Park Improvements Fail By 16 Votes

4 Of 5 Issues Get Voter Approval

Four out of five issues on the ballot in Colorado City's bond issue were approved by voters Saturday with a total of 627 persons casting their vote.

The one issue that failed was the proposition to improve the city's parks, Ruddick and Fisher, at a total cost of $75,000. The issue failed by only 16 votes, 311 to 295.

Other issues on the ballot and the total votes for those propositions were:

--379 for, 237 against $400,000 for street improvements.

--373 for, 238 against $25,000 for cemetery improvements.

--440 for, 176 against $250,000 for improvements in the waterworks system.

--406 for, 188 against $150,000 for work on the sewage treatment plant.

The total number of votes Saturday was 596 while 31 votes were cast absentee, a total vote of 627.

Members of the city council will, in their regular monthly meeting Tuesday, canvass results of the election. The next step in the bond issue is to get a credit rating from a New York agency and then the city will seek bids for the bonds as they attempt to sell the bonds at the lowest possible interest rates.

It is thought that the bonds can be sold for about 5 per cent.

Only the tax bonds can be sold now and city officials have said that this matter is the most pressing as the bonds need to be sold as soon as possible in order to get most if not all of the street repair work done this summer before the first freeze of next autumn. It will take until then to do all the work on all the city's paved streets.

The water and sewer bonds will be sold this summer. City officials have said that little of the work on the water system can be done until late fall when water usage is at a minimum as is sewage treatment.

The cemetery improvements are expected to be accomplished at the same time the street work is going on. Work at the cemetery is expected to be done in line with other work being planned by the newly formed cemetery association.

RIBBON CUTTING ceremony officially opening Western Auto under new operation and ownership of Larry and Jeanna Blassingame was held Thursday morning. Pictured participating in the ceremony from left above are: Glenn Polk, a member of the Chamber board of directors; Mildred Free, chairman of the Merchants Committee of the Chamber; Chamber of Commerce president B. B. Hardee; Lou Landeros; a Western Auto official, the Blassingames and Sefton Pickens.

CISD Board To Work On Budget

Monthly meeting of the Colorado ISD school board will begin at 7 p.m. Monday in the library building at the old CHS campus.

Schools Superintendent Lloyd McKee said a main item on the agenda will be setting dates for budget workshop sessions, which will begin in shortly, possibly next week.

Also important and in conjunction with the budget sessions, dates for Equalization Board meetings will be set, possibly two separate dates this year: one for Oil, Gas & Utilities and a separate date for local property owners.

The CISD budget sessions will have to set up ways the local district can come up with about $150,000 to $175,000 additional funds this year as its share of the increase in local fund assignment required by the last session of the Texas legislature.

"In addition, utilities have increased to about $30,000 to $40,000 and employees salaries will be up about $60,000 to $70,000," McKee said.

The only recourse the board will have will be to increase the ratio of local assessment, he said. Present ratio is 55% of real value and the budget sessions will be held in order to hold the ratio down as low as possible.

McKee estimated that the rate may have to go to 67%.

Local fund assignment figures for the past two years show a tremendous jump following the legislature session, from $174,000 in 1974-75 to $340,571 in 1975-76.

The local fund assignment for the coming year's budget, 1976-77, will be $397,333.

McKee said until the legislature can meet again next year and possibly make changes in the school financing structure, the local district will have to foot the bill.

CHS Golf Team Wins 3rd Place

The Colorado High School 4-man golf team carded an 18-hole team total of 348 to take third place in their first tournament of the year in Stamford Friday.

Team member Gary Womack tied with two other players for medalist honors by shooting a 78 for his round.

Golf Coach Grady Furlow said this first tourney action was mostly for practice and he got to choose the four team members with the best scores following their round "but from now on, I'll have to pick the five team members and send their names in to the tournament director before the round is played."

