

EN ROUTE TO CALIFORNIA

Mr. and Mrs. Kenneth Gary Visit Here After Marriage in Mexico

Mr. and Mrs. Kenneth E. Gary are visiting here this week following their recent marriage in Mexico City, Mexico.

Mrs. Gary is the former Lois Ann Oliver, daughter of Mr. and Mrs. Roxby Oliver of Mexico City.

Following their visit here they will travel to San Diego, Cal., where they will live until the latter part of November when the bride returns to Eniwetok.

The bride was graduated from the American High School in Mexico City and attended Hamilton-Simmons University in Abilene, Texas.

Mrs. Dona Reed Installs New Class Officers

Mrs. Dona Reed installed new officers for the Fidelis Sunday School Class of First Baptist Church last week in the home of Mrs. Oren B. Trulock.

Officers were Mrs. Otto Throver, enrollment chairman; Mrs. M. N. Cardell, fellowship chairman; Mrs. Sam Thompson, minutes chairman; Mrs. Effie Dawson, stewardship chairman; and Mrs. Willie Whitmore, secretary.

Members present were Mrs. Perry Barber, Mrs. Baker, Mrs. W. C. Chadwick, Mrs. M. J. Daws, Mrs. Mae Fuller, Mrs. A. L. Grier, Mrs. Coy Harris, Mrs. Lavender, Mrs. W. K. Miles, Mrs. M. E. Miller, Mrs. V. V. Shropshire, Mrs. Sam Thomson, Mrs. Throver, Mrs. D. M. Wymack, Mrs. Selraig, Mrs. Reed and the hostess, Mrs. Trulock.

R. C. Carsons Announce Birth of Twin Sons

Mr. and Mrs. R. C. Carson of Weatherford announced the birth of twin sons, Clayton Oswald and Clinton Ray.

MRS. KENNETH E. GARY, nee Lois Ann Oliver.

IN JARMAN HOME

4-H Club Officers Installed at Party

New officers of the newly organized Two L 4-H Club were installed during a recent party in the home of Mrs. Barker Jarman.

Miss Kay Lindsey was installed as president of the new organization.

Other officers include Miss Sue Jarman, vice president; Miss Sue Holman, secretary-treasurer; and Miss Mary Ann Montgomery, reporter.

Mrs. Joe Williamson Presents HD Program

Mrs. Joe Williamson presented the Carr Home Demonstration program last Friday during a meeting in the home of Mrs. Louis Rees.

Hostess Club Welcomes Five Guests

Five guests were welcomed Friday afternoon by the Hostess Club in the home of Mrs. Don Henderson.

Brownies Tour Col-Tex Plant

A tour of Col-Tex Refinery last Thursday highlighted a week of meetings of Brownies in Troop 12.

Mrs. Willbanks escorted the group through the refinery.

Refreshments were served by Mrs. Willbanks.

Brownies attending were Mary Jane Nobles, Beth Wallace, Sylvia Mirra, Mary Ann Montgomery, Gloria Market, Karen Nuckolls, Sharon Nuckolls, Kathleen Anderson.

Mary Nell Oliver, Sally Wisland, Cathia Mockett, Joanne Moore, Joan Moore, Diana Brannon, Bonnie Sims, Ann Palmer, Deanna Warren and Janie Mahan.

Former Resident Is Injured in California

Word was received here this week that Mrs. Myrtle Mize of San Diego, Cal., a former owner of a candy store near high school, is in Holy Hospital in New Port Beach, Cal., recovering from injuries received in an automobile accident Oct. 13.

Her husband, who was riding with Mrs. Mize at the time of the accident, was not injured.

PLANS MADE FOR

Annual Flower Show

Plans are being made for the Colorado City Garden Club flower show which will be staged Nov. 2 in Civic House.

The show, presenting "The Blooming Forest" will be open to the public from 3 p. m. until 8 p. m.

Mrs. C. S. Martin, general chairman of this year's fête, hosted a special meeting of committee chairmen Monday evening in her home.

After the business session Mrs. Martin served cookies and spread punch.

Chairmen attending were Mrs. Roy Davis Coles, staging; Mrs. J. T. Holley, schedule; Mrs. L. L. Comer, classification; Mrs. R. B. Baker, entries; Mrs. L. W. Patterson, judges and hospitality.

