Wildcats Coming For EHS Battle On Friday Night

The football game here Friday night between the Eastland Mavericks and the Rising Star Wildcats is an important one indeed. It could well determine which is going all the way down the line undefeated in conference play to meet Ranger on November 18 for the district championship.

Going down the stretch Eastland has the same three teams to face as it did this time last year before the final game — Rising Star, Wylie and Cross Plains. And last year the Mavericks lost to all three clubs, Rising Star 13-12, Wylie 6-0 and Cross Plains 26-13.

This year the advantage lies with Eastland as far as the first two clubs are concerned as the Mavericks, on paper at least, are certainly due to win from Rising Star and Wylie but "being due" amounts to exactly nothing in football these days.

Either one of the two clubs are able to give the Mavericks a dumping they won't forget if given a half chance. And those half-chances come out of careless ball handling, fumbles, needless penalties and general apathy. Neither game will be a walkover.

The game with Cross Plains will be a different proposition altogether. Cross Plains has one of the best teams in the district with a record equally as good as Ranger. Indeed the district championship might easily be decided in Ranger Friday night in the Bulldog-Buffalo game. Barring a tie, one of the teams has got to win and whoever gets the victory will in all probability win the conference.

Ranger, by no means, has a lead pipe cinch to beat Cross Plains. It is easily the top game in District 7-O this week and the people from Cross Plains, smelling a conference championship, are coming to Eastland county in droves to back their Buffs.

But none of this concerns the Mavericks and the job cut out for them Friday night. Their main concern is to play each game as it comes along and to win it if they can. Rising Star happens to be the next one and it is a game the Mavs want to win. If they uncork as good a game as they played against Granbury they might do it, but they'll have to play a better game than they turned in against Gorman, which had only a one man club.

THOUGHT FOR TODOY: "Ideas are funny little things. They won't work unless you do." — (Columbia Record.)

Several fans have expressed gratification over the "pushing" the Telegram has been doing in the matter of encouraging large attendance at the Maverick games. And we're happy to hear they like it — because we think it extremely important that our ads be solidly supported (which they certainly have been thus far!) particularly in their district campaign. They've already taken their first conference game — Gorman — and tomorrow night they go up against Rising Star, here on their own home heath. Let's jam-pack the stadium and cheer them on. Incidentally, they have a mighty good chance to win!

"If a man runs after money," muses Pop Offs, "he is money mad. If he keeps it — he's a capitalist. If he spends it — he's a playboy. If he doesn't get it — he's a ne'er-do-well. If he doesn't try to get it — he lacks ambition. If he gets it without working — he's a parasite. If he gets it after a life of hard labor — he's a fool who got nothing out of life."

A lot of people are lining up to go to work on the United Fund campaign, the drive proper for which is to be kicked off at a breakfast for workers, at the First Methodist Church at 7 a.m. next Tuesday. Folks who engage in free work in a community perform a service for which the town owes a deep debt of gratitude. When they drop by to pick up our checks, let's (instead of griping) thank them for what they're doing. That's the RIGHT spirit, in any really worth while enterprise.

Bobby Cupit of Monroe, La., who was tied with January at the end of 36 holes, soared to a one-over par 71 and finished with 207 for second place money ($700). Third and fourth were Dutch Harrison of St. Louis and Ben Chandler of Temple.

January, who has played in tournaments here in Eastland, turned pro only about four months ago.

His wife is the former Miss Pat Rushing. The romance that culminated in their marriage began at North Texas State, Denton, when they were in college together.

A Salute To 4-H...

Four huge H's are formed by the 1,200 delegates to the National 4-H Club Congress during the 4-H Parade.

A dramatic highlight of the National 4-H Club Congress unfolds as delegates parade before a huge audience at the International Live Stock Show in Chicago.

The 4-H spotlight will again be on Chicago when the top 1,200 boys and girls from all 48 states, Alaska, Hawaii, and Puerto Rico join with guests from foreign countries for the 34th National 4-H Club Congress, Nov. 27 - Dec. 1.

