Dickens school system during half that time. He was county superintendent of schools from 1928 to 1930. He had been in the grocery business at Dickens in recent years.

Funeral arrangements are in charge of Chandler Funeral home of Spur.

Survivors include the widow; his mother, Mrs. Clarissa M. Speer of Beaumont; a son, Leo of Dickens; three daughters, Mrs. Levoy Hooker of Tulsa, Mrs. Ferrell Burford of California, and Mrs. Melvin Bivens who is with her husband on Guam; three brothers, J. B. of Alpine, Joe of Flomot and John E. of Lubbock; and six grandchildren.

CERTAINLY YOU CAN HAVE A SOFT, VELVETY LOOKING SKIN WITHIN 5 DAYS!

Read what a Los Angeles woman says about the New Transforming PEARLS IN WINE COMBINATION CREAM!

"I was puzzled over why my complexion looked so unusually fresh and clear. It seemed to have taken on a new quality—a new tone.

"I thought: 'I am not getting younger, that's certain, but my skin surely looks younger, firmer and lovelier.' And then I realized—'Why, of course, it is the new PEARLS IN WINE COMBINATION CREAM.'

"The result of using it just five days was startling. I have never known any cream to give such quick returns. It digs deep into the surface and goes to work at once, cleansing and improving.

"It is a delight to use for it is not only of a delicate, dainty pink hue, but it has a subtle fragrance and a velvety soft texture.

"I am deeply grateful for what it has done for me in making my skin feel so soft and velvety and appear so much younger, due to the thorough cleansing. I have no doubt that this is very beneficial."

Cosmetics are catching up with the times. You seldom hear of mastoid operations since penicillin came in. The new PEARLS IN WINE COMBINATION CREAM is revolutionizing cosmetics in the same manner.

There was a time when women had to have several different creams—cleansing cream, cold cream, dry or oily skin cream, hand cream and powder base. Now PEARLS IN WINE COMBINATION CREAM serves all these purposes with great effectiveness, plus an economy of application time and money.

Morgan Is Worried Over Lobo Battle

* * *

All was far from serenity at Texas Tech's football practice yesterday afternoon and Coach Dell Morgan, already suffering from ulcers, gave definite indications that his gridders weren't helping him cure them any.

Biggest cause of the upset and disorder within the coach was failure on the part of his players to follow assignments correctly. It wasn't that the players didn't have the intelligence to remember them; they were too cocky to try. The general feeling, as shown by squad attitude, was that Tech didn't have to work too hard to beat New Mexico come Saturday.

There wasn't much of anything shown during the practice session that would tend to give the players an excuse to feel that they were doing well. They worked on offense entirely, running a lot of wide end plays and an assortment of quick-opening plays through the line. But with a week of virtual rest, the players didn't show too much command of the situation. Assignments were missed by blockers and sloppy backfield ball handling led to too many fumbles to be healthy.

LOBO TACKLE — Dick Williford of Fairfield, Tex., is a tackle this year on the New Mexico eleven that will face Texas Tech here Saturday. But Williford last year was an end and a good one. Williford stands six feet two and weighs 200 pounds, indicating that Tech linemen and backs are in for a rough time.

Dell Loses Patience

As a result, Coach Morgan nearly lost his voice as well as his patience, while the rest of the coaching staff wore scowls of unhappiness about the session. The original fear that the coaches would have to guard against overconfidence yesterday was giving way to fear that they wouldn't be able to bring the players down to earth in time for the New Mexico game Saturday.

Tech will go into the game an overwhelming favorite on the basis of comparative scores and records for the season. Pigskin Pete, a forecaster for The Sporting News, already has made the Raiders the favorites by 13 points and this is probably the lowest prognostication that will be made.

On the other hand, the Loboes haven't been beaten badly by any team they have played. And they hold a 9-6 victory over Colorado of the Big Seven, in addition to a humiliating 61-0 win over hapless New Mexico A. & M.

Colorado Is Measure

Using the Colorado game as a true measure of New Mexico power, when the Lobos want to use it, the invaders are placed in a better light. Colorado, for instance, beat Nebraska 19-6 and Utah State 28-14, while Missouri beat them only 27-13. That would make the Lobos only 11 points worse than the vaunted Tigers.

On the other hand, the Lobo record in the Border Conference has been unimpressive. They swamped New Mexico Aggies, then lost to Hardin-Simmons 28-19, Texas Mines 27-13 and Arizona 14-6. In addition, they have dropped games to Fresno State by 20-14, Drake 13-0, and Texas 47-0.

Actually, using the Texas Mines and Arizona games for comparison, Tech is 54 and 39 points, respectively, better than the Lobos. You can take your choice.

But Coach Berl Huffman has the type of team that can go into the dressing room at the half with a deficit and come out fighting so much that they almost win in the last stanza. The offense is built around Fullback Rudy Krall and Quarterback Jerry McKown. Krall is the hardest plunging fullback in the loop and McKown is one of the top passers.

Four Leagues Are In Action

The winter basketball program at the Lubbock Boys club has 125 boys in action on the hardwood courts these days and nights, with four leagues in operation and 20 teams fighting for championships.

The Pee Wee league, organized for boys 10 and 11 years old, has six teams; the Midget league, organized for boys 12 and 13 years old, has four teams; the Junior league, organized for boys 14 and 15 years old, has six teams; and the Senior league, organized for boys 16 years old and over, has four teams.

At least two games are being played each day, with sometimes as many as five games carded. Jerry Starkey is directing Pee Wee and Junior team play and Glenn R. White, new athletic director, is in charge of the others. White is a graduate of San Angelo High school, where he won letters in boxing and track and was on the football and basketball teams.

Rosters of the teams follow: Midgets, Fighting Irish, David Morgan, captain, Jackie Chancey, Billy Ray Long, Dennis Calvert, Billy Chappelle and Jerry White; Five Little Devils, Glen Akin, captain, Gene Ward, Jerry Shipp, Barry Wichliffe, Bill English, Billy Snider and Jerry Martin; Mustangs, Keith White, captain, Kenneth Davis, K. D. Watson, Don Tucker, Cecil Thompson and Kenneth Garrison; Eagles, Wray Clark, captain, Jimmy Washington, Douglas Tucker, Stanley Black, Jack Easterwood and J. W. Hutcherson.

Pee Wees, Wolverines, Wade Wolfe, captain, Donald Ray Adams, Bobby Fenley, Glenn Davis, Jimmy McLaughlin and Terry Liles; Blue Jays, Dean Fawcett, captain, Hugh Carlen, Kenneth Tannery, Wayne Pendergrass, Jay Vaughn and Billy Jones; Black Panthers, Roy Lee Tunnell, captain, Bobby Owens, Jimmy Westbrook, Zack Tannery, Paul Sikes, Eddie Hardy and Jack Branch; Hell Cats, Roy Day, captain, Cricket Shirley, Jerry McLaughlin, Charles Stogner, Gary Daniels, Kenneth Davis, George Jones, Don Meador, Gerald Fletcher; Black Demons, Jerome Henderson, captain, James Osbourne, Weldon Hester, Carlton Huneke, Raymond Stephens, Monte Hasie; Wild Cats, Bobby Tyner, captain, Don Daniels, Harry Stasney, Royce Hunter, Alton Fitzgerald, Melvin Lester, Mack Love, Nelson Starr.

Juniors, Dirty Demons, Sammy Adams, captain, Donnie Washington, Charles Cole, Ray Thornton, Travis Hopper, Ira Owens, Leon Bostwick; Roughies, George Sewell, captain, Bobby Henley, Melvin Taylor, Charles Wright, Bascl Wolfe, John Terry, Buddy Feris; Dirty Five, J. R. Bradford, captain, Mikie Brady, Billy Breedlove, Bob Pharr, Sherrell Manning, Ray McLarty, Bob Newell; Basketeers, Bobby Tollison, captain, Tommy Elliott, Lindle Bailey, Gene Seward, Royce Shipp, Morgan Hall, Jimmy Johnson; Hot Shots, Bobby Sexton, captain, Carroll Walker, Bobby Craig, Jerrell Crawford, Jimmy Crawford; Alley Rats Five, Johnny Tatum, captain, Charles Brewer, Wesley Curry, Randal Reiger, Hulen Haley.

Seniors, Sharpshooters, Rodger Van Cleave, captain, Dan Adkisson, Davis Hooker, Carlos Holton, Gene Tollison; Hardwood Five, Jack McLarty, captain, J. B. Elliott, Billy Everheart, Herbert Maxwell, Arlen Harris; Bombers, Jackie Cook, captain, Neil Sikes, Tommy Yelvington, Truman Godwin, Morris Moyers; Roughnecks, Billy Bohner, captain, James Wilson, Bobby Nabors, Mackie Lawrence, Pete Kelley.

Black Demons Lose 14-6 To Panthers

Roy Lee Tunnell tallied eight points to lead the Black Panthers to a 14-6 victory over the Black Demons in a Pee Wee league cage tilt Tuesday night at Lubbock Boys club. Wendell Hester chalked up four points for the losers.

In the Midget circuit, the Mustangs trounced the Eagles, 30-14. Don Tucker paced the Mustangs with 11 points and Jimmy Washington topped the Eagles with six.

The Basketeers, led by Roy Shipp's 10 points, gained a 33-31 decision over the Dirty Demons in an overtime Junior tussle. Donny Washington scored 10 points for the Dirty Demons.

One Senior loop tilt was unreeled, as the Sharpshooters edged by the Roughnecks, 33-29. Roger Van Cleave tallied 15 points for the Sharpshooters, but he was tied for high honors by James Wilson of the Roughnecks.

Games today will send the Bluejays against the Wildcats, while the Fighting Irish tangle with the Five Little Devils.

Arizona Coach Not After Loyola Job

TEMPE, Ariz., Nov. 17 (AP) — Eddie Doherty, coach of Arizona State college at Tempe, said yesterday he is not going to submit an application for the coaching job of Loyola of Los Angeles.

The former Boston College star quarterback reportedly is one of seven under consideration for the job resigned last week by Bill Sargent.

Hoople Likes Buckeyes In An Upset Over Favored Michigan

By MAJOR AMOS B. HOOPLE
"Too Much Time Out" Expert

Egad! Here we are, galloping (and I don't mean Galluping) along through another prognostication. Have you noticed how every forecaster except Hoople has been wrong this year?

Well, enough of the folderol, as I call it, and on to constructive predictions. We have an upset for you this Saturday, my little chickadees, and it is none other than Illinois to spill the dope bucket all over Northwestern.

We have been clocking Illinois recently in secret workouts and it looks as if the Illini will take this one breezing. Ohio State over Michigan? You bet!

* * *

Just for good measure we're going to toss in the Thanksgiving Day games for your perusal. We pick Cornell to nose out Penn, 14 to 13; Texas A. and M. to defeat Texas, 19 to 13; Brown over Colgate, 19 to 12, and Missouri to beat Kansas with a last minute forward pass, 20 to 13.

Here is the forecast for the games of Saturday, Nov. 20:

Texas Tech 33, New Mexico 7.
Iowa 20, Boston U. 0.
Columbia 12, Syracuse 6.
Princeton 19, Dartmouth 7.
Yale 14, Harvard 7.
Temple 13, Holy Cross 7.

Oregon 13, Oregon State 6.
So. California 20, UCLA 12.
Washington 13, Idaho 7.

Two Main Events Are On Tap For Wrestling Fans Tonight

An Australian tag team match and another match as a first event will be the chief attraction for the wrestling faithful tonight at Sled Allen's arena.

Dick Trout and Dory Funk, two of the cleaner, more scientific wrestlers, will have their work cut out for them in the team match. They take on Al Getz and Rod Fenton, two of the roughest men in the ring today. It should be a top match.

And in the first main event, Vic Weber of New York's Brooklyn suburb will take on Bennie Trudell of Canada with a 45-minute time limit on a two out of three falls match.

O'Dowdy To Referee

Referee for these events will be a matman-promoter in his own right, Rowdy Pat O'Dowdy, the Big Spring Irishman. O'Dowdy, a slightly built man, will have his hands full controling the teams in the Australian tag match.

