FAVORABLE VOTE GIVEN BILL

SENATE WILL GET MEASURE DURING DAY

FINANCE COMMITTEE OF SENATE VOTES 8 TO 11 IN FAVOR

(By Associated Press)
WASHINGTON, Sept. 4.—As a preliminary to its formal introduction in the Senate, the revised republican tariff bill was favorably reported by the finance committee today by a vote of 8 to 11.

The bill was along strict party lines. Republicans voting for the favorable report were Senators Smoot, Watson, Reed, Shortridge, Cossens, Greene, Densen, Egan, Bingham, and Sackett.

Connelly opposed. Democrats voting against were Senators Simmons, Harrison, King, George, Walsh of Massachusetts, Barkley, Thomas of Oklahoma, and Connally.

The minority members remained after the vote was taken and held a meeting of their own.

Senator Watson of Indiana, republican floor leader, and ranking republican on the committee, said after introduction of the bill a motion would be made to adjourn until tomorrow, and if no senators were ready with speeches the next day.

SENATE GETS NOMINATIONS

HOOVER SUBMITS LIST OF APPOINTEES TO GROUP TODAY

(By Associated Press)
WASHINGTON, Sept. 4.—A group of nominations including those of the Federal farm board members were sent to the senate today by President Hoover.

Other nominations included those of John W. Garrett of Baltimore to be ambassador at Rome; Gerrit John Diekmann of Michigan to be minister at the Hague; George T. Summerlin of Louisiana as minister to Venezuela; Major John R. D. Matheson of the engineer corps, to be a member of the California civil service.

TWO MEN CLAIM YOUNG BOY

SPOKANE, Wash., Sept. 4 (AP)—Two men, each of whom once was married to the same woman, were fighting in court today over a smiling two and a half year old boy. The child's mother died three months ago, and both men claim to be the father of the child.

George W. Bentley, who was divorced by the mother, Margaret, in 1928, contended he was the father of the lad and offered purported statements of the former Mrs. Bentley to back up his contention, while Henry Frenger, the woman's second husband, produced a birth certificate on which the child was named George William Frenger. Both Bentley and Frenger were supported by a long list of witnesses.

Testimony disclosed such an unusual relationship—among Bentley, Frenger and the mother—that Judge Fred Witt suggested a blood test might be the only means of solving the problem.

TRUMBULL-COOLIDGE WEDDING IS SET

HARTFORD, Conn., Sept. 4 (AP)—Formal announcement was made last night that the wedding of Miss Florence Trumbull and John Coolidge would take place at 4 P. M. Monday, Sept. 23, in the Plainville Congregational church. Invitations were sent out.

Kiwanians Land 1930 Convention

LUBBOCK'S DELEGATION OVERWHELMED OTHERS SEEKING MEET

BY CHARLES A. GUY
Avalanche-Journal Staff

TULSA, Sept. 4.—Lubbock, chosen late Tuesday as the 1930 convention city of Kiwanis International, Texas-Oklahoma district, is firmly entrenched in the minds of 1929 Kiwanians who are leaving today for their homes in the two states.

The Lubbock band of clubmen, supported by delegates from the Rotary and Lions clubs and the Board of City Development, acquitted themselves in impressive fashion as convention seekers. Donning white hats, on which were pinned Lubbock labels, and distributing pamphlets and novelties, the Kiwanians from the Hub of the Plains overwhelmed the district gathering in an relentless campaign which was started when vanguards were arriving Sunday.

Emphasizing the efforts of the victorious convention seekers, 140 telegraphic invitations from Lubbock business firms were on display to the assembly.

Gratifying to the Lubbock group was the manner in which representatives from other South Plains cities cooperated in the convention campaign. The neighboring club-

STRONG INSANITY PLEA IS PLANNED

PORT WORTH, Sept. 4 (AP)—Thirteen experts on mental diseases, including the entire official staff of the San Antonio state hospital, will be summoned for Mrs. Rebecca Bradley Rogers' robbery with firearms trial scheduled for Monday at New Braunfels. This was stated today by Leo Brewster, one of her attorneys. These witnesses will be used in connection with the defendant's plea of insanity.

The witness list will total 43 for the defense and will include 25 Port Worth persons. Mrs. Rogers, born and reared in Port Worth, and a former University of Texas student, is charged with robbery of the National Bank at Buda, south of Austin.

Moody Doesn't Look For Early Session

AUSTIN, Sept. 4 (AP)—Although he is anxious "to get through with it," Governor Moody does not anticipate a report from the penitentiary centralization committee soon enough to call a special session of the legislature before the first of next year.

The penitentiary commission's report and recommendations are to be a very thorough, even going so far as to submit blue-prints of a proposed new prison and estimated costs, the governor said. "I hardly believe an exhaustive report can be completed much earlier than December 1, the time-limit placed on the survey by the legislature."

GAS GROWING STRONGER IN COCHRAN TEST

DRILLING PROGRESSES SLOWLY TODAY; MANY VISIT WELL

With drilling progressing slowly, the gas showing in the Marian Slaughter No. 1 test well in Cochran county, 67 miles west of Lubbock, continues to become stronger, while slight indications of oil have been encountered according to a telephone report today at noon from George E. Lance, of Morton, editor of the Cochran County News.

The test is being drilled at a depth of nearly 4,700 feet and is in black time at this time. Control heads have been installed and a great amount of caution is being taken to ward off any possible danger of fire.

Caravans of automobiles continue to visit the location, and scores of members of the oil fraternity have kept close watch since the announcement Saturday that gas had been encountered.

The rig is located five miles due west of Lehman on the Slaughter lands in what is known as the "scraped out pasture."

Last Survivor Of Mexican War Dies

WASHINGTON, Sept. 4 (AP)—Taps were sounded for America's last survivor of the Mexican war, Owen Thomas Edgar of Washington, who became the lone veteran of the war of 1846 last June, the day before his ninety-eighth birthday, is dead.

BELLS PEAL AND GUNS BOOM AS DIRIGIBLE IS LANDED AGAIN

(By Associated Press)
FRIEDRICHSHAFEN, Germany, Sept. 4.—Beating its round the world cruising record by more than a full day, the Graf Zeppelin, German mistress of the air, landed here from Lakehurst, N. J., at 8:25 a. m. (2:52 a. m. E. S. T.).

Church bells pealed and cannon boomed a salute as the huge ship, escorted by an honor guard of 12 airplanes, appeared over the city, circling the town hall before it turned back to its hangar at the Zeppelin works.

One of the largest crowds in Friedrichshafen history greeted it there, cheering madly as the ship lowered to the ground. Within a few minutes, it was taken in hand by the ground crew and at 3:56 a. m. was walked into its hangar.

The 22 passengers were at the window of the ship as it came to earth, waving flags in answer to cheers from the throng below, many of whom had waited at the field all night. Ground Officer Hans Voh Schiller was the first to emerge from the dirigible, passengers and members of the crew following after the ship entered the hangar.

With its landing the dirigible completed a round the world trip.

MONTEITH MAY GET COURT POST

HOUSTON, Sept. 4 (AP)—The Houston Chronicle said today that Mayor Walter E. Monteith will resign to accept an appointment to a vacancy on the commission of appeals on the Texas supreme court.

"It was learned from authoritative sources Wednesday."

Governor Dan Moody has committed himself to the appointment of the mayor and friends of Monteith say he will accept, the Chronicle states.

Mayor Monteith has served as a judge here for 13 years.

MOODY DOESN'T DENY REPORT ON MONTEITH

AUSTIN, Sept. 4 (AP)—Governor Moody would not deny he had offered a place on the commission of appeals to Mayor Walter Monteith of Houston today. He indicated, however, the offer had been made.

FLIER GOES TO DEATH AS PLANE EXPLODES IN RACE MONDAY

(By Associated Press)
LOS ANGELES, Sept. 4. Major John P. Wood, wealthy air mail pilot and transport executive, went to his death at the controls of his racing monoplane as it exploded in midair early Monday morning.

His body was found in the wreckage today 25 miles northeast of Needles, Calif.

"Landed at wreckage. Body in plane. Death instantaneous. No fire, but explosion."

That was the wire received today by Paul E. Richter, Jr., of the Aero Corporation of California, here today, from pilot Burrell Smith, of the searching airplane sent from here.

President of Line

Major Wood, 32, was president of the Northern Airways, a line between Chicago and Minneapolis, and was a resident of Wausau, Wis. He went to his death above the great California desert, near the Arizona border at 3 o'clock Monday morning, while racing to Cleveland, Ohio, for a non-stop record from Metropolitan Airport, Los Angeles.

Mechanic Escapes

Ward Miller, his mechanic and companion on the dash, was saved when the explosion of the five hundred gallons of gasoline aboard hurled him from the cabin monoplaned. Miller mechanically pulled the cord of his parachute as he lapsed into unconsciousness. When

AFTER "ST. LOUIS ROBIN'S" RECORD

CHICAGO, Sept. 4 (AP)—The "Chicago-We Will" droned monotonously in wide circles over the Sky Harbor airport today in its quest for the refueling endurance record. At 1:31 P. M. the plane passed the 250 hour mark, and the sound of its motor, ground mechanics said, indicated everything was well.

Russell Mossman, below right and C. E. Steele, center, dropped a note commenting on yesterday's heat, and reiterating their intention to beat the 421 hour record held by the "St. Louis Robin."

Wilson Herren, left, who was with Steele and Mossman on two unsuccessful flights, lost his chance to try for the record when a flip of a coin decided which two of the three flyers would make the current attempt.

EL PASO KILLS WIFE AND SOLDIER

EL PASO, Sept. 4 (AP)—Mrs. Irene Waitt 36, and Gordon Rose were slain late last night in he Waitt home, and the woman's husband, H. P. Waitt, was held by police on his admission that he had beaten them to death with an axe.

Both were killed as they slept. Waitt is a member of the medical detachment at Fort Bliss, and Rose was a soldier at Fort Bliss.

The seven-year-old son of the couple was sleeping in the same room but was unharmed. Waitt gave himself up to officers.

Papert Flying To Bedside Of Wife

NEW YORK, Sept. 4 (AP)—S. S. Papert, manager of the Texas Daily Press League, took off in a fast biplane from Roosevelt Field today to fly to the bedside of his wife who is seriously ill in Dallas, Texas.

Papert was in New York on business when notified of his wife's illness and within three hours was a passenger of John Austin, pilot, on a hop to St. Louis, the first leg of the journey.

An overnight stop was to be made in the Missouri city. Papert flying to make Dallas in 14 hours flying time.

THIEVES GET BIG LOOT OF JEWELRY

KANSAS CITY, Sept. 4 (AP)—Jewels and clothing valued at between \$150,000 and \$200,000 were stolen from the home of T. J. Pendergast, democratic leader, here last night.

The thief entered the house through a second story window and ransacked seven rooms, working so quietly he was not heard by four children playing in the basement and a maid asleep on the third floor.

TRANSPORT SHIP FAILS TO ARRIVE AFTER BIG STORM

(By Associated Press)
LOS ANGELES, Sept. 4.—Transport's passenger liner City of San Francisco, with a crew of three and five passengers aboard, which left Albuquerque, N. M., at 10:22 A. M., yesterday, was missing somewhere in storm-swept Arizona or western New Mexico today.

Last reported over Grants, N. M., the big ship was headed slightly south of its usual course in an apparent effort of Chief Pilot J. B. Stowe, to dodge a spreading storm area. It was not heard from again, although T. A. T. service planes put out from Winslow, Ariz., and Albuquerque and patrolled east and west over the route after the transport ship failed to check in at Winslow.

Confidence Expressed

H. W. Beck, western traffic manager for T. A. T., with headquarters in Los Angeles, expressed belief that Stowe, a veteran airman and one of the highest rated of T. A. T. pilots, had been forced to land somewhere south of his route, due to abnormal consumption of fuel in battling the storm. Lack of reports,

AIR DERBY WILL FEATURE DEDICATION OF AMARILLO'S MUNICIPAL AIRPORT

SERIES OF EVENTS TO BE ON PROGRAM THIS WEEK

(Special To The Journal) AMARILLO, Sept. 4.—The unusual in aviation will feature the big air derby to be held here Saturday and Sunday, September 7 and 8, as a part of the dedication ceremony at the Municipal Airport.

Prizes will be given for the smallest plane, the largest commercial plane and the oldest plane at the meet. There will be glider flights daily, dead stick landings, double parachute drops, two aerial weddings and other novelties.

All these will be in addition to the races and exhibition flying. A dozen or more planes from Kelly Field and ships from Duncan and Brooks Field will be at the meet. There also will be a big display of new ships from various aircraft plants.

Pilots may enter the various competitive events up to the first day of the derby.

AREA VISITED BY RAINFALL

ONLY LIGHT SHOWERS FALL OVER SOUTH PLAINS TUESDAY

Accompanied by an electrical storm which threatened to wreck havoc, a light rain, scarcely enough to quench the thirst of Lubbock, fell over the south plains Tuesday evening about 7:30 o'clock.

Plainview reported the only heavy rainfall on the South Plains, the precipitation there being of local nature.

Temperature over the area is refreshingly cooler today, following the moisture offering.

Surrounding cities made the following reports by telephone:

Rockwell—Light sprinkle not enough to benefit.

Stratton—A short shower fell here early tonight.

Tahoka—Little rain fell, though clouds hovered close.

Littlefield—Cooling showers fell here early tonight, but no heavy precipitation.