The Congress program consists of discussions by the delegates, tours of the City, banquets and top-flight entertainment features, and is highlighted with talks by outstanding speakers. The 4-H'ers also take part in press conferences and radio and TV appearances. Most of one day is spent visiting the International Live Stock Exposition where during the evening program the 4-H'ers present their annual parade.

This year, 110,000 4-H members will be honored through National 4-H Award Programs. The awards consist of trips, medals, watches, U. S. Savings Bonds and other merit awards. In addition, funds are provided for leader training with the grants made through the National Committee. The Committee is a citizens' group which has been helping the Cooperative Extension Service further the influence and membership of 4-H for 34 years.

Among the corporations and foundations providing 4-H support are the Nitrogen Div. of Allied Chemical & Dye Corp., Allis-Chalmers, American Forest Products Industries, Carnation Co., Chicago Board of Trade, Coats & Clark Inc., Conrad Hilton Hotel, Cudahy Packing Co., Elgin Watch Co., Firestone Tire & Rubber Co., Ford Motor Co., Larro Sure Feed Div. of General Mills, General Motors, Hercules Powder, International Harvester, Kellogg Co., Kelvinator, Kerr Glass, Massey-Harris-Ferguson, Inc., Montgomery Ward, Olin Mathieson Chemical Corp., Sears-Roebuck Foundation, Simplicity Pattern, Singer Sewing Machine Co., Standard Brands Incorporated, Sunbeam Corp., United States Rubber, Westinghouse Educational Foundation, and the Wm. Nine oil companies collaborate in the program, including American Oil, General Petroleum, Pan-Am Southern, Pure Oil, Standard Oil Foundation, Inc. (Chicago), Standard Oil Co. (Kentucky), Standard Oil Co. (Ohio), Stanolind Foundation Inc., Tulsa, Okla., and Utah Oil Refining Company.

Railroads cooperating are Burlington, Illinois Central, North Western, Milwaukee and Santa Fe.

Wendell Siebert and M. H. Perry Speak at S. Ward P-TA Meeting

Wendell Siebert, superintendent of Eastland Public Schools, and M. H. Perry, president of the school board, were speakers at Tuesday night's meeting of South Ward P-TA at the school auditorium.

The former discussed "Self Evaluation of the Public School" and the latter spoke on "The Financial Status of the Eastland Public School System."

Mr. Siebert explained how one could tell if the school came up to standards set by the state and how far the money allowed will go, explaining why the school system can't have some of the things desired. He told of the importance of every child being in school every day if at all possible.

Mr. Perry in giving the schools' financial status, told where the money goes, how much of it is spent on various items and how the school board members make what they have go a long way.

Mrs. J. C. Whittington, president, presided at a brief business meeting and Mrs. Horace Horton introduced the speakers.

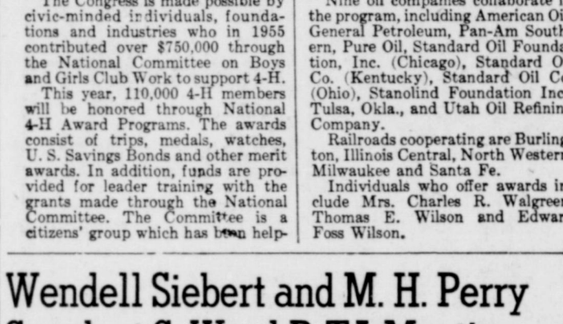

The meeting was held at night so the fathers and working mothers might attend.

The United Fund Committee appeals to every individual in Eastland to make a donation to this worthy and necessary cause. It is not to much to ask that every employed individual give at least ONE DAY'S PAY and to thus share in the support of the organizations covered by the United Fund.

United Fund workers will be calling on you within a few days. Plan now to have your contribution ready so that the drive can be completed promptly, and make it generous so that the goal of $6,500 can be reached.

Remember Passing Events—
.... like the first dime you ever made, the winning touchdown by the home team or the tears at high school graduation? Yes, we do, just little things and trival, but how they do linger in our memories! And we remember the big events, too, like the Texas City explosion, last June's hail storm in Eastland or the more recent tropical hurricans on the coast. These familiar disasters pose another question, who pays for them? That's insurance. Don't get caught without it.

