No. 6

## Along The Waterfront

Mildred & Archie's Bait Stand reports:

George Sauter and Johnny Duran of Seguin, 61 trout and five gafftop Friday, and 60 trout Saturday.

D. T. Adams and McOliver of Rockport, 15 trout Friday. C. C. White and Clarence Taylor of Rockport, 33 trout Tuesday and 35 trout Wednesday.

A variety of fish are in now, at Sandall's Good Luck Pier in Fulton.

The gafftop are still running large. Mr. and Mrs. H. V. Talbot of San Antonio and daughter, Mrs. Allen of Lamesa, Sea Foam guests, last reported 26 gafftop. F. L. Barnard of Rockport, 18 gafftop. Pat and Boss Baker, also of Rockport, 12 gafftop.

Mr. Waldi and friend of Houston arrived Tuesday and accounted for 20 trout, three gafftop and two flounder.

Mr. and Mrs. C. P. Atwood of Amarillo, guests of Sandall's Motel for the past month, returned to their home Monday. While here they reported many fine catches and were especially proud of their last one—25 fish, mainly trout, gafftop and a 14-pound drum. This was their first saltwater fishing trip and assured us they would return again.

## Jack Sanders To Be Speaker at San Antonio

Jack Sanders will be one of the speakers at San Antonio on May 9 when the Good Neighbor Council meets May 8-10 in conjunction with the Texas Holiday Council. The subject of his talk will be the Rockport-Fulton tourist development.

At this meeting ten proposals to ease tourist travel between Mexico and the United States will be presented by Mexico to the convention.

High government officials from both countries, including governors from the states of Durango, Tamaulipas, San Luis Potosi, Coahuila, Chihuahua and Nuevo Leon are expected to attend.

Antonio Bermudez, head of the National Frontier Program, also may attend.

Jose F. Mugerza, of Mexico City, council president, Monday told the department of tourism that the Mexican proposals are designed to encourage more tourist travel as a means of reinforcing bonds of friendship.

Among the proposals, the following are regarded of primary importance:

1. That the United States, like Mexico, establish tourist cards valid for five days or more for which the fee would be fifty cents, U.S. currency.
2. That joint associations of federal officials on both sides of the border be formed to facilitate the discussion of mutual problems.
3. That representatives of the hotel, restaurant and travel industries unify their forces for a more efficient promotion of tourism.
4. That an international commission for Mexican-American cultural exchange be formed to promote interest in the study of Spanish in the United States.
5. That adequately trained personnel be selected on both sides of the border to staff customs and immigration offices.

## SUMMER SCHOOL SCHEDULED FOR NON-ENGLISH SPEAKING STUDENTS AT ROCKPORT

Registration will be held at the Rockport Elementary School, May 14, for all students planning to attend the pre-school English language training school, beginning June 3rd.

It is very important that all non-English-speaking children enroll at this time and take this training. If these children have a working knowledge of the English language, they will be capable of understanding their teachers and make much better grades, when they enroll in the first grade in September.

## HIGH SCHOOL PTA TO HAVE MEETING

The Aransas County PTA will meet Monday, May 13, 7:30 p.m. in the high school cafeteria.

Mrs. Floyd Smith, life membership chairman of District 21, will install the new officers.

All members are urged to attend.

## Library To Go On New Schedule As Of June 1

The Aransas County Public Library will go on a new and expanded schedule starting June 1.

The decision was made at the regular meeting of the library board, which took cognizance of the fact that during summer vacation many children depend more than ever on books for some of their recreation.

Under the new schedule, the library will open from 2 p.m. until 5 p.m. Tuesday, Wednesday, Thursday, and Friday, and from 9 a.m. until noon each Saturday.

The Board agreed to contact Chester Barre, principal of Aransas County Junior High School to arrange, if possible, a summer reading schedule which the high school has asked for in past years, but which the board felt it was unable to give because of shortage of funds.

Mrs. Everal West told the Board of the munificent gift made to the library recently by Mr. and Mrs. Walter Heldenfels. The Heldenfels donated the entire library of his mother, who passed away recently, and Mrs. West said that it was particularly valuable because of the great number of fine reference books included in the gift. Jack Baughman, chairman of the board, characterized it as one of the finest gifts the library had ever received.

Mrs. George Dickey also reported a large gift of books by Mr. and Mrs. R. G. Stivers, which also included some reference books.

The Board then considered purchase of library-type paper backed books of the type that La Retama Library in Corpus Christi has recently acquired on an experimental basis. It was pointed out that these are guaranteed for at least 50 circulations each, as they are bound in semi-permanent bindings. The Board decided that this was one method by which reference-type books could be acquired, as these do not circulate as much as the more popular fiction. As a result, these books offer an opportunity to acquire badly-needed material that should be on the shelves at a price the library can afford to pay. It was decided to purchase a number of these volumes, which average about \$1.50 each in cost.

The Board then entered into an extended discussion of lost books. Baughman told the members of the Board that several hundred books had been checked out, principally by children, that had not been returned. These books, with an average (continued on page 8)

## REGISTRATION AT SACRED HEART FROM MAY 13-16

Sacred Heart School will register new students on Monday, Tuesday and Thursday, May 13, 14 and 16, from 7:00 to 7:30 p.m. Definite registration will be accepted for grades one through six.

Tentative registration will be accepted for primer, subject to a competent lay teacher being available when the school year begins. At present, a lay teacher has accepted the position with the understanding that she may withdraw before school opens, if presently unforeseen circumstances make this necessary.

New students should present their baptismal or birth certificate at the time of registration.

## REGISTRATION SLATED FOR FIRST GRADERS

Registration for next year's first grade pupils will be held at the Rockport Elementary School May 14, 1963, from 9 a.m. to 3:30 p.m.

Regulations require proof of birth before Sept. 1, 1957, and certificate of small pox vaccination, diphtheria and whooping cough immunization.

## MRS. SORENSON'S PUPILS TO GIVE RECITAL

Mrs. Neva Sorenson will present piano pupils in recital May 11, 7:30 p.m., at the First Baptist Church. The public is invited.

