Nelda Lee Koonce Becomes Bride Of Garth Priddy In Saturday Ceremony

Linda Lee Koonce, daughter of Mr. and Mrs. Ben Koonce, became the bride of Douglas Garth Priddy in a double ring ceremony read at 7:30 o'clock Saturday evening in the Robertson Springs Baptist Church.

The Rev. Marty F. Cox of Dallas officiated. Wedding music was presented by Miss Brenda Simpson, pianist, and C. L. Mohon, Jr., soloist, both of De Leon.

The bridegroom is the son of Mr. and Mrs. Max Priddy of Dublin.

Escorted by her brother, Joe Ben Koonce, the bride wore a formal gown of bridal satin designed with domed skirt, narrow panels inserted at the sides were caught in a bustle bow with panel sprigged with chantilly lace motifs that fell over a chapel train. The figurine bodice with long sleeves tapered to petal points at the wrist, had a portrait neckline outlined with chantilly lace and appliques of the lace on the bodice.

The reception was held at the home of the bride's parents. Members in the house party included Misses Wanda Rann and Frances Skaggs of De Leon and Zelle Priddy of Dublin.

For travel the bride chose a blue Boucle sheath with matching jacket and bone accessories and an orchid corsage.

The bride is a graduate of De Leon High School and has attended Tarleton State College where she was a member of the college band and Coronas Social Club.

CUBS LOSE TO DUBLIN 22-6 IN OPENING GAME

Coach John Felts was fairly well pleased with the performance of the Grade School Cubs in their opening game against Dublin on Tuesday night. With less than a week's practice the boys played a very good game even though they came out on the low end of the 22-6 score.

Daryl Hirst scored the lone Cub tally on an end run from 18 yards out.

The Cubs were using a balanced wing formation in Tuesday's season opener at Dublin.

Starters were Wayne Huff and

Plans Progressing For Tenth Annual Homecoming

Homecoming plans are really gaining speed now. This is nearing — October 5. We here hope you who live away are making plans to come. This year, of course, Homecoming plans are really big, for this year it will all cover three big days. It is Diamond Jubilee Year, too, and plans for each all dovetail into one big celebration, October 3-4-5.

Saturday morning coffee and registration at the High School has been planned for 8 a. m. A time for visiting and donuts and coffee — a registration fee of \$1 is payable at this time, too. (postage, printing, etc.). And you will need the coffee, for this is the beginning of a big day.

Jubilee Parade will be at 10 a. m. Several bands and riding groups have accepted invitations, and numerous floats are in planning, the latest in farm equipment, and there will be peanuts, especially Mr. Peanut.

The business meeting is set for 2 p. m. in the High School Auditorium. The program is incomplete, but understand Mr. Ross Wilson, Manager of Southwestern Peanut Growers' Association, and formerly Gorman Schools superintendent, will give the address. Coming-Home Queen will be elected at this time, and next year's Homecoming officers, too.

Well, there's more, of course. Letters and programs are being prepared for mailing and will go out in the next week or two. Hope everybody's address is on the list. A note has been received from Garth Cooper asking about the date and saying he plans to be here. And heard, too, that Jimmy Dean and wife, Beatrice Anderson Dean, plan to attend. Make your plans to come home October 3-4-5 or for any part of the weekend.

Panthers Drop Opener; To Host Throckmorton Friday

The Gorman Panthers surprised the highly favored De Leon Bearcats last Friday night at Bearcat Stadium by putting up one of the fiercest battles ever played by these two old rivals.

The Big Red proved that they "come to play" when on the opening kickoff Gary Overstreet took the ball on his ten yard line, came up mid-field and cut to his left

and with some beautiful blocking and running, went all the way to give the Panthers an early 6-0 lead after they failed to make the extra point.

The Bearcats, with a much heavier line, came back and went sixty yards, which was their only sustained drive of the evening, and scored and went ahead 8-6 after successfully making their two extra points.

About mid-way of the second period the Bearcats managed to send a pass received down field getting behind the Panther safety man and scored their second touchdown. Their extra point try failed and they lead 14 to 6 until about three minutes before the half when halfback Lamb returned one of Gary Overstreet's punts all the way to score. Again they failed in their extra point try and at half-time the Bearcats lead 20 to 6.