Mrs. Maberry Willbanks, awards; Mrs. E. M. Owen, tickets, and Mrs. J. W. Watson, publicity.

United Nations Program Marks Meeting of 1921 Study Club

The United Nations program which begins at 6:30 a. m. and usually ends about 2 a. m. A typical day for Mrs. Meir includes a session of parliament, a cabinet meeting, conference with heads of various departments and many, many hours of outside visitors.

The speaker described the politician's home, entertaining, social customs and religious beliefs. She spoke of Mrs. Meir's son, who teaches at the Conservatory of Music in Tel Aviv, and a daughter, who lives with her husband and children on a farm in Negev Desert.

In explaining reasons why Mrs. Meir came to lead a life

so entirely bound up in matters of government and diplomacy Mrs. Rhoads reviewed the politician's childhood.

In 1906 her family immigrated to Milwaukee to escape persecution of Russia. Mrs. Meir was then 10 years old at the time and was aware of the struggle.

In America she grew deeply interested in problems of many oppressed Jews of Europe, the situation in Palestine and in her own country, she became involved in ways to help them.

Mrs. Meir's husband, older sister and her children and a group of friends returned to Palestine in 1921.

After the children were grown, she gradually took on more diplomatic jobs. She served as minister of labor seven years prior to her appointment as foreign minister.

Mrs. Dawson explained that Pauline Frederick was the first woman to win the DuPont radio news commentator award.

Miss Frederick's first job was to write weekly features for the Washington Star. The group was told.

In 1930, she covered the departure of state for the United States News and her next job was with the North American Newspaper Alliance.

She became a war correspondent for the North American Alliance in 1945 and toured 19 countries.

Mrs. Dawson told of the many important historical happenings which the news commentator reported, including the 1948 Democratic and Republican conventions, the presidential campaign and inauguration, the trial of eleven communist leaders, the victory of Alger Hiss, and many other events.

Mrs. W. C. Hooks was leader for the afternoon program. Roll call was answered by each member, telling her opinion of the U. S.

Mrs. Hooks directed the club collection.

Attending were Mrs. Dawson, Mrs. W. L. Doss, Mrs. U. G. Harrison, Mrs. A. O. Hickman, Mrs. Hooks, Mrs. Ed Jones, Mrs. Lee Ivendera, Mrs. W. R. Martin, Mrs. B. P. Price, Mrs. O. E. Rhoads, Mrs. W. W. Rhoads, Mrs. C. L. Root and Mrs. Broaddus.

Mrs. Root will be hostess for Friday afternoon's meeting which will feature a "Bible Day" program.

Salad Supper Compliments Philatheans

A salad supper and meeting for the Philatheans Sunday School Class of First Methodist Church was hosted recently in the home of Rev. and Mrs. Clarence Collins.

Co-hostesses for the monthly fete were Mrs. C. W. Cook, chairman, Miss Effie Copeland, Mrs. Jewell Richter and Mrs. Ruth Hargrove.

Mrs. H. E. Jamison, president presided during the business session. Mrs. W. D. McClure presented a devotion from the sermon on the mount.

Rev. Collins said the invocation. Mrs. Collins and daughters, Martha and Mary, assisted the hostesses in serving.

Miss Nelda Garrett was a guest for the evening.

Members attending were Mrs. H. H. Bibbery, Mrs. Bruce Campbell, Mrs. Cook, Miss Copeland, Mrs. C. A. Farmer, Mrs. Matt Graham, Mrs. Hargrove, Mrs. Earl Hunter.

Couple Weds In Loraine

Mrs. Lizzie McGee and J. H. (Ivmond) Wheeler and Mr. and Mrs. Neill of Loraine were married Saturday afternoon in a three o'clock ceremony in the First Methodist Church in Loraine. Rev. Allen Adams, pastor of the church, officiated in the wedding rites.

Close friends of the couple attending were Mr. and Mrs. Ray

several years he has been associated with a stepdaughter, Miss Adlene Howell, in the furniture business there.

Visits In Lubbock

Mrs. Clarence Peck visited last week end in Lubbock with her son and daughter-in-law, Mr. and Mrs. Don Peck.

While there they attended the Baylor Texas Tech football game.

FIRST METHODIST CHURCH
Colorado City, Texas
October 24, 1957

To Members, Former Members and Friends of First Methodist Church

Dear Friends:

We are looking forward to celebrating our Seventy-Fifth Anniversary beginning Sunday, October 27, 1957, through Friday, November 1. Please make plans to attend each service if possible.