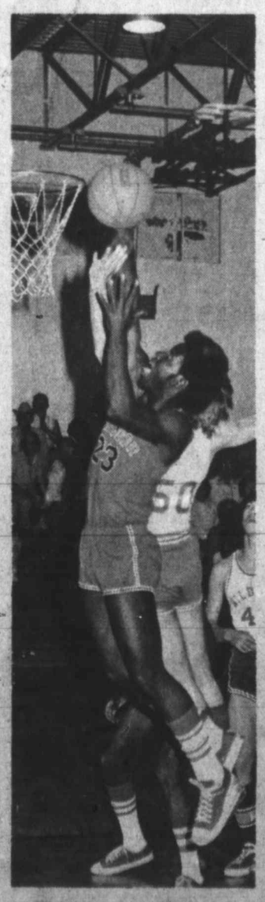

Individual members' scores were as follows:

--Gary Womack, 78.
--Hobie Bolin, 86.
--Matt Sheppard, 91.
--Mark Kelley, 93.
--Scott Gassiot, 98.
--Dobe Williams, 98.
--Kerry Culbertson, 102.
--Mike Petty, 109.
--David Moseley, 111.
--Doug Bradbury, 112.

Stamford won the tournament with a team total of 337, followed by Albany at 340, Colorado City, 348; Throckmorton, 357 and Roby, 360.

Tabor from Stamford and Hargett from Throckmorton tied with Womack at 78 for the medalist honor.

The team's next tournament is at Winters Friday.

BI-DISTRICT ACTION last Tuesday night in Post between the Westbrook Wildcats and Motley Co. shows both teams hotly contending for the ball and the Wildcats controller' the boards on rebounds most of the night but had a cold night shooting and lost out in the fourth quarter by 67-56 after the first three quarters ended in close scores.

FREE'S FRIENDLY SHOP, owned and operated by Mildred Free, opened for business Monday at the downtown location at 159 Walnut. She offers alteration and clothing repair, along with selected handmade gift items, and said she is considering having knitting lessons and supplies later.

Outreach Program Approved

Abilene State School's sheltered living facility program in Colorado City has been given the approval of the Texas Health Facilities Commission.

The local off-campus living program is managed by Eddie Swinney as an outreach of the state school involving only room, board clothing and a work program for five retarded persons from the school who are attempting to ease back into "civilian life," a member of the commission staff said.

The commission ruled that the sheltered living program is not a health facility and therefore will not require certification of need by the commission.

Phone Rates On Agenda

The City Council of Colorado City will meet 7 p.m. Tuesday at City Hall for regular monthly meeting, and one of the items of business will be canvassing bond election returns.

Other items on the agenda include the following:

--Consideration of a rate ordinance at the request of Southwestern Bell Telephone Company.

--Discussion of an engineering contract with Parkhill, Smith & Cooper.

--Permission to dispose of city property.

--City manager report.

--Council members report.

Moore Announces Candidacy

Billy A. Moore, production foreman for Sun Oil Company's Nena Lucia unit near Maryneal, Wednesday afternoon filed for election to the Colorado ISD board of trustees.

Moore was a candidate for election to the board in the last election finishing third behind incumbents S. L. (Mac) Morris and Tom Rees.

Candidates in the CISD race this year are incumbents Bob Motley and Jimmie Bolin, Gene Blassingame, Eddie Swinney and Moore. There are only two posts open for election April 3.

Moore said his reasons for entering the race are the same as during his past campaign: to serve the community as best he can and to continue to make the Colorado City school system the best possible.

He was formerly a member of the White Oak ISD board of trustees when transferred to Colorado City with Sun Oil Co. He and his family moved here ten years ago in 1966 and live at 107 W. 22nd St.

Moore's family includes a Senior son, Kyle, and Kim, a fifth grader. His wife, Ella Mae, is Plan A secretary at Kelley Elementary.

"I want to help improve the system and work closely with the school board and administration to help our youth," Moore said.