## CANCER DRIVE SUCCESSFUL

Mrs. A. L. Bachman, County Chairman for the drive, wishes to thank everyone for their contributions—both large and small. She also wishes to express her sincere appreciation and thanks to the following Crusaders who helped to make the drive a success:

Rev. Cecil Lang and Mr. James Mesdames Addington, Bushart, Elmo Brundrett, L. V. Clark, Christilles, Crabb, Cloberdants, Hapner, Sally Smith, Hulet, Orvil W. Haynes, Leonard LeBlanc, W. J. Lang, McDow, Arthur Davis, McCord, Belt, Virginia Miller, Oliver, C. L. Thomas, Maher, Copano Ridge, Suttles, Matt Scott and Misses Lillie Fahr and Winona McFall, and the schools.

Without the loyal support and assistance of these Crusaders, this drive would not have been successful. Again thank you very much.

## Local Boat Races Scheduled For The Sea-o-Rama

Local boat races, a ski show, and an index of performance boat races by a Corpus Christi group headed by Dr. William C. Triplett are on the program for Sunday, June 9, the last day of Rockport's annual Sea-o-Rama, June 7-9.

There will be three classes for local boats. Any type of boat can be used, but the first class allows motors from 25-40 horse power; and the third will include those boats using motors running from 50-70 horse power.

There is no entry fee for these races, and Dr. Triplett has said that life jackets and crash helmets may be borrowed from his group, if local entrants are without them.

Entries may be made either at Marineland, on Highway 35 North, or at Timberline Boats, in Rockport, just across from West's Supermarket. Ribbons and trophies will be given winners in the three events.

Following the local boat races will come a ski show, to be staged with the assistance of an expert from Evinrude Motors, through the courtesy of Homer Faber, of Marineland.

The last event on the day's program will be one of thrills and (perhaps) spills, as the powerful boats of the Corpus Christi aggregation roar around the closed course in Little Bay in one of the index of performance races that this group has made so popular in this area.

Those wishing to take part in this race should contact Dr. William C. Triplett, 1800 South Staples Building, Corpus Christi, Texas.

## Terry Falk Wins State Contest

Terry Falk, son of Major and Mrs. Walter S. Falk, Jr., won the Statewide Interscholastic League contests in Persuasive Speaking in Austin over the weekend.

This makes the fifth speaking contest that he has entered this year and the fifth that he has won.

He won first place in UIL district contests at Bishop earlier in the year; went on to Texas A&I later, where he won the regional contests; and finally won at the State contests in Austin.

In addition to this, he entered the Four-Way Rotary speech contests in Corpus Christi a little over a month ago. These he won, and he also won in Rotary regional contests at Laredo shortly after his triumph at Corpus Christi.

In these contests the speakers draw for the order in which they appear on the program. All five times Terry drew first place on the program, and all five times he won first place in the contest in which he was entered.

From the State contest he brought home a plaque for the trophy case at Aransas County High School, where he is a senior and a gold medal for himself for his proficiency in speaking.

School authorities say that as far as they know, Falk is the first student from here ever to win a first in state UIL contests.

## Explorers Win Volley Ball At Lackland AFB

On Friday at noon, 25 Explorer Scouts of Post 49 left for Lackland Air Force Base in San Antonio to participate in the annual Explorer Olympics.

Those who attended included the following: Leroy Wilson, Ronnie Valdez, Larry Nelson, David Nava, N. F. Jackson, Jr., Larry Iles, Bubba Morrison, Dennis Davenport, Steve Russell, Bill Ormand, Tommy Barkley, Tim Sanchez, Billy Truelove, Gary Tuer, Denney Elliot, Rudy Nava, Abraham Sanchez, Andy Drummond, Dellon Beasley, Eric Henderson, Jack Gwynn, Domingo Pulido, Dale Leisenheimer, Darrell Lichte and Charles Boone.

The boys were accompanied by L. E. Nelson, advisor, and Tom Baxley, associate advisor.

The Explorer Post 49 volleyball team won first place, and each member received medals for this achievement. The boys comprising the team were: Larry Iles, captain; Abraham Sanchez, Tim Sanchez, Dale Leisenheimer, N. F. Jackson, Jr., Charles Boone, and Bill Ormand, alternate.

## MISS BONNER SPEAKS AT ARANSAS PASS

Miss Lola L. Bonner, Rockport attorney, was the principal speaker at the weekly meeting of the Ladies' Division of the Aransas Pass-Rockport Chamber of Commerce luncheon held at Little Bob's Wednesday.

Miss Bonner spoke on "Women's Role in the Chamber of Commerce."

HEAD COOK—One of these West Berliners will be "head" cook when he crosses the finish line. All cooks in the race took time out from kitchen duties to don tall white hats and take part in the Grand Prix of "Cook's Club of 1841."

## New Members Of C of C Named By Miss Lola Bonner

Miss Lola Bonner, chairman of the membership committee, told Chamber of Commerce directors at their regular meeting that 17 new members have been acquired since March 1. Nine of these, she said, came in this month and eight in March.

Among those that applied for membership this month, she said, were Mike Casterline, Magnolia consignee; Glen Schulze of Dairy Whip; Joe Earl Hunt, deputy sheriff; Key Allegro Island Motel and Restaurant, Harry Cole; Elva Mullinax, assistant fire marshal; Rockport Steel Form Manufacturing Co., Joe Phillips; Dave L. Tandy; Timberline Boats, Clifford Sheeley; and Copano Cove Marina, Herman R. Thorn.

In other business, the directors voted to contribute \$150 toward the cost of a permanent parade float being built by the Tourist Promotion Committee, and devoted considerable time to discussion of the need for a community center, capable of handling meetings such as small conventions.

It was pointed out by President T. E. Griffith that restaurant and motel facilities were rapidly approaching the point where there would be accommodations for sizeable groups, but that there were no meeting places available with sufficient capacity.

Bill Sprigg, one of the directors, called attention to the fact that the VFW Hall, which has been used in the past for winter tourist game nights, was too small to handle the crowds last winter, and that something would have to be done about this during the next season.

## Water Bill Is Waiting Minor Amendment

Senate approval of a minor House amendment is all that is needed to send the bill to create the Aransas County Conservation District to Gov. Connally for signature into law.

Rep. Leroy Wieting of Portland got House approval of the bill previously passed through the Senate by Sen. William N. Patman of Ganado.

