COMM. BEATHARD ANSWERS TOMME

Editor Courier:

In answer to the article in the Courier from Mr. Tomme dated June 26, in which he states that the commissioners' court misstated facts when answering criticism made by himself in the meeting of the district school trustees. In his article he used the following words: "The predecessor of Mrs. Sallas received $300 from the commissioners' court and $300 from the county school board as expense. When Mrs. Sallas was installed the present court refused to pay the $300, as the former courts had been doing." The attorney general was asked for an opinion and he gave that quoted in the statement by the commissioners' court. This opinion was given nearly two years ago and in no way concerned the bills accruing in the county superintendent's office, but a stipulated $300. I will say in answer to this that there never was a statute that authorized the commissioners' court to allow the county superintendent a stipulated $300, but there was a statute by which the commissioners' court could allow expense accounts not to excede $300. This law was supplimented with a bill passed by the 36th legislature that reads as follows: The county school trustees shall make an annual allowance out of the state and county school funds for salary and expense of office of county school superintendent of public instruction, and the same shall be prorated of the schools coming under the supervision of the school superintendent. The county board of trustees may make such further provisions as it deems necessary for official and travelling expenses for the county school superintendent and any assistant he may have provided that the expenditures for office and travelling expenses shall not exceed $300. That is the exact words of the law. I'll quote here a court decision: Expense accounts of the county superintendent shall be itemized, sworn to and paid by vouchers drawn on the county undivided school fund, and approved by the president of the county board of school trustees, provided that the yearly maximum fixed by the statutes is not exceeded. Miller vs. Brown, 216 S. W. 453.

Mr. Tomme also asks the court to give statute authorizing them to pay expense accounts for other officers than the county superintendent. He also said that he had been legally informed that there were no statutes covering either case. I herewith give him the desired information: Article 3905, stationery, etc., allowed county judges, clerks of the courts, district and county, sheriffs and county treasurers such books and stationery including blank bills, bonds, blank complaints, office furniture as may be necessary for their office, to be paid for on the order of the commissioners' court.

While answering criticism I want to call Mr. Tomme's attention to criticism made on the different county commissioners by the grand jury while he was a member of that body in reference to not itemizing their claims for court and road service. If you will recall I asked you to go with me to the county clerk's office and there we found that every claim that I had presented had been itemized in accordance with the law and you agreed that the grand jury had made a mistake and offered to correct this mistake as a body, but not as an individual. You accounted for this mistake by stating that somebody had sworn before the grand jury that those claims were not properly itemized.

I have given the exact wording of the law for the people to pass on. J. A. Beathard.

HOUSTON COUNTY PROSPECTS GOOD

Farmers from over Houston county report crop conditions as favorable to a fair crop should the season be favorable for growing. The cotton and corn crops, due to an unfavorable planting season, are found to be either young, or retarded by adverse conditions during the early growing season. Every one seems optimistic in hoping for a good cotton crop if only the necessary rain is to be had to mature the crop.

River farms, where crops have just been recently cleaned out, and dry soil in the uplands need rain badly. The most soils, bottom land and tight land, present an excellent prospect for fine crops, provided rains come before it is too late.

Feed crops are also in fair condition and truck crops are also said to be promising.

Watermelons, peaches and cantelopes, three of the delights of living in East Texas, are beginning to come in sufficient numbers to supply the demands of consumers and are bringing good prices.

JUST A WORD WITH OUR SUBSCRIBERS

Callers report the need of rain in all sections of Houston county. Crops are just beginning to suffer, and if rain is not had soon, all crops will be cut short of what was promised a few weeks ago.

Among our friends calling to renew or subscribe or sending in their renewals and subscriptions since last report are the following:

R. H. Wootters, Von Ormy, Texas.
A. S. Daniles, Rusk.
Chas. Ivey, Crockett Rt. 1.
Mrs. R. E. Knox, Beaumont.
Mrs. Gertie Sallas, Crockett.
Mrs. J. S. Cook, Crockett Rt. 7.
M. F. Iden, Lovelady Rt. 2.
T. G. W. Tarver (col.), Crockett Rt. 2.

SECOND WEEK OF THE COUNTY CAMPAIGN

The candidates of Houston county are completing the second week of the local campaign. Much interest is being shown by the voters in some of the races and it is evident that some of these will be hardfought right up to election day. No one could safely predict the winners in any of the local races.

Tuesday the candidates spoke at Augusta. Wednesday they came to Grapeland. Both of these places had a large and interested attendance. Today the candidates are speaking to the voters at Lovelady and Friday they will go to Creek. Saturday will close the campaign in the southern part of the county with speeches at Weldon.

Republican Convention Called.

In compliance with the instructions of the republican state executive committee and the republican executive committee of Houston county, a delegated convention of the republican voters of Houston county is hereby called to meet in the city of Crockett at 2 p. m. on the 2nd day of August, 1924.

The purposes of the convention are to elect delegates and alternate delegates to the republican state convention to be held in the city of Fort Worth, Texas, on August 12, 1924; to elect delegates and alternate delegates to the various republican district conventions to be held August 23, 1924; to nominate a complete county republican ticket for all county offices, and to transact such other business as may properly come before the convention. T. G. W. Tarver,
Republican County Chairman.