32nd District Court Cases

Jury Deadlocks In Garcia Trial

A jury in the trial of Moises Garcia Jr. about 5 p.m. Thursday declared a deadlock of 11-1 and unable to reach a verdict in the case.

They were dismissed by 32nd District Judge Weldon E. Kirk after deliberating from about 10 a.m. until 5 p.m.

Prosecutor was District Attorney Frank Ginzel and he vowed to re-try the case.

Garcia, 31, of 1712 Peach, was charged with attempted murder of City Patrolman Kenneth Abbott at Root Memorial Hospital parking lot in the early morning hours July 13. Policemen Abbott and Jerel Lynch had delivered a man with a gunshot wound to the hospital for treatment from a pool hall in the Sands area of the city and as they were leaving the hospital, a white car drove by and shots were fired at the police car and Patrolman Abbott. Garcia was later arrested and charged.

Other cases tried and sentences handed down in 32nd District Court meeting in Mitchell County courthouse during the past week include, in order of trial or plea hearing:

--Boyce Lee Stricklin of Midland entered a plea of guilty after jury selection had been completed and was sentenced to eight months in county jail on charges of DWI, subsequent offense.

--Larry Rich of Westbrook was found guilty of misdemeanor criminal mischief and sentenced to 90 days in jail, probated to one and one-half years with restitution of $300 assessed for damage to a car belonging to Ralph Del Real.

--Mike Pelton of Lufkin pled guilty to charges of delivery of marijuana less than one-fourth ounce and was assessed court costs and a fine of $500. He received a one year judicial probation.

Afternoon Meeting For Commissioners

Regular monthly meeting of Mitchell County commissioners court has been scheduled for 1 p.m. Monday in the county courtroom.

Judge Bill Carter said that commissioners are required to meet the second Monday of each month and though in years past the court has met on Tuesday mornings, in order to insure meeting all legal requirements, the court now meets on Mondays.

"However, we had a conflict with county court and probation court by meeting Monday morning so decided to try meeting Monday afternoon to see if that will work out. I'll still have time to attend to county court and probation duties in the morning and meet with the commissioners court in the afternoon," he said.

Monday's agenda is short as commissioners will discuss the following items:

--Request for easement across a county road by Skelly Oil Co. northwest of Westbrook.

--Set a date for meeting of the Equalization Board.

--Approval of renewal of a contract with C. W. Law for working up the county's delinquent tax roll.

--Approval of a contract with West Central Texas Council of Governments for entering into a Manpower program.

NEW TRUCK now in use by the city's garbage collection crew is pictured here. The truck was purchased locally from Frank Motor Co. and taken to San Antonio for installation of the packer. Cost of the complete unit of truck and packer was $11,200. It has been in service in the city since Feb. 18, operated by a three-man crew, a driver and two loaders.

Town Talk

By MAC McKINNON

One important aspect of the Bicentennial observation is the opportunity for each of us to look back and review our heritage.

What made this such a great country? The obvious answer is the people of the United States, not only the people who founded this country but those who have sustained it through many perilous times.

I found as very interesting (and believe you will too) a number of quotations that reflect the views and thoughts of some of the great people of our country:

--"Liberty and freedom and Democracy are so very precious that you do not fight to win them once and stop." Sergeant Alvin C. York, World War I hero.

--"I recognize no rights but human rights--I know nothing of men's rights and women's rights." Angelina Grimke, suffragette.

--"Those who would give up essential liberty to purchase a little temporary safety deserve neither liberty nor safety." Benjamin Franklin.

--"Freedom came from human beings, rather than from laws and institutions." Clarence Darrow, lawyer.

--"Remember, remember always that all of us are descended from immigrants and revolutionists." Franklin D. Roosevelt.

--"Those who expect to reap the blessings of freedom must undergo the fatigue of supporting it." Thomas Paine.

--"Only our individual faith in freedom can keep us free." Dwight D. Eisenhower.

