CAR PLOWS INTO OVERTURNED TRUCK — Three women from Katy, Texas were injured Oct. 20 when their car smashed into a truck

which overturned on Highway 35, approximately 14 miles north of here.

Daylight Saving Ends Sunday, October 29

Daylight Savings Time will end at 2 a.m. Sunday, October 29.

That means that sometime before you go to bed Saturday night you should set your clocks and watches BACK one hour.

To avoid confusion, just remember the little saying we publish twice a year:

"Spring ahead, fall back."

In the spring, you set your clocks ahead one hour when Daylight Savings Time goes into effect. In the fall, you set them back one hour and get an extra hour of sleep.

Artmobile To Be Here Nov. 2-7

The arrival of the South Texas Artmobile in Rockport, November 2 will give the people of this area a unique opportunity to view great works of art. The "American Primitive Paintings" to be displayed are on loan from the National Gallery of Art in Washington, D. C.

This exhibition introduces the viewer to the story of America's beginning in the arts. Most of the artists were self-taught amateurs and the naive style was a natural outgrowth of Colonial and post-Revolutionary Art. Tape recordings explaining the show will be heard throughout the viewing time, along with explanatory panels describing the paintings.

The Artmobile will be located from November 2-7 on the parking lot next to the Rockport Art Association, 105 Austin. Rockport school children will (Continued on Page Two)

Three Are Injured In Accident Friday

Three Katy housewives were injured when their car struck an overturned truck on Texas 35 about 14 miles north of here October 20.

Injured were Mrs. Violet

Stephens Sears, 63, the driver of the car, and her two passengers, Mrs. H. E. Romack, 79, and Mrs. Rosie Alexander, 79. The three were taken to Memorial Medical

Center in Corpus Christi where they were reported in fair condition.

Highway Patrolman Richard Brush reported that Mrs. Sears was driving north on Texas 35 and Glenn Jerry Pearson of Balto, Md., was headed south when Pearson's truck overturned. The truck was sliding on its side when the collision occurred. Brush said the truck's driveshaft fell and dug into the pavement, causing the vehicle to overturn. Pearson was not injured.

Deputy Sheriff Dan Vargas assisted with the investigation.

Man Injured In Crash North of Here

One man was injured October 21 in a two-car collision on Highway 35 North and the entrance to Holiday Beach.

Frank Ramirez of Matagorda suffered head lacerations and was taken to Lyman-Roberts Hospital in Aransas Pass.

Texas Highway Patrolmen Rick Brush and Bill Hill said the cars involved in the crash were driven by Mrs. Vera Sorenson of Fulton and Arthur Soria of Alvin.

The officers said Mrs. Sorenson, traveling north of Highway 35, attempted to make a left turn into Holiday Beach in front of the car which was southbound.

According to the patrolmen, Mrs. Sorenson was given a citation for failure to yield the right-of-way to oncoming traffic, and Soria was given a citation for not having a driver's license. Ramirez was a passenger in Soria's car.

United Fund Half Way Home

With a goal of \$14,442, the Aransas County United Fund Campaign so far has raised only \$7,230.

This was announced Tuesday noon at a luncheon meeting of the United Fund Board of Directors at Duck Inn.

With Bill Janacek, United Fund president, presiding, it was announced that another letter will be sent to residents of Aransas County asking them to please give generously to the United Fund to put the drive "over the top" to benefit the worthwhile agencies which are helped by the United Fund.

Also, it was announced that Central Power and Light Company and Aransas Natural Gas Company will enclose a reminder to give to the United Fund with the next bills mailed to customers.

Sam Simpson, campaign chairman, reminds all residents that the United Fund "will be very grateful if everyone cooperates and gives generously by mail so that we will not find it necessary to have a personal solicitation campaign to collect all the money necessary to reach the goal."

Checks to the United Fund may be mailed to the Chamber of Commerce, 404 N. Broadway, Rockport.

