At Noodle the rainfall reached 2 inches while east of there it measured 3 inches. Goodman had 2.25 inches, Truby measured 2 inches while Comper had 1.50 inches. Star-Telegram Tells How Mail Handles Election

The Fort Worth Star-Telegram carried a story about the election and the press. Part of the article follows:

The "big story" broke just in time last week for the Texas weekly press.

Some of the smaller newspapers played it big, others gave way to the usual fall headlines of hometown football teams while other editors ignored the election of General Eisenhower and Senator Nixon as president and vice president.

The Merkel Mail played: BADGERS 14, ROTAN 13. That was a closer contest in Merkel than the presidential race which took third play on page one. Stevenson led Eisenhower there 484 to 327.

Local Breeders

Win Honors

At Big Show

Among the latest honors to come to the famous Largent Hereford breeders at Merkel were won at the Grand National Livestock Exposition in the San Francisco Cow Palace.

The Cow Palace show is restricted to register-of-merit animals. The LS Hereford Ranch, a joint operation by Roy R. Largent and sons and Dr. W. T. Sadler, won first on its pair of calves, and first on get-of-sire. The latter is the most coveted class award any breeder can win.

Roy and David Largent returned from San Francisco by plane and left immediately for Raton, N. Mex., where they were to show and sell some of their animals in the 10th annual Great Raton sale. Dr. and Mrs. Sadler accompanied the Largents to Raton.

The LS Ranches, at Merkel and Greenville, N. Mex., will have five head in the Texas Round-Up Sale at Fort Worth, Nov. 17 and 18 and four in the West Texas Hereford Sale in Abilene, Dec. 1.

Football Out Basketball In For Junior Badgers

The Junior Badger game with Anson was rained out on Tuesday of last week. This completes the Junior Badger season, announced Coach Leon Walker. Basketball practice began Thursday of last week.

BIG PEP RALLY

The pep rally Thursday of last week began at the downtown section of town and ended up at the stadium. The folks gathered at 6:40 p. m. on Edwards Street, sang, yelled, did a snake dance over two blocks long and then gathered at the football stadium where a bonfire was lit. A large circle was made around it. There were more singing, shouting, dancing and speaking.

Bigger Dollar Day Values Offered On November 18

The sixth Dollar Day in Merkel will be held next Tuesday, Nov. 18.

On that day it will rain bargains.

There will be more bargains, there will be bigger bargains.

More and bigger bargains will be offered in groceries, in drugs, in sundries, and of course in dry goods and filling station items. Garage items are offering big savings.

Truly it will be a great rain of bargains.

Many of these items are listed

in the ads in today's Mail. More will be offered to the public when they get into the stores. There will be bargains all over town.

So, again, it will be another big Dollar Day in Merkel.

Profit by all these bargains. Look over the ads. Note the bargains, note the savings, note the

unusual big values. Make a list of them.

Then come to Merkel on Tuesday, Nov. 18, on the big Dollar Day.

The Merkel merchants invite you. These bargains are their way of saying "Thank you."

So come to Merkel any day, every day, but especially on next Tuesday. Merkel, the friendly town, invites you.

Merkel Baptists in large numbers have been in attendance this week at the sessions of the 84th annual Baptist convention, being held in Abilene at the First Baptist Church. The convention reaffirmed its "unrelenting hostility to the return of the liquor traffic to this country in any form whatsoever."

BADGERS SUFFER DEFEAT

After having ridden 120 miles on a truck, the Badgers had very little fight left when they arrived at Stanton last Friday, but they held the Stanton eleven down to 24 points. Not once, but several times, did the Merkel Badgers threaten the Stanton goal line. Score: Merkel 0, Stanton 24.

Yeats and Mrs. Yeats of Merkel, visited in the farm home of the former at Winters Tuesday.

TEACHERS TO GATHER

Superintendent Roger A. Burgess of the Merkel Public Schools will discuss work of the Texas State Teachers association and the annual convention program to be held at Fort Worth at Thanksgiving time when the Taylor County teachers gather Saturday at Abilene for their first associational meeting of the current year.

This Happened in Merkel Forty Years Ago

TAKEN FROM THE 1912 FILES OF THE MERKEL MAIL

The annual session of the Northwest Texas Conference of the Methodist Church came to a close at Abilene Sunday night after one of the best meetings in history. Merkel people as a whole rejoice that Rev. R. A. Clements was returned to our city by the conference. Nugent secured Rev. E. L. Yeats.