It sets up a countywide agency empowered to find water supplies for Aransas County and to deliver it to industrial and domestic users or to cities.

The House amendment would require that any construction plans of the district would be submitted to the Texas Water Commission for approval.

## Motel Opening Set For June

The first 40 units of Key Allegro Island Motel and Restaurant, owned and operated by Harry C. Cole of Corpus Christi, is scheduled to open about June 1.

The one-half million dollar luxury resort complex is located on Key Allegro.

The units will have a fresh water swimming pool, a private club and waterside restaurant.

## Historical Society Holds Regular Meeting

The Aransas County Historical Society, at its regular meeting, was informed by the secretary, Mrs. E. J. Johnson, that applications for nine grave markers had been prepared in the project to mark all servicemen's resting places, and that others would be ready to send in by June 1.

However, both Mrs. Johnson and Miss Iris Sorenson, vice president, brought out the fact that information is needed on veterans of the Civil, Spanish American, World War I, World War II, and the Korean conflict, as well as service men who were members of the Armed Forces of the United States at any time.

A letter was received concerning the grave of John Fagan, a veteran of the Texas Revolution, in Lamar Cemetery.

Miss Sorenson mentioned the fact that there was at least one other cemetery in the county, the one recently discovered by County Surveyor T. E. Griffith out toward the Country Club.

A special effort is being made to prepare as many applications as possible before June 1, at which time the Society will send these applications to the Quartermaster of the U. S. Army, who will furnish markers for the graves without charge.

Judge John D. Wendell has said that the Commissioners' Court will see to erection of these markers.

The Society hopes to be able to mark the grave of every service man in the county, from the American Revolution on.

Data has been received or is in course of preparation on the following:

Charles Francis Bailey, George Albert Brundrett, Omar E. McLead, Murdoch W. McRae, Alis D. Benson, Thomas H. Beaver, Robert J. Tedford, Joseph Hugh Wilson, and John A. Clarke.

Information is urgently needed on the location of the graves of servicemen in the Lamar, Fulton, Latin American Cemetery, and the cemetery in the neighborhood of the Country Club, as well as any others that may have been overlooked.

## SEA-O-RAMA ART EXHIBIT TO BE EXPANDED

The Sea-o-Rama art exhibit which will be held June 7, 8, and 9, in the Woman's Club Building has been expanded to include all creative arts, such as ceramics, pottery, jewelry, etc. Increased interest and many requests have brought this about. Judging in each classification will be by popular vote of those attending the exhibit and first, second, and third places will receive ribbons. A Sea-o-Rama trophy will be awarded to the one exhibit receiving most votes as overall favorites.

Entries must be brought to the Woman's Club Building Thursday, June 6, between 1 and 4 p.m. Any one in the Rockport-Fulton area is eligible to enter work and may obtain additional information from any of these members:

Mrs. James Jarboe, SO 4-2875; Mrs. A. Dinger, SO 4-6679; Mrs. George Dickey, SO 4-2478.

## VFW and Ladies' Auxiliary Hold Joint Installation

Veterans of Foreign Wars and the Ladies Auxiliary of the organization held a joint installation of officers at their regular meeting this week.

New officers in the VFW are Charles Garrett, commander; H. C. Mullinax, senior vice commander; Frank McLead, junior vice commander; Jimmy Greeson, quartermaster; Rev. Benjamin Bohmfalk, chaplain;

Melvin Wilson, trustee; E. H. Carter, judge advocate; Ed Barnard, service officer; Green McGehee, patriotic instructor; Louis Solis officer of the day; J. M. Adams, Buddy Poppy chairman.

Carter Younts, Department of Texas VFW Commander, was the installing officer.

Officers installed in the Ladies' Auxiliary were: Mrs. Richard Hapner, president; Mrs. Chester Johnson, senior vice commander; Mrs. Clyde Townsend, junior vice commander; Mrs. Jack Sparks, treasurer; Mrs. H. C. Mullinax, chaplain; Mrs. Cleo Smith, conductress; Mrs. Violet Brundrett, guard; Mrs. Charles Garrett, practice instructor; and Mrs. G. G. Gilson, musician.

Mrs. Beth Sanford of Aransas Pass was the installing officer.

E. H. Carter is outgoing commander of the VFW and Mrs. Ruth McShan of the Auxiliary. Carter was presented with a diamond lapel pin by Commander Younts, with his congratulations and good wishes.

Younts stated that the Rockport post was one of the outstanding ones in the state, due to teamwork of officers and men.

The newly-elected commander, Charles Garrett, closed the meeting, expressing the hope that all members will give him the fine cooperation demonstrated in previous years.

## Circus To Be Here For Sea-o-Rama

The Sea-o-Rama Committee, as an added attraction this year, is conducting negotiations with a circus owner in Houston to have the show here for the fiesta, scheduled for June 7-9.

The circus features trained monkeys, dogs, horses, clowns, an elephant and a steam calliope, and is the outgrowth of the Houston man's love for the big top and all its glamor.

The employee of a major oil company, he has assembled the show, which makes a specialty of school organization programs, industrial employee entertainment, veterans post program, church and charity benefits, and civic and social club functions, presenting entertainment for the entire family in the true circus tradition.

One feature of the circus that should appeal to young and old alike is the free calliope concert given every day, and there are performing ponies, dancing dogs, and all the other glamor of a real circus, even though it is small.

Delmar Hiller, in charge of the Sea-o-Rama parade and other attractions, told the Sea-o-Rama committee at its regular meeting that the circus could also be counted upon to pep up the parade with the calliope, elephants, clowns, and similar attractions.

## Band Concert To Be Held Friday Night

The annual "Parade of Bands" concert will be held Friday, May 10, at 8 p.m., in the Aransas County High School Auditorium. All students in the school band program will participate. Director Joe Randow says the program will include various types of music.

The Elementary Band, composed of fifth and sixth grade students, the Junior High Band, the Stage Band, and the Aransas County High School Pirate Band will all perform.

The High School Band will play "A Tribute To Glen Miller" and "The Blue and the Gray," as well as other marches and overtures. The Stage Band will play "In The Mood," "The Breeze and I," and other numbers. The Junior High Band program will include a novelty number "Johnny Learns to Play," and the Elementary Band will present the march "Our Director" and other selections.