Brownfield—Showers fell here and surrounding vicinity tonight.

Floydada—A fair rain fell here tonight and prospects bright for more.

Plainview—A heavy fall was reported in this city though reports indicated the extent to be only of local nature.

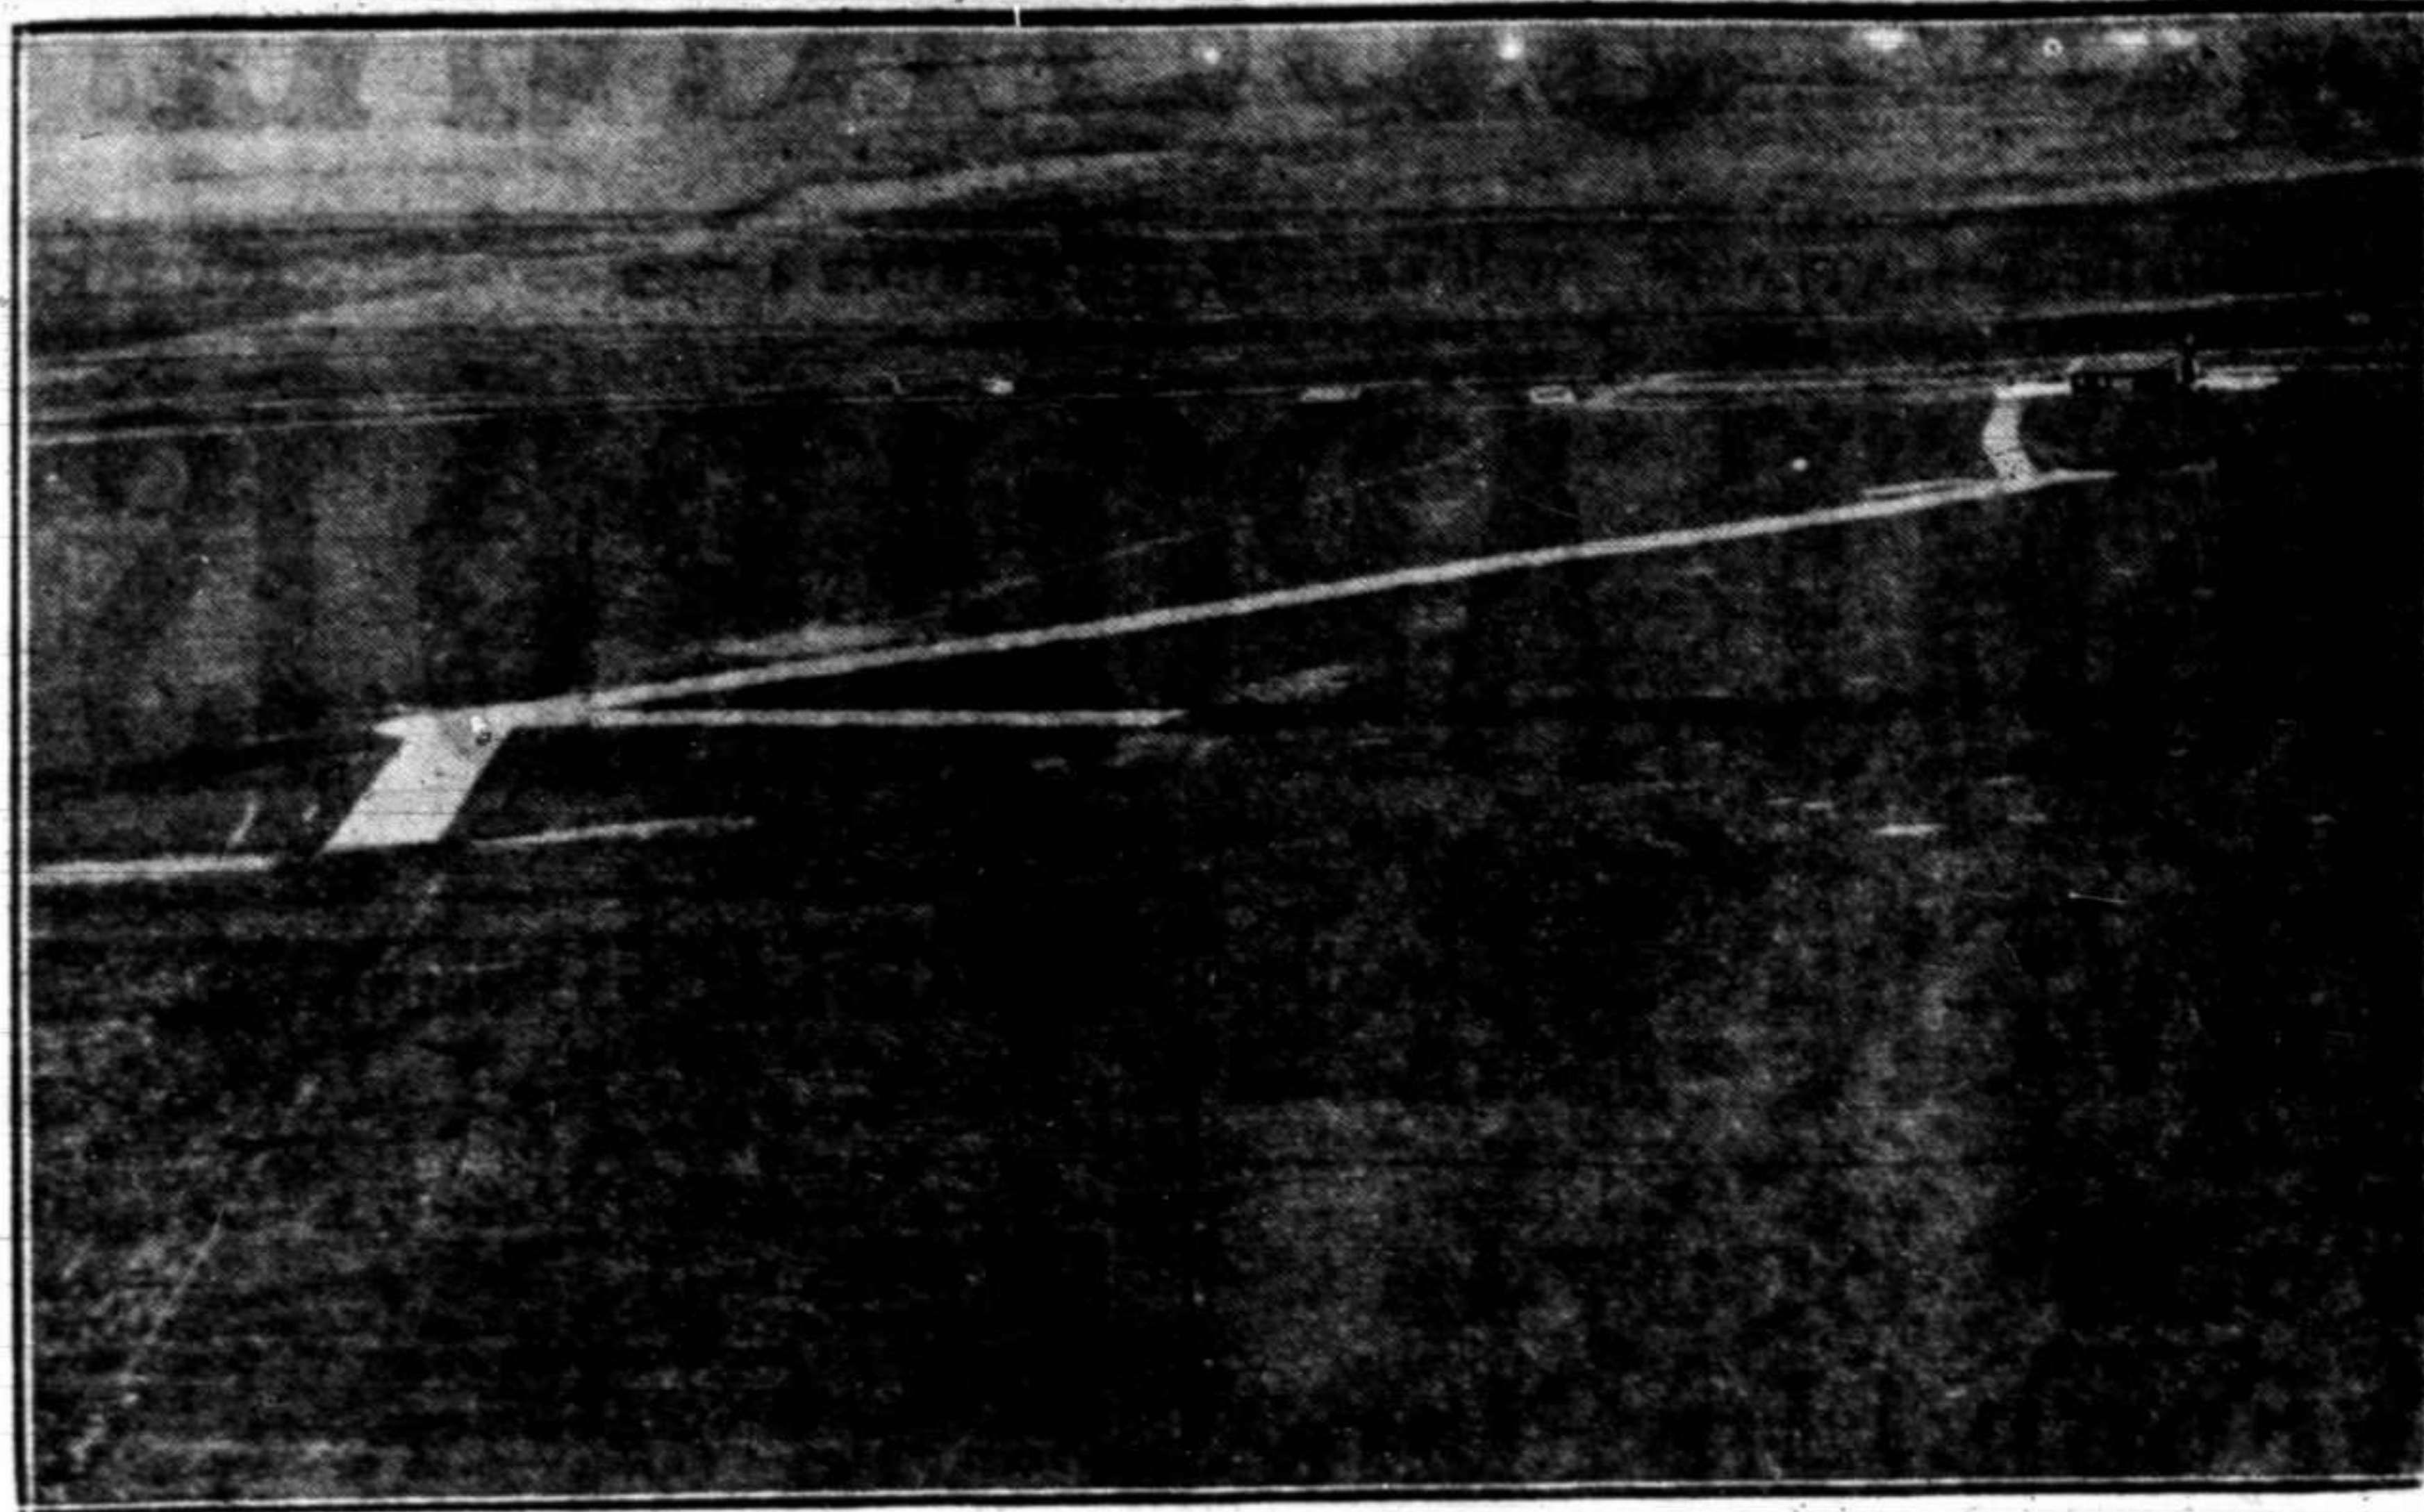

Crosbyton, Lamesa, Sudan and Amherst all reported no moisture.

LIGHTNING STRIKES IN CITY LAST NIGHT

An electrical storm accompanying the shower which fell over Lubbock territory Tuesday evening from 7:30 to 8 o'clock threatened life and property when the bolts shocked two local women, slightly injuring one, and set fire to the home of B. E. Needles, 1811 Eighth street.

Mrs. A. D. Barnes, 902 Avenue R, sustained burns about the left cheek when she was knocked to the floor of her kitchen by force of a bolt which struck near her residence. The shock was carried into the Barnes dwelling by an electric wire. Mrs. Barnes, who was doing chores about the kitchen at the time of the stroke, is recovering nicely today. It was announced at 2:00 p.m.

Mrs. T. L. Patterson, 1911 Main, who had gone to the front porch to remove some plants out of the wind, was knocked to the floor by a bolt which placed out of order several

HALF-INCH FALLS IN LOCKNEY AREA

One half-inch rain fell in Lockney and surrounding community Tuesday night and Wednesday morning. Although coming too late to materially benefit the growing crops, the moisture received will curtail the volunteer wheat making possible the early sowing of the wheat acreage.

Farmers say that a small portion of the late feed will be benefited and late cotton will put on a crop that will mature with the advent of a very late freeze.

One Killed, Three Hurt In Explosion

DETROIT, Sept. 4 (AP)—A woman was killed and three persons critically injured in the explosion of an automobile gasoline tank at a filling station here last night.

The woman was Mrs. Thomas Lawrence, 27, of Detroit. The injured were Ellen Bartosh, 21, and Beatrice Lawrence, 21, both of Scranton, Pa., and Arvin Lawrence, 19, of Detroit. All the injured were relatives of Mrs. Lawrence's husband.