Invitations have gone out to several hundred former members of this church and many of them are making plans to be with us at some time during the celebration.

The program will begin by all-attending Sunday School classes. Then Bishop Martin will preach at the eleven o'clock service and will dedicate the new Memorial Building at this time.

An old-time basket lunch at noon will give each of us an opportunity to mix and mingle with our members and visitors. Plan to bring all the family and a big basket lunch.

The Sunday afternoon program will include the presentation of highlights from our church history and a special recognition of old-timers that are present.

Each evening service will be conducted by a former pastor or someone who went into the ministry from this church. Rev. Jack Ellzey of Midland will preach Sunday night, Rev. Carl Wright of Spur, Monday night, Rev. C. E. Jamison of Odessa, Tuesday night, Rev. J. E. Shewbert of Vernon, Wednesday night, Rev. Jim Sharp of Shamrock, Thursday night, and Rev. Edmund Kirby of Lubbock will conclude the special services Friday night.

We are asking you—all of our friends and former members—to set aside the above dates to be with us. Let us show the ministers that come back to us on this occasion, and the many visitors from out of town that we are still on the job and willing to do our part to bring in His Kingdom on earth.

Yours in His service,
The Invitation Committee

Mrs. L. B. Elliott
Miss Nelda Garrett
Mrs. Elmer Martin

GAME RATED A TOSS-UP

Tornados Host Wolves in Initial District Tilt Friday

Lamesa High Golden Tornados, a "hot and cold" football team this season, are expected to be "hot" for Colorado High Wolves Friday night in Lamesa. The game marks the District 3-AAA opener for both teams. Game time will be 7:30 p. m.

The game will probably be a toss-up, but according to Colorado City coaches, the outlook is dismal for a Wolf victory. Colorado High carries a 3-4 record into the game compared to Lamesa's 3-2 mark.

By two comparative scores, Lamesa is favored. By another, the Wolves are slated to win. Lamesa beat Brownfield, 21-0, and Monahans 19-0. Wolves beat the same two teams only 7-0 and 8-6.

In the Wolves' favor, Kermit beat Lamesa 20-14 while Wolves whipped Kermit 7-0. Thus, comparative scores indicate the two teams to be about equal.

Colorado City's team will be outweighed as it has been in practically every game this year. Lamesa's bulky line averages 180 pounds compared to the Wolves' 167.

The Golden Tornados' back field outweighs the Wolves' back field quartet by 20 pounds, 167 to 147.

Lamesa's passing attack and two top-notch pass catching ends is expected to give the Wolves trouble.

Lamesa scout saw last Friday that the Wolves' main weakness is pass defense when Littlefield picked up 154 yards, passing on eight completions.

serve power with 19 boys on the squad. Lamesa is coached by O. W. Follis, entering his 12th year at the Tornado helm.

With the Lamesa game, Colorado City enters its second year in District 3-AAA. Lamesa Wolves won only one of four conference games that victory coming in "last season" finale against Lake View, the only win of the year for the Wolves.

Lamesa had trouble with the Wolves' last year in Wolf Stadium, winning by a narrow 19-14 margin.

That same Wolf team will still intact this season, only much more improved.

With a terrific defense and an average offense, the Wolves have whipped Seminole, 25-0, Monahans, 8-6; Kermit, 7-0; Brownfield, 7-0 and Littlefield-13-7, while losing to Ballinger 16-6.

The offense has been built around a quarter back, Richard Compton, who has proven to be the Wolves' most consistent and dangerous runner.

Not far behind is Don Black, 133-pound all-district performer at right half. Black has impressed his running game the past two games after failing to show his 1956 form in earlier games.

Dickie Richardson, a highly touted 165-pound sophomore, has been handling the fullback position the past several games since Banker Cade has been favoring an injured knee.

QUARTERBACK DUO—Richard Compton, left, and Bobby Caffey provide the Wolves with a pair of good quarterbacks this season. Compton, a 154-pound senior, has been the offensive leader of the team in winning five of six games this year. Caffey, a 170-pound junior, has been Compton's understudy and a defensive standout at linebacker. (Record Staff Photo)

IN FIRST SIX BALL GAMES

Wolves Control Ground Game But Fall Shy on Pass Attack

In winning five of six football games this year, Colorado High Wolves have controlled the ground game, but fell short on the passing end.