Tom Herrin Speaks To B&PW Club

Tom Herrin of the Coastal Bend Council of Governments spoke to the Business and Professional Women's Club at their regular meeting Monday at the Sea Gun Restaurant. His speech concerned the many facets of the Coastal Bend Council of Government and its various endeavors.

Among his points were the fact that the Coastal Bend Council of Governments or "COG", is composed of 2/3

TOM HERRIN

membership of local elected appointed officials and of 1/3 regular appointed citizens; that COG is representative of 13 counties, 38 cities and many special districts of which Aransas County and Rockport are included.

Herrin said the Council works on a cooperative basis with each of the local jurisdictions and helps cities coordinate and develop plans for growth and special projects. Their recommendation was required on such projects as the Corpus Christi dam site and the Highway 35 relocation.

Among the other services COG provides for the local governments is a law enforcement committee which has made the applications for funds for the police school at Del Mar College in Corpus Christi where four candidates for Aransas County law enforcement agencies and 11 Rockport police officers have taken courses.

Other committees include the health planning council, the public protection committee and the resource conservation and

open spaces committee. Herrin was proud to mention that a local citizen, Emory M. Spencer, has worked with COG since its inception and that Spencer's alternate delegate, Delmar R. Hiller, has been active on this resource conservation and open space committee which works directly for the planning of parks and recreational facilities and conservation of the natural resources in our counties.

Herrin showed the B & P W membership some of the documents published by the Coastal Bend Council of Governments and told them that all these publications were available at the local libraries, court houses and city halls.

Herrin ended his speech reiterating the point that the Coastal Bend Council of

Governments is an association of local officials and citizens who serve on this board to help local communities and the coastal bend area as a whole to solve its problems and plan for its growth and development in the future.

PIRATES FALL TO MIGHTY SINTON 42-20

By BOB CRAWFORD

After turning the ball over eight times in the first half, the Rockport-Fulton Pirates roared back in the second half to cut Sinton's margin of victory to 42-20 in a 15-AAA game played in Sinton last Friday night.

Rockport moved the ball well in the first half, but the ball found its way into enemy hands too many times for Rockport to capitalize more than one time in the first half.

Sinton jumped out to a 21-0 lead before the Pirates got their first score of the evening, coming on a 57 yard burst by fullback Rickey McLester who was aided by some fine blocking, especially a downfield block by tight end Paul Kuehn.

Sinton went on to take more advantage of Pirate errors and led at the half 35-6.

When the second half opened, Rockport appeared to be in for more of the same, as the Sinton team used their passing game to move close to the Pirate goal before punching over from the one yard line to run the score to 42-6.

After that TD with 9:38 remaining in the third period, the Rockport-Fulton Pirates completely controlled the game. They immediately went to work on a 71 yard drive and climaxed the effort with a 4 yard run by halfback Joe Pina.

Later, in the fourth period Pirate safety John Vick plucked a Sinton pass, his second of the night, and returned the ball to the Sinton 30 yard line. Just seven plays later Wally Sanford streaked over from the 7 yard line through a tremendous hole in the Sinton line provided by the Pirate line, McLester made the two point conversion and the Pirates upped their score to 20 points for the night.

The Pirate defense which spent such a long time on the field in the first half, allowed the Sinton team only 10 yards rushing in the second half.

The hard fought game, especially the second half, should provide the Pirates with a good launching pad to finish up the 1972 season in fine style.

Sinton Trips Rockport JV

By BOB CRAWFORD

Sinton's JV used two second half blocked punts to pull out a 27-14 win over the Pirate JV in Pirate Stadium last Thursday.

Rockport-Fulton held a 14-7 lead at the half, but Sinton used the two blocked punts and a TD set up by an interception for their comeback.

The Rockport team scored on their first drive with Denzel Bardwell dashing 48 yards for a TD.

Sinton scored after punting the Pirates deep into their own territory and kept the pressure on until the ball was turned over and two plays later Sinton had a score, and added an extra point to take a 7-6 lead.