The big business that has been even beyond their optimistic expectations has caused our local merchants to revisit the markets at St. Louis to buy new orders. All have bought heavily of Christmas goods and anticipate one of the best holiday seasons for several years.

Our county commissioners are in session this week and Judge

Bledsoe urged all of them to have their bonds made. It is rumored that Blue Tittle was "ready and rearing to go."

J. L. Banner, our country commissioner, returned to Abilene Thursday. Mr. Banner in speaking of the returns said the work of canvassing them was one of the hardest jobs he ever got into.

Miss Annie Lou O'Brian returned last week from a visit with friends at Waco.

Mrs. G. H. Johnson of Roscoe, who has been here visiting her father, T. E. Costephens, returned to her home Tuesday afternoon.

Misses Lizzie Calvert, Ona Johnson, Ezma Allday and Effie Hutson were in Abilene Sunday attending the conference.

Badgers Crash Mighty Anson For 2 Touchdowns

Coach Carroll Benson's Badgers crashed through the mighty Anson Tigers for two touchdowns and then held them to a scoreless first quarter, penetrating further than the visitors did, making the final score of the game 33-14.

Anson received, got only to its own 44, punted and Merkel had the ball on its own 28. A run of 27 yards by Charles Standard put the pigskin on the Anson 43. And the pass from Derrell Kelso to Standard flew the ball to the 28. Kelso was able to get as far as the 24. When Anson got the ball it was able to get only to Merkel's 43-yard. Score: 3 0, M 0.

As the second quarter began, Sammy Neal of Anson blocked a kick and Don Hollums recovered behind the goal line for the TD. The extra point was not made.

With Kelso doing heavy duty and a nice pass from Kelso to Watson, Merkel got to the Anson 47. Willie Goza of the Tigers received the punt, and ran 64 yards for the tally. Kenneth Helms kick was good.

Merkel was hung on its own 13 and punted. A pass from Helms to Hollums for 29 yards gave Anson another TD. Helms kicked the point.

Merkel went into a passing game. A throw from Kelso to Watson put the ball on its own 30. Kelso to Jerry Gibson to the 45, and the pass from Kelso to Jimmy Russell left the pigskin on the Anson 45 as the half ended. A 20, M 0.

As the second half opened, Watson threw Anson for a loss of 7 yards to the Anson 35. When the Badgers reached the Merkel 45, the Badgers were held tight and Anson took the punt. Anson was taken for a loss of 21 yards, placing the ball on its own 9 when Dale Dudley was hurt on the play and was taken out.

Merkel's passes on the Anson 45 were all incomplete. Anson, too, could do nothing with the ball and punted quickly.

Eddie Breaux caught the ball and carried it to the Merkel 42. A kick blocked by Anson gave the Tigers the ball on the Merkel 35. When the Tigers went wild from that point Breaux and Watson stopped them on the 10. Watson was hurt on the play and taken out.

A pass from Helms to Hollums for six yards was another counter. The kick was blocked.

Merkel bogged down on the Anson 46. The Tigers had the ball on its own 42 when Corky Cox grabbed an Anson pitchout and ran for the touchdown. George

English kicked the point.

When Anson fumbled English recovered the ball and the quarter ended with the pigskin on the Anson 47. A 26, M 7.

Merkel was not through scoring yet. As the quarter opened, neither side could do much. Merkel had the ball on its own 28. Ralph Bartlett was hurt and taken out.

Kelso and Standard delivered the ball to the midfield. And then Russell did some beautiful broken field running, placing the pigskin on the Anson 8. Kelso pushed forward two yards and then slipped through left tackle for the touchdown. English again made the kick good.

Donald Watts ran 14 yards for the Anson TD and Helms made a good kick.

Kelso passed to Russell to place the ball on the Merkel 46 as the game ended.

Outstanding in the line were Dale Dudley, center, Ralph Bartlett, tackle, and Corky Cox, end. Outstanding in the backfield were Derrell Kelso, Jimmy Russell and Charles Standard.

C. M. Brown's Noodle Boys Take Easy Victory From Eula Cagers

Noodle and Eula basketball teams shared victories Nov. 7 at Eula.

The Noodle boys' squad took an easy victory from Eula by racking up 54 points to their 25. All the Noodle cagers turned in splendid performances.

Wallace Hill led the boys to their victory by sinking 18 points. Burr was high scorer for Eula with 11 points.

It was a different story with the Noodle girls however. Eula handed them the worst licking they expect to get this season by defeating them 56 to 26.