In the six non-district engagements, the Wolves have amassed 1,093 yards rushing for a game average of 182 yards. The opposition has rolled up 829 yards for an average of 138 yards against the strong Wolf defense.

But the C-City defense has been weak on passing.

In the six games, opponents' passers have pirced the defense for 29 completions and 473 yards, or an average of 79 yards per tilt.

The Wolves have completed only 10 passes for total yardage of 89 yards, or an average of 8.9 yards-per game.

ing the Wolves with a good punting average. The stocky senior has booted the ball 25 times for a good 36-yard average.

Opponents' kickers have booted the ball 18 times for a 30-yard average.

Penalties this season have set the Wolves back 360 yards on 40 infractions of the rules. At the same time, the opponents have received 34 penalties for 334 yards.

Wolves marked up their highest ground gaining mark in the

Seminole game when they amassed 263 yards, and the second highest in the Kermit game with 191 yards.

Ballinger gained more yards on the Wolves than any other club this season with 249.

Seminole was the weakest team on the ground; the Wolves have forced, gathering only 48 net yards rushing.

Littlefield was the strongest passing team; the Wolves have forced. They picked up 154 yards via the aerial route.

STARTS YOUNG — A necessary part of the education of any New Yorker is familiarization with the city's subway. This little lad shows that he's made of stern stuff as he resolutely clings to an aisle pole on-trip back from Coney Island.

We've Got The Team... Where Are The Fans?

Where are the football fans? Colorado High School has a winning team...

I'm sure the Wolf team isn't fully aware of the small home-town audiences...

A good example is last Friday night. The west stands of Wolf Stadium...

The gate receipts for the Colorado City Littlefield game was the smallest...

It's especially disheartening to the local coaches. They work day and night...

to other cities... and coming back victorious. But yet there's only a handful...

Wolves start playing for keeps this Friday at Lamesa. Lamesa has a good team...

Wolves are going to need all the support they can get to win this first District 3-AAA game.

How about it? Lamesa is only 80 miles away. Win or lose, the Colorado High School team will make a good showing...

Let's Finish It

The big three-day effort for Mitchell County United Fund during the opening half of this week puts the annual fund campaign above the three-quarters mark.

And it is a tribute, too, to the fine planning and leadership of the United Fund here in Colorado City...

But the 1958 United Fund drive is not yet over. The thousands of dollars still must be collected before we reach the goal of \$25,454...

The pace has been set. Let's see that the campaign goes over the top immediately. It will save us time and money, if we do.

Success for All

There should be a note of pride throughout Colorado City on behalf of Melvyn Berman, whose Oil Progress Week essay won him a \$500 college scholarship.

His success against high school students throughout the entire Permian Basin is another reminder that our community's youth play second fiddle to none...

The Last Straw

Behind Front Page

By Bill Sloan

"THE TIME HAS COME," the walrus said, "to talk of many things..."

Although the walrus is strictly fictional it is time for some interested group...

At any rate, although action need not be taken immediately, planning should begin soon.

It is almost a certainty that the city will be placed on the next air map by the Civil Aeronautics Administration.

IT IS PROBABLE that few people realize just what Colorado City has obtained with the securing of the City Recreation Center (Shell Building).

This building, containing approximately 7,500 feet of floor space, constitutes one of Colorado City's greatest potential assets.

Although only the first \$1,500 of a planned \$25,000 remodeling program at the center was accomplished this year...

Colorado City parents would be giving their kids and themselves a good deal by helping to promote the City Recreation Center to their own youngsters.

Other facilities and improvements to existing ones will be coming thick and fast during the next 12 months as the city's program really gets into high gear.

It is an unselfish investment in fun on the part of the city and it's worth talking advantage of.

It is a chattry friend who moves us greatly. It's not that he talks too much; it's just that he doesn't keep his mouth shut very often.

Many Ideas Present in Austin For Solving State's Problems

By VERN SANFORD, Texas Press Association

No member of the Legislature is saying there shouldn't be laws on lobby control, water conservation or the other items listed in Gov. Price Daniel's special session call.

But there are about as many ideas on how to do it as there are members in both houses.

Continuing most to the discomfort and difficulties of the lawmakers is shortage of money. Robert Calvert, State Comptroller, bluntly predicts a \$6,000,000 deficit by the end of this month.