CHAS. W. BRYAN CHOSEN FOR SECOND PLACE

Nebraskan's Victory Comes on Changes in Votes in First Ballot.

Madison Square Garden, New York, July 10.—The democratic national convention brought its tempestuous sessions to a close early this morning, placing before the country a ticket headed by John W. Davis of West Virginia with Governor Charles Bryan of Nebraska in second place.

Nominated on the 103d ballot in the final dissolution of the deadlock which gripped the convention for ten days, Mr. Davis began his service as the leader of his party by upsetting precedent and addressing the convention at its evening session and then going into conference with convention managers over choice of nominee for the vice presidency.

Governor Bryan was chosen for second place on the ticket after his friends had placed before Mr. Davis and his conferees an argument for selection of a Western man of proven executive capacity, familiar with agriculture and in sympathy with the liberal sentiment of the country.

The nomination of the Nebraska governor, who is a brother of William J. Bryan, took only one ballot. The word that the leaders wanted him nominated was passed quickly about the convention hall, and although active campaign had been made for several other candidates the result was not long in doubt. Mr. Bryan was declared nominated at 2:22 a. m., Eastern daylight saving time. Then after a few last minute formalities the convention adjourned sine die at 2:34 a. m. and the delegates for the last time filed wearily out of the old garden, where their nerves had been frazzled and their patience worn out by the more than two weeks of the most stirring scenes in all political history.

Married at Willis.

Miss Daphne Scott of Willis and John A. Cook of this city were married in the First Methodist church of Willis at 8:30 o'clock Sunday evening, July 6. Mr. and Mrs. Cook left immediately for Dallas, where the groom has a place as Spanish instructor in Southern Methodist University. They will make their home in Dallas and have the best wishes of a large circle of friends.

DAVIS CONFIDENT OF PARTY VICTORY

Says Differences But Thunderstorm Before Sun of Coming Success.

Madison Square Garden, New York, July 9.—John W. Davis acknowledged his nomination for the presidency by the democratic convention by appearing before the convention by invitation tonight and giving a pledge of his devotion to the cause of the party.

The nominee began an expression of gratitude and appreciation of the honor that had come to him.

"But grateful as I am of this great honor, I think even more of the duties you have given me to perform. But I take comfort when I look at the banners displayed throughout this hall and reflect that they are not the standards of a phantom army, but that they represent an army of millions of democrats, ready, as they always have been, to battle for liberty and righteousness.

"We are a national party, and it must be, I believe, because we profess a national creed. The great principles of the democratic party—honesty in government, that public office is a public trust, equal rights to all men and special privilege to none, fair and equal taxation, an open door of opportunity to the humblest citizen in all the land, liberty at home and courage and honor and helpfulness abroad—these principles are as dear to the East as to the West, and revered by the North and by the South.

"And this great army is ready to do battle again to any who challenge any part of it. On this platform all progressives can stand, to this banner all liberals can rally, and for this cause all democrats can, and I know will, stand united.

"I know this convention has had its differences, but all the things were but the thunderstorm that cleared the clouds away and left shining on us the sun of coming victory and success.

"When I am duly advised of the nomination it will be my duty to speak further on these and kindred themes. I shall, therefore, do no more at the moment than to express my appreciation and to express my confidence that I shall lead in this campaign a united, a militant and a victorious party."

Section 51. The Legislature shall have no power to make any grant or authorize the making of any grant of public money to any individual, association of individuals, municipal or other corporations whatsoever, provided, however, the Legislature may grant aid to indigent or disabled Confederate soldiers and sailors, who came to Texas prior to January 1, 1910, and to their widows, in indigent circumstances and who have been bona fide residents of this State since January 1, 1910, and who were married to such soldiers or sailors prior to January 1, 1910, and to indigent and disabled soldiers who under the special laws of the State of Texas during the war between the States served in organizations for the protection of the frontier against Indian raiders or Mexican marauders and to indigent and disabled soldiers of the militia of the State of Texas who were in active service during the war between the States and to the widows of such soldiers who are in indigent circumstances and who were married to such soldiers prior to January 1, 1910, provided that the word "widow" in the preceding lines of this section shall not apply to women born since the year 1861, and all soldiers and sailors and widows of soldiers and sailors eligible under the above conditions shall be entitled to be placed upon the pension rolls and participate in the distribution of the pension fund of this state under any existing law or laws hereafter passed by the Legislature, and also to grant aid for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Confederacy under such regulations and limitations as may be provided by law, provided the Legislature may provide for husband and wife to remain together, in the home. There is hereby levied in addition to all other taxes heretofore permitted by the Constitution of Texas a State ad valorem tax on property of seven ($.07) cents on the one hundred ($100) dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein levied, and provided further that the provisions of this Section shall not be construed so as to prevent the grant of aid in cases of public calamity.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1924, at which all voters shall have printed or written on their ballots: "For amendment of Section 51 of Article 3 of the Constitution authorizing the Legislature to grant aid to Confederate soldiers, sailors and their widows who have been a resident of this State since January 1, 1910," and "Against amendment to Section 51 of Article 3, of the Constitution, authorizing the Legislature to grant aid to Confederate soldiers and their widows."