Admission is fifty cents for adults and twenty-five cents for students.

## HOUSE BILL 1020 PASSES HOUSE

House bill No. 1020, introduced by Rep. Leroy Wieting regarding Fish and Game regulation in San Patricio County passed final passage in the House last Tuesday, and is now in the Senate.

The drafting of this bill stemmed from findings that deer and other wild life are increasing in the county. This partly is due to new controls through screw worm eradication program.

Miss Louise Beetley of Alice was a recent visitor in the home of Mr. and Mrs. William Beetley.

## Rockport AFS Winding Up Operations Here

At 5:50 p.m. on May 2, 1963, the Radar at Rockport Air Force Station ceased to operate. The switches were thrown by 1/Lt. Charles R. Dennis and A/1c Kipling Burnett, who were afforded the privilege, by being the officer and the airman with the greatest length of service at the station.

Major Walter S. Falk, Jr., commander, congratulated all personnel on a job well done. Captain Charles M. Davis Jr., Operations Officer, conducted the last Intercept Mission, at 5:30 p.m. Capt. Davis has been assigned to the station since its activation, in February 1959, and conducted the first intercept mission in April of that year. The last mission was a training intercept, flown by members of "Pogo" Flight, VT-22, Kingsville NAS. The first mission was an active Air Defense Scramble, by the 182nd Air National Guard Squadron, Kelly AFB, Texas.

Future plans for the station are still indefinite. The 813th Squadron has begun a gradual phase out of personnel, which may take as long as a year.

The equipment and site have been offered to the Air National Guard, according to the Air Force Times newspaper. It may be possible that the station will become a part of the Federal Aeronautics net, providing flight safety monitoring for jet flights. Whatever the plans, there will be no disposal of property or removal of equipment, for quite some time.

## Regulatory Power Bill Is Passed By House Wednesday

A bill by Rep. Leroy Wieting of Portland called "the first regulatory power legislation for regulation of fisheries along the Texas coast" was passed by the House Wednesday by a 148-0 vote.

Wieting's HB1021 gives the Game and Fish Commission regulatory authority over Aransas Bay, Copano Bay, and Mesquite Bay that lie within Aransas County.

Counties all along the coast will be watching the two-year tide-water pilot program in Aransas County, and if it proves to be a successful way to conserve marine resources, other counties will follow suit.

Wieting said the Game and Fish commission has a laboratory at Rockport, "so this is the place to start. If it won't work there, it won't work in other places."

Rep. Birkner of Van Vleet said a successful pilot program could result in getting all Gulf waters under the fisheries' regulatory legislation. Wieting requested a record vote, so the law will go into effect after it passes the Senate and is signed by Gov. Connally.

## Water Safari Teams On Last Leg of Journey

The tired occupants of 12 small boats were camped at Sea Gun on Aransas Bay last night, poised to sail at dawn on the last leg of the Texas Water Safari that started in San Marcos on April 29.

The survivors of the tortuous 500-mile journey are due to arrive in Corpus Christi by noon Friday for the final events of Buccaneer Days.

Bob Fleming, of Sea Gun, said 14 boats pulled in late yesterday, but two were too late to qualify for the 7:08 p.m. deadline. The two disqualifications left an even dozen boats to navigate salt water trips on the last leg of the 10-day trip.

The first arrival about noon at Sea Gun was the team of O. B. Ayler of Highland and Charles Parker of Pasadena. They had an elapsed time of 96 hours and 26 minutes from San Marcos to Austwell. Their elapsed time to Sea Gun was not available last night.

There have been conflicting reports on the progress of the race, the number of boats remaining and who the leaders are each day.

Apparent leaders in the race are Lynn A. Maughmer, and James H. Jones of Houston. They had posted an elapsed time of 92 hours and 2 minutes to Austwell from where they sailed at dawn yesterday.

Fleming said he had reports of some of the boats overturning in the bay off Sea Gun, but all teams were able to right their craft and arrived in Sea Gun wet and tired, but safe.

The Coast Guard Lifeboat Station at Port Aransas said one of its auxiliary vessels rode herd on the racers throughout the day yesterday, but the station had received no news from their boat last night.

When they left Sea Gun at dawn today, the voyagers will travel to Ingleside via the Intracoastal Canal and on Friday attempt to cross Corpus Bay to end the race.

## FILM EDITOR VISITS AUNT AND UNCLE HERE

Samuel E. Beetley, of San Marino, Calif., and his sister, Mrs. Dorothy Snyder, of San Antonio, have been visiting their aunt and uncle, Mr. and Mrs. William Beetley.

Samuel is a film editor for Four Stars TV, with which company he has been for the past 12 years. He was film editor on Darryl F. Zanuck's production, "The Longest Day," and was stationed in Paris, France for three months, during production of that picture. While there he was accompanied by his wife Margaret and two daughters, Betty Jo and Martha Lou, who attended school in France for a year.

After the picture was completed, the family traveled through Europe before returning to California. Beetley was nominated for the Academy Award for achievement because of his work on the film.

Steve Weber was in Austin over the weekend.

## CLYDE TOWNSEND HONORED BY COLLEGE

Mrs. John Ratliff, Mrs. Dudley Prophet and Mrs. Clyde Townsend attended the Ninth Annual Awards Day at Southwest Texas State College in San Marcos recently, to see Clyde Townsend, their brother and son, honored, along with other students.

Clyde was recognized for Academic Excellence in the Mathematics Department of the College. Such recognition is given only to junior and senior majors in their respective departments who have maintained a grade point average of 2.5 or better throughout their college work.

Clyde, a graduate of Aransas County High School, who will teach here next year, is the son of Mr. and Mrs. Clyde Townsend. He was also selected some time ago for membership in Alpha Chi, the national honor society which ranks with Phi Beta Kappa in terms of recognizing accomplishments. The society bases its selections on high scholastic standing, usually taking its members from the top ten percent of junior and senior college classes throughout the nation.