To meet costs of this session the legislature re-allocated funds appropriated for the regular session. Money to launch the new water planning program is to be gotten, a little here, a little there, from unused appropriations to other agencies.

If this session, and the program the governor seeks from the legislature by financially there's a rougher slowdown ahead. That is whether to have another 30-day session for segregation laws.

If so, the state presumably would have to go into debt to pay for the session. For legislators, most of whom will be facing campaign opponents in a few months, this is a hard choice.

East Texas Push

Efforts at a bloc of do-or-die East Texas legislators to protect Texas segregated schools overshadowed other lawmaking.

Gov. Daniel prohibited the group that no federal troops will occupy the campuses and halls of our schools as long as they govern.

But the governor said he wasn't ready to say if or when he would submit segregation laws to the legislature.

This was too vague for Rep. Joe Pool of Dallas. He introduced a resolution demanding the governor announce immediately if he will allow introduction of segregation measures this session or call another session for that purpose.

Some half-dozen other measures designed to preserve local control of schools have been put forward.

At least nine lobby registration proposals are before the legislature. No one bill pleases a majority of members.

Rival bills in the Senate are sponsored by Senators Crawford Martin of Hillsboro, Searey Braecwell of Houston, Jimmy Phillips of Angleton and Henry B. Gonzales of San Antonio. Senator Martin's measure has been labeled the "administration bill".

At the first Senate committee hearing, Senator Martin's proposal was attacked as allowing unlimited entertainment expenditures without report so long as legislation was not mentioned at the time of the entertainment.

Sponsoring the House twin to Martin's bill are Representatives Zeke Zbraneck of Daisetta, Dick Cory of Victoria, Max Shultz of San Marcos and others. Introducing the four other lobby bills in the House were (1) Reps. Charles E. Hughes and Tony Koriath, both of Sherman, (2) Reps. Marshall O. Bell of San Antonio, Cecil Storey of Longview and Glenn H. Kolb.

State Capital NEWS

marh of San Antonio, (3) Rep. Louis Dugas of Orange and (4) Rep. J. C. Day of Brookshire.

Who Gets Water? This session's statewide water planning measure is already caught in the same swift currents that have capsized many previous water measures.

Mostly, it boils down to a fear by each individual lawmaker that the overall plan might benefit one area by taking water from his area.

Governor Daniel asked the lawmakers to set up machinery under State Water Board to draw up a statewide master plan for water. Measures to this effect were introduced in the House by Rep. W. N. Woolsey of Corpus Christi and in the Senate by Sen. George Parkhouse of Dallas.

Sponsors have repeatedly reassured that the bill would not take away any vested right of any water user in Texas. But Rep. W. A. Stromam of San Antonio objected to giving the Water Board planners "law-making powers."

Rep. Leroy Saul of Kress withdrew as House sponsor of the bill because he said he believed its passage would "lead to difficult financing."

State Practice Act

A closer watch and possible limitation before state agencies is proposed in a House bill. Sponsoring a bill to regulate representation before state agencies are Representatives L. DeWitt Hale, B. G. Forsyth of Corpus Christi and J. C. Day of Brookshire.

Their bill would require each agency to register those who appear before it. This bill also would bar lawmakers from such practice entirely if the constitutional amendment raising their

salaries to \$7,500 annually is passed.

This was one of the bills requested by the governor.

Law Enforcement Study

Creation of a law enforcement commission, which failed in the regular session, is back in the legislative mills.

This time the proposal is for a commission to study means of crime prevention and improvement of the penal code but not to investigate specific violations.

Sponsors are Rep. Dick Cory of Victoria and Sen. George Moffett of Chillicothe.

Oil Imports Bill

Companies which import foreign crude oil could have their Texas production cut back under a proposed House bill.

Representatives John Lee of Kermit and Charles Ballman of Borger introduced the bill. It is "waiting in line" with others that cannot be considered until the governor opens up the session to additional topics.

It would give the Railroad Commission power to reduce the allowable production of wells owned by those who import oil. It is designed to help Texas producers who have been unable to find markets for their oil.

Short Shorts

Asst. Atty. Gen. J. L. Smith has resigned to return to law practice in San Augustine. Linwood Shivers of Carthage has joined the attorney-general's staff.