Gun Accident Fatal To Fort Worth Boy

FORT WORTH, Sept. 4 (AP)—The accidental discharge of a pistol in the hands of a chum with whom he was going hunting proved fatal Tuesday to J. P. Thompson, 17. The bullet entered Thompson's stomach and he died several hours later.

The shot was fired accidentally by Doree A. Griffin, 17, as Griffin's home.

RESPONSES TO REVIVAL MADE

THIRTY COME FORWARD IN MEETING LAST NIGHT

Punctuating his sermon with an invitation for all not satisfied with their present spiritual status to come forward, to which 30 responded, the Rev. M. F. Ham delivered an inspirational message last night at the cooperative revival, Texas Avenue and Sixteenth street, on the subject of "The Way That Seemeth Right."

Reverend Ham pointed out how easily a man may be deceived into following the man-made philosophy of salvation rather than the one God-given plan. At the last moment the speaker changed the subject of his address and the scheduled sermon will be given Thursday night. This subject, from a local

viewpoint, will be "The Biggest Sinner in Lubbock."

Orchestra Commanded
Special commendation was given the orchestra, under direction of Mansell Hall, for its work and faithfulness during the revival.

Several hundred heard the evangelist this morning on the subject of "Running the Christian's Race." Tonight's message will be "The Unpardonable Sin."

THE New BUICK

New Road shock Eliminator .. and New Steering Gear

make Buick the easiest car in the world to drive!

The road shock eliminator—built into the front of the frame on the steering gear side—absorbs every jolt and jar arising from road inequalities, and thus prevents their transmission to the steering wheel and the driver's hands.

Imagine being able to travel the roughest road with your hands resting lightly on the wheel! Think of having an automobile which you can drive all day at any speed without feeling a single road jolt transmitted through the steering wheel!

Such are the fine results of two matchless new quality features in the 1935 Buick—two features which add to this car's appeal as the greatest dollar value of the day: a wonderful new frictionless steering gear, and the new Buick road shock eliminator!

The new Buick steering gear, of the effective worm-and-roller type, moves with incomparable ease throughout its entire turning range, assuring instant, effortless response to the driver's every wish.

Come drive this new Buick. Head for the road you ordinarily avoid as too rough for comfortable travel. Test these twin features of comfort which make the new Buick the easiest steering car in its field!

SANTA CLAUS MOVES; LITTLE TIN SOLDIERS DESERTING QUAINT GERMAN TOWN OF NUREMBERG FOR UNITED STATES

Above, a young worker modeling a toy yacht in Nuremberg; below, making Christmas tree ornaments.

By RUBY WEIL
Central Press Writer
NUREMBERG, Germany, Sept. 4 (AP)—When you go to Nuremberg, you find a story about toys that are being made for American children for Christmas.

So I came to Nuremberg, a quaint, charming old German town, and I looked for the toys that are being made for America's Christmas.

I told the manufacturers of toys what I wanted. They said, "Why do you come to Nuremberg for that story? You will find it not here, but in America."

And so I must write not of the toys that are being made in Nuremberg for American children, but of the toys that are not being made.

Before the War
"Vor'm Krieg," the story begins, is the beginning of many stories in Germany. "Vor'm Krieg," then, Nuremberg was the city of toys and had been for many years. All the world looked to Nuremberg for toys; and America led all the world in purchasing the output of the hundred of factories.

Then came the summer of 1914. Armies of tin soldiers were forgotten for armies of living men. The toy factories of Nuremberg soon closed their doors; except that a few, the very largest employing several thousand persons, were turned into munitions plants by the government. War had come to the city of toys.

Across the Atlantic, something was happening which was to leave a lasting influence on Nuremberg. Even before the United States entered the war, many articles, both necessities and luxuries, formerly

imported from Europe, became inaccessible. Among these were the toys of Nuremberg. Toys, therefore, joined the long list of articles which were the "Made in America" label, once they had carried the children for Christmas.

When Peace Came
November, 1918, brought peace to Germany, war-sore and defeated, but unbroken, warily took up life, a new republic. In the city of toys those factories which had survived the war began to resume activities. Shortly after this the financial inflation caused new difficulties. Money fluctuated so that a fortune one day was worthless the next. Toy buyers came to Nuremberg once more; but now they came because they could buy at far below the true value of the goods.

At last came stabilization. No longer could toys be bought for "nothing." Americans, thereupon, stayed at home and made their own toys as during the war. The manufacturers in Nuremberg, accustomed to sit at home and wait for the business of the world, now found it necessary to seek their market. In the United States a tariff of 70 per cent was imposed on toys, to protect the growing native industry. Even Nuremberg, where women work for \$5 and \$6 a week, and men for \$10 and \$11, could not compete with America against such an obstacle. Besides, wages and the cost of materials had increased considerably since the war.

Boats Still in Demand
There is still one article in which Nuremberg retains its supremacy. The ships that delight the hearts of American boys—particularly the boys of at least moderately wealthy parents—often still come from the German city. These have always been one of the chief products of the factories here; they demand much hand work and hand work is much cheaper here than in America. The larger ones are imported as models, at only 35 per cent duty instead of the 70 per cent on

condition of buildings, began this morning.

Morning session of the schools will extend from 8 to 12:20 o'clock, while the afternoon session will extend from 12:40 to 5 o'clock.

Beck believed, was due to the inability of Pilot Stowe, assistant Pilot A. E. Dietel, or Courier C. F. Canfield, other crew members, to reach telegraph or telephone lines. T. A. T. officials neither in Los Angeles nor Winslow were inclined to discuss the possibility of the liner being in serious difficulty.

Native Aboard
The passengers had another safeguard in the presence aboard of A. B. McGaffey of Albuquerque, who formerly owned much timber land in the region traversed by the ship. Other passengers were Mrs. J. B. Raymond of Glendale, Calif., William H. Beers of New York, M. N. Campbell of Cincinnati, and Harris Livermore of Boston.

FIVE PLANES SEARCH
FOR LINER TODAY
WINSLOW, Ariz., Sept. 4 (AP)—Five airplanes of the Transcontinental Air Transport lines took off here at daylight this morning flying in fan like formation and covering a fifty mile territory along their regular route to Grants, N. M., in search of the air liner City of San Francisco, missing since late yesterday. Weather conditions were bad and visibility poor.

Railroad Meeting Is Scheduled In Morton

Representatives of about eight cities of the South Plains and New Mexico are expected to assemble in Morton this afternoon at a conference there for inauguration of a campaign for extension of the Frisco lines from Floydada to El Paso.

A member of the railroad commission and Chamber of Commerce representatives of Floydada, Littlefield, Tatum, Lovington, Artesia, Carlsbad and El Paso are expected to meet with the Morton delegation, George E. Lance, president of the Morton Chamber of Commerce, and sponsor of the proposal, announced at noon today.

The gathering will be in the Cochran county courthouse.

Needle Workers Go On Strike In Gotham

NEW YORK, Sept. 4 (AP)—Seven thousand needle workers, representing the embroiderer workers and the hemstitchers, piecers and tuckers unions, went on strike here today in the first of a series of walkouts authorized by the International Ladies' Garment Workers Union. The strike is aimed at sweatshop conditions.

FOREST FIRES NEARING CHICAGO

CHICAGO, Sept. 4 (AP)—Forest fires snapped and crackled today at the very door of one of the world's largest cities.

An area of more than a mile and a half in the Cook county forest preserve, near 107th street and Archer Avenue, was swept by fire today after burning since Monday night.

A forester discovered the fire and sought to extinguish it without help. The task proved too much, and flames soon were shooting among the forest preserve timber. All available foresters were ordered out. Ditches were dug and sand and wet blankets were used before the fire was brought under control.

Labor Day picnickers were blamed for the fire.

Pickens Expected To Succeed Willis

VETERAN RAILROAD MAN DIES TODAY; HAD SERVED FOR NEARLY FIFTY YEARS

NEW HAVEN, Conn., Sept. 4 (AP)—Nathaniel Montgomery Rice, 61, a vice president of the New York, New Haven and Hartford Railroad company since 1925, and a railroad man for nearly half a century, died here today.

Born in Rome City, Ind., he left home at 14 to work on a farm, and four years later became a brakeman with the Gulf, Colorado and Santa Fe Railroad. In 1890 he became storekeeper at Temple, Texas.

Ten years later, at the time of the Galveston flood, Mr. Rice rendered such services toward reconstruction work that he was made special representative of the vice president in charge of operations of the Santa Fe railroad with headquarters in Chicago.

On April 1, 1901, he became assistant general storekeeper at Albuquerque, N. M., and two years later general storekeeper.

In November, 1913, he went to St. Louis as chief purchasing officer of the Frisco railroad, and in 1915 became vice president of that road. In 1918 he temporarily became vice president of the Pierce Oil company

Man Leaves Notes Then Shoots Self

HOUSTON, Sept. 4 (AP)—Leaving a note to the coroner in which he apologized for getting the coroner out of bed so early and writing another note to the operator of the hotel in which he was "sorry to make all this fuss at your place," a man fired two shots into his head here today. He was not expected to live. He gave the name of Glen Atwell Trousdale, 46, of Winnemucca, Nev.

Tread and carcass: these are the two main parts of a tire. There is greater traction in the Goodyear All-Weather Tread. There is greater vitality in the Goodyear shock-absorbing supertwist carcass. Evidence? Any Goodyear dealer will demonstrate proof. Another reason why—
"More People ride on Goodyear Tires than any other kind."

This test will open your eyes!

Supertwist Shock-Absorbing Cord Exclusive Goodyears Patent.

Quality Demands Leadership

Super-Twist shock-absorbing cord can be stretched 60 per cent greater than any other cord and when it is released Super-Twist will shrink back to its normal length.

This demonstration explains why Goodyear Tires are supreme for standing abuse without premature blowouts or sidewall breaks.

The carcass of your tire is the foundation

of the "TREAD" and regardless of how thick the tread may be, the carcass (foundation) must be of greater strength or your tire will be gone before your tread is half worn down. The tread gives you traction and added strength to the tire carcass.

And that these superiorities are real and vital is proved by the fact that millions more now ride on Goodyear Tires than any other kind.

meeting day would be Monday. Chairman Smoot said little discussion preceded the vote but the democrats expressed themselves as favoring disposition of the controversial issue at the special session. The Utah Senator added no extensive explanation of the bill would be made by him on the floor as the majority report spoke for itself. He added this was a republican revision of a republican law and therefore there would be no necessity for a long discussion on the wisdom of a protection policy. The first voting skirmish is expected when republican independents and some democrats move to confine the tariff increases solely to farm products.

MATCH PLAY STARTS IN AMATEUR OPEN; JONES TIED FOR MEDAL

IN THE REALM OF SPORTS

WITH ALLAN CARNEY
Journal Sports Editor

The 1929 Abilene Eagles will be forced to depend upon something other than weight and sheer driving power, we are informed by the Abilene sport columnist. Absence of the 175 and 190 pound giants that team rolled their way to the championship last year will cause Dewey Mayhew to adopt a new plan of attack. But the fact that 62 reported the first day indicates a wealth of material for the builder of championship teams.

Mayhew plans to cut this squad down within a comparative short time and until this is done, little will be known as to the real strength of the "Eagles." In the meantime we can rely on Bloddy Cross, the San Angelo scribbler, to keep us posted on Abilene and the remainder of the Oil Belt teams. Cross, believe it or not, seems to know as much about the possibilities as those who are located in Abilene. Because of his late feeling toward Abilene, the San Angelo scribe never once last season admitted that the Eagles were the strongest club in the Oil Belt district, much less the entire state. Those frameless Bobcats just had so much hard luck and were treated so badly by league officials that they never had a chance.

Ranger has been picked by a number of barber-shop critics as the team that will take the Oil Belt title, despite the fact that the 1928 champions must be reckoned with before this can be accomplished. The Bulldogs battled the Abilene Eagles to a 19-19 tie last year and might have gone further in the race had it not been for insubstantial Coach Eek Curtis came solo from the team to the class B championship of the state several years ago and he stands a good chance to make a showing in class A competition.

Class B coaches of district two are having a merry round of it here this week, working out a schedule for the coming season. While the majority of the pedagogues in attendance at the institute were lending their ears to lectures given by the higher-ups, the football maddens were gathered in little huddles around the campus and beneath the porticoes of the Tech administration building. Absence of representatives building Ames, O'Donnell, Olson and Thakka had slowed up the procedure of arranging schedules.

Nothing is more interesting than to hear two rival coaches maneuver for satisfactory site location and terms for a football engagement. Each would have his opponent think that he has no material whatever and that by matching the contest, the opposition has big cinch. A coach who comes to a meeting of this sort with the reputation of having a strong club for the coming season finds it extremely difficult to get a full schedule. The weaker teams dodge him for the sake of their reputation and those on a par with him hold out on the various points.

Now comes a letter from a local football fan who deprecates the practice used by grid coaches in putting out a heavy smoke screen prior to the opening of the season in the form of rank pessimism. His letter follows:

Dear Sir:

I am only one of a group that would like to know why it is our coaches won't put out anything on the outlook of their teams before the season starts. From the time the Lubbock high school boys start their training at the Post camp until they returned here, we have heard nothing but hard luck tales from the coaches through your columns.

Lubbock football fans sent the boys to their training camp and these same citizens desire to know something on the progress of the candidates.