#### ADMIRAL BRANDLEY LAUDS ROCKPORT AIR FORCE STA.

In a recent message to Major Walter S. Falk, Jr., Commander of Rockport Air Force Station, Rear Admiral Frank A. Brandley, Commander CNAVANTRA, Corpus Christi Naval Air Station, expressed his appreciation for a job well done. Admiral Brandley stated:

"For the past four and one half years, you have faithfully provided radar intercept services for NAVANTACOM."

"About 4,000 of our fledgling aviators and their instructors have flown approximately 25,000 Ground Controlled Intercepts, under your control, during the period. It has been a pleasure working with you, and I wish fair winds and a following sea, to each officer and airman in his new duty assignment."

All personnel of Rockport Air Force Station express their appreciation to Admiral Brandley, his staff, and all Naval personnel, for the outstanding treatment and fine support that has been received. Their brother service has been all out, in providing all possible assistance.

Mrs. Lottie Madden spent the weekend in Houston with Mr. and Mrs. Homer Grimes.

#### Lieftincks Love World Traveling

Mr. and Mrs. John E. Lieftinck, of Sorenson Drive, traveled all over the world before retiring in Rockport, and now have the urge to see Europe once more.

"I love to travel," Mrs. Lieftinck said, "and once you have lived abroad and traveled everywhere, you can't stay in one place very long. Some people can't understand it, but we get lonesome to go abroad and have planned a trip to Europe next year."

The couple have lived in Paris, Switzerland, Java and Luxembourg almost longer than they have in the United States. They were in France a year, in Switzerland for three, Java (now Indonesia) four years, and Luxembourg for nine.

They have traveled around the world twice, and have spent time in Spain, Portugal, Australia and New Zealand. The years that they weren't doing this, they spent in Akron, Ohio, where Lieftinck worked for Goodyear Tire and Rubber. He was an attaché for the company for 34 years, before retiring to become a full-time bird watcher. And Mrs. Lieftinck traveled with him on all his trips except one during World War II.

That was in 1941. "We were home on leave," Lieftinck said. "When I got ready to go back (to Java), I had to go alone because the government was not letting women and children return." Mrs. Lieftinck and their son John, who now lives in Corpus Christi, stayed in Temple, with relatives.

Back in Java, Lieftinck, faced with the Japanese invasion, had to leave their home and everything in it on a half hour's notice. Three days after the ship he was on left, Java was bombed.

There were eighty Americans aboard, and the ship sailed to Australia, New Zealand, South America, Panama and the United States, taking the long way round to avoid Japanese submarines. Lieftinck, an avid birdwatcher for many years, caused a near panic during the trip.

"One day I saw a sea eagle, a very rare bird. Excitedly I screamed 'There goes one.' People screamed; officers came running to see where the sub was. I said 'There, there, that bird flying over.' For a while after that I was ostracized for causing such a panic, but before long people were knocking on my cabin door to tell me a bird was flying over."

After the war, the Lieftincks were in Luxembourg for nine years, at the time that Mrs. Pearl Mesta was ambassador to that country, and they attended many of the parties for which she was famous.

Lieftinck is a native of Holland, where he was born in the little town of Hilversum. He came to this country in 1923 as a tobacco buyer for a European firm with headquarters in Hopkinsville, Kentucky, where met his wife for the first time.

He has been a birdwatcher most of his life, first becoming interested in them in 1906, and seen them on all continents and all oceans. Sometimes, he said, he got the idea that his company wondered whether he was working for them or for his hobby.

He goes on a three-hour hike each day to watch birds of Rockport, which are internationally famous, and at home studies the many rare bird books he has collected over the years.

His wife does not share his intense interest. She enjoys gardening, cooking and working crossword puzzles.

Mr. and Mrs. John M. Zink and baby arrived by plane in San Antonio Tuesday night where they were met by her parents, Mr. and Mrs. Edric Deason, Jackie Deason and Mrs. Jack Sparks. They have been visiting his parents in Chicago, Ill.

A number of Miss Katie Lee Clarke's former students came from Corpus Christi Sunday to attend the reception given in Miss Clark's honor. Among them were Miss Carrie Allen, Mrs. Dorothea Collins, Mrs. Dorothy Knolle and Mrs. T. Ballinger.

The Ladies Auxiliary of the Rockport Volunteer Fire Department will meet Tuesday, May 14, at 7:30 p.m. at the fire hall.

#### ENNIS SALESMAN BRINGS WIFE AND SON ON ANNIVERSARY

G. E. Genoway, a salesman for Ennis Business Forms, Inc., salesman from Corpus Christi, gave a new twist to the celebration of his eighteenth wedding anniversary, when he had Mrs. Genoway and their son Steven accompanied him on his rounds over the territory Wednesday.

#### DUPLICATE BRIDGE WINNERS NAMED

The winners at duplicate bridge last Thursday night were Mrs. Trudy Caspary and Mrs. Jerry Wendell, first; Homer Faber and Frank Lenoir, second; Mrs. R. W. Willis and Mrs. C. C. Crabb, third. Duplicate bridge is played every Thursday night at Marineland on Highway 35, North, starting at 7:30 p.m.

Marquita Lusby, Nancy Heimbuch and Mary Ellen McLead, senior girl scouts of patrol No. 75 attended a tea honoring the graduating seniors of the Whooping Crane Council at Little Bob's Restaurant in Aransas Pass Sunday afternoon, May 5.

They were accompanied by Mrs. R. C. Heimbuch of Fulton.

#### HUNDREDS ATTEND RECEPTION FOR MISS KATIE LEE CLARKE

Hundreds of people attended the reception staged Sunday afternoon at the Woman's Club by the Business and Professional Women's Club in honor of Miss Katie Clarke, who will retire this year after 51 years of school teaching, most of it in Aransas County.

Miss Clarke was the recipient of an orchid corsage as well as the good wishes of the many friends and former pupils who called during the afternoon, some of them coming from as far away as San Antonio to attend the reception.

Refreshments were served from tables beautifully decorated with white chrysanthemums, stock and magnolia leaves, sprayed with gold.

#### CORRECTION PLEASE

Last week, in the article on Sea-o-Rama beauties, Miss Sallie McCord was erroneously reported as being sponsored by Jackson Marine Service. This was incorrect. Miss McCord will represent Jackson's Engine Service in the Miss Mermaid contest during the Sea-o-Rama.