State Comptroller Robert S. Calvert will be honored Nov. 15-16 as man of the year at Howard Payne College homecoming.

Clark Diebel has resigned as executive secretary of the Veterans Land Board to become statement analyst in the examination division of the State Board of Insurance.

IN LIVESTOCK INDUSTRY

\$200 Million May Be Saved by Care

By JOHN C. WHITE

About \$200 million in profits are lost by the livestock hide industry each year which might be saved with just a "little extra care" by producers and packers.

Animal hide is a sideline of livestock production that is not often thought of as a big profit factor by the average person.

Yet a perfect hide can mean as much as a \$10 "bonus" to the producer.

The hide has quite a few "enemies" however, which must be guarded against. Grubs eat holes in them, Barbed wire, nails and jagged edges of carriers scratch them.

Still another damage factor are huge brand marks which frequently cause up to a quarter of the hide to be discarded.

These four pre-tannery dollar robbers can best be brought in to control by cattlemen themselves while the packers can attempt to cut losses from skinner slashers and hide cellar rot.

The biggest problem for the

cattlemen is elimination of cattle grubs which cause \$100 million or 50% of the annual hide damage. Early treatment of damage, plus dehorning will help cut down blemishes and punctures. Feed lots, loading chutes, fences, and truck beds should be checked for sharp objects that will puncture, bruise or scratch.

It is always a good idea, also, to start livestock to market with clean skins. Caked manure and other lot soil cause unsightly stains which may influence the buyer to cut the cattle price.

Proper care of the hide is especially important these days when leather products are losing their markets to synthetics.

At the same time, leather goods prices are going sky high because perfect hides are, something of a rarity. Just a little more caution and planning can mean that extra "bonus" for the producers.

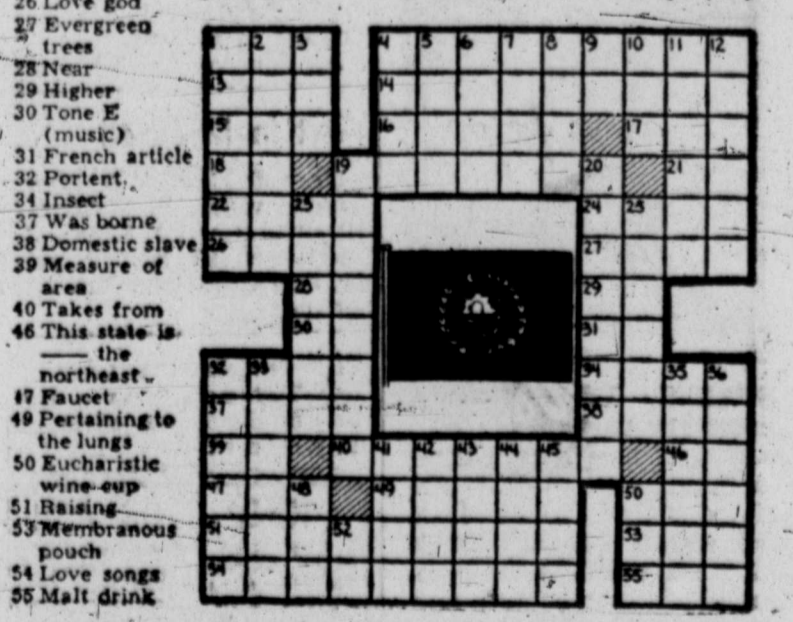

The answer, of course, is inflation. The restiffs that high prices are making it more and more difficult for anyone who wants to get started in farming to scrape up enough cash.

Marriage Is Man's Holiest Relationship

The Bible is nowhere a richer and safer guide than in all that concerns the sexes and the relationships of man and woman in marriage home, family and society.

Just as man at his worst has abused and misused the most precious things that God has given, so man at his best has made the sex instinct an instrument of debasement and foulness. Man has made his soul, which might be attuned to love and righteousness, an instrument of hate, and his wonderful and beautiful body an instrument of violence.

But we should not allow that to blind us to all that is noble and good. We speak of "holy matrimony" and there is nothing holier than a relationship of mutual love and loyalty. Two souls then share privilege and responsibility, bearing and forbearing, in lives that are pledged to truth and right.

It is on such a foundation that the Christian home is built. Nothing less could be fully adequate as an environment for

bringing into the world of new lives.

This is the ideal that we should always strive after. The fact that it is not always attained should not lessen the thought of it as the only adequate standard.