We're strong for your paper and even stronger for the Westerners but why can't we get a little straight dope on the team for a change.

Yours for a winning team.

A WESTERNER FAN.

Well, just to make a long story short, Mr. Fan, you have our sincerest admiration for your spirit, but frankly, you have the wrong idea about this pessimism about which you speak. Henry Franks and Del Morgan entertained high ambitions before the pre-season camp was opened. Indications pointed to a rosy outlook, tinted in gold. The high school mentors were promised worlds of material and naturally their enthusiasm rose to a high pitch. When the half-hundred candidates landed in the boy scout encampment grounds, Franks and Morgan were given the disappointment of their lives. Many who were expected in camp failed to arrive and the greenest of greenhorns were on hand instead. Only a handful of veterans were there and the open positions in the line looked like a French army after the battle of the Marne. There is a possibility that the sudden let-down on the part of the high coaches has caused their pessimism to be slightly exaggerated, but no mistaking the fact that there is some cause for the gloomy outlook.

PORT WORTH, Sept. 4 (AP)—A team and R. S. Kimbrow of Dallas are Texas Rugby champions. They won the final match of the state tournament here from the team of James and James of Weatherford. The tournament, starting at 2:30 p. m. today, was not completed until 3 a. m. Tuesday.

WICHITA FALLS PREPARES FOR DIXIE SERIES GAMES

FIELD TO BE NARROWED TO EIGHT TODAY

GENE HOMANS SCORES 145 WITH BOBBY HUBBY IN PLAY

By ALAN J. GOULD

(Associated Press Sports Editor)

PEBBLE BEACH, Calif., Sept. 4 (AP)—The boys have come out of the qualifying trenches, and it's a man to man battle from now on for the amateur golf championship.

Led from the wind-blown hazards of Pebble Beach by Bobby Jones and Gene Homans, who tied for second place with a total of 145, one over par, in the 36-hole qualifying tournament, the 31 survivors were paired for the elimination match play today. Two 18-hole rounds will be played in the field of 16 contestants which by nightfall will be abruptly paired to a select eight for the quarter-finals tomorrow over the 36-hole route.

Although outplayed first by a college boy from the University of California at Los Angeles, Gibson Dunlap, on the opening day of the qualifying competition, and then held to even terms after 36 holes by another collegian, Eugene V. Homans of Princeton, Bobby Jones began the main struggle for the defense of his crown without any doubt in his mind. The champion, who had won the title in 1928, was paired with the young Omaha star, Johnny Goodman, who qualified with 137 for his first round opponent with the prospect that he would be called on in the afternoon to battle the long-driving California entry, Phillips Finlay. Finlay, a hero yesterday of as dramatic a comeback as the qualifying round has ever witnessed.

Homans, son of a former famous Princeton University football player, was bracketed with Pay Coleman of Culver City, Calif., while Dunlap, hero of the opening day, drew Clarence Hubby of Waco, Texas. The first match today brought together two outstanding stars in Cyril Tolley, British champion, and Eddie Heid of New York, holder of the Canadian title, who was paired with the Canadian who was for the first time in the tournament. Another star attraction involved George Von Elm of Detroit, champion in 1926, and Chandler Egan of Medford, Ore., title holder in 1904-05.

Pebble Beach, on a breezy day, gave the field a real taste of its character as the qualifying round was concluded. After the battle was over, the score board not only showed a succession of narrow escapes for a good share of the favorites, but a casualty list that included such conspicuous names as Chick Evans, two-time title form champion, Ross Somerville, and Don Carrick, former Canadian title holder, and three ex-holders of the Western amateur title—Bon Stein of Seattle, Frank Dole of Portland, and Keefe Carter of Oklahoma.

The far west yielded medal honors to the east and south but captured a majority of the 32 qualifying places for the first time in the tournament's history. The surviving list included 17 far westerners, of which California contributed 11, Oregon 5, including two of the former contenders in Moe and William, and Washington one. The east had six, the midwest four, and Great Britain three of the remainder, with one each to carry the banner of the southwest and south. But the lone Dixie entry happened to be Robert Tyre Jones, Jr. of Atlanta, Georgia, winner four times in the last five years.

HUBBY IS ONLY TEXAN TO QUALIFY TUESDAY

PEBBLE BEACH, Calif., Sept. 4 (AP)—Clarence Hubby of Waco, Texas, only Texan in the national amateur golf tournament, faced the toughest campaign of his life here today as first round matches got under way.

Today Hubby must beat Gibson Dunlap of Los Angeles, who broke a course record Monday to beat Bobby Jones medal score by one stroke in the first half of the qualifying round, in case of a win today, however, Hubby's lot would still be a tough one. Frances Gimet, former champion, probably would be his opponent, and should he clear that hurdle Bobby Jones would be his probable foe.

Six other Texans failed to get past the qualifying rounds. Gibson Payne of Dallas came closer than other members of the settee with an 162. Dennis Laver of Abilene and Charles Dexter of Dallas, the reigning Texas champion and one of his predecessors, turned in 167 each. J. J. Ballard, Jr. of Fort Worth, scored 170 even and Al Barbee of Waco had 186. No score was available for Alvin Herold of Dallas.

BILL AKERS SOLD TO DETROIT CLUB

BEAUMONT, Sept. 4 (AP)—Sale of Bill Akers, Expert, shortstop to the Detroit Tigers was announced by Rube Stuart, owner of the local club today. The deal is on the condition that Akers remain with the Tigers after May 15, 1930. He will leave Beaumont Thursday to join the Tigers. Akers is under contract to have brought \$10,000 and 150 players.

Zachary, Ace Of 'Nothing Pitchers,' Proves Mainstay Of Yankees' Staff

HUGGINS NEEDS MORE LIKE HIM; SAID TO BE 'WASHED UP'

By WERNER LAUFER

NEA Service Sports Writer

They call Tom Zachary, veteran left-hander of the New York Yankees, a "nothing pitcher." A "nothing pitcher" is one who has little stuff on the ball in the way of great speed or sharp-breaking curves, and who depends a great deal on his infield and outfield to get by.

If Miller Huggins had two or three more "nothing pitchers" on his staff like Tom Zachary, he would beyond doubt have his Yankees as far out in front as are the Philadelphia Athletics at present.

Zachary at this writing is the only pitcher who has taken a more or less regular turn in the box to remain undefeated this season. To date he has won nine games. But now that this is written he will probably be shelved off the next time he goes on the mound. (Time out for Tom Zachary and all his admirers to knock on wood.)

"All Washed Up"

Just about a year ago Zachary was about to be shipped to the minors by the Senators. Clark Griffith wanted immediate delivery on young Ad Laska of Minneapolis and intended to send Tom in part payment. Tom was all washed up as far as Washington was concerned. Griffith asked the customary wagers figuring nobody would claim the left-handed reed. But Huggins crossed him up by refusing to waive. Griffith was sore as a bull.

The "Old Fox" couldn't understand why Huggins thought there was any major league pitching left in the 31-year-old "nothing pitcher." He burned up telephone wires trying to argue Huggins out of claiming him. But Miller was a man and Laska secured Tom for the waiver price of \$7,500. Huggins had the idea Zachary would be just the man to take the ailing Herb Pennock's place. Huggins was right, and it was a case of the "Old Fox" being outfoxed.

Tom won seven games for the Yankees the balance of that season and beat the St. Louis Cardinals in the third game of the world series. This year Huggins has been picking spots for Zachary. He has been careful not to put too much strain on that aging arm by working Tom too often. That is one reason why Zachary has been the toughest guy to beat. But another reason is Tom is a "nothing pitcher."

Smart Fellows

When they call a guy a "nothing pitcher" he is usually a winning pitcher. A man who gets knocked out regularly has the players' sympathy and never draws such a sarcastic appellation. "Nothing pitchers" as a rule are smart fellows. They pitch with their heads and excellent control. When Tom Zachary is working, the batters mostly pop up, line flies or go out into the "Big Bill" route. A "Big Bill" is an infielder's expression for an easy bouncer. And the batters go back to the bench to tell their mates "He ain't got nothin'!"

Jim Bagby of the 1929 pennant-winning Cleveland Indians was a great "nothing pitcher." Bagby didn't have a great amount of stuff, but possessed great control and a sweet change of pace. He also had the happy faculty to be pitching when his mates were hitting. Billy Evans, at that time the American League's premier umpire, called him a "roving chair" pitcher. Billy would bet he could sit behind the plate in a rocking chair and call Jim's slants right.

Another "nothing pitcher" who starred in the National League was Slim Salee. Slim had wonderful control. Salee's ferocious windup had many batters scared stiff. He would get a wicked gleam in his eye and go into a cat fit before delivering the ball. And when it came over it was usually a cripple. But it was where the batter wasn't expecting it and it made Slim a great pitcher.