The girls tried hard, but just couldn't get started and nothing they did seemed to click. It was definitely their off night, while the Eula "six" did everything perfectly. Dora Eoff and Jean Farm tied for scoring honors of the

night with 39 points each. The Noodle teams met Eula again last night at Noodle. C. M. Brown coaches the boys, A. J. Hill coaches the girls.

W. Largent, Son Expect 1,200 At Second Sale

W. J. Largent & Son are holding their second sale in 51 years of breeding outstanding Herefords on Saturday. About 1,200 persons are expected. When the first sale was held in 1941 there were 2,500 present.

This is a register-of-merit sale, offering sons, daughters, and granddaughters of the world renowned sire, CW Prince Domino 21st, as well as 30 daughters of HG Proud Mixer 2094 and EG Proud Mixer 2192.

AND ONE DOG!

Lester Dorton as usual did the announcing of plays over the PA system. There were many violations of the rules and red flags were being thrown all over the field for almost every play. Lester kept announcing "Red flag on the play, red flag on the play." Once however he surprised the crowd and proclaimed, "Two red flags on the play and one dog." And there was a dog; he was running down the field!

To vary it a little Lester would announce, "Infraction of the rules, infraction of the rules." Someone yelled, "There's no fraction in rules, Lester, that's your yardage!"

OUT FOR BEAR!

J. D. Hughes left Thursday of last week for New Mexico to hunt bear.

CLAUD PERRY

In the passing of Claud Perry there is a great personal loss to a great number of persons in and around Merkel. To all of us there is a lesson of great fortitude and courage in his death.

Claud was a generous man. He helped those who needed help. If we were to count all those to whom he gave material aid the number would run into a startling figure. He believed in helping his fellowmen and he helped without any show or public clamor. It was enough for him that he helped a fellow human being without getting any credit for it. He helped because his heart was with his gift.

The graciousness of the man was revealed in the fact that he and his wife reared five of his brother's children. It takes a generous man to do that. It shows the bigness of his heart.

The courage, the great courage of the man, was revealed by his knowledge of his condition and his bravery in the face of it. This is known by a remark he made a short time before his passing. He said, "I don't mind fighting. But it's not good to know that your fighting will end in losing."

Claud did not lose. His bravery, his courage, his open-handed generosity will live on in the memory of his friends and all those who knew of him.

People like Claud do not live for themselves alone, they do not live selfish lives, they do not live selfish lives. There's the true expression of religious life, of living for others, of giving of themselves to make life easier and better and sweeter for others.

Claud's reward was in the life he himself led. He won a victory, a victory that is an example for all of us to go and do likewise.

THE VOICE OF DEATH

Within a week's time four persons passed away in our midst. A fifth person was brought in from far away to be laid to rest in Rose Hill Cemetery.

Claud Perry passed away at the age of 52. Mrs. Seth Morgan succumbed at 60. Mrs. Cora E. Curb advanced beyond the three score and ten of allotted life and died at the age of 77. Rev. J. W. Hampton reached the ripe old age of 86.

The years run from 52 to 86. One does not know when his time will be up. Our sainted father lived to be 79. Our beloved

mother lived to be 65. Our youngest brother attained 50 years while the brother next to us lived to be only 48.

No one knows when he will be called. Each day is not only the day of life it is also the day of death. One must live as if each day is his last. The things to be done must be done today; tomorrow may be too late.

The good deed, the good word, the good act must be done today; tomorrow may never come.

OUR NEXT PRESIDENT

The voters of the United States have spoken and General Dwight D. ("I Like Ike") Eisenhower is our next President.

Many bitter words were poured out during the campaign and deep feelings were exposed. But the campaign is over, the election is over, the people have spoken and in a democracy such as ours that means that all of us have spoken.

There should be no hard feelings left over. We like the way our good friend, Rev. Hugh Hunt, puts it. "We all voted alike, we voted like good Americans, we voted the way we wanted to vote."

Yes, we voted the way we wanted to vote and the majority voted for Ike and the majority rules in the United States. That is the good American way.

Let us forget the election and all pull together with our new President-elect to make democracy stronger and better than it has ever been before. Let's make ourselves strong within to fight the dangers without.

"WHITE-ICISM"

That's ALL — and the Sage of Figfield adds that good intentions must be spoken for, good deeds speak for themselves.