All members are urged to be present and to bring old nylon hose.

JANE ROGERS HONORED  
ON ELEVENTH BIRTHDAY

Mr. and Mrs. T. M. Rogers entertained their daughter Jane, with a backyard picnic last Friday, celebrating Jane's 11th birthday.

Sack races, Under the Limbo and darts were played.

Jane's fifth grade classmates helped her celebrate.

## Engagement Announced

Mr. and Mrs. Carl W. Lyons of La Porte, announce the engagement of their daughter, Wanda Carlene, to Victor Hank Schleider, son of Mr. and Mrs. Victor A. Schleider of Rockport. She is the granddaughter of Mr. and Mrs. Eugene D. Boggs, former residents of Rockport.

The bride-elect attended Texas A&I College and is now attending the University of Houston. Mr. Schleider is a senior in the College of Engineering at The University of Texas. The couple plan a summer wedding in the La Porte Community Church.

OREGON TO TEST  
NEW UNDERWATER  
CAMERA ON SHRIMP

The U. S. Fish and Wildlife Service research vessel, Oregon, has scheduled a gear development cruise starting May 15.

Work to be carried on during the cruise, according to Harbey R. Bullis, director, will be designed to evaluate usefulness of underwater photographic equipment in the study of shrimp behavior in relation of trawl nets.

Trawls will be conducted in the royal red shrimping grounds southeast of the Mississippi Delta, where configuration of the bottom is known and where concentrations of these deep-water shrimp may be expected.

Primary objectives of the cruise include testing of a newly-designed and constructed underwater motion picture camera system that attaches to the headrope of a shrimp net. Special underwater lights are designed to flash on after the camera is running in order to catch the undisturbed action of the shrimp, as well as the preliminary alarm and continued efforts to evade the nets if this happens.

The work is scheduled to continue through June, Bullis said.

SECOND GRADE  
SEES LABORATORY

The second grade pupils from Mrs. Gilley's class took a field trip to the Marine Laboratory, Rockport, on May 3.

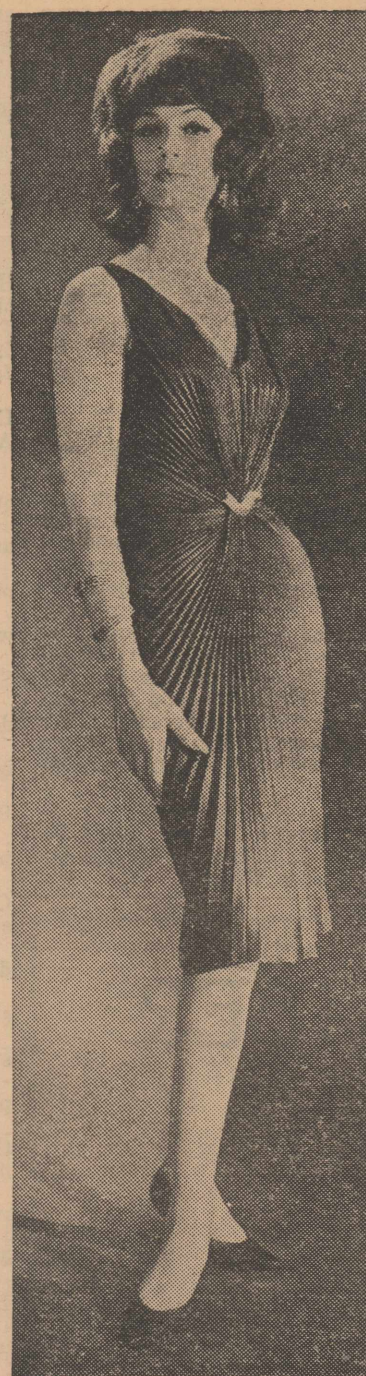

Mr. Griffith took the group on the bus and they were accompanied by Mrs. B. L. Heirholzer and Mrs. C. W. Brisbin.

The class was given a very interesting and informative lecture about the marine life, by Mr. Scott and was also shown a film, which all of them enjoyed.

The group was very grateful to Mr. Scott for taking his time in giving this presentation of marine life, as they had just finished a unit of work about the seashore and this helped them to have a better understanding of sea life.

## Be a Praise-Winning Cook

It's easy—with the help of an electric range. You can depend on a modern electric range for family-pleasing meals every time. Your kitchen will be cooler and cleaner, because an electric range is flameless. Its heat goes into the food, not into the room—and there's no combustion residue to soil your pans, walls and curtains.

YOUTH SPONSORS  
HOLD MEETING

The Board of Directors of the Aransas County Youth Sponsors Association met Monday at the Youth Center and decided that there will be no senior dance on either May 11 or May 18. There will be a junior high dance on May 11, with the sponsors being Mr. and Mrs. Bill Pendley and Mr. and Mrs. Don Shelby.

Donations are badly needed to complete paying for the patio built last year. Containers will be placed at various places in town and any donations will be greatly appreciated.

## BROWNIE TROOP 69

Brownie Troop 69 met on Thursday, May 2, at the Girl Scout Little House. Roll was called and dues collected. A flag ceremony was held. We then divided into five teams for a quiz game. Mrs. Bright ask questions over the things we have studied about this year.

Donna West and Alicia Spencer served cookies and ice cream to Audrey Ankele, Atoma Bateman, Joy Bright, Mary Chaucey, Frances Dietrich, Claudia Frye, Kathy Hayden, Laurie Little, Harriet Maley, Eddie Jean Martin, Carrie Sue McElveen, Paula McLain, Susan Simmons, Judy Simpson, Kathy Turner;

Linda Kelly, Melba Gaskin, Julie Dawn Bright, Melissa McCraw, Diana Meador, Deborah Haigood, Mary Frances Harist, Lucy Griffith, Robbie Delaney, Emily Green, Rosa Lynn Hunt, Paula Rogers, a visitor, Pam Rowan and leaders, Mrs. Don West, Mrs. J. R. Simmons, Mrs. Emory Spencer and Mrs. Jack Bright.

## TAKE CARE OF GUNSTOCK

You are lucky if you have a fine gunstock—one that has been carefully treated with linseed oil by the manufacturer.