Perhaps, considering all the problems and difficulties of marriage and home in the most intimate relationship of which man is capable, the marvel is not that so many marriages fail but that so many succeed.

20 Years Ago...

(From the files of the Colorado Record of Oct. 23, 1937) W. L. Doss Sr., pioneer resident and local druggist, died at his home here after a long illness.

To date, 18,156 bales of cotton had been ginned in Mitchell County.

BIBLE COMMENT:

Marriage Is Man's Holiest Relationship

The Bible is nowhere a richer and safer guide than in all that concerns the sexes and the relationships of man and woman in marriage home, family and society.

Just as man at his worst has abused and misused the most precious things that God has given, so man at his best has made the sex instinct an instrument of debasement and foulness. Man has made his soul, which might be attuned to love and righteousness, an instrument of hate, and his wonderful and beautiful body an instrument of violence.

But we should not allow that to blind us to all that is noble and good. We speak of "holy matrimony" and there is nothing holier than a relationship of mutual love and loyalty. Two souls then share privilege and responsibility, bearing and forbearing, in lives that are pledged to truth and right.

It is on such a foundation that the Christian home is built. Nothing less could be fully adequate as an environment for

bringing into the world of new lives.

This is the ideal that we should always strive after. The fact that it is not always attained should not lessen the thought of it as the only adequate standard.

MANY PARTICIPATE

Lorraine Church Has Layman's Services

By MRS. C. C. HAMBTON, Record Correspondent
 LORRAINE Members of the Lorraine Episcopal Church, 1401 E. Broadway, participated in a special part in the church's service, which was held at 7:30 p. m. last night. The church was in charge of a program. Harold Martin directed the choir as they sang an anthem arrangement of "When They Ring Those Golden Bells." A special part of the service was the reading of a letter from the Rev. Dr. J. L. Smith, pastor of the church, who accompanied the group to the service. Mrs. K. E. Taylor and at the piano by Virginia Tompkins. Raymond Holt led in the responsive reading of Psalm 98 and Plez. Beatz led the morning prayer. "Sweet Hour of Prayer" was sung by the choir and Marshall Bruce led the offertory prayer. Claude Morrison, football coach at Lorraine High School, gave the Layman's Day message, using "The Wages of Sin Are Death" and the Gift of God is Eternal Life" as his text.

Check Heating Equipment for Winter Use

Now is the time for homeowners to have their gas heating equipment inspected and adjusted for winter use, it was urged today by R. J. Porter, Lone Star Gas manager. He urged homeowners not to depend on the first cold day to mind them to call for such service. "Heating service companies at Lone Star," he said, "receive hundreds of calls for service within a period of a few days on the day cold weather makes its first appearance. This brings a considerable delay in bringing many individual service calls." He suggested that owners of floor furnaces, wall heaters, stoves, central heating units and other gas heating equipment arrange now to have them inspected and adjusted by calling their heating equipment company or Lone Star Gas Company. "In this way," he added, "the fire family will be assured of having the cold weather that is to come. And the homeowner will have this important service completed and out of the way."

SCD CO-OPERATORS

Farmers Try New Ideas For Conservation of County Soil

Two Mitchell County farmers, co-operators in the county's Soil Conservation District, are trying new experiments in an effort to conserve the fertility of their farmland and to raise their crop yields.

DURING SEPTEMBER

Hack Welcomes 14 New Families Here

A total of 14 new families were welcomed to Colorado City during September by the "Howdy Hack" welcoming group of Beta Sigma Phi.

At Homecoming

Mrs. J. C. Hall Jr. and Mr. and Mrs. Lynn Hamilton attended the Hardin-Simmons Homecoming football game Saturday night. The group are all from Loraine.