IS PRESIDENT—Mrs. Larry Nabholz was elected president of the Texas Society for Crippled Children at the annual meeting held in Austin. Mrs. Nabholz has devoted the past ten years to helping Texas' crippled children. She was elected to the board of directors of the state organization in 1945 and served as treasurer until her recent election as President.

The Greatest!

The story is told at Jascha Heifetz and Mischa Elman were eating lunch together in one of New ork's swanky restaurants when the head waiter approached their table with an envelope addressed: "To The World's Greatest Violinist."

Heifetz picked it up from the tray, smiled, and passed it to Elman, who, always the gentleman, said:

"No, Master, it is for you."

So, protesting modestly, Heifetz opened the envelope.

The note began: "Dear Fritz"

What's the biggest "little" business in Texas?

It's the business that employs one out of seven Texas jobholders . . .

It's the business that helps to bring you everything you buy, use, eat or wear . . .

It's the business whose taxes build one-third of all Texas highways . . .

It's the **TRUCKING** business! Over a million Texas men, women and children depend directly on it for their livelihood.

Yet—fifty-six per cent of Texas' trucks are owned by individuals with only one truck. Trucking is probably the biggest "little" business in the State!

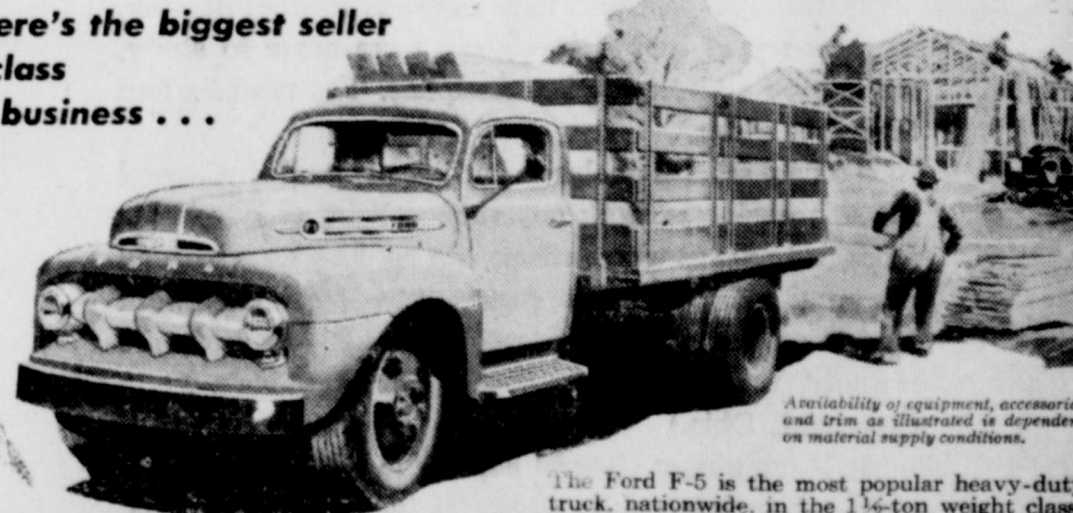

Texans can't do business without truck transportation.

No community can exist, even if it is on a rail line, without trucks to haul goods away from the railroad and get them to stores and homes.

There are 1,788 Texas towns that have no rail service at all. If it were not for trucks, they would have no commerce with the rest of the State and the nation.

Wherever you live in Texas, whatever you do—trucking services are essential to your way of life. Trucks belong!

And here's the biggest seller of its class in the business . . .

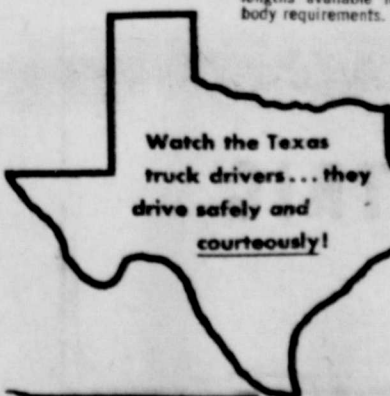

Whatever your work, the rugged Ford F-5 gives all-around economical operation. 3 wheelbase lengths available for your special purpose body requirements.

The Ford F-5 is the most popular heavy-duty truck, nationwide, in the 1½-ton weight class! It out-sells everything in its class, because it out-values competition. Here's an all-purpose performer with a payload capacity that goes over 8,600 lbs. . . lets you carry big bulky loads with ease. Choose new V-8 power—or all-new Six!

FORD TRUCKING COSTS LESS F.D.A.P.

... Ford Trucks Last Longer!