Take care of your fine stock by giving it the same loving care the gunsmith gave it.

After each hunting trip carefully rub down with linseed oil. Rub oil in for at least a half hour, then wipe surplus off and briskly polish with soft, clean cloth.

# REBEKAH LODGE

Mrs. Titus Mundine, noble grand, conducted the business session of the Rockport Rebekah Lodge at 8 p.m. Thursday, May 2.

The lodge charter was draped in loving memory of our sister, Mrs. Florence Harriet, who went to her final reward on April 25.

There were no Rebekahs from Rockport at the Blue Bonnet Association in Corpus Christi, April 27, because of Mrs. Harriet's funeral.

After lodge, Mrs. Mundine served Coke, coffee and doughnuts during the social hour.

FULTON STUDENTS  
COMPLETE PROJECTS

Several of the George W. Fulton Elementary students have completed supplementary projects, through their library classes, for extra class room credit.

Eight students from Mrs. Yvonne Bell's fifth grade class have received certificates for a reading program in which they read one book from each of the Dewey Decimal classifications. With the addition of one Newbery Medal fiction and a fiction of their choice, the students were then to do a summary sheet for complete credit. Vickie Hart, Billy Cheeck, Ruby Glass, Paul Richardt, Mary Smith, Harold McFadin, Robbie Segler, and Celeste Jackson were the proud recipients of the Library Awards.

From the sixth grade class of Mrs. Billie Griffith, four students achieved a science certificate. By reading 24 science books on every phase of science, and passing comprehensive tests on each, the students received a certificate which entitles them to extra credit in their classroom science. Kitty Davenport, Cheryl Lichte and Patsy Ramsey, received their awards as the library closed on May 3.

SOCIAL SECURITY REP.  
TO VISIT ROCKPORT MAY 16

A representative of the Social Security Administration will be at the courthouse in Rockport on Thursday, May 16, at 9 a.m.

You may obtain information about your rights and duties under the Social Security Act. Eligible persons can secure assistance in applying for old-age, survivors, or disability insurance payments from the representative at that time.

This map shows the newly reported active and probably active cases of TB per 100,000 among children under five years of age in 1953. Although most active cases develop in people with old infections rather than new ones, it is only by stopping new infections that we can hope eventually to eliminate TB. Your TB association's program to wipe out TB is supported by Christmas Seal contributions.

ELEMENTARY STUDENTS  
COMPLETE PROJECTS

Rounding out the year's activities in the Rockport Elementary School library for the 1962-63 year, several of the fifth grade students have recently completed supplementary projects, through their classes. Two programs were available to the students:

One was a reading plan where by reading and reporting books from each of the Dewey Decimal classes plus one fiction and one Newbery Medal book, the student would receive a Reading Certificate along with additional classroom credit English.

The alternate plan was a science project in which the student was required to read 24 science books from the Webster Classroom Science Library on nearly every phase of science. After completing these books and passing comprehensive tests, each student received a Science Certificate and additional classroom credits in science.

Completing the Reading Certificate were: Mark Jeffers, Beth Drummond, Ada Jean Demory, Joe Blackburn, and Debra Crusier from Mrs. Dean Steele's fifth grade class, and Al Johnson from Mrs. Tom Moore's class.

Science certificate holders are: Clifford Green, Alonzo Soliz, Roy Ince, Diane Pina, and Elmer De Gannett from Mrs. Moore's room; Denise Washburn, Roy Eaton, Bobby Harritt, and Renee Tuer from Miss Katie Lee Clarke's class; and Sandra Watkins, Joe Mendez and Susan Menke from Mrs. Steele's class.

These students worked hard to achieve these awards, and all work was done outside of class time.

NANCY HEIMBUCH  
SPELLING FINALIST

Nancy Jean Heimbuch, a twelve-year-old eighth grade student in Aransas County Junior High School, will represent the local school system when three boys and 15 girls from 17 South Texas counties meet at the Tenth Annual Spelling Bee next Saturday. She is the daughter of Mr. and Mrs. Raymond C. Heimbuch and the granddaughter of Captain and Mrs. Stan Heath.

One of them will win a set of the Encyclopedia Britannica, an engraved pen and pencil set and an all-expense trip to Washington, D.C., the week of June 10th, to take part in the National Spelling Bee.

Once in Washington, the Corpus Christi winner, whoever he or she may be, will have a chance at that contest's first prize of \$1,000, a trophy, a plaque, and a weekend trip to New York. Second prize is \$500 and the third in \$250.

Fourth through eighth place spellers will receive \$100 each; ninth through eighteenth, \$75; and all remaining contestants in the finals will receive \$50 each.

MRS. MAY MERRITT  
DIES IN DALLAS

Mrs. May Merritt, sister of Joe H. and J. T. Slocum of Rockport, passed away Tuesday, May 7. Other survivors are two daughters, Mrs. Kay Herbert and Mrs. Ivan Zahn and three grandchildren, all of Dallas.

Funeral services were held in Dallas.

## LIBRARY ON NEW SCHEDULE

(Continued from Page 1)

age cost of about \$2.50 each, represented a substantial investment, he said, and pointed out that even worse was the fact that the library did not have money to replace them. This, he said, deprived others of the opportunity to read.

Mrs. Gladys Gibson, Mrs. S. F. Jackson and Mrs. A. C. Glass were appointed a committee to sort the cards of these books and to determine who checked them out. Once this is done, the parents of the children who checked them out, or the adults who borrowed them are to be contacted in an effort to secure their return.

If it is found that certain people make no effort to return the books they have borrowed, they will be denied the use of the library until such time as they either return the books or pay for them. If the books are returned in good condition, no fines will be charged.

It was brought out during the discussion that there are still many people in Aransas County who do not understand that the library is there for use of any resident of the county, young or old, who will abide by the rules. There is no charge for the use of the library; borrowers' cards are easy to obtain; all that is asked is that the borrower exercise reasonable care while he or she has the books, and that they be returned promptly when due.

This is a public library, for the use of everyone.

In other business, the board was told that new shelving would be available soon for many of the books that have been prepared for circulation for which there was previously a shortage of shelf room.

Mr. and Mrs. G. H. Austin and children, of Lake Jackson, will spend the weekend with her parents, Mr. and Mrs. Joe Slocum.