Sec. 3. The Governor is hereby directed to issue the proclamation for said election and have the same published as required by the Constitution and laws of this State, and the sum of five thousand ($5,000.00) dollars or so much thereof as may be necessary is hereby appropriated out of the general funds of this State not otherwise appropriated for expenses of publications and elections thereunder.

Approved, March 20, 1923.

S. L. Staples,
Secretary of State.

WISE OLD NOAH.

There is one thing you've got to give old Noah credit for—he didn't wait for it to commence to rain before he started in to build the ark. Some Crockett citizens may not feel that Noah was right in spending so long a time in building the ark, but they must admit that he was a pretty wise citizen in one respect, and that is that he didn't sit down and wait to see what his neighbor was going to do.

Noah believed in preparedness. If he had lived here, for instance, and doctors and health officers had told him that an epidemic would probably sweep the land if he didn't cut the weeds on his premises and fill up the low, wet places where mosquitos breed, he'd have cleaned up. If he saw a foul spot on his premises where millions of flies and insects were breeding, and then carrying on their wings and feet the filth that had accumulated there, he would have removed that foul spot and gotten rid of the pests.

You can practice preparedness here and now just as Noah did in his day. You won't need an ark to save lives—all you'll need to do is to cut your weeds, fill up the low places where water stands after a rain, clean out cess pools, alleys, scatter a little whitewash and lime about fence and outbuildings. Typhoid germs, malaria germs and scores of other kinds are breeding by the million now. Don't take a chance on them—don't invite an epidemic of sickness and death by ignoring their dangers. Be wise like old Noah—be ready for an emergency by having your premises clean and beautiful.

Blinding Headaches
"For about twenty years," says Mr. P. A. Walker, a well-known citizen of Newburg, Ky., "one of our family remedies has been Black-Draught, the old reliable. . . . I use it for colds, biliousness, sour stomach and indigestion. I was subject to headaches when my liver would get out of order. I would have blinding headaches and couldn't stoop about my work, just couldn't go. I used
Thedford's BLACK-DRAUGHT
and it relieved me.
"About eight years ago my wife got down with liver and stomach trouble. . . We tried all week to help her, . . . but she didn't get any better. One day I said to the doctor, 'I believe I will try Black-Draught, it helps my liver.' He said that I might try it and to follow directions. She was nauseated and couldn't eat or rest. She began taking Black-Draught and in two days she was greatly improved and in a week she was up."
Try Black-Draught. It costs only one cent a dose. Sold everywhere. E-99

Union Swamps Lone Pine.

Union defeated Lone Pine at the Crockett ball park Thursday by a score of 16 to 1. The Union team collected a total of 16 hits, while the Lone Pine team could get but five hits off Beard. Beard hit a triple and Beeson got a home run when his hit bounced over the right field wall. The Union team is undefeated and will probably meet other fast amateur teams in an attempt to win the Houston county championship.

Crockett Couple Married.

Miss Mary Allee and Stanley V. Hall were married at the Baptist church on Wednesday afternoon of last week, Rev. A. S. Lee performing the ceremony. Mr. and Mrs. Hall left immediately for Houston and Galveston on a brief honeymoon, after which they will be at home to their friends in Crockett. The bride is a daughter of Mr. and Mrs. S. T. Allee of this city and is noted as one of Crockett's prettiest girls. The groom is a son of Mr. and Mrs. R. F. Hall, also of this city, and is one of Crockett's most promising young business men, being connected with the Houston County Oil Mill and Manufacturing Company. Both the bride and the bridegroom have the best wishes of all our people.

Arrested for Selling Fish.

Mr. Sid Yale, local game warden, has made five arrests during the last week for violation of fish and game laws. The charge in each instance was selling fish without license. All those arrested pleaded guilty and paid the fine, which is about $17.50. Mr. Yale intends that the fish and game laws shall not be violated in and around Crockett, as stated in the Courier last week.

Road Work Progressing.

In addition to the work that is being done on the Kennard road by the teams and men of Harry Ellis, under the direction of the road district advisory committee, John Markham and Will Smith have men and teams at work on the Hall's Bluff road. The Hall's Bluff road work is under the direction of Finis Green, a member of the road district advisory committee, and that road will be put in good shape before it is left. When work is finished on these roads other roads will be taken up and improved.

Crockett Girl Marries.

Miss Odelle McGee of this city and Robert L. Cassels of Trinity were married in Crockett at 6 o'clock on Thursday evening of last week, Rev. Charles Hughes, the Methodist pastor, performing the ceremony. They left immediately after the ceremony for Trinity, where they will make their home. The bride is the daughter of Mr. and Mrs. J. M. McGee of Crockett and one of this city's most popular young ladies. The groom, who was formerly connected with a drug store in this city, has similar employment in Trinity. Both the bride and the bridegroom have many friends here and elsewhere who are extending congratulations and best wishes.