Getz and Fenton, crafty and ringwise, prefer their grappling on the rough side—so long as they are doing the rough work. They'd like to take on Trout and Fenton without benefit of referee, and they might, if they can get him out of the ring.

Scientific Wrestlers

Trout and Funk, the latter making his first appearance here in a long time, both prefer to wrestle along the more common line of scientific grappling. But if their opponents get rough, these grapplers also can dish it out and probably will.

Weber is slowly building up his name around here after being a stranger for many years. The New Yorker, always popular, has been putting on a good show and is expected to continue his fine appearance in his match with Trudell, another ringwise veteran.

Tickets will be on sale at Wylie's Drug store today from 9 a.m. until 5 p.m. and the first match is slated to start at 8 p.m.

BOWLING SCORES

McFarland-Maisen's keglers swept three straight games from the Hemphill-Wells pin-toppiers in a Major Bowling league tussle Tuesday night, as Hennington tallied a 217-573 series. Begey chalked up a 231-539 high for the losers.

Mission Orange, paced by Daniel's 225-604 series, took two of three games from the Hub Clothiers. Abell tallied a 186-498 for the Clothiers crew.

In the final match the Westerners gained two decisions over the Walton's five. B. Brown scored a 212-605 series for the Westerners, and Nelms led the losers with a 211-579.

Westerners Begin "Open-Week" Drill

Lubbock's surging Westerners returned to the Chapman field practice gridiron Tuesday afternoon for their first workout since their stunning 47-0 triumph over the Plainview Bulldogs last weekend.

Head Coach Pat Pattison gave the Hub city gridders a brief holiday Monday, and the Tuesday workout included a minimum of contact work. The linemen were drilled on blocking assignments, while the backs were given new play variations. The squad held a brief scrimmage session before going to the showers.

The Westerners came through the Plainview encounter in good physical condition, with only the usual number of minor bruises and sprains, and mentors hope to keep the squad in top shape for the final clash of the season Thanksgiving day against the Brownfield Cubs.

Light drills will continue during the rest of the week, Pattison indicated, although the team may get a brisk head-knocking session Friday.

Austin, Corpus In Feature Go

By ED FITE
United Press Sports Writer

Palestine, San Benito and Baytown should add their names to the list of class AA district champions this week, barring another round of upsets similar to those of last week.

They play in the standout games of the light weekend card which should enable us to improve our picking percentage a bit.

Even with the form reversals of last week we managed to hit an .806 pace with 38 right, eight wrong and three ties. That gave us a season average of .783 on 233 right, five ties and 302 picks.

Upset Chances Slim

Chances for upsets this week are slim, but if there is to be one it might come in the Austin-Corpus Christi game Friday night. Austin is favored, but the Bucs have shown spurts of ability that could wreck the Maroons' title hopes. We're sticking with Austin, however.

Elsewhere, the games look like this:

Quanah over Electra, Wichita Falls over Vernon, Abilene over Big Spring, Midland over Lamesa, Sweetwater over San Angelo, Ysleta over El Paso Bowie, El Paso High over Oklahoma City Central, Bonham over Sulphur Springs, McKinney over Grand Prairie.

Breckenridge over Mineral Wells, Brownwood over Weatherford, Cisco over Eastland, Henderson over Gladewater, Texarkana over Kilgore, Waco over Cleburne, Temple over Corsicana, Waxahachie over Hillsboro.

Palestine over Conroe, Jacksonville over Lufkin, Nacogdoches over Bryan, Port Neches over Beaumont, Beaumont South Park over Orange, Freeport over Texas City, Pasadena over Galena Park, Baytown over Galveston.

Kerrville over Victoria, Laredo over St. Edwards, Harlingen over Brownsville, Alice over Edinburg, Kingsville over Robstown, San Benito over McAllen.

Dallas Adamson over Dallas Forest, Dallas Woodrow Wilson over Dallas Sunset, North Dallas over Dallas Crozier Tech, Alamo Heights over Harlandale, Houston Davis over Houston Sam Houston, Houston Lamar over Houston, S. F. Austin, Houston Reagan over Houston San Jacinto, Fort Worth Arlington Heights over Fort Worth Tech, Fort Worth Poly over Fort Worth Riverside.

Answer On Permian Bowl Bid Awaited

ABILENE, Nov. 17 (AP) — Fans won't learn until tomorrow whether Hardin-Simmons university's Cowboys will play in the Permian bowl football game at Odessa.

University officials said yesterday they had asked bowl officials to give them "two or three days" to think over the bid for the New Year's day game. An announcement was expected tomorrow.

Red Raider Cagers To Tackle Wayland

Texas Tech's Red Raider basketball squad again will entertain Wayland college, meeting the Plainview quintet in an exhibition practice scrimmage this afternoon in the Tech gym.

It will be the second meeting of the season for these two squads, Tech taking the original clash by 84-49, although the score was unofficial. The second clash of these fives will give rival coaches an opportunity to see whether much, if any, improvement has been made. Substitutes probably will pour into the game in liberal quantities, since it is strictly a practice session.

The court tilt will be open, without charge, to the public, with the opening tip off expected to be about 4 p.m.

Coach Polk Robison's cagers are beginning to get a little more polish in their attack, on which a great deal of work is being done. Special emphasis is being placed on the reserves and they have had intensive sessions. Raider passing is coming along in good shape, but timing still isn't what it should be.

Yesterday's practice session was, to a large extent, devoted to sharpening the polish on the reserves and they worked for a long time against several freshmen. Coach Robison emphasized assignments and the setting up of plays, with special emphasis on positions in which players should be.

Seeing a great deal of action was a team composed of Durwood Patterson, center; Wayne Bowles and Whistle Banks, forwards; and Wimpy Hill and Chet Jackson, guards. The last four named all saw considerable service last year and are expected to carry much of the burden again this season. Changes in this lineup consisted of Charles Pinnell and George Belchef, the latter a freshman last year.

Probable Starters

What possibly may be the starting five this season was a combination with Don Grove, center; Bill Edins and Ardis Barton, guards; and C. W. Dukes and Gene Gibson, forwards.

Coach Robison still is playing around with a "tall" quintet, but is not likely to use it much. Too many of the smaller men are showing up as more capable ball handlers and shot artists.

The Raiders so far have shown streaks of ability, but much of the time have lacked polish and coordination. They were failing to follow up their shots yesterday the way they should and many of their plays were failing through lack of timing.

But these difficulties will straighten out, Coach Robison believes, and the Raiders should floor a strong team.

STAR GUARD INJURED

NEW YORK, Nov. 17 (INS) — Buck Shaw, coach of the San Francisco 49ers said today his star guard, Bruno Banducci, would be unable to play against the Brooklyn Dodgers next Sunday. Banducci dislocated his shoulder for the fourth time this season playing against Cleveland last Sunday.

Offensive Stars Stand Out In 1948 Season

Between The Lines...

By Joe Kelly

Before we get sidetracked much longer, let us hasten to compliment the Lockney population for the fine Armistice Day program they presented. They showed off their football team to its best advantage, they flocked back from 15 or more states to attend the first annual homecoming, they welcomed everyone with open arms and the barbecue luncheon was topnotch. In fact, the more we think about the barbecue, the more we'd like to be back there eating some more of it, along with the other delicious food.

• • •

Sid Reeves, superintendent of schools, is to be complimented on the excellent program he arranged and for the smooth way in which it was carried out. The high school had the welcome mat neatly spread and believe me, it was well used. Everyone appeared to be happy, to be enjoying himself or herself and old friends met, sometimes for the first time in years. We were royally entertained by Sid and the school, and by the Greer family, And lest we forget, by Brownie, ye host of the Hotel Baker.

• • •

We haven't, unfortunately, seen Post or Littlefield play this season, but our scouts inform us that the Wildcats appear to have the better team and should win Friday. But we have seen Lockney in action and we'd like to pass a word of warning along to Littlefield or Post; look out for the Longhorns. Coach Curtis Kelley has brought his squad along in fine shape and they played good, hard football against Paducah. We particularly liked Calvin Pyle, an end, who also will be heard of this winter as a boxer. But the Steers are a team and play together beautifully, so that the individual seldom has a chance to stand out.

• • •

Sid, we enjoyed that visit to Lockney, and the opportunity we had to mingle with your people. It was a grand experience. And we know that you're going to keep up the good work. Lockney, under Sid Reeves, has come a long way. They have a fine school building, fine equipment and a forward-looking program. The people are enthusiastic, friendly, eager. We look for Lockney to continue its progress onward. Sid told us that the next step will be an adequate stadium to seat upwards of 5,000. With Langhorn teams being so consistently good, they could use a large stadium in Lockney. We'll be looking for another opportunity to visit there again.

The New Mexico team that comes here Saturday will be just another in a long succession of teams that have outweighed Texas Tech. Coach Berl Huffman can, if he wants to, start an eleven that averages over 200 pounds from end to end. As it is, the probable starting line will average 198 and the backfield, 182. The line will have an edge of 10 pounds per man, the backfields will be about even. The Lobo roster shows nine tackles and only two weigh less than 200. One hits 246, another hits 240 and they taper down, in order, at 225, 220, 208 and two 220 pounders. The "runts" are John Lookingbill at 195 and Fred Reunolds at 180, both of Amarillo.

• • •

There are 13 Texans on the roster, 11 of whom come from this area and one of whom is a Lubbock boy, Kenneth Pharr, a 190-pound guard. Other places represented include Borger, Amarillo, Slaton, Muleshoe, Fairfield, Pampa, Floydada and Ft. Worth. There are 11 states represented on the New Mexico squad, not including New Mexico. All of which is not surprising, particular the number of Texans, since both Huffman and Walker Nichols, assistant coach, served time in this area.

• • •

Tech and New Mexico have played 12 games against each other, with the Red Raiders winning 10, losing one and tying another. The Loboes won in 1940 by 19-14 and tied 6-6 in 1945. The worst licking given New Mexico was in 1941, when Tech won 36-0. That was one of four times the Lobos were whitewashed by Tech. They never have kept the Raiders from scoring and only in one game have they held them to a single touchdown. Outside of last year and 1944, when Tech won 13-7, Tech's victories always have been by generous margins. Tech also never has scored more than six touchdowns in any game against the Lobos. We hope this is where they break that spell.

• • •

Sometimes the public wonders when a sportswriter guesses and guesses wrong. Uh huh, so do coaches. For instance, Huffman said in August that WTSTC would top the Border Conference, followed, in order, by Texas Mines, Hardin-Simmons, Texas Tech, Arizona, New Mexico, Tempe, New Mexico A. & M. and Flagstaff. Tech now leads, Mines is second, etc, with New Mexico eighth. Huffman also predicted that Tech would have the best defensive team, which is right, but he also said that Arizona would have the best passing attack. In addition, he said that New Mexico would have the best ground attack. He called Krall the best line plunger in the loop and Remo Moffa, the best guard. He also, if you have forgotten, picked Tech to finish fourth.

Top Performers In Border Conference

NEW YORK, Nov. 17 (AP)—In this era of the glorified forward pass it is nice to note that college football still has boys who can carry the mail.

The fading 1948 season, in fact, promises to be a monument to the hard-working athlete who lugs by land.

Ed Price, Tulane's churning fullback, is almost certain to become the third player of a big time team in ten years to pass the 1,000 yard mark in rushing.

Exclusive Organization

At least a half-dozen others are likely to join the "100 yards a game club," an exclusive organization to which only 17 men have been admitted in the last decade.

Price rolled up 134 yards in Tulane's 35-13 victory over Baylor last Saturday to increase his season's ground yardage to 892 and to become the nation's second most effective ball toter.

National Collegiate Athletic Bureau statistics show the rushing department is still led by Fred Wendt of Texas Mines, who with 1,057 yards promises to give the Border conference its third straight champion in this specialty.

H-SU Copped Honors

Rudy Mobley of Hardin-Simmons was top ground gainer in 1946 and Wilson Davis of the same school won the honor last year.

They had better than 1,000 yard seasons, as did Gene Roberts of Chattanooga in 1946. Mobley also topped 1,000 in 1942.

But the only other player of the recognized bigger schools to achieve the goal in the last decade were Frankie Sinkwich of Georgia, who rolled up 1,103 yards in 1941, and Bob Fenimore of Oklahoma A. and M., who gained 1,048 in 1945.