The Rockport Pilot

## Editorial

Along with the other athletic equipment provided for students at the Aransas County schools, the Pilot would like to recommend that the School Board seriously consider a swimming pool and a program of physical education where every student learns to swim and swim well under a qualified instructor.

With this could go a summer recreational program for the young people, supervised, and with classes in life saving and swimming free to every student in any school in the county.

It is true that we have the bay lapping at the shore in front of town, and it is also equally true that some of the young people learn to swim.

It is just as true that there are a lot of them that don't.

There is no exercise given in any physical education program anywhere that is more beneficial, both from the standpoint of developing the physical equipment of the young people over a period of time, and there is no skill they can acquire that they need more when and if they need it.

In many of the high schools of the state, swimming pools are a part of the physical education program; swimming meets are part of the University Interscholastic League contests, and the students that take part have the opportunity to acquire a skill that once learned is never forgotten.

Moreover, they have the chance, with supervised swimming to learn right.

The writer, raised in an area where the water was too cold for swimming or even bathing outdoors in the summer, has always deplored the fact that his only accomplishment in swimming was to sink like a rock. This could lead to disastrous consequences in a hurry.

Moreover, anyone who has ever seen the effects of supervised courses in life saving, taught by regularly qualified Red Cross instructors, cannot fail to observe the self confidence that it gives those who have taken part in such courses.

A swimming pool could also provide a summer recreation program in which every child and young person in the community could take part, either under the sponsorship of the Youth Sponsors Association, the city, the school, or the Aransas County Emergency Corps.

We have excellent football and baseball fields, an adequate track, a beautiful stadium, a Youth Building and similar facilities.

Why not a Swimming Pool with an adequate program in swimming and life saving, that would be of inestimable worth to EVERY child in the community?

One life saved would be worth the entire cost.

LAMAR FIRE DEPARTMENT  
AUXILIARY MEETS

The Auxiliary of the Lamar Fire Department met Tuesday at 8 p.m. with president Mrs. L. V. Clark presiding.

Minutes of the previous meeting were read by Mrs. Slim Suttles and approved by the members.

A motion was made and seconded to hold meetings on the first and third Tuesdays of each month.

A project committee was appointed with Mrs. Herbert Mills as chairman.

The next meeting will be May 21 at 8 p.m.

All members are urged to attend.

## THE ATHENAEM CLUB

The Athenaeum Club met in the home of Mrs. W. M. Wills on May 6th, their previous meeting having been in the home of Mrs. Don Henderson on April 29. The group has finished their study of the Classical Period of Literature in Germany, bringing reports on the life and works of Lessing, Schiller and Goethe, and several lesser known writers. The Club has also completed their study of 18th Century Italian literature.

At the meeting on May 6, the members brought most interesting reports on the life and works of William Wordsworth, Samuel Taylor Coleridge, Percy Bysshe Shelley, John Keats, Lord Byron, Charles Lamb, Thomas de Quincy, William Hazlitt and Robert Southey.

Much of the writings of this particular time and group of writers from the large part of the required literature for high schools and colleges. Mrs. Don Henderson conducted the English lesson and Mrs. Ray Torres conducted the Spanish lesson.

The club will meet May 14, in the home of Mrs. P. R. Holley and will study the Victorian era of literature, with reports being brought on Macaulay, Thomas Carlyle, John Ruskin and John Henry Newman. Mrs. Ted Little will conduct the English lesson and Mrs. Torres will conduct the Conversational Spanish lesson.

### ROCKPORT PUBLICITY CONTINUES TO SPREAD

A couple of weeks ago, buried in the midst of a choppy column on Texas and the Padre Island drift wood, the columnists said "Onto fire went seafaded sign from Palm Village fishing pier, drifted in from somewhere (anybody know where?)"

In the same column in Friday's Corpus Christi Times the columnist said:

"Next day's mail brought Mrs. Arlo Hansen's report that Palm Village is no town, but a handsome, popular Rockport resort. Chalk a hundred mile voyage for that sign." Mrs. Hansen's attention was called to the original report by a Rockport resident, who spotted it, and who spotted the second, as well. Mrs. Hansen said, however, that she had received many letters from other places saying that their writers had seen the column, and, as they knew Palm Village had lost signs in Hurricane Carla, wondering if this wasn't one of them.

### ATTENDS CONVENTION

Mrs. H. F. Elliot of Rockport served on the executive board of the Auxiliary to the Texas Association of Osteopathic Physicians and Surgeons during its annual meeting May 1-4 at the Shamrock Hilton in Houston.

Over 200 auxiliary members were on hand for the sessions which were held in conjunction with the annual TAOPS convention May 2-4. Business sessions and the election and installation of 1963-64 officers highlighted the program.

### KAY SPARKS PARTY HONOREE

Mr. and Mrs. Jack Sparks honored their daughter Kay on her thirteenth birthday with a slumber party, Friday, May 3.

Games of collecting names, spin the bottle, colored buttons, Under the Limbo and the twist were played throughout the night.

Anne Smith won the prize for collecting most guest names, Sally Griffith the twist contest, and Rennie Owens "Under the Limbo."

Sandwiches, chips, dips, cake and punch were served to Denise Picton, Anne Smith, Kay Shaefer, Linda DeForest, Cathy Deason, Darlene Rouquette, Sally Griffith, Kay Livingston, Darlene Salter, Rennie Owens, Terry Wishert, and Susan Blaylock.

Those staying up all night were Rennie Owens, Darlene Salter, Kay Livingston, Cathy Deason and Kay Sparks.

Malcolm Rooke, who is aboard the aircraft carrier USS Hancock, at Alameda, Calif., arrived Monday, April 29 for a visit with his parents, Mr. and Mrs. Clarke Rooke.

**EASIEST, SUREST WAY TO  
RECORD TAX DEDUCTIONS**

The butcher, the baker, the candlestick-maker... pay them all by check and you'll have an accurate record of expenditures, and legal proof of payment!

At income tax time your cancelled checks are especially important. For example, you can't deduct the actual cost of your food, but you can deduct a certain portion of what you paid, because it was tax. With cancelled checks you can accurately figure that deduction — and prove it's valid!