AROUND the TOWN

By Fay

If you have been wondering where all the Army vehicles are going that have been passing through town the past two weeks — we will tell you. .. Convoys of them are going from all over the United States to Operation Sagebrush in Louisiana with headquarters at Camp Polk.

The maneuvers will be 40 miles wide and 300 miles long and there will be 300,000 men there for them. Among them was FIRST LT. ANDERSON C. VAN HOY of Fort Lewis, Wash., who left his convoy when it reached Eastland for a brief visit Tuesday afternoon (1:15 to 9:15) with his parents, MR. and MRS. AUBREY VAN HOY, who then took him to join his convoy at Carswell Air Force Base, Fort Worth, where this group of men was spending the night, en route from Fort Lewis, Wash., to Louisiana. .. This convoy had spent the previous night at Big Spring.

The way all of these Army convoys do is work their way to the maneuvers by stopping at various military installations each night. .. LIEUTENANT VAN HOY was motor officer in charge of 97 vehicles in his convoy. .. And this is just one of the many convoys going to the maneuvers. .. My, but the Army is big — and of course, relatively speaking, this is a small part of it .... at that .... as the Army numbers about a million and a half.

Orchids to the BETA SIGMA PHI sorority for the training it is giving the young women of Eastland and other towns and to the local chapters for their civic consciousness.

Orchids to the CIVIC LEAGUE AND GARDEN CLUB for the Chamber of Commerce idea of sponsoring luncheons the last Wednesday of each month .... to MRS. W. E. ARTHUR MURRELL, and to the 72 women who attended from Eastland, Cisco, Ranger, Gorman and Olden!

When ousted, Dictator Juan Peron was in the midst of transforming an entire eight-story apartment building into a "love palace" to house teen-age girls, according to a spokesman for the provisional Argentine government.

Cheaney Chatter

Mrs. Bill Tucker

Mrs. Belle Blackwell is recuperating at the Elmer Blackwell home, following several days hospitalization in Ranger last week.

Mrs. Hatley Dean was ill Sunday and unable to attend church services. Mr. Dean's brother and wife, Mr. and Mrs. Charlie Dean of Athens and their grandson, Mike Pulley of Trinidad came for a visit over the weekend.

Mrs. Richard Tucker had the misfortune to run the sewing machine needle through her finger Friday. With the help of a neighbor and a pair of pliers, the embedded point of the needle was pulled on through and so far, the injured finger is fine.

Mrs. Richard Tucker, Betty Tucker, Mrs. A. H. Love, Mrs. Betty Greer and this writer visited Sunday afternoon with Mrs. Jack Rogers who is a patient in the Gorman hospital suffering from an injury to her spine. She will spend several days undergoing treatment.

Mrs. Nona Weekes spent Sunday night in the home of Mr. and Mrs. Ben Freeman. Mrs. J. H. Freeman continues about the same, since recovering a little from her protracted illness, caused by falling some months ago.

Clyde Antwine, who has been chosen to preach regularly each Sunday for Cheaney Church of Christ, brought another ministerial student from Abilene Christian College, who led the singing, Don Beck of Purcell, Okla. Both young men and John and Betty Tucker were guests of Mr. and Mrs. Richard Tucker for the day, following church service. Calls were made Sunday afternoon in the Tom Howard and Alton Underwood homes.

Out of town visitors for the Sunday morning church service, also, were Mr. and Mrs. M. A. Wooten, Jane and Jimmy of Abilene. The family was en route home and stopped by to say hello to former neighbors and friends. Mr. Wooten is a salesman for a major insurance company, Jane works at Kress Store, Jimmy is a high school student, and Dorothy is married and living in Illinois.

We had as a visitor in our home Monday, M-Sgt. Ernest W. Mehaffey, on 30-day leave before further assignment at Fort Hood. Ernest is a veteran of the Korean campaign, re-enlisted and has been in Tokyo, Japan for the past 18 months as supervisor in personnel department.

A former student at Alameda, Ranger and Eastland High, he received his high school diploma after entering the service. He is the son of Hugh Mehaffey of Olden. Our congratulations to a fine lad.