Just before the half, David Mundine stepped inside the Sinton pass receiver and plucked off the pass and returned the ball 60 yards to the Pirate 17 with 8 seconds remaining in the half. The Pirates tried one play which lost 7 yards, but a penalty moved the ball down to the three-yard line, and another penalty moved the ball to the one as time ran out, but the Pirates were allowed to run one play since the previous play had a penalty on it, and Glaffro Solis dove into the end zone for the score.

The second half was mostly defense, and the blocked punts told the story.

Arts and Crafts Festival Slated

Artists in this area are invited to participate in the first "Annual, Lavaca Bay Art Festival" in the downtown area in Port Lavaca.

Arts and Crafts will be displayed in a sidewalk sale on Main Street on November 11, from 10:00 a.m. until 7:00 p.m., and on November 12, from 10:00 a.m. until 5:00 p.m.

Artists interested in participating, write Mrs. Davis Gordon, 413 Calhoun, Port Lavaca, Texas 77979, or call 552-9080 before November 4 to reserve a space. Visiting Artists will be required to pay a fee of \$5.00 for one day or \$7.50 for both days.

Participants must bring their own equipment to display work. The Festival is being sponsored by the Port Lavaca Art Guild. Chairman of the show is Mrs. Ed Bonds; co-chairman, Mary Johnson.

By Reservation There are about 250 Indian reservations in the United States. These areas range in size from tiny settlements in California to the Navajo reservation of more than 15 million acres in Arizona, New Mexico and Utah.

Rockport Freshmen Win Again 14-0

Cass Caspary busted the opening kickoff for a TD return of 86 yards to put the Freshmen ahead to stay as they beat Sinton 14-0 last Thursday.

The 6-0 score held up to leave the Pirates ahead at the half by that margin. In the third quarter Johnny Rios took the ball in for the second Pirate score from 10 yards out to put the score at 12-0.

Late in the game the Pirates were on their own 6-yard line when Johnny Rios broke loose for a 94-yard TD run, but the play was called back on a penalty.

On their last drive of the game the Pirates moved to the Sinton 3-yard line before being stopped on downs, but they did turn the misfortune into a score when Pirate defenders trapped the Sinton quarterback in the end zone for a 2-point safety.

Two great killers are tension and mental strain; avoid them even at great cost.

Film on Rysco Shown at Rotary

A film depicting operations of the Rockport Yacht and Supply Co. was presented by John P. Mitchell, Jr., at a luncheon meeting of Rotary Club October 18 at Corky's Restaurant.

The film pictured construction of the company's steel shrimp boats which are in demand throughout the world. Step - by - step building procedure was shown, followed by scenes showing the boats in operation. Also included were interviews with local shrimpers who use RYSCO boats.

It was pointed out that sale of these boats in foreign countries is important to the

U. S. trade balance. Following the film, Mitchell invited questions from the audience. He said proposed deepening of the Rockport harbor entrance channel would permit building of larger vessels in the local

shipyard. Mitchell said RYSCO had built approximately 300 steel boats in the past seven years. This was in part due to discovery of new fishing grounds near India, Cambodia and adjacent areas.

Art Guild Gatherings

By
JAN WENDELL

Art Festivals come and go and it seems to me they are springing up all over the nation and especially in our fair state. Braving up to unsurmountable odds, I thought I'd enter one. Usually I'm on the other end of the stick—I'm either a casual or buying observer or I'm helping run one.

The Jefferson County Festival was this past weekend and I had been accepted in the Adult Art Contest (those who have painted over 5 years). Well, now I can understand artists who say, "I'll never participate in another art show!" Just loading the car took two days.

The site was a shopping mall between Port Arthur and Groves and it was a two day festival. The first day was a real madhouse of activity. My friend Hershel Stair accompanied me, thank heaven, and it seemed that every activity was going on at different places and miles apart at that—or so it seemed when you are lugging paintings and/or paints, etc. around with you. After getting the contest paintings up, limit 4, we set up the Starving Artists display we had. I had read the schedule carefully, or so I thought, and I was also entered in the Painting on the Spot contest, to be done between 1 and 5 p.m. Well, about 2:00 I went down to the site for this event. After setting up all the regalia, the first thing I did was kick over my turpentine can and lost all of it. I spotted a hardware store and fetched some more.