Wendt and Price are averaging better than 100 yards a game along with John Papit of Virginia, Gil Stephenson of Army and Wilson Davis of Hardin-Simmons.

Jackie Jensen of California, Bobby Stuart of Army, Nay Van Noy of Utah State and Harry Szulborisk of Purdue are within reach of the door handle to the select society.

Heath Top Passer

Stan Heath of Nevada, idle this week, maintains his leadership in forward passing and total offense. He has gained 1,861 yards through the air. His total offense yardage is less—1,846—but enough to keep him comfortably ahead.

The Nevada star has already passed the all-time passing yardage record and the aerial touchdown total set last year by Mississippi's Charley Conerly. But he needs 13 more completions to break Conerly's collegiate record of 133 in a single season.

Other interesting features of the NCAB figures this week:

Jimmy Finks of Tulsa needs only eight more pass completions to become the fifth player in history to hit successfully 100 times in one year.

Chuck Ortman, Michigan sophomore, is a new member of the top ten in total offense.

Only Three Intercepted

Gene Rossides of Columbia, is the best in the country at keeping his throws out of enemy hands, having only three of 103 passes intercepted.

Johnny Rauch of Georgia is second to Heath in passing yardage with 1,146.

Others among the top ten and their ranking include:

Total offense: Berry, Texas Christian, second, 1,280 yards; Wendt, Texas Mines, fifth, 1,084.

Rushing: Davis, Hardin-Simmons, tenth, 699 yards.

Forward passing: Berry, Texas Christian, tenth, 60 completions for 700 yards.

Robinson Is Placed On Unavailable List

NEW YORK, Nov. 17 (INS) — The New York Boxing Commission announced today that welterweight champion Ray Robinson has been placed on the "ill and unavailable" list for an indefinite period.

This action was taken because of Robinson's inability to fulfill a Nov. 9 fight commitment in Buffalo. The five other states which work in agreement with New York—Massachusetts, Michigan, New Jersey, Pennsylvania, and Rhode Island—have been notified of the Commission's action.

However, the Commission pointed out that any contract Robinson had signed previously could be honored without fear of punitive action. This leaves the way clear for Robinson to fight middleweight Steve Belloise in a ten-rounder Dec. 9 in Jersey City.

Little Rose Bowl Bids Undetermined

PASADENA, Calif., Nov. 17 (AP) —The field is still wide open in the selection of junior college football teams to play in the third annual Little Rose Bowl game Dec. 11.

Compton and San Francisco City colleges appear to be the leading contenders to represent the west, but the choice won't be settled until Nov. 27.

Several candidates from out of the state include Kilgore, Tex., defeated by Compton in the inaugural Jaysee classic.

MORRIS ACCEPTS POST

LONGVIEW, Nov. 17 (AP) — J. Walter Morris of Dallas, who was elected president of the Lone Star Baseball league Sunday, today officially accepted the post. He is also president of the Class B Big State league.

Joe Resumes Tour Tonight

CLEVELAND, Nov. 17 (AP) — Heavyweight Champion Joe Louis resumes his exhibition tour tonight against Jimmy Bivins, a fellow he once regarded as the logical contender for his crown.

Five years ago a meeting between Louis and the Cleveland negro might have produced plenty of fireworks in the ring, but the setting is different now.

Tonight's bout is a six-round no-decision affair with pillow-like 12-ounce gloves instead of the regulation eight.

A Dim Prospect

The only way Bivins can win is by a knockout or a technical knockout — and on the basis of Bivins' recent record that prospect is considerably less than likely.

Bivins' handlers report he has been training faithfully for this bout because he realizes it's a last ditch effort to regain his former standing among the heavies.

Louis says if Bivins does well enough tonight he might give him a shot for the title in New York next June.

Some figures: Louis is 34; Bivins 28; Louis will weigh about 220; Bivins about 185.

Veteran Groups To Hold Return Battle

BROWNFIELD, Nov. 17 (Spl.) — A return game between the Brownfield "Army" and Seagraves "Navy" elevens will be played at Seagraves on Friday night, Nov. 26.

The teams of ex-servicemen met at Cub Stadium here last Friday night, with Brownfield winning, 13 to 0, in a hard-fought contest. One of the victors' touchdowns came on a recovered fumble behind the Seagraves goal line, and the other on a pass play, with R. B. (Sonny)) Walls, Jr., former Cub star, carrying the ball across.

Buckeyes Will "Shoot Works" As Underdogs To Wolverines

COLUMBUS, O., Nov. 17 (AP) — The capital of the sovereign state of Ohio is going into its annual Michigan game dither—this time with extra zip.

The tom-toms are beating — with fervor if not conviction — "Beat Michigan, Beat Michigan," all along High street from the campus through downtown.

Buckeyes Are Underdogs

All it means is that the Ohio State university Buckeyes meet the Michigan Wolverines—generally regarded as the nation's No. 1 tam— this Saturday. The Buckeyes go into the game with the odds against them. Pools around town are spotting the Buckeyes 14 points.

Coach Wesley Fesler himself, who brought the Buckeyes up from nowhere last season to a telescope shot at the Rose bowl, says that on paper, the Buckeyes "don't even belong on the same field with them."

"But," Fesler told a homecoming banquet last night, "there is something more to the game and that is attitude. Our team has that. No one can convince me that our boys don't have a chance."

So, the Buckeyes await the game with the idea that if Truman could do it, why can't they?

Capacity Crowd Expected

Possibly 85,000 people will see whether they can in the big Ohio stadium with its official capacity of 76,677. Both Mutual and NBC networks are going to carry the full game to other thousands from coast to coast.

Meanwhile he city and Ohio are working themselves up. There'll be a parade and enough fanfare between Friday and game-time to daze a Roman emperor.

The team itself is taking it easy. Not resting on its laurels for winning all but two of its games so far this year, but not taking any chances on anybody being hurt before the game.

What the game seems to boil down to is that the Western conference's best passing squad comes to town to meet the second best pass defense team.

Play Common Foes

In five conference games the two teams have played three common opponents, Northwestern, Illinois and Indiana. Michigan also has played Minnesota and Purdue and Ohio State has played Iowa and Wisconsin.

The Wolverines, paced by Charlie Ortman, have averaged 158 yards a game on passes.

The Buckeye defense has yielded only 56.6 yards a game on opposition passes, or six yards more than Northwestern.

Reed, Carter Win Bowling Tourney

Tubby Reed and Sam Carter, Lubbock bowlers, carried off the Class A singles and doubles championship in the 11th annual News-Globe bowling tournament at Amarillo the past weekend.

Reed, who knocked down 648 pins, was tops among 197 singles entries in the tournament and he and Carter, with 1,268 pins, bested 96 doubles combinations in the play to take the title.

Approximately $1,500 in prizes will be distributed but the breakdown in prize money hasn't yet been determined.

Area Cage Squads Invited To Tourney

An independent basketball tournament will be conducted Dec. 1-4 at Shallowater, meet officials have announced, with independent quintets of the entire South Plains area eligible for competition.

The tourney bracket will be limited to the first 12 entries, officials said. Entries, which should be mailed to Hack Galey at Box 184, Shallowater, must be accompanied by a $10 entrance fee. Deadline is Saturday, Nov. 27.

A $50 award will be made to the first place winner, while the runner-up five in the tourney will receive $30. Gold and silver basketballs will also be given to team members.

Plans Complete For Cage Leagues Here

Final plans for organization of two independent basketball leagues were completed at a meeting of team representatives of City Recreation department officials Tuesday night.

Fifteen teams have entered the league, it was announced, and one more quintet is needed to round out the bracket. Deadline for entering the loop will be Tuesday night.

League play will get underway Nov. 29, officials said, and will continue through Feb. 15. All games will be played in Lubbock public schools gym.

Rites Pending For Lamesa Resident

LAMESA, Nov. 17. (Special)—Funeral services for John Chitwood Hart, 68, a resident of Lamesa for 24 years, this morning were incomplete pending the arrival of a daughter of the deceased from Iowa.

Mr. Hart, of 702 N. Fourth, died in a local hospital Tuesday morning after an illness of more than a year.

A native of Johnson county, he lived in Cleburne before moving here. He maintained farming and ginning interests in this area before his retirement several years ago.

Services will be held at the local Church of Christ, of which Mr. Hart had been a member for 35 years. Burial will be in Lamesa cemetery, in charge of Higginbotham Funeral home of Lamesa.

Survivors include the widow; a brother, Jack of Mangum, Okla.; a sister, Mrs. Ed Hall of Rio Vista; a daughter, Mrs. J. D. Altman of Mitchellville, Iowa; two sons, Carl of Lubbock and George of Lamesa, and five grandsons.

Dixie Revolt

(Continued From Page One)

party's platform pledge at all costs.

Mr. Truman said his state of the union message, to be delivered to the new Congress early in January, will call for action on civil rights. In addition he promised a plea for repeal of the Taft-Hartley labor law and action on his 21-point "full production, full employment and a high standard of living program" of Sept., 1945.

Duty Bound To Act

Lucas, slated to be Senate majority leader, said Democrats were "duty bound and obligated" to push for the Truman program. "Just where we are going to start and where we are going to end—that will be decided later," he added.

Sen. James E. Murray, D., Mont., a ranking labor committeeman, said "we'll have to carry out the program that the campaign was fought on." He called for rush action on Taft-Hartley repeal and an expanded program of rural electrification, reclamation and farm aids.

Sen. Harley M. Kilgore, D., W. Va., said the labor law "cannot be amended . . . it should be repealed as soon as possible." He advocated return to the New Deal Wagner act and a long-range study of needed changes in that basic legislation.

Berlin Dispute

(Continued From Page One)

said the United States had discussed the matter directly with Russia until it became apparent the Berlin blockade was established to gain political objectives to which Russia was not entitled.

"We therefore referred the question to the security council as a threat to the peace, where it still remains," Marshall replied.

"To compromise the principle of the charter that force shall not be used for the attainment of national objectives would endanger the peace of the world," Marshall wrote.

"There is a basic issue in relation to Berlin—that is, whether or not the Soviet government can be permitted to use force, whether by way of blockade or of economic pressures involving currency, credit or trade, or otherwise to deprive the Western powers of participation in the administration of Berlin."

Russian Note Quoted

The Soviet note to Lie and Evatt, which did not mention lifting the Berlin blockade, said the council of foreign ministers must consider all German problems and not merely the Berlin dispute.

It was learned that the Russian note said in part:

"The Soviet government also shares your point of view regarding the importance of personal contact and mutual confidence among the heads of powers in the improvement of relations."

Coast Strike

(Continued From Page One)

railroad, and tugboat and trucking workers were laid off temporarily because of the shipping tieup. Many employes in other lines of business also faced idleness. Curtailed production and distribution of goods resulted.

Embargo Continues

Steamship companies were laying off officers and seamen of strike - bound craft, retaining standby crews only. The railroad embargo on freight destined for foreign or coastwise shipment continued.

William Margolis, assistant to Cyrus S. Ching, head of the U. S. Mediation and Conciliation Service, was due here today. He was scheduled to confer with ILA President Joseph P. Ryan, whose union struck in a pay dispute with the stevedore employers.

methods through which this profit is obtained go beyond what can be termed ethical business practices."

"It would be deplorable," he said in a statement, "if the greed and avarice of a few dealers and the lack of effective program on the part of the manufacturers should catapult an entire basic industry of the country into thorough disrepute and even the possibility of controls."

Emphasizing that they do not condone the practices disclosed, spokesmen for parts of the automobile industry told the committee that auto sales generally have been conducted on a fair basis.

Daily Markets

Stock Market

PRICE LEVELS DRIFT

NEW YORK, Nov. 17 (AP) — A late increase in selling uncovered quick support in the stock market today.

Final prices were off fractions to a point or more but in many cases [illegible] of the day.

The price level started to drift downward soon after the opening bell. At the start of the final hour selling pressure increased, then in the last few minutes new support appeared.

Turnover for the day was around 900,000 shares.

Standard Gas & Electric issues came to life late in the day following word that directors had decided to ask the Securities and Exchange Commission for authority to vote dividends on the prior preference stocks. The $7 prior preferred jumped 5½ and the $6 added 1⅝.