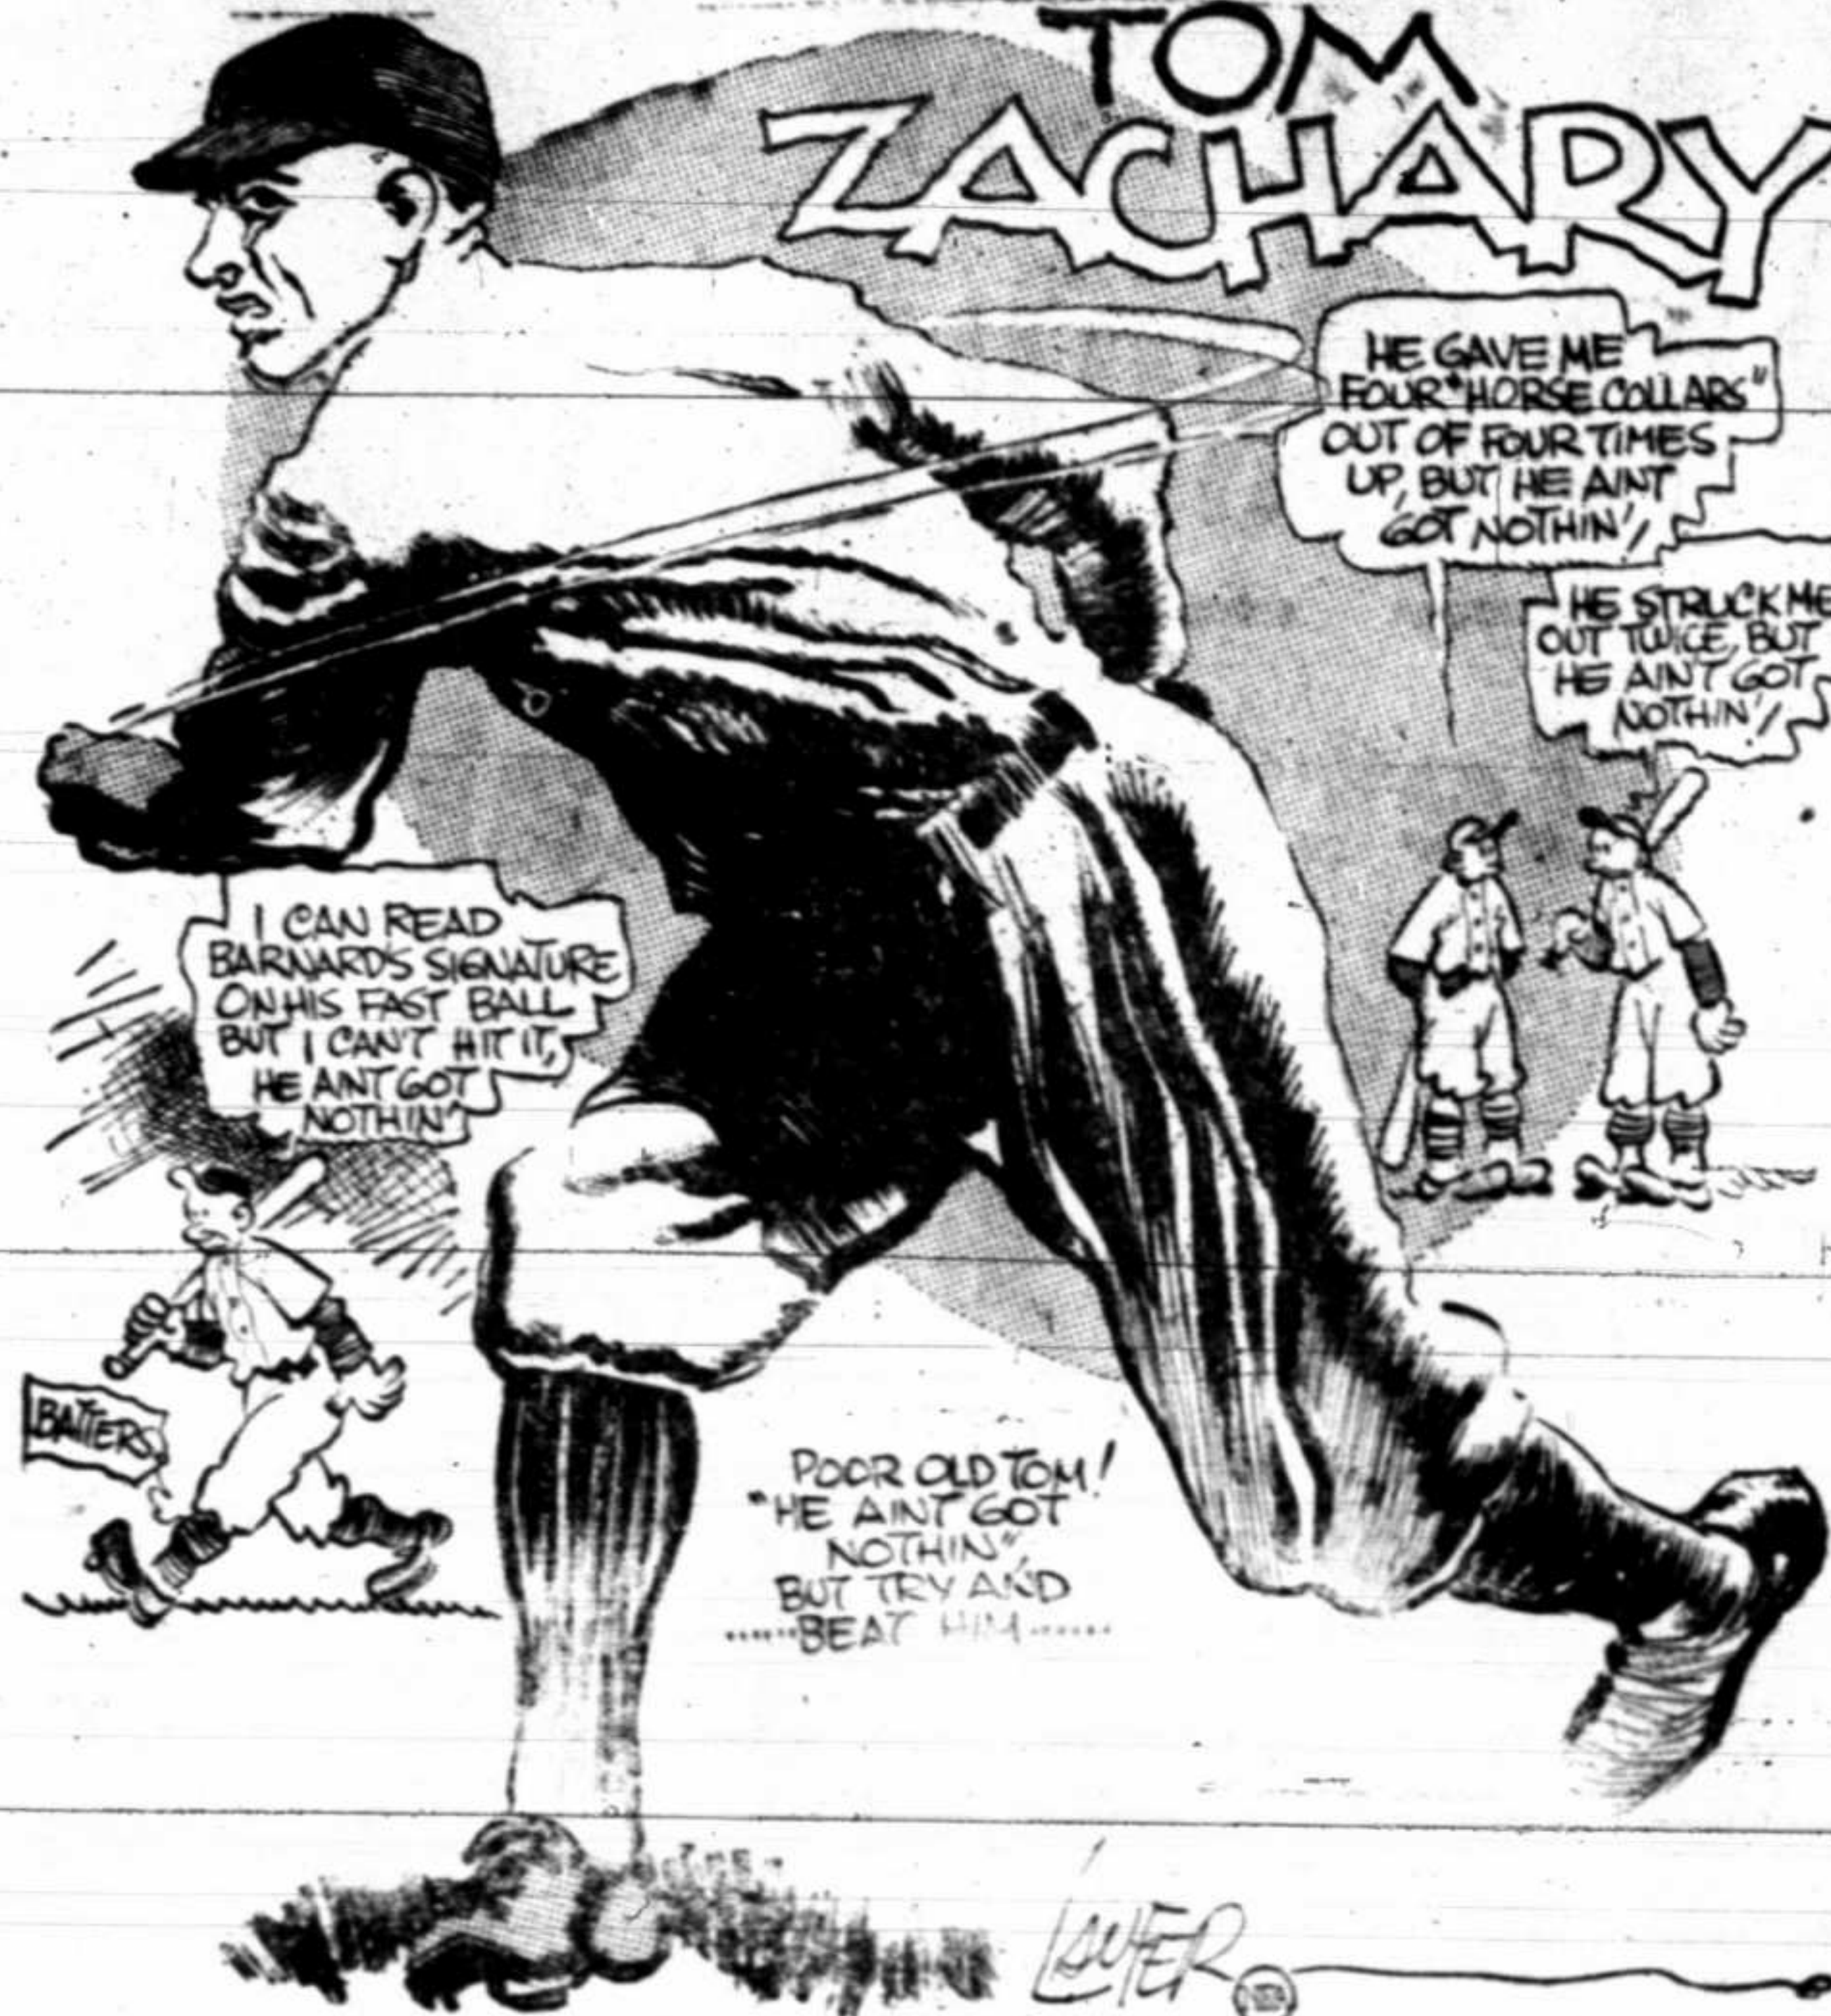

Devore Takes It

Christy Mathewson once told of when Salee was pitching for the St. Louis Cardinals and the Giants had Josh Devore playing in the outfield. Josh was scared silly by Salee's snappy windup. He was duck soup for the big pitcher until one day John McGraw called young Devore aside and ordered him to let himself be hit by one of Salee's pitches.

"That guy can't break a pane of glass at 60 paces," whispered McGraw. "Step in there and let him plunk you in the ribs or it will cost you \$100." Josh thought a lot of his ribs, but more of the money. With knees knocking he closed his eyes and ducked into the ball. McGraw was right. Josh hardly felt the impact, and from that day on Devore was no longer a sucker for the "Missouri" pitcher.

Order Issued On Dog Racing Plant

DALLAS, Sept. 4 (AP)—A temporary order restraining the Dallas-Fort Worth kennel amusement park and two of its representatives from tearing down or injuring the racing plant between Fort Worth and Dallas was obtained here today by L. K. Powell, who said that he owned \$25,000 worth of stock in the venture.

MAJOR CHASES NEARING END

ONLY SMALL AMOUNT OF VICTORIES ARE NEEDED TO WIN

BY WILLIAM J. CHIPMAN

Associated Press Sports Writer

With the two pennant races settled beyond the doubts of even the most hopeful Pirate and Yankee supporters, the Cubs and the Athletics now turn to a pursuit of the mathematical certainty through the stretch. The chase should not be long.

A survey of the standing of the clubs shows the Cubs need sixteen victories and the Athletics eleven to clinch the pennant. He thinks they are "in."

"I don't think there is any doubt about us mixing with those Athletics in the world series now," McCarthy admitted after studying the past month's record and the future schedule.

Chicago, Sept. 4 (AP)—Manager Joe McCarthy has broken his silence regarding his club's chances of winning the National League pennant. He thinks they are "in."

"I don't think there is any doubt about us mixing with those Athletics in the world series now," McCarthy admitted after studying the past month's record and the future schedule.

Since a defeat for a second-place team also counts toward the victory needed by the leaders, neither of the coming champions should require more than ten days or two weeks at the most to settle the argument. It is the first time in many years that both races have been in line for such early decision in the season.

When George Earnshaw speared his twentieth victory at Philadelphia yesterday 10 to 2, with the Yankees on the receiving end, he placed his team just fourteen and one-half games to the good. He also clinched the season's series against the champions, as the third straight in the holiday engagement gave the A's a record of twelve games won and only eight lost in play with the Yankees, with two more to be decided.

Boston Sees Good Game

With nothing whatever at stake, the Red Sox and the Senators played a spirited game at Boston, with the Senators on top 10 to 5 at the finish. The victory gave the Washington clan the edge in the series by two games to one.

FIGHTS LAST NIGHT

JERSEY CITY, N. J.—Arthur De Kuhl, New York, knocked out Joe Boynton, Texas, (3).

New York—Pete Nebo, Tampa, Fla., and Sid Terris, New York, drew, (10).

Indianapolis—Tracy Cox, Indianapolis, knocked out Eddie O'Dowd, Columbus, (3). Jimmy Dale, Decatur, Ill., outpointed Phil O'Dowd, Columbus, O., (8).

Chairs have been provided now in the library at Sing Sing so the prisoners can read sitting down. Still, that's not such a great improvement.

All of the National League clubs spent the day recuperating from a holiday. The Cubs and the Cardinals had intended to go into St. Louis to play off a postponement, but an inspection of attendance figures at recent games led Sam Breadon to decide in favor of a double-header today.

Morgan May Hurl

Morgan and Patterson are in line for hurling duty against the Littlefield sluggers, with the former most likely to get first call.

With Glossop on second, the left side of the infield will be shifted over to fill the third base post. Rigney is slated for short and Afer for the hot corner.

Brothers, Jackson and Wilson will be the trio of fly chasers on duty.

REPORTS SAY C. OF C. HAS RATES OFFERS

SPUDS GIVE LOOKING TO STEERS AS RACE NEARS CLOSE

BY GALE TALBOT, JR.

Associated Press Sports Writer

Up Wichita Falls way they think so well of the Spudders' chances of winning the current chase the chamber of commerce is offering attractive round-trip rates to the three southern cities which still have a chance to participate in the Dixie Series.

From the manner in which the Oilers poured it on the Dallas Steers in their series opener yesterday, 18 to 1—there is every indication this chamber of commerce knows what it is about. If ever a club was given a country licking, the Spudders administered one to the first half champions.

Doubleheaders today will effect the final evacuation of southern territory. Starting tomorrow, the four northern outfits will be in their home orchards until the race ends a week from Sunday. Houston, only club given a chance to beat the Spudders to the top finishes on the road. The Bufts have won 23 and lost 41 games on foreign soil so far, which may be indicative of something or other.

Staley Hit Hard

The Bufts pounded 12 hits off Lefty Staley, just sold to the St. Louis Browns, to down the Exporters, 4 to 1. One was a homer by Hack Miller. Paul Wachtel, who was pitching in the Texas League before Staley was baseball conscious, limited the Shippers to six safeties, all singles.

Despite a five-run rally the drove Whitworth to cover in the eighth. Shreveport dropped its opener to the Cats, 8 to 7. Ernie Holman, Sport seige gun, whiffed to the ninth with the bases crammed and two out.

The Cats, incidentally, are with out a leader. Frank Snyder and Tom Robinson, club president, having left for a tour through the player market of the north and east.

George Blackberry blasted his 20th and 30th four-baggers as the Cat maltreated the Indians again, 16 to 7. Sanguinit hit his 28th. B. Earl Caldwell's 20th victory.

A California woman mayor has ruled against the sale of liquor to minors. That's a good measure, wonder how she happened to be of it.

QUARTER-FINALS SET FOR TOURNEY

WICHITA FALLS, Sept. 4 (AP)—Four Wichita Falls Golfers, two from Dallas and one each from Monday and Electra, faced each other today in the quarter-final round of the annual invitation tournament of the local country club.

Tommy Cochran, veteran of many campaigns and former state amateur champion, with Fred T. Crouper, Jr., L. T. Burns and Morris Norton formed the home town phalanx.

Gus Moreland and Jack Jackson of Dallas, Bob Alexander of Monday and Jack Parr of Electra were the out of town challengers.

SOUTHWESTERN CHAMP TAKES PECK OUT

Bob Peck, Lubbock open champion, was defeated in the second round of the championship flight in the Wichita Falls Golf and Country club tournament Tuesday by Gus Moreland, Dallas youth and winner of the recent Southwestern championship meet at Shreveport.