666 LIQUID OR TABLETS DOES MORE TO STOP COLDS MISERIES BECAUSE IT HAS MORE! YOU CAN RELY ON 666

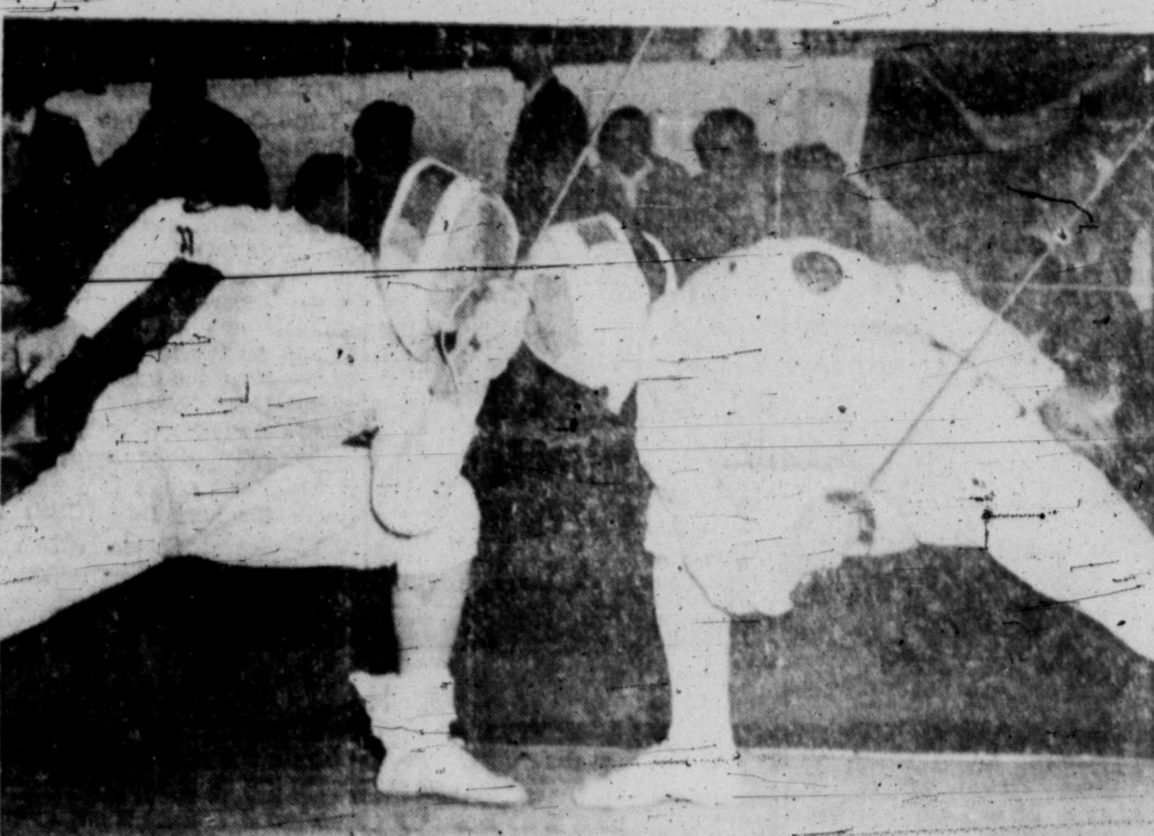

Home From H-SU Irma Hays and Kennie Sue Butler of Hardin-Simmons University in Abilene spent the week end at Loraine with their parents, Mr. and Mrs. H. J. Flays and Mr. and Mrs. Kenneth Butler.

the local Soil Conservation District, several thousand acres of Mitchell County farmland needs to be treated in this way each year to prevent wind erosion during critical spring months.

Examination of the roots showed that grazing has caused the grass to stoof out extensively, Penny said.

Loraine Baptist Minister Will Attend Meeting

Rev. Bobby W. Rine, pastor of the Loraine Baptist Church, will be among a number of participants from this area, who will be featured at a convention at the West Side Baptist Church in Big Spring.

"YOU THERE?" These fencers in Paris, France, seem to be trying to make sure each is there. Or maybe it's a staring match. If so, man on left should have swatted his gaze to his stocking, which apparently got tired of it all.

BY CHAIRMAN

Workers Listed for Loraine Fund Drive

By MRS. C. C. HAMILTON Record Correspondent LORLAINE Mrs. Bruce Johnson, who is in charge of the United Fund drive at Loraine reported that the following workers assisted in the Loraine drive.

BY CHAIRMAN

VFW Launches Local Drive

Colorado City's VFW Chapter is sponsoring a drive to obtain wheel chairs and hospital beds for free, needy county residents, according to officials of the local VFW chapter.

AT WESTBROOK HOME

Group Entertained With Monday Party

By MRS. ALDIS CLEMMER Record Correspondent WESTBROOK Mrs. R. O. Lee entertained with a party at her home Monday at 2 p.m.