A flow of favorable corporation news, mostly in the dividend class, was more or less ignored.

Superior Oil of California dropped nearly ten points to 150 at one time.

Others trimmed included U. S. Steel, Youngstown Sheet, Douglas Aircraft, Montgomery Ward, Studebaker, General Motors, American Telephone, Phelps Dodge, Dow Chemical, Westinghouse Electric, Owens-Illinois, Santa Fe, Baltimore & Ohio, Illinois Central, Remington Rand (at a new low for the year), and Consolidated Natural Gas.

On the topside some of the time were International Harvester, Schenley, Eastman Kodak, American Tobacco, Gulf Oil, Texas Co., and Warner Bros.

Grain Market

FORT WORTH REPORT

FORT WORTH, Nov. 17 (AP) — Wheat No. 1 hard 2.48¾-52¾.

Oats No. 2 white 1.03¾-1.04¾.

Corn No. 2 white 1.88-93.

Sorghums No. 2 yellow milo, per. 100 lbs. 2.78-83.

CHICAGO REPORT

CHICAGO, Nov. 17 (AP) — The advance in grain prices moved right along today, despite some heavy selling on the way up. Wheat took over the market's leadership as milling interests bought large quantities of December and May contracts.

Activity of mills reflected good flour business. December wheat sold at the best price since April while July and September reached new seasonal highs. Most selling appeared to be profit-taking as little hedging pressure was reported.

December corn touched a new high for the past four months. September corn and July and September oats made new seasonal highs. Continuation of the longshoremen's strike on the northern Atlantic coast had little influence on prices.

Wheat closed ⅛-⅓ higher, December $2.37¾-⅞, corn was ⅝ to 1 cent higher, December $1.44¼-$1.44, oats were ¼-⅜ higher, December 84-83⅞.

Lubbock Man Elected Officer In Star Farmer Association

Elton Ellison of this city, who as a member of the Cooper Future Farmers of America chapter won in 1944 the title of Star Farmer of America, the nation's top honor in FFA activities, was elected secretary-treasurer of a Star Farmer association, organized yesterday at Kansas City in connection with the FFA national convention.

The press dispatch did not give further details concerning other association officers, or the plans and purposes of the group. Based on its name ,however, the organization would be made up of FFA members who have been declared annual winners of the Star farmer award since the designation was started 20 years ago.

Is Married Now

Ellison, now married and living with his family at 3113 Twenty-ninth street, is employed by the Lubbock Implement company. His wife was Betty Perkins, daughter of Mr. and Mrs. W. O. Perkins, 2405 Ninth.

His win of the 1944 award came shortly after he entered military service, and since he was unable to obtain leave to attend the convention and accept the award personally, his wife made the trip from California, where he was in training, to accept the award in his behalf.

Enters Military Service

Ellison entered service Aug. 24, 1944. He had been in college the previous year, but retained his affiliation with the Cooper FFA chapter, where during his high school career his agricultural coaching had been done by J. D. Strickland, vocational agriculture teacher who now is in business at Plainview.

He is the only one from Texas who has ever won the Star Farmer award. The designation this year went to 19-year-old Kenneth Lewayne Cheatham, of Greenville, Ill. With the honor goes a check for $1,000.

A total of 214 FFA members received the American Farmer award this year, second to highest honor conferred by the organization. These included Alton Brazell of Lubbock, Dale Harrell of Ralls, and Robert Bruce Isom of Idalou.

fic light and having no current driver's license was rearrested at 9:35 p. m. when he, drunk, allegedly offered a nickel to a cafe waitress to "call the cops." He was fined a total of $32, corporation court officials said.

A total of 20 cases of permanent type antifreeze was stolen from two trucks in the night. It was valued at approximately $520.

Fifteen cases were taken from a truck of T. G. Jones of 1709 Ave. H, from 200-block Ave. N.

Assault Fines Assessed

The other five cases were removed from a truck of Bill Stewart of 1510 Arnett. The truck was parked at Sixteenth and Texas Ave.

Two negroes, Moses Hopkins and Jessie Hopkins, were fined $25 and county court costs each, on pleas of guilty of aggravated assault. Owen E. Grant, another black, also was charged with aggravated assault, growing out of a Tuesday fight in a cotton patch near Shallowater, but had entered no plea. His wife Lucille was in a hospital for knife injuries.

Police said they were informed by Dep. Sheriff Whitlock of Ropesville that a negro had been robbed by another there, of a billfold containing $210. No arrest had been reported.

Gasoline and rubber hose from a gasoline pump were taken in burglary of the wellhouse of J. W. Randolph of three miles south and four west of Shallowater, the sheriff's office was informed.

Worried Chinese were told by the Chinese Central News agency the Communists had suffered on the Suchow front less than 200 miles from their capital "the most disastrous defeat ever received from the hands of government troops."

The official agency reported wholesale surrenders of Red army soldiers fleeting through a "wall of bullet and bombs."

high-stakes poker in a main street bar.

She did most of the playing, and Beveridge wrote checks covering her losses. The game went on for three or four days.

Then, on the complaint of Len Haffey, who ran the game, Beveridge was jailed on a charge of writing fictitious checks.

The "Countess" offered to cover Beveridge's checks with one of her own. Haffey and the authorities agreed to this, and charges against Beveridge were dismissed. He left town.

But then Miss Krasnodebsky's $2,200 check also proved uncashable, Berry said. It was written on the Drexel & Biddle bank of Philadelphia, and Berry said no such bank existed.

So the "Countess" took Beveridge's place in the ancient county jail.

News Briefs

The newly formed health council of Lubbock public schools will meet at 1:30 o'clock Thursday afternoon in the office of Supt. R. W. Matthews. Council members include the school physician, school nurse, curriculum directors, physical education and health chairman and representative from the parent-teacher council.

Houston Harris, 67, a negro who lives in Slaton, escaped injury when the automobile he was driving overturned at about 7:45 a. m. today two miles from Lubbock on the Slaton highway. Harris, driving to work in Lubbock, started to pass a car when that car pulled to the left to pass a third vehicle ahead. Harris swerved his 1936 Chevrolet sedan into the bar ditch, where it overturned. Only slight damage was done to the car, however, and he drove it into town after it had been righted.

A movie concerning design and construction of model automobiles today was shown boys in Lubbock Senior High school and the three local Junior High schools by Roy Finley, of Kuykendall Chevrolet company. Purpose of the film, sponsored by the Fisher Body Craftsmen guild, is to stimulate interest in automotive design among school-age boys. It was shown in connection with a nationwide contest currently being conducted by the guild.

The "Hour of Charm" all-girl orchestra, directed by Phil Spitalny, spent several hours in Lubbock today while en route to Amarillo for an engagement tonight. The orchestra played before more than 4,000 persons in the Rose Field house on Hardin-Simmons university campus Tuesday night. The orchestra arrived at 9:45 this morning and left at 2:45 o'clock this afternoon by Santa Fe train.

A resolution favoring legislation to pay Texas ex-servicemen war-time adjusted service pay was approved Sunday at the 19th district American Legion convention at Big Spring. Lubbock Allen Bros. Post had approved a similar resolution in a local meeting a week earlier.

Jerry Dukes, 14-month-old son of Mr. and Mrs. W. D. Dukes of Levelland, was reported in "good" condition at Lubbock Memorial hospital this afternoon following removal of a penny from his windpipe. The youth swallowed the coin this morning at his home in Levelland, and was brought to the local hospital to have it removed. His father, an oil well driller, is employed by George P. Livermore, Inc.

Two short movies, "Modes and Motors" and "How Not To Conduct a Meeting," were shown as the feature of the program at today's weekly luncheon of the Lubbock Exchange club at Hotel Lubbock. The films, provided by Kuykendall Chevrolet company, were seen by some 50 members and guests. Two new members, Bill Bartley and David Haymes, and two guests, Cliff Barr and H. Shipley, were introduced.

Olton Students Pay Visit To Lubbock

Forty-three members of the Science club of Olton High school paid a visit to Lubbock, Texas Technological college and various business and service institutions today. Traveling in a school bus, they were accompanied by Miss Muriel Surrat, sponsor, and Mrs. Grace White, a mother of one of the students.

Lubbock Municipal airport, Central Fire Station, Standard Milling company's plant, the Edwards company, Baldridge Bakery, and the Avalanche-Journal were visited in addition to the college campus.

James Kennedy was driver of the bus and the group was also accompanied by Mrs. Kennedy. Arriving here at 10 a. m., the students left on the return trip to Olton shortly after 3 p. m.

Carroll Thompson Choir Gives Program At Rotary Luncheon

Congratulations To

Mr. and Mrs. Odell Purdy of Seagraves on birth of a son weighing 7 pounds 3 ounces by Caesarian section at 1:39 p.m. Tuesday in Lubbock Memorial hospital. The father is a Church of Christ minister.

Mr. and Mrs. Robert Koonts of 310 Waco avenue on birth of a son weighing 7 pounds 10 ounces at 10:30 a. m. today in West Texas hospital. The father is a salesman.

The Carroll Thompson Junior High school choir, under direction of Mrs. Eloise Elliott and Miss Sue Tyson, presented a varied program of musical numbers at the Rotary club luncheon today at the Hilton hotel.

Miss Tyson, a Texas Tech student, who is doing practice teaching at the junior high school, alternated with Mrs. Elliott in directing the choir of 80 to 90 voices, and also sang "Come to the Fair," as a solo.

Program Numbers Listed

Melba Jeane Blake was at the piano, and Roy Burrows, member of the choir, was narrator.

After two opening numbers, "Shoo the Blues Away," and a reworded verse of the National Anthem, the choir rendered The Lord's Prayer as a choral number, and Love Divine, All Love Excelling.

Turning to a lighter vein, the program then included Viva Lamour, There's Music in the Air; two Mexican folk songs, Under the Stars, and Juanita; two American folk songs, Water Boy, and Stephen Foster's Old Black Joe.

Ladies Night Set

Other numbers, also typically American, included Battle Hymn of the Republic, and the concluding number, an educational parody on Now the Day is Over.

Homer D. Grant was program chairman. Club President Irving L. Jones announced that the club's Ladies night will be held Nov. 29, when a Mexican consul from Amarillo will speak and show films of his native land.

Visiting Rotarians included J. H. Howard of Stamford, Bill Rossiter of Albuquerque, Al Pettigrew of Austin, John Morton of Levelland, Earl W. Rogers of Borger, James H. Morrison of Sterling, Colo., Ed J. Namel of Hutchinson, Kas., C. F. Hodges of Dallas, and Weldon Crawford of San Antonio.

Invocation was by Dr. Chas. J. Wagner.

Venire To Be Called For Murder Trial

An order has been drawn for signature of 99th District Judge G. V. Pardue for a special venire to report Dec. 1 for selection of a jury in the murder case of Walter Echols, former deputy constable of Slaton.

The case was to have been tried this week—for the third time. Two mistrials resulted earlier, when juries could not reach verdicts.

Roy Sansing, special prosecutor from Higgins, was here this morning in connection with the case.

By agreement of counsel on both sides, veniremen will be served by postcard.

A plea of guilty in one other case may be accepted Thursday morning by Judge Pardue, court officials said.

A 99th district court jury late Tuesday returned a verdict of guilty in the trial of A. J. Smelley, about 30, charged with felony theft of grain from the L. A. Howard farm.

A five-year suspended sentence was assessed, court officials reported.

The next felony trial to be called in the 99th court is Friday, when the case of Johnnie J. Wood, charged with burglary, is slated for trial.

Cattle Re-Testing In TB Program Starts

Three-year re-test of cattle in the government's tuberculosis eradication program will be started in this county Monday under direction of Dr. John A. Phillips, veterinarian with the U. S. Bureau of Animal industry, it was announced today by D. W. Sherrill, county agent.

While not making any estimate on possible numbers of cattle to be tested, Sherrill said the work in this county will require about four weeks.

Services Conducted For Post Resident

POST, Nov. 17. (Special)—Funeral services were held here yesterday for Mrs. J. W. McCoach, 91, resident here for 35 years who died Monday at the home of her daughter, Mrs. J. A. Stallings.