Well, after setting everything up again, I was daddling and daddling around with this canvas wondering what I'm going to paint on the spot. I had considered a spot. About that time, a nice lady came up to me and said, "You'd better hurry up, the judging for this contest is at 3:00". That gave me 30 minutes. I'll never tell or show what I painted—my, what a mess. Incidentally, I didn't take a ribbon.

Then I went back to the Starv-

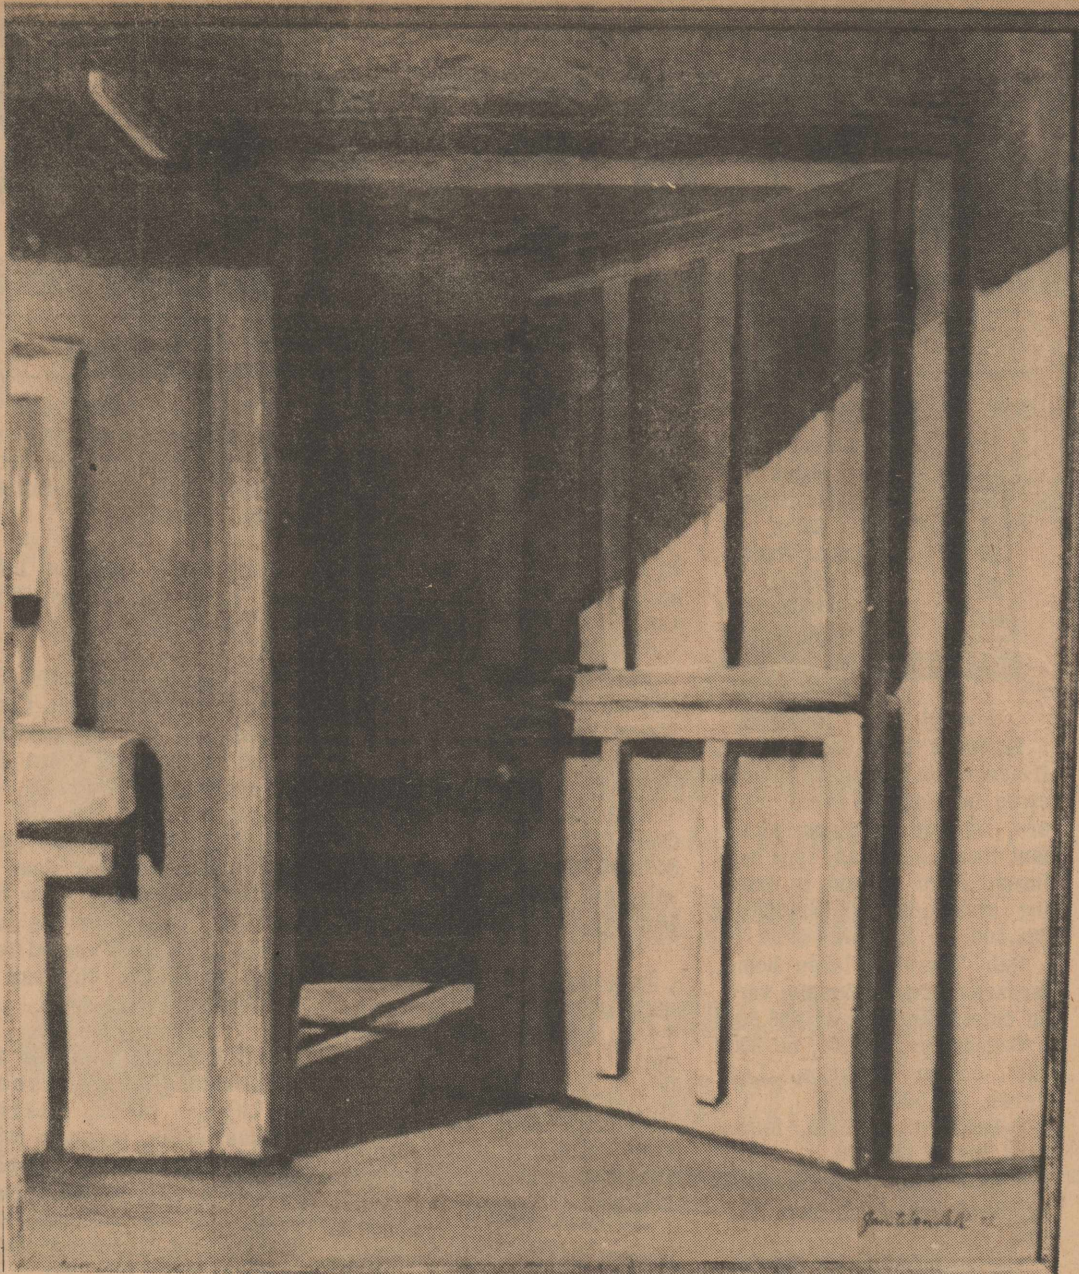

ing Artists set up and watched the spectators who were just that. The large tent where all the winner announcements were made was pretty far from us, and you could not hear anything from where we were.

Incidentally, someone entered me or my costume in the Costume Contest. Actually, I was not in costume, I was just wearing a pantsuit that looked like Al Capone's digs. So, then I'm called to the Costume Parade, another country mile away.

After getting that done, I went back to where our set up was and sat down with my tongue hanging out. Hershel said, "I think the winners have been announced in the Adult Art Contest, but I couldn't hear who won." Well, I went over to that event and looked around and there wasn't a ribbon in sight. So I went to the information booth and asked who won. They gave two 1st place winners, one 1st place purchase award and one 1st place merit award. The lady told me that a man from Lake Charles had won the purchase award and someone by the name of Jan Wendell from Rockport had won the 1st place merit award. After getting the body up off the sidewalk and clear up to Cloud 9, I went back to our little place and told Hershel. We had large cheers on all the spot—then gathered up all the paintings and headed back to Houston.

The next day, the only big event was the consignment auction and it was raining cats and dogs which is not conducive to an art show or auction.