Potatoes With A Foreign Accent

POTATOES ITALIAN STYLE

6 servings

6 medium potatoes
2 tablespoons margarine
2 slices Canadian-style bacon or ham, diced
2 tablespoons chopped parsley
2 bouillon cubes
Boiling water

Scrub potatoes well in cold water. Pare off a thin strip of skin all around middle of each potato. Melt margarine in skillet or sauce pan with close-fitting lid. Add bacon or ham and simmer gently 5 minutes, stirring several times. Add parsley, then potatoes. Dissolve bouillon cubes in 1 cup boiling water. Pour over potatoes. Cover pan tightly and simmer 1½ hours, or until potatoes can easily be pierced with a fork. Serve in hot vegetable dish with sauce, or serve sauce in separate bowl. If desired, potatoes may be baked in covered container in moderately hot oven (400°F.) about 1½ hours, or until just tender.

Drain liquid from potatoes, heat and dissolve bouillon cubes in liquid. Pour over potatoes and simmer gently, covered, 20 minutes.

Best potatoes come in Union Bag & Paper Corp. "Vent-Vu" window bags. You can see the quality of potatoes you're getting right through the bag.

Farm Bureau Meetings Set

Farm Bureau meetings scheduled to meet in various communities over the county during a thirty day period, beginning Oct. 15, and ending Nov. 15, are running according to schedule, is the report given this week by Mrs. Bill Tucker, publicity chairman.

The first of this series of meetings was held in Scranton High School Oct. 20. The purpose of these planned meetings is to acquaint the people of the Group Hospitalization plan, to include Catastrophic Illness Endorsement, for farmers and ranchers who are Blue-Cross Shield members already, and for others who are interested in becoming members of the Farm Bureau and enrolling in the Group services it has to offer.

Forty citizens of the Scranton community attended the Thursday night program of information, fun and refreshments.

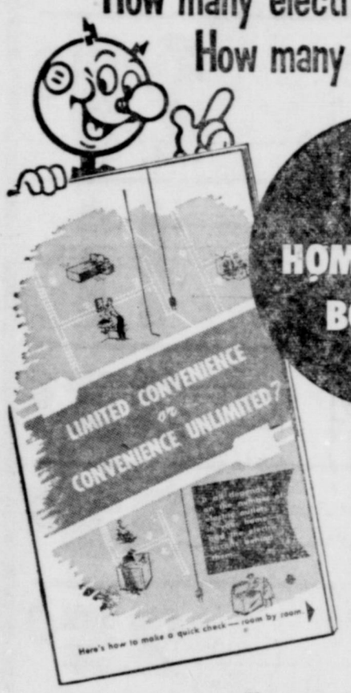

Monday night's program at the Voc-Ag Building in Rising Star, Oct. 24, had for the speakers, Mr. Anderson, from the office of Group Hospital, Inc. Dallas, and Dr. Bradley of Rising Star Hospital. The importance of good hospital insurance was stressed, and each person present was urged to investigate the Group plan which Farm Bureau has to offer.

Tuesday night, Oct. 25, Mr. Anderson or another representative from Dallas addressed the group gathered at the Olden High School on the local Group plan. Local talent was presented for the entertainment and Mrs. J. D. Herrell and a number of the Olden women were in charge of refreshments.

Following the same pattern, the farmers and ranchers around Carbon will be given information and new members urged to enroll in the Group plan on Thursday night, Oct. 27 at Carbon High School. Clyde Barbee, Mrs. Maud Stubblefield and others will be in charge of the program.

Tentative schedules are in process for Gorman and Ranger meetings before Nov. 15 deadline.

FASHION RINGS THE BELL WITH DRAWSTRING—Parisian Hubert de Givenchy, rising star in the firmament of fashion, offers these startling styles to the feminine world for the coming season. Drawstring converts tunic, at left, into a dinner dress of pink faille. It has a high, collarless neckline and dolman sleeves. At right, de Givenchy shows his signature drawstring at collarless neckline of long-sleeved bolero in steel-gray Shetland wool. Sheath dress matches. Muff and hat are of beaver.