Services were held at 3 o'clock at the First Presbyterian church, with Dr. David H. Templeton, pastor, officiating, under direction of Mason and Company Funeral Home. Burial was in Terrace cemetery beside the body of her husband, veteran railroad man who died Dec. 30, 1932, after 54 years of railroading, most of it with the Santa Fe.

Mrs. McCoach was born in New Albany, Ind., on Oct. 4, 1857, four years before start of the war between the states.

Pallbearers were Bryan Williams, sr., Marshall Gibson, Ben Williams, William Zetzmar, Ray Smith, Giles Connell, T. L. Jones, and Harry Dietrich.

Survivors in addition to the daughter here, include a daughter, Mrs. Helen Ivancovich of San Francisco; one brother, T. J. Hafley of South Gate, Calif.; two sisters, Mrs. J. N. Broyles and Mrs. Gertie Gladney, both of El Paso; five grandchildren, including James Stallings and Mrs. Catherine Durham, both of Lubbock; and six great-grandchildren.

HERE YOU ARE, LADIES!
THE NEW KOOKALL ELECTRIC
RANGE WITH
UPS-A-DAISY!

Smart women, these. They look to Gibson for what's new in ranges. You'll be glad you waited, too, when you see the new Gibson Ups-A-Daisy — the range that does everything better.

Mildly speaking, it's terrific! Just imagine using the deep-well unit for surface cooking! With the Ups-A-Daisy 2-position unit you can do just that. Simply lift the unit to its top position and, presto! — you have 4 surface units! Lower it and it's ready to do your deep-well cooking!

And that's not all this versatile range does for you: It saves current by using stored up heat! It roasts, bakes, steams, fries or broils better — *and with less attention!* Its big banquet-size oven turns itself on and off — cooks the entire meal while you are elsewhere! and — TWO OVENS in this model, with concealed oven vents for cleaner kitchens on *all* models.

Come in today and let us show you the range of tomorrow.

Truman Has Clear Majority In Congress, But May Not Be Able To Fulfill Promises

By JAMES MARLOW
Associated Press Staff Writer

WASHINGTON, Nov. 17.—People outside Washington must be asking themselves this question:

"Now that President Truman has been elected to a full term and his Democrats are in control of Congress, will he be able to carry out what he promised?"

I think the honest answer is: Nobody knows.

True, Mr. Truman's Democrats outnumber the Republicans in both houses of Congress. They have a clear majority in both places.

And for that reason, it would seem, the Democrats can push through anything they wish.

Situation Not Desperate

But it's not as simple as that. And that's the hitch. This story will try to explain why.

In the first place, this is not a time of emergency. Such as we had in the depths of the depression in 1933.

At that time, when President Roosevelt came into office and his Democrats had control of Congress, the country was bewildered and desperate.

It was willing to try almost anything that could start the wheels turning.

Congress was in the same helpless mood. It gave Mr. Roosevelt a blank check and rushed through one thing after another that he asked.

It's different now. The country is enormously prosperous, with almost everyone working although not everyone is making good pay.

Emergency For Many

Because there isn't the same sense of emergency as in 1933, a lot of Democrats and Republicans probably will feel there's no need to rush through what Mr. Truman wants, or all he wants, or in the way he wants it.

(It may seem like a time of emergency for many people: Old people unable to live on the social security payments they're getting now; southern negroes who think they ought to have more civil rights now; school teachers who wish for federal help to raise their salaries).

The first question about the new Congress of 1949 is: How will the Republicans act on the things Mr. Truman wants done?

They seem to have three courses open to them:

1. To accept the big Republican defeat this month as a signal from the people that they want Mr. Truman's program. In this case they'd help him.

2. To try to block some or all of Mr. Truman's program on the grounds that it goes too far.

3. Or play politics by trying to block him and so scramble his program that the voters, out of disgust when they go to the polls again in 1950, will turn out the Democrats and give control of Congress back to the Republicans.

They may do any one of the three things, or combine parts of the three on different parts of the program.

At this point no one can say what they'll do. The Republicans themselves haven't picked their congressional leaders or course of action for 1949.

Then there's the question of Mr. Truman's own Democrats. Not all of them are likely to go along with him on all his ideas.

And if enough of them differ with him on any one point, and join forces with the Republicans against him, this opposition could be the majority on any single vote.

Southerners Against Plan

The southern Democrats, or most of them, are dead set against his civil rights program for southern negroes.

They might be willing to compromise with him in getting through some of his civil rights ideas and then back him on the other parts of his program so he'd have a clear majority in Congress.

But if he insists on putting through his whole civil rights program, without compromise, the southerners can be expected to fight him.

If they got mad enough, they might pay him back by joining with Republicans to destroy any chance of getting the rest of his ideas through.

It would be nice to be able to say here positively that this or that will happen. But I don't think anyone in the country, including Mr. Truman, can be that positive at this point.

It does seem likely, though, that the Taft-Hartley labor act will be changed.

Mishap Blamed On Deer Causes Death

JASPER, Nov. 17 (AP)—An auto accident blamed on a wild deer claimed its second life yesterday.

Mrs. E. J. Chance, 56, Hemphill, died in a local hospital. Her daughter, Mrs. Gladys White, 20, Hemphill, died Monday shortly after the accident.

The driver, E. J. Chance, who is still hospitalized, said he crashed into a concrete bridge when a wild deer running across the highway diverted his attention.

Two Lubbock Women Operate Factory For Boys' Clothing

BY OPAL DIXON
Journal Staff Writer

Between 400 and 500 stores in 12 states receive little boys' clothing bearing the label, "Dotty Dan —Lubbock, Texas."

Helping to "break the ice" in clothing manufacturing in this area, Miss Bethel Rogers and Mrs. Irene McDaniel operate the Dotty Dan Manufacturers of Children's Clothes at 217 N. College.

Their factory, which employs 14 persons in addition to the owners, sells extensively in Oklahoma, Arkansas, Texas, New Mexico and Colorado, and has scattered accounts, as low as one in some states, in Mississippi, Kansas, Florida, California, Utah, Nevada and Louisiana.

Centrally Located

Both of the owners believe that Lubbock some day will be a clothing manufacturing and possibly a textile mill center.

"It's pretty centrally located. We have a good trade territory around here," said Mrs. McDaniel.

Asked why more clothing factories have not been established here previously, Miss Rogers said, "I think they just never have broken the ice and gotten started.

"I think that eventually textile mills will be established in this part of the country, when people find out the possibilities," said Miss Rogers. She pointed out that "with so much cotton out here," Lubbock logically might be considered as location for textile mills.

In Texas, she said, "a lot more factories are being established all the time."

Clothing Types Given

The owners believe the Dotty Dan factory to be the only manufacturers of children's clothing in a wide area, a factory at Dallas being the nearest. A factory which makes women's clothing is located at Amarillo, said Miss Rogers.

At the Dotty Dan factory, approximately 2,500 yards of material are cut each month and converted into boys' clothing in infant's and one, two and three sizes. Apparel includes overalls, coveralls, corduroy suits, slacks and jackets, plaid shirts and boy's infant dresses.

Difficulty in obtaining material is the principal block in the way of clothing manufacturers and establishment of mills would remove that problem, the owners pointed out. Cost of shipping material from far-removed mills to the factory here also is a big item, they said.

"When there is a shortage of supplies, they pay attention to the old customers and large users," Miss Rogers said of mills.

The manufacturing business at 217 N. College opened on July 15, 1947. It had originated from the Dotty Dan shop which formerly was located on Nineteenth street and which made clothes, mostly girls' clothing, almost exclusively for sale in that shop.

The present business differs in that it has no retail outlet and manufactures for wholesale customers.

The former business on Nineteenth once made an exception by making clothing a downtown store

Garza Wildcat Is Slated For Lime Section

Drilling is to be sarted in the near future on a 3,800-foot wildcat in northwest Garza county to explore into the San Andres-Permian lime.

The prospector will be carried as George and Herman Brown, of Houston, No. 1 W. J. Long, et al. It is located 2,310 feet from south and 330 feet from west lines of section 1305, abstract No. 359.

Shows Undeveloped

That puts it two miles south of Honolulu Oil corporation No. 1 Shelby county school land fee, a dry hole completed several weeks ago. That development had some interesting shows of possible production in the top of the San Andres, but operator was never able to develop those shows for commercial production.

The Brown venture is on a lease secured by Don M. Oliver and Fred F. Kotyza, Midland independents, in a farmout deal with Honolulu.

That concern had a block of approximately 6,000 acres in that region. It turned a checkerboarded spread of about 3,000 acres to Oliver and Kotyza, and those operators in turn made a deal with the Browns to take some of their acreage and drill the well. Oliver and Kotyza retained some interests in the area.

Combination tools will be used and operations will start in the near future.

Andrews Drilling Continues

Since the initial showing of oil from the Ellenburger to make a discovery for that strata in the Shafter Lake area of northwest Andrews county, Sinclair Prairie Oil company No. 2-154 University has encountered no additional signs of production.

The last drillstem test at 11,745-11,806 feet had a blow of air to the surface and a recovery of 20 feet of mud. The preceding test also developed only mud with no shows.

On the first examination upon entering the deep horizon, this venture recovered 95 barrels of clean oil in three hours. Gravity of that petroleum was 41 degrees. There were slight signs of gas.

Last report had the prospector drilling ahead from 11,824 feet in lime. Another drillstem test is scheduled around 11,865 feet.

Location is 1,980 feet from east lines of section 24, block 13, University survey.

The Shafter Lake field has already been proven for production from the Wolfcamp, Clear Fork, Devonian, and recently from the Pennsylvania. This is the first wildcat in the area to test into the Ellenburger.

Food Price Drop Is Forecast

No Relief For HCL Expected

PHILADELPHIA, Nov. 17. (AP) —Mrs. Housewife can count on a drop in food prices, but she shouldn't expect the cost of living to go down.

A man who ought to know, Ewan Clague, commissioner of the Labor department's Bureau of Labor Statistics, said the food price fall will be balanced by increases in items in heavy demand.

Among these he listed rents, steel, automobiles and Marshall plan exports.

Clague spoke yesterday at a conference arranged by the industrial council of the chamber of commerce.

Big Upward Pressure

"At present," he told 250 business executives, "our consumer prices have reached a peak and farm prices are, if anything, coming down."

"At the same time," Clague added, "there is a tremendous upward pressure starting in commodities where there still exists a heavy postwar demand."

Clague figured that "the general economic outlook appears very favorable," adding that industrial employment is at an all-time high with 46,000,000 holding jobs, a gain of 3,000,000 since the end of the war.

He warned, however, that shortages in the supply of skilled labor "will very likely occur on a greater scale than has been true since the war years, and many employers in some areas will find themselves badly pinched for labor."

Readjustments Expected

Returning to the consumer demand for commodities, Clague predicted that "some readjustments" will be made "in industries where production has caught up with demand and where some consumer resistance to high prices is evident."

"These include such lines," he said, "as textiles, clothing, shoes, radios, furniture, and some electrical appliances. These readjustments, however, are not likely to be sharp or to affect the general economic outlook."

Two Tech Students Given Scholarships

James Leon Grisham and Chester C. Janes, both of Lubbock, were awarded respectively the $200 Global Corp., scholarship and the $300 Borden Co., scholarship at the Texas Tech Agriculture club's 21st annual Pig Roast Tuesday night in the stock judging pavillion.

Grisham, who lives on Levelland highway, is a senior agronomy student, and was awarded the Global scholarship by W. L. Stangel, dean of the Texas Tech agriculture division, on the basis of his gradepoint average of 2.8 on completion of 11 semester hours of agronomy courses.

Janes, of 2117 Fourteenth, is a senior horticulture student, and was awarded the Borden scholarship by Dean Stangel on the basis of his 2.79 gradepoint average.

Special Guests Introduced

Approximately 500 persons attended the Pig Roast at which Frank Hayes, president of the Aggie club, presided, and Ed C. McLeroy, vice president, was master of ceremonies.