All in all, everything went fine, just a little fast and it made me really appreciate our Festival here where the artists have a lot more leisure time and there are not a zillion events going on at the same time. Incidentally, I also won 2nd place in the Costume Contest, which was probably by default,

PAINTING WINS PRIZE — This oil painting by Jan Wendell, titled "Open Door Policy," won first place merit award among 200 entries in the Jefferson County Art Festival adult art contest at Port Arthur-Groves, Oct. 21-22. The original is 20 inches by 24 inches.

since I didn't think I was in costume. But I can't deny that the 1st place award was sweet bliss.

Don't forget that the South

Texas Artmobile will be here starting November 2 at 105 S. Austin. I do believe that they have a terrific show this year and well worth the time to view it.

Cemetery Ass'n Holds Meeting

The Rockport Cemetery Association met on Monday afternoon at the Chamber of Commerce. Nine members were present.

The president, Mrs. W. B. Allen, reported on the sale of lots, and the general condition of the cemetery. Many low spots have been filled in, affording more room for grave sites.

The water situation was discussed, and it was decided that no water sprinklers would be allowed in the cemetery. The association regrets having to make this ruling, but there are some who leave sprinklers on many hours and even all night causing a great loss of water. Any sprinklers found on the grounds will be picked up by the caretaker.

District Governor Visits Lions Club

District Governor Roy Davis, a prominent real estate broker from Weslaco, made his official visit to the Rockport Lions Club at their regular meeting last Thursday at the Sea Gun Restaurant.

He was introduced to an overflow crowd of local and visiting Lions by Club President Earl Stephens, Jr.