Peck went out on the fifteenth hole with his youthful opponent, 4 up.

In the morning round Peck advanced through first round competition by turning back Bill Rogers of Vernon, one of the leading golfers of the Southwestern conference, 4 and 2. Rogers hails from Texas Christian university.

TOUGH ON PITCHERS

Several National league pitchers wish that Spencer Abbott, scout for Uncle Bobbie's Brooklyn boids, had stayed away from Seattle back in 1925.

Abbott went to Seattle to look at a pitcher. He forgot all about the pitcher when Babe Herman, playing in the outfield, got eleven hits in three days, every one of them a line drive. Abbott arranged the deal on the spot, bringing a 400 slugger for the National league pitchers to play with.

A GLOBE TROTTER

Herman is a globe trotter. Eight years ago, when he thought he would like to play ball—he happened to be in Los Angeles, though born in Buffalo, N. Y. He went to Edmondson, Ark., to start. He was lank, agrawny and 18. He had a mustache and a boy, was there with him.

Both of the young men got trials with Detroit and Manush stuck. But it took Babe several years to reach the big leagues to stay. The reason was his fielding. He hit everything wherever he went, but played an awful game on the bean bag in the field.

Babe went to Reading. He played in Omaha, received two trials with the Boston Red Sox, then went to the minors to play in Atlanta, Memphis, San Antonio, Little Rock and Seattle. He cost Uncle Robbie \$15,000.

FIRST YEAR BAD

Herman took the first base post left by Jacques Fournier, who had to leave the game with a wrenched knee. He got away badly, his first full season's batting average, during 1927, falling to .272. The next

year Robbie sent him the outfield and told him he would play there whether he caught any fly balls or not. Herman batted .341.

This year Herman has been a scourge to National league pitchers. He seems to have no weakness. He can be fooled by a pitch and at the same time smack it to the outfield. Frequently he meets the ball far out in front of his body, with only his right hand on the bat, indicating the pitch fooled him but he rode it for a safety just the same.

Babe hasn't concentrated on home run hitting. However, some of his drives have been long ones. He drove to the old bleachers in Boston and the distant stands in Cincinnati. In the Reds' 36 acre park he has hit over the center field fence. In Brooklyn he bounced one on top of the shed near the center field flag pole.

And gradually he is learning how to play right field.

ANOTHER BUNDY
Hereditarily hasn't counted for a great deal in sports, but little Miss Dorothy (Dodo) Bundy, at the ripe age of 12, gives promise of following in her famous parents' footsteps. Her father, Tom, was a great player twenty years ago. For three years in a row, paired with Maurice E. "Comet" McLoughlin, Bundy won the national championship.

Mother Bundy was the Helen White of her day, ruling champion of a quarter of a century ago. Before her marriage she was May Sutton of the famous tennis family of that name.

MATADOR COACHES START WORK SOON

Grady Higginbotham, who will begin next week his first season as head football coach at Texas Tech, is expected to arrive today from Dallas where he has been attending the Knute Rockne-Pop Warner coaching school on the campus of Southern Methodist University.

Matador athletic officials plan to issue equipment Monday to the candidates for the 1929 eleven and on Tuesday, Sept. 10, the official training season will start under the direction of Coach Higginbotham and Payne.

Rhodes Ingerton will be in charge of the first year gridders during the coming season.

COLTS AHEAD IN WEST TEXAS RACE

COLEMAN, Sept. 4 (AP)—With the West Texas league title in their grasp, the Midland Colts were here today for what may be the deciding game in their championship series with Coleman.

Midland went into the lead in the seven game series yesterday by winning 6 to 2. The Colts now have 3 victories to 2 for Coleman.

Gene Moore won his second game of the series yesterday when he let Coleman down with seven hits.

Sullivan To Be Out Of Twin Bill Today

DALLAS, Sept. 4 (AP)—Dick Sullivan, Wichita Falls outfielder will be out of today double header with Dallas because of a slight leg injury received in Tuesday's game. He wrenched the leg sliding to the bag when he tripled in the fourth inning of the game.

At a recent convention in Seattle of old timers who took part in the gold rush of '98, one of the dance hall girls told of the hardships of the hike across the mountains with all her dance hall costumes strapped on her back. She could carry it all in her pocket nowadays.

Ship's Crew Tell Of Mutiny In Fire

MOBILE, Ala., Sept. 4 (AP)—Members of the crew of the tank ship Paulsboro, badly damaged in a fire August 27, while 300 miles off Mobile, today bared a story of a mutiny aboard the vessel after the fire was discovered. Seamen on the tanker charged officers of the ship with negligence and said details of the mutiny would be laid before shipping board officials.

HERO BURIED

Captain Jesse Billingsley Is Brought to Austin

AUSTIN, Sept. 4 (AP)—The body of Captain Jesse Billingsley, who fought at the battle of San Jacinto, was brought to the state cemetery Tuesday, the first of 18 other Texans buried in scattered graves that will be removed to Austin under a bill introduced by Sen. J. W. Bragg, of Fort Worth; M. W. Weyman, of San Antonio; and I. W. Bragg, of Caldwell, Kansas.

passed by the 41st legislature. Captain Billingsley died 49 years ago—October 1, 1880—and had slept in a modest grave near McDade. He was 70 years old when he died.

Among those present at the ceremony was a son, Jeptha Billingsley, 80, who lives in Elgin.

OIL-ELECTRIC ENGINE MAY SPEED UP RAILROADS TO COMPETE WITH PLANES; NEW DESIGNS ARE MODELLED

Above, Engineer William Spencer, who began by operating wood-burners in Canada in 1882, pilots the 9000, shown below. Inset shows the 9000 going 75 miles an hour with limited train.

Successful in tests on the Canadian National Railway between Montreal and Toronto, a new type oil-electric locomotive, known as No. 9000, may be the forerunner of a fleet that will speed up railroads to compete with airplanes. With an oil tender it is asserted it can draw a train of 12 cars from Montreal to Vancouver in 50 hours without stopping. It can make three trips, without stopping for refueling and without a tender, between Montreal and Toronto. Described as operating on one-fourth to one-fifth of the fuel consumed on a steam locomotive and generating equivalent or greater power, the 9000 runs without third rail or wires. It generates its own electric power. On the tests, it sped at 75 miles an hour, pulling a train without vibration. It has 2,600 horsepower.

What's All This Home Modernization Talk?

A NEW and thrifty idea is sweeping America! It's the home modernization idea. We are discovering that it is good business to remodel our homes and business buildings. Colorful, permanent Face Brick most easily and economically lends itself to this type of improvement. It is surprising what transformations can be wrought with so little money... through the use of Face Brick.

You really should investigate. May we send you the booklets referred to below? The Institute will be glad to answer individual questions on the use of Face Brick.

THE TINYMITES

BY HAL COCHRAN

(READ THE STORY, THEN COLOR THE PICTURE)

The Tinymites could hardly speak. In fact each one of them felt weak. The circus man had given them an auto. Think of that. It looked just big enough for four. Said Scouty, "Who could wish for more?" And then he got excited and began to wave his hat.

"Murray for everything," he cried. "We're going to have an auto-ride. And this machine's our very own. We'll soon chug over the land. The boss of all the circus crowd is very kind and should feel proud. Come on, you lazy Tinymites, and give the boss a hand."

So all the bunch began to clap. This made the boss a happy chap. "Oh, that's all right," he calmly said. "You've also been real kind. Now we will fill your car with gas, and make you a path so you can pass. Why don't you go exploring just to see what you can find?"

"A great idea," Clowny cried. "I'll drive when we begin to ride. I'm sure that I can steer this thing and keep it going straight. Imagine me, up at the wheel. Just think how wonderful I'll feel. I'll honk the horn and buzz along. Oh, I can hardly wait."

The gas was soon put in the tank. The boss said, "There! You need no crank. Just step upon the starter and then throw it into gear. All hop aboard before you start. We'll

Tremendous Power from the Wind

The Aeromotor Co. is now making a self-oiling windmill 20 feet in diameter. If you have a well 1000 feet deep, or if you want to raise a large quantity of water from a shallower well, this is the windmill you need. This new Auto-Oiled Aeromotor weighs nearly 2 1/2 tons without the tower. It is a giant for power.

Whatever your water requirements may be there is an Auto-Oiled Aeromotor of the right size for the work. They are made from 6 feet to 30 feet in diameter. Use the smaller sizes for the shallow wells and the larger ones for the deep wells or large quantities of water. Our tables, sent upon request, tell you just what each size will do.

The Improved Auto-Oiled Aeromotor, the genuine self-oiling windmill, is the most economical and the most reliable device for pumping water. It works every day and will last a lifetime.

Every size of Auto-Oiled Aeromotor has double gears running in oil. All moving parts are fully and constantly oiled. One oiling a year is all that is required.

The Auto-Oiled Aeromotor is made by the company which originated the steel windmill business. For full information write

27. REAL ESTATE
LUBBOCK REAL ESTATE
Is just as fine an investment as it was ten years ago, and you know how fine that was. Those two unencumbered lots we have to trade for unencumbered land at \$20,000 carry a great opportunity. Ten years from now they will be worth \$50,000 and you will hear somebody say, "Yes sir, I remember when those lots sold for \$20,000. How often we hear expressions like that."

These two lots in Highland for \$850 are also wonderful little bargains. They are worth not less than \$900.

Two Divorce Suits
Are Filed In 99th
After being separated from her husband twice, followed by temporary reconciliations, a Lubbock woman entered a petition for divorce this morning in 99th district court, charging that the defendant had

accused her of infidelity and was cruel to her.
Another divorce petitioner alleges that her husband had manifested an unbearable coolness toward her and that he had asked her not to return to him while she was visiting her father, who was seriously ill.

STOCKS ARE
IRREGULARNUMBER OF SHARES GO
UP; POOLS RESUME
ACTIVITIES

NEW YORK, Sept. 4 (AP).—Further profit taking developed at the opening of today's stock market, and prices were again irregular. Radio Corporation common opened with a block of 7,000 shares at 100, up 17-1/2, and initial gains of a point or more were recorded by American Copper, North American and American Type foundries. General Electric dropped 3 points and initial declines of a point or more were registered by International Telephone, U. S. Freight, Montgomery Ward and Gillette Safety Razor.

Shares Decline
American Machine & Foundry broke nearly 9 points in the first half hour. Westinghouse Electric and Stone & Webster extended early declines to 3 points each and Johns-Manville, Peoples Gas and Goodyear Rubber lost 2 points, or more.

Pools resumed activities in a few specialties in which favorable developments were believed to be pending. Western Dairies B, Best & Co., and Otis Elevator all were pushed into new high ground. American and Foreign Power rallied nearly 3 points. U. S. Steel common, American Sugar Refining, Sears Roebuck and Corn Products advanced a point or so. Buying of the rails was rather selective in character.

Foreign exchanges opened firm, with cables quoted a shade higher at 4.84 13-16.

GRAIN IS EASY
ON MART OPEN
CHICAGO, Sept. 4 (AP).—Grain opened easy today, wheat reacting to the soft market at Liverpool and possibility of rain in Argentina. Corn was lower too, influenced by wheat and by rain over a large part of the corn belt.

Wheat was 3-4 to 1-5-8 lower at the start and corn under 1-2 to 1-4 lower. Oats opened 1-4 to 3-4 lower and provisions were steady at 2 to 5c gain.

COTTON EASES
OFF SLIGHTLY

LOWER CABLES THAN
DUE INFLUENCES;
RISES LATER
NEW ORLEANS, Sept. 4 (AP).—The cotton market opened easy in sympathy with lower cables than due. Initial trades showed losses of 5 to 7 points, but continued absence of rain in the drought section induced enough demand to check the decline.

A bullishly construed private crop estimate of 14,998,000 bales strengthened the market, and October traded up to 19.23, December to 19.33 and January to 19.40, or 6 to 8 points above opening figures and 1 to 2 points over yesterday's close. At the end of the first hour the market was quiet and fluctuating within the early range.

Although the weekly weather and crop summary was unfavorable as a whole the market turned easier during the second hour owing to a forecast for showers in the western belt. Liquidation by western interests and hedge selling helped the decline which carried October off to 19.10, December 19.20 and January 19.28, or 22 to 26 points down from the early highs. At mid-session the market was quiet and at or near the lows.

DECLINE IN NEW YORK
FROM 1 TO 3 POINTS
NEW YORK, Sept. 4 (AP).—The cotton market opened steady at a decline of 1 to 3 points in response to relatively easy cables. There also seemed to be some southern selling as well as realizing.

December eased off to 19.26 and March to 19.30, but offerings were readily absorbed, and the market turned steadier. By the end of the first half hour active months were 2 to 6 points net higher with December selling around 19.72.

The first flash of the weekly weather report brought in a spurt of buying, but its bullish features appeared to have been discounted and the advance of 19.74 for December and 20.00 for March met a good deal of realizing. This was promoted by talk of better prospects for showers in Texas, and the market which had sold about 4 to 9 points net higher on the mid-morning bulge reacted rather sharply late in the morning.

By mid-day December had reacted to 19.54, with the general market showing net losses of about 14 to 19 points.