Hayes extended a welcome to all guests present, and introduced special guests, including Dr. Clifford B. Jones, O. B. Ratliff, member of Tech's board of directors; Dr. E. N. Jones, vice president of the college; Dr. J. M. Gordon, dean emeritus of the Arts and Sciences division; Miss Margaret Weeks, dean of the Home Economics division; Dr. R. C. Goodwin, dean of the Arts and Sciences division; James G. Allen, dean of men; Dean O. V. Adams of the engineering division; Dean Stangel; and Dr. Charles A. Harris of Fort Worth.

Heads of agriculture departments and their faculty members were introduced, as well as faculty members of other college divisions.

A musical program was presented by four Aggie club members.

McLeroy introduced members of the various agricultural judging teams, some of which have already represented the college at judging contests this fall, and others which will participate in contests within forthcoming weeks. Judging teams and members recognized included:

Dairy Manufactures team, which participated in the Students International judging contest in Atlantic City, N. J., this fall: William Bohner, Milton Peeples, Henry Sprouls and Durward Vickers.

Crop judging team: Robbie Gill, Howard Taylor, L. W. Rosenbaum, jr., and Miss Camille Stevens. The

CIO Labor Leaders Push Fight Against Communists In Unions

PORTLAND, Ore., Nov. 17 (AP)—The CIO executive board met here today, grinning like a discharged worker who has just been reinstated with 12 months' back pay.

Most of the 51 board members are tickled over the election results, the outlook for labor legislation in the new Congress, and the steady decline of the Communists in the CIO.

Big, tough Joe Curran, president of the National Maritime union, barged into town and, chatting with a reporter, said of the Communists:

"The election set them right back on their heels. You might say they are pretty busy regrouping their forces to retreat some more."

The CIO's left wing supported Henry Wallace for president.

Curran is one of those who is seeking to revoke the charter of the left-wing New York City CIO council. The New York council fight is perhaps the hottest issue before the executive board. This issue could come up today, but there were strong reports that it would be postponed until Friday or Saturday.

The annual CIO convention will open Monday.

Walter Reuther, president of the United Auto workers, who will probably make a convention speech or two against the Communists, flew into town late last night, accompanied by two bodyguards and a hospital technician who is giving daily treatments to his injured arm.

Reuther was shot in his Detroit kitchen last April 20.

His friends were busy today stamping out an exceedingly idle rumor that he might run for the CIO presidency. They said with the utmost emphasis that Reuther "is definitely not a candidate, and as far as he's concerned, Phil Murray is his candidate."

Murray is not planning to retire as president this year, and his prestige in the CIO is so huge that it is fantastic to imagine anyone seriously challenging him. Murray, at 62, is ending his eighth year as president and is going strong.

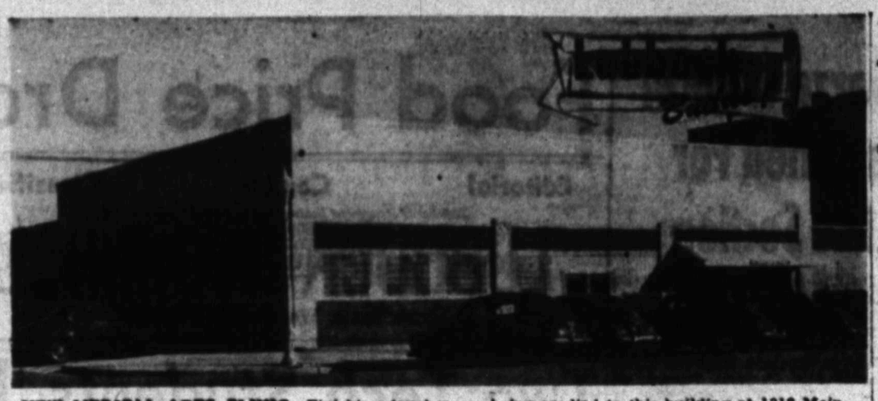

Meantime Jack Kroll, director of the CIO political action committee, and the other CIO officials who took an active part in campaigning for President Truman are getting a lot of attention here.

Kroll was to speak today before a Republican county committee, the first time he has ever been invited to address a Republican group.

Earlier, talking with a reporter, Kroll said the CIO-PAC "makes no claim that it won the election by itself."

He said it was done by "the progressive element of the country"—the small business man, the housewife, the farmer and the worker.

He added that PAC "this time actually got out the votes," by organizing the plants for Mr. Truman, registering the workers and their families, and by putting between 80,000 and 100,000 full-time workers in the field on election day.

NEW MEDICAL ARTS CLINIC—Finishing touches are being applied to this building at 1318 Main, which will be named the Medical Arts clinic. Built by Dr. I. G. Mayfield, Dr. R. C. Douglas and Dr. Allen T. Stewart, it will house their offices and those of three other doctors, J. D. Donaldson, M. H. Benson, and J. R. Harris. The building, altered from a service station, was designed by James Atcheson and built by Joe Telford at an estimated total cost of $136,000. It is mechanically cooled and heated with forced-air ventilation. Plans are being made for a laboratory. The doctors retain staff privileges at West Texas hospital. An open house will be held later. (Staff Photo).

Dean To Represent Tech At Ceremonies

Dean W. L. Stangel, head of agriculture at Texas Technological college, will represent the college at the inauguration of Dr. Frank Bolton as the 15th president of Texas A. & M. college Thursday at College Station.

Ceremonies will begin at 10:45 a.m. with a dress parade by the A. & M. Cadet Corps. There will be an inauguration luncheon at noon, and the inauguration program will be at 2 p.m. A reception will be held at 4 p.m. in the president's home.

"Cranky" Pensioner Refuses To Talk About Inheritance

VANCOUVER, B. C., Nov. 17 (AP) An old-age pensioner today remained hidden behind locked doors while Vancouver newspapermen futilely tried to ferret out his reaction to a $64,000 inheritance.

Herbert Alexander Ross, 63, buried himself in his room last night when the news of his good fortune reached the newspapers in a Canadian press report from Manchester, England.

He Won't Talk

"He won't talk to anybody," his landlady, Mrs. N. Traversey, yelled from atop a flight of stairs in the rooming house which he shares with 13 other pensioners.

The Manchester report said Ross inherited the money from his uncle. Ross' counsel claimed the money was concealed from Ross by "a wicked uncle" for 80 years. For 40 years Ross "walked the length and breadth of Canada as a laborer," his representative said.

"He's Cranky"

"Mr. Ross won't talk to anybody," she said. "He's cranky. When he heard reporters were calling he got mad as the deuce.

"He knew about eight months ago he was going to get the money. Some men from the United States came to see him and all I know is that he has been getting some money ever since."

She said Ross was not married.

"With all that money I could go for him myself," she laughed.

Retail food prices zoomed upward by 20 per cent within two days after recent severe floods in the Philippines, Manila reports.

MOTHER-IN-LAW DOESN'T WANT TO BE THAT!

Young Heiress Runs Away From Riches Of Home After Being Promised Life Of Love

COLUMBUS, O., Nov. 17 (INS)—A pretty young heiress told Columbus police today she ran away from the riches of home to find love which money couldn't buy.

Seventeen - year - old Phyllis Hockaday described her flight from her mother to the arms of a 19-year-old husband. And flight from an unsuccessful marriage back to her parents, then away from them again.

Miss Hockaday, heiress to a St. Petersburg, Fla., fortune, was held in the Columbus juvenile detention home as a runaway.

Police said Miss Hockaday was located Sunday in a downtown Columbus hotel. A Selfridge field, Mich., Air Force lieutenant who had driven her to Dayton for her clothes occupied an adjacent room.

Girl Relates Story

Police questioned the flier and said the girl would be held pending a decision on her case.

Authorities said Phyllis is the daughter of Mrs. Clyde Hockaday of St. Petersburg, Fla., and a granddaughter of Robert Osnau, president of the St. Petersburg Ship Building and Supply Co.

Phyllis told the investigators:

"I ran away from my mother in June to find love and happiness. I thought Barry Frazier was the boy to give me love. He said his parents had plenty of money and they would like me and I would have a good home."

The young heiress said Frazier was the 19-year-old son of Leon C. Frazier, owner of the Apex Metal Hose Co., of Madison, N. J. Barry was graduated from the same St. Petersburg high school Phyllis attended.

The slim teen-ager continued:

"Barry and I were married by a justice of the peace in Blackshire, Ga. Then he took me back to Madison to live in an attic.

"Mrs. Frazier never liked me. She said she was too young to be a mother-in-law. Too young to be a grandmother."

"I consented to an annulment of the marriage because Barry just laid around and wouldn't do anything. He wouldn't get a job. He just didn't seem to want to make a go of it."

Then, she said, she took a train to Dayton, O., to be with her father. Her father told Columbus police the girl disappeared from Dayton a week ago.

The lieutenant was not held. He said he had driven her to Dayton last Friday to get her clothes from her aunt's home.

Phyllis told police she is in the custody of her mother, who is divorced from her father.

Reminder Is Issued On Rent Controls, Sale Of Some Units

Landlords and builders were reminded in statements from the rent control office here yesterday of what was described as two important phases of the housing and rent act of 1948.

One of these was the veterans' preference regulation, requiring that new housing accommodations completed after June 30, 1947, be offered for rent or sale exclusively to World war 2 veterans or their families during the construction period and for 30 days after completion.

The other was a reminder that under certain conditions rent adjustments are approved to benefit landlords.

Setup Is Explained

The statements came from Roy B. Carnes, area director, who said that 25 petitions for rent adjustments were handled by the office during October, and that of these, 18 were approved for increases.

The cumulative monthly rent on the 18 approved petitions, which included 25 living units, had amounted to $533, and adjustments increased that to $741, an average of $8.32 for each unit.

The 25 petitions brought the number of such cases handled by the office since April 1, this year, when the present law went into effect, to 222. Of the total 178 were approved, and 44 denied, Carnes' report showed.

The adjustments are based on what the law calls hardship cases, and are possible under one or more of 13 circumstances, or conditions.

Carnes pointed out that for small landlords who own four or fewer units and who do not keep complete records, the law provides for a short form petition under which landlords can show increased expenses over a prior base period because of higher taxes, fuel, utilities, and insurance costs. A complete accounting system is not required in this form as is the case in the long form.

Carnes asked that questions concerning this be referred to his office, now located at 1108 Fourteenth.

The veterans preference regulation on sale or rent of new properties, requires that builders give veterans preference for a 30-day period after completion of the unit, to purchase or rent the property.

The law requires certain advertising procedure, which among other things must stipulate the price, either rent or sale, and must be advertised at least three days during the first 20 days after completion.

The regulation does not apply, however, if: first, the housing was completed prior to June 30, 1947; second, new units are created by conversion of old structures; and third, the sale of other than single family dwellings, although rent of units in multi-family dwellings is covered by the law.

De Gaulle Questions Actions In Germany

PARIS, Nov. 17 (AP) — Gen Charles De Gaulle said today the western powers are creating a new Germany that might not be willing to oppose Russia.

Turning the Ruhr coal mines and steel mills back into the hands of the Germans, he added, is "the gravest decision made so far during the 20th century."

De Gaulle told newsmen that not only the British and Americans, but the Russians as well, are trying to create a united Germany.

"England and America flatter themselves they can make something of the Reich to oppose Russia," De Gaulle said, "perhaps they can. But perhaps they can't.

"Hitler didn't have any difficulty reaching an accord with Russia when he wanted to dominate Europe. . . . To which side will the new Reich turn? The question is very disturbing."

SPENDS EXCELLENT NIGHT

LONDON, Nov. 17. (AP)—Princess Elizabeth spent an excellent night and she and her son "continue to make good progress," her doctors reported today.

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and to aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Former Solon Death Victim

SAN FRANCISCO, Nov. 17 (AP)—Mrs. Florence Prag Kahn, first widow to succeed her husband in Congress and a California representative for 12 years, is dead at 82.

Florence Kahn

In failing health since 1942, the one-time Republican congresswoman from San Francisco died at her fashionable Huntington hotel apartment last night.

Known for salty wit and political astuteness, she was elected to the house two months after her husband, Congressman Julius Kahn, died in December, 1924. He had held the post since 1899.

After her first election, Mrs. Kahn continued to hold the seat almost without opposition.

She was a bitter foe of prohibition. J. Edgar Hoover called her "the mother of the Federal Bureau of Investigation" because of her constant battles for money for the FBI.