Using latest registration data on 8,069,000 trucks, life insurance experts prove Ford Trucks last longer!

Watch the Texas truck drivers... they drive safely and courteously!

JUNIOR 4-H SEES LESSON ON PEANUT BUTTER BREAD

The Junior 4-H Club met Tuesday in the Elementary School. Annette Boney presided over the business meeting. Roll call was "My Best Color."

A lesson on making Peanut Butter Bread was given by Mrs. Carroll Benson. Twenty-eight girls were present.

Recipe of the week:
PEANUT BUTTER BREAD
2 cups flour
1-2 cup sugar
2 teaspoons baking powder
1 teaspoon salt
3-4 cup peanut butter
1 egg, well beaten
1 cup milk

Sift flour, sugar, baking powder and salt. Cut in the peanut butter with a fork. Add egg and milk and stir just enough to moisten all the dry ingredients. Bake in a greased loaf pan in a moderate oven, 350 degrees F., for about 1

hour; or in 7 concentrated 6 oz. frozen fruit juice cans 30 minutes at 373 degrees F. till 1-2 full.

Sandwiches are perhaps the

most popular way of serving quick loaf breads. Fillings may be:

(a) Cream cheese
(b) Grated American cheese

(c) Butter or margarine
(d) Combination of ground dried fruits and nuts.
(e) Ground nuts and enough mayonnaise to moisten.

An Electric Freezer saves time and trouble in many different ways, and provides better results. For the holidays, mince pies, puddings and the like can be baked in advance and frozen. Chili con carne, soups and chop suey can be packed in meat use containers, and frozen for future use.

Fresh from the Freezer

"Life is simpler, Judy, since we've had this Electric Home Freezer, full of fresh frozen things to eat — and the meals are better! Look at the variety in there! Corn on the cob, strawberries, peaches, snap beans — meat, cakes all baked and ready to warm in the oven — your school lunches for a week, all wrapped and frozen so I just have to take a package out in the morning when you leave for school.

"And we're never 'out of things'. When they have bargains at the stores — in frozen foods or in meats — I can stock up on them. I never have to throw leftovers away — just freeze them to use weeks later. So you see, this freezer saves me time and saves your Dad money, too!"

With an Electric Home Freezer you can shop every couple of weeks instead of every day or so. Buy meat, fruits and vegetables when they're on sale, save money that way. You simply freeze and store until needed.

A complete Sunday dinner, prepared weeks in advance and stored in the freezer, is ready to heat and serve when needed. Hamburgers, wieners, and lunches for picnics can be frozen in advance.

DID YOU KNOW...

with an Electric Home Freezer you can:

Freeze bread slices until needed, keeping them fresh and firm... freeze large quantities of cooked beans, stews, etc., and store for later use... freeze and store cakes... freeze waffles, warm in electric range oven as needed... store ice cubes for parties... save enough on food to pay for the freezer in a relatively short time!

Reading and Lighting and 'Rithmetic

Look what some figure-happy statistician just found out. From kindergarten through high school, school kids have to plow through a pile of books 18 feet high. A photograph taken of this pile of books would make your eyes ache.

Close visual work is hard on the eyes. A New York State survey of 83,000 students showed only one in 20 kids had vision defects at kindergarten age. By senior high, eye troubles affected six students in 20.

Good lighting is one readily available means of making seeing easier for these students. Lighting engineers find that over half the schools still use old, globe-type fixtures that give only one-sixth the light that ought to be on the desks.

In those schools that have installed modern lighting, teachers report that students are more eager to study, are happier and require less discipline. The teachers find their jobs easier.

To help schools analyze what light is needed, General Electric engineers work out various lighting systems in model classrooms where effects can be demonstrated and compared. A booklet is offered, "Making Schoolwork Easier on the Eyes," in which current practices are summed up. (Write the Lamp Division, Nela Park, Cleveland, Ohio.)

It is the aim of General Electric to translate its engineering help into public service at the community level.

'Back At The Front' Is Loaded With Fun

Universal-International success another smash comedy success Sunday, Monday and Tuesday with the opening of Bill Mauldin's Willie and Joe in "Back at the Front" at the Queen Theatre.

Tom Ewell and Harvey Lembeck, cast as Willie and Joe, respectively, find themselves at an Army base near Tokyo in this action-packed sequel to the original picture based on cartoonist Bill Mauldin's dogface characters. Their exploits lead them through a Japanese spy ring which they eventually break up through unintentional heroics.