Governor Davis's first official act was to present the immediate Past District Governor, Walter S. Falk, Jr., with a diamond studded gold Lions Medal and a Lions International Certificate of Achievement. The award is in recognition of Falk being one of a few District Governors worldwide who met all requirements for being a 100% District Governor.

PDG Falk then reciprocated, as Mayor of Rockport, by presenting Governor Davis with an official certificate making him an Honorary Citizen of Rockport.

Governor Davis gave an inspiring talk on Lionism. He emphasized the ever expanding role of the 45,000 Lions of Texas who through their Lions Crippled Childrens Camp at Kerrville, Texas, have gained international recognition. The camp last year served 800 crippled children, 200 diabetic children and 90 adult blind people. Both Governor Davis and PDG Falk serve as members of the Board of Directors for the camp.

Governor Davis stated that last year, the District in cooperation with Lions CARE, built a school in Jungville, Honduras. This year Governor Davis has set a goal to build a school in Guatemala as the District International Project.

Rockport Fireman's Auxiliary News

After the nine cars and trucks loaded with firemen, auxiliary members, hamburger patties, buns and cold drinks drove down every little lane back of the airport looking for a place to fish they finally landed at Phillips Docks.

There five hours were enjoyed with fun and laughter of hilarious catches of weeds, rocks, oyster shells, crabs, hard heads, drum and trout. Many funny expressions of the catches were enjoyed by all such as quoted from Edward Truelove, "Well get 'em Pa!" From Joan Truelove, "Look at my fish!" as she pulled in her weed, Gwyne Howland really thought she had a fine catch which she had quiet a time reeling in and it was interesting to see what she had; an oyster shell. The best catch of the night was Vernon Hinze's 50 pound drum.

Hamburgers were cooked and served by J. C. Gurley and Coy Truelove. Assisting the ladies with their rods and reels, netting and removing the various catches were Edward Truelove, Eddie Ratliff and Vernon Hinze. Helping with the traffic problem and getting the group settled in were Jimmy Hill and Elva Mullinax.

Auxiliary members were Ivalea Hinze, Gwyne Howland, Mona McNutt, Cynthia Chiodo, Cleo Truelove, Peggy Hunt, Lois Gurley, Joan Truelove, Judy Johnson, Kathy Ratliff and Evalon Redden. Guests were Frances Redden, Janet Truelove, J. C. Gurley, Coy Truelove, Jimmy Hill, Edward Truelove, Eddie Ratliff and Vernon Hinze.

Party crashers investigating the hilarious riot were the three county deputies, Ernest Stautzenberger, Joe Williams and Jim Russell. The two casualties of the night were: the skunk Vernon Hinze ran down and where the crab pinched him on the hand.

Many thanks go to Steve Walker and Dewey Iles for the donation of the bait.

Necessary business was taken care of at the fire station before the interesting adventure. Necessary bills were approved. The auxiliary will visit the Art Mobile November 7 at 8:00 o'clock.

Corrections from the last weeks articles of the RFD Auxiliary are Peggy Hunt and Judy Johnson attended the South Central District Firemen's meet in Bishop and Gwyne Howland gave the report of the happenings at the District meet.

If the gals get any more "liberated," there's going to be an acute depression in the foundation garment trade.

Library News

The Aransas County Public Library has some excellent new books on prenatal care and motherhood, also several new juvenile humor and pollution books and the much discussed book "The Late, Great Planet Earth" by Hal Lindsey.

Floyd Pollard has donated a number of outstanding gun books

to the library. Mrs. W. D. Henderson donated several old issues of the National Geographic which the library needed to fill in their collection; others donating books were Mr. and Mrs. M. O. Leggett, Wm. Paul Hoover and Mary Strickland.

ROB ROY RICE DIES

Rob Roy Rice, 85, a civic, educational and business leader in the Rockport-Aransas Pass area, died at 9 a.m. Sunday at his home following a long illness.