She was the first woman member of the military affairs and appropriations committees of the House.

mately 50 times. She is a native of Pasadena, and has played opposite Mickey Rooney and Jack Benny.

Grady, who is also director of the play, has had eight years' experience in all phases of production, management, and has played the part of Bill in 60 public performances.

Miss McGuire, who has appeared with Clark Gable and Tyrone Power, is also a graduate of Pasadena Playhouse. A native Californian, she has appeared as Olive in the play about 50 times.

An interesting sidelight to the "Voice of the Turtle" is that there are a number of meal scenes in the play which call both for milk drinking and egg-eating. Since the play first opened on Broadway, it has been estimated that approximately 5,000 gallons of milk and 2,000 eggs have been consumed by the actors.

The 20-30 club, which sponsors the play in Lubbock, is celebrating its first birthday as a Lubbock club this month. Officers are Charles Nelson, president; Gene Blackburn, vice president; A. L. Hawkins, jr., secretary-treasurer; and Dick Feiden, sergeant-at-arms.

The first 20-30 club was organized in Sacramento, Calif., in 1923, when a business man of that city realized there was no actual place in the established civic clubs for younger men.

Clubs sprang up throughout California and the West Coast and reach as far east as Illinois. There are approximately 500 active 20-30 clubs in the nation at the present time.

As the name implies, men between the ages of 20 and 30 are eligible for membership. Primary purpose of the organization is to teach younger men leadership so that they may be better equipped for leadership in their respective communities and civic clubs.

After a man has reached the age of 30, he becomes an associate member.

There are 50 charter members of the Lubbock club. The club meets every Wednesday night at 7:30 o'clock at Hotel Lubbock.

The 20-30 committee which arranged the performance here of the "Voice Of The Turtle" consists of A. L. Hawkins, jr., Gene Blackburn, and Jack Blankenship.

Gin-Spiked Mash Causes Boston Pigeons To Hover Dizzily Over Staid Beacon Hill

BOSTON, Nov. 17 (INS) — The first members of "Airborne Alcoholics Anonymous" — a flock of Boston pigeons—hovered dizzily over staid Beacon ill today.

Dizziness of the pigeons was occasioned by a gin-spiked mash set out for the birds by Beacon Hill residents Mr. and Mrs. Walter E. Dewey.

The Deweys are the leaders of a group of Bostonians who want to clear their neighborhood of some 300 pigeons.

Pleased With Result

Dewey was pleased with the result of his first attempt to get the pigeons drunk. He said:

"You should have seen the pesky pigeons go to it (the ginned-up mash.) I didn't see any of them pass out but there were lots of fights.

"They staggered up to each other and began whaling away for no reason at all.

"A few wobbled up to my roof, but not as many as we had before. I guess they must be sleeping it off."

Dewey acknowledged that the liquored-up meal didn't kill the pigeons, but added:

"It should make them think twice before hanging around my roof and garden again."

GUERRILLA KILLED

Republican Opposition Policy To Await Truman's Proposals

By JACK BELL
Associated Press Staff Writer

WASHINGTON, Nov. 17.—Senator Millikan (R-Colo) predicted today Republicans will wait and see President Truman's specific proposals to the new Congress before they adopt any opposition policy.

Millikin, who heads the conference of all Republican senators in the present Congress, told a reporter he doesn't think anyone now can forecast what role the GOP will play as the new minority party.

"We'll just have to wait and see what the President proposes," the Colorado senator said. "Republicans differ in their interpretation of the election results. They will have different ideas about how the party ought to proceed."

Demo Platform Guide

Mr. Truman made it plain yesterday that the Democratic platform will be his guiding star in laying out a program for the 81st Congress.

That platform wrapped up a lot of promises for future action.

It includes such pledges as (1) repeal of the Taft-Hartley act, (2) standby price and rationing controls, (3) a 75-cent an hour minimum wage, (4) federal aid to education, (5) "comprehensive" housing legislation (6) increases in social security and veterans benefits, and (7), elimination of "all racial, religious and economic discrimination."

In the foreign field it proposed "sound, humanitarian administration of the Marshall plan," full restoration of the reciprocal trade agreements program, support of the United Nations and a revision of the arms embargo to aid Israel.

Move Backing Seen

Democratic leaders forecast more solid support within his own party for Mr. Truman's proposals than he got during the present Congress.

Senator Lucas of Illinois, who is scheduled to become Senate majority leader when Senator Barkley of Kentucky takes over as vice president, said that so far as he is concerned the Democrats are going to "accomplish as much as possible toward carrying out the Philadelphia platform."

Senator Murray (D-Mont) said his party must "carry out the program the campaign was won on."

Senator Kilgore (D-WVa.) observed that the president "certainly has a popular mandate" to back his proposals this time.

Kilgore said it is his opinion that there must be outright repeal of the Taft-Hartley act.

Viewpoints Differ

His idea, Kilgore said, is to repel the Taft-Hartley amendments to the Wagner act and let the original law stand while Congress studies proposed additions to it.

But Senator-elect Gillette (D-Iowa) said he isn't for outright repeal. He said he promised in the campaign to help amend the law "so that there will be a balance between labor and employers."

The Democratic platform promised legislation to:

"Establish a just body of rules to assure free and effective collective bargaining, to determine, in the public interest, the rights of employes and employers, to reduce to a minimum their conflict of interests and to enable unions to keep their membership free from Communistic influences."

That Girl on Broadway says with some youthful drivers, hugging the road is secondary.

* * *

A Houston girl is going to marry a man she took a shot at last April.

In this day and time, that sounds like putting the cart before the horse!

* * *

NEVER before have the people had so many conveniences in their daily work and play as they have at this time.

Never have there been so many gadgets—from the automobile to the electrical dishwasher—to make work quicker and lighter. Never before have there been so many other doo-dads—from the automatic rifle to outboard motor — to make loafing easier to do and to provide opportunities of doing more of it.

Yet despite the fact that new soaps allegedly wash dishes in a way that wiping is unnecessary; milady can chuck the dirty clothes in an electrified tub, go off and play bridge and return to find everything washed, ironed and replaced on the shelves; despite the fact that our cars and planes and trains get us places faster'n ever, all of us seem to be more pressed for time than ever before in the history of man.

From every newspaper and magazine page, from the radio and the television sets, today's genus homo is told how he and the missus can "save time" by buying and using this, that, or the other innovation and most of us are buying and using them.

Yet nobody has any time these days. At least, we think we don't.

* * *

The greatest mystery in the world next to how to produce perpetual motion is what we humans do with the time we "save."

Oldsters tell us that in the horse-and-buggy days, when there were no telephones, electric lights, milking machines, streamlined trains or airplanes, folks had a lot more time than they do today.

It is true that men and women—especially the latter—do much less work than their grandpas and grandmas did. But it also is true that both exes—and again, especially, the distaff side—keep busier with matters other than work.

Everybody's in a whirl all the time, falling victim to stomach ulcers by the millions and, to a slightly lesser degree, to the screaming meemies.

* * *

ALL of us would be better off, and most of us would live longer, if we employed the time our many gadgets "save" for us in taking things easier, instead of running and racing from pillar to post.

As a matter of fact, we really don't "save" any time at all, if we insist upon burning up every minute in some sort of hectic physical, or mental, undertaking.

A fraud and a deception is "the more abundant life," the five-day week and the seven-hour day, if these innovations of civilization give us only added time off the job to burn up in the mad chases we moderns call "fun."

What we Americans need to do is to specialize more on quiet relaxation, contemplation and rest; less on coming-going-doing at 90 miles per hour!

* * *

Overheard:

"The most peculiar people have moved in next-door to us. Why, the husband and wife actually go out walking on Sunday afternoons!"

* * *

That Man on Avenue Q says most people can hear the rattle in their cars quicker than the one in their heads.

* * *

Suggested remedy for 99.44 per cent of the world's troubles:

Hard work and good behavior on the part of us all!

* * *

NOW that the Presidential campaign of 1948 has begun to sink into the limbo of the past and nobody can howl "political bias,' it is time for Americans to think a little bit about a matter of propriety in campaigning by either Democrats, Republicans, or both.

Traditionally, the Star-Spangled Banner is played whenever the President of the United States, whoever he may be, makes a public appearance.

That is good, generally speaking.

But it will occur to anyone taking time out to think about the matter that good taste precludes the use of the National Anthem at Presidential appearances which are strictly political.

For when a President appears on the political platform he is not appearing as the President of the United States, but, instead, as a candidate for office.

* * *

The use of the Star-Spangled Banner at political rallies, like so many other bits of crassness surrounding the White House and its occupants, came into general use during the long tenure of Franklin Roosevelt.

Mr. Roosevelt liked to think of himself as a dweller on Olympus, the Great Father of the Little People, etc., etc., and etc.

Hence, he used the Star-Spangled Banner as a whipper-upper of patriotic fervor for Franklin Roosevelt, rather than for the United States of America. He was a great showman and the possessor of amazing audacity. And being a supreme egotist, he probably saw nothing wrong in appropriating the National Anthem as his personal theme song.

* * *

DURING the political campaign of this year, Mr. Truman followed the lead of his predecessor. At the conclusion of every major speech, a band of sorts broke out with the Star-Spangled Banner.

Thus, the National Anthem came to be to Mr. Truman what "East Side, West Side" was to Al Smith—purely a bit of music aimed at engendering hysterical applause and shouting for a political candidate.

Plainly, such use of the Star-Spangled Banner by any political candidate cheapens the National Anthem and just as plainly such use of the National Anthem is not in good taste.

If the trend continues, the Star-Spangled Banner will become, in the minds of the people, just a noise-engendering piece of music, sort of like "There'll Be a Hot Time in the Old Town Tonight," and "Boola-Boola."

* * *

Theoretically, the Presidency of the United States should be sought by its aspirants in a calm, dignified and purely intelligent manner.

Actually, candidates for the Presidency sometimes get on the very same campaign and oratorical level as that crowded on "even years" by those seeking to be sheriffs, justices of the peace and constables in such places as Loblolly, or Back-of-the-Yards.

In the minds of the American citizen not blinded to the shallowness of all political parties, our system of campaigning does not lend itself as a proper background for the strains of the National Anthem.

Furthermore, employment of the Star-Spangled Banner as a campaign song by whichever party happens to be in power is a pure case of "poaching" on the rights of the people to whom, after all, the Anthem belongs.

The Star-Spangled Banner is not the Anthem of Democrats, or of Republicans.

It is the Anthem of all the people and since all the people never are found in one political camp, prostitution of the Star-Spangled-Banner is unforgivable and in very bad taste.

Public opinion should force the anything-goes-in-politics boys to forego the use of the National Anthem at any gathering purely political.

BY DREW PEARSON: NEW LADY SENATOR RESISTS ADVANCES OF MAINE REPUBLICANS

Grand Dragon Deplores Leak Of Klan Confidences

WASHINGTON—Maine's senator-elect, Margaret Chase Smith, is a most attractive lady, though not given to flirtation. However, leaders of the Maine Republican machine have been flirting like mad with the first woman elected on her own to the U. S. Senate.

PEARSON

What they want is to get her out of the Senate. Apparently, old guardsman Owen Brewster doesn't relish the companionship of an alert and progressive lady colleague in the Senate.

Maine G. O. P. leaders made their first pass before the election. After first clearing it with Albany, they offered Senator Smith a seat in Dewey's cabinet. The deal was that she would be replaced in the Senate by her machine-backed opponent, who lost out in the primaries—Gov. Horace Hildreth.

Mrs. Smith's reply: She was flattered, but the people of Maine elected her to the Senate—not the cabinet.

The old guard next sounded her out on another deal. If she would boost Hildreth for a federal appointment, they promised to arrange with Sen. Wallace White —who is retiring anyway—to retire before January. Then Governor Hildreth would appoint Mrs. Smith to the vacancy, thus giving her seniority over the newly elected senators for committee assignments.

But Maine's new woman senator would make no deals of any kind—either before she entered the Senate or later.

KKK Complains

Grand Dragon Green of the Ku Klux Klan is still worried about leaks from inside his organization.