--"The Declaration of Independence is not a theory of government, but a program of action." Woodrow Wilson.

--"No government can continue good but under control of the people." Thomas Jefferson.

--"The only struggle worthy of man's unceasing sacrifice--the struggle to be free." Lyndon Johnson.

--"Ours is the only country deliberately founded on a good idea." John Gunther.

Paintings Donated For Black Heritage Display

A special display in Mitchell County Library was arranged in observance of Black Heritage Week and is still located in the front display case for inspection by all interested persons.

In a prominent part of the display, photos of Mr. and Mrs. D. W. (80 John) Wallace are displayed along with a copy of the book, "The Story of '80 John' " by Hettye Wallace Branch, a daughter of the Wallaces.

There is also a book display of sample titles available from the library written about Blacks or by Blacks, including the following:

--"Blues People," by LeRoi Jones.

--"She Wanted to Read," by Ella Kaiser Carroth.

--"Black Heroes In Our Nation's History," by Phillip T. Drotning.

--"In Their Own Words: A History of the American Negro," edited by Milton Meltzer.

--"The Fire Next Time," by James Baldwin.

--"Negro Medal of Honor Men," by Irwin H. Lee.

--"The Days of Martin Luther King," by Jim Bishop.

--"The Buffalo Soldiers," by William H. Leckie.

--"Black Magic: A Pictorial History of the Negro in American Entertainment," by Langston Hughes and Milton Meltzer.

Three large paintings in the display, local artist Donald Irvin, a CHS graduate and son of Mrs. Theola Irvin, are entitled: "Family Affair," "Three Sisters" and "Mother and Children."

Librarian Mrs. Ruth Dozier and the display will remain in the case for at least another week so that all library visitors may see it.

...CBS...TWENTY SHADES OF PINK

Dramatic special starring Eli Wallach, Anne Jackson, Keenan Wynn and Edward Binns. The story centers on a middle-aged house painter with a wife and three children, who is successfully employed by a painting contractor. Urged by his wife to go into business for himself, he encounters a maze of bank loans, increased pressures and responsibilities for his workers and family. On the advice of his doctor, he takes up bicycle riding, which becomes the one escape from his new status. He enters a cross-country bike race in a last desperate attempt to get something out of his new life. Jack Whitaker makes a guest appearance as a sportscaster.

Former Missionary Dies

Nell Scribner, 80, died in Claxton Lodge Thursday night.

Services will be Monday at 10 a.m. in the Assembly of God Church in Henrietta, Oklahoma. Burial will be in the Wetumka Cemetery. The Rev. Morris Sheats of Lubbock will officiate and will be assisted by Rev. Rayhurst of Henrietta.

Mrs. Scribner nee Nell Jan Pirkey was born on August 23, 1895. She married John W. Scribner on Dec. 24, 1918. He preceded her in death on Jan. 25, 1934.

A missionary to the Indians at the Indians Christian Training School in Tuscon, Arizona, Mrs. Scribner was a Baptist. She was also a beautician for many years.

Surviving her are two sons, D. B. Scribner of Midland and H. E. Scribner of Hobbs, New Mexico; one brother, Hal Pirkey; two sisters, Roma Jones of Henrietta, Okla. and Carrie Wright of Hobbs, New Mexico; six grandchildren and three great grandchildren.

For Full Salvation

Loren Gardner

Pastor

St. Luke Methodist Church

Dorn Chapel

So then, my beloved, just as at all times you obeyed, not only as in my presence, but much more, as things now are, in my absence, carry to its perfect conclusion the work of your own salvation with fear and trembling; for it is God, who, that He may carry out His own good pleasure, bring to effect in you both the initial willing and the effective action. Do all things without murmuring and questioning, that you may show yourselves blameless and pure, the spotless children of God in a warped and twisted generation, in which you appear like lights in the world, as you hold forth the word which is life, so that I have not run for nothing and that I have not toiled for nothing. But if my own life is to be poured out on the sacrifice and service of your faith, I rejoice and I do rejoice with you all. So also rejoice, and share my rejoicing. Philippians 2:12-18 [Barclay Translation]