The Panthers came back in the second half and put the plug in the jug and stopped the De Leon attack cold. The Big Red offensive line began opening up holes in the De Leon line and the Panther backs began to go through like autumn leaves going through a picket fence. Their passing attack began to click and they managed to get the ball down to the Bearcat 12 yard line when "Terrible Terry," the Panther's 112 pound quarterback, who looked more like Mandrake The Magician, faked to Overstreet, kept the ball and handed it to Jerry Ormsby who went off left tackle all bright-eyed and bushy tailed and went untouched into the end zone for the Panthers' second tally. The smoothness of the ball handling even fooled the officials and for a short time they did not know who had the ball. The extra point attempt failed and the score was 20 to 12.

The Panthers seemed to get stronger as the game progressed. The rugged Panther line did not yield a single point the second half and allowed only five first downs.

The entire Panther line did an outstanding job, both on offense and defense. Center David Kirk, Guards Mack Sutton and Dickey Eaves, Tackles Deryck Pocock and Jim Rodgers, Ends Ronnie Smith, Richard Watson and David Hunt, and the alternate unit of Tommy Kirk, Robert Whitt, George Bolt, Dwayne Snider, did a remarkable job all evening. Quarterback Terry Clark did a fine job directing the Panther attack and William Jay and Jerry Ormsby did a yeoman service and Gary Overstreet was outstanding. It certainly was a team effort and Coaches Mike Newby and John Felts are to be commended for the fine job they did preparing the Panthers for their season opener.

The Panther defensive unit, nicknamed the Spartans by the boys themselves, surely played up to their name in this game. If you remember your history you will recall how great warriors the Spartans were. And so were the Panthers Friday night.

The Big Red will need to forget about last Friday's game as they will be meeting the ever-rugged Throckmorton Greyhounds next Friday night at Brogdon Field.

Gary Overstreet was the leading ball carrier with 46 yards in eight carries for a 6 yard average. Jerry Ormsby had 6 for 24. William Jay had 5 for 9. Terry Clark had 5 for 5 and Tommy Kirk had a -9 on an attempt to pass which failed.

Julie Benell Show To Be Televised At State Fair of Texas

A kitchen featuring the latest in gas appliances and incorporating the newest in design trends will be the staging area for Julie Benell's daily TV show which will originate from the State Fair of Texas October 5-20.

Called "Julie's Kitchen at the Fair," the kitchen is located in Lone Star Gas Company's Gas Exhibits Building. The popular TV personality will cook and demonstrate recipes in the kitchen. Her program is televised each weekday on WFAA-TV, Dallas, beginning at 12:30 p. m.

The public is invited to witness the show in person, and pick up a copy of Miss Benell's "15 Fabulous Fair Recipes."

The showcase kitchen, which was designed by Ewing Kitchen Designers of Dallas, is L-shaped and features handsome maple cabinets stained in cinnamon frost. Counter tops are by Formica. The cabinetry is factory-made by Coppes Inc., Nappanee, Indiana.

Outstanding convenience features of the kitchen cabinets include adjustable sliding shelves, sliding towel rods, auxiliary soap powder storage racks, pull-out cutting boards and built-in holders for paper towels, wax paper and foil.

A unique island cooking-and-serving area completes the compact kitchen. Included in the island are a built-in Roper gas surface unit with the "Burner With A Brain" and a cutting board.

A built-in Roper gas oven is mounted in the elbow of the L-shaped kitchen. The oven is set in simulated brick material. A second Roper gas oven is located at one end of the "L". A Norge gas refrigerator, and cabinets with swing-out shelves complete this particular leg of the "L".

The other leg of the "L" has a Preway gas dishwasher at the far end. Next to the dishwasher is a 3-bowl, stainless steel sink with a sliding top which gives additional working space for cutting vegetables and the like.

An automatic food disposer is located in the sink. Separating the sink from the built-in over is a built-in mixer-blender.

In addition to "Julie's Kitchen", Lone Star Gas Company will display four more entirely new and different factory-made kitchens in its building on the Fair grounds.

JULIE BENELL'S popular show on WFAA-TV, Channel 8, will be telecast live from the Gas Exhibits Building during the 1963 State Fair of Texas, October 5 through 20 in Dallas. Fairgoers will be able to see the program in progress, starting at 12:30 p.m. each weekday during the Fair. WFAA-TV will originate three programs daily from the Gas Exhibits Building.

HULLS

By KERNEL GENE, aPe

Thereasa and I attended our first Finger-tip Banquet in Eastland Tuesday evening. Women's Clubs of Eastland were honoring Peanut Bowl Queen Contestants. Glad I wasn't a judge, although they did an excellent job. Of course, I would have selected Kay Browning as Queen in place of runner-up.

My sincere thanks to the Eastland Jaycees for allowing Kernel Gene the privilege of presenting the Peanut Bowl Queen, Miss Jan Taylor of Eastland, and a bouquet of roses — and a box of Thereasa's peanut brittle.