REGAINS HEALTH
AFTER 2 YEARS
OF SUFFERING

Lubbock Farmer's Daughter
Declares Orgatone Only
Medicine That Ever
Brought Her Relief
Any person suffering from stomach trouble learns to expect green stools after a meal. Headaches and dizziness are common symptoms and as restless night follows restless night, the body becomes run-down that the sufferer is exhausted by slight effort. This can be erected by proper treatment as was learned by Miss Margaret Jones, living on rural route 2, Lubbock, Texas.

"About two years ago I began to have spells of stomach trouble," she continued. "I was operated on for appendicitis and even since have been so generally run-down that what food I ate bothered me, and I suffered from sour stomach and gas, and became so nervous that I couldn't sleep at night. Also I had liver trouble and had frequent headaches. I had the 'flu' about six months ago and all this helped to get me in a more serious condition.

"A FRIEND RECOMMENDED Orgatone to me and I began the treatment. In a short time I could see some improvements in my condition and I continued taking the medicine until my tired exhausted feeling has disappeared and I have new ambition I'm no longer troubled with indigestion, gas or sourness, but enjoy eating my meals, I sleep soundly and rise refreshed and rested in the morning. I have told some of my friends about Orgatone and they are taking it on my recommendation. Orgatone is certainly a good medicine and will do what they say that it will."

Genuine Orgatone is not a so-called patent or secret remedy but a new scientific bile treatment containing no alcohol or other false stimulating drugs and is sold in Lubbock exclusively by the Bowden's Drug Store who are direct laboratory agents.

TARIFF FIGHT FACES SENATE GROUP TODAY

OLD PARTY ISSUE IS UP
BEFORE LAWMAKERS
IN SESSION

By D. HAROLD OLIVER
(Associated Press Staff Writer)
WASHINGTON, Sept. 4 (AP).—With one of the oldest party issues—the tariff—to settle once more, the senate half of the special session resumes work today after a two and a half month recess to complete the emergency legislative program recommended by President Hoover.

The house, which started last January formulating the first tariff legislation in seven years and sent the completed measure to the senate in May, will not meet until Sept. 22. Then it will adjourn over three day periods until the senate returns the bill for adjustment of differences.

Lines Organizing
The reconvening of the senate found the Democrats and western republicans organizing to limit the revision to agriculture, or—falling in that—to carry on a vigorous drive to wipe out proposed increases in industrial import levies and, in some instances, to reduce existing rates.

Both groups expressed confidence that they had enough votes virtually to rewrite the bill to their liking.

Senator Smoot of Utah, tariff spokesman for the regular republicans, said he was "ready for the fight."

Leaders Not Present

Both Senators Watson of Indiana and Robinson of Arkansas, respectively floor leaders, were out of the city, and party predictions were left to their lieutenants. Senator Borah of Idaho met with eight other republican independents and discussed the bill for an hour, after which he said the "main point is to confine the revision to agriculture."

He said he had discovered no defections from the 38 democrats and western republicans who voted for his resolution limiting revision last June and thought possible it would pick up an additional vote or two. He had not definitely decided, however, to reintroduce the resolution, which last year he only once introduced and a half month ago.

Another meeting of the farm group will be held today.

Moody Requests Two Prisoners' Return

AUSTIN, Sept. 4 (AP).—Governor Moody today issued requisitions on Colorado and South Dakota for men wanted to answer felony charges in Texas.

Jack Bivins, under arrest in Hugo, Colorado, is wanted at Paducah for driving an automobile under the influence of liquor.

Edmund A. Bruce, wanted at Wichita Falls for swindling over \$500 is held in Yankton, S. D.

Texas Nurserymen Divided On Question

AUSTIN, Sept. 4 (AP).—Texas nurserymen are divided in opinion as to whether Florida nursery stock should be brought into this state at the risk of allowing the Mediterranean fruit fly to spread. George B. Terrell, state commissioner of agriculture, said today before leaving for Fort Worth to attend the State Nurserymen's convention. Terrell said that the convention likely would arrive at a decision whether the Florida stock should be brought into this state.

ONE KILLED IN CRASH

KINSTON, N. C., Sept. 4 (AP).—Richard Bland, Jr., was killed and D. D. Wilson, pilot, injured in an airplane crash near here Tuesday.