Paul's appeal to the Philippians is more than an appeal merely to live in unity and harmony in a given situation; it is an appeal to live a whole life which will lead to the salvation of the created people of God. As the Authorized Version has it in verse 12 and 13: "Work out your own salvation with fear and trembling, for it is God which worketh in you, both to will and to do of His own good pleasure." Work out your own salvation, says Paul; which always has the idea of bringing to completion, to a full and complete and perfect accomplishment and conclusion. It is as if Paul said; "Don't stop halfway; don't be satified with a partial salvation. Go on until the work of salvation is fully and finally wrought out in you."

In this passage is the perfect example of the mode of salvation.

I. Salvation is of God. It is God that works in man.

(a) It is God that works in us the will and the desire to be saved. It is God who wakens the desire for Himself within our hearts. It is true that "our hearts are restless till they rest in Him," and it is also true that "we could not even begin to seek Him unless He had already found us."

(b) The continuance of that process of salvation is not dependent on any human desire; it is awakened by God. Without the help of God there can be no progress in goodness; without His help no sin can be conquered and no virtue achieved. It is through His help alone, that we receive power to overcome evil and to do the right.

II. Salvation is of man. "Work out your own salvation," Paul demands.

(a) With the cooperation of man even God Himself is helpless. The fact is that any gift and any benefits have to be taken and received.

(b) The offer of God is here; without that offer there can be no such thing as salvation; God will even breathe into a man's heart, seeking to fill him with the desire for Himself. But that man can never receive salvation unless he answers to the appeal of God, and takes what God offers, and accepts what God gives and what God commands.

There can be no salvation without God, but what God offers man must take. It is never God who withholds salvation; it is always man who robs himself of salvation.

GIRL SCOUT WEEK

MARCH 7-13

Parents . . . Why Not Encourage Your Girl to Become a Girl Scout?

The benefits of scouting will stay with her throughout life. She'll become responsible and active in her home and community as she learns the value of giving.

The Sign

It Symbolizes The Girl Scout Promise . . .

• The Girl Scout sign is made by holding up the right hand middle fingers shoulder-high. Three fingers represent duty ... helpfulness ... obedience to Scout laws--their sacred promise.

Westbrook News

By Mrs. Altis Clemmer
Record Correspondent

J. L. Schafer Jr. of 1816 Locust St. underwent surgery Thursday at Medical City Hospital in Dallas. He is the brother of Mrs. Anson Henderson of Westbrook.

***

Mr. and Mrs. Phil Gingerich and daughter, Phyllis of Levelland were Sunday guests of Mrs. F. B. Oglesby.

***

Mr. and Mrs. Roy Buchanan and children Marie, Mike and Jeep and a friend, Kelly Poshusta of Dallas visited with Buchanan's sister, Mrs. Gerald Rollins and family over the weekend.

POSING WITH Miss Becky Davis (center) at her shower are left to right: Mrs. Tim Oden, Kay McDonald, Jennifer Davis (front), Miss Davis, Mrs. Buster Davis and Mrs. Jean Davis.

Becky Davis Honored At Bridal Shower

Becky Davis was honored with a bridal shower Wednesday night in the parlor of the First Baptist Church.

The refreshment table was covered with a lace-edged white cloth accented with the bride-to-be's colors of blue and white. A floral arrangement of blue and white carnations completed the decorations of the table. Punch and cookies with crystal appointments were placed on the table.

white daffodils and the brides' book complimented the register table which was also covered with a lace cloth.

Miss Davis is the bride elect of Randy Wallingsford. The couple will be married on the 13th of March in the First Baptist Church.

Hostesses for the shower were Mmes. J. O. Dockrey, Jimmy Harrison, Paul Wright, H. B. Graves, Clyde Cooley and Wayne Shawn.