Speaking at Klavern No. 1, Atlanta, Ga., the week after elections, the Grand Dragon wrung his hands and once again cautioned Klansmen to be careful about leaks.

"I have to talk frankly in these meetings," he said, "but I might as well call Drew Pearson before I come to the meeting and give him the information. For next day he gives it out to everybody from coast to coast. The AP and UP are both calling me about it next morning while I am eating breakfast."

The Grand Dragon went on to say that sometimes he thought some of the men he had been relying on were talking too much to their friends, and that confidential information had leaked out that way.

"I have given out false information to people under suspicion, thinking maybe I would hear Drew Pearson mention it on the raido," confessed the Grand Dragon. "Then I would know I had the right man."

However, this strategy failed. So he put special markings on printed literature to suspected members, thinking that it would get into print. However, this failed also.

In conclusion, he said, he just didn't know what to do about leaks from supposedly confidential Klan meetings.

Klansman Ransom then criticized Pearson for telling his radio listeners that Ellis Arnall, former governor of Georgia and a bitter enemy of the Klan, might be the new secretary of the Army in the Truman cabinet.

* * *

THE Grand Dragon spoke about plans for a big cross-burning to be held in Macon, Ga., on Dec. 10. It would be the biggest in Klan history, he said, and he expected 10,000 Klansmen to be there—in their robes.

Take 1—DREW

"We are going to initiate people from all over the country like we did at Stone Mountain," he reported.

Grand Dragon Green produced a letter from a colored woman asking the Klan to help run another colored woman out of town. This drew a big laugh. Dr. Green said that of course they weren't going to do anything about that.

He added that the Kavalier Klub—the Klan's whipping and flogging department—was now on the job and had plenty of friends on the Atlanta police force.

Arrogant Steel Tycoons

With everyone crying for steel, the tycoons of that industry have grown so arrogant they now treat Uncle Sam like a nagging customer.

As long as Congress threatened mandatory controls over steel, the steel magnates put on their best Sunday-school manners. They made patriotic promises to keep the government supplied with its basic steel needs, but pleaded, almost on their hands and knees, to keep it on a voluntary basis. As a result, Congress passed a law giving the steel industry voluntary allocations. To implement this, the leading producers formed an advisory committee under the Commerce department to pass on allocations for the industry.

Once free of the threat of enforced controls, however, the steel executives got off their knees, climbed on their high horse, and rode roughshod over government officials.

For example, when acting Secretary of the Interior Girard Davidson pleaded with the industry for more steel for oil barges, storage tanks, and pipelines, the steel tycoons laughed in his face. They even vetoed extra steel for a vitally needed pipeline to the atomic energy plant at Oak Ridge, Tenn.

Steel tycoons were so rude in turning Davidson down that one top executive felt pricked to apologize.

"It is my feeling," he wrote to Davidson afterward, "that, regardless of the steel industry's attitude toward the requirements of the petroleum industry, you were not afforded proper courteous consideration in the last meeting, and as a member of that committee, I offer my personal apologies."

Fifty other steel men were also present, but no one else apologized. In fact, they didn't even bother to answer a follow-up letter from Davidson, repeating in writing his request for more steel—sorely needed in order to assure American homes heat for the winter.

Commerce department officials, too, have complained against the steel industry's pompous attitude, but the most outraged official is none other than Nebraska's Sen. Kenneth Wherry, G.O.P. Senate whip.

* * *

NO one else fought more bitterly against government controls than Wherry. But after a few brushes with the steel industry, he is ready to change his tune.

The outspoken Nebraskan has been pleading for increased production and more steel for small business, but all he has got out of the steel industry has been a discourteous brush-off. Once, after taking up his case over the phone with a top steel executive, Wherry go so hot under the collar that he banged down the receiver.

Backed into a corner, Wherry called the steel men together before elections and warned them:

"I am one who wants a free economy. No one has worked harder . . . to see that we have a free economy in this country on a voluntary basis. But we have to have production now.

"And I make this prediction: If you do not get it, you are going to get something else. And it will not be a distribution under voluntary methods. It means government controls."

It will be interesting to see whether Senator Wherry goes along with the Democrats in asking that controls on steel be reimposed, now that the elections are over.

Ohio still has more than 500 covered bridges.

Unless We Do Something P. D. Q.!

BY MARQUIS CHILDS

GOP Victors In 1946 Election Were Dewey's Great Handicap

WASHINGTON — Since the revolt of Nov. 2, a great deal has been written about the Republicans who are not coming back to Washington. But nothing has been said about those who will return, like Mary's little lamb, bringing their records behind them.

CHILDS

This is not the old guard. In the Senate, particularly, those who will be coming back — chiefly because they were fortunate enough not to have been up for re-election — were swept in by the Republican high tide of 1946.

The voters in '46 were dissatisfied with a number of things. They decided it was time for a change and they returned a Republican Congress, but the incoming Republicans, or far too many of them, took this as a mandate to turn the clock back to the William McKinley era.

That was not at all what a majority of the voters had in mind. The Republican diehards carried in on the '46 tide were a greater handicap to Governor Dewey, in my opinion, than the old guard. They seemed determined to prove in the 80th Congress that the GOP had forgotten nothing and learned nothing.

* * *

Pointed In West

The lesson was especially pointed in the west. A new crop of senators came in from Nevada, Utah, Washington, Montana and they promptly proceeded to vote against all the things dear to the west.

New Republicans such as Senators Harry P. Cain of Washington and Joseph R. McCarthy of Wisconsin fought public housing. They represented not the people, but the housing and real estate lobbies.

By comparison, Senator Robert R. Taft of Ohio, the majority leader, appeared to be a flaming liberal. Taft fought hard for his housing bill and got it through the Senate in spite of the obstructionist tactics of the younger Republicans. It was blocked in the House by strategists for the lobbies that were determined it should not pass.

The most conspicuous example in the group of Republican two-year olds is Senator George W. Malone of Nevada. Malone's record is not only completely reactionary on the domestic side, but on foreign policy he showed himself an old-fashioned isolationist. He voted to cut down the Republican recovery appropriation and he was against extending the reciprocal trade agreements except for one year.

In the same class is another of the 1946 crop — Senator James Kem of Missouri. Kem's record and his point of view are early silurian. By his standards, Dewey was a dangerous radical.

* * *

The record of Senator Zales N. Ecton of Montana is nearly as bad. So is that of Senator William E. Jenner of Indiana, who was elected for short terms in 1944 and returned in '46. Judged by the outcome on Nov. 2 Sen. Arthur W. Watkins of Utah was for the most part voting against the interests of the majority in his region and in the nation.

Quite understandably by the voters took these men as a sample of what Republicanism might mean if applied across the board. When President Truman hammered away at the record of the 80th Congress, he did so against the background of the votes not of the old guard, but of the newcomers supposedly representing the best and bravest in the party.

The sad thing is that at least one newcomer, whose record is excellent on both the domestic and foreign policy, went down under the weight of his party. That is Sen. John Sherman Cooper of Kentucky. Truman carried Kentucky by a plurality of 123,326, compared to 84,000 for Roosevelt in 1944, while Cooper lost to Virgil Chapman by only 21,285.

* * *

Hard To See How

It is hard to see how, by hindsight, what Dewey might have done to overcome this handicap. As the bandwagon psychology grew, oddly assorted characters jumped on for the victory ride — men such as William C. Bullitt and Jesse Jones, who seemed to represent nothing but the past and a verdict vindictivement toward everyone connected with the past. In retrospect, the handicap appears to have been an old man of the sea which would have bowed down a far more vigorous and fortright presidential candidate.

"WOMENS clothes are prettier right now than they've been in a long, long time."

The man who made that remark made as much fun of the "new look" when it was new as did most men. He was just as superior then as any other male about the silliness of women in following the fickle fad of fashion. But now that he is thoroughly used to the "new look" it looks good to him.

MILLETT

All of which goes to show that women aren't so dumb after all in going in for sudden fashion changes.

Such changes in styles not only give the women a lift, they make men more clothes conscious, too. And even though they rebel at first at sudden changes in women's styles, they soon get used to them and think they're an improvement over the old.

* * *

KEEP MEN NOTICING

IF WOMEN went along year after year with no drastic changes in style, men would become as bored with their clothes as women are with men's unchanging styles.

But by giving them a rude shock every now and then by a sudden style change the women keep men noticing.

And though they may laugh at first or protest that a new style is ridiculous they soon get used to it and decide they like it. Women let them like it for awhile, but when they show signs of taking it for granted, they suddenly adopt a completely new "new look."

It's just a change of pace, and a change of pace is good strategy.

REMINDER OF DANGER

The recent report of the Office of Civil Defense Planning calls for sober meditation by the civilian population of the world.

In essence it was an acknowledgment that no reliable defense now exists against surprise attacks on a vastly more gigantic scale than that at Pearl Harbor. The board therefore devoted a large part of its report to recommendations concerning what communities should be prepared to do during and after such an attack. The fatalistic view of the 43 experts on the board is shared, virtually without exception, by military authorities.

It is an attitude which underscores the widespread conviction that the only real security against such surprises is the possession of the strength and the will to strike back instantly and more devastatingly than any assailant. If potential enemies ever become convinced that they can strike without the virtual certainty of immediate reprisals, the national and world danger is likely to become imminent indeed.

Funeral Today For Mrs. J. S. Collins

Last rites for Mrs. J. S. Collins, 87, who died Monday night in her home at Albuquerque, were to be held at 3 p. m. today in Broadway Church of Christ, with Dr. M. Norvel Young, minister, officiating.

Mrs. Collins, born in Mississippi, had resided in Texas most of her life. She had been a member of the Church of Christ for 57 years.

Pallbearers today were to be Harvey Poll of Levelland, Eldon Smith of Plainview, William McCormick of Littlefield, Kendrick Young, of Lubbock, Frank Forbis of Afton and Guy Goen of Spur.

Burial was to be in Lubbock Memorial Park cemetery, under direction of Bryan McDonald & Son Funeral home.

Survivors include four daughters, Mrs. Dora Gardner of Moran, Mrs. Mary Merritt of Van Horn, Mrs. A. J. Smith of 2401 Fourteenth, and Mrs. Charlie McLaughlin of 2221 Sixteenth; five sons, E. A. Ellis of Houston, R. O. Ellis of Andover, Kas., Tom Ellis of Yuma, Ariz., H. E. Ellis of Fort Worth, and Clint Ellis of Albuquerque, N. M.; 33 grandchildren and a number of great grandchildren.

Great Grandson Of Bismarck Goes Free

FRANKFURT, Germany, Nov. 17 (AP) — Heinrich Von Eisiedel, great grandson of Germany's Iron Chancellor Bismarck, was freed today by a U. S. military government court.

In a retrial the court dismissed a previous conviction against him for possessing a false certificate that he was a victim of Nazi persecution.

On Sept. 10 he was freed on a charge of communicating information that might be dangerous to the security of allied forces in Germany.

Heart Attack Fatal To Ballinger Buyer

BALLINGER, Nov. 17 (AP) — Jared Leonard Stallings, 47, wool and cotton buyer here since 1928, died last night of a heart attack.

Stallings was also a director of the First National bank here and had business interests in Lamesa and Brownwood.

Marquis Childs

(Continued From Editorial Page)

by state, you cannot escape the conclusion that most of the senators swept in on the '46 tide would have been defeated if they had come up this year. In a sense, then, they will be lame ducks.

Progressive Republicans in the Senate, conspicously Senator Aiken of Vermont, have indicated that they mean to make over the leadership and the direction of their party. But what they will do with these holdovers from the past is hard to see. It is possible, however, that lame ducks can read the election returns.

1,200 Orchids From Hawaii flown to *Dunlap's* this morning

THESE ARE THE BEAUTIFUL PRINCESS ALOHA ORCHIDS that have been flown by Air Express from the fabulous Royal Hawaiian Hotel in Honolulu directly to Dunlap's! These Orchids are true Orchids . . . the same glorious color and conformation as the larger ones you usually see . . . but are smaller in size, which enhances their breathtaking loveliness, especially when four or more are assembled in a corsage. They will last about 5 days . . . so you will enjoy their enhancing beauty for several wearings!

A Beautiful Orchid will be presented to each lady entering our decorating department Wednesday morning