Linda Loftis, Miss Texas of 1961, M.C.'ed the program.

If you plan on attending the Peanut Bowl Football Game you better hurry and get your tickets. The Jaycees were almost sold out Tuesday evening. Gorman will be well represented in the Eastland Parade on Saturday. We are taking advantage of a wonderful opportunity to let folks know about our forthcoming Diamond Jubilee on October 3-4-5.

Speaking of the Jubilee, Thereasa makes me shave when company's coming — and it might be a good idea if we scrubbed up the town a bit. Sure lots of weeds and stuff laying around. Mayor Miears has designated Sept. 23-28 as Jubilee Clean-up Week.

The City Commission is also due a vote of thanks for the fine job they are doing on paving streets.

Hold 'em Spartans! — Go Big Red — you will probably hear these phrases quite a bit from now until sometime in November. You have probably heard about "Go Big Red" but "Hold 'em Spartans" — that's the new name of the Panther defensive team. Coach Mike Nemby came by the Progress office last Saturday morning to say how proud he was of the "Spartans". Mike then said this was the name that the boys picked out last week.

Most of you probably heard the story of 300 Spartans holding a Persian army of 800,000 for 2 days. If you have not heard it by now Mike will be proud to tell it to you. At the age of 21 each man was given a R-E-D Cloak and a shield. The motto on this shield was "With This Or On This."

Everyone seems to think the Panther defensive team earned the right to be called by this name last Friday night at Bearcat Stadium. "Big Red," the offensive team, played a dandy ball game. Players have been awarded Red Panthers for their headgear for outstanding offensive work. There should be several more after last Friday.

Defensive play by the Panthers is improving. You can tell this also by the headgear as they receive two stars on the front of their "hat" as Mike calls it.

The Panthers have received new Blue jerseys and we understand they are to be used in games played at home. The Red jerseys were used at De Leon because the new ones had not arrived. Understand they made it here this week. (Watch Joe, he may burn them). Joe, the other half of B&B Sports, has been riding Mike about the new jerseys. It seems he can't yell "Go Big

Double knit fashions are all the rage for this fall and winter, but they do present a sewing problem. Double knits for home sewing are relatively new, although jerseys are familiar to most women.

While no special skill is required to sew double knit fabrics, an understanding of their characteristics can simplify and speed the handling.

Select a pattern with few seams, a rather easy fit and no buttonholes. It is wise to avoid circular skirts and bias cuts. Weight of the double knit fabric should be chosen to conform to the design of the pattern. And if the knit fabric is "off grain" more than one inch, it should be straightened by pulling slightly on the bias while steam pressing it.

All knit fabrics should be shrunk before cutting — steam pressed at home or at the dry cleaners.

Double knits are made in tubular form and some are sold this way. Others are cut along the fold of the flattened tube and edges are overcast. The lengthwise edges should be examined before buying the fabric to see that they follow the grain line. In knits, the grain line is a continuous rib. In the finishing process, some tubular knits twist as much as 4 to 6 inches. This cutting along the fold cuts across the continuous ribs the depth of the twist. To straighten such fabric will cause some loss.

If the tubular knit has not been cut, baste along the rib the entire length of the fabric, refold on this line and pull the fabric into a flat shape as it is steam pressed.

Inspection Stickers Are Now Available To Texas Motorists

AUSTIN — Col. Homer Garrison Jr., director of the Texas Department of Public Safety, is calling motorists' attention to the fact that the new 1964 vehicle inspection sticker became available on Sept. 1 at all Official Inspection Stations in Texas.

"During the summer months, the department has conducted intensive re-training schools for all owners and mechanics of inspection stations," Garrison said. "These men are now qualified and they are ready to serve the motoring public in their vehicle inspection needs."

More than five million vehicles registered in the state are required by law to be inspected at one of the 5,000 official stations between now and April 16, 1964. Operators of vehicles not displaying the new sticker by that date will be in violation of the law.

Garrison urged motorists to get their vehicles inspected at the earliest possible time and pointed out:

"Since the vehicle inspection program began in Texas, vehicle

Rural Carriers To Distribute Acreage Survey Cards

Postmaster Graydon Baze announced that Rural Mail Carriers will begin distributing 1963 Acreage Survey Cards to patrons on their routes about Sept. 12.

The Post Office Dept. assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1963.

To be sure this community is well represented in the survey, Postmaster Baze urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are D. R. Clark, Rt. 1; W. O. Parr, Rt. 2, and A. O. Clark, Rt. 3.