If you grow sorghum on sandy soils, it's time you tried Igran.

Because Igran® is the sorghum herbicide that really fits the sandy soil conditions in the South High Plains and South Rolling Plains.

And because it fits, Igran is easier to use. There's no guesswork or experimenting with rates. Just follow the label directions.

Then watch your sorghum come through clean and healthy. Because Igran controls those tough broadleaf weeds like carelessweed and annual morningglory. Controls them early, before they have a chance to rob your crop of vital soil moisture and nutrients.

Igran. Once you try it, you'll keep on using it. Because now you've got a sorghum herbicide that really fits your sandy soil conditions.

TEXAS AMONG LEADING SOUTHERN DAIRY STATES--A dairy specialist for the Texas Agricultural Extension Service points out that Texas ranked fourth among the 13 southern states in total milk production for 1975 for herds in the Dairy Herd Improvement (DHI) program. Texas milk production at 12,905 pounds per cow compared to the southern region average of 12,490 pounds. Butterfat production, at 464 pounds per cow, was just below the regional average of 466 pounds.

1st Baptist Sponsors Mother's Day Out

The First Baptist Church will begin a "Mother's Day Out" program on Thursday March 11. Care for preschool children will be provided from 10 a.m. to 3 p.m. on Thursdays to give the mothers a day off.

The program is open to non-members as well as members although the price is slightly different. Rates for the first child are $1.75 for members and $2 for non-members. There is an additional charge of 25c for each child after the first for members, 35c for non-members. There are no half-day rates and payment is expected when the child is left. Checks will be accepted.

Each child is to bring his own lunch. The church will provide the drink. They ask that feeding instructions for infants be placed in writing.

The hours of operation will be from 10 a.m.-3 p.m. on Thursdays. The children are to be picked up promptly at 3 as there will be an additional charge of $1 for every 15 minutes past 3 o'clock that the child is left in the pre-school.

For the children's protection no child running a fever should be brought to the pre-school area and also the child should not come if he has had a fever within the previous 48 hours.

Proof of the following immunizations are also required: two months, DPT #1; Oral Polio #1; four months, DPT #2; Oral Polio #2; six months, DPT #3, Oral Polio #3; nine-twelve months, TB Tine; twelve months, measles, mumps and rubella; eighteen months, DPT and Oral Polio boosters.

Each mother is to leave a telephone number where at least one parent could be reached at all times in case of emergency.

Ample number of diapers should also be provided for the child by his parents as a 10c charge for each diaper that the church provides will be asked.

Copies of this Mother's Day Out Policy are available at the church.

Caps Available Upon Request

"Old fashioned" medicine caps are still available for people who have difficulty opening the new child-proof caps, Mrs. Vivian Blair, a family life education specialist, says.

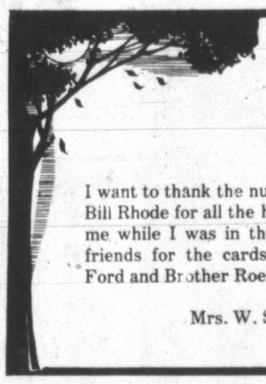

"Safety caps are valuable--but arthritic hands and poor eyesight are two conditions which contribute to difficulty in opening them," she noted.

Mrs. Blair, specialist in aging, is with the Texas Agricultural Extension Service, The Texas A&M University System.

She explained that exceptions can be made under the Poison Prevention Packaging Act.

"If you or your physician direct that a prescription be filled in a package fitted with a conventional closure, the prescription may be packaged that way.

"But prescriptions may be filled this way only when directed by a physician or when requested by the purchaser," she added.

Card Of Thanks

I want to thank the nurses, hospital staff and Dr. Bill Rhode for all the help and kindness shown to me while I was in the hospital. Also to all the friends for the cards and flowers. To Brother Ford and Brother Roenfeldt for their kind words.