Rice was born in Apalachicola, Fla., where he and his brother operated a seafood business. He came to Texas in 1925 and went into the seafood business at Aransas Pass.

During his years in Aransas Pass, Rice served as mayor of that city, a member of the school board, a director of First State Bank and charter member and first president of the Lions Club. He also was named national president of the Seafood Cannery Association.

In 1939 he moved to Rockport and operated Rice Bros. & Co. Shipyard which built submarine chasers for the Navy during World War II. Later he built shrimp boats there, and operated a repair yard until his retirement in 1958.

He had been president of the Rockport Chamber of Commerce and of the Rockport Rotary Club, of which he remained an honorary member.

Funeral services were held Tuesday in the Marshall Funeral Home chapel. Cremation followed at Mission Burial Park in San Antonio.

Surviving are his wife, Winnie; three sons, R. R. Rice, Jr. of Houston, J. Chapman Rice of Bay City and Joel Key Rice of New York City; a daughter, Mrs. Brison (Stepple) Filbert of Pittsburgh, Pa.; two stepsons, Jack DuBose, Jr. of Aransas Pass and Mosey DuBose of Houston; 12 grandchildren, and 11 great-grandchildren.

MRS. BUSHART DIES

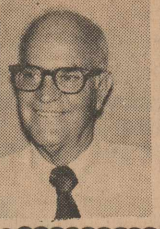

Mrs. Mattie B. Bushart, 77, died October 18 in a Corpus Christi hospital after a short illness.

She was a lifelong resident of Rockport and a member of the First Presbyterian Church.

Funeral services were held October 19 in the First Presbyterian Church with burial in the Rockport cemetery under the direction of Marshall Funeral Home.

Surviving is a brother, Travis Bailey, Sr. of Rockport.

The Kinsey Report

It wouldn't be nice to tell her name, but there's a certain lady county official who has taking ways. She takes cars that look like hers.

Just a few days ago she parked her car at the Post Office, went in and collected her mail, came out and got in a car that looked like hers (but actually belonged to another lady), and drove away. The key was in the ignition and she assumed she had left her key there.

After running several errands around town (and noticing that the brakes didn't seem to work just right), she returned to the courthouse. As she started to get out, she noticed that her purse was not on the seat next to her, where she was sure she had left it.

Flustered, she went to her office. Immediately, everyone started talking at once. The lady whose car had been driven away by mistake had found the look-alike car parked near where hers had been. In it, she found the purse and was able to identify the lady who had taken the wrong car.

The ladies then traded cars and everything was serene again.

Oh, by the way, the courthouse lady did this same thing once before several years ago.

As we said at the beginning, we wouldn't dream of divulging the name of this lady who is so active in B&PW, Sacred Heart Catholic Church, Tops, and just about every local civic and community project.

MRS. F.K. THOMERSON DIES

Mrs. Floy K. Thomerson, 75, died at 11:50 p.m. Saturday in a nursing home after a long illness.

She was a longtime resident of Rockport. Mrs. Thomerson was a member of the Rockport First Baptist Church.

Funeral services were held Tuesday in the Rockport First Baptist Church. Burial was in Rockport Cemetery under the direction of Marshall Funeral Home.

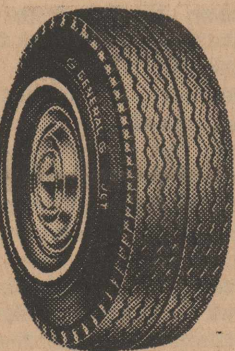

There were no immediate survivors.

CARD OF THANKS

I wish to take this means of thanking all the wonderful friends for the cards, prayers, visits, flowers and telephone calls during my two confinements in the hospital and at home. Especially, I want to thank those who donated blood. Your kindness will long be remembered.

The group assembled in the ball room of the Hamilton Hotel with Frances Dushek of Corpus Christi presiding. Two Rockport members, Mrs. Margaret Ferguson and Mrs. E. T. Eller, participated in all the activities.