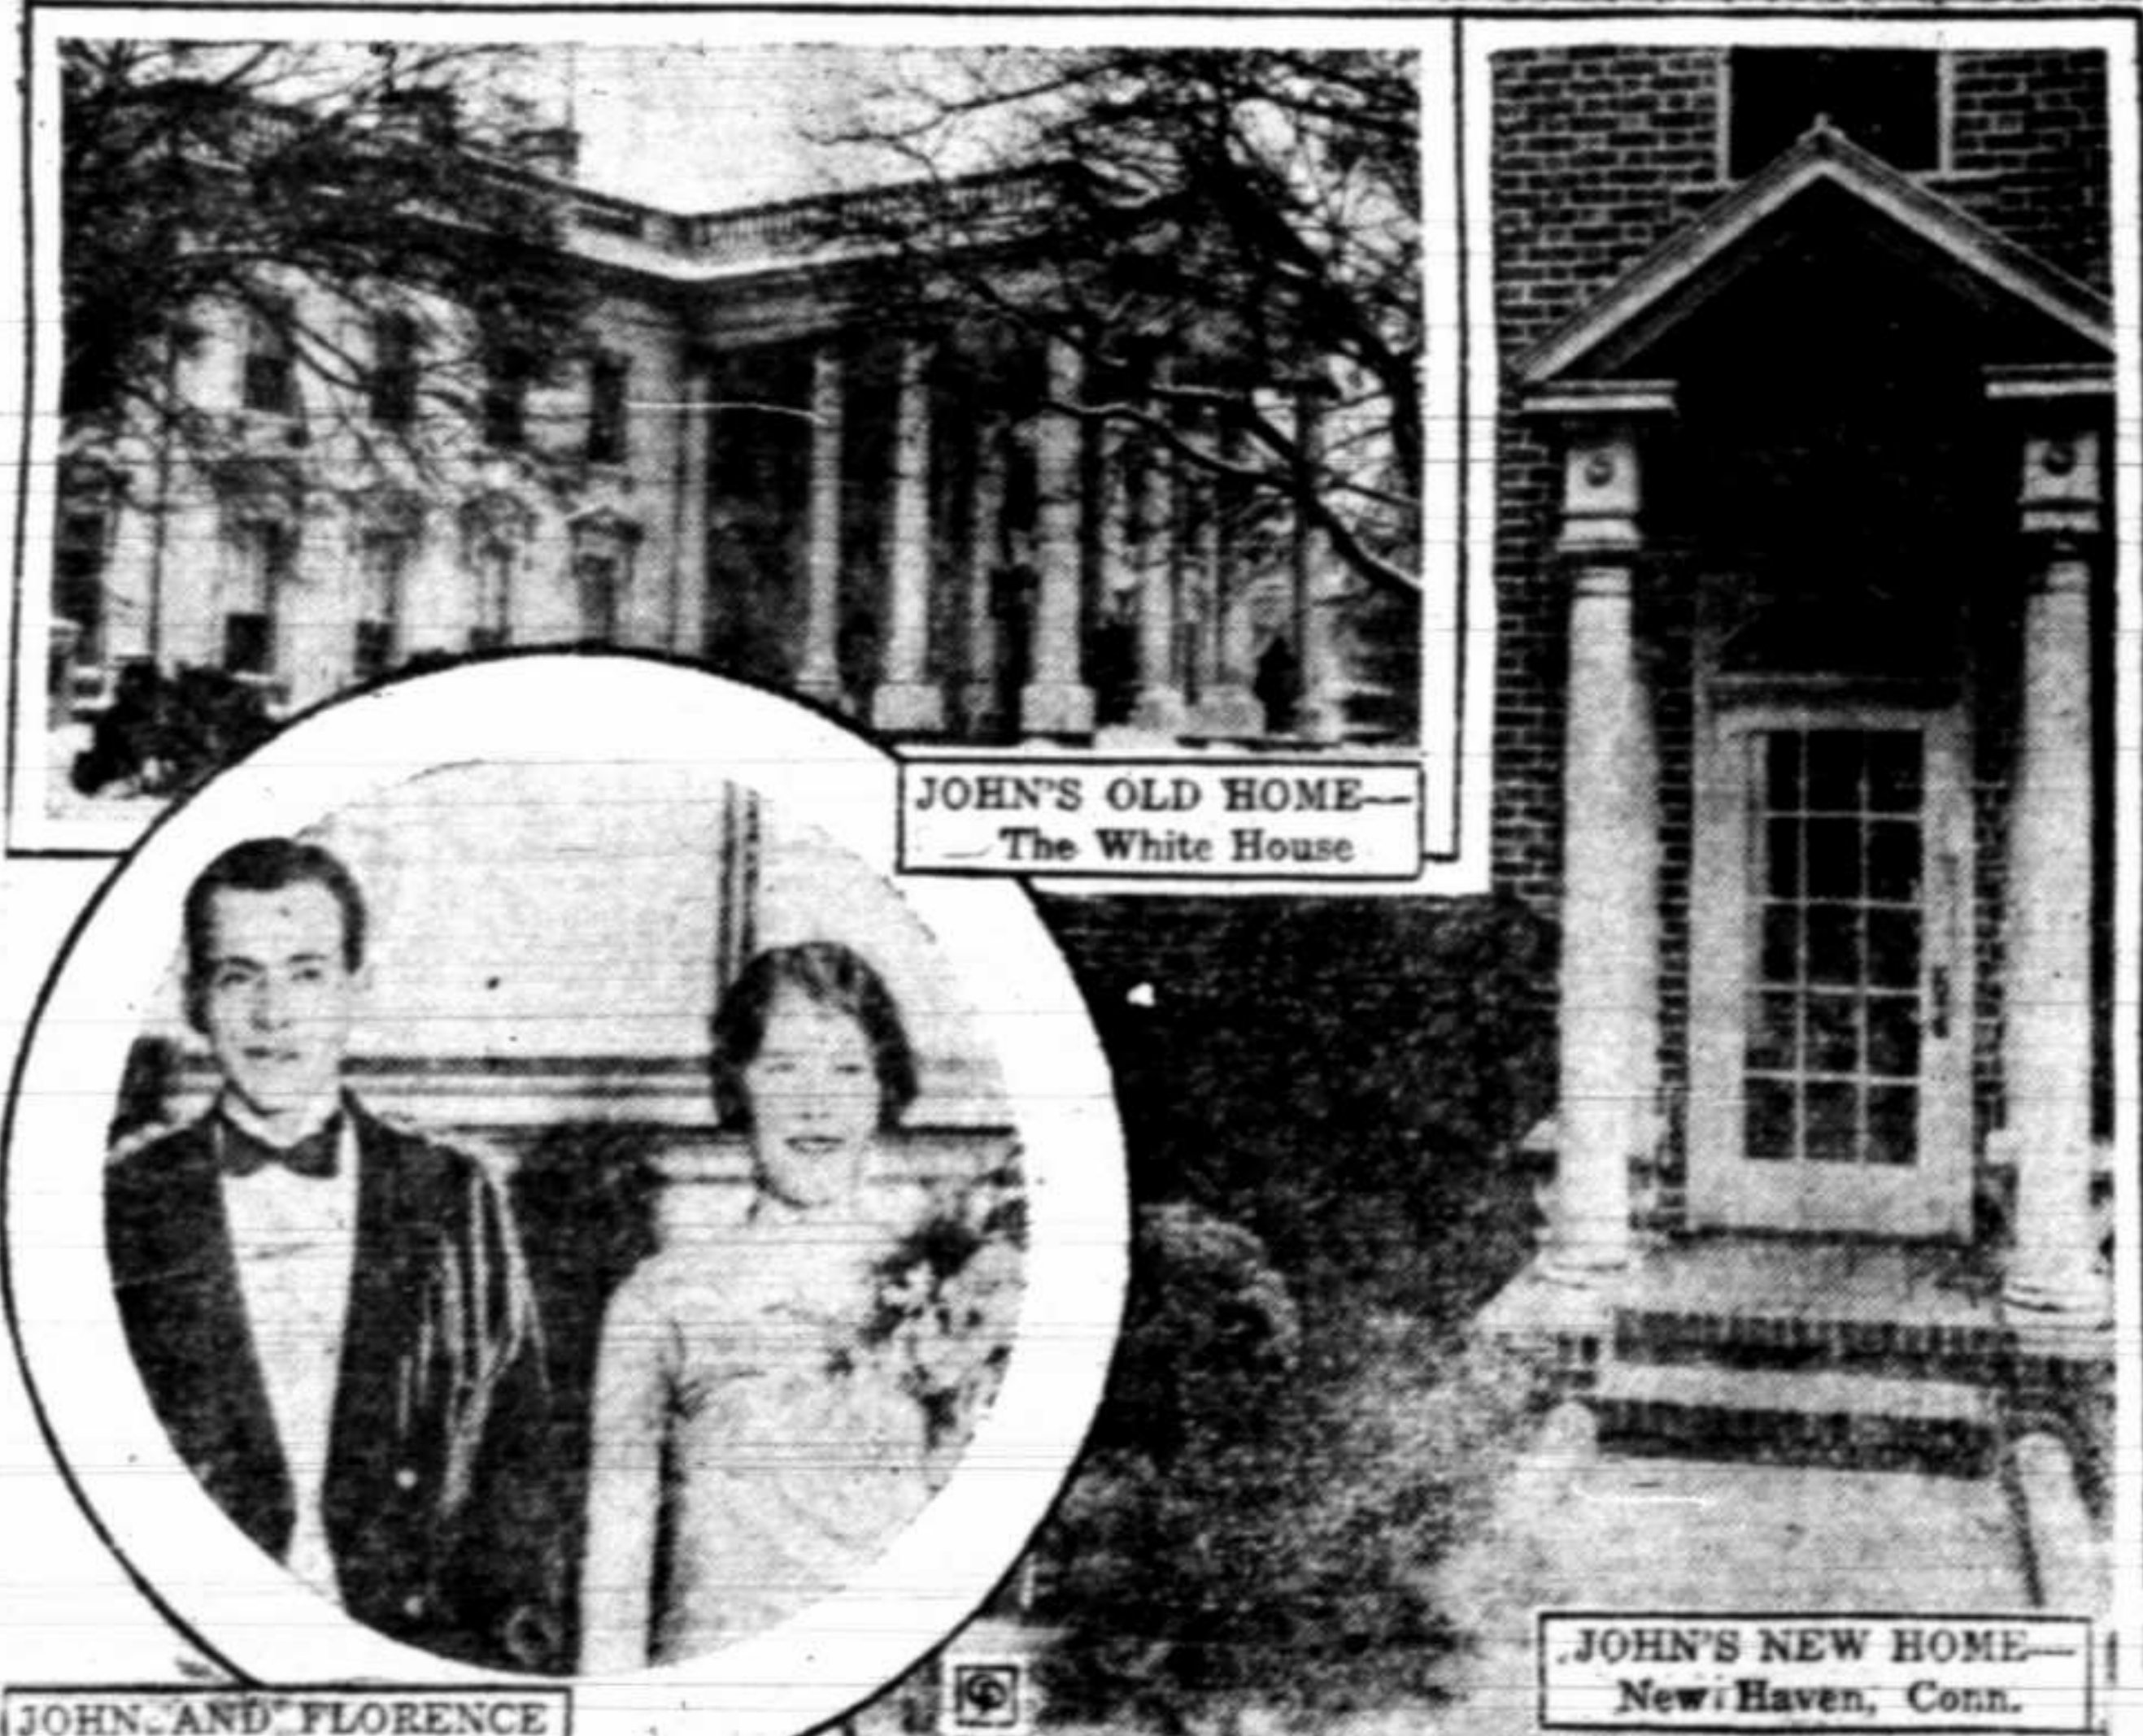

LAST FOREIGN TROOPS PREPARE TO EVACUATE RHINE

Germany contributes 30,000,000 marks (About \$7,500,000)
Occupying Powers contribute 40,000,000 (About \$10,000,000)
—Toward payment of Rhineland costs of occupation.

Ratification by the various governments of the protocol adopted at the International Reparations conference, embodying the terms for the evacuation of the Rhineland, is all that remains before the last foreign troops leave Germany. The French, who will be the last to evacuate, will withdraw all their troops from German soil by June 30, 1930. Photos (1, 3, 5) show British troops on the march and (2, 4) French soldiers as they will appear leaving Germany. Shaded section of map is territory now occupied and about to be evacuated.

FROM WHITE HOUSE TO MODEST LITTLE APARTMENT

Six months ago John Coolidge lived in the White House, the most famous residence in America. Today he has picked out a small, modestly-priced apartment in New Haven, Conn., as his home. But John's happy over the change because he will share the apartment with Mrs. John Coolidge (Miss Florence Trumbull).

Mrs. HENRY had to come all the way from the kitchen when the telephone rang.
But no one was on the line!
Probably the person calling "hung up" before Mrs. Henry could answer.

(It's a good idea to wait a minute or so before abandoning a telephone call.)

SOUTHWESTERN BELL TELEPHONE COMPANY

DALLAS BANKER DEPUTIZED

DALLAS, Sept. 4 (AP).—Col. R. H. Stewart, Dallas banker, was deputized by telegram today to represent Dallas at the christening of the United States destroyer Houston at Newport News, Sept. 7. Col. Stewart is spending his vacation in West Virginia.

CAR INSURED

Loss of Pants Worries Pair of Bathers More

CHICAGO, Sept. 4 (AP).—It wasn't the loss of their motor car which bothered Tony Kaczman and John Krol as they dripped into the South State street police station last night clad in bathing suits. It was the coincident loss of their pants. Car and pants, they explained, had been taken while they were swimming.

Retirement Of Mail Carries Is Endorsed

CHICAGO, Sept. 4 (AP).—Endorsement of the Dale-Libbairt retirement act, providing for retirement of mail carriers at the age of 65, after 30 years service, with a pension of \$100 a month, was given by the National Federation of Rural Mail Carriers in session here today. The convention also endorsed the Kelly Postal Policy Bill, which provides for allocation of expense on all franked mail to the government department from which it emanates.

COTTON GIN BURNS

WACO, Sept. 4 (AP).—A cotton gin owned by J. C. Williams, Lorena, 12 miles south of here, was destroyed by fire late last night at a loss of approximately \$50,000. Origin of the fire was not known. Bale cotton valued at \$5,000 was burned. The loss was partly covered by insurance.

FIGHT BETWEEN ORIGINAL PROGRAMS AND RECORDS FACES NATIONAL RADIO COMMISSION WITH FANS STANDING BY

BY RODNEY DUTCHER
NEA Service Writer

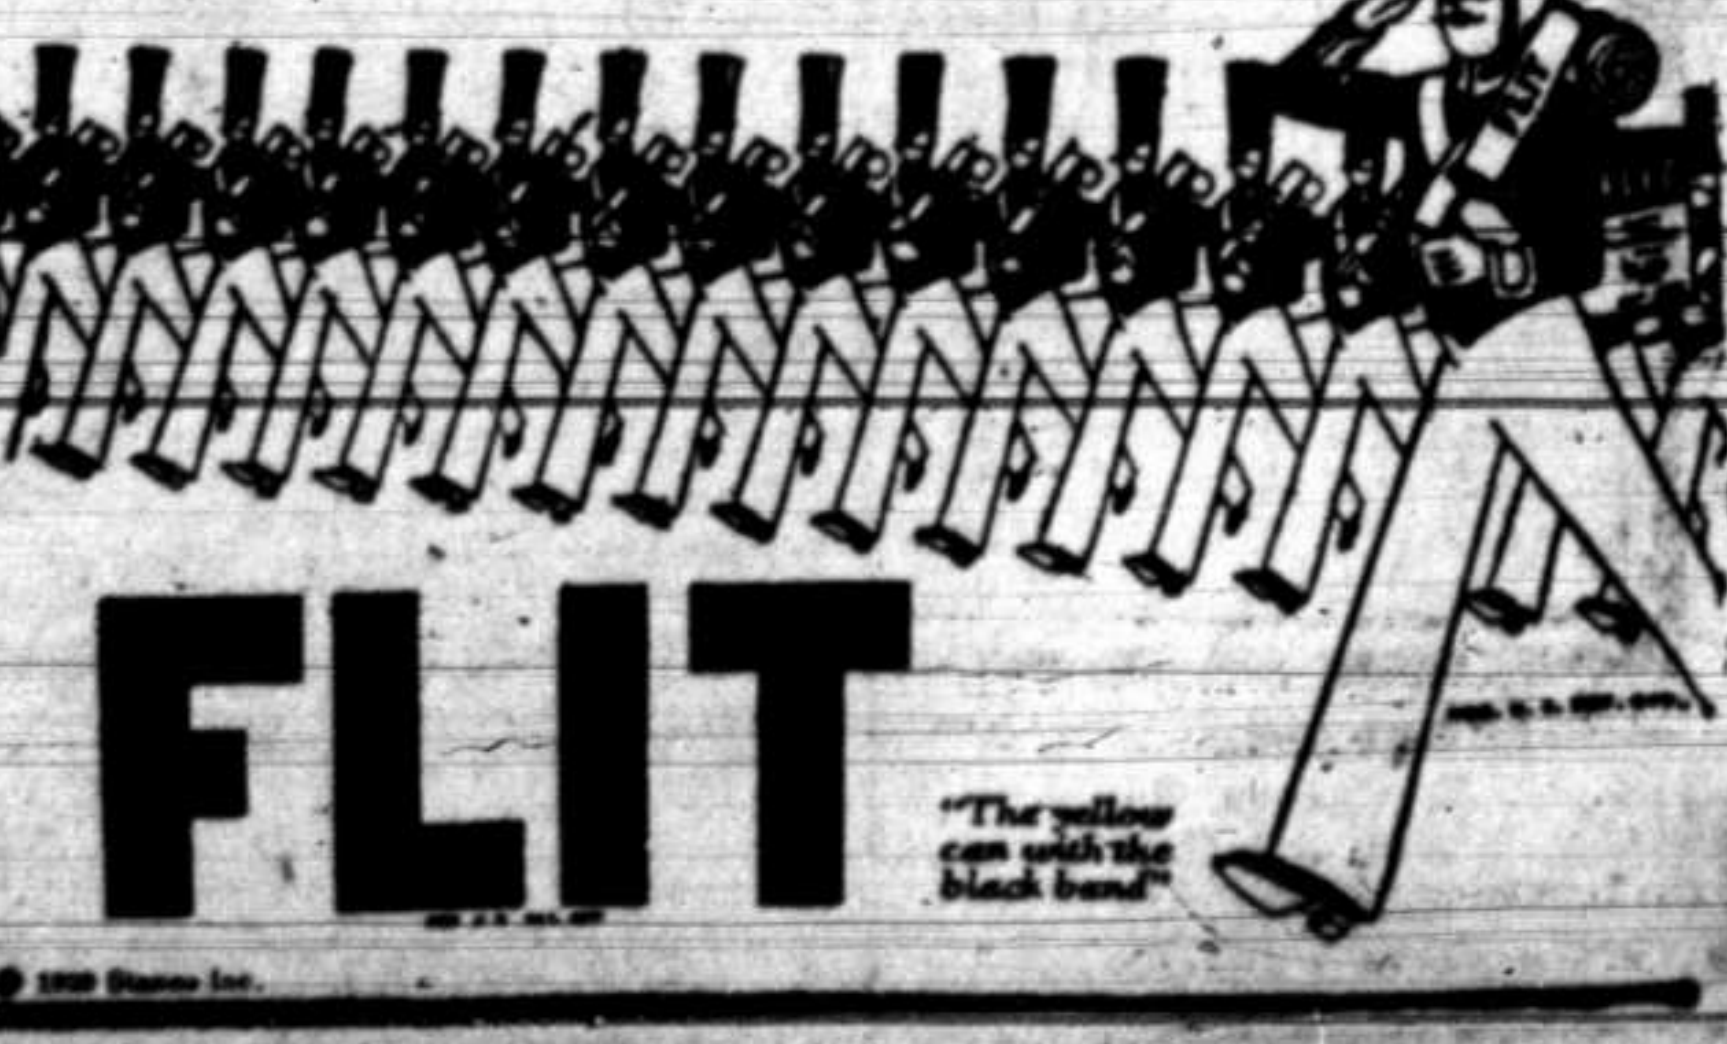

WASHINGTON, Sept. 4.—The next big radio fight in which the fans will function both as excited participants and interested observers probably will concern programs off the phonograph. The smaller stations will be found lined up on one side and the larger stations, which go in for special programs without benefit of Brunswick or Victor, on the other. The Federal Radio Commission will stand as arbiter. The smaller stations will be at the bar of justice, so to speak, and the fans, if they make enough noise, presumably will influence the commission's decision.

This is the picture foreseen by some persons well informed on radio, who are aware of the commission's professed fear that broadcasting in the United States will deteriorate if the phonograph stations continue in unrestrained competition with the stations presenting more pretentious programs. No Kick from Fans Apparently the only thing that has been holding the commission back in its doubt as to just what it can do about the situation. It does not yet appear that the radio fans themselves are aroused over it. Many of them, in fact, enjoy turning on their sets for an hour or so of continuous music. In answer to the criticism that they are too lazy to wind up and change records on their own phonographs, they ask: "Well, what if?" Then again, whatever the commission does to curtail recorded broadcasting, there is fairly certain to be another howl to the effect that it is once more discriminating against the little broadcasters in favor of the big fellows. The only regulation in effect now on phonograph music is a requirement that the announcer make it plain to his unseen audience that each piece played is only a phonograph record. To bolster up the charge that they aren't, a number of complaints have been received, but not enough to make it certain yet that the commission will take formal action. Commissioner Harold A. Lafount, of the fifth or far western zone, is anxious to see something done. He

reports that in Los Angeles alone five stations are broadcasting phonograph music 24 hours a day and says that in a recent check in the same city the same record was heard at least 17 times in a single day. "The public in large cities can easily purchase and use at its own leisure phonograph records of the ordinary commercial type," Lafount says. "A station which devotes the main portion of its hours of operation to broadcasting such phonograph records is not giving the public anything which it can not readily have without such a station. "But the most alarming feature of the situation is that stations using phonograph records, which programs are sponsored by advertisers, are able to quote such low prices that other stations using original material can not compete with them. The result is a decided drift of advertisers apparently to stations offering low advertising prices because of the extensive use of records. "Unless this situation is remedied, broadcasting programs are likely to deteriorate rapidly in this country."

Quicker Death to Roaches

It is easier and quicker to kill roaches with Flit because Flit has a greater amount of insect-killing ingredients, although harmless to humans. Spray cracks and corners. The more powerful Flit quickly drives roaches into the open. Spray them direct. They run and hide but die quickly.