The theme of this gathering was: "Don't Just Stand There! Do Something! Do It Right!" Delta Chi chapter won the

LESLIES RETURN

Mr. and Mrs. John L. Leslie returned October 13 from a two-week vacation in Lexington, Kentucky to visit the John D. Leslies (his son). They drove to Houston and flew from there. They reported a fine time sight-seeing the horse farms and historical places of interest and even attended the races twice. The Leslies entertained

with a German dinner one night — one couple being Dr. and Mrs. John Cron — the Crons lived here many years as many will remember when Cron was the only doctor in town. John was a classmate and friend of Mrs. Leslie's son, Jim Morrison. They now live in Lexington.

He who lives at high tension usually blows a fuse.

TOP — Mrs. Janie Graham (background) and Mrs. Gladys Graham, both of San Antonio, put on windbreakers Oct. 19 after the temperature dropped 20 degrees, and they went fishing just east of the Texas Parks and Wildlife Department Marine Laboratories at the Turning Basin.

BOTTOM — While the picture was being taken, Mrs. Janie Graham caught the fish which she holds up. Although a veteran fisherman, she said she had never seen a fish like the one she caught. So she asked biologists in the Marine Lab to identify it. They said it was a smooth puffer which is seldom found in Aransas Bay waters.

C of C Fall News Bulletin Mailed

Following is the Fall Edition of the Chamber of Commerce News Bulletin which has been mailed to the membership:

New Members: We have had 10 new businesses join the Chamber since August. We are happy to have the following as members: Paradise Park; Gulfway Village Mobile Home Park; Jim Langham, Catamaran Sailing; Cantwell Sleep Store; Style Craft Builders; Lakewood Safari Camp Ground; Coastal Marine; Sportsman Manor; Winn's Stores and Marsha's Ceramics and Gifts.

Refreshment Sponsors Needed: Our winter tourist season has already begun and we would like to once again have

refreshments to offer the folks when they drop by the office. If you would like to furnish refreshments, give us a call-729-6445. We will put your name on the calendar, buy the cookies and juice and send you a bill at the end of your week. We have a poster with the refreshment donor's name and business printed on it and display it throughout the week. It only costs \$5.00 and it does give you a little advertising.

We have a new helper at the Chamber office. Lee Wideman has taken the place of Louise Brisbin, who has moved to Alvin. Lee is from North Carolina and has been in the area about two years. She and her husband have three boys and enjoy living on Key Allegro Island. Drop by sometime and meet Lee.

Texas had 22.6 million

visitors last year.

News coverage about the Toast of the Coast: The November issue of the Ford Times carries a wonderful article on the Rockport area. "Little Town Between the Bays" not only tells about the area, but also about some of the local people, including Mrs. Gwynn, Pat Greene, and Dorothy Walters. Paintings depict the Rockport Yacht Basin, the Fulton Mansion, gnarled trees and shrimp boats. If you don't get to see a copy, come by the office and we'll let you look at ours.

Southern Living Magazine will feature the area in their January issue. We have sent materials and pictures to be used in the issue.

An ad will be placed in the Des Moines Register November special vacation issue. This ad

has proved to be quite successful in the past and has brought many inquiries and visitors from the northern part of the country.

Eating out is fun -- eat out somewhere today.

Air Tour Group: We want to take this opportunity to thank all of the generous people who came out to the airport Saturday, October 7 and again on Sunday morning to help us transport the Air Tour group to and from the airport. Really appreciate your taking the time and helping us. There were about 166 people in this tour and many of them expressed their gratitude for the kind and

efficient service they had received here from the "chauffeurs" and all the employees of the Sea Gun and Sportsman Manor. This kind of good will helps to bring them back again.

Sick pay -- ill-gotten gains.

Monthly calendar of events: We will be printing a monthly calendar beginning Nov. 1. We would like to have all events of the different organizations on this calendar. This calendar is passed out to all winter tourists when they come to our office and each motel and trailer park is sent a copy for their bulletin board. If you know of anything that would be of interest to our winter visitors,
